DISCLOSURE STATEMENT FOR DEBTORS' SECOND AMENDED JOINT PLAN OF REORGANIZATION

THIS PROPOSED DISCLOSURE STATEMENT HAS NOT BEEN APPROVED BY THE BANKRUPTCY COURT AS CONTAINING ADEQUATE INFORMATION UNDER BANKRUPTCY CODE SECTION 1125(b) FOR USE IN SOLICITATION OF ACCEPTANCES OR REJECTIONS OF CHAPTER 11 PLAN. THE FILING AND DISSEMINATION OF THIS DISCLOSURE STATEMENT ARE NOT INTENDED TO BE, AND SHOULD NOT IN ANY WAY BE CONSTRUED AS, A SOLICITATION OF VOTES ON THE PLAN, NOR SHOULD THE INFORMATION CONTAINED IN THE DISCLOSURE STATEMENT BE RELIED ON FOR ANY PURPOSE BEFORE A DETERMINATION BY THE BANKRUPTCY COURT THAT THE PROPOSED DISCLOSURE STATEMENT CONTAINS ADEQUATE INFORMATION. THE PLAN DEBTORS RESERVE THE RIGHT TO AMEND OR SUPPLEMENT THIS PROPOSED DISCLOSURE STATEMENT AT OR BEFORE THE HEARING TO CONSIDER THIS DISCLOSURE STATEMENT.

I. INTRODUCTION

Debtors submit this Disclosure Statement pursuant to section 1125 of title 11 of the United States Code (the "Bankruptcy Code") to holders of equity Interests in and Claims against Debtors in connection with (i) solicitation of acceptances of the Plan filed by Debtors with the United States Bankruptcy Court for the Northern District of Texas (the "Bankruptcy Court") and (ii) the hearing to consider Plan confirmation (the "Confirmation Hearing") scheduled for _____ at _____ p.m. (prevailing Central Time).

Debtors' Second Amended Joint Plan of Reorganization ("Plan") of the Bankruptcy is **Exhibit A** to this Disclosure Statement.

A ballot ("Ballot") for the acceptance or rejection of the Plan is enclosed with the Disclosure Statement mailed to the holders of Claims that Debtors believe may be entitled to vote to accept or reject the Plan.

THE ACP AND DLH DEBTORS EACH BELIEVE THAT THE PLAN WILL PROVIDE ALL CLAIMANTS AND INTEREST HOLDERS MORE THAN THEY WOULD HAVE RECEIVED IN A LIQUIDATION OF EACH DEBTOR'S ASSETS UNDER CHAPTER 7, AND SHOULD BE ACCEPTED. CONSEQUENTLY, EACH DEBTOR URGES IMPAIRED CLAIMANTS TO VOTE FOR THE PLAN.

On _____, 2010, after notice and a hearing, the Bankruptcy Court signed the Disclosure Statement Order, approving this Disclosure Statement as containing adequate information of a kind and in sufficient detail to enable a hypothetical investor of the relevant classes to make an informed judgment whether to accept or reject the Plan. APPROVAL OF THIS DISCLOSURE STATEMENT DOES NOT, HOWEVER, CONSTITUTE A DETERMINATION BY THE BANKRUPTCY COURT AS TO THE FAIRNESS OR MERITS OF THE PLAN.

The Disclosure Statement Order, attached as **Exhibit B**, sets forth detailed deadlines, procedures and instructions for voting to accept or reject the Plan and for filing objections to confirmation of the Plan, the record date for voting purposes and the applicable standards for tabulating Ballots. In addition, detailed voting instructions accompany each Ballot. Each holder of a Claim entitled to vote on the Plan should read the Disclosure Statement, the Plan, the Disclosure Statement Order and the instructions accompanying the Ballots in their entirety before voting on the Plan. These documents contain important information concerning classification of Claims and Interests for voting purposes and tabulation of votes. No solicitation of votes to accept the Plan may be made except pursuant to section 1125 of the Bankruptcy Code.

The purpose of this Disclosure Statement is to provide information to enable a hypothetical, reasonable investor, typical of the holders of such Claims or Interests, to make an informed judgment in exercising his, her or its rights either to accept or reject the Plan. In order for the votes cast pursuant to this solicitation to count, the Bankruptcy Court must find this Disclosure Statement contains information of the kind and in sufficient detail adequate to enable a hypothetical, reasonable investor typical of the classes being solicited to make an informed judgment about the Plan and must

authorize Debtors to solicit acceptances of the Plan.

This Disclosure Statement describes Debtors' reorganization Plan. You are urged to study the Plan in full and to consult with your counsel about the Plan and its impact upon your legal rights. Please read this Disclosure Statement carefully before voting on the Plan.

THE INFORMATION CONTAINED IN THIS DISCLOSURE STATEMENT HAS BEEN PROVIDED BY DEBTORS' MANAGEMENT, UNLESS SPECIFICALLY STATED TO BE FROM OTHER SOURCES.

NO REPRESENTATIONS CONCERNING DEBTORS ARE AUTHORIZED BY DEBTORS OTHER THAN THOSE SET FORTH IN THIS DISCLOSURE STATEMENT. DEBTORS RECOMMEND THAT ANY REPRESENTATION OR INDUCEMENT MADE TO SECURE YOUR ACCEPTANCE OR REJECTION OF THE PLAN WHICH IS NOT CONTAINED IN THIS DISCLOSURE STATEMENT NOT BE RELIED UPON BY YOU IN REACHING YOUR DECISION ON HOW TO VOTE ON THE PLAN.

THIS DISCLOSURE STATEMENT CONTAINS ONLY A SUMMARY OF THE PLAN. THE PLAN, ATTACHED AS EXHIBIT A, IS AN INTEGRAL PART OF THIS DISCLOSURE STATEMENT, AND EACH PARTY WHOSE CLAIM IS IMPAIRED IS URGED TO REVIEW THE PLAN PRIOR TO VOTING.

II. SUMMARY OF PLAN

Debtors' proposed Reorganization Plan contemplates Debtors obtaining a combination of one or more term loans and/or equity contributions totaling between $30 million to $50 million as exit financing ("Exit Financing"), using some of those monies to obtain releases of collateral which would then be pledged as security to support the Exit Financing facility. The remaining Exit Financing proceeds will be used to pay the DIP loan, fund post-Effective Date Operations, pay Chapter 11 expenses and provide certain cash outs to certain small unsecured creditors willing to deeply discount their claims for cash, provide an interest reserve and finance the construction of certain improvements. Debtors are discussing such financing with a number of potential sources, but do not currently have a commitment. Because Debtors do not currently know the precise collateral required

by the lender or lenders the final terms of the DLH Exit Financing may differ from what Debtors are currently proposing.

The ACP Exit Financing will potentially be obtained by sale of a portion of ACP's 100% ownership interest in LPKC, an entity which holds an option from the BNSF railway to purchase land adjacent to an intermodal in Kansas City or may take the form of a loan secured by a junior interest in the various membership interests held by ACP. Debtors anticipate ACP's non-bankrupt subsidiaries may also be required to pledge assets to secure the ACP Exit Financing. Similar to the DLH Exit Financing, the proceeds from the ACP Exit Financing will be used to pay the DIP loans, pay Ch 11 expenses and cash outs to unsecured ACP creditors willing to discount claims for cash, and provide interest and operating reserves.

While the exact terms of the Exit Financing have not been determined, it is not essential for the impaired creditors to know the exact terms and conditions for the Exit Financing. The Plan sets forth the treatment to be received by each class of creditor, irrespective of the ultimate terms required to the Exit Financing facilities. **In the event the Debtors are unable to obtain Exit Financing, the Plan shall be null and void in all respects, the Effective Date will never occur and the Confirmation Order would be voided as discussed further below.** The projections for Reorganized DLH assume the Exit Financing takes the form of all debt. If part of the Exit Financing for DLH takes the form of equity, the projections will simply become more feasible as the existing creditors will be senior to that portion of the Exit Financing facility and Reorganized DLH will have less debt to service. In the interim, it is also beneficial for both the secured creditors and unsecured creditors of DLH to vote in favor of the Plan as DLH will be able to maintain its marketing efforts, continue working with various levels of government with respect to the infrastructure at the Dallas

Logistics Hub, and negotiate and respond to potential purchasers of land.

Under the Plan, DLH creditors secured by vacant land, excluding that land pledged to secure the Exit Financing, are divided into two pools.

Pool 1: Contains parcels totaling approximately 2,986 gross acres subject to the liens of Compass, ABOT, and specified seller financings, totaling approximately $53.9 million. Many parcels are developed and/or shovel ready. All secured claims which have a lien in more than one parcel (primarily Compass and ABOT) shall establish Release Prices for each individual parcel such that the sum of the Release Prices so established shall not exceed 1.5X their Allowed Claim. Pool 1 Allowed Claims will each receive a Variable Pay Note which will be payable from proceeds of sale of any parcel subject to their lien and a pro rata share of 30% of Pool 1 Net Sales Proceeds for any and all sales of other property contained in Pool 1 based upon the total outstanding sum of all remaining Variable Pay Notes issued to the holders of Allowed Claims in Pool 1 ("Pool 1 Variable Pay Notes"). These Pool 1 Variable Pay Notes will accrue interest at 7.25% and mature not later than 7 years after the Plan Effective Date.

Pool 2: Contains parcels totaling approximately 1,671 gross acres, subject to seller financing liens of approximately $31 million. Due to the location and current infrastructure needs, the land contained in this pool will take longer to fully develop and sell. Pool 2 Allowed Claims will each receive a Variable Pay Note payable from four sources: 1) net proceeds of any sold parcel subject to their lien, 2) their pro rata share of 30 % of Pool 2 Net Sales Proceeds for any and all sales of other property contained in Pool 2 based upon the total outstanding Variable Pay Notes issued to the holders of all Allowed Claims in Pool 2; and 3) their pro rata share of Subordinated Pool 1 Net Sales Proceeds based upon the then total outstanding Pool 2 Variable Pay Notes which commence after

there have been at least ten million ($10,000,000) in Secured Creditor Pool 1 Net Proceeds generated.

Great Western Bank: Great Western Bank's $48 million loan against the ADESA property will be extended for a 5 year maturity, 20 year amortization with interest at 6.25 %. The ADESA property is being offered for sale prior to confirmation and may be sold before confirmation. Debtor DLH is currently negotiating with a both Great Western Bank, ADESA and a potential purchaser in connection with a settlement and sale of the ADESA property. If the settlement is reached, DLH will move to approve the settlement outside of the Plan and Great Western Bank will receive a negotiated amount in exchange for releasing its existing claims and collateral. If not sold prior to the Effective Date, the real estate will be contributed to a 100% owned DLH subsidiary and any net proceeds of sale (estimated to exceed $1.5 million) will be provided as collateral for the Exit Financing and/or used to reduce any Exit Revolver.

Compass Bank – Buildings: On the Effective Date, the Compass Bank Buildings will be contributed to DLH Buildings AB, LLC with DLH holding all ownership and economic interests and Compass holding a an option to purchase 5% of DLH Building AB, LLC for a *de minimis* amount. Compass Bank's building loans will be extended using a five year Variable Pay Note with interest at 6.25%. Compass will have the benefit of all net operating income (subject to ordinary and customary reserves and expenses) generated by the buildings, but is being asked to consider to loans for tenant improvements and brokerage commissions to facilitate lease-up. DLH is actively negotiating multiple leases and will seek to sell the buildings upon stabilization. DLH's interest in any net proceeds will be added collateral for the Exit Financing and used to reduce any Exit Revolver.

DLH Unsecured Allowed Claims

Unsecured Allowed Claims against DLH total approximately $11.6 million, including approximately $637,000 in smaller claims (less than $ 125,000 each). The exact amount of Unsecured Allowed Claims against DLH will depend on Compass Bank's decision regarding the section 1111(b) election).

Treatment: DLH proposes a cafeteria plan with options for Allowed Unsecured Claims:

A) 20 % in cash paid to each electing holder of an Allowed Claim of $125,000 or less or, the holder of any Allowed Claim that is willing to reduce its claim to $125,000. These claims are payable within 90 days after the Effective Date and will be funded from proceeds of the Exit Financing.

B) Receive a Variable Pay Note in the principal amount of 50% of the electing holder's Allowed Claim, payable without interest from 75% of DLH Unsecured Net Proceeds. If not previously paid, these notes will mature and be fully payable seven years from the Effective Date.

C) Receive a Variable Pay Note in the principal amount of 100% of the electing holder's Allowed Claim payable from 25% of DLH Unsecured Net Proceeds, but only until the Option B notes are paid in full, and thereafter receiving all of the DLH Unsecured Net Proceeds. If not previously paid, these notes will mature and be fully payable ten years from the Effective Date, with interest accruing at the federal judgment rate in effect on the Effective Date. From September 27, 2010 to October 3, 2010, the federal judgment rate was 0.25%. The current federal judgment rate may be found online at:

http://www.txnd.uscourts.gov/publications/pjrate.html.

D) An electing holder of an Allowed Unsecured Claim may convert its Allowed Claim to a ***Class B Preferred Callable Membership Interest*** with par value equal to the amount of the Allowed Claim. The terms of the Class B Preferred Callable Membership Interest are described below.

DLH Unsecured Net Proceeds are defined as: 3% of the Pool 1 Net Sales Proceeds and 3% of the Pool 2 Net Sales Proceeds until at least twenty million ($20,000,000) in DLH Net Sales Proceeds have been realized by Reorganized DLH, upon which it shall increase to mean 5% of the Pool 1 Net Sales Proceeds and 5% of the Pool 2 Net Sales Proceeds.

The Class B Preferred Callable Membership Interests are a preferred return on DLH

equity which can be terminated by DLH by payment of 100% of the Allowed Claim amount, plus 3% interest per annum, at any time on or before the 10th anniversary of the Effective Date.

ACP Plan:

ACP has a large amount of potential guarantee and co-maker contribution claims of debts of DLH and of ACP direct and indirect subsidiaries. There is a complex offer using DLH securities to pay those guarantees if the guaranteed banks so elect. If the guaranteed banks accepted the DLH securities in full payment, they would lose their valuable first liens on tangible real property of DLH and ACP subsidiaries because those liens would have been paid and discharged. Accordingly, ACP believes that no guarantee claim will make this election and that virtually all of the holders of ACP guarantees and co-maker reimbursement claims will elect to simply ride through ACP's case without distribution.

