THE BUDD COMPANY, INC., ¹)	Case No. 14-11873

Debtor.)	Honorable Jack B. Schmetterer

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS,
METHODOLOGY, AND DISCLAIMER REGARDING
THE DEBTOR'S SCHEDULES AND STATEMENTS²**

The Schedules of Assets and Liabilities and Statement of Financial Affairs (the “Schedules and Statements”) filed by The Budd Company, Inc., the above-captioned debtor and debtor in possession (“Budd” or the “Debtor”), in the United States Bankruptcy Court for the Northern District of Illinois, Eastern Division (the “Bankruptcy Court”), were prepared pursuant to section 521 of Title 11 of the United States Code (11 U.S.C. §§ 101 *et seq.*, the “Bankruptcy Code”) and Federal Rule of Bankruptcy Procedure 1007 by the Debtor’s management and are unaudited. While those members of management responsible for the preparation of the Schedules and Statements have made a reasonable effort to ensure that the Schedules and Statements are accurate and complete based on information known to them at the time of preparation after reasonable inquiries, inadvertent errors may exist and/or the subsequent receipt of information may result in material changes in financial and other data contained in the Schedules and Statements that may warrant amendment of the same. Moreover, because the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statements are complete or accurate. These Global Notes comprise an integral part of the Schedules and Statements and should be referred to and considered in connection with any review of them.

1. Reservation of Rights. Nothing contained in the Schedules and Statements shall constitute a waiver of the Debtor’s rights or an admission with respect to its chapter 11 case, including defenses and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant bankruptcy or non-bankruptcy laws.

2. Case. On March 31, 2014 (the “Petition Date”), the Debtor filed a voluntary petition for relief under chapter 11 the Bankruptcy Code. Unless otherwise indicated, the information provided in the Schedules and Statements is as of the close of business on the Petition Date.

¹ The last four digits of the Debtor’s federal tax identification number are 3060.

² These Global Notes are followed by the Schedules of Assets and Liabilities or Statement of Financial Affairs.

3. Amendments. The Debtor reserves its right to amend the Schedules and Statements in all respects at any time as may be necessary or appropriate, including, without limitation, the right to dispute or to assert offsets or defenses to any claim reflected on the Schedules and Statements as to amount, to liability, or to classification, or to otherwise subsequently designate any claim as “disputed,” “contingent,” or “unliquidated.” Any failure to designate a claim as “contingent,” “unliquidated,” or “disputed” does not constitute an admission by the Debtor that such claim is not “contingent,” “unliquidated,” or “disputed.”

4. Estimates and Assumptions. The preparation of the Schedules and Statements required the Debtor to make estimates and assumptions that affected the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities on the date of the Schedules and Statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

5. Unknown Amounts. Some of the scheduled liabilities are unknown and unliquidated at this time. In such cases, the amounts are listed as “Unknown.” Accordingly, the Schedules and the Statements do not accurately reflect the aggregate amount of the Debtor’s liabilities.

6. Prepetition v. Post-Petition. The Debtor has sought to allocate liabilities between the prepetition and post-petition periods based on information from research that was conducted with the preparation of these Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and post-petition periods may change.

7. Fiscal Year. The Debtor’s fiscal year ends September 30th.

8. GAAP. Given the difference between the information requested in the Schedules and Statements, and the financial information utilized under generally accepted accounting principles in the United States (“GAAP”), the aggregate asset values and claim amounts set forth in the Schedules and Statements do not necessarily reflect the amounts that would be set forth in a balance sheet prepared in accordance with GAAP.

9. Asset Values. Unless otherwise indicated, all asset amounts are listed at book value as of the Petition Date. As applicable, assets that have been fully depreciated or were expensed for accounting purposes have no net book value.

10. Challenge of Liens. Except as otherwise agreed pursuant to a stipulation or agreed order or general order entered by the Bankruptcy Court, the Debtor reserves the right to dispute or to challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D. Moreover, although the Debtor may have scheduled claims of various creditors as secured claims, the Debtor reserves all of its rights to dispute or to

challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. The descriptions provided on Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens granted to any creditor. Nothing in the Global Notes or the Schedules and Statements shall be deemed to be a modification or interpretation of the terms of such agreements.

11. Setoff or Recoupment Rights. The Debtor has not included on Schedule D parties that may believe their claims are secured through setoff rights, deposits posted by or on behalf of the Debtor, or inchoate statutory lien rights. Such counterparties have been listed on Schedule F.

