ARTICLE III. **BACKGROUND**

A. Narrative Description of the Debtor

Prior to its bankruptcy filing, Adams Produce was a privately held company headquartered in Birmingham, Alabama, and was a leading distributor of fresh fruits and vegetables to restaurants, government and hospitality establishments across the Southeastern United States. Adams Produce had multiple distribution centers located throughout the Southeast, servicing the states of Alabama, Arkansas, Florida, Georgia, Mississippi, and Tennessee. Adams Produce employed over 400 employees.

Edwin Calvin Adams founded Adams Produce in 1903 when he incorporated E.C. Adams & Co. Adams Produce's business grew, and once members of the Adams family joined the company, Adams Produce was renamed Adams Brothers Produce Co., Inc. in 1936. At the time of its bankruptcy filing, Adams Produce was one of the preeminent "produce specialists" in the Southeastern United States.

Prior to the Petition Date, PNC Bank ("PNC") was the Debtors' lender. The total amount of the Debtors' pre-petition secured debt approximated \$5.6 million. The total amount of the Debtors' pre-petition unsecured debt approximated \$33.9 million (including PACA Claims).

B. Summary of Events that Occurred During the Course of the Bankruptcy

1. Professionals

At the beginning of the Case, the Debtors application to employ Burr & Forman LLP ("Burr") as the Debtors' legal counsel was approved by the Bankruptcy Court. The Debtor also employed Deloitte Financial Advisory Services, LLP to serve as the Debtors' Chief Restructuring Officer.

Burr was also later employed by the Debtors to serve as special litigation counsel in order to pursue the Debtors' claims against Frost Cummings Tidwell Group, LLC.

The Debtors have also sought and received approval to employ an accounting firm, Dent, Baker & Company, LLP to prepare the Debtors' 2011 and 2012 tax returns.

2. PACA Issues

Prior to the Filing Date, the Debtors were engaged in the business of distributing fresh fruits and vegetables, in the course of their business, the Debtors regularly purchased goods that qualify as "perishable agricultural commodities" under the Perishable Agricultural Commodities Act of 1930, as amended, 7 U.S.C. §§ 499a et seq. ("PACA").

Under PACA, the term perishable agricultural commodity is generally defined as "fruits and fresh vegetables of every kind and character." PACA provides various protections to fresh fruit and vegetable sellers, including the establishment of a statutory constructive trust consisting of a buyer's entire inventory of food or other derivatives of perishable agricultural commodities, the products derived therefrom and the proceeds related to any sale of the commodities or products. Assets of a PACA trust are preserved as a non-segregated floating trust, and are not property of a Debtors' estate.

Certain of the Debtors' produce suppliers were eligible to assert claims against the Debtors under PACA (the "PACA Claims"), including claims that a PACA trust (the "PACA Trust") had been impressed on certain of the Debtors' assets (the "PACA Trust Assets"). As the PACA Trust Assets were held in trust by the Debtors and were not property of the Debtors' estates, the Debtors' produce suppliers had priority ahead of all other secured and unsecured creditors of the Debtors' estates as to those PACA Trust Assets.

In order to facilitate the orderly and efficient determination and payment of valid PACA Claims, the Debtors requested that the Bankruptcy Court institute certain procedures related to the PACA Claims made by the Debtors' produce suppliers. On July 11, 2012, the Court entered its Agreed Order Establishing PACA Claims Procedure (the "PACA Order"), which provided a procedure for determining the amount of assets that were subject to the PACA Trust, determining the amount of valid PACA Claims, and paying valid PACA Claims from the PACA Trust.

As of the deadline to file PACA Claims as set forth in the PACA Order, sixty-one (61) of the Debtors' creditors (the "PACA Claimants") filed PACA Claims, asserting claims for more than \$13.5 million. The Debtors and five other interested parties filed objections to sixty (60) of the PACA Claims. Thereafter, the Debtors reached a settlement with forty-nine (49) of the fifty (50) PACA Claimants holding valid PACA Claims (the "Settling PACA Claimants"), whereby the Debtors agreed to make payment in the total amount of \$8,106,769.07 to the Settling PACA Claimants in full and total satisfaction of the Debtors' liability to the Settling PACA Claimants, and the Settling PACA Claimants agreed to assign their PACA Claims to the Debtors. On October 8, 2012, the Debtors filed their motion to approve the PACA Settlement, which was approved by the Bankruptcy Court on October 24, 2012.

The PACA Settlement did not resolve the PACA Claim of Alex Kontos Fruit Co., Inc. ("Kontos"). The Debtors and Kontos engaged in mediation pursuant to the PACA Order, and as a result of the mediation, the Debtors and Kontos reached a settlement (the "Kontos Settlement"). On November 30, 2012, the Debtors filed their motion to approve the settlement between the Debtors, PNC Bank, and Kontos, pursuant to which the Debtors paid Kontos the total amount of \$370,000.00 in full and total satisfaction of the Debtors' liability to Kontos on account of Kontos' PACA Claim. The settlement did not release certain parties, including the Debtors' former directors and officers, from liability to Kontos for the deficiency of Kontos' PACA Claim.

On October 9, 2012 and October 24, 2012, the Debtors filed motions to disallow certain PACA Claimants' PACA Claims due to such PACA Claimants' failure to comply with the procedures set forth in the PACA Order (collectively, the "Motions to Disallow"). On October 24, 2012 and November 9, 2012, the Bankruptcy Court entered orders granting the respective Motions to Disallow.

As of the date of this Disclosure Statement, all PACA Claims against the Debtors have been resolved, either through a Final Order approving the settlement of certain PACA Claims or a Final Order disallowing the remaining PACA Claims.

3. Asset Sales

a. Inventory and Lease Rights

The Debtors ceased operations on the Filing Date, but maintained a large inventory of produce and other perishable items, that, if not sold promptly, risked spoilation. Prior to the Filing Date, the Debtors operated around the Southeast out of several distribution centers. Several of the Debtors' former managers in these locations expressed an interest in purchasing

the Debtors' inventory and operating new produce distribution businesses. Because the Debtors' inventory would be worthless if it spoiled, the Debtors sought Bankruptcy Court approval to (i) sell their produce inventory to the former managers at no less than 50% of the price paid by the Debtors for the inventory, and (ii) assign the Debtors' lease rights in certain distribution centers to the former managers so that the former managers could operate their new businesses from the Debtors' former distribution centers. The Debtors' major PACA creditors consented to the sale of the inventory, and the Bankruptcy Court approved the sale on April 28, 2012. On May 3, 2012, the Debtors filed another motion to sell inventory, which sought the Bankruptcy Court's approval to sell the remaining inventory, which had steadily declined in value, at any price that the Debtors deemed reasonable. The Bankruptcy Court approved the Debtors' second motion on May 11, 2012. Within weeks of the Filing Date, the Debtors sold a substantial portion of their existing perishable inventory, realizing substantial value for their estates and creditors.

b. Vehicles

The Debtors owned several vehicles, and on July 31, 2012, the Debtors sought the Bankruptcy Court's authorization to sell certain vehicles and to employ Heritage Realty & Auction Co., Inc. ("Heritage") to serve as auctioneer/broker for the Debtors in connection with the sale of the vehicles. The Bankruptcy Court approved the sale of certain vehicles and the Debtors' employment of Heritage, and on September 8, 2012, Heritage conducted an auction, selling five (5) of the Debtors' vehicles to the highest bidder at auction for a total of \$32,650.00. Thereafter, the Bankruptcy Court approved Heritage's compensation and reimbursement of expenses in the total amount of \$7,317.26. The Debtors received net proceeds from the sale of the vehicles in the amount of \$25,332.74.

4. **D&O Settlement**

Claims have been asserted against the Debtors' former directors and officers (the "Directors and Officers") by several parties related to the Directors and Officers' acts and/or omissions in their capacity as directors and/or officers of the Debtors (all such claims collectively, the "D&O Claims").

As set forth above, the Kontos Settlement did not include Kontos' release of the Directors and Officers from any potential liability on account of Kontos' PACA Claim. In certain circumstances, directors and officers of a corporate entity who are in a position to control PACA trust assets, but breach the fiduciary duty to preserve those assets, may be held personally liable under PACA. Kontos has asserted claims against the Directors and Officers based on their alleged failure to preserve the Debtors' assets that were impressed by a PACA trust.

The Debtors' former employees have also asserted claims against the Directors and Officers. On the Filing Date, the Debtors ceased operations and terminated all of their approximately 400 employees (the "Employees"), and did not compensate the Employees for the final three weeks of their employment. The Employees have been represented in the Case by the Ad Hoc Committee, and the Ad Hoc Committee has asserted claims against the Directors and Officers under certain federal and state statutes relating to the Debtors' termination of the Employees on the Filing Date and the Debtors' failure to pay three weeks of wages to the Employees.

Finally, the Debtors' Estates have also asserted claims against the Directors and Officers for the Directors and Officers' breach of their fiduciary duties to the Debtors. Specifically, the Debtors' Estates alleged that the Directors and Officers breached their fiduciary duty of care by intentionally ignoring the Debtors' undercapitalization issues, which caused the Debtors' deepening insolvency and ultimately led to the Debtors' bankruptcy, and breached their fiduciary duty of loyalty by failing to implement any reporting or information controls that would detect malfeasance within the company.

The Debtors have an insurance policy with Federal Insurance Company that provides coverage for claims made against the Directors and Officers. Since the Filing Date, the Debtors have made several demands upon the Directors and Officers for payment in connection with the D&O Claims and upon Federal Insurance Company for coverage under the policy.

