PLEASE TAKE NOTICE OF THE FOLLOWING:

1. On May 3, 2009, the above-captioned debtors and debtors in possession (collectively, the "Debtors") filed a motion (the "Sale Motion")² with the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") seeking, among other things, (a) authority to sell substantially all of the Debtors' assets free and clear of all liens, claims and encumbrances; (b) approval of certain procedures (the "Bidding Procedures") for the solicitation of bids with respect to the Sale Transaction (the "Bidding Procedures Relief"); (c) authority to assume and assign certain executory contracts and unexpired leases in connection with the Sale Transaction; (d) approval of that certain settlement agreement between the Purchaser and the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America (the "UAW") to be executed at the closing of the Sale Transaction (the "UAW Retiree Settlement Agreement") and (e) scheduling of a final hearing with the Bankruptcy Court for approval of the Sale Transaction (the "Sale Hearing").

2. Chrysler LLC and its Debtor subsidiaries; Fiat S.p.A ("Fiat"); and New CarCo Acquisition LLC (the "Purchaser"), a Delaware limited liability company formed by Fiat, entered into a Master Transaction Agreement, dated as of April 30, 2009 (the "Purchase Agreement"), which, together with certain ancillary agreements, contemplates a set of related transactions for the sale of substantially all of the Debtors' tangible, intangible and operating assets, defined as the "Purchased Assets" in Section 2.06 of the Purchase Agreement, including the Designated Agreements (as defined below), the assets related to the research, design,

manufacturing, production, assembly and distribution of passenger cars, trucks and other vehicles (including prototypes) under brand names that include Chrysler, Jeep® and Dodge (the "CarCo Business"), certain of the facilities related thereto and all rights including intellectual property rights, trade secrets, customer lists, domain names, books and records, software and other assets used in or necessary to the operation of the CarCo Business or related thereto (collectively, as defined in the Purchase Agreement, the "Purchased Assets") to the Purchaser, subject to higher and better offers made pursuant to the Bidding Procedures. On June 1, 2009, Judge Arthur J. Gonzalez entered an order approving the sale of the Purchased Assets to the Purchaser. The Debtors consummated the sale of the Purchased Assets on June 10, 2009.

3. This Notice is provided to inform you of the Debtors' intent to assume and assign to the Purchaser certain executory contracts and/or unexpired leases. The following procedures (the "Contract Procedures") govern the assumption and assignment of these agreements in connection with the sale of the Purchased Assets to the Purchaser:³

- (a) Contract Designations. The Purchase Agreement contemplates, and the Sale Order, if approved, shall authorize the assumption and assignment to the Purchaser of certain executory contract(s) and unexpired lease(s). Attached hereto as **Exhibit A** is a list of certain executory contracts and/or unexpired leases that the Debtors intend to assume and assign to the Purchaser (collectively, the "Designated Agreements" and, each, a "Designated Agreement"), pursuant to section 365 of title 11 of the United States Code (the "Bankruptcy Code").
- (b) Cure Costs. The Debtors have listed on the attached **Exhibit A** the amounts that the Debtors believe must be paid to cure all prepetition defaults under the Designated Agreements as of April 30, 2009, in accordance with section 365(b) of the Bankruptcy Code (in each instance, the "Cure Costs"). Cure Costs may be listed on **Exhibit A** on an agreement-by-agreement basis or in the aggregate for multiple Designated Agreements.
- (c) Agreement to Assumption and Assignment. If you agree with the Cure Costs indicated on **Exhibit A**, and otherwise do not object to the Debtors' proposed assumption and assignment of your lease or contract, you are not required take any further action.
- (d) Section 365 Objections. Objections, if any, to the proposed assumption and assignment of the Designated Agreements, including, but not limited to, objections related to adequate assurance of future performance, or objections relating to whether applicable law excuses the non-debtor counterparty to such Designated Agreement (the "Non-Debtor Counterparty") from accepting performance by, or rendering performance to, Purchaser for purposes of section 365(c)(1) of the Bankruptcy Code, or to the proposed Cure Costs (a "Section 365 Objection"), must be made in writing and filed with the Bankruptcy Court so as to be **received no later than June 22, 2009** (the "Section 365 Objection Deadline") by the Bankruptcy Court and the following parties: (i) the Debtors,

³ This Notice is subject to the full terms and conditions of the Sale Motion, the Bidding Procedures Order and the Contract Procedures set forth in the Bidding Procedures Order, which shall control in the event of any conflict. The Debtors encourage parties in interest to review such documents in their entirety and consult an attorney if they have questions or want advice.

