HONORABLE DONALD H. STECKROTH
CASE NO. 12-13896 (DHS)

In re: WAVE2WAVE COMMUNICATIONS, INC., *et al.*, Debtors-in-Possession.	Chapter 11 (Jointly Administered)

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTORS' SCHEDULES AND STATEMENTS

The Schedules of Assets and Liabilities and Statements of Financial Affairs **(**the **"Schedules and Statements")** filed by Wave2Wave Communications, Inc. **("Wave2Wave")**, RNK Inc. **("RNK")** and RNK VA, LLC, the within debtors and debtors-in-possession **(**collectively, the **"Debtors")** in the above-captioned Chapter 11 cases, includes financial information that is unaudited and was prepared pursuant to section 521 of chapter 11 of title 11 of the United States Code **(**the **"Bankruptcy Code")** and Rule 1007 of the Federal Rules of Bankruptcy Procedure **(**the **"Bankruptcy Rules")** in conjunction with the Debtors' management and advisors. While the Debtors' management has made reasonable efforts to file complete and accurate Schedules and Statements based upon information available at the time of preparation, and because of, among other things, the complexity of the Debtors' business operations, the Schedules and Statements remain subject to further revision and verification by the Debtors. The Debtors reserve the right to amend their Schedules and Statements from time to time as may be necessary or appropriate. The Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding Debtors' Schedules and Statements **(**the **"Global Notes")** is incorporated by reference in, and comprises an integral part of, the Schedules and Statements and should be referred to and reviewed in connection with any review of the Schedules and Statements.

INTRODUCTION

1. Description of the Case and "As Of" Information Date. On February 17, 2012 **(**the **"Filing Date")**, the Debtors filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code. The Debtors currently are operating their businesses and are in possession of their property as debtors-in-possession pursuant to Sections 1107 and 1108 of the Bankruptcy Code.

2. Basis of Presentation. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles, nor are they intended to fully reconcile to any financial statements otherwise prepared and/or distributed by the Debtors.

3. Amendment. While reasonable efforts were made to file complete and accurate Schedules and Statements, inadvertent errors or omissions may exist. The Debtors thus reserve the right to amend and/or supplement their Schedules and Statements from time to time as may be necessary or appropriate.

4. Recharacterization. The Debtors have made reasonable efforts to characterize, classify, categorize or designate the claims, assets, executory contracts, unexpired leases and other items reported in the Schedules and Statements correctly. However, due to the complexity and size of the Debtors' businesses and variety of services and products offered, the Debtors may have improperly characterized, classified, categorized or designated certain items. As such, the Debtors reserve their right to recharacterize, reclassify, recategorize or redesignate information reported in the Schedules and Statements at a later time, as necessary or appropriate, as additional information becomes available, including, but not limited to, whether contracts listed herein were executory as of the Filing Date or remain executory postpetition.

5. Summary of Reporting Procedures. The following conventions were adopted by the Debtors in the preparation of the Schedules and Statements:

(i) Fair Market Value; Book Value. Each Debtors' fiscal year ends December 31. All asset information contained in the Statements and Schedules, except where otherwise noted, is as of the Filing Date. The liability information, except where otherwise noted, is as of the Filing Date. Unless otherwise noted, the Debtors have indicated net book values for assets as of the Filing Date in their Statements and Schedules.

(ii) Intercompany Claims. Each Debtor has reported its specific intercompany receivables on Schedule B and specific intercompany payables on Schedule F. The Debtors have listed all intercompany payables as unsecured non-priority claims on Schedule F, but reserve their rights later to change the characterization, classification, categorization or designation of such claims. All intercompany receivables and payables are reported as net book value as of December 31, 2011.

(iii) Leases. The Debtors have not set forth executory contracts and unexpired leases as assets in their Schedules and Statements. The Debtors' executory contracts and unexpired leases have been set forth in Schedule G (see below).

(iv) Contingent Assets. The Debtors may possess certain claims and causes of action against various parties, including, contingent claims in the form of various avoidance actions they could commence under the Bankruptcy Code and other relevant nonbankruptcy laws. The identity and amounts of those claims and causes of action, if any, are not yet known and, therefore, the Debtors reserve all their rights with respect to any claims, causes of action or avoidance actions. Nothing contained or omitted in these Global Notes or the Schedules and

Statements shall be deemed a waiver of any such claims, avoidance actions or causes of action or in any way prejudice or impair the assertion thereof.

