18 administration of the Case pursuant to Sections 503(b) and/or 507(a)(2) of the Code, including,
19 without limitation, any fees of professionals employed in this Case which have been approved by
20 the United States Bankruptcy Court, and any quarterly fees owing to the Office of the United
21 States Trustee.

22 1.02. Allowed Claim: A Claim against Debtor or the Estate that has not been
23 satisfied prior to the Effective Date, and is specifically designated as an Allowed Claim in the
24 Plan, or arose or is deemed to have arisen before the Effective Date, and to the extent it is either
25 (a) scheduled in the list of creditors prepared or filed with the Court by the Debtor and not listed
26 as disputed, contingent or unliquidated as to amount, or (b) with respect to which a proof of claim
27 has been filed by the Bar Date with the Court and as to which no objections have been filed by
28 the (Claim Objection) Bar Date (see paragraph 1.11, below, and paragraph 9.04 of the Plan), or as
to which any such objection has been determined by an order or judgment which has become
final. If the claim arose after the Petition Date, (1) the claim is of a kind that can be voluntarily
paid from the Estate without specific Court approval and is so paid within the later of 60 days
after the Effective Date or 60 days after all materials that must be filed with or issued by the
Court as a prerequisite to payment of the claim have been properly filed and served or issued or
(2) the claim has been allowed by Final Order. Notwithstanding the foregoing, and except as

1 otherwise provided in the Plan, no claim shall be deemed an Allowed Claim if such Claim
2 includes attorneys' fees, default interest, late penalties or similar charges or costs of any kind,
3 accrued or incurred post-petition, unless the same have been approved by the Court, in
4 accordance with the procedure set forth in Article IX, §9.01 of the Plan.

13 1.06. Allowed Secured Claim: An Allowed Claim secured by a lien, security
14 interest or other charge against property in which this estate has an interest, or which is subject to

16 Bankruptcy Code §506(a) - of the interest in such property, or such secured claim in the estate's
17 interest in such property, or to the extent of the amount subject to any set off, as the case may be.
18 Except as otherwise provided in the Plan, unpaid principal and all accrued interest shall be
19 computed and aggregated as of the Confirmation Date and shall thereafter bear interest as
20 provided for in the Plan or as allowed under applicable law or loan documents, whichever is
21 applicable. Notwithstanding the foregoing, and except as otherwise provided in this Plan, no
22 claim shall be deemed an Allowed Secured Claim if such Claim includes attorneys' fees, default
23 interest, late penalties or similar charges or cost of any kind, accrued or incurred post-petition,

16 2.01 Unless the holder of a particular Claim agrees otherwise, all Allowed
17 Administrative Claims, and U.S. Trustee Fees (payable through the Confirmation Date under 28

1 **Article III**

2 **Classification of Claims and Interests**

3 3.01 Each Creditor should carefully read both this Plan and the accompanying
4 Disclosure Statement to determine into which particular class such creditor's claim fits and how
5 the claims in that particular class are treated by the Plan. To the extent it is determined that
6 certain Creditors are not impaired, such Creditors shall be deemed to have accepted the Plan.

25 **Article V**

26 **Plan Assumptions**

27 This Plan is predicated upon the following assumptions, in addition to the assumptions
28 underlying the Operating Budget referenced at Article VII of the Disclosure Statement:

5.01 Debtor will be able to pay all post-bankruptcy obligations and operating
expenses as they come due, including all taxes including but not limited to real estate taxes and

1
2 payroll taxes, homeowner association dues, employee wages, administrative overhead, and other
3 payments to creditors required during the Plan Term from ongoing lease and/or sales of Real
4 Estate;

5 5.02 Debtor will continue to market and sell (or endeavor to refinance) so much
6 of the Real Estate as is necessary to fund the Plan during the Plan Term.

7 5.03 All Allowed Claims of creditors will be paid in full within five years of the
8 Effective Date either through the sale or refinancing of the real and/or personal property of the
9 estate, with the exception that all Allowed Secured Claims (Classes 1 through 3) shall be paid in
10 full within two years of the Effective Date, with amortized monthly interest-only payments to be
11 made in the interim commencing on the Effective Date as provided in the Plan.

12 5.04 Debtor will generate a minimum of \$450,000 net of closing costs and liens
13 annually during the Plan Term from the sale of Sunset Hills Subdivision Lots.

14 5.05 The Bankruptcy Code requires a discussion of the “potential material
15 Federal tax consequences of the plan to the debtor, any successor to the debtor, and a hypothetical
16 investor typical of the holders of claims or interest in the case, that would enable such a
17 hypothetical investor of the relevant class to make an informed judgment about the plan.” 11
18 U.S.C. §1125(a)(1). Debtor is a general partnership organized and maintained under the laws of
19 the State of California, and therefore Debtor assumes that all profits and losses realized during the
20 Plan Term will be passed through to its partners the same as they did prior to the Petition Date.
21 Consequently, Debtor does not expect to be directly impacted by taxable events triggered by the
22 liquidation of assets under the Plan. Notwithstanding the foregoing, Creditors are encouraged to
23 consult with a qualified tax professional and should not rely upon any statements by the Debtor
24 (not a tax expert) regarding possible tax consequences either to the Debtor or to Creditors under
25 this Plan. Any distribution made pursuant to the terms of any confirmed plan would be net of (i.e.,
26 after payment in full of) any tax imposed upon the bankruptcy Estate or its partners. Consequently,
27 any distribution to creditors under the confirmed plan may be considered taxable income to such
28 creditors by taxing authorities, and may have to be disclosed as such when required by applicable
law to entitled taxing authorities by the beneficiary of any plan payment. More specific tax
assumptions are contained in the Liquidation Analysis at Article XIV of the Disclosure Statement.

Article VI

Treatment of Impaired Classes

6.01 Impaired Classes Generally. Classes 1 (Redding Bank of Commerce), 2 (Central Valley Community Bank), 5 (Hank Spacone, Trustee) and 6(b) (General Unsecured Claims) are impaired under this Plan. In no event will Debtor distribute to the holder of any Allowed Claim more or less than one hundred percent (100%) of the amount of such Allowed Claim, inclusive of interest thereon. All impaired classes of claims and classes of interest shall receive the distributions set forth in this Article on account of and in complete satisfaction of all such Allowed Claims (and any interest accrued thereon). Without limiting the foregoing and effective upon the Effective Date, each creditor and each equity security holder (or their successors) shall be deemed to have assigned to the Debtor and all such parties shall be deemed to have waived, relinquished and released any and all of their rights and claims against the Debtor, other than as provided for in the Plan or the Court's order confirming the Plan.

