ARTICLE I INTRODUCTION

This Disclosure Statement (the “Disclosure Statement”) has been prepared pursuant to section 1125 of Chapter 11, title 11 of the United States Code (the “Bankruptcy Code”) and Rule 3016(b) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) and describes the terms and provisions of the Second Amended Joint Chapter 11 Plans Of Reorganization For Dairy Production Systems - Georgia, LLC, Dairy Production Systems, LLC, Dairy Production Systems - Mississippi, LLC, New Frontier Dairy, LLC, And Heifer Haven, LLC, proposed by Agricultural Funding Solutions, LLC (“AFS”, the “Lender” or the “Proponent”) (the “Plan”) for Dairy Production Systems - Georgia, LLC, a Colorado limited liability company (“DPS-GA”), Dairy Production Systems, LLC, a Colorado limited liability company (“DPS”), Dairy Production Systems - Mississippi, LLC, a Colorado limited liability company (“DPS-MS”), New Frontier Dairy, LLC, a Colorado limited liability company (“New Frontier”) and Heifer Haven, LLC, a Colorado limited liability company (“Heifer Haven”; DPS-GA, DPS, DPS-MS, New Frontier and Heifer Haven may be referred to individually as a “Debtor” and collectively, as the “Debtors”) in the above-captioned Bankruptcy Cases (sometimes referred to herein as the “Bankruptcy Case”) and filed with the United States Bankruptcy Court for the Middle District of Georgia (the “Bankruptcy Court”). A copy of the Plan is attached hereto as Exhibit “A.” Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to such terms in Article I of the Plan. The Plan has been endorsed and is supported by the Official Committee of Unsecured Creditors appointed in the Bankruptcy Case (the “Committee”).

This Disclosure Statement sets forth certain information regarding the Debtors’ prepetition history as well as significant events that have occurred during the Bankruptcy Case. This Disclosure Statement also describes the terms and provisions of the Plan, including certain alternatives to the Plan, certain effects of confirmation of the Plan, certain risk factors associated with the Plan and the manner in which distributions will be made under the Plan, as well as the Plan confirmation process.

For a summary of the Plan, please see Article V hereof. For a discussion of certain factors to be considered prior to voting, please see Articles VI, VIII, IX and X hereof.

A. Overview of Chapter 11

Chapter 11 is the principal business reorganization chapter of the Bankruptcy Code. In addition to permitting debtor rehabilitation, Chapter 11 promotes equality of treatment for similarly situated holders of claims and equity interests, subject to the priority of distributions prescribed by the Bankruptcy Code.

The commencement of a Chapter 11 case creates an estate that comprises all of the legal and equitable interests of the debtor as of the commencement of the Chapter 11 case. The Bankruptcy Code provides that a debtor may continue to operate its business and remain in possession of its property as a “debtor in possession.”

Consummating a plan of reorganization is the principal objective of a Chapter 11 case. A bankruptcy court's confirmation of a plan binds the debtor, any entity acquiring property under the plan, any holder of a claim or equity interest in a debtor, and all other entities as may be ordered by the bankruptcy court in accordance with the applicable provisions of the Bankruptcy Code, to the terms and conditions of the confirmed plan. Subject to certain limited exceptions, the order issued by the bankruptcy court confirming a plan provides for the treatment of claims and equity interests in accordance with the terms of the confirmed plan.

Prior to soliciting acceptances of a proposed Chapter 11 plan, section 1125 of the Bankruptcy Code requires a plan proponent to prepare a disclosure statement containing information of a kind, and in sufficient detail, to enable a hypothetical reasonable investor to make an informed judgment regarding acceptance of the Chapter 11 plan. This Disclosure Statement is being submitted in accordance with the requirements of section 1125 of the Bankruptcy Code.

B. Purpose of Disclosure Statement

The Proponent has prepared this Disclosure Statement in connection with its solicitation of acceptances of the Plan. The purpose of this Disclosure Statement is to provide Holders of Claims with sufficient information to make an informed decision as to whether to accept or reject the Plan. Each Holder of a Claim or Equity Interest entitled to vote to accept or reject the Plan should read this Disclosure Statement and the Plan in their entirety before voting on the Plan. **THE VOTING DEADLINE IS December 5, 2011** (the "Voting Deadline").

The Plan, when confirmed by the Bankruptcy Court, will be a legally binding contract. No summary of the Plan should be relied upon in determining whether to accept or reject the Plan.

Unless otherwise defined herein, all capitalized terms contained in this Disclosure Statement shall have the meanings ascribed to them in the Plan.

C. Disclosure Statement Enclosures

Attached as Exhibits to the Disclosure Statement are the following documents:

1. The Plan (Exhibit "A"); and
2. Liquidation Analysis ("Exhibit "B").

D. Approval of Disclosure Statement

On November 3, 2011, after notice and a hearing, the Bankruptcy Court approved this Disclosure Statement as containing information of a kind and in sufficient detail adequate to enable the Holders of Claims to make informed judgments as to whether to accept or reject the Plan. Confirmation Hearing

Pursuant to section 1128 of the Bankruptcy Code, the Confirmation Hearing will be held on December 14, 2011, commencing at 10:00 a.m., or as soon thereafter as the matter may be heard, before the Honorable James D. Walker, United States Bankruptcy Court, in Courtroom B, of the United States Bankruptcy Court, 433 Cherry Street, Macon, Georgia 31201. The Bankruptcy Court has directed that objections, if any, to confirmation of the Plan be served and filed on or before December 12, 2011. The Confirmation Hearing may be adjourned from time to time by the Bankruptcy Court without further notice except for an announcement of the adjourned date made at the Confirmation Hearing or at any subsequent adjourned date of the Confirmation Hearing.

THE PROPONENT AND THE COMMITTEE BELIEVE THAT THE PLAN PROVIDES THE BEST POSSIBLE RECOVERIES TO HOLDERS OF CLAIMS AND THAT ACCEPTANCE OF THE PLAN IS IN THE BEST INTERESTS OF HOLDERS OF EVERY CLASS OF CLAIMS. ACCORDINGLY, THE PROPONENT AND THE COMMITTEE RECOMMEND THAT YOU VOTE TO ACCEPT THE PLAN.

If you have any questions about the Plan, this Disclosure Statement or the Voting Procedures, please call John Dyer at 678-553-2100.

**ARTICLE II
OVERVIEW OF THE PLAN**

The following is a summary of the Plan, which is intended to provide parties in interest with a concise description of the Plan. THIS SUMMARY IS NOT A COMPLETE DESCRIPTION OF THE PLAN AND DOES NOT SUBSTITUTE FOR THE PLAN AND THE DISCLOSURE STATEMENT, BOTH OF WHICH SHOULD BE READ CAREFULLY IN THEIR ENTIRETY. This summary is provided for convenience only, and in the event of any discrepancy between this summary overview and the terms of the Plan, the Plan controls.

The Proponent believes that the Plan provides the best recoveries possible for Holders of Allowed Claims and strongly recommends that, if such Holders are entitled to vote,

they vote to accept the Plan. As discussed in further detail in this Disclosure Statement, the Proponent believes that any alternative to confirmation, such as liquidation, could result in significant delays, litigation, additional costs and lower recoveries. The Proponent believes that the Plan offers the prospect of superior recovery to any other practical alternatives.

A. **The Committee Supports the Plan**

The Official Committee of Unsecured Creditors (the “Committee”) supports this Plan. The Debtors have withdrawn their plan of reorganization and proposed disclosure statement. The Committee has also withdrawn its Plan of Reorganization and Proposed Disclosure Statement. The Committee supports the Plan described in this Disclosure Statement as providing the best recovery available for creditors given the practical options available.

B. **Summary of Plan and Treatment of Claims Under the Plan**

The Plan provides for, among other things, (a) the transfer of substantially all of the assets of each of the Debtors to various acquiring entities (together, “DairyCo”), which will be 100% owned by AFS or its designee(s), free and clear of all Claims, liens, charges, encumbrances and interests except as otherwise specifically provided in the Plan; (b) a settlement with AFS of the AFS Causes of Action in exchange for funding of the Plan; (c) funding by AFS or DairyCo of up to \$2,500,000 to pay Allowed Administrative Expense Claims, Allowed Fee Claims, and Allowed Priority Tax Claims, (d) funding by AFS or DairyCo of \$1,000,000 to the Liquidation Trust and (e) establishment and implementation of a Liquidation Trust for the purposes of (i) evaluating, prosecuting and resolving all Disputed Priority Non-Tax Claims, Disputed Other Secured Claims, Disputed Unsecured Claims and Disputed Convenience Class Claims against the Debtors’ Estates; (ii) prosecution of Causes of Action and the Bankruptcy Causes of Action, to the extent not settled or resolved prior to the Effective Date of the Plan; (iii) holding and liquidating any Liquidation Trust Assets; and (iv) the making of distributions under the Plan. The Plan is expected to become effective on the Effective Date, which is expected to occur within thirty (30) days after entry of the Confirmation Order, upon satisfaction of certain conditions precedent as described in the Plan and in more detail below.

The Plan classifies and provides for treatment of each of the Claims and Equity Interests as summarized in the following table:

Class	Description	Treatment	Entitled to Vote	Estimated ² Amount	Estimated Recovery
N/A	Administrative Expense Claims	Each Holder of an Allowed Administrative Expense Claim will receive in full and final satisfaction, settlement, and release of and in exchange for such Allowed Administrative Expense Claim: (a) Cash equal to the amount of such Allowed Administrative Expense Claim paid by the Proponent or DairyCo subject to the Direct Payment Cap; or (b) such other treatment as to which the Proponent or DairyCo, as applicable, and the Holder of such Allowed Administrative Expense Claim will have agreed upon in writing. N/A	Fee Claims	Unless the Bankruptcy Court has entered a Final Order allowing a Fee Claim prior to the entry of the Confirmation Order, each Person who holds or asserts a Fee Claim incurred before the Effective Date will be required to file with the Bankruptcy Court and serve on all parties required to receive notice of filings in the Chapter 11 Cases a	N/A	Total: ⁵ \$957,775 DPS: \$229,866 DPS-GA: \$229,866 DPS-MS:	100% 100% 100%

² The estimated amounts for each category of claims are estimates only and do not take into account potential objections to Claims. Therefore, the estimated amounts of Claims within each Class may be lower or higher than the actual amount Allowed depending upon the outcome of any objections thereto and any order of the Bankruptcy Court.

³ These estimated amounts are as of October 21, 2011 and do not include any purported post-petition insider payables or inter-company payables.

⁴ This amount includes the Aurora Dairy Allowed Administrative Expense Claim in the amount of \$740,121. Aurora Dairy has agreed that, if the Plan is confirmed, it will accept payment on account of such Claim over time or as may be agreed by the parties. Therefore, the up to \$2,500,000 provided by the Proponent or DairyCo is sufficient to pay all administrative claims required under the Plan on the Effective Date.

⁵ These estimated amounts are estimated as of and through November 4, 2011. The Debtors have allocated professional fees among the various Debtors to obligate each Debtor, except Heifer Haven, with 24% of such fees. Heifer Haven incurs 4% of the total fees. The Proponent expressly reserves any and all rights to object to the Fee Claims.

The failure to file and serve such Fee Application timely and properly will result in the Fee Claim being forever barred and discharged. C. No Substantive Consolidation Under the Plan

The Proponent has filed the Plan as a joint Chapter 11 plan; however, the Plan does not seek to substantively consolidate the Debtors' estates into one legal entity. Rather, the Debtors are deemed to form a joint venture for purposes of voting, confirmation, consummation and for distributions under this Plan. This "deemed consolidation" allows all creditors to vote using a single ballot whereby creditors will elect the Debtor's case in which they are voting their claim(s) and dramatically streamlines the confirmation process, thereby accelerating payments to creditors under this Plan. For more information on this topic, please refer to Article V.C.16 below.

D. Voting on Plan

Not every Holder of a Claim or Equity Interest is entitled to vote on the Plan. As prescribed by the Bankruptcy Code and the Bankruptcy Rules, Claims asserted against, and Interests in, the Debtors are placed into Classes. The Plan designates seven (7) separate Classes of Claims and Equity Interests. The classification and the treatment of each Class is discussed in detail below. Under the Bankruptcy Code, only Classes of Claims or Equity Interests that are Impaired and will be receiving or retaining property under the Plan are entitled to vote to accept or reject the Plan. Accordingly, the Proponent is seeking acceptance of the Plan by Holders of Claims in Classes 2, 3B, 4 and 5, which are Impaired, and may be receiving a Distribution under the Plan. Holders of Claims in Classes 1 and 3A are Unimpaired. Accordingly, Holders of Claims in these Classes are deemed to accept the Plan and are therefore not entitled to vote to accept or reject the Plan. Holders of Equity Interests in Class 6 will neither be receiving a Distribution nor receiving or retaining any interest in the Debtors, DairyCo, the Estates, the Estate Assets or other property or interests in property thereof on account of such Equity Interests. Accordingly, Holders of Equity Interests in Class 6 are deemed to reject the Plan and, therefore, not entitled to vote to accept or reject the Plan, see article of the Plan, entitled, "Provisions for Treatment of Claims and Interests Classified in the Plan."

¹² This amount only includes those Claims that are within the Convenience Class by virtue of the scheduled or filed amount of the Claim and does not account for any Claims, the Holders of which may elect to participate in the Convenience Class.

As set forth in the Plan, the Holder of any Claim that, as of the Voting Record Date, (a) has been Disallowed, (b) is the subject of a pending objection, or (c) was listed on the Debtors' Schedules as unliquidated in amount, Contingent or Disputed (if no contrary Proof of Claim with respect to such Claim has been timely filed) or a Proof of Claim with respect to which was filed on or before the Bar Date pursuant to the provisions of the Bar Date Order and such Proof of Claim asserts such Claim as unliquidated in amount, Contingent or Disputed, shall not be entitled to vote on the Plan, unless on or prior to the Voting Record Date the Bankruptcy Court enters a Final Order directing otherwise; provided, however, that if only a portion of such Claim has been Disallowed, objected to or listed or asserted (as applicable) as unliquidated, Contingent or Disputed, such Holder shall be entitled to vote the remainder of such Claim in an amount determined pursuant to the Disclosure Statement Order. Unless otherwise provided in this Disclosure Statement, if you are not entitled to vote solely because your Claim is the subject of a pending objection, you may apply to the Bankruptcy Court for an order allowing your Claim for voting purposes only, in accordance with the Disclosure Statement Order.

To be counted, Holders of Impaired Claims entitled to vote shall cast their vote to accept or reject the Plan in accordance with the instructions on the ballot (the "Ballot") provided as part of the Solicitation Package (as defined below). Such Ballots should be cast in accordance with the solicitation procedures established pursuant to the Disclosure Statement Order. Any Ballot received after the Voting Deadline Date, which is December 5, 2011, shall be counted in the sole discretion of the Proponent.

ARTICLE III

DESCRIPTION OF THE DEBTORS' BUSINESSES AND REASONS FOR FILING CHAPTER 11 CASES

A. Overview of Debtors' Business

1. The Debtors' Ownership Structure

Each of the Debtors is a single-member limited liability company that is 100% owned by David P. Sumrall ("Sumrall"). The Debtors are organized under the laws of the State of Colorado.

2. The Debtors' Businesses

The Debtors consist of five limited liability companies, four of which operate five large commercial dairies and one of which operates a heifer-growing operation, all in the South and Southeast United States. The four dairy companies own and operate five dairy farms located in Florida, Georgia, Mississippi and Texas (the "Dairies").

DPS owns and operates two dairy operations in Florida: one in Bell, Florida and the other in Branford, Florida. DPS-GA owns and operates a dairy farm located in Baconton, Georgia. DPS-MS owns and operates a dairy farm located in Edwards, Mississippi. New Frontier owns and operates a dairy farm located in Dublin, Texas. Each of these operations is a

member in a dairy cooperative to which it sells all its milk. In June, 2011, the Debtors produced approximately 165,642 hundredweight of milk, which in turn generated approximately \$4,140,617 in proceeds.

Heifer Haven raises the heifer calves born at DPS, DPS-GA and DPS-MS from approximately three months in age until they are mature. At that time, they are impregnated and returned to the Debtors' dairy herds to produce milk.

The operations of the Dairies are conducted partially on real estate owned by the Debtors and partially on leased real estate.¹³ As of August 1, 2011, the Debtors maintained a total herd count of approximately 10,889 head of mature cows, and 4,529 head of young stock. In addition, the Debtors each own or lease all the assets necessary to conduct their operations, including buildings, improvements, fixtures, equipment, permits and licenses. Combined, the Debtors employ approximately 300 people.

(a) DPS - The Bell Dairy

DPS owns and operates two dairy operations in Florida. The first such operation is located in Bell, Florida (the "Bell Dairy"). The Bell Dairy is comprised of 456 acres of land owned by the DPS and of 322 acres of leased property. The Bell Dairy currently has the capacity to milk approximately 800 cows. Renovation and expansion of barns already on the premises will double the Bell Dairy's milking capacity.

As of August, 2011, the Bell Dairy had approximately 1,033 head of cattle, of which 763 were milking.

The Bell Dairy's facilities include a facility to raise young calves. Calves born at the Debtors' dairy operations in Florida, Georgia and Mississippi are transferred to the Bell Dairy and raised there until they are 3 months in age. At that time they are transferred to Heifer Haven, where they are raised until they are ready to be incorporated into one of the Debtors' herds for milk production.

(b) DPS - The Branford Dairy

The second of DPS' dairy operations is located in Branford, Florida (the "Branford Dairy"). The Branford Dairy is located on 593 acres of land owned by DPS and approximately 130 acres of leased land.

The Branford Dairy has the capacity to house approximately 2,500 head of cattle, including 2,050 milking cattle, at any time. As of August, 2011, the Branford Dairy's herd was comprised of 2,160 head of cattle, of which 1,695 were milking.

¹³ Certain information set forth herein was supplied by the Debtors and has not been confirmed by the Proponent. Therefore, the Proponent makes no warranty or representation as to its accuracy or veracity.

(c) DPS-GA

DPS-GA operates a dairy located in Baconton, Georgia (the "DPS-GA Dairy"). The DPS-GA Dairy is located on 1,500 acres of land leased under two separate leases and has a total herd capacity of 4,320 cows and milking capacity of 3,400 cows. As of August, 2011, the DPS-GA Dairy's herd was comprised of 3,827 head of cattle, of which 2,985 were milking.

(d) DPS-MS

DPS-MS operates a dairy located in Edwards, Mississippi (the "DPS-MS Dairy"). The DPS-MS Dairy is comprised of approximately 220 acres of land owned by DPS-MS and approximately 250 acres of leased land.

DPS-MS has a milking capacity of 1,500 cows. As of August, 2011, the DPS-MS Dairy's herd was comprised of 1,465 head of cattle, of which 1,116 were milking.

(e) New Frontier

New Frontier operates a dairy located in Dublin, Texas (the "New Frontier Dairy"). The New Frontier Dairy is comprised of approximately 826 acres of land owned by New Frontier and an additional 250 acres of land that are leased. The New Frontier Dairy has a maximum herd capacity of 4,500 head of cattle and milking capacity of 3,600 cows.

As of August, 2011, the New Frontier Dairy's herd was comprised of 2,359 head of cattle, of which 1,830 were milking.

(f) Heifer Haven

Heifer Haven administers a calf-raising operation and does not own or operate dairies. Heifer calves birthed on dairies owned by DPS, DPS-GA, and DPS-MS are transferred to the Bell Dairy to be raised until they are three months in age, and then are transferred to Heifer Haven. Heifer calves birthed at the New Frontier Dairy are sold to third parties for approximately \$100 per heifer calf. Male calves birthed at all the Debtors' farms are sold to third party cattle purchasers for approximately \$20 per head.

Once relocated to the Bell Dairy, heifer calves are housed, fed and raised for approximately 16 weeks until they reach 300 pounds. At this point, these heifer calves are transferred to Heifer Haven and raised to maturity. Eventually, each heifer grows into a "Replacement Springer," i.e. a mature heifer impregnated for the first time, and is transferred back to DPS, DPS-GA or DPS-MS prior to calving and commencing milking. No cash is exchanged between Heifer Haven and the other Debtors in connection with the transfer of calves to Heifer Haven or the transfer of Replacement Springers back to those other Debtors. Heifer Haven does not own any operating assets other than calves, and it contracts out all calf-raising responsibilities to third parties.

B. Prepetition Debt Structure

As of the Petition Date, each of the Debtors had significant prepetition indebtedness consisting of amounts outstanding under various loans. A brief description of each of these loans is as follows:

1. The DPS Loans

The Fourth DPS Loan (and all other debts of DPS to NFB and its successors and assigns) is secured by, among other things, DPS’s accounts, crops, equipment, farm products, general intangibles, inventory, livestock, and milk sale proceeds.

2. The DPS-GA Loans

The First DPS-MS Loan (and all other debts of DPS-MS to NFB and its successors and assigns) is secured by the DPS-MS Dairy.

On or about May 22, 2006, NFB made a loan to DPS-MS in the original principal amount of \$4,512,000 (the "Second DPS-MS Loan"; the First DPS-Mississippi Loan and the Second DPS-Mississippi Loan are collectively, the "DPS-Mississippi Loans") as evidenced by a Promissory Note and Security Agreement dated May 22, 2006, made payable by DPS-MS to NFB in the original principal amount of \$4,512,000, as modified by a Commercial Debt Modification Agreement dated May 14, 2007, as further modified by a Debt Modification Agreement dated May 18, 2008, and as further amended by a Debt Modification Agreement dated December 23, 2008. The Second DPS-MS Loan (and all other debts of DPS-MS to NFB and its successors and assigns) is secured by, among other things, DPS-MS' accounts, crops, equipment, farm products, supplies, feed, inventory, and livestock.

4. The Heifer Haven Loan

On or about June 21, 2007, NFB made a loan to Heifer Haven in the original principal amount of \$5,012,000 (the "Heifer Haven Loan") evidenced by a Promissory Note and Security Agreement dated June 21, 2007 made payable by Heifer Haven to NFB in the original principal amount of \$5,012,000, as modified by a Debt Modification Agreement dated June 25, 2008. The Heifer Haven Loan (and all other debts of Heifer Haven to NFB and its successors and assigns) is secured by Heifer Haven's livestock.

5. The New Frontier Loans

On or about December 28, 2007, NFB made a loan to New Frontier in the original principal amount of \$8,600,000 (the "First New Frontier Loan") as evidenced by a Promissory Note dated December 28, 2007, made payable by New Frontier to NFB in the original principal amount of \$8,600,000. The First New Frontier Loan (and all other debts of New Frontier to NFB and its successors and assigns) is secured by the New Frontier Farm.

On or about July 3, 2008, NFB made a loan to New Frontier in the original principal amount of \$12,030,000 (the "Second New Frontier Loan"; the First New Frontier Loan and Second New Frontier Loan are collectively the "New Frontier Loans") evidenced by a Promissory Note dated July 3, 2008, made payable by New Frontier to NFB in the original principal amount of \$12,030,000, as modified by a Debt Modification Agreement dated December 10, 2008, which Debt Modification Agreement reduced the credit limit under the Second New Frontier Loan from \$12,030,000 to \$9,030,000, as further modified by a Debt Modification Agreement dated December 29, 2008, as further modified by a Debt Modification Agreement dated March 20, 2009, and as further modified by a Debt Modification Agreement dated March 23, 2009. The Second New Frontier Loan is secured by certain personal property of New Frontier, including, but not limited to, all farm products and livestock of New Frontier.

Each of the above-referenced loans made by NFB to DPS, DPS-GA, DPS-MS, New Frontier and Heifer Haven (together, the "DPS Loans") is guaranteed by Sumrall.

The Federal Deposit Insurance Corporation (“FDIC”) placed NFB’s assets into receivership. In November, 2009, AFS purchased the DPS Loans from the FDIC at auction and became NFB’s successor-in-interest with respect to all its rights under the DPS Loans and their corresponding collateral.

6. The Peperzak Loans

On or about January 15, 2005, Marcus Peperzak, an individual resident of Florida (“Peperzak”), made a loan to DPS in the original principal amount of \$900,000 (the “First DPS Peperzak Loan”). The First DPS Peperzak Loan is secured by a mortgage granted by Aurora Dairy-Florida, LLC dated January 15, 2005 and recorded under Clerk’s Instrument No. 2005000416 of the Public Records of Gilchrist County, Florida.

On or about January 15, 2004, Peperzak made a loan to DPS in the original principal amount of \$800,00 (the “Second DPS Peperzak Loan”). The Second DPS Peperzak Loan is secured by a mortgage granted by Aurora Dairy-Florida, LLC dated January 15, 2005 and recorded under Clerk’s Instrument No. 2005000417 of the Public Records of Gilchrist County, Florida.

On or about December 4, 2008, Peperzak made a loan to New Frontier in the original principal amount of \$3,000,000 (the “New Frontier Peperzak Loan”, and together with the First DPS Peperzak Loan and the Second DPS Peperzak Loan, the “Peperzak Loans”). The New Frontier Peperzak Loan is secured by a Deed of Trust, Security Agreement and Financing Statement granted by New Frontier dated April 9, 2009, effective December 4, 2008, and filed and recorded on April 15, 2009 under Document No. 209-00947 in the Real Property Records of Erath County, Texas.

Peperzak assigned the Peperzak Loans and security therefor to AFS, which is the current holder of the Peperzak Loans and their corresponding collateral.

C. Amounts Outstanding Under and Encumbered By the DPS Loans and Peperzak Loans

The following table shows the amounts owed by each of the Debtors under the DPS Loans and Peperzak Loans as of the Petition Date, along with an estimate of the value of the property serving as collateral for the obligations under such loans to AFS¹⁴:

¹⁴ All estimates of collateral value provided in this Disclosure Statement are preliminary.

Total	\$77,166,958	\$39,000,000	\$39,000,000	\$38,166,958

D. Other Prepetition Obligations of the Debtors

In addition to the obligations described above, the Debtors have other debts and liabilities, including trade payables and obligations under executory contracts and unexpired leases. A chart illustrating the Proponent’s estimations of certain of these obligations based on the Debtors’ Schedules can be found in Article IV.G.2.

E. Events Leading to the Chapter 11 Cases¹⁵

1. Diminishing Milk Prices

In 2008, there began a severe economic downturn in the U.S. dairy industry that continued through the Petition Date. From November, 2008 to February, 2009, the all-milk price fell precipitously from \$17.10 per hundred weight (“CWT”) to \$11.60 per CWT. Prices remained below \$12.00 per CWT until they began to rise in August, 2009.

There are a number of reasons for this precipitous decline. The global recession appears to be a major factor. In addition to reducing domestic demand, the global recession has had dramatic effects on overall U.S. agricultural exports, falling from a peak of \$10.6 billion in October, 2008 to a low of \$7.3 billion in September, 2009, before rebounding to \$10.0 billion in December, 2009. On a ME (mature equivalent) skim-solids basis, U.S. dairy exports reached a high of 7.6 billion pounds in the second quarter of 2008 and then declined to a low of 5.1 billion pounds in the first quarter of 2009, before rising to 6.3 billion pounds in the fourth quarter of 2009. The increase in milk production through 2008, sluggish domestic demand in 2008 and 2009, and falling export volumes in late 2008 and early 2009, created a milk surplus, driving down milk prices in early 2009.

2. Increasing Feed Prices and Other Operational Costs

The sharp decline in milk prices occurred in conjunction with significant increases in feed prices and other operational costs. From September, 2007 until September, 2008, corn prices averaged \$4.20 per bushel and, from October, 2007 until October, 2008, soybean meal

¹⁵ The source of certain data contained in this Article is the “Background” information provided in various of the Debtors’ motions filed on or near the Petition Date. AFS cannot warrant to the accuracy or veracity of this information.

prices averaged \$335.94 per ton. These prices can be compared against expected average costs for corn and soybean meal for the September/October, 2009 to September/October, 2010 period of \$3.35 to \$3.95 per bushel and \$270 to \$320, respectively, which still are high by historic measures.

3. The Debtors' Default under the DPS Loans

The Debtors were unable to service the DPS Loans after April of 2009. Accordingly, the Debtors defaulted.

During this period, the Debtors carried far more debt per cow and per head of milking capacity than was standard for similar dairies. The Debtors' higher than normal debt burden rendered them poorly suited to adapt to the decrease in margins that they experienced as a result of decreasing milk prices. The decrease in milk prices and the increase in feed costs collectively created a negative impact on the Debtors' respective net incomes, causing significant negative cash flow problems and compromising the Debtors' ability to service the DPS Loans, which, as stated above, significantly exceeded industry convention on a per-cow basis.

4. AFS' Acquisition of the DPS Loans

On April 10, 2009, the FDIC placed NFB and its assets, including the DPS Loans, into receivership. In November of 2009, AFS purchased the DPS Loans from the FDIC at auction and became NFB's successor-in-interest thereto. Despite approximately ten (10) months of negotiations with AFS, the Debtors and AFS were unable to agree upon a restructuring of the DPS Loans. AFS ultimately decided to exercise the legal remedies available to it. In September and October of 2010, AFS commenced civil actions in Florida, Georgia and Mississippi, seeking to place the Debtors' assets into receivership and to collect on the DPS Loans.

Shortly after the filing of these receivership and collection actions, the Debtors filed their voluntary petitions for relief under Chapter 11 of the Bankruptcy Code, commencing these Bankruptcy Cases. Additional information prepared by the Debtors relating to the Debtors' businesses and the events leading up to the commencement of the Debtors' bankruptcy cases can be found in the Declaration of David P. Sumrall, President and CEO of the Debtors, in Support of Chapter 11 Petitions and First-Day Orders, which was filed on October 13, 2010 and is Docket No. 24 in these jointly-administered Bankruptcy Cases.

F. Pending Litigation Against the Debtors

Prior to the filing of the Debtors' Bankruptcy Cases, AFS commenced actions against DPS, DPS-GA, DPS-MS and New Frontier in state courts for breach of their loan obligations and seeking, among other things, appointment of a receiver over their assets. In total, AFS filed four separate lawsuits in late September and early October of 2010. The captions of the four cases are as follows:

Agricultural Funding Solutions, LLC v. Dairy Production Systems, LLC, et al., Case No. 21-2010-CA-0103, Circuit Court of the Eighth Judicial Circuit of the State of Florida, in and for Gilchrist County, Florida;

Agricultural Funding Solutions, LLC v. Dairy Production Systems-Georgia, LLC, Case No. 10CB633, Superior Court of Mitchell County, Georgia

Agricultural Funding Solutions LLC v. Dairy Production Systems-Mississippi, et. al., Case No. G2010-125 O/3, Chancery Court for the Second Judicial District of Hinds County, Mississippi

Agricultural Funding Solutions, LLC v. New Frontier Dairy, LLC, Case No. CV-30796, 266th Judicial District Court, Erath County, Texas

In addition, in the ordinary course of their business, the Debtors are parties to various lawsuits, legal proceedings, and claims arising out of their respective businesses. The Proponent cannot predict with certainty the outcome of these lawsuits, legal proceedings and claims.

With certain exceptions, the filing of the Chapter 11 Cases operates as a stay with respect to the commencement or continuation of litigation against the Debtors that was or could have been commenced before the filing of the Chapter 11 Cases.

ARTICLE IV SIGNIFICANT EVENTS DURING THE CHAPTER 11 CASES

A. The Debtors' Post-Petition Financial Performance

Since the Petition Date, the Debtors have been operating their businesses as debtors-in-possession pursuant to sections 1107 and 1108 of the Bankruptcy Code. Summaries of the Debtors' post-petition financial performance are filed on a monthly basis with the Bankruptcy Court pursuant to the Operating Guidelines and Reporting Requirements for Debtors In Possession and Chapter 11 Trustees for Region 21 (the "Monthly Operating Reports"). The Monthly Operating Reports are available from the Office of the Clerk of the U.S. Bankruptcy Court for the Middle District of Georgia and are online at <https://ecf.gamb.uscourts.gov> (please note that a PACER account is required to view and download documents).

B. Filing and First Day Orders

The Debtors commenced the Chapter 11 Cases on October 7, 2010 by filing with the Bankruptcy Court voluntary petitions for relief under Chapter 11 of the Bankruptcy Code. Shortly after the Petition Date, the Bankruptcy Court entered certain orders designed to minimize disruption to the Debtors' business operations and to facilitate an orderly process in the Chapter 11 Cases. These motions and orders include:

Joint Administration Order: This order authorized and directed the joint administration of the Chapter 11 Cases. Please note that this order is procedural in nature only and did not substantively consolidate the estates or assets of the respective Debtors.

Business Operations: The Court entered various orders allowing the Debtors to (i) maintain existing bank accounts and business forms and continue to use existing cash management systems, (ii) provide adequate assurance to utility companies and establish

procedures for determining additional adequate assurance, and (iii) continue to make payments on account of wages, compensation and employee benefits.

Cash Collateral: The Bankruptcy Court entered multiple interim orders granting the Debtors authority to use cash collateral to operate their businesses, which funds constituted the cash collateral of AFS. These orders are discussed in greater detail in Article IV.C. below.

C. Cash Collateral Use

The Debtors' funds constitute AFS' cash collateral, which the Debtors may not use except with AFS' consent or by order of the Court. On October 12, 2010, the Debtors moved the Court for authorization to use such cash collateral pursuant to a budget filed with the Court. The Debtors also proposed to grant to AFS "replacement liens" on all of the Debtors' post-petition accounts receivable as adequate protection for the Debtors' use of such cash collateral.

The Court entered an order authorizing the Debtors' use of cash collateral on an interim basis and has continued such authorization **on an interim basis only** by orders to which AFS has consented. As adequate protection for use of cash collateral, the Court granted AFS a super-priority administrative claim in the Debtors' post-petition accounts receivable. On August 30, 2011, the Court entered a consensual order authorizing the Debtors' use of cash collateral pursuant to a budget attached thereto through and including September 21, 2011 [Docket #447].

On September 27, 2011, the Court authorized the Debtors' continued the use of cash collateral through November 3, 2011 pursuant to certain terms and conditions, including, without limitation, additional reporting requirements and adequate protection for AFS, to be memorialized in an order that has not been entered as of the date of this Disclosure Statement.

D. Appointment of Creditors' Committee

On October 19, 2010, the U.S. Trustee, pursuant to its authority under section 1102 of the Bankruptcy Code, appointed the following members to the Committee, see Docket No. 49:

Wendelin Industries, LLC

Furst-McNess Company

Dairy Replacement Management, LLC

Century-Plus, LLC

Norvel Reed, Jr.

Kay Enterprises, Inc.

Bradley Wayne Mills

The Committee retained Stone & Baxter, LLP, Fickling & Company Building, 577 Mulberry Street, Suite 800, Macon, Georgia 31201, as Committee counsel.

Dairy Replacement Management, LLC and Furst-McNess Company have resigned from the Committee.

E. Adversary Proceeding

On January 31, 2011, the Debtors filed a complaint commencing Adversary Proceeding No. 11-05050 against AFS before the United States Bankruptcy Court for the Middle District of Georgia (the "Adversary Proceeding"). By the Adversary Proceeding, the Debtors brought suit against AFS alleging various theories of lender liability grounded in alleged acts that purportedly occurred both before and after AFS purchased the DPS Loans from the FDIC, and both before and after the Petition Date.

AFS denies each of the allegations made by the Debtors in the Adversary Proceeding, as reflected in AFS' answer, and asserts that AFS is not liable to the Debtors under any theory. AFS moved to dismiss the Debtors' counts for alleged breach of implied duty of good faith and fair dealing and for alleged tortious interference with business relations and was successful in obtaining dismissal of each such count.

The remaining counts allege that AFS is liable under theories of breach of oral contract, promissory estoppel, and fraud and seek to equitably subordinate AFS' liens and obtain litigation expenses and punitive damages from AFS. The Debtors additionally seek to set off and recoup AFS' claims against any liability for an alleged anticompetitive "tying arrangement" as defined under the federal securities laws that was purportedly formed between certain of the Debtors' principals and former principals and AFS' predecessor-in-interest. Further, the Debtors allege that certain of their debts to AFS and the corresponding liens are unenforceable if AFS is unable to locate the original instrument evidencing such debts. As stated above, AFS denies each of these allegations in full.

The Adversary Proceeding is currently in the discovery phase, with the discovery period currently set to expire on November 11, 2011. Dispositive motions are due to be filed on or before December 11, 2011.

F. The Aurora Dairy - Georgia Lease

The DPS-GA Dairy is located on property that it leases from Aurora Dairy - Georgia, LLC ("Aurora") pursuant to a Ground Lease effective as of March 1, 2007 (the "Aurora Lease"). DPS-GA is in default under the Aurora Lease for failure to make required payments thereunder. Accordingly, Aurora moved the Bankruptcy Court for relief from the automatic stay, to compel DPS-GA to assume or reject the Aurora Lease, or to compel DPS-GA to pay its post-petition obligations under the Aurora Lease until such time as it is assumed or rejected, alternatively.

On September 27, 2011, the Court issued its ruling with respect to the Aurora Lease and held that DPS-GA must pay Aurora monthly rent under the Aurora Lease in the aggregate amount of \$72,598.28 plus any additional amounts due under the Aurora Lease. In

addition, the Court held that DPS-GA must pay Aurora an additional \$740,121.11 of cure costs payable in 12 equal monthly installments, with any unpaid balance as of the Effective Date, plus accrued and unpaid rent due and owing with respect to the Aurora Dairy Lease, being an Allowed Administrative Expense Claim.

2. Proof of Claim Bar Date for Pre-Petition Claims Other Than Governmental Claims

In the Notice of Filing Chapter 11 Bankruptcy Case dated October 12, 2010, the Debtors set the deadline for all persons, other than Governmental Units (as that term is defined in section 101(27) of the Bankruptcy Code), to file proofs of claim in the Debtors' Bankruptcy Cases as November 14, 2011 [Docket #16]. This notice was sent to various entities via first class United States mail and electronic transmission [Docket #33]. Pursuant to section 502(b)(9) of the Bankruptcy Code, the deadline for Governmental Units to file proofs of Claim expired on April 8, 2011.

The total amount of Claims for which a proof of Claim was filed against each Debtor (both excluding and including proofs of Claim filed by AFS) and the total amount of Claims scheduled by each Debtor (all of which include Claims held by AFS) are set forth in the chart below:

Debtor	Claims Filed Excluding AFS	Claims Filed Including AFS	Claims Scheduled
DPS	\$4,647,198.03	\$30,285,885.18	\$33,593,806.55

This data encompasses purported claims that may be unsecured, secured, priority, unknown and administrative. Further, this data is raw data, and the claims scheduled and filed have not been reviewed for duplicity, accuracy, or veracity. Additionally, these amounts do not include potential claims that might be incurred as a result of the rejection or assumption of

¹⁶ The figures provided in this Article were provided by the Debtors in papers filed with the Bankruptcy Court. The Proponent makes no representation or warranty with respect to the accuracy or veracity of any such amounts. The Committee disputes the amounts shown in the chart below.

executory contracts. Therefore, the actual amounts of the allowed claims that may be asserted against each Debtor may differ from the numbers provided in the chart above.

3. Administrative Expense Bar Date

The Proponent filed a motion requesting the Bankruptcy Court to establish a deadline for asserting Administrative Expense Claims that arose after the Petition Date and through and including the date of the entry of an order approving this Disclosure Statement. In addition, the Holders of Fee Claims will not be required to assert Fee Claims by such deadline, but will be required to file estimates of fees and expenses that they expect will be incurred through and including the Effective Date.

As part of the Plan, a separate bar date will be determined for Administrative Expense Claims arising after the date of the entry of an order confirming this Disclosure Statement.