12. Executory Contracts. For purposes of the Schedules and Statements, the Debtor has only scheduled claims and executory contracts for which the Debtor may be contractually and/or directly liable. While every reasonable effort has been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors or omissions may have occurred. The Debtor hereby reserves all of its rights with respect to such documents, including, but not limited to, its rights to dispute the validity, status or enforceability of any contract or agreement, set forth on Schedule G that may have expired or may have been modified, amended, and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments, and agreements which may not be listed on Schedule G. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized in writing and could be subject to dispute. In addition, the Debtor may have entered into various other types of agreements in the ordinary course of its business, such supplemental agreements, amendment/letter agreements, and confidentiality agreements. Such documents may not be set forth on Schedule G. In addition, in the ordinary course of business, the Debtor may have entered into agreements, written or oral, for the provision of certain services on a month-to-month or at-will basis. Although such contracts may not be included on Schedule G, the Debtor reserves the right to assert that such agreements constitute executory contracts. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract. The Debtor reserves all rights to challenge whether any of the listed contracts, agreements or other documents constitute an executory contract. Any and all of the Debtor's rights, claims, and causes of action regarding all of its contracts and agreements, whether or not listed on Schedule G, are hereby reserved and preserved.

13. Causes of Action. The Debtor reserves all of its causes of action. Neither these Global Notes nor the Schedules and Statements shall be deemed to be a waiver of any claim or cause of action. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of any of the Debtor's rights with respect to its chapter 11 case, equitable subordination, and/or any causes of action arising under the

provisions of chapter 5 of the Bankruptcy Code or other relevant bankruptcy or nonbankruptcy laws, including, without limitation, laws that allow the Debtor or any other party to recover assets or avoid transfers.

14. Insiders. In the circumstances where the Schedules and Statements require information regarding insiders and/or officers and directors, included therein are each of the Debtor's (a) directors (or persons in similar positions) and (b) employees that are, or were during the relevant period, officers (or persons in control). The listing of a party as an insider is not intended to be nor should it be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Further, employees have been included in this disclosure for informational purposes only and should not be deemed to be "insiders" in terms of control of the Debtor, management responsibilities or functions, decision-making or corporate authority and/or as otherwise defined by applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

15. Summary of Significant Reporting Policies and Practices. The following conventions were adopted by the Debtor in preparation of the Schedules and Statements:

- a. Fair Market Value; Book Value. Unless otherwise noted therein, the Schedules and Statements reflect the carrying value of the liabilities as listed in the Debtor's books and records. Unless otherwise indicated, all asset amounts are listed at book value as of the Petition Date. Where known, accumulated depreciation of assets has been noted.
- b. Valuation of Retiree Liabilities on Schedule F. The claim amounts listed on Schedule F for Budd's retiree obligations under (i) The Budd Company Pension Plan for Executive and Administrative Employees, (ii) The Budd Company Executive and Administrative Employees Retiree Medical & Life Insurance Program, (iii) The Budd Company UAW Consolidated Retirement Benefit Plan, (iv) The Budd Company Postretirement Welfare Plan for UAW Employees, and (v) The Budd Company Supplemental Pension Plan represent the present value of future benefit payments as of September 30, 2013 under IAS 19 (International Accounting Standards), as calculated by the Debtor's actuary, Towers Watson Delaware, Inc., as of September 30, 2013.
- c. Claims. Certain of the Schedules and Statements list creditors of the Debtor as of the Petition Date. Section 1114(e) of the Bankruptcy Code authorizes and directs the Debtor to timely pay retiree benefits, which may affect amounts scheduled that are based on retiree benefits claims.

