Settling Tort Claims will be deemed Allowed, and each Settling Tort Claimant will be deemed to have assigned his or her Allowed Settling Tort Claim to the Settlement Trustee regardless of whether such Tort Claimant votes on the Plan or votes to reject the Plan. As a result of such assignment, the Settlement Trustee will succeed to all rights of the Settling Tort Claimants against the Debtor and any Great Divide Candidate Insurer. The Allowed Settling Tort Claim will have the same effect as a judgment against CBNA; provided, however, that any recoveries to the Settlement Trustee or any Settling Tort Claimant with an Allowed Settling Tort Claim against the Debtor or the Reorganized Debtor will be limited to and by the Fund, the terms of the Plan and the discharge received by the Debtor pursuant to the Plan and applicable provisions of the Bankruptcy Code. By way of clarification, notwithstanding the foregoing, neither the Settlement Trustee nor the Settling Tort Claimant will have any right to seek recoveries directly against CBNA and are limited to recoveries provided for in the Plan. In addition, on the

Effective Date, the Debtor will assign all of its rights against any Great Divide Candidate Insurer. The Settlement Trustee will then succeed to all of the rights of the Debtor and the Settling Tort Claimant for purposes of pursuing the claims against the Great Divide Candidate Insurers.

(b) Liquidation. Unless the amount of the Settling Tort Claim is determined prior to the Effective Date pursuant to a Claim Allowance Agreement, the amount of each Settling Tort Claim will be liquidated by the Special Arbitrator pursuant to the Binding Arbitration Process. In liquidating a Settling Tort Claim, the Special Arbitrator will consider and base allowance of a Settling Tort Claim on the risks to CBNA and the Settling Tort Claimant in light of the facts bearing on the liability and damage aspects of the Settling Tort Claim. In addition, in determining the amount of the Arbitration Award, the Special Arbitrator must consider all of the circumstances affecting the Debtor's potential liability and available defenses regarding the Tort Claim of a Settling Tort Claimant, including but not limited to:

- (i) the substance and credibility of the Tort Claim,
- (ii) the Debtor's legal responsibility for the actions of the perpetrator under Alaska law,
- (iii) the severity of the abuse suffered,
- (iv) the impact of the abuse on the Tort Claimant including any bodily injury, shock, fright, mental injury, disability, mental anguish, humiliation, sickness or disease sustained by the Tort Claimant, and
- (v) the risks to CBNA and the Settling Tort Claimant had the Settling Tort Claim otherwise been the subject of a trial, including the existence of affirmative defenses such as the statute of limitations; provided, however, that the statute of limitation defense may be waived by the Settlement Trustee as part of the process subject to the Settlement

Trustee's right to seek a determination from the Court at the Confirmation Hearing or after as to whether such a waiver of the statute of limitations defense and/or any other provision of the Plan objected to by the Insurance Company violates the provision of any Insurance Policy and/or any duty of an insured under an Insurance Policy issued by the objecting Insurance Company. If the Settlement Trustee seeks a determination by the Bankruptcy Court as to the merits of any such waiver(s) and no objection regarding the statute of limitations and/or any other provision of the Plan or otherwise is filed with regard to any Insurance Company's obligation to provide a defense to CBNA or its assignee and/or to provide liability insurance to CBNA or its assignee, then the waiver and all other provisions of the Plan will be automatically and conclusively deemed not to violate any Insurance Policy provision and/or any duty owed by CBNA or its assignee under any and all Insurance Policies. As to all other Claims, including the Claims of Litigation Tort Claimants, CBNA reserves all rights with respect thereto.

(vi) The Special Arbitrator may also consider any other factors the Bankruptcy Court may determine as part of the confirmation process or in connection with approval of any Claim Allowance Agreements.

As a result of the Binding Arbitration Process, the Special Arbitrator will issue an Arbitration Award setting forth the liquidated amount of each Allowed Settling Tort Claim.

(c) Payment. Each Settling Tort Claimant will be paid a share of the Settlement Trust as determined by the Special Arbitrator.

(i) Determination of Share of Settlement Trust. Each of the Settling Tort Claims will be individually evaluated by the Special Arbitrator on the evaluation factors attached hereto as Exhibit "B". Points

will be allocated to each Settling Tort Claimant in relation to each evaluation category. Each Settling Tort Claimant will be paid a pro rata share of the Settlement Trust based upon the ratio of the points received by that Settling Tort Claimant to the total points awarded to all Settling Tort Claimants. Thus, by way of example, if Claimant A is awarded 20 points and the total points awarded all Claimants is 4,000 points, Claimant A will be awarded $20/4000$ of the Settlement Trust. The Special Arbitrator will determine each Settling Tort Claimant's share of the Settlement Trust within thirty (30) days of the Effective Date based solely upon the Proofs of Claim, the Uniform Questionnaire and the terms of the Plan.. Each Settling Tort Claimant will return a completed Uniform Questionnaire to the Special Arbitrator within thirty (30) days of service. If a Settling Tort Claimant fails to timely return his or her completed Uniform Questionnaire, then his or her Tort Claim will be treated and paid as a Convenience Tort Claim.

(ii) Distributions. Before any distribution(s) to any Allowed Settling Tort Claimants, the Settlement Trustee will subtract the Qualified Counsel Fees from the Settlement Trust. The Settlement Trustee will disburse the Qualified Counsel Fees to Qualified Counsel as fees in accordance with the retainer agreements between the Qualified Counsel and the holder of the Allowed Tort Claim, provided that no Qualified Counsel will receive a distribution in excess of the amounts owed under such retainer or fee agreements. Each holder of an Allowed Settlement Tort Claim will be paid in Cash by the Settlement Trust after deduction of Qualified Counsel Fees, if any. The Settlement Trustee will make a Preliminary Distribution to Settling Tort Claimants within sixty (60) days

after every Settling Tort Claimant's share of the Settlement Trust has been finally determined..