In late 2012, the Debtors, the Directors and Officers, PNC Bank, Kontos, and the Ad Hoc Committee engaged in a mediation over several days before U.S. Magistrate Judge John Ott during which the parties discussed the D&O Claims. The parties reached a settlement of the D&O Claims (the "D&O Settlement"), which is set forth in Exhibit E to this Disclosure Statement, and provided for in the Plan. Among other things, the D&O Settlement provides for:

- (i) Payment by Federal Insurance of \$950,000.00 to the Estate;
- (ii) Payment by CIC Partners, LP (a former director) of \$350,000.00 to the Estate;
- (iii) Payment by the Estate of \$330,000.00 to Kontos;
- (iv) Payment by the Estate of \$850,000.00 to the Ad Hoc Committee;
- (v) Assignment of Kontos' PACA Claim and the Ad Hoc Committee's PACA Claim and D&O Claims to the Estate;
- (vi) PNC Bank's release of its lien on the Debtors' accounts receivable; and
- (vi) Mutual releases between the parties to the D&O Settlement

5. **Grinstead Plea Agreement**

On or about January 29, 2012, Scott D. Grinstead ("Grinstead"), the former CEO of Adams Produce Company, LLC, entered into a plea agreement with the United States in which Grinstead pled guilty to certain criminal offenses (the "Plea Agreement"). As part of that Plea Agreement, Grinstead agreed to pay restitution of \$450,000.00 to the Estate for the benefit of employees who were not fully paid for the work they performed upon the filing of the Debtors' bankruptcy cases.

C. Description of Debtors' Liabilities

A summary of the various liabilities of Debtor is set forth on Exhibit C, attached hereto.

D. Description of Debtors' Unencumbered Assets

A summary of the various unencumbered assets of Debtor is set forth on Exhibit D, attached hereto.

ARTICLE IV.
EVENTS LEADING TO BANKRUPTCY

In the several years preceding the Debtors bankruptcy filings, the Debtors suffered market pressures that affected all of their products. The already thin margins on which the Debtors operated in 2010 continued to decline, resulting in lowered EBITDA and operating income. As income decreased, the Debtors began to fall behind on payments to its vendors.

The Debtors worked to restructure their obligations, but the timeframe for the Debtors' restructuring options proved unworkable because the Debtors did not have enough cash to implement any viable restructuring options. The timeframe proved unworkable because many seasonal competitors, like farmer's markets, operate during the summer, and many of the Debtors' customers, such as schools, purchase produce from the Debtors only during the non-summer months. For these reasons, the summer is the slowest season for the Debtors' businesses, and the Debtors' situation became particularly distressed as the summer approached.

ARTICLE V.
SUMMARY OF THE PLAN

The Debtors believes that its creditors, as a group, will obtain a greater recovery from the Estates of the Debtors through the Plan, than the recovery that would be available if the assets of the Debtors were liquidated under Chapter 7 of the Bankruptcy Code. Accordingly, the Plan will maximize the value of the Debtors' assets. The Debtors believe, therefore, that the Plan is in the best interests of the creditors.

The following summary is offered for convenience only; it is not a complete description of the terms of the Plan. Creditors must review the Plan itself for a complete understanding of the Plan and disclosure of its terms. In the event of a discrepancy between the terms of the Plan and anything contained in this Disclosure Statement, the terms of the Plan shall control.

A. Overview of Plan

The Plan places the creditors and equity holders of the Debtors in separate classes and provides for the treatment of each such class. For purposes of voting and all matters related to confirmation, except as otherwise provided in the Plan, all Claims and Interests shall be classified as set forth in Section II of the Plan. A Claim or Interest is classified in a particular class only to the extent that the Claim or Interest qualifies under the description of that class, and is classified in other classes to the extent that any remainder of the Claim or Interest qualifies under the description of such other classes. A Claim or Interest also is classified within a particular class only to the extent that such Claim or Interest is an Allowed Claim or Interest in that class and has not been paid, released or otherwise satisfied prior to the Effective Date.

The Plan is a liquidating plan. Substantially all of the Debtors' unencumbered assets, except for certain Causes of Action, were liquidated during the course of the Debtors' Bankruptcy Cases. The Plan provides for transfer of the Debtors' remaining assets into a Liquidation Trust and the liquidation and conversion to Cash of the Trust Assets and the Distribution of the Net Proceeds realized therefrom by a Liquidating Trustee, to the Debtors' Creditors holding Allowed Claims in accordance with the priorities established by the

Bankruptcy Code. The Plan further provides for the termination of all Interests in the Debtors and the dissolution and wind up of the affairs of the Debtors.

The Liquidating Trustee shall liquidate the Assets of the Estates in accordance with the Plan and shall distribute the Net Proceeds thereof as follows: (a) first to pay the reasonable costs and expenses of the Liquidating Trustee and his professionals (including professional fees) incurred in administering, maintaining, and preserving the Available Funds and making the Distributions, and the liquidation of the Assets of the Estate (to the extent not otherwise paid pursuant to the Plan); and (b) second Pro Rata to the holders of Allowed Claims on the terms and conditions, and in the priority, set forth in the Plan.

B. Classification of Claims

All Claims and Interests except Administrative Expense Claims and PACA Claims, and Priority Tax Claims shall be classified as set forth in Section II of the Plan.

A Claim or Interest shall be deemed classified in a particular Class only to the extent that the Claim or Interest qualifies within the description of that Class and shall be deemed classified in a different Class to the extent that any remainder of the Claim or Interest qualifies within the description of such different Class. A Claim or Interest is in a particular Class only to the extent that such Claim or Interest is Allowed in that Class and has not been paid or otherwise settled before the Effective Date.

The Debtors set forth the Classes below:

C. Unclassified Claims

1. Administrative Expense Claims

There are several categories of Claims that make up the Administrative Expense Claims. These categories include Goods Claims, Fee Claims, and other Claims owed pursuant to § 503(b) of the Bankruptcy Code. The Debtor estimates that the total amount of currently unpaid Administrative Expense Claims are \$1.45 million.¹

¹ The amount of Claims for each Class, based upon Debtors' Schedules of Assets and Liabilities, are estimates for informational purposes only and have not been the subject of a final review or reconciliation and all defenses may not have been considered. All Claims that have not previously been allowed remain subject to objection pursuant to the terms of the Plan and the forgoing is not an admission by the Debtors nor shall it be binding on the Liquidating Trustee. The actual amount of Allowed Claims in certain Classes, particularly Allowed General Unsecured Claims, could differ substantially from the estimated amount depending on the resolution of Disputed Claims. Any such differences could have a material impact on the recoveries of the affected Classes.

2. PACA Claims

The Debtor estimates that the total amount of currently unpaid PACA Claims will not exceed \$330,000.00.

3. Priority Tax Claims

The Debtor estimates that the total amount of Priority Tax Claims is approximately \$150,000.00.

D. Classes of Claims

1. Class 1 - Priority Employee Claims

Priority Employee Claims shall collectively consist of any Claims against the Debtors that are entitled to priority under section 507(a)(4) of the Bankruptcy Code, including claims for unreimbursed business expenses incurred by any employee. The total amount of Priority Employee Claims, including but not limited to the employer's portion of Medicare and Social Security taxes, is estimated to be approximately \$1,096,235.00 based upon numbers provided by the Ad Hoc Committee of Non-Insider Employees. The estimated percentage recovery and the calculation of that estimated percentage recovery is included as Exhibit G to this Disclosure Statement.

2. Class 2 – Secured Claims

Class 2 shall consist of all Allowed Secured Claims. Class 2 Claims include, without limitation, Claims secured by equipment in connection with equipment financings and Claims secured by mechanic's, materialmen's and artisan's liens on miscellaneous personal and/or real property. Each Class 2 Claim is treated for all purposes under the Bankruptcy Code and the Plan as a separate Class. The Debtors' primary Holder of a Secured Claim is PNC Bank, which has a lien on the vast majority of the Debtors' personal and real property.

3. Class 3 – General Unsecured Claims Against Debtor

Class 3 shall consist of all Allowed Unsecured Claims against Debtors (other than Class 4 Claims). The Debtor estimates that the total amount of General Unsecured Claims is approximately \$25 million.

4. Class 4 – Insider Claims

Class 4 shall consist of All Insider Claims against Debtors.

5. Class 5 – Interests

Class 5 shall consist of all Interests in the Debtor. (This Class is conclusively presumed to have rejected the Plan and is not entitled to vote to accept or reject the Plan.)

ARTICLE VI.
Treatment of Claims and Interests

No Claim or Interest shall entitle the Holder thereof to a Distribution of Cash or to other consideration pursuant to the Plan unless, and only to the extent that, such Claim or Interest is an Allowed Claim or an Allowed Interest. Except as otherwise provided in the Plan or an order of the Bankruptcy Court, all Distributions of Cash on account of Allowed Claims and Allowed Interests shall be made on Distribution Date.

A. Treatment of Unclassified Claims

1. Administrative Expense Claims

a. Allowance and Payment of Fee Claims. Except as provided by prior order of the Bankruptcy Court, professionals or other entities asserting a Fee Claim must File and serve on the Debtors, the Liquidating Trustee, the Bankruptcy Administrator, and such other entities as are designated by the Bankruptcy Rules, the Confirmation Order or other Final Order of the Bankruptcy Court, an application for final allowance of compensation and reimbursement of expenses no later than thirty (30) days after the Effective Date. Such application may include fees and expenses of the applicant incurred after the Confirmation Date but prior to the Effective Date. Failure to timely and properly File an application for allowance of a Fee Claim as set forth herein shall result in such Fee Claim being forever barred and discharged. Objections to an application for allowance of a Fee Claim must be Filed and served on the Liquidating Trustee, the Bankruptcy Administrator, and the applicant no later than twenty (20) days after the Filing of the application for allowance of such Fee Claim. A. Procedure for Determination of Claims

1. **Objections to Claims.** After the Effective Date, the Liquidating Trustee shall have exclusive authority and responsibility to prosecute objections to all Claims.

2. **Disputed Claims.** Payments or Distributions under the Plan on account of Disputed Claims shall be held in reserve pending the Allowance or disallowance of the Claim. To the extent any property is distributed to an entity on account of a Claim that is not an Allowed Claim, such property shall promptly be returned to the Liquidating Trustee. To the extent that a Disputed Claim ultimately becomes an Allowed Claim, Distributions on account of such Allowed Claim shall be made in accordance with the provisions of the Plan. On the Distribution

Date next following the date that the order or judgment of the Bankruptcy Court allowing such Claim becomes a Final Order, any Cash held in reserve pursuant to the Plan that would have been distributed prior to the date on which a Disputed Claim becomes an Allowed Claim shall be distributed to the Holder of such Allowed Claim, together with any other Distributions that would have been due on account of such Claim being an Allowed Claim. The Liquidating Trustee shall reserve from any Distribution on account of Allowed Claims any amount otherwise allocable to a Claim that is a Disputed Claim pursuant to Section VII.B.8 of the Plan.

