Seller and Purchaser are sometimes herein referred to collectively as "Parties" and individually as a "Party."

WITNESSETH:

WHEREAS, Seller is primarily engaged in the merchandising and selling of imported designer women's apparel, shoes and accessories under the "ESCADA" and "ESCADA SPORT" brands through retail boutiques, outlet stores and wholesale distribution channels throughout the United States (the "Business");

WHEREAS, on August 14, 2009, Seller filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code (as defined herein) with the United States Bankruptcy Court for the Southern District of New York (Case No. 09-15008 (SMB)) (the "Bankruptcy Case");

WHEREAS, on November 5, 2009, Purchaser's Affiliate (as defined herein) entered into an agreement with Escada AG ("Parent"), Seller's sole shareholder, for the purchase of certain assets related to Parent's core business as carried out by Parent and certain of its subsidiaries under the "ESCADA" and "ESCADA SPORT" brands and certain assets and contracts related thereto; and

WHEREAS, on the terms and subject to the conditions hereinafter set forth and pursuant to a Sale Order (as defined herein), the Parties desire to enter into this Agreement, pursuant to which, among other things, Seller shall sell to Purchaser, and Purchaser shall purchase from Seller, in accordance with sections 363 and 365 of the Bankruptcy Code, all of Seller's right, title and interest in and to the Transferred Assets (as defined herein) and Purchaser shall assume from Seller and thereafter pay, discharge and perform the Assumed Liabilities (as defined herein).

NOW, THEREFORE, in consideration of the premises and of the mutual covenants, representations, warranties and agreements herein contained, and intending to be legally bound hereby, the Parties hereby agree as follows:

ARTICLE II

PURCHASE AND SALE

Section 2.1 Purchase and Sale of Transferred Assets; Assumption of Assumed Liabilities.

(a) Transferred Assets. On the terms and subject to the conditions set forth herein and in the Sale Order and subject to Section 2.1(b), at the Closing, Seller shall sell, convey, assign, transfer and deliver to Purchaser, and Purchaser shall purchase, acquire and accept from Seller, free and clear of any and all Liens (other than the Permitted Liens), all of Seller's right, title and interest in and to the Transferred Assets. The sale, assignment, transfer and delivery of the Transferred Assets shall be effected by delivery by Seller and Purchaser of the Assignment Agreement.

(b) Retained Assets. Purchaser expressly understands and agrees that all of Seller's right, title or interest in or to the Retained Assets shall be retained by Seller, notwithstanding any other provision hereof.

(c) Assumed Liabilities. On the terms and subject to the conditions set forth herein, Purchaser hereby agrees, effective as of the Closing, to assume and thereafter to pay, discharge, perform and otherwise satisfy when due, in accordance with their respective terms, (i) all Liabilities arising from and after the Closing with respect to the Transferred Assets or the operation of the Business by Purchaser from and after the Closing, (ii) all Liabilities of Seller with respect to each Assumed Contract arising with respect to the period commencing on the date of the assignment of such Assumed Contract pursuant to this Agreement, other than, as provided in Section 2.1(e), any Cure Amounts listed on Schedule 2.1(e)(ii), (iii) all Customer Program Liabilities incurred in the ordinary course of business, (iv) subject to Section 2.1(d) and Article VIII, all Liabilities with respect to Hired Employees arising after the Closing, (v) all Liabilities for ad valorem (or similar) property Taxes (whether assessed or unassessed) in respect of the Transferred Assets for any taxable period (or portion thereof) beginning on or after the Closing Date, and (vi) Purchaser's share of Transfer Taxes as set forth in Section 7.12(e), (collectively, the "Assumed Liabilities"). It is expressly understood that Purchaser is assuming only the Assumed Liabilities.

(d) Excluded Liabilities. Purchaser shall have no responsibility or liability for any liabilities or other obligations of Seller other than the Assumed Liabilities, and all liabilities and other obligations of Seller other than the Assumed Liabilities shall remain obligations of Seller (the "Excluded Liabilities"). Without limiting the foregoing, Excluded Liabilities shall include, without limitation, the following: (i) any Liabilities of the Seller pursuant to the WARN Act relating to the action or inaction of any Party in connection with the transaction contemplated hereby, (ii) any Liabilities (x) related to or arising out of the employment or termination of employment by Seller or its controlled Affiliates of any current or former employee or retiree of Seller, including any Employee of Seller (and any dependents or beneficiaries thereof) or (y) related to, arising out of or under any compensation or employee benefit plan, program or arrangement sponsored, maintained or contributed to by Seller or any of its Affiliates, including, without limitation, the Employee Benefit Plans, in each case, whether arising prior to, on or after

the Closing Date, (iii) any Liabilities related to or arising out of accounts payable, including without limitation those payable to Seller's Affiliates, and other accrued liabilities in respect of periods prior to the Closing Date, (iv) any Taxes (whether assessed or unassessed) of or relating to the Seller or relating to the Business or the Transferred Assets for any taxable period (or portion thereof) ending on or prior to the Closing Date, or arising or incurred with respect to the operations of the Seller prior to the Closing Date, (v) Seller's share of Transfer Taxes as set forth in Section 7.12(e), (vi) any Liabilities derived or resulting from or relating to the matters set forth on Schedule 5.6 hereto or Liens expunged with respect to the Transferred Assets by the Sale Order, (vii) any Liabilities related to or arising out of any investigations or proceedings of the U.S. Customs and Border Protection with respect to the Seller or the Business and (viii) any Liabilities pursuant to, or under, the Indenture dated March 23, 2005, among Escada AG, the Subsidiary Guarantors named therein, The Bank of New York and AIB BNY Fund Management (Ireland) Limited.

(e) Assumed Contracts; Cure Amounts.

