ARTICLE III TREATMENT OF CLAIMS AND INTERESTS

3.1 Unclassified Claims

3.1.1 Allowed Administrative Expense Claims

Claims specified in Code § 507(a)(2), except as otherwise provided in this Article, including fees of professionals, will be paid in full in cash on the Effective Date, or later as approved by the Court, or as agreed among the parties.

The allowed administrative expense claim of Fredrikson & Byron, P.A. will accrue interest at 5.04% or such rate as the court shall determine to be applicable in the treatment of the claim in Class 1-A and will be paid from operations as described in Section 4.2 and on the cash flow projections attached as Exhibit C, from the sale of properties as described in Section 4.3, or other such treatment as is agreed by Fredrikson & Byron, P.A.

Debtors estimate that allowed administrative expense claims will not exceed \$427,000.

3.1.2 Statutory Fees and Court Costs

Court costs and fees payable by Debtors under 28 U.S.C. § 1930 will be paid in full in cash on the Effective Date. After confirmation, the Debtors will continue to pay quarterly fees to the Office of the United States Trustee and to file quarterly reports with the Office of the United States Trustee until this case is closed by the Court, dismissed or converted. This requirement is subject to any amendments to 28 U.S.C. § 1930(a)(6) that Congress makes retroactively applicable to confirmed Chapter 11 cases.

3.2 Secured Claims

3.2.1 Class 1-A – Secured Lender

This class consists of the allowed secured claim of the Secured Lender in an amount to be determined by the Court. The basis of the Secured Lender's claim is a term loan with an outstanding balance of \$10,341,107 as of the Filing Date, and such post-petition fees, costs, and charges as allowed under the Bankruptcy Code up to the value of the Secured Lender's collateral. The holder of the Class 1-A claim will receive the following treatment:

a. Payment of principal and interest

Debtors shall pay to the Secured Lender the full amount of its allowed secured claim. Interest shall accrue at the rate of 5.04%, or such lower rate as the Court determines satisfies 11 U.S.C. § 1129(b)(2)(A).

Beginning on the last day of the calendar year quarter which falls at least 30 days after the Effective Date, and continuing for the first year after the Effective Date, the Debtors shall make a quarterly payment (the "quarterly payments") equal to the actual excess cash (the "excess cash") available from operations, after allowing for a cumulative cash cushion as specified on the cash flow projections attached as Exhibit C. The first and second quarterly payments are estimated at \$75,000 each and the third and fourth quarterly payments are estimated at \$100,000 each. To the extent net cash flow exceeds the cash flow projections attached as Exhibit C, such excess cash shall be paid to the Secured Lender at the end of the first year after the Effective Date (the "year-end payment") and applied to accrued but unpaid interest. The year-end payment and the quarterly payments will total at least \$175,000. For purposes of the quarterly payments and the year-end payment, excess cash does not include funds allocated on the cash flow projections attached as Exhibit C for tenant improvements and/or leasing commissions even if those expenses are not actually incurred. Until the year-end payment, the Debtors may only make expenditures that are for the purposes of preserving or improving the collateral or are

otherwise substantially consistent with the cash flow budget and the Plan. In addition, Debtors are not permitted to make payments to holders of claims and interests except as provided for in the Plan. Accrued but unpaid interest, if any, shall be capitalized at the end of the first year after the Effective Date.

Beginning on the first anniversary of the Effective Date, the Debtors shall make monthly payments in an amount based upon an amortization schedule of thirty (30) years. In the event partial prepayments of principal are made, the monthly installment of interest and principal shall be recomputed based upon the rate specified above, the outstanding principal balance remaining after the prepayment, and an amortization schedule of thirty (30) years.

The maturity date shall be May 11, 2014, at which time the entire outstanding principal balance, with all accrued but unpaid interest, shall be due and payable. The term may be extended at the Debtors' option for up to two additional one-year periods upon 30 days' notice prior to the maturity date. If the Debtors elect to exercise either option to extend, they shall pay to the Secured Lender a fee of 0.25 percent of the then-outstanding principal, with such payment due and payable when the option is exercised. The exercise of one or more of the options to extend shall not extend the term of any prepayment fee or yield maintenance fee (if any) and any pre-payment by the Debtors during any extension period shall not be subject to any pre-payment fee or yield maintenance fee.

b. Treatment of liens

To secure payment and performance of the Debtors' obligations hereunder, the Secured Lender shall retain its liens and security interests in the Lender's Collateral.

