THIS MATTER came before the Court on June 22, 2026, upon the Debtor's Emergency Motion for Entry of Interim Order Authorizing Use of Cash Collateral and Providing Adequate Protection (the "Motion"). The Court, having reviewed the Motion and record, and being otherwise fully advised, finds that good cause exists to grant the Motion on an interim basis. Accordingly, it is ORDERED:

- 1) The Motion is **GRANTED** on an interim basis through July 16, 2026.
- 2) The Debtor is authorized to use cash collateral solely in accordance with the interim budget attached to the Motion as Exhibit "A," subject to a variance not to

exceed 10% of any particular line-item expense absent written consent or further order of the Court.

- 3) The Debtor is authorized to pay ordinary course operating expenses necessary to preserve the estate and continue operations, including payroll due Friday, June 19, 2026, payroll taxes, rent, insurance, utilities, parts and materials, merchant/bank fees, and other expenses set forth in the budget.
- 4) As adequate protection, AkzoNobel Coatings Inc., Single Source, Inc., and any other party holding a valid, perfected, enforceable, and unavoidable lien in the Debtor's cash collateral, if any, are granted replacement liens solely to the same extent, validity, priority, and enforceability as such party's prepetition liens, if any, without prejudice to the Debtor's right to challenge any asserted lien or claim.
- 5) No interim adequate protection cash payments are required at this stage unless otherwise agreed or ordered.
- 6) The Debtor shall provide monthly operating reports and budget-to-actual reporting as required by the Bankruptcy Code, Bankruptcy Rules, Local Rules, and United States Trustee guidelines.
- 7) This Interim Order is without prejudice to the rights of the Debtor, any secured creditor, the Subchapter V Trustee, the United States Trustee, and any party in interest to seek further or different relief, modification of this Order, relief from stay, or further adequate protection.
- 8) Nothing in this Order constitutes a finding or admission as to the amount, validity, perfection, priority, enforceability, or extent of any lien or claim.
- 9) A final or continued interim hearing on the Motion will be conducted via *Zoom* on **July 16, 2026, at 11:30AM.**
