Ajubeo LLC (the “**Debtor**”), the debtor and debtor in possession in the above-captioned case, hereby submits this motion (this “**Motion**”)¹ pursuant to sections 105(a), 363, and 365 of title 11 of the United States Code (the “**Bankruptcy Code**”); Rules 2002, 6004, 6006, and 9014 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”); and Local Bankruptcy Rule 6004-1, seeking:

¹ All capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Asset Purchase Agreement attached as Exhibit 1 hereto (the “APA”).

for the proposed sale of substantially all of the Debtor's assets (as defined more specifically in the APA, the "**Purchased Assets**");

(B) approving the proposed breakup fee of three percent (3%) of the Purchase Price and expense reimbursement of up to \$50,000 to be provided to the Stalking Horse Bidder (as defined below) pursuant to the APA (together, the breakup fee and expense reimbursement are referred to herein as the "**Bid Protections**");

Green House Data, Inc. (the “**Stalking Horse Bidder**”) or the Successful Bidder (defined below) (collectively, the “**Encumbrances**”) to the Stalking Horse Bidder or the Successful Bidder in accordance with the terms of the purchase agreement executed by the Stalking Horse Bidder or Successful Bidder;

- (C) a waiver of the fourteen-day stay imposed by Bankruptcy Rules 6004(h) and 6006(d).

In support of this Motion, the Debtor respectfully represents as follows:

I. **JURISDICTION**

1. This Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. §157(b). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409. The bases for the relief sought herein are Bankruptcy Code sections 105(a), 363, and 365, Bankruptcy Rules 2002, 6004, 6006, and 9014, and Rule 6004-1 of this Court’s Local Bankruptcy Rules.

II. **BACKGROUND**

A. General Background on Debtor’s Business

2. On August 25, 2017 (the “**Petition Date**”), the Debtor filed a voluntary petition for relief under Chapter 11 of the Bankruptcy Code. The Debtor continues to be in possession of its property and in management of its business as a debtor in possession pursuant to sections 1107 and 1108 of the Bankruptcy Code.

3. The Debtor was founded in 2011 and is headquartered in Boulder, Colorado. The Debtor is a provider of cloud infrastructure services, providing data storage, backup, disaster recovery, and virtual desktop capabilities. It leases server equipment from four equipment lessors.² The Debtor's customers are companies that rely on the Debtor for secure data storage with leading up-time and cloud speed at a lower cost of ownership. The Debtor manages customer data that is critical to customers' ongoing operations.

B. Pre- and Postpetition Marketing Efforts and Events Leading to Filing of Chapter 11 Case

4. In August 2016, the Debtor engaged the investment bank RCG, LLC (now Drake Star Partners, LLC, or "**Drake Star**") to market the business for sale. At the time, the business was adding customers and improving its financial performance. Based on the performance of the business and favorable M&A environment for infrastructure service businesses, the Board of Managers determined that it was in the best interests of creditors and equity holders to pursue a sale.

5. Drake Star contacted and sent teasers to over 100 parties that Drake Star and the Debtor determined were potential candidates for a transaction. Of those parties, 27 executed non-disclosure agreements (the "**Interested Parties**"). The Interested Parties were given the opportunity to gain access to confidential information related to the Debtor, and asked to submit non-binding indications of interest ("**IOIs**"). The Debtor received IOIs from seven Interested Parties, and six of the Interested Parties were invited to participate in management meetings, either in person or telephonically, with Drake Star and the Debtor's management team. Remaining interested Parties were then asked to submit letters of intent ("**LOI**") to purchase the

² The Debtor believes that certain of the equipment "leases" are disguised financings, including the HP Financing Agreements (as defined and described below). The Debtor reserves all rights as to the characterization of its equipment "leases."

Debtor or all of the assets of the Debtor. Three written or verbal LOIs were received during the process. On January 31, 2017, the Debtor signed an LOI with Stalking Horse Bidder for the sale of substantially all of the Debtor's assets.

6. Prior to and after signing the January LOI, the Debtor suffered the loss or non-renewal of key customers, shortened renewal timeframes from a key customer, and diminished prospects for new customer additions. This deterioration in business performance dampened Stalking Horse Bidder's interest in a transaction, and both parties terminated their LOI in March 2017.

7. Between March and June 2017, the Debtor implemented cost-saving initiatives, reducing the employee base from 13 employees and consultants to 7 employees and consultants, in an effort to preserve liquidity, focus on serving its existing customer base, and secure customer renewals.

8. In July 2017, the Debtor reestablished dialogue with Stalking Horse Bidder regarding a sale of the Debtor's assets, and signed a second LOI with Stalking Horse Bidder on August 10, 2017.

9. While the Debtor was in the process of negotiating a definitive asset sale agreement with Stalking Horse Bidder, one of the equipment lessors filed a lawsuit seeking, *inter alia*, to seize the server equipment leased to the Debtor. An "order to show cause" hearing was scheduled for August 25, 2017 at 10:00 a.m. MT. The server equipment houses the Debtor's customers' data and is critical to the Debtor's operations. In order to prevent the lessors from seizing the critical equipment and to preserve the going concern value of the business, the Debtor filed for chapter 11 protection on the Petition Date.

10. Following the Petition Date, the Debtor and Stalking Horse Bidder resumed negotiations regarding a potential sale. On September 5, 2017 the parties finalized the APA, pursuant to which the Debtor will sell the Purchased Assets to Stalking Horse Bidder, subject to the competitive bidding and auction process proposed herein.

11. The APA with the Stalking Horse Bidder does not prohibit the Debtor from marketing its assets pending approval of this Motion. Accordingly, the Debtor's Chief Restructuring Officer, Alliance Management, has been actively marketing the business since the date of Alliance's engagement.

C. The Debtor's Capital Structure

Assets

12. The Debtor's assets consist primarily of accounts receivable, cash, and intangible assets. As of the Petition Date, the Debtor's accounts receivable totaled approximately \$656,000 and its cash balance was approximately \$6,500. As of the date hereof, the Debtor's accounts receivable total approximately \$885,000 and its cash balance is approximately \$11,600. The Debtor does not own any real property.

13. The Debtor's assets also include certain server equipment purchased from Hewlett-Packard Financial Services Company ("**HP**") pursuant to three "Enterprise Business Lease Agreements" dated as of September 3, 2015, March 30, 2016, and June 23, 2016 (collectively with all schedules and exhibits to such Enterprise Business Lease Agreements, the "**HP Financing Agreements**"). The HP Financing Agreements are disguised security instruments rather than true leases, as, among other reasons, each includes a nominal \$1 buyout option upon expiration of the "lease." Accordingly, the equipment is property of the Debtor, subject to HP's security interest, if any. HP failed to file a UCC financing statement naming the Debtor as debtor, and thus its security interest, if any, in the equipment is unperfected.

Liabilities

14. As of the Petition Date, the Debtor's liabilities consisted primarily of (i) the secured claims of SVB and Integrity (each as defined below); (ii) arrearages on equipment leases; and (iii) unsecured trade debt. Additionally, the Debtor will shortly seek Court approval of a DIP Loan (as defined below) in the amount of \$298,000. These liabilities are discussed below.

15. Prepetition Secured Debt of SVB and Integrity. Silicon Valley Bank ("SVB") holds a secured claim in the approximate amount of \$630,000, secured by substantially all assets of the Debtor (excluding intellectual property) pursuant to that certain Loan and Security Agreement, dated as of May 12, 2014 (as amended), and perfected with a UCC Financing Statement filed on May 13, 2014.

16. Integrity Capital Income Fund, Inc. ("**Integrity**"), also holds a secured claim against the Debtor. Integrity holds a claim in the approximate amount of \$915,000, secured by substantially all assets of the Debtor (excluding intellectual property) pursuant to that certain Loan and Security Agreement, dated as of November December 17, 2014 (as amended), and perfected with a UCC Financing Statement filed on December 17, 2014.

17. Pursuant to a Subordination Agreement by and among SVB, Integrity, and the Debtor, Integrity has subordinated any security interest or lien that it may have in any property of the Debtor to the security interest or lien of SVB, notwithstanding the respective dates of attachment or perfection of SVB's and Integrity's respective security interests or liens.

18. DIP Loan. The Debtor will shortly file a motion seeking approval of a postpetition financing agreement between the Debtor, as borrower, and Stalking Horse Bidder, as

lender. If such agreement is approved by the Court, Stalking Horse Bidder will provide postpetition financing in the amount of up to \$298,000.

19. Equipment Lease Debt. The Debtor leases³ servers from Farnam Street Financial, Inc. (“**Farnam**”), HP, Data Sales Co., Inc. (“**Data Sales**”), and CSC Leasing Company (“**CSC**”). As of the Petition Date, the approximate arrearages owed to Farnam, HP, Data Sales, and CSC under their respective equipment leases are \$886,822.97, \$122,942.05, \$17,501.03, and \$63,391.04, respectively.

20. Unsecured Trade Debt. As of the Petition Date, the Debtor owed approximately \$415,000 to various vendors and other trade creditors.

Equity

21. The Debtor’s equity interests are owned by Infrastructures Investors, LLC and Tom Whitcomb, who own 2,000,000 Class A interests and 100,000 Class A interests, respectively.

III. THE APA AND PROPOSED SALE PROCEDURES

22. After extensive negotiations regarding the terms and conditions thereof, the Debtor and the Stalking Horse Bidder have agreed, in principle, to the key terms of the Sale, and have executed an Asset Purchase Agreement (the “**APA**,” attached as Exhibit 1 hereto), which remains subject to this Court’s approval.

A. Material Terms and Conditions of the APA⁴

23. The Debtor proposes to sell substantially all of the Debtor’s assets to the Stalking Horse Bidder or to a competing bidder that submits a higher and better offer in accordance with

³ As noted, the Debtor reserves all rights to dispute the characterization of any purported equipment “lease.”

B. Proposed Bidding Procedures

25. The proposed Bidding Procedures are annexed to the proposed Bidding Procedures Order attached hereto. They set forth the proposed procedures that prospective bidders must follow in order to bid on the Purchased Assets. The Bidding Procedures are intended to permit an expedited sale process to ensure that there is no disruption in the Debtor’s operations pending closing of the sale, while simultaneously fostering an orderly and fair sale process. The Debtor has determined that the Bidding Procedures establish a framework that is

most likely to maximize the value of the Purchased Assets for the benefit of the Debtor's estate and its creditors. Those procedures are summarized in relevant part below.⁵

Participation Requirements.

26. To be qualified to receive any confidential information from the Debtor, a potential bidder must submit to the Debtor, prior to the receipt of any such information, an executed confidentiality agreement which shall inure to the benefit of the Successful Bidder, in a form and substance acceptable to the Debtor and the Stalking Horse Bidder. To be qualified (i) to submit an Initial Overbid (as defined below), and (ii) to participate in the Auction, a potential bidder must submit to the Debtor before the Bid Deadline (as defined below) current audited financial statements and the latest unaudited financial statements of the potential bidder or, if such potential bidder is an entity formed for the purpose of acquiring the Purchased Assets, current audited financial statements and the latest unaudited financial statements of the equity holders or sponsors of such potential bidder who will guarantee the obligations of such potential bidder, or such other form of financial disclosure and/or credit-quality support or enhancement, if any, that will allow the Debtor to make a reasonable determination as to such potential bidder's financial and other capabilities to consummate the Sale.

27. Based on the materials received by it, the Debtor shall determine whether any potential bidder that has timely submitted the materials referred to above qualifies to submit a bid (such qualifying potential bidder, an "**Overbidder**").

⁵ The summary of the Bidding Procedures set forth herein is provided for the convenience of the Court and interested parties and is qualified in its entirety by the Bidding Procedures, which are attached hereto as an attached to the proposed Bid Procedures Order. In the event of any inconsistency between the Bidding Procedures and this summary, the Bidding Procedures shall control. Capitalized terms used in this summary have the meaning ascribed to them in the Bidding Procedures.

Bid Deadline.

28. The deadline for submitting bids by an Overbidder shall be **October 23, 2017** at 5:00 p.m. (prevailing Mountain Time) (the “**Bid Deadline**”).⁶

29. Before the Bid Deadline, an Overbidder that desires to make a bid shall deliver written copies of its bid via overnight mail and email to (i) counsel for the Debtor, Brownstein Hyatt Farber Schreck LLP, 410 17th Street, Suite 2200, Denver CO 80202, Attn: Joshua M. Hantman; jhantman@bhfs.com; and (ii) counsel for Silicon Valley Bank, Riemer Braunstein, LLP, Three Center Plaza, Suite 600, Boston, MA 02108, Attn: Alexander Rheaume; arheaume@riemerlaw.com.

