Dear Mr. Gordon,

Procedures for Finalizing Awards: The following procedures are provided in order to standardize the arbitration process and avoid any controversy regarding the deliberations and discussions associated with the publication of System and Area Boards of Adjustment awards:

LETTER L - ONE STATION AGREEMENT / JFK & LGA

July --, 2012

Ms Cathy McCann Vice President People American Eagle Airlines 4333 Amon Carter Blvd Ft Worth, TX 76155

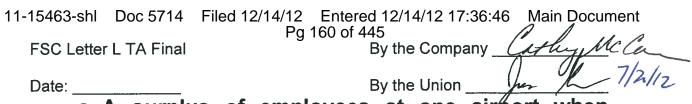

Dear Ms McCann,

This will confirm our discussion during the negotiations leading up to the signing of the Labor Agreement effective TBD.

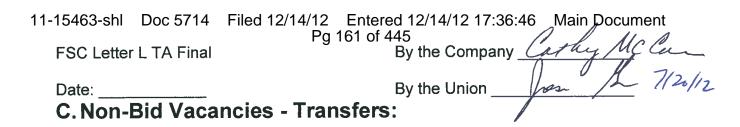

We have agreed to recognize JFK Airport (JFK) and LaGuardia Airport (LGA) as a one station complex under the following scenarios:

A. An employee based at JFK or LGA will:

- 1. Be given preference over employees located at other airports / stations with regards to Article 14 – Transfers and Promotions and be considered before any other candidates regardless of their seniority for JFK and LGA higher classification, transfer and reclassification positions / vacancies.
- 2. Be deemed to be based as one station in the event of:

- a. A surplus of employees at one airport when vacancies exist at the other;
- b. A reduction in force at either airport when there are no vacancies available at the other;
- c. A reduction in force at both airports;
- d. A recall of laid-off employees at both airports;
- e. Temporary assignments between airports
- **B. Higher Classification positions:**
 - 1. A higher classification vacancy will be filled by honoring requests of qualified employees for reassignment from one airport to the other. To be considered qualified, an employee must hold, as a result of having been selected the successful bidder, a job in the same classification as the vacancy and involving the same requirements. The method to follow is outlined below in paragraph (D).
 - 2. Vacancies remaining after such requests have been honored are to be awarded as outlined in Article 14 of this agreement.
 - 3. If a reduction in force is exercised at either JFK or LGA an employee in a bid position affected by the RIF may exercise his seniority to first fill a non-bid vacancy at his current airport, if one exists. If no vacancy exists he may then exercise his seniority to displace a non-bid position at his current airport.

- If a vacancy occurs (non-bid) within the one station complex, requests for lateral reassignment between JFK and LGA will be honored before transfer requests from other stations in the system are considered, and before new employees are hired. An employee interested in being reassigned to the other station (JFK to LGA or LGA to JFK) must file a request for such reassignment not less than fifteen (15) calendar days prior to reassignment date. All requests will be valid until the following January 1st and July 1st. Each January 1st and July 1st, a request for reassignment not submitted within the preceding thirty (30) calendar days will be voided and it will be necessary for a new request to be submitted.
- Under this procedure, the Company will not require, as a condition of being eligible to request reassignment, that an employee has completed six (6) months of service at his current airport. However, an employee on probation must have completed his probationary period before being eligible to request such reassignment from one airport to another.
- 3. Selection to fill a vacancy will be made on the basis of the most senior employee in the same status requesting the reassignment, unless medically restricted.
- 4. If there are no requests, or an insufficient number of requests to fill any such vacancies, requests for

- D. Reclassification:
 - If an employee is eligible for upgrading from one classification to another, this will be done on a onestation basis, subject to the requirements of Article 14 as outlined in the AMT & related agreement and Article 14 of the Fleet Service Agreement.
- E. Surplus Employees At One Airport, Shortage At The Other Airport:
 - 1. When there is a surplus of employees at one airport and corresponding vacancies at the other airport, the number of employees involved at the airport with the surplus will be equalized through reassignment of volunteers, if any.
 - 2. Selection of volunteers will be made on the basis of the most senior volunteers. If no employee volunteers or an insufficient number volunteer, then the selection will be made on the basis of the most junior employee from the airport with the surplus to the airport with the shortage.
 - 3. If a surplus still exists, such employees who refuse reassignment will be subject to a reduction in force.
 - a. Such surplus employee may accept layoff with recall rights to the original airport of surplus.

- c. An employee who accepts layoff as described above will not be afforded the provisions outlined in paragraph (G) below or the provisions of Article 15 of this Agreement.
- 4. No Transfer Requests (C) or Reassignments (D) will be processed until the equalization process has been finalized.

Dear Mr. Gordon,

This will confirm our discussion during the negotiations leading up to the signing of the labor agreements effective January 22, 2005.

During negotiations, the TWU raised an issue concerning the construction of eight (8) hour part-time shifts with weekends off. In an effort to address these concerns the Company has invited the TWU leadership to participate at such locations in circumstances where it is necessary to form a committee.

Such committees will be comprised of both Union and Company personnel where TWU Fleet Service employees exist, and will work together in the construction of bid lines.

Such committees can be comprised of just Union personnel or may be a joint committee with both Union and company personnel where the TWU Fleet Service employees exist.

LETTER P – FLOATING HOLIDAY / PROBATIONARY EMPS (Reference Article 6)

October 28, 2008

Mr. Jose Galarza American Eagle Coordinator Transport Workers Union of America 1791 Hurstview Drive Hurst, Texas 76054

Dear Jose,

Over the course of the past several weeks, the Company and the TWU have engaged in discussions regarding the application of the floating holiday for probationary Aircraft Maintenance Technicians, Inspectors, Tool and Die Mechanics, Ground Support Technicians, Repairman, Aircraft Cleaners, Inventory Control Specialists and Fleet Service Clerk employees.

