- Presently, National Head of Originations for MidCap Financial's General ABL platform. MidCap Financial provides nonbank commercial finance ABL solutions in the \$10 to \$100MM transaction size range.
- Over his 25 year banking and commercial finance career, he has helped to start and build four separate ABL platforms including Fremont Financial, Foothill Capital, AloStar Business Credit and most recently, MidCap Financial.
- Extensive experience in the negotiation and origination of asset-based, leveraged cash flow and structured product financings for both public and privately owned companies in a broad range of industries. Specific financing experience includes re-financings, leveraged buyouts, recapitalizations, special situation financings, turnarounds, DIP financings and growth-oriented credit facilities ranging in size from \$5 to \$200 million.
- Throughout career, he and his teams have been responsible for over 300 funded transactions with commitments and fundings exceeding \$4.5 billion and \$3.0 billion, respectively.
- Previously served as: 1) President of the Atlanta chapter of the Commercial Finance Association (CFA), 2) National Board Member of the American Bankruptcy Institute (ABI) and 3) Board Member of the Turnaround Management Association (TMA).
