GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

GENERAL

The Schedules of Assets and Liabilities (collectively, the "Schedules") and the Statements of Financial Affairs (collectively, the "Statements" and, together with the Schedules, the "Schedules and Statements") filed by General Growth Properties Inc. ("General Growth") and its affiliated debtors in these jointly administered chapter 11 cases (collectively, the "Debtors") pending in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") were prepared, pursuant to section 521 of chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure, by management of the Debtors, with the assistance of the Debtors' court-appointed advisors, and are unaudited. Nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to these chapter 11 cases, including, but not limited to, issues involving substantive consolidation, equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers. As described further below, the Debtors reserve all rights to amend and/or supplement the Schedules and Statements from time to time as is necessary and appropriate.

The Schedules and Statements have been signed by Edmund Hoyt, Interim Chief Financial Officer of General Growth, who is responsible for financial oversight of the Debtors. In reviewing and signing the Schedules and Statements, Mr. Hoyt necessarily relied upon the efforts, statements, and representations of the Debtors' other personnel and professionals. Mr. Hoyt has not (and could not have) personally verified the accuracy of each such statement and representation, including, for example, statements and representations concerning amounts owed to creditors, classification of such amounts, and their addresses.

These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding the Debtors' Schedules and Statements (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and considered in connection with any review of the Schedules and Statements.

Description of the Cases

On April 16, 2009, certain of the Debtors filed voluntary petitions for relief under the Bankruptcy Code in the Bankruptcy Court. The remaining Debtors filed voluntary petitions for relief under the Bankruptcy Code in the Bankruptcy Court on April 22, 2009. The chapter 11 cases of the Debtors have been consolidated for the purpose of joint administration under Case No. 09-11977. The Debtors continue to operate their business and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. As used in these Global Notes, the term "Petition Date" refers to the date each Debtor filed its petition for relief under the Bankruptcy Code.

Basis of Presentation

For financial reporting purposes, prior to the Petition Date, the Debtors, their non-Debtor subsidiaries, and certain non-Debtor affiliates prepared consolidated financial statements that were audited annually. Not all of the direct and indirect subsidiaries and affiliates of General Growth are Debtors in these chapter 11 cases. As a result, combining the assets and liabilities set forth in the Schedules and Statements of the Debtors would result in amounts that would be substantially different from financial information regarding General Growth and its subsidiaries prepared on a consolidated basis under Generally Accepted Accounting Principles ("GAAP"). These Schedules and Statements are not financial statements prepared in accordance with GAAP and are not intended to fully reconcile to the consolidated publicly reported financial statements prepared by General Growth.

These Schedules and Statements reflect the assets and liabilities of each separate Debtor as reflected on the financial books and records of the Debtors, except where otherwise indicated. Due to the complexity and size of the Debtors' business, these financial books, records, and statements, and therefore these Schedules and Statements, could contain inadvertent inaccuracies, as well as classifications and characterizations which could result in the inclusion of an item on the Schedules and Statements of a Debtor that might be more appropriately reflected on the Schedules and Statements of a different Debtor.

The Debtors have made reasonable efforts to correctly quantify, characterize, classify, categorize, and designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. However, due to the complexity and size of the Debtors' business, the Debtors may have inadvertently improperly quantified, characterized, classified, categorized, or designated certain items. In addition, certain items reported in the Schedules and Statements could be included in more than one category. In those instances, one category has been chosen to avoid duplication. Further, the designation of a category is not meant to be wholly inclusive or descriptive of the rights or obligations represented by such item. Moreover, the categories are included for ease of reference and are not controlling.

Amendment

While the Debtors' management has made every reasonable effort to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances, based on information that was available to it at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors or omissions may have occurred. There can be no assurance that these Schedules and Statements are complete, because the Schedules and Statements contain unaudited information, which is subject to further review, verification, and potential adjustment. The Debtors reserve all rights to amend the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, as may be necessary to dispute or otherwise assert offsets or defenses to any claim reflected in the Schedules and Statements as to amount, liability, priority, status, description, or classification, to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated," or to otherwise recalculate, recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements.