On August 26, 2011, the Debtors filed their Motion to Establish Bar Date for Filing Motions Requesting Allowance or Payment of Administrative Expense Claims Pursuant to 11 U.S.C. § 503(b)(9) and to Approve the Form and Manner of Notice Thereof [Docket #441]. By this motion, the Court set October 21, 2011 at 4:00 p.m. Eastern Time as the deadline for creditors to file claims under section 503(b)(9) of the Bankruptcy Code. As of the Court's deadline, creditors holding administrative expense claims totaling approximately \$404,000 filed applications for allowance of such claims.

I. Assumption and/or Rejection of Certain Executory Contracts and Unexpired Leases

1. Leases of Non-Residential Real Estate

On April 8, 2011, the Court entered an order authorizing the Debtors to assume eight leases for non-residential real estate, each with a cure claim amount of \$0.00. However, the Court did not approve DPS-GA's request to assume that certain Ground Lease dated March 1, 2007 with Aurora Dairy-Georgia, LLC (the "Aurora Dairy Lease"), instead extending the time period within which DPS-GA could assume or reject such lease.

On September 27, 2011, the Court issued its ruling with respect to the Aurora Dairy Lease and held that DPS-GA must pay Aurora monthly rent under the Aurora Lease in the aggregate amount of \$72,598.28 plus any additional amounts due under the Aurora Lease. In addition, the Court held that DPS-GA must pay Aurora an additional \$740,121.11 of cure costs payable in 12 equal monthly installments, with any unpaid balance as of the Effective Date, including accrued and unpaid rent due and owing with respect to the Aurora Dairy Lease, being an Allowed Administrative Expense Claim.

2. Dairy Replacement Management, LLC

On April 23, 2011, the Court entered an order authorizing Heifer Haven to assume a certain Management Agreement (the "Management Agreement") with Dairy Replacement Management, LLC ("DRM"). By the Management Agreement, DRM agreed to

manage and care for dairy cattle owned by the Debtors, including providing feed, hay, vaccines, medicine, worming, veterinary care and breeding to such cattle.

The Debtors and DRM agreed to a cure schedule by which the Debtors would make a total of \$78,691.35 worth of payments in four approximately equal installments over a four month period. This cure amount and payment schedule were approved by the Court.

J. Expiration of Debtors' Exclusivity

The Debtors' exclusive period to file a plan of reorganization pursuant to section 1121 of the Bankruptcy Code has been extended by the Bankruptcy Court on multiple occasions. The Debtors' exclusivity period expired on August 29, 2011, after which time the Proponent filed the Plan.

**ARTICLE V
SUMMARY OF THE PLAN OF REORGANIZATION**

The following sections summarize the salient provisions of the Plan. This summary refers to, and is qualified in its entirety by, reference to the Plan, a copy of which is attached hereto as Exhibit A. THE TERMS OF THE PLAN WILL GOVERN IN THE EVENT ANY INCONSISTENCY ARISES BETWEEN THIS SUMMARY AND THE PLAN.

Parties are encouraged to review the Plan in its entirety for a full understanding of its provisions and its impact on Holders of Claims and Equity Interests.

The Court has not yet confirmed the Plan described in this Disclosure Statement. In other words, the terms of the Plan do not yet bind any person or entity. However, if the Bankruptcy Court confirms the Plan and the Plan becomes effective, the Plan will bind all Holders of Claims and Equity Interests.

THE PROPONENT PROPOSES THE PLAN WITH RESPECT TO EACH DEBTOR INDIVIDUALLY. EACH HOLDER OF A CLAIM OR EQUITY INTEREST WILL RECEIVE A SEPARATE BALLOT FOR EACH CLAIM AGAINST EACH DEBTOR AND MAY VOTE SEPARATELY TO CONFIRM OR REJECT THE PLAN WITH RESPECT TO EACH DEBTOR.

PLEASE NOTE THAT THE PLAN DOES NOT SEEK TO SUBSTANTIVELY CONSOLIDATE THE DEBTORS.

A. Classification and Treatment of Claims and Equity Interests

For purposes of brevity and convenience, the classification of Claims and Equity Interests set forth below applies to each Debtor individually. Unclassified Claims are Unimpaired by the Plan. The following are the unclassified Claims: Administrative Expense Claims, Fee Claims, Priority Tax Claims and U.S. Trustee Fees.

1. Unclassified Claims

Other than expressly provided in the Plan, as provided in section 1123(a)(1) of the Bankruptcy Code, certain Claims shall not be classified for purposes of voting or receiving Distributions under the Plan. Rather, all such claims shall be treated separately as unclassified Claims pursuant to the Plan.

(a) Administrative Expense Claims

Administrative Expense Claims are any Claim (other than a Fee Claim) for payment of costs or expenses of administration specified in sections 503(b) and 507(a)(7) of the Bankruptcy Code and include, without limitation, (a) any actual and necessary costs and expenses incurred on and after the Petition Date of preserving the Estates and operating the business of the Debtors (such as wages, salaries or commissions for services rendered); and (b) any fees and charges assessed against the Estates pursuant to section 1930 of title 28 of the United States Code.

Each Holder of an Allowed Administrative Expense Claim will receive in full and final satisfaction, settlement, and release of and in exchange for such Allowed Administrative Expense Claim: (a) Cash equal to the amount of such Allowed Administrative Expense Claim, paid by DairyCo or the Proponent, subject to the Direct Payment Cap; or (b) such other treatment as to which the Proponent, DairyCo and the Holder of such Allowed Administrative Expense Claim will have agreed upon in writing. On the Effective Date, the Aurora Dairy Allowed Administrative Claim will be paid in full, in Cash, by DairyCo or the Proponent.

(b) Fee Claims

Fee Claims are Claims for compensation or reimbursement of expenses, pursuant to sections 327, 328, 330, 331, 503(b)(2), 503(b)(3), 503(b)(4), 503(b)(5) or 1103 of the Bankruptcy Code, incurred with respect to the Chapter 11 Cases.

Unless the Bankruptcy Court has entered a Final Order allowing a Fee Claim prior to the entry of the Confirmation Order, each Person who holds or asserts a Fee Claim incurred before the Effective Date will be required to file with the Bankruptcy Court and serve on all parties required to receive notice of filings in the Chapter 11 Cases an Application for Final Compensation for all services performed prior to the Effective Date within thirty (30) days after the Effective Date. The failure to file and serve such Fee Application timely and properly will result in the Fee Claim being forever barred and discharged. To the extent necessary to give effect to Article IV.B.1 of the Plan, entry of the Confirmation Order will amend and supersede any previously entered orders of the Bankruptcy Court regarding procedures for the payment of Fee Claims.

A Fee Claim, with respect to which a Fee Application has been timely and properly filed and served pursuant to Article IV.B.1 of the Plan, will become an Allowed Fee Claim only to the extent allowed by Final Order of the Bankruptcy Court, and will be paid in accordance with such Final Order. Each Holder of an Allowed Fee Claim will receive in full and final satisfaction, settlement, and release of and in exchange for such Allowed Fee Claim: (a) Cash equal to the amount of such Allowed Fee Claim paid by DairyCo or the Proponent subject

to the Direct Payment Cap; or (b) such other treatment as to which the Proponent, DairyCo, and the Holder of such Allowed Fee Claim will have agreed upon in writing.

(c) Priority Tax Claims

Priority Tax Claims are any Claims entitled to priority pursuant to section 507(a)(8) of the Bankruptcy Code. All Priority Tax Claims shall be treated as follows:

Each Holder of an Allowed Priority Tax Claim will receive, at the sole option of DairyCo or the Proponent, in full and final satisfaction, settlement, and release of and in exchange for such Allowed Priority Tax Claim: (a) Cash equal to the amount of such Allowed Priority Tax Claim on the Effective Date or as soon as practicable thereafter paid by DairyCo or the Proponent; (b) regular installment payments in Cash in accordance with section 1129(a)(9)(C) of the Bankruptcy Code by the Proponent or DairyCo subject to the Direct Payment Cap; or (c) such other treatment as to which the Proponent, DairyCo and the Holder of such Allowed Priority Tax Claim will have agreed upon in writing.

(d) U.S. Trustee Fees

U.S. Trustee Fees are fees required to be paid to the United States Trustee pursuant to the Bankruptcy Code and applicable guidelines of the Office of the United States Trustee for Region 21. All U.S. Trustee Fees shall be treated as follows:

All U.S. Trustee Fees payable on or before the Effective Date will be paid from Cash held by the Debtors on or before the Effective Date. The Liquidation Trust will be responsible for any U.S. Trustee Fees associated with the Liquidation Trust Assets, if any. It is the position of the Committee that no such U.S. Trustee Fees are payable.

For purposes of brevity and convenience, the treatment of classified Claims and Equity Interests set forth in the Plan applies individually to each Debtor.

Unless the Holder of an Allowed Claim or Allowed Equity Interest and the Proponent or the Liquidation Trustee, as applicable, agree to a different treatment, each Holder of an Allowed Claim or Allowed Equity Interest will receive the following Distributions in accordance with the Plan:

(B) Treatment: In full and final satisfaction, settlement and release of and in exchange for such Allowed Setoff Claim, each Holder of an Allowed Setoff Claim will receive payment in full, in Cash, from DairyCo or the Proponent, in an amount equal to the Allowed amount of such Allowed Setoff Claim in sixty (60) equal monthly installments, together with interest at the rate of the prime rate plus one percent per annum. Payment on account of any

Allowed Setoff Claim will commence on the last day of the calendar month following the month in which the Effective Date occurs (and, if such Setoff Claim is Allowed after the Effective Date, the Holder of such Allowed Setoff Claim will be entitled to all amounts due and owing in accordance with Article V.D.1 of the Plan to and including the date of allowance of such Setoff Claim, which amounts will be paid by DairyCo or the Proponent as soon as practicable after allowance of the Setoff Claim); or some other treatment as mutually agreed between the Proponent and the Holders of the Class 3B Claims. (C) Status: Class 4 is Impaired. The Holders of the Claims in Class 4 are entitled to vote to accept or reject the Plan.

(j) Class 5: Allowed Convenience Class Claims.

In the event a Holder of an Allowed Unsecured Claim against a Debtor holds more than one Allowed Unsecured Claim against such Debtor, all such Claims will be aggregated against such Debtor for purposes of determining whether each such Claim is a Convenience Class Claim.

(B) Treatment: Each Holder of an Allowed Convenience Class Claim will receive, in full and final satisfaction, settlement and release of and in exchange for such Allowed Convenience Class Claim, 100% of their Allowed Convenience Class Claim, which amounts will be paid from the Liquidation Trust Contribution.

2. Reservation of Rights Regarding Claims and Equity Interests.

Except as otherwise explicitly provided in the Plan, nothing will affect the Debtors' rights and defenses, both legal and equitable, with respect to any Claims or Equity Interests, including, but not limited to, all rights with respect to legal and equitable defenses to alleged rights of setoff or recoupment or any Setoff Claims.

3. Limitation to Full Recovery.

Notwithstanding anything herein or in the Plan to the contrary, no Holder of any Claim will be entitled to a distribution in excess of 100% of the amount of the Allowed Claim. Allowed Unsecured Claims will not be entitled to interest on account of their respective Allowed Unsecured Claims.

B. Claims and Distribution

1. Distribution Agent.

The Proponent or the Liquidation Trustee, as applicable, may employ or contract with other Persons or Entities to serve as the Distribution Agent and assist in or make the Distributions required under the Plan.

2. Distributions Under the Plan.

Within the time periods provided in the Plan, the Proponent or Liquidation Trustee, as applicable, will make periodic and final Distributions under the Plan. The Liquidation Trustee will make periodic and final Distributions from the Liquidation Trust, including, without limitation, the Liquidation Trust Proceeds, except such amounts as are necessary to maintain the Disputed Claims Reserve, such amounts as are necessary to fund the Liquidation Trust Expenses and any such other amounts required to be withheld in accordance with the terms of the Plan or determined as necessary to withhold in the sole discretion of the Liquidation Trustee. The Distribution Agent will withhold from amounts distributable to any

Person any and all amounts, determined in the Distribution Agent's reasonable sole discretion, to be required by any law, regulation, rule, ruling, directive or other governmental requirement. The Distribution Agent will require any Person receiving a Distribution hereunder to furnish to the Distribution Agent in writing an employer identification number or taxpayer identification number as assigned by the Internal Revenue Service, and the Distribution Agent may condition any Distribution to any Person hereunder on receipt of such identification number.

3. Timing of Distributions.

Unless otherwise provided herein, Distributions to Holders of Allowed Administrative Expense Claims, Allowed Fee Claims, Allowed Priority Tax Claims, Allowed Priority Non-Tax Claims, Allowed Other Secured Claims, Allowed Setoff Claims, Allowed AFS Secured Claims, and Allowed Convenience Class Claims will be made on the later of:

- (a) the Effective Date of the Plan,
- (b) as soon as practicable after the Claim becomes an Allowed Claim by Final Order, and
- (c) such other date as may be agreed upon by the Proponent, DairyCo or the Liquidation Trustee, as applicable, and the Holder of such Allowed Claim.

Within ninety (90) days after the Effective Date of this Plan, the Liquidation Trustee will establish the Disputed Claims Reserve and make an initial Distribution of the available Liquidation Trust Proceeds in accordance with the provisions of this Plan and the Confirmation Order to the Holders of Allowed Unsecured Claims. For purposes of this initial Distribution, the Liquidation Trustee will distribute the Liquidation Trust Contribution less (a) a sufficient amount to be used to pay Allowed Priority Non-Tax Claims and Allowed Convenience Class Claims or fund the Disputed Claims Reserve with respect to such Claims and less (b) up to \$100,000 for Liquidation Trust Expenses. The Liquidation Trustee will make periodic Distributions thereafter to Holders of Allowed Unsecured Claims, as appropriate, in its discretion

4. Disputed Claims Reserve.

For each Class of Claims entitled to a Distribution from the Liquidation Trust, the Liquidation Trustee, will estimate, on or before the Distribution Date, the anticipated aggregate amount of all Disputed Claims in such Class as of such date, and will establish a Disputed Claims Reserve for such Class in an amount sufficient to make the Distributions to Holders of such Disputed Claims (to the extent such Disputed Claims are eventually Allowed at, in the aggregate, the amount estimated by the Proponent or Liquidation Trustee) that would have been made to the Holders as of such date had the Claims been Allowed as of the Distribution Date. Notwithstanding the foregoing, nothing in the Plan, the Confirmation Order or any related document, agreement, instrument or order will prohibit the Liquidation Trustee from using Liquidation Trust Assets and other reserve amounts to fund Liquidation Trust Expenses. Any Cash remaining in the Disputed Claims Reserve after all Disputed Claims, have been resolved and paid, as appropriate, and the costs and expenses of the Liquidation Trust and Liquidation

Trustee have been fully paid, will be available for Distribution to the other Liquidation Trust Beneficiaries in accordance with the Plan. Once all Disputed Claims have been resolved, and after any and all Cash in the Disputed Claims Reserve have been disbursed in accordance with the Plan, such Disputed Claims Reserve will be deemed dissolved.

5. Unclaimed Property.

(a) *Holding of Unclaimed Property.*

If a Distribution to any Holder of an Allowed Claim is Unclaimed Property, no additional Distributions will be made to such Holder unless and until the Distribution Agent is notified in writing of such Holder's then current address in accordance with the Plan. Nothing contained in the Plan will required the Proponent, the Liquidation Trustee or the Distribution Agent to attempt to locate any Holder of an Allowed Claim. The Distribution Agent, the Proponent or DairyCo, as applicable, will hold all Unclaimed Property (and all interest, dividends, and other distributions thereon) for the benefit of the Holders of Claims entitled thereto under the terms of the Plan. The Distribution Agent will make all Distributions of Unclaimed Property on or after the Distribution Date as soon as reasonably practicable after such Unclaimed Property has become deliverable or has been claimed in accordance with the Plan.

(b) *Distribution of Unclaimed Property.*

At the end of ninety (90) days following the date that any Cash or other property becomes Unclaimed Property, the Holder of the Allowed Claim theretofore entitled to such Unclaimed Property held pursuant to Article VII.E.1 of the Plan will be deemed to have forfeited such property, whereupon: (a) with respect to any Distributions to Holders of Allowed Priority Non-Tax Claims, Allowed Convenience Class Claims and Allowed Unsecured Claims that become Unclaimed Property, all right, title and interest in and to such Unclaimed Property and any further Distributions under the Plan will be available to fund the Liquidation Trust or Liquidation Trustee or will be available for Distribution to all other Holders of Allowed Claims unless the Holder of an Allowed Claim entitled to the Unclaimed Property makes a request in writing to the Distribution Agent for such Unclaimed Property (which request must set forth the Distribution Address for such Holder) prior to the expiration of such period; and (b) with respect to any Distributions to Holders of Allowed Administrative Expense Claims, Allowed Fee Claims, Allowed Priority Tax Claims and Allowed Setoff Claims that become Unclaimed Property, all right, title and interest in and to such Unclaimed Property and any further Distributions under the Plan will be remitted to DairyCo or the Proponent, as determined by the Proponent, unless the Holder of an Allowed Claim entitled to the Unclaimed Property makes a request in writing to the Distribution Agent for such Unclaimed Property (which request must set forth the Distribution Address for such Holder) prior to the expiration of such period. If there are any residual Liquidation Trust Proceeds or Unclaimed Property remaining of \$15,000 or less at the time of the dissolution of the Liquidation Trust, such residual Liquidation Trust Proceeds or Unclaimed Property will be distributed to DairyCo or the Proponent, as determined by the Proponent, free of any restrictions thereon and notwithstanding any federal or state escheat laws to the contrary.

6. Distributions to Holders of Claims Generally.

(a) No Distribution in Excess of Allowed Claim.

Notwithstanding anything to the contrary herein, no Holder of an Allowed Claim will receive, in respect of such Claim, Distributions under the Plan in excess of the amount of its Allowed Claim.

(b) Disputed Payments.

If any dispute arises as to the identity of a Holder of an Allowed Claim that is to receive any Distribution, the Distribution Agent may, in lieu of making such Distribution to such Person, make such Distribution into an escrow account or otherwise hold such Distribution until the disposition thereof is determined by Final Order of the Bankruptcy Court or by written agreement among the interested parties to such dispute, which written agreement is reasonably acceptable to the Proponent or Liquidation Trustee, as applicable, and the Distribution Agent.

(c) Withholding Taxes.

Any federal or state withholding taxes or other amounts required to be withheld under any applicable law will be deducted and withheld from any Distributions made pursuant to the Plan. All Persons holding Claims will be required to provide to the Distribution Agent any information necessary to effect the withholding of such taxes. Notwithstanding the foregoing, each Holder of an Allowed Claim that is to receive a Distribution hereunder will have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any governmental unit on account of such Distribution, including, without limitation, withholding tax obligations in respect of in-kind (non-cash) Distributions. Any party issuing an instrument or making an in-kind (non-cash) Distribution under the Plan has the right, but not the obligation, to refrain from making such Distribution until the Person to which the Distribution is to be made has made arrangements satisfactory to such issuing or disbursing party for payment of any such tax obligation.

(d) Timing of Distributions under The Plan.

Payments and Distributions in respect of Allowed Claims under the Plan will be made as provided in the Plan.

(e) Distributions after the Effective Date.

Distributions made after the Effective Date to Holders of Allowed Claims that are Disputed Claims as of the Effective Date will be deemed to have been made on the Effective Date. No interest will accrue or be payable on such Claims or any Distributions.

(f) Manner of Payments.

Any payments to be made by the Distribution Agent pursuant to the Plan will be made by checks drawn on accounts maintained by the Distribution Agent or its professionals, or by wire transfer if circumstances justify, at the option of the Distribution Agent.

(g) Delivery of Distribution.

Distributions to Holders of Allowed Claims will be sent to the last known address set forth on such holder's Proof of Claim Filed with the Court, or on the Schedules, if no proof of Claim has been filed. Holders of Claims may change the address to which distributions, if any, will be sent by furnishing written notice to the Distribution Agent. A proper notice of change of address will be effective for a distribution if received by the Distribution Agent at least 30 days in advance of such distribution date. U.S. Postal notifications of changes of address will be honored, provided that the Distribution Agent shall have no obligation to investigate the address of the holder of an Allowed Claim following expiration of such U.S. Postal notifications. Notwithstanding Bankruptcy Rule 3001(e), written notice of any assignment of an Allowed Claim shall be given to the Distribution Agent by the assignee thereof before the Distribution Agent shall be obligated to direct distributions to such assignee. Absent receipt by the Distribution Agent of such written notice of assignment, neither the Distribution Agent, nor the Trust shall have any liability to any such assignee or to any other Person on account of a misdirected distribution.

(h) Record Date for Distributions.

The Distribution Agent will have no obligation to recognize the transfer of, or the sale of any participation in, any Allowed Claim that occurs after the close of business on the Distribution Record Date, except to the extent required under the Bankruptcy Rules.

(i) No Distributions Pending Allowance.

Notwithstanding any other provision of the Plan, no payments or Distributions by the Distribution Agent will be made with respect to all or any portion of a Disputed Claim unless and until all Objections to such Disputed Claim have been settled or withdrawn by agreement of the parties or have been determined by Final Order, and the Disputed Claim, or some portion thereof, has become an Allowed Claim; provided however, that the Liquidation Trustee or the Proponent, as applicable, may in their sole discretion, pay any Distribution due under the Plan on account of any undisputed portion of a Disputed Claim.

7. Setoffs.

Except as otherwise provided in the Plan, the Confirmation Order, or in an agreement approved by a Final Order of the Bankruptcy Court, the Proponent or DairyCo, with respect to any Estate Assets transferred to DairyCo, may, pursuant to applicable law (including, without limitation, section 553 of the Bankruptcy Code), set off against any Distribution amounts related to any Claim before any Distribution is made on account of such Claim by the Proponent or DairyCo any and all of the Claims and Causes of Action of any nature that Debtors or the Estates may hold against the Holder of such Claim and that are transferred to Dairy Co; provided, however, that neither the failure to effect such a setoff, the allowance of any Claim under the Plan, any other act or omission of the Proponent or DairyCo, nor any provision of the Plan (other than Article X thereof) will constitute a waiver or release by the Debtors, the Proponent or DairyCo of any such Claims and Causes of Action that the Debtors, the Proponent or DairyCo may possess against such Holder. To the extent the Proponent or the Distribution

Agent fail to set off against a Claim and seek to collect a Claim or Cause of Action from such Holder after a Distribution to such Holder has been made pursuant to this Plan, the Proponent or DairyCo, if successful in asserting such Claim or Cause of Action, will be entitled to full recovery on the Claim or Causes of Action against such Holder.

Except as otherwise provided in the Plan, the Confirmation Order or in an agreement approved by a Final Order of the Bankruptcy Court, the Liquidation Trustee, with respect to any Liquidation Trust Assets, may, pursuant to applicable law (including, without limitation, section 553 of the Bankruptcy Code), set off against any Distribution amounts related to any Claim before any Distribution is made on account of such Claim by the Liquidation Trustee, any Bankruptcy Causes of Action against the Holder of such Claim; provided, however, that neither the failure to effect such a setoff, the allowance of any Claim under the Plan, any other act or omission of the Liquidation Trustee, nor any provision of the Plan (other than Article X thereof) will constitute a waiver or release by the Debtors or the Liquidation Trustee of any of the Bankruptcy Causes of Action that the Debtors or the Liquidation Trustee may possess against such Holder. To the extent the Liquidation Trustee fails to set off against a Claim and seek to collect under any of the Bankruptcy Causes of Action from such Holder after a Distribution to such Holder has been made pursuant to this Plan, the Liquidation Trustee, if successful in asserting such Bankruptcy Cause of Action, will be entitled to full recovery on the Bankruptcy Cause of Action against such Holder.

8. Control of Claims Resolution Process.

After the Effective Date, the Liquidation Trustee, on behalf of the Liquidation Trust, the Proponent and DairyCo (each acting alone), will have the sole power and authority to file and prosecute objections to, or negotiate, settle or otherwise resolve (upon obtaining each other's agreement), any and all Disputed Claims in any Class entitled to a Distribution from the Liquidation Trust. DairyCo and the Proponent will have the sole power and authority to file and prosecute objections to, or negotiate, settle or otherwise resolve (upon obtaining each other's agreement), any and all Disputed Claims in any Class entitled to a Distribution from DairyCo or the Proponent. Each of the Liquidation Trustee, DairyCo and the Proponent will exercise such power and authority in accordance with the objection procedures set forth in the Plan and to prosecute or defend all appeals relating to such Disputed Claims. The Liquidation Trustee, on behalf of the Liquidation Trust, will have the sole power and authority to institute all Bankruptcy Causes of Action, and to prosecute or defend all appeals relating to such Bankruptcy Causes of Action on behalf of the Debtors or the Estates.

9. Distributions Under Fifteen Dollars.

No Distributions of less than fifteen dollars (\$15.00) will be made by the Distribution Agent to any Holder of an Allowed Claim unless a request therefor is made in writing to the Distribution Agent. If no request is made as provided in the preceding sentence, all such Distributions will be treated as Unclaimed Property.

10. Fractional Distributions.

Notwithstanding any other provision of the Plan to the contrary, payments of fractions of dollars by the Distribution Agent will not be required. Whenever any Distribution of a fraction of a dollar would be required, the Distribution will reflect a rounding of such fraction to the nearest whole dollar (up or down), with half dollars being rounded down.

11. Final Distribution.

In accordance with Article VII.E.2 of the Plan and notwithstanding any other provision of the Plan to the contrary, in the event that: (a) in the sole discretion of the Liquidation Trustee, the Liquidation Trust (i) has \$15,000 or less in funds on hand and (ii) has no remaining potential sources of funds; (b) all Allowed Priority Non-Tax Claims and Allowed Convenience Class Claims have been paid in full; and (c) it is impractical or impossible for the Liquidation Trustee to make further distributions under the Plan, the Liquidation Trustee will make a final distribution of all remaining Liquidation Trust Proceeds to DairyCo.

C. Means for Implementation of the Plan

1. Overview of Plan.

On the Effective Date, the Debtors will be deemed to have transferred (a) to DairyCo, any and all Estate Assets, other than those Estate Assets specified by DairyCo as being Liquidation Trust Assets and subject to Article VIII.E, free and clear of any liens, Claims, interests and encumbrances, for and in consideration of the payment commencing on the Effective Date of the Allowed Administrative Expense Claims, Allowed Fee Claims, Allowed Priority Tax Claims, Allowed Setoff Claims, Allowed Other Secured Claims by DairyCo or the Proponent, and the payment to the Liquidation Trust of the Liquidation Trust Contribution by DairyCo or the Proponent; and (b) to the Liquidation Trust, any and all Liquidation Trust Assets. AFS will retain the AFS Deficiency Claim to share in the Liquidation Trust Assets in accordance with this Plan.

From and after the Effective Date, DairyCo intends to conduct a going concern business using the Estate Assets acquired hereunder and additional Cash and operating assets acquired by DairyCo. DairyCo plans to offer employment to substantially all non-corporate employees of the Debtors, as set forth in Article VIII.E herein, and to enter into consulting agreements with certain corporate employees of the Debtors in accordance with Article VIII.E. DairyCo also intends to maintain vendor relationships with a large number of the Debtors' trade vendors (or other vendors offering similar products and services), in order to properly operate its business.

Separately, the Liquidation Trustee, on behalf of the Liquidation Trust, will assemble all Liquidation Trust Assets, prosecute and liquidate the Liquidation Trust Assets, make Distributions in accordance with the Plan and distribute the Liquidation Trust Proceeds in accordance with this Plan. The Liquidation Trustee will be responsible for administering the Liquidation Trust and making all Distributions under the Plan to Holders of Allowed Priority Non-Tax Claims, Allowed Convenience Class Claims, Allowed Other Secured Creditor Deficiency Claims and Allowed Unsecured Claims after the Effective Date.

2. Funding Provided by the Proponent. To effectuate the Plan and the going concern business of DairyCo, the Proponent or DairyCo will provide a total of up to \$11,000,000 of funding as follows:

- (a) Liquidation Trust Contribution. On the Effective Date, DairyCo or the Proponent will contribute \$1,000,000 to the Liquidation Trust for payment of Allowed Claims of the Liquidation Trust Beneficiaries, US Trustee Fees, if any, incurred in connection with Distributions of Liquidation Trust Proceeds, Liquidation Trust Expenses (except for fees and expenses of Liquidation Trust Professionals incurred in connection with pursuing Bankruptcy Causes of Action).
- (b) Payment of Administrative Expense Claims, Fee Claims and Priority Tax Claims. On and after the Effective Date, the Proponent or DairyCo will pay all Allowed Administrative Expenses (up to an aggregate amount of \$2,500,000), Allowed Fee Claims and Allowed Priority Tax Claims.
- (c) Capital to Operations. On and after the Effective Date, the Proponent will provide up to \$7,500,000 to DairyCo to fund DairyCo's going concern business operations.

3. Effective Date Transactions.

To effectuate the Plan, the following transactions will occur:

- (a) On the Effective Date, all of the Estate Assets, other than the Liquidation Trust Assets, will be transferred or assigned to DairyCo free and clear of all liens, claims, interests and encumbrances and the Intercompany Claims will be assigned to DairyCo.
- (b) On the Effective Date, the DairyCo Equity Interests and DairyCo Notes will be issued to AFS or its designee in satisfaction of the AFS Secured Claims.
- (c) On the Effective Date, the Liquidation Trust will be formed and will be funded with the Liquidation Trust Assets, including, without limitation, the Liquidation Trust Contribution.
- (d) On and after the Effective Date, the Liquidation Trustee, on behalf of the Liquidation Trust, will commence to assemble, prosecute and liquidate all Liquidation Trust Assets and make Distributions to all Holders of Allowed Priority Non-Tax Claims, Allowed Convenience Class Claims and Allowed Unsecured Claims in accordance with the Plan, including, without limitation, distribution of the Liquidation Trust Proceeds.

- (e) On and after the Effective Date, DairyCo will own and operate the Dairy Businesses.
- (f) On and after the Effective Date, DairyCo or the Proponent will make Distributions to Holders of Allowed Administrative Expense Claims, Allowed Fee Claims, Allowed Priority Tax Claims, Allowed Other Secured Claims, and Allowed Setoff Claims in accordance with the Plan, unless some mutually agreeable resolution is reached with the Holder of such Claim.

4. Effective Date Funding.

On the Effective Date, the Plan and the transactions and Distributions contemplated therein will be funded by a contribution, referred to in the Plan as the Liquidation Trust Contribution and direct payments from DairyCo or the Proponent.

The Liquidation Trust Contribution is a \$1,000,000 Cash contribution made by DairyCo or the Proponent to the Liquidation Trust. The Liquidation Trust Contribution will be used to pay any Allowed Priority Non-Tax Claims, Allowed Convenience Class Claims and expenses of the Liquidation Trust. After payment of such Allowed Claims and expenses, all other Holders of Allowed Unsecured Claims (except Holders of the Allowed AFS Deficiency Claims) against all Debtors, will be entitled to their Pro Rata Share of the balance of the Liquidation Trust Contribution, and all Holders of Allowed Unsecured Claims (including, without limitation, Holders of the AFS Deficiency Claims) will be entitled to their Pro Rata Share of the remaining Liquidation Trust Proceeds.

DairyCo or the Proponent will pay Allowed Administrative Expense Claims, Allowed Fee Claims, Allowed Priority Tax Claims and Allowed Setoff Claims up to an aggregate amount of \$2,500,000 (the Direct Payment Cap).

Distributions to Holders of the Allowed AFS Secured Claims will be in the form of DairyCo Notes and DairyCo Equity Interests.

5. Employees.

On the Effective Date, all of the Debtors' managers, officers, employees and consultants will be deemed terminated and, simultaneously, DairyCo will offer to hire substantially all the Debtors' former employees and consultants, on substantially the same terms of employment as previously offered by the Debtors or the employee leasing contract with respect to former employees and consultants will be assumed and assigned to DairyCo. DairyCo may attempt to negotiate separate consulting agreements that may be entered into by and between DairyCo (or one of its Affiliates) and each of David P. Sumrall, Massoud Ghadiani, Michael Pedreiro, Jamie Sumrall, Kimberly Potts, Carrie Pedreiro, and A.J. Pedreiro (the "Consulting Agreements").

The Consulting Agreements will be separate agreements and would commence on the Confirmation Date. Under the Consulting Agreements, the consultant would work on behalf of one or more of the DairyCo entities to provide assistance regarding the Debtors' businesses

and to actively facilitate the orderly transition of the Debtors' businesses to DairyCo, including, but not limited to, collection of accounts receivable. The consultant will serve in an advisory and consulting capacity only and shall not be any employee of any of the DairyCo entities.

6. Vendor Contracts.

DairyCo will negotiate in good faith with at least the Debtors' eight (8) largest trade vendors (measured in terms of annual dollar volume of business with the Debtors) in an effort to enter into long term contracts for merchantable goods and services which contracts must be acceptable to DairyCo and, at a minimum, will contain terms and conditions regarding price, quality, delivery and credit terms acceptable to DairyCo; provided, however, DairyCo is under no obligation to enter into any contract with any such trade vendor.

7. Estate Assets Transferred to DairyCo.

On the Effective Date, all Estate Assets, including, but not limited to all Causes of Action, other than Liquidation Trust Assets, will be transferred or assigned to DairyCo free and clear of all liens, Claims, interests and encumbrances; provided that, at DairyCo's sole option, DairyCo may elect, on or after the Effective Date, to abandon or not acquire any Estate Asset, including, without limitation, any deposits, prepaid expenses, retainers, or any Estate Asset subject to any Environmental Claim or Other Secured Claim as determined by the Proponent in the Proponent's sole discretion, in which case such Estate Asset shall remain property of the Debtors or the Estates and shall be deemed abandoned by the Debtor pursuant to 11 U.S.C. §554..

8. Assumed Liabilities.

DairyCo is acquiring the Estate Assets, other than Liquidation Trust Assets, free and clear of all liens, Claims, interests and encumbrances except for the Assumed Liabilities. The Assumed Liabilities will be expressly identified in the Plan Supplement as Claims that will be assumed by DairyCo.

9. Corporate (or Equivalent) Action.

On the Effective Date, all matters expressly provided for under the Plan that would otherwise require approval of the members, managers, shareholders, directors or other corporate officials of one or more of the Debtors, including but not limited to, the dissolution or merger of any of the Debtors, will be deemed to have occurred and will be in effect upon the Effective Date pursuant to the applicable general corporation law of the states in which the Debtors are incorporated without any requirement of action by the members, managers, shareholders, directors or other corporate officials of the Debtors. The entry of the Confirmation Order will constitute authorization and direction for the Debtors, or the Proponent on the Debtor's behalf, to take or cause to be taken all corporate, limited liability or other actions necessary or appropriate to consummate and implement the provisions of the Plan prior to, on and after the Effective Date, and all such actions taken or caused to be taken will be deemed to have been authorized and approved by the Bankruptcy Court. On the Effective Date, the Debtors, or the Proponent on the Debtor's behalf, will be authorized and directed to execute and deliver the agreements, documents and instruments contemplated by the Plan in the name and on

behalf of the Debtors and to take all necessary and appropriate actions to effectuate the transactions contemplated by the Plan.

10. Other Documents and Actions.

The Debtors, or the Proponent on the Debtor's behalf, are authorized and directed to execute such documents and take such other actions as may be necessary to effectuate the transactions provided for in the Plan.

11. Operations Between the Confirmation Date and the Effective Date.

The Debtors will be directed to operate their businesses and conduct their affairs in the ordinary course of business or as necessary to implement the Plan. In addition, on or after the Confirmation Date, DairyCo will have the right, in its sole discretion, to designate one or more Persons to operate, manage and safeguard the Debtors' businesses and Estate Assets and to execute documents on behalf of the Debtors' businesses and Estate Assets in order to ensure a timely and smooth transition of the Estate Assets to DairyCo or the Liquidation Trust, as applicable, on the Effective Date.

12. Dissolution of Debtors.

The Debtors, or any of them, will be deemed to have been dissolved upon the Proponent's or DairyCo's filing with the Bankruptcy Court of a notice of dissolution with respect to such Debtors. On the Effective Date, all of the Debtors' officers, directors, managers or members, as applicable, will be deemed to have resigned.

13. Conditions Precedent to the Effective Date.

On or before the Effective Date, the following actions will be undertaken and will be deemed to have occurred simultaneously (and no such action will be deemed to have occurred prior to the taking of any other such action), and all such actions will be conditions precedent to the effectiveness of the Plan:

- (a) Holders of the AFS Secured Claims will have accepted the Plan.
- (b) All Distributions, payments and transfers to be made on the Effective Date will be made or duly provided for.
- (c) The Bankruptcy Court will have entered the Disclosure Statement Order and the Confirmation Order, each in form and substance consistent with the Plan and acceptable to the Proponent in its sole discretion, and neither the Disclosure Statement Order nor the Confirmation Order will have been reversed, modified or amended in any material respect prior to the Effective Date.
- (d) All licenses, permits and regulatory approvals necessary for the ownership and operation of the Debtors' businesses, to the extent

issued prior to the Effective Date, will have been assigned to, issued to, or obtained by DairyCo.

- (e) The Confirmation Order will:
- (i) expressly approve the terms and provisions of the Plan, and find that they comply with section 1129 of the Bankruptcy Code;
 - (ii) find that all Holders of Claims and Equity Interests, and all other parties in interest, were duly given notice of, and an opportunity to be heard in connection with, the Chapter 11 Cases and the Plan, pursuant to and in satisfaction of the applicable provisions of the Bankruptcy Code;
 - (iii) set forth and approve the identity of the Liquidation Trustee as trustee of the Liquidation Trust;
 - (iv) set forth the Administrative Expense Bar Date and the Distribution Record Date;
 - (v) provide for transfer of the Estate Assets (other than any Estate Assets that DairyCo elects not to acquire) to DairyCo, on the Effective Date, free and clear of all Claims, liens, interests, encumbrances and other liabilities including, without limitation, Claims against or Equity Interests in the Debtors, to the full extent allowed pursuant to sections 105, 363, 1123, 1129 and 1141 of the Bankruptcy Code, except as otherwise provided in the Plan;
 - (vi) provide for the assumption on the Effective Date of the Assumed Contracts in accordance with the Plan;
 - (vii) provide for the rejection of all executory contracts and unexpired leases, other than a contract or lease that (A) is expressly assumed and/or assigned by the Debtors pursuant to a Final Order of the Bankruptcy Court entered prior to such date or is subject to a separate motion to assume pending before the Bankruptcy Court on such date, (B) is specifically designated by the Proponent as an Assumed Contract, or (C) expires, terminates or otherwise becomes non-executory prior to such date;

- (viii) provide for the allowance of the AFS Claims as provided in the Plan;¹⁷
- (ix) authorize and direct holders of Claims or Equity Interests in the Debtors to take or cause to be taken, on or prior to the Effective Date, all actions that are necessary to implement effectively the provisions of the Plan. Moreover, the Confirmation Order will empower, authorize and direct the Debtors to consummate the transactions contemplated by the Plan on or after the Effective Date;
- (x) provide that the Estate Assets will be and remain free and clear of the liens, Claims, and Equity Interests of any Person other than as provided in the Plan, and no Person will be permitted to execute against or receive Distributions except in accordance with the terms of the Confirmation Order and the Plan;
- (xi) provide that all transfers of money or property by the Debtors or the Liquidation Trust, or the issuance, transfer, release or exchange of a security, or the making or delivery of any instrument of transfer, including, without limitation, the transfer of the Estate Assets of the Debtors to DairyCo or the Liquidation Trust, as applicable, and the issuance of DairyCo Equity Interests and DairyCo Notes, are an integral part of the Plan and will be deemed to be made under the Plan pursuant to section 1129 of the Bankruptcy Code, and that all appropriate taxing entities will not impose any tax under any law imposing a stamp tax or similar tax based on the issuance, transfer, or exchange of a security, or the making or delivery of any instrument of transfer or release, as contemplated by the Plan, to the full extent allowed by section 1146(a) of the Bankruptcy Code;
- (xii) provide that entry of the Confirmation Order will not have any res judicata or other preclusive effect with respect to any Causes of Action that are not specifically and expressly released by the terms of the Plan, the Confirmation Order or another Final Order of the Bankruptcy Court entered prior to the Confirmation Hearing, and that entry of the Confirmation Order will not be deemed a bar to asserting such Causes of Action;

¹⁷ Pursuant to the Third Interim Order Authorizing the Debtors' Use of Cash Collateral and Granting Adequate Protection Pursuant to Sections 361 and 363 of the Bankruptcy Code and Fed. R. Bankr. P. 4001 entered on December 21, 2010, the deadline for filing objections to the AFS Claims was January 31, 2011. The only objection filed was the Adversary Proceeding which will be dismissed in accordance with the Plan.