c. Sale or refinance of properties

At any time, the Debtors may obtain the release of the Mortgage as to a particular parcel upon the sale of such parcel. Upon receipt by the Debtors of an offer from a third party to purchase one or more parcels, the Debtors shall notify the Secured Lender of any such offer, and thereafter, for the ten business days following the transmittal of notice from the Debtors to the Secured Lender of an offer by a third party to purchase one or more of the Pool D Properties, the Secured Lender shall have the right to make a counter-offer to purchase the same parcel(s) by credit bidding some or all of its allowed claim pursuant to 11 U.S.C. § 363(k). Bids are subject to a 1% overbid requirement. Both the third party and the Secured Lender shall be given opportunities to increase their offers, and at the conclusion of any bidding, the Debtors shall accept the better and higher offer. In the event that the Secured Lender does not exercise its rights under 11 U.S.C. § 363(k) or the third party's offer is the prevailing offer, the Secured Lender shall execute and deliver any documents or instruments requested by the Debtors to discharge and release the Mortgage with respect to such parcel(s) that are the subject of the sale. The Secured Lender's lien shall attach to the proceeds of such sale, subject to the application of such proceeds: First to reasonable sales commissions and other sales and closing costs; second to any accrued but unpaid interest; third to outstanding principal; fourth to any unpaid administrative expense claims; and fifth to the Excess Cash Fund. Additionally, the Debtors may obtain the release of the Mortgage as to all of the Pool D Properties by refinancing them, but only if the Secured Lender is being paid in full the amount due under this Plan as a result of any

such refinancing transaction. In any event, upon payment in full of the full amount of the allowed secured claim plus accrued interest (or the placement of such amount into escrow), all liens shall be released.

d. Prepayment

The outstanding principal and interest balance may be paid, at any time, in whole or in part, without prepayment penalty, or defeasance cost or required yielded maintenance fee.

e. Modification of loan documents

All of the documents entered into between the Debtors and the Secured Lender ("Loan Documents") are modified to the extent necessary to effectuate this Plan. These modifications include, without limitation:

- i. The Borrowers shall not be in default under any of the Loan Documents by reason of any existing default or any event, condition or material adverse effect which occurred or was in existence as of the Effective Date including but not limited to those based on nonpayment of the loan, the insolvency of the Debtors or any affiliates, the existence of "other obligations", or the existence of other "Security Agreements."
- Events of default under any of the Loan Documents shall be limited to: (i) failure ii. of the Debtors to make a payment or take other actions as provided under the Plan; (ii) the Debtors' failure to provide insurance as required by Section 1.4 of the Mortgage or failure to perform any covenant, agreement obligation, term or condition set forth in Section 1.16 or Section 1.30 of the Mortgage; (iii) the Debtors sell, convey, dispose, alienate, hypothecate, lease, assign, pledge, mortgage, grants a security interest in or other transfer or further encumbrance of the Lender Collateral, the Debtors or its owners, or any portion thereof or any interest therein, in violation of Section 1.13 of the Mortgage, except as allowed under this Plan; (iv) the Lender Collateral or any part thereof shall be taken on execution or other process of law in any action against the Debtors; (v) the Debtors abandon all or a portion of the Lender Collateral; (vi) the holder of any lien or security interest in the Lender Property (without implying consent of Lender to the existence or creation of any such lien or security interest), whether superior or subordinate to the Mortgage, declares a default and such default is not cured within any applicable grace or cure period set forth in the applicable document or such holder institutes foreclosure or other proceedings for the enforcement of its remedies thereunder; and (vii) the Lender Collateral, or any part thereof, is subjected to actual or threatened waste or to removal, demolition or material alteration so that the value of the Lender Collateral is materially diminished thereby and Lender determines (in its subjective determination) that it is not adequately protected from any loss, damage or risk associated therewith.
- iii. Upon an event of any default, the Secured Lender may, upon ten (10) days written notice to the Debtors, accelerate the unpaid balance of the claim payable under the Plan and exercise its remedies under the Loan Documents without further notice unless such default is cured before the expiration of the notice period.

- vi. Except in the event of a default, the Secured Lender shall not be allowed to charge the Debtors any additional fees or expenses above its secured claim in the amount set forth above.
- v. Debtors will not be required to be subject to any cash management agreement or lockbox agreement. Debtor will enter into a control agreement to the extent reasonably necessary to effectuate the Secured Lender's perfection of its Security Agreement in Debtors' cash. Debtors will be required only to accrue and hold in a separate account or accounts such reserves as are necessary in their reasonable judgment for the periodic payment of real estate taxes and insurance. No other reserves shall be required.
- vi. In the event Debtors seek to enter into new leases, to the extent the Loan Documents require the consent of the Secured Lender, Debtors shall submit them to the Secured Lender for approval. Such approval shall not be unreasonably withheld. Failure of the Secured Lender to approve or deny approval within seven days shall be deemed to be approval.
- vii. Debtors will be required to present annual financial statements reviewed by a reputable accounting firm but shall not be required to provide audited financial statements from a top four national accounting firm.
- viii. Addresses required for notices under the Loan Agreements shall be those currently used by the Debtors and the Secured Lender.
- ix. All disputes shall be submitted to the Bankruptcy Court to the extent it retains jurisdiction at the time of such dispute.