13.5 Treatment of Litigation Tort Claimants.

(a) Allowance and Liquidation; Litigation Protocol. The following will be the protocol for Allowance and liquidation of Litigation Tort Claims: Unless a complaint alleging a Litigation Tort Claim was filed before the Petition Date and is presently pending in the Alaska Superior Court—which will be Disallowed or Allowed and liquidated pursuant to a final judgment by the Alaska Superior Court—each Litigation Tort Claim will be Disallowed or Allowed and liquidated pursuant to a final judgment of the District Court. Within sixty (60) days of the Effective Date each Litigation Tort Claimant must: file a complaint in the District Court against the Settlement Trustee asserting his or her Tort Claim against the Debtor and serve such complaint upon the Settlement Trustee; or, if a complaint was pending on the Petition Date in the Alaska Superior Court, file a motion in the Alaska Superior Court to put the case back onto its active trial docket, and serve such motion on the Settlement Trustee. If a Litigation Tort Claimant does not timely file such a complaint or motion, then his or her Tort Claim will be treated as a Convenience Tort Claim, which treatment will be irrevocable and in complete satisfaction, payment and release of the Litigation Tort Claim. The Settlement Trustee will succeed to all of the Debtor's rights, defenses, affirmative defenses including statute of limitations, counterclaims, setoffs and recoupments with respect to Litigation Tort Claims and will substitute in any litigation in the Alaska Superior Court as the Defendant in place of the Debtor and any Participating Third Parties who are defendants in such actions pending in the Alaska Superior Court. The Settlement Trustee will have complete control of litigation and settlements of Litigation Tort Claims and Future Tort

Claims, the holders of which elect to proceed with allowance under the Future Tort Claim Litigation Process.

(b) Payment. Each holder of an Allowed Litigation Tort Claim will be paid in Cash by the Litigation Trust such holder's pro rata share of the Litigation Trust net of the Settlement Trustee's fees, costs, and attorneys fees and costs defending all Litigation Tort Claims, within thirty (30) days after of the later of the date on which all Litigation Tort Claims have been Allowed or Disallowed by Final Order.

13.6 Treatment of Future Tort Claims.

(a) Future Tort Claims Representative's Tort Claim. The Future Tort Claims Representative's Tort Claim will be deemed satisfied when the Settlement Trust is funded.

(b) Allowance and Distribution of Future Tort Claims.

(i) Distribution. Each holder of an Allowed Future Tort Claim which is filed on or before the seventh (7th) anniversary of the Effective Date will be paid in full in Cash by the Settlement Trustee from the Future Claims Reserve within thirty (30) days after the later of the date on which such Future Tort Claim is Allowed or the date on which the Future Claims Reserve is initially funded as provided for in the Plan; provided however that, any Future Tort Claimant that elects the Future Tort Claim Litigation Process will receive no more than eight percent (8%) of the Future Claims Reserve at the time the Future Tort Claim is filed, net of the costs of the Settlement Trustee to defend the Future Tort Claim as and when such Future Tort Claim becomes an Allowed Future Tort Claim pursuant to the Future Tort Claim Litigation Process.

(ii) Allowance. The holder of a Future Tort Claim may elect to proceed with allowance under the Future Tort Claim Settlement Process or

the Future Tort Claim Litigation Process by (i) filing with the Special Arbitrator a Future Tort Claim Proof of Claim to be requested from and furnished by the Special Arbitrator upon request of a Future Tort Claimant who elects the Future Tort Claim Settlement Process, or (ii) filing a complaint in the District Court naming the Settlement Trustee as Defendant, which filing of such a complaint constitutes an election by a Future Tort Claimant of the Future Tort Claim Litigation Process. Each Future Tort Proof of Claim by a holder of a Future Tort Claimant electing the Future Tort Claim Settlement Process must include the release of claims in the form provided in the Future Tort Claim Proof of Claim. A Future Tort Claim Allowed under this Section is referred to as an Allowed Future Tort Claim.

(c) Future Tort Claim Settlement Process.

(i) Allowance. If a holder of an Future Tort Claim elects to proceed with allowance under the Future Tort Claims Settlement Process, such Future Tort Claim will be Allowed (a) if the Special Arbitrator determines that the holder of such Future Tort Claim has proved by a preponderance of the evidence (i) that such holder was abused, and (ii) that the applicable statute of limitations under applicable non-bankruptcy law had not begun to run on or before March 1, 2008; and (b) if the Special Arbitrator does not find that there is clear, cogent and convincing evidence that the applicable statute of limitations under applicable non-bankruptcy law had run (i) after March 1, 2008, and (ii) before the date the holder of such Future Tort Claim filed the Future Tort Claim Proof of Claim. The Special Arbitrator will determine the amount of such Future Tort Claim by assigning such Future Tort Claim a dollar value pursuant to the matrix for distributions for Settling Tort Claimants. The Special

Arbitrator may consider the credibility of the Future Tort Claimant and the facts alleged in support of the Future Tort Claim and, in the Special Arbitrator's sole discretion, reduce or deny the Future Tort Claim. The dollar value assigned to a Future Tort Claimant electing the Settlement Process will be confidential.

(ii) Amendment. At any time prior to final allowance or disallowance of a Future Tort Claim under the Future Tort Claim Settlement Process, the holder of such Future Tort Claim may settle the Future Tort Claim with the Special Arbitrator.

(d) Future Tort Claim Litigation Process.

(i) Allowance. If a holder of a Future Tort Claim elects to proceed with allowance under the Future Tort Claim Litigation Process, such Future Tort Claim will be determined either by a trial of such Future Tort Claim conducted by the District Court, or a settlement between the holder of such Future Tort Claim and the Settlement Trustee. Such Future Tort Claim is subject to all defenses available under applicable law, including but not limited to, the applicable statute of limitations and the defenses enumerated in the Plan with respect to any Tort Claims and which are available to Debtor.

(ii) Amendment of Election. At any time prior to the earliest of the date on which the Settlement Trustee has filed a dispositive motion with respect to, or trial has commenced on, a Future Tort Claim that is being determined under the Future Tort Claim Litigation Process, the holder of such Future Tort Claim may amend his or her election to instead elect treatment under the Future Tort Claim Settlement Process, by delivering a written notice of such election to the Special Arbitrator and the Settlement Trustee. Any such amended election will be irrevocable.

Any such amended election will be deemed to be a consent to a reduction of the amount of any distribution with respect to such holder's Allowed Future Tort Claim, by the amount of all pre litigation and litigation Professional Fees and expenses incurred with respect to such Future Tort Claims, and all other Settlement Trust costs and expenses attributable to such Future Tort Claim, which accrued through the date of such amended election.

