DEBTORS' SCHEDULES AND STATEMENTS**

The Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements”) filed by: D2 Software, Inc.; DDH Land Holdings, LLC; DDH Land Holdings II, LLC; DD Estate (f/k/a Digital Domain); DDI Estate (f/k/a Digital Domain Institute, Inc.); DDInt Estate (f/k/a Digital Domain International, Inc.); DDMG Estate (f/k/a Digital Domain Media Group, Inc.); DDPI Estate (f/k/a Digital Domain Productions, Inc.); DDPVC Estate (f/k/a Digital Domain Productions (Vancouver) Ltd.); DDSG Estate (Digital Domain Stereo Group, Inc.); DDT Estate (f/k/a Digital Domain Tactical, Inc.); DDMI Estate (f/k/a Mothership Media, Inc.); Tradition Studios, Inc.; and Tembo Productions, Inc. (collectively, the “Debtors”) in the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”) were prepared pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) by management of the Debtors and their professionals and are unaudited. The Schedules and Statements remain subject to further review and verification by the Debtors. Subsequent information may result in material changes to the Schedules and Statements, and because the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statements are complete. The Debtors reserve their right to amend their Schedules and Statements from time to time as may be necessary or appropriate, including the right to dispute or otherwise assert offsets or defenses to any claim reflected on the Schedules and Statements as to amount, liability or classification, or to otherwise subsequently designate any claim as “disputed,” “contingent” or “unliquidated.” Furthermore, nothing contained in the Schedules and Statements shall constitute

a waiver of rights with respect to these chapter 11 cases and specifically with respect to any issues involving substantive consolidation, equitable subordination or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers. These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding Debtors' Schedules and Statements (the "Global Notes") are incorporated by reference in, and constitute an integral part of, the Schedules and Statements, and should be referred to and considered in connection with any review of the Schedules and Statements.

1. Description of the Cases and "As Of" Information Date. On September 11, 2012 (the "Petition Date"), the Debtors each filed a voluntary petition with the Bankruptcy Court for reorganization under chapter 11 of the Bankruptcy Code. The Debtors are currently operating their businesses as debtors in possession pursuant to the Bankruptcy Code. The cases have been consolidated for the purpose of joint administration under case number 12-12568 (BLS). On September 18, 2012, the Office of the United States Trustee appointed an official committee of unsecured creditors. On September 25, 2012, the Court entered the *Order (a) Approving Purchase Agreement Among Debtors and Buyer, (b) Authorizing and Approving the Sale of Certain Assets Free and Clear of all Liens, Claims, Encumbrances, and Interests, (c) Authorizing and Approving the Assumption and Assignment of Executory Contracts and Unexpired Leases in Connection Therewith, (d) Authorizing and Approving Entry Into the Patent License; and (e) Granting Related Relief* [Docket No. 223] (the "Sale Order"), authorizing the sale of substantially all of the Debtors' California and Vancouver assets to Galloping Horse America, LLC (the "Buyer") in accordance with the Asset Purchase Agreement between the Buyer and the Debtors, dated as of September 24, 2012 (the "APA"). The sale to the Buyer closed on September 27, 2012. All asset and liability information, except where otherwise noted, is as of September 10, 2012.

2. Basis of Presentation/ Summary of Significant Reporting Policies. For financial reporting purposes, the Debtors prepare consolidated financial statements that are filed with the Securities and Exchange Commission (the "SEC") and that are audited annually. Although these Schedules and Statements may, at times, incorporate information prepared in accordance with generally accepted accounting principles ("GAAP"), the Statements and Schedules neither purport to represent nor reconcile to financial statements otherwise prepared and/or distributed by the Debtors in accordance with GAAP or otherwise, nor are they intended to reconcile to the financial statements filed by the Debtors with the SEC.

Prior to the Petition Date, the Debtors' Vancouver, British Columbia and California digital production operations (the "California/Vancouver Operations") were fully integrated and functionally operated together under Digital Domain Productions, Inc. ("DDPI")² and independently of the Debtors' Florida operations (the "Florida Operations") under Digital Domain Media Group, Inc. ("DDMG").³ While efforts were made to present the assets and

² DDPI's Debtor subsidiaries are: D2 Software, Inc.; Digital Domain Productions (Vancouver) Ltd.; and Mothership Media, Inc.