As a result of those discussions, we have agreed to settle one grievance concerning that application. As you know, this grievance protests the practice of denying the floating holiday outlined in Article 6A for employees currently on probation, less than 6 months of Company service. Under this settlement agreement, effective October 28, 2008, any employee in Title Groups I, II, III, IV and V and currently on probation will be entitled to one personal holiday, within the current calendar year and as outlined in Article 6A. This agreement does not provide for retroactive awards, none will be granted as a result of this settlement.

LETTER Q – FLEXIBLE HIRING RATES / CLARIFICATION (Reference Article 4)

DATE: January 11, 2006

Joe Gordon International Representative Transport Workers Union 1791 Hurstview Drive Hurst, TX 76054

Dear Mr. Galarza,

Per our discussion and as a clarification to the application of Flexible Hiring rates with regards to an employees' classification seniority date, it has become necessary to establish this Bulletin for future references. This is a result of system board Case #'s AE-49-05, 50-05, 51-05. It became evident between the Company and the Union that it was necessary for the Company to adjust the Classification seniority date for incumbent employees and as you know the evidence demonstrated that this practice became effective January 1, 2001.

The applicable Articles are: Article 4 A (1,2) AMT's and related Article 4 A (1,2) Fleet Service clerks

In the event that a particular station utilizes the flexible hiring rates, Article 4 (A 1), and raises its starting rate of pay for a specific classification, then incumbent employees at that station and in that specific classification who were at a rate lower than the new flexible hiring rate, will have their base rate of pay raised, Article 4 (A 2). The effective date of the new base rate of pay will be the date the external candidate (hired at the flexible rate) commences employment within the station and classification.

Example: BOS hires an AMT at \$13.53 per hour (step 3). Date of hire 2/1/06

All Incumbent employees will be raised to the new higher rate effective 2/1/06.

In addition, the incumbent who has had their base rate of pay raised will have their classification seniority date adjusted to reflect the effective date of the increase. Thereafter, the employee will receive step increases on an annual basis. No employee can exceed the maximum step for his or her classification.

This paragraph shall expire upon the earlier of 1) six (6) months after the date the Company emerges from the bankruptcy process; or 2) when the changes described in paragraph 1, or other changes that are reasonably projected by the Company to achieve equivalent labor cost savings, are implemented for all non-TWU union or non-union employee groups.

Mr. Jose Galarza American Eagle Coordinator Transport Workers Union of America 1791 Hurstview Drive Hurst, Texas 76054

Dear Jose,

Over the course of the past several weeks, the Company and the TWU have engaged in discussions regarding the application of the floating holiday for probationary Aircraft Maintenance Technicians, Inspectors, Tool and Die Mechanics, Ground Support Technicians, Repairman, Aircraft Cleaners, Inventory Control Specialists and Fleet Service Clerk employees.

As a result of those discussions, we have agreed to settle one grievance concerning that application. As you know, this grievance protests the practice of denying the floating holiday outlined in Article 6A for employees currently on probation, less than 6 months of Company service. Under this settlement agreement, effective October 28, 2008, any employee in Title Groups I, II, III, IV and V and currently on probation will be entitled to one personal holiday, within the current calendar year and as outlined in Article 6A. This agreement does not provide for retroactive awards, none will be granted as a result of this settlement agreement.

LETTER K - FLEXIBLE HIRING RATES / CLARIFICATION Reference Article 4

DATE: January 11, 2006

Joe Gordon International Representative Transport Workers Union 1791 Hurstview Drive Hurst, TX 76054

Dear Mr. Galarza,

Per our discussion and as a clarification to the application of Flexible Hiring rates with regards to an employees' classification seniority date, it has become necessary to establish this Bulletin for future references. This is a result of system board Case #'s AE-49-05, 50-05, 51-05. It became evident between the Company and the Union that it was necessary for the Company to adjust the Classification seniority date for incumbent employees and as you know the evidence demonstrated that this practice became effective January 1, 2001.

The applicable Articles are: Article 4 A (1, 2) AMT's and related Article 4 A (1, 2) Fleet Service clerks

In the event that a particular station utilizes the flexible hiring rates, Article 4 (A 1), and raises its starting rate of pay for a specific classification, then incumbent employees at that station and in that specific classification who were at a rate lower than the new flexible hiring rate, will have their base

All Incumbent employees will be raised to the new higher rate effective 2/1/06.

In addition, the incumbent who has had their base rate of pay raised, will have their classification seniority date adjusted to reflect the effective date of the increase. Thereafter, the employee will receive step increases on an annual basis. No employee can exceed the maximum step for his or her classification.

April 27, 2010

Ms Cathy McCann Vice President People American Eagle Airlines 4333 Amon Carter Blvd Ft Worth, TX 76155

Dear Ms McCann,

This will confirm our discussion during the negotiations leading up to the signing of the Labor Agreement effective April 27, 2010.