(e) Future Tort Claims Filed after Seventh (7th) Plan Anniversary Barred. All Future Tort Claims filed after the seventh (7th) anniversary of the Effective Date will have no right to payment or any other right under the Plan, and all such Claims will be discharged under Article 21 of the Plan.

(f) Effect of Disallowance. If a Future Tort Claim is Disallowed, the holder of such Claim will have no further rights against the Debtor, the Reorganized Debtor, Settling Parties, Participating Third Parties or a Settling Insurer, the Settlement Trust or the Litigation Trust.

13.7 General. All distributions to the holders of Allowed Tort Claims and Allowed Future Tort Claims will be in full release, discharge and satisfaction of such Allowed Tort Claims and Future Tort Claims. A Tort Claimant or a Future Tort Claimant whose Tort Claim is Disallowed pursuant to the claim determination procedures set forth in the Plan, or a Litigation Tort Claimant or a Future Tort Claimant who has elected the Future Claim Litigation Process and whose Tort Claim or Future Tort Claim is denied and Disallowed, will receive no distribution under the Plan and will have no further Claims against CBNA, the Reorganized Debtor, the Settlement Trustee, any Settling Party or any Released Party.

13.8 Treatment of Attorneys' Fees of Tort Claimants and Future Tort Claimants.

Subject to Section 13.4(c)(ii) the fees and expenses of attorneys representing any of the Settling Tort Claimants, Litigation Tort Claimants or Future Tort Claimants who receive payment from the Settlement Trust, the Litigation Trust or the Future Claims Reserve, will be borne by such

claimants based on applicable state law and individual arrangements made between such claimants and their respective attorneys. In no event will CBNA, the Reorganized Debtor, the Settlement Trustee, the Settlement Trust, the Settlement Trustee, the Litigation Trust (if applicable) or the Litigation Reserve (if applicable) have any liability for any fees and expenses of attorneys representing any of the Settling Tort Claimants, any of the Litigation Tort Claimants or any of the Future Tort Claimants and any such Claims for any such fees and expenses, if any, will be Disallowed.

13.9 Treatment of Punitive Damages. Claims for punitive or exemplary damages in connection with Tort Claims or Future Tort Claims or asserted by any other claimants, will be treated as Penalty Claims and be Disallowed.

13.10 Impairment. The Class 10 Claims are impaired under the Plan.

In no event will the amount paid to the Fund be less than \$9,800,000 Cash.

17.11 Payments to the Fund After the Effective Date. After the Effective Date, payments will be made to the Fund by the Reorganized Debtor from net proceeds in excess of \$150,000 from each Special Appeal.

17.12 Non-Monetary Commitment to Healing and Reconciliation. In order to further promote healing and reconciliation, and in order to continue its efforts to prevent sexual abuse from occurring in the Diocese in the future, CBNA agrees that beginning within thirty (30) days after the Effective Date (unless a different date is provided below):

(a) CBNA will file with the Bankruptcy Court the names of the individuals attached on Exhibit "C" identifying them as the priests, religious, lay employees and volunteers accused of sexual abuse in filed proofs of claim. The Debtor will not seek to seal such filing and will oppose any effort by any third party to seal such filing.

(b) For a period of ten (10) years after the Effective Date, the Reorganized Debtor will post on the home page of its website and the Website of the Diocese, a prominent link on the home page to the names listed on Exhibit "C" and any other known perpetrators (admitted, proven or credibly accused), including deceased perpetrators and those previously listed.

(c) Within eighteen (18) months after the Effective Date, Bishop Kettler will personally go to every Parish in which any individuals were abused and where those persons identified in Paragraph (a) above served. The Bishop will read a statement of apology from the pulpit and encourage parishioners to support victims. He will also identify all perpetrators that have served in the Diocese and urge all abuse survivors to report abuse to law enforcement, the diocesan Victim's Assistance Coordinator, health care professionals and/or any survivor group or organization that the person wishing to make a report of abuse determines is appropriate to receive the report of abuse. He will assure survivors and parishioners that no one will go to hell as a result of coming forward

regarding the abuse they suffered and that survivors did not commit any sin in coming forward. The Bishop's visits to the rural Parishes will, to the extent feasible, be publicized by the following means: (i) posted on the Parish Church bulletin board; (ii) posted by the Parish administrator or the Parish contact in the post office, the washeteria, the community center and the store of each village to the extent allowed by each of such place; (iii) announced by VHF radio by the Parish contact person as requested by the Bishop; and (iv) announced on KNOM two weeks in advance. At least thirty (30) days in advance of the Bishop's visit to a Parish, the Bishop will send a written invitation to all known abuse survivors in that Parish inviting them to attend his visit. Consistent with the Bishop's current practice, the Bishop will continue his "listening" sessions and healing ceremonies during the Parish visits.

(d) A general letter of apology will be displayed on the Diocese's website for a period of ten (10) years from the Effective Date. In addition, this letter of apology will be published in Parish bulletins (where Parish bulletins are used) once a month for three (3) months after the Effective Date. The letter of apology will be read by the Bishop onto a public service announcement to be played on KNOM at least once a month for three (3) months after the Effective Date.

(e) The statement of apology described above in paragraph (c) and the letter of apology described in paragraph (d) above will, among other things:

(i) assure the faithful that all the sacraments conducted by perpetrators are not invalid by virtue of the fact that they were conducted by a perpetrator of abuse;

(ii) include an acknowledgement and apology for the abuses which occurred at Holy Cross Boarding School, the Nulato Catholic Mission School (a/k/a Our Lady of the Snows), and St. Mary's High

School (a/k/a St. Mary's Catholic Mission), and also for the cultural disregard/disrespect resulting from the forced assimilation of Native people.

(f) No later than sixty (60) days after allowance of any Tort Claim Bishop Kettler will send individual letters of apology to such Tort Claimant and, if requested by such Tort Claimant, to his or her immediate family. The letters of apology will state that the survivor was not at fault for the abuse. Furthermore, the letters will state that no sins were committed by those who have come forward on account of their having coming forward. The letters of apology will be personally signed by the Bishop.