ACP Secured Creditors

Mr. Foley: Mr. Tim Foley has an approximately $6.5 million note fully secured by various rights of distribution to ACP, including the Kelly properties discussed later. Those security interests are preserved and paid under a Variable Pay Note. The ACP Secured Variable Pay Note issued to Mr. Foley will be paid from the proceeds and distributions received by ACP on which Mr. Foley has a validly perfected lien until the Allowed Amount of such claim is paid in full plus interest at 7.25% per annum or not later than five years after the Effective Date at which time all amounts will be due and owing.

Pacific Western Bank: Pacific Western has a $1.5 million secured note secured by an interest in substantially all ACP's subsidiaries. Pacific Western shall receive a Variable Pay Note which is entitled to 10% of all ACP Net Sales Proceeds, not to exceed $100,000 of principal and interest

payments for any quarter of the calendar year. On each anniversary of the Effective Date, if Pacific Western has not received at least $250,000 in proceeds for the proceeding year, Reorganized ACP shall make an additional payment to Pacific Western within sixty (60) days equal to the difference between $250,000 and what proceeds Pacific Western received in the preceding year. Pacific Western's ACP Secured Variable Pay Note shall mature five (5) years after the Effective Date at which time all amounts will be due and owing.

ACP CLASS 6 (SUBORDINATED) AND ACP CLASS 8 CLAIMS (GUARANTEES):

ACP Class 6 consists of all Subordinated Claims against ACP. However, by definition, no ACP Class 8 Claim shall be considered to be a subordinated claim, so those claims qualifying as ACP Class 8 Claims are excluded from both ACP Class 4 and ACP Class 6.

ACP Class 8 Claims arose from one or more guaranties executed by ACP on obligations of either ACP's direct or indirect California subsidiaries or of DLH debt and form one class. Class 8 excludes all guarantees where (i) the value of the underlying collateral is less than the obligation which had been guaranteed by ACP or (ii) where the underlying obligation has matured or will mature within three (3) months of the Effective Date. The guaranty held by Compass Bank and most of the guaranties held by Bank of America are contingent and unliquidated at this time. The proposed treatment of unsecured claims relates only to any liquidated non contingent portion of each Bank's claim.

Despite ACP's multiple requests, Compass Bank has not committed to what, if any, amount it intends to assert as its liquidated non contingent claim. Compass Bank is fully secured by DLH collateral on its land loan; if Compass Bank elects Section 1111(b) treatment on its DLH building loan it would be fully secured at DLH as well. If that is its legal position, Compass Bank

would either be paid on any guarantee claim by ACP by a) accepting DLH preferred callable member interests in the face amount of such interests in payment of its DLH and ACP claims; b) by accepting a ride through guaranty from ACP not enforceable during the period of the ACP Plan; or c) if it accepts neither, ACP will request that the guaranties be disallowed.

If Compass Bank does not elect Section 1111(b) treatment on its building and obtains an Allowed Unsecured Claim in DLH and in ACP for any liquidated portion of its deficiency, Compass Bank may elect its cafeteria plan treatment for that Allowed Unsecured claim in each case; provided however, if Compass Bank elects the 50% payout option against either DLH or ACP it shall have no further recovery against the other or against Richard Allen or Richard S. Allen Inc.

Bank of America has recently indicated that Bank of America anticipates having a deficiency claim in ACP's bankruptcy of at least $9,8 million based on one completed foreclosure (discussed below) and its anticipated shortfalls on certain other properties. Debtors continue to negotiate with Bank of America with respect to a variety of non-debtor subsidiaries of ACP and it is possible that one or more of the currently non-debtor subsidiaries will be forced into a bankruptcy proceeding in order to avoid foreclosure. Bank of America has foreclosed on one loan involving River Plaza. The deficiency at River Plaza is estimated to be approximately $9 million. Unless Bank of America obtains an order excusing its late filing, Bank of America will be entitled to treatment as a subordinated creditor (since its claims was late filed) to the extent it obtains an Allowed Claim reflecting this deficiency. With respect to the remaining contingent claims Bank of America can elect to receive: a) a pass through guarantee from ACP for such contingent claim not enforceable during the ACP Plan; b) DLH securities reducing the amount of

the ACP subsidiaries debt by the face amount of the DLH preferred callable membership interest;

or c) if Bank of America accepts neither, ACP will seek to disallow the claim.

Other ACP Unsecured Creditors:

Claims and Treatment: For all remaining unsecured ACP creditors, ACP proposes a cafeteria plan whose options shall be as follows:

A) 20 % in cash paid to each holder of an Allowed Claim of $60,000 or less or which the holder is willing to reduce its claim to $60,000. These claims will be payable within 90 days after the Effective Date and will be funded from proceeds of the Exit Financing.

B) Receive a Variable Pay Note in the principal amount of 50% of the electing holder's Allowed Claim, payable without interest from their pro rata share of 75% of ACP Unsecured Creditor Net Proceeds. Unless previously paid, these notes mature seven years from the Effective Date.

C) Receive a Variable Pay Note in the principal amount of 100% of the electing holder's Allowed Claim payable from 25% of ACP Unsecured Creditor Net Proceeds, but only until the Option B notes are paid in full, and thereafter receiving all of the ACP Unsecured Creditor Net Proceeds. If not previously paid, these notes will mature and be fully payable ten years from the Effective Date, with interest accruing at the federal judgment rate on the Effective Date of the Plan.

D) Class C Preferred Callable Preferred Membership Interests in DLH as described above.

ACP Unsecured Creditor Net Proceeds are determined at the end of each fiscal quarter as measured sixty days after the end of the quarter, seventy percent (70%) of:

(a) ACP Net Sales Proceeds for the fiscal quarter in question, less
(b) the sum of
(i) general and administrative costs actually incurred by ACP for the fiscal quarter in question and
(ii) all distributions or payments on the ACP Exit Financing or on ACP Secured Variable Pay Notes made during the fiscal quarter in question.

Notwithstanding the foregoing, ACP Unsecured Creditor Net Proceeds shall not exceed $300,000 per fiscal quarter during the first eight (8) fiscal quarters under the Plan.

The Class C Preferred Callable Membership Interests are a preferred return on DLH equity which can be terminated by DLH by payment of 100% of the Allowed Claim amount, plus 3% interest per annum, at any time on or before the 10th anniversary of the Effective Date. The Class C Preferred Callable Membership Interests are only senior to the membership interests retained by ACP in DLH.

II. EXPLANATION OF CHAPTER 11 CASES

Formulating the attached reorganization plan was Debtors' principal objective in Chapter 11. The Plan of Reorganization sets forth the means for satisfying claims against Debtors. Chapter 11 does not require that each holder of a claim against a debtor vote in favor of the plan in order for the bankruptcy court to confirm the plan. However, a plan must be accepted by the holders of at least one "impaired" class of claims not held by "insiders," within the meaning of the Bankruptcy Code. A claim that will not be repaid in full or as to which legal rights are altered, or an interest that is adversely affected, is impaired. A holder of an impaired claim or interest is entitled to vote to accept or reject the plan if the claim or interest has been allowed under section 502 of the Bankruptcy Code. In order for a class of claims to be deemed to have accepted the plan, a majority in number and two-thirds in amount of total allowed class claims must vote in favor of the plan. In order for a class of interests to be deemed to have accepted the plan, two-thirds in amount of total interests of the class must actually vote in favor of the plan. Section 1125 of the Bankruptcy Code requires full disclosure to be received by all impaired parties before solicitation of acceptances of a plan of reorganization commences. This Disclosure Statement is presented to impaired claimants under the Plan to satisfy the requirements of section 1125 of the Bankruptcy Code.

Even if all classes of Claims accept the Plan, it might not be confirmed by the Bankruptcy

Court. Section 1129 of the Bankruptcy Code sets forth requirements for confirmation. Among other things, a plan of reorganization must be in the best interests of claimants and interest holders, and the value to be distributed to claimants and interest holders must not be less than the value such parties would receive if debtors were liquidated under Chapter 7 of the Bankruptcy Code.

The Bankruptcy Court may confirm the Plan, even though less than all classes of impaired Claims or Interests accept, so long as one class of impaired Claims or Interests (excluding insider classes) accepts the Plan. Confirmation of the Plan over objection of one or more classes of Claims or Interests is generally referred to as a "cram-down." The circumstances under which the Bankruptcy Court may confirm the Plan over the objection of a class of Claims or Interests are set forth in section 1129(b) of the Bankruptcy Code. The Plan includes provisions reserving Debtors' rights to cram-down certain classes of Creditors.

Confirmation of the Plan will discharge Debtors from all pre-confirmation debts and liabilities except as expressly provided in the Plan, the order of the Bankruptcy Court confirming the Plan or section 1141(d) of the Bankruptcy Code. Confirmation makes the Plan binding upon Debtors and all Creditors, Interest Holders and other parties-in-interest, regardless of whether or not they have accepted the Plan.

The Plan will become fully consummated upon the entry of a final order of confirmation of the Plan and the first distribution on the Effective Date. The Plan Consummation will be evidenced by filing a certificate of consummation with the Bankruptcy Court.

IV. VOTING-PROCEDURES

1. **Unimpaired Classes**. The votes of claimants whose Claims are not impaired under the Plan are not being solicited because those classes are deemed to have accepted the Plan. As a result,

Debtors are not soliciting acceptances of the DLH or ACP Plan Classes 1, 2, and 5.

2. **Impaired Classes**. Debtors are seeking the acceptances of the Plan by claimants in DLH and ACP Classes 3 (including each subclass therein), 4, 6, 7, 8 and 9 whose Claims or Interest are impaired under the Plan.

Each holder of an Allowed Claim or Interest which is included in an impaired class may vote by completing, dating, and signing the ballot sent to such holder and filing the ballot as set forth below. If you are a holder of a disputed, contingent or unliquidated Claim, you may petition the Bankruptcy Court to allow your Claim for voting purposes only by making timely application to the Bankruptcy Court pursuant to rule 3018 of the Bankruptcy Rules. Such claimants are advised to seek the advice of their own counsel how to make such an application. Each holder of an Allowed Claim may vote on the Plan by completing, dating, signing, and filing the ballot as set forth below.

Ballots are enclosed with this Disclosure Statement sent to each claimant eligible to vote on the Plan. For all classes, ballots must be sent to

V. CONFIRMATION OF THE PLAN

A. The Confirmation Hearing

Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court, after appropriate notice, to hold a hearing to confirm a reorganization plan. As set forth in the Disclosure Statement Order, the Bankruptcy Court has scheduled the Confirmation Hearing for _____. The

Confirmation Hearing may be adjourned from time to time by the Bankruptcy Court without further notice except for an announcement of the adjourned date made at the Confirmation Hearing or any subsequent adjourned Confirmation Hearing.

B. Objections to Confirmation

Section 1128(b) of the Bankruptcy Code provides that any party in interest may object to confirmation of a reorganization plan. Any objection to confirmation must be in writing, must conform to the Federal Rules of Bankruptcy Procedure, must set forth the objector's name, the nature and amount of Claims or Equity Interests held or asserted by the objector against the particular Debtor or Debtors, the basis for the objection and the specific grounds therefore, and must be filed with the Bankruptcy Court and served upon and received no later than _____, 2010 at 4:00 p.m. (prevailing Central Time).

All objections must be served, so as to be received no later than _____, 2010, at 4:00 p.m. (prevailing Central Time), upon the following:

VII. DESCRIPTION OF DEBTORS' BUSINESSES

A. DLH'S BUSINESS

DLH's primary business is development of the real estate project known as the Dallas Logistics Hub located in Dallas County, Texas. The Dallas Logistics Hub is an approximately 6,000-acre multi-modal logistics park located 12 miles south of downtown Dallas.

The Dallas Logistics Hub benefits from the convergence of multiple major interstate trucking highways, multiple rail lines, and a growing local airport, all located within the third largest industrial market in the Nation. For that reason, the Dallas Logistics Hub is uniquely positioned to serve as one

of the primary national hubs for the distribution of goods throughout the Central and Eastern United States. A pivotal part of the accessibility of Dallas Logistics Hub is its proximity and access to four of Dallas/Fort Worth's primary interstate highways, connecting the DFW Metroplex and Dallas Logistics Hub to the greater transportation thoroughfares of the southern United States:

- Interstate 20…the primary east-west trucking corridor for the southern U.S., connecting Atlanta to Los Angeles, is the northern boundary of Dallas Logistics Hub.
- Interstate 35…the NAFTA Trade Corridor, connecting Mexico to Canada, is located approximately 4 miles to the west of Dallas Logistics Hub.
- Interstate 45…the direct route to the Port of Houston is the eastern boundary of Dallas Logistics Hub.
- Interstate 30… the direct route to Little Rock, Memphis and the northeastern US is located approximately 9 miles north of Dallas Logistics Hub.
- Planned Loop 9…the planned multi-billion dollar highway and rail corridor will run along the southern boundary of Dallas Logistics Hub.

With more than 1,774 acres owned by DLH designated under Foreign Trade Zone 39, DLH is strategically positioned for tenants to receive, deliver and/or transload thousands of shipping containers each day. Currently, these import shipping containers predominantly originate from the Pacific Rim Countries and move in-bound into the Union Pacific Dallas Intermodal Terminal ("UPDIT") after entering the country primarily via the Western U.S. Ports. Long term, with the completion of the Panama Canal expansion, these trade routes will be expanded to include the Port of Houston and various ports in Mexico.

When fully developed, Dallas Logistics Hub will be an Inland Port adjacent to UPDIT, a potential BNSF intermodal facility, four major highways (Interstates 20, 35, 45, and proposed Loop 9), and Lancaster Airport, which has recently completed its runway extension to 6,500 feet. As an

Inland Port, Debtors anticipate that Dallas Logistics Hub will develop with an emphasis on logistics-oriented, automated high-bay warehouses, supplemented by light manufacturing, office, service retail, value office and residential. At complete build-out, Debtors anticipate that Dallas Logistics Hub will contain more than 60 million square feet of vertical development, create more than 60,000 direct and indirect jobs, and may provide an estimated $68.5 billion economic impact for the region. As such, the Dallas Logistic Hub project has received substantial support and infrastructure funding commitments from all levels of government.