6.02 Class 1 (Allowed Secured Claim of Redding Bank of Commerce)

Class 1 is comprised of the Allowed Secured Claims of Redding Bank of Commerce ("RBC"). Class 1 is further subdivided into Class 1-A, and Class 1-B. Both Class 1-A and Class 1-B are impaired under this Plan.

Class 1-A. Class 1-A is the Allowed Secured Claim of RBC represented by Proof of Claim No. 7, referencing Loan No. 3160610 which RBC extended pre-petition to Debtor ("Claim No. 7" or the "Cottonwood Creek Ranch Loan").

Claim No. 7 shall be deemed allowed in full in the amount of \$1,835,627.73 accrued and unpaid as of February 27, 2015, consisting of \$1,802,437.12 in principal, \$21,487.78 in interest, \$2,000.00 in late charges, and \$9,702.83 in trustee's fees and foreclosure costs.

Upon the Confirmation Date, the Cottonwood Creek Ranch Loan shall continue to be secured by the 1st priority deed of trust recorded September 17, 2009 against that real property commonly described as Cottonwood Creek Ranch - Phase II, 20500 Lake California Drive, Cottonwood, California [approximately 279 acres consisting of Tehama County Assessor's Parcel Nos. 004-140-73; 004-140-75; and 004-140-86].

1
2 Upon the Confirmation Date, the Cottonwood Creek Ranch Loan shall be deemed
3 to be fully secured, and BR Enterprises and its partners waive any right to seek to bifurcate the
4 Cottonwood Creek Ranch Loan pursuant to Bankruptcy Code §506 or otherwise.

5 Interest shall accrue on the unpaid principal balance of the Cottonwood Creek
6 Ranch Loan from February 27, 2015 through and including the Confirmation Date at 5.25% per
7 annum. No late charges, nor default interest, nor pre-confirmation attorneys fees shall be
8 assessed to the Cottonwood Creek Ranch Loan for the period from February 27, 2015 to and
9 including the Confirmation Date. For example, assuming the Confirmation Date is December 2,
10 2015, the accrued post-filing interest will be \$73,073.80.

11 As of the Confirmation Date, all pre-petition and post-petition accrued and unpaid
12 interest, all pre-petition late charges, and all foreclosure trustee fees and expenses shall be added
13 to the principal balance of the Cottonwood Creek Ranch Loan. As of the Confirmation Date, and
14 continuing until the Cottonwood Creek Ranch Loan is paid in full, the re-capitalized Cottonwood
15 Creek Ranch Loan shall bear non-default interest at the fixed rate of 5.25% per annum.

16 Commencing on the earlier of January 2, 2016 or the Effective Date, and
17 continuing on the same day of each month thereafter, BR Enterprises shall tender to RBC for
18 application to the Cottonwood Creek Ranch Loan monthly payments of not less than interest-
19 only. For example only, assuming the Cottonwood Creek Ranch Loan totals \$1,908,701.53 as of
20 the Confirmation Date, the minimum monthly interest-only payment will be \$8,350.57.

21 From and after the Confirmation Date, Debtor shall take all necessary and
22 reasonable steps required to maintain and preserve the collateral for the Cottonwood Creek Ranch
23 Loan and Debtor shall make the following adequate protection payments to or for the benefit of
24 RBC: (1) timely payment of all real property taxes assessed against the collateral for the
25 Cottonwood Creek Ranch Loan as such taxes are due and payable without penalty, and (2)
26 monthly interest payments as provided for above.

27
28 Promptly following the Effective Date, RBC shall rescind the Notice of Default

1 recorded August 29, 2014 and the Notice of Sale recorded on or about February 4, 2015, 2014
2 against the real property commonly described as Cottonwood Creek Ranch - Phase II. Such
3 rescission shall not prejudice RBC's rights to record a subsequent notice of default nor a
4 subsequent notice of sale as to the collateral for the Cottonwood Creek Ranch Loan in the event
5 of a default first occurring subsequent to the Confirmation Date.

6 The Cottonwood Creek Ranch Loan shall continue to be additionally secured by
7 the approximately 2,600 acres owned by BR Enterprises which includes Tehama County
8 Assessor's Parcel Nos. 004-140-78; 004-140-83; 006-200-33; 009-150-12; 007-070-09; 007-070-
9 07; 007-070-24; 009-150-13; 009-490-06; and 006-200-30.

10 Upon the Effective Date, the Cottonwood Creek Ranch Loan and the Accumulated
11 Deficiency Claim (defined below) shall not be deemed cross-defaulted, and RBC may not declare
12 a default under one of such obligations based upon a default under the other obligation.
13

14 As of the Effective Date, the Cottonwood Creek Ranch Loan shall be fully due and
15 payable on or before 24 months following the Effective Date, unless earlier accelerated due to a
16 default in the minimum monthly payments or other default under the loan documents, except that
17 neither (i) the "belief the prospect of payment of the indebtedness is impaired," nor (ii) the future
18 death, insolvency, lawsuit against and/or bankruptcy of any of Debtor's general partners shall
19 constitute an "event of default" under the governing loan documents.

20 Upon the Effective Date, the exclusive remedy for collection of the Cottonwood
21 Creek Ranch Loan shall be exercise of the non-judicial trustee's sale procedures established under
22 the deeds of trust and California law. Upon the Effective Date, Bank shall be deemed to have
23 waived the right to bring a judicial foreclosure action to collect the Cottonwood Creek Ranch
24 Loan, and additionally waived the right to proceed individually against the general partners of BR
25 Enterprises to collect all or any portion of the Cottonwood Creek Ranch Loan.

26 In the event Debtor elects to consummate a sale of the real property collateral
27 described in Section 6.02.01.02, and either or both the Cottonwood Creek Ranch Loan and the
28 Accumulated Deficiency Claim have not earlier been paid in full, the proceeds of sale of such real

1 property collateral shall be disbursed directly from escrow as follows:

- 2
- 3 • First, payment of real estate brokerage fees, escrow costs and fees, documentary transfer
- 4 taxes, and other normal and customary reasonable costs and expenses of sale;
- 5 • Second, real property taxes and assessments, prorated to close of escrow;
- 6 • Third, repayment in full of the then-outstanding balance of the Cottonwood Creek Ranch
- 7 Loan;
- 8 • Fourth, to the extent monies then remain, up to \$350,000.00 to Debtor;
- 9 • Fifth, to the extent monies then remain, repayment in full of the then-outstanding balance
- 10 of the Accumulated Deficiency Claim; and,
- 11 • Sixth, to the extent monies then remain, to Debtor.