- d. Disputed, Contingent and/or Unliquidated Claims. Schedules D, E, and F permit the Debtor to designate a claim as disputed, contingent, and/or unliquidated. A failure to designate a claim on any of these Schedules and Statements as disputed, contingent, and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Debtor reserves the right to dispute, or assert offsets or defenses to, any claim reflected on these Schedules and Statements as to amount, liability, or status.
16. Summary of Significant Schedule Issues:
- a. Schedule B9. The Debtor has approximately 500 general commercial liability insurance policies, as well as two fiduciary and directors and officers' liability policies, and certain workers' compensation stop loss policies. Given the number of insurance policies that the Debtor has an interest in, the Debtor has not attached a list of its insurance policies. The Debtor does not possess an interest in any insurance policies with a cash value.
- b. Schedule B22. Trademarks and patents listed in Schedule B22 have not been ascribed an amount because the fair market value of such trademarks and patents is dependent on numerous variables, and the trademarks and patents have not been assigned a book value.
- c. Schedule B35. Letters of credit secure Budd's workers' compensation obligations in certain states. Under the terms of the Agreement Between The Budd Company, Inc. and ThyssenKrupp North America, Inc. ("TKNA") on behalf of Itself and Its Corporate Affiliates Other than The Budd Company, Inc., dated March 26, 2014 (the "Prepetition Affiliate Agreement"), TKNA assumed and agreed to indemnify the Debtor against all of its workers' compensation obligations. The amount of the advance fee retainer held by Montgomery McCracken Walker & Rhoads LLP ("Montgomery McCracken") is net of a final outstanding prepetition invoice in the amount of \$4,356.00 (the "Invoice"). The Debtor has not scheduled Montgomery McCracken's claim on account of the Invoice.
- d. Schedules F and H. While the Debtor has included a list of all known workers' compensation claims against it on Schedule F, TKNA has assumed and agreed to indemnify the Debtor against workers' compensation claims against the Debtor pursuant to the terms of the Prepetition Affiliate Agreement. TKNA will continue to make payments on account and in satisfaction of known workers' compensation claims in the ordinary course. Since TKNA

has agreed to indemnify and hold harmless the Debtor from liabilities arising out of the workers' compensation claims, TKNA has been listed as a co-debtor on all of the workers' compensation claims against the Debtor, as set forth on Schedule H.

17. Summary of Significant "SOFA" Issues. The following conventions were adopted by the Debtor in preparation of the Schedules and Statements:

- a. For SOFA 6(b), The Debtor has paid in advance amounts on account of certain of its environmental liabilities, which payments may be recovered by the estate under the Bankruptcy Code or other applicable law.
- b. For SOFA 20, the Debtor has not included the date of its last inventory because the Debtor ceased substantially all of its manufacturing operations in 2006, and has had no inventory since.

Neither the Debtor, its agents, nor its attorneys guarantee or warrant the accuracy, the completeness, or correctness of the data that is provided herein or in the Schedules and Statements, and none of these parties are or may be liable for any loss or injury arising out of or caused in whole or in part by any acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained therein. While every effort has been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtor and its agents, attorneys and advisors expressly do not undertake any obligation to update, modify, revise or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised or recategorized, other than as required by the Bankruptcy Code or other applicable law. In no event shall the Debtor or its agents, attorneys or advisors be liable to any third party for any direct, indirect, incidental, consequential or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtor or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused, even if the Debtor or its agents, attorneys and advisors are advised of the possibility of such damages.

In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.

SCHEDULE D - CREDITORS HOLDING SECURED CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is the creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H – Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Total the columns labeled "Amount of Claim Without Deducting Value of Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. Report the total from the column labeled "Amount of Claim Without Deducting Value of Collateral" also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report the total from the column labeled "Unsecured Portion, if Any" on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding secured claims to report on this Schedule D.

SCHEDULE E - CREDITORS HOLDING UNSECURED PRIORITY CLAIMS

A complete list of claims entitled to priority, listed separately by type of priority, is to be set forth on the sheets provided. Only holders of unsecured claims entitled to priority should be listed in this schedule. In the boxes provided on the attached sheets, state the name, mailing address, including zip code, and last four digits of the account number, if any, of all entities holding priority claims against the debtor or the property of the debtor, as of the date of the filing of the petition. Use a separate continuation sheet for each type of priority and label each with the type of priority.

The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m).

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H-Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community." If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of claims listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all claims listed on this Schedule E in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

Report the total of amounts entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all amounts entitled to priority listed on this Schedule E in the box labeled "Totals" on the last sheet of the completed schedule. Individual debtors with primarily consumer debts report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Report the total of amounts not entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all amounts not entitled to priority listed on this Schedule E in the box labeled "Totals" on the last sheet of the completed schedule. Individual debtors with primarily consumer debts report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding unsecured priority claims to report on this Schedule E.

TYPES OF PRIORITY CLAIMS (Check the appropriate box(es) below if claims in that category are listed on the attached sheets.)

Domestic Support Obligations

Claims for domestic support that are owed to or recoverable by a spouse, former spouse, or child of the debtor, or the parent, legal guardian, or responsible relative of such a child, or a governmental unit to whom such a domestic support claim has been assigned to the extent provided in 11 U.S.C. § 507(a)(1).

Extensions of credit in an involuntary case

Claims arising in the ordinary course of the debtor's business or financial affairs after the commencement of the case but before the earlier of the appointment of a trustee or the order for relief. 11 U.S.C. § 507(a)(3).