- (xiii) provide that Morgan Joseph TriArtisan is not entitled to any success fee in connection with the Plan or otherwise;
- (xiv) approve the releases provided in Article X;
- (xv) provide for dismissal with prejudice of the AFS Causes of Action;

14. Waiver of Conditions to Effectiveness.

The requirement that a particular condition to the effectiveness of the Plan be satisfied may be waived in whole or part by the Proponent in the Proponent's sole discretion, without notice or a hearing. The failure of the Proponent to assert the non satisfaction of any such conditions will not be deemed a waiver of any other rights hereunder, and each such right will be deemed an ongoing right that may be asserted or waived (as set forth herein) at any time or from time to time. Within seven (7) days from the satisfaction or waiver of all conditions to the effectiveness of this Plan as determined by the Proponent in the Proponent's sole discretion, the Proponent shall file with the Court a certification that such conditions have been satisfied or waived.

15. Effect of Nonoccurrence of the Conditions to Effectiveness.

If each of the conditions to consummation and the occurrence of the Effective Date has not been satisfied or duly waived on or before the date that is one hundred and eighty (180) days after the Confirmation Date, the Confirmation Order may be vacated by the Bankruptcy Court upon a motion filed by the Proponent. If the Confirmation Order is vacated pursuant to the Plan, the Plan will be null and void in all respects, and nothing contained in the Plan will: (a) constitute a waiver or release of any Claims against or Equity Interests in the Debtors, or (b) prejudice in any manner the rights of the Proponent.

16. Further Authorization.

So long as not inconsistent with the terms of the Plan or the Confirmation Order, the Proponent will be entitled to seek such orders as each deems necessary to carry out and further the intentions and purposes, and to give full effect to the provisions, of the Plan.

17. No Substantive Consolidation.

Any Claim asserted against any of the Debtors or any of the Estates will be deemed to be a Claim asserted only against the applicable Debtor and Estate, or, if multiple Debtors are liable on the Claim, against the applicable Debtors and Estates.

For the period of time up to and including the Effective Date, the Plan contemplates the consolidation of the Debtors in the form of a joint venture (the “Reorganized Debtors Joint Venture” or the “RDJV”) solely for all of those purposes and actions associated with confirmation and consummation of the Plan, including, without limitation, for purposes of voting on Confirmation. On the Confirmation Date, and effective on and after the Effective Date, the Estate of each of the Debtors shall remain administratively consolidated into DPS-GA for all purposes associated with confirmation and consummation of the Plan, including, without limitation, for purposes of voting and Confirmation.

Effect of RDJV. Until the Effective Date and until substantial consummation of the Plan, (a) all assets and liabilities of the Debtors shall be treated as though they were merged into DPS-GA Estate, (b) for all purposes associated with Confirmation (including, without limitation, for purposes of tallying acceptances and rejections of the Plan) and distributions under the Plan, the Estates of the Debtors shall be deemed to be one consolidated Estate under DPS-GA, (c) any Claim against any Debtor and any guarantee thereof executed by any other Debtor and any joint and several liability of any Debtor shall be one obligation of the RDJV, and (d) each and every Claim filed or to be filed in the Cases shall be deemed filed against the RDJV, and shall be Claims against and obligations of the RDJV.

The RDJV shall not affect: (a) the legal and organizational structure of each Debtor; (b) Pre and Post-petition guarantees, liens, and security interests that are required to be maintained (i) under the Bankruptcy Code or in connection with contracts or leases that were entered into during the Cases or executory contracts or unexpired leases that have been or will be assumed, or (ii) pursuant to the Plan; (c) distributions from any insurance policies or proceeds of such policies; and (d) the filing of tax returns by DairyCo.

Reasons for the RDJV. In the Proponent’s view, the limited consolidation of the Estates into the RDJV is appropriate.

The Eleventh Circuit has authorized multiple bankruptcy estates to be consolidated for plan purposes by consideration of the following twelve factors: (1) the presence or absence of consolidated financial statements; (2) the unity of interests and ownership between various corporate entities; (3) the existence of parent and intercorporate guarantees on loans; (4) the degree of difficulty in segregating and ascertaining individual assets and liabilities; (5) the existence of transfers of assets without formal observance of corporate formalities; (6) the commingling of assets and business functions; (7) the profitability of consolidation at a single physical location; (8) the parent owning the majority of the subsidiary's stock; (9) the entities’ having common officers or directors; (10) the subsidiary being grossly undercapitalized; (11) the subsidiary transacting business solely with the parent; and (12) both entities disregarding the legal requirements of the subsidiary as a separate organization. *Eastgroup Props. v. Southern Motel Assoc., Ltd.*, 935 F.2d 245, 249 (11th Cir. 1991) (citing *In re Vecco Constr. Indus., Inc.*, 4 B.R. 407, 410 (Bankr. E.D.Va. 1980)).

The Proponent believes that many of the factors are applicable in the Bankruptcy Cases and that those factors support the formation of the RDJV:

A. *Consolidated financial statements.* Although the Debtors prepared separate financial statements, consolidated financial statements are maintained.

B. *Unity of interests and common ownership.* The Debtors are all owned 100% (directly or indirectly) by Sumrall.

C. *Existence of parent and intercorporate guarantees on loans.* Although the Debtors do not share a common corporate parent, they, as described above, do have a common 100% individual parent in Sumrall. Sumrall guaranteed the Debtors loans at the request of creditors, suggesting that creditors relied on the credit of the Debtors as a whole, rather than on the Debtors' separate credit. *See In re Manzey Land & Cattle Co.*, 17 B.R. 332, 337 (Bankr. D.S.D. 1982) (holding that creditors' demands for guarantees from parent tend to indicate that they see parent and subsidiary as single cohesive unit).

D. *Difficulty in segregating/ascertaining individual assets and liabilities.* After reviewing the Debtors' books and records and given the joint and several and overlapping nature of the Debtors' assets and liabilities, the Proponent believes that segregating, ascertaining, and making distributions based on the Debtors' individual assets and liabilities would be difficult. Several creditors of the Debtors provided services which resulted in a benefit to all of the Debtors. As such, these creditors would more appropriately have a claim against the Debtors as a single unit. The Debtors have, however, maintained accurate records of intercompany transactions and their assets and liabilities are not "hopelessly entangled," but such "hopeless entanglement" of assets and liabilities is not a prerequisite even for substantive consolidation. *See Seth D. Amera, Substantive Consolidation: Getting Back to Basics*, 14 Am. Bankr. Inst. L. Rev 1, 15-16 (Spring 2006) (explaining that the "hopeless entanglement" factor, as first recognized in *Chemical Bank New York Trust Co. v. Kheel*, 369 F.2d 845 (2d Cir. 1966), "is not required under all circumstances"; it is not a "second or alternative" ground; it is "simply an additional factor").

E. *Transfer of assets without observance of corporate formalities.* The Debtors have regularly paid each other's obligations to best effectuate their shared business. The cost of untangling these transfers would be substantial.

F. *Comingling of assets and business functions.* The Debtors (i) have generally operated as a single economic enterprise, with a high degree of integration, (ii) are operated from a single physical location in Florida. It would be difficult for the Debtors to operate on a standalone basis without such integration and overlapping business functions.

G. *Majority ownership by parent.* As pointed out above, Sumrall (or companies of which he is the sole owner) is the Debtors' sole member and manager.

H. *Common officers and directors.* The Debtors share common officers and senior managers who have simultaneous roles for each of the Debtors.

No harm will result to creditors from the formation of the RDJV; instead, creditors of all Estates will benefit by such arrangement. Requiring distribution from a particular

Debtor could result in litigation causing the Debtors to incur legal costs to the detriment of all creditors. The litigation may result because creditors of one Debtor may assert claims to have their claims treated under another Debtor to receive better treatment or to require Debtors to allocate their assets among the Debtors. Further, the RDJV under the Plan will allow the Debtors to avoid unnecessary duplicative costs of preparing individual plans and seeking acceptance of such individual plans, and it would eliminate claim objections, and possible injustice, by the Debtors based on a creditor's filing a proof of claim in the wrong case due to confusion among the separate Debtors.

As currently structured, intercompany receivables have been created. By forming the RDJV, such intercompany receivables are eliminated by being capitalized unless such capitalization is enjoined. If consolidation is enjoined, the intercompany receivables will be left unimpaired. Because each of the Debtors is a disregarded entity for tax purposes, there should be no tax consequences to any Debtor as a result of the formation of the RDJV and the capitalization of indebtedness.

The due process rights of all creditors, equity security holders and other interested parties will be protected. All such interested parties will receive a copy of this Disclosure Statement and will receive notice of the Conformation Hearing on the Plan, and will be afforded the opportunity to review such documents and to object, if so desired. Additionally, Debtors' creditors holding Allowed Claims will receive substantial benefits if the Plan is Confirmed, since they will likely receive a quicker and higher distribution as a result of a single Liquidation Trust rather than having separate trusts for each Debtor or than if the Debtors' cases were either converted or if Debtors filed individual Chapter 11 plans. Finally, creditors will have the right to vote to accept the substituted consolidated obligation of the Liquidation Trust for their claims against the individual Debtors as a matter of contract by voting on the Plan.

Some might label the RDJV as a "deemed" substantive consolidation because formation of the RDJV under the Debtors' Plan does not, as described above, impact the legal and organizational structure of each Debtor. In a deemed substantive consolidation, "distinct legal entities are not combined. Instead, either votes on a plan, plan distributions, or both, are computed 'as if' the legal entities had been combined." William H. Widen, *Report to the American Bankruptcy Institute: Prevalence of Substantive Consolidation in Large Public Bankruptcies from 2000 to 2005*, 16 Am. Bankr. Inst. L. Rev 1, 6 (Spring 2008).

Deemed substantive consolidations have become the dominant form of substantive consolidation. For example, only 2 out of 62 of the "jumbo cases" involving substantive consolidation from 2002 to 2005 involved an actual legal merger of debtors, even using a "very generous standard for what constitutes an 'actual' combination of legal entities." *Id.* at 6. Additionally, deemed substantive consolidations are common, if not the norm, in the Northern District of Georgia. *See e.g., In re Int'l Management Assocs, et al.*, Order Granting Trustee's Motion for Substantive Consolidation of the Debtors' Estates, No. 06-62966 (Bankr. N.D. Ga. April 14, 2008) (Docket No. 607) (approving substantive consolidation without actual merger of entities); *In re Maxxis Group, Inc., et al.*, Order Authorizing Substantive Consolidation of Estates, No. 03-77243 (Bankr. N.D.Ga. February 9, 2007) (Docket No. 545)

(same). In these Cases, the vehicle of a joint venture is particularly appropriate due to the fact that the Debtors are engaged in a single business enterprise.

In sum, the RDJV allows the creditors to vote on a single ballot saving significant time and expense to the Debtors' Estates. In the view of the Proponent and the Committee, the formation of the RDJV provides substantial benefits to the creditors and is in the best interests of the Estates. Moreover, the Proponent and the Committee believe that the prejudice to creditors resulting from the formation of the RDJV, if any, is substantially outweighed by the benefit to the Estates.

18. Securities Registration Exemption.

The DairyCo Equity Interests to be issued and Distributed pursuant to the Plan are to be issued without registration under the Securities Act of 1933, as amended (the "Securities Act"), or any similar federal, state, or local law in reliance upon the exemptions set forth in section 1145 of the Bankruptcy Code. To the extent section 1145 of the Bankruptcy Code is inapplicable, these issuances of the DairyCo Equity Interests would otherwise be exempt from registration under the Securities Act or any similar federal, state, or local law in reliance on the exemption set forth in section 4(2) of the Securities Act or Regulation D promulgated thereunder.

19. Cancellation of Equity Interests.

On the Effective Date, all Equity Interests, and any and all warrants, options, rights, or interests with respect to Equity Interests that have been issued, could be issued, or that have been authorized to be issued but that have not been issued, will be deemed canceled and extinguished without any further action of any party. The Holders of or parties to the share certificates and other agreements will have no rights arising from or relating to such share certificates and other agreements or the cancellation thereof, except the rights provided pursuant to this Plan.

20. Operating Reports.

Prior to the Effective Date, the Debtors will timely file all reports, including without limitation, monthly operating reports required by the Bankruptcy Court, Bankruptcy Code, Bankruptcy Rules, or the Office of the United States Trustee. On and after the Effective Date, the Liquidation Trustee will timely file all reports, including without limitation, quarterly operating reports as required by the Bankruptcy Court, Bankruptcy Code, Bankruptcy Rules, or Office of the United States Trustee until entry of an order closing or converting the Chapter 11 Cases.

21. Disposition of Books and Records.

On the Effective Date, the Debtors will transfer all of the Debtors' books and records in their possession to DairyCo, in the format and medium requested by DairyCo, in its discretion. From and after the Effective Date, DairyCo will preserve and maintain all documents and electronic data transferred to it by the Debtors and will not destroy or otherwise abandon any

such documents and records (in electronic or paper format) for a period of two (2) years after the Effective Date absent further order of the Court after a hearing upon thirty (30) days notice to parties-in-interest. DairyCo will provide the Liquidation Trustee and Liquidation Trustee Professionals with reasonable access to such books and records during normal business hours; provided that DairyCo will not incur any costs associated with such access.

D. Liquidation Trust

1. Establishment of Liquidation Trust.

On the Effective Date, the Liquidation Trust will be established pursuant to the Liquidation Trust Agreement attached to the Plan as Exhibit "A".

2. Appointment of Liquidation Trustee.

The appointment of the Liquidation Trustee will be approved in the Confirmation Order, and such appointment will be as of the Effective Date. In accordance with the Liquidation Trust Agreement, the Liquidation Trustee will serve in such capacity through the earlier of (a) the date that the Liquidation Trust and the Disputed Claims Reserve are dissolved in accordance with the Plan and (b) the date such Liquidation Trustee resigns, is terminated or is otherwise unable to serve, provided, however, that, in the event that the Liquidation Trustee resigns, is terminated or is unable to serve, then the Court, upon the motion of any party-in-interest, will approve a successor to serve as the Liquidation Trustee, and such successor Liquidation Trustee will serve in such capacity until the Liquidation Trust is dissolved.

The Liquidation Trustee will be Ronald L. Glass, a principal and co-founder of GlassRatner Advisory and Capital Group, LLC ("GlassRatner"). GlassRatner has been retained in significant matters to act as a trustee, receiver, and chief restructuring officer for businesses in many different industries. Mr. Glass himself has had a notable career in management of troubled companies. Mr. Glass spent the majority of his career in the senior management team of the Equity Group and its affiliates. For the past several years, Mr. Glass has primarily acted as a Chapter 11 trustee and plan administrator in complex restructuring assignments. Under his leadership, GlassRatner has been involved in the restructuring of more than \$20 billion of bank debt. Mr. Glass has also served as a court-appointed receiver and fiduciary in numerous matters and jurisdictions. For additional information on GlassRatner, please visit its website at <http://www.glassratner.com>.

3. Liquidation Trust Assets.

Notwithstanding any prohibition of assignability under applicable non-bankruptcy law, on the Effective Date and periodically thereafter if additional Liquidation Trust Assets become available, the Debtors will be deemed to have automatically transferred to the Liquidation Trust all of their right, title, and interest in and to all of the Liquidation Trust Assets, and in accordance with section 1141 of the Bankruptcy Code, all such Liquidation Trust Assets will automatically vest in the Liquidation Trust free and clear of all Claims, liens, encumbrances and other liabilities, subject only to the Claims of the Liquidation Trust Beneficiaries as set forth in the Plan and the expenses of the Liquidation Trust and the Liquidation Trustee as set forth herein and in the Liquidation Trust Agreement, with all proceeds of the Liquidation Trust to be

distributed in accordance with the provisions of the Plan. Thereupon, the Debtors will have no interest in or with respect to the Liquidation Trust Assets or the Liquidation Trust.

In connection with any Bankruptcy Causes of Action that are included in the Liquidation Trust Assets, any attorney-client privilege, work-product privilege, or other privilege or immunity attaching to any documents or communications thereto (whether written or oral) will also exist for the benefit of the Liquidation Trust and will vest in the Liquidation Trustee and its representatives, and will also be preserved for and as to the Debtors. The Liquidation Trustee is authorized to take all necessary actions to benefit from such privileges.

The Liquidation Trust Assets will include Bankruptcy Causes of Action, as such term is defined in the Plan. The Bankruptcy Causes of Action may constitute a source of recovery for the Liquidation Trust Beneficiaries.

The Proponent has conducted no research into the existence or viability of any Bankruptcy Causes of Action; however, subsequent to confirmation of the Plan, the Liquidation Trustee will analyze transfers that may be avoidable under chapter 5 of the Bankruptcy Code and will pursue such actions in his discretion.

There is no guaranty that the Liquidation Trustee's pursuit of Bankruptcy Causes of Action will produce a net benefit to the Liquidation Trust or allow for an increased Distribution. Such uncertainty is due in part to the collectability of the defendants of potential Bankruptcy Causes of Action and defenses thereto provided by the Bankruptcy Code and applicable state law.

According to disclosures made by the Debtors in their Schedules, the Liquidation Trustee may be able to pursue Bankruptcy Causes of Action in approximately the amounts set forth in the chart below, which amounts are based upon transfers made to creditors within ninety days of the Petition Date and transfers made to the Debtors' insiders within one year of the Petition Date. The names of these transferees will be provided in the Plan Supplement.

The amounts set forth below are an aggregation of amounts potentially subject to avoidance based on the transfers reported by the Debtors to have been made to third parties and insiders within the ninety days and one year prior to the Petition Date, respectively. The actual amounts recovered may be lower or higher depending on the accuracy of the Debtors' reporting, the collectability of the Bankruptcy Cause of Action defendant and the defenses provided by the Bankruptcy Code and applicable law, including, but not limited to, defenses related to new value and transfers in the ordinary course of business. Accordingly, the actual amounts recovered may be materially less than the amounts set forth in the chart below.

Debtor	Estimated Aggregate Transfers to Third Parties	Estimated Aggregate Transfers to Insiders
DPS	\$2,613,625.49	\$3,144,946.08
DPS-GA	\$2,766,738.83	\$3,600,434.08
DPS-MS	\$962,893.61	\$1,063,308.45
New Frontier	\$1,340,299.91	\$251,632.27
Heifer Haven	\$260,150.00	\$523,250.00

4. Treatment of Liquidation Trust for Federal Income Tax Purposes; No Successor in-Interest.

The Liquidation Trust will be established for the primary purpose of liquidating the Liquidation Trust Assets, in accordance with Treas. Reg. § 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Liquidation Trust. Accordingly, the Liquidation Trustee will, in an expeditious but orderly manner, liquidate and convert to Cash the Liquidation Trust Assets, make timely distributions to the Liquidation Trust Beneficiaries in accordance with the Plan and not unduly prolong its duration. The Liquidation Trust will not be deemed a successor-in-interest of the Debtors for any purpose other than as specifically set forth herein or in the Liquidation Trust Agreement.

The Liquidation Trust is intended to qualify as a “grantor trust” for federal income tax purposes with the Liquidation Trust Beneficiaries treated as grantors and owners of the Liquidation Trust. For all federal income tax purposes, all parties (including, without limitation, the Debtors, the Liquidation Trustee, and the Liquidation Trust Beneficiaries) will treat the transfer of the Liquidation Trust Assets by the Debtors to the Liquidation Trust, as set forth in the Liquidation Trust Agreement, as a transfer of such Liquidation Trust Assets by the Debtors to the Holders of Allowed Claims of the Liquidation Trust Beneficiaries entitled to distributions from the Liquidation Trust Assets, followed by a transfer by such Holders to the Liquidation Trust. Thus, the Liquidation Trust Beneficiaries will be treated as the grantors and owners of a grantor trust for federal income tax purposes.

As soon as reasonably practicable after the Effective Date, the Liquidation Trustee (to the extent that the Liquidation Trustee deems it necessary or appropriate in his or her sole discretion) will value the Liquidation Trust Assets based on the good faith determination of the value of such Liquidation Trust Assets. The valuation will be used consistently by all parties (including the Debtors, the Liquidation Trustee, and the Liquidation Trust Beneficiaries) for all federal income tax purposes. The Bankruptcy Court will resolve any dispute regarding the valuation of the Liquidation Trust Assets.

The right and power of the Liquidation Trustee to invest the Liquidation Trust Assets transferred to the Liquidation Trust, the proceeds thereof, or any income earned by the Liquidation Trust, will be limited to the right and power to invest such Liquidation Trust Assets (pending distributions in accordance with the Plan), as set forth in the Plan; provided, however, that the scope of any such investments will be limited to include only those investments that a liquidating trust, within the meaning of Treas. Reg. § 301.7701-4(d), may be permitted to hold, pursuant to the Treasury Regulations, or any modification in the Internal Revenue Service guidelines, whether set forth in Internal Revenue Service rulings, other Internal Revenue Service pronouncements, or otherwise.

5. Investments of Cash.

Except as otherwise provided in the Plan, all Cash held by the Liquidation Trust will be invested by the Liquidation Trustee with sole and absolute discretion in only (a) direct

obligations of, or obligations guaranteed by, the United States; (b) obligations of any agency or corporation which is or may hereafter be created by or pursuant to an act of the Congress of the United States, as an agency or instrumentality thereof; (c) AAA rated tax-free securities issued by municipalities or state governments or agencies; or (d) such other obligations or instruments as may from time to time be approved for such investments by Final Order of the Bankruptcy Court; provided, however, that the Liquidation Trustee may, to the extent it deems necessary, deposit moneys in demand deposits (including, without limitation, money market funds) at any commercial bank, trust company or other financial institution organized under the laws of the United States or any state thereof which has, at the time of such deposit, a capital stock and surplus aggregating at least \$500,000,000. The investment powers of the Liquidation Trustee will be limited to powers to invest in demand and time deposits, such as short-term certificates of deposit, in banks or other savings or financial institutions, or other temporary, liquid investments such as U.S. Treasury Bills. Such investments will mature in such amounts and at such times as may be deemed necessary by the Liquidation Trustee, with sole and absolute discretion, to provide funds when needed to make Distributions and payments as required by the Plan.

6. Responsibilities of the Liquidation Trustee.

The responsibilities of the Liquidation Trustee will include, but will not be limited to:

- (a) the making of certain Distributions as contemplated in the Plan;
- (b) establishing and maintaining the Disputed Claims Reserve in accordance with the terms of the Plan;
- (c) conducting an analysis of Priority Non-Tax Claims, Other Secured Creditor Deficiency Claims, Unsecured Claims, Insider Claims and Convenience Class Claims and prosecuting objections thereto or settling or otherwise compromising such Claims if necessary and appropriate in accordance with the Plan;
- (d) filing appropriate tax returns in the exercise of its fiduciary obligations;
- (e) retaining the Liquidation Trust Professionals;
- (f) taking such actions as are necessary to prosecute, resolve or compromise, as appropriate, all Bankruptcy Causes of Action; and
- (g) taking such actions as are necessary and reasonable to carry out the purposes of the Liquidation Trust.

7. Liquidation Trust Expenses.

- (a) All Liquidation Trust Expenses will be charged against and paid from the proceeds of the Liquidation Trust Contribution, and the

Liquidation Trustee will pay the same as and when due and payable.

- (b) The Liquidation Trustee will engage attorneys to prosecute Bankruptcy Causes of Action, and represent the Liquidation Trustee. The fees and expenses incurred by the Liquidation Trustee for the prosecution of Bankruptcy Causes of Action will be paid from the net aggregate recovery to the Liquidation Trust of such Bankruptcy Causes of Action and will not be paid out of the Liquidation Trust Contribution; provided, however, that all other services performed by attorneys retained by the Liquidation Trustee will be paid from the Liquidation Trust Contribution. The Liquidation Trust Professionals retained by the Liquidation Trustee will submit periodic statements for services rendered and costs incurred to the Liquidation Trustee for review and approval. The Liquidation Trustee will have ten (10) days to object to any such statement. In the event that any such objection is received by the relevant Liquidation Trust Professional and cannot be promptly resolved by such Liquidation Trust Professional and the Liquidation Trustee, the dispute will be submitted by the Liquidation Trustee to the Bankruptcy Court for adjudication. The Bankruptcy Court will retain jurisdiction to adjudicate any such objection. In the event that no objection is raised to a statement within the ten (10) day period, such statement will be promptly paid by the Liquidation Trustee, subject to Article IX.G.1 of the Plan.

8. Bonding of Liquidation Trustee.

The Liquidation Trustee will not be obligated to obtain a bond but may do so, in its sole discretion, in which case the expense incurred by such bonding will be paid by the Liquidation Trust.

9. Fiduciary Duties of the Liquidation Trustee.

Pursuant to the Plan and the Liquidation Trust Agreement, the Liquidation Trustee will act in a fiduciary capacity on behalf of the Liquidation Trust Beneficiaries.

10. Dissolution of the Liquidation Trust.

The Liquidation Trust will be dissolved no later than four (4) years from the Effective Date unless the Bankruptcy Court, upon a motion filed prior to the fourth (4th) anniversary or the end of any extension period approved by the Bankruptcy Court (the filing of which will automatically extend the term of the Liquidation Trust pending the entry of an order by the Bankruptcy Court granting or denying the motion), determines that a fixed period extension (not to exceed two (2) years, together with any prior extensions, without a favorable letter ruling from the Internal Revenue Service that any further extension would not adversely

affect the status of the Liquidation Trust as a liquidating trust for federal income tax purposes) is necessary to facilitate or complete the recovery and liquidation of the Liquidation Trust Assets. After (a) the final Distribution of the Disputed Claims Reserve and the balance of the Liquidation Trust Proceeds pursuant to the Plan, and (b) the filing by or on behalf of the Liquidation Trust of a certification of dissolution with the Bankruptcy Court in accordance with the Plan, the Liquidation Trust will be deemed dissolved for all purposes without the necessity for any other or further actions.

11. Full and Final Satisfaction against Liquidation Trust.

On and after the Effective Date, the Liquidation Trust will have no liability on account of any Claims or Equity Interests except as set forth in the Plan and in the Liquidation Trust Agreement. All payments and all Distributions made by the Liquidation Trustee under the Plan will be in full and final satisfaction, settlement, and release of and in exchange for all Claims or Equity Interests against the Liquidation Trust.

12. Limitation of Liability.

- (a) No recourse will ever be had, directly or indirectly, against the Liquidation Trustee, the Liquidation Trust Professionals or any other representatives, agents, employees, successors or assigns of the Liquidation Trustee, by legal or equitable proceedings or by virtue of any statute or otherwise, or any deed of trust, mortgage, pledge or note, nor upon any promise, contract, instrument, undertaking, obligation, covenant or agreement whatsoever executed by the Liquidation Trustee under the Plan or by reason of the creation of any indebtedness by the Liquidation Trustee under the Plan for any purpose authorized by the Plan. All such liabilities, covenants, and agreements of the Liquidation Trustee, the Liquidation Trust Professionals or any other representatives, agents, employees, successors or assigns of the Liquidation Trustee, whether in writing or otherwise, under the Plan will be enforceable only against, and will be satisfied only out of, the Liquidation Trust Assets or such part thereof as will, under the terms of any such agreement, be liable therefor, or will be evidence only of a right of payment out of the income and Liquidation Trust Proceeds, as the case may be. Every undertaking, contract, covenant or agreement entered into in writing by the Liquidation Trustee will provide expressly against the personal liability of the Liquidation Trustee.
- (b) Neither the Liquidation Trustee, the Liquidation Trust Professionals nor any other representatives, agents, employees, successors or assigns of the Liquidation Trustee will be liable for any act or omission of one another, nor will the Liquidation Trustee, the Liquidation Trust Professionals or any other representatives, agents, employees, successors or assigns of the

Liquidation Trustee be liable for any act or omission taken or not taken in such capacity other than for specific acts or omissions resulting from Liquidation Trustee's, the Liquidation Trust Professionals' or any other representatives, agents, employees, successors or assigns of the Liquidation Trustee willful misconduct or fraud. The Liquidation Trustee may, in connection with the performance of its functions, and in its sole and absolute discretion, consult with the Liquidation Trust Professionals, and will not be liable for any act taken, omitted to be taken, or suffered to be done in accordance with advice or opinions rendered by such entities, regardless of whether such advice or opinions are provided in writing. Notwithstanding such authority, the Liquidation Trustee will not be under any obligation to consult with the Liquidation Trust Professionals, and the determination not to do so will not result in the imposition of liability on the Liquidation Trustee, the Liquidation Trust Professionals or any other representatives, agents, employees, successors or assigns of the Liquidation Trustee, unless such determination is based on willful misconduct or fraud. The Liquidation Trust will indemnify and hold harmless the Liquidation Trustee, the Liquidation Trust Professionals or any other representatives, agents, employees, successors or assigns of the Liquidation Trustee from and against and in respect of all liabilities, losses, damages, claims, costs, and expenses (including, without limitation, reasonable attorney's fees, disbursements, and related expenses), which such Persons may incur or to which such Persons may become subject to in connection with any action, suit, proceeding, or investigation brought by or threatened against such Persons arising out of or due to their acts or omissions or consequences of such acts or omissions, with respect to the implementation or administration of the Liquidation Trust or the Plan or the discharge of their duties hereunder; provided, however, that no such indemnification will be made to such Persons for actions or omissions as a result of their willful misconduct or fraud.

13. Reliance on Documents.

The Liquidation Trustee may rely, and will be protected in acting or refraining from acting, upon any certificates, opinions, statements, instruments or reports believed by it to be genuine and to have been signed or presented by the proper Person or Persons.

14. Requirement of Undertaking.

The Liquidation Trustee may request any court of competent jurisdiction to require, and any such court may in its discretion require, in any suit for the enforcement of any right or remedy under the Plan, or in any suit against the Liquidation Trustee for any act taken or omitted by the Liquidation Trustee, that the filing party litigant in such suit undertake to pay the

costs of such suit, and such court may in its discretion assess reasonable costs, including, without limitation, reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant.

E. The Releases and Exculpation

1. Estate Release of AFS.

For good and valuable consideration, including, without limitation, the Liquidation Trust Contribution and the up to \$2,500,000 of funding to pay Allowed Administrative Expense Claims, Allowed Fee Claims, Allowed Priority Tax Claims and Allowed Other Secured Claims, upon the Effective Date and except as otherwise provided in the Plan, each of the Debtors and the Estates release the AFS Released Parties from any and all Claims, Causes of Action and Bankruptcy Causes of Action, including, without limitation, the AFS Causes of Action, that the Debtors or the Estates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Equity Interest or other Person or entity, based in whole or in part upon any act or omission, transaction, agreement, event or other occurrence taking place at any time on or before the Effective Date. Upon the Effective Date, each of the Debtors shall execute and deliver a formal release of the AFS Released Parties, in a form acceptable to the Proponent in its sole discretion.

The above-described release includes, but is not limited to, a release by the Debtors and their Estates of the AFS Causes of Action. As a consequence of this release, the Liquidation Trustee will dismiss the AFS Causes of Action with prejudice, with each side bearing its own costs.¹⁸

In exchange for the release set forth in the Plan, AFS and DairyCo have agreed, subject to the conditions precedent set forth in the Plan, to contribute the Liquidation Trust Contribution to the Liquidation Trust to fund the administration of the Plan and the Debtors' Estates after the Effective Date. Absent the Plan and AFS' willingness to fund the Liquidation Trust Contribution under the Plan, there would be no certain recovery to any Creditor.

2. Estate Release of Sumrall.

In the event that Sumrall executes and delivers agreements and documents as Proponent may reasonably require, and a release, in form and substance acceptable to the Proponent, of any and all Claims, Causes of Action and Bankruptcy Causes of Action against the Debtors, the Estates, the Estate Assets, DairyCo, the Liquidation Trust, and Liquidation Trustee, upon the Effective Date and except as otherwise provided in the Plan, each of the Debtors and the Estates will release Sumrall from any and all Claims, Causes of Action, and Bankruptcy Causes of Action, including, without limitation, the Sumrall Causes of Action, that the Debtors or the Estates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Equity Interest or other Person or

¹⁸ The Proponent is unaware of any Claims or Causes of Action that may be released pursuant to this provision other than the Adversary Proceeding; provided, however, that the Proponent disputes the validity of the Claims asserted by the Debtors in the Adversary Proceeding. See Article V.E of the Disclosure Statement for a description of the Adversary Proceeding.

entity, based in whole or in part upon any act or omission, transaction, agreement, event or other occurrence taking place at any time on or before the Effective Date; *provided that* to the extent any Person received a payment or transfer from Sumrall or is otherwise subject to a Bankruptcy Cause of Action as a result of receiving a payment or transfer from Sumrall, such Person will not receive the benefits of this release.

In exchange for the release set forth in the Plan, Sumrall shall have executed and delivered the release described above. Notwithstanding Sumrall's execution of the agreements, documents and release described above, his Equity Interests in the Debtors will be extinguished by the Plan on its Effective Date.

3. Sumrall/AFS Release.

Upon the Effective Date, Sumrall and AFS will execute a mutual release, in a form reasonably acceptable to them, releasing, except as otherwise provided in the Plan, the other, including, without limitation, their respective former, current and future Affiliates, members, managers, officers, directors, employees, consultants, agents, advisors, attorneys, accountants, financial advisors, representatives, professionals, successors, executors, administrators, heirs and assigns, from any and all Claims, Causes of Action, and Bankruptcy Causes of Action that either Sumrall or AFS would have been legally entitled to assert in their own right (whether individually or collectively), based in whole or in part upon any act or omission, transaction, agreement, event or other occurrence taking place at any time on or before the Effective Date; provided, however, Sumrall will only be entitled to receive a release from AFS if Sumrall: (a) executes and delivers a release of all Claims, Causes of Action and Bankruptcy Causes of Action against AFS; and (b) executes any and all documents deemed necessary by AFS to transfer any and all real and personal property related to the Dairy Businesses to AFS, or AFS's designee, as provided in the mutual release agreement. Notwithstanding the foregoing, AFS, or AFS's designee, shall retain the right to decline to take possession of any real or personal property transferred to AFS, or AFS's designee, by Sumrall in accordance with this paragraph.

As consideration for the release set forth in the Plan, AFS has agreed to dismiss the actions pending in the various state courts against Sumrall on his guaranty obligations of the DPS Loans. Sumrall has agreed to dismiss any counterclaims he may assert in the pending state court actions and to cause the Debtors to dismiss the Adversary Proceeding against AFS.

4. Releases by Holders of Claims.

Except as otherwise expressly provided in the Plan or the Confirmation Order, on the Effective Date, for good and valuable consideration, to the fullest extent permissible under applicable law, each Person that has held, currently holds, or may hold a Claim or any other obligation, suit, judgment, damages, debt, right, remedy, cause of action, or liability of any nature whatsoever, will be deemed to, completely and forever release, waive, void, extinguish, and discharge unconditionally the AFS Released Parties of and from any and all Claims, Causes of Action, Bankruptcy Causes of Action obligations, suits, judgments, damages, debts, rights, remedies, and liabilities of any nature whatsoever (including, without limitation, those arising under the Bankruptcy Code), whether liquidated or unliquidated, fixed or Contingent, matured or

unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, in law, equity, or otherwise that are or may be based in whole or part on any act, omission, transaction, event, or other circumstance taking place or existing on or prior to the Effective Date (including prior to the Petition Date) in connection with or related to any of the Debtors or their respective assets, property and Estates, the Chapter 11 Cases or the Plan or the Disclosure Statement; *provided, however*, (a) that each Person that has submitted a ballot rejecting the Plan may elect, by checking the appropriate box on its ballot, not to grant the releases set forth in the Plan with respect to the AFS Released Parties and (b) that each Person that holds a Claim entitled to vote and who abstains from voting to either accept or reject the Plan will be bound to the releases set forth in the Plan with respect to the AFS Released Parties unless they return a ballot opting out of such releases; and *provided, further, however*, that nothing in the Plan will be construed to release the AFS Released Parties from willful misconduct as determined by a Final Order. Holders of Allowed Claims that voted in favor of the Plan, Allowed Administrative Expense Claims, Allowed Priority Tax Claims, Allowed Priority Non-Tax Claims and Allowed Other Secured Claims will be deemed to be bound to the releases in the Plan.

The releases set forth in this Article V.E.3 are in exchange for AFS' agreement to fund Distributions on account of Claims against the Debtors as provided in the Plan, through DairyCo.

5. Exculpation.

The Released Parties will not have or incur any liability to any Person for any act taken or omission made in good faith in connection with or in any way related to the Chapter 11 Cases, negotiating, prosecuting, administering, formulating, implementing, confirming or consummating the Plan, including, without limitation, all activities leading to the promulgation and confirmation of the Plan, the Disclosure Statement (including, without limitation, any information provided or statement made in the Disclosure Statement or omitted therefrom), or any contract, instrument, release or other agreement or document created in connection with or related to the Plan or the administration of the Debtors or these Chapter 11 Cases. The Released Parties will have no liability to any creditor for actions taken in good faith under the Plan, in connection therewith or with respect thereto, including, without limitation, failure to obtain consummation of the Plan or to satisfy any condition or conditions, or refusal to waive any condition or conditions precedent to Confirmation or to the occurrence of the Effective Date. The Released Parties will not have or incur any liability to any Holder of a Claim or party-in-interest herein or any other Person for any act or omission in connection with or arising out of: (a) administration of the Plan, (b) the implementation of any of the transactions provided for, or contemplated in, the Plan, or (c) any action taken in connection with either the enforcement of the Debtors' rights against any Person or the defense of Claims asserted against the Debtors with regard to the Chapter 11 Cases, except for willful misconduct as finally determined by a Final Order. The Released Parties are entitled to rely on, and act or refrain from acting on, all information provided by other Released Parties without any duty to investigate the veracity or accuracy of such information.

F. Procedures for Resolving Disputed Claims

1. Objections to Claims.

On and after the Effective Date, the Liquidation Trust, the Proponent and DairyCo will have the right to the exclusion of all others to make, file and prosecute objections to Disputed Claims. The Liquidation Trust (and the Proponent and DairyCo, at their option) will conduct a review of the Schedules and all Proofs of Claim filed in the Chapter 11 Cases and, except as provided hereunder, the Liquidation Trustee, on behalf of the Liquidation Trust, the Proponent and DairyCo will file objections to such Claims (if any) with the Clerk of the Bankruptcy Court on or before the Claim Objection Deadline. The Liquidation Trust, the Proponent and DairyCo may compromise, settle or otherwise resolve any Disputed Claim without further order of the Bankruptcy Court, after obtaining the consent of each other, and such compromise, settlement or other resolution will constitute a Final Order of the Bankruptcy Court with respect to the allowance of such Claim for all purposes under the Plan.

