Distributions on account of General Unsecured Claims that are Allowed as of the Effective Date, including delivery to The Depository Trust Company of the global certificate(s) representing the shares of Mandatorily Convertible Preferred Stock to be issued hereunder, shall be made on the Initial Distribution Date; or, other than with respect to distribution of Plan Shares, as soon thereafter as reasonably practicable (and shall receive the additional true-up distributions provided for in Section 7.4 hereof at the times provided for therein). (b) If any shares of New Mandatorily Convertible Preferred Stock or New Common Stock are to be issued in a name other than that in which the holder of an Allowed Claim is identified in the immediately preceding subparagraph, it shall be a condition of such issuance that the Person requesting such name shall pay any transfer or other taxes required by reason of the issuance of shares of New Mandatorily Convertible Preferred Stock or New Common Stock in a name other than that in which such holder is identified herein or shall establish to the satisfaction of New AAG or the Disbursing Agent, as applicable, that such taxes have either been paid or are not applicable.

Each Indenture Trustee and Servicer shall make such distributions, as soon as reasonably practicable after receipt thereof and pursuant to the terms of the applicable Indenture or other governing agreement, (A) with respect to Indenture Trustees, in accordance with Section 5.2 hereof to the registered holders as of the date of surrender of the debt securities pursuant to Section 5.13 hereof and (B) with respect to Servicers, in accordance with Section 5.2 hereof to the registered holders as provided in the applicable governing agreement.

In the event that any distribution of New Common Stock to any holder of an Allowed AMR Equity Interest is returned as undeliverable, no further distributions to such holder shall be made unless and until such distributions are claimed, at which time all missed distributions shall be made to such holder without interest but together with any dividends that have been declared and paid in respect of such New Common Stock prior to the date such distributions are claimed. All demands for such undeliverable New Common Stock must be made on or before the first (1st) anniversary of the Effective Date. Thereafter, the New Common Stock constituting such undeliverable distribution (including any dividends declared thereon) shall be contributed

to one or more charitable organizations exempt from U.S. federal income tax under section 501(c)(3) of the Tax Code to be selected by, and unrelated to, the Disbursing Agent (provided that the recipient charitable organization is not, and would not become by reason of the contribution, a “Substantial Stockholder” within the meaning of the New AAG Certificate of Incorporation), and any Claim or Equity Interest in respect of such undeliverable distribution shall be discharged and forever barred from assertion against the Debtors, the Reorganized Debtors, and their respective property, notwithstanding any federal or state escheat laws to the contrary.

5.5 Withholding and Reporting Requirements

In the case of a non-Cash distribution that is subject to withholding, the distributing party may withhold an appropriate portion of such distributed property and sell such withheld property to generate Cash necessary to pay over the withholding tax. Any amounts withheld pursuant to the preceding sentence shall be deemed to have been distributed to and received by the applicable recipient for all purposes of the Plan. Notwithstanding the foregoing, each holder of an Allowed Claim or Allowed AMR Equity Interest or any other Person that receives a distribution pursuant to the Plan shall have responsibility for any taxes imposed by any governmental unit, including, without limitation, income, withholding, and other taxes, on account of such distribution. Any party issuing any instrument or making any distribution pursuant to the Plan has the right, but not the obligation, to not make a distribution until such holder has made arrangements satisfactory to such issuing or disbursing party for payment of any such tax obligations.

(b) ***Forms.*** Any party entitled to receive any property as an issuance or distribution under the Plan shall be required to deliver to the Disbursing Agent (or such other Person designated by the Debtors, which Person shall subsequently deliver to the Disbursing Agent any applicable Form W-8 or Form W-9 received) an appropriate Form W-9 or (if the payee is a foreign Person) Form W-8, unless such Person is exempt under the Tax Code and so notifies the Disbursing Agent. If the holder has not otherwise made a demand for an undeliverable distribution as set forth in Section 5.4 hereof and fails to comply with such a ~~request~~ requirement within six (6) months, such distribution shall be deemed an undeliverable distribution.

5.6 Cash Payments. At the option of the Debtors, any Cash payment to be made hereunder may be made by check or wire transfer or as otherwise required or provided in applicable agreements.

5.7 Distributions on Behalf of Subsidiaries. The Disbursing Agent shall make distributions hereunder on behalf of the applicable Reorganized Debtor.

Where the applicable Reorganized Debtor is a subsidiary of New AAG, New AAG shall make a direct or indirect capital contribution (through the chain of relevant entities) to the applicable Reorganized Debtor of an amount of Plan Shares or Cash to be distributed to holders of Allowed Claims against such Debtor or to be placed in the Disputed Claims Reserve on account of Disputed Claims against such Debtor, but only at such time as the amounts are actually distributed to holders of Allowed Claims or placed into the Disputed Claims Reserve; *provided, however*, that the preceding portion of this sentence shall not apply to any shares of New Common Stock into which the New Mandatorily Convertible Preferred Stock actually converts, which New Common Stock shall be issued and distributed directly by or on behalf of New AAG. Any distributions of Plan Shares or Cash that revert to New AAG or are otherwise cancelled shall revert solely in New AAG, and no other Reorganized Debtor shall have any ownership interest in the amounts distributed.

5.8 Allocation of Plan Distribution Between Principal and Interest.

Except as otherwise required by law (as reasonably determined by the Debtors), distributions with respect to an Allowed General Unsecured Claim shall be allocated first to the principal portion of such Allowed Claim (as determined for U.S. federal income tax purposes) and, thereafter, to the remaining portion of such Allowed Claim, if any.

5.9 Time Bar to Cash Payments. Checks issued by the Debtors in respect of Allowed Claims shall be null and void if not negotiated within one hundred eighty (180) days after the date of issuance thereof. Requests for re-issuance of any check shall be made to the Debtors by the holder of the Allowed Claim to whom such check originally was issued. Any Claim in respect of such a voided check shall be made on or before thirty (30) days after the expiration of the one hundred eighty (180) day period following the date of issuance of such check. Thereafter, the amount represented by such voided check shall irrevocably revert to New AAG, and any Claim in respect of such voided check shall be discharged and forever barred, notwithstanding any federal or state escheat laws to the contrary.

5.10 Minimum Distributions and Fractional Shares.

(a) No payment of Cash in an amount less than \$25 shall be made to any holder of an Allowed Claim, and no fractional shares of New Mandatorily Convertible Preferred Stock or New Common Stock shall be distributed; *provided, however*, that (i) any fractional shares of New Mandatorily Convertible Preferred Stock shall be rounded down to the next whole number or zero, as applicable and (ii) any fractional shares of New Common Stock shall be rounded up or down to the next whole number or zero, as applicable (with one-half being closer to the next lower whole number for this purpose). No consideration shall be provided in lieu of fractional shares that are rounded down.

(b) In the event any New Common Stock remains in the Disputed Claims Reserve after the Final Distribution Date and the Disbursing Agent determines

that the distribution thereof to holders of Allowed Claims and Allowed AMR Equity Interests is not justified (i) based on the cost of distribution or (ii) because it would contravene Section 5.10(a) hereof, the Disbursing Agent shall contribute such New Common Stock to one or more charitable organizations exempt from U.S. federal income tax under section 501(c)(3) of the Tax Code to be selected by, and unrelated to, the Disbursing Agent (provided that the recipient charitable organization is not, and would not become by reason of the contribution, a “Substantial Stockholder” within the meaning of the New AAG Certificate of Incorporation).

5.11 Setoff and Recoupment. The Debtors and the Reorganized Debtors, as applicable, may, but shall not be required to, set off or recoup against any Claim, and any distribution to be made on account of such Claim, any and all claims, rights, and Causes of Action of any nature that the Debtors may have against the holder of such Claim pursuant to the Bankruptcy Code or applicable nonbankruptcy law; *provided, however*, that neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver, abandonment, or release by the Debtors or the Reorganized Debtors, as applicable, of any such claims, rights, and Causes of Action that the Debtors or the Reorganized Debtors, as applicable, may have against the holder of such Claim.

5.12 Transactions on Business Days. If the Effective Date or any other date on which a transaction may occur hereunder shall occur on a day that is not a Business Day, the transactions contemplated by the Plan to occur on such day shall instead occur on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

5.13 Surrender of Existing Publicly-Traded Debt Securities. On the Effective Date, or as soon thereafter as reasonably practicable, each Registered Holder of debt securities with respect to the Note Claims or the Unsecured Special Facility Revenue Bond Claims, as applicable, shall surrender its debt securities to the applicable Indenture Trustee or, in the event such debt securities are held in the name, or by a nominee, of The Depository Trust Company or other securities depository (each, a “**Depository**”), the Debtors shall seek the cooperation of the Depository to provide appropriate instructions to the applicable Indenture Trustee. No distributions hereunder shall be made for or on behalf of such Registered Holder unless and until (i) such debt securities are received by the applicable Indenture Trustee or appropriate instructions from the Depository are received by the applicable Indenture Trustee or (ii) the loss, theft, or destruction of such debt securities is established to the reasonable satisfaction of the applicable Indenture Trustee, which satisfaction may require such Registered Holder to submit (a) a lost instrument affidavit and (b) an indemnity bond holding the Debtors, the Reorganized Debtors, and the applicable Indenture Trustee harmless in respect of such debt securities and distributions made with respect thereto. Upon compliance with this Section 5.13 by a Registered Holder of the debt securities, for all purposes hereunder, such Registered Holder shall be deemed to have surrendered such debt securities. Any Registered Holder that fails to surrender such debt securities or

satisfactorily explain the loss, theft, or destruction of such debt securities to the applicable Indenture Trustee within one (1) year of the Effective Date shall be deemed to have no further Claim against the Debtors, the Reorganized Debtors, or the applicable Indenture Trustee in respect of such Claim and shall not participate in any distribution hereunder. All property in respect of such forfeited distributions, including interest thereon, shall be promptly returned to the Debtors or the Reorganized Debtors, as applicable, by the applicable Indenture Trustee (notwithstanding any federal or state escheat laws to the contrary), and any such debt securities shall be cancelled.