Claim Description

Any failure to designate a claim in the Schedules and Statements as "contingent," "unliquidated," or "disputed" does not constitute an admission by the Debtors that such claim or amount is not "contingent," "unliquidated," or "disputed." The Debtors reserve all of their rights to dispute, or to assert offsets or defenses to, any claim reflected on their Schedules or Statements on any grounds, including, but not limited to, amount, liability, priority, status, description or classification, or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated."

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

Unliquidated Claim Amounts

Claim amounts that could not be readily quantified by the Debtors are scheduled as "unliquidated."

Undetermined Amounts

The description of an amount as "undetermined" is not intended to reflect upon the materiality of such amount.

Bankruptcy Court Orders

Pursuant to certain orders of the Bankruptcy Court entered in the Debtors' chapter 11 cases, the Debtors were authorized (but not directed) to pay, among other things, certain prepetition claims of employees, taxing authorities, lienholders, and certain other prepetition creditors. Accordingly, these liabilities may have been or may be satisfied in accordance with such orders. The prepetition claims of employees and taxing authorities covered by such orders are either not listed in the Schedules and Statements or listed at \$0 and marked as contingent and unliquidated. Remaining liabilities are reflected on the Statements and Schedules, although some of these liabilities may have been satisfied subsequent to the Petition Date.

Valuation

The Debtors do not have current market valuations of all of their assets. Accordingly, unless otherwise indicated, net book values as of the Petition Date are reflected on the Schedules and Statements. Exceptions to this include operating cash and certain other assets. Operating cash is presented at bank balances as of the Petition Date. Certain other assets, such as investments in subsidiaries and other intangible assets, are listed at undetermined amounts, as the net book values may differ materially from fair market values. Amounts ultimately realized may vary from net book value (or if a value other than net book value was used, such other ascribed value) and such variance may be material. Accordingly, the Debtors reserve all of their rights to amend or adjust the value of each asset set forth herein. In addition, the amounts shown for total assets and liabilities exclude items identified as "unknown" or "undetermined" and include items identified as "contingent" or "unliquidated." Therefore, total assets and liabilities of a Debtor may differ materially from those stated in the Schedules and Statements of such Debtor.

Dates

The information provided herein, except as otherwise noted, represents the asset data of the Debtors as of March 31, 2009 and the liability data of the Debtors as of the close of business on the applicable Petition Date. March 31, 2009 was selected as the date for asset data because the debtors believed that the additional procedures undertaken in connection with a quarter-end closing would provide additional reporting accuracy, and the Debtors do not believe that net book values changed materially between March 31, 2009 and the Petition Date.

Worker's Compensation

Workers' compensation claims generally have been excluded from the Schedules and Statements because the Debtors are performing their obligations as required by law and in accordance with Bankruptcy Court orders granting authority to the Debtors to satisfy those obligations in the ordinary course.

Specific Notes

These General Notes are in addition to the specific notes set forth in the Schedules and Statements of the individual Debtor entities. The fact that the Debtors have prepared a Specific Note with respect to a particular Schedule or Statement and not as to others does not reflect and should not be interpreted as a decision by the Debtors to exclude a Global Note from any or all of the Debtors' remaining Schedules or Statements, as appropriate.

Liabilities

The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change.

Excluded Assets and Liabilities

The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including goodwill, pension assets, deferred compensation, accrued salaries, employee benefit accruals, accrued accounts payable, and deferred gains. The Debtors also have excluded any potential rejection damage claims of counterparties to executory contracts and unexpired leases that have been or may be rejected. In addition, certain immaterial assets and liabilities may have been excluded.

Leases

The Debtors have not included in the Schedules and Statements the future obligations of any capital or operating leases.

