**DECLARATION OF EPIQ BANKRUPTCY
SOLUTIONS, LLC., AS SOLICITATION AND TABULATION
AGENT, REGARDING THE SOLICITATION AND TABULATION OF VOTES
ON, AND THE RESULTS OF VOTING WITH RESPECT TO, SECOND AMENDED
JOINT PLAN OF LIQUIDATION OF DEBTORS AND DEBTORS IN POSSESSION**

I, Stephenie Kjontvedt, make this Declaration under 28 U.S.C. § 1746 and state as follows:

1. I am over eighteen years of age and not a party to the above-captioned action.

2. I am employed as a Vice President and Senior Consultant with Epiq Bankruptcy Solutions, LLC ("Epiq"), the claims, noticing and balloting agent for the above-captioned debtor and debtors in possession (collectively, the "Debtors"). I have been an employee of Epiq for approximately 16 months. My business address is 757 Third Avenue, Third Floor, New York, New York 10017.

3. Capitalized terms not otherwise defined herein have the meanings given to them in (a) the Second Amended Joint Plan of Liquidation of Debtors and Debtors in Possession, dated January 22, 2010 (Docket No. 6272) (as it may be amended or modified, the "Plan"), (b) the Disclosure Statement with Respect to Second Amended Joint Plan of Liquidation of Debtors and Debtors in Possession dated January 22, 2010 (Docket No. 6273) (the "Disclosure Statement") and (c) the Order (I) Approving Disclosure Statement, (II) Establishing Procedures

for Solicitation and Tabulation of Votes to Accept or Reject Amended Joint Plan of Liquidation, (III) Scheduling Hearing on Confirmation of Amended Joint Plan of Liquidation and (IV) Approving Related Notice Procedures (Docket No. 6264) (the "Solicitation Order").

4. Pursuant to the Order, Pursuant to Bankruptcy Rule 2002, 28 U.S.C. §156(c) and Local Bankruptcy Rule 5075-1, Appointing Epiq Bankruptcy Solutions, LLC as Claims and Noticing Agent, dated May 4, 2009 (Docket No. 253), Epiq was retained, among other purposes, to "assist with the production, mailing, processing and tabulation of ballots for purposes of plan voting, and reporting to the Court regarding tabulation of results . . ." with respect to voting on confirmation of plans proposed in the Debtors' Chapter 11 Cases. I am the employee of Epiq that was responsible for coordinating all aspects of the solicitation, balloting and tabulation process in these Chapter 11 Cases. This Declaration sets forth the actions taken by employees of Epiq, including persons working at my direction and under my supervision, in Epiq's capacity as Solicitation and Tabulation Agent in these Chapter 11 Cases.

5. The Disclosure Statement, the Plan and the Solicitation Order served as Epiq's guide for the solicitation and tabulation of votes to accept or reject the Plan.

6. Pursuant to the Solicitation Order, Classes 1, 2B, 2C, 2D, 3B, 4A and 4B were identified as Non-Voting Classes, with respect to which votes to accept or reject the Plan were not required. Therefore, the holders of Claims in these Classes were not entitled to be solicited to vote.

7. As specified in the Solicitation Order, December 31, 2009 (the "Record Date") was established as the record date for determining the holders of Claims in the Voting Classes who would be entitled to vote on the Plan. In accordance with Solicitation Order, Epiq solicited the creditors holding Claims in the Voting Classes as of the Record Date.

8. Commencing on January 27, 2010, pursuant to the Solicitation Order and in accordance therewith, Epiq solicited votes from the holders of Claims in the following impaired Voting Classes:

Class 2A — First Lien Secured Claims; and

Class 3A — General Unsecured Claims.

Pursuant to the Solicitation Order, with respect to holders of Class 3A Claims whose Claims arise from the beneficial ownership of Bonds (each, a "Beneficial Owner") held through a broker, bank, dealer or other agent or nominee (each, a "Master Ballot Agent"), both a Master Bond Ballot, to be executed by the Master Ballot Agent, and Form 3A Individual Bond Ballots, to be executed by the Beneficial Owners, were provided to the Master Ballot Agents. Master Ballot Agents were instructed to complete their Master Bond Ballots utilizing only the information included in Form 3A Individual Bond Ballots that (a) comply with the Solicitation Order and (b) were received by the Master Ballot Agent on or before the Mailing Deadline established by the Master Ballot Agent and included in the instructions accompanying the Form 3A Individual Bond Ballots sent to Beneficial Owners.