5.14 Class Proofs of Claim. If a class proof of Claim is Allowed, it shall be treated as a single Claim for purposes of Article V hereof.

5.15 Conversion of Convertible Notes:

Subject to the Revised Final Order Pursuant to 11 U.S.C. §§ 105(a) and 362 Establishing Notification Procedures for Substantial Claimholders and Equity Security Holders and Approving Restrictions on Certain Transfers of Interests in the Debtors' Estates, entered by the Bankruptcy Court on April 11, 2013 (ECF No. 7591), any holder of a Convertible Note Claim may, at any time prior to the fifth (5th) Business Day before the Effective Date, irrevocably elect to have all or any portion of a Convertible Note be treated as an Allowed AMR Equity Interest in AMR Class 5 in an amount that corresponds to the number of shares of AMR Common Stock that would have been issued to such holder if such Convertible Note (or portion thereof) had been converted into shares of AMR Common Stock pursuant to the definitive documentation for such Convertible Note, with such number of shares determined as if such conversion became effective as of the Effective Date. Such election shall be made on the form included in the Plan Supplement (a "**Conversion Election Notice**") and, to be effective, must be actually received by the attorneys for the Debtors prior to such fifth (5th) Business Day. Any election not complying with the foregoing shall have no force or effect. In connection with any election of Convertible Notes (i) with respect to the AMR 6.25% Convertible Senior Notes due 2014, in determining the number of shares of AMR Common Stock that would have been issued upon the conversion of such Convertible Notes, the provisions of Section 8.15 of the Supplemental Indenture, dated as of September 28, 2009, related to such Convertible Notes shall be applied and the conversion ratio applicable to such conversion shall be adjusted pursuant to Section 8.15 of such Supplemental Indenture and, for purposes of computing such adjustment, the Effective Date shall be the "Make Whole Change of Control Effective Date" for purposes of such Supplemental Indenture; and (ii) the amount of Convertible Notes deemed converted shall be equal to the Convertible Note Claim with respect to such Convertible Note. Upon the effectiveness of any such election, the Convertible Note Claim related to such Convertible Note shall (subject to the following proviso) automatically cease to be an Allowed Claim for any purpose hereunder; *provided, however*, that in the event that the Plan is withdrawn by the Debtors, all Conversion Election Notices shall thereupon automatically be deemed

to have been withdrawn and of no force or effect whatsoever, and none of the Convertible Notes with respect to which any such elections were made shall be treated as AMR Equity Interests in AMR Class 5 or as having been converted into shares of AMR Common Stock.

If, as a result of an election provided for in the immediately preceding paragraph, a Convertible Note is treated as an Allowed AMR Equity Interest in AMR Class 5, the determination of the Labor Common Stock Allocation shall be calculated as if such election did not take place.

ARTICLE VI.

MEANS FOR IMPLEMENTATION AND EXECUTION OF THE PLAN

6.1 Continued Corporate Existence. Subject to the Merger and the terms of the Merger Agreement, each Debtor shall, as a Reorganized Debtor, continue to exist after the Effective Date as a separate corporate Entity, with all the powers of a corporation, partnership, or limited liability company, as applicable, under applicable law and without prejudice to any right to alter or terminate such existence (whether by merger or otherwise) under applicable state law. Immediately following the Merger Effective Time, the New AAG Certificate of Incorporation shall be amended to change the name of AMR to American Airlines Group Inc.

6.2 Merger

(a) Subject to and in connection with the occurrence of the Effective Date, AMR and US Airways shall take all such actions as may be necessary or appropriate to effect the Merger on the terms and subject to the conditions set forth in the Merger Agreement. Without limiting the generality of the immediately preceding sentence, upon the satisfaction or waiver of each of the conditions set forth in Section 9.2 hereof and the applicable conditions of the Merger Agreement, on the Effective Date AMR and US Airways shall cause the Certificate of Merger to be filed with the Secretary of State of the State of Delaware in accordance with the Delaware General Corporation Law and take or cause to be taken all other actions, including making appropriate filings or recordings, that may be required by the Delaware General Corporation Law or other applicable law in connection with the Merger.

(b) New AAG shall issue the shares of New Common Stock in accordance with the Merger Agreement, with such shares to be distributed hereunder, and the other transactions contemplated by the Merger Agreement shall occur.

(c) In the event of any conflict whatsoever between the terms of the Plan and the Merger Agreement, the terms of the Merger Agreement shall control, and the Plan shall be deemed to incorporate in their entirety the terms, provisions, and conditions of the Merger Agreement.

6.3 The 9019 Settlement

(a) The distributions provided for hereunder with respect to Double-Dip General Unsecured Claims, Single-Dip General Unsecured Claims, the DFW 1.5x Unsecured Special Facility Revenue Bond Claim, and AMR Equity Interests incorporate and reflect a compromise and settlement (the “**9019 Settlement**”) of (i) certain intercreditor issues relating to the rights and benefits of holders of Double-Dip General Unsecured Claims, Single-Dip General Unsecured Claims, Triple-Dip General Unsecured Claims, and the DFW 1.5x Special Facility Revenue Bond Claim, (ii) the validity, enforceability, and priority of certain prepetition intercompany claims by and among AMR, American, and Eagle Holding, (iii) Claims that creditors have with respect to the marshaling of assets and liabilities of AMR, American, or Eagle Holding in determining relative entitlements to distributions under a plan, and (iv) the rights of holders of AMR Equity Interests to a distribution under a plan.

(b) The Plan shall constitute a motion to approve the 9019 Settlement. Subject to the occurrence of the Effective Date, entry of the Confirmation Order shall constitute approval of the 9019 Settlement pursuant to Bankruptcy Rule 9019 and a finding by the Bankruptcy Court that the 9019 Settlement is in the best interest of the Debtors and their estates. If the Effective Date does not occur, the 9019 Settlement shall be deemed to have been withdrawn without prejudice to the respective positions of the parties.

6.4 Distributions to Non-Union Employees. The Non-Union Employees shall receive shares of New Common Stock constituting 2.3% of the Creditor New Common Stock Allocation and which shall be distributed by New AAG as follows: On the Initial Distribution Date, or as soon thereafter as reasonably practicable, New AAG shall distribute the Non-Union Employees’ pro rata share of the Initial Labor Common Stock Allocation to participating Non-Union Employees in per employee amounts as determined by the Debtors prior to the Effective Date. On each Mandatory Conversion Date, or as soon thereafter as reasonably practicable, New AAG shall distribute the Non-Union Employees’ pro rata share of the applicable Incremental Labor Common Stock Allocation to participating Non-Union Employees in per employee amounts as determined by the Debtors prior to the Effective Date. In connection with each Interim True-Up Distribution, New AAG shall distribute to participating Non-Union Employees the Non-Union Employees’ pro rata share of the distribution made on account of the American Labor Allocation pursuant to Section 7.4(a) hereof in per employee amounts as determined by the Debtors prior to the Effective Date. In connection with the Final True-Up Distribution, New AAG shall distribute to participating Non-Union Employees the Non-Union Employees’ pro rata share of the distribution made on account of the American Labor Allocation pursuant to Section 7.4(b) hereof in per employee amounts as determined by the Debtors prior to the Effective Date. The right of the Non-Union Employees to receive any distribution on a Mandatory

Conversion Date, an Interim Distribution Date, or a Final Distribution Date shall not be Transferable. Any Non-Union Employee who is eligible to receive an Alignment Award or an award under the Chairman Letter Agreement shall not receive any distribution of New Common Stock pursuant to this Section 6.4.

(b) In the event that the Bankruptcy Court does not order the AMR Plan Consolidation, the American Plan Consolidation, or the Eagle Plan Consolidation, (i) Claims against the applicable Debtors shall be treated as separate Claims with respect to the estates of such Debtors for all purposes, and such Claims shall be administered as provided in the applicable Sub-Plan and (ii) the Debtors shall not be required to resolicit votes with respect to the Plan or any applicable Sub-Plan.

by any insider of any Debtor or Reorganized Debtor or where the settled amount of such Claim exceeds \$1 million.

7.3 Payments and Distributions with Respect to Disputed Claims

(a) Notwithstanding anything herein to the contrary, if any portion of a Claim is a Disputed Claim, no payment or distribution provided hereunder shall be made on account of such Claim unless and until such Disputed Claim becomes an Allowed Claim; *provided, however*, that no payment or distribution provided hereunder shall be made to a Disputed Claim that becomes an Allowed Claim until after the occurrence of the Final Mandatory Conversion Date.

(b) There shall be withheld from the New Mandatorily Convertible Preferred Stock and the New Common Stock to be distributed to holders of Allowed Single-Dip General Unsecured Claims (i) the number of such shares that would be distributable with respect to any Disputed Single-Dip General Unsecured Claims had such Disputed Claims been Allowed on the Effective Date and (ii) such additional shares necessary to assure that, if all such Disputed Claims become Allowed Claims in full, sufficient shares are available to satisfy the American Labor Allocation (the “**Disputed Claims Reserve**”), together with all earnings thereon (net of any expenses relating thereto, including any taxes imposed thereon or otherwise payable by the Disputed Claims Reserve). The Disbursing Agent shall hold in the Disputed Claims Reserve all dividends, payments, and other distributions made on account of, as well as any obligations arising from, property held in the Disputed Claims Reserve, to the extent that such property continues to be so held at the time such distributions are made or such obligations arise, and such dividends, payments, or other distributions shall be held for the benefit of holders of Disputed Claims against any of the Debtors whose Claims are subsequently Allowed and for the benefit of other parties entitled thereto hereunder. The Debtors intend to seek a determination by the Bankruptcy Court of the estimated amount (either on an individual or aggregate basis) of Disputed Single-Dip General Unsecured Claims for purposes of determining the amount of the Disputed Claims Reserve attributable to such Disputed Claims.