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

Contingent Assets

Prior to the relevant Petition Date, each Debtor, as plaintiff, may have commenced various lawsuits in the ordinary course of its business against third parties seeking monetary damages. Refer to each Statement, item 4(a)(i), for lawsuits commenced prior to the relevant Petition Date in which the Debtor was a plaintiff. The Debtors believe that they may possess other claims and causes of action and contingent claims in the form of various avoidance actions they could commence under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws. The Debtors, despite reasonable efforts, may not have set forth all of these causes of action as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any claims, causes of action, or avoidance actions they may have and nothing contained in these Global Notes or the Schedules and Statements shall be deemed a waiver of any such claims, avoidance actions, or causes of action or in any way prejudice or impair the assertion of such claims.

The Debtors may also possess contingent and unliquidated claims against affiliated entities (both Debtor and non-Debtor) for various financial accommodations and similar benefits they have extended from time to time, including contingent and unliquidated claims for contribution, reimbursement, and/or indemnification arising from, among other things, (i) letters of credit, (ii) notes payable and receivable, (iii) surety bonds, (iv) guaranties, (v) indemnities, and (vi) warranties.

Receivables

For confidentiality reasons the Debtors have not listed individual customer accounts receivable balance information.

Guaranties and Other Secondary Liability Claims

The Debtors have used reasonable efforts to locate and identify guaranties and other secondary liability claims (collectively, "Guaranties") in each of their executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements. Where such Guaranties have been identified, they have been included in the relevant Schedule G for the Debtor or Debtors affected by such Guaranties. The Debtors, however, believe that certain Guaranties embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements may have been inadvertently omitted.

Co-Obligors

In the event that two or more Debtors are co-obligors with respect to a scheduled debt or guaranty, such debt or guaranty is listed in the Schedules and Statements of each such Debtor at the full amount of such potential claim, and such claim is marked "contingent" and "unliquidated." No claim set forth on the Schedules and Statements of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other Debtors or non-Debtors.

Trustee and Agents

In connection with the following obligations, the Debtors have scheduled the liability under the name of the applicable indenture trustee, administrative agent or, for commercial mortgage backed securities loans, the servicer and noticing agent: (a) the bonds issued by The Rouse Company, LP ("TRCLP") pursuant to that certain indenture dated February 24, 1995; (b) the bonds issued by TRCLP and TRC Co-Issuer, Inc. pursuant to that certain indenture dated May 5, 2006; (c) the 3.98% Exchangeable Senior Notes issued by GGPLP pursuant to that certain indenture dated April 16, 2007; (d) the junior subordinated notes issued by GGPLP pursuant to that certain Junior Subordinated Indenture dated February 24, 2006; (e) the debt outstanding under that certain Amended and Restated Credit Agreement dated February 24, 2006 with General Growth, GGP Limited Partnership ("GGPLP") and GGPLP L.L.C. as borrowers (the "2006 Credit Agreement"), and (f) certain project level debt secured by real property. If more than one indenture trustee, administrative agent or CMBS servicer serves as the notice party for all or a portion of a specific debt obligation, the full amount of such debt may be scheduled more than once and designated as "contingent" and/or "unliquidated."

Confidential or Sensitive Information

There may be instances in which certain information in the Schedules and Statements intentionally has been excluded due to the nature of an agreement between a Debtor and a third party, concerns about the confidential or commercially sensitive nature of certain information, or concerns for the privacy of an individual. The omissions are limited to only what is necessary to protect the Debtor or third party and will provide interested parties with sufficient information to discern the nature of the listing.

Intellectual Property Rights

Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise have not expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all intellectual property rights.

Estimates

Management was required to make certain estimates and assumptions in order to report liability data as of the Petition Date.

Fiscal Year

Each Debtor's fiscal year ends on December 31.

Currency

All amounts are reflected in U.S. dollars.