We have agreed to recognize JFK Airport (JFK) and LaGuardia Airport (LGA) as a one station complex under the following scenarios:

A. An employee based at JFK or LGA will:

- Be given preference over employees located at other airports / stations with regards to Article 14 – Transfers and Promotions and be considered before any other candidates regardless of their seniority for JFK and LGA higher classification, transfer and reclassification positions / vacancies.
- 2. Be deemed to be based as one station in the event of:
 - a. A surplus of employees at one airport when vacancies exist at the other;

- b. A reduction in force at either airport when there are no vacancies available at the other;
- c. A reduction in force at both airports;
- d. A recall of laid-off employees at both airports;
- e. Temporary assignments between airports
- B. Higher Classification positions:
 - A higher classification vacancy will be filled by honoring requests of qualified employees for reassignment from one airport to the other. To be considered qualified, an employee must hold, as a result of having been selected the successful bidder, a job in the same classification as the vacancy and involving the same requirements. The method to follow is outlined below in paragraph (D).
 - 2. Vacancies remaining after such requests have been honored are to be awarded as outlined in Article 14 of this agreement.
 - 3. If a reduction in force is exercised at either JFK or LGA an employee in a bid position affected by the RIF may exercise his seniority to first fill a non-bid vacancy at his current airport, if one exists. If no vacancy exists he may then exercise his seniority to displace a non-bid position at his current airport.
- C. Non-Bid Vacancies Transfers:

 - By the Union 1. If a vacancy occurs (non-bid) within the one station complex, requests for lateral reassignment between JFK and LGA will be honored before transfer requests from other stations in the system are considered, and before new employees are hired. An employee interested in being reassigned to the other station (JFK to LGA or LGA to JFK) must file a request for such reassignment not less than fifteen (15) calendar days prior to reassignment date. All requests will be valid until the following January 1st and July 1st. Each January 1st and July 1st, a request for reassignment not submitted within the preceding thirty (30) calendar days will be voided and it will be necessary for a new request to be submitted.
 - 2. Under this procedure, the Company will not require, as a condition of being eligible to request reassignment, that an employee has completed six (6) months of service at his current airport. However, an employee on probation must have completed his probationary period before being eligible to request such reassignment from one airport to another.
 - 3. Selection to fill a vacancy will be made on the basis of the most senior employee in the same status requesting the reassignment, unless medically restricted.
 - 4. If there are no requests, or an insufficient number of requests to fill any such vacancies, requests for transfer on file from employees at other locations in the system will be honored.
 - D. Reclassification:

- 1. If an employee is eligible for upgrading from one classification to another, this will be done on a one-station basis, subject to the requirements of Article 14 as outlined in the AMT & related agreement and Article 14 of the Fleet Service Agreement.
- E. Surplus Employees At One Airport, Shortage At The Other Airport:
 - 1. When there is a surplus of employees at one airport and corresponding vacancies at the other airport, the number of employees involved at the airport with the surplus will be equalized through reassignment of volunteers, if any.
 - 2. Selection of volunteers will be made on the basis of the most senior volunteers. If no employee volunteers or an insufficient number volunteer, then the selection will be made on the basis of the most junior employee from the airport with the surplus to the airport with the shortage.
 - 3. If a surplus still exists, such employees who refuse reassignment will be subject to a reduction in force.
 - a. Such surplus employee may accept layoff with recall rights to the original airport of surplus.

 - b. If such employee accepts layoff and a vacancy occurs in the city from where he was laid off, he will be blended in seniority order with active transfers in the same classification within the one station complex. Such vacancy will be filled with the most senior employee.
 - c. An employee who accepts layoff as described above will not be afforded the provisions outlined in paragraph (G) below or the provisions of Article 15 of this Agreement.
 - 4. No Transfer Requests (C) or Reassignments (D) will be processed until the equalization process has been finalized.
 - F. Reduction In Force:
 - 1. If a reduction in force is exercised at one of the stations in the one-station complex, the two stations will be combined for the purposes of the reduction in force.
 - 2. In the event that there is not a vacancy at the other airport, in the one-station complex then the most junior employee will be affected by the reduction in force and may accept layoff or exercise his seniority in accordance with the provisions of Article 15 of this agreement.

It is agreed that, in those locations where such vehicles exist, those employees that obtain their CDL and maintain it, will be paid a \$1.00 / hr higher capacity pay rate for all hours worked. This higher capacity pay is to include accruals for sick pay, vacation pay and holiday pay. It will not be compounded for overtime rates. - 2) The Company agrees that if it fails to implement the changes described in paragraph 1 for any other non-TWU union or non-union employee group, without implementing other changes that are reasonably projected by the Company to achieve equivalent labor cost savings, the Company will meet with TWU to discuss and agree upon a proportionate reduction in projected labor cost savings under the Agreement. This paragraph shall expire upon the earlier of 1) six (6) months after the date the Company emerges from the bankruptcy process; or 2) when the changes described in paragraph 1, or other changes that are reasonably

Elimination of License Premiums for Repairmen For Hours Worked in Certain Shops (Reference Article 4)

October --, 2012

Mr. Jose Galarza American Eagle Coordinator Transport Workers Union 1791 Hurstview Drive Hurst, TX 76054

Dear Mr. Galarza,

This letter will confirm our understanding reached during negotiations relating to license premiums for Repairmen working in certain base maintenance shops. Specifically, the parties have agreed that such premiums would no longer be paid to Repairmen who were working such positions, and Article 4 has been amended to reflect that change.

However, the parties further agreed that (1) positions in certain Marquette "specialty shops" would continue to receive license premiums, and (2) there would be a transition period in order to allow those individuals who are currently receiving such premiums, but who will not be entitled to do so under the agreed to revision to Article 4, to bid back into positions that would allow

- 2. Subject to the schedule of the arbitrators and counsel, the Board shall commence the hearing on the dispute as soon as possible, but no earlier than thirty (30) days and no later than sixty (60) after submissions of the issues to be resolved.