(c) Any Plan Shares held in the Disputed Claims Reserve pursuant to this Section 7.3 shall be deemed voted by the Disbursing Agent proportionally in the same manner as the rest of the Plan Shares are voted. (d) Subject to definitive guidance from the [IRS Internal Revenue Service](#) or a court of competent jurisdiction to the contrary (including the receipt by the Disbursing Agent of a private letter ruling if the Disbursing Agent so requests one, or the receipt of an adverse determination by the [IRS Internal Revenue Service](#) upon audit if not contested by the Disbursing Agent), the Disbursing Agent shall (i) treat the Disputed Claims Reserve as a “disputed ownership fund” governed by Treasury Regulation section

1.468B-9 (and make any appropriate elections) and (ii) to the extent permitted by applicable law, report consistently with the foregoing for state and local income tax purposes. (f) The Disbursing Agent may request an expedited determination of taxes of the Disputed Claims Reserve under section 505(b) of the Bankruptcy Code for all tax returns for all taxable periods through the termination of the Disputed Claims Reserve.

7.4 True-Ups

(a) **Interim True-Ups.** On each Interim Distribution Date, or as soon thereafter as reasonably practicable, all shares of New Common Stock in the Disputed Claims Reserve that have been reserved with respect to all or any portion of a Disputed Single-Dip General Unsecured Claim that has been disallowed by a Final Order, to the extent such disallowance has not been reflected in such a distribution with respect to any prior Interim Distribution Date, shall be distributed on account of the American Labor Allocation, the Market-Based Old Equity Allocation, and to holders of Allowed Single-Dip General Unsecured Claims, as applicable, based upon how such shares of New Common Stock would have been distributed on the Initial Distribution Date and each Mandatory Conversion Date (including, as applicable, the shares issued upon conversion of the shares of New Mandatorily Convertible Preferred Stock reserved with respect to such Disallowed Disputed Single-Dip General Unsecured Claim) if on the Effective Date the aggregate estimated amount of all Disputed Single-Dip General Unsecured Claims were reduced by the amount of such Disallowed Disputed Single-Dip General Unsecured Claim.

(b) **Final True-Up.** On the Final Distribution Date, or as soon thereafter as reasonably practicable, all shares of New Common Stock remaining in the Disputed Claims Reserve (after making all distributions pursuant to Section 7.5(a) hereof on account of Disputed Single-Dip General Unsecured Claims that have become Allowed Single-Dip General Unsecured Claims prior to such date), shall be distributed on account of the American Labor Allocation, the Market-Based Old Equity Allocation, and to holders of Allowed Single-Dip General Unsecured Claims, as applicable, based upon how such shares of New Common Stock would have been distributed on the Initial Distribution Date and each Mandatory Conversion Date if on the Effective Date the

aggregate amount of all Allowed Single-Dip General Unsecured Claims were in the amount of such Claims on the Final Distribution Date and there were no Disputed Single-Dip General Unsecured Claims on the Effective Date.

7.5 Distributions After Allowance

(a) To the extent that a Disputed Single-Dip General Unsecured Claim becomes an Allowed Claim after the Effective Date, the Disbursing Agent shall, subsequent to the Final Mandatory Conversion Date, distribute to the holder thereof the distribution, if any, of the shares of New Common Stock to which such holder is entitled hereunder out of the Disputed Claims Reserve in accordance with Section 7.4 hereof. Subject to Section 7.4 hereof, all distributions made under this Section 7.5 on account of Allowed Claims shall be made together with any dividends, payments, or other distributions made on account of, as well as any obligations arising from, the distributed property, then held in the Disputed Claims Reserve as if such Allowed Claims had been ~~an~~ Allowed Claims on the dates distributions were previously made to holders of Allowed Claims in the applicable Class, but shall be made net of any expenses relating thereto, including any taxes imposed thereon or otherwise payable by the Disputed Claims Reserve.

(b) To the extent that a Convenience Class Claim becomes an Allowed Claim after the Effective Date, the Disbursing Agent shall distribute to the holder thereof the distribution, if any, to which such holder is entitled hereunder in accordance with Sections 5.2 and 7.4 hereof.

7.6 Estimation

(a) The Debtors and the Reorganized Debtors may at any time request that the Bankruptcy Court estimate any contingent, unliquidated, or Disputed Claim pursuant to section 502(c) of the Bankruptcy Code regardless of whether any of the Debtors or the Reorganized Debtors previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including, without limitation, during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any contingent, unliquidated, or Disputed Claim, the amount estimated shall constitute either the Allowed amount of such Claim or a maximum limitation of the amount of such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation of the amount of such Claim, the Debtors or the Reorganized Debtors, as applicable, may pursue supplementary proceedings to object to the allowance of such Claim; *provided, however*, that the foregoing is not intended to limit the rights granted by section 502(j) of the Bankruptcy Code. The objection, estimation, and resolution procedures set forth in this Section 7.6 are intended to be cumulative and not exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

(b) For purposes of facilitating distributions hereunder, the Debtors may, prior to the Effective Date, seek an order of the Bankruptcy Court estimating the aggregate amount of Disputed Single-Dip General Unsecured Claims, which shall serve as a maximum limitation on the Allowed amount of all such Claims.

7.7 Interest and Dividends. To the extent that a Disputed Claim becomes an Allowed Claim after the Effective Date, the holder of such Claim shall not be entitled to any interest that accrued thereon from and after the Effective Date. In the event that dividend distributions have been made with respect to the New Common Stock distributable to a holder of a Disputed Claim that later becomes Allowed, such holder shall be entitled to receive such previously distributed dividends without any interest thereon (net of allocable expenses of the Disputed Claims Reserve, including taxes).

ARTICLE VIII.

EXECUTORY CONTRACTS AND UNEXPIRED LEASES

8.1 Executory Contracts and Unexpired Leases. 8.2 Schedules of Executory Contracts and Unexpired Leases

(a) Schedule 8.1 of the Plan Supplement shall represent the Debtors' then-current good faith belief regarding the intended treatment of the executory contracts and unexpired leases listed thereon; *provided, however*, that executory contracts and unexpired leases related to Aircraft Equipment shall be listed on a separate sub-Schedule of Schedule 8.1 of the Plan Supplement. Subject to the limitations set forth in Section 8.2(d) hereof, the Debtors reserve the right, on or prior to 4:00 p.m. (Eastern Time) on the Business Day immediately prior to the commencement of the Confirmation Hearing, to amend (i) Schedule 8.1 of the Plan Supplement to add, delete, or reclassify any executory contract or unexpired lease or amend a proposed assignment and (ii) the Proposed Cure with respect to any executory contract or unexpired lease listed on the applicable

Schedule as an executory contract or unexpired lease to be assumed; *provided, however*, that if the Confirmation Hearing is adjourned for a period of more than two (2) consecutive calendar days, the Debtors' right to amend Schedule 8.1 of the Plan Supplement and the Proposed Cure shall be extended to 4:00 p.m. (Eastern Time) on the Business Day immediately prior to the adjourned date of the Confirmation Hearing, with such extension applying in the case of any and all subsequent adjournments of the Confirmation Hearing; and *further provided, however*, that with respect to Intercompany Contracts and agreements that the Debtors propose to reject as of the deadline set forth above, the Debtors reserve the right to make amendments at any time prior to entry of the Confirmation Order.

(c) The Debtors shall file an initial version of Schedule 8.1 of the Plan Supplement and any amendments thereto with the Bankruptcy Court and shall serve all notices thereof only on the applicable Assumption Counterparties, Rejection Counterparties, and Deferred Counterparties. With respect to any executory contract or unexpired lease first listed on Schedule 8.1 of the Plan Supplement as an executory contract or unexpired lease to be rejected later than the date that is ten (10) calendar days prior to the Voting Deadline, (A) the Debtors shall use their best efforts to promptly

notify the respective Rejection Counterparty of such proposed treatment via facsimile, electronic transmission, or telephone at any notice address or telephone number set forth in the respective executory contract or unexpired lease or as otherwise timely provided in writing to the Debtors by such Rejection Counterparty or its counsel; and (B) the applicable Rejection Counterparty shall have five (5) calendar days from the date of an amendment to Schedule 8.1 of the Plan Supplement to object to confirmation of the Plan. With respect to any executory contract or unexpired lease first listed on Schedule 8.1 of the Plan Supplement later than the date that is five (5) calendar days prior to the Confirmation Hearing, the respective Rejection Counterparty shall have until the Confirmation Hearing to object to confirmation of the Plan.

(d) The listing of any contract or lease on Schedule 8.1 of the Plan Supplement is not an admission that such contract or lease is an executory contract or unexpired lease. The Debtors and the Assumption Counterparties, the Rejection Counterparties, or the Deferred Counterparties, as applicable (together with the Debtors, the **“Recharacterization Parties”**) reserve the right to assert that any contract or lease listed on Schedule 8.1 of the Plan Supplement is not an executory contract or unexpired lease; *provided, however*, that except with respect to any contract or lease for which a Recharacterization Party (i) expressly reserves such right in a notice filed with the Bankruptcy Court and served on any parties listed thereon no later than ten (10) calendar days prior to the Voting Deadline and (ii) files an action based on such right prior to the date that is sixty (60) calendar days after the Effective Date (unless required hereunder to file such action at an earlier date), each Recharacterization Party shall be deemed to have waived, as of the Effective Date, any rights it may have to seek to recharacterize any contract or lease as a financing agreement.