(v) Guaranties and Other Secondary Liability Claims. The Debtors have used their best efforts to locate and identify guaranties and other secondary liability claims **(**collectively, the **"Guaranties")** in their executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements. Where such Guaranties were identified, they were included in the relevant Schedule for the Debtors, including, but not limited to, Schedules D, F and H. To the extent the Debtors inadvertently omitted any of the Guaranties, they reserve their rights to amend the Schedules to reflect any additional Guaranties that may be identified.

(vi) Classifications. Listing a claim (i) on Schedule D as "secured," (ii) on Schedule E as "priority" or (iii) on Schedule F as "unsecured nonpriority," or listing a contract on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtors of the legal rights of the claimant, or a waiver of the Debtors' right to recharacterize or reclassify such claim or contract. In particular, the Debtors reserve the right to amend the Schedules and Statements to recharacterize or reclassify any such contract or claim.

(vii) Disputed, Contingent, and Unliquidated Claims: Schedules D, E and F (see below) permit the Debtors to designate a claim as disputed, contingent and/or unliquidated. A failure to designate a claim on any of these Schedules as disputed, contingent and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on these Schedules as to amount, liability or status.

SCHEDULES

6. Schedules A and B. In the ordinary course of their businesses, the Debtors lease real property and various articles of personal property, including furniture, fixtures and equipment, from certain third-party lessors. Every attempt has been made to set forth all such leases in the Schedules and Statements. The lease payments under such leases have been included on Schedule D (secured debt) to the extent the lessor filed a UCC-1 financing statement (see below). However, nothing in the Schedules or Statements is or shall be construed as an admission or determination as to the legal status of any lease (including whether to assume and assign or reject such lease or whether it is a true lease or a financing arrangement), and the Debtors reserve all their rights with respect to all such issues.

(i) Personal Property. The Debtors reserve their right to recategorize and/or recharacterize the asset holdings described below at a later time to the extent the Debtors determine that such holdings were improperly reported:

(1) Schedule B.2. All cash accounts are reported as a book balance as of the Filing Date.

(2) Schedule B.3. Deposits include security deposits with landlords and deposits with usage and facilities carriers.

(3) Schedule B.21. In the ordinary course of business, the Debtors dispute the amounts and usage of services provided by their carriers and providers. As a result, the Debtors may possess certain claims and causes of action against various carriers and providers, including, contingent claims in the form of counterclaims or setoffs. The Debtors have not included such contingent claims in the form of counterclaims or setoffs in Schedule B. Rather, the Debtors have included the gross amount of the claim (inclusive of the disputed

amounts) in Schedule F and reserve all rights with respect to any such credits and allowances including the right to assert claims objections, counterclaims and/or setoffs with respect to same.

(4) Schedule B.22. Includes all patents, trademarks, and other intellectual property.

(5) Schedule B.23. The Debtors' operations require them to maintain the proper regulatory approvals at the state and local levels. The licenses for which no book value could be obtained are reported as being of "undetermined" value. The Debtors also maintain equipment and machinery used in the ordinary course of business that is prepackaged with software associated with the hardware. Each of these programs or software packages **("Programs")** are typically accompanied by standard license agreements providing for the terms associated with these Programs. These Programs are in some cases proprietary to the hardware and are of undetermined value.

(6) Schedule B.24. The Debtors, as part of their normal course of business collect and retain customer information that includes personally identifiable information of individuals. The Debtors have developed and implemented multiple information protection plans, which comply with various information protection regulations under state and federal law. Many of these policies and procedures pertain to consumer network proprietary information **("CPNI")** promulgated by the Federal Communications Commission **("FCC")** and personal information protected under state law and in accordance with industry standard (*e.g.*, CPNI and related matters). The Debtors protect and utilize consumer information pursuant to their employee practices and procedures outlined under the Debtors' policies, such as the Debtors' Identity Theft Prevention Program, CPNI procedures, and Information Security Policy. It should further be noted that the FCC's CPNI rules apply to residential and business customers.

(7) Schedule B.25. Reflects the cost of all vehicles net of accumulated depreciation.