More specifically, in addition to receiving infrastructure funding assistance from multiple governmental units as discussed below, the City of Dallas has been actively working to facilitate development of Dallas Logistics Hub, along with other major industrial developments in the region, as a part of its International Inland Port of Dallas (IIPOD) initiative, for more than 5 years. The IIPOD is a public-private partnership involving a consortium of 12 municipalities and led by the City of Dallas; the entity is a key driver in making Dallas the nation's premier logistics and distribution center. IIPOD is a catalyst for Southern Sector investment, job growth and development of sustainable communities, with a goal of increasing the local tax base and employment. IIPOD, and Dallas Logistics Hub as a part of the IIPOD, has been identified as a key economic development focus for the City of Dallas. As a result, Dallas City Council members and staff have been involved from the very beginning, especially the Economic Development Committee.

DLH Master Land Holding, LLC (DLH) is a successor by merger to numerous limited liability companies (LLCs) which were directly and/or indirectly owned by Allen Capital Partners, LLC (ACP), by relatives of Richard S. Allen or entities owned directly or indirectly by Richard S. Allen and/or his relatives. DLH holds title to the land being developed as the Dallas Logistics Hub. A

more detailed chart of ACP's ownership interest in DLH is attached as **Exhibit C**. DLH also owns a member interest in Midstate Hayes 184 Distribution Center, LLC, which owns California real estate. ACP is successor by merger to four limited liability companies and DLH is successor by merger to more than seventy limited liability companies listed on **Exhibit D**.

ACP and DLH operate using three non-filed entities owned by ACP.

(a) Allen Employment Services, Inc. (AES) is a wholly-owned subsidiary of ACP. AES is the entity actually employing the individuals who operate Debtors various businesses. AES has a contract with Debtors under which Debtors advance payroll and employee benefits for payment by AES.

(b) Allen Development Partners, LLC, (ADP) is a wholly-owned subsidiary of ACP. ADP holds various membership interests in other LLCs which own, develop, and/or operate real estate in California as well as an indirect interest in DLH. Based upon restrictions in various LLC operating agreements which purport to terminate or modify rights in bankruptcy, ownership of those interests need to continue in a wholly-owned subsidiary of ACP; and

(c) Allen Development of Central California, LLC (ADCC) is a wholly-owned subsidiary of ACP which is used by ACP to provide management and development services for substantially all of ACP's limited liability companies. ADCC, whose offices are located in Visalia, California, provides the central accounting functions for all ACP entities and for DLH. ADCC also indirectly owns an interest in DLH and manages specified properties of DLH for a management fee. ACP, DLH and AES have a contract with ADCC in which DLH advances or reimburses ADCC for expenses made on ACP's behalf.

Financial projections for DLH prepared by Debtors' management are attached as part of **Exhibit E-1** and are incorporated by reference.

B. ACP'S BUSINESS

Allen Capital Partners, LLC ("ACP") is a real estate investment company. ACP was formed in 1999 by Richard S. Allen and is wholly owned by Richard S. Allen and his wholly owned corporation Richard S. Allen, Inc. ACP invests capital in office and industrial projects in California, Texas and Kansas. ACP has invested capital of approximately $15,000,000 in current California and

Kansas projects, $11,000,000 of which is still invested in the projects. ACP has invested approximately $43,000,000 in DLH, all of which is still outstanding. In addition to the capital invested, ACP has provided construction loan guarantees and, through its subsidiaries, the development expertise and resources required to develop its various investment projects. In exchange for those services, ACP typically receives an additional profits interest in each project ranging from 40% to 50% of the profits after capital and preferred return have been paid to the capital partners.

In addition to its' approximately 43% interest in DLH, ACP has interests in the following projects:

1. A future 530 acre Logistic Park in Kansas City ("LPKC")
2. A 84-acre planned development located along Rosedale Highway (State Hwy-58) in Bakersfield, California
3. The International Trade and Transportation Center ("ITTC"), a 700-acre rail-served logistics park located in Shafter, California, northwest of Bakersfield.
4. The Kelly Corporate Center, a planned 4-building office complex located in Carlsbad, California (3 buildings have been built to date).
5. A 7,624 square foot office building in Visalia, California
6. A 102,000 square foot industrial building located in Visalia, California
7. Midstate Park, a 400-acre logistics and distribution center that offers direct mainline rail service from the Union Pacific Railroad located in Visalia, California.

A more detailed description of each of these projects and ACP's interest in these projects may be found in **Exhibit F**. Financial projections for ACP prepared by Debtors' management are attached as part of **Exhibit E-2** and incorporated by reference.

VIII. SIGNIFICANT PRE-PETITION EVENTS

A. BEGINNING DEVELOPMENT OF DALLAS LOGISTIC HUB

In 2003, the predecessors to DLH began to seek out strategic land positions around the planned new Union Pacific Intermodal facility in Dallas, Texas, which resulted in the creation of DLH. At that time, the Union Pacific Intermodal facility had not yet begun construction and was

considered speculative. Based on the anticipated impact that the planned Union Pacific Intermodal would have on the region, DLH began assembling land adjacent to the new intermodal terminal. Because of its timing, DLH's predecessors were able to achieve reasonable seller financing terms and pricing on its land acquisition. The land assemblage for the Dallas Logistics Hub was completed in 2006 and 2007. Much of the DLH land was acquired using 1031 exchanges generated from sales of California land and buildings owned by ACP subsidiaries.

The Union Pacific Dallas Intermodal Terminal adjacent to the land assemblage became fully operational in October, 2005. The +/-360-acre intermodal terminal is located on the eastern boundary of Dallas Logistics Hub, just 12 miles south of downtown Dallas within the city limits of Hutchins and Wilmer, adjacent to Interstate Highway 45. The UP intermodal facility is currently capable of handling approximately 365,000 lifts per year. In 2009 with the decrease in foreign trade, it is estimated that this facility handled +/- 300,000 lifts. Approximately 97% of the containers arrive directly from the Ports of Los Angeles and Long Beach. At full build-out, Union Pacific has stated that the intermodal facility will have the capacity to process up to 600,000 lifts per year.

DLH's predecessors received Entitlements (annexation, zoning, and master planning), development agreements, and other municipal approvals for approximately 80% of the acreage of the Dallas Logistics Hub in 2007 and 2008. The land which is entitled lies within the cities of Dallas, Hutchins and Lancaster. The land not entitled (+/- 18%) lies within the city limits and extraterritorial jurisdiction (ETJ) of the City of Wilmer. All forms and applications have been completed to start this entitlement process, subject to the payment of all required filing fees. As a result, DLH is now, for the most part, zoned for its ultimate development as an inland port logistics park.

Marketing of DLH for sale and lease to users began in earnest in 2008. During 2008, 620

acres of land were absorbed through land sales, options, build-to-suits and/or vertical speculative developments at an average strike price of approximately $1.77 per square foot. Today, approximately 5,404 gross acres remain undeveloped, including 164 acres which is under option to the BNSF Railway.

Included in these totals were the following:

Land Sales		Build to Suit Projects	
BNSF Rail Road	198 acres	ADESA Auto Auction	175 acres
ONCOR Electric	9 acres	Bridge Terminal Transport	15 acres
Spec Buildings		Land Under Option	
4800 Langdon Road	38 acres	BNSF	164 acres
4900 Langdon Road	14 acres		

In addition to the activity above, DLH's predecessors were successful in executing a lease for +/-313,000 sq ft of its affiliate's first spec building located at 4800 Langdon Road, Dallas with Advanced H2O, LLC, reportedly the largest private label water bottling company in the US, for a production and distribution facility.

In May, 2008, Ron Natinsky, sitting Chairman of the Economic Development Committee of Dallas, Tennell Atkins, Dallas City Councilmember responsible for the IIPOD, Mayor Tom Leppert, and other city and community leaders, including Richard S. Allen, visited six major trading centers in China to promote Dallas, their IIPOD initiative and the DLH as a part of the IIPOD. In January of 2008, there was a similar trip to Mexico City and Monterey, Mexico.

In September of 2008, DLH's predecessors completed construction on the first two spec industrial buildings at DLH totaling more than 825,000 sq. ft. These buildings have been constructed using the parameters set forth by the US Green Building Council ("USGBC"). In September 2009, the buildings were awarded LEED® Gold Certification by USGBC. These were the first industrial

facilities in North Texas to earn such certification.

In the Fall of 2008, DLH's predecessors also commenced construction on the first two build-to-suit projects in DLH; an approximately 15 acre container yard for Bridge Terminal Transport, a division of Maersk Inc., and a +/-175 acre auto auction facility for ADESA, Inc., the second largest auto auction firm in the U.S. In January, 2010 the ADESA facility was awarded LEED® Silver Certification by the USGBC.

In Fall 2009, the City of Dallas obtained Federal approvals to create the City of Dallas Regional Center (CDRC) program which allows investors in the Dallas region (including 1056 acres of the DLH project) to potentially receive EB-5, or "Green Cards" for themselves and their families subject to making the appropriate capital investment in a qualified project. Debtors will continue to work with Dallas's Economic Development Department on applications which would provide "below-market" interest rate loans to facilitate the development of approximately 1,056 acres in the portion of the Dallas Logistics Hub within the City of Dallas.

The cities of Dallas, Wilmer, Hutchins and Lancaster, each of whom have jurisdiction over portions of the DLH project, have also been very supportive of DLH.

(1.) INFRASTRUCTURE AT DALLAS LOGISTIC HUB

Dallas Logistics Hub is located within the jurisdictions of Dallas, Wilmer, Hutchins and Lancaster. As a result, achieving governmental support of the Dallas Logistics Hub and the required public infrastructure funding took an extraordinary amount of time, negotiation and effort. The funding for these public infrastructure projects has added tremendous value to the development. These funds described below will finance most of the major arterial road improvements on the perimeter of DLH and provide vital links of the internal areas of DLH to the interstate highways.

Since 2005, the area in and around DLH has received in excess of $113 million in completed or funded public infrastructure projects, municipal bond projects, and grant funding commitments from various governmental entities for public infrastructure development. More specifically, the following is a summary table of the public funding committed to date by source:

PUBLIC FUNDING COMMITTED FOR INFRASTRUCTURE IMPROVEMENTS

Funding Entity	Approximate Funding Committed ($ Millions)
City of Dallas	$ 50.01
City of Hutchins	7.98
Dallas County	7.91
FHWA	10.60
NCTCOG (MPO)	6.10
TXDoT	31.11
TOTAL ESTIMATED	$ 113.71

Prior to the bankruptcy filing, there had been approximately $500 million invested or committed to the Dallas Logistic Hub and the immediately surrounding area from public and private sources including:

$ Millions	
$154	Infrastructure construction, bond projects, grants and earmarks
$125	Construction of the Union Pacific Intermodal Terminal
$ 85	Equity capital and loans from the Allen family
$ 55	Construction of a 175-acre build-to-suit for ADESA Auto Auction
$ 40	Construction of two speculative industrial buildings (827,000 sf)
$ 12	Land purchase by the BNSF Railway
$ 3	Construction of a 15-acre build-to-suit for Bridge Terminal Transport (Maersk)
$474	ESTIMATED TOTAL

Included in the funds and sources above, the City of Dallas and Debtors have been working with the cities of Hutchins, Lancaster and Wilmer, to secure funding for major water and sanitary sewer infrastructure projects, primarily for DLH, through US Congresswoman Eddie Bernice Johnson, for a $40 million appropriation from the 2007 Water Resources Development Act ("WRDA"). The WRDA funds carry a requirement for a local match of 25%. Debtors believe, based on conversations with the Congresswoman and her staff, along with public works staff of Dallas, Hutchins, Lancaster and Wilmer, that all of these funds should be appropriated and locally matched.

To further enhance the funding of public infrastructure, DLH has also pursued the creation of various public-private partnerships ("PPP") with the cities of Hutchins and Lancaster. These PPPs include tax increment reinvestment zones (TIRZ), reimbursement agreements, and other public finance vehicles available in Texas. Draft Preliminary Project & Financing Plans for TIRZs have been submitted to the cities of Hutchins and Lancaster.

In addition to the foregoing, DLH is also adjacent to the Lancaster Regional Airport, which has recently completed an update to its Airport Master-Plan as described below. Covering approximately 300 acres, the Lancaster Municipal Airport lies immediately adjacent to the DLH land assemblage. In August 2010, the airport recently completed a 1,500' extension to its 5,000 ft asphalt runway, for a current length of 6,500' capable of accommodating single engine as well as large corporate aircraft. In 2006, the FAA and TxDOT awarded Lancaster a grant for this extension of the runway, with additional funding, subject to warrant, to extend the runway to 8,000'.

The City of Lancaster has recently completed a master planning study conducted by Barnard Dunkelberg & Company, a very well respected airport consulting firm. The plan focus was to: (i) identify the long range airport development needs for the airport and the adjacent communities, (ii)

maximize the efficiency, effectiveness and safety of existing and planned aviation assets, and (iii) create a program for realistic implementation, including consideration of potential air-cargo activity. This study includes components focused on runway design and configuration, on-site facility development, and a market feasibility study to determine which sectors of the aviation business are suitable and possible for Lancaster and DLH.

B. DECEMBER, 2009 MERGER

In December of 2009, each Debtor was involved in separate mergers in which numerous subsidiaries were collapsed into one of Debtors. The DLH merger, which had been under consideration for more than two years, dramatically simplified an excessively complex financial structure created by Debtors' prior President, and made the legal structure more consistent with the way DLH was being marketed, financed, and managed. Even with the consolidation and financial simplification, there are still a number of entities, some involving third party investors, which are owned wholly or in part by ACP. Although some are inactive shell entities, other entities have their own stable lender relationships which ACP has no desire or financial benefit to disturb. A list of non filed ACP entities is attached as **Exhibit G**.