8.3 Categories of Executory Contracts and Unexpired Leases to Be Assumed. Pursuant to sections 365 and 1123 of the Bankruptcy Code, each executory contract and unexpired lease in the following categories shall be deemed assumed as of the Effective Date (and the Proposed Cure with respect to each shall be zero dollars (\$0)), except for any executory contract or unexpired lease (i) that has been assumed or rejected pursuant to an order of the Bankruptcy Court entered prior to the Effective Date, (ii) that is the subject of a separate motion to assume or reject pending on the Confirmation Date, (iii) that is listed on Schedule 8.1 of the Plan Supplement, (iv) that is otherwise expressly assumed or rejected hereunder, or (v) as to which a Treatment Objection has been filed and served by the Treatment Objection Deadline.

Each Indemnification Obligation that is deemed assumed hereunder shall be deemed and treated as an executory contract pursuant to sections 365 and 1123 of the Bankruptcy

Code regardless of whether or not a proof of Claim has been filed with respect to such Indemnification Obligation.

(ii) With respect to current or former employees of any of the Debtors not covered by Section 8.3(b)(i) hereof and who were employed by any of the Debtors in such capacity prior to, on, or after the Commencement Date, each obligation of any Debtor to indemnify such employees with respect to or based upon any act or omission taken or omitted in any such capacity, or for or on behalf of any Debtor, whether pursuant to agreement, the Debtors' respective articles or certificates of incorporation, corporate charters, bylaws, operating agreements or similar corporate documents, or applicable law in effect as of the Effective Date, shall be deemed assumed as of the Effective Date. (c) **Collective Bargaining Agreements.** Each of the Collective Bargaining Agreements with the respective Unions shall remain in full force and effect on and after the Effective Date, subject to the respective terms thereof. The consideration provided for in each of the Section 1113 Agreements shall be in complete settlement and satisfaction of all Claims as provided therein, and each Union shall promptly take all action necessary to withdraw all proofs of Claim with respect to the Claims resolved pursuant to the respective Section 1113 Agreements. Notwithstanding the foregoing, New AAG and the Reorganized Debtors reserve the right to seek adjudication of any Collective Bargaining Agreement-related disputes between the Debtors and any Union that concerns distributions, claims, restructuring transactions, or other aspects of the Plan in the Bankruptcy Court.

To the extent that the American Compensation and Benefit Plans are executory contracts, pursuant to sections 365 and 1123 of the Bankruptcy Code, they shall be deemed assumed; provided, however, that the foregoing shall not constitute the assumption of any benefits that are the subject of the adversary proceeding styled *AMR Corporation and American Airlines, Inc. v. The Debtors intend to continue to prosecute the Retiree Adversary Proceeding, and to the extent the Retiree Adversary Proceeding has not been finally resolved by the Effective Date, New AAG shall continue to prosecute the Retiree Adversary Proceeding subsequent to the Effective Date. To the extent that, subsequent to the date of the Plan and on or prior to the Effective Date, the Debtors, with the approval of the Bankruptcy Court, enter into new Postpetition Aircraft Agreements for Aircraft Equipment not currently subject to a Postpetition Aircraft Agreement, any Claims or obligations arising thereunder shall be treated as Postpetition Aircraft Obligations hereunder and such Postpetition Aircraft Agreements shall be deemed assumed as of the Effective Date.

8.6 Assumption and Rejection Procedures and Resolution of Treatment Objections

(a) ***Proposed Assumptions.*** With respect to any executory contract or unexpired lease to be assumed hereunder or pursuant to a Notice of Intent to Assume ~~or a Notice of Intent to Reject~~, unless an Assumption Counterparty files and properly serves a Treatment Objection by the Treatment Objection Deadline, such executory contract or unexpired lease shall be deemed assumed and, if applicable, assigned as of the Assumption Effective Date proposed by the Debtors or the Reorganized Debtors, as applicable, without any further notice to or action by any party or order of the Bankruptcy Court, and any obligation the Debtors or the Reorganized Debtors, as applicable, may have to such Assumption Counterparty with respect to such executory contract or unexpired lease under section 365(b) of the Bankruptcy Code shall be deemed to be fully satisfied by the Proposed Cure, if any, which shall be the Cure Amount. Any Treatment Objection that is not timely filed and properly served shall be denied automatically and with prejudice (without the need for any objection by the Debtors or the Reorganized Debtors, as applicable, and without any further notice to, or action by, any party or order of the Bankruptcy Court). Any Claim relating to such assumption or assignment shall be forever barred from assertion and shall not be enforceable against any Debtor or Reorganized Debtor or their respective estates or property, without the need for any objection by the Debtors or the Reorganized Debtors, as applicable, and without any further notice to or action by any party or order of the Bankruptcy Court, and any obligation the Debtors or the Reorganized Debtors may have under section 365(b) of the Bankruptcy Code (over and above any Proposed Cure) shall be deemed fully satisfied, released, and discharged, notwithstanding any amount or information included in the Schedules or any proof of Claim.

Any objection to the rejection of an executory contract or unexpired lease that is not timely filed and served shall be deemed denied automatically and with prejudice (without the need for any objection by the Debtors or the Reorganized Debtors, as applicable, and without any further notice to or action by any party or order of the Bankruptcy Court).

(c) ***Resolution of Treatment Objections***

(i) On and after the Effective Date, the Reorganized Debtors may, in their sole discretion, settle Treatment Objections

without any further notice to or action by any party or order of the Bankruptcy Court (including by paying any agreed Cure Amount).

(ii) With respect to each executory contract or unexpired lease as to which a Treatment Objection is timely filed and served and is not otherwise resolved by the parties after a reasonable period of time, the Debtors or the Reorganized Debtors, as applicable, shall schedule a hearing with the Bankruptcy Court with respect to such Treatment Objection and provide at least fourteen (14) calendar days' notice of such hearing to the Assumption Counterparty, the Rejection Counterparty, or the Deferred Counterparty, as applicable; *provided, however*, that if such Treatment Objection is not resolved by the parties after a reasonable period of time, the respective Assumption Counterparty, Rejection Counterparty, or Deferred Counterparty may, with prior notice to the Debtors, request that the Bankruptcy Court schedule such a hearing. Unless otherwise ordered by the Bankruptcy Court or agreed to by the parties, any assumption or rejection approved by the Bankruptcy Court notwithstanding a Treatment Objection shall be effective as of the Assumption Effective Date or Rejection Effective Date, as applicable, that was originally proposed by the Debtors or specified herein.

(iii) Any Cure Amount shall be paid as soon as reasonably practicable following entry of a Final Order resolving an assumption dispute and/or approving an assumption (and assignment, if applicable), unless the Debtors or the Reorganized Debtors, as applicable, seek to reject such executory contract or unexpired lease and file a Notice of Intent to Reject under Section 8.2(b) hereof (which, with respect to a Special Facility Revenue Bond Agreement, must be served upon the Indenture Trustee of the applicable Special Facility Revenue Bond Indenture).

(iv) No Cure Amount shall be allowed for a penalty rate or default rate of interest to the extent not proper under the Bankruptcy Code or applicable law.

(d) ***Reservation of Rights.*** If a Treatment Objection is filed with respect to any executory contract or unexpired lease sought to be assumed or rejected by any of the Debtors or the Reorganized Debtors, the Debtors and the Reorganized Debtors reserve the right (i) to seek to assume or reject such executory contract or unexpired lease at any time before the assumption, rejection, assignment, or Cure Amount with respect to such executory contract or unexpired lease is determined by a Final Order and (ii) to the extent a Final Order is entered resolving a Treatment Objection as to a Cure Amount in an amount different from the Proposed Cure, to seek to reject such executory contract or unexpired lease within fourteen (14) calendar days after the date of entry of such Final Order by filing with the Bankruptcy Court and serving upon the Assumption

Counterparty or Rejection Counterparty, as applicable, a Notice of Intent to Assume or a Notice of Intent to Reject (which, with respect to a Special Facility Revenue Bond Agreement, must be served upon the Indenture Trustee of the applicable Special Facility Revenue Bond Indenture).

8.8 Assignment. To the extent provided under the Bankruptcy Code or other applicable law, any executory contract or unexpired lease transferred and assigned hereunder shall remain in full force and effect for the benefit of the transferee or assignee in accordance with its terms, notwithstanding any provision in such executory contract or unexpired lease (including those of the type set forth in section 365(b)(2) of the Bankruptcy Code) that prohibits, restricts, or conditions such transfer or assignment. To the extent provided under the Bankruptcy Code or other applicable law, any provision that prohibits, restricts, or conditions the assignment or transfer of any such executory contract or unexpired lease or that terminates or modifies such executory contract or unexpired lease or allows the counterparty to such executory contract or unexpired lease to terminate, modify, recapture, impose any penalty, condition renewal or extension, or modify any term or condition upon any such transfer and assignment, constitutes an unenforceable antiassignment provision and is void and of no force or effect.

8.9 Approval of Assumption, Rejection, Retention, or Assignment of Executory Contracts and Unexpired Leases. Subject to the occurrence of the Effective Date, entry of the Confirmation Order shall constitute approval of the rejections, retentions, assumptions, and/or assignments contemplated hereunder pursuant to sections 365 and 1123 of the Bankruptcy Code. Each executory contract and unexpired lease that is assumed hereunder shall vest in and be fully enforceable by the applicable Reorganized Debtor in accordance with its terms as of the applicable Assumption Effective Date, except as modified by the provisions hereof, any order of the Bankruptcy Court authorizing or providing for its assumption, or applicable federal law. The provisions of each executory contract or unexpired lease assumed and/or assigned hereunder that are or may be in default shall be deemed satisfied in full by the Cure Amount or by an agreed-upon waiver of the Cure Amount. Upon payment in full of the Cure Amount, any and all proofs of Claim based upon an executory contract or unexpired lease that has been assumed in the Chapter 11 Cases or hereunder shall be deemed ~~d~~Disallowed and expunged without any further notice to or action by any party or order of the Bankruptcy Court.