- (e) Resolution of Objections; Section 365 Hearing. Upon the filing of a Section 365 Objection (i) challenging the ability of the Debtors to assume or assign the Designated Agreement (a "Disputed Designation") or (ii) asserting a cure amount higher than the proposed Cure Costs indicated on Exhibit A annexed hereto (the "Disputed Cure Costs"), the Debtors, the Purchaser and the objecting Non-Debtor Counterparty shall meet and confer in good faith to attempt to resolve any such objection without Bankruptcy Court intervention. If any of the Debtors, the Non-Debtor Counterparty or the Purchaser determine that the objection cannot be resolved without judicial intervention, then the determination of the assumption and assignment of the Disputed Designation and/or the amount to be paid under section 365 of the Bankruptcy Code with respect to the Disputed Cure Costs will be determined by the Bankruptcy Court at an omnibus hearing established for such purpose that is on a date not less than ten days after the service of such objection or such other date as determined by the Bankruptcy Court (the "Section

365 Hearing"), unless the Debtors, the Purchaser and the Non-Debtor Counterparty to the Designated Agreement in dispute agree otherwise. Unless otherwise agreed by the parties, the Section 365 Hearing to consider objections relating to the Designated Agreement(s) identified on the attached **Exhibit A** shall be conducted on **July 16, 2009 at 10:00 a.m., Eastern Time** at the United States Bankruptcy Court for the Southern District of New York, Alexander Hamilton Custom House, Courtroom 523, One Bowling Green, New York, New York 10004, before the Honorable Arthur J. Gonzalez, United States Bankruptcy Judge. If the Bankruptcy Court determines at a Section 365 Hearing that the Designated Agreement cannot be assumed and assigned, or establishes Cure Costs that the Purchaser is not willing to pay, then such executory contract or unexpired lease shall no longer be considered a Designated Agreement.

- (f) Failure to Object; Consent to Assumption and Assignment. Unless a Section 365 Objection is filed and served before the Section 365 Objection Deadline, all parties shall be deemed to have consented to such Cure Costs and the assumption and assignment of such Designated Agreements, and such party shall be forever barred from objecting to the Cure Costs or such assumption and assignment and from asserting any additional cure or other amounts against the Debtors, their estates or the Purchaser.
- (g) Resolution of Assumption/Assignment Issues. If the Non-Debtor Counterparty to a Designated Agreement fails to timely assert a Section 365 Objection as described in paragraph (d) above, or upon the resolution of any timely Section 365 Objection by agreement of the parties or order of the Bankruptcy Court approving an assumption and assignment, such Designated Agreement shall be deemed to be assumed by the Debtors and assigned to the Purchaser and the proposed Cure Cost related to such Designated Agreement shall be established and approved in all respects, subject to the conditions set forth in paragraph (j) below.
- (h) Additional Contract Designations. In accordance with Section 2.10 of the Purchase Agreement, the Debtors may, at the Purchaser's request or with the Purchaser's consent, designate, up to the Agreement Designation Deadline, additional executory contracts and unexpired leases as agreements to be assumed by the Debtors and assigned to the Purchaser pursuant to the Purchase Agreement (the "Additional Designated Agreements"). As used herein the "Agreement Designation Deadline" means, as applicable, (i) 30 days after the Closing Date (as defined in the Purchase Agreement) with respect to the Dealer Agreements (as defined below), (ii) 60 days after the Closing Date for executory contracts and unexpired leases with the Debtors' production suppliers and (iii) 90 days after the Closing Date for all other agreements. Upon determining that a specific executory contract or unexpired lease, or a group thereof, are Additional Designated Agreements, the Debtors, at the Purchaser's request, shall serve notice on each of the Non-Debtor Counterparties to such Additional Designated Agreements and their Counsel of Record, indicating (i) that the notice recipient is a Non-Debtor Counterparty to one or more executory contracts or unexpired leases with the Debtors that the Debtors intend to assume and assign to the Purchaser and (ii) the corresponding Cure Cost under the Additional Designated Agreements as of April 30, 2009; provided, that such Assignment Notice shall in no way limit such Non-Debtor Counterparty's entitlement to Cure Costs accruing during the period after April 30, 2009