IX. OVERVIEW OF CHAPTER 11 CASES

A. First Day Motions

Contemporaneously with the Bankruptcy Petition, Debtors filed the following motions and applications (collectively, the "First Day Motions"): (1) Motion For Order Directing Joint Administration of Debtors Chapter 11 Cases; (2) Motion For An Order Pursuant To Bankruptcy Rule 1007 Granting An Extension Of Time For Filing Schedules And Statements Of Financial Affairs; (3) Debtors' Motion For An Order Pursuant To 11 U.S.C. §105(a) And Bankruptcy Rule

2002 Establishing Notice Procedures; (4) Debtors' Motion For Interim and Final Orders (I) Prohibiting Utilities From Altering, Refusing Or Discontinuing Service, (II) Deeming the Utility Companies Adequately Assured Of Future Performance, (III) Authorizing Debtors To Maintain Their Prepetition Relationships And Practices With The Third Party Vendor; And (IV) Establishing Procedures For Determining Requests For Additional Adequate Assurance; (5) Debtors' Motion For Interim And Final Orders (I) Authorizing Use Of Cash Collateral, (II) Granting Adequate Protection To All Secured Lenders, And (III) Scheduling A Final Hearing; (6) Application To Employ Counsel For Debtors And Debtors In Possession; (7) Debtors' Motion To Approve DIP Financing; (8) Debtors' Application to Employ Lain Faulkner & Co., P.C. As Accountants For Debtors; and (9) Debtors' Motion for Order Pursuant To 11 U.S.C. §105(a) and Bankruptcy Rule 331 Establishing Procedures For Interim Compensation and Reimbursement of Expenses of Professionals. All of the First Day Motions were granted and largely uncontested except: (5) Debtors' Motion For Interim And Final Orders (I) Authorizing Use Of Cash Collateral, (II) Granting Adequate Protection To All Secured Lenders, And (III) Scheduling A Final Hearing and (7) Debtors' Motion To Approve DIP Financing.

B. DIP Financing

Pre-petition, Pointe Property Group, Inc. and Allen Investments, Inc. (collectively, " DIP Lenders") had loaned Debtors approximately $ 590,000 secured by a junior lien on all DLH real estate involved in the Chapter 11 filing in order to enable Debtors to fund retainers for its professionals and continue operations until a bankruptcy filing could be effectuated. The DIP Lenders are entities owned and or controlled by the father, brother and various family entities related to Richard S. Allen, all of whom are insiders. The DIP Facility was potentially

controversial in that (a) the monies were being loaned by insiders, (b) a priming lien was granted to the extent to which DIP Facility proceeds were used to pay real estate taxes due and owing on the various parcels, (c) a junior lien was granted to the DIP Lenders by both DLH (on the land held by DLH) and ACP (on the various interests held by ACP), and (d) the DIP Facility as proposed was joint and several between ACP and DLH. Each of these issues was contested before the Court by one or more parties in interest.

Ultimately, the Court found (i) the terms of the line of credit was negotiated on an arm's-length basis, (ii) a priming lien was appropriate on those parcels where the secured creditor did not pay the real estate taxes which were due in the first weeks of the case, (iii) the junior lien on all DLH land without vertical improvements and all ACP assets which could validly be granted as security was appropriate and granted to secure the DIP Facility, and (iv) that ACP could only borrow against the DIP Facility through July 15, 2010 and DLH could make payments under the Service Agreement during that period. After July 15, 2010, DLH was no longer entitled to make payments under the Service Agreement for employees of ACP or ADCC and ACP was no longer entitled to borrow under the DIP Facility.

As ACP could not borrow against the joint DIP Facility after July 15, 2010, Debtors negotiated a separate DIP Facility for ACP with the existing DIP Lenders. This facility was subsequently approved by the Court and the DIP Lenders were granted a junior lien on ACP's assets to secure their loans under this DIP Facility.

Subsequently, DLH extended the joint DIP Facility by agreement with the DIP Lenders through October. DLH also requested that the Court establish a procedure under which the joint DIP Facility could be extended further by simply submitting a revised budget to the Court. The

Court granted DLH's request and established a procedure under which DLH could extend the DIP Facility without the necessity of a subsequent hearing.

C. Use of Cash Collateral and Adequate Protection

DLH's request to use cash collateral and offer to provide adequate protection to substantially all DLH secured creditors was also extensively contested and resulted in several hearings before the Court. DLH had offered to provide adequate protection to TierOne. and substantially all secured creditors of DLH with an interest in land without vertical development by providing a junior lien to all such creditors. Ultimately, the various secured creditors with liens on land without any vertical development declined the offer of adequate protection.

TierOne / Great Western Bank: Debtors requested to use the cash collateral generated by the lease to ADESA (which was then pledged to Tier One Bank (hereafter "TierOne") as security for the construction loan which was used pre-petition to develop the ADESA facility and various infrastructure improvements TierOne vigorously contested the request to use its cash collateral and later separately moved to lift the automatic stay, seeking permission for TierOne to foreclose on its collateral and prosecute certain guarantees. Ultimately, the Court ruled that certain pre-petition rents collected by the DLH were not cash collateral, granted Debtor DLH limited permission to approximately $1.2 million of the ADESA rents from filing through July 31, 2010 directed DLH to pay the remaining ADESA rents to TierOne, and denied TierOne's motion to lift the automatic stay so that the ADESA facility could not be foreclosed upon by TierOne. In addition, TierOne Bank was granted a junior lien in DLH land as substitute collateral for the cash collateral actually being used by Debtors and TierOne was granted permission to prosecute its guarantees.

TierOne Bank appealed certain of the Bankruptcy Court's Orders and those appeals are currently pending before the Federal District Court for the Northern District of Texas. Subsequently, TierOne Bank was seized by the FDIC and Great Western acquired the loan to DLH from the FDIC in its capacity as a receiver for TierOne Bank. Great Western has continued the appeal. DLH has moved to dismiss the appeal of the cash collateral order as moot. All other issues are still being briefed.

DLH filed a motion for permission to use added cash collateral after July 31, 2010 net of the amounts from the ADESA rents necessary to commence interest only payments to Great Western at the non default rate. DLH's motion was granted and DLH was authorized to use certain amounts from the ADESA rent through October, 2010. In the event a settlement is reached with Great Western, DLH anticipates making certain additional payments to Great Western from ADESA rents for November through the closing of the sale of the ADESA facility and being authorized to use the remaining rents to support operation.

Compass Bank: Debtors requested to use the cash collateral generated by the rents from the current and future tenants of Buildings A and Buildings B (which were pledged to Compass Bank as successor to Guaranty Bank). Debtors and Compass Bank reached an agreement under which Compass Bank consented to DLH's use its cash collateral to care for and support Buildings A and Buildings B, including potentially using those funds for tenant improvements, subject to Compass Bank's review of the funds being expended and the applicable budget. DLH has requested use of certain amounts of cash collateral to make tenant improvements and pay lease brokerage fees in connection with certain potential new tenants. At this time, DLH has not received a response from Compass Bank with respect to that requested use of cash collateral.

D. Retention of Brokers

To assist in DLH marketing efforts, with the permission of the Bankruptcy Court, DLH has retained C.B. Richard Ellis to market the ADESA facility and Jones Lang LaSalle to market the various DLH parcels without any existing vertical development.

E. Leases of Non-residential Real Property Where a Debtor Is Lessee

DLH assumed its office lease of certain space in the 1700 North Pacific building in Dallas. ACP received an agreed extension from its landlord with respect to whether to assume or reject its lease with ADSC Diamante, LLC for its offices in San Diego. ACP subsequently moved to assume the Diamante lease. As no party objected to the assumption of the Diamante lease, the Diamante lease has been assumed.

F. Retention of NewSource Partners and Commission Agreements for Exit Financing

Debtors retained Mr. Dwayne Toler of NewSource Partners to act as Chief Financial Officer and assist Debtors in locating Exit Financing. In connection with the Exit Financing facility, Debtors have agreed to pay, on a non-exclusive basis, certain financial intermediaries up to 2% of the proceeds from the facility. Debtors filed a Motion for the Court to approve such a fee or commission and received an order authorizing Debtors to enter into agreements to pay such a fee or commission. Debtors have entered into several such agreements in connection with Debtors' search for the Exit Financing facility.

G. **Objections to Romanov Claim and Romanov Settlement with Committee**

Edward B. Romanov, Jr. was recruited and hired as a consultant to manage the real estate operations of Richard Allen and the group of companies known as "The Allen Group" in October of 2004. Thereafter, Romanov was hired as President and Chief Operating Officer of ACP in

April of 2006 under an Employment Agreement. Pursuant to the Employment Agreement, Romanov was admitted as a member to ACP and held a Profits Interest in ACP. The day after Romanov terminated the Employment Agreement in 2008, Romanov contends ACP owed him well in excess of thirty million dollars ($30,000,000) in connection with the "repurchase" of Romanov's Profits Interest. On or about November 17, 2008, Romanov received $3,271,776.00 from ACP in addition to the forgiveness of certain indebtedness owed to Richard S. Allen, Inc. and ACP by Romanov. Romanov commenced an arbitration proceeding against a variety of parties, including ACP, seeking to recover the balance.

Romanov filed a proof of claim (claim #14) in the amount of $27,451,767 against ACP. Debtor ACP objected to the claim on a variety of grounds, including that Romanov's claim was capped under Bankruptcy Code section 502(b)(7). The Committee also objected to Romanov's amended claim on the grounds that the claim was actually a proof of interest and not a proof of claim. To date, the Bankruptcy Court has entered an order denying Debtor ACP's objection that Romanov's claim should be capped under Bankruptcy Code section 502(b)(7). Debtor ACP anticipates appealing that decision.

Prior to the hearing on ACP's and the Committee's objections to Romanov's claim, Romanov and the Committee reached a settlement which they announced in open Court under which Romanov agreed to cap his claim in the bankruptcy proceeding at six million, five hundred thousand dollars ($6,500,000). Subject to the restrictions set forth below, Romanov's claim would be allowed as follows:

a. $3,500,000 as an Allowed ACP General Unsecured Claim (the "Romanov Unsecured Claim") and

b. $3,000,000 as a subordinated Allowed ACP General Unsecured Claim,

subordinated in rights and payment, to and until all Allowed ACP General Unsecured Claims shall have received Cash Distributions in the amount of 70% of such Allowed ACP General Unsecured Claims (the "Romanov Subordinated Unsecured Claim").

Following cash distributions to holders of all Allowed ACP General Unsecured Claims in the amount of 70% of such Allowed ACP General Unsecured Claims, the holder of the Romanov Subordinated Unsecured Claim will participate in subsequent Cash Distributions, if any, as follows:

a. First, the holder of the Romanov Subordinated Unsecured Claim, shall receive the next $500,000 in cash distributions, before payment of any further cash distributions to holders of Allowed ACP General Unsecured Claims;

b. Second and thereafter, all cash distributions, shall be made on a pro rata basis to all holders of Allowed ACP General Unsecured Claims; provided, however, that the Romanov Unsecured Claim will then be increased by the amount of $2,500,000 to an aggregate of $6,000,000 ($2,500,000 [the increase amount] plus $3,500,000 [the amount of the Romanov Unsecured Claim]) and thereafter the Romanov Unsecured Claim will be $6,000,000 for purposes of future cash distributions (the "Romanov Adjusted Unsecured Claim");

c. No cash distributions will be made to the holder of the Romanov Adjusted Unsecured Claim to result in the holder of the Romanov Adjusted Unsecured Claim having received cash distributions equal to 70% of $6,000,000; rather, all Cash Distributions shall be made at the then pro rata basis of all Allowed ACP General Unsecured Claims (inclusive of the Romanov Adjusted Unsecured Claim).

d. To illustrate the structure of the stipulation and by way of example only, assume: (a) that all Allowed ACP General Unsecured Claims equal $50,000,000 (inclusive of the Romanov Unsecured Claim); (b) that cash distributions have already been made to holders of Allowed ACP General Unsecured Claims aggregating $35,000,000 (*to wit*: 70% of $50,000,000); and (c) cash distributions are to be made in the amount of $4,000,000, the same would be distributed as follows:

i. The first $500,000 thereof to the holder of the Romanov Subordinated Unsecured Claim;

The next $3,500,000 to the holders of the Allowed ACP General Unsecured Claims, consisting of $52,500,000 ($50,000,000 plus $2,500,000 [the increased amount of the Romanov Unsecured Claim]), on a pro rata basis, with the holder of the of the Romanov Adjusted Unsecured Claim receiving $400,000 ($3,500,000 X $6,000,000/$52,500,000).

Notwithstanding the Stipulation between Romanov and the Committee, to the extent the Court ultimately finds that Romanov is entitled to an allowed claim against ACP in excess of the $6,500,000, Romanov unconditionally stipulated and agreed that, notwithstanding such court Order: (i) Romanov will not receive cash distributions in an amount exceeding $6,500,000; and (ii) Amended Claim 14 shall be paid on account of such claim, if at all, in accordance with the provisions described above. To the extent the Court's order on Romanov's claim provides that the claim is allowed in an amount less than $6,500,000 (the "Ordered Claim Amount"), Romanov unconditionally stipulates and agrees that: (i) the holder of Amended Claim 14, will not receive cash distributions in an amount exceeding the Ordered Claim Amount; and (ii) the Ordered Claim Amount shall be allowed and treated, with respect to cash distributions, as follows: (A) as an Allowed ACP General Unsecured Claim not to exceed to $3,500,000; and (B) the difference, if any, between the Ordered Claim Amount and $3,500,000 shall be (1) allowed as a subordinated Allowed ACP General Unsecured Claim, subordinated in rights and payment, to and until all Allowed ACP General Unsecured Claims have received cash distributions in the amount of 70% of such Allowed ACP General Unsecured Claims; and (2) paid in the same "waterfall" manner as the Romanov Subordinated Unsecured Claim as described above.

X. RISK FACTORS

The primary risk to creditors under the Plan is that Debtors will be unable to meet their sales and development projections which can be found in accompanying Exhibits E-1 and E-2.

