**GLOBAL NOTES AND STATEMENT OF
LIMITATIONS, METHODOLOGY, AND DISCLAIMER
REGARDING THE DEBTORS' SCHEDULES OF ASSETS
AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Cooper-Standard Holdings Inc. and certain of its affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (the “Debtors”) have filed their respective Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (“Statements,” and collectively with the “Schedules,” the “Schedules and Statements”) in the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”). The Debtors, with the assistance of their advisors, prepared the Schedules and Statements in accordance with section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

Allen J. Campbell, Vice President and Chief Financial Officer of Cooper-Standard Holdings Inc. and Cooper-Standard Automotive Inc.,² has signed the Schedules and Statements. In reviewing and signing the Schedules and Statements, Allen J. Campbell has necessarily relied upon the efforts, statements, and representations of various personnel of the Debtors. Allen J. Campbell has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

¹ The Debtors in these proceedings and the last four digits of each Debtor’s federal taxpayer identification number are as follows: Cooper-Standard Holdings Inc. (5088); Cooper-Standard Automotive Inc. (9970); Cooper-Standard Automotive FHS, Inc. (2953); Cooper-Standard Automotive Fluid Systems Mexico Holding LLC (0442); Cooper-Standard Automotive OH LLC (2845); StanTech, Inc. (4014); Westborn Service Center, Inc. (1697). The corporate address of the Debtors is 39550 Orchard Hill Place Drive, Novi, Michigan 48375.

² Allen J. Campbell also serves as a Director and Vice President for Cooper-Standard Automotive FHS Inc., NISCO Holding Company, North American Rubber, Incorporated, StanTech, Inc. and Westborn Service Center. He serves as a Director and President for CS Automotive LLC and CSA Services Inc as well as a Vice President for Cooper-Standard Automotive NC L.L.C., Cooper-Standard Automotive OH, LLC and Cooper-Standard Automotive Fluid Systems Mexico Holding LLC. Mr. Campbell is the Chairman, Chief Executive Officer and President of Sterling Investments Company.

These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding the Schedules and Statements (the “Global Notes”) pertain to, are incorporated by reference in, and comprise an integral part of all of the Schedules and Statements. The Global Notes should be referred to and reviewed in connection with any review of the Schedules and Statements.³

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled to the financial statements. The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment. In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of such preparation. Although the Debtors have made reasonable efforts to ensure the accuracy and completeness of such financial information, subsequent information or discovery may result in material changes to the Schedules and Statements. As a result, the Debtors are unable to warrant or represent that the Schedules and Statements are without inadvertent errors, omissions, or inaccuracies. The Debtors reserve all rights to amend or supplement the Schedules and Statements as is necessary and appropriate.

Nothing contained in the Schedules and Statements shall constitute a waiver of any of the Debtors’ rights or an admission with respect to their chapter 11 cases, including, without limitation, any issues involving substantive consolidation, equitable subordination, defenses, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant applicable laws to recover assets or avoid transfers.

Description of Cases. On August 3rd, 2009, (the “Commencement Date”), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their business and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On August 5th, 2009 an order was entered pursuant to Bankruptcy Rule 1015 and Local Rule 1015-1 directing procedural consolidation and joint administration of these chapter 11 cases.

Amendments and Supplements. While the Debtors made reasonable efforts to file complete and accurate Schedules and Statements, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend or supplement the Schedules and Statements as is necessary and appropriate.

Recharacterization. Notwithstanding that the Debtors have made reasonable efforts to correctly characterize, classify, categorize, or designate certain claims, assets, executory contracts,

³ These Global Notes are in addition to the specific notes contained in each Debtor’s Schedules and Statements. The fact that the Debtors have prepared a “Specific Note” with respect to any of the Schedules and Statements and not to others should not be interpreted as a decision by the Debtors to exclude the applicability of such Global Note to any of the Debtors’ remaining Schedules and Statements, as appropriate.

unexpired leases, and other items reported in the Schedules and Statements, the Debtors nonetheless may have improperly characterized, classified, categorized, or designated certain items. Thus, the Debtors reserve all rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as is necessary and appropriate.

Asset Presentation. When listed, the value of the Debtors' assets and liabilities is shown on the basis of the book value of the asset or liability in the Debtors' non-audited accounting books and records, as of the Commencement Date, and not on the basis of current market values of such interest in property and/or liabilities. Given, among other things, the current market valuation of certain assets and the valuation and nature of certain liabilities, to the extent that a debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the Commencement Date or at any time prior to the Commencement Date. Likewise, to the extent that a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent at the Commencement Date or any time prior to the Commencement Date. The Debtors reserve their right to amend or adjust the value of each asset or liability set forth herein.

