This requirement is subject to any amendments to 28 U.S.C. § 1930(a)(6) that Congress makes retroactively applicable to confirmed Chapter 11 cases.

3.2 Secured Claims

3.2.1 Class 1-A – Secured Lender

This class consists of the allowed prepetition secured claim of the Secured Lender in the amount \$9,147,617.42 as of the Filing Date, and such post-petition interest, fees, costs, and charges as allowed under the Bankruptcy Code as determined by the Court and as may be adjusted as a result of the Debtors' appeal regarding the prepetition default interest and such reasonable attorney's fees and out of pocket expenses allowable under the loan documents that may be incurred after the Effective Date. The holder of the Class 1-A claim will receive the following treatment:

a. Payment of principal and interest

Debtors shall pay to the Secured Lender the full amount of its allowed secured claim. Interest shall accrue at the rate of 5.00% or such other rate as determined by the Court.

Beginning the first month after the Effective Date, the Debtors shall make a payment on the 11th day of each month equal to the Class 1-A claim amount times 5.00% divided by twelve (12). If and to the extent cash (from operations and after full payment of the Class 1-B through 1-G claims) is not available to pay such interest in any given month, such interest shall accrue at the rate specified above, and shall be paid from operations and from the Excess Cash Fund in subsequent months.

Beginning on the first anniversary of the Effective Date, the Debtors shall make monthly payments in an amount based upon an amortization schedule of twenty-five (25) years. The principal balance so amortized shall be the remaining balance of Secured Lender's allowed secured claim. In the event partial prepayments of principal are made, the monthly installment of interest and principal shall be recomputed based upon the rate specified above, the outstanding principal balance remaining after the prepayment, and an amortization schedule of thirty (30) years.

The maturity date shall be May 11, 2014, at which time the entire outstanding principal balance, with all accrued but unpaid interest, shall be due and payable. The term may be extended at the Debtors' option for up to two (2) additional one-year periods upon 30 days' notice prior to the maturity date. If the Debtors elect to exercise either option to extend, they shall pay to the Secured Lender a fee of 0.25 (one quarter of one) percent of the then-outstanding principal, with such payment due and payable when the option is exercised. The exercise of one or more of the options to extend shall not extend the term of any prepayment fee or yield maintenance fee (if any) and any pre-payment by the Debtors during any extension period shall not be subject to any pre-payment fee or yield maintenance fee. Full payment of the Class 1-A claim shall be made no later than May 11, 2016.

At any time, the Debtors may obtain the release of all of the Secured Lender's liens as to a particular parcel upon the sale of such parcel as provided in this subsection c.

Upon receipt by the Debtors of an offer from a third party in the form of a signed purchase agreement to purchase one or more Pool A Property parcels that Debtors wish to accept, the Debtors shall notify the Secured Lender of such offer, and thereafter, for the ten business days following the transmittal of a copy of the signed purchase agreement from the Debtors to the Secured Lender, the Secured Lender shall have the right to make a counter-offer to purchase the same parcel(s) by credit bidding some or all of its allowed claim pursuant to 11 U.S.C. § 363(k). Bids are subject to a 1% overbid requirement. Both the third party and the Secured Lender shall be given opportunities to increase their offers, and at the conclusion of any bidding, the Debtors shall accept the better and higher offer. In the event the Secured Lender does not exercise its rights under 11 U.S.C. § 363(k) or the third party's offer is the prevailing offer, the Secured Lender shall execute and deliver any documents or instruments requested by the Debtors to discharge and release its liens with respect to such parcel(s) that are the subject of the sale. The Secured Lender's lien shall attach to the proceeds of such sale, subject to the application of such proceeds: first to reasonable sales commissions and other sales and closing

costs; second to any accrued but unpaid interest; third to outstanding principal; fourth to any unpaid administrative expense claims; and fifth to the Excess Cash Fund.