2. Undeliverable Distributions

If a Distribution is returned as undeliverable, the Liquidating Trustee shall hold such Distribution and shall not be required to take any further action with respect to the delivery of the Distribution unless and until the earlier of (a) the date on which the Liquidating Trustee, as applicable, is notified in writing of the then current address of the holder entitled to receive the Distribution and (b) three (3) months after said Distribution, except as the Bankruptcy Court may otherwise order. If the Liquidating Trustee is notified in writing of the then current address of the holder before three (3) months after said Distribution, the Liquidating Trustee shall make the Distribution required by the Plan to the Holder at such address. If the Liquidating Trustee is not so notified by three (3) months after said Distribution, and the Holder of the Claim does not assert a right to the undeliverable Distribution within three (3) months after the Distribution, the Holder shall be forever barred from asserting a Claim to such undeliverable Distribution and such future Distributions, and the undeliverable Distribution shall become available for Distribution to Holders of other Allowed Claims as provided in the Plan.

3. Manner of Payment

Distributions under the Plan may be made, at the option of the Liquidating Trustee, in Cash, by wire transfer or by check drawn on such accounts established by the Liquidating Trustee as necessary to effectuate the Plan.

4. **Interest**

Unless otherwise required by Final Order of the Bankruptcy Court, interest shall not accrue or be paid after the Filing Date on any Claims, and no Holder of a Claim shall be entitled to interest accruing on or after the Filing Date on any Claim.

5. ***De Minimis* Distributions**

Whenever any payment of a fraction of a cent would otherwise be called for, the actual payment shall reflect a rounding of such fraction to the nearest whole cent.

a. No interim Distribution will be made on account of any Allowed Claim if the amount of such Distribution is less than \$25.00.

b. No interim Distribution will be made on account of any Allowed Claim if the amount of such Distribution is less than \$25.00. On the Final Distribution Date, the Liquidating Trustee shall (i) aggregate the amount of all Distributions that would have been made on account of an Allowed Claim in Class Three but for this de minimis provision and (ii) make a Distribution on account of such Allowed Claim in accordance with the Plan.

6. **Distributions on Claims Allowed Pursuant to Section 502(h) of the Bankruptcy Code**

Except as otherwise provided in the Plan, no Distributions shall be made on account of a Claim arising as a result of a Final Order entered in an Avoidance Action until such Claim becomes an Allowed Claim. Any Claim that is Allowed pursuant to § 502(h) of the Bankruptcy Code prior to the Initial Distribution Date as a result of the entry of a Final Order in any Avoidance Action will be treated in accordance with the provisions of the Plan. All Holders of such Claims that become Allowed Claims after the Initial Distribution Date will receive an initial Distribution on the Distribution Date next following the date on which their Claim becomes an Allowed Claim and shall receive subsequent Distributions, if any, in accordance with the provisions of the Plan. Distributions under the Plan on account of anticipated Claims that may arise or become allowable as a result of the entry of a Final Order in any Avoidance Action that are not Allowed Claims as of the Initial Distribution Date may be held in reserve, at the discretion of the Liquidating Trustee, pending the allowance or disallowance of such Claims.

7. **Compliance with Tax Requirements**

In compliance with section 346 of the Bankruptcy Code, to the extent applicable, the Liquidating Trustee shall comply with all withholding and reporting requirements imposed by federal, state or local taxing authorities in connection with making Distributions pursuant to the Plan and shall be authorized to take any and all action necessary and appropriate to comply with such requirements. As a condition to making any Distribution under the Plan, the Liquidating Trustee may require the Holder of an Allowed Claim to provide such Holder's taxpayer identification number, and such other information, certification or forms as necessary to comply with applicable tax reporting and withholding laws. Notwithstanding any other provision of the Plan, each entity receiving a Distribution of Cash pursuant to the Plan shall have sole and exclusive responsibility for the satisfaction and payment of tax obligations imposed by any

governmental unit, including income, withholding and other tax obligations, on account of such Distribution.

8. Reserve for Disputed Claims

Except as otherwise provided in the Plan, no Distributions shall be made on account of a Disputed Claim until such Claim becomes an Allowed Claim. In making any Distribution on Allowed Class 1 or Class 3 Claims, the Liquidating Trustee shall calculate the amount of such Distribution (for purposes of making a Pro Rata calculation) as if each Disputed Claim were an Allowed Claim, unless the Bankruptcy Court enters an order specifying that the Disputed Claim should be treated as being a different amount for purposes of such calculation. The Liquidating Trustee shall reserve from Distributions a sufficient amount to make a Distribution on a Disputed Claim in the event it becomes an Allowed Claim (unless the Bankruptcy Court orders otherwise); and to the extent a Disputed Claim is disallowed pursuant to a Final Order, any reserves attributable to the disallowed portion of the Disputed Claim shall be distributed on account of Allowed Claims pursuant to the terms of the Plan.

9. Setoffs

Subject to section 553 of the Bankruptcy Code, in the event the Debtors have a Claim or Cause of Action of any nature whatsoever against a Holder of a Claim, the Liquidating Trustee may, but is not required to, set off or recoup the Debtors' Claim or Cause of Action against such Claim (and any Distributions or other rights to receive property arising out of such Claim under this Plan) unless any such Claim or Cause of Action of the Debtors are or will be released under this Plan. Neither the failure to set off nor the allowance of any Claim under this Plan shall constitute a waiver or release of any Claim or Cause of Action of the Debtors.

10. Reliance on Claims Register

In making Distributions under this Plan, the Liquidating Trustee may rely upon the accuracy of the claims register maintained by the Bankruptcy Court or its designee as claims agent in the Case, as modified by any Final Order of the Bankruptcy Court disallowing Claims in whole or in part.

ARTICLE VIII. **Other Provisions of the Plan**

A. Treatment of Executory Contracts and Unexpired Leases

Each party to an executory contract or unexpired lease rejected pursuant to this Plan (and only such entities) asserting a Claim for damages arising from such rejection shall File, not later than thirty (30) days following the Confirmation Date, a proof of such Claim; provided, however, that (1) the Bar Date established for rejection damages claims in this Section IV of this

B. Effective Date

The Plan will not become effective and operative unless and until the Effective Date occurs. The Effective Date will occur on the first Business Day after, and only after (a) the Confirmation Order has been entered and becomes a Final Order, and provides that the Liquidating Trustee is authorized and directed to take all actions necessary or appropriate to enter into, implement and consummate the contracts, instruments, releases, leases, indentures and other agreements or documents created in connection with the Plan or effectuate, advance or further the purposes thereof; (b) all Plan Exhibits shall be, in form and substance, reasonably acceptable to the Debtor and shall have been executed and delivered by all parties' signatory thereto; (c) the Liquidating Trustee shall be authorized and directed to take all actions necessary or appropriate to enter into, implement and consummate the contracts, instruments, releases, leases, indentures and the agreements or documents created in connection with the Plan; (d) all other actions, documents, and agreements necessary to implement the Plan shall have been effected or executed; (e) Available Funds shall be sufficient to make all required payments on the Effective Date and fund a reserve for such payments if not Allowed as of the Effective Date; and (f) all of the Consideration under the D&O Settlement shall have been paid, all assignments shall have occurred and PNC Bank shall released its lien on accounts receivable of the Debtors.

Each of the conditions precedent to the Effective Date as set forth in Section V of the Plan may be waived in whole or in part by the Debtor. The failure of a party to exercise any of the foregoing rights shall not be deemed a waiver of any other rights, and each such right shall be deemed an ongoing right that may be asserted at any time.

C. Consequences Of Non-Occurrence Of Effective Date

In the event that the Effective Date does not timely occur, the Debtors reserve all rights to seek an order from the Bankruptcy Court directing that the Confirmation Order be vacated, that this Plan be null and void in all respects, and/or that any settlement of Claims provided for in this Plan be null and void. In the event that the Bankruptcy Court shall enter an order vacating the Confirmation Order, the time within which the Debtors may assume and assign, or reject all executory contracts and unexpired leases not previously assumed, assumed and assigned, or rejected, shall be extended for a period of thirty (30) days after the date the Confirmation Order is vacated, without prejudice to further extensions.

D. Retention of Jurisdiction

Under the Plan, following the Effective Date, the Bankruptcy Court shall retain such jurisdiction as is set forth in the Plan. Without limitation, the Bankruptcy Court shall retain jurisdiction for the following purposes:

1. Allow, disallow, determine, liquidate, classify, estimate or establish the priority or secured or unsecured status of any Claim or Interest, including the resolution of any request for payment of any Administrative Expense Claim, the resolution of any objections to the Allowance or priority of Claims or Interests and the determination of requests for the payment of claims entitled to priority under section 507(a)(1) of the Bankruptcy Code, including compensation of any reimbursement of expenses of parties entitled thereto;

After Confirmation Date and prior to the substantial consummation of this Plan, as defined in section 1101(2) of the Bankruptcy Code, this Plan Proponent may, pursuant to section 1127(b) of the Bankruptcy Code, institute proceedings in Bankruptcy Court to remedy any defect or omission or to reconcile any

inconsistencies in this Plan, the Disclosure Statement or the Confirmation Order and any other matters as may be necessary to carry out the purposes and effects of this Plan; so long as such proceedings do not adversely affect the treatment of Holders of Claims or provided, however, that prior notice of such proceedings shall be served in accordance with Bankruptcy Rule 2002 or order of the Bankruptcy Court.

F. Disclosure Statement Supplement

Exhibits to this Plan not attached hereto shall be filed in one or more Supplements by the Exhibit Filing Date. Any Supplement (and amendments thereto) filed by the Debtors shall be deemed an integral part of this Disclosure Statement and shall be incorporated by reference as if fully set forth herein. Substantially contemporaneously with its Filing, any Supplement may be viewed at the office of the clerk of the Court or its designee during normal business hours, by visiting the Court's website at ecf.alnb.uscourts.gov (PACER account required). Holders of Claims and/or Interests may obtain a copy of any Plan Supplement upon written request to the Debtors. The documents contained in any Supplement shall be approved by the Bankruptcy Court pursuant to the Confirmation Order. To the extent any Exhibit is inconsistent with the terms of this Disclosure Statement, unless otherwise ordered by the Bankruptcy Court, the non-Exhibit portion of this Disclosure Statement shall control.