(i) Assumed Contracts. At the Closing and pursuant to Section 365 of the Bankruptcy Code and the Sale Order, Seller shall assume and assign to Purchaser, and Purchaser shall consent to such assignment from Seller, each of the Assumed Contracts set forth on Schedule 1.1(c)(2), as such schedule may be amended from time to time by the Purchaser up to three (3) days prior to the Closing (the "Contract Designation Deadline") without affecting the Total Consideration provided for herein. After the Closing, Purchaser may request that Seller modify Schedule 1.1(c)(2) to add additional Contracts used primarily or held primarily for use by the Seller in the ownership, maintenance or operation of the Business or the Transferred Assets to Schedule 1.1(c)(2) as Assumed Contracts, provided that any such request to modify is made in writing by the Purchaser within thirty (30) days following the Closing Date. Upon receiving any such request, Seller, at the sole cost and expense of Purchaser, shall reasonably promptly, but in no event later than five (5) Business Days, file with the Bankruptcy Court a motion seeking entry of an Order (in form and substance reasonably satisfactory to Purchaser) approving the assumption and assignment of such additional Contracts to Purchaser no later than thirty (30) days after the filing of such motion; it being understood that any Cure Amounts payable in connection with the assignment and assumption of any such additional Contracts or any amounts paid by Seller after the Closing pursuant to such additional Contracts shall be payable by Purchaser. Seller shall reasonably promptly cause notices to be delivered to any counterparties to Contracts that are removed from Schedule 1.1(c)(2) pursuant to this section. Except as set forth in Section 7.17(b), the Parties expressly agree that from and after the Contract Designation Deadline, Seller may reject any Contract not specifically designated an Assumed Contract as of such time and thereafter shall not be required to modify Schedule 1.1(c)(2) with respect to any such rejected Contract.

(ii) Cure Amounts. On the later of (x) the Closing Date or as soon as practicable thereafter or (y) as soon as practicable following final Bankruptcy Court determination of any disputed Cure Amount in accordance with Section 2.1(e)(iv), the Seller shall pay to the counterparties to each Assumed Contract (A) the Pre-Petition Cure Amount set forth on Schedule 2.1(e)(ii) opposite each Assumed Contract (each Cure Amount so listed opposite an Assumed Contract, hereinafter referred to as the "Cure Cap") corresponding to such Assumed Contract) and (B) the Post-Petition Cure Amounts. To the extent any individual Pre-

Petition Cure Amount exceed the Cure Cap corresponding to such Assumed Contract, Purchaser shall have the option of (x) electing to pay the portion of the Pre-Petition Cure Amount that exceeds the Cure Cap or (y) electing not to assume such Assumed Contract which corresponding Pre-Petition Cure Amount exceeds the Cure Cap, in which case any such Contract would cease to be an Assumed Contract; provided, however, that Purchaser's election to take the actions described in the preceding clauses (x) or (y) shall not affect the Total Consideration or the obligations of the parties to consummate the transactions contemplated herein. Notwithstanding the foregoing, in no event shall Seller be obligated to pay a Pre-Petition Cure Amount for any Assumed Contract that is in excess of the corresponding Cure Cap.

(iii) Adequate Assurance. Purchaser shall be responsible for providing to the Bankruptcy Court any evidence necessary to prove adequate assurance of future performance necessary to effect the assumption and assignment of the Assumed Liabilities.

(iv) Determination of Cure Amounts. Seller shall use its commercially reasonable efforts to establish and verify all Cure Amounts related to the Assumed Contracts and to ensure that the Sale Order includes findings with respect to Cure Amounts for each Assumed Contract thereon, including, without limitation, taking all reasonable actions with respect to the filing and prosecution of any pleadings and proceedings in the Bankruptcy Court identifying the Cure Amounts and the service of any related notices or pleadings on the affected counterparty to the Assumed Contracts. Upon objection by the non-debtor party to any Assumed Contract, Purchaser or, upon prior written request of Purchaser, Seller shall either settle the objection of such party (subject to approval of Purchaser if such settlement sets a higher Cure Amount than the applicable Cure Cap for such Assumed Contract) or shall litigate such objection under procedures as the Bankruptcy Court shall approve and proscribe. In the event that a dispute regarding the Cure Amount with respect to an Assumed Contract has not been resolved as of the Closing, the Parties shall nonetheless remain obligated to consummate the transactions contemplated hereby, subject to the satisfaction of the conditions precedent set forth in Article IX. Following a Final Order determining a Cure Amount, payment of such Cure Amount shall be made in accordance with clause (ii) herein. The Sale Order shall provide that Purchaser may take any action and file any motions or other papers with respect to a Cure Amount required to be taken by Seller pursuant to this Section 2.1(e)(iv) in place and in the name of Seller or that Purchaser and Seller each shall be liable for fifty percent (50%) of the out-of-pocket fees, costs and expenses of Seller incurred in taking any such action or filing any motion or other papers, including, but not limited to, attorney's fees of Seller involved in any such settlement or litigation.

(v) Non-Assumed Contracts. If, prior to the Closing Date, any Assumed Contract that Purchaser desires to have assumed or assigned pursuant to this Section 2.1(e) is not assumed or assigned to Purchaser pursuant to a Final Order, Purchaser agrees that if the non-debtor party to the applicable Assumed Contract does not consent to the assignment and assumption of such Assumed Contract before the Closing Date (any such Assumed Contract, a "Non-Assumed Contract"), then such Non-Assumed Contract shall not be deemed to be an Assumed Contract within the meaning of this Agreement and, subject to the satisfaction of the conditions precedent set forth in Article IX, Purchaser shall nonetheless remain obligated to fulfill its obligations hereunder

(vi) Savannah Lease. Seller shall cooperate with Purchaser in Purchaser's efforts to negotiate an extension of the lease (the "Savannah Lease") by and between Seller and 226 West Broughton, LLC (the "Savannah Landlord") for the premises located at Suite 100B in the building located at 202 West Broughton Street, Savannah, GA; it being understood that in the event the parties are not able to obtain the Savannah Landlord's agreement to such extension or any other amendment to the Savannah Lease, the Purchaser shall nonetheless remain obligated to fulfill its obligations hereunder.

ARTICLE III

PURCHASE PRICE

Section 3.1 Purchase Price. The aggregate consideration for the Transferred Assets (the "Total Consideration") shall be an amount equal to the following, as adjusted pursuant to Section 3.4 and Section 3.5:

- (a) Six Million U.S. Dollars (\$6,000,000.00) (the "Transferred Assets Purchase Price"), plus
- (b) An amount equal to the New Inventory Amount, plus
- (c) The assumption of the Assumed Liabilities in accordance with Section 2.1(c), if any.