12 Upon reasonable confirmation that the proceeds of such sale shall be disbursed directly from
13 escrow exclusively as set forth above, and that the proceeds of such sale shall be sufficient to at
14 least result in payment in full of the Cottonwood Creek Ranch Loan, RBC shall execute and
15 deliver to escrow a reconveyance of its deed of trust encumbering the real property collateral
16 described in Section 6.02.01.02 above.

17 In the event RBC does not timely receive the minimum monthly payments
18 required on account of the Cottonwood Creek Ranch Loan following the Confirmation Date, or in
19 the event the Cottonwood Creek Ranch Loan is not paid in full within 24 months following the
20 Effective Date, Bank shall provide to BR Enterprises and its then counsel of record, if any, via
21 first class mail and e-mail, a written notice of default and demand for cure. In the event the
22 defaults identified in such written notice are not fully cured within 20 calendar days following the
23 date such notice is sent, RBC may immediately and without further notice record notice of default
24 against the collateral for the Cottonwood Creek Ranch Loan and otherwise proceed to foreclose
25 on such collateral in accordance with California law and this Plan of Reorganization.

26 In the event that on or after 20 months following the Effective Date Debtor has not
27 entered into a bona fide purchase and sale agreement providing for a sale of the Cottonwood
28 Creek Ranch Phase II real property in an amount sufficient to payoff in full the then-remaining
balance of the Cottonwood Creek Ranch Loan on or before 24 months following the Effective

1 Date, and an escrow for consummation of such proposed sale has not been opened and remains
2 open, RBC may, without further notice, record notice of default against the collateral for the
3 Cottonwood Creek Ranch Loan and otherwise proceed to foreclose on such collateral in
4 accordance with California law and this Plan of Reorganization, except that no such foreclosure
5 sale shall be scheduled or held earlier than 24 months following the Effective Date.

6 Debtor and RBC agree to execute and deliver to each other such other documents
7 as may be reasonably required to document or perfect the terms and conditions of this Plan of
8 Reorganization and the treatment of Claim No. 8 and the Accumulated Deficiency Claim,
9 including without limitation, a "Change In Terms Agreement" to be prepared by RBC.
10 Notwithstanding such, it is not the intention of Debtor nor RBC to re-document the entire
11 relationship between the parties.

12 In the event of any discrepancy or conflict with regard to the treatment of Claim
13 No. 7 or the Cottonwood Creek Ranch Loan between this Section 6.02.01 and any other terms
14 and conditions of the Plan of Reorganization, this Section 6.02.01 shall control.

15 **Class 1-B.** Class 1-B is the Allowed Secured Claim of RBC represented by Proof of
16 Claim No. 8, ("Claim No. 8" or "the Accumulated Deficiency Claim").
17

18 Claim No. 8 shall be deemed allowed in full in the amount of \$1,400,000.00 as of
19 the Confirmation Date, inclusive of all interest, late charges, trustee's fees, attorneys fees, and
20 other collection costs which may have been incurred pre-confirmation.

21
22 Upon the Confirmation Date, the Accumulated Deficiency Claim shall continue to
23 be secured by the first priority deed of trust recorded August 15, 2013 against the approximately
24 2,600 acres owned by BR Enterprises which includes Tehama County Assessor's Parcel Nos.
25 004-140-78; 004-140-83; 006-200-33; 009-150-12; 007-070-09; 007-070-07; 007-070-24; 009-
26 150-13; 009-490-06; and 006-200-30.

27 Upon the Confirmation Date, the Accumulated Deficiency Claim shall be deemed
28 to be fully secured, and BR Enterprises and its partners waive any right to seek to bifurcate the

1 Accumulated Deficiency Claim pursuant to Bankruptcy Code §506 or otherwise.

2
3 From and after the Confirmation Date, the Accumulated Deficiency Claim, as
4 modified by this Plan of Reorganization, shall initially bear non-default interest at the fixed rate
5 of 3.25% per annum. In the event the Accumulated Deficiency Claim has not been paid in full by
6 December 20, 2016, the Accumulated Deficiency Claim shall bear non-default interest at the rate
7 of 6.25% per annum from and after the Confirmation Date, and a lump-sum payment of the
8 accumulated additional interest in the amount of \$42,000.00 shall be due on or before January 2,
9 2017.

10 Commencing on the earlier of January 2, 2016 or the Effective Date, and
11 continuing on the same day of each month through December, 2016, BR Enterprises shall tender
12 to RBC for application to the Accumulated Deficiency Claim minimum monthly interest-only
13 payments of \$3,791.67. In the event the Accumulated Deficiency Claim has not been paid in full
14 by December 20, 2016, commencing with the monthly payment day in January, 2017 and
15 continuing on the same day each month until paid in full, Debtor shall tender to RBC for
16 application to the Accumulated Deficiency Claim minimum monthly interest-only payments
17 computed at the interest rate of 6.25% per annum.

18 In the event that on or before December 20, 2016 Debtor tenders to RBC the
19 principal sum of \$1,200,000.00, plus the interest accrued on the Accumulated Deficiency Claim
20 from and after the Confirmation Date, RBC shall discount the principal balance of the
21 Accumulated Deficiency Claim by \$200,000.00, and the Accumulated Deficiency Claim shall be
22 deemed paid in full.

23 From and after the Confirmation Date, Debtor shall take all necessary and
24 reasonable steps required to maintain and preserve the collateral for the Accumulated Deficiency
25 Claim and Debtor shall make the following adequate protection payments to or for the benefit of
26 RBC: (1) timely payment of all real property taxes assessed against the collateral for the
27 Accumulated Deficiency Claim as such taxes are due and payable without penalty, and (2)
28 monthly interest payments as provided for above.

1 Upon the Effective Date, the Cottonwood Creek Ranch Loan (defined above) and
2 the Accumulated Deficiency Claim shall not be deemed cross-defaulted, and RBC may not
3 declare a default under one of such obligations based upon a default under the other obligation.

4 As of the Effective Date, the Accumulated Deficiency Claim shall be fully due and
5 payable on or before 24 months following the Effective Date, unless earlier accelerated due to a
6 default in the minimum monthly payments or other default under the loan documents, except that
7 neither (i) the "belief the prospect of payment of the indebtedness is impaired," nor (ii) the future
8 death, insolvency, lawsuit against and/or bankruptcy of any of Debtor's general partners shall
9 constitute an "event of default" under the governing loan documents.

10 Upon the Effective Date, the exclusive remedy for collection of the Accumulated
11 Deficiency Claim shall be exercise of the non-judicial trustee's sale procedure established under
12 the deeds of trust and California law. Upon the Effective Date, Bank shall be deemed to have
13 waived the right to bring a judicial foreclosure action to collect the Accumulated Deficiency
14 Claim, and additionally waived the right to proceed individually against the general partners of
15 BR Enterprises to collect all or any portion of the Accumulated Deficiency Claim.