ARTICLE IX.
PLAN CONFIRMATION PROCESS

Under the Bankruptcy Code, the following steps must be taken to confirm the Plan:

A. Acceptance Of Plan By Voting

1. Approval of First Amended Disclosure Statement

After notice and a hearing held on February 27, 2013 by order dated February 27, 2013 pursuant to Bankruptcy Code § 1125, the Bankruptcy Court approved this Disclosure Statement as containing information of a kind, and in sufficient detail, that would enable a hypothetical reasonable investor typical of holders of Claims to make an informed judgment whether to accept or reject the Plan. The Bankruptcy Court's approval of this First Amended Disclosure Statement, however, does not constitute a determination by the Bankruptcy Court as to the fairness or merits of the Plan.

Each holder of a Class 1 Claim, Class 2(a) Claim, and Class 3 Claim is entitled to vote on the Plan and should carefully read this Disclosure Statement and the Plan in their entirety before voting on the Plan.

2. Voting on the Plan

Pursuant to Bankruptcy Code § 1126, holders of Allowed Claims may vote to accept or reject the Plan, provided, however, that (i) the holders of Claims in classes that are not impaired under the Plan conclusively are presumed to have accepted the Plan and solicitation of acceptances with respect to such classes is not required, and (ii) a class is deemed not to have accepted the Plan if the Plan provides that the Claims or Interests in such class do not entitle the

holders of such Claims or Interests to receive or retain any property under the Plan on account of such Claims or Interests. Accordingly, the Debtor is soliciting acceptance of the Plan only from holders of Claims in Classes 1, 2(a), and 3 which are "impaired" under the Plan and are entitled to accept or reject the Plan.

Because holders of Interests in Classes 4 and 5 shall not receive or retain any Distribution or other property on account of such Interests, they are deemed to have rejected the Plan and are not entitled to vote to accept or reject the Plan.

3. Deadline for Voting

After reviewing the Plan and the Exhibits hereto, please indicate your vote on the enclosed Ballot and return it either by overnight courier or regular mail to the Voting Agent at the address specified in the Ballot and below. Holders of Claims in Classes entitled to vote should read the Ballot carefully and follow the instructions contained therein. **BALLOTS SUBMITTED TO THE VOTING AGENT BY FAX OR OTHER ELECTRONIC TRANSMISSION WILL NOT BE ACCEPTED AND WILL BE VOID.**

Holders of Claims in Classes 1, 2(a), and 3 should complete and sign the enclosed Ballot and deliver it to the Debtors at the following address:

**Brent Dorner
BURR & FORMAN LLP
420 North 20th Street, Suite 3400
Birmingham, Alabama 35283-0719**

FOR YOUR VOTE TO COUNT, YOUR BALLOT MUST BE RECEIVED BY THE VOTING AGENT DESIGNATED ABOVE AT THE SPECIFIED ADDRESS NO LATER THAN NOON PREVAILING CENTRAL TIME ON APRIL 8, 2013 (THE "VOTING DEADLINE").

IF YOU MUST RETURN YOUR BALLOT TO A TRUSTEE, BANK, BROKER, AGENT OR SIMILAR ENTITY, YOU MUST RETURN YOUR BALLOT TO IT IN SUFFICIENT TIME FOR IT TO PROCESS THE BALLOT AND RETURN IT TO THE VOTING AGENT BY THE VOTING DEADLINE.

To obtain additional Ballots, you may contact the Debtors at the addresses specified above or at Shollis@burr.com .

The Plan Proponent has concluded that confirmation of the Plan is in the best interest of the Debtor, all Holders of Claims and the Debtors' Estate.

B. Confirmation

At the Confirmation Hearing, the Bankruptcy Court shall confirm the Plan if the Plan satisfies all requirements of Bankruptcy Code § 1129(a). The requirements for confirmation of the Plan under Bankruptcy Code § 1129(a) include the following: (1) the Plan must be accepted by all impaired classes, (2) the Plan must be feasible, and (3) with respect to each holder of a

Claim or Interest that does not vote to accept the Plan (even if such holder is a member of a Class that as a whole votes to accept the Plan), the Plan must be in the "best interest" of such holder in that the Plan provides for a Distribution to the holder that is not less than the amount such holder would receive in a hypothetical Chapter 7 liquidation of the Debtor.

With respect to the requirement that each impaired class votes to accept the Plan, Bankruptcy Code § 1129(b) provides that if all other requirements of Bankruptcy Code § 1129(a) are satisfied, the Plan still may be confirmed if the Plan, with respect to each impaired class that does not accept the Plan, "does not discriminate unfairly" and is "fair and equitable" with respect to such Class. The acceptance, feasibility, unfair discrimination and fair and equitable concepts are discussed in more detail below.

For the Plan to be accepted by an impaired class of Claims or Interest, it must be accepted by holders of Claims or Interest in such Class that hold at least two-thirds in dollar amount and one-half in number of the Claims or Interest in such Class held by creditors that actually vote. A Class or Interest is impaired if the legal, equitable, or contractual rights of the members of such Class or Interest are modified or altered by the Plan (with an exception, not applicable to the Plan, for curing defaults, reinstating maturity and compensating certain damages). Holders of Claims in Class 1 and Class 3 are impaired. Unimpaired Classes are conclusively presumed to have accepted the Plan and are not part of the vote solicitation process. Class 2 is unimpaired under the Plan and is not entitled to vote.

If all Classes of Claims are unimpaired but a Class of Interests is impaired and does not accept the Plan, the Debtor may seek confirmation of the Plan under the "cramdown" provisions of Bankruptcy Code § 1129(b). To obtain confirmation despite non-acceptance by one or more impaired classes, the Debtor must show to the Bankruptcy Court that the Plan does not discriminate unfairly and is fair and equitable with respect to each such Class. Each of these requirements is discussed further, as follows:

1. **Unfair Discrimination**

A Plan does not discriminate unfairly with respect to a non-accepting Class if it protects the rights of such Class in a manner consistent with the treatment of other Classes with similar rights. The unfair discrimination test does not require that similarly situated Classes be treated in exactly the same way. The test requires that such Classes be treated substantially similarly or, if not treated substantially similarly, that differences in treatment be fair.

2. **Fair And Equitable Test**

In the event any impaired class of Claimants does not accept the Plan, the Debtor must demonstrate to the Bankruptcy Court, as to each nonaccepting Class that the Plan "does not discriminate unfairly" and is "fair and equitable" with respect to that Class. A Plan does not discriminate unfairly if no Class receives more than it is entitled to for its Claims. The Bankruptcy Code establishes "fair and equitable" tests for unsecured creditors as follows:

Unsecured Creditors: Either (i) each impaired unsecured creditor receives or retains under the Plan property of a value equal to the amount of its Allowed Claim, or (ii) the holders of Claims that are

junior to the Claims of the dissenting Class will not receive any property under the Plan.

C. Best Interest Test

Before the Bankruptcy Court will confirm the Plan, the Plan must meet the best interest test. The best interest test requires that with respect to each impaired class of creditors under the Plan, each Claimant either (a) has accepted the Plan; or (b) will receive or retain under the Plan on account of its Claim property of a value, as of the Effective Date of the Plan, that is not less than the amount such Claimant would receive or retain if the Debtor were liquidated under Chapter 7 of the Bankruptcy Code. In other words, if one or more Claimants that are members of an impaired class vote to reject the Plan, the Bankruptcy Court will confirm the Plan only if the Distribution to such Claimants under the Plan is not less than the Distribution that the Claimants would receive under a Chapter 7 liquidation of the Debtor.

Based upon several factors present in the Debtors' Bankruptcy Case, the Debtor believes that the Plan meets the best interest test. Considering the liquidation value of the Debtors' assets, the Liens and security interests of secured creditors, the cost of liquidation under Chapter 7, and the adverse impact that a liquidation under Chapter 7 would have on the going concern value of the Debtors' assets, the Debtor believes that the Plan provides for a larger Distribution to individual unsecured creditors than under a Chapter 7 liquidation of the Debtor.

To determine if the Plan is in the best interest of each impaired class, the Bankruptcy Court will compare the present value of the Distributions from the proceeds of the liquidation of the Debtors' assets and properties (after subtracting the amounts attributable to the Secured Claims discussed above) with the present value offered to each of the Classes of Unsecured Claims under the Plan. The Distributions from the liquidation proceeds would be calculated Pro Rata according to the amount of the Claim held by each creditor.

After considering the effects that a Chapter 7 liquidation would have on the ultimate proceeds available for Distribution to creditors in the present case, including the costs and expenses of liquidation under Chapter 7, the uncertainties inherent in a Chapter 7, and the adverse affect that a Chapter 7 would have on the value of certain of the Debtors' assets, the Debtor has determined that a Chapter 7 liquidation would not pay creditors in full. Debtor believes the value of any Distribution from the liquidation proceeds in a Chapter 7 would be less than the value of the Distribution under the Plan due to efficiencies provided by having a Liquidating Trustee.

Based on the foregoing analysis and given the elimination of uncertainties inherent under Chapter 7, the Debtor believes the confirmation of the Chapter 11 Plan will provide each Claimant with greater recovery than such Claimant would receive pursuant to a liquidation of the Debtor under Chapter 7 of the Bankruptcy Code. Accordingly, the Debtor submits that the Plan meets the best interest test.

D. Acceptance

Each impaired class of Claimants must accept the Plan or the "Fair and Equitable Test" described above must be met with respect to each impaired class that does not accept the Plan by the requisite vote.

E. Consummation

The Plan provides that the Plan shall be deemed to be substantially consummated when the Liquidating Trustee makes the Final Distribution.

The Plan is to be implemented pursuant to the provisions of the Bankruptcy Code. Implementation requires an order of the Bankruptcy Court confirming the Plan.

ARTICLE X.
ALTERNATIVES TO CONFIRMATION OF THE PLAN

If the Plan is not confirmed and consummated, the theoretical alternatives include: (a) liquidation of the Debtor under Chapter 7 of the Bankruptcy Code; or (b) an alternative plan of reorganization.