Section 3.2 Deposit.

(a) Within two (2) Business Days following the execution of this Agreement, Purchaser shall deposit with The Bank of New York Mellon (the "Escrow Agent"), pursuant to that certain Escrow Agreement, dated as of December 21, 2009, between Seller, Purchaser and the Escrow Agent (the "Escrow Agreement"), by certified check or wire transfer of immediately available funds, an amount equal to \$1,000,000.00 (the "Escrow Amount").

(b) Pursuant to the Escrow Agreement, the Escrow Amount shall (i) be applied as a deposit towards the Closing Date Payment as provided in Section 3.3, (ii) be returned to Purchaser (with any accrued interest actually paid thereon) in the event that this Agreement is terminated either (A) pursuant to Section 4.2(a), (c), (d), (e), (g), (h), (i) or (j) or (B) pursuant to Section 4.2(b) in the event that the Closing does not occur on or before the Outside Date due to Seller's failure to satisfy Purchaser's closing conditions or the non-occurrence of any Purchaser closing condition as set forth in Section 9.1 or Section 9.2, as applicable, or (iii) be paid to Seller (with any accrued interest actually paid thereon) in the event that this Agreement is terminated (A) pursuant to Section 4.2(f) or (B) pursuant to Section 4.2(b) in the event that the Closing does not occur on or before the Outside Date due to Purchaser's failure to satisfy Seller's closing conditions set forth in Section 9.3(b), (c) or (d).

Section 3.3 Payment of Purchase Price.

(a) Not later than three (3) Business Days prior to the Closing Date, Seller shall prepare and provide to Purchaser a statement (the “Estimated Closing Statement”) showing Seller’s calculation of the New Inventory Amount (the “Estimated New Inventory Amount”). At the request of Purchaser, Seller shall consult with Purchaser and Purchaser’s Representatives in connection with the preparation of the Estimated Closing Statement and shall permit Purchaser and Purchaser’s Representatives to review and make copies of all books, records or work papers used in the preparation of the Estimated Closing Statement.

(b) At the Closing, Purchaser shall deliver, or cause to be delivered, to Seller, by wire transfer of immediately available funds into an account designated in writing by Seller, the “Closing Date Payment”, which shall be calculated as follows:

- (i) an amount equal to the Transferred Assets Purchase Price;
- (ii) plus an amount equal to the Estimated New Inventory Amount;
- (iii) minus an amount equal to the Escrow Amount.

(c) At the Closing, the Parties shall instruct the Escrow Agent to transfer to Seller the Escrow Amount by wire transfer of immediately available funds into an account designated in writing by Seller.

Section 3.4 Purchase Price Adjustment.

(a) As promptly as practicable, but no later than ten (10) days after the Closing Date, Purchaser shall cause to be prepared and delivered to Seller a closing statement (the “Closing Statement”) setting forth Purchaser’s calculation of the New Inventory Amount (the “Closing New Inventory Amount”).

(b) Purchaser shall permit Seller to review all accounting records and all work papers and computations used by Purchaser in the preparation of the Closing Statement. If Seller disagrees with Purchaser’s calculation of any item on the Closing Statement delivered pursuant to Section 3.4(a), Seller may, within ten (10) days after delivery of the Closing Statement, deliver a notice to Purchaser stating that Seller disagrees with such calculation and specifying in reasonable detail those items or amounts as to which Seller disagrees and the basis therefore. Seller shall be deemed to have agreed with all other items and amounts contained in the Closing Statement and the calculation of Closing New Inventory Amount for which a notice of disagreement has not been delivered by Seller to Purchaser within such ten (10) day period.

(c) If a notice of disagreement shall be duly delivered pursuant to Section 3.4(b), Seller and Purchaser shall, during the ten (10) days following such delivery (the “Reconciliation Period”), use their commercially reasonable efforts to reach agreement on the disputed items or amounts in order to determine, as may be required, the Closing New Inventory Amount. If during such period, Seller and Purchaser are unable to reach such agreement with respect to the Closing New Inventory Amount, they shall promptly thereafter cause a independent audit firm of

international reputation mutually agreed upon by the Parties (or if the Parties are unable to agree upon an independent audit firm within five (5) days of the end of the Reconciliation Period, the independent audit firm of international reputation selected by the American Arbitration Association at the request of either Party (it being understood that such request by a Party shall preclude a later request by the other Party)) (an “Independent Auditor”) to review this Agreement and the disputed items or amounts for the purpose of calculating the Closing New Inventory Amount (it being understood that in making such calculation, the Independent Auditor shall be functioning as an expert). Each of Seller and Purchaser agree that it shall not engage, or agree to engage the Independent Auditor to perform any services other than as the Independent Auditor pursuant hereto until the Closing New Inventory Amount has been finally determined pursuant to this Section 3.4. Each Party agrees to execute, if requested by the Independent Auditor, a reasonable engagement letter. In making such calculation, the Independent Auditor shall consider only those items or amounts in the Closing Statement and Purchaser’s calculation of Closing New Inventory Amount as to which Seller has disagreed in its notice of disagreement duly delivered pursuant to Section 3.4(b). In making its determination, the Independent Auditor shall not, as to any item, assign an amount that is higher than the highest amount or lower than the lowest amount requested by Seller or Purchaser, as applicable. The Independent Auditor shall deliver to Seller and Purchaser, as promptly as practicable (but in any case no later than twenty (20) days from the date of engagement of the Independent Auditor), a report setting forth such calculation. Such report shall be final and binding upon Seller and Purchaser. The Independent Auditor shall determine the allocation of the cost of its review and report based on the inverse of the percentage its determination (before such allocation) bears to the total amount of the total items in dispute as originally submitted to the Independent Auditor, as applicable. For example, should the items in dispute total in amount to \$1,000 and the Independent Auditor awards \$600 in favor of Seller’s position, 60% of the costs of its review would be borne by Purchaser and 40% of the costs would be borne by Seller.

(d) The Parties shall, and shall cause their respective Representatives to, cooperate and assist in the preparation of the Closing Statement and the calculation of the Closing New Inventory Amount and in the conduct of the review referred to in this Section 3.4, including making available, to the extent necessary, books, records, work papers and personnel.