(g) CBNA will continue to comply in all respects with the following: (i) the Charter for the Protection of Children and Young People initially adopted by the United States Conference of Catholic Bishops in 2002 and revised in 2005 and as it may be amended from time to time; (ii) the Diocese of Fairbanks' Faithful Healing, Preventing and Responding To Ministry-Related Child Sexual Abuse policy adopted on August 1, 2003, as revised subsequently and as it may be amended from time to time; and (iii) the Diocese of Fairbanks' Policy on Abuse of Vulnerable Adults adopted November 16, 2005, as it may be amended from time to time. Among other things, the Debtor will continue to require individuals working for the Debtor or ministering within the Diocese to sign sworn statements attesting that they have not sexually abused any minor at any time. Further the Debtor will continue to aggressively assert its policy requiring individuals working for the Debtor or ministering within the Diocese to report any information indicating the existence of sexual abuse to law enforcement.

(h) Four (4) times per year for five (5) years after the Effective Date and one time per year for twenty (20) years after the Effective Date, Reorganized Debtor will publish a prominent statement in media available within the Diocese,

including, where applicable, Parish bulletins, Parish bulletin boards, Diocesan newsletters circulated within the Diocese (including but not limited to Ministering), KNOM, and the homepage of the Reorganized Debtor's website, urging persons sexually abused by priests or religious workers to contact law enforcement, and the diocesan Victim's Assistance Coordinator, doctor or other health care professional or other trusted person and/or any survivor group or organization to make a report of abuse. In addition, the Debtor will provide information of health care professionals for mental health support or counseling.

(i) The Reorganized Debtor will institute a policy requiring that its representatives (including, but not limited to, Bishop Kettler and the Debtor's spokespersons), not refer either verbally or in print to sexual abuse claimants as "alleged" claimants, "alleged" victims or "alleged" survivors, and urging its representative to refer to claimants as survivors of clergy sexual abuse.

(j) The Reorganized Debtor will file status reports regarding its compliance with these non-monetary undertakings with the Bankruptcy Court and serve the Settlement Trustee. Reports will be filed semi-annually for the first two years after the Effective Date and annually for the next three years after the Effective Date. The Settlement Trustee will have standing to enforce these non-monetary undertakings. Nothing about these continuing reporting/enforcement requirements will prevent the issuance of a final decree or closing the Reorganization Case.

17.13 Procedure for Determination of Claims Other Than Tort Claims or Future Tort Claims. The following procedures will be used for purposes of allowance and disallowance of Creditors' Claims that are not Tort Claims or Future Tort Claims:

(a) Objections to Claims. Notwithstanding the occurrence of the Effective Date, and except as to any Claim that has been Allowed prior to the Effective Date, all objections to Claims must be filed by the Claim Objection

Deadline; provided, however, that any Disputed Claims held by Settling Tort Claimants or Future Tort Claimants will be determined by the Special Arbitrator in accordance with the Settlement Trust Agreement and the Plan and any Disputed Claims held by Litigation Tort Claimants (or Future Tort Claimants who opt for the Future Tort Claims Litigation Process) will be determined pursuant to the Litigation Trust Agreement, if any, and the Litigation Protocol; further, provided, however, that nothing contained in the Plan will affect the right of the Debtor to seek estimation of any Claims, including, Tort Claims and Future Tort Claims on any grounds permitted by the Bankruptcy Code at any time.

(b) Disputed Claims. No payments or other distributions will be made to the holders of Claims unless and until such Claims are Allowed Claims pursuant to a Final Order or in accordance with Article 13. If a Claim is not an Allowed Claim by the Effective Date, or when payment is otherwise due under the Plan, payment on the Allowed Claim (plus interest, if any, as provided herein) will commence on the Claim Payment Date.

(c) Treatment of Contingent Claims. Until such time as a Contingent Claim or a Contingent portion of an Allowed Claim becomes fixed or absolute or is Disallowed, such Claim will be treated as a Disputed Claim for all purposes related to distributions under the Plan. The holder of a Contingent Claim will only be entitled to a distribution under the Plan when and if such Contingent Claim becomes an Allowed Claim, subject, however, to the provisions of Bankruptcy Code § 502(e), and, provided that if such Contingent Claim is for reimbursement, indemnification or contribution at the time of allowance or disallowance, it will be Disallowed pursuant to Bankruptcy Code § 502(e)(1)(B).

17.14 Payments Effective Upon Tender. Whenever the Plan requires payment to be made, such payment will be deemed made and effective upon tender thereof by the Debtor or the Reorganized Debtor to the Creditor to whom payment is due. If any Creditor refuses a tender,

the amount tendered and refused will be held by the Debtor or the Reorganized Debtor for the benefit of that Creditor pending final adjudication of the dispute. However, when and if the dispute is finally adjudicated and the Creditor receives the funds previously tendered and refused, the Creditor will be obliged to apply the funds in accordance with the Plan as of the date of the tender; and while the dispute is pending and after adjudication thereof, the Creditor will not have the right to claim interest or other charges or to exercise any other rights which would be enforceable by the Creditor, if the Debtor or the Reorganized Debtor failed to pay the tendered payment.

17.15 Preservation of Debtor's Claims, Demands, and Causes of Action. Except as otherwise provided in the Plan, all Claims, demands, and causes of action of any kind or nature whatsoever held by, through, or on behalf of the Debtor and/or the Estate against any other Person, including but not limited to, the Retained Claims arising before the Effective Date which have not been resolved or disposed of prior to the Effective Date, are hereby preserved in full for the benefit of the Reorganized Debtor, except for such Claims or causes of action, cross-claims, and counterclaims, including Retained Claims, which: (a) have been released hereunder or pursuant to a Final Order prior to the Effective Date; and (b) which have been or are being transferred to the Special Arbitrator or the Settlement Trustee. Those Claims or causes of action, cross-claims and counterclaims which are being transferred to the Special Arbitrator or the Settlement Trustee, are preserved under the Plan for their respective benefits. To the extent necessary, the Reorganized Debtor is hereby designated as the estate representative pursuant to, and in accordance with, Bankruptcy Code § 1123(b)(3)(B). 17.17 Operative Documents. The Debtor will prepare any documents which the Debtor and the Reorganized Debtor deem are necessary or appropriate to execute the Plan or are provided for under the Plan, including, but not limited to, the Plan Documents. If there is any dispute regarding the reasonableness or propriety of any such documents after reasonable and good faith efforts by the Debtor to negotiate and obtain approval of the documents by the other affected Person(s), any such dispute will be presented to the Bankruptcy Court for determination, at or in conjunction with the Confirmation Hearing.