16 In the event RBC does not timely receive the minimum monthly payments
17 required on account of the Accumulated Deficiency Claim following the Confirmation Date, or in
18 the event the Accumulated Deficiency Claim is not paid in full within 24 months following the
19 Effective Date, Bank shall provide to BR Enterprises and its then counsel of record, if any, via
20 first class mail and e-mail, a written notice of default and demand for cure. In the event the
21 defaults identified in such written notice are not fully cured within 20 calendar days following the
22 date such notice is sent, RBC may immediately and without further notice record notice of default
23 against the collateral for the Accumulated Deficiency Claim and otherwise proceed to foreclose
24 on such collateral in accordance with California law and this Plan of Reorganization.

25 In the event that on or after 20 months following the Effective Date Debtor has not
26 entered into a bona fide purchase and sale agreement providing for a sale of the real property for
27 the Accumulated Deficiency Claim in an amount sufficient to payoff in full the then-remaining
28 balance of the Accumulated Deficiency Claim on or before 24 months following the Effective

1 Date, and an escrow for consummation of such proposed sale has not been opened and remains
2 open, RBC may, without further notice, record notice of default against the collateral for the
3 Accumulated Deficiency Claim and otherwise proceed to foreclose on such collateral in
4 accordance with California law and this Plan of Reorganization, except that no such foreclosure
5 sale shall be scheduled or held earlier than 24 months following the Effective Date.

6 In the event Debtor desires to sell a portion of the real property collateral securing
7 the Accumulated Deficiency Claim, and the projected net proceeds of such sale shall not be
8 sufficient to pay off in full the then-balance of the Accumulated Deficiency Claim, Debtor and
9 RBC shall negotiate in good faith in an attempt to agree upon a "release price" or other terms and
10 conditions to allow the contemplated sale to be effectuated without adversely affecting Bank's
11 prospect of payment in full of the Accumulated Deficiency Claim within the time frame and other
12 terms and conditions established by this Plan of Reorganization.

13 Debtor and RBC agree to execute and deliver to each other such other documents
14 as may be reasonably required to document or perfect the terms and conditions of this Plan of
15 Reorganization and the treatment of Claim No. 8 and the Accumulated Deficiency Claim,
16 including without limitation, a "Change In Terms Agreement" to be prepared by RBC.
17 Notwithstanding such, it is not the intention of Debtor nor RBC to re-document the entire
18 relationship between the parties.

19 In the event of any discrepancy or conflict with regard to the treatment of Claim
20 No. 8 or the Accumulated Deficiency Claim between this Section 6.02.02 and any other terms
21 and conditions of the Plan of Reorganization, this Section 6.02.02 shall control.

22 **6.03 Class 2 (Allowed Secured Claim of Central Valley Community Bank)**

23 Class 2 consists of the Allowed Secured Claim of Central Valley Community Bank
24 ("CVCB" or "Class 2 Claimant"). Class 2 Claimant is impaired.

25 Class 2 Claimant shall have an Allowed Secured Claim as of the Petition Date of
26 \$1,813,268.83, consisting of \$1,772,366.73 in principal and \$14,474.32 in interest (@ 5.25%)
27 plus actual attorneys fees and costs incurred by Class 2 Claimant not to exceed \$12,500, late
28 charges of \$5,948.19, foreclosure fees of \$5,229.59, and appraisal fees of \$2,750. From the
Petition Date through the Confirmation Date, the principal portion of the Allowed Class 2

1 Secured Claim shall accrue interest at the simple rate of 5.25%. As of the Confirmation Date, all
2 then-outstanding principal, pre-petition interest, post-petition interest, and attorneys fees shall be
3 consolidated, and the resulting consolidated balance (hereinafter referenced as the "Allowed
4 Class 2 Claim") shall be amortized over thirty years and accrue interest at the fixed simple rate of
5 5.25% per annum until paid in full. Interest-only payments (estimated in the projections attached
6 to Disclosure Statement at @\$8,340/month) shall be paid to Class 2 Claimant on the first day of
7 the full month following the Confirmation Date, and on the first day of each month thereafter
8 until paid in full.

9 The Allowed Class 2 Claim shall mature and be due and payable in full on the first
10 full day of the twenty fourth (24th) month following the Effective Date from the net proceeds
11 generated from either the sale or refinancing of all or a portion of its real property collateral as
12 described at paragraph 11.05 of the Disclosure Statement as the so-called "Main House" which
13 sits on approximately 14 acres on the Ranch (APN 004-140-72) (the "CVCB Collateral"). Class
14 2 Claimant shall rescind its Notice of Default as soon as possible after the Confirmation Date.

15 Pending the payment in full of Allowed Class 2 Claim, Class 2 Claimant shall
16 retain all existing liens against the CVCB Collateral in the order and priority such lien(s) existed
17 as of the Petition Date. In addition to the foregoing, Debtor shall take all necessary and
18 reasonable steps required to maintain and preserve the CVCB Collateral and Debtor shall make
19 the following adequate protection payments to or for the benefit of Class 2 Claimant: (1) timely
20 payment of all real property taxes assessed against the CVCB Collateral as such taxes are due and
21 payable, and (2) monthly interest payments as provided for above.

22 Upon payment in full of the Allowed Class 2 Claim, Class 2 Claimant shall
23 irrevocably release – and shall be deemed automatically and for all purposes to have irrevocably
24 released - any and all right, title, interest in and claims and/or liens it has or may have (known or
25 unknown) against the CVCB Collateral.

26 **6.04 Class 3 (Allowed Secured Claim of Joe & Lavone Curto Family Trust)**

27 Class 3 consists of the Allowed Secured Claim of Joe & Lavone Curto Family Trust (the
28 "Trust" or "Class 3 Claimant"). Class 3 Claimant is unimpaired as on October 19, 2015, Class 3
Claimant was paid in full through the Court-approved sale of the collateral (75085 Inverness
Drive in Indian Wells, California (APN #633-720-015-5)) securing their claim. Class 3 Claimant
shall receive no further distribution in this case.

1 **6.05 Class 4(a) (Tehama County Tax Collector)**

2 Class 4(a) consists of the Allowed Secured Claim of the Tehama County Tax Collector
3 (“TCTC” or “Class 4(a) Claimant”) on account of real property taxes assessed against the Real
4 Estate. According to Debtor’s records, all real property taxes were paid current through June 30,
5 2015 as of the Petition Date. Class 4(a) Claimant shall retain all statutory lien rights arising under
6 applicable nonbankruptcy law, and Debtor shall continue to pay timely all real property taxes and
7 assessments in the ordinary course of business as such taxes become due and payable. This Class
8 4(a) Claimant is *not* impaired.