Section 3.5 Post-Closing Adjustment Amount.

(a) If the Final New Inventory Amount exceeds the Estimated New Inventory Amount, then Purchaser shall pay to Seller, in the manner and with interest as provided in Section 3.5(d), the amount of such excess.

(b) If the Estimated New Inventory Amount exceeds the Final New Inventory Amount, then Seller shall pay to Purchaser, in the manner and with interest as provided in Section 3.5(d), the amount of such excess.

(c) For purposes of this Agreement, the following terms shall have the meanings specified below:

(i) “Final New Inventory Amount” means the Closing New Inventory Amount as reflected in the Final Determination; provided, however, that in no event shall

the Final New Inventory Amount be less than Purchaser's calculation of the Closing New Inventory Amount delivered pursuant to Section 3.4(a), or more than Seller's calculation of the Closing New Inventory Amount in its notice of disagreement delivered pursuant to Section 3.4(b); provided further that in no event shall the Final New Inventory Amount exceed the purchase price (net of shipping costs, insurance and taxes) paid by the Seller to Lentzy Investments or any of its Affiliates in cash for New Inventory less any New Inventory Cash Receipts.

(ii) "Final Determination" means, with respect to the Final New Inventory Amount, either of the following:

(A) Purchaser's calculation of Closing New Inventory Amount set forth in the Closing Statement delivered pursuant to Section 3.4(a) if no notice of disagreement with respect thereto is duly delivered pursuant to Section 3.4(b); or

(B) if such a notice of disagreement is delivered, (x) as agreed by Purchaser and Seller pursuant to Section 3.4(c) or (y) in the absence of such agreement, as shown in the Independent Auditor's report delivered pursuant to Section 3.4(c), as applicable.

(d) Any payment pursuant to Section 3.5(a) or 3.5(b) shall be made by Purchaser or Seller, as the case may be, by wire transfer of immediately available funds to the account of such other Party as may be designated in writing by such other Party within three (3) Business Days after the Final New Inventory Amount has been determined. The amount of any payment to be made pursuant to this Section 3.5 shall bear interest from and including the Closing Date to but excluding the date of payment at a rate per annum equal to the rate of interest published by The Wall Street Journal, Eastern Edition, from time to time as the "prime rate" at large U.S. money center banks during the period from the Closing Date to the date of payment. Such interest shall be payable at the same time as the payment to which it relates and shall be calculated daily on the basis of a year of 365 days and the actual number of days elapsed.

Section 3.6 Allocation of Purchase Price. Not later than sixty (60) days after the Closing Date, Purchaser shall prepare and deliver to Seller a copy of Form 8594 and any required exhibits thereto (the "Asset Acquisition Statement") allocating the Total Consideration among the Transferred Assets. Seller shall timely and properly prepare, execute, file and deliver all such documents, forms and other information as Purchaser may reasonably request to prepare such allocation. Seller shall have fifteen (15) days after receipt of the Asset Acquisition Statement to notify Purchaser in writing of any objections. If Seller does not object in writing during such fifteen (15) day period, the Asset Acquisition Statement shall be final and binding on all Parties. If Seller objects in writing during such fifteen (15) day period, Seller and Purchaser will use commercially reasonable efforts to resolve the disputed items. (ix) commence, settle or compromise any litigation or arbitration proceedings related to the Business in respect of any claim in excess of \$50,000;

(x) enter into any material amendment, variation or waiver, or any termination (including, without limitation, a rejection pursuant to Section 365 of the Bankruptcy Code) of, any executory contract or unexpired lease expected to be assigned to Purchaser at Closing, including, without limitation, any Leased Real Property;

(xi) fail to make payments due in the ordinary course (other than amounts due as of August 14, 2009) under any executory contract or unexpired lease expected to be assigned to Purchaser at Closing, including, without limitation, any Leased Real Property;

(xviii) make any change in accounting methods, principles or practices except as required by GAAP; or

(xix) agree to do anything prohibited by this Section 7.2.

Section 7.3 Appropriate Action; Filings. Through the Closing Date, Seller and Purchaser shall cooperate with each other and use (and shall cause their respective Affiliates to use) commercially reasonable efforts (subject, in the case of Seller, to receipt of the Sale Order) (i) to take, or to cause to be taken, all actions, and to do, or to cause to be done, all things reasonably necessary, proper or advisable on its part under this Agreement, Applicable Law or otherwise to consummate and make effective the transactions contemplated hereby, (ii) to obtain promptly from any Governmental Authority any Orders or Permits required to be obtained by Seller or Purchaser or any of their respective Affiliates in connection with the authorization, execution, delivery and performance of this Agreement, the consummation of the transactions contemplated hereby and the use of the Transferred Assets, (iii) to promptly make all necessary filings and thereafter make any other required submissions with respect to this Agreement and prompt consummation of the transactions contemplated hereby required under any Applicable Law, and (iv) to provide prompt notification to the other Party of any actions pursuant to clauses (i) – (iii) of this Section 7.3(a); provided, however, that Seller shall not be obligated to pay any consideration or incur any costs to obtain any approvals or consents from third parties, whether or not they may be necessary, proper or advisable to consummate the transactions contemplated hereby. Seller shall have no liability to Purchaser in the event Seller is unable to obtain any approvals or consents. Seller and Purchaser agree to take all actions reasonably necessary to facilitate the transfer of the operation of the business represented by the Transferred Assets to the Seller in an orderly manner.

Section 7.4 Bankruptcy Matters.

(a) As soon as reasonably practicable after execution of this Agreement, but in any event no later than two (2) Business Days thereafter, the Seller shall file the Approval Motion, together with appropriate supporting declarations, pleadings and notices, each in form and substance reasonably satisfactory to the Purchaser.

(b) Seller shall use its commercially reasonable efforts (and Seller and Purchaser shall cooperate, assist and consult with each other in connection with such efforts) to (i) obtain entry of the Sale Order no later than December 31, 2009 and (ii) serve notice of the (x) Approval Motion, including a schedule of Cure Amounts, and (y) proposed Sale Order on all Persons entitled to notice under the Bankruptcy Code, Bankruptcy Rules and/or as reasonably requested by the Purchaser.