A. Liquidation Under Chapter 7

If the Bankruptcy Court does not confirm a plan of reorganization, the Bankruptcy Court may convert the Debtors' case to a case under Chapter 7 of the Bankruptcy Code. Under Chapter 7, a trustee would be elected or appointed to liquidate the assets of the Debtor for Distribution to creditors in accordance with the priorities established by the Bankruptcy Code. Without limitation, secured and priority Claims would be paid in full before any Distribution to general unsecured creditors. The Debtor believes that liquidation of the Debtors' assets under Chapter 7 would result in fewer Distributions to unsecured creditors than under the Plan. This is especially true since the Plan effectuates and approves the D&O Settlement. Additionally, having one Liquidating Trustee oversee the liquidating of the Debtors' assets through the structure provided by the Plan will provide efficiency to the process.

A liquidation analysis of the Debtors is attached to the Debtors' Plan as Exhibit B.

B. Alternative Plan of Reorganization

If the Plan is not confirmed, creditors may elect to vote for other plans which may be proposed later. However, given the liquidating of the Debtors' stores and the status of the economy, Debtor does not believe that it can effectively reorganize under any plan not involving the complete liquidation of the Debtors' assets.

ARTICLE XI.
RECOMMENDATION

The Debtors believe that the confirmation and implementation of the Plan is preferable to the alternative described above because the Plan will provide greater recoveries to all claimants

than those available in a Chapter 7 liquidation. In addition, any other alternative plan would probably not be feasible and would involve significant delay, uncertainty, and substantial additional administration. Accordingly, the Debtors recommend that all parties entitled to vote on the Plan accept the Plan and that the Bankruptcy Court confirm the Plan.

INTRODUCTION

Adams Produce Company, LLC and Adam Clinton Business Park, LLC (“Adams” or the “Debtors”) hereby propose this Second Amended Joint Chapter 11 Plan of Liquidation (the “Plan”) to resolve claims against and interests in the Debtors. The Debtors are the proponent of this Plan within the meaning of section 1129 of the United States Bankruptcy Code, as amended (“Bankruptcy Code”).

This is a liquidating plan. Substantially all of the Debtors’ assets have been sold. This Plan provides for the liquidation and conversion to Cash of the Debtors’ remaining Assets and the Distribution of the net proceeds realized therefrom by a Liquidating Trustee to the Debtors’ Creditors holding Allowed Claims in accordance with the provisions established by the Bankruptcy Code. This Plan further provides for the dissolution and wind up of the affairs of the Debtors.

For a discussion of the Debtors’ history, businesses, operations, assets and financial information, and for a summary and analysis of this Plan, all parties entitled to vote on this Plan should consult the Disclosure Statement accompanying this Plan, including the Exhibits thereto (the “Disclosure Statement”).

No solicitation materials other than the Disclosure Statement and related materials transmitted therewith have been approved for use in soliciting acceptances and rejections of this Plan. Nothing in this Plan should be construed as constituting a solicitation of acceptances of this Plan unless and until the Disclosure Statement has been approved and distributed to all holders of Claims and Interests to the extent required by 11 U.S.C. § 1125.

NO CREDITOR OR OTHER PARTY IN INTEREST SHOULD
CONSIDER THIS PLAN BINDING ON ANY PARTY IN THE
ABOVE-CAPTIONED CASES UNTIL CONFIRMED, AS THIS
PLAN IS SUBJECT TO AMENDMENT AND MAY BE
REVISED. NO ASSURANCE CAN BE GIVEN THAT ANY
DISTRIBUTION WILL BE MADE ON THE TERMS SET
FORTH IN THIS PLAN.

All holders of Claims entitled to vote on this Plan are encouraged to read carefully the Disclosure Statement and this Plan, each in its entirety, before voting to accept or reject this Plan.

Section VI.
IMPLEMENTATION OF PLAN

A. THE LIQUIDATION TRUST

1. **The Trust.** The Liquidation Trust shall be established in accordance with and governed by the Liquidating Trust Agreement. For tax purposes, the transfer of the Trust Assets to Liquidating Trust for the benefit of creditors of the Debtors is intended and expected to be treated as a transfer of these assets to such creditors and a deemed transfer by such creditors to the Liquidating Trust. This treatment will result in the Liquidating Trust being considered a “grantor trust” for tax purposes, that is, the beneficiaries of the Liquidating Trust will be deemed the grantors of the Liquidating Trust and the owners of the Trust Assets. As a grantor trust, the Liquidating Trust will not be a taxable entity under applicable tax law but, instead, will be a pass-through entity that will pass any taxable income or losses generated by the Liquidating Trust through to its beneficiaries. By Confirmation, the Bankruptcy Court will specifically approve and designate the Liquidating Trust and the Liquidating Trustee as the representative of the Debtors’ Estates, including the transfer of the Trust Assets to the Liquidating Trust.

2. **Trust Assets.** All of the Trust Assets shall be automatically placed in the Liquidating Trust upon the Effective Date.

Commencing on the Confirmation Date, the Debtors shall work with the Liquidating Trustee to facilitate a smooth transition of the responsibility of the wind down of the Estate to the Liquidating Trustee, including being able to make the payments on the Effective Date that are required by the Plan.

2. **Duration.** The Liquidating Trustee shall continue to exist until entry of a Final Order by the Bankruptcy Court closing the Bankruptcy Case pursuant to section 350(a) of the Bankruptcy Code.

3. **Resignation.** The Liquidating Trustee may resign as trustee hereunder at any time, in its sole and absolute discretion, by executing a written letter of resignation, and sending a copy of same to the Bankruptcy Administrator by regular first class mail, to each Beneficiary

by regular first class U.S. mail, addressed to such Beneficiary at the address set forth in its filed proof of claim or, if no such proof of claim has been filed, at the address set forth in the Debtor's schedules and by filing such letter with the Bankruptcy Court's ECF system. Such resignation shall become effective immediately. The Liquidating Trustee shall not be required to obtain the approval of the Bankruptcy Court prior to resigning as trustee hereunder. Upon the resignation of the Liquidating Trustee, the Bankruptcy Court shall select a successor Liquidating Trustee.

4. **Exclusive Powers and Duties.** The Liquidating Trustee shall serve under this Plan and shall discharge all of the rights, powers and duties set forth in this Plan. Without limiting the generality of the foregoing, the Liquidating Trustee, his successors and assigns, shall have the following exclusive rights, powers and duties:

(f) to establish reserves and open, maintain and administer bank accounts as necessary to discharge the duties of the Liquidating Trustee under this Plan;

(g) to investigate, analyze, commence, prosecute, litigate, collect and otherwise administer the Causes of Action in the Bankruptcy Court or other court of competent jurisdiction and settle same without further order of the Court or notice to creditors;

2. **Undeliverable Distributions.** If a Distribution is returned as undeliverable, the Liquidating Trustee shall hold such Distribution and shall not be required to take any further action with respect to the delivery of the Distribution unless and until the earlier of (a) the date on which the Liquidating Trustee, as applicable, is notified in writing of the then current address of the holder entitled to receive the Distribution and (b) three (3) months after said Distribution, except as the Bankruptcy Court may otherwise order. If the Liquidating Trustee is notified in writing of the then current address of the holder before three (3) months after said Distribution, the Liquidating Trustee shall make the Distribution required by this Plan to the Holder at such address. If the Liquidating Trustee is not so notified by three (3) months after said Distribution, and the Holder of the Claim does not assert a right to the undeliverable Distribution within three (3) months after the Distribution, the Holder shall be forever barred from asserting a Claim to such undeliverable Distribution and such future Distributions, and the undeliverable Distribution shall become available for Distribution to Holders of other Allowed Claims as provided in this Plan.

(a) Whenever any payment of a fraction of a cent would otherwise be called for, the actual payment shall reflect a rounding of such fraction to the nearest whole cent.

(b) No interim Distribution will be made on account of any Allowed Claim if the amount of such Distribution is less than \$25.00. On the Final Distribution Date, the Liquidating Trustee shall (i) aggregate the amount of all Distributions that would have been made on account of an Allowed Claim in Class Three but for this *de minimis* provision and (ii) make a Distribution on account of such Allowed Claim in accordance with this Plan.

6. **Distributions on Claims Allowed Pursuant to Section 502(h) of the Bankruptcy Code.** Except as otherwise provided in this Plan, no Distributions shall be made on account of a Claim arising as a result of a Final Order entered in an Avoidance Action until such Claim becomes an Allowed Claim. Any Claim that is Allowed pursuant to § 502(h) of the Bankruptcy Code prior to the Initial Distribution Date as a result of the entry of a Final Order in any Avoidance Action will be treated in accordance with the provisions of this Plan. All Holders of such Claims that become Allowed Claims after the Initial Distribution Date will receive an initial Distribution on the Distribution Date next following the date on which their Claim becomes an Allowed Claim and shall receive subsequent Distributions, if any, in accordance with the provisions of this Plan. The Liquidating Trustee shall reserve from Distributions a sufficient amount to make a Distribution on a Disputed Claim in the event it becomes an Allowed Claim (unless the Bankruptcy Court orders otherwise); and to the extent a

Disputed Claim is disallowed pursuant to a Final Order, any reserves attributable to the disallowed portion of the Disputed Claim shall be distributed on account of Allowed Claims pursuant to the terms of this Plan.

9. **Setoffs.** Subject to section 553 of the Bankruptcy Code, in the event the Debtors have a Claim or Cause of Action of any nature whatsoever against a Holder of a Claim, the Liquidating Trustee may, but is not required to, set off or recoup the Debtors' Claim or Cause of Action against such Claim (and any Distributions or other rights to receive property arising out of such Claim under this Plan) unless any such Claim or Cause of Action of the Debtors are or will be released under this Plan. Neither the failure to set off nor the allowance of any Claim under this Plan shall constitute a waiver or release of any Claim or Cause of Action of the Debtors.

10. **Reliance on Claims Register.** In making Distributions under this Plan, the Liquidating Trustee may rely upon the accuracy of the claims register maintained by the Bankruptcy Court or its designee as claims agent in the Case, as modified by any Final Order of the Bankruptcy Court disallowing Claims in whole or in part.