Additionally, the Debtors may obtain the release of the Mortgage as to all of the Pool A Properties by refinancing them, but only if the Secured Lender is being paid in full the amount due under this Plan as a result of any such refinancing transaction. In any event, upon payment in full of the full amount of the allowed secured claim plus accrued interest (or the placement of such amount into escrow), all liens shall be released.

iii. Upon an event of any default (other than under subsection (iii) or (viii) above), the Secured Lender may, upon ten (10) days written notice to the Debtors, accelerate the unpaid balance of the claim payable under the Plan and exercise its remedies under the Loan Documents without further notice unless such default is cured before the expiration of the notice period. Upon an event of any default under subsection (iii) or (viii) above, and, to the extent such failure or default is susceptible of being cured, the continuance of such failure or default for 30 days after written notice thereof from Secured Lender to Debtors; provided, however, that if such default is susceptible to cure but such cure cannot be accomplished with reasonable diligence within said period of time, and if Debtors commence to cure such default promptly after receipt of notice thereof from Secured Lender, and thereafter prosecutes the curing of such default with reasonable diligence, such period of time shall be extended for such period time as may be necessary to cure such default with reasonable diligence, but not to exceed an additional 60 days, the Secured Lender may accelerate the unpaid balance of the claim payable under the Plan and exercise its remedies under the Loan Documents without further notice unless such default is cured before the expiration of the cure period.

Debtor will enter into a control agreement to the extent reasonably necessary to effectuate the Secured Lender's perfection of its Security Agreement in Debtors' cash. Debtors will be required only to accrue and hold in a separate account or accounts such reserves as are necessary in their reasonable judgment for the periodic payment of real estate taxes and insurance. No other reserves shall be required.

v. In the event Debtors seek to enter into new leases, to the extent the Loan Documents require the consent of the Secured Lender, Debtors shall submit them to the Secured Lender for approval. Such approval shall not be unreasonably withheld. Failure of the Secured Lender to approve or deny approval within seven days shall be deemed to be approval.

vi. Addresses required for notices under the Loan Agreements shall be those currently used by the Debtors and the Secured Lender.

vii. All disputes shall be submitted to the Bankruptcy Court to the extent it retains jurisdiction at the time of such dispute.

viii. Except as otherwise modified by the Plan, or as reflected in additional exhibits to the Plan filed with the Court, the remaining terms of the original underlying Loan Documents shall remain in effect. 3.2.7 Class 1-G Dakota County Treasurer

This class consists of the allowed secured claim of Dakota County, Minnesota for unpaid real estate taxes on Sibley Industrial III in the approximate amount of \$28,153.41. The holder of the Class 1-G claim will receive the following treatment:

a. Payment of principal and interest

Debtors shall pay to the Dakota County Treasurer the full amount of its allowed secured claim. Interest and penalties shall accrue at the statutory rates. Full payment shall be made no later than May 11, 2016.

b. Treatment of liens

To secure payment and performance of the Debtors' obligations hereunder, Dakota County shall retain its liens in Sibley Industrial III.

c. Sale of property

At any time, the Debtors may obtain the satisfaction of the Class 1-G claim and the release of the tax lien upon payment in full of the full amount of the allowed secured claim plus accrued interest and penalty.

3.3 Unsecured Claims

3.3.1 Class 2 – Unsecured Claims

This class consists of all allowed unsecured claims against the Debtors that are not entitled to priority and are not classified elsewhere in this Plan. Debtors estimate that allowed claims in this class total approximately \$814,340.33. Holders of allowed claims shall receive deferred cash payments until they have received 100% of their allowed claims, together with 3.50% interest, by receiving their pro rata share of the funds distributed from the Excess Cash Fund after the Class 1-A through Class 1-G claims and the administrative expense claims are paid in full.

3.4 Equity Interests

On the Effective Date, equity interest holders shall retain their equity interests in the Debtors.

**ARTICLE IV
MEANS OF EXECUTION OF PLAN**

4.1 Vesting of Property in the Debtors

On the Effective Date, all of the property of the estate shall vest in the Reorganized Debtors free and clear of all liens and encumbrances except as provided herein.

4.2 Ongoing Operations

The Reorganized Debtors shall continue in business on and after the Effective Date. Cash flow generated from the Reorganized Debtors' ongoing operations shall be used for general working capital purposes and to make distributions under the Plan.

