I. INTRODUCTION

This Disclosure Statement (the "Disclosure Statement") has been prepared by the above-captioned debtor (the "Debtor"), in connection with the solicitation of acceptances of the Debtor's Plan of Reorganization Dated July 27, 2009 (the "Plan"). The purpose of this Disclosure Statement is to provide adequate information of a kind, and in sufficient detail, as far as is reasonably practicable in light of the nature and history of the Debtor and the condition of the Debtor's books and records, that would enable a hypothetical reasonable investor, typical of holders of Claims and equity interests, to make an informed judgment about the Plan. An acceptance or rejection of the Plan must be in writing and may only be made by completing the ballot that accompanies the Plan. In order for your vote to be counted, it must be *received* no later than 5:00 p.m. (prevailing Pacific Time) on September 5, 2009 at the following address:

Aspen Financial, LLC
Attn: Investment Counselor
7900 W. Sahara Avenue, Suite 200
Las Vegas, NV 89117

This Disclosure Statement includes (among other things), a summary of the Chapter 11 Case, a description of the Claims against and equity interests in the Debtor, a summary of the Plan, a discussion of the Plan's feasibility, and a liquidation analysis setting forth what holders of a Claim against or equity interest in the Debtor would recover if the Debtor was liquidated immediately under Chapter 7 of the Bankruptcy Code.

UPON BANKRUPTCY COURT APPROVAL OF THE PLAN, THE PLAN WILL BE BINDING UPON ALL CREDITORS AND HOLDERS OF EQUITY INTERESTS.

The Debtor requests that you vote promptly for the Plan upon carefully reviewing the Plan.

If you have any questions concerning the procedures for voting, or any questions concerning your treatment under the Plan, please contact Amanda Dalton of Focus Property Group, LLC at (702) 242-4949.

4 II. EXPLANATION OF CHAPTER 11

5 A. Overview of Chapter 11

6 Chapter 11 is the principal reorganization chapter of the Bankruptcy Code. Pursuant to
 7 chapter 11, a debtor in possession attempts to reorganize its business for the benefit of the debtor, its
 8 creditors and other parties in interest. The Debtor has not yet commenced bankruptcy proceedings.
 9 However, the Debtor expects to file a "prepackaged" bankruptcy after the solicitation of votes on the
 10 Plan is completed if all of the Classes of creditors set forth below approve the Plan.

11 The commencement of a chapter 11 case creates an estate comprising all the legal and
 12 equitable interests of the debtor as of the date the petition is filed. Sections 1101, 1107, and 1108 of
 13 the Bankruptcy Code provide that a debtor may continue to operate its business and remain in
 14 possession of its property as a "debtor in possession" unless the bankruptcy court orders the
 15 appointment of a trustee. Here, the Debtor fully expects to remain in possession of its assets
 16 throughout its Chapter 11 Case.

17 The filing of a chapter 11 petition triggers the automatic stay provisions of the Bankruptcy
 18 Code. Section 362 of the Bankruptcy Code provides, among other things, for an automatic stay of
 19 all attempts to collect or recover prepetition claims from the debtor or to otherwise interfere with, or
 20 exercise control over, the debtor's property or business. Except as otherwise ordered by the
 21 Bankruptcy Court, the automatic stay remains in full force and effect until the effective date of a
 22 confirmed plan of reorganization.

23 B. Plan of Reorganization

24 The formulation of a plan of reorganization is the principal purpose of a chapter 11 case. The
 25 plan sets forth the means for satisfying claims against and interests in the debtor. **In this case, the**
 26 **Debtor is soliciting its Plan prior to commencing its bankruptcy proceeding. In such a case,**
 27 **section 1125 of the Bankruptcy Code requires that a debtor comply with applicable non-**
 28 **bankruptcy law in connection with its solicitation of the Plan. If no applicable non-bankruptcy**

1 law exists, section 1126(b) provides that a solicitation must comply with the disclosure
2 requirements set forth in section 1125 of the Bankruptcy Code concerning disclosure
3 statements. The Debtor does not believe that there is an applicable non-bankruptcy law
4 governing the solicitation of this Plan. Accordingly, this Disclosure Statement is presented to
5 holders of Claims against the Debtor to satisfy the requirements of section 1125 of the
6 Bankruptcy Code in connection with the Debtor's solicitation of votes on the Plan. In short, the
7 Debtor believes that this Disclosure Statement provides information of a kind, and in sufficient
8 detail, as far as is reasonably practicable in light of the nature and history of the Debtor and the
9 condition of the Debtor's books and records, that would enable a hypothetical investor to make an
10 informed judgment about the Plan.

