**GLOBAL NOTES REGARDING
DEBTORS' BANKRUPTCY SCHEDULES AND STATEMENTS**

General Notes

The Schedules of Assets and Liabilities (the “**Schedules**”) and Statements of Financial Affairs (the “**SOFAs**” and, collectively with the Schedules, the “**Bankruptcy Materials**”) of Atna Resources Inc. and its affiliated debtors in the above-captioned, jointly administered chapter 11 cases (collectively, the “**Debtors**”) were prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Debtors and are unaudited. The Bankruptcy Materials do not purport to represent financial statements prepared in accordance with U.S. Generally Accepted Accounting Principles (“**GAAP**”), and they are not intended to be fully reconciled to the Debtors’ financial statements. While Debtors’ management has made reasonable efforts to ensure that the Bankruptcy Materials are accurate and complete, based upon information that was available to them at the time of preparation, subsequent information may result in material changes to the Bankruptcy Materials. Moreover, because the Bankruptcy Materials contain unaudited information which is subject to further review and potential adjustment, there can be no assurance that these Bankruptcy Materials are complete. The Debtors reserve all rights to amend the Bankruptcy Materials from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or otherwise assert offsets or defenses to any claim reflected on the Bankruptcy Materials as to amount, liability or classification, or to otherwise subsequently designate any claim as “disputed,” “contingent,” or “unliquidated.” Furthermore, nothing contained in the Bankruptcy Materials shall constitute a waiver of rights with respect to the above-captioned Chapter 11 cases, including but not limited to any issues involving substantive consolidation, equitable subordination, or causes of action arising under the provisions of Chapter 5 of the Bankruptcy Code or any other relevant non-bankruptcy laws to recover assets or avoid transfers. These global notes regarding the Debtors’ Bankruptcy Materials (“**Global**

¹ The debtors and debtors in possession and their respective case numbers subject to this order are: Atna Resources Inc., (15-22848); Canyon Resources Corporation (15-22849); CR Briggs Corporation (15-22850); CR Montana Corporation (15-22851); CR Kendall Corporation (15-22852); Atna Resources Ltd. (15-22853); Horizon Wyoming Uranium, Inc. (15-22854).

Notes”) comprise an integral part of the Bankruptcy Materials and should be referred to and considered in connection with any review of the Bankruptcy Materials.

On November 18, 2015 (the “**Petition Date**”), each of the Debtors commenced a voluntary case under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”). The Debtors’ cases have been consolidated for procedural purposes only and are being jointly administered. The Debtors continue to operate their businesses and manage their properties as debtors in possession as authorized by sections 1107(a) and 1108 of the Bankruptcy Code.

Causes of Action. The Debtors, despite their efforts, may not have listed all of their causes of action against third parties as assets in the Bankruptcy Materials. The Debtors reserve all of their rights with respect to any causes of action they may have, and neither these Global Notes nor the Bankruptcy Materials shall be deemed a waiver of any such causes of action.

Claims Description. Any failure to designate a claim on the Debtors’ Bankruptcy Materials as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtors that such amount is not “disputed,” “contingent,” or “unliquidated.” The Debtors reserve the right to dispute any claim reflected on their Bankruptcy Materials on any grounds, including but not limited to, amount, liability or classification, or to otherwise subsequently amend the Bankruptcy Materials or to designate such claims as “disputed,” “contingent,” or “unliquidated.”

Claims Paid Pursuant to Court Orders. The United States Bankruptcy Court for the District of Colorado (the “**Court**”) authorized the Debtors to pay discrete prepetition claims, including but not limited to, insurance payments, and certain taxes, employee, and vendor related claims. Consequently, certain prepetition fixed, liquidated and undisputed unsecured claims listed may have been paid following the Petition Date.

Currency. All amounts are reflected in U.S. dollars, unless otherwise noted.

Estimates and Assumptions. The preparation of the Schedules and SOFAs required the Debtors to make certain estimates and assumptions that affected the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported amounts of revenue and expense. Actual results could differ materially from these estimates.

General Reservation of Rights. Although the Debtors’ management made reasonable efforts to ensure the Schedules and SOFAs are as accurate and complete as possible, based on the information available at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and SOFAs, and inadvertent errors or omissions may have occurred. Because the Schedules and SOFAs contain unaudited information, which is subject to further review, verification and potential adjustment, there can be no assurance that these Schedules and SOFAs are complete.

Nothing contained in the Schedules and SOFAs or these Global Notes shall constitute an admission or a waiver of any of the Debtors' rights to assert any claims or defenses. For the avoidance of doubt, listing a claim on Schedule D as "secured," on Schedule E/F as "priority" or as "unsecured nonpriority," or listing a contract or lease on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtors of the legal rights of any claimant, or a waiver of the Debtors' right to recharacterize or reclassify such claim or contract.