(c) Purchaser agrees that it will use such commercially reasonable efforts as reasonably requested by Seller, to assist in obtaining entry of the Sale Order, including furnishing affidavits or other documents or information for filing with the Bankruptcy Court in connection with providing necessary assurances of performance by Purchaser under this Agreement and under any Assumed Contracts and demonstrating that Purchaser is a “good faith” purchaser under section 363(m) of the Bankruptcy Code.

(d) [Reserved.]

(e) From and after the date of this Agreement, neither Seller nor Purchaser shall take any action that is intended to result in, or fail to take any action the intent of which failure to act would result in, the reversal, voiding, modification or staying of the Approval Motion or the Sale Order.

(f) Seller shall provide Purchaser with reasonable advance notice and opportunity to review any motion, pleading, proposed order, press release, public statement or other document that relates or refers to this Agreement, the Transferred Assets, the Assumed Contracts or the Purchaser prior to making any such filing, release or disclosure to the extent practicable. Seller shall consider Purchaser's comments to such documents in good faith.

(g) In the event any Orders of the Bankruptcy Court relating to this Agreement shall be appealed by any Person (or a petition for certiorari or motion for reconsideration, amendment, clarification, modification, vacation, stay, rehearing or reargument shall be filed with respect to any such Order), Seller shall (i) promptly notify the Purchaser of such appeal or stay request, (ii) promptly provide the Purchaser a copy of the related notice of appeal or Order of stay, (iii) promptly provide the Purchaser with written notice of any motion or application filed in connection with any appeal from such Orders and (iv) subject to Section 4.2(b), Seller shall (and Purchaser will cooperate in taking such steps) diligently defend against such appeal, petition, stay or motion. Seller and Purchaser shall use their commercially reasonable efforts to obtain an expedited resolution of any such appeal, petition or motion.

Section 7.5 No Solicitation.

(a) Subject to any Order of the Bankruptcy Court directing otherwise, from the date hereof, neither the Seller nor any controlled Affiliate of Seller shall, directly or indirectly, through any officer, director, employee, agent, professional, advisor or other Representative (i) solicit, initiate or knowingly encourage any proposal or offer from any Person (other than Purchaser) relating to any Competing Transaction, (ii) furnish any information with respect to, or assist or participate in, or facilitate in any other manner, any effort or attempt by any Person to do or seek the foregoing or (iii) seek or support Bankruptcy Court approval of a motion or Order inconsistent in any way with the transactions contemplated herein. Notwithstanding the foregoing, nothing contained herein shall prohibit Seller and any of its Representatives from providing information to any Person in response to unsolicited inquiries regarding a potential Competing Transaction. Notwithstanding anything to the contrary in this Agreement, the Seller may, directly or indirectly through its Representatives engage or participate in discussions with any Person that has made a bona fide, unsolicited proposal or inquiry in writing relating to any Competing Transaction other than as a result of a breach or violation of the terms of this Section 7.5, and/or furnish to any such Person any information relating to the Seller and its Business, provided that prior thereto the Seller has complied with the following: (x) the Seller shall have entered into a confidentiality agreement with such Person, the terms of which are no less favorable to the Seller than those contained in the Confidentiality Agreement and (y) Seller shall contemporaneously provide Purchaser with information provided to any such Person not previously provided to Purchaser and shall within twenty-four (24) hours if its receipt thereof, notify Purchaser of and provide Purchaser with a copy of such Person's proposal, including the identity of such Person.

(b) In the event the Bankruptcy Court orders the commencement of an auction, following the date of the entry of such Order (“Solicitation Period”), the Seller is permitted to cause its Representatives and Affiliates to initiate contact with, solicit or encourage submission of any inquiries, proposals or offers by, any Person (in addition to Purchaser and its Affiliates, agents and Representatives) in connection with any Competing Transaction. During such Solicitation Period, the Seller may respond to any inquiries or offers to purchase all or any part of the Business and perform any and all other acts related thereto which are required under the Bankruptcy Code or other Applicable Law, including, without limitation, supplying information relating to the Business to prospective buyers. The Seller shall contemporaneously provide Purchaser with any information provided to any prospective purchasers not previously provided to Purchaser. The Seller shall, within twenty-four (24) hours of its receipt thereof, notify Purchaser of and provide Purchaser with a copy of any proposal received by the Seller with respect to any Competing Transaction, including disclosing to Purchaser the identity of the party making such proposal.

Section 7.6 Preservation of Records; Cooperation. Purchaser shall (and shall cause its Affiliates to) preserve and keep in its possession all books, records, contracts and other documents held by it relating to the Transferred Assets prior to the Closing Date for a period of three (3) years or such longer period as may be required by Applicable Law. Each Party shall make all information, books, records, contracts and other documents held by it relating to the Business or the Transferred Assets prior to the Closing Date and any employees with knowledge thereof available to the other Party, at the requesting Party’s sole cost and expense and shall permit such requesting Party to make copies thereof, as may reasonably be required and upon reasonable advance notice; provided, however, that in no event shall either Party be obligated to provide any information the disclosure of which would jeopardize any privilege available to such Party or any of its Affiliates relating to such information or which would cause such Party or any of its Affiliates to breach a confidentiality obligation to which it is bound.

Section 7.7 Confidentiality. The Parties acknowledge that LK Advisers Limited and Seller previously executed a confidentiality agreement dated November 19, 2009 (the “Confidentiality Agreement”), which Confidentiality Agreement shall terminate upon the earlier of (i) the expiration of the term set forth in the Confidentiality Agreement and (ii) the Closing Date. The Parties acknowledge and understand that the Schedules and the content of the communications among the Seller, Purchaser and their respective advisors pursuant to this Agreement and the transactions contemplated hereby are confidential and may not be disclosed to third parties, including without limitation creditors and prospective bidders. Notwithstanding the foregoing, this Section 7.7 shall not in any way limit (i) the disclosure of this Agreement (without the Schedules designated by Purchaser) by Seller in connection with the Approval Motion or the administration of the Bankruptcy Case, or (ii) any other action or disclosure required by Applicable Law.