(8) Schedule B.28 – B.30. RNK Office Equipment, Furnishings, Machinery and Equipment are reflected on Schedule B and recorded at cost net of accumulated depreciation as of December 31, 2011. Wave2Wave Office Equipment, Furnishings, Machinery and Equipment are reflected on Schedule B and recorded at cost net of accumulated depreciation as of January 31, 2012.

7. Schedule D. Although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all their rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. The descriptions provided on Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens.

8. Schedule E. Certain of the Debtors' employees had pre-petition wage claims due to the timing of the Filing Date with respect to the Debtors' pay periods. As a result of these pre-petition wage claims, the Debtors owed monies to various taxing authorities which are afforded priority treatment. On February 22, 2012, the Bankruptcy Court entered an order granting the Debtors authority to pay pre-petition employee wage and other obligations in the ordinary course **(**the **"Employee Wage Order")**. Pursuant to the Employee Wage Order, the Debtors believe that, other than claims of certain former and current employees for vacation, personal and/or severance pay in excess of the permitted priority amount, any employee claims and related payroll taxes for pre-petition amounts have been or will be satisfied in the ordinary course of

business pursuant to the Employee Wage Order. As a result, pre-petition wage claims and associated payroll taxes have been listed on Schedule E as zero. Taxes other than payroll taxes may be due and owing as of the Filing Date. As such, the Debtors have listed any and all taxing authorities to which payments have been made by the Debtors within one (1) year of the Filing Date with an "amount of claim" as "unknown." The listing of any claim on Schedule E does not constitute an admission by the Debtors that such claim, in fact, exists and/or is entitled to priority treatment under Section 507 of the Bankruptcy Code. The Debtors reserve their right to dispute the priority status and amount of any claim on any basis. Moreover, the listing of any tax claim on Schedule E is not an admission or designation by the Debtors that such claim, in fact, exists or should be allowed as a pre-petition tax claim.

9. Schedule F. The claims comprising Schedule F may be categorized as follows:

(i) Trade claims: the claims of individual creditors for, among other things, services. In the ordinary course of business, the Debtors dispute the amounts and usage of services provided by their carriers and providers. As a result, the Debtors may possess certain claims and causes of action against various carriers and providers, including, contingent claims in the form of counterclaims or setoffs. For purposes of Schedule F, the Debtors have included the gross amount of the claim and reserve all rights with respect to any such credits and allowances including the right to assert claims objections, counterclaims and/or setoffs with respect to same; and

(ii) Litigation: claims currently in existence or potential liabilities involving the Debtors. The Bankruptcy Court has approved the Debtors' ability to pay certain pre-petition claims pursuant to various First Day Motions and accompany Orders entered on February 22, 2012. Those claims for pre-petition amounts have been or will be satisfied in the

ordinary course of business. The Debtors have scheduled claims as of the Filing Date without giving effect to payments made pursuant to those Orders. However, the Debtors will file amended Schedules to reflect payments made in accordance with those Orders.

(iii) Trade Creditors with Multiple Branches. Certain trade creditors conduct business with the Debtors through various regions and offices. The appropriate addresses for such trade creditors, including all branch offices, are included on Schedule F for noticing purposes. To the best of the Debtors' efforts, the amount included on Schedule F for such trade creditors is reported as an aggregate amount, reflecting amounts owing to all branches of such trade creditors.

10. Schedule G. The Debtors currently are parties to more than 6,000 contracts and, as such, while every effort has been made to ensure the accuracy of the Schedule of Executory Contracts, inadvertent errors or omissions may exist or have occurred. The Debtors hereby reserve all their rights to dispute the validity, status, or enforceability of any contracts, agreements or leases set forth on Schedule G and to amend or supplement such Schedule as necessary. The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments and agreements which may not be listed therein. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature, if any, have been scheduled to the best of the Debtors' knowledge. Certain of the

agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. RNK provides monthly telephone service to approximately 6,000 individual residential and small to medium business end-user subscribers. These subscribers are generally on month-to-month terms pursuant to generally available terms and conditions or tariffs. The Debtors have not listed these contracts on Schedule G.

11. Schedule H. Schedule H reflects guaranties issued by the Debtors in connection with their pre-petition secured debt. The Debtors reserve their rights to amend Schedule H to the extent that additional guaranties are identified or such guaranties are discovered to have expired or unenforceable.