C. RESERVATION OF RIGHTS OF THE ESTATE; RETENTION AND ENFORCEMENT OF CAUSES OF ACTION.

Unless expressly and unequivocally released in this Plan, nothing contained in this Plan shall be deemed to be a waiver or relinquishment or release of any Causes of Action that the Liquidating Trustee may choose to assert on behalf of the Estate under any provision of the Bankruptcy Code or any applicable non-bankruptcy law. All Causes of Action, cross-claims, setoffs, defenses and counterclaims of the Debtors or the Estate of any kind or nature whatsoever including, without limitation, those against third parties arising before the Effective Date that have not been disposed of prior to the Effective Date shall be preserved and retained for enforcement by the Liquidating Trustee for the benefit of the Estate as set forth in this Plan, except to the extent expressly and unequivocally released or enjoined by this Plan or pursuant to a Final Order. Dated: _____, 2013

This Liquidating Trust Agreement (the "Agreement") is entered into as of the ____ day of _____, 2013, by and between Adams Produce Company LLC, a Delaware limited liability company, and Adams Clinton Business Park, LLC, a Mississippi limited liability company, debtors-in-possession, ("Adams Produce" or the "Debtors"), and Thomas S. O'Donoghue, Jr., not individually but solely as Liquidating Trustee (the "Liquidating Trustee") of this Liquidating Trust (the "Liquidating Trust"), in accordance with and pursuant to the Debtors' Joint Plan of Reorganization (the "Plan"), as proposed in and confirmed by the United States Bankruptcy Court for the Southern District of Alabama, Northern Division (the "Bankruptcy Court"), in the Debtors' bankruptcy case captioned In re Adams Produce Company, LLC, and Adams Clinton Business Park, LLC, Case Nos. 12-02036 and 12-02037 (collectively, the "Pending Action").

RECITALS

A. On or about April 27, 2012 (the "Petition Date"), the Debtors filed voluntary petitions for relief under Chapter 11 of Title 11 of the United States Code (the "Bankruptcy Code"), commencing the Pending Action.

B. From and after the Petition Date, the Debtors have operated their businesses as debtors-in possession pursuant to Sections 1107 and 1108 of the Bankruptcy Code.

C. The Debtors have proposed their Plan and requested approval of the same.

D. On _____, 2013, the Bankruptcy Court entered an order confirming the Plan (the "Confirmation Order").

E. The Plan provides for, among other things, the appointment of a liquidating trustee and the transfer of the Trust Assets into a liquidating trust. The purpose of such liquidating trust shall be to liquidate the Debtors' assets in an orderly manner for the benefit of the Beneficiaries with no objective of continuing or engaging in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the trust.

G. In accordance with and in furtherance of the Plan and the Confirmation Order, the Debtors and the Liquidating Trustee desire to establish the Liquidating Trust on the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants herein contained, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto covenant and agree as follows:

I. DEFINITIONS

1.1 General. All capitalized terms used herein and not otherwise defined herein shall have the meanings assigned thereto in the Plan. Except as otherwise expressly provided or unless the context otherwise requires, all capitalized terms used herein shall include the plural as

well as the singular, and the masculine as well as the feminine and the gender neutral or objective.

1.2 Additional Definitions Not Contained in the Plan or Elsewhere in this Agreement.

(a) "Beneficiaries" shall mean those creditors entitled to a distribution pursuant to the Plan.

(b) "Debtor Agreements" shall mean all contracts, commitments, permits, engagements, undertakings, licenses, documents, and instruments to which a Debtor is a party or with respect to which a Debtor has rights as of the date hereof.

(c) "Trust Assets" shall mean all of the Debtors' assets to be transferred to the Liquidating Trust pursuant to the Plan, specifically, all property of whatsoever type or nature owned by the Debtors as of the Effective Date (as defined in the Plan) of the Plan, which includes, but not limited to, all property defined in Section 541 of the Bankruptcy Code. Trust Assets include the Debtors' Avoidance Actions and Litigation Claims and the Debtor Agreements, along with all right, title, and interest of the Debtor in and to any documents or communications associated with the Trust Assets.

II. CREATION AND PURPOSE OF LIQUIDATING TRUST AND APPLICATION OF TRUST ASSETS

2.1 Declaration of Trust. For good and valuable consideration, and pursuant to the terms of the Plan and the Confirmation Order, the Debtors execute this Agreement for themselves and for the benefit of the Beneficiaries. In order to establish the initial trust estate, the Debtors are contemporaneously conveying to the Liquidating Trustee the sum of \$100.

2.2 Conveyance of Assets. Upon the Effective Date, the Debtors will be deemed, without further action on their part and without delivery of further instruments of assignment and conveyance, to have transferred, absolutely assigned, conveyed, set over and conveyed to the Liquidating Trustee all the remaining Trust Assets, and on said date title in and to the Trust Assets will vest fully and absolutely in the Liquidating Trust notwithstanding anything in the Plan to the contrary. The conveyance will include all Debtor Agreements, all of which may be assumed by the Liquidating Trust, and which may be assigned, transferred, and/or conveyed by the Liquidating Trustee to a third party as part of the liquidation process. Said assets will be held for the benefit of the Beneficiaries for the uses and purposes stated herein, in the Plan and in the Confirmation Order. If requested by the Liquidating Trustee, the Debtors will execute and deliver such additional instruments of conveyance on and after the Effective Date as may be requested by the Liquidating Trustee or the Beneficiaries.

2.3 Grantor Trust. The transfer of the Trust Assets to the Liquidating Trust pursuant to and in accordance with the Plan, the Confirmation Order and this Agreement shall be deemed a transfer to the Liquidating Trust for the purpose of holding same in trust for the benefit of the Beneficiaries, except as otherwise provided in the Plan, the Confirmation Order, or this Agreement. The Beneficiaries shall be treated as the beneficial owners, but not the legal owners, of the Liquidating Trust. Except as otherwise provided by the Plan, the Confirmation Order or this Agreement, upon the Effective Date, title to the Trust Assets shall pass to the Liquidating

Trust free and clear of all Claims and Interests, in accordance with Section 1141 of the Bankruptcy Code. In no event shall the Beneficiaries have liability with respect to the operations and activities of the Liquidating Trust, it being the agreement of the parties that all such liabilities shall be the sole responsibility of the Liquidating Trust.

2.4 Purpose of the Liquidating Trust. The Liquidating Trust is created to serve as a vehicle for the maintenance and preservation of the Trust Assets for the primary purpose of liquidating the same and distributing the proceeds thereof to the Beneficiaries in accordance with the order of priority set forth in the Plan, with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Liquidating Trust.

2.5 Application of Trust Assets. The Trust Assets, including any proceeds obtained from the sale, liquidation, or monetization of such assets, shall be applied as follows: (a) first, to the fees and expenses of the Liquidating Trustee including any professionals retained by the Liquidating Trustee; and (b) second, to the Beneficiaries in the order of priority set forth in the Plan.

2.6 Further Obligations of the Debtors. At any time and from time to time on and after the Effective Date, the Debtors shall execute and deliver to the Liquidating Trustee any instruments, documents, books and records (including those maintained in electronic format and original documents as may be needed), and take, or cause to be taken, all such further actions as the Liquidating Trustee may reasonably request in order to evidence or effectuate the transfer of the Trust Assets to the Liquidating Trust and the consummation of the transactions and the parties' intent under this Agreement, the Plan and the Confirmation Order.

III. APPOINTMENT, ACCEPTANCE AND RESPONSIBILITIES, POWERS AND DUTIES OF LIQUIDATING TRUSTEE

3.1 Appointment of and Acceptance by Liquidating Trustee. The Liquidating Trustee is hereby appointed as trustee of the Liquidating Trust, upon the terms and subject to the conditions set forth in the Plan, the Confirmation Order and this Agreement, and hereby accepts such appointment and related obligations.

3.2 Responsibilities, Duties and Powers. The responsibilities, duties and powers of the Liquidating Trustee are set forth herein, in Article 6 of the Plan and in the Confirmation Order.

3.3 Reliance on Liquidating Trustee's Authority. No entity or other person dealing with the Liquidating Trustee with reference to the Trust Assets or the Liquidating Trust, if acting in good faith, shall be required to ascertain the authority of the Liquidating Trustee, or to see to the performance by the Liquidating Trustee of any of the provisions hereof; nor be responsible in any way for the proper application of funds or properties paid to or delivered to the Liquidating Trustee, but if acting in good faith, may deal with the Liquidating Trustee as though the Liquidating Trust were the unconditional owner of the Trust Assets.

3.4 Name of Trust. The Liquidating Trust established hereby shall bear the name "Adams Produce Liquidating Trust." In connection with the exercise of his powers, authorities

and duties as Liquidating Trustee, the Liquidating Trustee may use such name or such variation thereon as he, in the exercise of his sole and absolute discretion, sees fit.

3.5 Status of Liquidating Trust. On and after the Notice Date of the Plan, the Liquidating Trust, by and through the Liquidating Trustee, shall be the sole representative of the Estates as that term is used in 11 U.S.C. § 1123(b)(3)(B) and shall have all of the rights and powers provided for in the Bankruptcy Code in addition to any rights and powers granted in this Agreement, the Plan and Confirmation Order. The Liquidating Trust, by and through the Liquidating Trustee, shall be the successor-in-interest to the Debtors with respect to any litigation commenced by the Debtors prior to the Notice Date and shall be deemed substituted for same as the party in any such litigation. All such litigation and any and all other claims, rights or interests constituting Trust Assets, shall be preserved, retained and enforced by the Liquidating Trust, by and through the Liquidating Trustee, as the representative of the Estate pursuant to 11 U.S.C. § 1123(b)(3)(B). The Liquidating Trust, by and through the Liquidation Trustee, shall be a party-in-interest as to all matters over which the Court has jurisdiction.

3.6 Tax Returns/Tax Matters.

(a) For federal income tax purposes, the transfer of Trust Assets to the Liquidating Trust will be treated as a transfer to the Beneficiaries for all purposes of the Tax Code (e.g., Sections 61 (a)(1-2), 483, 1001, 1012, and 1274) followed by a deemed transfer by such Beneficiaries to the Liquidating Trust.