Liabilities. The Debtors allocated liabilities between the prepetition and post-petition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and post-petition periods may change. The Debtors reserve all rights to modify, amend, and supplement the Schedules and Statements as is necessary and appropriate.

Insiders. For purposes of the Schedules and Statements, the Debtors define "insiders" pursuant to section 101(31) as (a) directors; (b) officers; (c) shareholders holding in excess of 5% of the voting shares; (d) relatives of directors, officers, or shareholders of the Debtors; and (e) debtor/non-debtor affiliates. Payments to debtor/non-debtor affiliates as set forth in Statement 3c represent the change in intercompany claims and balances over a period of approximately one year. To the extent such balances represent a receivable, such amounts are reported in parentheses.

Persons listed as "insiders" have been included for informational purposes only. The Debtors do not take any position with respect to: (a) such person's influence over the control of the Debtors, (b) the management responsibilities or functions of such individual, (c) the decision-making or corporate authority of such individual, or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

Intercompany Claims. Receivables and payables among the Debtors in these cases and their affiliates (each an "Intercompany Receivable" or "Intercompany Payable" and, collectively, the "Intercompany Claims") are reported as gross amounts on Schedules B and F, respectively.

Intellectual Property Rights. Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated or otherwise expired by their terms, or have been assigned or otherwise transferred

pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtors have made every effort to attribute intellectual property to the rightful debtor entity owner, however, in some instances intellectual property owned by one debtor entity may, in fact, be owned by another. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all such intellectual property rights.

Executory Contracts. The Debtors have not set forth executory contracts as assets in the Schedules and Statements. The Debtors' executory contracts have been set forth in Schedule G.

Setoffs. The Debtors routinely incur certain setoffs, recoupment and other similar rights from customers or suppliers in the ordinary course of business. Setoffs in the ordinary course can result from various items, including, but not limited to, intercompany transactions, pricing discrepancies, returns, warranties, and other disputes between the Debtors and their customers and/or suppliers. These normal setoffs and other similar rights are consistent with the ordinary course of business in the Debtors' industries and can be particularly voluminous, making it unduly burdensome and costly for the Debtors to list such ordinary course setoffs. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, setoffs are not independently accounted for, and as such, are excluded from the Schedules and Statements.

Classifications. Listing a claim (1) on Schedule D as "secured," (2) on Schedule E as "priority," (3) on Schedule F as "unsecured," or (4) listing a contract on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtors of the legal rights of the claimant, or a waiver of the Debtors' right to recharacterize or reclassify such claim or contract.

Claims Description. Any failure to designate a claim on a given Debtor's Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent," or "unliquidated." The Debtors reserve all rights to dispute any claim reflected on their respective Schedules and Statements on any grounds, including, without limitation, liability or classification, or to otherwise subsequently designate such claims as "disputed," "contingent," or "unliquidated".

Causes of Action. Despite reasonable efforts, the Debtors may not have identified and/or set forth all of their causes of action (filed or potential) against third parties as assets in their Schedules and Statements. The Debtors reserve all rights with respect to any causes of action and nothing in the Global Notes or the Schedules and Statements shall be deemed a waiver of any such causes of action.

1. **Summary of Significant Reporting Policies.** The following is a summary of significant reporting policies:

- (a) **Foreign Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.

- (b) Undetermined Amounts. The description of an amount as “unknown,” “TBD,” or “undetermined” is not intended to reflect upon the materiality of such amount.
- (c) Totals. All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- (d) Current Market Value—Net Book Value. In certain instances, current market valuations are neither maintained by, nor readily available to, the Debtors. Accordingly, unless otherwise indicated, the Debtors’ Schedules and Statements reflect net book values. For this reason, market values may vary, at some times materially, from net book value.
- (e) Paid Claims. The Debtors have authority to pay certain outstanding prepetition payables pursuant to Court Order, as such, outstanding liabilities have been reduced by any court approved post-petition payments made on prepetition payables. To the extent the Debtors pay any of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all rights to amend or supplement the Schedules and Statements or take other action such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payments for liabilities.
- (f) Excluded Assets and Liabilities. The Debtors have excluded the following categories of assets and liabilities from the Schedules and Statements: goodwill, intangible pension assets and accrued liabilities including, but not limited to, accrued salaries and employee benefits, tax accruals, and accrued accounts payable. Other immaterial assets and liabilities may also have been excluded.
- (g) Mechanics’ Liens. The inventories, property and equipment listed in the Statements and Schedules are presented without consideration of any mechanics’ liens.