Statements

12. Questions 1 and 2. Gross income reported on a consolidating basis among Wave2Wave and RNK. RNK VA, LLC does not generate any income.

13. Question 3(c). The Debtors' payments to "insiders" within one year preceding the commencement of these bankruptcy cases consist of payroll and expense reimbursement to officers under Section 101(31) of the Bankruptcy Code.

14. Question 4. The Debtors have made every effort to list all pending cases, as well as those resolved within the prior year, to which the Debtors have been made a party. Due to the large volume of cases, the Debtors have not been able to obtain full caption and docket information with respect to all current and recently resolved matters. However, the Debtors have made every effort to include all claimants as general unsecured creditors on Schedule F. In addition, there are now in effect or pending at the federal and state levels of government numerous regulatory programs and proposals of general application to the industry and

competitive carriers, many of which have or may have important effects on the operations of the Debtors in many areas, including licensing, tax, regulatory compliance, fees, charges and interconnection rights and obligations. The number and scope of such programs and proposals are significant. Some examples of these matters include state investigation of access charges, the FCC's review of intercarrier compensation charges, special access charges, Universal Service Fund assessments and the National Broadband Plan. Those programs and proposals are of general application and are not listed specifically on the Schedules and Statements.

15. Question 9. Prior to and on the Filing Date, Cole, Schotz, Meisel, Forman & Leonard, P.A. and J.H. Cohn LLP received retainers from the Debtors in the amount of $238,000.00 and $62,000.00 **("Retainers")**, respectively, for the filing of the Chapter 11 proceedings, preparation of documents necessary to stabilize the Chapter 11 cases, proposed post-petition representation of the Debtors in their Chapter 11 proceedings, and filing fees. Although the Retainers are each listed on Wave2Wave's, RNK's and RNK VA, LLC's Schedules and Statements, each Debtor did not make the Retainers payments. Rather, the Retainers represent the total Retainer amounts paid to Cole, Schotz, Meisel, Forman & Leonard, P.A. and J.H. Cohn LLP.

16. Question 10(a). On March 24, 2011, RNK and Wave2Wave entered into a senior secured loan and security agreement with Brookville Special Purpose Fund, LLC **("Brookville")** in the amount of $11.2 million **(the "Brookville Loan")**. The Debtors granted Brookville a blanket security interest in and lien against substantially all their assets as collateral for the Brookeville Loan senior to the Veritas Loan (as defined below). On August 25, 2011, RNK and Wave2Wave entered into a subordinated senior secured loan and security agreement, whereby RNK and Wave2Wave obtained from Veritas High Yield Fund, LLC **("Veritas")** a $3 million

loan with an over subscription option of an additional $2 million, for a potential total of $5 million in loans **(the "Veritas Loan")**. The Veritas Loan is secured by a blanket security interest in and lien against substantially all assets of the Debtors subordinate to the Brookville Loan.

17. Question 14. During the ordinary course of business, the Debtors offer license arrangements that allow customers to maintain equipment in their facilities. These licenses are known as "collocation" arrangements and are frequent in the telecommunications industry. The Debtors maintain several colocation facilities where customers locate their equipment in order to interconnect with the Debtors' network or provide services to their own customers. The Debtors do not own this equipment or have any interest in the equipment. The Debtors do not inventory customer equipment located in their facilities. However, customer equipment is located in designated customer locations within the Debtors' facilities and colocation spaces.

18. Questions 21(b) and 22(b). The term "officer" is not defined within the Bankruptcy Code. The Debtors have adopted a functional approach and have listed as "officers" those employees that have significant decision-making authority.

19. Question 23. All withdrawals or distributions credited or given to an insider within one year of the commencement of these bankruptcy cases are listed in Question 3(c).

SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

☐ Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.

STATEMENT OF FINANCIAL AFFAIRS

This statement is to be completed by every debtor. Spouses filing a joint petition may file a single statement on which the information for both spouses is combined. If the case is filed under chapter 12 or chapter 13, a married debtor must furnish information for both spouses whether or not a joint petition is filed, unless the spouses are separated and a joint petition is not filed. An individual debtor engaged in business as a sole proprietor, partner, family farmer, or self-employed professional, should provide the information requested on this statement concerning all such activities as well as the individual's personal affairs. To indicate payments, transfers and the like to minor children, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian."