Although management regards the projections as reasonable and achievable, there is no guaranty Debtors will be able to achieve the results projected. Future prices for land are inherently uncertain and there can be no guaranty that Debtors will be able to sell either the volume of land projected or realize the prices projected. More specifically, for ACP, the projections also include significant development activity at LPKC, primarily build to suit opportunities, which requires certain

assumptions about the terms and conditions a capital partner would require to allow that development to occur. For a more traditional description of Risk Factors, see **Exhibit H**.

XI. GENERAL DISCHARGE

Except with respect to Classes of Claims unimpaired pursuant to the Plan, the distributions and rights afforded in the Plan shall be in complete and full satisfaction, discharge and release, effective as of the Effective Date, of all Claims against and interests in Debtors or any of its assets or properties of any nature whatsoever. Commencing on the Effective Date, except as expressly otherwise provided in the Plan, all Claim holders and interest holders shall be precluded forever from asserting against Debtors or their respective assets and properties, any other or further liabilities, liens, obligations, Claims or Interests, or causes of action belonging to Debtors pursuant to 11 U.S.C. § 541 which could arise up through the Effective Date of the Plan including but not limited to, all principal and accrued and unpaid interest and penalties on the debts of either Debtor, based on any act or omission, transaction or other activity or security interest or other agreement of any kind or nature occurring, arising or existing prior to the Effective Date, that was or could have been the subject of any Claim or interest, whether or not Allowed, except with respect to and to the extent of Claims or the portions of Claims which are unimpaired pursuant to the Plan. As of the Effective Date, Debtors, their Affiliates and Principals shall be discharged and released from and shall hold all the assets and properties received or retained by it pursuant to the Plan, free of all liabilities, liens, Claims and obligations or other claims of any nature, known or unknown, except Claims in Classes unimpaired pursuant to the Plan. All legal or other proceedings and actions seeking to establish or enforce liabilities, liens, Claims and interests or obligations of any nature against either Debtor or assets or properties received or retained with respect to debts and obligations, if any, of the estate arising

before the Effective Date shall be permanently stayed or enjoined, except as otherwise specifically provided in the Plan.

XII. CORPORATE GOVERNANCE AND MANAGEMENT OF PLAN DEBTORS AS REORGANIZED

1. Continued Corporate Existence of the Plan Debtors.

Subject to the restructuring and reorganization contemplated by, and described more fully in the Plan, each of the Plan Debtors shall continue to exist after the Effective Date as a separate entity, and all Interests held by a Plan Debtor in another Plan Debtor or a subsidiary thereof shall be reinstated, with all the powers available to such legal entity, in accordance with applicable law and pursuant to the Plan Debtor Constituent Documents, which shall become effective upon the occurrence of the Effective Date or such other later date contemplated thereby.

2. New Organizational Documents

3. Directors and Officers

Pursuant to section 1129(a)(5) of the Bankruptcy Code, the identity and affiliations of each proposed initial director or officers following the Effective Date (and, to the extent such Person is an insider of the Plan Debtors, the nature of any compensation of such Person, as well as the related terms) shall be disclosed no later than two (2) calendar days prior to the Confirmation Hearing.

The Professionals retained by the Committee and the respective members thereof shall not be entitled to compensation and reimbursement of expenses for services rendered to the Committee after the Effective Date, except for services rendered in connection with applications for allowance of compensation and reimbursement of expenses pending on the Effective Date or filed after the Effective Date; provided, however, that to the extent any such fees and expenses are incurred after the date that is fifteen business days prior to the deadline to file final fee applications, any such fees and expenses must be submitted to the Reorganized Debtors.

5. Funding of the Plan

Cash Distributions to be made pursuant to the Plan will be made from (i) Exit Financing on hand on the Effective Date, (ii) cash proceeds received by Debtors from the liquidation of assets as of the Effective Date and other funds then available.

Except as set forth in section 13.22 of the Plan,, Reorganized Debtors shall not be obligated to physically segregate and maintain separate accounts for reserves or for distribution funds and

separate reserves and funds may be merely bookkeeping entries or accounting methodologies, which may be revised from time to time, to enable Reorganized Debtors to determine Distributable Cash, reserves and amounts to be paid to parties in interest.

Reorganized DLH shall segregate and maintain separate accounts for the following purposes:

(i) escrowing rents, common area maintenance and taxes received from the tenants of Building A and B unless and until Compass Bank consents to the commingling of all or a part of such funds,

(ii) escrowing monies received for taxes and insurance from ADESA until such time as those taxes and/or insurance bills are paid,

(vi) escrowing monies which are to be distributed quarterly to the holders of Pool 2 Notes (Secured Creditor Pool 2 Net Proceeds and Subordinated Pool 1 Net Proceeds).

6. Corporate and Limited Liability Company Action

On the Effective Date, the matters under the Plan involving or requiring corporate or limited liability company action of Debtors, including, but not limited to, actions requiring a vote or other approval of the board of directors, members or shareholders, as applicable, and execution of all documentation incident to the Plan, notwithstanding any otherwise applicable non-bankruptcy law or the Organization Documents of Debtors, shall be deemed to have been authorized by the

Confirmation Order and to have occurred and be in effect from and after the Effective Date without any further action by the Bankruptcy Court or the officers, directors, members or shareholders, as applicable, of Debtors.

7. Saturday, Sunday or Legal Holiday

If any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

XIII. TREATMENT OF EXECUTORY CONTRACTS AND LEASES

A. TREATMENT OF REMAINING EXECUTORY CONTRACTS AND UNEXPIRED LEASES

The Plan constitutes and incorporates one or more motions by the respective Debtor proponent to assume, as of the Confirmation Date and conditioned upon the occurrence of the Effective Date, all prepetition executory contracts and unexpired leases to which one or both of Debtors are a party, except for executory contracts or unexpired leases that (a) have been assumed or rejected pursuant to Final Order of the Bankruptcy Court, or (b) are the subject of a separate motion (or appeal of the ruling on such motion) filed pursuant to section 365 of the Bankruptcy Code filed by one or both of Debtors prior to the Effective Date or a separate motion (or appeal of the ruling on such motion) to compel or permit assumption or rejection pursuant to section 365 of the Bankruptcy Code filed by the Committee prior to the Effective Date and such unexpired lease or executory contract shall be assumed or rejected, as the case may be, by virtue of a Final Order of the Bankruptcy Court, which may be entered after the Effective Date.

DLH Hutchins Wintergreen 178, LLC (a predecessor to DLH) as landlord and ADESA Texas, Inc. were parties to a Reverse Build-to-Suit Single Tenant Lease (Triple Net) (as amended, the "**ADESA Lease**") and Project Improvement Agreement incorporated thereto (the "**ADESA PIA**") made and entered into as of March 31, 2008, as amended pursuant to that First Amended to Reverse Build-to-Suit Single Tenant Lease (Triple Net) and Projects Improvement Agreement dated July 18, 2008. Pursuant to the ADESA Lease and ADESA PIA, DLH agreed to make or cause to be made certain "Off-Site Improvements" which includes the expansion and extension of Wintergreen Road and provided certain economic incentives to ADESA. To date, DLH has not completed the "Off-Site Improvements" nor provided the economic incentives. If the property or Reorganized DLH's interests in DLH ADESA Parcel, LLC are sold within 180 days after confirmation of the Plan, the cost of any such Off-Site Improvements and economic incentives, if any, shall be charged against the proceeds realized from the sale unless such a claim is waived by ADESA. The Plan constitutes a motion by DLH to assume the ADESA Lease and the ADESA PIA. To the extent to which there has been a default under the ADESA Lease and/or the ADESA PIA, Debtor DLH shall either cure the default or provide adequate assurance of prompt cure of such default.**B. REJECTION DAMAGES BAR DATE**

Except to the extent another Bar Date applies pursuant to an order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts under the Plan must be filed with the Bankruptcy Court and with the following persons:

Jenny Saubert 125 S. Bridge Street, Suite 100 Visalia, CA 93291

and a copy served on counsel for Debtors, within thirty (30) days from the entry of the Confirmation Order, or such Claim shall be forever barred and shall not be entitled to a Distribution or be enforceable against Debtors, their Estates, Reorganized Debtors, their successors, or their assigns. Any Claim arising from the rejection of an Executory Contract shall be treated as a Claim in the applicable Class (General Unsecured Claims). Nothing in the Plan extends or modifies any previously applicable Bar Date.

XIII. DISTRIBUTIONS

A. GENERAL PROVISIONS CONCERNING DISTRIBUTIONS

All Allowed Unsecured Claims held by a single creditor against a Debtor shall be aggregated and treated as a single Claim against that Debtor. At the written request of Reorganized Debtors, any creditor holding multiple Allowed Unsecured Claims shall provide Reorganized Debtors a single address to which any Distributions shall be sent. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

Debtors may, but shall not be required to, set off against or recoup from any Claim and the payments to be made pursuant to the Plan in respect of such Claim any Claims of any nature whatsoever that Debtors may have against the claimant, but neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by Debtors, of any such claim they may have against such claimant.

To the extent that any Allowed Claim entitled to a Distribution under the Plan consists of indebtedness and other amounts (such as accrued but unpaid interest thereon), such Distribution shall be allocated first to the principal amount of the Claim (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claim, to such other amounts.

B. DISBURSING AGENT

Reorganized Debtors shall be the Disbursing Agent unless otherwise ordered by the Court in the Confirmation Order, and the Disbursing Agent shall make all distributions under the Plan.

C. TIME AND MANNER OF DISTRIBUTIONS

Reorganized Debtors shall have the power, to make interim distributions to Holders of Allowed Claims if Reorganized Debtors determine that such interim distributions are warranted and economical; provided that Reorganized Debtors shall make interim distributions at least annually if such distributions would not exceed the amount of Excess Cash. If Reorganized Debtors determine to make interim distributions to Holders of Allowed General Unsecured Claims, Reorganized Debtors will determine the amount to be distributed by taking into account such factors as ongoing expenses, costs, and taxes. At the option of Reorganized Debtors, any distributions under the Plan may be made either in cash, by check drawn on a domestic bank, by wire transfer or by ACH. Notwithstanding any other provisions of the Plan to the contrary, no payment of fractional cents will be made under the Plan. Cash will be issued to Holders entitled to receive a Distribution of Cash in whole cents (rounded to the nearest whole cent when and as necessary). To the extent that the aggregate of such distributions never exceeds $25.00 within one year of when the funds would

originally have been distributed, such funds shall be paid on the first anniversary of when de minimus distribution would otherwise have become due and payable except for the provisions of this section.

D. DELIVERY OF DISTRIBUTIONS

Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims shall be made by the Disbursing Agent (i) at the addresses set forth on the Proofs of Claim filed by such Holder (or at the last known addresses of such Holder if no motion requesting payment or Proof of Claim is filed or Debtors or Reorganized Debtors have been notified in writing of a change of address), (ii) at the addresses set forth in any written notices of address changes delivered to Reorganized Debtors after the date of any related Proof of Claim, or (iii) at the addresses reflected in the Schedules if no Proof of Claim has been filed and Reorganized Debtors have not received a written notice of a change of address.

E. UNDELIVERABLE DISTRIBUTIONS

If a distribution to a Holder of a Claim is returned as undeliverable, no further distributions to such Holder of a Claim shall be made unless and until Reorganized Debtors are notified of the then-current address of such Holder, at which time all missed distributions shall be made to such Holder without interest. Amounts in respect of undeliverable distributions shall be returned to the Liquidating Trustee until such distributions are claimed. All funds or other undeliverable distributions returned to Reorganized Debtors in respect of any Claim and not claimed within four (4) months of return shall be forfeited and remain with and vest in Reorganized Debtors for distribution to other Holders of Allowed Claims

F. CLAIMS ADMINISTRATION RESPONSIBILITY

1. Reservation of Rights to Object to Claims

Unless a Claim is expressly described as an Allowed Claim pursuant to or under the Plan, or otherwise becomes an Allowed Claim prior to or after the Effective Date, Reorganized Debtors (on behalf of the Estates) reserve any and all objections to any and all Claims and motions or requests for the payment of Claims, whether administrative expense, priority, secured or unsecured, including, without limitation, any and all objections to the validity or amount of any and all alleged Administrative Claims, Priority Tax Claims, Priority Claims, General Unsecured Claims, Intercompany Claims, Interest Related Claims, Interests, Liens and security interests, whether under the Bankruptcy Code, other applicable law or contract.

2. Objections to Claims

Prior to the Effective Date, Debtors shall be responsible for pursuing any objection to the allowance of any Claim. From and after the Effective Date, Reorganized Debtors will retain responsibility for administering, disputing, objecting to, compromising or otherwise resolving and making distributions, if any, with respect to all Claims. Unless otherwise provided in the Plan or by order of the Bankruptcy Court, any objections to Claims will be filed and served not later than 90 days after the Effective Date. Unless arising from an Avoidance Action, any Proof of Claim filed more than ninety (90) days after the Effective Date shall be of no force and effect and need not be objected to. All Contested Claims shall be litigated to Final Order unless estimated by the Bankruptcy Court for purposes of distribution; provided, however, Reorganized Debtors may compromise and settle any Contested Claim, subject to the approval of the Bankruptcy Court.

Reorganized Debtors may request (and the Bankruptcy Court may grant) an extension of such deadline by filing a motion with the Bankruptcy Court, based upon a reasonable exercise of business

judgment. A motion seeking to extend the deadline to object to any Claim shall not be deemed an amendment to the Plan.

3. Filing of Objections

An objection to a Claim or Interest shall be deemed properly served on the Holder of such Claim or Interest if Reorganized Debtors effect service in accordance with Bankruptcy Rule 3007.