8.10 Modifications, Amendments, Supplements, Restatements, or Other Agreements. (b) Nothing herein or in the Confirmation Order shall be deemed to be a waiver or relinquishment of any rights or Causes of Action, right of setoff, or other legal or equitable defense that the Debtors had immediately prior to the Commencement Date, against or with respect to any Claim left unimpaired by the Plan. The Reorganized Debtors shall have, retain, reserve, and be entitled to assert all such claims, Causes of Action, rights of setoff, and other legal or equitable defenses that they had immediately prior to the Commencement Date fully as if the Chapter 11 Cases had not been commenced, and all of the Reorganized Debtors' legal and equitable rights with respect to any Claim left unimpaired by the Plan may be asserted after the Confirmation Date to the same extent as if the Chapter 11 Cases had not been commenced.

Notwithstanding the foregoing, following the Effective Date, the Retiree Committee's membership shall be reduced to three (3) members as selected by the Retiree Committee prior to the Effective Date and the Retiree Committee shall dissolve upon the completion of the foregoing post-Effective Date activities. The Reorganized Debtors shall continue to compensate the Retiree Committee's professional advisors for reasonable services provided in connection with any of the foregoing post-Effective Date activities and reimburse the Retiree Committee members for their reasonable expenses incurred in connection therewith. On the date that is one hundred eighty (180) days following the Effective Date, the Creditors Committee shall dissolve (unless such date is extended with the written consent of the Reorganized Debtors or by the Bankruptcy Court for good cause shown); *provided, however*, that, following the Effective Date, the Creditors' Committee's standing and right to be heard shall be limited to (a) applications for compensation by professionals and requests for allowance of Administrative Expenses for substantial contribution pursuant to section 503(b)(3)(D) of the Bankruptcy Code, (b) participating in court hearings with respect to motions, adversary proceedings, or other actions (I) seeking enforcement or implementation of the provisions hereof or of the Confirmation Order, (II) relating to objections to Claims as set forth in Section 7.1 hereof, and (III) as otherwise consented to by the Reorganized Debtors or so ordered by the Bankruptcy Court for good cause shown; and (c) any litigation or contested matter to which the Creditors' Committee is a party as of the Effective Date. Notwithstanding the foregoing, following the Effective Date, the Creditors' Committee's membership shall be reduced to three (3) members as selected by the Creditors' Committee prior to the Effective Date and its duties shall be limited to (u) participating in court hearings as provided in this Section 12.1; (v) consulting with the Reorganized Debtors with respect to the General Unsecured Claims reconciliation and settlement process conducted by or on behalf of the Reorganized Debtors; (w) consulting with the Reorganized Debtors with respect to appropriate procedures for the settlement of Claims; (x) consulting with the Reorganized Debtors with respect to the maintenance of the Disputed Claims Reserve; (y) monitoring the distributions to the holders of Allowed Claims by the Disbursing Agent hereunder; and (z) the matters set forth in Section 7.1 hereof. For so long as the General Unsecured Claims reconciliation process shall continue and the Creditors' Committee has not been dissolved, the Reorganized Debtors shall make regular reports to the Creditors' Committee as and when the Reorganized Debtors and the Creditors' Committee may reasonably agree upon. Following the Effective Date, the Creditors' Committee may retain professionals to assist it in carrying out its duties as limited above on terms that are

reasonably acceptable to the Reorganized Debtors or authorized to be retained by further order of the Bankruptcy Court; *provided further*, that the Creditors' Committee's professional advisors and experts that have been retained by an order of the Bankruptcy Court prior to the Effective Date shall be deemed reasonably acceptable to the Reorganized Debtors. The Reorganized Debtors shall continue to compensate the Creditors' Committee's professional advisors for reasonable services provided in connection with any of the foregoing post-Effective Date activities. On the Effective Date, the current and former members of the Creditors' Committee and the Retiree Committee, and their respective officers, employees, counsel, advisors, and agents, shall be released and discharged of and from all further authority, duties, responsibilities, and obligations related to and arising from and in connection with the Chapter 11 Cases, and the retention or employment of the Creditors' Committee's and the Retiree Committee's respective attorneys, accountants, and other agents shall terminate, except to the extent provided above in this Section 12.1.

12.2 Substantial Consummation. On the Effective Date, the Plan shall be deemed to be substantially consummated under sections 1101 and 1127(b) of the Bankruptcy Code.

12.3 Effectuating Documents and Further Transactions. Each of the officers of New AAG and the other Reorganized Debtors is authorized, in accordance with his or her authority under the resolutions of the applicable Board of Directors, to execute, deliver, file, or record such contracts, instruments, releases, indentures, and other agreements or documents, and take such actions as may be reasonably necessary or appropriate, to effectuate and further evidence the terms and provisions of the Plan and any securities issued hereunder.

12.4 Exemption from Transfer Taxes

(a) Pursuant to section 1146(a) of the Bankruptcy Code, the issuance, Transfer, or exchange of notes or equity securities hereunder or in connection with the transactions contemplated hereby, the creation, filing, or recording of any mortgage, deed of trust, or other security interest, the making, assignment, filing, or recording of any lease or sublease, the transfer of title to or ownership of any of the Debtors' interests in any Aircraft Equipment, or the making or delivery of any deed, bill of sale, or other instrument of transfer under, in furtherance of, or in connection with the Plan, including, without limitation, the New Mandatorily Convertible Preferred Stock, the New Common Stock, any Postpetition Aircraft Agreement, any distribution from the Disputed Claims Reserve, or any agreements of consolidation, deeds, bills of sale, or assignments executed in connection with any of the transactions contemplated herein or in any Postpetition Aircraft Agreement, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, stamp act, real estate transfer tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, Cape Town filing or recording fee, FAA filing or recording fee, or other similar tax or governmental assessment in the United States.

(b) To the maximum extent provided by section 1146(a) of the Bankruptcy Code and applicable nonbankruptcy law, the transactions pursuant to the Merger Agreement shall not be taxed under any law imposing a stamp tax or similar tax.

12.5 Expedited Tax Determination. New AAG or the Reorganized Debtors may request an expedited determination of taxes under section 505(b) of the Bankruptcy Code for all returns filed for or on behalf of the Debtors or the Reorganized Debtors for all taxable periods through the Effective Date.

12.6 Sell-Down Procedures. In accordance with the Revised Final Order Pursuant to 11 U.S.C. §§ 105(a) and 362 Establishing Notification Procedures for Substantial Claimholders and Equity Security Holders and Approving Restrictions on Certain Transfers of Interests in the Debtors' Estates, entered by the Bankruptcy Court on April 11, 2013 (ECF No. 7591), a copy of which (without exhibits) is annexed hereto as Exhibit "C," Paragraphs (b)(iv)(1) through (9) thereto, together with any relevant definitions, are incorporated herein as part of the Plan.

12.7 Payment of Statutory Fees. On the Effective Date, and thereafter as may be required, each of the Debtors shall ~~each~~ (i) pay all the respective fees payable pursuant to section 1930 of chapter 123 of title 28 of the United States Code, together with interest, if any, pursuant to section 3717 of title 31 of the United States Code, until the earliest to occur of the entry of (a) a final decree closing such Debtor's Chapter 11 Case, (b) a Final Order converting such Debtor's Chapter 11 Case to a case under chapter 7 of the Bankruptcy Code, or (c) a Final Order dismissing such Debtor's Chapter 11 Case, and (ii) be responsible for the filing of consolidated postconfirmation quarterly status reports with the Bankruptcy Court in accordance with Rule 3021-1 of the Southern District of New York Local Bankruptcy Rules, which status reports shall include reports on the disbursements made by each of the Debtors.

12.8 Plan Modifications and Amendments. The Plan may be amended, modified, or supplemented by the Debtors or the Reorganized Debtors, as applicable, in the manner provided for by section 1127 of the Bankruptcy Code or as otherwise permitted by law without additional disclosure pursuant to section 1125 of the Bankruptcy Code, except as the Bankruptcy Court may otherwise direct. In addition, after the Confirmation Date, so long as such action does not materially adversely affect the treatment of holders of Claims or Equity Interests hereunder, the Debtors may institute proceedings in the Bankruptcy Court to remedy any defect or omission or reconcile any inconsistencies in the Plan or the Confirmation Order with respect to such matters as may be necessary to carry out the purposes and effects of the Plan. Prior to the Effective Date, the Debtors may, upon not less than five (5) Business Days' notice to the attorneys for the Creditors' Committee and the Ad Hoc Committee, make appropriate technical adjustments and modifications to the Plan without further order or approval of the Bankruptcy Court; *provided, however*, that such technical adjustments and modifications do not adversely affect in a material way the treatment of holders of Claims or Equity Interests.

12.9 Revocation or Withdrawal of Plan. Subject to the terms of the Merger Agreement, the Debtors reserve the right to revoke, withdraw, or delay consideration of the Plan prior to the Confirmation Date, either entirely or with respect to one or more of the Debtors, and to file subsequent amended plans of reorganization. If the Plan is revoked, withdrawn, or delayed with respect to fewer than all of the Debtors, such revocation, withdrawal, or delay shall not affect the enforceability of the Plan as it relates to the Debtors for which the Plan is not revoked, withdrawn, or delayed. If the Debtors revoke the Plan in its entirety, the Plan shall be deemed null and void. In such event, nothing herein shall be deemed to constitute a waiver or release of any Claim by or against the Debtors or any other Person or to prejudice in any manner the rights of the Debtors or any other Person in any further proceedings involving the Debtors.