The Debtors reserve the right to dispute, or to assert setoff or other defenses to, any claim reflected on the Schedules and/or SOFAs. The Debtors also reserve all rights with respect to the values, amounts and characterizations of the assets and liabilities listed in their Schedules and SOFAs.

The Debtors specifically reserve the right to amend, modify, supply, correct, change or alter any part of their Schedules and SOFAs as and to the extent necessary as they deem appropriate.

Insiders. In the circumstance where the Bankruptcy Materials require information regarding insiders and/or officers and directors, the Debtors have attempted to include therein each of the Debtors' (a) directors and (b) employees that may be, or may have been during the relevant period, "officers," as such term is defined by applicable law. The listing of a party as an insider is not intended to be, nor should it be, construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Employees have been included in this disclosure for informational purposes only and should not be deemed to be "insiders" in terms of control of the Debtors, management responsibilities or functions, decision-making or corporate authority and/or as otherwise defined by applicable law, including without limitation, federal securities laws, or with respect to any theories of liability or for any other purpose.

Leases. In the ordinary course of business, the Debtors may lease certain fixtures and equipment from certain third party lessors for use in the daily operation of their businesses. The underlying lease agreements are listed on Schedule G. Nothing in the Schedules and Statements is or shall be construed as an admission as to the determination of the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect to such issues.

Limitation of Liability. The Debtors and their officers, employees, agents, attorneys and financial advisors do not guarantee or warrant the accuracy, completeness or currentness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused, in whole or in part, by the acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained herein. The Debtors and their officers, employees, agents, attorneys and financial advisors expressly do not undertake any obligation to update, modify, revise or re- categorize the information provided herein or to notify any

third party should the information be updated, modified, revised or re-categorized. In no event shall the Debtors or their officers, employees, agents, attorneys and financial advisors be liable to any third party for any direct, indirect, incidental, consequential or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused.

Litigation. Certain litigation reflected as claims against one of the Debtors entities may relate to any of the other Debtors. The Debtors have made reasonable efforts to accurately record these actions in the Bankruptcy Materials of the Debtors that are the party to the action.

Reporting Date. The balances for assets and liabilities are as of November 18, 2015, other than Net Operating Losses which are as of September 30, 2015 as that was the most recent period available.

Specific Notes. These Global Notes are in addition to the specific notes set forth below. Disclosure of information in any of the Schedules, SOFAs, exhibits, or continuation sheets even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, SOFA, exhibit or continuation sheet.

Totals. All totals that are included in the Bankruptcy Materials represent totals of all the known amounts included in the respective schedule to which it relates.

Trade Accounts Receivable and Accounts Payable. Accounts Receivable are presented without consideration for any liabilities related to mutual counterparty accounts payable, open or terminated contract liabilities, liquidated damages, setoff rights or collateral held by the Debtors, unless otherwise stated. Likewise, Accounts Payable do not include provisions for open or terminated contracts, liquidated damages, setoff rights or collateral that has been posed on behalf of the counterparty.

Valuation. It would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets for the Debtors to obtain current market valuations of all of their assets. Accordingly, unless otherwise indicated, net book values as of the Petition Date are reflected on the Bankruptcy Materials. Amounts ultimately realized will vary from net book value, and such variance may be material. In addition, the amounts shown for total assets and total liabilities exclude items identified as “unknown” or “undetermined” therefore, ultimate assets and liabilities may differ materially from those stated in the Bankruptcy Materials.

Recharacterization. The Debtors made all reasonable efforts to correctly characterize, classify, categorize or designate the claims, assets, executory contracts, unexpired leases and other items reported in the Schedules and SOFAs. It is possible that certain items have been improperly characterized, classified, categorized or designated. In addition, certain items reported in the Schedules and SOFAs may be included in more than one

category. The designation of a category is not meant to be wholly inclusive or descriptive of the rights or obligations represented by such item.

Notes to the Schedules of Assets and Liabilities

Schedule A/B Part 1. Checking, Savings and Other Financial Accounts. Bank account balances included in Part 1 are reflective of the ending book balances on November 18, 2015, which may differ slightly from the bank balances on such date due to common reconciling items. The bank accounts have been listed in Part 1 of the Schedules for the particular Debtor whose name is actually listed on such bank account. In some instances, the payments made from, and the book balances related to, a particular bank account are reflected on the books of a Debtor other than the one whose actual name is listed on the bank account.

Schedule A/B Part 5, 25. Property purchased within 20 days before the bankruptcy was filed. Balance reflects estimated remaining book value of goods in inventory which were received within 20 days before the bankruptcy was filed and have not been evaluated for determination of priority under 11 U.S.C. § 503(b)(9).

Schedule A/B Part 9, 55. Real property: Includes net book value of each respective Debtor's purchase price of the mining properties and certain capitalized costs associated with the development of the properties.