Bid Requirements.

30. To participate at the Auction, an Overbidder must submit the following to the Debtor before the Bid Deadline:

(a) a proposed asset purchase agreement (the “**Competing Purchase Agreement**”) executed by the Overbidder that (i) is on substantially the same terms and conditions as the APA along with a redlined, marked copy showing all changes between the Competing Purchase Agreement and the APA (the Debtor’s counsel will provide a copy of the APA in Microsoft Word format to Overbidders); (ii) provides for a purchase price to be paid to the Debtor that exceeds the Purchase Price⁷ (as defined in the APA) by at least fifty thousand dollars (\$50,000) cash (such aggregate amount of the Purchase Price plus \$50,000, the “**Minimum Overbid**”); (iii) contains a list of the Debtor’s executory contracts and unexpired leases with respect to which the Overbidder seeks assignment from the Debtor (whether set forth in the Stalking Horse Bidder’s APA or a Competing Purchase Agreement, the “**Proposed Assumed Contracts**”); (iv) remains irrevocable until the earlier of the closing of a purchase of the Purchased Assets by the Successful Bidder and the Overbidder Outside Date (as defined below); (v) disclaims any right of the Overbidder to receive any transaction or breakup fee, expense reimbursement or similar fee or payment or to compensation under Bankruptcy Code Section 503(b) for making a substantial contribution; and (vi) contains a proposed closing date that is not later

⁶ For the avoidance of doubt, all dates and deadlines set forth in this summary of the Bidding Procedures are subject to approval and/or modification by the Court.

⁷ Pursuant to the terms of the APA, the Purchase Price is \$1,945,798, subject to adjustment based on the Closing AR Amount and the November Revenue Amount, as set forth in the APA.

than November 15, 2017 or such later dates as may be agreed in writing by the Debtor and the Overbidder in their sole discretion (the “**Overbidder Outside Date**”);

(b) a cashier’s check made payable to the order of the Debtor in the amount of \$100,000 (the “**Overbidder’s Deposit**”), which will be retained by the Debtor as a nonrefundable good faith deposit for application against the purchase price at the closing of the transaction or returned to the Overbidder or otherwise applied as set forth in these Bidding Procedures; and

(c) admissible evidence in the form of affidavits or declarations establishing that the Overbidder has the financial ability to pay the purchase price and provide adequate assurance of future performance under all contracts to be assigned to it.

31. A bid received from an Overbidder (and any bid submitted at the Auction by an Overbidder) that meets the requirements set forth above will be considered a “**Qualified Bid**” if, in the good faith opinion of the Debtor, after consulting with its financial and legal advisors and with SVB, (i) such bid is determined not to be materially more burdensome or conditional than the terms of the APA, and (ii) the Debtor reasonably believes that such bid would be consummated before the Overbidder Outside Date if selected as a Successful Bid (as defined below). Each Overbidder will be notified within 24 hours of receipt of its bid by the Debtor whether such Overbidder’s bid has been deemed a Qualified Bid.

32. Each bidder shall be deemed to acknowledge and represent that it has had an opportunity to conduct any and all due diligence regarding the Purchased Assets prior to making any bids; that it has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Purchased Assets in making its bid; and that it did not rely upon any written or oral statements, representations, promises, warranties or guaranties whatsoever, whether express, implied, by operation of law or otherwise, regarding the Purchased Assets, or the completeness of any information provided in connection therewith, except as expressly stated in these Bidding Procedures or, as to the Successful Bidder, the asset purchase agreement with such Successful Bidder.

33. The Stalking Horse Bidder, and any entity that submits a timely Qualified Bid accompanied by all items required to be submitted along therewith in accordance with these Bidding Procedures (an “**Initial Overbid**”), shall each be deemed a “**Qualified Overbidder**” and may bid for the Purchased Assets at the Auction. Any entity (other than the Stalking Horse Bidder) that fails to submit a timely, conforming Initial Overbid, as set forth above, shall be disqualified from bidding for the Purchased Assets at the Auction. The Debtor shall, promptly upon receipt of any Initial Overbid, provide copies of such Initial Overbid to the Stalking Horse Bidder and to Silicon Valley Bank.

The Auction.

34. If no timely, conforming Initial Overbid is received, the Debtor shall not conduct an Auction and shall request at the Sale Hearing that the Court approve the APA, including the Sale of the Purchased Assets (including the assignment of the Assumed Contracts, if any) to the Stalking Horse Bidder, and request that the Sale Order shall be immediately effective upon entry, notwithstanding Bankruptcy Rule 6004(h).

35. If one or more timely conforming Initial Overbids are received, the Debtor shall conduct an Auction of the Purchased Assets, in which the Stalking Horse Bidder and all other Qualified Overbidders may participate. The Auction shall be conducted at the offices of Brownstein Hyatt Farber Schreck LLP, 410 17th Street, Suite 2200, Denver, Colorado 80202 on October 27, 2017 at 9:00 a.m. (prevailing Mountain Time), or such other place and time as the Debtor may determine, so long as such change is communicated reasonably in advance to all Qualified Overbidders and other invitees, if any.

36. The following procedures will govern the Auction:

(a) all Qualified Overbidders shall be deemed to have consented to the core jurisdiction of the Bankruptcy Court and to have waived any right to jury trial in connection with any disputes relating to the Auction or the Sale of the Purchased Assets;

(b) all Qualified Overbidders (other than the Stalking Horse Bidder) shall be deemed to consent to provide the Debtor with admissible evidence in the form of affidavits or declarations establishing (i) the Qualified Overbidder's good faith, within the meaning of Section 363(m) of the Bankruptcy Code; and (ii) that the Qualified Overbidder is capable and qualified, financially, legally, and otherwise, of unconditionally performing all obligations under the Competing Purchase Agreement;

(c) bidding will start at the amount of the highest bid submitted by a Qualified Overbidder, as determined by the Debtor;

(d) each subsequent bid shall be in increments of no less than \$50,000 in cash;

(e) if the Stalking Horse Bidder makes a Court-approved postpetition loan ("**DIP Loan**") to the Debtor, then the Stalking Horse shall have the right to credit-bid any and all obligations outstanding under the DIP Loan. If the Stalking Horse Bidder is not the Successful Bidder, then all sale proceeds received by the Debtor shall be used first to repay the DIP Loan, if any, in full prior to making any other payments or distributions on account of any other claims or obligations.

(f) immediately before concluding the Auction, the Debtor shall: (a) review each Qualified Bid for its financial and contractual terms and the factors relevant to the Sale process and the best interests of the Debtor's estate, its creditors and

other parties-in-interest therein; and (b) after consulting with SVB, determine and identify the highest or otherwise best Qualified Bid (the “**Successful Bid**”) and the Qualified Overbidder (or the Stalking Horse Bidder) submitting such bid (the “**Successful Bidder**”);

(g) if, at the Auction’s conclusion and consistent with the Bidding Procedures’ terms, the Stalking Horse Bidder’s final bid is greater than the highest bid made by any Qualified Overbidder, such final bid shall be the Successful Bid, the Stalking Horse Bidder shall be the Successful Bidder and the Bankruptcy Court shall approve the APA, including the Sale of the Purchased Assets (including the assignment of the Assumed Contracts, if any) to the Stalking Horse Bidder, and authorize the Debtor to sell the Purchased Assets (including the assignment of the Assumed Contracts, if any) to the Stalking Horse Bidder, and the amount of the Stalking Horse Bidder’s final bid shall constitute the Purchase Price under the APA; and

(h) for the avoidance of doubt, the Debtor may elect to deem the Stalking Horse Bidder’s final bid to be the Successful Bid, notwithstanding the receipt of an apparently higher bid from another Qualified Overbidder, if the Debtor reasonably concludes that the Qualified Overbidder may not be able to close on a timely basis.

37. The Stalking Horse Bidder has standing and is deemed to be a party in interest with standing to be heard on any motion, hearing or other matter related to the APA or any bid or other sale of the Purchased Assets.

Sale Hearing.

38. The Debtor requests a hearing to consider approval of the Sale to the Successful Bidder (or to approve the APA if no Auction is held or the Successful Bid is by the Stalking Horse Bidder) to take place on October 30, 2017 in the courtroom of the Honorable Joseph G. Rosania, Jr. in the United States Bankruptcy Court for the District of Colorado, 721 19th St., Denver, Colorado 80202 (the “**Sale Hearing**”).

Return of Overbidder’s Deposit.

39. Except with respect to the Successful Bidder, all Overbidder’s Deposits shall be returned within three business days after the Auction concludes, or, if no Auction is held, within three days after the Sale Hearing.

C. Proposed Procedures for the Assumption and Assignment of Certain Executory Contracts⁸

40. The Debtor seeks the authority to assume and assign the Assumed Contracts to the Stalking Horse Bidder (or, in the event that the Stalking Horse Bidder is not the Successful Bidder, such other contracts and leases as are designated in the Successful Bidder’s bid).

41. The Debtor shall, within two (2) business days after the entry of the Bidding Procedures Order, file and serve on each of the non-debtor counterparties (each a “**Counterparty**”) to all executory contracts and unexpired leases of the Debtor (the “**Contracts**”) a notice substantially in the form attached hereto as **Exhibit 3** (the “**Assignment Notice**”) specifying the cure amounts necessary to assume each of the Contracts (the “**Cure Cost**”) and the potential for the Debtor to assume and assign such agreements to the Successful Bidder. The Assignment Notice may also identify any additional terms or conditions of

⁸ If a party other than the Stalking Horse Bidder is the Successful Bidder or if a transaction other than the Sale is consummated for the sale of the Purchased Assets, then these procedures may be modified if necessary by further order of the Court.

assumption and assignment. If the Debtor identifies additional executory contracts or unexpired leases that might be assumed by the Debtor and assigned to the Stalking Horse Bidder (or other Successful Bidder) not set forth in the original Assignment Notice, the Debtor shall promptly file and serve a supplemental notice (a “**Supplemental Assignment Notice**”) to the applicable counterparties, and such additional contracts or leases shall be deemed Contracts for purposes of the Bidding Procedures Order.

42. Objections, if any, to the proposed Cure Costs, or to the proposed assumption and assignment of the Contracts, including, but not limited to, objections relating to adequate assurance of future performance by the Stalking Horse Bidder or objections relating to whether applicable law excuses the Counterparty from accepting performance by, or rendering performance to, the Successful Bidder for purposes of section 365(c)(1) of the Bankruptcy Code, must be in writing and filed with this Court and served on the Notice Parties (as defined hereinafter) so as to be received no later than five (5) business days prior to the Bid Deadline (the “**Designation and Cure Objection Deadline**”); *provided, however*, that in the event the Successful Bidder is a bidder other than the Stalking Horse Bidder (which, if applicable, will be set forth in the Notice of Successful Bidder and Assumed Contracts), objections relating to adequate assurance of future performance may be raised at any time prior to or during the Sale Hearing; *provided further, however*, that for any counterparty that receives a Supplemental Assignment Notice, the Designation and Cure Objection Deadline shall be the earlier of (i) ten (10) days after the mailing of the Supplemental Assignment Notice, or (ii) two (2) business days prior to the Sale Hearing.

43. Within twenty-four (24) hours after the conclusion of the Auction, the Debtor shall file a notice (the “**Notice of Successful Bidder and Assumed Contracts**”), which shall

state (i) the identity of the Successful Bidder, and (ii) the Contracts that the Debtor proposes to assume and assign to the Successful Bidder (the “**Assumed Contracts**”).

44. Where a Counterparty files an objection meeting the requirements set forth herein, objecting to the assumption by the Debtor and assignment to the Successful Bidder of such Contract (the “**Disputed Designation**”) and/or asserting a cure amount higher than the proposed Cure Costs listed on the Assignment Notice (the “**Disputed Cure Costs**”), the Debtor, the Stalking Horse Bidder, or the Successful Bidder (as the case may be), and the Counterparty shall meet and confer in good faith to attempt to resolve any such objection without Court intervention. If the Debtor, the Counterparty, and the Stalking Horse Bidder (or the Successful Bidder, as the case may be), determine that the objection cannot be resolved without judicial intervention, then the determination of the assumption and assignment of the Disputed Designation and/or the amount to be paid under Bankruptcy Code section 365 with respect to the Disputed Cure Costs will be determined by this Court at the Sale Hearing. If this Court determines at the Sale Hearing that the applicable Assumed Contract will not be assumed and assigned, then such executory contract shall no longer be considered an Assumed Contract, *provided, however*, that after such determination is made by the Court, the Debtor may propose a new Cure Cost in accordance with the procedures set forth herein, including providing the applicable Counterparty with the Assignment Notice setting forth the redesignation and proposed new Cure Cost of the Assumed Contract.

