Transaction and (e) scheduling of a final hearing with the Bankruptcy Court for approval of the Sale Transaction. On May 31, 2009, the Bankruptcy Court granted the Sale Motion. The Sale Transaction closed on June 10, 2009.

2. Chrysler LLC and its Debtor subsidiaries, Fiat S.p.A (“Fiat”), and Chrysler Group LLC, formerly New CarCo Acquisition LLC, a Delaware limited liability company formed by Fiat (the “Purchaser”), have entered into a Master Transaction Agreement, as amended, dated as of April 30, 2009 (the “Purchase Agreement”), which, together with certain ancillary agreements, contemplates a set of related transactions for the sale of substantially all of the Debtors’ tangible, intangible and operating assets, defined as “Purchased Assets” in Section 2.06 of the Purchase Agreement, including the Designated Agreements (as defined below), the assets related to the research, design, manufacturing, production, assembly and distribution of passenger cars, trucks and other vehicles (including prototypes) under brand names that include Chrysler, Jeep® and Dodge (the “CarCo Business”), certain of the facilities related thereto and all rights including intellectual property rights, trade secrets, customer lists, domain names, books and records, software and other assets used in or necessary to the operation of the CarCo Business or related thereto (collectively, as defined in the Purchase Agreement, the “Purchased Assets”) to the Purchaser.

3. By notices dated May 15, 16, 21, 22, 23 and 26 and June 6, 2009 (each, an “Assignment Notice”), the Debtors informed certain non-Debtor counterparties to Designated Agreements (as defined below) (each, a “Non-Debtor Counterparty”) of their intent to assume and assign to the Purchaser certain executory contracts and/or unexpired leases. Each Assignment Notice contained an exhibit or annex identifying certain executory contracts and/or unexpired leases that the Debtors intended to assume and assign to the Purchaser (collectively, the “Designated Agreements” and each, a “Designated Agreement”), pursuant to section 365 of title 11 of the United States Code (the “Bankruptcy Code”). The exhibit or annex attached to the Assignment Notice also listed the amounts that the Debtors believed must be paid to cure all prepetition defaults under the Designated Agreements as of April 30, 2009, in accordance with section 365(b) of the Bankruptcy Code; provided, however, that such amount that must be paid to cure all prepetition defaults has, in some instances, been agreed in a writing signed by Debtor and the Non-Debtor Counterparty to be either higher or lower than the amount indicated in the Assignment Notice (such writing, a “Cure Agreement”, and such amounts, as modified by any Cure Agreement, the “Cure Costs”).

4. The Assignment Notice stated that objections, if any, to the proposed assumption and assignment of the Designated Agreements, including, but not limited to, objections related to adequate assurance of future performance, or objections relating to whether applicable law excuses the Non-Debtor Counterparty from accepting performance by, or rendering performance to, Purchaser for purposes of section 365(c)(1) of the Bankruptcy Code, or objections to the proposed Cure Costs (each such objection, a “Section 365 Objection”), must be made in writing and filed with the Bankruptcy Court so as to be received no later than ten days after the date of the Assignment Notice (the “Section 365 Objection Deadline”) by the Bankruptcy Court and other specifically identified parties. The Assignment Notice also stated that unless a Section 365 Objection was filed and served before the Section 365 Objection Deadline, all parties would be deemed to have consented to such Cure Costs and the assumption and assignment of such Designated Agreements, and any non-objecting party would be forever

barred from objecting to the Cure Costs or to assumption and assignment and from asserting any additional cure or other amounts against the Debtors, their estates or the Purchaser. Furthermore, the Assignment Notice stated that if the Non-Debtor Counterparty to a Designated Agreement failed to timely assert a Section 365 Objection, such Designated Agreement would be deemed to be assumed by the Debtors and assigned to the Purchaser and the proposed Cure Cost related to such Designated Agreement would be established and approved in all respects. Notwithstanding anything to the contrary in this notice, to the extent the Section 365 Objection Deadline has not passed for any Designated Agreement (including, but not limited to cases where such deadline has been extended by written agreement of the Debtors and the Non-Debtor Counterparty), until the Section 365 Objection Deadline has passed, the Non-Debtor Counterparty to such Designated Agreement is not deemed to have consented to such Cure Costs and the assumption and assignment of such Designated Agreements and the proposed Cure Cost related to such Designated Agreement will not be established and approved in all respects.