4.3 Sale of Properties or Refinancing

The Reorganized Debtors may, at their discretion, sell any or all of the parcels comprising the Pool A Properties or refinance the Class 1-A claim. Proceeds from the sale of any parcel of the Pool A Properties shall be first applied to any Class 1-B through 1-G claim relating to the property sold; second, to reasonable sales commissions and closing costs; third, to any unpaid administrative expense claims; fourth, to any accrued but unpaid interest; fifth, to the

allowed secured claim; and sixth to the Excess Cash Fund. In the event of refinancing, payments to the new secured lender will have priority over payments to Holders of Class 2 claims.

4.4 Management of the Reorganized Debtors

On the Effective Date, the Chief Manager of Fenton Sub Parcel A, LLC and Bowles Sub Parcel A, LLC shall continue to be Steven B. Hoyt. Mr. Hoyt shall receive as compensation Five thousand Dollars (\$5,000.00) per month for serving in these positions.

4.5 Corporate Action

On the Effective Date, the matters under this Plan involving or requiring action of the Debtors, including, but not limited to, execution of all documentation incident to this Plan, will be deemed to have been authorized by the confirmation order and to have occurred and be in effect from and after the Effective Date without any further action by the Bankruptcy Court or the governors, managers, or members of the Debtors.

ARTICLE V DISTRIBUTIONS AND CLAIMS ADMINISTRATION

5.1 Method of Payment

Payments under this Plan will be made by check, mailed with first class postage pre-paid, to the holder of each claim at the address listed on its proof of claim as of the Confirmation Date, or if no proof of claim has been filed by the date of the hearing on confirmation, to the address listed on the Schedules as of the Confirmation Date. Holders of claims as of the Confirmation Date may contact the Debtors to amend their addresses at:

Fenton Sub Parcel A, LLC
Bowles Sub Parcel A, LLC
275 Market St. Ste 439
Minneapolis, MN 55405

5.2 Timing of Distributions from the Excess Cash Fund to Holders of Class 2 Claims

Distributions to the holders of Class 2 claims shall be made from the Excess Cash Fund after (i) the Class 1-A through 1-G claims and the administrative expense claims are paid in full. Full distribution of the Excess Cash Fund shall be made no later than May 11, 2016.

5.3 Claims Administration

5.3.1 Reservation of Rights to Object to Claims

Unless a claim is specifically allowed under this Plan, or otherwise allowed prior to or after the Effective Date, the Debtors reserve any and all objections to any and all claims and motions or requests for the payment of claims, whether administrative expense, secured or unsecured, including without limitation any and all objections to the validity or amount of any and all alleged

administrative expense claims, priority tax claims, liens and security interests, whether under the Bankruptcy Code, other applicable law or contract.

5.3.2 Filing of Objections

Unless otherwise extended by the Bankruptcy Court, any objections to claims other than administrative expense claims will be filed within thirty (30) days after the Effective Date (unless such day is not a business day, in which case such deadline will be the next business day thereafter). An objection to a claim will be deemed properly served on the claimholder if the Debtors effect service by any of the following methods: (A) in accordance with Federal Rule of Civil Procedure 4, as allowed and made applicable by Bankruptcy Rule 7004; (B) to the extent counsel for a claimholder is unknown, by first class mail, postage prepaid, on the signatory on the proof of claim or other representative identified on the proof of claim or interest or any attachment thereto or (C) by first class mail, postage prepaid, on any counsel that has appeared on the behalf of the claimholder in the Chapter 11 Cases.

5.3.3 Determination of Claims

Except as otherwise agreed by the Debtors, any claim as to which a proof of claim or motion or request for payment was timely filed in the Chapter 11 Cases may be determined and liquidated pursuant to (A) an order of the Bankruptcy Court or (B) applicable non-bankruptcy law (which determination has not been stayed, reversed or amended and to which determination (or any revision, modification or amendment thereof) the time to appeal or seek review or rehearing has expired and as to which no appeal or petition for review or rehearing was filed or, if filed, remains pending), and will be deemed in such liquidated amount and satisfied in accordance with this Plan. Nothing contained in this Plan, the Disclosure Statement, or the Confirmation Order will constitute or be deemed a waiver of any claim, right, interest, or Cause of Action that the Debtors or the Debtors' estates may have against any person in connection with or arising out of any claim or claims, including without limitation any rights under section 157(b) of title 28 of the United States Code.

