This amended Exhibit 8.1(a) amends the version filed on July 2, 2009. Subject to the Master Disposition Agreement, the Debtors reserve the right to file a motion on or before the Modification Approval Date to reject any executory contract or unexpired lease. In addition, the Debtors reserve the right to **further** amend, modify, supplement, or otherwise change Exhibit 8.1(a) on or before the Modification Approval Date. **It is the Debtors' position that the executory contracts and unexpired leases on this amended Exhibit 8.1(a) have expired**

or terminated (and not otherwise extended), but out of an abundance of caution the Debtors are including these executory contracts and unexpired leases on this amended Exhibit 8.1(a). Furthermore, the Debtors may be a party to one or more post-petition contracts that utilize the same contract number as a contract set forth in this amended Exhibit 8.1(a). Such contract numbers are being utilized by the Debtors for administrative convenience only and the inclusion of a pre-petition executory contract on this amended Exhibit 8.1(a) does not impact the validity or enforceability of any post-petition contract utilizing the same contract number.
