Exhibit 5.2

Restructuring Transactions

NOTEHOLDER PLAN EXHIBIT 5.2

RESTRUCTURING TRANSACTIONS

This Exhibit is subject to all of the provisions of the Noteholder Plan, including, without limitation, Section 13.8, pursuant to which the Proponents have reserved the right, subject to section 1127 of the Bankruptcy Code and, to the extent applicable, sections 1122, 1123 and 1125 of the Bankruptcy Code, to alter, amend or modify the Noteholder Plan or the Exhibits at any time prior to or after the Confirmation Date but prior to substantial consummation of the Noteholder Plan.

EXHIBIT 5.2

Restructuring Transactions

Pursuant to Section 5.2 of the Noteholder Plan, but subject to the limitations herein, on or prior to the Effective Date, any Debtor (with the consent of the Proponents) and, after the Effective Date, any Reorganized Debtor may enter into or undertake any Restructuring Transactions and may take such actions as may be determined by such Debtor (with the consent of the Proponents) or Reorganized Debtor to be necessary or appropriate to effect such Restructuring Transactions. This Exhibit 5.2 contains a list of the Restructuring Transactions to be consummated by the Debtors and their successors pursuant to Section 5.2 of the Noteholder Plan for each of Tribune's primary business groups: (a) Broadcasting; (b) Publishing; and (c) Corporate/Investments. The transaction lists are accompanied by (x) the current organizational chart for each business group and (y) an organizational chart that sets forth the organizational structure of each business group after giving effect to the Restructuring Transactions. Parties should refer to Section 5.2 of the Noteholder Plan and to the Confirmation Order for additional terms and conditions relating to the Restructuring Transactions.

As permitted under the Noteholder Plan, the Proponents presently anticipate that most, if not all, of the Restructuring Transactions described in this Exhibit 5.2 shall occur (a) subsequent to the entry of the Confirmation Order and the requisite FCC Approvals for the consummation of the Noteholder Plan and Restructuring Transactions but (b) prior to the Effective Date. The consummation of any Restructuring Transactions prior to the Effective Date shall be conditioned upon the following, any of which may be waived by the Proponents:

- The Confirmation Order shall provide that no Restructuring Transaction may be implemented that would impact or have a material effect upon any of the Litigation Trust, Creditors' Trust or Distribution Trust unless consented to by (a) prior to the Effective Date, the Proponents or (b) on or after the Effective Date, the respective advisory board(s) of the impacted Trust(s);
- ii. the Confirmation Order shall not have been stayed or reversed on appeal; and
- iii. the Proponents must reasonably believe that the Effective Date shall occur within seven (7) calendar days from the date on which any such transactions are to become effective, provided that the formation of new shell entities shall not be subject to this subsection (iii).

Subject to Section 13.8 of the Noteholder Plan, the Proponents reserve the right to supplement, modify or revise this Exhibit 5.2 at any time prior to the conclusion of the Confirmation Hearing and may determine subsequent thereto not to pursue any or all of the Restructuring Transactions.

¹ Capitalized terms used in this Exhibit 5.2 but not defined herein shall have the meanings ascribed to such terms in the Noteholder Plan.
