# DEBTOR'S MOTION TO SELL REAL ESTATE LOCATED IN HAGERSTOWN, INDIANA

Bowman Dairy Farms LLC, the debtor and debtor-in-possession (the "<u>Debtor</u>") in the above-captioned chapter 11 case (this "<u>Chapter 11 Case</u>"), by counsel, files this *Debtor's Motion to Sell Real Estate Located in Hagerstown, Indiana* (this "<u>Motion</u>"), respectfully requesting that the Court enter an order authorizing the sale of real estate located at 16355 Lamar Road, Hagerstown, Indiana 47346 (the "<u>Real Estate</u>") pursuant to the terms and conditions as described in this Motion. By separate motion, the Debtor is requesting that notice be shortened on this Motion. The Debtor states the following in support of this Motion:

#### **JURISDICTION AND VENUE**

- 1. On August 27, 2017 (the "Petition Date"), the Debtor filed with the United States Bankruptcy Court for the Southern District of Indiana, Indianapolis Division (this "Court"), its voluntary petition for relief under Chapter 11 of Title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.*, as amended (the "Bankruptcy Code") commencing this Chapter 11 Case. The Debtor continues to operate its business as debtor-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.
- 2. No trustee or examiner has been appointed, and no committee has yet been appointed or designated.

- 3. The Debtor filed its proposed reorganization plan and accompanying disclosure statement on February 24, 2018, as subsequently amended. The Debtor intends to further amend its plan and disclosure statement to allow for the structured winddown of its business and to distribute the value to its creditors pursuant to the Bankruptcy Code.
- 4. This Court has jurisdiction to consider this Motion pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before this Court under 28 U.S.C. §§ 1408 and 1409.
- 5. The statutory bases for the relief requested are sections 105(a) and 363 of the Bankruptcy Code, Rule 6004 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), and Rules B-6004-1 and B-6004-2 of the Local Rules of the United States Bankruptcy Court for the Southern District of Indiana (the "Local Rules").

#### THE REAL ESTATE

- 6. Pursuant to section 541(a) of the Bankruptcy Code, the Debtor's estate includes all legal and equitable interests of the Debtor in property as of the commencement of this Chapter 11 Case, including real estate.
- 7. On the Petition Date, the Debtor was the sole owner of the Real Estate located in Wayne County, Indiana, commonly known as 16355 Lamar Road, Hagerstown, Indiana 47346, and more particularly described as being part of the NE Quarter of Section 4 Township 17 North, Range 12 East in Dalton Township, Wayne County, Indiana. The Real Estate consists of 4.27 acres with an unfinished house (no internal framing, wiring, plumbing, etc.), a garage, and an outbuilding. The house is not suitable at this time for occupancy and is in need of repairs, including a roof before winter weather.
  - 8. The Real Estate is not encumbered by any recorded mortgage or liens.

- 9. The proposed purchasers of the Real Estate are James and Donna Hunsberger (the "Purchasers"). The Purchasers are Jennifer Bowman's parents and Trent Bowman's in-laws. The Purchasers are intending to purchase the Real Estate and allow Trent and Jennifer Bowman and their children to occupy the property following additional investment and labor to make the improvements habitable. Trent Bowman and Jennifer Bowman are insiders of the Debtor, and Trent Bowman is a member of the Debtor. At the Petition Date, Trent and Jennifer and their children resided in a house adjacent to and on the same parcel as one of the dairying facilities. All of the Debtor's real estate will be sold, including the house occupied by the Bowmans to return value to Debtor's creditors.
- 10. The offered purchase price for the Real Estate is \$30,000.00 (the "Purchase Price"). The sale will be on an "AS IS WHERE IS BASIS" subject only to an order from this Court authorizing the sale and holding the sale to be free and clear of all liens claims and encumbrances. A copy of the form of Purchase Offer is attached as Exhibit A. The Purchasers will be responsible for all costs of closing on and transferring the Real Estate and will be responsible for the payment of all property taxes and any other assessments due and payable after the closing. No commissions on the sale are owed.
- 11. The market value of the Real Estate is \$30,000.00, as described in the certified appraisal report, effective as of September 17, 2018, attached as <u>Exhibit B</u> (the "Appraisal"). The Appraisal was requested and paid for by Trent Bowman.
- 12. The Purchase Offer is for the appraised price plus payment of taxes and all costs of closing and transfer. The Debtor has not undertaken any formal process to market the property. The Debtor has received two informal offers in the last 12 months, both below the appraised price. Given the appraised value and the condition of the Real Estate, the Debtor does

not believe that listing or auctioning the Real Estate will result in a higher value for creditors net of the costs of commission, closing, and property taxes that are due in November. The November 2018 property taxes are \$432.69. Estimated six percent sales or auction commission on \$30,000 would be \$1,800 and closing costs are estimated at \$500. The property tax and all closing costs are proposed to be paid by the Purchasers under the Purchase Offer and no commissions are owed.