45. Other than with respect to the ability to raise objections relating to adequate assurance of future performance of a Successful Bidder other than the Stalking Horse Bidder at any time prior to or during the Sale Hearing, any Counterparty to an Contract who fails to timely file an objection to the proposed Cure Costs or the proposed assumption and assignment of a

Contract by the Designation and Cure Objection Deadline is deemed to have consented to such Cure Costs and the assumption and assignment of such Contract, and such party shall be forever barred from objecting to the Cure Costs and from asserting any additional cure or other amounts against the Debtor, its estate, or the Stalking Horse Bidder (or the Successful Bidder, as the case may be).

46. If the Counterparty to a Contract fails to timely object to the assumption and assignment of a Contract or the proposed Cure Cost relating thereto by the Designation and Cure Objection Deadline, or upon the resolution of any timely objection by agreement of the parties or order of this Court approving an assumption and assignment, such Contract may be assumed by the Debtor and assigned to the Successful Bidder, and the proposed Cure Cost related to such Assumed Contract shall be established and approved in all respects, subject to the conditions set forth directly below.

47. The Debtor's decision to assume and assign the Assumed Contracts is subject to Court approval and consummation of the sale. Accordingly, subject to the satisfaction of conditions in connection with the sale, the Debtor shall be deemed to have assumed and assigned the Assumed Contracts as of the date of and effective only upon the Closing Date (as defined in the APA), and absent such closing, each of the Assumed Contracts shall neither be deemed assumed nor assigned and shall in all respects be subject to subsequent assumption or rejection by the Debtor under the Bankruptcy Code. Also, inclusion of any document on the list of Contracts shall not constitute or be deemed to be a determination or admission by the Debtor or the Stalking Horse Bidder (or the Successful Bidder, as the case may be) that such document is, in fact, an executory contract within the meaning of the Bankruptcy Code, all rights with respect thereto being expressly reserved. The Successful Bidder shall have no rights in and to a

particular Assumed Contract until such time as such agreement is assumed and assigned in accordance with the procedures set forth herein.

48. Except as may otherwise be agreed to by the parties to an Assumed Contract, the defaults under the Assumed Contracts that must be cured in accordance with section 365(b) of the Bankruptcy Code shall be cured as follows: the Successful Bidder shall pay all Cure Costs relating to an assumed executory contract within ten days after the later of (i) the Closing Date, (ii) the date on which such Assumed Contract is deemed assumed and assigned or (iii) the date on which the Successful Bidder and contract counterparty otherwise agree to in writing.

49. Following the Bid Deadline, no Proposed Assumed Contract may be excluded by the Stalking Horse Bidder or Successful Bidder, as applicable, and all Proposed Assumed Contracts shall be listed as Assumed Contracts in the Notice of Successful Bidder and Assumed Contracts.

50. Any Contract that is not an Assumed Contract shall be deemed rejected as of the Closing Date; provided, however, that if any Contract to which the Counterparty is Data Sales Co., Inc., or Farnam Street Financial, Inc. is not an Assumed Contract, then such Contract shall be deemed rejected as of the date that is sixty (60) days after the Closing Date.

D. Notice Procedures

51. The Debtor shall, within two (2) business days of the entry of the Bidding Procedures Order, serve a copy of each of the Motion, the Bidding Procedures Order, and a copy of the Notice of Sale, substantially in the form annexed hereto as **Exhibit 2**, by first-class mail on the following parties (collectively, the “**Notice Parties**”): (i) all entities known to have expressed an interest in a financing or sale transaction with respect to the Debtor within two years prior to the date hereof, as evidenced by executing an NDA with the Debtor; (ii) any entities known to have asserted any Encumbrance in or upon the Purchased Assets; (iii) all

federal, state, and local regulatory or taxing authorities or recording offices which have a reasonably known interest in the relief requested by the Motion; (iv) the Office of the United States Trustee; (v) the Internal Revenue Service; (vi) all entities that have requested notice in accordance with Bankruptcy Rule 2002; and (vii) all other known creditors of the Debtor.

52. The Debtor shall serve an Assignment Notice on each Counterparty in the manner described above.

IV. LEGAL ARGUMENT

A. The Sale of Substantially All of the Debtor's Assets Is A Sound Exercise of the Debtor's Business Judgment

53. Bankruptcy Code section 363 authorizes a debtor to sell assets of the estate other than in the ordinary course of business free and clear of liens, claims and encumbrances. *See* 11 U.S.C. § 363(b)(1) & (f); Fed. R. Bankr. P. 6004(f)(1) (“All sales not in the ordinary course of business may be by private sale or by public auction.”). The decision to sell assets outside the ordinary course of business must be based upon a debtor’s sound business judgment. *In re Psychometric Sys., Inc.*, 367 B.R. 670, 675 (Bankr. D. Colo. 2007) (debtor’s business judgment in a section 363 sale to be given “great deference”); *In re Castre, Inc.*, 312 B.R. 426, 428 (Bankr. D. Colo. 2004). When dictated by the debtor’s sound business judgment, a bankruptcy court can authorize the sale of all of the debtor’s assets pursuant to Bankruptcy Code section 363(b)(1) prior to plan confirmation. *Stephens Indus. v. McClung*, 789 F.2d 386, 390 (6th Cir. 1986) (“[A] bankruptcy court can authorize a sale of all a Chapter 11 debtor’s assets under § 363(b)(1) when a sound business purpose dictates such action.”).

54. Additionally, Bankruptcy Code section 105(a) provides a bankruptcy court with broad powers in the administration of a case so that “[t]he court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of [the Bankruptcy Code].”

Further, pursuant to section 105(a), a court may fashion an order or decree that helps preserve or protect the value of a debtor's assets. *See, e.g., Chinichian v. Campolongo (In re Chinichian)*, 784 F.2d 1440, 1443 (9th Cir. 1986) ("Section 105 sets out the power of the bankruptcy court to fashion orders as necessary pursuant to the purposes of the Bankruptcy Code.").

55. Here, it is the Debtor's business judgment that the sale is in the best interest of its creditors and the Debtor's estate, as it provides the Debtor with the best strategy for maximizing the value of its assets. The Debtor lacks the cash flow, funding sources, and management necessary to support a reorganization. A prompt Sale of the Purchased Assets is the Debtor's only viable opportunity to maximize value for creditors.

56. Further, the proposed Bidding Procedures and the submission of a stalking horse bid assure that the highest and best price will be realized for the Purchased Assets. A Notice of Sale will be provided to all persons the Debtor believes may have an interest in acquiring the Purchased Assets, which will maximize potential for overbids.

B. The Proposed Bidding Procedures Constitute an Appropriate Process to Obtain the Highest or Best Bid

57. The Debtor requests that the Court approves the Bidding Procedures. As discussed above, the Debtor believes in its reasonable business judgment that the Bidding Procedures and the Sale, with Stalking Horse Bidder as the "stalking-horse" bidder, is the best strategy for maximizing the value of the Debtor's assets for the benefit of the various stakeholders. *See In re Psychometric Sys., Inc.*, 367 B.R. at 675. Moreover, the Bidding Procedures, and the use of a Minimum Overbid and Bidding Increments, will ensure a competitive and efficient bidding process which excludes disingenuous bidders while preserving the participation of the Stalking Horse Bidder.

58. The proposed timeline set forth in the Bidding Procedures is reasonable in light of the circumstances. The Debtor perceives a material risk that it will lose customer relationships if a sale is not promptly consummated. Indeed, prepetition efforts to sell the business were not successful because of the loss of key customers. Loss of customers would jeopardize the Debtor's ability to sell its business as a going concern, in which case conversion to chapter 7 would be the likely result. In the event of a conversion, the likelihood of any distribution to unsecured creditors would be close to zero given that the liens of SVB and Integrity encumber substantially all of the Debtor's assets.

59. Under the Debtor's proposed timeline, the Bid Deadline is October 23, 2017, and thus there will be a marketing period of nearly two months from the date hereof during which the Debtor will solicit bids and potential bidders can conduct due diligence. The Debtor submits that this is more than sufficient time to market the Debtor's assets. As noted above, the Debtor has already marketed the sale of the company's assets for approximately one year, with over 100 parties contacted. Accordingly, many (if not most or all) potential buyers are familiar with the opportunity. Moreover, the APA does not prohibit the Debtor from marketing its assets pending approval of this Motion. Accordingly, the Debtor's Chief Restructuring Officer has been actively marketing the assets since the date of engagement.

60. In sum, the proposed Sale Notice and proposed Bid Procedures are appropriate, reasonable, and designed to ensure the most robust bidding and auction process possible for the Purchased Assets. In addition to providing appropriate notice, the Debtor, through its Chief Restructuring Officer, Alliance Management, will continue to contact various parties who have previously expressed an interest in acquiring assets of the Debtor to determine whether such parties are interested in submitting a bid.

C. The Bid Protections are Necessary and Appropriate

61. As a condition to the Sale Agreements, the Debtor is required to obtain approval of the Bid Protections in the Bid Procedures Order. Breakup and other termination fees and expense reimbursements are a normal, and in some cases necessary, component of sales outside the ordinary course of business under section 363 of the Bankruptcy Code. *See, e.g., In re Twenver, Inc.*, 149 B.R. 954, 956 (Bankr. D. Colo. 1992); *In re Integrated Res., Inc.*, 147 B.R. 650, 660 (S.D.N.Y. 1992) (noting that breakup fees may be legitimately necessary to convince a single “white knight” to enter the bidding by providing some form of compensation for the risk it is undertaking); *In re Crowthers McCall Pattern, Inc.*, 114 B.R. 877, 879 (Bankr. S.D.N.Y. 1990) (breakup fees in merger agreement approved); *In re 995 Fifth Ave. Assoc., L.P.*, 96 B.R. 24, 28-9 (Bankr. S.D.N.Y. 1989) (payment of \$500,000 breakup fee to outbid contract vendee following sale of debtor’s property was not unreasonable absent evidence that fee chilled bidding).

62. In considering whether to approve a breakup fee, courts generally consider the following three factors: (i) the relationship between the initial bidder and the seller; (ii) whether the fee is designed to encourage bidding; and (iii) the size of the fee in relation to the purchase price. *See In re Integrated Resources*, 147 B.R. at 657-63. Here, each of the factors militates in favor of approving the breakup fee.

63. *First*, the Stalking Horse Bidder is not an insider of the Debtor. The APA, including the Bid Protections set forth therein, was negotiated extensively and at arms’ length. The Stalking Horse Bidder was not in a position to and did not exert undue influence or pressure in negotiating the Bid Protections.

64. *Second*, obtaining approval and authority to honor the Bid Protections is designed to facilitate the Debtor’s efforts to assure a sale to a contractually committed bidder at a price the

Debtor believes is fair, while at the same time providing the Debtor with the potential of even greater benefit to the estate through a competitive bidding process.

65. *Third*, a breakup fee that constitutes a fair and reasonable percentage of the proposed purchase price and that is reasonably related to the risk, effort, and expenses of the prospective purchaser is generally permissible. *See, e.g., In re 995 Fifth Ave. Assoc.*, 96 B.R. 25, 28 (Bankr. S.D.N.Y. 1989); *In re Integrated Resources, Inc.*, 147 B.R. at 662 (breakup fee was a reasonable percentage of proposed purchase price and in accord with industry averages).

66. Here, the breakup fee is 3% of the purchase price. This percentage is well within the order of magnitude of breakup fees approved in other cases. *See, e.g., In re Coupounas*, Case No. 14-23906-EEB (Bankr. D. Colo. Oct. 31, 2014) (approving breakup fee equal to roughly 3% of transaction price); *Twenver*, 149 B.R. at 957; *Consumer News & Bus. Channel P'ship v. Fin. News Network, Inc. (In re Fin. News Network, Inc.)*, 980 F.2d 165, 167 (2d Cir.1992) (noting without discussion \$8.2 million breakup fee on \$149.3 million transaction (5.5% of consideration offered)); *see also LTV Aerospace & Defense Co. v. Thomson-CSF, S.A. (In re Chateaugay Corp.)*, 1998 B.R. 848, 861 (S.D.N.Y. 1996) (enforcing \$20 million "reverse breakup fee" payable to debtor on \$450 million offer (4.4% of consideration)).