12.10 Courts of Competent Jurisdiction. If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising out of the Plan, such abstention, refusal, or failure of jurisdiction shall have no effect upon and shall not control, prohibit, or limit the exercise of jurisdiction by any other court having competent jurisdiction with respect to such matter.

12.11 Severability. If, prior to entry of the Confirmation Order, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court, at the request of the Debtors (with the prior written consent of US Airways, not to be unreasonably withheld), shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding the foregoing, in such case, the Plan only may be confirmed without such term or provision at the request of the Debtors with the consent of the Creditors' Committee, which consent shall not be unreasonably withheld. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and provide that each term and provision hereof, as it may have been altered or interpreted in accordance with the foregoing, is valid and enforceable pursuant to its terms.

12.12 Governing Law. Except to the extent the Bankruptcy Code or other U.S. federal law is applicable, or to the extent an Exhibit or Schedule hereto, a schedule in the Plan Supplement, or the Merger Agreement expressly provides otherwise, the rights, duties, and obligations arising hereunder shall be governed by, and construed and enforced in accordance with, the laws of the State of New York, without giving effect to the principles of conflicts of law thereof to the extent they would result in the application of the laws of any other jurisdiction.

12.13 Exhibits and Schedules. The Exhibits and Schedules to the Plan and the Plan Supplement are incorporated into, and are part of, the Plan as if set forth herein.

12.14 Successors and Assigns. All the rights, benefits, and obligations of any Person named or referred to herein shall be binding on, and inure to the benefit of, the heirs, executors, administrators, successors, and/or assigns of such Person.

12.15 Time. In computing any period of time prescribed or allowed herein, unless otherwise set forth herein or determined by the Bankruptcy Court, the provisions of Bankruptcy Rule 9006 shall apply.

12.16 Notices. To be effective, all notices, requests, and demands to or upon the Debtors, US Airways, the Creditors' Committee, or the Retiree Committee shall be in writing (including by facsimile or electronic transmission) and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when actually delivered, or in the case of notice by facsimile transmission, when received and telephonically confirmed, addressed as follows:

CERTIFICATE OF DESIGNATIONS, POWERS, PREFERENCES AND RIGHTS
OF THE
SERIES A CONVERTIBLE PREFERRED STOCK
OF
AMERICAN AIRLINES GROUP INC.

Pursuant to Sections 151(g) and 303 of the
General Corporation Law of the State of Delaware

American Airlines Group Inc., a Delaware corporation (the "Corporation"), hereby certifies that pursuant to the Joint Chapter 11 Plan of Reorganization of AMR Corporation, dated [_____, 2013] (the "Plan"), which Plan was confirmed by order of the United States Bankruptcy Court for the Southern District of New York pursuant to Chapter 11 of the United States Bankruptcy Code and provides for the authorization and issuance of the Series A Preferred Stock (as defined below), and pursuant to the provisions of Sections 151(g) and 303 of the General Corporation Law of the State of Delaware (the "DGCL"), a series of preferred stock, par value \$0.01 per share, of the Corporation, herein designated as "*Series A Convertible Preferred Stock*," is hereby issued, designated, created, authorized and provided for on the terms and with the voting powers, designations, preferences and relative, participating, optional, or other special rights and the qualifications, limitations or restrictions set forth herein and (to the extent applicable to preferred stock of the Corporation) in the Corporation's Amended and Restated Certificate of Incorporation as in effect on the date hereof (the "Certificate of Incorporation");

Capitalized terms that are used but are not otherwise defined in this Certificate of Designations, Preferences and Rights (this "Certificate") shall have the meanings ascribed to them in Section 8 below.

Section 1. Designation; Stated Value; Form.

1.1. Designation. There is hereby created out of the authorized and unissued shares of Preferred Stock a series of Preferred Stock designated as "Series A Convertible Preferred Stock" (the "Series A Preferred Stock"), and the number of shares of Series A Preferred Stock (each a "Share" and, collectively, the "Shares") constituting such series shall be [_____] (____)].¹ The voting powers, designations, preferences and relative, participating,

¹ Note to Draft: Number of shares will be equal to the quotient of the Total Initial Stated Value (as defined in the term sheet attached as Exhibit A to the Support and Settlement Agreement dated February 13, 2013) divided by the Initial Stated Value per Share; ~~the Certificate of Incorporation must be revised (from the form attached to the~~

optional or other special rights, and such qualifications, limitations or restrictions of the Series A Preferred Stock shall be as set forth herein.

1.2. Stated Value. The stated value of any Share, as of any date of determination, shall be equal to the sum of (i) \$25 (the “Initial Stated Value”) and (ii) the amount of the Accrued Stated Value (as defined below) with respect to such Share, calculated as of such date (the “Stated Value”).

1.3. Form. The Corporation shall issue the Shares of Series A Preferred Stock in the form of one or more global certificates (each, a “Global Certificate”) to be deposited in the facilities of DTC, and the beneficial interests in the Series A Preferred Stock will be reflected as electronic book-entry interests through the facilities of DTC and will transfer only via electronic book-entry interests through the facilities of DTC, and the procedures to be followed with respect to any Mandatory Conversion or Optional Conversion and any required increases or decreases to the number of Shares represented by the Global Certificate(s) will be in accordance with the applicable procedures of DTC; provided, that no such procedures shall adversely affect any of the rights of any Holder of the Shares as set forth in this Certificate.

Section 2. Dividends.

2.1. Accrual of Stated Value. From and after the Plan Effective Date, the Stated Value of each Share of Series A Preferred Stock will automatically increase, without any action to be taken by the Corporation or its Board of Directors (the “Board of Directors”) and whether or not there are funds legally available for the payment of dividends, in arrears on a daily basis at the rate of 6.25% per annum, using the actual number of days elapsed and a 360-day year, without compounding, on the Initial Stated Value of such Share to and excluding the applicable Conversion Date of such Share (the cumulative amount of such increase, as of any date or time of determination, the “Accrued Stated Value”). A schedule of the Stated Value of each Share on each day (the first through the 120th) following the Plan Effective Date, after giving effect to the amount of the Accrued Stated Value as of such day, is set forth as Exhibit A hereto.

2.2. Participating Dividends. In the event that, on or after the Plan Effective Date, the Corporation declares or pays any dividends or distributions with respect to the Common Stock (excluding any dividends or distributions paid in the form of additional shares of Common Stock), each Holder shall be entitled to receive, in addition to the Accrued Stated Value accrued pursuant to Section 2.1, a dividend or distribution per Share of Series A Preferred Stock equal to the dividend or distribution that such Holder would have received with respect to the Common Stock Equivalent Number of shares of Common Stock as of immediately prior to the record date for determining the stockholders of the Corporation eligible to receive such dividend or distribution (or if no record date is fixed, the date as of which the record holders of Common Stock entitled to such dividends is determined).

~~Agreement and Plan of Merger with US Airways Group) to increase sufficiently the authorized number of shares of preferred stock.~~

Section 3. Liquidation.

3.1. Liquidation Event. Upon any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary (a "Liquidation Event"), each Holder shall be entitled to receive, with respect to each Share of Series A Preferred Stock, on a *pro rata* basis with the Common Stock and without preference with respect to the Common Stock, the distribution(s) that such Holder would have been entitled to receive as a result of such Liquidation Event with respect to the Common Stock Equivalent Number of shares of Common Stock as of immediately prior to such Liquidation Event. For the avoidance of doubt, the merger or consolidation of the Corporation with any other Person, including a merger or consolidation in which the Holders receive cash, securities or other property for their Shares of Series A Preferred Stock, or the sale, lease or exchange for cash, securities or other property of all or substantially all of the assets of the Corporation, in each case, shall not, in and of itself, constitute a Liquidation Event.

3.2. Notice Requirement. The Corporation shall, within five (5) Business Days following the date the Board of Directors approves any Liquidation Event or within five (5) Business Days following the commencement of any involuntary bankruptcy or similar proceeding, whichever is earlier, give each Holder written notice of the event. Such written notice shall describe, to the extent known to the Corporation, the material terms and conditions of such event relating to the treatment of the Series A Preferred Stock and the Common Stock, including, to the extent known to the Corporation, a description of the stock, cash and property to be received by the Holders with respect to their Shares of Series A Preferred Stock and the Common Stock as a result of the event and the date of delivery thereof. If any material change in the facts set forth in the initial notice shall occur, the Corporation shall promptly give written notice to each Holder of such material change.

Section 4. Voting Rights.

(i) Each Share of Series A Preferred Stock shall entitle the Holder thereof to vote with the holders of Common Stock, voting together as a single class, with respect to any and all matters presented to the holders of Common Stock for their action, consideration or consent, whether at any special or annual meeting of stockholders, by written action of stockholders in lieu of a meeting (to the extent permitted by the Certificate of Incorporation and the DGCL), or otherwise. With respect to any such vote, each Share of Series A Preferred Stock held on the record date for determining the stockholders of the Corporation eligible to participate in such vote shall entitle the Holder thereof to cast 2.2989 votes, subject to adjustment pursuant to Section 6.1 (such number of votes, the "Preferred Stock Voting Ratio").