Section 7.8 Public Announcements. Each of Seller and Purchaser agree that prior to the Closing Date, except as contemplated by Sections 7.5 and 7.7, neither Party, nor any of such Party’s respective Affiliates, or any of their Representatives, shall issue any press release or public statement concerning this Agreement or the transactions contemplated hereby without obtaining the prior written approval of the other Party (which consent shall not be unreasonably withheld or delayed), unless such disclosure is required by Applicable Law, Order or obligations

pursuant to any agreement with any national securities exchange or with respect to filings to be made with the Bankruptcy Court in connection with the Bankruptcy Case; provided, that the Party intending to make such release shall give the other Party prior written notice and shall use its commercially reasonable efforts consistent with such Applicable Law, Order or obligation to consult with the other Party with respect to the text thereof. Notwithstanding the prior sentence, Purchaser agrees and acknowledges that Seller may file this Agreement (without the Schedules designated by Purchaser) with the Bankruptcy Court promptly after the date hereof.

Section 7.9 Further Assurances.

(a) Seller and Purchaser agree that from and after the Closing Date, each of them shall execute and deliver (notarized, where appropriate) such further instruments of conveyance and transfer (including, in the case of Seller, if applicable, short form copyright, trademark or patents assignments in a form reasonably acceptable to Purchaser, which shall be suitable for recording with the applicable Governmental Authority(ies) in the applicable jurisdiction(s) throughout the world) and take such other action as may reasonably be requested by any Party to carry out the purposes and intents hereof, at the expense of the requesting Party.

(b) From and after the Closing Date, Seller constitutes and appoints Purchaser as true and lawful agent and attorney-in-fact of Seller with full power of substitution in whole or in part in the name and stead of Seller but on behalf and for the benefit of Purchaser to execute in the name of Seller any and all documents that may be deemed proper to effect the assignments and transfer contemplated in this Agreement.

(c) Seller shall, at the sole cost and expense of Purchaser, assist Purchaser in any applications to register any unregistered Purchased Intellectual Property and any registrations pending at Closing in relation to the registered Purchased Intellectual Property and to establish, confirm or defend the title of Purchaser to the Purchased Intellectual Property.

(d) Before and after the Closing, Seller shall inform Purchaser of any claims made by creditors for Liabilities arising out of accounts payable in respect of periods prior to the Closing Date.

Section 7.10 Use of Trademarks; Corporate Name. Seller shall, as soon as practicable, and in any event within thirty (30) days, after Closing, (i) cease in all respects to use or display any trade or service marks or names, domain names or logos falling within the scope of the Purchased Intellectual Property, including the “ESCADA” and “ESCADA SPORT” names and (ii) change its corporate name or registered corporate name so that it does not contain the words “ESCADA” or “ESCADA SPORT” or any derivative or combination thereof; provided that a lessor’s refusal or inability to remove signage reflecting the “ESCADA” or “ESCADA SPORT” name on any leased property of Seller following Seller’s requests for such removal shall not constitute a breach hereof. Notwithstanding the foregoing, Seller agrees that the Sale Motion shall include a request that Seller be authorized and directed to change its name to not contain the word “ESCADA” or any derivative or combination thereof and to change the caption of the Bankruptcy Case to refer to Seller’s new name without reference to the word “ESCADA” or any derivative or combination thereof; provided that any historical or similar reference to

“ESCADA” or “ESCADA SPORT” or any derivative or combination thereof in connection with the administration of the Bankruptcy Case shall not constitute a violation of this Section 7.10.

Section 7.11 Third Party Consents. With respect to any approval or consent required to be obtained in connection with the consummation of the transactions contemplated hereunder, as soon as practicable after execution of this Agreement, (i) Seller shall use commercially reasonable efforts to obtain any third party consents to the transactions contemplated herein, and (ii) Purchaser shall reasonably cooperate with Seller’s efforts to obtain such approvals. Seller shall not be obligated to pay any consideration or incur any costs to obtain any consents from third parties. Seller shall have no liability to Purchaser in the event Seller is unable to obtain any approvals or consents.

Section 7.12 Tax Matters.

(a) All ad valorem (or similar) property Taxes (whether assessed or unassessed) that are levied with respect to the Transferred Assets for taxable periods or portions thereof within which the Closing Date occurs shall be apportioned between Seller and Purchaser as of the Closing Date, based on the number of days in any such period falling on or before the Closing Date, on the one hand, and after the Closing Date, on the other hand. Any Taxes related to the Transferred Assets that are based upon or related to net income or receipts, shall be apportioned between the Seller and the Purchaser as of the Closing Date, assuming that the relevant Taxable Period ended on the Closing Date.

(b) Seller shall be responsible for filing all Tax Returns relating to the Transferred Assets for taxable periods ending on or before the Closing Date. Such Tax Returns shall be true, correct and complete in all material respects; and all Taxes indicated as due and payable on such Tax Returns shall be paid by Seller as and when required by law.

(c) Purchaser shall be responsible for filing all Tax Returns relating to the Transferred Assets for taxable periods beginning after the Closing Date; it being understood that all Taxes indicated as due and payable on such returns shall be the responsibility of Purchaser, except for such Taxes, which constitute Excluded Liabilities and are the responsibility of Seller. Any Taxes on such Tax Returns that constitute Excluded Liabilities shall be paid by Seller to Purchaser within five (5) days of written request by Purchaser.

(d) If permitted by a Taxing Authority, Purchaser and Seller shall file separate Tax Returns and separately pay their respective Taxes for their respective portions of any taxable period including the Closing Date (a “Straddle Period”), provided however that any such Tax Returns relating to a Straddle Period shall not be filed without the other party’s prior review and comment and shall be prepared on a basis consistent with past practice to the extent permitted by Applicable Law. If separate Tax Returns with respect to a Straddle Period are not permitted, Purchaser shall prepare and file or cause to be prepared and filed the applicable Tax Return relating to such Straddle Period. Any Taxes on such Tax Returns that constitute Excluded Liabilities or do not constitute Assumed Liabilities shall be paid by Seller to Purchaser within five (5) days of written request by Purchaser.