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

Property and Equipment

Unless otherwise indicated, owned property and equipment are stated at net book value. The Debtors may lease furniture, fixtures, and equipment from certain third party lessors. Any such leases are set forth in the Schedules and Statements. Nothing in the Schedules and Statements shall be construed as an admission as to the determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all of their rights with respect to same.

Interest in Subsidiaries and Affiliates

General Growth directly or indirectly owns all or part of the subsidiaries and affiliates that are also Debtors. In addition, General Growth indirectly owns all or part of numerous subsidiaries and affiliates that are not Debtors. Interests in subsidiaries arise from ownership of stock, partnership interests, limited liability company interests, or other ownership interests in such subsidiaries. Each Debtor's Schedule B13 contains a listing of the current ownership structure of General Growth and its Debtor and non-Debtor subsidiaries. Interests in subsidiaries and affiliates are listed at undetermined amounts because we do not have market valuations of such interests and the net book value of such interests may differ materially from their fair market value.

Umbrella or Master Agreements

A number of contracts listed in the Schedules and Statements are umbrella or master agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Schedules and Statements only of the Debtor that signed the original umbrella or master agreement.

Insiders

The Debtors have attempted to include all payments made over the 12 months preceding the Petition Date to any individual or entity deemed an "insider." For these purposes, "insider" is defined as (i) officers of General Growth as of the Petition Date who were required to file statements pursuant to Section 16 of the Securities Exchange Act of 1934, as amended, with respect to ownership of General Growth common stock, (ii) Directors of General Growth as of the Petition Date, or (iii) an entity owned or controlled by an individual identified in (i) or (ii), other than General Growth or any subsidiary thereof. The listing of a party as an "insider," however, is not intended to be, nor shall be, construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved.

Payments

The financial affairs and business of the Debtors are complex. Prior to the Petition Date (and subsequent to the Petition Date pursuant to Bankruptcy Court approval), the Debtors participated (and continue to participate) in a centralized cash management system through which cash disbursements are generally made by GGPLP (a Debtor) on behalf of its Debtor and non-Debtor subsidiaries and affiliates. As a result, payments in the Schedules and Statements have been made prepetition by GGPLP on behalf of other Debtors through the operation of the centralized cash management system.

Intercompany Transactions

Prior to the Petition Date (and subsequent to the Petition Date pursuant to Bankruptcy Court approval), the Debtors routinely engaged (and continue to engage) in intercompany transactions with both Debtors and non-Debtors, which may or may not result in intercompany accounts payable and receivable. The respective intercompany accounts payable and receivable as of the Petition Date, if any, are not set forth in the Schedules and Statements.

Schedule B-24 – Customer Lists

The Debtors have compiled certain customer lists and related customer information. Although this information is confidential and has not been included on Schedule B, the omission of such information should not be deemed a conclusion that such information has no value.

SPECIFIC NOTES REGARDING SCHEDULE D

Creditors Holding Secured Claims

Amounts listed herein are as of the Petition Date.

Except as otherwise agreed pursuant to a stipulation, agreed order, or general order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the extent, validity, priority, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercreditor or intercompany agreement) related to such creditor's claim. The descriptions provided on Schedule D are intended only as a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

Certain of the Debtors' agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financing agreements. No attempt has been made to identify such agreements for purposes of Schedule D. However, the Debtors reserve all of their rights to amend Schedule D in the future to the extent the Debtors determine that any claims associated with such agreements are properly reported on Schedule D.

Some of the Debtors' creditors may have filed mechanic's or materialman's liens following the commencement of the Debtors' chapter 11 cases. Some liens may, by virtue of section 546(b) of the Bankruptcy Code and applicable law, relate back to the period prior to the Petition Date. Any such liens that have been filed after the Petition Date may not be listed on Schedule D.

To the extent that any landlords, real property and personal property lessors, utility companies, or other creditors hold a security deposit from any of the Debtors and to the extent that such deposits constitute secured claims, such deposits are not listed on Schedule D, except as specifically stated herein.