Except as otherwise modified by the Plan, or as reflected in additional exhibits to the Plan filed with the Court, the remaining terms of the original underlying Loan Documents shall remain in effect. To the extent the terms of the Plan are inconsistent with the Loan Documents, the terms of the Plan shall control. Capitalized terms in this section (e) not otherwise defined in the Plan are defined in the relevant Loan Documents.

3.2.2 Class 1-B – Steven B. Hoyt

This class consists of the secured claim of Steven B. Hoyt. The basis for the claim is a loan secured by a second position mortgage on the Pool D Properties in the amount of \$1,319,712. On the Effective Date, the liens shall be released and discharged with no further action required by the Debtors. Mr. Hoyt shall receive an allowed Class 2-A claim in the amount of \$1,319,712.

Unless a claim is specifically allowed under this Plan, or otherwise allowed prior to or after the Effective Date, the Debtors reserve any and all objections to any and all claims and motions or requests for the payment of claims, whether administrative expense, secured or unsecured, including without limitation any and all objections to the validity or amount of any and all alleged administrative expense claims, priority tax claims, liens and security interests, whether under the Bankruptcy Code, other applicable law or contract.

5.3.2 Filing of Objections

Unless otherwise extended by the Bankruptcy Court, any objections to claims other than administrative expense claims will be filed within thirty (30) days after the Effective Date (unless such day is not a business day, in which case such deadline will be the next business day thereafter). An objection to a claim will be deemed properly served on the claimholder if the Debtors effect service by any of the following methods: (A) in accordance with Federal Rule of Civil Procedure 4, as allowed and made applicable by Bankruptcy Rule 7004; (B) to the extent counsel for a claimholder is unknown, by first class mail, postage prepaid, on the signatory on the proof of claim or other representative identified on the proof of claim or interest or any attachment thereto or (C) by first class mail, postage prepaid, on any counsel that has appeared on the behalf of the claimholder in the Chapter 11 Cases.

5.3.3 Determination of Claims

Except as otherwise agreed by the Debtors, any claim as to which a proof of claim or motion or request for payment was timely filed in the Chapter 11 Cases may be determined and liquidated pursuant to (A) an order of the Bankruptcy Court or (B) applicable non-bankruptcy law (which determination has not been stayed, reversed or amended and to which determination (or any revision, modification or amendment thereof) the time to appeal or seek review or rehearing has expired and as to which no appeal or petition for review or rehearing was filed or, if filed, remains pending), and will be deemed in such liquidated amount and satisfied in accordance with this Plan. Nothing contained in this Plan, the Disclosure Statement, or the Confirmation Order will constitute or be deemed a waiver of any claim, right, interest, or Cause of Action that the Debtors or the Debtors' estates may have against any person in connection with or arising out of any claim or claims, including without limitation any rights under section 157(b) of title 28 of the United States Code.

5.3.4 Procedures for Treating and Resolving Contested Claims

a. No Distributions Pending Allowance

No payments or distributions will be made with respect to all or any portion of a Contested Claim unless and until all objections to such Contested Claim have been settled or withdrawn or have been determined by a Final Order, and the Contested Claim has become an allowed claim.

b. Claim Estimation

The Debtors may request estimation or limitation of any Contested Claim that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code; provided, however, that the Bankruptcy Court will determine (A) whether such disputed claims are subject to estimation pursuant to section 502(c) of the Bankruptcy Code and (B) the timing and procedures for such estimation proceedings, if any.

c. No Distribution if Cause of Action Asserted

No payment or distribution will be made with respect to all or any portion of a claim or allowed claim held by a claimant against whom a Cause of Action is asserted unless and until such Cause of Action has been settled or withdrawn or has been determined by Final Order.

5.3.5 Unclaimed Payments

In the event a payment is returned to Debtors unclaimed, with no indication of the payee's forwarding address, Debtors will hold such payment for a period of six months from the date of return. If not claimed by the payee by the end of that period, the payment will become Debtors' property.