4. Determination of Claims

Except as otherwise agreed by Reorganized Debtors, any Claim as to which a Proof of Claim or motion or request for payment was timely filed in the Chapter 11 Cases may be determined and (so long as such determination has not been stayed, reversed or amended and as to which determination (or any revision, modification or amendment thereof) the time to appeal or seek review or rehearing has expired and as to which no appeal or petition for review or rehearing was filed or, if filed, remains pending) liquidated pursuant to (i) an order of the Bankruptcy Court, (ii) applicable bankruptcy law, (iii) agreement of the parties, (iv) applicable non-bankruptcy law, or (v) the lack of (a) an objection to such Claim, (b) an application to equitably subordinate such Claim, and (c) an application to otherwise limit recovery with respect to such Claim, filed by Debtors or Reorganized Debtors on or prior to any applicable deadline for filing such objection or application with respect to such Claim. Any such Claim so determined and liquidated shall be deemed to be an Allowed Claim for such liquidated amount and shall be satisfied in accordance with the Plan. Nothing contained in this claim determination shall constitute or be deemed a waiver of any claim, right or Cause of Action that Debtors or Reorganized Debtors may have against any Person in connection with or arising out of any Claim or Claims, including, without limitation, any rights under 28 U.S.C. § 157.

G. PROCEDURES FOR TREATING AND RESOLVING DISPUTED AND CONTINGENT CLAIMS

1. No Distributions Pending Allowance

No payments or distributions will be made with respect to all or any portion of a Disputed Claim unless and until all objections to such Disputed Claim have been settled, withdrawn, determined by a Final Order, and the Disputed Claim has become an Allowed Claim.

2. Claim Estimation

Debtors or Reorganized Debtors may request estimation or liquidation of any Disputed Claim that is contingent or unliquidated pursuant to Bankruptcy Code sections 502(c) and 502(e); provided, however, the Bankruptcy Court shall determine (i) whether such Disputed Claim is subject to estimation pursuant to Bankruptcy Code section 502(c) and (ii) the timing and procedures for such estimation proceedings, if any.

H. SETOFFS AND RECOUPMENT

Reorganized Debtors may, pursuant to sections 553 and 558 of the Bankruptcy Code or applicable non-bankruptcy law, but shall not be required to, setoff against or recoup from any Claim on which payments are to be made pursuant to the Plan, any claims or Causes of Action of any nature whatsoever Debtors may have against the Holder of such Claim; provided, however, that neither the failure to effect such offset or recoupment nor the allowance of any Claim shall constitute a waiver or release by Debtors of any setoff or recoupment Debtors may have against the Holder of such Claim, nor of any other claim or Cause of Action.

I. ALLOWANCE AND DISALLOWANCE OF CLAIMS SUBJECT TO SECTION 502 OF THE BANKRUPTCY CODE

Allowance and disallowance of Claims shall be in all respects subject to the provisions of section 502 of the Bankruptcy Code, including, without limitation, subsections (b), (d), (e), (g), (h) and (i) thereof.

J. CANCELLATION OF INSTRUMENTS AND AGREEMENTS

Upon the occurrence of the Effective Date, except as otherwise provided herein, all promissory notes, shares, certificates, instruments, indentures, stock or agreements evidencing, giving rise to or governing any Claim or Interest shall be deemed canceled and annulled without further act or action under any applicable agreement, law, regulation, order or rule; obligations of Debtors under such promissory notes, share certificates, instruments, indentures or agreements shall be discharged and the Holders thereof shall have no rights against Debtors, the Estates or Reorganized Debtors; and such promissory notes, share certificates, instruments, indentures or agreements shall evidence no such rights, except the right to receive the distributions provided for in the Plan.

K. NO INTEREST ON CLAIMS

Unless otherwise specifically provided for in the Plan, the Confirmation Order or a post-petition agreement in writing between Debtors and a Holder of a Claim and that has been approved by an order of the Bankruptcy Court, post-petition interest shall not accrue or be paid on any Claim, and no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date on any Claim. In addition, and without limiting the foregoing, interest shall not accrue on or be paid on any Disputed Claim in respect of the period from the Effective Date to the date a final distribution is made when and if such Disputed Claim becomes an Allowed Claim.

L. WITHHOLDING TAXES

Reorganized Debtors shall be entitled to deduct any federal, state or local withholding taxes from any payments under the Plan. As a condition to making any distribution under the Plan, Reorganized Debtors may require that the Holder of an Allowed Claim provide such Holder's taxpayer identification number and such other information and certification as Reorganized Debtors may deem necessary to comply with applicable tax reporting and withholding laws.

M. REPORTS

From the Effective Date, until a Final Decree is entered, Reorganized Debtors shall submit quarterly reports to the United States Trustee setting forth all receipts and disbursements of Reorganized Debtors as required by the United States Trustee guidelines.

XIV. EFFECT OF CONFIRMATION

A. VESTING OF ASSETS

On the Effective Date, pursuant to sections 1141(b) and (c) of the Bankruptcy Code, Reorganized Debtors Assets shall be released from the custody and jurisdiction of the Bankruptcy Court, and all Reorganized Debtors Assets shall vest in Reorganized Debtors free and clear of all Claims, Liens, encumbrances, charges and other interests, except as provided in the Plan. From and after the Effective Date, Reorganized Debtors may operate their businesses and may use, acquire and dispose of property free of any restrictions of the Bankruptcy Code, the Bankruptcy Rules or the Local Bankruptcy Rules, subject to the terms and conditions of the Plan.

B. BINDING EFFECT

On and after the Effective Date, the provisions of the Plan shall bind any holder of a

Claim against, or Interest in, a Debtor and such Holder's respective successors and assigns, whether or not the Claim or Interest of such Holder is Impaired under the Plan, whether or not such Holder has accepted the Plan and whether or not such Holder is entitled to a Distribution under the Plan.

C. DISCHARGE OF CLAIMS AND TERMINATION OF INTERESTS

Except as provided in the Plan, the rights afforded in and the payments and Distributions to be made under the Plan shall terminate all Interests and discharge all existing debts and Claims of any kind, nature or description whatsoever against or in Debtors, or their assets or properties to the fullest extent permitted by section 1141 of the Bankruptcy Code. Except as provided in the Plan, upon the Effective Date, all existing Claims against Debtors and Interests shall be, and shall be deemed to be, discharged and terminated, and all holders of such Claims and Interests shall be precluded and enjoined from asserting against Reorganized Debtors, its successors or assignees or any of its assets or properties, any other or further Claim or Interest based upon any act or omission, transaction or other activity of any kind or nature that occurred prior to the Effective Date, whether or not such Holder has filed a Proof of Claim or proof of interest and whether or not the facts or legal bases therefore were known or existed prior to the Effective Date.

D. INJUNCTION AND ENFORCEABILITY OF RENEWED GUARANTIES

As long as the Compass Bank Building Note is outstanding and not in default, Compass is enjoined from prosecuting any claims against guarantors. In order to receive the benefit of the proposed injunction, the guarantors shall agree to toll the statute of limitation such that the applicable period(s) for any statute of limitation is not running while the New Note is outstanding.

Where ACP had guaranteed certain obligations of either DLH or its non-bankrupt subsidiaries, the holders of such guaranties, to the extent to which the value of the underlying

collateral is greater than the obligation which had been guaranteed by ACP, may elect to have their guarantee ride through as a guarantee of Reorganized ACP. However, the renewed guarantee is unenforceable under the Plan so long as (i) Reorganized DLH or the underlying non debtor affiliate of ACP, and (ii) Reorganized ACP are performing under the joint plan,

E. TERM OF INJUNCTIONS OR STAYS

Unless otherwise provided herein or in the Confirmation Order, all injunctions or stays provided for in the Chapter 11 Cases under sections 105 or 362 of the Bankruptcy Code, the Plan or otherwise, and extant on the Confirmation Date, shall remain in full force and effect until the entry of the Final Decree.

G. RESERVATION OF CAUSES OF ACTION/RESERVATION OF RIGHTS

Nothing contained in the Plan shall be deemed to be a waiver or relinquishment of any rights or Causes of Action that Debtors or Reorganized Debtors may have or may choose to assert against any Person. All creditors and parties in interest are hereby placed on notice that despite provisions which may be contained in the Plan, including without limitation those providing for satisfaction of Claims, if Allowed, the Reorganized Debtors reserve the right, as advised by counsel, to (a) commence, prosecute to judgment, and to collect upon any cause of action, whether or not such cause of action is listed in the Schedules and Statements of Affairs as an asset of Debtors' chapter 11 Estate and to (b) include as defendants in a suit any and all parties which are, at this time, named and unnamed. Currently, the Reorganized Debtors are unable to estimate the size of any recovery from such a lawsuit. The Reorganized Debtors are authorized under the Plan, in their sole discretion, to litigate to final judgment, prosecute appeals as are necessary and enter into such settlement agreements as are deemed appropriate with respect to any and all suits initiated as provided herein

Notwithstanding the foregoing, sections 11.01 and 13.29 in the Plan release certain claims which could otherwise have been brought by the Debtors. Section 11.01 of the Plan provides that, except with respect to Classes of Claims unimpaired pursuant to the Plan, the distributions and rights afforded in the Plan shall be in complete and full satisfaction, discharge and release, effective as of the Effective Date, of all Claims against and Interests in Debtors or any of their respective assets or properties of any nature whatsoever. Commencing on the Effective Date, except as expressly otherwise provided in the Plan, all Claim holders and Interest holders shall be precluded forever from asserting against Debtors, their respective affiliates and principals, their respective agents and attorneys or their respective assets and properties, any other or further liabilities, liens, obligations, Claims or Interests, or causes of action belonging to Debtors pursuant to 11 U.S.C. § 541 which could arise up through the Effective Date of the Plan including but not limited to, all principal and accrued and unpaid interest and penalties on the debts of Debtors, based on any act or omission, transaction or other activity or security interest or other agreement of any kind or nature occurring, arising or existing prior to the Effective Date, that was or could have been the subject of any Claim or interest, whether or not Allowed. As of the Effective Date, Debtors and their respective affiliates, and principals shall be discharged and released from and shall hold all the assets and properties received or retained by them pursuant to the Plan, free of all liabilities, liens, Claims and obligations or other claims of any nature, known or unknown, except as set forth pursuant to the Plan. All legal or other proceedings and actions seeking to establish or enforce liabilities, liens, Claims and interests or obligations of any nature against Debtors or assets or properties received or retained by Debtors with respect to debts and obligations, if any, of the estate arising before the Effective Date shall be permanently stayed or enjoined, except as otherwise specifically provided in the Plan.

Notwithstanding the foregoing, this provision shall not be interpreted to release any third party claims, liabilities or other causes of action against the affiliates and principals of the Debtors unless the claim or cause of action so released is derivative of a claim or cause of action which was or could have been asserted against a Debtor in this Bankruptcy, or constitutes property of either of the Debtors' bankruptcy estates.

Section 13.29 provides that neither the Debtors, nor the Committee, nor any of their respective members, officers, directors, employees, agents, advisors, affiliates, attorneys, accountants, nor any other professional person retained or employed by any of them (collectively, the "Exculpated Persons") shall have or incur any liability to any Creditor, Interest holder, or any other person or entity for any act taken or omission made in good faith in connection with or relating to the formulation, negotiation, implementation, confirmation, or consummation of the Plan, including any settlement referenced or described herein, or in connection with or relating to the Disclosure Statement or any document, instrument, note or agreement executed or to be executed and delivered pursuant to the Plan. The Exculpated Persons shall have no liability to the Debtors, any Creditor, Interest holder, or any other party in interest in the Debtors' Bankruptcy Case, or any other person or entity, for actions taken or not taken under the Plan, in connection herewith, or with respect hereto, or arising out of their administration of the Plan or distributions of money or property under the Plan, in good faith, including, without limitation, the failure to obtain confirmation of the Plan, or the failure to satisfy any condition or conditions, or refusal to waive any condition or conditions, to the occurrence of the Effective Date, and in all respects the Exculpated Persons shall be entitled to rely upon the advice of counsel with respect to their duties, rights, and obligations under the Plan.

H. AVOIDANCE ACTIONS/OBJECTIONS

Generally, the Debtors waive all causes of action belonging to the estate pursuant to section 541 of the Bankruptcy Code, including but not limited to Avoidance Actions pursuant to sections 544, 545, 546, 547, 548 or 549 of the Bankruptcy Code. Notwithstanding the foregoing, all Avoidance Actions are preserved in the estate for the benefit of creditors if (a) such an Avoidance Action has been brought or otherwise asserted in a written pleading filed with the Bankruptcy Court prior to the Effective Date, or (b) such Avoidance Actions have been asserted as part of an objection to the claim where either (i) such objection was brought prior to the Confirmation Date, or (ii) the claim in question was filed after the applicable bar date for such claim. Given Debtors were solvent on a balance sheet basis pre-petition, Debtors regard the value of the Avoidance Actions so waived to be *de minimis* and believe the costs of bringing and prosecuting such actions outweigh the likely recovery under those actions.

XV. CONDITIONS PRECEDENT

A. CONDITIONS PRECEDENT TO EFFECTIVE DATE

The Plan shall not become effective unless and until each of the following conditions shall have been satisfied in full in accordance with the provisions specified below:

a. The Bankruptcy Court shall have approved a disclosure statement with respect to the Plan in form and substance acceptable to Debtors in their sole and absolute discretion;

b. The Confirmation Order shall be in form and substance acceptable to Debtors in their absolute discretion;

c. The Confirmation Order shall have been entered by the Bankruptcy Court and shall not be subject to any stay of effectiveness; the Confirmation Date shall have occurred and no request for revocation of the Confirmation

Order under section 1144 of the Bankruptcy Code shall have been made, or, if made, shall remain pending;

d. Reorganized Debtors' reasonably projected expenses do not exceed its reasonably projected revenue; and

e. All documents necessary to consummate the Exit Financing shall be executed on or prior to the Effective Date; and

f. Exit Financing in amounts and terms acceptable to ACP and DLH have been arranged and are ready to be funded.