67. The Bid Protections are beneficial to the Debtor's estate and its creditors, as the APA establishes a floor for further bidding on the Purchased Assets. Moreover, the Stalking Horse Bidder is unwilling to commit to holding open its offer to purchase the Purchased Assets unless the Bid Procedures Order includes approval of the Bid Protections. Thus, absent entry of the Bid Procedures Order and approval of the Bid Protections, the Debtor may lose the opportunity to obtain the highest and best offer it has received to date. Accordingly, the Bid Protections should be approved.

D. The Sale Must Be Free and Clear of All Liens, Claims, Encumbrances and Other Interests Pursuant to 11 U.S.C. § 363(f)

68. To facilitate the sale of the Purchased Assets, the Debtor also requests authorization to sell the Purchased Assets free and clear of any and all liens, encumbrances, and other interests, other than as provided in this Motion and in the APA.

69. Section 363(f) of the Bankruptcy Code permits debtors to sell assets free and clear of liens, claims, and encumbrances with interests in the property attaching to the net proceeds of the sale. Section 363(f) provides:

The trustee may sell property under subsection (b) or (c) of this section free and clear of any interest in such property of an entity other than the estate, only if –

- (1) applicable nonbankruptcy law permits sale of such property free and clear of such interest;
- (2) such entity consents;
- (3) such interest is a lien and the price at which such property is to be sold is greater than the aggregate value of all liens on such property;
- (4) such interest is in bona fide dispute; or
- (5) such entity could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest.

70. Here, the only parties known to assert a lien in the Purchased Assets are the following:

71. SVB and Integrity assert first and second priority liens, respectively, in substantially all assets of the Debtor. SVB and Integrity consent to the Sale free and clear of their liens. The proposed Sale Order will provide for the payment in full of SVB's secured claim upon closing of the Sale, provided, however, that such payment shall be subject to clawback in the event that any party in interest successfully asserts a timely challenge to SVB's claim or its lien pursuant to the cash collateral order.

72. HP may assert a security interest in the server equipment described above, but its security interest, if any, was not perfected by the filing of a UCC financing statement and is thus subject to bona fide dispute. *See* 11 U.S.C. § 363(f)(4).

73. VAR Resources, Inc. (“**VAR**”), BMO Harris Bank National Association (“**BMO Harris**”), and Optum Bank, Inc. (“**Optum**”) may assert security interests in certain of the Debtor’s equipment (the “**VAR Equipment**”). The Debtor leased the VAR Equipment from VAR pursuant to that certain Master Lease Agreement dated as of January 19, 2012 and three Equipment Lease Schedules thereto (collectively, the “**VAR Agreements**”). Schedule No. 002 to the Master Lease Agreement (as amended) contained a \$1 buyout option upon expiration of the lease on April 1, 2016. Accordingly, the Debtor owns the equipment described in Schedule 002 free and clear of any lien or interest of VAR or its successors or assigns. The equipment described in Schedules 001 and 003 to the Master Lease Agreement was subject to a “FMV” buyout option upon expiration of the lease in 2015. Based on UCC filings filed with the Colorado Secretary of State, it appears that VAR assigned its interest in Lease Schedule Nos. 001 and 003 to BMO Harris, and assigned its interest in Lease Schedule No. 002 to Optum. The Debtor believes that since all of the obligations under the VAR Agreements have been paid in full, the VAR Equipment is property of the Debtor and is not subject to any lease, lien, claim, or interest. Nevertheless, the APA provides for a \$10,000 interest in the Purchase Price in the event that the Debtor is unable to sell such equipment free and clear of all leases, liens, claims, or interests. VAR, BMO, and Optum will all receive notice of this Motion, as set forth in the Certificate of Service attached hereto.

74. In addition, Virginia Commonwealth Bank (“**VCB**”) may assert a security interest in assets of the Debtor. On July 23, 2013, VCB filed a UCC financing statement with the

Colorado Secretary of State naming the Debtor as the debtor and VCB as the secured party. However, the UCC filing contained no description of the alleged collateral and thus is invalid to perfect VCB's secured claim, if any. Accordingly, the extent VCB asserts a security interest, it is subject to bona fide dispute and the Debtor's assets may be sold free and clear of such alleged lien. *See* 11 U.S.C. § 363(f)(4).

E. Stalking Horse Bidder or the Successful Bidder Should be Afforded the Protections of 11 U.S.C. § 363(m) for a Good Faith Purchaser

75. Section 363(m) of the Bankruptcy Code provides:

The reversal or modification on appeal of an authorization under subsection (b) or (c) of this section of a sale or lease of property does not affect the validity of a sale or lease under such authorization to any entity that purchased or leased such property in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and such sale or lease were stayed pending appeal.

76. The Debtor requests that the Court find that the Stalking Horse Bidder or Successful Bidder is a good faith purchaser within the meaning of Bankruptcy section 363(m), subject to the provision of further representations or evidence at the Sale Hearing. The APA is a product of extensive negotiations between the Debtor and the Stalking Horse Bidder, and does not contain special treatment for the Debtor, the Debtor's estate, the Stalking Horse Bidder, or their respective affiliates or insiders. The terms of the APA are fair and reasonable, particularly in view of the Stalking Horse Bidder's extensive efforts to date, the risk to the Stalking Horse Bidder of serving as a "stalking horse" bidder, and the stabilizing effect that the execution of the APA is expected to have (thereby preserving value for creditors and increasing the likelihood of additional bidding).

77. Moreover, the Debtor submits that any asset purchase agreement reached as a result of the Bidding Procedures will be an arm's length, negotiated transaction entitled to the protections of section 363(m). Further, by the Sale Hearing, the Debtor will have fully disclosed

and requested this Court's approval of all of the terms and conditions of the proposed sale and bidding procedures and provided notice as required by the Bankruptcy Rules, the Local Bankruptcy Rules, and as otherwise directed by the Court. *See In re Colony Hills Assocs.*, 111 F.3d 269, 276–77 (2d Cir. 1997) (“Although full disclosure to the bankruptcy court may not always neutralize conduct that would otherwise constitute bad faith, disclosure should certainly weigh heavily in a bankruptcy court’s decision on that issue.”). Based on the foregoing, the Stalking Horse Bidder or the Successful Bidder, as the case may be, should be deemed a good faith purchaser within the meaning of section 363(m) of the Bankruptcy Code.

F. Adequate and Reasonable Notice Has Been Provided

78. Section 363 of the Bankruptcy Code requires that interested parties receive adequate notice of the sale. Full disclosure of the terms of the sale will be provided pursuant to the Notice of Sale as described above. Such notice is reasonably calculated to provide timely and adequate notice to the Debtor’s major creditor constituencies, those parties most interested in this case, and those parties potentially interested in bidding on the Purchased Assets.

79. The Debtor also submits that the notice to be provided via the Assignment Notice is reasonably calculated to provide all Counterparties with proper notice of the potential assumption and assignment of their executory contracts, any Cure Costs relating thereto, and procedures relating thereto, including, but not limited to, the Designation and Cure Objection Deadline. As such, the proposed Assignment Notice is appropriate and sufficient under the circumstances.

G. The Court Should Authorize the Assumption and Assignment of Executory Contracts and Unexpired Leases

80. The Debtor seeks authorization under Bankruptcy Code section 365 to assume and assign the Assumed Contracts to the Stalking Horse Bidder or Successful Bidder, as the case

may be. The Debtor further requests that the Sale Order provide that the Assumed Contracts will be transferred to, and remain in full force and effect for the benefit of, the Successful Bidder, notwithstanding any provisions in the Assumed Contracts.

81. Bankruptcy Code section 365 authorizes the Debtor to assume and assign its executory contracts and unexpired leases subject to the approval of the Bankruptcy Court. The standard governing motions to assume or reject unexpired leases and executory contracts is the business judgment test, which requires a showing that the proposed course of action will benefit the estate. *In re Mile High Medal Sys., Inc.*, 899 F.2d 887, 896 n.13 (10th Cir. 1990); *In re Grayhall Resources, Inc.*, 63 B.R. 382, 384 (Bankr. D. Colo. 1986).

82. If necessary at the Sale Hearing, the Debtor will proffer evidence or testimony that it has determined that assumption and assignment of the Assumed Contracts to the Successful Bidder in connection with the Sale represents an exercise of its sound business judgment. Moreover, the Debtor expects to be able to satisfy the requirements of Bankruptcy Code sections 365(b) and (f) because: (i) undisputed monetary cure obligations for any contracts that are assumed and assigned will be paid, *see* 11 U.S.C. § 365(b)(1)(A) and (B); and (ii) to the extent that a non-debtor party to an Assumed Contract does not consent to an assignment of such Assumed Contract, the Debtor will be prepared to demonstrate at the sale hearing the requirement of adequate assurances of future performance by the Successful Bidder is satisfied. *See* 11 U.S.C. § 365(b)(1)(C), (b)(3), and (f)(2); *see also Carlisle Homes, Inc. v. Arrari (In re Carlisle Homes, Inc.)*, 103 B.R. 524, 538 (Bankr. D. N.J. 1989).

83. The Sale Hearing will, therefore, provide the Court and other interested parties with further opportunity to evaluate the ability of the Successful Bidder to provide adequate assurance of future performance under the Assumed Contracts, as required by Bankruptcy Code

section 365(b)(1)(C). Accordingly, this Court should authorize the Debtor to assume and assign the Assumed Contracts to the Successful Bidder according to the proposed procedures described above.

H. This Court Should Waive the Fourteen-Day Stay Period Imposed by Bankruptcy Rules 6004(h) and 6006(d)

84. The Debtor requests a waiver of any stay of the effectiveness of the orders approving the relief requested in this Motion. Bankruptcy Rules 6004(h) and 6006(d) each provide for a stay of an order authorizing sale under Bankruptcy Code section 363 and assignment of an unexpired lease or executory contract for 14 days. As noted above, the Sale must be effectuated expeditiously to ensure that the Debtor does not face a loss of customers and/or a liquidity crisis, which could irreparably harm the estate. Thus, cause exists for a waiver of the 14-day stay.

85. The Debtor has noticed the hearing on this Motion to all of its creditors and other parties-in-interest, and therefore any person having any objection to the Motion has been afforded a reasonable opportunity to voice any objections or concerns. Accordingly, the Debtor is aware of no prejudice that would be caused by the Court's waiver of the 14-day stay.

[Remainder of page intentionally left blank]

WHEREFORE, the Debtor requests that the Court enter orders granting the relief requested in this Motion and such other relief as is just and proper.

Dated this 5th day of September, 2017.

(d) Any Avoidance Actions.

(e) All assets of the Debtor not otherwise identified in Section 1.2 and Schedules 1.2(a) and 1.2(b).

(f) Any agreements related to the payment of any commissions or other compensation due any third party related to any of the Assumed Contracts.

(g) Any leases related to any real property or Equipment leased by the Debtor not expressly identified in Section 1.2 or Schedules 1.2(a) or 1.2(b).

(h) All accounts receivable of Debtor for any of the Assumed Contracts as of the Closing Date which are 90 days old or more, and all accounts receivable of Debtor for any contracts that are not Assumed Contracts.

1.4 Executory Contracts.

(a) Subject to its right to withdraw such designation, Buyer hereby designates the contracts listed in Schedule 1.2(a) as contracts to be assumed by Debtor and assigned to Buyer pursuant to this Asset Purchase Agreement (the “**Assumed Contracts**”). The Debtor shall seek the approval of the Bankruptcy Court of the following procedures for the assumption and assignment of the Assumed Contracts:

The Debtor shall, within two (2) business days after the entry of the Bid Procedures Order, file and serve on each of the non-debtor counterparties (each a “**Counterparty**”) each executory contract and unexpired lease of the Debtor (the “**Contracts**”) a notice (the “**Assignment Notice**”) specifying the Cure Cost, if any, Debtor believes is necessary to assume each of the Contracts and the potential for the Debtor to assume and assign such agreements to the Successful Bidder. The Assignment Notice may also identify any additional terms or conditions of assumption and assignment and the identity of Buyer. If the Debtor identifies additional executory contracts or unexpired leases that might be assumed by the Debtor and assigned to the Buyer or other Successful Bidder not set forth in the original Assignment Notice, the Debtor shall promptly send a supplemental notice (a “**Supplemental Assignment Notice**”) to the applicable counterparties, and such additional contracts or leases shall be deemed Contracts for purposes of the Bid Procedures Order.