5.3.6 Proofs of Claim Not Timely Filed

If proof of a claim is required under Bankruptcy Rule 3003 and is not timely filed according to the provisions of the Bankruptcy Code or applicable Final Order in the Chapter 11 Cases, the holder of such claim will not be treated as a creditor for purposes of distribution under this Plan and will receive no distribution under this plan on account of such claim.

ARTICLE VI RETENTION AND ENFORCEMENT OF CLAIMS OR INTERESTS BELONGING TO DEBTORS OR ESTATES

On the Effective Date, Debtors shall be vested with, shall retain and may, at their option, contest any claim or interest belonging to the estate, including all Causes of Action, to the extent not expressly released under this Plan or by any Final Order of the Bankruptcy Court. The Causes of Action include, but are not limited to, those items identified on Exhibit B. No person may rely on the absence of a specific reference in the Plan, the Disclosure Statement, or Exhibit B to any Cause of Action as any indication that the Debtors will not pursue any and all available Causes of Action. The Debtors expressly reserve all Causes of Action for later adjudication and, therefore, no preclusion doctrine shall apply to a Cause of Action upon, after, or as a consequence of the Confirmation Order. All recoveries on any Causes of Action, including Avoidance Claims, shall be retained by Debtors for use in making payments under this Plan or for general working capital purposes, at Debtors' option.

ARTICLE VII ASSUMPTION AND REJECTION OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

Attached hereto as <u>Exhibit A</u> is a list of executory contracts and leases that shall be assumed on the Confirmation Date with proposed cure amounts. Unless an objection is filed prior to entry of the Confirmation Order, then such amount shown on Exhibit A as "cure" shall be conclusively determined to be the amount required to cure any monetary or non-monetary default under any assumed executory contract or lease. If an executory contract and/or lease is not shown on Exhibit A, and has not been previously dealt with by prior Court order, such contract or lease will be deemed rejected effective on the Confirmation Date. All parties to any

executory contracts and leases rejected pursuant to this provision must file a proof of claim within 30 days of the Confirmation Order or such other period set forth in the Confirmation Order if such Order sets a deadline for filing a proof of claim, or be forever barred from receiving any distribution under this Plan. Debtors reserve the right to alter, amend or add to the list of executory contracts and unexpired leases at any time prior to the Confirmation Date.

ARTICLE VIII GENERAL PROVISIONS

8.1 Retiree Benefits

Debtors have no retiree benefits, as that term is defined in Code § 1114.

8.2 Debtors' Organizational Documents

The Articles of Organization of Debtors and related documents will be amended to the extent necessary as required by section 1123(a)(6) of the Bankruptcy Code and as may otherwise be required by this Plan.

8.3 Governmental Approval

This Plan affects no rates subject to approval by any governmental regulatory commission.

ARTICLE IX CONFIRMATION OF THE PLAN

9.1 Conditions Precedent to Confirmation

The following are conditions to the entry of the Confirmation Order unless such conditions, or any of them, have been satisfied or duly waived pursuant to [Section 9.3] of this Plan:

- (a) The Confirmation Order shall be acceptable to the Debtors in form and substance.
- (b) This Plan shall not have been materially amended, altered or modified from the version as filed on January 6, 2012, unless such material amendment, alteration or modification has been made in accordance with Section 11.1 of this Plan.

9.2 Conditions Precedent to the Effective Date

The Effective Date shall not occur, and this Plan shall not be consummated, unless and until each of the following conditions have been satisfied or duly waived pursuant to Section 9.3 of this Plan:

(a) The Bankruptcy Court shall have entered the Confirmation Order, the Confirmation Order shall be a Final Order, and no stay of the Confirmation Order shall then be in effect.

- (b) The Debtors shall have sufficient cash on hand to pay obligations required to be paid on the Effective Date of this Plan.
- (c) This Plan shall not have been materially amended, altered or modified from this Plan as confirmed by the Confirmation Order, unless such material amendment, alteration or modification has been made in accordance with Section 11.1 of this Plan.

9.3 Waiver of Conditions to Confirmation or Effective Date

The conditions to Confirmation and the conditions to the Effective Date may be waived in whole or in part at any time by the Debtors without an order of the Bankruptcy Court.

9.4 Cramdown

The Debtors request Confirmation under section 1129(b) of the Bankruptcy Code with respect to any impaired Class that has not accepted or is deemed not to have accepted this Plan pursuant to section 1126 of the Bankruptcy Code.