B. REVOCATION, WITHDRAWAL OR NON-CONSUMMATION OF THE PLAN

If, after the Confirmation Order is entered, each condition precedent to the Effective Date has not been satisfied or duly waived by Debtors on or by ninety (90) days after the Confirmation Date, then upon motion by Debtors, the Confirmation Order may be vacated by the Bankruptcy Court; provided, however, that notwithstanding the filing of such a motion, the Confirmation Order shall not be vacated if each of the conditions precedent to the Effective Date is either satisfied or duly waived before the Bankruptcy Court enters an order granting the relief requested in such motion. **If the Confirmation Order is vacated, the Plan shall be null and void in all respects, and nothing contained in the Plan shall (i) constitute a waiver or release of any Claims against or Interests in Debtors, (ii) prejudice in any manner the rights of the Holder of any Claim against or Interest in Debtors, (iii) prejudice in any manner the rights of Debtors in the Chapter 11 Cases, or (iv) constitute a release, indemnification or exculpation by Debtors, the Estates or any other party pursuant to the Plan. If the Confirmation Order is vacated, in order to confirm a new Plan of Reorganization, a new Plan and Disclosure Statement would have to be submitted to the Bankruptcy Court. In Debtors' judgment, such an event would increase the risk that Debtors would not succeed in reorganizing their operations and instead would be**

liquidated. In such an event, unsecured creditors are anticipated to receive nothing and many otherwise fully secured creditors may not be able to realize the full value of their collateral, resulting in deficiencies.

XVI. ADMINISTRATIVE PROVISIONS

A. RETENTION OF JURISDICTION BY THE BANKRUPTCY COURT

The Plan shall not in any way limit the Bankruptcy Court's post-confirmation jurisdiction as provided under the Bankruptcy Code. Pursuant to sections 105(a) and 1142 of the Bankruptcy Code, the Bankruptcy Court shall retain and have exclusive jurisdiction (to the extent granted by applicable law, including any provisions permitting mandatory or discretionary withdrawal of such jurisdiction) over any matter arising out of or related to the Chapter 11 Cases and the Plan, including, without limitation, the following:

a. all matters relating to the assumption or rejection or the assumption and assignment of Executory Contracts, or Claims or disputes relating thereto;

b. all matters relating to the ownership of a Claim or Interest;

c. all matters relating to the distribution to holders of Allowed Claims and to the determination of Claims;

d. any and all matters involving Reorganized Debtors;

e. all matters relating to or arising in connection with the allowance or estimation of Claims filed, both before and after the Confirmation Date, including any objections to the classification of any Claim;

f. to enter and implement such orders as may be appropriate if the Confirmation Order is for any reason stayed, revoked, modified and/or vacated;

g. all matters relating to the construction and implementation of the Plan and the provisions thereof, and to hear and determine all requests for orders in aid of execution, implementation or consummation of the Plan;

h. all matters relating to disputes arising in connection with the interpretation, implementation or enforcement of the Plan or the Confirmation Order, including disputes arising under agreements, documents or instruments executed in connection with the Plan;

i. to consider any modifications of the Plan, to cure any defect or omission or to reconcile any inconsistency in any order of the Bankruptcy Court, including, without limitation, the Confirmation Order;

j. all applications for allowance of compensation and reimbursement of Professional Fee Claims under Bankruptcy Code section 328, 330, 331, 503(b), 1103 and 1129(a)(4);

k. to hear and determine all motions requesting allowance of an Administrative Claim;

l. to determine requests for the payment of Claims entitled to priority under section 507(a)(2) of the Bankruptcy Code, including compensation and reimbursement of expenses of parties entitled thereto;

m. all Causes of Action, Avoidance Actions and other suits and adversary proceedings to recover assets for Reorganized Debtors, as successor-in interest to any of Debtors and property of the Estates, wherever located, and to adjudicate any and all other Causes of Action, Avoidance Actions, suits, adversary proceedings, motions, applications and contested matters that may be commenced or maintained pursuant to the Chapter 11 Cases or the Plan, proceedings to adjudicate the allowance of Disputed Claims, and all controversies and issues arising from or relating to any of the foregoing;

n. all matters concerning state, local and federal taxes in accordance with sections 346, 505 and 1146 of the Bankruptcy Code;

o. any other matter not inconsistent with the Bankruptcy Code;

p. all disputes involving the existence, nature or scope of Debtors' discharge, including any dispute relating to any liability arising out of the termination of employment or the termination of any employee benefit program, regardless of whether such termination occurred prior to or after the Effective Date;

q. to enter the Final Decree closing the Chapter 11 Cases; and

r. to enforce all orders previously entered by the Bankruptcy Court.

B. PAYMENT OF STATUTORY FEES

All fees through the Effective Date pursuant to 28 U.S.C. § 1930 shall be paid on or before the Effective Date to the extent that an invoice for such fees has been provided to Debtors prior to the Effective Date. All fees invoiced after the Effective Date pursuant to 28 U.S.C. § 1930 shall be paid by Reorganized Debtors out of the liquidating assets.

C. HEADINGS

The headings of the articles, paragraphs and sections of the Plan are inserted for convenience only and shall not affect the interpretation hereof.

D. BINDING EFFECT OF PLAN

Except as otherwise provided in section 1141(d)(3) of the Bankruptcy Code, on and after the Effective Date, the provisions of the Plan shall bind any Holder of a Claim against, or Interest in, Debtors, the Estates, Reorganized Debtors and their respective successors or assigns, whether or not the Claim or Interest of such Holders is impaired under the Plan and whether or not such Holder has accepted the Plan. The rights, benefits and obligations of any entity named or referred to in the Plan, whose actions may be required to effectuate the terms of the Plan, shall be binding on and shall inure to the benefit of any heir, executor, administrator, successor or assign of such entity (including, without limitation, Reorganized Debtors and any trustee appointed for Debtors under chapters 7 or 11 of the Bankruptcy Code).

E. FINAL ORDER

Except as otherwise expressly provided in the Plan, any requirement in the Plan for a Final Order may be waived by Debtors upon written notice to the Bankruptcy Court. No such waiver shall prejudice the right of any party in interest to seek a stay pending appeal of any order that is not a Final Order.

F. WITHHOLDING AND REPORTING REQUIREMENTS

In connection with the Plan and all instruments issued in connection herewith and distributions hereunder, Reorganized Debtors shall comply with all withholding and reporting requirements imposed by any federal, state, local or foreign taxing authority, and all distributions hereunder shall be subject to any such withholding and reporting requirements. Notwithstanding the above, each holder of an Allowed Claim or Interest that is to receive a Distribution under the Plan shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed on such Holder by any governmental unit, including income, withholding and other tax obligations, on account of such Distribution. Any party issuing any instrument or making any Distribution under the Plan has the right, but not the obligation, to not make a Distribution until such Holder has made arrangements satisfactory to such issuing or disbursing party for payment of any such tax obligations.

G. TAX EXEMPTION AND EXPEDITED TAX DETERMINATION

Pursuant to section 1146 of the Bankruptcy Code, any transfers from a Debtor or Reorganized Debtors to any other Person or entity pursuant to the Plan, or any agreement regarding the transfer of title to or ownership of any of Debtors' or Reorganized Debtors' real or personal property, or the issuance, transfer or exchange of any security under the Plan, or the execution, delivery or recording of an instrument of transfer pursuant to, in implementation of or

as contemplated by the Plan, including, without limitation, any transfers to Reorganized Debtors or by Reorganized Debtors of Debtors' or Reorganized Debtors' property in implementation of or as contemplated by the Plan (including, without limitation, any subsequent transfers of property by Reorganized Debtors) shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, stamp act, real estate transfer tax, mortgage recording tax, Uniform Commercial Code filing or recording fee or other similar tax or governmental assessment. Consistent with the foregoing, each recorder of deeds or similar official for any county, city or governmental unit in which any instrument hereunder is to be recorded shall, pursuant to the Confirmation Order, be ordered and directed to accept such instrument, without requiring the payment of any documentary stamp tax, deed stamps, stamp tax, transfer tax, intangible tax or similar tax. Debtors and Reorganized Debtors are authorized to request an expedited determination of taxes under section 505(b) of the Bankruptcy Code for any or all returns filed for, on or behalf of, Debtors for any or all taxable periods (or portions thereof) ending after the Petition Date through and including the Effective Date.

H. GOVERNING LAW

Except to the extent a rule of law or procedure is supplied by federal law (including the Bankruptcy Code and Bankruptcy Rules) or unless specifically stated, the rights, duties and obligations arising under the Plan, any agreements, documents and instruments executed in connection with the Plan (except as otherwise set forth in those agreements, in which case the governing law of such agreements shall control), and, with respect to Debtors incorporated or organized in Delaware and Reorganized Debtors, corporate and limited liability company

governance matters shall be governed by, and construed and enforced in accordance with the laws of the State of Delaware, without giving effect to conflicts of law principles.

I. CORPORATE ACTION

On the Effective Date, all matters provided for under the Plan that would otherwise require approval of the directors of a Debtor or Reorganized Debtors, as the case may be, shall be in effect from and after the Effective Date pursuant to the applicable general corporation law of the State of Delaware, without any requirement of further action by the directors of Debtors or Reorganized Debtors. On the Effective Date, or as soon thereafter as is practicable, Reorganized Debtors shall, if required, file their amended articles of organization or certificates of incorporation, as the case may be, with the Secretary of State of Delaware, in accordance with the applicable general business law of such jurisdiction.

J. SEVERABILITY

After the Effective Date, should the Bankruptcy Court or any other court of competent jurisdiction determine that any provision in the Plan is either illegal on its face or illegal as applied to any Claim, such provisions shall be unenforceable either as to all Holders of Claims or as to the Holder of such Claim as to which the provision is illegal, respectively. Such a determination of unenforceability shall in no way limit or affect the enforceability and operative effect of any other provision of the Plan.

K. REVOCATION

Debtors reserve the right to revoke and withdraw the Plan prior to the Confirmation Date. If Debtors revoke or withdraw the Plan, then the Plan shall be null and void and, in such event, nothing contained herein shall be deemed to constitute a waiver or release of any Claims by or

against Debtors, the Committee or any other Person or to prejudice in any manner the rights of Debtors, the Committee or any Person in any further proceedings involving Debtors, or be deemed an admission by Debtors and/or the Committee.

L. SUBSTANTIAL CONSUMMATION

On the Effective Date, the Plan shall be deemed to be substantially consummated under sections 1101 and 1127(b) of the Bankruptcy Code.

M. CONSTRUCTION

The rules of construction as set forth in section 102 of the Bankruptcy Code shall apply to construction of the Plan. All exhibits and schedules to the Plan, including the Plan Supplement, are incorporated into and are a part of the Plan as if set forth in full herein.

N. CONFLICT

In the event and to the extent any provision of the Plan is inconsistent with any provision of the Disclosure Statement, the provisions of the Plan shall control and take precedence. The terms of the Confirmation Order shall govern in the event of any inconsistency with the Plan or the summary of the Plan set forth in the Disclosure Statement.

O. AMENDMENTS AND MODIFICATIONS

Debtors may agree to alter, amend or modify the Plan under section 1127(a) of the Bankruptcy Code at any time prior to the Confirmation Hearing. After the Confirmation Date and prior to "substantial consummation" (as such term is defined in section 1101(2) of the Bankruptcy Code) of the Plan, any Debtor or Reorganized Debtors may institute proceedings in the Bankruptcy Court pursuant to section 1127(b) of the Bankruptcy Code to remedy any defect or omission or reconcile any inconsistencies in the Plan, the Disclosure Statement or the Confirmation Order, and

such matters as may be necessary to carry out the purposes and effects of the Plan, by the filing of a motion on notice to those parties set forth in Bankruptcy Rule 2002, and the solicitation of all Creditors and other parties-in-interest shall not be required. Prior to the Effective Date, Debtors may make appropriate technical adjustments and modifications to the Plan without further order or approval of the Bankruptcy Court, provided that such technical adjustments and modifications do not adversely affect in a material way the treatment of Holders of Claims or Interests. Debtors also reserve the right to amend treatment of any class as may be necessary or desirable to achieve cramdown in the event one or more classes vote against the Plan.

P. NOTICES

Any notices required under the Plan or any notices or requests of Debtors or Reorganized Debtors by parties in interest under or in connection with the Plan shall be in writing and served either by (i) certified mail, return receipt requested, postage prepaid, (ii) hand delivery, or (iii) reputable overnight delivery service, all charges prepaid, and shall be deemed to have been given when received by the following parties:

Q. FILING OF ADDITIONAL DOCUMENTS

On or before substantial consummation of the Plan, and without the need for any further order or authority, Debtors may file with the Bankruptcy Court such agreements or other documents as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Plan.

R. DIRECTION TO A PARTY

From and after the Effective Date, Debtors or Reorganized Debtors may apply to the Bankruptcy Court for the entry of an order directing any Person to execute or deliver or to join in the execution or delivery of any instrument or document reasonably necessary or reasonably appropriate to effect a transfer of properties dealt with by the Plan, and to perform any other act (including the satisfaction of any lien or security interest) that is reasonably necessary or reasonably appropriate for the consummation of the Plan.

S. SUCCESSORS AND ASSIGNS

The rights, duties and obligations of any Person named or referred to in the Plan, including all Creditors, shall be binding on, and shall inure to the benefit of, the successors and assigns of such Person.

ARTICLE XVII. EXEMPTION FROM SECURITIES LAW

The Plan contemplates the issuance of Variable Pay Notes and Membership Interests (collectively, the "1145 Securities") to certain holders of Claims. In reliance upon section 1145 of the Bankruptcy Code, the offer and issuance of 1145 Securities will be exempt from the registration

requirements of the Securities Act of 1933, as amended (the "Securities Act"), and equivalent provisions in state securities laws. Section 1145(a) of the Bankruptcy Code generally exempts issuance of securities from such registration requirements if the following conditions are satisfied: (i) the securities are issued or sold under a chapter 11 plan by (a) a debtor, (b) one of its affiliates participating in a joint plan with the debtor or (c) a successor to a debtor under the plan and (ii) the securities are issued entirely in exchange for a claim against or interest in the debtor or such affiliate or are issued principally in such exchange and partly for cash or property.

Debtors believe that the exchange of 1145 Securities for Claims against Debtors under the circumstances provided in the Plan (other than with respect to entities deemed statutory underwriters, as described below) will satisfy the requirements of section 1145(a) of the Bankruptcy Code. The 1145 Securities to be issued pursuant to the Plan will be deemed to have been issued in a public offering under the Securities Act and, therefore, may be resold by any holder thereof without registration under the Securities Act pursuant to the exemption provided by section 4(1) thereof, unless the holder is an "underwriter" with respect to such securities, as that term is defined in section 1145(b)(1) of the Bankruptcy Code (a "statutory underwriter") or an "affiliate" of the issuer within the meaning of the Securities Act. In addition, such securities generally may be resold by the holders thereof without registration under state securities or "blue sky" laws pursuant to various exemptions provided by the respective laws of the individual states. However, holders of securities issued under the Plan are advised to consult with their own counsel as to the availability of any such exemption from registration under federal securities laws and any relevant state securities laws in any given instance and as to any applicable requirements or conditions to the availability thereof.