Objections, if any, to the proposed Cure Costs, or to the proposed assumption and assignment of the Contracts must be in writing and filed with the Court and served on the Notice Parties (as defined hereinafter) so as to be received no later than five (5) business days prior to the Bid Deadline (the “**Designation and Cure Objection Deadline**”), or such other deadline as is set by the Bankruptcy Court.

Within twenty-four (24) hours after the conclusion of the Auction, the Debtor shall file a notice (the “**Notice of Successful Bidder and Assumed Contracts**”), which shall state (i) the identity of the Successful Bidder, and (ii) the Contracts that the Debtor proposes to assume and assign to the Successful Bidder.

Where a Counterparty files an objection to the assumption by the Debtor and assignment to the Buyer of such Contract (the “**Disputed Designation**”) and/or asserts a cure amount higher than the proposed Cure Costs listed on the Assignment Notice (the “**Disputed Cure Costs**”), the Debtor, the Buyer, and the Counterparty shall meet and confer in good faith to attempt to resolve any such objection without Court intervention. If the Debtor, the Counterparty, and the Buyer determine that the objection cannot be resolved without judicial intervention, then the determination of the assumption and assignment of the Disputed

Designation and/or the amount to be paid under Bankruptcy Code section 365 with respect to the Disputed Cure Costs will be determined by the Court at the Sale Hearing. If the Bankruptcy Court determines at the Sale Hearing that the applicable Assumed Contract will not be assumed and assigned, then such executory contract shall no longer be considered an Assumed Contract, provided, however, that after such determination is made by the Court, the Debtor may propose a new Cure Cost, including providing the applicable Counterparty with the Assignment Notice setting forth the re-designation and proposed new Cure Cost of the Assumed Contract.

If the Counterparty to an Assumed Contract fails to timely object to the assumption and assignment of an Assumed Contract or the proposed Cure Cost relating thereto by the Designation and Cure Objection Deadline, or upon the resolution of any timely objection by agreement of the parties or order of the Bankruptcy Court approving an assumption and assignment, such Assumed Contract shall be deemed to be assumed by the Debtor and assigned to the Buyer, and the proposed Cure Cost related to such Assumed Contract shall be established and approved in all respects, subject to the conditions set forth directly below.

The Debtor's decision to assume and assign the Assumed Contracts is subject to Court approval and consummation of the sale. Accordingly, subject to the satisfaction of conditions in connection with the sale, the Debtor shall be deemed to have assumed and assigned the Assumed Contracts as of the date of and effective only upon the Closing Date (as defined in this Agreement), and absent such closing, each of the Assumed Contracts shall neither be deemed assumed nor assigned and shall in all respects be subject to subsequent assumption or rejection by the Debtor under the Bankruptcy Code. Also, inclusion of any document on the list of Assumed Contracts shall not constitute or be deemed to be a determination or admission by the Debtor or the Buyer that such document is, in fact, an executory contract within the meaning of the Bankruptcy Code, all rights with respect thereto being expressly reserved.

Notwithstanding anything herein to the contrary, the Buyer, from time to time, may exclude any Assumed Contract in its sole and absolute discretion until the Bid Deadline. The non-debtor party or parties to any such excluded contract or lease will be notified of such exclusion within three (3) business days of such determination.

Any Contract that is not an Assumed Contract shall be deemed rejected as of the Closing Date; *provided, however*, that if any Contract to which the Counterparty is Data Sales Co., Inc., or Farnam Street Financial, Inc. is not an Assumed Contract, then such Contract shall be deemed rejected as of the date that is sixty (60) days after the Closing Date.

(b) As part of the Sale Motion, Debtor shall seek approval by the Bankruptcy Court of the sale, assumption and assignment by Debtor to Buyer of the Assumed Contracts identified in Schedule 1.2(a). Debtor shall serve the Sale Motion on all counterparties to all such Assumed Contracts along with a notice specifically stating that Debtor is or may be seeking the sale, assumption and assignment of such Debtor's Contracts and shall notify such parties of the deadline for objecting to the Cure Costs (as set forth in a schedule of Cure Costs for the Assumed Contracts to be delivered by Debtor to Buyer at least three (3) business days prior to the entry of the Bid Procedures Order), which deadline shall be not less than five (5) business days prior to the Bid Deadline. As part of the Sale Motion, Debtor shall seek authority to file with the Bankruptcy Court the list identifying the Assumed Contracts and the amounts necessary to cure defaults under each of such Assumed Contracts as determined by Debtor, so as to enable any

such party to object to the proposed Cure Costs and the Bankruptcy Court to determine such Cure Costs as promptly as reasonably possible.

1.5 Purchase Price.

(a) Subject to the terms and conditions of this Agreement, the Purchase Price to be paid by the Buyer to the Debtor for the Purchased Assets shall be \$1,945,798.00, subject to adjustment based on the Closing AR Amount, as set forth in Section 1.5(b), the November Revenue Amount, as set forth in Section 1.5(c), and certain potential adjustments for equipment, as set forth in Section 1.5(d). The Purchase Price shall be satisfied through a combination of (a) any credit bid for the amount of principal and interest due on any DIP Loan, if any, provided by Buyer, plus (b) the remaining balance in cash, which includes all Taxes and Transfer Taxes due, if any. Of the total Purchase Price, \$1,335,798.00 of such amount is referred to as the “**MRR Component**” of the Purchase Price.

(b) The Purchase Price shall be subject to adjustment at Closing based on the amount of all accounts receivable due to Debtor for any of the Assumed Contracts that are assigned to Buyer under the terms of this Agreement as of the date of the Closing which are less than 90 days old (the “**Closing AR Amount**”). The Purchase Price assumes a Closing AR Amount of \$500,000.00. The Purchase Price shall be adjusted upward, on a dollar for dollar basis, to the extent that the Closing AR Amount exceeds \$500,000, and shall be adjusted downward, on a dollar for dollar basis, to the extent that \$500,000 exceeds the Closing AR Amount. By way of example only, if the Closing AR Amount is \$600,000, then the Purchase Price shall be increased by \$100,000. By way of further example only, if the Closing AR Amount is \$400,000, then the Purchase Price shall be reduced by \$100,000. In the event that the Closing Date occurs after October 31, 2017, then the portion of the Purchase Price that is attributable to accounts receivable invoiced during the month in which the Closing Date occurs shall be prorated based on the number of days that have elapsed in such month. By way of example only, if the Closing Date occurs on November 15, 2017, and the amount of accounts receivable from the Assumed Contracts attributable to invoices from the month of November 2017 equals \$200,000, then the portion of the Purchase Price attributable to such accounts receivable shall equal \$100,000. Up and to the Bid Deadline, Debtor shall provide Buyer with written notice of any Assumed Contract where the customer has either advised Debtor of its intention to terminate its contract with Debtor or the customer has advised Debtor of its intention to reduce any services being provided under an Assumed Contract. Debtor shall provide this written notice with two (2) business days of Debtor’s actual knowledge of any termination or service reduction.

(c) The MRR Component of the Purchase Price shall be subject to adjustment at Closing based on the amount of revenue to be invoiced by the Debtor in the month of November 2017 arising from the Assumed Contracts (the “**November Revenue Amount**”). The MRR Component based on the November Revenue Amount as follows:

(i) if the November Revenue Amount exceeds \$249,900.00, then the MRR Component of the Purchase Price shall be multiplied by the ratio of (i) the November Revenue Amount to (ii) \$249,900. By way of example only, if the November Revenue Amount is \$260,000, then the MRR Component shall be equal to \$1,389,785.83 (*i.e.*, \$1,335,798.00 multiplied by the ratio of \$260,000 to

\$249,900); and

(ii) if the November Revenue Amount is less than \$207,100.00, then the MRR Component of the Purchase Price shall be multiplied by the ratio of (i) the November Revenue Amount to (ii) \$207,100. By way of example only, if the November Revenue Amount is \$200,000, then the MRR Component shall be equal to \$1,290,002.90 (*i.e.*, \$1,335,798.00 multiplied by the ratio of \$200,000 to \$207,100).

(d) The Purchase Price includes \$100,000.00 for the HP Equipment identified in Schedule 1.2(b). Debtor has represented to Buyer that it owns the HP Equipment and that it can sell the equipment to Buyer free and clear of any leases, liens or encumbrances. In the event that Debtor is unable to sell the HP Equipment free and clear of any leases, liens, encumbrances, or other claims, Buyer may reduce the Purchase Price by \$100,000.00 and not acquire the HP Equipment. The Purchase Price also includes \$10,000.00 for certain equipment that was formerly leased by the Debtor from VAR Resources, Inc., or its successors and assigns (the "**VAR Equipment**"). The VAR Equipment is identified in Schedule 1.2(b). In the event that Debtor is unable to sell the VAR Equipment to Buyer free and clear of any leases, liens, encumbrances, or other claims, Buyer may reduce the Purchase Price by \$10,000.00 and not acquire the VAR Equipment.

1.6 Revenue and Expense Allocations. Subject to the provisions of Section 10.14, all revenues and expenses with respect to the Purchased Assets shall be allocated between Debtor and Buyer as provided herein, effective as 12:01 a.m. Denver, Colorado time on the Closing Date (the "**Cut Off Time**"), determined in accordance with sound accounting principles, consistently applied. Except as may otherwise expressly provided for in this Agreement, Debtor shall be entitled to all revenue and shall be responsible for all expenses of or relating to the Purchased Assets incurred during the period of time up to but not including the Cut Off Time, and Buyer shall be entitled to all revenue and be responsible for all expenses of the Purchased Assets incurred during the period of time from, after and including the Cut Off Time.

1.7 Prorations. Prepaid items under the Assumed Contracts and any accruals shall be prorated between the Debtor and Buyer on the basis of the period of time to which such prepaid items and accruals apply. All prorations under this Section 1.7 shall be subject to the reconciliation provided for in Section 1.9.

1.8 Payment of Purchase Price. At the Closing, Buyer will pay, pursuant to the applicable terms of this Agreement, the Purchase Price in the form of a credit bid for the balance of its post-petition debt ("**DIP Loan**"), if any, approved in accordance with the terms and conditions of a final order, if any, entered by the Bankruptcy Court approving such DIP Loan, plus the remaining balance in cash as set forth in Section 1.5 above.

1.9 Reconciliation and Post-Closing Adjustments. Any expenses incurred by (i) Buyer with respect to the Purchased Assets from and after the Cut Off Time, and (ii) Debtor with respect to the Purchased Assets prior to and including the Cut Off Time, shall be promptly allocated in the manner described herein (meaning that Debtor shall be responsible for expenses relating to periods prior to the Cut Off Time and Buyer shall be responsible for expenses relating to periods beginning as of the Cut Off Time). The parties shall promptly pay or reimburse any

amount due. For avoidance of doubt, Buyer shall be entitled to any revenue received by Debtor after the Cut Off Time for any revenue received related to the Assumed Contracts.

1.10 Assumed Liabilities. The Debtor acknowledges that the Buyer shall not assume any Liabilities or obligations of the Debtor except (i) all Liabilities for Cure Costs, if any, for an Assumed Contract, (ii) the obligations of the Debtor relating to the ownership or operation of the Purchased Assets accruing after the Cut Off Time, including any such Liabilities accruing for Taxes applicable to the Purchased assets and all obligations under any of the Assumed Contracts arising after the Cut Off Time, (iii) all Liabilities for Taxes, if any; and (iv) all Liabilities for Transfer Taxes, if any.

1.11 Tax Documents. The parties shall reasonably cooperate and assist each other in preparing any necessary tax documents required as a result of the transactions set forth in this Agreement.

1.12 Closing. The Debtor shall seek a waiver of the 14-day stay of effectiveness of the Sale Order. If such stay is waived, then the purchase and sale of the Purchased Assets shall take place at a closing (the "**Closing**") within three (3) business days after the entry of the Sale Order, or at such other time and place as the parties may agree, subject to the satisfaction or waiver of all of the conditions to Closing set forth in Article VI and Article VII, but in any event, on or before the Outside Date.