2. Disputed Claims.

No Distribution will be made with respect to any Disputed Claim (or any portion of such Claim) unless and until a Final Order allowing such Claim has been entered.

3. Subordination of Claims.

Under the Plan, any Claim (other than the AFS Claims) may be subordinated to other Claims pursuant to section 510 of the Bankruptcy Code. No Distributions will be made in respect of a subordinated Claim until all Claims to which such Claim has been subordinated have been satisfied in full. Any action to subordinate a Claim will be filed by the Liquidation Trust at any time after the Effective Date.

4. Estimation of Claims.

The Liquidation Trust, the Proponent or DairyCo may, at any time, request that the Bankruptcy Court estimate any Disputed Claim pursuant to section 502(c) of the Bankruptcy Code, regardless of whether the Liquidation Trust, the Proponent or DairyCo previously had objected to such Claim, and the Bankruptcy Court will retain jurisdiction to estimate any Disputed Claim at any time, including, without limitation, during litigation or another proceeding concerning any objection to such Disputed Claim.

5. No Distribution in Respect of Disallowed Claims.

To the extent that a Disputed Claim is Disallowed in whole or in part, the Holder of such Claim will not receive any Distribution on account of the portion of such Claim (including, without limitation, the whole, if applicable) that is Disallowed.

G. Effect of Confirmation

1. Release of Liens and Cancellation of Instruments.

(a) Release of Liens on Estate Assets.

Unless a particular Claim is reinstated or left unaltered: (a) each Holder of a Secured Claim or a Claim that is purportedly secured by any or all of the Estate Assets will, on or immediately prior to the Effective Date, (i) turn over and release to DairyCo, any and all Estate Assets that secure or purportedly secure such Claim; and (ii) execute such documents and instruments as the DairyCo, may require to evidence or record (with respect to any liens or security interests recorded in the public records) such Holder's release of such property and of all security interests and liens in and on such property; and (b) on the Effective Date, all Claims, right, title and interest in and to such property will revert to DairyCo free and clear of all Claims, including, without limitation, liens, charges, pledges, encumbrances and/or security interests of any kind. All liens, charges, pledges, encumbrances and/or security interests of any kind of the Holders of such Claims in or on the Estate Assets will be deemed to be canceled and released as of the Effective Date.

(b) Effect of Failure to Release Liens.

No Distribution hereunder will be made to or on behalf of any Holder of a Claim unless and until such Holder executes and delivers to the Liquidation Trust such release and surrender of liens or other items described in this Article XII.A, or demonstrates the non availability of such items to the satisfaction of the Liquidation Trust, including, without limitation, requiring such Holder to post a lost instrument or other indemnity bond, among other things, to hold the Liquidation Trust harmless in respect of such lien, instrument or other item described in this Article XII.A and any Distributions made in respect thereof. The Liquidation Trust may reasonably require the Holder of such Claim to hold it harmless up to the amount of any Distribution made in respect of such unavailable note, instrument, document, certificate, subordinated note, agreement, certificated security or other item evidencing such Claim. Any such Holder that fails to execute and deliver such release of liens or other items described in this Article XII.A or satisfactorily explain their non-availability to the Liquidation Trust within one hundred and eighty (180) days after the Effective Date will be deemed to have no further Claim against the Liquidation Trust, and will not participate in any Distribution hereunder, and the Distributions that would otherwise have been made to such Holder will be treated as Unclaimed Property. To the extent any Holder of a Claim described in Article XII.A.1 above fails to release the relevant liens as described in such subsection and in this Article XII.A.2, the Distribution Agent may act as attorney-in-fact, on behalf of such Holder, to provide any releases as may be required.

2. Revesting and Vesting; Retention and Enforcement of Claims.

Except as otherwise provided in the Plan, on the Effective Date, all Estate Assets, other than the Liquidation Trust Assets, will vest in DairyCo, free and clear of all Claims, liens, charges, encumbrances and interests of Claim and Equity Interest Holders. Any and all Liquidation Trust Assets accruing to the Debtors or assertable as accruing to the Debtors will

remain assets of the Estates pursuant to section 1123(b)(3)(B) of the Bankruptcy Code and on the Effective Date will be transferred to and vest in the Liquidation Trust. Pursuant to section 1123(b)(3)(B) of the Bankruptcy Code, only the Liquidation Trust and the Liquidation Trustee will have the right to pursue or not to pursue, or, subject to the terms of the Plan and the Liquidation Trust Agreement, compromise or settle any Liquidation Trust Assets. From and after the Effective Date, the Liquidation Trustee, on behalf of the Liquidation Trust, the Proponent or DairyCo may commence, litigate and settle any objections to Claims (after obtaining each other's agreement) properly instituted by the Liquidation Trustee, on behalf of the Liquidation Trustee, the Proponent or DairyCo after the Effective Date, except as otherwise expressly provided in the Plan and the Liquidation Trust Agreement. From and after the Effective Date, the Liquidation Trustee, on behalf of the Liquidation Trust may commence, litigate and settle any Bankruptcy Causes of Action properly instituted by the Liquidation Trustee, on behalf of the Liquidation Trustee, after the Effective Date, except as otherwise expressly provided in the Plan and the Liquidation Trust Agreement. Other than as set forth herein, no other Person may pursue such Liquidation Trust Assets after the Effective Date. The Liquidation Trustee will be deemed hereby substituted as plaintiff, defendant, or in any other capacity for either the Committee or each Debtor in any Bankruptcy Causes of Action pending before the Bankruptcy Court or any other court that constitutes a Liquidation Trust Asset without the need for Filing any motion for such relief.

3. Injunction.

Except as otherwise expressly provided for in the Plan or the Confirmation Order and to the fullest extent authorized or provided by the Bankruptcy Code, including, without limitation, Bankruptcy Code sections 524 and 1141 and provided that the Effective Date occurs, the entry of the Confirmation Order will permanently enjoin all Persons that have held, currently hold or may hold a Claim or other debt or liability that is subject to the Plan from taking any of the following actions in respect of such Claim, debt or liability: (a) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind against either or both of the Debtors or DairyCo; (b) enforcing, levying, attaching, collecting or otherwise recovering in any manner or by any means, whether directly or indirectly, any judgment, award, decree or order against either or both of the Debtors or DairyCo; (c) creating, perfecting or enforcing in any manner directly or indirectly, any lien or encumbrance of any kind against either or both of the Debtors or DairyCo; (d) asserting any setoff, offset, right of subrogation or recoupment of any kind, directly or indirectly, against any debt, liability or obligation due to either or both of the Debtors or DairyCo; and (e) proceeding in any manner in any place whatsoever, including, without limitation, employing any process, that does not conform to or comply with or is inconsistent with the provisions of the Plan.

4. Term of Injunctions or Stays.

Unless otherwise provided in the Plan or in the Confirmation Order, all injunctions or stays provided for in the Chapter 11 Cases under Bankruptcy Code sections 105(a) or 362, or otherwise, and in existence on the Confirmation Date, will remain in full force and effect until the Effective Date.

H. Executory Contracts

1. Assumption and Assignment of Certain Executory Contracts.

On the Effective Date, the Debtors will assume the Assumed Contracts and assign the Assumed Contracts to DairyCo. The Proponent will include in the Plan Supplement a schedule of all Assumed Contracts and, to the extent applicable, the proposed cure amounts with respect to each Assumed Contract. ANY NON-DEBTOR PARTY TO AN AGREEMENT LISTED ON THE SCHEDULE OF ASSUMED CONTRACTS THAT WISHES TO OBJECT TO THE ASSUMPTION AND (IF APPLICABLE) ASSIGNMENT OF SUCH AGREEMENT OR TO THE PROPOSED CURE AMOUNT WITH RESPECT TO SUCH AGREEMENT AS SET FORTH ON THE SCHEDULE OF ASSUMED CONTRACTS MUST FILE AN OBJECTION WITH THE BANKRUPTCY COURT NO LATER THAN SEVEN (7) DAYS PRIOR TO THE DATE OF COMMENCEMENT OF THE CONFIRMATION HEARING, AND MUST SERVE SUCH OBJECTION ON THE PROPONENT. IF SUCH NON-DEBTOR PARTY FAILS TO TIMELY FILE AND SERVE SUCH OBJECTION, SUCH PARTY WILL BE DEEMED TO CONSENT TO THE ASSUMPTION AND ASSIGNMENT OF SUCH AGREEMENT AND THE PROPOSED CURE AMOUNT (IF ANY) WITH RESPECT TO SUCH AGREEMENT, AND SUCH OBJECTION AND ANY ASSERTED RIGHT TO RECEIVE A CURE PAYMENT OTHER THAN THAT SET FORTH ON THE SCHEDULE OF ASSUMED CONTRACTS (IF ANY) WILL BE WAIVED. THE PROPONENT MAY RESPOND TO ANY TIMELY FILED AND SERVED OBJECTION (IN WHICH CASE THE BANKRUPTCY COURT WILL DECIDE SUCH OBJECTION AT THE CONFIRMATION HEARING OR SUCH OTHER TIME AS DETERMINED BY THE BANKRUPTCY COURT), OR THE PROPONENT MAY REMOVE THE PARTICULAR AGREEMENT FROM THE SCHEDULE OF ASSUMED CONTRACTS (IN WHICH CASE THE AGREEMENT WILL NO LONGER BE AN ASSUMED CONTRACT). Cure amounts for Assumed Contracts determined in accordance with the Plan will be satisfied by the DairyCo or the Proponent.

2. Assumption and Assignment Conditioned upon Consummation of the Plan

The Plan seeks to cause the applicable Debtors to assume the Assumed Contracts and assign such Assumed Contracts to DairyCo to the extent, and only to the extent, that such contracts or leases constitute executory contracts or unexpired leases. Additionally, unless the assumption and assignment of an Assumed Contract is expressly approved by a Final Order of the Bankruptcy Court that provides otherwise, the assumption and assignment of each Assumed Contract is expressly conditioned upon the occurrence of the Effective Date. If the Effective Date does not occur, assumption and assignment of the Assumed Contracts as provided in the Plan will not be effective, and the Debtors will retain all of their rights under section 365 of the Bankruptcy Code with respect to such contracts and leases.

3. Rejection of Remaining Contracts and Leases.

Any and all of the Debtors' executory contracts and unexpired leases will be deemed rejected as of the Effective Date (unless such deadline is extended by Final Order of the Bankruptcy Court), other than contracts and leases that (a) are expressly assumed by the Debtors pursuant to a Final Order of the Bankruptcy Court entered prior to such date or are subject to a

separate motion to assume and assign to DairyCo pending before the Bankruptcy Court on such date, (b) are specifically designated by the Proponent as an Assumed Contract pursuant to the Plan, or (c) expire, terminate or otherwise become non-executory prior to such date. Proofs of Claim with respect to any Claim for damages arising from the rejection of any executory contract or unexpired lease pursuant to the Plan must be filed with the Bankruptcy Court and served on the Liquidation Trustee on or before the Rejection Bar Date.

4. Treatment of Rejection Damages Claims.

Any Claim for damages based upon the rejection of any executory contract or unexpired lease will be treated as an Unsecured Claim and will be classified in Class 4 or Class 5, as appropriate, and may be objected to in accordance with the provisions of the Plan, and the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules and the Local Rules. The failure to file a Proof of Claim with respect to a Claim for damages based upon the rejection of an executory contract or unexpired lease as provided in the Plan or a Final Order of the Bankruptcy Court specifically relating to such Claim will forever bar and discharge such Claim.

I. Administrative Provisions

1. Retention of Jurisdiction.

The Bankruptcy Court will retain post-confirmation jurisdiction over these Chapter 11 Cases including, without limitation, for the following purposes:

- (a) To resolve any dispute or matter arising under or in connection with any order of the Bankruptcy Court entered in the Chapter 11 Cases, including, without limitation, disputes that arise between or among the Debtors, the Proponent, DairyCo, the Liquidation Trust, the Liquidation Trustee, Holders of Claims or Equity Interests or other parties in interest.

- (x) To determine such other matters, and for such other purposes, as may be provided in the Confirmation Order, or as may be authorized under the Bankruptcy Code.

2. Failure of the Bankruptcy Court to Exercise Jurisdiction.

If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising in, arising under, or related to the Chapter 11 Cases, then Article XIV.A above will have no effect upon and will not control, prohibit, or limit the exercise of jurisdiction by any other court having jurisdiction with respect to such matter.

3. Governing Law.

Except to the extent the Bankruptcy Code, Bankruptcy Rules, Local Rules or other federal laws apply, the rights and obligations arising under the Plan will be governed by the laws of the State of Georgia, without giving effect to principles of conflicts of law.

4. Amendments.

(a) Preconfirmation Amendment.

The Proponent, may modify the Plan at any time prior to the Confirmation Date; provided, however, that the Plan, as modified, and the Disclosure Statement pertaining thereto will meet applicable Bankruptcy Code requirements.

(b) Post-Confirmation Amendment Not Requiring Resolicitation.

After the Confirmation Date, with the approval of the Bankruptcy Court, the Proponent may modify the Plan to remedy any defect or omission or to reconcile any inconsistencies in the Plan or in the Confirmation Order as may be necessary to carry out the purposes and effects of the Plan, or in a manner that does not materially adversely affect the interests, rights, treatment or Distributions of any Class of Claims or Equity Interests. Any waiver under Article VIII.M above will not be considered to be a modification or amendment of the Plan.

(c) Post-Confirmation, Pre-Consummation Amendment Requiring Resolicitation.

After the Confirmation Date and before substantial consummation of the Plan, the Proponent may modify the Plan in a manner that materially and adversely affects the interests, rights or treatment of, or Distributions to, one or more Classes of Claims or Equity Interests, provided, however, that (a) the Plan, as modified, will satisfy all applicable Bankruptcy Code requirements; (b) the Proponent will obtain Bankruptcy Court approval for such modification; (c) such modification will be accepted by each Class of Claims or Equity Interests adversely affected by such modification pursuant to the standards for acceptance set forth in Article VI above; and (d) the Proponent will comply with section 1125 of the Bankruptcy Code with respect to the Plan as modified, unless the provisions of Bankruptcy Rule 3019 apply.

5. Modification, Revocation or Withdrawal of The Plan.

The Proponent, may modify, revoke or withdraw the Plan as the plan of reorganization for any Debtor (in which case the Proponent may proceed with confirmation and/or consummation of the Plan with respect to the other Debtors) or all of the Debtors at any time prior to the Confirmation Date or, if the Proponent is for any reason unable to consummate the Plan after the Confirmation Date, at any time prior to the Effective Date.

6. Exemption from Certain Transfer Taxes.

Pursuant to section 1146(a) of the Bankruptcy Code, (a) the issuance, transfer or exchange of any securities, instruments or documents, (b) the creation of any other lien, mortgage, deed of trust or other security interest, or (c) the making or assignment of any lease or sublease or the making or delivery of any deed or other instrument of transfer under, pursuant to, in furtherance of or in connection with the Plan or the sale or transfer of any assets of the Debtors or the Estates (including, without limitation, the sale or transfer by the Debtors to DairyCo of any assets that, prior to the Effective Date, constituted Estate Assets), and any deeds, bills of sale or assignments executed in connection with the Plan or the Confirmation Order, will not be subject to any stamp tax, transfer tax, intangible tax, recording fee, or similar tax, charge or expense to the full extent provided for or allowed under section 1146(a) of the Bankruptcy Code.

7. Compromise of Controversies.

Pursuant to Bankruptcy Rule 9019, and in consideration for the classification, distribution and other benefits provided under the Plan, the provisions of the Plan will constitute a good faith compromise and settlement of all Claims and controversies resolved pursuant to the Plan, including, without limitation, all Claims arising prior to the Petition Date, whether known or unknown, foreseen or unforeseen, asserted or unasserted, by or against the Debtors, the Proponent, the Holders of Claims who vote to accept the Plan and various other Holders of Claims, arising out of, relating to or in connection with the business or affairs of or transactions with the Debtors, to the extent provided in the Plan. Entry of the Confirmation Order will constitute the Bankruptcy Court's approval of each of the foregoing compromises and settlements and all other compromises and settlements provided for in the Plan and the

Bankruptcy Court's findings will constitute its determination that such compromises and settlements are in the best interests of the Debtors, the Estates, and all parties in interest, and are fair, equitable and within the range of reasonableness. The provisions of the Plan, including, without limitation, its release, injunction, exculpation and compromise provisions, are mutually dependent and non severable.

8. Insurance Preservation and Proceeds.

Nothing in the Plan will diminish or impair the enforceability of any policies of insurance that may cover Claims against or Equity Interests in the Estates, the Debtors or any related Person. Holders of Claims that are eligible to be satisfied, in whole or in part, through any such policy will be obligated, as a condition to receiving any Distributions under the Plan, to seek recovery or assist the Liquidation Trustee in seeking recovery under such policies with regard to such Claims.

9. Successors and Assigns.

The rights, benefits, and obligations of any Person named or referred to in the Plan will be binding upon, and will inure to the benefit of, the heirs, executors, administrators, successors and/or assigns of such Person.

10. Confirmation Order and Plan Control.

To the extent that the Confirmation Order or the Plan is inconsistent with the Disclosure Statement or any agreement entered into between the Proponent and any party, the Plan controls the Disclosure Statement and any such agreement, and the Confirmation Order (and any other Final Orders entered by the Bankruptcy Court after the date of the Plan) controls the Plan.

11. Dissolution of the Committee.

As of the Effective Date, the duties of the Committee will terminate. Any post-Effective Date powers and duties that would otherwise be powers and duties of the Committee will be powers and duties of the Liquidation Trust. The Committee will be discharged and disbanded as of the Effective Date.

12. Severability.

If, prior to the Confirmation Date, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void or unenforceable, the Bankruptcy Court, at the request of the Proponent, will have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable, and such term or provision will then be applicable as altered or interpreted. Notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired or invalidated by such holding, alteration or interpretation. The Confirmation Order will constitute a judicial determination and will provide

that each term and provision of the Plan, as it may be altered or interpreted in accordance with the foregoing, is valid and enforceable pursuant to its terms.

13. Headings.

Headings used in the Plan are for convenience and reference only, and will not constitute a part of the Plan for any other purpose.

15. No Admissions.

Notwithstanding anything herein to the contrary, nothing contained in the Plan will be deemed an admission by the Proponent, DairyCo or any other Person with respect to any matter set forth herein, including, without limitation, liability on any Claim or the propriety of a Claim's classification.

**ARTICLE VI
VOTING ON AND CONFIRMATION OF THE PLAN**

A. General

The Proponent submits this Disclosure Statement, pursuant to section 1125 of the Bankruptcy Code, to all known Holders of Claims whose Claims are Impaired for the purpose of disclosing that information which the Bankruptcy Court has determined is material, important and necessary for such Holders of Impaired Claims to arrive at a reasonably informed decision in exercising their right to vote for acceptance or rejection of the Plan.

In order to confirm the Plan, the Bankruptcy Code requires that the Bankruptcy Court make a series of determinations concerning the Plan, including that (i) the Plan has classified Claims and Interests in a permissible manner, (ii) the Plan complies with the technical requirements of Chapter 11 of the Bankruptcy Code, (iii) the Proponent has proposed the Plan in good faith, and (iv) the Proponent's disclosures as required by Chapter 11 of the Bankruptcy Code have been adequate and have included information concerning all payments made or promised by the Debtors or the Proponent in connection with the Plan. The Proponent believes that all of these requirements will have been met by the date of the Confirmation Hearing and will seek rulings of the Bankruptcy Court to such effect at that hearing.

B. Acceptances Necessary for Confirmation

The Bankruptcy Code also requires that the Plan shall have been accepted by the requisite votes of the Holders of Impaired Claims (except to the extent that “cramdown” is available under section 1129(b) of the Bankruptcy Code); that the Plan be feasible (that is, confirmation of the Plan is not likely to be followed by liquidation or the need for further financial reorganization); and that the Plan be in the “best interests” of all Holders of Impaired Claims that do not vote to accept the Plan (that is, those that do not vote to accept the Plan will receive pursuant to the Plan value at least equal to the value they would receive in a liquidation of the Debtors under Chapter 7). To confirm the Plan, the Bankruptcy Court must find that all of these requirements are met. Thus, even if the Holders of Impaired Claims accept the Plan by the requisite votes, the Bankruptcy Court must make independent findings respecting the Plan’s feasibility and whether it is in the best interests of the Impaired dissenting Claim Holders before it may confirm the Plan. These statutory conditions to confirmation are discussed below.

C. Voting Under the Plan

Each Impaired Class of Claims that is receiving a Distribution under the Plan is entitled to vote separately to accept or reject the Plan. Accordingly, except as otherwise provided in the Plan, each Holder of Claims in Classes 2, 3B, 4, and 5 will receive a ballot which will be used to cast its vote to accept or reject the Plan. Holders of Claims in Classes 1 and 3A are deemed to accept the Plan and will not be entitled to vote to accept or reject the Plan. Holders of Interests in Class 6 are deemed to reject the Plan and will not be entitled to vote to accept or reject the Plan.

The amount of each Claim for voting purposes is determined as of the Voting Record Date as follows:

- The Claim listed in a Debtor’s Schedules, provided that (i) such Claim is not scheduled as Contingent, unliquidated, undetermined or Disputed and (ii) no proof of Claim has been timely filed (or otherwise deemed timely filed by the Court under applicable law).
- The noncontingent and liquidated amount specified in a proof of Claim timely filed with the Court (or otherwise deemed timely filed by the Court under applicable law) to the extent the proof of Claim is not the subject of an objection filed no later than December 13, 2011 (the “**Vote Objection Deadline**”) (or, if such Claim has been resolved pursuant to a stipulation or order entered by the Court, or otherwise resolved by the Court, the amount set forth in such stipulation or order).
- The amount temporarily allowed by the Court for voting purposes, pursuant to Bankruptcy Rule 3018(a), provided that a motion is brought, notice is provided and a hearing is held prior to the Confirmation Hearing (as defined in the Disclosure Statement Order), in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and the Disclosure Statement Order.

- Except as otherwise provided above, with respect to Ballots cast by alleged creditors who have timely filed proofs of Claim in wholly unliquidated, unknown or uncertain amounts that are not the subject of an objection filed before the Vote Objection Deadline, such Ballots shall be counted in determining whether the numerosity requirement of section 1126(c) of the Bankruptcy Code has been met, but shall not be counted in determining whether the aggregate Claim amount requirement has been met.

The Disclosure Statement Order contains additional details regarding the counting of Ballots. Holders of Claims entitled to vote on the Plan should review the Disclosure Statement Order for such additional details.

D. Acceptance by Impaired Creditors

The Bankruptcy Code requires, as a condition to confirmation, that, except as described in the following section, each class of claims or equity interests that is impaired under a plan, accept the plan. A class that is not “impaired” under a plan is deemed to have accepted the plan and, therefore, solicitation of acceptances with respect to such class is not required. A class is “impaired” unless the plan: (1) leaves unaltered the legal, equitable and contractual rights to which the claim or the equity interest entitles the holder of such claim or equity interest; or (2) cures any default, reinstates the original terms of such obligation, compensates the holder for any damages incurred as a result of non-performance of the contract, and otherwise does not alter the legal, equitable or contractual rights to which the holder of the claim might otherwise be entitled.

Section 1126(c) of the Bankruptcy Code defines acceptance of a plan by a class of impaired claims as acceptance by holders of at least two-thirds in dollar amount and more than one-half in number of claims in that class, but for that purpose counts only those who actually vote to accept or to reject the plan. Thus, a class of claims will have voted to accept the plan only if two-thirds in amount and a majority in number actually voting cast their ballots in favor of acceptance.

Pursuant to section 1129 of the Bankruptcy Code, the Holders of Claims in the those Classes entitled to vote must accept the Plan in order for the Plan to be confirmed without application of the “fair and equitable test” to such Classes and without considering whether the Plan “discriminates unfairly” with respect to such Classes, as both standards are described herein.

Holders of Claims in Classes 2, 3B, 4 and 5 are Impaired under the Plan and are entitled to vote to accept or reject the Plan. Classes 1 and 3A are Unimpaired under the Plan and are conclusively deemed to have voted to accept the Plan. Class 6 is Impaired, will not be receiving Distributions under the Plan and is, therefore, conclusively deemed to have voted to reject the Plan. The Proponent reserves the right to seek non-consensual confirmation of the Plan with respect to any Class of Claims that is entitled to vote to accept or reject the Plan if such Class rejects the Plan.

E. Confirmation Without Acceptance by All Impaired Classes

The Bankruptcy Code permits the Bankruptcy Court to confirm a Chapter 11 plan over the rejection or deemed rejection of the plan by any class of claims or interests as long as the standards in section 1129(b) of the Bankruptcy Code are met. This power to confirm a plan over dissenting classes—often referred to as “cramdown”—is an important part of the reorganization process. It assures that no single group (or multiple groups) of claims or interests can block a restructuring that otherwise meets the requirements of the Bankruptcy Code and is in the interests of the other constituents in the case. Because Holders of Equity Interests in Class 6 are deemed to reject the Plan, the Proponent will seek to have the Plan approved and confirmed by the Bankruptcy Court pursuant to section 1129(b) of the Bankruptcy Code. In addition, it is possible that any other Impaired Class may vote to reject the Plan, in which case the Proponent will request a ruling that the Plan meets the requirements of the Bankruptcy Code with respect to such Class.

In the event one or more Impaired Classes of Claims votes to reject the Plan, and the Plan is not withdrawn as provided in the Plan, the Proponent may modify the terms of the Plan in order to reallocate value from all Classes at and below the level of the objecting Class(es) of Claims to all Impaired senior Classes and/or the objecting Class(es) of Claims to the extent they deem necessary to make the Plan satisfy the absolute priority rule set forth in section 1129(b) of the Bankruptcy Code, and may make such other modifications or amendments to the Plan as the Proponent deems necessary or desirable. Any such modifications or amendments shall be filed with the Bankruptcy Court and served on all parties in interest entitled to receive notice of the Confirmation Hearing at least three (3) days prior to such hearing.

Section 1129(b) of the Bankruptcy Code allows a bankruptcy court to confirm a plan even if all other impaired classes entitled to vote on the plan have not accepted it, provided that the plan has been accepted by at least one impaired class. Pursuant to section 1129(b) of the Bankruptcy Code, notwithstanding an impaired class’s rejection or deemed rejection of the plan, such plan will be confirmed, at the plan proponent’s request, in a procedure commonly known as “cram down,” so long as the plan does not “discriminate unfairly” and is “fair and equitable” with respect to each class of claims or equity interests that is impaired under, and has not accepted, the plan.

1. No Unfair Discrimination

This test applies to classes of claims or equity interests that are of equal priority and are receiving different treatment under the Plan. The test does not require that the treatment be the same or equivalent, but that such treatment be “fair.” In general, bankruptcy courts consider whether a plan discriminates unfairly in its treatment of classes of claims of equal rank (e.g., classes of the same legal character). Bankruptcy courts will take into account a number of factors in determining whether a plan discriminates unfairly, and, accordingly, a plan could treat two classes of unsecured creditors differently without unfairly discriminating against either class.

The Plan, as proposed, does not unfairly discriminate given that classes of claims or equity interests of equal priority are similarly treated thereunder. While Allowed Convenience

Class Claims are being paid 100%, such treatment is for the purposes of convenience only and does not cause the Plan to unfairly discriminate.

2. Fair and Equitable Test

This test applies to classes of different priority and status (e.g., secured versus unsecured) and includes the general requirement that no class of claims receive more than 100% of the amount of the allowed claims in such class. As to the non-accepting class, the test sets different standards depending on the type of claims or equity interests in such class.

Secured Claims: The condition that a plan be “fair and equitable” to a non-accepting class of secured claims includes the requirements that: (A)(i) the holders of such secured claims retain the liens securing such claims to the extent of the allowed amount of the claims, whether the property subject to the liens is retained by the debtor or transferred to another entity under the plan; and (ii) each holder of a secured claim in the class receives deferred cash payments totaling at least the allowed amount of such claim with a present value, as of the effective date of the plan, at least equivalent to the value of the secured claimant’s interest in the debtor’s property subject to the liens; (B) for a sale under section 363 of the Bankruptcy Code, the liens securing such claims attach to the proceeds of such sale; or (C) the holders of such secured claims realize the indubitable equivalent of such claims.

Unsecured Claims: The condition that a plan be “fair and equitable” to a non-accepting class of unsecured claims includes the following requirement that either: (a) the plan provides that each holder of a claim of such class receive or retain, on account of such claim, property of a value, as of the effective date of the plan, equal to the allowed amount of such claim; or (b) the holder of any claim or any equity interest that is junior to the claims of such class will not receive or retain under the plan, on account of such junior claim or junior equity interest, any property.

Equity Interests: The condition that a plan be “fair and equitable” to a non-accepting class of equity interests includes the requirements that either: (a) the plan provides that each holder of an equity interest in that class receives or retains under the plan on account of that equity interest property of a value, as of the effective date of the plan, equal to the greater of: (i) the allowed amount of any fixed liquidation preference to which such holder is entitled; (ii) any fixed redemption price to which such holder is entitled; or (iii) the value of such interest; or (b) if the class does not receive the amount as required under (a) hereof, no class of equity interests junior to the non-accepting class may receive a distribution under the plan.

The Proponent believes that the Plan satisfies the “fair and equitable” requirement notwithstanding that Class 6 is deemed to reject the Plan. No class that is junior to Class 6 will receive or retain any property on account of Equity Interests in such Class. Moreover, to the extent that Class 3B, 4 or 5 rejects the Plan, the Plan also will satisfy the “fair and equitable” requirements given that no class junior to Class 3B, 4 and 5 is receiving a Distribution under the Plan.

F. Feasibility

The Bankruptcy Code requires that the Proponent demonstrate that confirmation of a plan is not likely to be followed by liquidation or the need for further financial reorganization, unless provided for in the plan.

The Plan is a liquidation plan whereby all of the Estate Assets are being transferred to DairyCo free and clear of any liens, Claims, interests and encumbrances, except for certain specific, enumerated assets that on or before the Effective Date are not being transferred. DairyCo is then issuing all of the DairyCo Equity Interests and DairyCo Notes to the Holders of the AFS Secured Claims in full and final satisfaction of the AFS Secured Claims.

A Liquidation Trust is being established on the Effective Date to administer the Plan, including, without limitation, making all Distributions under the Plan and liquidating the remaining Estate Assets. The Liquidation Trust will be funded by DairyCo or the Proponent with \$1,000,000, to be used to make distributions to Holders of Allowed Convenience Class Claims and Allowed Priority Non-Tax Claims and fund the expenses of the Liquidation Trust, with any remaining amounts available for Distribution to the Holders of Allowed Unsecured Claims. The Proponent or DairyCo will provide up to an additional \$2,500,000 of funding for the Plan to pay Allowed Administrative Expense Claims, Allowed Fee Claims and Allowed Priority Tax Claims.

The Proponent represents that it and DairyCo have a commitment for funding up to \$3,500,000 of the amounts required under the Plan, including, without limitation, the \$1,000,000 Liquidation Trust Contribution, upon the Effective Date - plus obligations assumed under the Plan. The funding provided by DairyCo or the Proponent to support the Distributions under the Plan is sufficient to satisfy the feasibility requirements of the Bankruptcy Code with respect to the Liquidation Trust.

1. DairyCo

DairyCo will be an operating business comprised of those of the Debtors' assets acquired under the Plan, and additional assets acquired after the Effective Date. DairyCo will be managed by a seasoned team of executives and employees. In addition, as described herein, DairyCo will be funded by its equity holders with adequate capital to support its operations and its funding obligations under the Plan.

(a) DairyCo Team Members.

DairyCo will be led by a seasoned team of executives and other professionals with extensive experience in agriculture, dairy management, operations and finance.

Mr. Ball grew up on a dairy and egg farm in New York State and earned the status of "Empire Farmer" as a member of the FFA.

Messrs. Wong, Drake and Ball are principals of CFH Management, LLC, the servicer for AFS.

(ii) Former DPS Executives

DairyCo is negotiating with David Sumrall, Massoud Ghadiani, Michael Pedreiro and other former DPS executives to potentially retain them as consultants during the transition period.

(iii) Dairy Farm Advisers

Alan Vander Horst, Texas Farm Adviser

Alan Vander Horst will advise DairyCo regarding DairyCo's Texas operations. Mr. Vander Horst owns and operates multiple dairy operations throughout Central Texas, including 20,000 head of dairy cattle, 8,000 acres of cropland, and 110 employees. He is the owner and chief operator of 360 Ag Management, a dairy industry consulting and management company, and has 20 years' experience in production agriculture of primarily dairy and cropping operations.

In his early professional career, Mr. Vander Horst worked as a dairy nutrition and management consultant for Dairyman's Cooperative Creamery Association (DCCA) in Tulare, CA. Thereafter, he partnered with his colleague from DCCA to form Valley Nutrition which soon came to be a prominent dairy consulting firm in the San Joaquin Valley to some of the largest and progressive dairies in the US.

Mr. Vander Horst is a graduate of Cal Poly State University, San Luis Obispo, with a B.S. degree in Agri-business Management, and a minor in Dairy Science. He is also a graduate of the Texas Executive Program for Agricultural Producers, and is regularly involved in its continuing education alumni program, the Association of Agricultural Producer Executives.

Ron St. John, Southeast Farm Adviser

Ron St. John will advise DairyCo regarding DairyCo's Florida, Georgia, and Mississippi operations. Mr. St. John has over 40 years of experience as a dairy farmer and currently manages five dairy farms in the Southeast with 30,000 head of cattle and young stock and 10,000 acres of land.

In 2011, Mr. St. John was named Swisher Sweets/Sunbelt Ag Expo Florida Farmer of the Year in recognition of his efficient, sustainable and low-cost operations. He is partner in Chiefland Farm Supply, where his wife, Marcia, is chief financial officer. Mr. St. John is also the Managing Partner of Suwannee Valley Feeds, which mixes, buys, and sells commodity feeds in Trenton, Florida.

Mr. St. John is the Vice President and member of the Board of Directors of Farm Credit of North Carolina. He is also a member of the Board of Directors and of the Executive Committee for Southeast Milk Cooperative.

DairyCo may retain other advisers in addition to or in lieu of the advisers listed.

(iv) Former DPS Employees

DairyCo expects that its team will be further bolstered by the former DPS employees who choose to join DairyCo in the reorganization. These individuals' specific experience in the reorganized operations will help DairyCo in the transition period and into the future.

2. DairyCo Ownership

Under the Plan, the DairyCo Equity Interests are distributed to AFS or its designee. AFS is majority owned by investment funds managed by TPG Credit Management, L.P. (“TPG”), and it is intended that DairyCo will be majority owned by TPG as well.

TPG was founded in August 2005 by Rory O’Neill and as of June 30, 2011 participates in the management of over \$2 billion in assets through six private funds.

3. Equity Contribution

As of the Effective Date, the DairyCo Equity Interests will be distributed to AFS or its designee under the Plan, and will be valued at \$2 million. The holders of the DairyCo Equity Interests intend to invest between an additional \$3 million to \$8 million in equity into DairyCo to provide sufficient funding for DairyCo to meet its obligations under the Plan and to increase the productivity of its assets. These funds may be used to buy additional cows to maximize milk production, to renovate and improve dairy facilities, to undertake deferred maintenance and to fund working capital and other day-to-day operational needs of DairyCo. The holders of the Equity Interests will also be subject to additional capital calls under the agreements governing the DairyCo Equity Interests.

4. Debt Structure

Under the Plan, the DairyCo Notes will be issued to AFS or its designee. Presently, the DairyCo Notes are intended to evidence three separate loans in the aggregate principal amount of \$37 million. The first of the DairyCo Notes will be a \$20 million term note with a five year term based on a twenty year amortization and accruing interest at 8.00% per year, and it will be secured by all of DairyCo’s real estate. The second of the DairyCo Notes will be a \$15 million term note with a five year term based on a five year amortization and accruing interest at 8.00% per year, and it will be secured by all of DairyCo’s cattle and equipment. The third of the DairyCo Notes will be a \$2 million revolving note with a five year term and accruing interest at 8.00% per year, and it will be secured by all of DairyCo’s personal property, other than cattle and equipment. The terms of the DairyCo Notes are subject to change.

5. The Plan is Feasible

Based upon the foregoing, the Plan is feasible. DairyCo or the Proponent will provide up to \$2,500,000 of funding under the Plan to pay Allowed Administrative Expense Claims, Allowed Fee Claims and Allowed Priority Tax Claims. As will be demonstrated at the Confirmation Hearing, this funding will be sufficient to pay all Allowed Administrative Expense Claims, Allowed Fee Claims and Allowed Priority Tax Claims. The Liquidation Trust will have adequate funding to make all Distributions required under the Plan with the \$1,000,000 Liquidation Trust Contribution to be used to fund distributions to the Holders of Allowed Priority Non-Tax Claims, Allowed Other Secured Claims (to the extent applicable), Allowed Convenience Class Claims, fund the Liquidation Trust Expenses and fund Distributions to Holders of Allowed Unsecured Claims. The Liquidation Trustee will also pursue Bankruptcy Causes of Action and liquidate any other assets of the Liquidation Trust in attempt to enhance the recovery of Holders of Claims (although no such enhancement is guaranteed).

To the extent that DairyCo provides the funding under the Plan, as set forth above, DairyCo will be owned and funded by an entity that has committed to providing sufficient funding for the Plan, including the Liquidation Trust. Moreover, DairyCo will continue as a going concern with an established customer base and supply network and will be managed by professionals with substantial industry and finance experience. DairyCo will have adequate funds to meet its obligations under the Plan.

G. Best Interests Test

With respect to each impaired class of claims and interests, confirmation of the plan requires that each holder of a claim or interest either (i) accept the plan, or (ii) receive or retain under the plan property of a value, as of the effective date, that is not less than the value such holder would receive or retain if the debtors were liquidated under Chapter 7 of the Bankruptcy Code. This requirement is referred to as the “best interests test.” To determine what Holders of Claims and Interests of each Impaired Class would receive if the Debtors were liquidated under Chapter 7, the Bankruptcy Court must determine the dollar amount that would be generated from the liquidation of the Debtors’ assets and properties in the context of a Chapter 7 liquidation case.

The Proponent conducted a liquidation analysis to determine what Holders of Claims and Equity Interests would receive if the Debtors’ Estates were liquidated under Chapter 7 (the “Liquidation Analysis”), which is attached hereto as Exhibit B. In undertaking the Liquidation Analysis, the Proponent determined an estimated liquidation value of the assets of each Debtor, including estimating the net realizable proceeds of the Debtors’ current assets, such as their accounts receivable, supplies, feed inventory and crops, Debtors’ livestock, and Debtors’ fixed assets such as real estate and equipment. Substantially all of the Debtors’ assets are encumbered by liens held by AFS and Holders of Other Secured Claims and serve as collateral for the AFS Secured Claims and Other Secured Claims.

As set forth in the Liquidation Analysis, the amounts of the AFS Secured Claim and of the Other Secured Claims with respect to each Debtor far exceed the value of that Debtors’ assets. Therefore, the only proceeds available to distribute to Holders of Claims, including AFS on account of the AFS Unsecured Deficiency Claim and Holders of Administrative Expense Claims, would be proceeds of Bankruptcy Causes of Action. However, such amounts would be net of any Allowed Chapter 7 administrative expense claims, which would include (a) amounts paid to a Chapter 7 trustee for administration of the liquidation, including any fees due and owing to the Chapter 7 trustee and (b) any litigation and recovery costs, including, without limitation, any attorneys’ fees and expenses.