³ DDMG's Debtor subsidiaries are: Digital Domain; DDH Land Holdings, LLC; DDH Land Holdings II, LLC; Digital Domain Institute, Inc.; Digital Domain International, Inc.; Digital Domain Tactical, Inc.; Tradition Studios, Inc.; and Tembo Productions, Inc.

liabilities of Debtors engaged in the Florida Operations on a non-consolidated basis, unless otherwise indicated, such assets and liabilities are set forth on DDMG's Schedules and Statements. The Schedules and Statements for DDPI and its subsidiaries engaged in the California/Vancouver Operations, except where otherwise indicated, reflect the assets and liabilities of such Debtors on a non-consolidated basis. Based on the foregoing, it is possible that not all assets and liabilities have been recorded at the correct legal entity on the Schedules and Statements. Therefore, for a complete understanding of the assets and liabilities of any Debtor, the reader should review the Schedules and Statements for all Debtors.

In addition, the Debtors maintained two separate cash management systems for each of the California/Vancouver Operations and the Florida Operations that operated virtually independently of one another. The Debtors used these two consolidated cash management systems to collect substantially all receipts and pay liabilities and expenses for the two operating divisions. In certain instances, the recording of cash transactions is governed by agreements between the Debtors. Accordingly, cash receipts and disbursements for all Debtors may be recorded on the books and records of DDMG or DDPI, rather than their applicable Debtor subsidiaries. Intercompany journal entries are utilized to record transactions affecting revenues, expenses, assets and liabilities in the proper Debtor location. Although efforts have been made to attribute payments to the correct legal entity, payments made have been listed in certain instances by the entity making such payment notwithstanding that many such payments may have been made on behalf of another entity. Therefore, the reader should review the Schedules and Statements for all Debtors for a complete understanding of all payments made by the Debtors.

The Debtors reserve their right to modify or amend their Schedules and Statements to attribute payments, assets and/or liabilities to a different legal entity.

3. Currency. Unless otherwise indicated, all amounts are reflected in U.S. dollars, and, as applicable, translated from other currencies using exchange rates as of September 10, 2012.

4. Intercompany Claims. Claims between Debtors have not been scheduled on either Schedule B (receivables) or Schedule F (payables). Prior to the Petition Date, the Debtors routinely engaged in intercompany transactions resulting in intercompany accounts payable and receivable. The respective intercompany accounts payable and receivable as of the Petition Date have not been quantified or characterized. Accordingly, intercompany account balances are not listed in the Schedules.

5. Book Value. Unless otherwise noted, assets and liabilities of each Debtor are shown on the basis of the net book value as of September 10, 2012, in accordance with the Debtors' books and records. Thus, unless otherwise noted, the Schedules and Statements reflect the carrying value of the assets and liabilities as recorded on the Debtors' books, and are not based upon any estimate of their current market value.

6. Estimates. To close the books and records of the Debtors as of the Petition Date, management was required to make estimates, allocations and assumptions that affect the

amounts of assets and liabilities as of September 10, 2012 and reported revenue and expenses for the period ending September 10, 2012.

7. Property and Equipment. Interest expenses related to the acquisition of certain property and equipment are capitalized as an additional cost of the asset. Costs of major improvements that enhance the usefulness of the asset are capitalized and depreciated over the estimated useful life of the asset or the modifications, whichever is less. Depreciation expense for principal asset classifications is calculated on a straightline basis to an estimated residual value. Leasehold improvements are depreciated over the lesser of the term of the lease or the life of the improvement.

8. Leases. The Debtors have not included in the Schedules and Statements the future obligations of any leases. To the extent that there was an amount due as of the Petition Date, the creditor has been included in Schedule F. All lease agreements have been included in Schedule G, subject to the reservation of rights set forth in paragraph 15 herein.

9. Recoveries and Causes of Action. Despite reasonable efforts to identify all known assets, the Debtors may not have set forth all of their causes of action or potential causes of action against third parties as assets in their Schedules and Statements, including, but not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code, setoff rights, and actions under other relevant non-bankruptcy laws to recover assets. The Debtors reserve all of their rights with respect to any claims, causes of action, setoff rights, or avoidance actions they may have and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claim, causes of action or avoidance action or in any way prejudice or impair the assertion of such claims.

10. Schedule B. Unless otherwise noted, all of the amounts listed on Schedule B represent the value of the Debtors' assets as reflected in the Debtors' books and records (net of depreciation or amortization where applicable). For the bank accounts, the values are as of the Petition Date. In some instances, the assets are also net of reserves. The Debtors have performed no independent review of the value of these assets. The actual value of the assets listed may differ significantly from the amounts reflected in the Debtor's books and records.