9.5 Effect of Nonoccurrence of Conditions to the Effective Date

If each of the conditions to the Effective Date is not satisfied or duly waived in accordance with Section 9.3 of this Plan, then upon the successful adjudication of an adversary proceeding by the Debtors upon notice to such parties in interest as the Bankruptcy Court may direct, the Confirmation Order shall be vacated by the Bankruptcy Court; provided, however, that, notwithstanding the filing of such adversary proceeding, the Confirmation Order may not be vacated if each of the conditions to the Effective Date is satisfied or waived before the Bankruptcy Court enters an order vacating the Confirmation Order. If the Confirmation Order is vacated pursuant to this Section 9.5: (1) this Plan shall be null and void in all respects, including with respect to the releases described in Section 9.6.3 of this Plan; and (2) nothing contained in this Plan shall (a) constitute a waiver or release of any claims by or against the Debtors or (b) prejudice in any manner the rights of the Debtors or any other party in interest.

9.6 Effect of Confirmation of the Plan

9.6.1 Discharge

Except as otherwise provided in this Plan, confirmation of this Plan discharges, waives and releases the Debtors from any debt that arose before the Confirmation Date and any debt of a kind specified in Sections 502(g), 502(h) or 502(i) of the Bankruptcy Code, regardless of whether or not proof of the claim based on such debt was filed or deemed filed under Section 501 of the Bankruptcy Code, such Claim is allowed under Section 502 of the Bankruptcy Code, or the holder of such claim has accepted the Plan. The payments of, distributions on account of, or treatments of claims in this Plan are deemed to satisfy in full all claims. Except as provided in Article V, all property of Debtors and the estate vests in the Reorganized Debtors on the Effective Date. All property of Debtors and the estate is dealt with by this Plan; therefore, on the Effective Date, all property of the Debtors and the estate vests in the Debtors and such property is free and clear of all liens, encumbrances, claims and interests of creditors and equity security

holders, including any notices of *lis pendens*, except to the extent the Plan explicitly provides that such liens, encumbrances, claims or interests are retained.

9.6.2 Injunction Related to Discharge

Except as provided in this Plan, as of the Effective Date and subject to its occurrence, all persons that have held, currently hold or may have asserted a claim, a Cause of Action or other debt, liability, interest or other right of a holder of an equity interest that is discharged, released or terminated pursuant to the Plan, are hereby permanently enjoined from commencing or continuing against the Debtors, in any manner or in any place, any action or other proceeding, enforcing, collecting or recovering in any manner any judgment, award, decree or order, creating, perfecting or enforcing any lien or encumbrance, asserting a set-off, right or subrogation or recoupment of any kind against any debt, liability or obligation. Nothing contained in this Paragraph is intended to release, discharge or enjoin any claims against any party other than the Debtors.

9.6.3 Releases

Each and every entity voting to accept this Plan on account of its Allowed Claim or Interest shall be deemed to forever release and waive all claims, demands, debts, rights, causes of action and liabilities in connection with or related to any of the Debtors, the Chapter 11 Cases or this Plan, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, that are based in whole or in part on any act, omission or other occurrence taking place on or prior to the Effective Date, against the Released Parties to the fullest extent permitted under applicable law. Notwithstanding anything in this Plan or in the releases set forth above to the contrary, nothing herein shall be construed to release, and the Debtors do not hereby release, any rights of the Debtors: (a) to enforce this Plan and the contracts, instruments, releases, indentures and other agreements or documents delivered thereunder; (b) to litigate claims objections, including without limitation to make any claim, or demand or allege and prosecute any cause of action against any Holder of any claim that has not been allowed by the terms of this Plan or Order of the Bankruptcy Court; and (c) to litigate claims and causes of action not specifically released herein, including claims and Causes of Action contained in any adversary complaint filed during the pendency of the Chapter 11 Cases that have not been withdrawn or dismissed prior to the Confirmation Date.

ARTICLE X RETENTION OF JURISDICTION

Notwithstanding the entry of the Confirmation Order and the occurrence of the Effective Date, the Bankruptcy Court shall retain such jurisdiction over the Chapter 11 Cases after the Effective Date as is legally permissible, including jurisdiction to:

A. Allow, disallow, determine, liquidate, reduce, classify, re-classify, estimate or establish the priority or secured or unsecured status of any Claim, including the resolution of any request for payment of any Administrative Claim and the resolution of any objections to the amount, allowance, priority or classification of Claims;

ARTICLE XI MISCELLANEOUS PROVISIONS

11.1 Modification of the Plan

11.2 Revocation of the Plan

The Debtors reserve the right to revoke or withdraw this Plan prior to the Confirmation Date. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of this Plan, as it may have been