9 **6.06 Class 4(b) (Riverside County Tax Collector)**

10 Class 4(b) consists of the Allowed Secured Claim of the Riverside County Tax Collector
11 (“TCTC” or “Class 4(b) Claimant”) on account of real property taxes assessed against the Real
12 Estate. On October 19, 2015, Class 4(b) Claimant was paid in full through the Court-approved
13 sale of the collateral (75085 Inverness Drive in Indian Wells, California (APN #633-720-015-5))
14 securing its claim. This Class 4(b) Claimant is *not* impaired and shall receive no further
15 distribution in this case.

16 **6.07 Class 5 (Hank Spacone, Trustee of Shasta Enterprises Chapter 11 Case)**

17
18 Class 5 consists of the disputed contingent claim (the “Class 5 Claim”) filed on June 25, 2015, by
19 Hank Spacone in his capacity of Chapter 11 Trustee of Shasta Enterprises, a California
20 partnership (“Class 5 Claimant”), as such claim may be amended from time to time. This Claim
21 is impaired.

22 The Class 5 Claim shall be deemed an Allowed Unsecured Claim in such amount
23 (the “Class 5 Allowed Unsecured Claim”) and at such time, if ever, that Class 5 Claimant obtains
24 a final judgment against Debtor on the Class 5 Claim in an adversary proceeding filed in the
25 Shasta Enterprises case (“Shasta Chapter 11”) or similar action (the “Shasta Clawback Action”).

26 If the Class 5 Claimant has filed the Shasta Clawback Action and dividends are
27 payable to Debtor on the BR Claim (as defined below) in the Shasta Chapter 11 prior to
28 resolution of the Shasta Clawback Action, and except as otherwise ordered by the Bankruptcy
Court, the Class 5 Claimant shall withhold from any dividend then payable to Debtor in the

1 Shasta Chapter 11, and deposit in an interest bearing, federally insured, blocked account (the
2 “Blocked Account”), an amount equivalent to one hundred and ten percent (110%) of the
3 maximum claim asserted by Class 5 Claimant in good faith against Debtor in the Shasta
4 Clawback Action, pending a final judgment or resolution. Once the Blocked Account is funded,
5 all other distributions due on the BR Claim shall be made to Debtor. If the Shasta Clawback
6 Action is resolved in favor of the Class 5 Claimant, either by final judgment or other final
7 resolution, the Blocked Account balance up to the amount of the judgment shall be released to the
8 Class 5 Claimant. . Any difference between the balance in the Blocked Account and the Class 5
9 Allowed Unsecured Claim shall upon final resolution of the Shasta Clawback Action in favor of
10 the Class 5 Claimant be immediately distributed to Debtor on account of Debtor’s claim against
11 Shasta Enterprises, which consists of its originally scheduled claim of \$2,857,267, plus
12 approximately \$350,000 loaned to Shasta Enterprises post-petition (see “Order on Motion for
13 Authority to Assume Executory Contract and for Post-Petition Borrowing” filed January 7, 2015
14 in Case #2014-30833 as Doc#176) (the “BR Claim”).¹ All rights of Debtor to file an amended
15 claim as a result of payment of the judgment and to receive further distributions shall be governed
16 by the Code and other applicable law. In the event there is a deficiency owing to the Class 5
17 Claimant by Debtor in excess of the funds in the Blocked Account, such deficiency shall be
18 treated and paid as a Class 6 General Unsecured Claim, except that in addition to such rights, the
19 Class 5 Claimant may apply any future dividends otherwise due on the BR Claim to such
20 deficiency until it is satisfied. If final judgment or resolution is in favor of Debtor in the Shasta
21 Clawback Action, the Blocked Account shall be released to Debtor.

22 During any time that the Shasta Clawback Action is pending or has resulted in
23 final judgment or other resolution in favor of the Class 5 Claimant that remains unsatisfied, and
24 no dividend is otherwise payable to Debtor on the BR Claim in the Shasta Chapter 11, the Class 5
25 Claimant shall be entitled to all of the rights and benefits of Code section 502(d), including
26 treating the BR claim as disallowed until the judgment against Debtor is satisfied. Under such
27 circumstances, the Allowed Class 5 Claim shall be treated and paid as a Class 6 General
28 Unsecured Claim.

Nothing in this or any other provision of this Plan shall restrict the Debtor’s ability

¹ As Debtor notes at Article VI (page 12, line 23.5) of the Disclosure Statement, Debtor claims the amount owed is \$4,213,869.65 as of the Shasta Enterprises Petition Date. Class 5 Claimant’s vote in favor of plan treatment does not constitute an admission of the amount owed or the allowance of such claim amount.

1 post-confirmation to enter into an agreement with the Class 5 Claimant for subordination or other
2 specially negotiated treatment of the BR Claim in the Shasta Chapter 11.

3
4 **6.08 Class 6(a) (Allowed Unsecured Convenience Class Creditors)**

5 Class 6(a) consists of creditors whose claims total less than \$2,500.00 or who voluntarily
6 reduce their claims to \$2,500.00 ("Class 6(a) Allowed Unsecured Convenience Claims). These
7 claims shall be paid in full by the Debtor by on the Effective Date No interest or other fees or
8 charges shall accrue post-petition on account of any Class 6(a) Allowed Unsecured Convenience

14 **6.09 Class 6(b) (General Unsecured Creditors)**

15 Class 6(b) consists of all Allowed Unsecured Claims not treated in any other
16 Class, including any deficiency claims of holders of Allowed Secured Claims. This Class is
17 impaired. Debtor estimates that Class 6(b) Unsecured Claims amount to approximately \$125,000
18 as follows:

- 19 • Antonio Rodriguez III (\$125,000 – Scheduled);

20
21 Class 6(b) Allowed Unsecured Claims shall be paid *pro rata* by the Debtor from
22 available funds in the Creditors' Account on a semi-annual basis to the extent funds are available
23 for such purpose as more specifically provided at Article VIII of the Plan. In no event shall Class
24 6(b) Creditors receive more or less than one hundred percent (100%) of their Allowed Claims
25 under the terms of this Plan. Interest shall accrue on all Class 6(b) Allowed Unsecured Claims,
beginning on the Effective Date, at the simple rate of seven percent per annum until paid in full.