By contrast, the Plan provides for payment in full, in cash, as early as the Effective Date, to Holders of Allowed Administrative Expense Claims, Allowed Priority Tax Claims, Allowed Priority Non-Tax Claims and Allowed Fee Claims. Holders of Allowed Other Secured Claims are Unimpaired. Holders of Allowed Convenience Claims will receive a distribution equal to 100% of the Allowed amount of their Claims, without interest. Holders of Allowed Unsecured Claims will receive some recovery as a result of the \$1,000,000 Liquidation Trust Contribution. Additionally, the Liquidation Trustee will pursue Bankruptcy Causes of

Action under the Plan, just as a Chapter 7 Trustee would, and such proceeds will be distributed to Holders of Allowed Unsecured Claims in accordance with the Plan.

Based on the Liquidation Analysis, the size of the AFS Secured Claims and Other Secured Claims relative to the estimated liquidation values of each Debtors' Estate Assets, and the Distributions proposed by the Plan, the Proponent believes that each Holder of a Claim or Interest will receive under the Plan at least the value, as of the Plan's Effective Date, of what it would receive under Chapter 7 of the Bankruptcy Code.

H. Confirmation and Consummation Procedure

1. Solicitation of Votes

In accordance with sections 1126 and 1129 of the Bankruptcy Code, the Claims in each of Classes 2, 3B, 4 and 5 are Impaired, and the holders of Claims in each of such Classes are entitled to vote to accept or reject the Plan in the manner and to the extent set forth in the Voting Procedures. Pursuant to the procedures established in the Disclosure Statement Order, any holder of a Claim in an Impaired Class under the Plan may vote on the Plan so long as such Claim has not been Disallowed and is not the subject of an objection pending prior to the Voting Deadline Date. Nevertheless, if a Claim is the subject of such an objection, the Holder thereof may vote if, on or prior to the Voting Deadline Date, such Holder obtains an order of the Bankruptcy Court, or the Bankruptcy Court approves a stipulation between the Proponent and such Holder fully or partially allowing such Claim, whether for all purposes or for voting purposes only in accordance with the Disclosure Statement Order.

Claims in each of Class 1 and 3A are Unimpaired. The Holders of Allowed Claims in each of such Classes are conclusively presumed to have accepted the Plan, and the solicitation of acceptances with respect to each such Class is not required under section 1126(f) of the Bankruptcy Code. Equity Interests in Class 6 are Impaired and will not be receiving Distributions under the Plan. The Holders of Equity Interests in this Class 6 are conclusively presumed to have rejected the Plan, and the solicitation of acceptances with respect to each such Class is not required under section 1126(g) of the Bankruptcy Code. If you hold an Equity Interest in Class 6, you will not be receiving a Ballot.

The Holder of any Claim that, as of the Voting Record Date, (a) has been Disallowed, (b) is the subject of a pending objection, or (c) was listed on the Schedules as unliquidated in amount, Contingent or Disputed (if no contrary Proof of Claim with respect to such Claim has been timely filed) or a Proof of Claim with respect to which was filed on or before the Bar Date pursuant to the provisions of the Bar Date Order and such Proof of Claim asserts such Claim as unliquidated in amount, Contingent or Disputed, shall not be entitled to vote on the Plan, unless on or prior to the Voting Record Date, the Bankruptcy Court enters a Final Order directing otherwise; provided, however, that if only a portion of such Claim has been Disallowed, objected to or listed or asserted (as applicable) as unliquidated, Contingent or Disputed, such Holder shall be entitled to vote the remainder of such Claim in an amount determined pursuant to the Disclosure Statement Order.

As to classes of claims entitled to vote on a plan, the Bankruptcy Code defines acceptance of a plan by a class of claimholders as acceptance by holders of at least two-thirds in dollar amount and more than one-half in number of the claims of that class that have timely voted to accept or reject a plan. Detailed voting instructions will be provided with the Ballot and will be set forth in the Disclosure Statement Order.

2. Contents of Solicitation Package

Each Holder of a Claim entitled to vote on the Plan will receive the following materials (collectively, the "Solicitation Package”):

- (i) the Confirmation Hearing Notice;
- (ii) the Plan;
- (iii) this Disclosure Statement;
- (iv) the Disclosure Statement Order;
- (v) the Ballot and return envelope; and
- (vi) such other information as the Bankruptcy Court may direct or approve.

3. Temporary Allowance of Claims for Voting Purposes

Holders of Claims that are the subject of an objection filed no later than the Vote Deadline Date will not be entitled to vote unless such claim is temporarily allowed by the Court for voting purposes only pursuant to Bankruptcy Rule 3018(a), after a Claims Estimation Motion is brought by such Holder no later than December 5, 2011, notice is provided and a hearing is held prior to the Confirmation Hearing. If an objection to a Claim requests that such Claim be reclassified and/or allowed in a fixed, reduced amount, the Holder of such Claim's Ballot shall be counted in such reduced amount and/or as the reclassified category.

4. Voting

Counsel for the Proponent will answer questions regarding the procedures and requirements for voting to accept or reject the Plan and for objecting to the Plan, provide additional copies of all materials and oversee the voting tabulation. For answers to any questions regarding solicitation procedures, parties may call a representative of the Proponent, John J. Dyer, at (678) 553-2100. Counsel for the Proponent will also process and tabulate Ballots for each Class entitled to vote to accept or reject the Plan.

BALLOTS CAST BY HOLDERS IN CLASSES ENTITLED TO VOTE MUST BE FILED WITH THE CLERK'S OFFICE OF THE UNITED STATES BANKRUPTCY COURT FOR THE MIDDLE DISTRICT OF GEORGIA BY THE VOTING DEADLINE, WHETHER BY FIRST CLASS MAIL, OVERNIGHT COURIER OR PERSONAL DELIVERY. THE BALLOTS WILL INDICATE THAT THE BALLOT MUST BE FILED

WITH THE CLERK OF THE BANKRUPTCY COURT. THE ADDRESS FOR BALLOTS RETURNABLE TO THE CLERK OF THE BANKRUPTCY COURT IS:

United States Bankruptcy Court Clerk
433 Cherry Street
P.O. Box 1957
Macon, GA 31202

YOU MAY ALSO FILE THIS BALLOT ELECTRONICALLY AT [HTTPS://ECF.GAMB.USCOURTS.GOV](https://ecf.gamb.uscourts.gov). PLEASE NOTE THAT ELECTRONIC FILING WILL REQUIRE A FEDERAL ECF LOGIN AND PASSWORD. IF YOU CHOOSE TO FILE BY MAIL, PLEASE ALLOW SUFFICIENT TIME TO ASSURE TIMELY DELIVERY.

Additional copies of the Plan, this Disclosure Statement, the Plan Supplement or other Solicitation Package materials (except Ballots) are available from the Clerk's Office of the United States Bankruptcy Court for the Middle District of Georgia. Additional copies of Ballots may be obtained by contacting counsel to the Proponent.

Votes shall be filed and served in accordance with the procedure set forth in the Disclosure Statement Order. All votes must be filed on or before **December 5, 2011** (the "Voting Deadline Date").

5. The Confirmation Hearing

Section 1128 of the Bankruptcy Code requires that the Bankruptcy Court, after notice, hold a confirmation hearing. As discussed above, the Confirmation Hearing in respect of the Plan has been scheduled to commence on December 14, 2011 at 10:00 a.m., before the Honorable Judge James D. Walker, United States Bankruptcy Court, at Macon, Georgia. The Confirmation Hearing may be adjourned from time to time by the Bankruptcy Court without further notice, except for an announcement of the adjourned date made at the Confirmation Hearing.

Any objection to confirmation of the Plan must be made in writing and must specify in detail the name and address of the objector, all grounds of the objection and the amount and class of the Claim or Equity Interest. Any such objection must be filed with the Bankruptcy Court and served so that it is received by the Bankruptcy Court and the Proponent on or before December 12, 2011. Objections to confirmation of the Plan are governed by Bankruptcy Rule 9014.

6. Consummation

The Plan will be consummated on the Effective Date. For a more detailed discussion of the conditions precedent to the Effective Date and the impact of the failure to meet such conditions, *see* Articles V.G and V.I of this Disclosure Statement.

**ARTICLE VII
SECURITIES REGISTRATION EXEMPTION**

A. Securities Registration Exemption

Except as set forth below, the securities to be issued pursuant to the Plan will be issued without registration under the Securities Act or any similar federal, state, or local law in reliance upon the exemptions set forth in section 1145 of the Bankruptcy Code.

To the extent section 1145 of the Bankruptcy Code is inapplicable, the issuance of securities pursuant to the Plan would otherwise be exempt from registration under the Securities Act or any similar federal, state, or local law in reliance on the exemption set forth in section 4(2) of the Securities Act or Regulation D promulgated thereunder.

B. Section 1145 of the Bankruptcy Code

Section 1145(c) of the Bankruptcy Code provides that securities issued pursuant to a registration exemption under section 1145(a)(1) of the Bankruptcy Code are deemed to have been issued pursuant to a public offering. Therefore, the securities issued pursuant to the exemption under section 1145(a)(1) of the Bankruptcy Code may generally be resold by any holder thereof without registration under the Securities Act pursuant to the exemption provided by section 4(1) thereof, unless the holder is an “underwriter” with respect to such securities, as such term is defined in section 1145(b)(1) of the Bankruptcy Code. In addition, such securities generally may be resold by the recipients thereof without registration under state securities or “blue sky” laws pursuant to various exemptions provided by the respective laws of the individual states. However, recipients of securities issued under the Plan are advised to consult with their own counsel as to the availability of any such exemption from registration under federal securities laws and any relevant state securities laws in any given instance and as to any applicable requirements or conditions to the availability thereof.

Section 1145(b)(1) of the Bankruptcy Code defines an “underwriter” for purposes of the Securities Act as one who, subject to certain exceptions, (a) purchases a claim with a view to distribution of any security to be received in exchange for such claim, or (b) offers to sell securities offered or sold under the plan for the holders of such securities, or (c) offers to buy securities offered or sold under the plan from the holders of such securities, if the offer to buy is made with a view to distribution of such securities, and if such offer is under an agreement made in connection with the plan, with the consummation of the plan or with the offer or sale of securities under the plan, or (d) is an issuer, as used in section 2(a)(11) of the Securities Act, with respect to such securities.

The term “issuer,” as used in section 2(a)(11) of the Securities Act, includes any person directly or indirectly controlling or controlled by, an issuer of securities, or any person under direct or indirect common control with such issuer. “Control” (as defined in Rule 405 under the Securities Act) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise. Accordingly, an officer or director of a reorganized debtor or its successor under a plan of reorganization may be deemed to be “in control” of such

debtor or successor, particularly if the management position or directorship is coupled with ownership of a significant percentage of the reorganized debtor's or its successor's voting securities. Moreover, the legislative history of section 1145 of the Bankruptcy Code suggests that a creditor who owns at least ten percent (10%) of the voting securities of a reorganized debtor may be presumed to be a "control person."

To the extent that a person that is deemed an "underwriter" receives securities under the Plan, resales of such securities by such person would not be freely transferable unless such person complies with the safe harbor provided by Rule 144 (other than the holding period), another exemption from registration for resale is available or such resale is registered under the Securities Act; provided, however, that any such resale will be subject to the restrictions on transfer and assignment contained in the operating agreement of DairyCo.

IN VIEW OF THE COMPLEX, SUBJECTIVE NATURE OF THE QUESTION OF WHETHER A RECIPIENT OF SECURITIES PURSUANT TO THE PLAN MAY BE AN UNDERWRITER OR AN AFFILIATE OF THE ISSUER OF SUCH SECURITIES, THE PROPONENT MAKES NO REPRESENTATIONS CONCERNING THE RIGHT OF ANY PERSON TO TRANSFER THE SECURITIES TO BE DISTRIBUTED PURSUANT TO THE PLAN. ACCORDINGLY, THE PROPONENT RECOMMENDS THAT POTENTIAL RECIPIENTS OF SECURITIES UNDER THE PLAN CONSULT THEIR OWN COUNSEL CONCERNING WHETHER THEY MAY FREELY TRANSFER SUCH SECURITIES.

ARTICLE VIII CERTAIN FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN

The following discussion summarizes certain significant U.S. federal income tax consequences of the implementation of the Plan to the Debtors and certain Holders of Allowed Claims. This summary is based upon the Internal Revenue Code of 1986, as amended (the "Tax Code"), Treasury regulations promulgated thereunder, judicial decisions and published rules and pronouncements of the Internal Revenue Service ("IRS"), all as in effect on the date hereof. Due to the unsettled nature of several of the tax issues presented by the Plan, the differences among creditors in the nature of their Claims, and the possibility that future events, including amendments to the Tax Code, the Treasury regulations promulgated thereunder or court decisions, could change the U.S. federal income tax consequences of the implementation of the Plan, the tax consequences described below are only general descriptions that are subject to significant uncertainties.

This discussion does not address the tax treatment of certain persons that may be subject to special treatment under the Tax Code (for example, non-U.S. taxpayers, government authorities or agencies, broker-dealers, banks, mutual funds, insurance companies, other financial institutions, small business investment companies, regulated investment companies, tax-exempt organizations, including qualified plans, and investors in pass-through entities), or any aspect of state, local or foreign taxation. In addition, this discussion does not address the U.S. federal income tax consequences to Holders whose Claims are entitled to reinstatement or are otherwise Unimpaired under the Plan. No opinion has been requested, and the Proponent has not sought, nor does it intend to seek, a ruling from the IRS regarding the tax consequences of the Plan. Consequently, there can be no assurance that the treatment set forth below will be

accepted by the IRS.

Accordingly, the following summary of certain U.S. federal income tax consequences is for informational purposes only and is not a substitute for careful tax planning and advice based upon the individual circumstances pertaining to each Holder of an Allowed Claim. All Holders of Allowed Claims are urged to consult their own tax advisors for the federal, state, local, foreign and other tax consequences applicable to them under the Plan.

IRS Circular 230 Notice: To ensure compliance with IRS Circular 230, the Debtors and Holders of Allowed Claims are hereby notified that: (i) any discussion of federal tax issues contained or referred to in this Disclosure Statement is not intended or written to be used, and cannot be used, by the Debtors or the Holders of Allowed Claims for the purpose of avoiding penalties that may be imposed on them under federal, state or local tax laws, (ii) such discussion is written in connection with the promotion or marketing of the transactions or matters discussed herein, and (iii) the Debtors and the Holders of Allowed Claims should seek advice based on their particular circumstances from an independent tax advisor.

A. Tax Consequences to the Debtors

Each Holder of an AFS Secured Claim will receive, in exchange for such AFS Secured Claim, a pro rata share of (a) the DairyCo Equity Interests and (b) the DairyCo Notes. For U.S. tax purposes, the DairyCo Equity Interests and the DairyCo Notes should be treated as separate instruments. The DairyCo Equity Interests and the DairyCo Notes should not be treated for U.S. federal income tax purposes as an investment unit. The IRS, however, may disagree with this analysis and treat the DairyCo Equity Interests and the DairyCo Notes as an investment unit. The relevant U.S. federal income tax consequences of such an alternative treatment by the IRS are discussed below.

As a result of the exchange of the AFS Secured Claims for the DairyCo Equity Interests and the DairyCo Notes, Sumrall, as the sole member of the Debtors, may realize cancellation of debt (“COD”) income. In general, COD income is the amount by which the face amount of the discharged indebtedness (reduced by any unamortized discount and increased for unamortized premium with respect to the indebtedness) exceeds any consideration given in exchange therefor. The taxpayer would realize COD income equal to the excess of the “adjusted issue price” of the debt retired over the fair market value of the property given in consideration for the debt. In the case of a solely debt-for-debt exchange, generally, the amount of COD income to be recognized is the excess of the adjusted issue price of the discharged debt over the issue price of the new debt. Alternatively, if the discharged debt is exchanged solely for equity in a partnership or a disregarded entity for U.S. tax purposes, the amount of COD income is generally the excess of the adjusted issue price of the discharged debt over the fair market value of the equity. There is no direct authority on the amount of COD income to be recognized in the case of exchanging debt for a combination of debt and equity.

While it is not clear from doubt, it appears that the amount of the consideration given in satisfaction of the AFS Secured Claim should be treated for U.S. federal income tax purposes as the sum of the fair market value of the DairyCo Equity Interests and the issue price

DairyCo Notes.

It is expected that the sum of the fair market value of the DairyCo Equity Interests and the issue price of the DairyCo Notes will equal the outstanding balance of the AFS Secured Claims at the time of exchange. In such a case, there should be no COD income to be recognized by Sumrall as the sole member of the Debtors. However, if the IRS would treat the DairyCo Equity Interests and the DairyCo Notes as an investment unit for U.S. federal income tax purposes, the issue price of such an investment unit would be lower than the sum of the fair market value of the DairyCo Equity Interests and the issue price DairyCo Notes (in fact, the issue price of such an investment unit should be the issue price of the DairyCo Notes minus the value of the DairyCo Equity Interests), in which case Sumrall, as the sole member of the Debtors, should be treated as having COD income.

In addition, to the extent that the Debtors' discharged liabilities include accrued and unpaid interest that has been deducted by Sumrall, any accrued interest that was deducted by Sumrall as the sole member of the Debtors would have to be recognized by Sumrall at the time of exchange as ordinary income.

Under two relevant exceptions, a taxpayer is not required to include COD income in gross income to the extent that the taxpayer is either insolvent or under the jurisdiction of a court in a Title 11 bankruptcy proceeding and the discharge of debt occurs pursuant to such proceeding. If the discharge occurs both when the taxpayer is insolvent and in a Title 11 bankruptcy proceeding, the Title 11 rule controls so that the exclusion is not limited to the amount of the insolvency. Instead, the Tax Code provides that a taxpayer in a bankruptcy proceeding with COD income must, subject to certain limitations and ordering rules, reduce its tax attributes (including, but not limited to, net operating loss ("NOL") carryforwards, current year NOLs, tax credits, passive activity losses and tax basis in assets) by the amount of the COD income, and will not have to recognize the COD income. To the extent the amount of COD income exceeds the tax attributes available for reduction, any remaining COD income is discharged with no further tax liability to the taxpayer.

In the case of a partnership (or a disregarded entity for U.S. federal income tax purposes), the COD income exclusion under the bankruptcy and insolvency exceptions as well as the attribute reduction rules are applied at the member, rather than entity, level. Thus, any COD income recognized by a Debtor that is treated as a disregarded entity for U.S. federal income tax purposes will be allocated to Sumrall, its sole member, who generally must include its share of the COD income in determining his own taxable income, except to the extent that Sumrall is able to exclude the COD income because he himself is insolvent or under the jurisdiction of a court in a bankruptcy proceeding.

B. Tax Consequences to Certain Holders of Allowed Claims

1. General Tax Consequences to Holders of Allowed Claims

The U.S. federal income tax consequences to Holders of Allowed Claims arising from the various types of distributions to be made in satisfaction of their Claims pursuant to the Plan may vary, depending upon, among other things: (i) the manner in which a Holder acquired

an Allowed Claim; (ii) the type of consideration received by the Holder of an Allowed Claim in exchange for the interest it holds; (iii) the nature of the indebtedness owed to it; (iv) whether the Holder previously claimed a bad debt or worthless securities deduction in respect of the Allowed Claim; (v) whether the Holder of the Allowed Claim is a citizen or a resident of the U.S. for tax purposes; (vi) whether the Holder of the Allowed Claim reports income on the accrual or cash basis; and (vii) whether the Holder receives distributions in more than one taxable year. In addition, where gain or loss is recognized by a Holder of an Allowed Claim, the character of such gain or loss as long-term or short-term capital gain or loss, or as ordinary income or loss, will be determined by a number of factors, including the tax status of the Holder of an Allowed Claim, whether the Allowed Claim constitutes a capital asset in the hands of the Holder, and how long it has been held or is treated as having been held. Due to the variety of considerations, relevant facts and circumstances and resulting possible tax consequences to Holders of Allowed Claims, we strongly urge each Holder of an Allowed Claim to consult with its own tax advisor regarding the U.S. federal income consequences pertaining to receiving, holding and disposing of Allowed Claims.

2. Accrued Interest and Original Issue Discount

If and to the extent a Holder of Allowed Claim receives consideration in satisfaction of such an Allowed Claim and a portion of such consideration is attributable to accrued and unpaid interest or original issue discount (“OID”), such amount generally will be taxable to the Holder as ordinary interest income (if not previously included in the Holder’s gross income). While a Holder of an Allowed Claim generally may recognize a deductible loss (subject to limitations) to the extent of any accrued interest and OID that was previously included in the Holder’s gross income and is not paid in full, it is unclear whether such a loss would be a capital loss, rather than an ordinary loss, with respect to any previously included interest and OID that is not paid in full. All Holders of Allowed Claims should consult their tax advisors as to the tax consequences of the receipt of consideration after the Effective Date in satisfaction of accrued interest or OID, the allocation of consideration between principal and interest and the deductibility of unpaid interest and OID for U.S. federal income tax purposes.

3. Receipt of Beneficial Interests in the Liquidation Trust

As set forth above, pursuant to Treasury Regulation section 301.7701-4(d) and related authorities, the Liquidation Trust should be treated as a grantor trust set up for the benefit of the Holders of Allowed Claims, as beneficiaries of such Trust. Holders of Allowed Claims that receive a beneficial interest in the Liquidation Trust will be treated for U.S. federal income tax purposes as receiving their Pro Rata Shares of the assets of the Liquidation Trust from the Debtors in a taxable exchange and then depositing them in the Liquidation Trust in exchange for beneficial interests in the Liquidation Trust. The Debtors will realize gain or loss on the difference between a Debtor’s basis in the property and its fair market value. Holders of Allowed Claims that receive a beneficial interest in the Liquidation Trust will be required to report on their United States federal income tax returns their share of the Liquidation Trust’s items of income, gain, loss, deduction and credit in the year recognized by the Liquidation Trust. This requirement may result in such Holders of Allowed Claims being subject to tax on their allocable share of the Liquidation Trust’s taxable income prior to receiving any cash

distributions from the Liquidation Trust. Holders of Allowed Claims that receive a beneficial interest in the Liquidation Trust are urged to consult their tax advisors regarding the tax consequences of holding a beneficial interest in the Liquidation Trust, the right to receive, and of the receipt (if any) of property from the Liquidation Trust.

4. The Exchange of the AFS Secured Claims

Assuming that the exchange of the AFS Secured Claims for the DairyCo Equity Interests and the DairyCo Notes will not qualify as a tax-free reorganization, the Holders of the AFS Secured Claims may have to recognize gain or loss from the exchange, equal to the difference between (i) the sum of the fair market value of the Dairy Equity Interest and the issue price of the DairyCo Notes and (ii) the outstanding balance of the AFS Secured Claim.

As set forth above, it is expected that the sum of the fair market value of the Dairy Equity Interest and the issue price of the DairyCo Notes will equal the outstanding balance of the AFS Secured Claim. Thus, there should be no gain or loss to be recognized by the Holders of the AFS Secured Claim. However, if the IRS would treat the Dairy Equity Interest and the DairyCo Notes as an investment unit, as set forth above, the issue price of such an investment unit would be lower than the sum of the fair market value of the Dairy Equity Interest and the issue price of the DairyCo Notes, in which case the Holders of the AFS Secured Claim will have a recognizable loss.

5. The Treatment of the DairyCo Equity Interests as Partnership Interests.

A Holder of an AFS Secured Claim that receives the DairyCo Equity Interests will become a member of DairyCo. It is intended that DairyCo will elect to be treated as a partnership for federal income tax purposes and to that end, the operating agreement of DairyCo will allow DairyCo to take all reasonable action to prevent DairyCo from being treated as a “publicly traded partnership” taxed as a corporation for U.S. federal income tax purposes. Accordingly, Holders of the DairyCo Equity Interests will receive an allocation of income, gain, loss, deduction, credit and items thereof and will be responsible for any tax liability associated with any such allocation. To the extent that any of such AFS Secured Claims have built-in gain or loss at the time of the exchange, such built-in gain or loss shall be governed by section 704(c) of the Tax Code. DairyCo may not have sufficient cash to make a distribution such that the Holders of the DairyCo Equity Interests, as members of DairyCo, can satisfy their tax liability with respect to such allocations.

In general, DairyCo will be treated as a “publicly traded partnership” if either the New Equity or any other equity issued by DairyCo is “publicly traded” within the meaning of section 7704(b) of the Tax Code and Treasury Regulations promulgated thereunder. The Treasury Regulations set forth safe harbors for partnerships that either (i) have no more than one hundred (100) partners and whose partnership interests have been issued in a transaction that is not required to be registered under the Securities Act or (ii) earn types of income that satisfy the “passive income” guidelines. Although DairyCo will take such actions as it deems necessary to prevent DairyCo from being taxable as a corporation for federal income tax purposes, there can

be no assurance that DairyCo will not become a “publicly traded partnership.” If DairyCo is treated as publicly traded partnership, income and deductions of DairyCo would be reported on its tax return separately from its members, and DairyCo would be required to pay income tax at corporate rates on its net income. The imposition of any such tax would reduce the amount of cash available to be distributed to the Holders that own the DairyCo Equity Interests .

6. Holders of Administrative Expense Claims, Fee Claims and Priority Tax Claims.

Under the Plan, Holders of Administrative Expense Claims, Fee Claims and Priority Tax Claims generally will be paid any Cash Distribution either on the Effective Date or over a period of time. Accordingly, a Holder of Administrative Expense Claims, Fee Claim or Priority Tax Claim generally should realize gain or loss in an amount equal to the difference between (i) the amount realized by the Holder of Administrative Expense Claims, Fee Claims and Priority Tax Claims in satisfaction of its Claim (other than in respect of any Claim for accrued but unpaid interest and OID, and excluding any portion required to be treated as imputed interest due to the post-Effective Date distribution of such consideration), and (ii) the Holder’s adjusted tax basis in its Claim (excluding any portion attributable to an Claim for accrued but unpaid interest and OID). The amount realized by a Holder of Administrative Expense Claims, Fee Claims and Priority Tax Claims should equal the sum of the amount of any cash and the fair market value of any other property received by the Holder of Administrative Expense Claims, Fee Claims and Priority Tax Claims. It is possible that any loss or a portion of any gain realized by such a Holder of Administrative Expense Claims, Fee Claims and Priority Tax Claims may be deferred until the Holder of Administrative Expense Claims, Fee Claims and Priority Tax Claims has received its final Distribution. A Holder’s tax basis in any property received in satisfaction of Administrative Expense Claims, Fee Claims and Priority Tax Claims generally should equal the fair market value of such property, and the Holder’s holding period for the property generally should begin the day following the acquisition of the property. Furthermore, the Holders’ gain or loss, the character of such gain or loss, the application of the market discount rules, and the treatment of accrued but unpaid interest generally should be determined in the same manner as described above.

C. Information Reporting and Withholding

All Distributions to Holders of Allowed Claims under the Plan are subject to any applicable withholding obligations. Under U.S. federal income tax law, certain interest, dividends and other reportable payments may be subject to “backup withholding” at the then-applicable rate (28% as of the tax year 2011). Backup withholding generally applies if the Holder: (i) fails to furnish its social security number or other taxpayer identification number (“TIN”), (ii) furnishes an incorrect TIN, (iii) fails properly to report interest or dividends, or (iv) under certain circumstances, fails to provide a certified statement, signed under penalty of perjury, that the TIN provided is its correct number and that it is a United States person that is not subject to backup withholding. Backup withholding is not an additional tax but merely an advance tax payment which may be refunded to the extent it results in an overpayment of tax. Certain persons are exempt from backup withholding, including, in certain circumstances, corporations and financial institutions.

In addition, from an information reporting perspective, Treasury regulations generally require disclosure by a taxpayer on its U.S. federal income tax return of certain types of transactions (referred to as “Reportable Transactions”) in which the taxpayer participated, including, among other types of transactions, certain transactions that result in the taxpayer’s claiming a loss in excess of specified thresholds. Holders of Claims and Interests are urged to consult their tax advisors regarding these Treasury regulations and whether the transactions contemplated by the Plan would be subject to these Treasury regulations as Reportable Transactions and require disclosure on a Holder’s tax returns.

D. Non-United States Claimholders

This Disclosure Statement does not cover any of the U.S. federal income tax consequences of the Plan to Non-United States Holders of Claims. Each such Non-United States Holder should consult its own tax advisor as to the United States tax consequences of holding interests in DairyCo including, without limitation, (i) whether such Non-United States Holder will be subject to United States tax and required to file a United States tax return, (ii) the tax consequences of a sale of its interest in DairyCo, and (iii) the withholding obligations imposed on distributions from DairyCo to such Non-United States Holder.

THE PRECEDING DISCUSSION OF CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES IS FOR GENERAL INFORMATION ONLY AND IS NOT TAX ADVICE. THE PROPER TAX TREATMENT OF THE DEBTORS AND HOLDERS OF AN ALLOWED CLAIM IS UNCERTAIN IN VARIOUS RESPECTS. ACCORDINGLY, EACH DEBTOR AND HOLDER SHOULD CONSULT ITS OWN TAX ADVISOR AS TO PARTICULAR TAX CONSEQUENCES TO IT OF THE PLAN, INCLUDING THE APPLICABILITY AND EFFECT OF ANY STATE, LOCAL OR FOREIGN TAX LAWS, AND OF ANY PROPOSED CHANGES IN APPLICABLE LAWS.

ARTICLE IX RISK FACTORS

Holders of Claims against the Debtors and Interests in the Debtors should read and consider carefully the factors set forth below, as well as the other information set forth in this Disclosure Statement (and the documents delivered together herewith and/or referred to herein by reference), prior to voting to accept or reject the Plan. These risk factors should not, however, be regarded as constituting the only risks involved in connection with the Plan and its implementation.

A. Bankruptcy Considerations

Although the Proponent believes that the Plan satisfies all requirements necessary for confirmation by the Bankruptcy Court, there can be no assurance that the Bankruptcy Court will reach the same conclusion. Moreover, there can be no assurance that modifications to the Plan will not be required for confirmation or that such modifications would not necessitate the re-solicitation of votes.

The Plan contemplates occurrence of the Effective Date within 15 days after entry of the Confirmation Order. However, the Effective Date of the Plan is based upon the occurrence of certain conditions precedent enumerated in the Plan, the occurrence of which are not a certainty. Further, although the Proponent intends at present to support the Plan, Proponent may, at its discretion, withdraw from the Plan at any time before entry of the Confirmation Order.

B. Proponent Cannot State with any Degree of Certainty the Number or Amount of Claims that will be Allowed.

The Proponent cannot know with any certainty, at this time, the number or amount of Claims that will ultimately be Allowed in each of the voting Classes. Since the Distribution made to the Holders of Allowed Unsecured Claims will be *pro rata* based on the available assets to distribute and the aggregate amount of Allowed Unsecured Claims, the Distribution that any Holder of an Allowed Unsecured Claim will receive on account of any Claim is not certain.

C. Risk That Proceeds From Causes of Action Will be Less than Projected.

The Plan provides that Holders of Allowed Unsecured Claims will recover, in part, from any proceeds of Bankruptcy Causes of Action. Although the Proponent anticipates that the Bankruptcy Causes of Action will, in time, be resolved in a manner that provides a net benefit, there can be no guarantee that the result will be favorable or that any recoveries for Allowed Unsecured Claims will be generated by such Bankruptcy Causes of Action.

D. Risk that, if the Plan is Not Confirmed, then the Debtors' Bankruptcy Cases May Be Converted To Liquidations Under Chapter 7.

There is a risk that, if the Plan is not confirmed, the Debtors' cases may be converted to a Chapter 7 liquidation pursuant to section 1112 of the Bankruptcy Code. Whether such conversion may occur will be at the discretion of the Bankruptcy Court and may turn on the existence of factors that Proponent does not now know, such as the cost of attempting to confirm the Plan and the Debtors' continuing financial performance.

E. Alternative/Competing Plans

The Debtors and the Committee originally proposed competing plans of reorganization, but subsequent withdrew their respective plans. There is a risk that the Debtors, or other parties in interest, may propose additional competing plans of reorganization or liquidation. If the process of attempting to confirm a plan becomes too costly and/or lengthy, these Chapter 11 Cases may convert to Chapter 7 liquidation cases. If the Chapter 11 cases are converted to Chapter 7 liquidation cases, the creditors likely will receive a lower (or possibly no) recovery.

F. Relief from the Automatic Stay

There is a risk that Holders of Secured Claims may move for relief from the automatic stay imposed by section 362 of the Bankruptcy Code in order to assert their rights against the Debtors' encumbered property. The entities that may seek such relief are the

Proponent, the Holder of the AFS Secured Claims, and any Holder of any Other Secured Claims. On November 11, 2010, Proponent filed a Motion for Relief from Stay against certain of the Debtors' assets [Docket #102], which the Court has continued on various occasions and most recently through and including November 3, 2011.

At the present, Proponent does not intend to file additional motions for relief from stay, nor does Proponent anticipate that any Holders of Other Secured Claims will so move. However, depending on the complexity, duration and expense of the Plan confirmation process, the operational and financial performance of the Debtors prior to the Confirmation Date and other factors, there is a risk that such motions may be filed.¹⁹

ARTICLE X ALTERNATIVES TO CONFIRMATION AND CONSUMMATION OF PLAN

A. General

If the Plan is not confirmed, the potential alternatives include (i) alternative plans of reorganization under Chapter 11, (ii) dismissal of the Chapter 11 Cases, or (iii) conversion of the Chapter 11 Cases to cases under Chapter 7 of the Bankruptcy Code.

B. Alternative Plans of Reorganization

If the Plan is not confirmed, the Proponent may attempt to formulate a different plan of reorganization. Such a plan might involve either a reorganization and continuation of the Debtors' businesses or an orderly liquidation of its assets.

C. Sale of Assets Under Section 363 With Follow-On Plan

If the Plan is not confirmed, a section 363 sale may be pursued whereby substantially all of the Debtors' assets will be sold. The Lender has the right to credit bid at any such 363 sale. After such 363 sale is consummated, a Chapter 11 plan may be filed with the Bankruptcy Court with respect to any remaining assets.

D. Liquidation Under Chapter 7

If no Chapter 11 plan can be confirmed, the Chapter 11 Cases may be converted to cases under Chapter 7 of the Bankruptcy Code in which case a trustee would be elected or appointed to liquidate the Debtors' assets. A discussion of the effect that a Chapter 7 liquidation would have on the recoveries of holders of Claims is set forth in Article VI.D.3.d of this Disclosure Statement. The Proponent believes that liquidation under Chapter 7 would result in lower, more uncertain distributions made to creditors than those provided for in the Plan.

The Proponent has concluded that this Plan enables creditors and equity holders to realize the most value under the circumstances and that Holders of Claims

¹⁹ Nothing in this Disclosure Statement should be considered a waiver of Proponent's rights or remedies under applicable law or equity or the Proponent's right to pursue its pending automatic stay motion. Proponent expressly reserves any and all such rights.

would receive greater recoveries under the Plan than under a different business reorganization scenario or in a Chapter 7 liquidation.

C. No Legal or Tax Advice Is Provided to You by this Disclosure Statement

This Disclosure Statement is not legal advice to you. The contents of this Disclosure Statement should not be construed as legal, business or tax advice. Each Holder of a Claim or an Interest should consult his or her own legal counsel and accountant with regard to any legal, tax and other matters concerning his or her Claim or Interests. This Disclosure Statement may not be relied upon for any purpose other than to determine how to vote on the Plan or object to Confirmation of the Plan.

D. No Admissions Made

The information and statements contained in this Disclosure Statement will neither (a) constitute an admission of any fact or liability by any Entity nor (b) be deemed evidence of the tax or other legal effects of the Plan on DairyCo or any other parties in interest.

E. Failure to Identify Litigation Claims or Projected Objections

No reliance should be placed on the fact that a particular litigation claim or projected objection to a particular Claim or Interest is, or is not, identified in this Disclosure Statement. The Proponent may seek to object to Claims and Interests before or after the confirmation or Effective Date of the Plan irrespective of whether this Disclosure Statement identifies such Claims or objections to such Claims.

F. No Waiver of Right to Object or Right to Recover Transfers and Assets

The vote by a Holder of an Allowed Claim for or against the Plan does not constitute a waiver or release of any Claims, Causes of Action, Bankruptcy Causes of Action or rights of the Proponent, the Debtors or the Liquidation Trust (or any party in interest, as the case may be) to object to that Holder's Allowed Claim, or recover any preferential, fraudulent or other voidable transfer of assets, regardless of whether any Claims, Causes of Action or Bankruptcy Causes of Action are specifically or generally identified herein.

G. Potential Exists for Inaccuracies, and the Proponent has No Duty to Update

The statements contained in this Disclosure Statement are made by the Proponent as of the date hereof, unless otherwise specified herein, and the delivery of this Disclosure Statement after that date does not imply that there has not been a change in the information set forth herein since that date. While the Proponent has used its reasonable business judgment to ensure the accuracy of all of the information provided in this Disclosure Statement and in the Plan, the Proponent nonetheless cannot, and does not, confirm the current accuracy of all statements appearing in this Disclosure Statement. Further, although the Proponent may subsequently update the information in this Disclosure Statement, it has no affirmative duty to do so unless ordered to do so by the Bankruptcy Court.

H. No Representations Outside this Disclosure Statement Are Authorized

forth in this Disclosure Statement. Any representations or inducements made to secure your acceptance or rejection of the Plan that are other than as contained in, or included with, this Disclosure Statement, should not be relied upon by you in arriving at your decision. You should promptly report unauthorized representations or inducements to the counsel to the Proponent and the United States Trustee.

**ARTICLE XII
SUMMARY, RECOMMENDATION AND CONCLUSION**

In the opinion of the Proponent, the treatment of the Claims and Interests under the Plan contemplates a greater recovery than that which is likely to be achieved under other alternatives for the reorganization or liquidation of the Debtors. Accordingly, the Proponent believes that confirmation of the Plan is in the best interests of Holders of Claims and Interests and recommends that you vote to accept the Plan.

Respectfully submitted, this 6th day of November, 2011.

A Claim or Equity Interest is also placed in a particular Class for the purpose of receiving Distributions pursuant to this Plan only to the extent that such Claim or Equity Interest is an Allowed Claim or Allowed Equity Interest in that Class and such Claim or Equity Interest has not been paid, released or otherwise settled prior to the Effective Date. For purposes of brevity and convenience, the classification of Claims and Equity Interests set forth in Article II.C applies to each Debtor individually.

For purposes of brevity and convenience, the treatment of unclassified Claims set forth in this Article IV applies to each Debtor individually. Unless the Holder of an Allowed Claim and the Proponent or the Liquidation Trustee, as applicable, agree to a different treatment, each Holder of an Allowed Claim will receive the following Distributions in accordance with Article VII of the Plan:

A. Administrative Expense Claims. Each Holder of an Allowed Administrative Expense Claim will receive in full and final satisfaction, settlement, and release of and in exchange for such Allowed Administrative Expense Claim: (a) Cash equal to the amount of such Allowed Administrative Expense Claim, paid by DairyCo or the Proponent subject to the Direct Payment Cap; or (b) such other treatment as to which the Proponent, DairyCo and the Holder of such Allowed Administrative Expense Claim will have agreed upon in writing. On the Effective Date, the Aurora Dairy Allowed Administrative Claim will be paid in full, in Cash, by DairyCo or the Proponent.