2. Specific Schedules and Statements Disclosures

- (a) Schedule A. The Debtors have listed the value of their real estate as reflected in the Debtor’s accounting books and records with respect to real property ownership and values.
- (b) Schedule B(5). The Debtors do not in the normal course record the value of books; pictures and other art objects; antiques; stamp, coin, record, tape, compact disc, and other collections or collectibles separately from other fixed assets. As such these items may be

contained in the summary values of other fixed assets related questions on Schedule B.

- (c) Schedule B(9). All insurance policies are listed under the named policy holder, Cooper-Standard Holdings Inc. “Additional Insured” information regarding the insurance coverage for each individual Debtor can be made available upon request. Please see Schedule B(9) for Cooper-Standard Holdings Inc. for all insurance policy information.
- (d) Schedule B(16). Third-party accounts receivable and allowances have been listed as assets of the Debtor that issued the invoice to the customer. The “Intercompany Receivables” listed on Schedule B(16) have been split out into three components: Intercompany Balances, Intercompany Settlements and Intercompany Notes. Intercompany Balances represent manually recorded intercompany payables and receivables. Intercompany Settlements represent systematically recorded intercompany payables and receivables. Where representative of a liability, Intercompany Balances, Settlements and Notes, which are payable in the ordinary course, have been consolidated as an “Intercompany Payable” on Schedule F.
- (e) Schedule B(23). Certain licenses found on Schedule B(23) are also listed in detail on Schedule G.
- (f) Schedule D. Except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D. Moreover, although the Debtors have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor’s claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor’s claim. The descriptions provided in Schedule D are intended only to be a summary.

The Debtors have not included on Schedule D parties that may believe their claims are secured through setoff rights or inchoate statutory lien rights. Although there are multiple parties that hold a portion of the debt included in the secured facilities, only the administrative agents have been listed for purposes of Schedule D.

Please note, the Accrued Interest listing on Schedule D of Cooper-Standard Automotive Inc. is a combination of accrued interest on the U.S. and Canadian secured debt obligations. Cooper-Standard Automotive Canada Limited, which is currently subject to a

proceeding under the Companies' Creditors Arrangement Act (CCAA) in the Ontario Superior Court of Justice in Toronto, Ontario, Canada, is the borrower under the Multicurrency Revolver, Term Loan A and Term Loan B (Canadian Debt). Cooper-Standard Holdings Inc., Cooper-Standard Automotive Inc. and CS Automotive LLC are Guarantors to the Canadian Debt.

- (g) Schedule E. The Debtors have authority to pay certain prepetition obligations including to pay employee wages and other employee benefits in the ordinary course of business (the "Employee Wages Order"). Pursuant to such Employee Wages Order, the Debtors believe that any employee claims for prepetition amounts related to ongoing payroll and benefits, whether allowable as a priority or nonpriority claim, have been or will be satisfied, and such satisfied amounts are not listed on Schedule E.
- (h) Schedule F. The Debtors generally allocate individual liabilities to particular Debtors. However, in certain cases, it would be time-consuming and an inefficient use of the assets of the Debtors' estates, or impracticable, to assign a given liability to a particular Debtor. To the extent the debt could not be attributed to a specific Debtor, the liability has been listed on Schedule F of Cooper-Standard Automotive Inc. For a complete understanding of the unsecured debts of each Debtor and that of Cooper-Standard Automotive Inc. To the extent the same claim is listed on the Schedules and Statements of more than one Debtor, the Debtors have done so out of an abundance of caution and do not admit or acknowledge that any creditor is entitled to assert its claim against more than one entity.

Schedule F contains information regarding threatened or pending litigation involving the Debtors. The amounts for these potential claims are listed as "undetermined" and marked as contingent, unliquidated, and disputed in the Schedules and Statements.

The Bankruptcy Court entered a "first day" order granting authority to honor certain prepetition customer programs. Accordingly, certain debts arising out of customer programs have not been included in the Debtors' Schedules and Statements.

Schedule F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. In addition, Schedule F does not include rejection damage claims, if any, of the counterparties to executory contracts and unexpired leases that have been or may be rejected.

The claims of individual creditors for, among other things, merchandise, goods, services, or taxes are listed on the Debtors' books and records and may not reflect credits or allowances due from such creditor. The Debtors reserve all of their rights respecting such credits and allowances. The dollar amounts listed may be exclusive of contingent and unliquidated amounts.

- (i) Schedule G. While every effort has been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease or that such contract or agreement was in effect on the Commencement Date or is valid or enforceable. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as easements, right of way, subordination, nondisturbance agreements, supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such agreements are also not set forth in Schedule G.