(ii) For so long as any Shares of Series A Preferred Stock remain outstanding, the Corporation shall not, without the written consent or affirmative vote at a meeting called for such purpose, given in person or by proxy, by Holders holding, in the aggregate, at least a majority of the outstanding Shares of Series A Preferred Stock (excluding any Shares beneficially owned directly or indirectly by the Corporation or any of its Subsidiaries), voting as a separate class, amend, alter or repeal (including by means of a merger, consolidation or otherwise) any provision of the Certificate of Incorporation or this Certificate that would alter or

change the rights, preferences or privileges of the Series A Preferred Stock in a manner adverse to the holders of Shares of Series A Preferred Stock. In any case in which the Holders of Series A Preferred Stock shall be entitled to vote as a separate class pursuant to this Certificate, the Certificate of Incorporation or Delaware law, each Holder shall be entitled to one vote for each Share of Series A Preferred Stock held on the record date for determining the stockholders of the Corporation eligible to vote thereon.

Section 5. Conversion.

5.1. Mandatory Conversion. All Shares of Series A Preferred Stock, except to the extent previously converted pursuant to an Optional Conversion, shall automatically be converted into shares of Common Stock on the following terms and conditions (each such conversion, a “Mandatory Conversion”).

(i) On each Mandatory Conversion Date, a number of Shares of Series A Preferred Stock equal to the lesser of (a) [___]² and (b) the number of Shares outstanding on such Mandatory Conversion Date shall automatically be converted into that number of shares of Common Stock for each Share of Series A Preferred Stock equal to the quotient of (A) the Stated Value of such Share on such Mandatory Conversion Date, divided by (B) the Conversion Price in effect on such Mandatory Conversion Date, with fractional shares of Common Stock rounded up or down as provided herein. Each such Mandatory Conversion of Shares shall occur automatically without any further action by the relevant Holder or the Corporation. Prior to 9:00 a.m. New York City time on the first Business Day after each Mandatory Conversion Date, the Corporation shall publish the Conversion Price in effect with respect to such Mandatory Conversion Date and the number of shares of Common Stock issuable per \$1,000 in Stated Value of Shares that are converted pursuant to Mandatory Conversion on such Mandatory Conversion Date, by posting such information on the Corporation’s website and issuing a press release that contains such information.

(ii) Within ~~two~~three (~~2~~3) Business Days following a Mandatory Conversion Date, the Corporation or Transfer Agent shall deliver by book-entry delivery via DTC to the accounts specified by DTC, a number of shares of Common Stock equal to the aggregate number of shares to be issued pursuant to the Mandatory Conversion of all Shares of Series A Preferred Stock converted by Mandatory Conversion with respect to such Mandatory Conversion Date.

(iii) With respect to each Mandatory Conversion Date, the conversion of Shares of Series A Preferred Stock pursuant to Mandatory Conversion shall be effectuated by the Corporation *pro rata* among all Holders (or such other method, including by lot, as may be required by DTC), based on the number of Shares outstanding as of 5:00 p.m., New York City time, on such Mandatory Conversion Date, after giving effect to any Optional Conversion ~~that is effected on such~~for which the Optional Conversion Date ~~pursuant to Section 5.2~~occurs before such Mandatory Conversion Date.

² Note to Draft: Insert amount equal to 25% of the total number of Shares of Series A Preferred Stock issued pursuant to the Plan.

(iv) For the avoidance of doubt, following the 120th day following the Plan Effective Date, Holders shall have no rights under the Series A Preferred Stock other than the right to receive the shares of Common Stock into which their Shares of Series A Preferred Stock were converted pursuant to any Mandatory Conversion or Optional Conversion hereunder and the rights that a holder of shares of Common Stock would have corresponding thereto.

5.2. Optional Conversion. At any time following the fifth (5th) trading day after the Plan Effective Date, and from time to time prior to the final Mandatory Conversion Date, each Holder shall have the right, but not the obligation, to elect to convert all or any portion of such Holder's Shares into shares of Common Stock, on the following terms and conditions (any such conversion, an "Optional Conversion"); provided that no Optional Conversion may be exercised during the three (3) Business Days prior to a Mandatory Conversion Date or the three (3) Business Dates following a Mandatory Conversion Date.

(i) Any Holder may elect to convert all or any portion of its Shares of Series A Preferred Stock into that number of shares of Common Stock for each Share of Series A Preferred Stock equal to the quotient of (a) the Stated Value of such Share on the Optional Conversion Date (as defined below), divided by (b) the Conversion Price in effect on such Optional Conversion Date, with fractional shares of Common Stock rounded up or down as provided herein; provided, however, that the aggregate number of Shares actually converted by all Holders pursuant to Optional Conversion during any Conversion Period shall not exceed 10,000,000 Shares (the "Optional Conversion Cap").

(ii) In order to effectuate an Optional Conversion of Shares of Series A Preferred Stock, the Holder of such Shares shall submit a written notice to the Corporation, duly executed by such Holder and in the form attached hereto as Exhibit B, or otherwise provide such notice as may be required by the applicable procedures of DTC, stating that such Holder irrevocably ~~(subject to Section 5.2(v) below)~~ elects to convert the number of Shares specified in such notice to the Corporation of the Shares of Series A Preferred Stock being converted (a "Conversion Notice"). An election to convert Shares of Series A Preferred Stock pursuant to an Optional Conversion shall be deemed to have been made as of the following dates (the "Conversion Notice Election Effective Date"): (a) on the date of ~~such~~ receipt, with respect to any Conversion Notice received by the Corporation at or prior to 5:00 p.m., New York City time, on any Business Day and (b) on the next Business Day following such receipt, with respect to any Conversion Notice received by the Corporation on a non-Business Day or after 5:00 p.m., New York City time, on any Business Day. The conversion of all Shares of Series A Preferred Stock with respect to which an Optional Conversion election is made, and the issuance of all shares of Common Stock to be issued pursuant to such conversion, shall ~~be~~become effective as of the Conversion ~~Notice Election Effective~~ Date for such election, subject to the Optional Conversion Cap and the provisions of Section 5.2(iv). As used herein, "Optional Conversion Date" means, with respect to any Share of Series A Preferred Stock for which ~~an~~a valid Optional Conversion election is made, the date on which the conversion of such Share becomes effective pursuant to the immediately preceding sentence. As promptly as practicable (and in no event more than ~~three (3)~~three (3) Business Days) following each Optional Conversion Date, the Corporation or the Transfer Agent shall deliver to the applicable Holder (or, if applicable, the name of such Holder's designee as stated in the Conversion Notice), by book-entry delivery via DTC to the

account(s) specified by DTC, a number of shares of Common Stock equal to the number of shares to which such Holder is entitled pursuant to the Optional Conversion of the Shares of such Holder's Series A Preferred Stock that were converted as of such Optional Conversion Date.

(iii) The Transfer Agent, if applicable, or the Corporation shall maintain a written record that lists each Optional Conversion election that is made from and after the Plan Effective Date and, with respect to each such election, (a) the electing Holder, (b) the number of Shares with respect which such election was made, (c) the Conversion ~~Notice~~Election Effective Date and (d) the extent applicable, the Optional Conversion Date(s) for the Shares of Series A Preferred Stock converted pursuant to such election and the number of shares of Common Stock issued pursuant to such Optional Conversion on each such Optional Conversion Date.

(iv) During each Conversion Period, ~~(a) the Carryover Conversion Shares with respect to such Conversion Period shall be entitled to be converted pursuant to Optional Conversion on a priority basis, and subject to Section 5.2(iv)(b) shall automatically be so converted, as of the first Business Day of such Conversion Period at the Conversion Price in effect on such date and (b) the Shares of Series A Preferred Stock that Holders elect to convert pursuant to Optional Conversion and for which the Conversion~~ ~~Notice~~Election Effective Date occurs during such Conversion Period shall be converted on a "first come first serve" basis based on their respective Conversion ~~Notice~~Election Effective Dates, in each case subject to the Optional Conversion Cap and the terms and conditions of this Section 5.2(iv). Promptly (and in no event more than ~~three (3)~~ Business Days thereafter) after the Optional Conversion Cutoff Date with respect to a Conversion Period, the Corporation shall publish the fact that an Optional Conversion Cutoff Date has occurred and ~~its~~the date thereof by posting such information on the Corporation's website and issuing a press release that contains such information. If, at any time during any Conversion Period, the ~~sum~~aggregate number of ~~(x) all~~ Shares with respect to which Optional Conversion elections are made and for which the Conversion ~~Notice~~Election Effective Date occurs during such Conversion Period plus (y) all Carryover Conversion Shares converted during such Conversion Period pursuant to Section 5.2(iv) exceeds the Optional Conversion Cap, then:

(a) any Optional Conversion election with a Conversion ~~Notice~~Election Effective Date that is after the Optional Conversion Cutoff Date shall not be given any effect;

~~(b) if the aggregate number of Carryover Conversion Shares with respect to any Conversion Period exceeds the Optional Conversion Cap before giving effect to any Optional Conversion election that is made during such Conversion Period, then (A) such Carryover Conversion Shares shall be converted based on their respective Conversion Notice Dates, such that Shares with the earliest Conversion Notice Dates are converted first, and all Carryover Conversion Shares for which the Conversion Notice Date is the first date on which the sum of (x) the Carryover Conversion Shares with such Conversion Notice Date plus (y) the Carryover Conversion Shares with an earlier Conversion Notice Date exceeds the Optional Conversion Cap shall be cut back pro rata, to the extent practicable, to result in the number of Carryover Conversion Shares converted during such Conversion Period being equal to the Optional Conversion Cap, and no Carryover Conversion Shares with a later Conversion Notice~~

~~Date will be converted pursuant to Optional Conversion during such Conversion Period and (B) no Optional Conversion election that is made during such Conversion Period shall be given any effect;~~