- (i) Purchaser Confirmation Notice. Prior to the Closing Date and no later than June 12, 2009 (the "Pre-Closing Deadline"), the Purchaser shall serve on all applicable Non-Debtor Counterparties a notice indicating those Designated Agreements (including Additional Designated Agreements) with respect to which the Purchaser has made a final determination to take assignment of a Designated Agreement (a "Confirmation Notice"), subject only to Cure Costs not being established in an amount greater than the amounts set forth in Exhibit A unless otherwise agreed upon in writing by the Purchaser. Designated Agreements (including Additional Designated Agreements) listed on a Confirmation Notice are referred to as "Confirmed Agreements." The Purchaser may serve additional Confirmation Notices at any time through the Agreement Designation Deadline. Until a Designated Agreement is listed on a Confirmation Notice, it shall not be considered to be either assumed or assigned and shall remain subject to assumption, rejection or redesignation hereunder.
- (j) Conditions on Assumption and Assignment. Please read Exhibit A carefully. In some cases, Exhibit A identifies additional terms or conditions of assumption and assignment with respect to a particular Designated Agreement. The Debtors' decision to assume and assign the Designated Agreements is subject to Bankruptcy Court approval and consummation of the Sale Transaction. Accordingly, subject to the satisfaction of conditions in paragraph (g) above to address any cure or assignment disputes, the Debtors shall be deemed to have assumed and assigned to the Purchaser each of the Designated Agreements as of the date of and effective only upon the Closing Date, and absent such closing, each of the Designated Agreements shall neither be deemed assumed nor assigned and shall in all respects be subject to further administration under the Bankruptcy Code. Assumption and assignment of the Designated Agreements also is subject to the Purchaser's rights set forth in paragraphs (h) and (i) above. The Purchaser shall have no rights in and to a particular Designated Agreement until such time as the particular Designated Agreement has been identified by the Purchaser as a Confirmed Agreement and is assumed and assigned in accordance with the procedures set forth herein. Once assumed and assigned as a Confirmed Agreement under these Contract Procedures, a Designated Agreement is not subject to rejection under section 365 of the Bankruptcy Code.
- (k) Pre-Closing Assurance Letters. From and after the Pre-Closing Deadline through the Closing Date, with respect to any Designated Agreement not listed in a Confirmation Notice that is a production supply contract or a dealer contract with respect to which the Non-Debtor Counterparty has determined that it must incur costs after the Pre-Closing Deadline to remain in a position to perform in accordance with the Designated Agreement upon assumption by the Purchaser, the Non-Debtor Counterparty may send a letter to the Debtors and to the Purchaser describing such additional costs under such agreement and seeking assurance of the Purchaser's intentions with respect to such agreement (an "Assurance Letter"). In response to an Assurance Letter, the Purchaser may either (i) provide a Confirmation Notice to the Non-Debtor Counterparty; (ii) elect not to deliver a Confirmation Notice at such time but to provide the Non-Debtor Counterparty with assurances that the Purchaser will advance the costs of any ongoing performance by the Non-Debtor Counterparty pending a final determination to assume the underlying Designated Agreement (such advances to be reflected by an appropriate

credit against future payments to the Non-Debtor Counterparty under the Designated Agreement only in the event that such Designated Agreement becomes a Confirmed Agreement); or (iii) elect not to deliver a Confirmation Notice at such time but to agree in writing that the Non-Debtor Counterparty may temporarily suspend performance during this period without penalty (and, if applicable, upon assumption and assignment to the Purchaser, toll or delay subsequent deliveries as may be reasonably required to reflect the suspension of performance during such period). If no response to an Assurance Letter is received within five business days, the Non-Debtor Counterparty may temporarily suspend performance of the agreement pursuant to clause (iii) above. Any disputes relating to the foregoing shall be heard by the Bankruptcy Court. For purposes of this paragraph, the Debtors and the Purchaser shall be contacted at the addresses identified in paragraph (d) above.

- (l) Post-Closing Assurances. From and after the Closing Date through the applicable Agreement Designation Deadline, Non-Debtor Counterparties may serve a written request on the Debtors and the Purchaser for a final determination of the assumption or rejection of its executory contracts and unexpired leases. Absent a favorable response within ten days, the Non-Debtor Counterparty may file a motion to compel assumption or rejection of such agreement, which may be heard on ten days' notice, subject to the Court's availability; provided, however, that in the event that a Non-Debtor Counterparty believes that it requires a more expeditious decision regarding assumption or rejection of its executory contract or unexpired lease, such Non-Debtor Counterparty shall be free to seek expedited relief from the Court, without regard to the ten-day periods referenced herein but subject to the legal standards and requirements applicable to requests for expedited consideration, provided further that in such event the counterparty shall give as much advance notice as reasonably practicable under the circumstances to the Debtors and the Purchaser. For purposes of this paragraph, the Debtors and the Purchaser shall be contacted at the addresses identified in paragraph (d) above.
- (m) Cure Payments. Except as may otherwise be agreed to by the parties to a Designated Agreement, the defaults under the Designated Agreements that must be cured in accordance with section 365(b) of the Bankruptcy Code shall be cured as follows: the Purchaser shall pay all Cure Costs relating to an assumed executory contract or unexpired lease within ten days after the latest of (i) the Closing Date or, (ii) the date on which such executory contract or unexpired lease is deemed assumed and assigned, in accordance with subparagraph (j) of these Contract Procedures or (iii) with respect to Dispute Cure Costs, the date the amount thereof is finally determined.
- (n) Rights Pending Assumption or Rejection. Nothing in these Contract Procedures limits, restricts or expands the rights of parties to executory contracts and unexpired leases pending assumption or rejection, including any rights to seek further relief from the Bankruptcy Court (including motions to compel a prompt final decision on assumption or rejection), or the rights of other parties in response to such requests.
- (o) Filing of Final List of Confirmed Agreements. As soon as reasonably practicable after the Agreement Designation Deadline, the Debtors shall file with the Court a final

schedule indicating all Confirmed Agreements and the proposed Cure Costs relating to each Confirmed Agreement scheduled therein.