SPECIFIC NOTES REGARDING SCHEDULE E

Creditors Holding Unsecured Priority Claims

The listing of any claim on Schedule E does not constitute an admission by the Debtors that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors reserve all of their rights to dispute the amount and/or the priority status of any claim on any basis at any time.

As noted in the Global Notes, the Bankruptcy Court entered orders granting authority to the Debtors to pay certain prepetition employee wage and other obligations in the ordinary course (the "Employee Wage Order"). Pursuant to the Employee Wage Order, the Debtors believe that, other than claims of certain former and current employees for vacation, personal, and/or severance pay, any priority employee claims for prepetition amounts have been or will be satisfied, and such satisfied amounts are therefore not listed on Schedule E. Any exceptions to that will be listed on Schedule E. Other non priority employee claims against the Debtors for prepetition amounts that have not been paid as of the time that the Schedules and Statements were prepared are included on Schedule F.

SPECIFIC NOTES REGARDING SCHEDULE F

Creditors Holding Unsecured Nonpriority Claims

Amounts listed herein are as of the Petition Date.

The Debtors have used reasonable best efforts to list all general unsecured claims against the Debtors on Schedule F based upon the Debtors' existing financial books and records.

Schedule F does not include certain deferred credits, deferred charges, deferred liabilities, accruals, or reserves. Such amounts are general estimates of liabilities and do not represent specific claims as of the Petition Date; however, such amounts are reflected on the Debtors' financial books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date.

The claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. Although commercially reasonable efforts have been made to identify the date of inurrence of each claim, determining the date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed on Schedule F.

Schedule F contains information regarding potential and pending litigation involving the Debtors. In certain instances, the Debtor that is the subject of the litigation is unclear or undetermined. To the extent that litigation involving a particular Debtor has been identified, however, such information is contained in the Schedule for that Debtor.

Schedule F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption, or assumption and assignment, of an executory contract or unexpired lease. In addition, Schedule F does not include any potential rejection damage claims of the counterparties to the executory contracts and unexpired leases that have been or may be rejected.

Except in certain limited circumstances, the Debtor has not scheduled contingent and unliquidated liabilities related to guaranty obligations on Schedule F. Such guaranties are, instead, listed on Schedule G.

The claims of individual creditors for, among other things, goods, services, or taxes listed on the Debtors' books and records may not reflect credits or allowances due from such creditors. The Debtors reserve all of their rights in respect of such credits or allowances. The dollar amounts listed also may be exclusive of contingent or unliquidated amounts.

**UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF NEW YORK**

SCHEDULE G - EXECUTORY CONTRACTS AND UNEXPIRED LEASES

Describe all executory contracts of any nature and unexpired leases of real or personal property. Include any timeshare interests. State nature of debtor's interest in contract, i.d., "Purchaser", "Agent", etc. State whether debtor is the lessor or lessee of a lease. Provide the names and complete mailing addresses of all parties to each lease or contract described. If a minor child is a party to one of the leases or contracts, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m).

Check this box if debtor has no executory contracts and/or unexpired leases to report on this Schedule G.

SPECIFIC NOTES REGARDING SCHEDULE G

Executory Contracts

The Debtors' business is complex. While the Debtors' existing books, records, and financial systems have been relied upon to identify and schedule executory contracts and unexpired leases at each of the Debtors, and although commercially reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions, or overinclusions may have occurred. The Debtors do not make, and specifically disclaim, any representation or warranty as to the completeness or accuracy of the information set forth on Schedule G. The Debtors hereby reserve all of their rights, claims, and causes of action with respect to the contracts, agreements, and leases listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument related to a creditor's claim, to dispute the validity, status, or enforceability of any contract, agreement, or lease set forth in Schedule G, and to amend or supplement Schedule G as necessary. Inclusion of any agreement on Schedule G does not constitute an admission that such agreement is an executory contract or unexpired lease and the Debtors reserve all rights in that regard, including, without limitation, that any agreement is not executory, has expired pursuant to its terms, or was terminated prepetition.