1.13 Closing Deliveries.

(a) At or prior to the Closing, Debtor shall deliver to Buyer:

(i) A Bill of Sale in a form reasonably acceptable to Debtor and Buyer conveying to Buyer any and all Purchased Assets comprised of personal property, equipment purchased, accounts receivable, and Intellectual Property, duly executed by Debtor;

(ii) Good standing certificates for the Debtor from the Secretary of State of the State of Colorado, dated within thirty (30) days of the Closing Date;

(iii) Delivery from Debtor to Buyer of all originals and copies of documents, information or other data relating to the Assumed Contracts in its possession, including without limitation all files and records, all electronic media and data, all originals, or if unavailable a copy, of the Assumed Contracts, a copy of any written notices or other written correspondence between the parties thereto;

(iv) Adequate documentation establishing that all members of the Debtor have consented to the sale of the Purchased Assets; and

No such payments received by Debtor shall be commingled with other funds of the Debtor.

ARTICLE III

CERTAIN OTHER AGREEMENTS

3.1 **Notification.** The parties hereto shall promptly notify the other party hereto in writing if such party becomes aware of any event, fact or condition that would cause any of such party's representations and warranties in this Agreement to be untrue or incomplete or which makes the satisfaction of the conditions to close the transactions contemplated hereby impossible or unlikely.

8.2 No Consequential, Speculative or Punitive Damages. The parties hereto agree that neither party shall have any liability for consequential, speculative or punitive damages.

8.3 Bankruptcy Court Approvals.

(a) On or promptly after the Effective Date, Debtor shall file a motion (the "Sale Motion") for an Order by the Bankruptcy Court approving the sale of the Purchased Assets to Buyer or, if applicable, other Successful Bidder, on the terms and conditions set forth in this Agreement free and clear of all Encumbrances, in form and substance satisfactory to Buyer (such Order the "Sale Order"). (c) In the event that the entry of the Bid Procedures Order or the Sale Order is appealed or a stay pending appeal is sought, Debtor shall oppose the appeal or the stay pending appeal and seek the dismissal of any appeal (including a petition for certiorari, motion for rehearing, reargument, reconsideration or revocation) but, if and only if this Agreement is terminated, then Debtor shall be under no obligation under this Agreement to continue such opposition or to seek any such dismissal following the Outside Date. Notwithstanding the foregoing, any resulting changes to this Agreement or any document, instrument or agreement executed in connection herewith or resulting changes to the Bid Procedures Order and the Sale Order shall be subject to Buyer’s approval in their reasonable discretion. Debtor shall consult with Buyer and their representatives concerning the Sale Order, the Bid Procedures Order any other Order of the Bankruptcy Court relating to this Agreement or any document, instrument or agreement executed in connection herewith, and the bankruptcy proceedings in connection therewith and provide Buyer with copies of requested applications, pleadings, notices, proposed Orders and other documents relating to such proceedings as soon as reasonably practicable prior to any submission thereof to the Bankruptcy Court so as to permit Buyer sufficient time to review and comment on such applications, pleadings, notices, proposed Orders and other documents, and proposed Orders shall be in form and substance reasonably acceptable to Buyer. Debtor shall give Buyer reasonable advance notice of any hearings regarding the motions required to obtain the issuance of the Sale Order and Buyer shall have the right to attend and seek to be heard at any such hearings. Debtor further covenants and agrees that, after the Closing, the terms of any reorganization plan it submits to the Bankruptcy Court or any other court for confirmation shall not conflict with, supersede, abrogate, nullify or restrict the terms of this Agreement, or in any way prevent or interfere with the consummation or performance of the transactions contemplated by this Agreement, including, any transaction contemplated by or approved pursuant to the Bid Procedures Order or the Sale Order.

If such Assumed Contract is not designated by Buyer an Excluded Contract as a result of such casualty, all insurance proceeds shall be held and disposed of in accordance with the provisions of the applicable Assumed Contract and upon the Closing Debtor shall assign or deliver to Buyer all rights of Debtor thereto, if any, and Buyer shall receive a credit at Closing in the amount of any deductible under such insurance policy.

8.5 **Condemnation.** If any Purchased Asset or any material portion thereof or any access thereto is taken by eminent domain or becomes subject to any condemnation or eminent domain proceeding prior to the Closing, then Buyer shall have the option to proceed with this transaction and to receive an assignment of any condemnation proceeds or award (or have the Purchase Price reduced by any proceeds or awards paid to Debtor), or designate the applicable

Assumed Contract as an Excluded Contract provided that (a) such designation shall be made by written notice from Buyer to Debtor within ten (10) days of receipt of notice of such proceeding, and (b) Buyer's rights and obligations under this Agreement with respect to such Assumed Contract shall cease as of the date of the designation notice. If such Assumed Contract is not designated by Buyer as an Excluded Contract as a result of a condemnation, all condemnation proceeds shall be held and disposed of in accordance with the provisions of the applicable Assumed Contract and upon the Closing Debtor shall assign or deliver to Buyer all rights of Debtor thereto, if any.

² Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact when appropriate. *See* Fed. R. Bankr. P. 7052.

the Notice of Sale and the Assignment Notice, the Bidding Procedures Hearing and the other relief related thereto requested in the Sale Motion is necessary or shall be required.

C. Reasonable opportunity to object or be heard with respect to the Sale Motion and the relief requested in the Sale Motion has been afforded to all interested persons and entities, including, without limitation: (i) all entities reasonably known to have expressed an interest in a transaction with respect to the Debtor or the Purchased Assets; (ii) any entities known to have asserted any Encumbrance in or upon the Purchased Assets; (iii) each of the non-debtor counterparties to the Contracts (each a “**Counterparty**”); (iv) all federal, state, and local regulatory or taxing authorities or recording offices which have a reasonably known interest in the relief requested by the Motion; (v) all parties to the APA (or any other Successful Bid in accordance with the Bidding Procedures) and all related agreements; (vi) the Office of the United States Trustee; (vii) the Internal Revenue Service; (viii) all entities that have requested notice in accordance with Bankruptcy Rule 2002; and (ix) all other known creditors of the Debtor.

D. The Debtor has articulated good and sufficient reasons for approving (i) the Bidding Procedures; (ii) the form and manner of the Notice of Sale; (iii) the form and manner of providing the Assignment Notice; and, in connection therewith, (iv) the procedures described below for the determination of the amounts necessary to cure defaults under the Assumed Contracts (the “**Cure Costs**”) and to address any other disputes in connection with the Assumption and Assignment pursuant to section 365 of the Bankruptcy Code; and (v) the other relief related thereto requested in the Sale Motion.

E. The Debtor has articulated good and sufficient reasons for scheduling the Sale Hearing as set forth herein.

F. The Debtor's notice of the Auction, the Sale, the Sale Hearing and the Assumption and Assignment as described herein is appropriate and reasonably calculated to provide interested parties with timely and proper notice, and no other or further notice is required.

G. The Bid Protections (as defined in the Sale Motion) are reasonable, necessary, and appropriate because they were necessary to induce the Stalking Horse Bidder to serve as stalking horse, which sets a baseline for an orderly auction and sale process;

H. The Minimum Overbid and Bidding Increments are beneficial to the Debtor's estate and creditors because they will ensure a competitive and efficient bidding process and will enhance the Debtor's ability to maximize the value of its assets for the benefit of its creditors and other parties-in-interest therein. The terms and conditions of the Minimum Overbid and Bidding Increments are fair and reasonable and are the product of extensive good faith negotiations between the Debtor and the Stalking Horse Bidder. The Debtor has demonstrated a sound business justification for the Minimum Overbid and Bidding Increments.

(i) *Minimum Overbid.* The Minimum Overbid will benefit the Debtor's estate because it will function as an effective tool to identify only highly motivated bidders. A Minimum Overbid on the terms described in the Bidding Procedures will ensure both that the competing bidders are serious and that their overbids are meaningfully better for the Debtor (considering the added cost of facilitating further diligence to new bidders under time and publicity constraints). The Minimum Overbid will ensure that the Auction will generate a material benefit to the Debtor's estate as a whole.

(ii) *Bidding Increments*. Similarly, the Bidding Increments, on the terms described in the Bidding Procedures, will effectively filter the pool of prospective bidders and ensure that competing bidders are seriously motivated to purchase the Purchased Assets. Thus, the Bidding Increments also provide a benefit to the Debtor's estate.

I. The Bidding Procedures are fair, reasonable and appropriate and are designed to maximize the proceeds from the Sale. The Bidding Procedures were negotiated in good faith and at arm's length between the Debtor and the Stalking Horse Bidder. Under the circumstances, and particularly in light of the extensive prior marketing of the Purchased Assets, the Bidding Procedures constitute a reasonable, sufficient, adequate, and proper means to provide potential competing bidders with an opportunity to submit and pursue higher and better offers for the Purchased Assets.

J. Time is of the essence with respect to the entry of this Bidding Procedures Order.

K. Entry of this Bidding Procedures Order is in the best interests of the Debtor and its estate, creditors and other parties-in-interest.

L. The Sale Motion and this Bidding Procedures Order comply with all applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Local Bankruptcy Rules.

NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:

1. The procedures set forth in the Sale Motion are APPROVED to the extent set forth herein.

2. Any objections to entry of this Bidding Procedures Order or the relief granted herein that have not been withdrawn or waived and all reservations of rights included in such objections, are overruled in all respects on the merits.

Bidding Procedures

3. The Bidding Procedures set forth in Exhibit A hereto and the Assumption and Assignment Procedures (as defined below) are hereby **APPROVED** and the Bidding Procedures shall be fully incorporated into this Bidding Procedures Order. The Bidding Procedures and the Assumption and Assignment Procedures shall be used for (i) marketing, negotiating and consummating the Sale of the Purchased Assets free and clear of all Encumbrances in accordance with section 363 of the Bankruptcy Code, and (ii) the Assumption and Assignment in accordance with section 365 of the Bankruptcy Code and shall govern all proceedings relating to the Sale, the APA, and any subsequent bids for the Purchased Assets in this Bankruptcy Case. The Debtor is hereby authorized and directed to act in accordance with the Bidding Procedures and the Assumption and the Assignment Procedures.

4. The failure specifically to include or reference any particular provision of the Bidding Procedures in this Bidding Procedures Order shall not diminish or impair the effectiveness of such provision, it being the intent of this Court that the Bidding Procedures be authorized and approved in their entirety.

5. To constitute a “Qualified Bid,” any offer by any person wishing to submit a higher or better offer for the Purchased Assets (or a portion thereof) must be made in accordance with the terms of the Bidding Procedures; *provided* that the APA is and is hereby deemed to be a Qualified Bid.

6. No party, other than the Stalking Horse Bidder, submitting any offer to purchase the Purchased Assets (or a portion thereof) or having made a Qualified Bid of any nature:
(a) may request as part of any such offer any expense reimbursement, break-up fee, or

termination payment or any other similar fee or payment in connection with the Sale process contemplated by these Bidding Procedures; or (b) shall be entitled to any of the foregoing payments for having tendered any such offer to purchase, or for agreeing to purchase, the Purchased Assets (or a portion thereof).

7. To participate at the Auction, an Overbidder must submit its bid in a form acceptable to the Debtor (with copies to certain professionals as explained in the Bidding Procedures) on or before October 23, 2017 at 5:00 p.m. (prevailing Mountain Time) (the “**Bid Deadline**”), as further described in the Bidding Procedures.

(b) within two (2) business days after entry of this Bidding Procedures Order, the Assignment Notice, substantially in the form attached to the Sale Motion as Exhibit 3, shall be served by first-class mail upon each counterparty to the potential Assumed Contracts.

13. The Sale Hearing will take place on October 30, 2017 at [•] (prevailing Mountain Time) in the courtroom of the Honorable Joseph G. Rosania in the United States Bankruptcy Court for the District of Colorado, 721 19th St., Denver, Colorado 80202.

14. The Sale Hearing to consider approval of the Sale to the Successful Bidder (or to approve the APA if the Successful Bid is by the Stalking Horse Bidder) may be adjourned from time to time without further notice to creditors or parties-in-interest other than by announcement of the adjournment in open Court or on this Court's calendar on the date scheduled for the Sale Hearing or any adjourned date.