11 The Debtor expects to file the Plan concurrently with the commencement of its bankruptcy
12 case and your vote on the Plan will be binding, even after the Debtor's bankruptcy case has been
13 commenced.

14 Although referred to as a plan of reorganization, a plan may provide for anything from a
15 complex restructuring of a debtor's business and its related obligations to a simple liquidation of the
16 debtor's assets. In either event, upon confirmation of the plan, it becomes binding on the debtor and
17 all of its creditors and equity holders, and the obligations owed by the debtor to such parties are
18 compromised and exchanged for the obligations specified in the plan.

19 C. Confirmation of a Plan of Reorganization

20 If all classes of claims and interests accept a plan of reorganization, the bankruptcy court may
21 confirm the plan if the bankruptcy court independently determines that the requirements of section
22 1129 of the Bankruptcy Code have been satisfied. Section 1129 of the Bankruptcy Code sets forth
23 the requirements for confirmation of a plan and, among other things, requires that a plan meet the
24 "best interests" of creditors test and be "feasible." The "best interests" test generally requires that
25 the value of the consideration to be distributed under a plan to the holders of claims or interests in
26 the debtor is not less than those parties would receive if the debtor were liquidated pursuant to a
27 hypothetical liquidation occurring under chapter 7 of the Bankruptcy Code. Under the "feasibility"
28 requirement, the court generally must find that there is a reasonable probability that the debtor will

1 be able to meet its obligations under its plan without the need for further financial reorganization.

2 **With the exception of approval of the Plan by all impaired classes, the Debtor believes that the**
3 **Plan satisfies all of the applicable requirements of section 1129(a) of the Bankruptcy Code,**
4 **including, in particular, the best interests of creditors test and the feasibility requirement.**

5 Chapter 11 does not require that each holder of a claim or interest in a particular class vote in
6 favor of a plan of reorganization in order for the bankruptcy court to determine that the class has
7 accepted the plan. Rather, a particular class will be determined to have accepted the plan if the court
8 determines that the plan has been accepted by a majority in number and two-thirds in amount of
9 those claims actually voting in such class. **In the present case, only the holders of Claims who**
10 **actually vote will be counted as either accepting or rejecting the Plan.**

11 In addition, classes of claims or interests in the debtor that are not "impaired" under a plan of
12 reorganization are conclusively presumed to have accepted the plan and thus are not entitled to vote.
13 Conversely, classes that are to receive no distribution under the plan are conclusively deemed to
14 have rejected the plan. Accordingly, acceptances of a plan will generally be solicited only from
15 those persons who hold claims or equity interests in an impaired class. A class is "impaired" if the
16 legal, equitable, or contractual rights associated with the claims or equity interests of that class are
17 modified in any way under the plan. Modification for purposes of determining impairment,
18 however, does not include curing defaults and reinstating maturity or payment in full in cash on the
19 effective date of the plan.

20 The bankruptcy court may also confirm a plan of reorganization even though fewer than all
21 classes of impaired claims and equity interests accept it. For a plan of reorganization to be
22 confirmed despite its rejection by a class of impaired claims or equity interests, the proponent of the
23 plan must show, among other things, that the plan does not "discriminate unfairly" and that the plan
24 is "fair and equitable" with respect to each impaired class of claims or equity interests that has not
25 accepted the plan.