- 13. Upon approval, the Purchasers are prepared to proceed to closing with a Quit Claim Deed and an immediate cash payment.
- 14. The sale of the Real Estate will be free and clear of all liens, encumbrances, claims, and interests; provided however, the Real Estate is to be sold on a quit claim basis and subject to all easements, covenants, restrictions, declarations, or agreements of record, in addition to those matters that would be disclosed upon a visual inspection of the Real Estate plus the payment of all taxes and assessments due and payable after closing. The Debtor has no basis to believe that any entity other than the Debtor has an interest in the Real Estate other than any interest held by Wayne County for taxes not yet due and payable. The Purchasers have agreed to pay all such property taxes.

#### **RELIEF REQUESTED**

- 15. The Debtor requests the Court enter an order, pursuant to sections 105 and363 of the Bankruptcy Code and Bankruptcy Rule 6004, as follows:
  - (a) Authorizing the Debtor to sell the Real Estate to the Purchasers pursuant to the terms and conditions stated above;
  - (b) Directing the sale of the Real Estate, free and clear of all liens, encumbrances, claims, and interests, provided however, the Real Estate shall be sold

subject all easements, assessments, and other recorded matters and pursuant to the terms of the Purchase Offer:

- (c) Authorizing the Debtor to execute any documentation necessary to effectuate the sale of the Real Estate consistent with the terms herein;
- (d) Authorizing the Debtor to disburse from the sale proceeds, first to pay any costs and expenses of the sale and to ensure that the all real estate taxes and assessments outstanding and unpaid at the time of the sale are paid by the Purchaser and to hold the sale proceeds pending further orders of this Court for distribution.

#### **BASIS FOR GRANTING RELIEF**

#### A. The Sale is Authorized Under 11 U.S.C. § 363(b)

- 16. Pursuant to section 363(f) of the Bankruptcy Code, the debtor-in-possession may sell property pursuant to section 363(b) or (c) of the Bankruptcy Code, "free and clear of any interest in such property of an entity other than the estate" if any of the following conditions are satisfied:
  - (a) applicable nonbankruptcy law permits sale of such property free and clear of such interest; (b) such entity consents; (c) such interest is a lien and the price at which such property is to be sold is greater than the aggregate value of all liens on such property; (d) such interest is in bona fide dispute; or (e) such entity could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest.
- 17. Section 363(b)(1) of the Bankruptcy Code provides that the debtor-in-possession "after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate . . . ." 11 U.S.C. § 363(b)(1). Although section 363 of the Bankruptcy Code does not provide an express standard for determining whether a court should approve any particular proposed use, sale, or lease of estate property, case law consistently applies an "articulated business judgment" standard. *See In re Schipper*, 933

F.2d 513, 515 (7th Cir. 1991) (citing *In re Continental Air Lines*, 780 F.2d 1223, 1226 (5th Cir. 1986), *In re Naron & Wagner, Charted*, 88 B.R. 85, 88 (Bankr. D. Md. 1988)); *see also Colfin Bulls Funding A, LLC v. Paloian (In re Dvorkin Holdings, LLC*), No. 15-C-3118, 2016 WL 1029387, at \*4 (N.D. Ill. Mar. 14, 2016) ("The Seventh Circuit has clarified that a trustee's justification warrants judicial approval if it 'makes good business sense' (i.e., if 'the creditors as a whole . . . benefit').") (citing *United Retired Pilots Ben. Prot. Ass'n v. United Airlines, Inc. (In re UAL Corp.*), 443 F.3d 565, 571-72 (7th Cir. 2006)).