17.18 Return of Deposits. To the extent that the Debtor was required to and did pay deposits to any Creditors after the Petition Date, as a condition of or as security for continued service after the Petition Date, including, but not limited to, deposits paid to utility companies for adequate assurance pursuant to Bankruptcy Code § 366, then, upon satisfaction of the Claims of such Creditor(s) pursuant to the Plan or if such Creditor(s) did not have any Claims against the Debtor, any such deposits, together with any interest or other income earned thereon, if any, will be refunded to the Reorganized Debtor within fifteen (15) days of demand by the Reorganized Debtor for return of such deposit(s).

After such date, all such unclaimed property will revert to the Reorganized Debtor or the Settlement Trustee for further distribution in accordance with the Plan, and the Claim of any holder or successor to such holder with respect to such property, will be discharged and forever barred, notwithstanding any federal or state escheat law to the contrary.

ARTICLE 18

ADMINISTRATION OF THE SETTLEMENT TRUST, SETTLING TORT CLAIMS AND FUTURE TORT CLAIMS

18.1 Binding Arbitration Process. All Settling Tort Claimants whose claims have not been liquidated prior to the Effective Date pursuant to a Claim Allowance Agreement, will be liquidated pursuant to the following procedure; provided however that, holders of Settling Tort Claims which are being defended pursuant to a reservation of rights by a Great Divide Candidate Insurer must have his or her Tort Claim liquidated pursuant to a formal arbitration and the Special Arbitrator will conduct the formal arbitration for such Settling Tort Claimants utilizing the J.A.M.S. rules and procedures. The Reorganized Debtor will only be obligated to participate in such formal arbitration pursuant to the J.A.M.S. rules and procedures, if its defense costs will be paid by a Great Divide Candidate Insurer. Otherwise, the Debtor or the Reorganized Debtor will have no obligation to participate in the process or defend against any such Tort Claims of a Settling Tort Claimant who is subject to the foregoing procedure. The following procedure will apply to the Allowance of all Settling Tort Claims with the exception of the Tort Claims of

Settling Tort Claimants subject to the formal arbitration procedure pursuant to the terms of the Plan and this Article 18:

(a) Within sixty (60) days of the Effective Date, the Reorganized Debtor will provide the Special Arbitrator a memorandum on the Claims of each Settling Tort Claimant describing any evidence readily available in its possession regarding the Debtor's potential liability, available defenses and insurance coverage regarding the Settling Tort Claim including information known about the alleged perpetrator(s) (if any). Upon request by the Special Arbitrator, the Reorganized Debtor will provide copies of readily available documents supporting or opposing Claims or defenses.

(b) No later than thirty (30) days after service of a completed Uniform Questionnaire, a Great Divide Candidate Insurer may request, in writing, that up to fifteen (15) questions be included in a Custom Questionnaire issued by the Special Arbitrator. If so requested pursuant to this subparagraph, the Special Arbitrator will serve a Custom Questionnaire on the Settling Tort Claimant that includes the requested questions, provided that the questions are not harassing, duplicative or needlessly cumulative in nature. If no Custom Questionnaire is timely requested by a Great Divide Candidate Insurer, then the Special Arbitrator may rely on the Uniform Questionnaire previously provided by a Settling Tort Claimant for purposes of liquidating his or her Tort Claim.

(c) Within thirty (30) days after written request therefor from the Special Arbitrator, each holder of a Tort Claim whose Settlement Amount will be determined by the Special Arbitrator will: (i) complete under oath a Custom Questionnaire, if applicable; (ii) produce all records and documents requested by the Special Arbitrator; (iii) consent to and cooperate in any examinations requested by the Special Arbitrator and performed by health care professionals selected by the Special Arbitrator; and (iv) consent to and cooperate in a written

and/or oral examination under oath by the Special Arbitrator. The Special Arbitrator also may, but will not be required to, obtain evidence from the Debtor, the Reorganized Debtor or any other party, and will have all of the rights and powers to take discovery under Part VII of the Bankruptcy Rules. The Special Arbitrator's determination will be made expeditiously.

(d) The Special Arbitrator may, but will not be required to, interview any Settling Tort Claimant regarding his or her Settling Tort Claim under oath. Further, each Settling Tort Claimant may request an interview. Interviews may be conducted by telephone, but the Settling Tort Claimant can request that the interview be conducted in person. The Special Arbitrator will establish the time, place and duration of such in person interview and will exercise reasonable efforts to accommodate the availability of the Settling Tort Claimant. If an interview is to be conducted, the Special Arbitrator will give the Reorganized Debtor and the Great Divide Candidate Insurers at least thirty (30) days notice of the date and time of the interview. The Reorganized Debtor and the Great Divide Candidate Insurers may submit up to ten (10) questions for the Special Arbitrator to ask at the interview. The requested interview questions must be submitted to the Special Arbitrator no later than ten (10) days prior to the interview. The interview may be, but is not required to be, recorded by video, audio or stenographic means.

(e) In connection with his or her interview, the Settling Tort Claimant may provide the Special Arbitrator with additional evidence supporting his or her Settling Tort Claim.

(f) The Settling Tort Claimant, the Settlement Trustee, or any Great Divide Candidate Insurer each may submit a simultaneous confidential memorandum to the Special Arbitrator advocating their respective legal and factual positions affecting the Debtor's potential liability, available defenses, and the Settling Tort Claimant's damages. The memorandum which may be

submitted in accordance with the preceding sentence may recommend an amount for Allowance of the Settling Tort Claim. The Special Arbitrator will set a schedule for submission of the memoranda permitted by this subparagraph as to each Settling Tort Claim. Upon timely written request in connection with preparation of the memoranda, the Special Arbitrator will provide the Settling Tort Claimant, the Reorganized Debtor (if the Reorganized Debtor is participating in the process), the Settlement Trustee or Great Divide Candidate Insurer, a copy of a Settling Tort Claimant's completed Custom Questionnaire or recording or transcript of the interview.