15. Assumption and Assignment Procedures

16. The following procedures (the “**Assumption and Assignment Procedures**”) shall govern the Assumption and Assignment:

(a) The Debtor shall, within two (2) business days after the date of this Bidding Procedures Order, serve on each Counterparty an Assignment Notice specifying the Cure Cost and the potential for the Debtor to assume and assign each of the Contracts to the Stalking Horse Bidder or other Successful Bidder. If the Debtor identifies additional executory contracts or unexpired leases that might be assumed by the Debtor and assigned to the Stalking Horse Bidder (or other Successful Bidder) not set forth in the original Assignment Notice, the Debtor shall promptly send a supplemental notice (a “**Supplemental Assignment Notice**”) to the applicable counterparties, and such additional contracts or leases shall be deemed Contracts for purposes of this Order.

(b) Objections, if any, to the proposed Cure Costs, or to the proposed Assumption and Assignment, including, but not limited to, objections relating to adequate assurance of future performance by the Stalking Horse Bidder or objections relating to whether applicable law excuses the Counterparty from accepting performance by, or rendering performance to, the Successful Bidder for purposes of section 365(c)(1) of the Bankruptcy Code, must be in writing and filed with this Court and served on the Notice Parties so as to be received no later than five (5) business days prior to the Bid Deadline (the “**Designation and Cure**

Objection Deadline”); provided, however, that in the event the Successful Bidder is a bidder other than the Stalking Horse Bidder (which, if applicable, will be set forth in the Notice of Successful Bidder and Assumed Contracts), objections relating to adequate assurance of future performance may be raised at any time prior to or during the Sale Hearing; provided further, however, that for any counterparty that receives a Supplemental Assignment Notice, the Designation and Cure Objection Deadline shall be the earlier of (i) ten (10) days after the mailing of the Supplemental Assignment Notice, or (ii) two (2) business days prior to the Sale Hearing.

(c) Within twenty-four (24) hours after the conclusion of the Auction, the Debtor shall file a notice (the “**Notice of Successful Bidder and Assumed Contracts**”), which shall state (i) the identity of the Successful Bidder, and (ii) the Contracts that the Debtor proposes to assume and assign to the Successful Bidder (the “**Assumed Contracts**”).

(d) Where a Counterparty files an objection meeting the requirements set forth herein, objecting to the assumption by the Debtor and assignment to the Successful Bidder of such Contract (the “**Disputed Designation**”) and/or asserting a cure amount higher than the proposed Cure Costs listed on the Assignment Notice (the “**Disputed Cure Costs**”), the Debtor, the Stalking Horse Bidder, or the other Successful Bidder (as the case may be), and the Counterparty shall meet and confer in good faith to attempt to resolve any such objection without Court intervention. If the Debtor, the Counterparty, and the Stalking Horse Bidder (or the other Successful Bidder, as the case may be), determine that the objection cannot be resolved without judicial intervention, then the determination of the assumption and assignment of the Disputed Designation and/or the amount to be paid under section 365 of the Bankruptcy Code with respect to the Disputed Cure Costs will be determined by this Court at the Sale Hearing. If this Court

determines at the Sale Hearing that the Assumed Contract will not be assumed and assigned, then such executory contract shall no longer be considered an Assumed Contract, provided, however, that after such determination is made by this Court, the Debtor may propose a new Cure Cost in accordance with the procedures set forth herein, including providing the applicable Counterparty with the Assignment Notice setting forth the redesignation and proposed new Cure Cost of the Assumed Contract. Notwithstanding the foregoing, the Debtor, in consultation with the Stalking Horse Bidder, or the other Successful Bidder (as the case may be), may at any time withdraw its application to this Court for authorization to assume and assign any Assumed Contract that is the subject of a Disputed Designation.

(e) Other than with respect to the ability to raise objections relating to adequate assurance of future performance of a Successful Bidder other than the Stalking Horse Bidder at any time prior to or during the Sale Hearing, any Counterparty to a Contract who fails to timely file an objection to the proposed Cure Costs or the proposed assumption and assignment of a Contract by the Designation and Cure Objection Deadline is deemed to have consented to such Cure Costs and the assumption and assignment of such Contract, and such party shall be forever barred from objecting to the Cure Costs and from asserting any additional cure or other amounts against the Debtor, its estate, or the Stalking Horse Bidder (or the other Successful Bidder, as the case may be).

(f) If the Counterparty to a Contract fails to timely object to the assumption and assignment of a Contract or the proposed Cure Cost relating thereto by the Designation and Cure Objection Deadline, or upon the resolution of any timely objection by agreement of the parties or order of this Court approving an assumption and assignment, such Contract may be

assumed by the Debtor and assigned to the Successful Bidder, and the proposed Cure Cost related to such Contract shall be established and approved in all respects, subject to the conditions set forth directly below.

(g) The Debtor's decision to assume and assign the Assumed Contracts is subject to Court approval and consummation of the Sale. Accordingly, subject to the satisfaction of conditions in connection with the Sale, the Debtor shall be deemed to have assumed and assigned the Assumed Contracts as of the date of and effective only upon the Closing Date (as defined in the APA (or any other Successful Bid in accordance with the Bidding Procedures)), and absent such closing, each of the Assumed Contracts shall neither be deemed assumed nor assigned and shall in all respects be subject to subsequent assumption or rejection by the Debtor under the Bankruptcy Code. Additionally, inclusion of any document on the list of Contracts in the Assignment Notice shall not constitute or be deemed to be a determination or admission by the Debtor or the Stalking Horse Bidder (or the other Successful Bidder, as the case may be) that such document is, in fact, an executory contract within the meaning of the Bankruptcy Code, all rights with respect thereto being expressly reserved.

(h) Except as may otherwise be agreed to by the parties to an Assumed Contract, the defaults under the Assumed Contracts that must be cured in accordance with section 365(b) of the Bankruptcy Code shall be cured as follows: the Successful Bidder shall pay all Cure Costs relating to an assumed executory contract within ten days after the later of (i) the Closing Date; (ii) the date on which such Assumed Contract is deemed assumed and assigned; or (iii) the date on which the Successful Bidder and contract counterparty otherwise agree to in writing.

(i) Following the Bid Deadline, no Proposed Assumed Contract may be excluded by the Stalking Horse Bidder or Successful Bidder, as applicable, and all Proposed Assumed Contracts shall be listed as Assumed Contracts in the Notice of Successful Bidder and Assumed Contracts.

(j) Any Contract that is not an Assumed Contract shall be deemed rejected as of the Closing Date; *provided, however*, that if any Contract to which the Counterparty is Data Sales Co., Inc., or Farnam Street Financial, Inc. is not an Assumed Contract, then such Contract shall be deemed rejected as of the date that is sixty (60) days after the Closing Date.

17. Notwithstanding Bankruptcy Rules 6004, 6006 or otherwise, this Bidding Procedures Order shall be effective and enforceable immediately upon entry.

18. This Court shall retain jurisdiction over any matter or dispute arising from or related to implementing this Bidding Procedures Order.

price for the Purchased Assets through the process and procedures set forth below (the “**Bidding Procedures**”).

On October 30, 2017 at [•] (prevailing Mountain Time) (or such other date and time as may be designated), as further described below, in the Motion and in the Bidding Procedures Order, the Bankruptcy Court will conduct a hearing (the “**Sale Hearing**”) at which the Debtor shall seek entry of an order (the “**Sale Order**”) authorizing and approving the Sale of the Purchased Assets pursuant to the terms of the Successful Bid (as defined below).

1. **Participation Requirements**

(a) To be qualified to receive any confidential information from the Debtor, a potential bidder must submit to the Debtor, prior to the receipt of any such information, an executed confidentiality agreement which shall inure to the benefit of the Successful Bidder, in a form and substance acceptable to the Debtor and the Stalking Horse Bidder. To be qualified (i) to submit an Initial Overbid, as that term is hereinafter defined, and (ii) to participate in the Auction, a potential bidder must submit to the Debtor before the Bid Deadline (defined below) current audited financial statements and the latest unaudited financial statements of the potential bidder or, if such potential bidder is an entity formed for the purpose of acquiring the Purchased Assets, current audited financial statements and the latest unaudited financial statements of the equity holders or sponsors of such potential bidder who will guarantee the obligations of such potential bidder, or such other form of financial disclosure and/or credit-quality support or enhancement, if any, that will allow the Debtor to make a reasonable determination as to such potential bidder’s financial and other capabilities to consummate the Sale.

(b) Based on the materials received by it, the Debtor shall determine whether any potential bidder that has timely submitted the materials referred to in Section 1(a) above qualifies to submit a bid (such qualifying potential bidder, an “**Overbidder**”).

2. **Bid Requirements**

(a) To participate at the Auction, an Overbidder must submit the following to the Debtor before the Bid Deadline (as defined below):

- (i) a proposed asset purchase agreement (the “**Competing Purchase Agreement**”) executed by the Overbidder that (i) is on substantially the same terms and conditions as the APA along with a redlined, marked copy showing all changes between the Competing Purchase Agreement and the APA (the Debtor’s counsel will provide a copy of the APA in Microsoft Word format to Overbidders); (ii) provides for a purchase price to be paid to the Debtor that exceeds the Purchase Price² (as defined in the APA) by at least fifty thousand dollars (\$50,000) cash (such aggregate amount of the Purchase Price plus \$50,000, the “**Minimum Overbid**”); (iii) contains a list of the Debtor’s executory contracts and unexpired leases with respect to which the Overbidder seeks assignment from the Debtor (whether set forth in the Stalking Horse Bidder’s APA or a Competing Purchase Agreement, the “**Proposed Assumed Contracts**”); (iv) remains irrevocable until the earlier of the closing of a purchase of the Purchased Assets by the Successful Bidder and the Overbidder Outside Date (as defined below); (v) disclaims any right of the Overbidder to receive any transaction or breakup fee, expense reimbursement or similar fee or payment or to compensation under Bankruptcy Code Section 503(b) for making a substantial contribution; and (vi) contains a proposed closing date that is not later than November 15, 2017 or such later dates as may be agreed in writing by the Debtor and the Overbidder in their sole discretion (the “**Overbidder Outside Date**”);
- (ii) a cashier’s check made payable to the order of the Debtor in the amount of \$100,000 (the “**Overbidder’s Deposit**”), which will be retained by the Debtor as a nonrefundable good faith deposit for application against the purchase price at the closing of the transaction or returned to the

Overbidder or otherwise applied as set forth in these Bidding Procedures;
and

- (iii) admissible evidence in the form of affidavits or declarations establishing that the Overbidder has the financial ability to pay the purchase price and provide adequate assurance of future performance under all contracts to be assigned to it.

(b) A bid received from an Overbidder (and any bid submitted at the Auction by an Overbidder) that meets the requirements set forth above will be considered a “**Qualified Bid**” if, in the good faith opinion of the Debtor, after consulting with its financial and legal advisors and with its secured lender, Silicon Valley Bank, (i) such bid is determined not to be materially more burdensome or conditional than the terms of the APA and (ii) the Debtor reasonably believes that such bid would be consummated before the Overbidder Outside Date if selected as a Successful Bid (as defined below). Each Overbidder will be notified within 24 hours of receipt of its bid by the Debtor whether such Overbidder’s bid has been deemed a Qualified Bid.

(c) Each bidder shall be deemed to acknowledge and represent that it has had an opportunity to conduct any and all due diligence regarding the Purchased Assets prior to making any bids; that it has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Purchased Assets in making its bid; and that it did not rely upon any written or oral statements, representations, promises, warranties or guaranties whatsoever, whether express, implied, by operation of law or otherwise, regarding the Purchased Assets, or the completeness of any information provided in connection therewith, except as expressly stated in these Bidding Procedures or, as to the Successful Bidder, the asset purchase agreement with such Successful Bidder.

(d) The Stalking Horse Bidder, and any entity that submits a timely Qualified Bid accompanied by all items required to be submitted along therewith in accordance with these Bidding Procedures (an “**Initial Overbid**”), shall each be deemed a “**Qualified Overbidder**” and may bid for the Purchased Assets at the Auction. Any entity (other than the Stalking Horse Bidder) that fails to submit a timely, conforming Initial Overbid, as set forth above, shall be disqualified from bidding for the Purchased Assets at the Auction. The Debtor shall, promptly upon receipt of any Initial Overbid, provide copies of such Initial Overbid to the Stalking Horse Bidder and to counsel for Silicon Valley Bank.

3. **Bid Deadline**

(a) The deadline for submitting bids by an Overbidder shall be **October 23, 2017 at 5:00 p.m.** (prevailing Mountain Time) (the “**Bid Deadline**”).