26 Under section 1129(b) of the Bankruptcy Code, a plan is "fair and equitable" as to a rejecting
27 class of claims or equity interests if, among other things, the plan provides: (a) with respect to
28 secured claims, that each such holder will receive or retain on account of its claim property that has a

1 value, as of the effective date of the plan, in an amount equal to the allowed amount of such claim or
 2 such other treatment as accepted by the holder of such claim; and (b) with respect to unsecured
 3 claims and equity interests, that the holder of any claim or equity interest that is junior to the claims
 4 or equity interests of such class will not receive or retain on account of such junior claim or equity
 5 interest any property at all unless the senior class is paid in full.

6 A plan does not “discriminate unfairly” against a rejecting class of claims or equity interests
 7 if (a) the relative value of the recovery of such class under the plan does not differ materially from
 8 that of any class (or classes) of similarly situated claims or equity interests, and (b) no senior class of
 9 claims or equity interests is to receive more than 100% of the amount of the claims or equity
 10 interests in such class. **The Debtor believes that the Plan has been structured so that it will**
 11 **satisfy the foregoing requirements as to any rejecting Class of equity interests, and can**
 12 **therefore be confirmed, if necessary, over the objection of such of Class. The Debtor will not**
 13 **attempt to confirm the Plan over the objection of any creditor Class.**

14 **III. DEFINITIONS**

15 All capitalized terms used herein, but not defined herein shall have the meaning given to such
 16 terms in the Plan. If a term is not defined herein or in the Plan, but is defined in the Bankruptcy
 17 Code, such term has the meaning given to that term in the Bankruptcy Code unless the context of the
 18 Disclosure Statement requires otherwise. References to a code section are references to the
 19 Bankruptcy Code, except as otherwise stated.

20 **IV. SUMMARY OF THE PLAN AND DISTRIBUTIONS UNDER THE PLAN**

21 This Section provides a summary of the Plan and of how Claims against and equity interests
 22 in the Debtor are classified and treated under the Plan. The descriptions set forth below are merely
 23 summaries and, in the event of an inconsistency with the Plan, the terms of the Plan will govern.
 24 Please refer to Section VII hereof for a more detailed discussion of the Plan.

25 **A. Summary of Plan**

26 The Plan is not complicated. In short, the Debtor is the owner of certain real property
 27 located in the State of Nevada (the “Property”). The Property serves as collateral for a promissory
 28 note (the “Note”) in the amount of \$15,770,000 issued by the Debtor’s parent for the benefit of

1 certain lenders (the "Lenders"). Under the Plan, the Property will be returned to the Lenders in full
2 satisfaction of the Note and in lieu of foreclosure. Such return will occur by cancelling the current
3 equity interests in the Debtor currently held by the Debtor's parent (the "Parent") and issuing "Class
4 A Membership Interests" in the reorganized Debtor to the Lenders on a pro rata basis. In exchange
5 for the cancellation of its common equity, the Parent will receive "Class B Membership Interests" in
6 the Debtor, which will permit the Parent to receive only limited distributions from the Debtor, as
7 described in more detail below. The purpose of the Plan is to effectively transfer ownership of the
8 Property to the Lenders without the necessity and expense of a foreclosure as well as to provide a
9 structure and mechanism to protect and improve the value of the Property for the Lenders.

10 After the effective date of the Plan (the "Effective Date"), the Debtor will be governed by a
11 new operating agreement (the "New Operating Agreement"), which has been attached as an exhibit
12 to the Plan. Under the terms of the New Operating Agreement, the management of the new limited
13 liability companies will be vested in a steering committee (the "Steering Committee"), which shall
14 be authorized to take all actions necessary and appropriate to carry out the business of the company
15 except for certain "Major Decisions." The Steering Committee shall be comprised of five (5)
16 individuals, four of which shall be appointed by the Lenders and one of which such shall be
17 appointed by the Parent. Major Decisions must be approved by 51% of the Class A Membership
18 Interests (*i.e.*, the membership interests held by the Lenders) voting on the particular Major Decision
19 and include approval of any sales of company assets, including the Property, any financing,
20 refinancing or acquiring of material indebtedness by the company and any acquisition by the
21 company of an asset exceeding \$50,000.