11. Schedule D: Creditors Holding Secured Claims. Except as otherwise agreed pursuant to a stipulation or agreed order or general order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Certain claims are listed on Schedule D as "disputed" because the value of the collateral securing such claims is unknown. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including without limitation, any inter-company agreement) related to such creditor's claim. In certain instances, a Debtor may be a co-obligor, co-mortgagor or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only to be a summary. Reference

to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

12. Schedule E: Creditors Holding Unsecured Priority Claims.

- (a) Tax Claims. The Debtors are required to file tax returns and various other tax related forms with many taxing authorities. These filings commonly result in either tax refunds or additional tax related liabilities.

Schedule E contains the Debtor's best estimate of all of the potential priority claims against the Debtors' estates held by governmental and quasi-governmental entities. The Debtors have not determined whether, and to what extent, any of the creditors identified on Schedule E in fact are entitled to priority under Section 507 of the Bankruptcy Code. The Debtors reserve their rights to assert that claims identified on Schedule E are not claims of governmental entities and/or that such claims are not entitled to priority.

- (b) Employee Claims. The Court entered the: (i) *Interim Order: (I) Authorizing the Debtors to Pay Prepetition (A) Wages, Salaries, and Other Compensation, (B) Employee Medical and Similar Benefits, and (C) Reimbursable Employee Expenses; and (II) Authorizing and Directing Banks and Other Financial Institutions to Pay All Checks and Electronic Payment Requests Made by the Debtors Relating to the Foregoing* [Docket No. 49] on September 12, 2012; and (ii) *Final Order: (I) Authorizing the Debtors to Pay Prepetition (A) Wages, Salaries, and Other Compensation, (B) Employee Medical and Similar Benefits, and (C) Reimbursable Employee Expenses; and (II) Authorizing and Directing Banks and Other Financial Institutions to Pay All Checks and Electronic Payment Requests Made by the Debtors Relating to the Foregoing* [Docket No. 324] on October 22, 2012 (collectively, the "Wage Orders"). The Wage Orders authorize the Debtors to pay and/or honor the Prepetition Employee Obligations in accordance with the Debtors' stated policies and in the ordinary course of business. In addition, pursuant to the APA and Sale Order, the Buyer has paid certain prepetition obligations to certain California employees. Thus, Schedule E does not list accrued wages or other obligations paid in accordance with the Wage Orders or by the Buyer. All remaining outstanding accrued vacation for terminated employees is listed on Schedule E, unless a claim therefor has been paid up to the \$11,725 cap, in which case the claim in excess of such cap is listed on Schedule F.

13. Schedule F: Creditors Holding Unsecured Non-Priority Claims. Schedule F does not include certain deferred charges, deferred liabilities or general reserves. Such amounts are general estimates of liabilities and do not represent specific claims as of the Petition Date; however, they are reflected on the Debtors' books and records as required in accordance with GAAP. In addition, Schedule F does not include claims that have been or will be paid by the Buyer pursuant to the APA and Sale Order.

The claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. While commercially reasonable efforts have been made, determining the date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed on Schedule F.

14. Schedule G: Executory Contracts and Unexpired Leases. While commercially reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions or over-inclusions may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. The contracts, agreements and leases listed on Schedule G may not have taken effect or be binding on any party and may have expired or been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements which may not be listed therein. In addition certain contracts and leases set forth in Schedule G (i) have been or will be assumed and assigned to the Buyer pursuant to the APA and Sale Order or (ii) have been or will be rejected pursuant to an order of the Bankruptcy Court.

Certain of the real property leases and contracts listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G.

Certain of the agreements listed on Schedule G may be in the nature of conditional agreements or secured financings. The presence of these agreements or any other agreements on Schedule G does not constitute an admission that any such agreement is an executory contract or unexpired lease.

The Debtors reserve all of their rights, claims and causes of action with respect to the contracts and agreements listed on the Schedule, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument. Certain executory agreements may not have been memorialized in writing and could be subject to dispute. Generally, executory agreements that are oral in nature have not been included in the Schedule. Additionally, the Debtors may be parties to various other agreements concerning real property, such as easements, rights of way, subordination, non-disturbance, supplemental agreements, amendments/letter agreements, title documents, consents, site plans, maps and other miscellaneous agreements. Such agreements, if any, may not be set forth in Schedule G.

Certain of the contracts, agreements and leases listed on Schedule G may have been entered into by more than one of the Debtors. Such contracts, agreements and leases are listed on Schedule G of each such Debtor.

15. Schedule H: Co-Debtors. In the ordinary course of their businesses, the Debtors are involved in pending or threatened litigation and claims arising out of the conduct of their businesses. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties. Because such claims are listed

elsewhere in the Schedules and Statements, they have not been set forth individually on Schedule H.