The Board may extend the hearing as it deems necessary and may afford additional time to the parties, if in the sole judgment of the Board, one party has had less than a full and fair opportunity to submit its evidence relative to the opportunity of the other party.
- 4. Closing arguments may be oral and given at the conclusion of the hearing upon the agreement of the parties.
- F. Arbitration Award and Jurisdiction
 - 1. The Board shall have the jurisdiction to decide all individual items submitted to it within the range of the positions of the parties on each item.
 - 2. The Board shall issue a written, draft award. Such award shall be reviewed by the Board prior to the issuance of the Final Award.
 - 3. The Board shall issue its final, written decision, which shall be binding on all parties, no later than sixty (60) days after the submission of the items.
 - 4. The Board shall retain jurisdiction to resolve any disputes over the interpretation or application of the Final Award. Any such dispute must be submitted to the Board within sixty (60) days after knowledge of the dispute arises. The Board shall decide what procedures shall be applied for the expeditious resolution of such disputes. - A. The workday will consist of a twenty-four (24) hour period beginning at 12:00 o'clock midnight local time and a regular day's work shall consist of eight and one half (8 1/2) hours, exclusive of meal periods. On any workday where a class ends early, an instructor will be allowed to leave early with no loss of pay, subject to his supervisor's approval.
- B. The basic workweek (and pay week) will consist of:
 - 1. Seven (7) days beginning at 12:01 a.m. Saturday and the regular weekly work schedule shall consist of five (5) workdays of eight and one half (8 1/2) hours each within the workweek.
 - 2. Each employee will be scheduled two (2) days off during each workweek. The Company will make every reasonable effort to arrange work schedules so that, whenever practicable, those two days will be consecutive and if possible those days will be Saturday and Sunday. These days off minimums will apply to scheduled patterns created by month-to-month schedule bids.
- C. All time worked in any continuous tour of duty will be considered as work performed on the workday within which the workday started.
- D. Work Schedule bids will be posted for selection monthly. Bids will be posted on centrally located bulletin boards no later than ten (10) days prior to the effective date of the work schedule. Bid awards will be posted no later than five (5) days prior to the effective date of the work schedule. If extraordinary circumstances prevent posting or awarding within this time schedule, the Company will make every effort to adhere as closely as possible to such schedule. If the schedule for posting and awarding bids is not complied with for two (2) consecutive months, representatives of the Company and the Union will promptly confer in an attempt to resolve the situation.
- E. The monthly work schedules will be generated and proffered to Ground School Instructors in each fleet type for bid as follows:
 - 1. TRANSFERS

- A Bidding for job transfers;
 - 1 An instructor may bid any job opening within the Classification providing he has the prerequisites and qualifications as defined in Article 10. Jobs will be awarded by seniority.
 - 2 When there is an overage of Ground School Instructors within a fleet type and vacant jobs within another fleet type, then only those instructors within the fleet type with the overage will be eligible to bid. The most senior Ground School Instructor bidding will be so assigned. If no bids are forthcoming from within the fleet type with the overage, then the most junior Ground School Instructor within that fleet type will be assigned. The Company, at its option, may assign a probationary Instructor into that fleet type.
 - 3 Due to unforeseen circumstances a bid for a vacant Ground School Instructor position may be cancelled within six (6) months of the award.
 - 4 An employee who has successfully bid for a posted job will not be held on a trial basis on his new assignment for a period longer than ninety (90) days after completion of training and qualification for new assignment and will be returned to his former assignment in the event of his inability to perform his duties in a satisfactory manner. Vacancies created as a result of the above bid award will be filled at the Company's discretion. Additionally, if the vacancies created as a result of the above bid award are filled, at the Company's discretion, they may be filled by new-hire employees.
 - 5 An employee having successfully bid for a different assignment within the Ground School Instructor classification who subsequently fails to demonstrate the required ability within six (6) months will be returned to his previous assignment and location. Furthermore, the employee would need to re-qualify and allow a period of twelve (12) months to elapse before rebidding for any other assignment.
 - 6 A permanent vacancy(ies) will be posted on bulletin boards in all work locations where there are Ground School Instructors. The notice of the vacancy will specify a closing date for all bids. Such date will not be less than ten (10) days after the date of such posting. All successful awards will be posted no later than ten (10) days after the closing date. A vacancy that exceeds one hundred eighty (180) days will be deemed permanent, unless agreed to otherwise between the union and the Company.

- 7 A Ground School Instructor who is a successful bidder will be ineligible to bid another vacancy for a period of eighteen (18) months after completion of training/qualification for the new assignment, except, if a new fleet type is established. All Ground School Instructors may bid for transfer to the new fleet type. Ground School Instructors who bid from one fleet to another may, due to unplanned workload peaking, be reassigned to their previous fleet for a period not to exceed ninety (90) days during their first six (6) months after qualification in the new fleet type. Such reassignment shall not extend the trial period in (2) above.
- 8 Ground School Instructors on probation will not be eligible to bid on a vacancy within another work unit. However, a probationary Ground School Instructor may be reassigned to another fleet if a more senior Ground School Instructor does not bid an opening in that fleet.
- 9 Notices of such vacancies and awards will be posted on all bulletin boards and work areas where employees are employed. Each bid notice will have a number assigned and list the prerequisites and qualifications for the job. The bid notice will note if the bidding procedure is to be restricted to within a specific fleet where an overage exists.
- 10 Bid notices will be posted for a ten (10) day period exclusive of Saturday, Sunday and holidays, and awarded within ten (10) days of posting exclusive of Saturday, Sunday and holidays.
- 11 A copy of each transfer award of bid will be furnished to the ranking local Union Representative.
- 12 Linear Utilization

A transferred Ground School Instructor will carry forth his original qualification to the new fleet type, which becomes his primary fleet type. He may be utilized in this dual capacity for a period of one (1) year from the date he completes qualification on the new fleet type; on a planned monthly basis or on a daily operational basis, based on operational requirements and if the Company deems necessary. The Company will provide the appropriate training to remain dual qualified. On completion of one (1) year, his previous fleet type qualification will automatically be dropped unless retention is mutually agreeable with the TWU local and the Company, or work volume in the new fleet type will not support full time employment. In such case, the Ground School Instructor will retain dual qualifications.