(b) Before the Bid Deadline, an Overbidder that desires to make a bid shall deliver written copies of its bid via overnight mail and email to (i) counsel for the Debtor, Brownstein Hyatt Farber Schreck LLP, 410 17th Street, Suite 2200, Denver CO 80202, Attn: Joshua M. Hantman; jhantman@bhfs.com; and (ii) counsel for Silicon Valley Bank, Riemer Braunstein, LLP, Three Center Plaza, Suite 600, Boston, MA 02108, Attn: Alexander Rheaume; arheaume@riemerlaw.com.

4. **Auction**

(a) If no timely, conforming Initial Overbid is received, the Debtor shall not conduct an Auction and shall request at the Sale Hearing that the Court approve the APA, including the Sale of the Purchased Assets (including the assignment of the Assumed Contracts, if any) to the

Stalking Horse Bidder, and request that the Sale Order shall be immediately effective upon entry, notwithstanding Bankruptcy Rule 6004(h).

(b) If one or more timely conforming Initial Overbids are received, the Debtor shall conduct an Auction of the Purchased Assets, in which the Stalking Horse Bidder and all other Qualified Overbidders may participate. The Auction shall be conducted at the offices of Brownstein Hyatt Farber Schreck LLP, 410 17th Street, Suite 2200, Denver, Colorado 80202 on **October 27, 2017 at 9:00 a.m.** (prevailing Mountain Time), or such other place and time as the Debtor may determine, so long as such change is communicated reasonably in advance to all Qualified Overbidders and other invitees, if any.

(c) The following procedures will govern the Auction:

- (i) all Qualified Overbidders shall be deemed to have consented to the core jurisdiction of the Bankruptcy Court and to have waived any right to jury trial in connection with any disputes relating to the Auction or the Sale of the Purchased Assets;
- (ii) all Qualified Overbidders (other than the Stalking Horse Bidder) shall be deemed to consent to provide the Debtor with admissible evidence in the form of affidavits or declarations establishing (A) the Qualified Overbidder's good faith, within the meaning of Section 363(m) of the Bankruptcy Code; and (B) that the Qualified Overbidder is capable and qualified, financially, legally, and otherwise, of unconditionally performing all obligations under the Competing Purchase Agreement;
- (iii) bidding will start at the amount of the highest bid submitted by a Qualified Overbidder, as determined by the Debtor;
- (iv) each subsequent bid shall be in increments of no less than \$50,000 in cash;
- (v) if the Stalking Horse Bidder makes a Court-approved postpetition loan ("**DIP Loan**") to the Debtor, then the Stalking Horse shall have the right to credit-bid any and all obligations outstanding under the DIP Loan. If the Stalking Horse Bidder is not the Successful Bidder, then all sale proceeds received by the Debtor shall be used first to repay the DIP Loan,

if any, in full prior to making any other payments or distributions on account of any other claims or obligations;

- (vi) immediately before concluding the Auction, the Debtor shall: (a) review each Qualified Bid for its financial and contractual terms and the factors relevant to the Sale process and the best interests of the Debtor's estate, its creditors and other parties-in-interest therein; and (b) after consulting with its secured lender, Silicon Valley Bank, determine and identify the highest or otherwise best Qualified Bid (the "**Successful Bid**") and the Qualified Overbidder (or the Stalking Horse Bidder) submitting such bid (the "**Successful Bidder**");
- (vii) if, at the Auction's conclusion and consistent with the Bidding Procedures' terms, the Stalking Horse Bidder's final bid is greater than the highest bid made by any Qualified Overbidder, such final bid shall be the Successful Bid, the Stalking Horse Bidder shall be the Successful Bidder and the Bankruptcy Court shall approve the APA, including the Sale of the Purchased Assets (including the assignment of the Assumed Contracts, if any) to the Stalking Horse Bidder, and authorize the Debtor to sell the Purchased Assets (including the assignment of the Assumed Contracts, if any) to the Stalking Horse Bidder, and the amount of the Stalking Horse Bidder's final bid shall constitute the Purchase Price under the APA; and
- (viii) for the avoidance of doubt, the Debtor may elect to deem the Stalking Horse Bidder's final bid to be the Successful Bid, notwithstanding the receipt of an apparently higher bid from another Qualified Overbidder, if the Debtor reasonably concludes that the Qualified Overbidder may not be able to close on a timely basis.

5. **Sale Hearing**

A hearing to consider approval of the Sale to the Successful Bidder (or to approve the APA if no Auction is held or the Successful Bid is by the Stalking Horse Bidder) will take place on **October 30, 2017** at [•] (prevailing Mountain Time) in the courtroom of the Honorable Joseph G. Rosania in the United States Bankruptcy Court for the District of Colorado, 721 19th St., Denver, Colorado 80202 (the "**Sale Hearing**").

6. **Return of Overbidder's Deposit**

Except with respect to the Successful Bidder, all Overbidder's Deposits shall be returned within three business days after the Auction concludes, or, if no Auction is held, within three days after the Sale Hearing.

to the Bidding Procedures, the Debtor will conduct an auction for the Purchased Assets (the “**Auction**”) at the offices of Brownstein Hyatt Farber Schreck LLP, Suite 2200, Denver, Colorado 80202 on **October 27, 2017 at 9:00 a.m.** (prevailing Mountain Time) (unless no timely conforming Initial Overbids (as defined below) are received).

As set forth in the Bidding Procedures Order, to be qualified to receive any confidential information from the Debtor, a potential bidder must submit to the Debtor, prior to the receipt of any such information, an executed confidentiality agreement which shall inure to the benefit of the Successful Bidder, in a form and substance acceptable to the Debtor and the Stalking-Horse Bidder. To be qualified (i) to submit an Initial Overbid, as that term is hereinafter defined, and (ii) to participate in the Auction, a potential bidder must submit to the Debtor before **October 23, 2017 at 5:00 p.m.** (prevailing Mountain Time) (the “**Bid Deadline**”), current audited financial statements and the latest unaudited financial statements of the potential bidder or, if such potential bidder is an entity formed for the purpose of acquiring the Purchased Assets, current audited financial statements and the latest unaudited financial statements of the equity holders or sponsors of such potential bidder who will guarantee the obligations of such potential bidder, or such other form of financial disclosure and/or credit-quality support or enhancement, if any, that will allow the Debtor to make a reasonable determination as to such potential bidder’s financial and other capabilities to consummate the Sale.

7. Based on the materials received by it, the Debtor shall determine whether any potential bidder that has timely submitted the materials referred above qualifies to submit a bid (such qualifying potential bidder, an “**Overbidder**”).

8. In order to participate at the Auction, an Overbidder must submit its bid in a form acceptable to the Debtor (with copies to certain professionals as explained in the Bidding Procedures) on or before the Bid Deadline.

9. 10. A bid received from an Overbidder (and any bid submitted at the Auction by an Overbidder) that meets the requirements set forth in the Bidding Procedures, including, but not limited to, those above, will be considered a “**Qualified Bid**” if, in the good faith opinion of the Debtor, after consulting with the Debtor’s financial and legal advisors, (i) such bid is determined not to be materially more burdensome or conditional than the terms of the APA and (ii) the Debtor reasonably believes that such bid would be consummated before the Overbidder Outside Date if selected as a Successful Bid (as defined below).

11. The sale of the Purchased Assets will be on an “as is, where is” basis and without representations or warranties of any kind, nature, or description by the Debtor, its agents, its advisors, or estate, except to the extent set forth in the APA or in the Debtor’s purchase agreement with the Successful Bidder. Each bidder will be deemed to acknowledge and represent that it has had an opportunity to conduct any and all due diligence regarding the Purchased Assets prior to making any bids; that it has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Purchased Assets in making its bid; and that it did not rely upon any written or oral statements, representations, promises, warranties or guaranties whatsoever, whether express, implied, by operation of law or otherwise, regarding the Purchased Assets, or the completeness of any information provided in connection therewith, except as expressly stated in the Bidding Procedures or, as to the Successful Bidder,

the purchase agreement with such Successful Bidder. Except as otherwise provided in the APA or the purchase agreement with the Successful Bidder, all of the right, title and interest in and to the Purchased Assets to be acquired will be sold free and clear of all Encumbrances. The Encumbrances will attach to the net proceeds of the sale of the Purchased Assets.

12. The Stalking Horse Bidder, and any entity that submits a timely Qualified Bid accompanied by all items required to be submitted along therewith in accordance with the Bid Procedures (an “**Initial Overbid**”), will each be deemed a “**Qualified Overbidder**” and may bid for the Purchased Assets at the Auction. Any entity (other than the Stalking Horse Bidder) that fails to submit a timely, conforming Initial Overbid, as set forth above, will be disqualified from bidding for the Purchased Assets at the Auction. The Debtor will, promptly upon receipt of any Initial Overbid, provide copies of such Initial Overbid to the Stalking Horse Bidder.

13. If no timely, conforming Initial Overbid is received, the Debtor will not conduct an Auction and will (i) request at the Sale Hearing that this Court approve the APA, including the Sale of the Purchased Assets (including the assignment of the Assumed Contracts, if any) to the Successful Bidder, and (ii) request that the Sale Order will be immediately effective upon entry. If one or more timely conforming Initial Overbids are received, the Debtor will conduct the Auction, subject to approval of this Court, in which the Stalking Horse Bidder and all other Qualified Overbidders may participate.

14. The Auction will be governed by certain procedures, the most significant of which will include the following:

- i. bidding will start at the amount of the highest bid submitted by a Qualified Overbidder, as determined by the Debtor;
- ii. each subsequent bid will be in increments of no less than \$50,000 in cash;
- iii. if the Stalking Horse Bidder makes a Court-approved postpetition loan (“**DIP Loan**”) to the Debtor, then the Stalking Horse shall have the right to credit-bid any and

all obligations outstanding under the DIP Loan. If the Stalking Horse Bidder is not the Successful Bidder, then all sale proceeds received by the Debtor shall be used first to repay the DIP Loan, if any, in full prior to making any other payments or distributions on account of any other claims or obligations;

iv. if, at the Auction's conclusion and consistent with the Bidding Procedures' terms, the Stalking Horse Bidder's final bid is greater than the highest bid made by any Qualified Overbidder, the Court will approve the APA, including the Sale of the Purchased Assets (including the assignment of the Assumed Contracts, if any) to the Stalking Horse Bidder, and authorize the Debtor to sell the Purchased Assets (including the assignment of the Assumed Contracts, if any) to the Stalking Horse Bidder, and the amount of the Stalking Horse Bidder's final bid shall constitute the Purchase Price under the APA; and

v. The Debtor may, with Bankruptcy Court approval, elect to deem the Stalking Horse Bidder's final bid to be the highest bid, notwithstanding the receipt of an apparently higher bid from another Qualified Overbidder, if the Debtor reasonably concludes that the Qualified Overbidder may not be able to close on a timely basis.

15. The Sale Hearing is presently scheduled to take place on **October 30, 2017 at** [] (prevailing Mountain Time) in the courtroom of the Honorable Judge Joseph G. Rosania in the United States Bankruptcy Court for the District of Colorado, U.S. Bankruptcy Court, 721 19th St., Denver, Colorado 80202.

16. Objections to the relief sought in the Sale Order will be in writing, filed and served so as to be actually received by (i) the Debtor's Chief Restructuring Officer, Alliance Management, 1400 Sixteenth Street, Suite 400, Denver, CO 80202, Attn: Alex Smith; (ii) counsel for the Debtor, Brownstein Hyatt Farber Schreck LLP, 410 17th Street, Suite 2200, Denver CO 80202, Attn: Joshua M. Hantman; (iii) counsel for the Stalking Horse Bidder, Fairfield and Woods, P.C., 1801 California Street, Suite 2600, Denver, CO 80202, Attn: Matthew S. Rork; and (iv) the Office of the United States Trustee, Byron G. Rogers Federal Building, 1961 Stout St., Ste. 12-200, Denver, CO 80294 (collectively, the "**Notice Parties**") by [], **2017 at [] [].m.** (prevailing Mountain Time). The failure of any objecting party to timely file and serve its objection will be a bar to the assertion by such party at the Sale Hearing or thereafter of any objection to the Sale Motion, the Sale, or the Debtor's

consummation and performance of the APA, including the transfer of the Purchased Assets free and clear of all Encumbrances.

17. This notice is qualified in its entirety by the Bidding Procedures Order.