B. Fee Claims. All Fee Claims will be treated as follows:

The failure to file and serve such Fee Application timely and properly will result in the Fee Claim being forever barred and discharged. To the extent necessary to give effect to this Article IV.B.1, entry of the Confirmation Order will amend and supersede any previously entered orders of the Bankruptcy Court regarding procedures for the payment of Fee Claims.

(2) Allowance of Fee Claims. A Fee Claim, with respect to which a Fee Application has been timely and properly filed and served pursuant to Article IV.B.1 above, will become an Allowed Fee Claim only to the extent allowed by Final Order of the Bankruptcy Court, and will be paid in accordance with such Final Order. Each Holder of an Allowed Fee Claim will receive in full and final satisfaction, settlement, and release of and in exchange for such Allowed Fee Claim: (a) Cash equal to the amount of such Allowed Fee Claim paid by DairyCo or the Proponent subject to the Direct Payment Cap; or (b) such other treatment as to which the Proponent, DairyCo, and the Holder of such Allowed Fee Claim will have agreed upon in writing.

D. U.S. Trustee Fees. All U.S. Trustee Fees payable on or before the Effective Date will be paid from Cash held by the Debtors on or before the Effective Date. The Liquidation Trust will be responsible for any U.S. Trustee Fees associated with the Liquidation Trust Assets, if any.

Notwithstanding anything herein to the contrary, no Holder of any Claim will be entitled to a Distribution in excess of 100% of the amount of the Allowed Claim. Allowed Unsecured Claims will not be entitled to interest on account of their respective Allowed Unsecured Claims.

**ARTICLE VI
ACCEPTANCE OR REJECTION OF THE PLAN**

A. Each Impaired Class Entitled to Vote Separately. Each Impaired Class of Claims that is to receive a Distribution under this Plan will be entitled to vote separately to accept or

reject this Plan. Except as provided in Article VI.C below, each Person that, as of the Voting Record Date, holds a Claim in an Impaired Class will receive a Ballot which will be used to cast its vote to accept or reject this Plan.

B. Acceptance by a Class of Claims. An Impaired Class of Claims will be deemed to accept this Plan if this Plan is accepted by Holders of Claims in such Class that hold at least two thirds ($\frac{2}{3}$) in amount and more than one-half ($\frac{1}{2}$) in number of the Claims of such Class that have voted to accept or reject this Plan.

C. Claims and Equity Interests Not Entitled to Vote. The Holder of any Claim that, as of the Voting Record Date: (a) has been Disallowed, (b) is the subject of a pending objection, or (c) was listed on the Schedules as unliquidated in amount, Contingent or Disputed (if no contrary Proof of Claim with respect to such Claim has been timely filed) or a Proof of Claim with respect to which was filed on or before the Bar Date pursuant to the provisions of the Bar Date Order and such Proof of Claim asserts such Claim as unliquidated in amount, Contingent or Disputed, will not be entitled to vote on this Plan, unless on or prior to the Voting Record Date the Bankruptcy Court enters a Final Order directing otherwise or estimating the Claim for purposes of voting; provided, however, that if only a portion of such Claim has been Disallowed, objected to or listed or asserted (as applicable) as unliquidated, Contingent or Disputed, such Holder will be entitled to vote the remainder of such Claim in an amount determined pursuant to the Disclosure Statement Order. Other Holders of Claims may not be entitled to vote on the Plan pursuant to the terms of the Disclosure Statement Order. As provided in Article V.G.2 above and section 1126(g) of the Bankruptcy Code, Holders of Equity Interests are not entitled to vote on this Plan. Without the need for further order of the Bankruptcy Court, the Proponent will be entitled to vote the AFS Secured Claim, in the amounts relating to each of the Debtors as set forth in the Disclosure Statement, as the sole member of Class 2 for each such Debtor. Without the need for further order of the Bankruptcy Court, the Proponent also will be entitled to vote the AFS Deficiency Claim, in the amounts relating to each of the Debtors as set forth in the Disclosure Statement, as a member of Class 4 for each such Debtor.

D. Cramdown. Because, as provided in V.G.2 above, Class 6 is deemed to reject this Plan, the Proponent will seek to have this Plan approved and confirmed by the Bankruptcy Court pursuant to section 1129(b) of the Bankruptcy Code. In the event one or more Impaired Classes of Claims votes not to accept this Plan, and this Plan is not withdrawn as provided in Article XIV.E below, the Proponent may modify the terms of this Plan as provided under Bankruptcy Rule 3019.

E. Controversy Concerning Impairment. If a controversy arises as to whether any Claim or Equity Interest is Impaired under the Plan, the Bankruptcy Court will, after notice and a hearing, determine such controversy on or before the Confirmation Date.

F. Elimination of Vacant Classes. Any Class of Claims or Equity Interests that does not contain, as of the date of the commencement of the Confirmation Hearing, a Holder of an Allowed Claim or Equity Interest, or a Holder of a Claim temporarily allowed under Bankruptcy Rule 3018, will be deemed deleted from the Plan for all purposes, including for purposes of determining acceptance of the Plan by such Class under section 1129(a)(8) of the Bankruptcy Code.

**ARTICLE VII
CLAIMS AND DISTRIBUTIONS**

A. Distribution Agent. The Proponent or the Liquidation Trustee, as applicable, may employ or contract with other Persons or Entities to serve as the Distribution Agent and assist in or make the Distributions required under the Plan.

B. Distributions Under the Plan. Within the time periods provided in Article VII.C of this Plan, the Proponent or Liquidation Trustee, as applicable, will make periodic and final Distributions under this Plan. The Liquidation Trustee will make periodic and final Distributions from the Liquidation Trust, including, without limitation, the Liquidation Trust Proceeds, except such amounts as are necessary to maintain the Disputed Claims Reserve, such amounts as are necessary to fund the Liquidation Trust Expenses and any such other amounts required to be withheld in accordance with the terms of this Plan or determined as necessary to withhold in the sole discretion of the Liquidation Trustee. The Distribution Agent will withhold from amounts distributable to any Person any and all amounts, determined in the Distribution Agent's reasonable sole discretion, to be required by any law, regulation, rule, ruling, directive or other governmental requirement. The Distribution Agent will require any Person receiving a Distribution hereunder to furnish to the Distribution Agent in writing an employer identification number or taxpayer identification number as assigned by the Internal Revenue Service, and the Distribution Agent may condition any Distribution to any Person hereunder on receipt of such identification number.

C. Timing of Distributions.

(1) Unless otherwise provided herein, Distributions to Holders of Allowed Administrative Expense Claims, Allowed Fee Claims, Allowed Priority Tax Claims, Allowed Priority Non-Tax Claims, Allowed Setoff Claims, Allowed AFS Secured Claims, and Allowed Convenience Class Claims will be made on the later of:

- (a) the Effective Date of this Plan,
- (b) as soon as practicable after the Claim becomes an Allowed Claim by Final Order, and
- (c) such other date as may be agreed upon by the Proponent, DairyCo or the Liquidation Trustee, as applicable, and the Holder of such Allowed Claim.

(2) Within ninety (90) days after the Effective Date of this Plan, the Liquidation Trustee will establish the Disputed Claims Reserve and make an initial Distribution of the available Liquidation Trust Proceeds in accordance with the provisions of this Plan and the Confirmation Order to the Holders of Allowed Unsecured Claims. For purposes of this initial Distribution, the Liquidation Trustee will distribute the Liquidation Trust Contribution less (a) a sufficient amount to be used to pay Allowed Priority Non-Tax Claims and Allowed Convenience Class Claims or fund the Disputed Claims Reserve with respect to such Claims and less (b) up to \$100,000 for Liquidation Trust Expenses.

The Liquidation Trustee will make periodic Distributions thereafter to Holders of Allowed Unsecured Claims, as required under the Liquidation Trust Agreement.

D. Disputed Claims Reserve. For each Class of Claims entitled to a Distribution from the Liquidation Trust, the Liquidation Trustee, will estimate, on or before the Distribution Date, the anticipated aggregate amount of all Disputed Claims in such Class as of such date, and will establish a Disputed Claims Reserve for such Class in an amount sufficient to make the Distributions to Holders of such Disputed Claims (to the extent such Disputed Claims are eventually Allowed at, in the aggregate, the amount estimated by the Proponent or Liquidation Trustee) that would have been made to the Holders as of such date had the Claims been Allowed as of the Distribution Date. Notwithstanding the foregoing, nothing in this Plan, the Confirmation Order or any related document, agreement, instrument or order will prohibit the Liquidation Trustee from using Liquidation Trust Assets and other reserve amounts to fund Liquidation Trust Expenses. Any Cash remaining in the Disputed Claims Reserve after all Disputed Claims have been resolved and paid, as appropriate, and the costs and expenses of the Liquidation Trust and Liquidation Trustee have been fully paid, will be available for Distribution to the other Liquidation Trust Beneficiaries in accordance with the Plan. Once all Disputed Claims have been resolved, and after any and all Cash in the Disputed Claims Reserve have been disbursed in accordance with the Plan, such Disputed Claims Reserve will be deemed dissolved.

E. Unclaimed Property.

(1) Holding of Unclaimed Property. If a Distribution to any Holder of an Allowed Claim is Unclaimed Property, no additional Distributions will be made to such Holder unless and until the Distribution Agent is notified in writing of such Holder's then current address in accordance with the Plan. Nothing contained in this Plan will required the Proponent, the Liquidation Trustee or the Distribution Agent to attempt to locate any Holder of an Allowed Claim. The Distribution Agent will hold all Unclaimed Property (and all interest, dividends, and other Distributions thereon) for the benefit of the Holders of Claims entitled thereto under the terms of this Plan. The Distribution Agent, DairyCo or the Proponent, as applicable, will make all Distributions of Unclaimed Property on or after the Distribution Date as soon as reasonably practicable after such Unclaimed Property has become deliverable or has been claimed in accordance with the Plan.

(2) Distribution of Unclaimed Property. At the end of ninety (90) days following the date that any Cash or other property becomes Unclaimed Property, the Holder of the Allowed Claim theretofore entitled to such Unclaimed Property held pursuant to Article VII.E.1 above will be deemed to have forfeited such property, whereupon: (a) with respect to any Distributions to Holders of Allowed Priority Non-Tax Claims, Allowed Convenience Class Claims and Allowed Unsecured Claims that become Unclaimed Property, all right, title and interest in and to such Unclaimed Property and any further Distributions under this Plan will be available to fund the Liquidation Trust or Liquidation Trustee or will be available for Distribution to all other Holders of Allowed Claims unless the Holder of an Allowed Claim entitled to the Unclaimed Property makes a request in writing to the Distribution Agent for such Unclaimed Property (which request must set forth the Distribution Address for such Holder) prior to the expiration of such period; and (b) with respect to any Distributions to Holders of Allowed Administrative Expense Claims, Allowed Fee Claims, Allowed Priority Tax Claims and

Allowed Setoff Claims that become Unclaimed Property, all right, title and interest in and to such Unclaimed Property and any further Distributions under this Plan will be remitted to DairyCo or the Proponent, as determined by the Proponent, unless the Holder of an Allowed Claim entitled to the Unclaimed Property makes a request in writing to the Distribution Agent for such Unclaimed Property (which request must set forth the Distribution Address for such Holder) prior to the expiration of such period. If there are any residual Liquidation Trust Proceeds or Unclaimed Property remaining of \$15,000 or less at the time of the dissolution of the Liquidation Trust, such residual Liquidation Trust Proceeds or Unclaimed Property will be distributed to DairyCo or the Proponent, as determined by the Proponent, free of any restrictions thereon and notwithstanding any federal or state escheat laws to the contrary.

F. Distributions to Holders of Claims Generally.

(1) No Distribution in Excess of Allowed Claim. Notwithstanding anything to the contrary herein, no Holder of an Allowed Claim will receive, in respect of such Claim, Distributions under this Plan in excess of the amount of its Allowed Claim.

(2) Disputed Payments. If any dispute arises as to the identity of a Holder of an Allowed Claim that is to receive any Distribution, the Distribution Agent may, in lieu of making such Distribution to such Person, make such Distribution into an escrow account or otherwise hold such Distribution until the disposition thereof is determined by Final Order of the Bankruptcy Court or by written agreement among the interested parties to such dispute, which written agreement is reasonably acceptable to the Proponent, DairyCo, the Liquidation Trustee (only with respect to Distributions to the Liquidation Trust Beneficiaries) and the Distribution Agent.

(3) Withholding Taxes. Any federal or state withholding taxes or other amounts required to be withheld under any applicable law will be deducted and withheld from any Distributions made pursuant to this Plan. All Persons holding Claims will be required to provide to the Distribution Agent any information necessary to effect the withholding of such taxes. Notwithstanding the foregoing, each Holder of an Allowed Claim that is to receive a Distribution hereunder will have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any governmental unit on account of such Distribution, including, without limitation, withholding tax obligations in respect of in-kind (non-cash) Distributions. Any party issuing an instrument or making an in-kind (non-cash) Distribution under this Plan has the right, but not the obligation, to refrain from making such Distribution until the Person to which the Distribution is to be made has made arrangements satisfactory to such issuing or disbursing party for payment of any such tax obligation.

(4) Timing of Distributions under This Plan. Payments and Distributions in respect of Allowed Claims under this Plan will be made as provided in this Plan.

(5) Distributions after the Effective Date. Distributions made after the Effective Date to Holders of Allowed Claims that are Disputed Claims as of the Effective Date will be deemed to have been made on the Effective Date. No interest will accrue or be payable on such Claims or any Distributions.

(6) Manner of Payments. Any payments to be made by the Distribution Agent pursuant to this Plan will be made by checks drawn on accounts maintained by the Distribution Agent or its professionals, or by wire transfer if circumstances justify, at the option of the Distribution Agent.

(7) Delivery of Distribution. Distributions to Holders of Allowed Claims will be sent to the Holder's Distribution Address. Holders of Claims may change the address to which Distributions, if any, will be sent by furnishing written notice to the Distribution Agent. A proper notice of change of address will be effective for a Distribution if received by the Distribution Agent at least thirty (30) days in advance of such Distribution Date. A proper notice of change of address will be effective for a distribution if received by the Distribution Agent at least 30 days in advance of such distribution date. U.S. Postal notifications of changes of address will be honored, provided that the Distribution Agent will have no obligation to investigate the address of the Holder of an Allowed Claim following expiration of such U.S. Postal notifications. Notwithstanding Bankruptcy Rule 3001(e), written notice of any assignment of an Allowed Claim shall be given to the Distribution Agent by the assignee thereof before the Distribution Agent shall be obligated to direct distributions to such assignee. Absent receipt by the Distribution Agent of such written notice of assignment, neither the Distribution Agent, nor the Trust shall have any liability to any such assignee or to any other Person on account of a misdirected distribution.

(8) Record Date for Distributions. The Distribution Agent will have no obligation to recognize the transfer of, or the sale of any participation in, any Allowed Claim that occurs after the close of business on the Distribution Record Date, except to the extent required under the Bankruptcy Rules.

(9) No Distributions Pending Allowance. Notwithstanding any other provision of this Plan, no payments or Distributions by the Distribution Agent will be made with respect to all or any portion of a Disputed Claim unless and until all Objections to such Disputed Claim have been settled or withdrawn by agreement of the parties or have been determined by Final Order, and the Disputed Claim, or some portion thereof, has become an Allowed Claim; provided however, that the Liquidation Trustee, DairyCo, or the Proponent, as applicable, may in their sole discretion, pay any Distribution due under this Plan on account of any undisputed portion of a Disputed Claim.

G. Setoffs. Except as otherwise provided in this Plan, the Confirmation Order, or in an agreement approved by a Final Order of the Bankruptcy Court, the Proponent or DairyCo, with respect to any Estate Assets transferred to DairyCo, may, pursuant to applicable law (including, without limitation, section 553 of the Bankruptcy Code), set off against any Distribution amounts related to any Claim before any Distribution is made on account of such Claim by the Proponent or DairyCo any and all of the Claims and Causes of Action of any nature that Debtors or the Estates may hold against the Holder of such Claim and that are transferred to Dairy Co; provided, however, that neither the failure to effect such a setoff, the allowance of any Claim hereunder, any other act or omission of the Proponent or DairyCo, nor any provision of this Plan (other than Article X below) will constitute a waiver or release by the Debtors, the Proponent or DairyCo of any such Claims and Causes of Action that the Debtors, the Proponent or DairyCo may possess against such Holder. To the extent the Proponent or the Distribution

Agent fail to set off against a Claim and seek to collect a Claim or Cause of Action from such Holder after a Distribution to such Holder has been made pursuant to this Plan, the Proponent or DairyCo, if successful in asserting such Claim or Cause of Action, will be entitled to full recovery on the Claim or Causes of Action against such Holder.

Except as otherwise provided in this Plan, the Confirmation Order or in an agreement approved by a Final Order of the Bankruptcy Court, the Liquidation Trustee, with respect to any Liquidation Trust Assets, may, pursuant to applicable law (including, without limitation, section 553 of the Bankruptcy Code), set off against any Distribution amounts related to any Claim before any Distribution is made on account of such Claim by the Liquidation Trustee, any Bankruptcy Causes of Action against the Holder of such Claim; provided, however, that neither the failure to effect such a setoff, the allowance of any Claim hereunder, any other act or omission of the Liquidation Trustee, nor any provision of this Plan (other than Article X below) will constitute a waiver or release by the Debtors or the Liquidation Trustee of any such Bankruptcy Cause of Action that the Debtors or the Liquidation Trustee may possess against such Holder. To the extent the Liquidation Trustee fails to set off against a Claim and seeks to collect under any of the Bankruptcy Causes of Action from such Holder after a Distribution to such Holder has been made pursuant to this Plan, the Liquidation Trustee, if successful in asserting such Bankruptcy Cause of Action, will be entitled to full recovery on the Bankruptcy Cause of Action against such Holder.

H. Control of Claims Resolution Process. After the Effective Date, the Liquidation Trustee, on behalf of the Liquidation Trust (solely as to Claims held by Liquidation Trust Beneficiaries other than the Proponent), the Proponent and DairyCo (each acting alone) will have the sole power and authority to file and prosecute objections to, or negotiate, settle or otherwise resolve (upon obtaining each other's agreement), any and all Disputed Claims in any Class in accordance with the objection procedures set forth in Article XI below and to prosecute or defend all appeals relating to such Disputed Claims. The Liquidation Trustee, on behalf of the Liquidation Trust, will have the sole power and authority to institute all Bankruptcy Causes of Action, and to prosecute or defend all appeals relating to such Bankruptcy Causes of Action on behalf of the Debtors or the Estates.

I. Distributions Under Fifteen Dollars. No Distributions of less than fifteen dollars (\$15.00) will be made by the Distribution Agent to any Holder of an Allowed Claim unless a request therefor is made in writing to the Distribution Agent. If no request is made as provided in the preceding sentence, all such Distributions will be treated as Unclaimed Property.

J. Fractional Distributions. Notwithstanding any other provision of the Plan to the contrary, payments of fractions of dollars by the Distribution Agent will not be required. Whenever any Distribution of a fraction of a dollar would be required, the Distribution will reflect a rounding of such fraction to the nearest whole dollar (up or down), with half dollars being rounded down.

K. Final Distribution. In accordance with Article VII.E.2 of the Plan and notwithstanding any other provision of the Plan to the contrary, in the event that: (a) in the sole

discretion of the Liquidation Trustee, the Liquidation Trust (i) has \$15,000 or less in funds on hand to make any further distributions to the Liquidation Trust Beneficiaries and (ii) has no remaining potential sources of funds; (b) all Allowed Priority Non-Tax Claims, and Allowed Convenience Class Claims have been paid in full; and (c) it is impractical or impossible for the Liquidation Trustee to make further distributions under the Plan, the Liquidation Trustee will make a final distribution of all remaining Liquidation Trust Proceeds to DairyCo.

DairyCo may attempt to negotiate separate consulting agreements that may be entered into by and between DairyCo (or one of its Affiliates) and each of David P. Sumrall, Massoud Ghadiani, Michael Pedreiro, Jamie Sumrall, Kimberly Potts, Carrie Pedreiro, and A.J. Pedreiro, which

The entry of the Confirmation Order will constitute authorization and direction for the Debtors, or the Proponent on the Debtor's behalf, to take or cause to be taken all corporate, limited liability or other actions necessary or appropriate to consummate and implement the provisions of the Plan prior to, on and after the Effective Date, and all such actions taken or caused to be taken will be deemed to have been authorized and approved by the Bankruptcy Court. M. Dissolution of Debtors. The Debtors, or any of them, will be deemed to have been dissolved upon the Proponent's or DairyCo's filing with the Bankruptcy Court of a notice of dissolution with respect to such Debtors. On the Effective Date, all of the Debtors' officers, directors, managers or members, as applicable, will be deemed to have resigned.

N. Conditions Precedent to the Effective Date. O. Waiver of Conditions to Effectiveness. The requirement that a particular condition to the effectiveness of the Plan be satisfied may be waived in whole or part by the Proponent in the Proponent's sole discretion, without notice or a hearing. The failure of the Proponent to assert the non satisfaction of any such conditions will not be deemed a waiver of any other rights hereunder, and each such right will be deemed an ongoing right that may be asserted or waived (as set forth herein) at any time or from time to time. Within seven (7) days from the satisfaction or waiver of all conditions to the effectiveness of this Plan as determined by the Proponent in the Proponent's sole discretion, the Proponent shall file with the Court a certification that all conditions have been satisfied or waived.

P. Effect of Nonoccurrence of the Conditions to Effectiveness. If each of the conditions to consummation and the occurrence of the Effective Date has not been satisfied or duly waived on or before the date that is one hundred and eighty (180) days after the Confirmation Date, the Confirmation Order may be vacated by the Bankruptcy Court upon a motion filed by the Proponent. If the Confirmation Order is vacated pursuant to this Article VIII.N, this Plan will be null and void in all respects, and nothing contained in this Plan will: (a) constitute a waiver or release of any Claims against or Equity Interests in the Debtors, or (b) prejudice in any manner the rights of the Proponent.

Q. Further Authorization. So long as not inconsistent with the terms of the Plan or the Confirmation Order, the Proponent will be entitled to seek such orders as each deems necessary to carry out and further the intentions and purposes, and to give full effect to the provisions, of this Plan.

R. No Substantive Consolidation. Any Claim asserted against any of the Debtors or any of the Estates will be deemed to be a Claim asserted only against the applicable Debtor and Estate, or, if multiple Debtors are liable on the Claim, against the applicable Debtors and Estates. The voting and distribution provisions of this Plan will be determined with respect to each Debtor; provided, however, the Debtors are deemed to form a joint venture for purposes of voting, confirmation, consummation and for distributions under this Plan. All creditors to will vote using a single ballot whereby creditors will elect the Debtor's case in which they are voting their claim(s). Nothing in this Plan will effect substantive consolidation of the Debtors or deemed consolidation of the Debtors.

S. Securities Registration Exemption. The DairyCo Equity Interests to be issued and Distributed pursuant to this Plan are to be issued without registration under the Securities Act or any similar federal, state, or local law in reliance upon the exemptions set forth in section 1145 of the Bankruptcy Code. T. Cancellation of Equity Interests. On the Effective Date, all Equity Interests, and any and all warrants, options, rights, or interests with respect to Equity Interests that have been issued, could be issued, or that have been authorized to be issued but that have not been issued, will be deemed canceled and extinguished without any further action of any party. DairyCo will provide the Liquidation Trustee and Liquidation Trustee Professionals with reasonable access to such books and records during normal business hours; provided that DairyCo will not incur any costs associated with such access.

ARTICLE IX LIQUIDATION TRUST

A. Establishment of Liquidation Trust. On the Effective Date, the Liquidation Trust will be established pursuant to the Liquidation Trust Agreement.

B. Appointment of Liquidation Trustee. Ronald L. Glass of GlassRatner Advisory and Capital Group, LLC will serve as the Liquidation Trustee. The appointment of the Liquidation Trustee will be approved in the Confirmation Order, and such appointment will be as of the Effective Date. In accordance with the Liquidation Trust Agreement, the Liquidation Trustee will serve in such capacity through the earlier of (a) the date that the Liquidation Trust and the Disputed Claims Reserve are dissolved in accordance with Articles VII.D and IX.K of

the Plan and (b) the date such Liquidation Trustee resigns, is terminated or is otherwise unable to serve, provided, however, that, in the event that the Liquidation Trustee resigns, is terminated or is unable to serve, then the Court, upon the motion of any party-in-interest, will approve a successor to serve as the Liquidation Trustee, and such successor Liquidation Trustee will serve in such capacity until the Liquidation Trust is dissolved.

C. Liquidation Trust Assets. Notwithstanding any prohibition of assignability under applicable non-bankruptcy law, on the Effective Date and periodically thereafter if additional Liquidation Trust Assets become available, the Debtors will be deemed to have automatically transferred to the Liquidation Trust all of their right, title, and interest in and to all of the Liquidation Trust Assets, and in accordance with section 1141 of the Bankruptcy Code, all such Liquidation Trust Assets will automatically vest in the Liquidation Trust free and clear of all Claims, liens, encumbrances and other liabilities, subject only to the Claims of the Liquidation Trust Beneficiaries as set forth in the Plan and the expenses of the Liquidation Trust and the Liquidation Trustee as set forth herein and in the Liquidation Trust Agreement, with all proceeds of the Liquidation Trust to be distributed in accordance with the provisions of this Plan. Thereupon, the Debtors will have no interest in or with respect to the Liquidation Trust Assets or the Liquidation Trust.

In connection with any Bankruptcy Causes of Action that are included in the Liquidation Trust Assets, any attorney-client privilege, work-product privilege, or other privilege or immunity attaching to any documents or communications thereto (whether written or oral) will also exist for the benefit of the Liquidation Trust and will vest in the Liquidation Trustee and its representatives, and will also be preserved for and as to the Debtors. The Liquidation Trustee is authorized to take all necessary actions to benefit from such privileges.

D. Treatment of Liquidation Trust for Federal Income Tax Purposes; No Successor in-Interest. The Liquidation Trust will be established for the primary purpose of liquidating the Liquidation Trust Assets, in accordance with Treas. Reg. § 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Liquidation Trust. Accordingly, the Liquidation Trustee will, in an expeditious but orderly manner, liquidate and convert to Cash the Liquidation Trust Assets, make timely distributions to the Liquidation Trust Beneficiaries in accordance with the Plan and the Liquidation Trust Agreement and not unduly prolong its duration. The Liquidation Trust will not be deemed a successor-in-interest of the Debtors for any purpose other than as specifically set forth herein or in the Liquidation Trust Agreement.

The Liquidation Trust is intended to qualify as a “grantor trust” for federal income tax purposes with the Liquidation Trust Beneficiaries treated as grantors and owners of the Liquidation Trust. For all federal income tax purposes, all parties (including, without limitation, the Debtors, the Liquidation Trustee, and the Liquidation Trust Beneficiaries) will treat the transfer of the Liquidation Trust Assets by the Debtors to the Liquidation Trust, as set forth in the Liquidation Trust Agreement, as a transfer of such Liquidation Trust Assets by the Debtors to the Holders of Allowed Claims of the Liquidation Trust Beneficiaries entitled to distributions from the Liquidation Trust Assets, followed by a transfer by such Holders to the Liquidation Trust. Thus, the Liquidation Trust Beneficiaries will be treated as the grantors and owners of a grantor trust for federal income tax purposes.

As soon as reasonably practicable after the Effective Date, the Liquidation Trustee (to the extent that the Liquidation Trustee deems it necessary or appropriate in his or her sole discretion) will value the Liquidation Trust Assets based on the good faith determination of the value of such Liquidation Trust Assets. The valuation will be used consistently by all parties (including the Debtors, the Liquidation Trustee, and the Liquidation Trust Beneficiaries) for all federal income tax purposes. The Bankruptcy Court will resolve any dispute regarding the valuation of the Liquidation Trust Assets.

The right and power of the Liquidation Trustee to invest the Liquidation Trust Assets transferred to the Liquidation Trust, the proceeds thereof, or any income earned by the Liquidation Trust, will be limited to the right and power to invest such Liquidation Trust Assets (pending distributions in accordance with the Plan), as set forth in Article IX.E herein; provided, however, that the scope of any such investments will be limited to include only those investments that a liquidating trust, within the meaning of Treas. Reg. § 301.7701-4(d), may be permitted to hold, pursuant to the Treasury Regulations, or any modification in the Internal Revenue Service guidelines, whether set forth in Internal Revenue Service rulings, other Internal Revenue Service pronouncements, or otherwise.

E. Investments of Cash. Except as otherwise provided in this Plan, all Cash held by the Liquidation Trust will be invested by the Liquidation Trustee with sole and absolute discretion in only (a) direct obligations of, or obligations guaranteed by, the United States; (b) obligations of any agency or corporation which is or may hereafter be created by or pursuant to an act of the Congress of the United States, as an agency or instrumentality thereof; (c) AAA rated tax-free securities issued by municipalities or state governments or agencies; or (d) such other obligations or instruments as may from time to time be approved for such investments by Final Order of the Bankruptcy Court; provided, however, that the Liquidation Trustee may, to the extent it deems necessary, deposit moneys in demand deposits (including, without limitation, money market funds) at any commercial bank, trust company or other financial institution organized under the laws of the United States or any state thereof which has, at the time of such deposit, a capital stock and surplus aggregating at least \$500,000,000. The investment powers of the Liquidation Trustee will be limited to powers to invest in demand and time deposits, such as short-term certificates of deposit, in banks or other savings or financial institutions, or other temporary, liquid investments such as U.S. Treasury Bills. Such investments will mature in such amounts and at such times as may be deemed necessary by the Liquidation Trustee, with sole and absolute discretion, to provide funds when needed to make Distributions and payments as required by this Plan.

F. Responsibilities of the Liquidation Trustee. The responsibilities of the Liquidation Trustee will include, but will not be limited to:

- (1) the making of certain Distributions as contemplated herein;
- (2) establishing and maintaining the Disputed Claims Reserve in accordance with the terms of this Plan;
- (3) conducting an analysis of Priority Non-Tax Claims, Unsecured Claims, Insider Claims, Other Secured Creditor Deficiency Claims and Convenience Class

Claims and prosecuting objections thereto or settling or otherwise compromising such Claims if necessary and appropriate in accordance with Article XI.A;

- (4) filing appropriate tax returns in the exercise of its fiduciary obligations;
- (5) retaining the Liquidation Trust Professionals;
- (6) taking such actions as are necessary to prosecute, resolve or compromise, as appropriate, all Bankruptcy Causes of Action; and
- (7) taking such actions as are necessary and reasonable to carry out the purposes of the Liquidation Trust.

G. Liquidation Trust Expenses.

(1) All Liquidation Trust Expenses will be charged against and paid from the proceeds of the Liquidation Trust Assets, and the Liquidation Trustee will pay the same as and when due and payable.

(2) The Liquidation Trustee will engage attorneys to prosecute Bankruptcy Causes of Action, and represent the Liquidation Trustee. The fees and expenses incurred by the Liquidation Trustee for the prosecution of Bankruptcy Causes of Action will be paid from the net aggregate recovery to the Liquidation Trust of such Bankruptcy Causes of Action and will not be paid out of the Liquidation Trust Contribution; provided, however, that all other services performed by attorneys retained by the Liquidation Trustee will be paid from the Liquidation Trust Contribution. The Liquidation Trust Professionals retained by the Liquidation Trustee will submit periodic statements for services rendered and costs incurred to the Liquidation Trustee for review and approval. The Liquidation Trustee will have ten (10) days to object to any such statement. In the event that any such objection is received by the relevant Liquidation Trust Professional and cannot be promptly resolved by such Liquidation Trust Professional and the Liquidation Trustee, the dispute will be submitted by the Liquidation Trustee to the Bankruptcy Court for adjudication. The Bankruptcy Court will retain jurisdiction to adjudicate any such objection. In the event that no objection is raised to a statement within the ten (10) day period, such statement will be promptly paid by the Liquidation Trustee, subject to Article IX.G.1 above.

H. Bonding of Liquidation Trustee. The Liquidation Trustee will not be obligated to obtain a bond but may do so, in its sole discretion, in which case the expense incurred by such bonding will be paid by the Liquidation Trust.

I. Fiduciary Duties of the Liquidation Trustee. Pursuant to this Plan and the Liquidation Trust Agreement, the Liquidation Trustee will act in a fiduciary capacity on behalf of the Liquidation Trust Beneficiaries.

J. Dissolution of the Liquidation Trust. The Liquidation Trust will be dissolved no later than four (4) years from the Effective Date unless the Bankruptcy Court, upon a motion filed prior to the fourth (4th) anniversary or the end of any extension period approved by the Bankruptcy Court (the filing of which will automatically extend the term of the Liquidation Trust pending the entry of an order by the Bankruptcy Court granting or denying the motion),

determines that a fixed period extension (not to exceed two (2) years, together with any prior extensions, without a favorable letter ruling from the Internal Revenue Service or opinion letter that any further extension would not adversely affect the status of the Liquidation Trust as a liquidating trust for federal income tax purposes) is necessary to facilitate or complete the recovery and liquidation of the Liquidation Trust Assets. After (a) the final Distribution of the Disputed Claims Reserve and the balance of the Liquidation Trust Proceeds pursuant to this Plan, and (b) the filing by or on behalf of the Liquidation Trust of a certification of dissolution with the Bankruptcy Court in accordance with this Plan, the Liquidation Trust will be deemed dissolved for all purposes without the necessity for any other or further actions.

K. Full and Final Satisfaction against Liquidation Trust. On and after the Effective Date, the Liquidation Trust will have no liability on account of any Claims or Equity Interests except as set forth in the Plan and in the Liquidation Trust Agreement. All payments and all Distributions made by the Liquidation Trustee under the Plan will be in full and final satisfaction, settlement, and release of and in exchange for all Claims or Equity Interests against the Liquidation Trust.

L. Limitation of Liability.

(1) No recourse will ever be had, directly or indirectly, against the Liquidation Trustee, the Liquidation Trust Professionals or any other representatives, agents, employees, successors or assigns of the Liquidation Trustee, by legal or equitable proceedings or by virtue of any statute or otherwise, or any deed of trust, mortgage, pledge or note, nor upon any promise, contract, instrument, undertaking, obligation, covenant or agreement whatsoever executed by the Liquidation Trustee under this Plan or by reason of the creation of any indebtedness by the Liquidation Trustee under this Plan for any purpose authorized by this Plan. All such liabilities, covenants, and agreements of the Liquidation Trustee, the Liquidation Trust Professionals or any other representatives, agents, employees, successors or assigns of the Liquidation Trustee, whether in writing or otherwise, under this Plan will be enforceable only against, and will be satisfied only out of, the Liquidation Trust Assets or such part thereof as will, under the terms of any such agreement, be liable therefor, or will be evidence only of a right of payment out of the income and Liquidation Trust Proceeds, as the case may be. Every undertaking, contract, covenant or agreement entered into in writing by the Liquidation Trustee will provide expressly against the personal liability of the Liquidation Trustee.

(2) Neither the Liquidation Trustee, the Liquidation Trust Professionals nor any other representatives, agents, employees, successors or assigns of the Liquidation Trustee will be liable for any act or omission of one another, nor will the Liquidation Trustee, the Liquidation Trust Professionals or any other representatives, agents, employees, successors or assigns of the Liquidation Trustee be liable for any act or omission taken or not taken in such capacity other than for specific acts or omissions resulting from Liquidation Trustee's, the Liquidation Trust Professionals' or any other representatives, agents, employees, successors or assigns of the Liquidation Trustee willful misconduct or fraud. The Liquidation Trustee may, in connection with the performance of its functions, and in its sole and absolute discretion, consult with the Liquidation Trust Professionals, and will not be liable for any act taken, omitted to be taken, or suffered to be done in accordance with advice or opinions rendered by such entities, regardless of whether such advice or opinions are provided in writing. Notwithstanding such

authority, the Liquidation Trustee will not be under any obligation to consult with the Liquidation Trust Professionals, and the determination not to do so will not result in the imposition of liability on the Liquidation Trustee, the Liquidation Trust Professionals or any other representatives, agents, employees, successors or assigns of the Liquidation Trustee, unless such determination is based on willful misconduct or fraud. The Liquidation Trust will indemnify and hold harmless the Liquidation Trustee, the Liquidation Trust Professionals or any other representatives, agents, employees, successors or assigns of the Liquidation Trustee from and against and in respect of all liabilities, losses, damages, claims, costs, and expenses (including, without limitation, reasonable attorney's fees, disbursements, and related expenses), which such Persons may incur or to which such Persons may become subject to in connection with any action, suit, proceeding, or investigation brought by or threatened against such Persons arising out of or due to their acts or omissions or consequences of such acts or omissions, with respect to the implementation or administration of the Liquidation Trust or the Plan or the discharge of their duties hereunder; provided, however, that no such indemnification will be made to such Persons for actions or omissions as a result of their willful misconduct or fraud.

M. Reliance on Documents. The Liquidation Trustee may rely, and will be protected in acting or refraining from acting, upon any certificates, opinions, statements, instruments or reports believed by it to be genuine and to have been signed or presented by the proper Person or Persons.

N. Requirement of Undertaking. The Liquidation Trustee may request any court of competent jurisdiction to require, and any such court may in its discretion require, in any suit for the enforcement of any right or remedy under this Plan, or in any suit against the Liquidation Trustee for any act taken or omitted by the Liquidation Trustee, that the filing party litigant in such suit undertake to pay the costs of such suit, and such court may in its discretion assess reasonable costs, including, without limitation, reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant.

ARTICLE X THE RELEASES AND EXCULPATION

A. Estate Release of AFS. For good and valuable consideration, including, without limitation, the Liquidation Trust Contribution and the up to \$2,500,000 of funding to pay Allowed Administrative Expense Claims, Allowed Fee Claims, Allowed Priority Tax Claims and Allowed Other Secured Claims, upon the Effective Date and except as otherwise provided in the Plan, each of the Debtors and the Estates release the AFS Released Parties from any and all Claims, Causes of Action and Bankruptcy Causes of Action, including, without limitation, the AFS Causes of Action, that the Debtors or the Estates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Equity Interest or other Person or entity, based in whole or in part upon any act or omission, transaction, agreement, event or other occurrence taking place at any time on or before the Effective Date. Upon the Effective Date, each of the Debtors shall execute and deliver a formal release of the AFS Released Parties, in a form acceptable to the Proponent in its sole discretion.

The above-described release includes, but is not limited to, a release by the Debtors and their Estates of the AFS Causes of Action. As a consequence of this release, on the Effective Date, the Liquidation Trustee will dismiss the AFS Causes of Action with prejudice, with each side bearing its own costs.

B. Estate Release of Sumrall. In the event that Sumrall executes and delivers mutually acceptable agreements and documents as Proponent may require, and a release, in form and substance acceptable to the Proponent, of any and all Claims and Causes of Action against the Debtors, the Estates, the Estate Assets, DairyCo, the Liquidation Trust, and Liquidation Trustee, upon the Effective Date and except as otherwise provided in the Plan, each of the Debtors and the Estates will release Sumrall from any and all Claims, Causes of Action and Bankruptcy Causes of Action including, without limitation, the Sumrall Causes of Action, that the Debtors or the Estates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Equity Interest or other Person or entity, based in whole or in part upon any act or omission, transaction, agreement, event or other occurrence taking place at any time on or before the Effective Date; *provided that* to the extent any Person received a payment or transfer from Sumrall or is otherwise subject to any Causes of Action and/or Bankruptcy Causes of Action as a result of receiving a payment or transfer from Sumrall, such Person will not receive the benefits of this release.