5.3.4 Procedures for Treating and Resolving Contested Claims

a. No Distributions Pending Allowance

No payments or distributions will be made with respect to all or any portion of a Contested Claim unless and until all objections to such Contested Claim have been settled or withdrawn or have been determined by a Final Order, and the Contested Claim has become an allowed claim.

b. Claim Estimation

The Debtors may request estimation or limitation of any Contested Claim that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code; provided, however, that the Bankruptcy Court will determine (A) whether such disputed claims are subject to estimation pursuant to section 502(c) of the Bankruptcy Code and (B) the timing and procedures for such estimation proceedings, if any.

c. No Distribution if Cause of Action Asserted

No payment or distribution will be made with respect to all or any portion of a claim or allowed claim held by a claimant against whom a Cause of Action is asserted unless and until such Cause of Action has been settled or withdrawn or has been determined by Final Order.

5.3.5 Unclaimed Payments

In the event a payment is returned to Debtors unclaimed, with no indication of the payee's forwarding address, Debtors will hold such payment for a period of six months from the date of return. If not claimed by the payee by the end of that period, the payment will become Debtors' property.

5.3.6 Proofs of Claim Not Timely Filed

If proof of a claim is required under Bankruptcy Rule 3003 and is not timely filed according to the provisions of the Bankruptcy Code or applicable Final Order in the Chapter 11 Cases, the holder of such claim will not be treated as a creditor for purposes of distribution under this Plan and will receive no distribution under this plan on account of such claim.

**ARTICLE VI
RETENTION AND ENFORCEMENT OF CLAIMS OR INTERESTS
BELONGING TO DEBTORS OR ESTATES**

On the Effective Date, Debtors shall be vested with, shall retain and may, at their option, contest any claim or interest belonging to the estate, including all Causes of Action, to the extent not expressly released under this Plan or by any Final Order of the Bankruptcy Court. The Causes of Action include, but are not limited to, those items identified on Exhibit B. No person may rely on the absence of a specific reference in the Plan, the Disclosure Statement, or Exhibit B to any Cause of Action as any indication that the Debtors will not pursue any and all available Causes of Action. The Debtors expressly reserve all Causes of Action for later adjudication and, therefore, no preclusion doctrine shall apply to a Cause of Action upon, after, or as a consequence of the Confirmation Order. All recoveries on any Causes of Action, including Avoidance Claims, shall be retained by Debtors for use in making payments under this Plan or for general working capital purposes, at Debtors' option.

**ARTICLE VII
ASSUMPTION AND REJECTION OF EXECUTORY
CONTRACTS AND UNEXPIRED LEASES**

Attached hereto as Exhibit A is a list of executory contracts and leases that shall be assumed on the Confirmation Date with proposed cure amounts. Unless an objection is filed prior to entry of the Confirmation Order, then such amount shown on Exhibit A as "cure" shall be conclusively determined to be the amount required to cure any monetary or non-monetary default under any assumed executory contract or lease. If an executory contract and/or lease is not shown on Exhibit A, and has not been previously dealt with by prior Court order, such contract or lease will be deemed rejected effective on the Confirmation Date. All parties to any

executory contracts and leases rejected pursuant to this provision must file a proof of claim within 30 days of the Confirmation Order or such other period set forth in the Confirmation Order if such Order sets a deadline for filing a proof of claim, or be forever barred from receiving any distribution under this Plan. Debtors reserve the right to alter, amend or add to the list of executory contracts and unexpired leases at any time prior to the Confirmation Date.

ARTICLE VIII GENERAL PROVISIONS

8.1 Retiree Benefits

Debtors have no retiree benefits, as that term is defined in Code § 1114.

8.2 Debtors' Organizational Documents

The Articles of Organization of Debtors and related documents will be amended to the extent necessary as required by section 1123(a)(6) of the Bankruptcy Code and as may otherwise be required by this Plan.

8.3 Governmental Approval

This Plan affects no rates subject to approval by any governmental regulatory commission.

