CERTIFICATION OF ROBERT LOMBARD IN SUPPORT OF DEBTOR'S MOTION FOR
AUTHORIZATION TO CONDUCT AN AUCTION SALE OF TRUCKS AND EQUIPMENT

ROBERT LOMBARD, of full age, hereby certifies as follows:

1. I am the Vice President of Debtor/Debtor-in-Possession Bulk Express Logistics, Inc. ("Debtor") and manage its operations. I submit this Certification in support of the Debtor's motion seeking the Court's authorization for the Debtor to conduct an auction sale of the tractors and trailers identified on attached Exhibit A ("Sale Items").
2. The Debtor is in the trucking and warehousing business. As disclosed in the Debtor's Schedules, in order to operate its business the Debtor owns numerous tractors and trailers of various types.
3. For over two (2) years, the Debtor has maintained its ongoing business operations, entered into negotiations with its principal creditors resulting in settlement of their claims, and sought to place the Debtor in a position to reorganize based on an infusion

of outside capital that was expected to result from the ultimate sale of a portion of Debtor's business. After having exhausted every reasonable avenue to secure additional funding, the Debtor no longer believes that securing such funds will be possible. Also, insurance has become cost-prohibitive. Thus, the Debtor seeks to liquidate the substantial hard assets of its trucking business through an auction sale in order to achieve an orderly Chapter 11 Plan of Liquidation. Debtor will cease its trucking operations on or about August 21, 2019 and has already ceased its warehouse operations.

Proposed Terms of Sale

4. The Debtor has determined that it is in the best interest of the Debtor's estate that the Sale Items be sold via public auction sale after notice as provided by the Rules of Court and in the form annexed hereto as Exhibit B.

5. Notwithstanding this Court's entry of an Order on July 1, 2015 authorizing the Debtor to conclude the private sale of 15 tractors to certain of the Debtor's drivers, the drivers were ultimately unable to obtain the financing necessary to conclude the sales. Thus, none of those sales occurred. As a result, the tractors included within that Order are also included in this motion seeking authorization for an auction sale of a larger number of Sale Items.

6. The Debtor believes that a public auction sale will bring the highest and best return for the Sale Items after appropriate advertising by the Debtor's auctioneer, A.J. Willner Auctions, LLC.

7. The sale will be made "where is" and "as is" with no representations or warranties other than that the Debtor will convey marketable title. Also, the sale will be made free and clear of liens, claims and encumbrances.

8. The Debtor intends to satisfy the entirety of the amount due to the lienholder on certain of the Sale Items, whose name and amount due is also listed on Exhibit A, from the sale proceeds of that Sale Item at closing.

9. The auctioneer's retention provides for costs of sale to be paid by a 10% buyer's premium at sale. The auctioneer will receive a 10% commission charged to the Debtor on the gross proceeds. No expenses, other than rental expenses (including insurance) of the property where the Sale Items will be stored and the sale will be conducted, will be charged to the estate. The rental expense is \$2,500 per week (for approximately seven (7) weeks). The rental expense will be paid immediately after receipt of the proceeds of sale.

10. As a result of the foregoing, the Debtor respectfully requests that the Court authorize the Debtor to conduct an auction sale of the tractors and trailers for the proposed sale prices listed on attached Exhibit A.

I certify under penalty of perjury that the foregoing information is true and correct.

Dated: August 16, 2019

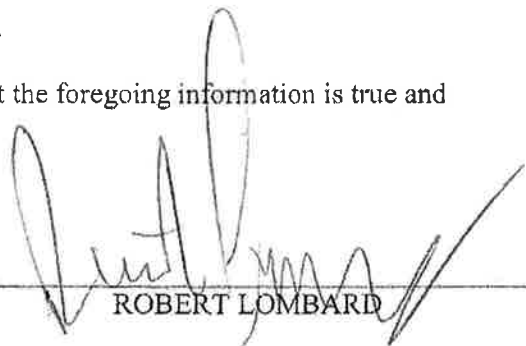

ROBERT LOMBARD