C. Sumrall/AFS Release. Upon the Effective Date, Sumrall and AFS will execute a mutual release, in a form reasonably acceptable to them, releasing, except as otherwise provided herein, each other, including, without limitation, their respective former, current and future Affiliates, members, managers, officers, directors, employees, consultants, agents, advisors, attorneys, accountants, financial advisors, representatives, professionals, successors, executors, administrators, heirs and assigns, from any and all Claims, Causes of Action and Bankruptcy Causes of Action that either Sumrall or AFS would have been legally entitled to assert in their own right (whether individually or collectively), based in whole or in part upon any act or omission, transaction, agreement, event or other occurrence taking place at any time on or before the Effective Date; provided, however, Sumrall will only be entitled to receive a release from AFS if Sumrall: (a) executes and delivers a release of all Claims, Causes of Action and Bankruptcy Causes of Action against AFS; and (b) executes any and all documents deemed necessary by AFS to transfer any and all real and personal property related to the Dairy Businesses to AFS, or AFS's designee, as provided in the mutual release agreement. Notwithstanding the foregoing, AFS, or AFS's designee, shall retain the right to decline to take possession of any real or personal property transferred to AFS, or AFS's designee, by Sumrall in accordance with this paragraph.

D. Releases by Holders of Claims. Except as otherwise expressly provided in the Plan or the Confirmation Order, on the Effective Date, for good and valuable consideration, to the fullest extent permissible under applicable law, each Person that has held, currently holds, or may hold a Claim or any other obligation, suit, judgment, damages, debt, right, remedy, cause of action, or liability of any nature whatsoever, will be deemed to, completely and forever release, waive, void, extinguish, and discharge unconditionally the AFS Released Parties of and from any and all Claims, Causes of Action, Bankruptcy Causes of Action, obligations, suits, judgments, damages, debts, rights, remedies, and liabilities of any nature whatsoever (including, without limitation, those arising under the Bankruptcy Code), whether liquidated or unliquidated, fixed

or Contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, in law, equity, or otherwise that are or may be based in whole or part on any act, omission, transaction, event, or other circumstance taking place or existing on or prior to the Effective Date (including prior to the Petition Date) in connection with or related to any of the Debtors or their respective assets, property and Estates, the Chapter 11 Cases or the Plan or the Disclosure Statement; *provided, however*, (a) that each Person that has submitted a ballot rejecting the Plan may elect, by checking the appropriate box on its ballot, not to grant the releases set forth in this Article X.D with respect to the AFS Released Parties and (b) that each Person that holds a Claim entitled to vote and who abstains from voting to either accept or reject the Plan will be bound to the releases set forth in this Article X.D with respect to the AFS Released Parties unless they return a ballot opting out of such releases; and *provided, further, however*, that nothing in this Article X.D will be construed to release the AFS Released Parties from willful misconduct as determined by a Final Order. Holders of Allowed Claims that vote in favor of the Plan, Allowed Administrative Expense Claims, Allowed Priority Tax Claims, Allowed Priority Non-Tax Claims and Allowed Other Secured Claims will be deemed to be bound to the releases in this Article X.D.

E. Exculpation. The Released Parties will not have or incur any liability to any Person for any act taken or omission made in good faith in connection with or in any way related to the Chapter 11 Cases, negotiating, prosecuting, administering, formulating, implementing, confirming or consummating the Plan, including, without limitation, all activities leading to the promulgation and confirmation of the Plan, the Disclosure Statement (including, without limitation, any information provided or statement made in the Disclosure Statement or omitted therefrom), or any contract, instrument, release or other agreement or document created in connection with or related to the Plan or the administration of the Debtors or these Chapter 11 Cases. The Released Parties will have no liability to any creditor for actions taken in good faith under the Plan, in connection therewith or with respect thereto, including, without limitation, failure to obtain consummation of the Plan or to satisfy any condition or conditions, or refusal to waive any condition or conditions precedent to Confirmation or to the occurrence of the Effective Date. The Released Parties will not have or incur any liability to any Holder of a Claim or party-in-interest herein or any other Person for any act or omission in connection with or arising out of: (a) administration of the Plan, (b) the implementation of any of the transactions provided for, or contemplated in, the Plan, or (c) any action taken in connection with either the enforcement of the Debtors' rights against any Person or the defense of Claims asserted against the Debtors with regard to the Chapter 11 Cases, except for willful misconduct as finally determined by a Final Order. The Released Parties are entitled to rely on, and act or refrain from acting on, all information provided by other Released Parties without any duty to investigate the veracity or accuracy of such information.

ARTICLE XI PROCEDURES FOR RESOLVING DISPUTED CLAIMS

A. Objections to Claims. On and after the Effective Date, the Liquidation Trust (solely as to the Claims held by Liquidation Trust Beneficiaries), the Proponent and DairyCo will have the right to the exclusion of all others to make, file and prosecute objections to Disputed Claims. The Liquidation Trust (solely as to the Claims held by Liquidation Trust Beneficiaries), the Proponent and DairyCo will, in their sole discretion, conduct a review of the

Schedules and all Proofs of Claim filed in the Chapter 11 Cases and, except as provided hereunder, the Liquidation Trustee, on behalf of the Liquidation Trust (solely as to the Claims held by Liquidation Trust Beneficiaries), the Proponent and DairyCo will file objections to such Claims (if any) with the Clerk of the Bankruptcy Court on or before the Claim Objection Deadline. The Liquidation Trust (solely as to the Claims held by Liquidation Trust Beneficiaries), the Proponent and DairyCo may compromise, settle or otherwise resolve any Disputed Claim without further order of the Bankruptcy Court, with the Liquidation Trust being required to obtain the agreement of the Proponent and DairyCo, and such compromise, settlement or other resolution will constitute a Final Order of the Bankruptcy Court with respect to the allowance of such Claim for all purposes under this Plan.

B. Disputed Claims. Subject to Article VII.F.9 of this Plan, no Distribution will be made with respect to any Disputed Claim (or any portion of such Claim) unless and until a Final Order allowing such Claim has been entered.

C. Subordination of Claims. Under this Plan, any Claim (other than the AFS Claims) may be subordinated to other Claims pursuant to section 510 of the Bankruptcy Code. No Distributions will be made in respect of a subordinated Claim until all Claims to which such Claim has been subordinated have been satisfied in full. Any action to subordinate a Claim will be filed by the Liquidation Trust at any time after the Effective Date.

D. Estimation of Claims. The Liquidation Trust (solely as to the Claims held by Liquidation Trust Beneficiaries), the Proponent or DairyCo may, at any time, request that the Bankruptcy Court estimate any Disputed Claim pursuant to section 502(c) of the Bankruptcy Code, regardless of whether the Liquidation Trust (solely as to the Claims held by Liquidation Trust Beneficiaries), the Proponent or DairyCo previously had objected to such Claim, and the Bankruptcy Court will retain jurisdiction to estimate any Disputed Claim at any time, including, without limitation, during litigation or another proceeding concerning any objection to such Disputed Claim.

E. No Distribution in Respect of Disallowed Claims. To the extent that a Disputed Claim is Disallowed in whole or in part, the Holder of such Claim will not receive any Distribution on account of the portion of such Claim (including, without limitation, the whole, if applicable) that is Disallowed.

ARTICLE XII EFFECT OF CONFIRMATION

A. Release of Liens and Cancellation of Instruments.

(1) Release of Liens on Estate Assets. Unless a particular Claim is reinstated or left unaltered: (a) each Holder of a Secured Claim or a Claim that is purportedly secured by any or all of the Estate Assets will, on or immediately prior to the Effective Date, (i) turn over and release to DairyCo or the Liquidation Trust, as applicable, any and all Estate Assets that secure or purportedly secure such Claim; and (ii) execute such documents and instruments as the DairyCo or the Liquidation Trust, as applicable, may require to evidence or record (with respect to any liens or security interests recorded in the public records) such Holder's release of such

property and of all security interests and liens in and on such property; and (b) on the Effective Date, all Claims, right, title and interest in and to such property will revert to DairyCo or the Liquidation Trust, as applicable, free and clear of all Claims, including, without limitation, liens, charges, pledges, encumbrances and/or security interests of any kind. All liens, charges, pledges, encumbrances and/or security interests of any kind of the Holders of such Claims in or on the Estate Assets will be deemed to be canceled and released as of the Effective Date.

(2) Effect of Failure to Release Liens. No Distribution hereunder will be made to or on behalf of any Holder of a Claim unless and until such Holder executes and delivers to the Liquidation Trust, DairyCo or the Proponent, as applicable, such release and surrender of liens or other items described in this Article XII.A, or demonstrates the non availability of such items to the satisfaction of the Liquidation Trust, DairyCo or the Proponent, as applicable, including, without limitation, requiring such Holder to post a lost instrument or other indemnity bond, among other things, to hold the Liquidation Trust, DairyCo or the Proponent, as applicable, harmless in respect of such lien, instrument or other item described in this Article XII.A and any Distributions made in respect thereof. The Liquidation Trust, DairyCo or the Proponent, as applicable, may reasonably require the Holder of such Claim to hold it harmless up to the amount of any Distribution made in respect of such unavailable note, instrument, document, certificate, subordinated note, agreement, certificated security or other item evidencing such Claim. Any such Holder that fails to execute and deliver such release of liens or other items described in this Article XII.A or satisfactorily explain their non-availability to the Liquidation Trust, DairyCo or the Proponent, as applicable, within one hundred and eighty (180) days after the Effective Date will be deemed to have no further Claim against the Liquidation Trust, DairyCo or the Proponent, as applicable, and will not participate in any Distribution hereunder, and the Distributions that would otherwise have been made to such Holder will be treated as Unclaimed Property. To the extent any Holder of a Claim described in Article XII.A.1 above fails to release the relevant liens as described in such subsection and in this Article XII.A.2, the Distribution Agent may act as attorney-in-fact, on behalf of such Holder, to provide any releases as may be required.

B. Revesting and Vesting; Retention and Enforcement of Claims. Except as otherwise provided in this Plan, on the Effective Date, all Estate Assets, other than the Liquidation Trust Assets, will vest in DairyCo, free and clear of all Claims, liens, charges, encumbrances and interests of Claim and Equity Interest Holders. Any and all Liquidation Trust Assets accruing to the Debtors or assertable as accruing to the Debtors will remain assets of the Estates pursuant to section 1123(b)(3)(B) of the Bankruptcy Code and on the Effective Date will be transferred to and vest in the Liquidation Trust. Pursuant to section 1123(b)(3)(B) of the Bankruptcy Code, only the Liquidation Trust and the Liquidation Trustee will have the right to pursue or not to pursue, or, subject to the terms of this Plan and the Liquidation Trust Agreement, compromise or settle any Liquidation Trust Assets. From and after the Effective Date, the Liquidation Trustee, on behalf of the Liquidation Trust (solely as it relates to Claims held by the Liquidation Trust Beneficiaries), the Proponent or DairyCo may commence, litigate and settle any objections to Claims (with the Liquidation Trustee being required to obtain the agreement of the Proponent and DairyCo) properly instituted by the Liquidation Trustee, on behalf of the Liquidation Trustee, the Proponent or DairyCo after the Effective Date, except as otherwise expressly provided in this Plan and the Liquidation Trust Agreement. From and after the Effective Date, the Liquidation Trustee, on behalf of the Liquidation Trust may commence,

litigate and settle any Bankruptcy Causes of Action properly instituted by the Liquidation Trustee, on behalf of the Liquidation Trustee, after the Effective Date, except as otherwise expressly provided in this Plan and the Liquidation Trust Agreement. Other than as set forth herein, no other Person may pursue such Liquidation Trust Assets after the Effective Date. The Liquidation Trustee will be deemed hereby substituted as plaintiff, defendant, or in any other capacity for either the Committee or each Debtor in any Bankruptcy Causes of Action pending before the Bankruptcy Court or any other court that constitutes a Liquidation Trust Asset without the need for Filing any motion for such relief.

C. Injunction. Except as otherwise expressly provided for in the Plan or the Confirmation Order and to the fullest extent authorized or provided by the Bankruptcy Code, including, without limitation, Bankruptcy Code sections 524 and 1141 and provided that the Effective Date occurs, the entry of the Confirmation Order will permanently enjoin all Persons that have held, currently hold or may hold a Claim or other debt or liability that is subject to the Plan from taking any of the following actions in respect of such Claim, debt or liability: (a) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind against either or both of the Debtors or DairyCo; (b) enforcing, levying, attaching, collecting or otherwise recovering in any manner or by any means, whether directly or indirectly, any judgment, award, decree or order against either or both of the Debtors or DairyCo; (c) creating, perfecting or enforcing in any manner directly or indirectly, any lien or encumbrance of any kind against either or both of the Debtors or DairyCo; (d) asserting any setoff, offset, right of subrogation or recoupment of any kind, directly or indirectly, against any debt, liability or obligation due to either or both of the Debtors or DairyCo; and (e) proceeding in any manner in any place whatsoever, including, without limitation, employing any process, that does not conform to or comply with or is inconsistent with the provisions of the Plan.

D. Term of Injunctions or Stays. Unless otherwise provided herein or in the Confirmation Order, all injunctions or stays provided for in the Chapter 11 Cases under Bankruptcy Code sections 105(a) or 362, or otherwise, and in existence on the Confirmation Date, will remain in full force and effect until the Effective Date.

ARTICLE XIII EXECUTORY CONTRACTS

A. Assumption and Assignment of Certain Executory Contracts. On the Effective Date, the Debtors will assume the Assumed Contracts and assign the Assumed Contracts to DairyCo. The Proponent will include in the Plan Supplement a schedule of all Assumed Contracts and, to the extent applicable, the proposed cure amounts with respect to each Assumed Contract. ANY NON-DEBTOR PARTY TO AN AGREEMENT LISTED ON THE SCHEDULE OF ASSUMED CONTRACTS THAT WISHES TO OBJECT TO THE ASSUMPTION AND (IF APPLICABLE) ASSIGNMENT OF SUCH AGREEMENT OR TO THE PROPOSED CURE AMOUNT WITH RESPECT TO SUCH AGREEMENT AS SET FORTH ON THE SCHEDULE OF ASSUMED CONTRACTS MUST FILE AN OBJECTION WITH THE BANKRUPTCY COURT NO LATER THAN SEVEN (7) DAYS PRIOR TO THE DATE OF COMMENCEMENT OF THE CONFIRMATION HEARING, AND MUST SERVE SUCH OBJECTION ON THE PROPONENT. IF SUCH NON-DEBTOR PARTY FAILS TO TIMELY FILE AND SERVE SUCH OBJECTION, SUCH PARTY WILL BE DEEMED TO

CONSENT TO THE ASSUMPTION AND ASSIGNMENT OF SUCH AGREEMENT AND THE PROPOSED CURE AMOUNT (IF ANY) WITH RESPECT TO SUCH AGREEMENT, AND SUCH OBJECTION AND ANY ASSERTED RIGHT TO RECEIVE A CURE PAYMENT OTHER THAN THAT SET FORTH ON THE SCHEDULE OF ASSUMED CONTRACTS (IF ANY) WILL BE WAIVED. THE PROPONENT MAY RESPOND TO ANY TIMELY FILED AND SERVED OBJECTION (IN WHICH CASE THE BANKRUPTCY COURT WILL DECIDE SUCH OBJECTION AT THE CONFIRMATION HEARING OR SUCH OTHER TIME AS DETERMINED BY THE BANKRUPTCY COURT), OR THE PROPONENT MAY REMOVE THE PARTICULAR AGREEMENT FROM THE SCHEDULE OF ASSUMED CONTRACTS (IN WHICH CASE THE AGREEMENT WILL NO LONGER BE AN ASSUMED CONTRACT). Cure amounts for Assumed Contracts determined in accordance with this Article XIII.A will be satisfied by DairyCo or the Proponent.

B. Assumption and Assignment Conditioned upon Consummation of This Plan. This Plan seeks to cause the applicable Debtors to assume the Assumed Contracts and assign such Assumed Contracts to DairyCo to the extent, and only to the extent, that such contracts or leases constitute executory contracts or unexpired leases. Additionally, unless the assumption and assignment of an Assumed Contract is expressly approved by a Final Order of the Bankruptcy Court that provides otherwise, the assumption and assignment of each Assumed Contract is expressly conditioned upon the occurrence of the Effective Date. If the Effective Date does not occur, assumption and assignment of the Assumed Contracts as provided in this Plan will not be effective, and the Debtors will retain all of their rights under section 365 of the Bankruptcy Code with respect to such contracts and leases.

C. Rejection of Remaining Contracts and Leases. Any and all of the Debtors' executory contracts and unexpired leases will be deemed rejected as of the Effective Date (unless such deadline is extended by Final Order of the Bankruptcy Court), other than contracts and leases that (a) are expressly assumed by the Debtors pursuant to a Final Order of the Bankruptcy Court entered prior to such date or are subject to a separate motion to assume and assign to DairyCo pending before the Bankruptcy Court on such date, (b) are specifically designated by the Proponent as an Assumed Contract pursuant to Article XIII.A above, or (c) expire, terminate or otherwise become non-executory prior to such date. Proofs of Claim with respect to any Claim for damages arising from the rejection of any executory contract or unexpired lease pursuant to this Article XIII.C must be filed with the Bankruptcy Court and served on the Liquidation Trustee on or before the Rejection Bar Date.

D. Treatment of Rejection Damages Claims. Any Claim for damages based upon the rejection of any executory contract or unexpired lease will be treated as an Unsecured Claim and will be classified in Class 4 or Class 5, as appropriate, and may be objected to in accordance with the provisions of Article XI above, and the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules and the Local Rules. The failure to file a Proof of Claim with respect to a Claim for damages based upon the rejection of an executory contract or unexpired lease as provided in Article XIII.C above or a Final Order of the Bankruptcy Court specifically relating to such Claim will forever bar and discharge such Claim.

**ARTICLE XIV
ADMINISTRATIVE PROVISIONS**

A. Retention of Jurisdiction. The Bankruptcy Court will retain post-confirmation jurisdiction over these Chapter 11 Cases including, without limitation, for the following purposes:

(1) To resolve any dispute or matter arising under or in connection with any order of the Bankruptcy Court entered in the Chapter 11 Cases, including, without limitation, disputes that arise between or among the Debtors, the Proponent, DairyCo, the Liquidation Trust, the Liquidation Trustee, Holders of Claims or Equity Interests or other parties in interest.

(2) To adjudicate all claims or controversies arising out of any purchases, sales, contracts or undertakings by the Debtors during the pendency of the Chapter 11 Cases.

(4) To adjudicate all controversies and issues arising out of or relating to any adversary proceedings on the Bankruptcy Court's docket as of the Confirmation Date, or which are commenced after the Confirmation Date pursuant to the provisions of the Bankruptcy Code and this Plan, and including, without limitation, adversary proceedings with respect to any Claims or Equity Interests, any Causes of Action or any Bankruptcy Causes of Action.

(5) To recover all assets and properties of the Debtors and the Estates, whether title is presently held in the name of the Debtors or a third party.

(6) To determine the allowability, classification, or priority of Claims upon objection by the Liquidation Trust, the Proponent or DairyCo (including, without limitation, the resolution of disputes regarding any Disputed Claims and claims for disputed Distributions), and the validity, extent, priority and avoidability of consensual and nonconsensual liens and other encumbrances, and to estimate any Disputed Claim pursuant to section 502(c) of the Bankruptcy Code.

(7) To issue injunctions or take such other actions or make such other orders as may be necessary or appropriate to restrain interference with this Plan or its execution or implementation by any Person, to construe and to take any other action to enforce and execute this Plan, the Confirmation Order or any order of the Bankruptcy Court, including, without limitation, the Bar Date Order and the injunctions contained therein, to issue such orders as may be necessary for the implementation, execution, performance and consummation of this Plan and all matters referred to herein, and to determine all matters that may be pending before the

Bankruptcy Court in the Chapter 11 Cases on or before the Effective Date with respect to any Person.

(8) To protect the property of the Estates, the Debtors, the Liquidation Trust or DairyCo from claims against, or interference with, such property, including, without limitation, actions to quiet or otherwise clear title to such property or to resolve any dispute concerning liens, security interest or encumbrances in or on any property of the Estates.

(i) To determine any and all applications for allowance of Fee Claims.

(ii) To determine any Priority Tax Claims, Priority Non-Tax Claims, Administrative Expense Claims or any other request for payment of Claims or expenses entitled to priority under section 507(a) of the Bankruptcy Code.

(9) To determine any and all motions related to the rejection, assumption or assignment of executory contracts or unexpired leases, to determine any motion to assume and assign an executory contract or unexpired lease pursuant to Article XIII above or to resolve any disputes relating to the appropriate cure amount or other issues related to the assumption and assignment of executory contracts or unexpired leases in the Chapter 11 Cases.

(10) To determine all applications, motions, adversary proceedings, contested matters, actions, and any other litigated matters instituted in and prior to the closing of the Chapter 11 Cases, including, without limitation, any remands.

(11) To enter a Final Order or orders closing the Chapter 11 Cases.

(12) To modify this Plan under section 1127 of the Bankruptcy Code, remedy any defect, cure any omission, or reconcile any inconsistency in this Plan or the Confirmation Order so as to carry out its intent and purposes.

(13) To issue such orders in aid of consummation of this Plan and the Confirmation Order, notwithstanding any otherwise applicable non-bankruptcy law, with respect to any Person, to the fullest extent authorized by the Bankruptcy Code.

(14) To determine any tax liability pursuant to section 505 of the Bankruptcy Code.

(15) To enter and implement such orders as may be appropriate in the event the Confirmation Order is for any reason stayed, revoked, modified or vacated.

(16) To resolve any disputes concerning whether a Person had sufficient notice of the Chapter 11 Cases, any applicable Claims bar date (including, without limitation, the Bar Date, the Administrative Expense Bar Date, and any other Claims bar date provided in this Plan, the Confirmation Order, or any other Final Order of the Bankruptcy Court), the hearing to consider approval of the Disclosure Statement or the Confirmation Hearing, or for any other purpose.

(17) To authorize sales or transfers of assets, or issuances or transfers of securities, as necessary or desirable and to resolve objections, if any, to such sales, transfers or issuances.

(18) To resolve any disputes concerning any release of a non-Debtor hereunder or the injunction against acts, employment of process or actions against such non-Debtor arising hereunder.

(19) To approve any Distributions, or resolve objections thereto, under this Plan.

(20) To assist with the collection of any accounts receivable or other amounts owed by any co-op.

(21) To enforce DairyCo's right to the benefits of any prepayments made by the Debtors to any Person, including, without limitation, any trade vendors and services providers.

(22) To determine such other matters, and for such other purposes, as may be provided in the Confirmation Order, or as may be authorized under the Bankruptcy Code.

B. Failure of the Bankruptcy Court to Exercise Jurisdiction. If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising in, arising under, or related to the Chapter 11 Cases, then Article XIV.A above will have no effect upon and will not control, prohibit, or limit the exercise of jurisdiction by any other court having jurisdiction with respect to such matter.

C. Governing Law. Except to the extent the Bankruptcy Code, Bankruptcy Rules, Local Rules or other federal laws apply, the rights and obligations arising under this Plan will be governed by the laws of the State of Georgia, without giving effect to principles of conflicts of law.

D. Amendments.

LIQUIDATION TRUST AGREEMENT

LIQUIDATION TRUST AGREEMENT

This Liquidation Trust Agreement (the “**Agreement**”) dated as of December __, 2011, which pertains to the administration of the Liquidation Trust, is made effective as of the Effective Date¹ of the Plan, by and between Dairy Productions Systems - Georgia, LLC, Dairy Production Systems, LLC, Dairy Production Systems - Mississippi, LLC, New Frontier Dairy, LLC and Heifer Haven, LLC, the debtors and debtors in possession in the Chapter 11 Cases, and Ronald L. Glass of GlassRatner Advisory and Capital Group, LLC, not individually, but solely in his capacity as Liquidation Trustee in accordance with the Plan.

(A) On October 7, 2010, each of Dairy Productions Systems - Georgia, LLC, Dairy Production Systems, LLC, Dairy Production Systems - Mississippi, LLC, New Frontier Dairy, LLC and Heifer Haven, LLC (collectively, the “**Debtors**”) filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code in the Bankruptcy Court. The Chapter 11 Cases are jointly administered under Case No. 10-11752 (JDW).

(B) On October 9, 2010, the United States Trustee appointed an Official Committee of Unsecured Creditors (the “**Committee**”).

(C) On September 8, 2011, Agricultural Funding Solutions, LLC (“**AFS**”) or “**Proponent**”) filed its Plan and Disclosure Statement. Subsequently, on November 1, 2011, AFS filed its Amended Plan and Disclosure Statement. On November __, 2011, AFS filed its Second Amended Plan and Disclosure Statement (the “**Plan**”).

(D) On December __, 2011, the Bankruptcy Court entered the Confirmation Order confirming the Plan. A copy of the confirmed Plan is attached hereto as **Exhibit 1**.

(E) The Plan provides for the creation of a post-confirmation Liquidation Trust to hold and administer the Liquidation Trust Assets and Disputed Claim Reserve and to distribute the proceeds therefrom to the Liquidation Trust Beneficiaries, in accordance with the terms of this Agreement and the Plan. This Agreement is executed to establish the Liquidation Trust and to facilitate the Plan.

(F) The Liquidation Trust is created on behalf of, and for the benefit of, the Liquidation Trust Beneficiaries.

(G) The respective powers, authority, responsibilities and duties of the Liquidation Trustee shall be governed by this Agreement, the Plan, the Confirmation Order and other applicable orders issued by the Bankruptcy Court.

(H) This Agreement is intended to supplement, complement and implement the Plan; *provided, however*, that except as otherwise expressly stated herein, if any

¹ Capitalized terms used herein and not otherwise defined in Article I shall have the meanings set forth in the Plan.

of the terms and/or provisions of this Agreement conflict with the terms and/or provisions of the Plan, then the Plan shall govern.

(I) The Liquidation Trust is intended to qualify as a “grantor trust” for federal income tax purposes with the Liquidation Trust Beneficiaries treated as grantors and owners of the Liquidation Trust. For all federal income tax purposes, all parties (including, without limitation, the Debtors, the Liquidation Trustee, and the Liquidation Trust Beneficiaries) will treat the transfer of the Liquidation Trust Assets by the Debtors and the Proponent or DairyCo to the Liquidation Trust, as set forth in this Agreement, as a transfer of such Liquidation Trust Assets by the Debtors and by the Proponent or DairyCo (with respect to the Liquidation Trust Contribution) to the Holders of Allowed Claims entitled to distributions from the Liquidation Trust Assets, followed by a transfer by such Holders to the Liquidation Trust. Thus, the Liquidation Trust Beneficiaries will be treated as the grantors and owners of a grantor trust for federal income tax purposes.

- (i) The Liquidation Trust will be established for the primary purpose of liquidating the Liquidation Trust Assets, in accordance with Treas. Reg. § 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Liquidation Trust. Accordingly, the Liquidation Trustee will, in an expeditious but orderly manner, liquidate and convert to Cash the Liquidation Trust Assets, make timely distributions to the Liquidation Trust Beneficiaries and not unduly prolong its duration. The Liquidation Trust will not be deemed a successor-in-interest of the Debtors for any purpose other than as specifically set forth herein or in the Liquidation Trust Agreement;
- (ii) This Agreement provides that the Liquidation Trust Beneficiaries of the Liquidation Trust will be treated as the grantors of the Liquidation Trust and deemed owners of the Liquidation Trust Assets, and, further, requires the Liquidation Trustee to file returns for the Liquidation Trust as a grantor trust pursuant to Treas. Reg. §1.671-4(a);
- (iii) This Agreement provides for consistent valuations of the transferred property by the Liquidation Trustee and the Liquidation Trust Beneficiaries, and those valuations shall be used for all federal income tax purposes;
- (iv) All of the Liquidation Trust’s income is to be treated as subject to tax on a current basis to the Liquidation Trust Beneficiaries who will be responsible for payment of any tax due;
- (v) This Liquidation Trust contains a fixed or determinable termination date in that it shall be dissolved no later than four (4) years from the Effective Date unless the Bankruptcy Court, upon a motion Filed prior to the fourth (4th) anniversary or the end of any extension period approved by the Bankruptcy Court (the Filing of which shall automatically extend the term of the Liquidation Trust pending the entry of an order by the Bankruptcy Court granting or denying the motion), determines that a fixed period extension (not to exceed two (2) years, together

with any prior extensions, without a favorable letter ruling from the IRS or opinion letter that any further extension would not adversely affect the status of the Liquidation Trust as a liquidating trust for federal income tax purposes) is necessary to facilitate or complete the recovery and liquidation of the Liquidation Trust Assets. After (a) the final Distribution of the Disputed Claims Reserve and the balance of the assets or proceeds of the Liquidation Trust pursuant to the Plan, and (b) the Filing by or on behalf of the Liquidation Trust of a certification of dissolution with the Bankruptcy Court in accordance with the Plan, the Liquidation Trust shall be deemed dissolved for all purposes without the necessity for any other or further actions; and

- (vi) The investment powers of the Liquidation Trustee, other than those reasonably necessary to maintain the value of the Liquidation Trust Assets and to further the liquidating purpose of the Liquidation Trust, shall be limited to the right and power to invest such Liquidation Trust Assets (pending distributions in accordance with the Plan) in permissible investments, as allowed pursuant to Section 3.9 herein; *provided, however*, that the scope of any such permissible investments shall be limited to include only those investments that a liquidating trust, within the meaning of Treas. Reg. § 301.7701-4(d), may be permitted to hold, pursuant to the Treasury Regulations, or any modification in the IRS guidelines, whether set forth in IRS rulings, other IRS pronouncements, or otherwise.

NOW, THEREFORE, in consideration of the promises and the mutual covenants and agreements contained herein and in the Plan, the parties to this Agreement agree as follows:

ARTICLE I DEFINITIONS:

Any capitalized term used herein, but not otherwise defined, shall have the meaning set forth in the Plan. For purposes of this Agreement, the following terms will have the meanings set forth below:

ARTICLE III
DUTIES AND POWERS OF THE LIQUIDATION TRUSTEE

3.1 Generally

Except as otherwise provided in this Agreement, the Plan or the Confirmation Order, the Liquidation Trustee shall control and exercise authority over the Liquidation Trust Assets and shall be responsible for liquidating and administering (or abandoning, as the case may be) the Liquidation Trust Assets and taking actions on behalf of, and representing, the Liquidation Trust. (b) The Liquidation Trust Professionals retained by the Liquidation Trustee will submit periodic statements for services rendered and costs incurred to the Liquidation Trustee for review and approval. The Liquidation Trustee will have ten (10) days to object to any such statement. In the event that any such objection is received by the relevant Liquidation Trust Professional and cannot be promptly resolved by such Liquidation Trust Professional and the Liquidation Trustee, the dispute will be submitted by the Liquidation Trustee to the Bankruptcy Court for adjudication. The Bankruptcy Court will retain jurisdiction to adjudicate any such objection. In the event that no objection is raised to a statement within the ten (10) day period, such statement will be promptly paid by the Liquidation Trustee, subject to Article IX.G.1 of the Plan.

3.4 Fiduciary Duties of the Liquidation Trustee.

Pursuant to the Plan and this Agreement, the Liquidation Trustee will act in a fiduciary capacity on behalf of the Liquidation Trustee Beneficiaries.

3.5 Additional Powers of Liquidation Trustee

In connection with the administration of the Liquidation Trust, subject to and except as otherwise set forth in this Agreement or the Plan, the Liquidation Trustee is hereby authorized to perform those acts necessary to accomplish the purposes of the Liquidation Trust. Without limiting, but subject to, the foregoing, the Liquidation Trustee shall be authorized, in his or her sole discretion, and subject to the limitations contained herein and in the Plan to:

(a) hold legal title (on behalf of the Liquidation Trust as Liquidation Trustee, but not individually) to the Liquidation Trust Assets, including, but not limited to, the Bankruptcy Causes of Action and the right to vote any Claim held by the Liquidation Trust in any case or proceeding under the Bankruptcy Code or otherwise and to receive any distribution therein, in each case, on any terms and conditions as he or she may determine in good faith based on the best interests of the Liquidation Trust Beneficiaries;

(f) purchase such insurance coverage as the Liquidation Trustee, in his or her sole discretion, deems necessary and appropriate with respect to the liabilities and obligations of the Liquidation Trustee with respect to the Liquidation Trustee's duties with respect to the Liquidation Trust Assets (in the form of an errors and omissions policy, fiduciary policy or otherwise);

(g) purchase such insurance coverage as the Liquidation Trustee, in his or her sole discretion, deems necessary and appropriate with respect to real and personal property which may be or may become Liquidation Trust Assets;

(h) retain and pay, as applicable, professionals as provided in, and subject to the terms of, this Agreement;

(i) settle, in his or her sole discretion (after obtaining the agreement of the Proponent and DairyCo), and without Bankruptcy Court approval, any and all Disputed Claims such that the remaining claim amount after the settlement is less than or equal to \$100,000 or less;

(j) incur any reasonable and necessary expenses in liquidating and converting the Liquidation Trust Assets to Cash, or otherwise administering the Liquidation Trust, as set forth in the Plan or this Agreement; and

(k) assume such other powers as may be vested in or assumed by the Liquidation Trustee pursuant to the Plan or Bankruptcy Court order, or as may be necessary and proper to carry out the provisions of the Plan or this Agreement.

3.6 General Authority of the Liquidation Trustee

Unless specifically stated otherwise herein, the Liquidation Trustee shall not be required to obtain Bankruptcy Court approval with respect to any proposed action or inaction: (a) authorized in this Agreement or (b) specifically contemplated in the Plan.

3.7 Limitation of Liquidation Trustee's Authority; No On-Going Business

Notwithstanding anything to the contrary under applicable law, this Agreement or the Plan, the authority of the Liquidation Trustee is limited as follows:

(a) For federal tax purposes, the Liquidation Trustee shall not be authorized to engage in any trade or business with respect to the Liquidation Trust Assets or any proceeds therefrom except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Liquidation Trust.

(b) The Liquidation Trustee shall take such actions consistent with the prompt orderly liquidation of the Liquidation Trust Assets as required by applicable law and consistent with the treatment of the Liquidation Trust as a liquidating trust under Treas. Reg. § 301.7701-4(d), to the extent such actions are permitted by this Agreement.

(c) The Liquidation Trustee shall not take, or fail to take, any action that would jeopardize treatment of the Liquidation Trust as a “liquidating trust” for federal income tax purposes.

3.8 Other Activities

The Liquidation Trustee shall be entitled to be employed by third parties while performing the duties required under the Plan and this Agreement, so long as such other employment does not involve holding or representing any interest adverse to the interests of the Liquidation Trust, or otherwise preclude or impair the Liquidation Trustee from performing his duties under the Plan and this Agreement.

3.9 Investment and Safekeeping of Liquidation Trust Assets

Except as otherwise provided in the Plan, all Cash held by the Liquidation Trust will be invested by the Liquidation Trustee with sole and absolute discretion in only (a) direct obligations of, or obligations guaranteed by, the United States; (b) obligations of any agency or corporation which is or may hereafter be created by or pursuant to an act of the Congress of the United States, as an agency or instrumentality thereof; (c) AAA rated tax-free securities issued by municipalities or state governments or agencies; or (d) such other obligations or instruments as may from time to time be approved for such investments by Final Order of the Bankruptcy Court; *provided, however*, that the Liquidation Trustee may, to the extent it deems necessary, deposit moneys in demand deposits (including, without limitation, money market funds) at any commercial bank, trust company or other financial institution organized under the laws of the United States or any state thereof which has, at the time of such deposit, a capital stock and surplus aggregating at least \$500,000,000. The investment powers of the Liquidation Trustee will be limited to powers to invest in demand and time deposits, such as short-term certificates of deposit, in banks or other savings or financial institutions, or other temporary, liquid investments such as U.S. Treasury Bills. Such investments will mature in such amounts and at such times as may be deemed necessary by the Liquidation Trustee, with sole and absolute discretion, to provide funds when needed to make Distributions and payments as required by the Plan.

The right and power of the Liquidation Trustee to invest the Liquidation Trust Assets transferred to the Liquidation Trust, the proceeds thereof, or any income earned by the Liquidation Trust, will be limited to the right and power to invest such Liquidation Trust Assets (pending distributions in accordance with the Plan), as set forth in Article IX.E of the Plan; *provided, however*, that the scope of any such investments will be limited to include only those investments that a liquidating trust, within the meaning of Treas. Reg. § 301.7701-4(d), may be permitted to hold, pursuant to the Treasury Regulations, or any modification in the Internal Revenue Service guidelines, whether set forth in Internal Revenue Service rulings, other Internal Revenue Service pronouncements, or otherwise.

ARTICLE IV
TERM AND COMPENSATION FOR LIQUIDATION TRUSTEE

4.1 Compensation

(a) The Liquidation Trustee shall be entitled to receive fair and reasonable compensation for services rendered on behalf of the Liquidation Trust on an hourly basis and reimbursement of all reasonable, out-of-pocket expenses which shall be charged against and paid out of the Liquidation Trust Assets pursuant to the normal hourly rates charged by the Liquidation Trustee and its staff.

(b) Fees and expenses incurred by the Liquidation Trustee shall be paid from the proceeds of the Liquidation Trust Assets in accordance with Article IX.G of the Plan and Article VI of this Agreement.

4.2 Termination

The duties, responsibilities and powers of the Liquidation Trustee will terminate on the date the Liquidation Trust is dissolved under applicable law in accordance with the Plan, or by an order of the Bankruptcy Court.

4.3 No Bond

The Liquidation Trustee shall not be obligated to obtain a bond but may do so, in his or her sole discretion, in which case the expense incurred by such bonding shall be paid by the Liquidation Trust.

4.4 Removal

The Liquidation Trustee may be removed only for cause by a Final Order of the Bankruptcy Court, after notice and a hearing; *provided however*, that the Liquidation Trustee may not be removed until a successor Liquidation Trustee has been named or is capable of being named immediately upon such removal. For purposes of removing the Liquidation Trustee, “cause” shall mean gross negligence, breach of fiduciary duty, breach of trust, and reckless or willful mishandling of the Liquidation Trust Assets.

4.5 Resignation

The Liquidation Trustee may resign by giving not less than thirty (30) days’ prior written notice thereof to the Bankruptcy Court and any parties in interest requesting notice in the Chapter 11 Cases, provided that such resignation shall not become effective until a successor agrees to serve as Liquidation Trustee and executes this trust instrument.

ARTICLE V
PROVISIONS REGARDING DISPUTED CLAIMS RESERVE AND DISTRIBUTIONS

5.1 Distribution Agent.

The Liquidation Trustee may act as the Distribution Agent or may employ or contract with other Persons or Entities to serve as the Distribution Agent and assist in or make the Distributions required under the Plan.

5.2 Distributions Under the Plan.

Within the time periods provided in Article VII.C of the Plan, the Liquidation Trustee will make periodic and final Distributions under the Plan from the Liquidation Trust, including, without limitation, the Liquidation Trust Proceeds, except such amounts as are necessary to maintain the Disputed Claims Reserve, such amounts as are necessary to fund the Liquidation Trust Expenses and any such other amounts required to be withheld in accordance with the terms of the Plan or determined as necessary to withhold in the sole discretion of the Liquidation Trustee. The Distribution Agent will withhold from amounts distributable to any Person any and all amounts, determined in the Distribution Agent's reasonable sole discretion, to be required by any law, regulation, rule, ruling, directive or other governmental requirement. The Distribution Agent will require any Person receiving a Distribution hereunder to furnish to the Distribution Agent in writing an employer identification number or taxpayer identification number as assigned by the Internal Revenue Service, and the Distribution Agent may condition any Distribution to any Person hereunder on receipt of such identification number.