~~(b) (c) if the aggregate number of Carryover Conversion Shares with respect to (A) all such Conversion Period is less than the Optional Conversion Cap, then (x) all Shares for which the Conversion Notice Election Effective Date occurs prior to the Optional Conversion Cutoff Date shall be converted pursuant to Optional Conversion as of the Optional Conversion Date and (y) (B) with respect to all Shares for which the such Optional Conversion Notice elections for which the Optional Election Effective Date occurs on the Optional Conversion Cutoff Date, the number of Shares converted pursuant to such Optional Conversions shall be cut back pro rata among all such Shares elections, to the extent necessary to result in the aggregate number of Shares (including Carryover Conversion Shares) converted pursuant to Optional Conversion during such Conversion Period being equal to not greater than the Optional Conversion Cap and such Shares which are not converted shall no longer be deemed to have submitted a Conversion Notice; and~~

~~(c) (d) promptly (and in no event more later than two the second (2nd) Business Days thereafter) after the Optional Conversion Cutoff Date with respect to a such Conversion Period, the Corporation or Transfer Agent shall provide written notice to each Holder of Shares of Series A Preferred Stock that are Carryover Conversion Shares with respect to such Conversion Period or are the subject of an Optional Conversion election for which the Conversion Notice Election Effective Date occurred on or prior to the Optional Conversion Cutoff Date during such Conversion Period and were not converted pursuant to Optional Conversion during such Conversion Period, as follows (each, an "Optional Conversion Cutoff Notice"): (x) if none of such Holder's Shares are converted pursuant to Optional Conversion during such Conversion Period, the Optional Conversion Cutoff Notice shall include a statement to such effect and shall provide that such Holder, at its election, shall be entitled to have such Shares treated as Carryover Conversion Shares in the next Conversion Period, if any, as provided in this Section 5.2(iv), and (y) if any of such Holder's Shares are cut back pursuant to clauses (b) or (c) of this Section 5.2(iv), the Optional Conversion Cutoff Notice shall include a statement setting forth the number of such Holder's Shares that were converted during such Conversion Period and describing how such cutbacks were calculated and, providing that to the extent such Holder's, at its election, shall be entitled to have the portion of such Shares that were not converted treated as Carryover, such Holder must submit a new Conversion Notice with respect to such Shares in the next a subsequent Conversion Period, if any, as provided in this Section 5.2(iv) order to effectuate an Optional Conversion with respect to such Shares.—~~

~~(v) Subject to the applicable procedures of DTC, a Holder of Shares that would otherwise constitute Carryover Conversion Shares with respect to any Conversion Period may revoke its Optional Conversion election with respect to such Shares by giving written notice of such revocation to the Corporation within [five (5)] Business Days after such Holder's receipt of the Optional Conversion Cutoff Notice for the immediately preceding Conversion Period (a "Revocation Notice"), provided any such revocation must occur prior to [5:00 p.m.], New York City time, on the first Business Day of the next Conversion Period. Any Shares for which the~~

~~Holder thereof timely provides a Revocation Notice shall not constitute Carryover Conversion Shares for any purpose under this Agreement.~~

5.3. General Conversion Provisions.

(i) Effect of Conversion on Series A Preferred Stock. All Shares of Series A Preferred Stock that are converted pursuant to Mandatory Conversion or Optional Conversion shall automatically, upon such conversion, be cancelled and retired and cease to exist, and shall not thereafter be reissued or sold and shall return to the status of authorized but unissued shares of Preferred Stock undesignated as to series. Upon the conversion of Shares of Series A Preferred Stock pursuant to Mandatory Conversion or Optional Conversion, all such Shares shall thereupon cease to confer upon the Holder thereof any rights (other than the right to receive the shares of Common Stock that such Holder is entitled to receive pursuant to such Mandatory Conversion or Optional Conversion) of a holder of Shares of Series A Preferred Stock, and the Person(s) in whose name the shares of Common Stock are to be issued upon such Mandatory Conversion or Optional Conversion shall be deemed to have become the holder(s) of record of such shares of Common Stock.

(ii) Status of Common Stock. All shares of Common Stock delivered upon any Mandatory Conversion or Optional Conversion of Shares will, upon such conversion, be duly and validly authorized and issued, fully paid and nonassessable, free from all preemptive rights, free from all taxes, liens, security interests, charges and encumbrances (other than liens, security interests, charges or encumbrances created by or imposed upon the Holder or taxes in respect of any transfer occurring contemporaneously therewith) and shall not be subject to any legend restricting trading thereof other than as provided for in the Certificate of Incorporation or Section 7 hereof.

(iii) No Charge or Payment. The issuance of shares of Common Stock upon conversion of Shares of Series A Preferred Stock pursuant to any Mandatory Conversion or Optional Conversion shall be made without payment of additional consideration by, or other charge, cost or tax to, the Holder in respect thereof; provided, however, that the Corporation shall not be required to pay any tax or other governmental charge that may be payable with respect to the issuance or delivery of any shares of Common Stock in the name of any Person other than the Holder of the converted Shares, and no such delivery shall be made unless and until the Person requesting such issuance has paid to the Corporation the amount of any such tax or charge, or has established to the satisfaction of the Corporation that such tax or charge has been paid or that no such tax or charge is due.

(iv) Reservation of Common Stock. The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of issuance upon conversion of the Shares of Series A Preferred Stock, such number of shares of Common Stock issuable upon the conversion of all outstanding Shares of Series A Preferred Stock pursuant to Mandatory Conversion and/or Optional Conversion at a Conversion Price equal to the Conversion Price Floor. The Corporation shall take all such actions as may be necessary to assure that all such shares of Common Stock may be so issued without violation of any applicable law or governmental regulation applicable to the Corporation or any requirements

of any securities exchange upon which shares of Common Stock may be listed (except for official notice of issuance which shall be immediately delivered by the Corporation upon each such issuance). The Corporation shall not take any action which would cause the number of authorized but unissued shares of Common Stock to be less than the number of such shares required to be reserved hereunder for issuance upon conversion of the Shares of Series A Preferred Stock.

(v) No Fractional Shares of Common Stock. No fractional shares of Common Stock shall be issued upon any Mandatory Conversion or Optional Conversion of Shares of Series A Preferred Stock. In lieu of delivering a fractional share of Common Stock to any Holder in connection with any such conversion, the number of full shares of Common Stock that shall be issued upon conversion of Shares held by the same Holder (including any Holder of a Global Certificate) shall be computed on the basis of the aggregate Stated Value of all Shares (or specified portion thereof) held by such Holder that is being converted and any fractional share of Common Stock shall be rounded up or down to the next whole number or zero, as applicable (with one-half being closer to the next lower whole number for this purpose).

Section 6. Adjustments for Stock Splits, Business Combinations, etc.

6.1. Stock Splits, Subdivisions, Reclassifications or Combinations. In the event that the Corporation, at any time from and after the Plan Effective Date, (i) pays any dividends or distributions with respect to the Common Stock, in the form of additional shares of Common Stock or (ii) subdivides (by stock split, recapitalization or otherwise) the outstanding shares of Common Stock into a greater number of shares, the Conversion Price Cap, the Conversion Price Floor and the Preferred Stock Voting Ratio in effect immediately prior to any such event, shall be proportionally increased. In the event that the Corporation, at any time from and after the Plan Effective Date, combines (by reverse stock split, recapitalization or otherwise) the outstanding Common Stock into a smaller number of shares, the Conversion Price Cap, the Conversion Price Floor and the Preferred Stock Voting Ratio in effect immediately prior to any such event shall be proportionally decreased. Any adjustment under this Section 6.1 shall become effective at the close of business on the date the dividend, subdivision or combination becomes effective, and successive adjustments shall be made, without duplication, whenever any such dividend, subdivision or combination shall occur.

6.2. Business Combinations. In case of any Business Combination, at any time from and after the Plan Effective Date, lawful provision shall be made as part of the terms of such Business Combination whereby each Holder shall have the right thereafter to convert each Share held by it only into the kind and amount of securities, cash and other property receivable upon the Business Combination by a holder of a Common Stock Equivalent Number of shares of Common Stock as of immediately prior to such Business Combination. The Corporation or the Person formed by the consolidation or resulting from the merger or which acquires such assets or which acquires the Corporation's shares, as the case may be, shall make provisions in its certificate or articles of incorporation or other constituent documents (each, a "Constituent Document") to establish such rights and to ensure that the dividend, voting, conversion and other rights of the Holders established herein are unchanged. Such Constituent Documents or any amendment thereof in accordance with this paragraph shall contain terms as nearly equivalent as

may be practicable to the terms provided for in this Certificate, including adjustments, which, for events subsequent to the effective date of such Constituent Documents, shall be as nearly equivalent as may be practicable to the adjustments provided for in this Section 6.

6.3. Other Adjustments. In the event that any transaction or event of the type contemplated by Sections 6.1 or 6.2 but not explicitly provided for in this Section 6 occurs with respect to the Common Stock, the Board of Directors shall take appropriate action as may be necessary or appropriate as determined in its reasonable good faith judgment to protect the rights of the Holders of Shares of Series A Preferred Stock in a manner consistent with the provisions of this Section 6.

6.4. Statement Regarding Adjustments. Promptly following any adjustment to the Conversion Price Cap, the Conversion Price Floor and/or the Preferred Stock Voting Ratio as provided in Section 6.1, or any other adjustment as provided in Section 6.2 or Section 6.3, the Corporation shall (i) file, at the principal office of the Corporation, a statement showing in reasonable detail the facts requiring such adjustment, and, as applicable, the Conversion Price Cap, the Conversion Price Floor and the Preferred Stock Voting Ratio that shall be in effect after such adjustment and (ii) deliver a copy of such statement to each Holder.

The Corporation shall maintain and keep at its principal office a register or appoint a Transfer Agent to maintain a register for the registration and transfer of Shares of Series A Preferred Stock.