FURLOUGH - RECALL

FURLOUGH

- Α. When employees are to be furloughed, such furlough will be accomplished in reverse order of Instructor Seniority from within the Instructor classification affected by the curtailment of work. Employees covered by this Agreement who are to be furloughed will receive at least fourteen (14) calendar days notice, or pay in lieu of such notice. An email message will constitute notice. This notice requirement will not apply where an Act of God, fire, any government's actions, laws or regulations, FAA action or strikes or other work stoppages cause the furlough.
- Β. Employees will not be withheld from bidding for transfer unless they are identified as employees who will be furloughed within the next four (4) months. The Company agrees to meet with the TWU regarding those employees who are to be withheld from bidding. The Company and the TWU local will meet to discuss any extension of the withholding for up to an additional three (3) months. If no agreement is reached, a panel consisting of the Vice President of Flight and the Air Transport Director or their designees will meet to review the request.
- C. The Company may, at their sole discretion, offer a voluntary leave of absence or a voluntary furlough to offset scheduled furloughs.
- D. An employee who has completed his probationary period and who is directly affected by a curtailment of work requiring a reduction in force may exercise his seniority to fill a vacancy. If a vacancy does not exist, then the employee may exercise his seniority to displace (bump) the least senior employee (provided he is senior to such employee) in any fleet type for which he can qualify per Article 10.
 - 1. If an employee displaces another employee, as the result of a reduction in force, and a vacancy opens during the transitional training period, the employee who was originally furloughed will be reassigned to the vacant position and the displaced (bumped) employee will receive a rescind notification.
 - 2. An employee who fails to qualify in the position that he has been awarded, will be given the opportunity to exercise his right and take lay-off with recall to the fleet type from which he was furloughed or a fleet type for which he can qualify.

- G. Employees will be recalled in seniority order to any opening for which they can qualify. The Company will recall according to the information on file at the time of recall. It is up to the Instructor to keep his file updated, with proof in writing to the Director of Training.

As a matter of courtesy, notice of such intended visit will be given to the ranking Company Official.

- H Any grievance by an employee concerning the interpretation or application of the provisions of this Article will be subject exclusively to the following procedure:

In the event the employee's grievance is denied because he has not tendered dues owed under this Article, he will be considered discharged for cause. In any proceeding under this Article, the employee, the Company, and the Union will be allowed to present any facts or arguments supporting their position concerning proper application of this Article.
- I The Union agrees that it will indemnify the Company and save the Company harmless from any and all claims, which may be made by the employee or employees against the Company by virtue of the wrongful application or misapplication of any of the terms of this Article.

Any notice of revocation as provided for in this Article or the Railway Labor Act, as amended, must be in writing, signed by the employee and delivered by certified mail, addressed to their respective Local Union Office. Each Local Union Office will forward a copy to the appropriate official as designated by American Eagle, Inc. for future Union dues withholding. Check-Off Forms and notices received by the Company will be stamp-dated on the date received and will constitute notice to the Company on the date received, and not when mailed.

- N When a Check-Off Form, as specified herein, is received by the Company as provided above on or before a given payday, deductions will commence with the first regular paycheck following said payday, and will continue thereafter until revoked or cancelled as provided in this Article. The Company will remit to the Union a check in payment of all dues collected on a given payday, on or as soon after the payday as possible. These remittances will be subject to normal accounting practice with respect to adjustments necessary because of the methods involved in the deduction procedure. The Company remittance of Union membership dues to the Union will be accompanied by a list of names, personnel numbers and station numbers of the employees for whom deductions have been made in that particular period, arranged in order of their personnel numbers. Additionally, the Company will supply in duplicate to the office of the Union a listing of those employees who are on leave of absence; have accepted a position outside the bargaining unit; or have terminated employment with the Company. Upon return to work within a classification covered by this Agreement, deductions will be automatically resumed provided the employee has not revoked the assignment in accordance with this Article, and provided it is in accordance with the other appropriate provisions of this Article and of the Railway Labor Act, as amended.
- P An employee who has executed a Check-Off Form and who resigns or is terminated from the employ of the Company for reasons other than layoff will be deemed to have automatically revoked his assignment and if reemployed, further deductions of Union dues will be made only upon execution and receipt of a new Check-Off Form. Provided, however, that upon return from layoff, leave of absence, or reinstatement from disciplinary discharge to work within a classification covered by this Agreement, deductions will be automatically resumed. In cases where Check-Off is not reinstated by the Company due to mechanical or software errors, the Company will collect the back dues at a maximum of fifty (50) dollars per month and remit to the Union, provided the employee has not revoked the assignment in accordance with this Article, and

Mr. John M. Conley Air Transport Director Transport Workers Union 1791 Hurstview Drive Hurst, TX 76054

Dear Mr. Conley:

Procedures for Finalizing Awards: The following procedures are provided in order to standardize the arbitration process and avoid any controversy regarding the deliberations and discussions associated with the publication of System and Area Boards of Adjustment awards:

- 1. Executive Sessions for every case should take place at the conclusion of the hearing or at such time as agreed upon by a majority of the Board at the conclusion of the Hearing. This postponed session may be necessary due to the submission of briefs or other post-hearing issues, and should be the exception, not the rule.
- 2. An arbitrator's draft decision, distributed to the Board unsigned, may be changed to any extent agreeable to a majority of the Board. A written decision once executed and signed by the neutral arbitrator, will only be modified as to content by agreement of all Board members.
- 3. The Board members are not to discuss the decision of the Board with anyone other than the Board members prior to the publication of the award by the Administrator of the System Board.
- 4. No ex parte communication concerning the case (that is, discussion held without the presence of the full Board) is permitted at any time.
- 5. The details of the Board's deliberations must be held confidential by virtue of the Board's intended neutrality. No Board member should divulge the nature or content of the discussions held between the Board members in reaching their decision.

LETTER I - NEPOTISM POLICY

April 27, 2010

Mr. John M. Conley Air Transport Director Transport Workers Union 1791 Hurstview Drive Hurst, TX 76054

Dear Mr. Conley:

Changes have been announced to the Company's Nepotism Policy to be effective March 1, 1990. These revised rules will permit the employment of relatives (defined as an employee's spouse, parent, brother, sister, brother-in-law, and sister-in-law) provided that no first or second level supervisory relationship may be created at any time between such individual employees.

For purposes of first or second level supervisory relationships, crew chiefs and other bid positions under the American Eagle, Inc./TWU Agreements will not be considered supervisory positions and therefore relatives in these positions and in non-bid positions under their direction will not be in conflict with the new policy.

As outlined in the attached policy statement, each employee is responsible for ensuring he/she is in compliance with the applicable restriction of the policy. Therefore, it is agreed that no transfers nor bids from incumbents of future hires, under the applicable contractual provisions, will be allowed if such transfer of bid would create a first or second level supervisory conflict as described above. It is further agreed that if any bid or transfer that would be in violation of the above policy is attempted or completed under any conditions, such bid or transfer will be voided.

If the above accurately reflects your understanding, please signify by signing below.

LETTER M – FMS TRAINING

[DOS]

Mr. Jose Galarza American Eagle Coordinator Transport Workers Union 1701 Hurstview Drive Hurst, TX 76054

Dear Mr. Galarza,

This letter will confirm the understanding we reached during the recently concluded Section 1113 negotiations with the TWU.

Specifically, the parties reached the following agreement regarding the assignment of certain ground school training to Ground School Instructors.

By way of background, Article 1 B.1.b. of the current American Eagle/TWU Agreement states as follows:

"b. The Company may elect to reassign any of the ground school components currently taught by Check Airmen to Ground School Instructors. The Company agrees to meet and confer with the union prior to making such changes."

Pursuant to the language cited above, the Company has agreed to reassign a portion of the its Flight Management Systems ("FMS") training from Check Airmen to Ground School Instructors ("GSIs"). It is anticipated this reassignment will result in the need to hire one additional GSI, and further that the timing of the reassignment is subject to having GSIs qualified to perform the FMS training.

The parties further stipulate and agree that the reassignment of FMS training described above does not change in any manner the language or intent of Article 1 B.1.b., and as such, does not confer the exclusive right to such ground training work to the GSI group as represented by the TWU.

Mr. Jose Galarza International Representative American Eagle System Coordinator Transport Workers Union of America—AFL-CIO 1791 Hurstview Drive Hurst, Texas 76054

"Me, too: Provision"

Dear Jose,

During the negotiations that led to the signing of the Agreement between American Eagle Airlines, Inc. ("AE" or "the Company") and the Transport Workers Union of America, AFL-CIO ("TWU") covering Ground School Instructor ("GSI") employees, the Company and the TWU agreed to the following, effective upon ratification of the GSI Agreement by the TWU membership:

- 1) Notwithstanding any provision to the contrary in this Restructuring Agreement ("Agreement") the terms of the Agreement shall not become effective until the Company has received approval to implement, through binding agreement, and/or implemented by legal unilateral authority revisions to (i) the labor contracts of the Company's other non-TWU unionized employees and (ii) the wages, benefits and working conditions of the Company's non-union hourly employees and (iii) the wages, benefits, and working conditions of the non-union salaried and management employees so that the aggregate revisions, agreed to or imposed, in (i), (ii), and (iii) for each individual non-TWU union and non-union employee group are reasonably projected by the Company to produce the targets of labor cost savings specified in the Company's 1113(c) Restructuring Proposals for each union dated March 21, 2012 and in the Company's March 21, 2012 Big Tent Presentation for each non-union labor group, and any Section 1113(c) motion subsequently filed by the Company, provided that the targets specified in the Company's motion match the March 21, 2012 targets.
- 2) The Company agrees that if it fails to implement the changes described in paragraph 1 for any other non-TWU union or non-union employee group, without implementing other changes that are reasonably projected by the Company to achieve equivalent labor cost savings, the Company will meet with TWU to discuss and agree upon a proportionate reduction in projected labor cost savings under the Agreement. This paragraph shall expire upon the earlier of 1) six (6) months after the date the Company emerges from the bankruptcy process; or 2) when the changes described in paragraph 1, or other changes that are reasonably

projected by the Company to achieve equivalent labor cost savings, are implemented for all non-TWU union or non-union employee groups.