ARTICLE IX CONFIRMATION OF THE PLAN

9.1 Conditions Precedent to Confirmation

The following are conditions to the entry of the Confirmation Order unless such conditions, or any of them, have been satisfied or duly waived pursuant to [Section 9.3] of this Plan:

- (a) The Confirmation Order shall be acceptable to the Debtors in form and substance.
- (b) This Plan shall not have been materially amended, altered or modified from the version dated April 12, 2013, unless such material amendment, alteration or modification has been made in accordance with Section 11.1 of this Plan.

9.2 Conditions Precedent to the Effective Date

The Effective Date shall not occur, and this Plan shall not be consummated, unless and until each of the following conditions have been satisfied or duly waived pursuant to Section 9.3 of this Plan:

- (a) The Bankruptcy Court shall have entered the Confirmation Order, the Confirmation Order shall be a Final Order, and no stay of the Confirmation Order shall then be in effect.

(b) The Debtors shall have sufficient cash on hand to pay obligations required to be paid on the Effective Date of this Plan.

(c) This Plan shall not have been materially amended, altered or modified from this Plan as confirmed by the Confirmation Order, unless such material amendment, alteration or modification has been made in accordance with Section 11.1 of this Plan.

9.3 **Waiver of Conditions to Confirmation or Effective Date**

The conditions to Confirmation and the conditions to the Effective Date may be waived in whole or in part at any time by the Debtors without an order of the Bankruptcy Court.

9.4 **Cramdown**

The Debtors request Confirmation under section 1129(b) of the Bankruptcy Code with respect to any impaired Class that has not accepted or is deemed not to have accepted this Plan pursuant to section 1126 of the Bankruptcy Code.

9.5 **Notice of Effective Date and Effect of Nonoccurrence of Conditions to the Effective Date**

The Debtors shall file with the Court and serve on all creditors and parties in interest a written notice of the occurrence of the Effective Date within five (5) days after the Effective Date.

If each of the conditions to the Effective Date is not satisfied or duly waived in accordance with Section 9.3 of this Plan, then upon the successful adjudication of an adversary proceeding by the Debtors upon notice to such parties in interest as the Bankruptcy Court may direct, the Confirmation Order shall be vacated by the Bankruptcy Court; provided, however, that, notwithstanding the filing of such adversary proceeding, the Confirmation Order may not be vacated if each of the conditions to the Effective Date is satisfied or waived before the Bankruptcy Court enters an order vacating the Confirmation Order. If the Confirmation Order is vacated pursuant to this Section 9.5: (1) this Plan shall be null and void in all respects, including with respect to the releases described in Section 9.6.3 of this Plan; and (2) nothing contained in this Plan shall (a) constitute a waiver or release of any claims by or against the Debtors or (b) prejudice in any manner the rights of the Debtors or any other party in interest.

9.6 **Effect of Confirmation of the Plan**

9.6.1 **Discharge**

Except as otherwise provided in this Plan or in the Confirmation Order, confirmation of this Plan discharges, waives and releases the Debtors from any debt that arose before the Confirmation Date and any debt of a kind specified in Sections 502(g), 502(h) or 502(i) of the Bankruptcy Code, regardless of whether or not proof of the claim based on such debt was filed or deemed filed under Section 501 of the Bankruptcy Code, such Claim is allowed under Section 502 of the Bankruptcy Code, or the holder of such claim has accepted the Plan, to the fullest extent permitted by Code Section 1141. The rights afforded and payments of, distributions on

account of, or treatments of claims in this Plan are deemed to satisfy in full and discharge all claims against the Debtors, including those based upon any act or omission, transaction or other activity of any kind or nature that occurred prior to the Confirmation Date, whether or not the facts or legal bases therefor were known or existed prior to the Confirmation Date.

9.6.2 Injunction Related to Discharge

Except as provided in this Plan, as of the Effective Date and subject to its occurrence, all persons that have held, currently hold or may have asserted a claim, a Cause of Action or other debt, liability, interest or other right of a holder of an equity interest that is discharged, released or terminated pursuant to the Plan, are hereby permanently enjoined from commencing or continuing against the Debtors, in any manner or in any place, any action or other proceeding, enforcing, collecting or recovering in any manner any judgment, award, decree or order, creating, perfecting or enforcing any lien or encumbrance, asserting a set-off, right or subrogation or recoupment of any kind against any debt, liability or obligation. Nothing contained in this Paragraph is intended to release, discharge or enjoin any claims against any party other than the Debtors.