(b) It is intended that the Liquidating Trust be classified for federal income tax purposes as a "liquidating trust" within the meaning of Section 301.7701-4(d) of the Treasury Regulations. The Liquidating Trust shall be considered a "grantor" trust, and the Beneficiaries shall be treated as the grantors and deemed owners of the Liquidating Trust. The Liquidating Trustee shall file tax returns for the Liquidating Trust as a grantor trust pursuant to Section 1.671-4(a) of the Treasury Regulations. All earnings of the Liquidating Trust, including earnings or income retained in reserve accounts or as reserves, shall be allocated to the Beneficiaries on a semi-annual basis, and each such Beneficiary shall be responsible to report and pay the taxes due on its proportionate share of the Liquidating Trust's income whether or not amounts are actually distributed by the Liquidating Trustee to the Beneficiaries to pay the tax. As a grantor trust, the Liquidating Trust shall not have any separate liability for federal income taxes relating to or arising from the conveyance, preservation or liquidation of Trust Assets. However, if it is later determined that a tax liability of the Liquidating Trust arises, the Liquidating Trustee shall be responsible for withholding all taxes required by law, and shall timely file all required federal, state or local tax returns, including information reporting returns, and shall promptly pay all taxes determined to be due. If it is determined that any taxes are owed by the Liquidating Trust, the Liquidating Trustee may pay from the Trust Assets any such tax liability arising out of the operations of the Liquidating Trust or ownership of Trust Assets. The Liquidating Trust may establish a reserve sufficient to pay any accrued or potential tax liability arising out of the operations of the Liquidating Trust or ownership of Trust Assets. Notwithstanding anything herein to the contrary, in calculating and making the payments due to Allowed Claims under the Plan, the Liquidating Trustee shall be authorized to deduct from such payments any necessary withholding amount, and to the extent that an Allowed Claim was ever a Disputed Claim, the

amount of any tax distribution amount paid from the Trust Assets to holders of Allowed Claims in respect of tax liability attributable to the Disputed Claim while it was a Disputed Claim.

(c) The Liquidating Trust, by and through the Liquidating Trustee, is authorized to act as agent for the Estate in withholding or paying over any amounts required by law (including tax law) to be withheld or paid by the Estate in connection with the transfer and assignment of the Trust Assets to the Liquidating Trust pursuant to the Plan and Confirmation Order.

(d) Except as otherwise set forth in this Agreement or the Plan, any items of income, deduction, credit, gain or loss of the Liquidating Trust shall be allocated for federal income tax purposes among applicable Beneficiaries pro rata on the basis of their beneficial interests; provided, however, that to the extent that any item of income cannot be allocated in the taxable year in which it arises, the Liquidating Trust, to the extent possible, shall pay the federal, state and local taxes attributable to such income (net of related deductions) and the amount of such taxes shall be income (net of related deductions) and the amount of such taxes shall be treated as having been received by, and paid on behalf of the Beneficiaries when such allocations are made.

3.7 Withholding Taxes. The Liquidating Trustee shall be entitled to deduct any federal or state withholding taxes from any payments made with respect to Allowed Claims, as appropriate, and shall otherwise comply with Section 346 of the Bankruptcy Code.

3.8 Valuation of Trust Assets. As soon as possible after the Notice Date, the Liquidating Trustee shall make a good faith valuation of the Trust Assets. The valuation shall be used consistently by all parties for all purposes, including, without limitation, federal income tax purposes.

3.9 Investment of Trust Assets. The Liquidating Trustee shall have the power and responsibility to do all acts that may be necessary or appropriate in connection with the liquidation of the Trust Assets, including, without limitation, the power to receive, manage, invest, supervise, protect and liquidate Trust Assets, with investments limited to "Permitted Investments" (set forth in Exhibit A hereto) consistent with the Plan and with the Liquidating Trust's status as a liquidating trust under Treasury Regulations Section 301.7701-4(d) and Rev. Proc. 94-45, and to conduct the affairs of, and to operate, the Liquidating Trust so that the Liquidating Trust will not fail to be classified as a liquidating trust described in Treasury Regulations Section 301.7701-4(d) and as a grantor trust for federal income tax purposes. However, notwithstanding anything in this Agreement to the contrary, the Liquidating Trustee is authorized in his sole discretion to move or transfer any Trust Asset within the "Permitted Investments" included on Exhibit A to this Agreement at any time in order to comply with the rules of independence applicable to the accounting profession and similar rules of Deloitte Financial Advisory Services LLP ("Deloitte FAS") and its affiliates, including or any future amendments or expansions thereto, as they may apply to or affect the Liquidating Trustee or Deloitte FAS and its affiliates and (ii) to refrain from making any investment or engaging in any other activity which may be in violation of such rules. The Liquidating Trustee and Deloitte FAS and its affiliates shall not be liable for any action or omission which the Liquidating Trustee reasonably believes to be required for compliance with the preceding sentence.

3.10 Retention of Cash. The Liquidating Trustee shall not retain cash or cash equivalents in excess of a reasonable amount needed to meet the Claims of the Beneficiaries and contingent liabilities, cover the ordinary and reasonable costs, expenses and obligations of the Liquidating Trust (including, without limitation, expenses arising under Articles II and IV hereof) and maintain the value of the Trust Assets during liquidation.

IV. LIQUIDATING TRUSTEE: COMPENSATION, TERM, RESIGNATION, REMOVAL, STANDARD OF CARE, INDEMNIFICATION

4.1 Liquidating Trustee's Compensation. The Liquidating Trustee shall be paid, as compensation for his services as trustee hereunder, his hourly rate as may be typically charged by him for similar services, as such rate may be adjusted from time to time. The Liquidating Trustee shall be paid such compensation in the month following the month in which such services were performed by him or in such other manner as the Liquidating Trustee determines in the exercise of the Liquidating Trustee's sole and absolute discretion.

4.2 Liquidating Trustee's Expense Reimbursement. In addition to compensation, the Liquidating Trustee shall be entitled to reimbursement of his actual, reasonable, out-of-pocket expenses incurred by him in connection with his service as Liquidating Trustee hereunder, including, without limitation, the reasonable expenses of the Liquidating Trustee's counsel.

4.3 Term. The Liquidating Trustee shall remain trustee hereunder until the earlier of his resignation, removal, death or the occurrence of the Termination Date (as defined in Section 5.1 below).

4.4 Conflict Trustee. In the event the Liquidating Trustee has any conflict of interest with regard to any adverse party, the Liquidating Trustee may appoint a trustee (the "Conflict Trustee") to address and handle any situations involving that adverse party. This Conflict Trustee shall have all the rights and duties of the Liquidating Trustee as it pertains to dealing with the adverse party at issue.

4.5 Resignation. The Liquidating Trustee may resign as trustee hereunder at any time, in its sole and absolute discretion, by executing a written letter of resignation, and sending a copy of same to the Bankruptcy Administrator by regular first class mail, to each Beneficiary by regular first class U.S. mail, addressed to such Beneficiary at the address set forth in its filed proof of claim or, if no such proof of claim has been filed, at the address set forth in the Debtor's schedules and by filing such letter with the Bankruptcy Court's ECF system. Such resignation shall become effective immediately. The Liquidating Trustee shall not be required to obtain the approval of the Bankruptcy Court prior to resigning as trustee hereunder. Upon the resignation of the Liquidating Trustee, the Bankruptcy Court shall select a successor Liquidating Trustee.

4.6 Removal for Cause. The Liquidating Trustee or any successor Liquidating Trustee may be removed for cause at any time by the Bankruptcy Court. Any Beneficiary may apply to the Bankruptcy Court for the entry of an order removing the Liquidating Trustee or any successor Liquidating Trustee for cause. Such removal shall be effective upon the entry of a Final Order removing such trustee. Upon such removal or the Liquidating Trustee's resignation under Section 4.4, the Bankruptcy Court shall appoint a successor Liquidating Trustee.

4.7 Acceptance of Appointment by Successor Trustee. Any successor Liquidating Trustee appointed hereunder shall execute an instrument accepting such appointment hereunder and shall file such acceptance with the Bankruptcy Court and the Liquidating Trust records. Upon the successor Liquidating Trustee's acceptance of such appointment, such successor Liquidating Trustee, without further act, deed or conveyance, shall become vested with all the rights, powers and duties of the Liquidating Trustee under this Agreement, the Plan and the Confirmation Order.

4.8 Continuance. In the event of the resignation or removal of the Liquidating Trustee, such trustee shall: (i) promptly execute and deliver such documents, instruments and other writings as may be reasonably requested by the successor Liquidating Trustee to effect or reflect the termination of the Liquidating Trustee's capacity under this Agreement and the transfer of the rights, duties and obligations then held by the Liquidating Trustee to such Trustee's successor; (ii) deliver to the successor Liquidating Trustee all documents, instruments, records and other writings as may be in the possession of the Liquidating Trustee which may be reasonably necessary for the successor Liquidating Trustee to assume its duties; and (iii) otherwise reasonably assist and cooperate in effecting the assumption of his obligations and functions by such successor Liquidating Trustee.

4.9 Reliance by the Liquidating Trustee. The Liquidating Trustee may rely and shall be fully protected personally in acting upon any resolution, statement, certificate, instrument, opinion, report, notice, request, consent, order or other instrument or document which the Liquidating Trustee has no reason to believe to be other than genuine and to have been signed or presented other than by the proper party or parties or, in the case of facsimile or electronic mail transmissions, to have been sent other than by the proper party or parties, in each case without obligation to satisfy himself that the same was given in good faith and without responsibility for errors in delivery, transmission, or receipt. In the absence of gross negligence or willful misconduct of the Liquidating Trustee, the Liquidating Trustee may rely as to the trust of statements and correctness of the facts and opinions expressed therein and shall be fully protected personally in acting thereon. The Liquidating Trustee also may engage and consult with legal counsel for the Liquidating Trust and other agents and advisors and shall not be liable for, and shall be fully protected by the Liquidating Trust from, any action taken or suffered or omitted by the Liquidating Trustee or the Liquidating Trust in reliance upon the advice of such counsel, agents or advisors, except in the case of willful misconduct, gross negligence or fraud of the Liquidating Trustee as determined by a Final Order of a court of competent jurisdiction. Notwithstanding the foregoing, the Liquidating Trustee shall be under no obligation to consult with his counsel, agents, or advisors, and his good faith determination not to do so shall not result in the imposition of liability on the Liquidating Trustee, unless such determination arises from the Liquidating Trustee's willful misconduct, gross negligence, or fraud.