- 3) The Company further agrees that if it obtains modifications to agreements with other non-TWU union groups that result in labor cost savings to the Company from reduction in TWU represented employees working under TWU agreements, it will meet with TWU to discuss and agree upon an appropriate credit to the TWU based on the level of labor cost savings realized by the Company from that reduction.
- 4) The Company will provide TWU with sufficient relevant information reasonably necessary for TWU to determine compliance with the terms of this agreement.
- 5) Any alleged violation of these provisions will be resolved pursuant to the grievance and arbitration procedures of the applicable TWU Agreement.

December ___, 2012

Mr. James C. Little International President Transport Workers Union of America 1791 Hurstview Drive Hurst, TX 76054

Subject: Administrative Expense Claim and Bankruptcy Protections

Dear Mr. Little:

This Letter of Agreement is between American Eagle Airlines, Inc. and Executive Airlines, Inc. (collectively "Eagle" or "the Company") and the Transport Workers Union of America, AFL-CIO ("TWU").

The modifications to the collective bargaining agreements ("CBAs") between the Company and three of the four (4) TWU-represented bargaining groups in connection with the Company's Chapter 11 Restructuring embodied in the following three ratified agreements (the "TWU Agreements") were agreed to in furtherance of the Company's effort to restructure its capital structure and operations:

- July 20, 2012 TWU Agreement covering Fleet Service employees (\$4.8 million), which was ratified on August 24, 2012;
- October 9, 2012 Tentative Agreement covering Aircraft Maintenance Technician, Inspector, Ground Support Technician, Aircraft Cleaner and Inventory Control Specialist employees (\$7 million), which was ratified on October 26, 2012;
- October 10, 2012 Tentative Agreement covering Ground School Instructor employees (\$10,000), which was ratified on October 19, 2012.

This Letter of Agreement will be binding on any Chapter 11 trustee that may be appointed in the Company's pending cases under chapter 11 of the United States Bankruptcy Code entitled *In re AMR Corporation, et al.*, Chapter 11 Case No. 11-15463(SHL) (the "Chapter 11 Cases"), or other entity operating with the equivalent authority of a Chapter 11 trustee.

For purposes of this Letter of Agreement, the term "Debtors" shall include Eagle, American Airlines, Inc., AMR Corporation and all their affiliated entities that are debtors in the Chapter 11 Cases.

The Company and TWU agree as follows:

1. <u>Effective Date</u>. This Letter of Agreement shall not become effective until approved by an order of the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") which order has not been stayed.

It is expressly understood and agreed that if the Effective Date does not occur, all of the terms contained in this Letter of Agreement are inapplicable and will be of no force or effect. At such time as the Effective Date occurs but prior to the approval of any Plan of Reorganization in these Chapter 11 Cases, this Letter of Agreement shall constitute a binding and enforceable post-petition agreement between TWU and the Company.

- 2. Administrative Claim for Fees and Expenses. TWU shall have an allowed administrative expense claim of \$700,000.00 as of the Effective Date ("TWU Allowed Administrative Expense Claim") to be utilized to reimburse TWU for all reasonable fees, expenses and costs, including but not limited to legal fees, financial advisors' fees, expert fees, investment banking fees, costs associated with lost time of TWU local employees, agents and other representatives, and expenses incurred by TWU and TWU local's employees, agents, and other representatives, incurred in the Chapter 11 Cases in connection with the negotiations related to the collective bargaining agreement between Eagle and TWU, this Letter of Agreement, and any Plan of Reorganization (the "Fees and Expenses"). The TWU Allowed Administrative Claim, however, shall not include any Fees or Expenses (a) incurred with respect to TWU's opposition to any Company motion filed pursuant to 11 U.S.C. 1113; or (b) incurred with respect to any services rendered in connection with consideration or pursuit of any potential third party purchaser of the Company or merger partner (including but not limited to US Airways).
- 3. Indemnification. The Company will indemnify and hold harmless TWU and its current or former (a) members, (b) officers, (c) directors, (d) committee members, (e) employees, (f) advisors, (g) attorneys, (h) accountants, (i) investment bankers, (j) consultants, (k) agents, (l) actuaries, (m) financial advisors, (n) professionals, (o) agents and (p) other representatives (each an "Indemnitee") from fifty percent of any liability, loss, damages, fines, penalties, taxes, expenses, and costs (not including any income or excise taxes or similar amounts imposed by any governmental agency) relating to, concerning or resulting from any and all third party claims, lawsuits, or administrative charges of any sort whatsoever, including fifty percent of the reasonable attorney's fees and costs, arising in connection with matters relating to, concerning or connected to the negotiation or establishment of (a) any of the TWU Agreements and this Letter of Agreement, and (b) any other document or agreement forming part of any of the TWU Agreements and this Letter of Agreement. This fifty-percent sharing arrangement will exist until TWU's financial exposure reaches \$1 million. Any exposure exceeding \$1 million will be the responsibility of the Company.

Such indemnification and hold harmless obligation will not apply to: 1) any claim, lawsuit or administrative charge resulting from the willful or intentional conduct of any Indemnitee; 2) any claim, lawsuit or administrative charge asserting that TWU violated its By-Laws or other organizational requirements by entering into any of the TWU Agreements and this Letter of Agreement; 3) any claim, lawsuit or administrative charge resulting from any statement made by any Indemnitee

that incorrectly describes any of the TWU Agreements or Letter of Agreement or the modifications made thereby; 4) any claim, lawsuit or administrative charge related to allocation among Eagle employees represented by TWU of any proceeds or distribution received in connection with the TWU Allowed Claim (as defined in paragraph 6 below); or 5) any claim, lawsuit or administrative charge related to any disposition by TWU or employees represented by TWU to third parties of the TWU Allowed Claim or any Proceeds (as defined in paragraph 6 below) or distribution received in connection therewith or on account thereof.