26 Pro-rata distributions shall be made to or on account of Class 6(b) Allowed
27 Unsecured Claims as soon as practicable, but in no event prior to such time that all
28 Administrative Claims and Unclassified Claims referenced at Article II of the Plan have been

1 liquidated and paid in full, and so long as at the time of such distribution(s), Debtor has a
2 sufficient reserve of Net Income to fund its business operations and to timely make all other
3 payments required under the Plan.

7 Jr. and Managing Partner Antonio Rodriguez III (the "Class 7 Members") in the Debtor. The
8 Class 7 Members are unimpaired and shall retain all interests in Debtor notwithstanding
9 confirmation of this Plan and/or Debtor's discharge, but shall receive no distribution on their
10 respective capital accounts except after full payment of all Allowed Unsecured Claims.
11 Notwithstanding the foregoing, to the extent practicable, Debtor may set aside and pay to the
12 appropriate taxing authorities on behalf of the Class 7 members funds from any unencumbered
13 net sale proceeds to cover taxes owed by Class 7 Members as a direct result of such sale(s). At
14 the expiration of the Plan Term or, if earlier, the entry of Debtor's Discharge, any and all right, title,
15 interests and/or claims of Creditors in (1) Debtor's Real Estate, (2) the Creditor Account, (3)
16 property of the estate (revested or otherwise), and (4) any and all other real or personal property
17 assets of the Debtor, including income from any source, existing as of the end of the Plan Term,
18 whether or not held for the benefit of creditors, shall terminate and/or revert to Debtor, free and
19 clear of such claims and/or interests (excluding only consensual deeds of trust). Debtor reserves all
20 rights and claims against the Class 7 Members, including but not limited to rights and claims,
21 whether legal or equitable, including claims for contribution and indemnity.

22 **Article VII**

23 **Event of Default**

24 7.01 Except to the extent otherwise provided in this Plan, in the event Debtor fails to
25 perform any material obligation called for under the Plan with respect to a particular Claimant
26 and/or Claim, and if Debtor fails to cure the default within twenty (20) calendar days of the
27 receipt of a written notice of the default from such affected Claimant, that Claimant may
28 immediately pursue such remedies as against the affected Claim(s) as are permitted with
reference to applicable State and/or Federal law, subject only to any limitations set forth in this
Plan, without further notice or Court order.

1 7.02 Except to the extent otherwise provided in this Plan, notice of any default given
2 under this section shall be deemed made when faxed and e-mailed to Debtor’s counsel at (916)
3 488-3400 and at hollisterlaw@earthlink.net, respectively, and to the Debtor, care of Antonio
4 Rodriguez III at rodrigueziii@gmail.com, respectively (or any substitute facsimile number or
5 email address given to creditors by either of the foregoing) and mailed, certified return receipt
6 requested, to Debtor, and to Debtor’s counsel at the following addresses:

10 Managing Partner, 310 Hamilton Street, Redding, CA 96001

11 7.03 Except to the extent otherwise provided in this Plan, notwithstanding the
12 foregoing, an event of default occurring with respect to one Class or Subclass shall not be
13 considered an event of default with respect to any other Class or Subclass.

14 **Article VIII**

15 **Execution and Implementation of the Plan**

16 8.01 Generally. The Plan shall be funded by Debtor through the liquidation or
17 refinancing of Debtor’s Real Estate as necessary to make the payments called for under the Plan.

18 8.02 Management of Accounts: At all times following the Confirmation Date,
19 Debtor shall continue to maintain and manage all of its business affairs and accounts, and shall
20 retain its current interest bearing, federally insured depository account(s) (the "Creditors'
21 Account"), which shall be funded, managed and controlled by Debtor, and from which payments
22 to creditors shall be made. Restrictions upon the disbursement of disputed or disallowed claims is
23 governed by Article XVII, paragraph 17.2, below.

24 **Article IX**

25 **Disallowance of Claims/Retention of Property**

26 9.01 Notwithstanding anything to the contrary herein, and except as otherwise agreed
27 by the Debtor or ordered by this Court, no attorney’s fees or other “professional” fees (as the term
28 “professional” is defined in 11 U.S.C. §327) or default interest, late penalties or any similar
charge claimed after the Petition Date but prior to the Confirmation Date shall be paid, nor shall

1 the same constitute part of an Allowed Claim, until the creditor or professional seeking to recover
2 said fees from the Debtor, or the Estate has or have had such fees approved as “reasonable” or
3 otherwise properly payable by the Bankruptcy Court. Such approval must be made through a
4 motion for the recovery of same made on no less than twenty-eight (28) days’ written notice to
5 the Debtor, any Unsecured Creditors’ Committee, and the Office of the United States Trustee.
6 Any professional fees or default interest, late penalties or similar charges claimed after the
7 Petition Date but prior to the Confirmation Date claimed by a creditor of the estate as
8 compensable by the Debtor or the Estate which have not been asserted through the above
9 procedure within sixty (60) days after the Confirmation Date shall be deemed barred without
further notice or order.

10 9.02 Notwithstanding anything contained herein, the Debtor shall have the right to
11 request the Court to disallow any claims of any person from which property is recoverable under
12 section 541, 542, 543, 550, or 553 of Title 11 or that is a transferee of a transfer avoidable under
13 section 544, 545, 547, 548, or 549 of Title 11 unless such Person or transferee has paid the
14 amount, or turned over any such property for which such Person or transferee is liable.

15 9.03 Except as otherwise specifically provided herein, the Debtor shall retain all
16 Property of the Estate including any rights under the avoidance actions, which shall become
17 property of the reorganized Debtor. Professional fees incurred and funds borrowed by the Debtor

approved by the Bankruptcy Court as a condition to payment by the Debtor.

19 9.04 Except as otherwise agreed by the Debtor or ordered by this Court, Claims filed
20 after the Bar Date shall be deemed automatically disallowed. Except provided in paragraph 6.02,
21 below, all objections to Claims shall be filed within twelve (12) months after the Effective Date
22 (the “Claims Objection Bar Date”), unless the Debtor obtains an extension of this deadline
23 through a noticed motion. If a party has timely filed an objection to a Claim, the party who filed
24 the objection and the holder of the disputed Claim may enter into a written settlement agreement
25 to compromise such Claim, which agreement, when filed with the Bankruptcy Court, will
26 constitute allowance of the Claim in the compromised status and amount. The payment of any
27 Claim or any portion thereof by or on behalf of the Debtor and/or Disbursing Agent shall not be
28 deemed a waiver of the right to subsequently object to all or a portion of the Claim and seek
turnover of monies improvidently paid.

1 9.05 Debtor may enter into a written settlement agreement to compromise any dispute
2 and/or Claim, which agreement, when filed with the Bankruptcy Court, will constitute a final
3 judgment and/or order with respect to the dispute or Claim so settled, in the compromised status
4 and amount with the same force and effect of a Final Order.