Schedule D. Creditors Holding Secured Claims. The Debtors reserve the right to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtors. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor's claim. Schedule D includes known contractual secured obligations of the Debtors only and does not include possible mechanics' liens or other statutory liens that may be asserted against the Debtors' property. In certain instances, a Debtor may be a co-obligor, co-mortgagor or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Except as specifically stated herein, real property lessors, utility companies and other parties which may hold security deposits have not been listed on Schedule D.

Schedule E/F: Creditors Who Have Unsecured Claims. The claims listed in Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a claim

arose is an open issue of fact. While reasonable efforts have been made to determine the date upon which each claim in Schedule F was incurred or arose, making all such determinations would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed on Schedule F.

The Debtors reserve the right to assert that any claim listed on Schedule E does not constitute an unsecured priority claim under 11 U.S.C. § 507.

Additionally, the dollar amounts of claims listed may be exclusive of contingent and additional unliquidated amounts. Further, the claims of certain creditors for, among other things, merchandise, goods, services or taxes are listed as the amounts entered on the Debtors books and records and may not reflect credits or allowances due from such creditors to the applicable Debtor. The Debtors reserve all of their rights with respect to any such credits and allowances.

In addition, certain claims listed on Schedule F may be entitled to priority under 11 U.S.C. § 503(b)(9). The Debtors have made efforts to include all known trade creditors on Schedule F; however, the Debtors believe there are instances where vendors have yet to provide proper invoices for prepetition goods or services.

In certain instances, the Debtor that is the subject of the litigation is unclear or underdetermined. However to the extent that litigation involving a particular Debtor has been identified, the Debtors have included such information in the Schedules for such Debtor.

Schedule G: Executory Contracts. While commercially reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions or over-inclusions may have occurred. The Debtors reserve all of their rights to dispute the validity, status or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement such Schedule as necessary.

The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements which may not be listed therein. Confidentiality agreements have been excluded from Schedule G.

In the ordinary course of business, the Debtors have entered into numerous agreements, both written and oral, regarding the provision of certain services on a month-to-month basis, including electricity, gas, water and telephone. The Debtors do not believe that such contracts constitute executory contracts and therefore, such agreements are not listed individually on Schedule G. Nevertheless, the Debtors reserve the right to assert that such agreements constitute executory contracts.

In some cases, the same supplier or provider may have multiple agreements listed in Schedule G. These agreements represent distinct agreements between the applicable Debtor and such supplier or provider, and will be listed as multiple contracts under the same counterparty.

Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. In addition, the applicable Debtor may have entered into various other types of agreements in the ordinary course of their business, such as easements, right of way, subordination, supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents may not be set forth on Schedule G.

In addition, certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The Debtors reserve all of their rights to dispute or challenge the characterization of the structure of any transaction, or any document or instrument (including, without limitation, any intercompany agreement) related to a creditor's claims. Finally certain of the executory agreements may not have been memorialized and could be subject to dispute.

Listing a contract or agreement on this schedule does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. Any and all of the Debtors' rights, claims, and causes of action with respect to the contracts and agreements listed on this schedule are hereby reserved and preserved. Similarly, the listing of a contract or lease on this schedule does not constitute admission that such document is not a secured financing.

Notes to the Statements of Financial Affairs

SOFA 3: Payments to Creditors. The Debtors have used efforts to include all known disbursements related to amounts incurred on each appropriate Debtor's SOFAs. However, due to the Debtors' use of a consolidated cash management system, some disbursements may be incorrectly included on the incorrect Debtor's SOFAs. To the extent information in one Debtor's SOFAs is incorrectly placed, it shall be deemed to be disclosed in the correct Debtor's SOFAs.

The disbursements listed in SOFA 3 do not include interbank transfers made between the Debtors' bank accounts.

SOFA 4: Payments or transfers of property made within 1 year before filing this case that benefited any insider. Payments or transfers related to SOFA 4 for all of the Debtors are listed on Canyon Resources Corporation's SOFAs.

SOFA 11: Payments Related to Debt Counseling or Bankruptcy. All payments relating to bankruptcy professionals have been made by Canyon Resources Corporation on behalf of all of the Debtors and are listed as such on Canyon Resources Corporation's SOFAs.

SOFA 26a: Bookkeepers. The list of accounting staff includes accounting personnel employed by Canyon Resources Corporation, who manage the books and records for all of the Debtors.

SOFA 26d: Financial Statement Issuance. The Debtors collectively issue public financial statements. Accordingly, SOFA 26d only lists those entities to whom each of the respective Debtors issued non-public financial statements.

SOFA 30: Payments, distributions, or withdrawals credited or given to insiders. Payments, distributions or withdrawals associated with SOFA 30 are included (a) on Canyon Resources Corporation's SOFAs for officers of the Debtors, and (b) on Atna Resources Ltd.'s SOFAs for directors of the Debtors.