An Indemnitee seeking to be indemnified and held harmless pursuant to this paragraph must provide to the Company written notice within seven business days of the Indemnitee learning of the claim, lawsuit or administrative charge as to which the Indemnitee seeks to be indemnified and held harmless. The Company will have the right to conduct the defense of such matter with counsel of the Company's choosing and enter into a settlement of such matter. The Company will give reasonable consideration to the wishes of the Indemnitee in connection with the matters described in the foregoing sentence.

- 4. <u>Exculpation</u>. The Company agrees that it will not propose or support any Plan of Reorganization that does not contain an exculpation or release provision for TWU and each of its current or former members, officers, directors, committee members, employees, advisors, attorneys, accountants, actuaries, investment bankers, consultants, agents and other representatives at least as favorable as any exculpation or release provisions provided for the Company's officers, directors, employees, advisors, attorneys, accountants, actuaries, investment bankers, consultants, agents and other representatives at least as favorable as any exculpation or release provisions provided for the Company's officers, directors, employees, advisors, attorneys, accountants, actuaries, investment bankers, consultants, agents and other representatives.
- 5. <u>Bankruptcy Protection</u>. From the date of this Letter of Agreement until a date three years from the date of this Letter of Agreement, the Debtors will not file or support any motion ("Motion") pursuant to 11 U.S.C. Sections 1113, 1113(e), or any other relevant provision of the Bankruptcy Code, seeking rejection or modification of, or relief or interim relief from, the TWU Agreements or this Letter of Agreement and the finalized documents implementing the TWU Agreements or this Letter of Agreement. The Debtors will actively oppose any such Motion if filed by another party.

Notwithstanding the foregoing, the Debtors reserve the right to file or support any Motion if there is a material deterioration in the Company's financial condition or financial prospects, whether because of general economic conditions or otherwise. All requirements and provisions of Section 1113 will also remain applicable to any such Motion. TWU reserves its right to object to such Motion and nothing in this Letter of Agreement shall be construed as an agreement by TWU to such modifications or relief.

6. <u>TWU Settlement Consideration As TWU Allowed Claim</u>. As additional consideration for, among other things, the concessions made during the Section 1113 process, including the so-called "me-too" provisions under the TWU Agreements, and in connection with the TWU Agreements, and subject to the

approval of the Bankruptcy Court, TWU, on behalf of the employees it represents, will have an allowed general, unsecured prepetition non-priority claim under section 502 of the Bankruptcy Code in the American Airlines, Inc. Chapter 11 Case (Case No. 11-15464) in the amount of \$5.905 million not subject to reconsideration under section 502 of the Bankruptcy Code or otherwise (the "TWU Allowed Claim"; and any equity and other consideration received in respect of the TWU Allowed Claim or the proceeds of one or more permitted sales of the TWU Allowed Claim or such equity or other consideration are collectively referred to as the "Proceeds"). On receipt of the Administrative Claim amount and the TWU Allowed Claim, and for other good and valuable consideration under the TWU Agreements and this Letter of Agreement, any and all claims, interests, causes or demands (including all pending grievances) (collectively the "TWU Claims") TWU has or might arguably have, on behalf of itself or the Company's employees represented by TWU pursuant to the Railway Labor Act ("RLA") and the terms of the existing collective bargaining agreements (the "Existing CBAs), against the Debtors (or any of them) in the Chapter 11 Cases (including, without limitation, the claims described in the following proofs of claim filed in the Chapter 11 Cases: Claim Numbers 08271 and 08273) arising prior to the Effective Date (as defined herein) of this Letter of Agreement shall be automatically fully, finally, and completely released, expunged and extinguished.

TWU further agrees that the TWU Allowed Claim may not be assigned or transferred (including the granting of any participation) prior to the effective date of a plan of reorganization, except with the express written consent of Eagle, exercised in its sole discretion.

Notwithstanding the foregoing, the TWU Claims shall not include claims asserted in any proofs of claim actually filed in the Chapter 11 Cases by or on behalf of TWU represented employees (the "Excluded Claims"), including, but not limited to, Claim Numbers 11242, 11243, and 11244 filed by TWU Local 575, TWU Local 574, and TWU Local 570, respectively. The Excluded Claims shall be administered and resolved pursuant to the claims resolution process in the Chapter 11 Cases and the parties reserve all of their rights with respect to the Excluded Claims.

The Company and TWU will discuss in good faith whether, and if so on what terms, a portion of the TWU Allowed Claim shall be in the form of cash or debt (based on the value of the claim otherwise to be received).

7. <u>Court Approval</u>. With the full and active support of TWU, the Company will file and prosecute a motion for approval and assumption of the CBA(s) contemplated by the TWU Agreements and this Letter of Agreement under sections 363 and 105 of the Bankruptcy Code and any other applicable sections thereof. Both the motion and the proposed order attached thereto (the "363 Order") shall be in form and substance reasonably acceptable to TWU. Both the Company and TWU will use their reasonable best efforts to obtain the support of the Official Committee of Unsecured Creditors and other parties and stakeholders for the TWU Agreements, including this Letter of Agreement, and to seek entry of the 363 Order.

8. <u>Superseding Effect</u>. This Letter of Agreement entirely replaces and supersedes the prior letter dated August 2, 2012 between Eagle and TWU bearing the subject "Administrative Expense Claim and Bankruptcy Protections," which prior letter, upon the date of execution by Eagle and TWU of this Letter of Agreement, shall have no further force or effect.