Section 1145(b)(1) of the Bankruptcy Code defines "underwriter" for purposes of the Securities Act as one who (i) purchases a claim or interest with a view to distribution of any security to be received in exchange for the claim or interest, (ii) offers to sell securities offered or sold under a plan for the holders of such securities, (iii) offers to buy securities offered or sold under a plan from persons receiving such securities, if the offer to buy is made with a view to distribution of such securities and under an agreement made in connection with the plan, with the consummation of the plan or with the offer or sale of securities under the plan or (iv) is an issuer of the securities within the meaning of section 2(a)(11) of the Securities Act. The term "issuer" is defined in section 2(4) of the Securities Act; however, the reference contained in section 2 1145 Securities shall not include securities received by underwriters in connection with the issuance of Membership Interests. 1145(b)(1)(D) of the Bankruptcy Code to section 2(11) of the Securities Act purports to include as statutory underwriters all persons who, directly or indirectly, through one or more intermediaries, control, are controlled by or are under common control with an issuer of securities. "Control" (as defined in Rule 405 under the Securities Act) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise. Parties who believe they may be statutory underwriters as defined in section 1145 of the Bankruptcy Code are advised to consult with their own legal advisors as to the availability of the exemption provided by Rule 144 or any other applicable exemption from registration. Pursuant to no-action and interpretive guidance from the staff of the Securities and Exchange Commission (the "SEC"), an entity that is an "underwriter" pursuant to section 1145(b)(1) of the Bankruptcy Code, other than an "affiliate" of the issuer within the meaning of the Securities Act may nevertheless resell securities received under section 1145(a)(1) that are

transferred in "ordinary trading transactions" made on a national securities exchange or in the over-the-counter markets, subject to the volume limitations contained in Rule 144 under the Securities Act. Persons that receive the 1145 Securities should note, however, that Debtors and Reorganized Debtors do not currently intend to list the Variable Pay Notes or any callable Membership Interests on any exchange.

What constitutes "ordinary trading transactions" within the meaning of section 1145 of the Bankruptcy Code is the subject of interpretive letters by the staff of the SEC. Generally, ordinary trading transactions are those that do not involve (i) concerted activity by recipients of securities under a plan of reorganization, or by distributors acting on their behalf, in connection with the sale of such securities, (ii) use of informational documents in connection with the sale other than the disclosure statement relating to the plan, any amendments thereto and reports filed by the issuer with the SEC under the Securities Exchange Act of 1934, as amended (the "Securities Exchange Act") or (iii) payment of special compensation to brokers or dealers in connection with the sale. Resales by persons that receive 1145 Securities pursuant to the Plan who are "affiliates" of the issuer within the meaning of the Securities Act may be made without registration under the Securities Act by complying with the conditions contained in Rule 144, except for the holding period requirement of Rule 144(d). These conditions include the requirement that there be available current public information with respect to the issuer, a limitation as to the amount of securities that may be sold in any three-month period, the requirement that the securities be sold in a "brokers transaction," in a transaction directly with a "market maker" or in a "riskless principal transaction" and that notice of the resale be filed with the SEC. Debtors cannot assure, however, that adequate current public information will exist with respect to Reorganized Debtors, and therefore the safe harbor provisions

of Rule 144 of the Securities Act may not be available. In addition, Debtors and Reorganized Debtors do not currently intend to list the Variable Pay Notes Membership Interests on any exchange, and therefore the requirement that the securities be sold in a "brokers transaction," in a transaction directly with a "market maker" or in a "riskless principal transaction" may not be able to be satisfied and the safe harbor provisions of Rule 144 of the Securities may not be available for "affiliates." Pursuant to the Plan, Variable Pay Notes and certificates evidencing Membership Interests received by Restricted Holders or by a holder that Debtors determine is an underwriter within the meaning of section 1145 of the Bankruptcy Code will each bear a legend substantially in the form below:

> THE SECURITIES EVIDENCED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR UNDER THE SECURITIES LAWS OF ANY STATE OR OTHER JURISDICTION AND MAY NOT BE SOLD, OFFERED FOR SALE OR OTHERWISE TRANSFERRED UNLESS REGISTERED OR QUALIFIED UNDER SAID ACT AND APPLICABLE STATE SECURITIES LAWS OR UNLESS THE COMPANY RECEIVES AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO IT THAT SUCH REGISTRATION OR QUALIFICATION IS NOT REQUIRED.

Any Person entitled to receive the 1145 Securities who Debtors or Reorganized Debtors determine to be a statutory underwriter that would otherwise receive legended securities as provided above, may instead receive Variable Pay Notes or certificates evidencing Membership Interests without such legend if, prior to the distribution of such securities, such person or entity delivers to Debtors or Reorganized Debtors, as the case may be, (i) an opinion of counsel reasonably satisfactory to Debtors or Reorganized Debtors, as the case may be, to the effect that the Variable Pay Notes or Membership Interests to be received by such person or entity are not subject to the restrictions applicable to "underwriters" under section 1145 of the Bankruptcy Code and may be sold without registration under the Securities Act and (ii) a certification that such person or entity is not an

"underwriter" within the meaning of section 1145 of the Bankruptcy Code. Any holder of a certificate evidencing 1145 Securities bearing such legend may present such certificate to the transfer agent for the 1145 Securities in exchange for one or more new certificates not bearing such legend or for transfer to a new holder without such legend at such time as (i) such securities are sold pursuant to an effective registration statement under the Securities Act, (ii) such holder delivers to Debtors or Reorganized Debtors, as the case may be, an opinion of counsel reasonably satisfactory to Debtors or Reorganized Debtors to the effect that such securities are no longer subject to the restrictions applicable to "underwriters" under section 1145 of the Bankruptcy Code or (iii) such holder delivers to Debtors or Reorganized Debtors, as the case may be, an opinion of counsel reasonably satisfactory to Debtors or Reorganized Debtors to the effect that (x) such securities are no longer subject to the restrictions under the Securities Act and such securities may be sold without registration under the Securities Act or (y) such transfer is exempt from registration under the Securities Act and such securities may be sold without registration under the Securities Act, in which event the certificate issued to the transferee shall not bear such legend.

IN VIEW OF THE COMPLEX, SUBJECTIVE NATURE OF THE QUESTION OF WHETHER A RECIPIENT OF SECURITIES MAY BE AN UNDERWRITER OR AN AFFILIATE OF REORGANIZED DEBTORS, DEBTORS MAKES NO REPRESENTATIONS CONCERNING THE RIGHT OF ANY PERSON TO TRADE IN SECURITIES TO BE DISTRIBUTED PURSUANT TO THE PLAN. ACCORDINGLY, DEBTORS RECOMMEND THAT POTENTIAL RECIPIENTS OF SECURITIES CONSULT THEIR OWN COUNSEL CONCERNING WHETHER THEY MAY FREELY TRADE SUCH SECURITIES AND COMPLIANCE WITH THE FEDERAL AND STATE SECURITIES LAWS

XVIII. ALTERNATIVES TO CONFIRMATION AND CONSUMMATION OF PLAN OF REORGANIZATION AND LIQUIDATION ANALYSIS

If the Plan is not confirmed and consummated, the alternatives to the Plan include (i) liquidation of Debtors under Chapter 7 of the Bankruptcy Code and (ii) an alternative chapter 11 plan of reorganization.

A. LIQUIDATION UNDER CHAPTER 7

If no plan can be confirmed, Debtors' chapter 11 cases may be converted to cases under chapter 7 of the Bankruptcy Code, pursuant to which a trustee would be appointed to liquidate Debtors' assets for distribution in accordance with the priorities established by the Bankruptcy Code. Debtors believe that liquidation under chapter 7 would result in materially smaller distributions being made to creditors than those provided for in the Plan because of (i) the likelihood that the assets of Debtors would have to be sold or otherwise disposed of in a less orderly fashion over a shorter period of time, (ii) additional administrative expenses involved in the appointment of a trustee and (iii) additional expenses and claims, some of which would be entitled to priority, which would be generated during the liquidation and from the rejection of leases and other executory contracts in connection with a cessation of Debtors' operations. More specifically, based on appraisal testimony provided by C.B. Richard Ellis, unsecured creditors would receive nothing in the event the DLH project is sold in bulk in the current market; thus destroying more than $40 million in ACP's assets as DLH's principal equity owner. See **Exhibit I** for a more detailed liquidation analysis for both ACP and DLH.

B. ALTERNATIVE PLAN OF REORGANIZATION

If the Plan is not confirmed, Debtors (or if Debtors' exclusive period in which to file a plan of reorganization has expired, any other party in interest) could attempt to formulate a different chapter 11 plan of reorganization. Such a plan of reorganization might involve either a reorganization or continuation of Debtors' business or an orderly liquidation of their assets under chapter 11. With

respect to an alternative plan, Debtors have explored various alternatives in connection with the formulation and development of the Plan. Debtors believe that their Plan, as described herein, enables creditors and equity holders to realize the most value under the circumstances. In a liquidation under chapter 11, Debtors' assets would be sold in an orderly fashion over a more extended period of time than in a liquidation under chapter 7, possibly resulting in somewhat greater (but indeterminate) recoveries than would be obtained in chapter 7. Further, if a trustee were not appointed, because such appointment is not required in a chapter 11 case, the expenses for professional fees would most likely be lower than those incurred in a chapter 7 case. Although preferable to a chapter 7 liquidation, Debtors believe that any alternative liquidation under chapter 11 is a much less attractive alternative to creditors and equity holders than the Plan because of the greater return provided by the Plan.

XIX. CERTAIN INCOME TAX CONSEQUENCES OF THE PLAN

NO RULING HAS BEEN SOUGHT OR OBTAINED FROM THE IRS WITH RESPECT TO ANY OF THE TAX ASPECTS OF THE PLAN AND NO OPINION OF COUNSEL HAS BEEN OBTAINED BY DEBTORS WITH RESPECT THERETO. NO REPRESENTATIONS OR ASSURANCES ARE BEING MADE WITH RESPECT TO THE FEDERAL INCOME TAX CONSEQUENCES AS DESCRIBED HEREIN. CERTAIN TYPES OF CLAIMANTS AND INTEREST HOLDERS MAY BE SUBJECT TO SPECIAL RULES NOT ADDRESSED IN THIS SUMMARY OF FEDERAL INCOME TAX CONSEQUENCES. FURTHER, STATE, LOCAL, OR FOREIGN TAX CONSIDERATIONS MAY APPLY TO A HOLDER OF A CLAIM OR INTEREST WHICH ARE NOT ADDRESSED HEREIN. BECAUSE THE TAX CONSEQUENCES OF THE PLAN ARE COMPLEX AND MAY VARY BASED ON INDIVIDUAL CIRCUMSTANCES, EACH HOLDER OF A CLAIM OR INTEREST AFFECTED BY THE PLAN MUST CONSULT, AND RELY UPON, HIS OR HER OWN TAX ADVISOR REGARDING THE SPECIFIC TAX CONSEQUENCES OF THE PLAN WITH RESPECT TO THAT HOLDER IS CLAIM OR INTEREST. THIS INFORMATION MAY NOT BE USED OR QUOTED IN WHOLE OR IN PART IN CONNECTION WITH THE OFFERING FOR SALE OF SECURITIES.

IRS Circular 230 Notice: To ensure compliance with IRS Circular 230, holders of Claims and Interests are hereby notified that: (a) any discussion of federal tax issues contained or referred to

in this Disclosure Statement is not intended or written to be used, and cannot be used, by holders of Claims and Interests for the purpose of avoiding penalties that may be imposed on them under the Tax Code; (b) such discussion is written in connection with the promotion or marketing by Debtors of the transactions or matters addressed herein; and (c) holders of Claims and Interests should seek advice based on their particular circumstances from an independent tax advisor.

A. PAYMENT OF TAXES ARISING FROM ASSET SALES BY DEBTORS

The Plan provides for payments of taxes generated from sales or other dispositions of DLH and ACP assets, the operations of ACP and DLH and any forgiveness of indebtedness associated with the Plan. Debtors are each solvent on a going concern basis and provision for payment of taxes is required by Debtors and their Interest Holders. Debtors believe that the Internal Revenue Service would potentially object to confirmation without such provisions because both Richard S. Allen and RSAI are currently in jointly administered Chapter 11 cases and assets should not be sold without provision for payment of taxes.

B. INFORMATION REPORTING AND WITHHOLDING

Distributions under the Plan are subject to applicable tax reporting and withholding. Under U.S. federal income tax law, interest, dividends and other reportable payments may, under certain circumstances, be subject to "backup withholding" at then applicable rates (currently 28% in 2010 and scheduled to increase to 31% in 2011). Backup withholding generally applies if the Holder (a) fails to furnish its social security number or other taxpayer identification number ("TIN"), (b) furnishes an incorrect TIN, (c) fails properly to report interest or dividends or (d) under certain circumstances, fails to provide a certified statement, signed under penalty of perjury, that the TIN it provided is correct and that it is a United States person that is not subject to backup withholding.

Backup withholding is not an additional tax but merely an advance payment, which may be refunded to the extent it results in an overpayment of tax, provided the required information is timely provided to the IRS. Certain persons are exempt from backup withholding, including, in most circumstances, corporations and financial institutions.

Treasury Regulations generally require a taxpayer to disclose certain transactions on its U.S. federal income tax return, including, among others, certain transactions that result in a taxpayer claiming a loss in excess of a specified threshold. Holders are urged to consult their tax advisors as to whether the transactions contemplated by the Plan would be subject to these or other disclosure or information reporting requirements. The foregoing summary and the further discussion found in **Exhibit J** is provided for informational purposes only. Holders of Claims are urged to consult their tax advisors concerning the federal, state, local and foreign tax consequences of the Plan.