(g) The Special Arbitrator will have the power to issue subpoenas, under Rule 9016 of the Bankruptcy Rules and Rule 45 of the Federal Rules of Civil Procedure in order to obtain information or compel witnesses to attend depositions or other arbitration proceedings. The Special Arbitrator may request that independent medical examinations be performed by healthcare professionals retained or appointed by the Special Arbitrator, in order to obtain information on any matters related to the Settling Tort Claimants, including the nature and extent of damages allegedly suffered as a result of the alleged acts and/or omissions giving rise to the Tort Claim. The Special Arbitrator may also request from the Settling Tort Claimant or the Reorganized Debtor any additional materials or names of possible witnesses that will aid the Special Arbitrator in evaluating a Settling Tort Claim. Nothing contained in the Plan will preclude a Settling Tort Claimant or the Reorganized Debtor from presenting any other evidence to the Special Arbitrator to allow the Special Arbitrator to evaluate the Settling Tort Claim.

(h) The Special Arbitrator will issue an Arbitration Award setting forth his determination of the amount of the Allowed Settling Tort Claim. The Arbitration Award may, but is not required to, include a memorandum describing

the reasons for the Arbitration Award. The Arbitration Award must be served on the Settlement Trustee, the Settling Tort Claimant and the Great Divide Candidate Insurers, and also such counsel as designated by these parties. Service may be accomplished by electronic mail.

(i) The Arbitration Award and allocation is final and may not be appealed under any circumstances. Notwithstanding the foregoing, a Settling Tort Claimant, or the Settlement Trustee may request that the Special Arbitrator reconsider his Arbitration Award and allocation. Such a request must be submitted to the Special Arbitrator in writing not less than twenty (20) days after service of the Arbitration Award. The party seeking reconsideration must serve notice of the reconsideration request on the Settling Tort Claimant, the Settlement Trustee and such counsel as designated by these parties. The Special Arbitrator will set a schedule for any additional interview, argument, or briefing as he deems appropriate under the circumstances. Notwithstanding any reconsideration by the Special Arbitrator, the decision of the Special Arbitrator will be final on or after any reconsideration and not subject to any appeal or judicial determination or review of any kind.

(j) The Special Arbitrator must comply with requests by the Settling Tort Claimant to keep information regarding the Settling Tort Claim confidential, in accordance with any confidentiality protocols established by the Bankruptcy Court during the course of the Reorganization Case, or as part of the confirmation process.

18.2 Procedure for Filing and Determination of Future Tort Claims. The following procedures will govern the filing of Future Tort Claims:

(a) Regardless of when a Future Tort Claim is asserted but in all events subject to the time periods set forth in Section 13.6 above, all Future Tort

Claimants will be required to file any Future Tort Claim on the Proof of Claim form for Tort Claims approved by the Bankruptcy Court in the Bar Date Order.

(b) If a Future Tort Claim is asserted after the Confirmation Date but before the Effective Date, such Future Tort Claim is to be filed with the Clerk of the Bankruptcy Court in accordance with the procedures set forth in the Bar Date Order.

(c) The Special Arbitrator may, in addition to the procedures set forth in Section 13.6 above, employ any of the procedures set forth in Section 18.1 above for purposes of liquidating and Allowing or Disallowing any Future Tort Claim.

18.3 Special Provisions Governing the Administrative Costs for the Binding Arbitration. The following provisions govern the costs of administering the binding arbitration procedure for determining the Arbitration Award for Settling Tort Claims and Future Tort Claims (unless a Future Tort Claimant elects the Future Tort Claim Litigation Process:

(a) The Special Arbitrator is entitled to compensation for his services and reimbursement of costs. The Special Arbitrator will issue his invoices to the Settlement Trustee. The Settlement Trustee, and only the Settlement Trustee, may review and question the Special Arbitrator's invoices. The Settlement Trustee will timely pay the Special Arbitrator's invoices.

(b) The Reorganized Debtor's only source of compensation for participating in the Binding Arbitration Process, including the payment of attorneys' fees, costs and expenses will be payment by a Great Divide Candidate Insurer, or, if requested to participate by the Special Arbitrator and the fees and costs, and expenses are not being paid by a Great Divide Candidate Insurer, the Reorganized Debtor may be paid from the Settlement Trust if the Settlement Trustee determines that it is in the best interests of the Settling Tort Claimant to have the Reorganized Debtor's participation. In the event that the attorneys' fees,

costs and expenses of the Reorganized Debtor are not going to be paid by a Great Divide Candidate Insurer or the Settlement Trust, then the Reorganized Debtor will have no obligation to participate in the liquidation, Allowance or Disallowance of any Tort Claims.

18.4 Wind Down of the Future Claims Reserve. No sooner than seven (7) years after the Effective Date, the Settlement Trustee, the Special Arbitrator or the Future Claims Representative may request that the Future Claims Reserve be wound down by filing a motion with the Bankruptcy Court. The proponent of the motion to wind down the Future Claims Reserve will provide no less than thirty (30) days notice and opportunity to be heard to the Settlement Trustee, the Special Arbitrator and the Future Claims Representative, or their successors. Any funds remaining in the Future Claims Reserve, after payment of all Allowed Future Tort Claims and costs and expenses of the Settlement Trust with respect to administration of Future Tort Claims, will be distributed as determined by the Settlement Trustee.

ARTICLE 19

TREATMENT OF EXECUTORY CONTRACTS

19.1 Assumption and Rejection of Executory Contracts. On the Confirmation Date, except as otherwise provided herein, all Executory Contracts of the Debtor, that have not been previously rejected or terminated, will be assumed in accordance with the provisions and requirements of Bankruptcy Code §§ 365 and 1123, other than those Executory Contracts that: (a) have already been assumed by order of the Bankruptcy Court; (b) are subject to a motion to reject Executory Contracts that is pending on the Confirmation Date; or (c) are subject to a motion to reject an Executory Contract pursuant to which the requested effective date of such rejection is after the Confirmation Date. Approval of any motions to assume Executory Contracts pending on the Confirmation Date will be approved by the Bankruptcy Court on or after the Confirmation Date by a Final Order. Each Executory Contract assumed pursuant to this Article 19 will revest in and be fully enforceable by the Reorganized Debtor in accordance with

its terms, except as such terms are modified by the provisions of the Plan or any order of the Bankruptcy Court authorizing and providing for its assumption or applicable law.