5 9.06 Any and all assets or interests owned or held by Debtor, and/or Property of the
6 Estate shall be retained by Debtor up until the Confirmation Date and, thereafter, title and/or
7 possession shall automatically revert with the reorganized Debtor.

8 **Article X**

9 **Request for Finding of Fair and Equitable Treatment**

10 The Debtor, as the proponent of this Chapter 11 Plan, hereby requests pursuant to
11 Section 1129(b) of the Code, that this Court find that the provisions of this Plan provide fair and
12 equitable treatment to and do not unfairly discriminate against those Claimants and interest
13 holders who are impaired under the Plan and who elect not to accept the Plan, and that this Court
14 confirm the Plan under the so-called "cram-down" provisions of the Plan pursuant to 11 U.S.C.
15 §1129(b) notwithstanding the requirement of Section 1129(a)(8) as to such Claimants.

16 **Article XI**

17 **Conditions Precedent to Distributions Under the Plan**

18 In addition to the other terms and conditions set forth herein, the following shall constitute
19 conditions precedent to any Claimant's right to participate in the distributions under the Plan:

20 11.01 Any Creditor otherwise entitled to a distribution shall execute and deliver to the
21 Debtor or join in the execution or delivery of any instrument necessary for consummation of the
22 Plan. Nothing herein shall be construed to prevent or preclude any creditor from contesting the
23 Plan, and Debtor shall not withhold any distribution to any creditor solely because such creditor
24 participated in the Plan confirmation process.

25 11.02 Any Person against whom a turnover judgment has been entered in this case shall
26 turn over to the Debtor the property, or the value thereof, ordered turned over by such judgment.
27 No Person against whom a turnover judgment has been ordered shall have any right to participate
28 in distributions under the Plan until such Person turns over to the Debtor the required amount, or
the value thereof, and such Person shall forfeit any rights to distribution which the Plan

1
2 contemplates and which would have occurred during the period of noncompliance with any
3 turnover judgment. Notwithstanding the foregoing, nothing contained herein shall limit any right
4 of the Debtor to enforce any judgment of the Court.

5 11.03 Debtor does not anticipate at this time prosecuting avoidance actions through the
6 Plan. Nonetheless, Debtor reserves the right to prosecute any claim or cause of action, including
7 but not limited to any avoidance actions and, in the event any such reserved claim is prosecuted,
8 as a condition to participation in distributions under the Plan, any Person against whom any
9 judgment has been entered shall immediately satisfy and/or otherwise comply with the judgment.
10 No Person shall have any right to participate in distributions under the Plan until such Person
11 satisfied the judgment, and such Person shall forfeit any rights to distributions which the Plan
12 contemplates and which would have occurred during the period of noncompliance with any
13 judgment.

14 **Article XII**

15 **General Provisions**

16 12.01 Unclaimed Funds/Distributions. Unclaimed distributions, if any, remaining as of
17 the end of the Plan Term will be deposited into the Court's "Unclaimed Funds Account."
18 Separate checks shall be delivered to the Clerk of Court, made payable to "Clerk, U.S.
19 Bankruptcy Court" with a reference to the entitled Claimant's name and the bankruptcy case
20 number.

21 12.02 Post-Confirmation Payment of Professionals. All professionals, including but not
22 limited to attorneys, accountants and brokers providing post-confirmation services to Debtor shall
23 submit periodic, detailed invoices to Debtor. Debtor is authorized to pay such periodic invoices
24 without further order of the Court.

25 12.03 Post-Petition Borrowing from Insiders. Nothing herein prevents Debtor from
26 borrowing funds, including all or a portion of the funds required to fund this Plan, so long as any
27 loan is memorialized by a written promissory note.

28 **Article XIII**

Article XIV

Executory Contracts

14.01 As of the Effective Date, Debtor assumes (to the extent they constitute assumable executory contracts under applicable law) all of the executory contracts and unexpired leases described in Debtor’s Schedule “G” *with the exception of any brokerage agreements or relationships which were not expressly approved by the Debtor following authorization by the Bankruptcy Court after the Petition Date.* As to each executory contract that is assumed herein, any monetary defaults will be cured as a condition to assumption and paid as a Non-Classified Claims in accordance with Article II above.

14.02 Except for the executory contracts set forth immediately above or that are subject to prior orders in the Chapter 11 Case for assumption or rejection pursuant to Section 365 of the Bankruptcy Code, Debtor hereby rejects all executory contracts and unexpired leases to which they were a party – or are deemed to have been a party to – as of the Petition Date. Except as otherwise permitted by law, all claims arising from the rejection of executory contracts and/or unexpired leases must be filed with the Court within thirty (30) days of the Effective Date or shall be barred.

Article XV

Effect of Confirmation

15.01 Except as otherwise provided in the Plan or in the confirmation order, Debtor shall be discharged pursuant to Section 1141 of the Bankruptcy Code, effective as of the earlier of the last day of the Plan Term or the date the last payment required under the Plan is made. The discharge shall be effective as to all Claims regardless of whether a Claim was filed or scheduled, and/or whether the Claim is an Allowed Claim or whether the holder of the Claim votes to accept the Plan. The automatic stay of Section 362 of the Bankruptcy Code shall remain in effect until the case is closed or dismissed, or until the discharge becomes effective. Upon Confirmation, subject to any restrictions in this Plan including but not limited to paragraph 2.1 (i.e., providing that “Debtor shall pay the remaining unpaid amount of any Administrative Claim in full prior to or concurrently with the close of escrow of the sale, refinancing or encumbering of any of Debtor’s Real Estate”), Debtor may conduct its lawful business and financial affairs, including but not limited to the compromise of claims, the borrowing of funds on either a secured or

1 unsecured basis, and/or the liquidation of all or a portion of the Property of the Estate, without
2 restrictions or further Court approval and, except as expressly provided in the Plan, the
3 obligations to all creditors will be conclusively deemed current and all incidences of default shall
4 be conclusively deemed cured retroactive to any default so cured.

5 15.02 Except as otherwise expressly stated in this Plan, from and after the Confirmation
6 Date all loan documents, trust deeds and other contracts documenting claims against the Debtor
7 shall be deemed modified, superseded, and/or extinguished completely, as the case may be, by,
8 according to, and/or consistent with the terms of the Plan, without the need for any further action
9 by Debtor. After the Confirmation Date, Claims shall be paid only in accordance with the Plan.

10 15.03 Confirmation of the plan shall not act or serve to ratify any violation of any
11 injunction, including the automatic stay and/or the injunction referenced at Bankruptcy Rule
12 7062, against property of the estate by creditors of this estate.