The Debtors reserve all rights to dispute or challenge the characterization of the structure of any transaction or any document or instrument related to a creditor's claim.

The Debtors may be party to certain agreements that have expired by their terms, but all parties continue to operate under the agreement. Out of an abundance of caution, the Debtors have listed such agreements on Schedule G. The Debtors' inclusion of such contracts or agreements on Schedule G is not an admission that such contract or agreement is an executory contract or unexpired lease.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission.

In some cases, the same supplier or provider may appear multiple times in Schedule G. Multiple listings, if any, may reflect distinct

agreements between the applicable Debtor and such supplier or provider.

The listing of any contract on Schedule G does not constitute an admission by the Debtors as to the validity of any such contract. The Debtors reserve the right to dispute the effectiveness of any such contract listed on Schedule G or to amend Schedule G at any time to remove any contract.

The Debtors made every effort to allocate individual contracts to particular Debtors. However, in certain cases, it would be time-consuming and an inefficient use of the assets of the Debtors' estates, or impracticable, to assign a given contract to a particular Debtor. To the extent a contract could not be attributed to a specific Debtor, the contract has been listed on Schedule G of Cooper-Standard Automotive Inc. For a complete understanding of the executory contracts and unexpired leases of each Debtor, the reader should review Schedule G of each Debtor and that of Cooper-Standard Automotive Inc.

- (j) Schedule H. For purposes of Schedule H, only the agents under the prepetition credit facilities are listed for claims arising thereunder. Additionally, the Debtors have not listed any litigation related Co-Debtors on Schedule H. Instead, all such listings can be found on the Debtors Schedule F and Statement 4(a).
- (k) Statement Questions 3(b) and 3(c). Payments made are listed by the entity making such payment notwithstanding that certain payments will have been made on behalf of another entity. Statement 3(c) may also include certain stock and option transfers which did not vest at the time of the transfer. Further, any payments to affiliate entities as reported on Statement 3(c) are listed as the differential between the opening balance and ending balance in the year prior to the bankruptcy filing. See the Schedule B(16) global note above for an explanation of the types of intercompany payments listed in Statement 3(c).

Payments made relating to debt counseling or bankruptcy are listed on Statement Question 9 and as such are excluded from Statement Question 3(b).

- (l) Statement Question 8. Upon information and belief, the Debtors experience losses associated with petty theft at the plant level. These losses are not reported in the Debtors' books and records and are believed to be de minimis.
- (m) Statement Questions 17(a), 17(b), & 17(c). The Debtors have operated in many locations over an extended period of time. A number of

former business locations have ceased operations and/or been divested. For either current or former locations, the Debtors may no longer have relevant records or the records may no longer be complete or reasonably accessible and reviewable. In some cases, statutory document retention periods have passed. In addition, some individuals who once possessed responsive information may no longer be employed by the Debtors. For all of these reasons, it may not be reasonably possible to identify and supply the requested information for every “site” and “notice” literally responsive to Question 17(a). Nonetheless, the Debtors have devoted substantial internal and external resources to identify and provide the requested information for as many responsive sites and notices as reasonably possible. The Debtors reserve the right to supplement or amend this response in the future if additional information becomes available.

Due to the large number of potentially responsive matters for the Debtors, the practical burdens of compiling information on inactive matters, and the presumably lower relevance of information on inactive matters, the Debtors have placed first priority on identifying active or open matters.

Where certain requested categories of information were not reasonably available for a listed site, address, or exact dates, the Debtors’ response gives as much information as was available.

This response does not include sites or notices related to non-environmental laws, such as occupational safety and health laws or transportation laws.

The Debtors have listed environmental information on Statement 17 and potential environmental liabilities on Schedule F, based on the information available to the Debtors at the time the Schedules and Statements were prepared.

- (n) Statement Question 19(d). At the end of each of its fiscal quarters, fiscal years and upon the occurrence of significant events, the Debtors prepared and filed with the Securities and Exchange Commission (the “SEC”) Forms 10-K, 10-Q and 8-K (collectively, the “SEC Filings”). The SEC Filings contain financial information relating to the Debtors. Because the SEC Filings are public record, the Debtors do not maintain records of the parties who requested or obtained copies of any of the SEC Filings from the SEC or the Debtors. In addition, the Debtors provide certain parties, such as banks, auditors, potential investors, vendors, customers and financial advisors, financial statements that may not be part of a public filing. The Debtors do not maintain complete lists to track such disclosures. As such, the Debtors have not provided lists of these parties in the Statements.