9. The solicitation was completed by January 28, 2010 and was conducted in accordance with the Solicitation Procedures approved by the Court in the Solicitation Order. Master Bond Ballots were served separately and after the initial solicitation mailing, in accordance with customary practice for securities. Service of the Master Bond Ballots was completed on February 5, 2010.

10. Pursuant to the Solicitation Order, the Voting Deadline was established as 5:00 p.m., Eastern Time, on March 2, 2010. Accordingly, to be tabulated by Epiq, the original form of Class 2A and 3A Ballots (including Master Ballots) with an original signature must have

been properly executed, completed and delivered to Epiq either by (a) mail in the return envelope provided with each Ballot, (b) overnight courier, (c) personal delivery or (d) for Master Ballots only, via e-mail, so that, in each case, they were received by Epiq no later than the Voting Deadline.

11. Upon receipt of Ballots, Epiq adhered to the following procedures:

- a. Personnel employed by Epiq opened all envelopes upon receipt and removed all Ballots.
- b. All Ballots were stamped with the date received.
- c. Pursuant to the Solicitation Order, Epiq determined the temporarily allowed amount to be assigned to each Ballot cast. Timely Ballots cast either to accept or reject the Plan were accumulated and totaled in accordance with the tabulation rules established by the Solicitation Order.

12. The results of the tabulation of the properly executed and timely Ballots in

Classes 2A and 3A are as follows:

IMPAIRED CLASS AND DESCRIPTION	ACCEPT		REJECT	
	VOTES COUNTED	AMOUNT	VOTES COUNTED	AMOUNT
Class 2A	76	\$66,783,117.10	3	\$612,882.33
First Lien Secured Claims	96.20%	99.09%	3.80%	0.91%
Class 3A	9,074	\$11,738,894,165.56	183	\$203,607,269.93
General Unsecured Claims	98.02%	98.30%	1.98%	1.70%

13. The Debtors provided Epiq with a list of insiders, as that term is defined in 11 U.S.C. § 101(31), as of the Petition Date. None of the parties voting in Class 2A are insiders and four parties voting a total of six claims in Class 3A are identified as insiders. The results of the tabulation of the properly executed and timely Ballots in Class 3A, excluding the votes of such insider parties, are as follows:

IMPAIRED CLASS AND DESCRIPTION	ACCEPT (EXCLUDING INSIDERS)		REJECT (EXCLUDING INSIDERS)	
	VOTES COUNTED	AMOUNT	VOTES COUNTED	AMOUNT
Class 3A General Unsecured Claims	9,068 98.02%	\$11,728,824,357.56 98.29%	183 1.98%	\$203,607,269.93 1.71%

14. Attached hereto as Exhibit A is a tabulation report that provides both summary and detail of all timely received and properly executed Ballots that were included in the tabulation summarized in paragraph 12 above (the "Tabulation Report"). In addition, the Exception Report identifies:

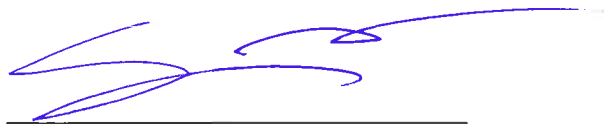

- (a) In the "Comments" column, the parties that the Debtors advised Epiq were insiders of the Debtors within the meaning of 11 U.S.C. § 101(31).
- (b) In the "Ballot Number" Column, the votes were cast by a Master Ballot Agent, which are identified by "MB" in such column and "Master Ballot" in the "Comments" column.

15. Attached hereto as Exhibit B is an exception report, which identifies the Ballots that were received but not counted, including the reason why each such Ballot was excluded from the tabulation of votes, consistent with the Plan, paragraph 9 of the Solicitation Order and the Tabulation Rules approved by the Court in paragraph 4 of the Solicitation Order (the "Exception Report").

16. All Ballots received by Epiq are stored at Epiq's office located at 757 Third Avenue, 3rd Floor, New York, New York 10017, and are available for inspection by the Court or any party in interest.

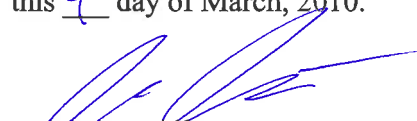

I declare under penalty of perjury that to the best of my knowledge the foregoing is true and correct.

Executed on March 9, 2010
