**MOTION FOR AUTHORITY TO SELL ASSETS FREE AND CLEAR OF LIENS,  
CLAIMS, AND ENCUMBRANCES**

COME NOW the above-captioned debtors and debtors in possession (collectively, the “**Debtors**”),<sup>1</sup> in the above-styled jointly administered case (the “**Case**”), by and through the undersigned counsel, and hereby seek authority pursuant to Sections 105(a), 363(b), (f) and (m) of Title 11, United States Code (the “**Bankruptcy Code**”), and Rules 2002(a)(2), 6004, 9006 and 9007, of the FEDERAL RULES OF BANKRUPTCY PROCEDURE (the “**Bankruptcy Rules**”) and seeks the entry of an order authorizing the Debtors to sell certain assets of the estate (as more particularly described below), free and clear of all liens, claims, interests and encumbrances, to Cohutta Property Investments, LLC (the “**Buyer**”), on the terms described below. In support of this Motion, the Debtors represent as follows:

**Introduction**

1. On July 16, 2017 (the “**Petition Date**”), the Debtors filed voluntary petitions with the United States Bankruptcy Court for the Northern District of Georgia, Rome Division (the “**Court**”) under Chapter 11 of the Bankruptcy Code. The Debtors are authorized to operate their business as debtors in possession pursuant to Sections 1107(a) and 1108 of the Bankruptcy Code.

---

<sup>1</sup> The Debtors in these cases along with the last four digits of their federal tax identification number are: Beaulieu Group, LLC (2636), Beaulieu Trucking, LLC (0383) and Beaulieu of America, Inc. (9706).

2. No trustee or examiner has been appointed in this Case. No request has been made for the appointment of a trustee or examiner. An Official Committee of Unsecured Creditors (the “**Committee**”) was appointed on July 21, 2017.

3. On or about November 6, 2017, the Debtors sold substantially all of their operating assets pursuant to an order of the Court entered on November 1, 2017.

4. Following the sale of its operating assets, the Debtors retained ownership of a few parcels of real property and some equipment and machinery. Pursuant to this Motion, the Debtors seek to sell a portion of their remaining assets.

### **Jurisdiction and Venue**

5. This Court has jurisdiction of this Motion pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. §§ 157(b)(2)(A), (N) and (O). Venue of the Debtors’ Chapter 11 case and this Motion in this District is proper pursuant to 28 U.S.C. §§ 1408 and 1409. The statutory predicates for the relief sought herein are Sections 105(a) and 363 of the Bankruptcy Code and Bankruptcy Rules 2002, 6004, 9006 and 9007.

### **Proposed Sale of Property**

6. The Debtors wish to sell the property described below (collectively, the “**Property**”) to the Buyer for the aggregate purchase price of Two Million Six Hundred Thousand Dollars (\$2,600,000.00) (subject to adjustment for real property tax pro-rations) pursuant to the terms of that certain letter agreement, dated January 4, 2018 (the “**Agreement**”), a copy of which is attached hereto as Exhibit A:

- a. That certain parcel of real property located in Eufaula, Alabama consisting of approximately 37.834 acres together with a 266,000 square foot building located thereon (also known as Plant #620) and any equipment and machinery located in

such building or otherwise on the property, as more fully described in the Agreement and attachments thereto.

- b. That certain parcel of real property located in Calhoun, Georgia consisting of approximately 21.94 acres together with a 75,788 square foot building located thereon (also known as Plant #710) and any equipment and machinery located in such building or otherwise on the property, as more fully described in the Agreement and attachments thereto.
- c. That certain parcel of unimproved real property located on Highway 286, Rout3 5, in Murray County, Georgia, consisting of approximately 12 acres and any equipment and machinery located on the property, as more fully described in the Agreement and attachments thereto.
- d. All equipment and machinery located in the Model Facility (Plant #560), including, without limitation, (i) 2 CMC tufting machines, (ii) certain additional equipment and machinery designated on an attachment to the AGREEMENT, and (iii) the contents of certain trailers (but not the trailers themselves), as more fully described in the Agreement.

7. The Property shall be sold "AS IS, WHERE IS." The Purchase either has or will provide the Debtors with an earnest money deposit in the amount of Fifty-Two Thousand Dollars (\$52,000.00) to be held in escrow by the Debtors' bankruptcy counsel pending the closing of the sale. The Buyer will not assume any liabilities of the Debtors in connection with the Property; provided, however, that any accrued by unpaid real property taxes will be prorated between the Debtors and the Buyer. Debtors also seek authorization to take such action and to execute and deliver any warranty deeds, bills of sale, and other documents, agreements and instruments that

may be necessary or advisable to effectuate the terms of the sale described herein.

8. The Debtors propose to sell the Property to Buyer free and clear of any and all liens, claims, interests and encumbrances under the terms and conditions set forth in the Agreement, with any valid, perfected and enforceable liens to attach to the net proceeds generated from the sale of the Property.

9. The Property has been extensively marketed and the Debtors believe the purchase price offered for the Property as set forth in the Agreement reflects the highest and best price that could realistically be obtained for the Property within the foreseeable future. Accordingly, the Debtors have agreed to cease marketing the Property and to seek to sell the Property to the Buyer pursuant to this Motion via a private sale, not subject to higher and better offers, with the sale scheduled to close on or before January 15, 2018. The Committee has indicated to the Debtors that the Committee supports the proposed sale under the terms and conditions described herein and in the Agreement.