22 The day-to-day operations of the Debtor shall be conducted, under the direction of the
23 Steering Committee, by a limited liability company established by the Parent (the "Manager"),
24 which shall perform, at the expense of the Debtor, all of the pre-development and entitlement work
25 that is necessary and reasonable to prepare the Property for sale and, where commercially
26 practicable, improve the entitlement and master planning status of the Property. The Manager shall
27 also market and sell the Property, at the expense of the Debtor, when commercially reasonable,
28

1 subject to the approval of either the Steering Committee or a vote of Class A members holding at
2 least 51% of the Class A Membership Interests actually voting depending on the amount of the sale.

3 The operations of the Debtor shall be funded by voluntary capital contributions from the
4 holders of Class A Membership Interests, which shall be requested by the company on a pro rata
5 basis as needed (each an "Additional Capital Contribution"). In the event that some Class A
6 members fail to make a capital contribution when requested, the remaining Class A members shall
7 be entitled to contribute the difference to the Debtor (each a "Supplemental Capital Contribution").
8 In the event that the Supplemental Capital Contributions provided by the Class A members are
9 insufficient to cover the shortfall, the Debtor may seek additional debt financing, including secured
10 financing, from third parties to cover such shortfalls. Such financing may be approved by the
11 Steering Committee so long as all third-party financing, including such financing, does not exceed
12 10% of the original principal amount of the Note. All third-party financing over and above such
13 threshold must be approved by a vote of 51% of the Class A Membership Interests participating in
14 such vote.

15 Upon the sale of Property, the proceeds shall be paid first to reimburse the makers of the
16 Supplemental Capital Contributions for any such amounts contributed plus an 8% annual return,
17 second, to the makers of Additional Capital Contributions for any such amounts contributed plus an
18 8% annual return, third, until the holders of Class A Membership Interests have received the "Initial
19 Class A Amount," (a) 90% to the holders of Class A Membership Interests on a pro rata basis;
20 provided that the pro rata distributions of the Class A members shall be adjusted so that the makers
21 of Supplemental Capital Contributions receive an additional 12% annual return at the expense of the
22 Class A members that did not make an Additional Capital Contribution, and (b) 10% to the Parent,
23 and, fourth, 70% to the holders of Class A Membership Interests on a pro rata basis and 30% to the
24 Parent. The Initial Class A Amount shall be an amount equal to the original principal amount of the
25 Note on the Effective Date and shall be increased on a monthly basis at a rate of 1% per annum until
26 such amount is paid from the proceeds of a sale.

27 The Class A Membership Interests shall be subject to certain restrictions on transfer set forth
28 in the New Operating Agreement.

1 Further, Aspen Financial Services, LLC ("Aspen") shall serve as the administrative agent (in
2 such capacity, the "Administrative Agent") for the Lenders and shall be paid an annual fee equal to
3 .5% of the Allowed Claims of the Lenders for performing such services.

4 *Finally, the Plan contains a release of Claims against the Guarantor under the Guarantee*
5 *(the "Guarantor Claims") by all Lenders voting in favor of the Plan. Accordingly, a vote in favor*
6 *of the Plan by a Lender also constitutes a release of the Guarantor Claims by such Lender*
7 *whether or not such Lender recovers the total amount of its Allowed Claim under the Plan. All*
8 *Lenders rejecting the Plan will be deemed to have voted against such release and will not be*
9 *deemed to have released the Guarantor Claims, unless Lenders holding 51% or more of the*
10 *interests in the Note (the "Majority Lenders") vote in favor of the Plan. In such instance, Chapter*
11 *645B of the Nevada Revised Statutes provides that the release granted by the Majority Lenders*
12 *shall be binding upon all of the Lenders and all Lenders shall be deemed to have released the*
13 *Guarantor regardless of whether or not such Lender accepted the Plan to the fullest extent*
14 *permitted by Nevada law.*

