Mr. Miller is a Portfolio Manager at Elliott Management Corp., a New York-based investment fund with approximately \$18 billion in assets under management, and joined the firm in 2003 after having worked in mergers and acquisitions and financing advisory roles at Peter J. Solomon Company. Mr. Miller received an A.B. degree, magna cum laude with high honors in field, from Harvard University. He is currently a director of JCIM, LLC, an automotive component supply joint-venture affiliated with Johnson Controls, Inc, ISCO International, LLC, a telecommunications equipment manufacturer, and a former director of ventures including SemGroup Energy Partners GP, the general partner of a publicly traded midstream energy company. Mr. Miller is involved with a number of the firm's investment practices, including its automotive investment practice.