10. The sale of the Property as proposed herein is reasonable and proper under Section 363 of the Bankruptcy Code and is in the best interests of the Debtors, their creditors and the estates. Additionally, the Debtors have exercised their sound business judgment in proposing the sale of the Property. Accordingly, ample cause exists for the proposed sale of the Property to the Buyer.

**Good Faith Purchaser Designation**

11. The Debtors further requests that the Court designate Buyer as a good faith purchaser for purposes of Section 363(m) of the Bankruptcy Code. Such designation can be made by a Bankruptcy Court in the context of a sale of assets of a debtor when it has been established that the proposed purchaser is an unrelated third party, not affiliated with or having any insider

relationship with the debtor, and when the proposed transaction is for fair value and is the result of arm's length negotiations between the parties. See *In re Abbotts Dairies of Pennsylvania, Inc.*, 788 F.2d 143 (3d Cir. 1986).

12. With respect to the proposed transaction, the Debtors submit that the Buyer meets the qualifications for designation as a good faith purchaser in that the Buyer is an unrelated third party without any insider relationship with the Debtors or their representatives and has negotiated in good faith and at arm's length with the Debtors. Moreover, both the Debtors and the Committee believe the proposed transaction is for fair value.

**Best Interests of the Debtors' Estates and Creditors**

13. The Debtors believe that the sale of the Property under the terms and conditions of the Agreement is in the best interests of the Debtors' estates and creditors. As noted above, the Debtors have marketed the Property to various potential purchasers and believe that the proposed purchase price is fair and is likely to be the highest and best offer that the Debtors could reasonably obtain for the Property within the foreseeable future.

14. Section 363(b) of the Bankruptcy Code provides that a debtor, "after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate." 11 U.S.C. § 363(b). Under the prevailing case law, a sale under Section 363(b) requires that the Court "expressly find from the evidence presented.... a good business reason" to approve the sale. *Comm. of Equity Sec. Holders v. Lionel Corp (In re Lionel Corp.)*, 722 F.3d 1063, 1071 (2d Cir. 1983). *Accord Stephens Indus., Inc. v. McClung*, 789 F.2d 386, 389-90 (6th Cir. 1986); *In re Diplomat Constr.*, 481 B.R. 215, 218-19 (Bankr. N.D. Ga. 2012).

15. The Debtors submit that a good business reason exists for the sale and that the approval of the sale of the Property is proper under the standard articulated under *Lionel*. The

Debtors no longer have any business operations and have no need for any of the Property.

16. The Debtors do not believe that any entity asserts a security interest in any of the Property. To the extent that any such security interest may exist, however, the Debtors submit that they still should be authorized to sell the Property free and clear. Section 363(f) of the Bankruptcy Code provides, in pertinent part as follows:

(f) The trustee may sell property under subsection (b) or (c) of this section free and clear of any interest in such property of an entity other than the estate, only if –

(2) such entity consents; or

\* \* \*

(5) such entity could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest.

11 U.S.C. § 363(f)(2), (5).

17. The Debtors believe that any entity asserting a security interest in the Property would consent to its sale provided that its security interest attach to the sale proceeds (as would be the case here.) Moreover, the Debtors believe that any such entity could be compelled to accept a money satisfaction of its interests in the Property.

18. In addition, Section 105(a) of the Bankruptcy Code authorizes the Court to “issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. § 105(a). The purpose of Section 105(a) is to insure a Bankruptcy Court’s power to take whatever action “is appropriate or necessary in aid of the exercise of its jurisdiction.” 2 *Collier on Bankruptcy*, 105.02, at 105-2 (16th ed. 2015). Thus, this Court may exercise its equitable powers to grant the relief requested in this Motion.

**Waiver of 14-Day Stay on Closing**

19. Bankruptcy Rule 6004(h) provides that an order authorizing the use, sale, or lease

of property will be stayed for fourteen days after entry of such approval order unless the court orders otherwise. Because of the parties wish to close the transactions contemplated herein as promptly as possible, the Debtors request that the Court order and direct that the order approving this Motion shall not be automatically stayed for fourteen days.

**Notice**

20. The Debtors' attorney proposes to serve notice of this Motion on the Office of the United States Trustee and all parties identified on the Master Service List maintained in this case.

21. Bankruptcy Rule 6004 provides, in pertinent part, as follows:

- (a) Notice of Proposed Use, Sale, or Lease of Property. Notice of a proposed use, sale, or lease of property, other than cash collateral, not in the ordinary course of business shall be given pursuant to Rule 2002(a)(2), (c)(1), (i), and (k)....

FED.R.BANKR.P. 6004.

22. Bankruptcy Rule 9007 provides, in pertinent part as follows:

When notice is to be given under these rules, the court shall designate, if not otherwise specified herein, the time within which, the entities to whom, and the form and manner in which the notices shall be given.

FED.R.BANKR.P. 9007.

23. The Debtors contend that such notice comports with Bankruptcy Rules 2002(a)(2), 6004, and 9007, constitutes good and sufficient notice of the relief sought herein, and of all hearings contemplated hereby. Accordingly, the Debtors also seek the Court's authorization to limit notice accordingly.

**Request for Expedited Consideration**

24. Pursuant to the terms of the Agreement, the sale must close no later than January 15, 2018 (unless such deadline is mutually extended by the Buyer and the Debtors). Accordingly,

concurrently with this Motion, the Debtors will be filing a motion for expedited consideration.

WHEREFORE, the Debtors respectfully request that the Court grant this Motion and enter an order providing relief as requested hereinabove, and granting such other and further relief as may be just and proper.