4.10 Liquidating Trustee's Standard of Care; Exculpation. The Liquidating Trustee shall exercise his reasonable business judgment in the exercise of his duties as Liquidating Trustee hereunder. Neither the Liquidating Trustee, nor any director, officer, member, affiliate, employee, employer, professional, agent or representative of the Liquidating Trustee or any successor trustee, nor any affiliates of the foregoing (the "Exculpation Parties"), shall have or incur any liability to, any Beneficiary or to any other person or entity, for any act or omission on or subsequent to the execution of this Agreement in connection with, relating to, or arising out of

the Pending Action, the pursuit of confirmation of the Plan, the consummation of the Plan or the administration of the Liquidating Trust or the Trust Assets to be liquidated and distributed under this Agreement, the Plan and/or the Confirmation Order (the "Related Matters"), except for their own gross misconduct or willful misconduct as determined by a Final Order of a court of competent jurisdiction. In the event that, at any time whether before or after termination of this Agreement or termination of the Liquidating Trust hereunder, as a result of or in connection with the Related Matters, any Exculpation Party is required to produce any of its personnel (including former employees) for examination, deposition or other written, recorded or oral presentation, or the Liquidating Trustee or any other Exculpation Party is required to produce or otherwise review, compile, submit, duplicate, search for, organize or report on any material within such Exculpation Party's possession or control pursuant to a subpoena or other legal (including administrative) process, the Exculpation Party will be reimbursed from the Trust Assets for its out of pocket expenses, including the reasonable fees and expenses of its counsel, and will be compensated from the Trust Assets for the time expended by its personnel based on such personnel's then current hourly rate.

4.11 No Personal Obligation for Trust Liabilities. Persons dealing with the Liquidating Trustee shall look only to the Trust Assets to satisfy any liability incurred by the Liquidating Trustee to any such person in carrying out the terms of this Agreement, and the Liquidating Trustee (and any affiliated entities or persons, including, without limitation, Deloitte FAS and its affiliates) shall have no obligation to satisfy any such liability, subject to the limitations in this Agreement.

4.12 Conflicting Claims. In the event that the Liquidating Trustee becomes aware of any disagreement or conflicting claims with respect to the Trust Assets, or if the Liquidating Trustee in good faith is in doubt as to any action that should be taken under this Agreement, the Liquidating Trustee shall have the absolute right to the extent of such disagreement or conflict, or to the extent deemed by the Liquidating Trustee necessary or appropriate in light of such disagreement or conflict, to withhold or stop all further performance under this Agreement with respect to the matter of such dispute (except, in all cases, the safekeeping of the Trust Assets) until the Liquidating Trustee is satisfied that such disagreement or conflicting claims have been fully and finally resolved, or to institute a judicial proceeding for resolution of the dispute or conflicting claims.

4.13 No Liability for Acts of Predecessors. Neither the Liquidating Trustee nor any successor Liquidating Trustee shall be in any way responsible for the acts or omissions of the Debtors, or any of the officers, directors, agents, attorneys and other professionals, predecessors or successors thereof, or of the Liquidating Trustee in office prior to the date on which such person or entity becomes Liquidating Trustee, unless such Liquidating Trustee expressly assumes such responsibility.

4.14 Liquidating Trustee's Funds. No provision of this Agreement or the Plan, Confirmation Order or other document shall require the Liquidating Trustee or his agents or advisors to expend or risk their own funds or otherwise incur any financial liability in the performance of any of his duties or their services hereunder or under the Plan, or in the exercise of any of his rights or powers, if the Liquidating Trustee or such agents or advisors shall have

reasonable grounds for believing that repayment of funds or adequate indemnity or security satisfactory to them against such risk or liability is not reasonably assured to them.

4.15 Liquidating Trustee's Agents. The Liquidating Trustee may execute any of his powers or duties hereunder either directly or by or through agents or attorneys and the Liquidating Trustee shall not be responsible for any misconduct or negligence on the part of any such agent or attorney appointed by him with due care.

4.16 No Implied Obligations. The Liquidating Trustee shall not be responsible for the performance of any duties and obligations other than those duties and obligations as are specifically set forth herein or in the Plan or Confirmation Order, and no implied covenants or obligations shall be read into this Agreement against the Liquidating Trustee.

4.17 Indemnification. The Liquidating Trustee (including each former Liquidating Trustee, any successor-in-interest thereto or estate of a decedent Liquidating Trustee, as the case may be, and each of their respective agents, representatives, professionals, employers and employees and affiliates of the foregoing) shall be defended, held harmless and indemnified by the Liquidating Trust. In no event shall the Beneficiaries have any obligation to indemnify the Liquidating Trustee or the Liquidating Trust, and in no event shall the Beneficiaries have any liability with respect to the liabilities, operations, conduct or actions of the Liquidating Trustee or the Liquidating Trust.

4.18 Bond Requirement; Exercise of Powers. The Liquidating Trustee shall not be required to furnish a bond to secure the proper performance of his duties hereunder or under the Plan or Confirmation Order. Except as otherwise expressly provided in this Agreement or in the Plan or the Confirmation Order, the Liquidating Trustee shall not be required to procure authorization by any court, including, but not limited to, the Bankruptcy Court, in the exercise of any power conferred upon the Liquidating Trustee by this Agreement, the Plan or the Confirmation Order.

4.19 Insurance. The Liquidating Trustee may obtain any insurance he deems necessary or appropriate in connection with his obligations hereunder and any related indemnification of him or others by the Liquidating Trust.

V. TERMINATION

5.1 The Liquidating Trust shall terminate at such time (the "Termination Date") as the Trust Assets have been liquidated, sold or distributed pursuant to and in accordance with the Plan, the Confirmation Order and this Agreement, but in any event, no later than the earlier to occur of (i) the date on which the Bankruptcy Court enters a Final Order closing the Pending Action pursuant to Section 350(a) of the Bankruptcy Code, or (ii) five (5) years from the date first written above, provided, however, that if warranted by the facts and circumstances, and subject to the approval by the Bankruptcy Court upon a finding that the extension is necessary to the liquidating purpose of the Liquidating Trust, the term may be extended for a finite term based on the particular facts and circumstances. Each such extension must be approved by the Bankruptcy Court within two months of the beginning of the extended term. The Liquidating

Trustee shall make continuing efforts to dispose of the Trust Assets, make timely distributions, and not unreasonably prolong the duration of the Liquidating Trust.

VI. RIGHTS, POWERS AND DUTIES OF BENEFICIARIES

6.1 Interests of Beneficiaries. The Beneficiaries shall have beneficial interests in the Trust Assets as provided in the Plan and the Confirmation Order. The Beneficiaries' proportionate interests in the Trust Assets shall not be transferable except pursuant to: (i) applicable laws of assignment descent and distribution; and (ii) if a Beneficiary is a debtor in a bankruptcy case, pursuant to the Bankruptcy Code. In either event, no transfer shall be effective hereunder unless and until the Liquidating Trustee has received such documents, information and assurances relating to such transfer as it, in its sole and absolute discretion, deems satisfactory.

6.2 Interests Beneficial Only. The ownership of a beneficial interest hereunder shall not entitle any Beneficiary to (i) any title in or to the Trust Assets (which title shall be vested in the Liquidating Trust); (ii) any right to or for a partition or division of the Trust Assets; or (iii) require an accounting. The Beneficiaries shall have no liability with respect to the operations, actions or conduct of the Liquidating Trust or the Liquidating Trustee.

6.3 Tax Identification Numbers. The Liquidating Trustee may require any Beneficiary to furnish to such Beneficiary's employer or taxpayer identification number as assigned by the Internal Revenue Service. A Beneficiary shall not be entitled to any distribution hereunder unless, within sixty (60) days after the Liquidating Trustee sends a written request (which may take the form of requested execution of IRS Form W-8 or W-9), such Beneficiary provides to the Liquidating Trustee, in writing, its tax identification number or social security number. The Liquidating Trustee's request for such information shall be sent to such Beneficiary by regular first class U.S. mail, addressed to such Beneficiary at the address set forth in his/her/its timely filed proof of claim or, if no such proof of claim has been filed, at the address set forth in the Debtor's schedules, except as either such address may be modified by such Beneficiary pursuant to the notice provisions hereof.

7.6 Effect of Death, Incapacity or Bankruptcy of Beneficiary. The death, incapacity, rehabilitation, or bankruptcy of a Beneficiary during the term of this Agreement shall not operate to terminate the Agreement, nor shall it entitle the representatives, trustees, beneficiaries, guardians, or creditors of any deceased, incapacitated, insolvent, or bankrupt Beneficiary to an accounting, or to take any action in the courts or elsewhere for the distribution of the Trust Assets or for a partition thereof nor shall it otherwise affect the rights and obligations of any Beneficiary.

Exhibit G – Employee Recovery Calculation

ADAMS PRODUCE COMPANY, LLC
EMPLOYEE CLAIMS AS OF BANKRUPTCY FILING
Prepared by Debtor
As of April 27, 2012

Non-Insider Employee wages	\$ 1,081,404.16	
	\$ (103,355.28)	Deduction for amount greater than Section 507 priority limit
	<u>\$ 978,048.88</u>	Priority wage claims subject to ER payroll taxes
ER Taxes	<u>\$ 113,942.70</u>	Estimate for federal and state
Add	<u>\$ 4,243.42</u>	unreimbursed eligible expenses (1)
Priority Employee Claims and taxes	<u>\$ 1,096,235.00</u>	

95.8% Estimated recovery % of Priority Employee claims (2)

(1) Represents unreimbursed expenses which if paid would result in a total wage and expense claim amount less than Section 507 priority limit.

(2) Estimate assumes that the net proceeds available to pay Priority Employee claims and accompanying employee and employer tax obligations is \$1,050,000.00. This \$1,050,000.00 number is calculated by reducing \$1,300,000.00 by \$250,000.00 for the legal fees and expenses of the Ad Hoc Committee of Non-Insider Employees and for the cost of the Third Party Administrator that will oversee the distribution of funds to the Holders of Priority Employee Claim. The legal fees and expenses of the counsel for the Ad Hoc Committee and the cost of the Third Party Administrator are, however, only estimates at this time. If these amounts should increase, it will decrease the percentage recovery of Holders of Priority Employee Claims.