The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument or other document is listed thereon.

In some cases, the same vendor or provider appears multiple times in Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such provider or vendor.

In the ordinary course of business, the Debtors may have issued numerous purchase orders for supplies, products, and related items which, to the extent that such purchase orders constitute executory contracts, are not listed individually on Schedule G. To the extent that goods were delivered under purchase orders prior to the Petition Date, vendors' claims with respect to such delivered goods are included on Schedule F.

Certain of the executory contracts and unexpired leases listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, right to lease additional space, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as easements, right of way, subordination, nondisturbance, and atonement agreements, supplemental agreements, amendments/letter agreements, title agreements, and confidentiality agreements. Such documents also are not set forth in Schedule G.

In addition, certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. Certain of the contracts, agreements, and leases listed on Schedule G may have been entered into by more than one of the Debtors. Further, the specific Debtor obligor to certain of the executory could not be specifically ascertained in every circumstance. In such cases, the Debtors used their best efforts to determine the correct Debtor's Schedule G on which to list such executory contract or unexpired lease.

In the ordinary course of business, the Debtors have entered into numerous contracts or agreements which, to the extent such contracts or agreements constitute executory contracts, are not listed individually on Schedule G. Such contracts or agreements include (i) agreements regarding the provision of certain services on a month to month basis, (ii) brokerage agreements relating to the leasing of tenant space, which are generally non-exclusive and terminable by either party on thirty days notice or less, (iii) confidentiality agreements and (iv) indemnification agreements with directors, managers or trustees (as applicable) and officers of the Debtors.

Certain of the executory contracts may not have been memorialized and could be subject to dispute; executory agreements that are oral in nature have not been included in Schedule G.

Certain of the executory contracts and unexpired leases listed in Schedule G refer to a former name of a Debtor. Schedule I to each of the Debtor's chapter 11 petitions lists the names that particular Debtor has used during the eight years prior to the Petition Date and may be referred to in this regard.

Certain of the executory contracts and unexpired leases listed in Schedule G were assigned to, assumed by, or otherwise transferred to certain of the Debtors in connection with, among other things, acquisitions by the Debtors. In those instances, the entity listed as the party to the executory contract or unexpired lease is the former party to same.

The Debtors generally have not included on Schedule G any insurance policies, the premiums for which have been prepaid. The Debtors submit that prepaid insurance policies are not executory contracts pursuant to section 365 of the Bankruptcy Code because no further payment or other material performance is required by the Debtors. Nonetheless, the Debtors recognize that in order to enjoy the benefits of continued coverage for certain claims under these policies, the Debtors may have to comply with certain non-monetary obligations, such as the provision of notice of claims and cooperation with insurers. In the event that the Bankruptcy Court were to ever determine that any such prepaid insurance policies are executory contracts, the Debtors reserve all of their rights to amend Schedule G to include such policies, as appropriate.

Except in certain limited circumstances, the Debtor has not scheduled contingent and unliquidated liabilities related to guaranty obligations on Schedule F. Such guaranties are, instead, listed on Schedule G.

SPECIFIC NOTES REGARDING SCHEDULE G

In addition, Schedule G does not include any potential rejection damage claims of the counterparties to the executory contracts and unexpired leases that have been or may be rejected.

Contracts identified as "Independent Director Contracts," are contracts by which individuals agree to serve as independent directors, managers or trustees of the identified Debtor, as applicable, or contracts with entities who agree to provide individuals to serve in such capacities.

Due to the volume of the Debtors' executory contracts and unexpired leases, the Debtors are still in the process of collecting the addresses of all counterparties to such executory contracts and unexpired leases. These addresses will be compiled prior to sending notice of the bar date for the filing of proofs of claim in these chapter 11 cases.

