

**IN THE UNITED STATES BANKRUPTCY COURT
FOR THE NORTHERN DISTRICT OF TEXAS
FORT WORTH DIVISION**

1. I am a Director of AlixPartners, LLP (“AlixPartners”), which maintains offices at 2100 McKinney Avenue, Suite 800, Dallas, Texas 75201. AlixPartners serves as the claims, noticing and balloting agent (the “Claims Agent” or “Balloting Agent”) in the above-captioned chapter 11 cases (the “Cases”) of The Bombay Company, Inc. and its affiliated debtors and debtors in possession (the “Debtors”) pursuant to this Court’s Order dated September 20, 2007 [Docket No. 61]. Among other things, AlixPartners was retained by the Debtors to assist with the service of solicitation packages to, and the tabulation of votes from, creditors in connection with the First Amended Consolidated Joint Plan Of Liquidation Of The Debtors Together With The Official Committee Of Unsecured Creditors Under Chapter 11 Of The Bankruptcy Code, dated July 2, 2008 (the “Plan”). I am authorized to submit this certification (the “Certification”) on behalf of AlixPartners. Unless otherwise stated, I have personal knowledge of the facts set forth herein and, if called as a witness, could and would testify competently thereto.

2. The procedures for the solicitation and tabulation of votes on the Plan are outlined in the Order (I) Approving Disclosure Statement; (II) Setting Hearing on Confirmation of Plan; (III) Approving Solicitation and Balloting Procedures; and (IV) Setting Various Deadlines, dated July 3, 2008 (the "Disclosure Statement Order"). AlixPartners was designated to review, determine the validity of, and tabulate ballots submitted to vote for the acceptance or rejection of the Plan by the holders of Claims¹ in Class 3 – Allowed General Unsecured Claims and Class 4 – Allowed Bombay Gift Card Convenience Claims (the "Voting Classes"). I supervised the tabulation procedures performed by personnel of AlixPartners with respect to the Voting Classes.

3. The professionals of AlixPartners have considerable experience in tabulating the ballots of creditors with respect to plans of liquidation.

4. As the Claims Agent in this case, AlixPartners maintains the official claims register that reflects all filed claims and all claims listed in the Debtors' Schedules of Assets and Liabilities as filed with the Court. Using this information, AlixPartners created ballot labels and mailing labels for its use in mailing the ballots and other documents related to the Plan.

5. Using a voting database it created, AlixPartners prepared mailing labels containing the names and addresses of all of the claims in the Voting Classes entitled to vote on the Plan and the names and addresses of all parties requesting notices pursuant to Rule 2002 of the Federal Rules of Bankruptcy Procedure.

6. AlixPartners, as Voting Agent, performed the receipt and tabulation of the ballots accepting or rejecting the Plan. In order for a ballot to be counted as valid, the ballot must have been properly completed in accordance with the Disclosure Statement Order and executed by the holder of a Claim, or such holder's authorized representative, and must have been received by AlixPartners by the deadline of 4:00 p.m. (Prevailing Central Time) on August 11, 2008 (the "Voting Deadline").

7. AlixPartners received and tabulated the ballots as follows:

¹ Capitalized terms not otherwise defined herein have the meaning ascribed to such terms in the Plan.

- Each returned ballot was opened and inspected at AlixPartners' office.
- Ballots were then numbered and date stamped.
- All ballots received by the Voting Deadline were then entered into the voting database and tabulated.
- All Ballots received after the Voting Deadline were entered into the voting database.

8. The results of the balloting tabulations are summarized below and in the table annexed hereto as Exhibit "A". In addition, the balloting tabulations are detailed by individual voter in Exhibit "B". The chart set forth below shows the total voting results for the Voting Classes that were tabulated by AlixPartners. The information set forth in the tables annexed as Exhibit "A" and Exhibit "B" were compiled from all ballots received by AlixPartners by the Voting Deadline including ballots not accepted by the voting procedures.