13 15.04 Pursuant to Section 1142(a), notwithstanding any other applicable non-bankruptcy
14 law, rule or regulation relating to financial condition, Debtor is authorized to take any and all
15 lawful action necessary to carry out the terms of the Plan. Moreover, all claimants holding liens
16 on the Debtor's assets shall execute or deliver, or to join in the execution or delivery, of any
17 instrument or other document required to effect a transfer of property dealt with by the Plan, and
18 to perform any other act, including the satisfaction of any lien that is necessary for the
19 consummation of the Plan. To the extent that any lienholder fails to comply with this provision,
20 in addition to any other remedies available under this Plan or applicable law, the Debtor may seek
21 an order from the Bankruptcy Court, on an expedited basis, compelling compliance with this
22 provision, and during that time period encompassed by this compliance, no payments shall be
23 made to the noncomplying Creditor and no interest on the noncomplying creditor's claim shall
24 accrue under the Plan, and any such Creditor shall be responsible for all costs and damages
25 incurred by the Debtor as a result of such Creditor's noncompliance with this provision.

26 15.05 Except as otherwise provided herein, all assets and Property of the Estate shall vest
27 in the Debtor as of the Confirmation Date in accordance with Section 1141(b). The
28 characterization of such assets or property as being held as separate or community property or
otherwise under applicable State law shall not be affected as a result of confirmation of the Plan.

Article XVI
Retention of Jurisdiction

1 The Court shall retain jurisdiction of this Chapter 11 case until this Plan has been fully
2 consummated, pursuant to and for the purposes set forth in the Code, and specifically for the
3 purpose of:

4 16.01 Classification of the Claim of any Creditor in the reexamination of Claims which
5 have been allowed for the purposes of voting for the determination of such objections as may be
6 filed to Creditor's Claims. The failure by the Debtor to object to or examine any claim for the
7 purpose of voting shall not be deemed to be a waiver of Debtor's right to object to or reexamine
8 the Claim in whole or in part, nor shall the payment of any claim or any portion thereof be
9 deemed a waiver to subsequently object to all or a portion of the claim and seek turnover of
10 monies improvidently paid.

11 16.02 The allowance of compensation or other administrative expenses incurred prior to
12 the Confirmation Date.

13 16.03 To hear and determine the allowance and/or amount of Allowed Claims and/or
14 adjustments thereto, including but not limited to, claims concerning state, local, and federal taxes
15 pursuant to sections 346, 505, 525, and 1146 of the Bankruptcy Code.

16 16.04 To hear and determine any action or proceeding brought by Debtor under
17 sections 510, 541, 542, 543, 544, 545, 547, 548, 549, 550, 551, and 553 of the Bankruptcy Code,
18 whether such action or proceeding is brought before or after the Effective Date. The Debtor's
19 right to prosecute such actions is expressly reserved herein.

20 16.05 To hear and determine all actions and proceedings which relate to pre-
21 confirmation matters brought by the Debtor whether such action or proceeding is brought before
22 or after the Effective Date.

23 16.06 The determination of any issues relating to the assumption or rejection of
24 executory contracts and unexpired leases including the assumption or rejection of executory
25 contracts or unexpired leases not expressly dealt with herein.

26 16.07 The correction of any defects, the curing of any omission, or the reconciliation of
27 any inconsistency of this Plan or in the Order of Confirmation as may be necessary to carry out
28 the purposes and intent of this Plan.

16.08 The modification of this Plan after confirmation pursuant to the Bankruptcy Rules
and Title 11 of the United States Code.

16.09 The enforcement and interpretation of the terms of this Plan.

1 16.10 The entry of any order, including injunctions, necessary to enforce title, rights and
2 powers of the Debtor, and to impose such limitations, restrictions, terms and conditions of such
3 title, rights and powers as this Court may deem necessary including, without limitation, any right
4 of the Debtor to recover assets pursuant to the provisions of the Bankruptcy Code.

5 16.11 The determination of the validity, extent and priority of all liens and security
6 interests against property of the Debtor's Chapter 11 estate and/or property of the Debtor.

7 16.12 To hear and determine such matters and make such orders as are consistent with
8 the Plan as may be necessary or desirable to carry out the provisions thereof.

9 16.13 Any disputes arising under or relating to any order entered by the Court in this
10 proceeding.

11 16.14 The entry of an order concluding and terminating this Chapter 11 case.

12 **Article XVII**

13 **Retention of Litigation Rights**

14 17.01 Debtor reserves all rights to assert, prosecute, defend against and/or liquidate any
15 and all claims and/or assets, including but not limited to any action or proceeding arising under
16 sections 510, 541, 542, 543, 544, 545, 547, 548, 549, 550, 551, and 553 of the Bankruptcy Code,
17 whether such action or proceeding is brought before or after the Effective Date, notwithstanding
18 anything herein to the contrary. Debtor shall not be barred, either by the doctrine of res judicata
19 effect or any other legal or equitable law or doctrine, from initiating litigation, raising defenses
20 and/or exercising its rights under this section. The payment of any claim or any portion thereof
21 by or on behalf of the Debtor shall not be deemed a waiver of any right to subsequently object to
22 all or a portion of the claim and seek turnover of monies improvidently paid.

23 17.02 In the event any matter, claim or interest is in controversy, including without
24 limitation, administrative, priority, secured and/or unsecured claims, Debtor shall withhold
25 payment of or on account of any claim directly and materially affected by the controversy until
26 such time as the dispute has been resolved by nonappealable Final Order, except to the extent that
27 a portion of any claim or controversy is allowed or conceded by Debtor, in which case the
28 Disbursing Agent shall make a distribution on account of such allowed portion of the disputed
claim in accordance with the terms of this Plan.

17.03 Debtor may, without the need to file a motion with the Court or give notice to any
creditor, enter into a written settlement agreement to compromise any Claim or controversy,

1 which agreement, when filed with the Bankruptcy Court, will have the effect of a Final Order as
2 to the disposition of the settled controversy.

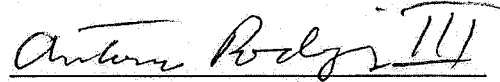

3 **Article XVIII**

4 **Postconfirmation Reporting and U.S. Trustee Quarterly Fees**

5 18.01 The Debtor shall continue to file with the Court a post-confirmation status report
6 substantially the form attached hereto as Exhibit "A", and pay to the United States Trustee the
7 quarterly fee required by 28 U.S.C. section 1930(a)(6), until this case is converted, dismissed, or
8 closed. Reports for any given quarter shall be filed with the Court and served upon the United
9 States Trustee not later than twenty (20) days after the expiration of the reported quarter.