9.6.3 Releases

Each and every entity voting to accept this Plan on account of its Allowed Claim or Interest shall be deemed to forever release and waive all claims, demands, debts, rights, causes of action and liabilities in connection with or related to any of the Debtors, the Chapter 11 Cases or this Plan, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, that are based in whole or in part on any act, omission or other occurrence taking place on or prior to the Effective Date, against the Released Parties to the fullest extent permitted under applicable law. Notwithstanding anything in this Plan or in the releases set forth above to the contrary, nothing herein shall be construed to release, and the Debtors do not hereby release, any rights of the Debtors: (a) to enforce this Plan and the contracts, instruments, releases, indentures and other agreements or documents delivered thereunder; (b) to litigate claims objections, including without limitation to make any claim, or demand or allege and prosecute any cause of action against any Holder of any claim that has not been allowed by the terms of this Plan or Order of the Bankruptcy Court; and (c) to litigate claims and causes of action not specifically released herein, including claims and Causes of Action contained in any adversary complaint filed during the pendency of the Chapter 11 Cases that have not been withdrawn or dismissed prior to the Confirmation Date.

ARTICLE X RETENTION OF JURISDICTION

Notwithstanding the entry of the Confirmation Order and the occurrence of the Effective Date, the Bankruptcy Court shall retain such jurisdiction over the Chapter 11 Cases after the Effective Date as is legally permissible, including jurisdiction to:

- A. Allow, disallow, determine, liquidate, reduce, classify, re-classify, estimate or establish the priority or secured or unsecured status of any Claim, including the resolution of any

request for payment of any Administrative Claim and the resolution of any objections to the amount, allowance, priority or classification of Claims;

- F. Ensure that distributions to holders of allowed claims are accomplished pursuant to the provisions of this Plan;

- J. Modify this Plan before or after the Effective Date pursuant to section 1127 of the Bankruptcy Code; modify the Disclosure Statement, the Confirmation Order or any contract, instrument, release or other agreement or document entered into or delivered in connection with this Plan, the Disclosure Statement or the Confirmation Order; or remedy any defect or omission or reconcile any inconsistency in any Bankruptcy Court order, this Plan, the Disclosure Statement, the Confirmation Order or any contract, instrument, release or other agreement or document entered into, delivered or created in connection with this Plan, the Disclosure Statement or the Confirmation Order, in such manner as may be necessary or appropriate to consummate this Plan;

ARTICLE XI MISCELLANEOUS PROVISIONS

11.1 Modification of the Plan

Subject to the restrictions on alteration, amendment and modification set forth in section 1127 of the Bankruptcy Code, the Debtors reserve the right to alter, amend or modify this Plan before the Effective Date, including at any hearings on confirmation as are necessary to permit this Plan to be confirmed under Code § 1129(b).

11.2 Revocation of the Plan

The Debtors reserve the right to revoke or withdraw this Plan prior to the Confirmation Date. If the Debtors revoke or withdraw this Plan, or if Confirmation does not occur, then this Plan shall be null and void in all respects, and nothing contained in this Plan shall: (a) constitute a waiver or release of any Claims by or against any Debtor; (b) prejudice in any manner the rights of the Debtors (or any of them), any Debtor or any other party in interest; or (c) constitute an admission of any sort by the Debtors (or any of them), any Debtor or any other party in interest.

If, prior to Confirmation, any term or provision of this Plan is held by the Bankruptcy Court to be invalid, void or unenforceable, the remainder of the terms and provisions of this Plan shall remain in full force and effect and shall in no way be affected, impaired or invalidated by such holding, alteration or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of this Plan, as it may have been altered or interpreted in accordance with the foregoing, is valid and enforceable pursuant to its terms.

11.4 Default

Unless otherwise provided elsewhere in the Plan, default with respect to Debtors' obligations to any creditor or holder of allowed claim under the Plan will not occur unless and until such creditor or holder has delivered written notice of such default to Debtors and Debtors have failed to cure such default within 30 days after receipt of such written notice. If Debtors fail to cure a default, the sole remedy is a claim for breach of contract.