#### B. A Private Sale of the Purchased Assets is Appropriate.

- 18. Pursuant to Bankruptcy Rule 6004, "All sales not in the ordinary course of business may be by private sale or by public auction." Fed. R. Bankr. P. 6004(f)(1). A bankruptcy court has discretion in determining whether a private sale of a debtor's assets should be approved. *See In re Nicole Energy Servs.*, 385 B.R. 201, 230 (Bankr. S.D. Ohio 2008); *see also In re Embrace Sys. Corp.*, 178 B.R. 112, 123 (Bankr. W.D. Mich. 1995).
- 19. The Debtor, in the sound exercise of its business judgment, has determined that the sale of the Real Estate to the Purchasers represents a reasonable and best recovery for the estate. The Debtor submits that, based on the Appraisal, the Purchase Price reflects the fair market value of the Real Estate, the Purchasers will cover all costs including property taxes, and on a quit claim and as-is basis represents the best and highest return at the least cost.
- 20. Pursuant to Local Rule B-6004-2(b)(8), the Debtor is not aware of any personally identifiable information that is contained in the Real Estate, and as such, there are no measures that need to be taken to comply with section 363(b)(1) of the Bankruptcy Code.

21. Bankruptcy Rule 6004(h) provides that "[a]n order authorizing the sale,

use or lease of property other than cash collateral is stayed until the expiration of 14 days after

entry of the order, unless the court orders otherwise." Fed. R. Bankr. P. 6004(h). The Debtor

requests the Court order that such an order be effective immediately upon entry to allow the

Debtor to timely and expeditiously consummate the proposed transaction.

22. Based upon these factors and those discussed above, the Debtor has

demonstrated a valid business justification and good business reason for the proposed

transaction.

WHEREFORE, the Debtor respectfully requests that the Court authorize the

above-described sale and grant the Debtor all other proper relief.

Respectfully submitted,

DEFINITION OF MARKET VALUE: The most probable price which a property should bring in a competitive and some assuming the price is not affected by under similar to market under all conditions.

The most probable price which a property should bring in a competitive with a competit

\* Adjustments to the comparables must be made for special or creative financing or sales concessions. No adjustments are necessary for those costs which are normally paid by sellers as a result of tradition or law in a market area; these costs are readily identifiable since the seller pays these costs in virtually all sales transactions. Special or creative financing adjustments can be made to the comparable property by comparisons to financing terms offered by a third party institutional lender that is not already involved in the property or transaction. Any adjustment should not be calculated on a mechanical dollar for dollar cost of the financing or concessions based on the appraiser's judgement.

#### STATEMENT OF LIMITING CONDITIONS AND CERTIFICATION

CONTINGENT AND LIMITING CONDITIONS: The appraiser's certification that appears in the appraisal report is subject to the following conditions:

- 1. The appraiser will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it. The appraiser assumes that the title is good and marketable and, therefore, will not render any opinions about the title. The property is valued on the basis of it being under responsible
- 2. Any sketch provided in the appraisal report may show approximate dimensions of the improvements and is included only to assist the reader of the report in visualizing the property. The appraiser has made no survey of the property.
- 3. The appraiser will not give testimony or appear in court because he or she made an appraisal of the property in question, unless specific arrangements to do so have been made beforehand, or as otherwise required by law.
- 4. Any distribution of valuation between land and improvements in the report applies only under the existing program of utilization. These separate valuations of the land and improvements must not be used in conjunction with any other appraisal and are invalid if they are so used.
- 5. The appraiser has no knowledge of any hidden or unapparent conditions of the property or adverse environmental conditions (including the presence of hazardous waste, toxic substances, etc.) that would make the property more or less valuable, and has assumed that there are no such conditions and makes no guarantees or warranties, express or implied, regarding the condition of the property. The appraiser will not be responsible for any such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. This appraisal report must not be considered an environmental assessment of the subject property.
- 6. The appraiser obtained the information, estimates, and opinions that were expressed in the appraisal report from sources that he or she considers to be reliable and believes them to be true and correct. The appraiser does not assume responsibility for the accuracy of such items that were furnished by other parties.
- 7. The appraiser will not disclose the contents of the appraisal report except as provided for in the Uniform Standards of Professional Appraisal Practice, and any applicable federal, state or local laws.
- 8. The appraiser has based his or her appraisal report and valuation conclusion for an appraisal that is subject to satisfactory completion, repairs, or alterations on the assumption that completion of the improvements will be performed in a workmanlike manner.
- 9. The appraisor must provide his provide
- 10. The appraiser is not an employee of the company or individual(s) ordering this report and compensation is not contingent upon the reporting of a predetermined value or direction of value or upon an action or event resulting from the analysis, opinions, conclusions, or the use of this report. This assignment is not based on a required minimum specific valuation or the approval of a loan.