15 The Debtor believes that the Plan is in the best interest of creditors, including the members
16 of the Lenders and urges all creditors to vote for the Plan. The alternative to the Plan is for the
17 Lenders to foreclose on the Property. In such event, the Lenders will own the Property as tenants in
18 common and will have no feasible legal structure for maintaining and selling the parcels to third
19 parties. Indeed, in all likelihood, the Lenders will be unable to effectively sell the Property after a
20 foreclosure, which will substantially reduce recoveries to Lenders. On the other hand, under the
21 Plan, the Lenders will take title to the Property in a manner that provides a clear governance
22 structure that includes the ability to market and sell the Property in an efficient manner and at a time
23 when returns to the Lenders will be maximized. The Debtor believes that the combination of an
24 efficient management structure and the ability to delay the sale of the parcels until the real estate
25 market has recovered will maximize value for all stakeholders. Consequently, the Debtor urges you
26 to vote for the Plan.

B. Distributions under the Plan

The following is a summary of the Distributions under the Plan. Claims (except Administrative Claims and Claims of Professionals) against and equity interests in the Debtor will receive Distributions under the Plan as set forth below:

<u>Classification</u>	<u>Type of Claim</u>	<u>Treatment</u>
Class 1	Property Tax Claims Estimated amount of Property Tax Claims: \$12,566.00	On the Effective Date, holders of Allowed Property Tax Claims will receive Cash in the amount of their Allowed Property Tax Claims plus interest at the applicable statutory rate.
Class 2	Note Claims Estimated amount of Note Claims: \$15,770,000	On the Effective Date, each holder of an Allowed Note Claim shall receive, in complete satisfaction of such Claim, its Pro Rata Share of 100% of the Class A Membership Interests. Such membership interests shall have all of the rights and obligations set forth in the New Operating Agreement.
Class 3	Old Membership Units	On the Effective Date, the Old Membership Units shall be exchanged for the Class B Membership Interests. Such membership interests shall have all of the rights and obligations set forth in the New Operating Agreement.

V. VOTING INSTRUCTIONS

IT IS IMPORTANT THAT YOU EXERCISE YOUR RIGHT TO VOTE TO ACCEPT OR REJECT THE PLAN. If you are or may be entitled to vote on the Plan, you have been sent a ballot (the "Ballot") and instructions for voting with this Disclosure Statement. You should read the Ballot carefully and follow the instructions contained therein. Please use only the Ballot sent to you with this Disclosure Statement.

To simplify the voting procedure, Ballots have been sent only to all known holders of Claims and equity interests, including Disputed Claims to which objections may be filed once the Chapter 11 Case has been commenced. The Bankruptcy Code and the Bankruptcy Rules provide that only the holders of Allowed Claims (or Claims which are deemed Allowed) and holders of Allowed equity interests are entitled to vote on the Plan. The Bankruptcy Court may temporarily allow a Disputed Claim to which an objection has been filed for purposes of voting on the Plan. Therefore, although the holders of Disputed Claims to which an objection has been filed will receive Ballots,

1 these votes will not be counted unless the Bankruptcy Court temporarily allows such Claims for
2 purposes of voting on the Plan.

3 If a party in interest is a member of more than one Class, it will receive a Ballot for each
4 Class. **IF YOU ARE A MEMBER OF MORE THAN ONE CLASS, YOU MUST FILL OUT**
5 **AND RETURN ALL BALLOTS SENT TO YOU FOR YOUR VOTE TO COUNT IN EACH**
6 **CLASS.**

7 **AN ACCEPTANCE OR REJECTION OF THE PLAN MAY BE VOTED BY**
8 **COMPLETING THE BALLOT THAT ACCOMPANIES THE PLAN AND THE**
9 **DISCLOSURE STATEMENT, AND RETURNING IT NO LATER THAN 5:00 P.M.**
10 **(PREVAILING PACIFIC TIME) ON SEPTEMBER 5, 2009 TO:**