19.2 Claims Based on Rejection of Executory Contracts. Every Claim asserted by a Creditor arising from the rejection of an Executory Contract pursuant to the Plan must be filed with the Bankruptcy Court no later than the first Business Day which is thirty (30) days after the Confirmation Date or the first Business Day that is thirty (30) days after entry of the Final Order of the Bankruptcy Court approving rejection, if such Final Order is entered after the Confirmation Date. Every such Claim which is timely filed, as and when it becomes an Allowed Claim, will be treated under Class 8 of the Plan. Every such Claim which is not timely filed by the deadline stated above will be forever barred, unenforceable, and discharged, and the Creditor holding the Claim will not receive or be entitled to any distribution under the Plan on account of such Claim.

19.3 Indemnification of Members, Managers, Officers, and Employees. Indemnification obligations of the Debtor to indemnify any Person that are assumed will survive unimpaired and unaffected by entry of the Confirmation Order, irrespective of whether such indemnification is owed for an act or event occurring before or after the Petition Date unless such Person is a Participating Third Party or a Released Party. Notwithstanding the foregoing, under no circumstances will the Debtor or the Reorganized Debtor assume or be responsible for any alleged indemnification obligations of the Jesuits or any priests or others against whom CBNA has determined or may, in the future, determine, that there are credible allegations of sexual abuse asserted against such Person(s) or such Person has or may have engaged in some

other conduct that would excuse the Reorganized Debtor from providing any indemnification to such Person.

ARTICLE 20

CONDITIONS TO EFFECTIVE DATE

20.1 Conditions To Occurrence Of Effective Date. Each of the following are conditions to the Effective Date, which conditions must be satisfied or, in the alternative, waived by both the Debtor and the Committee in their sole discretion:

The Debtor and the Committee, in their sole discretion, may waive any of the conditions to the occurrence of the Effective Date including waiver of the conditions regarding the effectiveness of the Confirmation Order in Section 20.1 above, any time, from and after the Confirmation Date. In that event, the Debtor will be entitled to render any or all of its performance under the Plan prior to what otherwise would be the Effective Date if the above-referenced conditions were not waived, including, but not limited to, the right to perform under any circumstances which would moot any appeal, review, or other challenge of any kind to the Confirmation Order, if the Confirmation Order is not stayed pending such appeal, review, or other challenge.

20.4 Effect of Non-occurrence of Conditions. All such obligations of the Reorganized Debtor will be evidenced by the Plan and such executed and delivered Plan Documents, the Settlement Trust and the Litigation Trust. Unless otherwise provided therein, such documents will be governed by and construed in accordance with Alaska law.

20.6 Other Obligations of the Reorganized Debtor. The Reorganized Debtor will:

kind specified in Bankruptcy Code §§ 502(g), 502(h), and 502(i), whether or not a Proof of Claim is filed or is deemed filed under Bankruptcy Code § 501, such Claim is Allowed under Bankruptcy Code § 502, or the holder of such Claim has accepted the Plan; provided, however, that, any Tort Claims arising as a result of sexual abuse that is committed after the Petition Date will not be discharged.

21.2 Vesting. Except as otherwise expressly provided in the Plan or in the Confirmation Order, on the Effective Date, the Reorganized Debtor will be vested with all of the property of the Estate free and clear of all Claims, liens, encumbrances, charges and other interests of Creditors, and the Reorganized Debtor will, thereafter, hold, use, dispose or otherwise deal with such property, operate its business and conduct its ministry and mission free of any restrictions imposed by the Bankruptcy Code or by the Court. All Retained Claims are hereby preserved for the benefit of the Reorganized Debtor. Any Claims, causes of action or demands transferred to the Fund are preserved for the benefit of the Settlement Trustee under the Settlement Trust or under the Litigation Trust.

21.3 Channeled Claims. Except as otherwise expressly provided in the Plan and in this Article 21, in consideration of the promises and obligations of the Settling Parties under the Plan, including the establishment and funding of the Future Claims Reserve, the Settlement Trust and the Litigation Trust (or the Litigation Reserve, if applicable), all Persons who have held, hold, or may hold Tort Claims or Future Tort Claims, whether known or unknown, asserted or unasserted, will be forever barred from pursuing such Claims, whether such Claims are based upon tort or contract or otherwise, that they heretofore, now or hereafter possess or may possess against the Settling Parties, in each case based upon or in any manner whatsoever arising from or related to any acts or omissions of CBNA or the Diocese or any of the other Settling Parties related to any sexual misconduct or other acts and/or omissions by any clergy, employees, volunteers or other Persons associated with CBNA or the Diocese and, further, including, without limitation: (a) Tort Claims or Future Tort Claims; (b) Claims for bodily injuries and/or personal injuries, including emotional distress, mental distress, mental anguish and humiliation;

Except as otherwise expressly provided in the Plan and the Plan Documents, including the Settlement Trust and the Litigation Trust, the provisions of this Section 21.3 will further operate, as between all Settling Parties, as a mutual release of all Claims which any Settling Party may have against another Settling Party. The foregoing channeling provisions are an integral part of the Plan and are essential to its implementation.

21.4 Exculpation and Limitation of Liability. None of the Released Parties will have or incur any liability to, or be subject to any right of action by, any holder of a Claim or any other party in interest or any of their respective agents, employees, officers, directors, representatives, financial advisors, attorneys, or affiliates, or any of their successors or assigns, for any act or omission in connection with, relating to, or arising out of the Reorganization Case, the pursuit of confirmation of the Plan, or the administration of the Plan or the property to be distributed under the Plan, except for their willful misconduct; and in all respects such parties will be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities under the Plan or in the context of the Reorganization Case.