- (p) Direct Dealer Agreements. Certain executory dealer agreements will be identified as Designated Agreements to be assumed and assigned. Although most U.S. dealers have entered into standard uniform dealership agreements in the form of the Chrysler Corporation Sales and Service Agreement (the "Sales and Service Agreement"), some dealers are parties to older agreements in the form of the Chrysler Direct Dealer Agreement (each, a "Direct Dealer Agreement"). If a Direct Dealer Agreement is identified as a Designated Agreement in the attached **Exhibit A**, then such Direct Dealer Agreement will only be assumed and assigned to the Purchaser if the counterparty to the Direct Dealer Agreement first agrees to modify such Direct Dealer Agreement and restate it in the form of the Sales and Service Agreement (each such modified Direct Dealer Agreement and Sales and Service Agreement, a "Dealer Agreement"). If the counterparty and the Debtors do not so modify and restate such Direct Dealer Agreement in the form of the Sales and Service Agreement, then notwithstanding any other provisions in this Notice or on the Bid Procedures Order, such Direct Dealer Agreement will not be assumed and assigned as set forth herein.

4. The inclusion of any document on the list of Designated Agreements shall not constitute or be deemed to be a determination or admission by the Debtors or the Purchaser that such document is, in fact, an executory contract or unexpired lease within the meaning of the Bankruptcy Code, and all rights with respect thereto being expressly reserved.

5. Any Section 365 Objection shall not constitute an objection to the relief generally requested in the Sale Motion (e.g., the sale of the Purchased Assets by the Debtors to the Purchaser free and clear of claims, liens and encumbrances). Parties wishing to object to the other relief requested in the Sale Motion (excluding the Bidding Procedures Relief) must file and serve a separate objection, stating with particularity such party's grounds for objection, in accordance with the objection procedures approved and set forth in the Bidding Procedures Order.

6. If a party other than the Purchaser is the Successful Bidder for the Purchased Assets, you will receive a separate notice providing additional information regarding the treatment of your Designated Agreement; provided, however, that if the applicable Cure Costs has been established pursuant to these procedures, it shall not be subject to further dispute if the new purchaser seeks to acquire such agreement.

7. Questions or inquiries relating to this Notice may be directed to the Chrysler Restructuring Hotline at +1-877-271-1568 (for U.S. and Canadian callers) and +1-503-597-7708 (for International callers outside the U.S. and Canada).

ADDENDUM

The executory contracts and unexpired leases listed on this Annex B are hereby designated for assumption and assignment to the Purchaser in accordance with, and pursuant to, (1) section 365 of the Bankruptcy Code and (2) the terms and conditions of the Bidding Procedures Order.²

Consistent with the Bidding Procedures Order, the Designated Agreements are not listed on an agreement-by-agreement basis. The Debtors are hereby designating all of the agreements relating to the supply of goods and services to the Debtors for assumption and assignment, except as otherwise expressly provided herein (any such agreement designated for assumption and assignment, a "Designated Supplier Agreement"). If certain agreements are identified at the end of Annex B (just prior to this Addendum) as excluded from the list of Designated Supplier Agreements (the "Excluded Agreements"), those Excluded Agreements are not hereby designated for assumption and assignment. Unless otherwise stated on this Annex B, Designated Supplier Agreements include all contracts, purchase orders or similar agreements providing for the sale or provision of goods or services to the Debtors, and all related modifications, amendments, supplements, addenda and restatements thereof, related memoranda of understanding, ancillary agreements thereto and any and all similar agreements.

Each contract or lease listed on this Annex B will be assumed and assigned to the Purchaser only to the extent that any such contract or lease constitutes an executory contract or unexpired lease within the meaning of section 365 of the Bankruptcy Code.

The identified Cure Costs represent the aggregate Cure Costs for all of the Designated Supplier Agreements. Prior to payment of the Cure Costs in accordance with the terms of the Bidding Procedures Order, the Cure Costs will be reduced by the aggregate amount of any payments made by the Debtors on account of pre-Petition Date claims against the Debtors. To the extent applicable, the Cure Costs may be adjusted to account for changes in applicable currency exchange rates. Generally, the Purchaser will make payment upon Cure Costs for Designated Supplier Agreements that are the subject of a Confirmation Notice in accordance with the terms of the Bidding Procedures Order.

²

Capitalized terms used but not defined in this Addendum shall have the meanings given to them in the accompanying Assignment Notice.