(e) Each of Purchaser, on the one hand, and Seller, on the other hand, shall be liable for fifty percent (50%) of all sales, transfer, filing, recordation, registration, documentary, stamp, and similar Taxes and fees (collectively, “Transfer Taxes”) arising from or associated with the transactions contemplated hereunder, whether levied on Purchaser or Seller. Seller and Purchaser shall cooperate and consult with each other prior to filing any Tax Returns in respect of Transfer Taxes and shall cooperate and otherwise take commercially reasonable efforts to obtain any exemptions for or refunds of Transfer Taxes.

(f) Seller and Purchaser agree to furnish or cause to be furnished to each other, and each at their own expense, as promptly as practicable, such information (including access to books and records) and assistance, including making employees available on a mutually convenient basis to provide additional information and explanations of any material as is reasonably necessary for the filing of any Tax Returns, for the preparation of an audit, and for the prosecution or defense of any claim, suit, or proceeding relating to any adjustment or proposed adjustment with respect to Taxes attributable to the Transferred Assets.

Section 7.13 Replacement Letters of Credit. To the extent that the leases related thereto are Assumed Contracts, prior to or concurrently with the Closing Date, Purchaser shall have entered into arrangements with each of the issuing banks for the letters of credit, performance bonds, guarantees, and similar assurances set forth on Schedule 7.13 (the “Existing Letters of Credit”), pursuant to which the Existing Letters of Credit will have been (a) cash collateralized or (b) backstopped with back-to-back letters of credit, in each case in a manner (x) satisfactory to the Seller and each respective issuing bank and (y) such that the Seller and its Affiliates shall have been released in all respects from any and all obligations in respect of the Existing Letters of Credit.

Section 7.14 Waiver of Compliance with Bulk Sales Law. The Purchaser hereby waives compliance by the Seller with the provisions of any applicable bulk sales law of any jurisdiction.

Section 7.15 Acknowledgment of Seller Privacy Policy. The Purchaser agrees to become the Seller’s successor-in-interest as to the customer information and to abide by (and to cause its Representatives and Affiliates to abide by) the privacy policy of the Seller.

Section 7.16 New Inventory. To the extent Seller purchases Inventory for cash that is ordered from Lentzy Investments or any of its Affiliates during the period commencing on the date of this Agreement and ending at 11:59 p.m. on the day immediately preceding the Closing Date (“New Inventory”), Seller shall maintain and store any such New Inventory in the Seller’s warehouses and storage facilities until the Closing Date except as provided in this Section 7.16. Seller may deliver any such New Inventory to the Seller’s wholesale costumers in the United States (the “Wholesale Customers”) pursuant to purchase orders received from such Wholesale Customers that are subject to terms and conditions consistent with past practices between the parties; provided however that such purchase orders shall provide for payment dates for the accounts receivables generated by such purchase orders that are not before the earlier of (a) the first day after the Closing Date and (b) the termination of this Agreement pursuant to Section 4.2. In the event that, notwithstanding the provisions of the immediately preceding sentence, payments are made pursuant to such accounts receivables before the earlier of the dates specified

in such provisions, any cash received in respect of such payments shall constitute a Transferred Asset and shall be deemed the “New Inventory Cash Receipts”. In the event of a termination of this Agreement (other than: (i) a termination by Seller pursuant to Section 4.2(b) and (ii) a termination pursuant to Sections 4.2(c), 4.2(e), 4.2(i) or 4.2(j)), Seller shall have the right to return any New Inventory to Lentzy Investments in accordance with the terms of the purchase order applicable to such New Inventory and shall be reimbursed the full amount paid by Seller therefor, in cash.

Section 7.17 Transition and Delivery of Assets; Transition for Leases Not Assumed.

(a) If, as of the Closing, any Transferred Assets are physically located on Leased Real Property that is not the subject of an Assumed Contract (any such location, a “Tender Premises”), the Seller shall tender any such Transferred Assets to the Purchaser at the applicable Tender Premises for removal by Purchaser (at Purchaser’s sole cost and expense). To the extent any alternative arrangements are agreed to by Seller, Purchaser and the applicable lessor, whether to provide for an extension of time for removal of the Transferred Assets from the Tender Premises or otherwise, any and all costs and expenses associated therewith shall be borne by the Purchaser. Purchaser shall indemnify and hold harmless Seller for any claims arising out of or related to any damages to the Tender Premises caused by Purchaser or any agent of Purchaser in connection with the removal of the Transferred Assets.

(b) If Purchaser elects to amend Schedule 1.1(c)(2) pursuant to Section 2.1(e) in order to remove any Contract with respect to a Leased Real Property (a “Non-Assumed Lease”), Purchaser may request that Seller not file any motion or otherwise seek an Order of the Bankruptcy Court that would provide for rejection of such Non-Assumed Lease prior to a date designated by Purchaser (the “Transition Date”), which date shall be no later than March 15, 2010. Upon receiving any such request, Seller shall not file any motions or otherwise seek any Orders of the Bankruptcy Court that would provide for rejection of such Non-Assumed Lease prior to the Transition Date. Purchaser shall pay the out-of-pocket costs and expenses related to the applicable Non-Assumed Lease (including, without limitation, rent and expenses related to such Leased Real Property) from the period commencing on the Closing Date and ending on the Transition Date (the “Transition Period”). Purchaser shall indemnify and hold harmless Seller for any Liabilities arising from the applicable Non-Assumed Lease during the Transition Period.

Section 7.18 Avoidance Actions. Purchaser shall not pursue any Avoidance Actions that are included as part of the Transferred Assets.

ARTICLE VIII

EMPLOYEE AND EMPLOYEE BENEFITS MATTERS

Section 8.1 Employment Matters.

(a) Prior to the Closing, (i) Purchaser (or its successors or assigns) shall make written offers of employment, effective as of the Closing, to a number of Employees that is at least equal

to 80% of the number of Employees listed on Schedule 5.16(b) (each an “Offered Employee”). All offers shall be at initial wages and benefits that are substantially comparable in the aggregate (excluding equity compensation and, with respect to any Employee with a separate or individually negotiated arrangement, severance benefits) to the aggregate benefits in effect for such Offered Employee immediately prior to Closing (excluding equity compensation and severance benefits, if applicable). An Offered Employee who accepts an offer will become an employee of Purchaser on the day such person reports to work for the Purchaser if such person reports to work for Purchaser as provided in the offer of employment (each a “Hired Employee”). Purchaser will not provide, nor be responsible for, any COBRA benefits to any employee of Seller except to Hired Employees who have a qualifying event after the Closing.