5. The Designated Agreements identified in Exhibit A hereto (as modified by the Addendum thereto) are hereby assumed by the Debtors and assigned to the Purchaser, and the Cure Costs listed in Exhibit A related to such Designated Agreements are established and approved in all respects, subject only to the conditions set forth in paragraph 6 hereof. The Cure Costs listed in Exhibit A may reflect Cure Costs agreed to in the Cure Agreements, as applicable. Such Designated Agreements are hereby deemed to be Confirmed Agreements as that term is defined in the Assignment Notice.

6. If the Cure Costs related to a Designated Agreement are established by the Court in an amount greater than the amount specified in Exhibit A, such Designated Agreement shall remain a Confirmed Agreement and each of the Non-Debtor Counterparty and, so long as the Non-Debtor Counterparty is performing under the Confirmed Agreement, the Purchaser shall be bound by the Court-established Cure Costs.

7. Subject to the conditions set forth herein, having been assumed and assigned as a Confirmed Agreement, a Designated Agreement is not subject to rejection under section 365 of the Bankruptcy Code.

8. Except as may have otherwise been agreed to in a Cure Agreement, the defaults under the Designated Agreements that must be cured in accordance with section 365(b) of the Bankruptcy Code shall be cured as follows: the Purchaser shall pay the Cure Costs relating to an assumed executory contract or unexpired lease within ten days after the closing date. Such Cure Cost shall be reduced by the aggregate amount of any payments made to the Non-Debtor Counterparty by the Debtors pursuant to any order of the Bankruptcy Court authorizing the payment of prepetition claims against the Debtors.

9. The assumption and assignment of any Designated Agreement is without prejudice to Purchaser's right not to confirm any other Designated Agreement in the future, whether or not related or similar to a Designated Agreement that is assumed and assigned by this notice.

10. Questions or inquiries relating to this notice may be directed to the Chrysler Restructuring Hotline at +1-877-271-1568 (for U.S. and Canadian callers) and +1-503-597-7708 (for international callers outside the U.S. and Canada).

ADDENDUM

The executory contracts and unexpired leases identified in this Exhibit are hereby assumed by the Debtors and assigned to the Purchaser in accordance with, and pursuant to, (1) section 365 of the Bankruptcy Code and (2) the terms and conditions of the Bidding Procedures and the accompanying notice.³

Consistent with the Bidding Procedures, the Designated Agreements are not listed on an agreement-by-agreement basis. Subject to the terms of the accompanying notice, the Purchaser is hereby confirming all of the agreements with the parties identified on Exhibit A relating to the supply of goods and services to the Debtors for assumption and assignment, except as otherwise expressly provided herein. If certain agreements are identified at the end of Exhibit A (just prior to this Addendum) as excluded from the list of Designated Agreements (the “Excluded Agreements”), those Excluded Agreements are not hereby assumed and assigned. Unless otherwise stated in this Exhibit A or an applicable Cure Agreement, Designated Agreements include all contracts, purchase orders or similar agreements providing for the sale or provision of goods or services to the Debtors, and all related modifications, amendments, supplements, addenda and restatements thereof, related memoranda of understanding, ancillary agreements thereto and any and all similar agreements, including Cure Agreements.

Each contract or lease identified in this Exhibit A is assumed and assigned to the Purchaser only to the extent that any such contract or lease constitutes an executory contract or unexpired lease within the meaning of section 365 of the Bankruptcy Code.

The identified Cure Costs represent the aggregate Cure Costs for all of the Designated Agreements with a Non-Debtor Counterparty. Prior to payment of the Cure Costs in accordance with the terms of the Bidding Procedures, the Cure Costs will be reduced by the aggregate amount of any payments made by the Debtors on account of prepetition claims against the Debtors. To the extent applicable, the Cure Costs may be adjusted to account for changes in applicable currency exchange rates.

³ Capitalized terms in this Addendum shall have the meanings specified in the accompanying Notice.
