ORDER AUTHORIZING INTERIM USES OF CASH COLLATERAL

AT FRESNO, IN THE EASTERN DISTRICT OF CALIFORNIA.

The Motion for Authority to Use Cash Collateral ("Motion") duly came on for a continued hearing before the Court on June 9, 2026, at 9:30 a.m. At the hearing an appearance was entered by Ian Quinn for the Debtor. Other appearances are noted on the record.

The Court stated its findings on the record and finding the interim use of cash collateral is for and in the best interests of the estates, and good cause appearing,

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED as follows:

///

///

///

///

///

///

1. The Motion be, and hereby is, granted on an interim basis in accordance with this Order.

2. Pending further order of the Court, Debtors are authorized to use cash collateral as shown on Exhibit A (Budget) to this Order for the period of June 11, 2026, through June 17, 2026.

3. As adequate protection for the Debtors' use of cash collateral, the Court grants the affected Secured Creditor replacement liens in the Debtors' pre- and post-petition assets with the same validity, priority, and extent that Secured Creditor had in such prepetition collateral as of the petition date

4. The Secured Creditor's liens upon, and interests in, the replacement collateral shall be perfected without any other act or filing upon entry of this Order.

5. All rights to assert the protections and benefits of §§ 506 and 552 are preserved.

6. The Nursery Company and its affiliated companies assert a right to setoff against the Debtors' 2025 almond crop, currently in possession of The Almond Company. The Court makes no ruling on The Nursery Company's asserted setoff rights and all rights, defenses, and claims that The Nursery Company and The Almond Company may have as to the 2025 almond crop and setoff are expressly reserved. The Nursery Company does not object to the sale of 2025 almond crop in an amount sufficient to pay the uses of cash collateral approved by way of the attached Budget, including the payment of all ordinary course expenses incurred in the sale of the almonds. The Nursery Company's lack of objection to the sale of 2025 almond crop set forth herein shall not be construed as a waiver of any future objection or consent to any future sale of the 2025 almond crop.

7. There shall be a further interim hearing on uses of cash collateral for the Subject Period on June 16, 2026, at 9:30 a.m. Objections shall be due at commencement of the continued hearing.