(b) At or as soon as practicable following the Closing, Purchaser shall make available or establish employee benefit plans for the Hired Employees and their eligible dependents (the “Purchaser Plans”). If applicable, the Purchaser shall recognize the service date of each Hired Employee under each Purchaser Plan, to the same extent as that service credit would be given under the analogous Employee Benefit Plan, for purposes of eligibility to participate, vesting, vacation entitlement and severance benefits, but not for purposes of benefit accrual under any Purchaser Plan, including, for purposes of clarification, prior accrued vacation benefits. In addition, subject to any required approval of the applicable insurance provider, the Purchaser shall (i) waive any eligibility periods, evidence of insurability or pre-existing condition limitations and (ii) honor any deductibles, co-payments, co-insurance or out-of-pocket expenses paid or incurred by such employees, including with respect to their dependants, under comparable Employee Benefit Plans during the plan year in which the Closing occurs. Seller shall provide Purchaser with such information as to the Hired Employees as Purchaser may reasonably request to carry out its obligations under this Section 7.2(b), to the extent that such information has not been provided previously to Purchaser. Purchaser shall pay out prior accrued vacation benefits to all Employees at such time as required by Applicable Law.

(c) Effective at Closing, the Seller will cause each Hired Employee to become fully vested in such Hired Employee’s account under the 401(k) Plan and distribute such accounts to the applicable Hired Employee in accordance with the terms of the 401(k) Plan and applicable Law.

(d) Nothing in this Agreement will constitute an agreement by Purchaser to assume or be bound by any previous or existing employment agreement or arrangement between Seller and any of its employees (including under any employee benefit plans) or to prevent the termination of employment of any individual Hired Employee or any change in the employee benefits provided to any individual Hired Employee following Closing. Accordingly each Hired Employee shall be considered an employee “at-will.”

(e) The terms and provisions of this Article VIII are for the sole benefit of the Sellers and the Purchaser. Nothing contained herein, expressed or implied, (i) shall be construed to establish, amend, or modify any Employee Benefit Plan, any Purchaser Plan, or any other benefit plan, program, agreement or arrangement, subject to the Purchaser’s compliance with the provisions of Article VIII, (ii) shall alter or limit the ability of the Purchaser or any of its respective Affiliates to amend, modify or terminate any Purchaser Plan, or any other benefit or employment plan, program, agreement or arrangement after the Closing Date, (iii) is intended to

confer or shall confer upon any current or former employee any right to employment or continued employment, or constitute or create an employment agreement with any Hired Employee, or (iv) is intended to confer or shall confer upon any individual or any legal representative of any individual (including employees, retirees, or dependents or beneficiaries of employees or retirees, and collective bargaining agents or representatives) any right as a third-party beneficiary of this Agreement.

ARTICLE IX

- (a) the Sale Order must have been entered by the Bankruptcy Court;
- (b) the representations and warranties of Purchaser contained herein must be true and correct in all respects (in the case of any representation or warranty with any materiality qualifier) or in all material respects (in the case of any representation or warranty made without a materiality qualifier) as of the date or dates at which such representations and warranties are made;

Section 9.4 Frustration of Closing Conditions. Neither Seller nor Purchaser may rely on the failure of any condition set forth in Sections 9.1, 9.2 or 9.3, as the case may be, if such failure was caused by such Party's failure to comply with any provision of this Agreement.

ARTICLE X

DOCUMENTS TO BE DELIVERED

Section 10.1 Documents to Be Delivered by Seller. At the Closing, Seller shall deliver, or cause to be delivered, to Purchaser the following:

- (a) the Bill of Sale, Assignment and Assumption Agreement for the Transferred Assets (in sufficient counterparts to facilitate recording) substantially in the form of Exhibit B attached hereto (the "Assignment Agreement"), and such other instruments of conveyance reasonably necessary for the transfer of the Transferred Assets, duly executed by Seller;

ARTICLE XI

LIMITATIONS

Section 11.1 LIMITATION OF REPRESENTATIONS AND WARRANTIES. Purchaser hereby acknowledges and agrees that, except as otherwise expressly provided in this Agreement or in the Schedules hereto prepared by Seller, Seller makes no representations or warranties whatsoever, express or implied, with respect to Seller, the Transferred Assets or the Assumed Liabilities (including, without limitation, income to be derived from or expenses to be incurred in connection with the Transferred Assets, the physical condition of any personal or real property comprising a part of the Transferred Assets or which is the subject of any of the Assumed Liabilities to be assumed by Purchaser at the Closing Date, the environmental condition or other matter relating to the physical condition of any real property or improvements which are the subject of any assigned lease to be assumed by Purchaser at the Closing Date, the zoning of any such real property or improvements, the value or transferability of the Transferred Assets (or any portion thereof), the terms, amount, validity or enforceability of any Assumed Liabilities, or the merchantability or fitness of the Transferred Assets). WITHOUT IN ANY WAY LIMITING THE FOREGOING AND EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN THIS AGREEMENT, SELLER HEREBY DISCLAIMS ANY WARRANTY (EXPRESS OR IMPLIED) OF MERCHANTABILITY, FITNESS FOR ANY TRANSFERRED PURPOSE OR NON-INFRINGEMENT AS TO ANY PORTION OF THE TRANSFERRED ASSETS. Purchaser further acknowledges that Purchaser has conducted an independent inspection and investigation of the condition of the Transferred Assets, as Purchaser deemed necessary or appropriate, and that in proceeding with its acquisition of the Transferred Assets. Purchaser is doing so based solely upon such independent inspections and investigations and representations, warranties, terms and conditions of this Agreement and each other agreement, document or instrument contemplated hereby or thereby, but subject to the satisfaction or waiver of the closing conditions specified herein. ARTICLE XII

Section 12.3 Expenses. Except as otherwise set forth in this Agreement, each of Seller and Purchaser shall each bear its own expenses (including attorneys' fees) incurred in connection with the negotiation and execution of this Agreement and each other Transaction Document and the consummation of the transactions contemplated hereby and thereby.