5.3 Timing of Distributions

(a) Unless otherwise provided herein, Distributions to Holders of Allowed Priority Non Tax Claims and Allowed Convenience Class Claims will be made on the later of:

1. the Effective Date of the Plan,
2. as soon as practicable after the Claim becomes an Allowed Claim by Final Order, and
3. such other date as may be agreed upon by the Liquidation Trustee and the Holder of such Allowed Claim.

(b) Within ninety (90) days after the Effective Date of the Plan, the Liquidation Trustee will establish the Disputed Claims Reserve and make an initial Distribution of the available Liquidation Trust Proceeds in accordance with the provisions of the Plan and the Confirmation Order to the Holders of Allowed Unsecured Claims. For purposes of this initial Distribution, the Liquidation Trustee will distribute the Liquidation Trust Contribution less (a) a sufficient amount to be used to pay Allowed Priority Non Tax Claims, Allowed Other Secured Creditor Deficiency Claims and Allowed Convenience Class Claims or fund the Disputed Claims Reserve with respect to such Claims and less (b) up to \$100,000 for Liquidation Trust Expenses. Beginning ninety (90) days after establishing the Disputed Claims Reserve, the Liquidation Trustee will make Distributions thereafter to Holders of Allowed Unsecured Claims within thirty (30) days following the end of any calendar quarter in which the Liquidation Trust Assets available for Distribution exceed \$100,000, net of reserved Liquidation Trust Expenses and amounts held in any Disputed Claims Reserve.

5.4 Disputed Claims Reserve.

For each Class of Claims entitled to a Distribution from the Liquidation Trust, the Liquidation Trustee will estimate, on or before the Distribution Date, the anticipated aggregate amount of all Disputed Claims in such Class as of such date, and will establish a Disputed Claims Reserve for such Class in an amount sufficient to make the Distributions to Holders of such Disputed Claims (to the extent such Disputed Claims are eventually Allowed at, in the aggregate, the amount estimated by the Liquidation Trustee) that would have been made to the Holders as of such date had the Claims been Allowed as of the Distribution Date. Notwithstanding the foregoing, nothing in the Plan, the Confirmation Order or any related document, agreement, instrument or order will prohibit the Liquidation Trustee from using Liquidation Trust Assets and other reserve amounts to fund Liquidation Trust Expenses. Any Cash remaining in the Disputed Claims Reserve after all Disputed Claims, have been resolved and have been issued the distribution to which such Holders of Claims are due under the Plan and this Trust Agreement, and the costs and expenses of the Liquidation Trust and Liquidation Trustee have been fully paid, will be available for Distribution to the other Liquidation Trust Beneficiaries as follows: all Liquidation Trust Beneficiaries, other than AFS, will receive their Pro Rata Share of any such Distribution consisting of proceeds of the Liquidation Trust Contribution and all Liquidation Trust Beneficiaries, including AFS, will receive their Pro Rata Share of any such Distribution consisting of any Liquidation Trust Proceeds other than proceeds of the Liquidation Trust Contribution. After any and all Cash in the Disputed Claims Reserve have been disbursed in accordance with the Plan, such Disputed Claims Reserve will be deemed dissolved.

5.5 Unclaimed Property.

(a) Holding of Unclaimed Property. If a Distribution to any Holder of an Allowed Claim is Unclaimed Property, no additional Distributions will be made to such Holder unless and until the Distribution Agent is notified in writing of such Holder's then current address in accordance with the Plan. Nothing contained in the Plan will required the Proponent, the Liquidation Trustee or the Distribution Agent to attempt to locate any Holder of an Allowed Claim. The Distribution Agent, the Proponent or DairyCo, as applicable, will hold all Unclaimed Property (and all interest, dividends, and other distributions thereon) for the benefit of the Holders of Claims entitled thereto under the terms of the Plan. The Distribution Agent will make all Distributions of Unclaimed Property on or after the Distribution Date as soon as reasonably practicable after such Unclaimed Property has become deliverable or has been claimed in accordance with the Plan.

(b) Distribution of Unclaimed Property. At the end of ninety (90) days following the date that any Cash or other property becomes Unclaimed Property, the Holder of the Allowed Claim theretofore entitled to such Unclaimed Property held pursuant to Article VII.E.1 of the Plan will be deemed to have forfeited such property, whereupon, with respect to any Distributions to Holders of Allowed Priority Non Tax Claims, Allowed Other Secured Creditor Deficiency Claims, Allowed Convenience Class Claims and Allowed Unsecured Claims that become Unclaimed Property, all right, title and interest in and to such Unclaimed Property and any further Distributions under the Plan will be available to fund the Liquidation Trust or Liquidation Trustee or will be available for Distribution to all other Holders of Allowed Claims,

unless the Holder of an Allowed Claim entitled to such Unclaimed Property makes a request in writing to the Distribution Agent for such Unclaimed Property (which request must set forth the Distribution Address for such Holder) prior to the expiration of such period. If there are any residual Liquidation Trust Proceeds or Unclaimed Property totaling \$15,000.00 or less at the time of the dissolution of the Liquidation Trust, such residual Liquidation Trust Proceeds or Unclaimed Property will be distributed to DairyCo or the Proponent, as determined by the Proponent, free of any restrictions thereon and notwithstanding any federal or state escheat laws to the contrary; provided however, if there are residual Liquidation Trust Proceeds or Unclaimed Property in excess of \$15,000.00, such amounts will be distributed to the Liquidation Trust Beneficiaries in accordance with this Agreement and the Plan.

5.6 Distribution to Holders of Claims Generally.

(a) No Distribution in Excess of Allowed Claim. Notwithstanding anything to the contrary herein, no Holder of an Allowed Claim will receive, in respect of such Claim, Distributions under the Plan in excess of the amount of its Allowed Claim.

(b) Disputed Payments. If any dispute arises as to the identity of a Holder of an Allowed Claim that is to receive any Distribution, the Distribution Agent may, in lieu of making such Distribution to such Person, make such Distribution into an escrow account or otherwise hold such Distribution until the disposition thereof is determined by Final Order of the Bankruptcy Court or by written agreement among the interested parties to such dispute, which written agreement is reasonably acceptable to the Proponent, the Liquidation Trustee and the Distribution Agent.

(c) Withholding Taxes. Any federal or state withholding taxes or other amounts required to be withheld under any applicable law will be deducted and withheld from any Distributions made pursuant to the Plan. All Persons holding Claims will be required to provide to the Distribution Agent any information necessary to effect the withholding of such taxes. Notwithstanding the foregoing, each Holder of an Allowed Claim that is to receive a Distribution hereunder will have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any governmental unit on account of such Distribution, including, without limitation, withholding tax obligations in respect of in-kind (non-cash) Distributions. Any party issuing an instrument or making an in-kind (non-cash) Distribution under the Plan has the right, but not the obligation, to refrain from making such Distribution until the Person to which the Distribution is to be made has made arrangements satisfactory to such issuing or disbursing party for payment of any such tax obligation.

(d) Timing of Distributions under The Plan. Payments and Distributions in respect of Allowed Claims under the Plan will be made as provided in the Plan.

(e) Distributions after the Effective Date. Distributions made after the Effective Date to Holders of Allowed Claims that are Disputed Claims as of the Effective Date will be deemed to have been made on the Effective Date. No interest will accrue or be payable on such Claims or any Distributions.

(f) Manner of Payments. Any payments to be made by the Distribution Agent pursuant to the Plan will be made by checks drawn on accounts maintained by the Distribution Agent or its professionals, or by wire transfer if circumstances justify, at the option of the Distribution Agent.

(g) Delivery of Distribution. Distributions to Holders of Allowed Claims will be made to the Holder's Distribution Address.

(h) Record Date for Distributions. The Distribution Agent will have no obligation to recognize the transfer of, or the sale of any participation in, any Allowed Claim that occurs after the close of business on the Distribution Record Date, and will be entitled for all purposes herein to recognize and distribute only to those Holders of Allowed Claims that are Holders of such Claims as of the close of business on the Distribution Record Date. The Distribution Agent will instead be entitled to recognize and deal for all purposes under the Plan with only those record holders stated on the official claims register as of the close of business on the Distribution Record Date.

(i) No Distributions Pending Allowance. Notwithstanding any other provision of the Plan, no payments or Distributions by the Distribution Agent will be made with respect to all or any portion of a Disputed Claim unless and until all Objections to such Disputed Claim have been settled or withdrawn by agreement of the parties or have been determined by Final Order, and the Disputed Claim, or some portion thereof, has become an Allowed Claim; provided however, that the Liquidation Trustee may, in his discretion, pay the Distribution due on account of any undisputed portion of a Disputed Claim.

5.7 Setoffs. Except as otherwise provided in the Plan, the Confirmation Order or in an agreement approved by a Final Order of the Bankruptcy Court, the Liquidation Trustee, with respect to any Liquidation Trust Assets, may, pursuant to applicable law (including, without limitation, section 553 of the Bankruptcy Code), set off against any Distribution amounts related to any Claim before any Distribution is made on account of such Claim by the Liquidation Trustee, any Bankruptcy Causes of Action against the Holder of such Claim; provided, however, that neither the failure to effect such a setoff, the allowance of any Claim hereunder, any other act or omission of the Liquidation Trustee, nor any provision of the Plan (other than Article X of the Plan) will constitute a waiver or release by the Debtors or the Liquidation Trustee of any such Bankruptcy Cause of Action that the Debtors or the Liquidation Trustee may possess against such Holder. To the extent the Liquidation Trustee fails to set off against a Claim and seek to collect a Bankruptcy Cause of Action from such Holder after a Distribution to such Holder has been made pursuant to the Plan, the Liquidation Trustee, if successful in asserting such Bankruptcy Causes of Action, will be entitled to full recovery on the Bankruptcy Causes of Action against such Holder. Nothing herein shall affect the assets transferred to DairyCo.

5.8 Control of Claims Resolution Process. After the Effective Date, the Liquidation Trustee, on behalf of the Liquidation Trust, the Proponent and DairyCo, each acting separately, will have the sole power and authority to file and prosecute objections to, or negotiate, settle or otherwise resolve (upon obtaining each other's agreement), any and all Disputed Claims in any Class in accordance with the objection procedures set forth in Article XI of the Plan and to prosecute or defend all appeals relating to such Disputed Claims. The Liquidation Trustee, on

behalf of the Liquidation Trust, will have the sole power and authority to institute all Bankruptcy Causes of Action, and to prosecute or defend all appeals relating to such Bankruptcy Causes of Actions on behalf of the Debtors or the Estates.

5.9 Distributions Under Fifteen Dollars. No Distributions of less than fifteen dollars (\$15.00) will be made by the Distribution Agent to any Holder of an Allowed Claim unless a request therefor is made in writing to the Distribution Agent.

5.10 Fractional Distributions. Notwithstanding any other provision of the Plan to the contrary, payments of fractions of dollars by the Distribution Agent will not be required. Whenever any Distribution of a fraction of a dollar would be required, the Distribution will reflect a rounding of such fraction to the nearest whole dollar (up or down), with half dollars being rounded down.

5.11 Final Distribution. In accordance with Article VII.E.2 of the Plan and notwithstanding any other provision of the Plan to the contrary, in the event that: (a) in the sole discretion of the Liquidation Trustee, the Liquidation Trust (i) has insufficient funds to make any further Distributions to the Liquidation Trust Beneficiaries and (ii) has no remaining potential sources of funds; (b) all Allowed Priority Non-Tax Claims and Allowed Convenience Class Claims have been paid in full; (c) the sum of \$15,000.00 or less remains in the Trust; (d) it is impractical or impossible for the Liquidation Trustee to make further distributions under the Plan; and (e) there are no Bankruptcy Causes of Action pending, the Liquidation Trustee will make a final Distribution of all remaining Liquidation Trust Proceeds to DairyCo, less any costs of the Trustee in making such final distribution and filing any tax returns or reports due under this trust instrument.

5.12 Full and Final Satisfaction against Liquidation Trust. On and after the Effective Date of the Plan, the Liquidation Trust will have no liability on account of any Claims or Equity Interests except as set forth in the Plan and in the Liquidation Trust Agreement. All payments and all Distributions made by the Liquidation Trustee under the Plan will be in full and final satisfaction, settlement, and release of and in exchange for all Claims or Equity Interests against the Liquidation Trust.

5.13 Requirement of Undertaking. The Liquidation Trustee may request any court of competent jurisdiction to require, and any such court may in its discretion require, in any suit for the enforcement of any right or remedy under the Plan, or in any suit against the Liquidation Trustee for any act taken or omitted by the Liquidation Trustee, that the filing party litigant in such suit undertake to pay the costs of such suit or post a bond, if required, and such court may in its discretion assess reasonable costs, including, without limitation, reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant.

5.14 Extensions of Time. The Liquidation Trustee may file a motion to extend any deadlines for the making of Distributions or the establishment of the Disputed Claims Reserve hereunder prior to the occurrence of any such deadlines, to the extent necessary, which deadlines shall be deemed automatically extended after the filing of such motion, and pending the entry of an order by the Bankruptcy Court extending any such deadline.

ARTICLE VI
TRUST FUNDING

6.1 Trust Funding

The Disputed Claims Reserve shall be established and funded in accordance with Article V of this Agreement and the Plan. The costs and expenses of the Liquidation Trust, including, without limitation, the compensation to and reimbursement of expense to the Liquidation Trustee and the fees, costs and expenses of all Liquidation Trust Professionals retained by the Liquidation Trustee in connection with the performance of the Liquidation Trustee's duties in connection with this Agreement, shall be paid from the proceeds of the Liquidation Trust Assets in accordance with Article IX of the Plan and Article V hereof.

6.2 Liquidation Trust Assets.

Notwithstanding any prohibition of assignability under applicable non-bankruptcy law, on the Effective Date and periodically thereafter if additional Liquidation Trust Assets become available, the Debtors will be deemed to have automatically transferred to the Liquidation Trust all of their right, title, and interest in and to all of the Liquidation Trust Assets, and in accordance with section 1141 of the Bankruptcy Code, all such Liquidation Trust Assets will automatically vest in the Liquidation Trust free and clear of all Claims, liens, encumbrances and other liabilities, subject only to the Claims of the Liquidation Trust Beneficiaries as set forth in the Plan and the expenses of the Liquidation Trust and the Liquidation Trustee as set forth herein and in the Liquidation Trust Agreement, with all proceeds of the Liquidation Trust to be distributed in accordance with the provisions of the Plan. Thereupon, the Debtors will have no interest in or with respect to the Liquidation Trust Assets or the Liquidation Trust.

ARTICLE VII
PROCEDURES FOR RESOLVING DISPUTED CLAIMS

7.1 Objections to Claims.

On and after the Effective Date, the Liquidation Trust, the Proponent and DairyCo, each acting individually, will have the right to the exclusion of all others to make, file and prosecute objections to Disputed Claims. The Liquidation Trustee (and the Proponent and DairyCo, at their option) will conduct a review of the applicable books and records of the Debtors, the Schedules and all Proofs of Claim filed in the Chapter 11 Cases and, except as provided hereunder, the Liquidation Trustee, on behalf of the Trust, the Proponent and DairyCo will file objections to such Claims (if any) with the Clerk of the Bankruptcy Court on or before the Claim Objection Deadline. The Liquidation Trust, the Proponent and DairyCo may compromise, settle or otherwise resolve any Disputed Claim without further order of the Bankruptcy Court, after obtaining the agreement of each other, and such compromise, settlement or other resolution will constitute a Final Order of the Bankruptcy Court with respect to the allowance of such Claim for all purposes under the Plan.

7.2 Materiality of Dispute against Disputed Claims.

The Liquidation Trustee shall not be obligated to object to any Claim unless the amount of such Claim as reflected upon any Proof of Claim or in the Schedules is \$5,000 or more greater than the amounts reflected as being due and owing upon the Debtors' books and records, unless such Claim is otherwise objectionable under 11 U.S.C. § 502. No Distribution will be made with respect to any Disputed Claim (or any portion of such Claim) unless and until a Final Order allowing such Claim has been entered.

7.3 Subordination of Claims.

Under the Plan, any Claim (other than the AFS Claims) may be subordinated to other Claims pursuant to section 510 of the Bankruptcy Code. No Distributions will be made in respect of a subordinated Claim until all Claims to which such Claim has been subordinated have been satisfied in full. Any action to subordinate a Claim will be filed by the Liquidation Trust at any time after the Effective Date.

7.4 Estimation of Claims.

The Liquidation Trust, the Proponent or DairyCo may, at any time, request that the Bankruptcy Court estimate any Disputed Claim pursuant to section 502(c) of the Bankruptcy Code, regardless of whether the Liquidation Trust, the Proponent or DairyCo previously had objected to such Claim, and the Bankruptcy Court will retain jurisdiction to estimate any Disputed Claim at any time, including, without limitation, during litigation or another proceeding concerning any objection to such Disputed Claim.

7.5 No Distribution In Respect of Disallowed Claims.

To the extent that a Disputed Claim is Disallowed in whole or in part, the Holder of such Claim will not receive any Distribution on account of the portion of such Claim (including, without limitation, the whole, if applicable) that is Disallowed.

ARTICLE VIII
LIABILITY AND EXCULPATION PROVISIONS

8.1 Liability, Indemnification of the Liquidation Trustee and the Liquidation Trustee Professionals

Except to the extent of any Bond provided by the Liquidation Trustee, if any, no recourse will ever be had, directly or indirectly, against the Liquidation Trustee, the Liquidation Trustee Professionals and Liquidation Trustee Non-Professionals or any other representatives, agents, employees, successors or assigns of the Liquidation Trustee, by legal or equitable proceedings or by virtue of any statute or otherwise, or any deed of trust, mortgage, pledge or note, nor upon any promise, contract, instrument, undertaking, obligation, covenant or agreement whatsoever executed by the Liquidation Trustee under the Plan or by reason of the creation of any indebtedness by the Liquidation Trustee under the Plan for any purpose authorized by the Plan. All such liabilities, covenants, and agreements of the Liquidation Trustee, the Liquidation

Trustee Professionals and Liquidation Trustee Non-Professionals or any other representatives, agents, employees, successors or assigns of the Liquidation Trustee, whether in writing or otherwise, under the Plan will be enforceable only against, and will be satisfied only out of any such Bond, if any, and the Liquidation Trust Assets or such part thereof as will, under the terms of any such agreement, be liable therefor, or will be evidence only of a right of payment out of the income and Liquidation Trust Proceeds, as the case may be. Every undertaking, contract, covenant or agreement entered into in writing by the Liquidation Trustee will provide expressly against the personal liability of the Liquidation Trustee.

Neither the Liquidation Trustee, the Liquidation Trustee Professionals and Liquidation Trustee Non-Professionals nor any other representatives, agents, employees, successors or assigns of the Liquidation Trustee will be liable for any act or omission of one another, nor will the Liquidation Trustee, the Liquidation Trust Professionals and Liquidation Trustee Non-Professionals or any other representatives, agents, employees, successors or assigns of the Liquidation Trustee be liable for any act or omission taken or not taken in such capacity other than for specific acts or omissions resulting from Liquidation Trustee's, the Liquidation Trust Professionals' and Liquidation Trustee Non-Professionals' or any other representatives, agents, employees, successors or assigns of the Liquidation Trustee willful misconduct or fraud. The Liquidation Trustee may, in connection with the performance of its functions, and in its sole and absolute discretion, consult with the Liquidation Trust Professionals and Liquidation Trustee Non-Professionals, and will not be liable for any act taken, omitted to be taken, or suffered to be done in accordance with advice or opinions rendered by such entities, regardless of whether such advice or opinions are provided in writing. Notwithstanding such authority, the Liquidation Trustee will not be under any obligation to consult with the Liquidation Trust Professionals and Liquidation Trustee Non-Professionals, and the determination not to do so will not result in the imposition of liability on the Liquidation Trustee, the Liquidation Trust Professionals and Liquidation Trustee Non-Professionals or any other representatives, agents, employees, successors or assigns of the Liquidation Trustee, unless such determination is based on willful misconduct or fraud. The Liquidation Trust will indemnify and hold harmless the Liquidation Trustee, the Liquidation Trustee Professionals and Liquidation Trustee Non-Professionals or any other representatives, agents, employees, successors or assigns of the Liquidation Trustee from and against and in respect of all liabilities, losses, damages, claims, costs, and expenses (including, without limitation, reasonable attorney's fees, disbursements, and related expenses), which such Persons may incur or to which such Persons may become subject to in connection with any action, suit, proceeding, or investigation brought by or threatened against such Persons arising out of or due to their acts or omissions or consequences of such acts or omissions, with respect to the implementation or administration of the Liquidation Trust or the Plan or the discharge of their duties hereunder, to the extent such losses are not covered by a Bond, if any, or other applicable insurance, *provided, however*, that no such indemnification will be made to such Persons for actions or omissions as a result of their willful misconduct or fraud.

8.2 Reliance by Liquidation Trustee

Except as otherwise provided herein:

(a) the Liquidation Trustee may rely, and will be protected in acting or refraining from acting, upon any certificates, opinions, statements, instruments or reports

believed by it to be genuine and to have been signed or presented by the proper Person or Persons.

(b) the Liquidation Trustee shall not be liable for any action reasonably taken or not taken by it in reasonable reliance upon the advice of a Liquidation Trustee Professional or Liquidation Trustee Non-Professional; and

(c) persons providing services to the Liquidation Trustee shall look only to the Liquidation Trust Assets to satisfy any liability incurred by the Liquidation Trustee to such person in carrying out the terms of this Agreement, and the Liquidation Trustee shall not have any personal obligation to satisfy any such liability, except to the extent that actions taken or not taken after the Effective Date by the Liquidation Trustee are determined by a Final Order to be solely due to the Liquidation Trustee's own willful misconduct or fraud.

ARTICLE IX

ESTABLISHMENT OF THE LIQUIDATION TRUST

9.1 Transfer of Assets to Liquidation Trust; Assumption of Liabilities

(a) Pursuant to the Plan, each Debtor and the Liquidation Trustee hereby establish the Liquidation Trust on behalf of the Liquidation Trust Beneficiaries to be treated as the grantors and deemed owners of the Liquidation Trust Assets, and each Debtor hereby transfers, assigns, and delivers to the Liquidation Trust, on behalf of the Liquidation Trust Beneficiaries, all of its right, title, and interest in the Liquidation Trust Assets, including Bankruptcy Causes of Action of such Debtor, other than any Causes of Action, Claims and Bankruptcy Causes of Action expressly transferred to DairyCo, waived, exculpated or released in accordance with the provisions of the Plan, notwithstanding any prohibition of assignability under applicable non-bankruptcy law. Such transfer includes, but is not limited to, all rights to assert, waive or otherwise exercise any attorney-client privilege, work product protection or other privilege, immunity, or confidentiality provision vested in, or controlled by, the applicable Debtor. The Liquidation Trustee agrees to accept and hold the Liquidation Trust Assets for the benefit of the Liquidation Trust Beneficiaries, subject to the terms of the Plan and this Agreement.

9.2 Title to Assets

(a) Notwithstanding any prohibition of assignability under applicable non-bankruptcy law, on the Effective Date and periodically thereafter if additional Liquidation Trust Assets become available, the Debtors shall be deemed to have automatically transferred to the Liquidation Trust all of their right, title, and interest in and to all of the Liquidation Trust Assets, and in accordance with section 1141 of the Bankruptcy Code, all such assets shall automatically vest in the Liquidation Trust free and clear of all Claims and liens, subject only to the Allowed Claims of the Liquidation Trust Beneficiaries as set forth in the Plan and the expenses of the Liquidation Trust as set forth in the Plan and in this Agreement. Thereupon, the Debtors shall not have any interest in or with respect to the Liquidation Trust Assets or the Liquidation Trust. The payments made to the Liquidation Trust by DairyCo or the Proponent shall be conclusively

deemed to have been the exclusive property of DairyCo or the Proponent and not an interest in property of the Debtors under 11 U.S.C. § 541(a).

(b) For all federal income tax purposes, all parties to this Agreement and Liquidation Trust Beneficiaries shall treat the transfer of the Liquidation Trust Assets by the Debtors to the Liquidation Trust, as set forth in this Article IX and in the Plan, as a transfer of such assets by the Debtors to the Liquidation Trust Beneficiaries entitled to distributions under this Agreement, followed by a transfer by such Liquidation Trust Beneficiaries to the Liquidation Trust. Thus, the Liquidation Trust Beneficiaries shall be treated as the grantors and owners of a grantor trust for federal income tax purposes.

9.3 Valuation of Assets

As soon as reasonably practicable after the Effective Date, the Liquidation Trustee (to the extent that the Liquidation Trustee deems it necessary or appropriate in his or her sole discretion) will value the Liquidation Trust Assets based on the good faith determination of the value of such Liquidation Trust Assets. The valuation will be used consistently by all parties (including the Debtors, the Liquidation Trustee, and the Liquidation Trust Beneficiaries) for all federal income tax purposes. The Bankruptcy Court will resolve any dispute regarding the valuation of the Liquidation Trust Assets.

ARTICLE X **BENEFICIAL INTERESTS**

10.1 Allocation of Beneficial Interests to Holders of Claims. On the Effective Date or as soon thereafter as practicable, each holder of an Allowed Claim shall be allocated its Pro Rata Share of beneficial interests in the Liquidation Trust (the “**Beneficial Interests**”) on account of its Allowed Claim.

10.2 Allocation of Beneficial Interests to Holders of Disputed Claims or Interests. No Beneficial Interest shall be allocated to the Holder of a Disputed Claim unless and until such Claim has been Allowed.

10.3 Transfer of Beneficial Interests. The Beneficial Interests shall not be transferable except by operation of law. No transfer of a Beneficial Interest shall be effective or binding upon the Liquidation Trust or the Liquidation Trustee for any purpose, unless and until written notification of such transfer is sent by certified mail to the Liquidation Trustee and received by the Liquidation Trustee.

10.4 Register Entries Regarding Beneficial Interests. The Liquidation Trustee shall create, maintain and make appropriate notations in a trust register (the “**Trust Register**”) and calculate the following ratios prior to each Distribution to the Liquidation Trust Beneficiaries:

(a) the Beneficial Interest and Allowed Claim held by each Liquidation Trust Beneficiary; and

(b) the Beneficial Interest that would otherwise be attributable to the Holder of a Disputed Claim were such claim to become an Allowed Claim.

10.5 Representation of Beneficial Interest. The Beneficial Interests shall be uncertificated. The Beneficial Interests shall be represented by appropriate book entries in the Trust Register.

10.6 Trust Register.

(a) Register of Beneficial Interests. The Liquidation Trustee shall cause the Trust Register to be kept at the office of the Liquidation Trustee or at such other place or places that shall be designated by the Liquidation Trustee from time-to-time.

(b) Access to Register by Liquidation Trust Beneficiaries. The Liquidation Trust Beneficiaries and their duly authorized representatives shall have the right, upon reasonable prior written notice to the Liquidation Trustee, and in accordance with reasonable regulations prescribed by the Liquidation Trustee, to inspect and at the expense of the Liquidation Trust Beneficiary make copies of the Trust Register, in each case only for a purpose reasonable and related to such Liquidation Trust Beneficiary's Beneficial Interest in the Trust.

(c) Absolute Owners. The Liquidation Trustee may deem and treat each Liquidation Trust Beneficiary of record as determined pursuant to this Agreement as the absolute owner of such Liquidation Trust Beneficiary's Beneficial Interests for the purpose of receiving Distributions and payment thereon or on account thereof and for all other purposes whatsoever.

(d) Changes to the Trust Register. The Trust Register shall be amended to reflect the resolution of a Disputed Claim.

10.7 Identification of Liquidation Trust Beneficiaries. In order to determine the actual names and addresses of the Liquidation Trust Beneficiaries, the Liquidation Trustee shall be entitled to conclusively rely on the names and addresses as determined in accordance with Sections 5.6(g) and (h) herein.

ARTICLE XI **ADMINISTRATION**

11.1 Purpose of the Liquidation Trust.

The Liquidation Trust will be established for the primary purpose of liquidating the Liquidation Trust Assets, in accordance with Treas. Reg. § 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Liquidation Trust. Accordingly, the Liquidation Trustee will, in an expeditious but orderly manner, liquidate and convert to Cash the Liquidation Trust Assets, make timely distributions to the Liquidation Trust Beneficiaries and not unduly prolong its duration. The Liquidation Trust will not be deemed a successor-in-

interest of the Debtors for any purpose other than as specifically set forth herein or in the Liquidation Trust Agreement.

11.2 Books and Records

The Liquidation Trustee shall maintain books and records relating to the administration of the Liquidation Trust Assets and the distribution by the Liquidation Trustee of the proceeds therefrom in such detail and for such period of time as may be necessary to make full and proper accounting in respect thereof and to comply with applicable provisions of law. The Liquidation Trustee shall also maintain books and records relating to the income and expenses of the Liquidation Trust, and the payment of expenses of and liabilities of, claims against or assumed by, the Liquidation Trust in such detail and for such period of time as may be necessary to make full and proper accounting in respect thereof and to comply with applicable provisions of law. Except as otherwise provided herein or in the Plan, nothing in this Agreement requires the Liquidation Trustee to file any accounting or seek approval of any court with respect to the administration of the Liquidation Trust, or as a condition for making any payment or distribution out of the Liquidation Trust Assets. Subject to all applicable privileges, the Liquidation Trust Beneficiaries shall have the right, in addition to any other rights they may have pursuant to this Agreement, under the Plan or otherwise, upon twenty (20) days' prior written notice to the Liquidation Trustee, to request a reasonable inspection of the books and records held by the Liquidation Trustee, *provided that*, all costs associated with such inspection shall be paid in advance by such requesting Liquidation Trust Beneficiary, and further, if so requested, such Liquidation Trust Beneficiary shall have entered into a confidentiality agreement satisfactory in form and substance to the Liquidation Trustee, and make such other arrangements as may be reasonably requested by the Liquidation Trustee.

11.3 Compliance with Laws

Any and all distributions of Liquidation Trust Assets shall comply with all applicable laws and regulations, including, but not limited to, applicable federal and state tax and securities laws.

ARTICLE XII **SUCCESSOR LIQUIDATION TRUSTEE**

12.1 Successor Liquidation Trustee

In the event the Liquidation Trustee is removed or resigns pursuant to this Agreement or the Liquidation Trustee otherwise vacates his position, a successor Liquidation Trustee shall be appointed by the Bankruptcy Court. Thereupon, such successor Liquidation Trustee shall, without any further act, become vested with all the estates, properties, rights, powers, trusts and duties of his/her predecessor in the Liquidation Trust with like effect as if originally named herein; *provided, however*, that a removed or resigning Liquidation Trustee shall, nevertheless, when requested in writing by the successor Liquidation Trustee, execute and deliver any reasonable instrument or instruments conveying and transferring to such successor

Liquidation Trustee all the estates, properties, rights, powers, and trusts of such removed or resigning Liquidation Trustee.

ARTICLE XIII **REPORTING**

13.1 Annual and Final Reports

As soon as practicable after the end of each calendar year, and as soon as practicable upon termination of the Liquidation Trust, the Liquidation Trustee shall submit to the Bankruptcy Court a written report including (a) financial statements of the Liquidation Trust at the end of that calendar year or period, and (b) the receipts and disbursements of the Liquidation Trustee for such period.

13.2 Federal Income Tax

(a) Grantor Trust Status. Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary (including the issuance of applicable Treasury Regulations, the receipt by the Liquidation Trustee of a private letter ruling if the Liquidation Trustee so requests one, or the receipt of an adverse determination by the IRS upon audit if not contested by the Liquidation Trustee), the Liquidation Trustee shall file returns for the Liquidation Trustee as a grantor trust pursuant to Treas. Reg. § 1.671-4(a).

(b) Allocations of Liquidation Trust Taxable Income. Subject to the provisions of Section 13.2(a) hereof, allocations of Liquidation Trust taxable income shall be determined by reference to the manner in which an amount of cash equal to such taxable income would be distributed (without regard to any restriction on distributions described herein) if, immediately prior to such deemed distribution, the Liquidation Trust had distributed all of its other assets (valued for this purpose at their tax book value) to Liquidation Trust Beneficiaries (treating any Holder of a Disputed Claim, for this purpose, as a current Liquidation Trust Beneficiary entitled to distributions), taking into account all prior and concurrent distributions from the Liquidation Trust (including any distributions held in reserve pending the resolution of Disputed Claims). Similarly, taxable losses of the Liquidation Trust will be allocated by reference to the manner in which an economic loss would be borne immediately after a liquidating distribution of the remaining Liquidation Trust Assets. The tax book value of the Liquidation Trust Assets for this purpose shall equal their fair market value on the Effective Date or, if later, the date such assets were acquired by the Liquidation Trust, adjusted in either case in accordance with tax accounting principles prescribed by the Internal Revenue Code, the Treasury Regulations and other applicable administrative and judicial authorities and pronouncements.

13.3 Other

The Liquidation Trustee shall file (or cause to be filed) any other statement, returns or disclosures relating to the Liquidation Trust or the Liquidation Trust Assets, that are required by any governmental unit.

ARTICLE XIV
TRANSFER OF LIQUIDATION TRUST BENEFICIARIES' INTERESTS

14.1 Transfer of Liquidation Trust Beneficiaries' Interests

The interests of the Liquidation Trust Beneficiaries in the Liquidation Trust, which are reflected only on the records of the Liquidation Trust maintained by the Liquidation Trustee, are not negotiable and shall not be assignable voluntarily. In the case of a deceased individual Liquidation Trust Beneficiary, his or her executor or administrator shall succeed to such decedent's interests. The Liquidation Trustee shall not be required to record any transfer in favor of any transferee that, in the sole discretion of the Liquidation Trustee, is or might be construed to be ambiguous or to create uncertainty as to the holder of the interest in the Liquidation Trust. Until a transfer is in fact recorded on the Trust Register, the Liquidation Trustee, whether or not in receipt of documents of transfer or other documents relating to the transfer, may nevertheless make distributions and send communications to Liquidation Trust Beneficiaries, as though it has no notice of any such transfer, and in so doing the Liquidation Trustee shall be fully protected and incur no liability to any purported transferee or any other Entity.

ARTICLE XV
TRUSTEE PROFESSIONALS
AND NON-PROFESSIONALS

15.1 Retention of Liquidation Trustee Professionals and Liquidation Trust Non-Professionals.

(a) The Liquidation Trustee shall have the right to retain its own professionals including, without limitation, claims, disbursing and transfer agents, legal counsel, accountants, experts and other agents or advisors, as the Liquidation Trustee deems appropriate (the "**Liquidation Trustee Professionals**") and on such terms as the Liquidation Trustee deems appropriate. The Liquidation Trustee Professionals shall be compensated in accordance with Section 15.2 hereof. The Liquidation Trustee Professionals so retained need not be "disinterested" as that term is defined in the Bankruptcy Code and may include, without limitation, counsel and financial advisors of the Debtors and of the Committee.

(b) As of the Effective Date, the Liquidation Trustee shall retain Greenberg Traurig, LLP as legal counsel to the Liquidation Trustee. Greenberg Traurig, LLP shall be deemed to be a Liquidation Trustee Professional and all legal fees and expenses incurred by Greenberg Traurig, LLP shall constitute Liquidation Trust Expenses to be paid from the Liquidation Trust Assets, as set forth in section 3.3 hereof.

(c) The Liquidation Trustee shall have the right to retain non-professionals including, without limitation, employees, independent contractors or other agents as the Liquidation Trustee deems appropriate (the "**Liquidation Trustee Non-Professionals**") and on such terms as the Liquidation Trustee deems appropriate. Such Liquidation Trustee Non-Professionals shall be compensated in accordance with Section 15.2 hereof. The Liquidation

Trustee Non-Professionals so retained need not be “disinterested” as that term is defined in the Bankruptcy Code and may include, without limitation, employees, independent contractors or agents of the Debtors and of the Committee.

15.2 Payment to Liquidation Trustee Professionals and Liquidation Trust Non-Professionals

(a) After the Effective Date, the Liquidation Trustee Professionals shall be required to submit reasonably detailed invoices on a monthly basis to the Liquidation Trustee, including in such invoices a description of the work performed, who performed such work, and if billing on an hourly basis, the hourly rate of each such person, plus an itemized statement of expenses. The Liquidation Trustee shall pay those invoices within ten (10) days after receipt, without Bankruptcy Court approval, unless the Liquidation Trustee objects. If there is a dispute as to a part of an invoice, the Liquidation Trustee shall pay the undisputed portion and the Bankruptcy Court shall resolve any disputed amount if the Liquidation Trustee Professionals and the Liquidation Trustee cannot otherwise reach agreement.

(b) After the Effective Date, the Liquidation Trustee Non-Professionals shall be required to submit to the Liquidation Trustee periodic invoices containing information with sufficient detail to assess the reasonableness of the fees and charges. The Liquidation Trustee shall pay those invoices within ten (10) days after receipt, without Bankruptcy Court approval, unless the Liquidation Trustee objects. If there is a dispute as to a part of an invoice, the Liquidation Trustee shall pay the undisputed portion and the Bankruptcy Court shall resolve any disputed amount if the Liquidation Trustee Non-Professionals and the Liquidation Trustee cannot otherwise reach agreement.

(c) All payments to Liquidation Trustee Professionals and Liquidation Trustee Non-Professionals shall be paid out of the Liquidation Trust Assets.

ARTICLE XVI
TERMINATION OF LIQUIDATION TRUST

16.1 Duration and Extension.

The Liquidation Trust will be dissolved no later than four (4) years from the Effective Date unless the Bankruptcy Court, upon a motion filed prior to the fourth (4th) anniversary or the end of any extension period approved by the Bankruptcy Court (the filing of which will automatically extend the term of the Liquidation Trust pending the entry of an order by the Bankruptcy Court granting or denying the motion), determines that a fixed period extension (not to exceed two (2) years, together with any prior extensions, without a favorable letter ruling from the Internal Revenue Service or opinion letter that any further extension would not adversely affect the status of the Liquidation Trust as a liquidating trust for federal income tax purposes) is necessary to facilitate or complete the recovery and liquidation of the Liquidation Trust Assets. After (a) the final Distribution of the Disputed Claims Reserve and the balance of the Liquidation Trust Proceeds pursuant to the Plan, and (b) the filing by or on behalf of the Liquidation Trust of a certification of dissolution with the Bankruptcy Court in accordance

with the Plan, the Liquidation Trust will be deemed dissolved for all purposes without the necessity for any other or further actions.

16.2 Diligent Administration

The Liquidation Trustee shall (a) not unduly prolong the duration of the Liquidation Trust; (b) at all times endeavor to resolve, settle or otherwise dispose of all claims that constitute Liquidation Trust Assets; and (c) effect the liquidation and distribution of the Liquidation Trust Assets to the Liquidation Trust Beneficiaries in accordance with the terms of the Plan and this Agreement.

ARTICLE XVII
AMENDMENT AND WAIVER

17.1 Amendment and Waiver

Any substantive provision of this Agreement may be materially amended or waived only by order of the Bankruptcy Court if necessary to implement the Plan; *provided, however,* that no change may be made to this Agreement that would adversely affect the federal income tax status of the Liquidation Trust as a “grantor trust.” Technical or non-material amendments to or waivers of portions of this Agreement may be made as necessary to clarify this Agreement or to enable the Liquidation Trust to effectuate the terms of this Agreement, with the consent of the Liquidation Trustee.

ARTICLE XVIII
MISCELLANEOUS PROVISIONS

18.1 Intention of Parties to Establish Grantor Trust

This Agreement is intended to create a grantor trust for United States federal income tax purposes and, to the extent provided by law, shall be governed and construed in all respects as a grantor trust.

18.2 Preservation of Privilege