11 Aspen Financial, LLC

15 **IF YOUR BALLOT IS NOT RETURNED BY SUCH TIME, IT MAY NOT BE**
16 **CONSIDERED. BALLOTS WHICH ARE RETURNED BUT NOT PROPERLY**
17 **EXECUTED OR WHICH FAIL TO INDICATE EITHER ACCEPTANCE OR REJECTION**
18 **OF THE PLAN WILL NOT BE COUNTED.**

19 **VI. BACKGROUND AND EVENTS PRECIPITATING THE CHAPTER 11 FILING**

20 The Debtor's only asset is the Property. The Property was originally acquired by the Parent
21 of the Debtor in 2006. Such acquisition was financed through the Note, which is dated as of August
22 23, 2006, in the original principal amount of \$15,770,000 and was issued by the Parent for the
23 benefit of the Lenders. The Note is secured by the Property pursuant to a Deed of Trust, Assignment
24 of Rents, Security Agreement and Fixture Filing (the "Deed of Trust") dated as of August 23, 2006.
25 The Property was acquired as part of a plan to acquire land to develop and entitle a master planned
26 community commonly known as Inspirada West (the "Community"). Such community is being
27 developed by Focus Investment Group, LLC (the "Developer"), which also owns a majority interest
28 in the Parent.

1 In the fall of 2007, the credit markets dramatically tightened. As a result, the Developer and
2 the Parent were unable to obtain the financing required to both continue developing the Community
3 and service the interest on the loans used to acquire the land comprising the Community, including
4 the Note. As a result, in February of 2008, the Parent ceased paying interest on the Note, and,
5 instead, requested that the Lenders agree to a three-year forbearance agreement, pursuant to which
6 the Developer would continue to pay development and carry costs in respect of the Community, but
7 not interest on the Note, which would accrue pending a sale of the Property at the conclusion of the
8 development of the Community.

9 The market for real estate loans has not improved since the forbearance agreement was
10 executed, and, in fact, has become more difficult. As a result, the Developer now believes that it can
11 no longer fund all of the development and carry costs associated with the Property. Accordingly, the
12 Developer and the Parent approached the Administrative Agent in early 2009 and sought to negotiate
13 a new restructuring of the Note. After substantial negotiations, the Developer, the Parent and the
14 Administrative Agent agreed to restructure the Note as set forth in the Plan.

15 In short, and as noted above, pursuant to the Plan, the Property will be transferred to the
16 Debtor immediately prior to commencing this case and, on the Effective Date, the Lenders will be
17 provided with 100% of the Class A Membership Interests in the Debtor. The Parent (and current
18 holder of the equity in the Debtor) will be issued Class B Membership Interests. Under the Plan, the
19 Lenders will receive 90% of all distributions from the sale of the Property (after repayment of
20 additional capital calls and a return thereon) until their Allowed Claims are paid in full and 70% of
21 all distributions thereafter. The Debtor's new manager, with assistance from the Developer, will
22 continue to develop the Community and entitle the Property, but all costs incurred in connection
23 therewith, including the carrying cost of the Property will be paid by the Debtor through voluntary
24 additional capital contributions made by the Lenders or otherwise borrowed from third-parties.

25 The Developer, the Parent, the Debtor and the Administrative Agent each agree that a
26 prepackaged plan of reorganization is the best method for accomplishing the restructuring of the
27 Property. Most importantly, the parties do not believe that state law provides a mechanism to
28 effectively realize value from the Property. Indeed, under state law, the Lenders would likely

1 foreclose upon the Property, which would leave them holding the Property as tenants in common.
 2 Under those circumstances, no legal framework would exist to fund carry costs and marketing
 3 expenses and for selling the Property. A prepackaged plan of reorganization solves these structural
 4 issues. The Developer, the Parent, the Debtor and the Administrative Agent urge you to vote in
 5 favor of the Plan.

6 **VII. THE PLAN**

 23 Claims for Professional Fees, must be filed by the Administrative Claim Bar Date or the holders
 24 thereof shall be forever barred from asserting such Administrative Claims against the Debtor or the
 25 reorganized Debtor.

27 Each Person seeking an award by the Bankruptcy Court of Professional Fees: (a) must file a