As used in Schedule G, (i) "Loan Documents" can include, without limitation, some or all of the following, and amendments thereto and modifications thereof: loan agreements; promissory notes; mortgages, deeds of trust, deeds to secure debt or similar agreements; assignments of leases and rents; uniform commercial code financing statements; environmental indemnities; equity pledges and stock powers; cash management agreements, lockbox or account control agreements; guaranties; indemnities; master leases; allonges; collateral assignments/subordinations of property management agreements; assignments of rate cap and hedge agreements; and all other agreements, instruments, certificates and documents executed or delivered by or on behalf of borrow or any affiliate of borrower to evidence or secure a loan, (ii) "Leases" can include, without limitation, some or all of the following, and amendments thereto and modifications thereof: leases, subleases, licenses and other occupancy agreements and other similar documents or contractual arrangements with tenants or other occupants of the applicable property, and (iii) "REA" can include, without limitation, some or all of the following, and amendments thereto and modifications thereof: construction, operation and reciprocal easement agreements and any supplemental, separate or associated agreements and other similar documents or contractual arrangements with tenants or other occupants of the applicable property. Leases listed on Schedule G do not include all Leases where the tenant had not taken possession as of the Petition Date.

Title to the numerous properties owned by Debtors is encumbered by numerous title exceptions such as, including, but not limited to, deed restrictions including reservations of oil and mineral rights, private and public use and building restrictions, easements and licenses granting easements (including dominant, subservient, cross, prescriptive, appurtenant and in gross), grants of access and parking rights, and other real estate restrictions typically seen on title to commercial properties, each as amended or modified from time to time. Due to their large number and customary nature, the Debtors have not individually listed such exceptions, and to the extent any of such exceptions could constitute executory contracts, they have not been listed on Schedule G.

UNITED STATES BANKRUPTCY COURT

SCHEDULE H - CODEBTORS

Provide the information requested concerning any person or entity, other than in a joint case, that is also liable on any debts listed by debtor in the schedule of creditors. Include all guarantors and co-signers. If the debtor resides or resided in a community property state, commonwealth, or territory (including Alaska, Arizona, California, Idaho, Louisiana, Nevada, New Mexico, Puerto Rico, Texas, Washington, or Wisconsin) within the eight-year period immediately preceding the commencement of the case, identify the name of the debtor's spouse and of any former spouse who resides or resided with the debtor in the community property state, commonwealth, or territory. Include all names used by the nondebtor spouse during the eight years immediately preceding the commencement of this case. If a minor child is in community property states, a married debtor not filing a joint case should report the name and address of the nondebtor spouse on this schedule. Include all names used by the nondebtor spouse during the six years immediately preceding the commencement of this case. If a minor child is a codebtor or a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m).

SPECIFIC NOTES REGARDING SCHEDULE H

Co-Debtors

In the ordinary course of their business, the Debtors pay certain expenses on behalf of their subsidiaries. In addition, in the ordinary course of their business, certain of the Debtors have guaranteed certain obligations and liabilities. However, the transactions and guarantees between the Debtors and their subsidiaries are too voluminous to list separately but, in some instances, are reflected elsewhere in the Schedules and Statements. The Debtors may not have identified certain guarantees that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other agreements. Further, certain of the guarantees reflected on Schedule H may have expired or may no longer be enforceable. Thus, the Debtors reserve their rights to amend Schedule H to the extent that additional guarantees are identified or such guarantees are discovered to have expired or become unenforceable.

In the ordinary course of their business, the Debtors may be involved in pending or threatened litigation and claims arising out of certain ordinary course of business transactions. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties. Due to the volume of such claims and because all such claims are contingent, disputed, and/or unliquidated, such claims have not been set forth individually on Schedule H. However, some such claims may be listed elsewhere in the Schedules and Statements.

DECLARATION CONCERNING DEBTOR'S SCHEDULES