Schedule H also reflects guarantees by various Debtors. The Debtors may not have identified certain guarantees that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements. Further, the Debtors believe that certain of the guarantees reflected on Schedule H may have expired or are no longer enforceable. Thus, the Debtors reserve their right to amend the Schedules to the extent that additional guarantees are identified or such guarantees are discovered to have expired or are unenforceable.

Schedule H is furnished for informational purposes only to apprise parties in interest of co-debtor relationships of the Debtors as of the Petition Date and is derived from documents in the possession of the Debtors. It is not an admission or recognition that any co-debtor liability exists or existed.

16. Umbrella Agreements. A number of contracts listed in the Schedules and Statements are umbrella agreements that cover some or all of the Debtors. Such agreements have been listed in the Schedules and Statements of the Debtor that was the main signatory to the agreement, although more than one of the Debtors may be obligated under the agreement.

17. Claims Paid Pursuant to Court Orders. Certain of the Debtors' Schedules and Statements list creditors and set forth the Debtors' estimate of the claims of creditors as of the Petition Date. The Bankruptcy Court has authorized but not obligated the Debtors to pay various pre-petition claims, and certain claims may have been or will be paid by the Buyer. Accordingly, the actual unpaid claims of creditors that may be allowed in these cases may differ from the amounts set forth in the Schedules and Statements. *See also* Global Notes 16 and 17.

18. Insiders. For the purposes of the Schedules and Statements, the Debtors define "insiders" pursuant to section 101(31) as (a) directors, (b) officers, (c) those in control of the Debtors, (d) relatives of directors, officers, or persons in control of the Debtors and (e) non-debtor affiliates. Payments to insiders listed in (a) through (d) above are set forth in response to Question 3.c of the Statements. The Debtors note that, although partnerships in which a debtor is a general partner may be considered insiders under section 101(31)(B) of the Bankruptcy Code, the Debtors do not admit that the joint ventures in which a non-debtor affiliate serves as a general partner should be considered insiders in these cases. These joint ventures are with unrelated third parties and are governed by detailed operating agreements. Consequently, the Debtors do not believe that these joint ventures are insiders.

Persons listed as "insiders" have been included for informational purposes only. The Debtors do not take any position with respect to (a) such person's influence over the control of the Debtors, (b) the management responsibilities or functions of such individual, (c) the decision-making or corporate authority of such individual or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law.

The Debtors have included all payments and awards made over the twelve months preceding the filing to any individual deemed an insider. Included in the value reflected are: cash payments to

or for the benefit of the insider; restricted stock grants valued at the closing price of the stock at the grant date; and stock options valued at the Black-Scholes value on the date of the grant.

19. Excluded Assets and Liabilities. The Debtors have excluded certain categories of assets and liabilities from the Statements and Schedules, including accrued salaries, employee benefit accruals, and deferred gains. Other immaterial assets and liabilities may also have been excluded.

20. Litigation. Certain litigation actions reflected as claims against one Debtor may relate to any of the other Debtors. The Debtors have made commercially reasonable efforts to record these actions in the Schedules and Statements of the Debtor that is party to the action.

21. Disputed, Contingent and/or Unliquidated Claims. Schedules D, E and F permit each of the Debtors to designate a claim as disputed, contingent and/or unliquidated. A failure to designate a claim on any of these Schedules as disputed, contingent and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on these Schedules as to amount, liability or status.

22. Guarantees. There are agreements with certain of the Debtors that are guaranteed by one or more of the other Debtors. Guarantees have generally been included in Schedules of the guarantor Debtor as “contingent” and “unliquidated” unless otherwise specified.

23. Transfers Made Within 90 Days of Petition Date. These payments include payroll and payroll related expenses paid to employees. The response to Question 3.b of the Statements lists all transfers made to any party within 90 days immediately preceding the Petition Date, whether or not the transferee is a creditor of any of the Debtors. Accordingly, the listing of any transfer in response to Question 3.b of the Statements does not constitute an admission that the transferee of such transfer is a creditor of any of the Debtors.

24. Setoffs. The Debtors routinely incur setoffs from third parties during the ordinary course of business. Setoffs in the ordinary course can result from various routine transactions. Certain of these constitute normal setoffs consistent with the Debtors’ ordinary course of business. In such instances, such ordinary course setoffs are excluded from the Debtors’ responses to Question 13 of the Statements. The Debtors reserve all rights to enforce or challenge, as the case may be, any setoffs that have been or may be asserted.

In re: **DDMG Estate (FKA Digital Domain Media Group, Inc.)**Case No. **12-12568 (BLS)****SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS**

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "HWJC."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.