Notwithstanding this Section 21.5, each Litigation Tort Claimant (including any Future Tort Claimant who opts for the Future Tort Claim Litigation Process will be entitled to continue or commence an action against the Settlement Trustee (in his capacity as trustee only and not in his individual capacity) for the sole purpose of obtaining a judgment as permitted by the Litigation Trust Agreement, the Litigation Protocol, the Future Tort Claim Litigation Process and the Plan, thereby liquidating such Litigation Tort Claimant's (including such Future Tort Claimant's, if applicable) Claim so that he or she may be paid with other Allowed Tort Claimants in the ordinary course of the operations of the Litigation Trust or the Future Claims Reserve, consistent with the provisions of the Litigation Trust Agreement, the Litigation Protocol, the Future Claims Reserve, the Future Tort Claim Litigation Process and the Plan. The holder of any such judgment will be enjoined from executing against the Litigation Trust, the Litigation Reserve (if applicable) or the Future Claims Reserve, their assets or the assets of any of the Parties or the Settlement Trust. In the event any Person takes any action that is prohibited by, or is otherwise inconsistent with the provisions of Article 21 of the Plan, then, upon notice to the Court by an

affected Party, the action or proceeding in which the Claim of such Person is asserted will automatically be transferred to the Court (or, as applicable, the District Court) for enforcement of the provisions of Article 21 of the Plan. The foregoing injunctive provisions are an integral part of the Plan and are essential to its implementation.

ARTICLE 22

Under the Parish Settlement Agreement, the Parishes will contribute \$650,000 Cash from their unrestricted deposits with the CTNA to the Fund. Under the Monroe Foundation Settlement Agreement, the Monroe Foundation will contribute \$150,000 Cash to the Fund. ARTICLE 23

MODIFICATION OF PLAN

The Plan may be modified by the Debtor and the Committee or the Reorganized Debtor (as applicable) from time to time in accordance with, and pursuant to, Bankruptcy Code § 1127. The Plan may be modified by the Debtor and the Committee at any time before the Confirmation Date, provided that the Plan, as modified, meets the requirements of Bankruptcy Code §§ 1122 and 1123, and the Debtor and the Committee have complied with Bankruptcy Code § 1125. Each holder of a Claim that has accepted the Plan will be deemed to have accepted such Plan as modified if the proposed alteration, amendment or modification does not adversely change the treatment of the Claim of such holder. Each holder of a Claim that votes in favor of the Plan authorizes the Debtor to modify, at any time prior to the Effective Date and without the

requirement of further solicitation, the treatment provided to the Class of Claims such Claims are classified in, provided that the Bankruptcy Court determines that such modification is not material. To the extent that it is determined that the Litigation Reserve will be established within the Settlement Trust and no Litigation Trust will be utilized, the Plan will be deemed modified without any further action on behalf of the Debtor or the Committee.

ARTICLE 24

RETENTION OF JURISDICTION

Notwithstanding confirmation of the Plan and the occurrence of the Effective Date, the Bankruptcy Court will retain jurisdiction for the following purposes:

24.1 In General. The Bankruptcy Court will retain jurisdiction to determine the allowance and payment of any Claims upon any objections thereto (or other appropriate proceedings) by the Debtor, by the Reorganized Debtor, or by any other party in interest entitled to proceed in that manner. As part of such retained jurisdiction, the Bankruptcy Court will continue to determine the allowance of Administrative Claims and any request for payment thereof, including Administrative Claims for Professional Charges. The Bankruptcy Court will not retain or obtain jurisdiction to determine any internal disputes between or among the Debtor (or the Diocese), a Parish or any other related Person that, under applicable Canon Law, would be determined in a specialized religious court.

24.2 Tort Claims and Future Claims. Subject to the limitations set forth in Section 24.1 above, the Bankruptcy Court will retain jurisdiction to hear and determine and take such actions as are necessary or appropriate with respect to the allowance or disallowance of Tort Claims or Future Tort Claims so long as such retained jurisdiction is consistent with the terms of the Plan, the Settlement Trust or the Litigation Trust.

24.3 Plan Disputes and Enforcement. Subject to the limitations set forth in Section 24.1 above, the Bankruptcy Court will retain jurisdiction to determine any dispute which may arise regarding the interpretation of any provision of the Plan. The Bankruptcy Court will also retain jurisdiction to enforce any provisions of the Plan and any and all Plan Documents,

including, but not limited to, any actions to enforce the discharge, releases and injunctions provided for in Article 21 of the Plan. The Bankruptcy Court will also retain jurisdiction over any matter relating to the implementation, effectuation, and/or consummation of the Plan as expressly provided in any provision of the Plan.

24.4 Further Orders. Subject to the limitations set forth in Section 24.1 above, the Bankruptcy Court will retain jurisdiction to facilitate the performance of the Plan by entering, consistent with the provisions of the Plan, any further necessary or appropriate order regarding enforcement of the Plan, the Plan Documents and any provisions thereof, and to protect the Debtor, the Reorganized Debtor, the Settling Parties and the Released Parties from actions prohibited under the Plan. The Bankruptcy Court will retain jurisdiction to hear and determine any requests to modify the Future Claims Reserve as provided in Section 13.5(b) above. In addition, the Bankruptcy Court will retain jurisdiction to facilitate or implement the allowance, disallowance, treatment, or satisfaction of any Claim, or any portion thereof, pursuant to the Plan (other than Tort Claims or Future Tort Claims, except to the extent that any retained jurisdiction is consistent with the Plan, the Settlement Trust and the Litigation Trust) to which an objection has not been filed prior to the Effective Date.

24.5 Retained Claims. Subject to the limitations set forth in Section 24.1 above, the Bankruptcy Court will retain jurisdiction with respect to any Retained Claims.

24.6 Issuance of Process. Subject to the limitations set forth in Section 24.1 above, the Bankruptcy Court will retain jurisdiction to issue any process necessary or appropriate to facilitate the actions and powers of the Special Arbitrator, including, but not limited to, issuance of subpoenas to compel attendance of witnesses, Settling Tort Claimants and Future Tort Claimants who participate in the Future Tort Claim Settlement Process at depositions, hearings and mediation as determined by the Special Arbitrator, in accordance with the terms of the Plan.

24.7 Governmental Units or Regulatory Agencies. The Bankruptcy Court will retain jurisdiction to adjudicate any dispute or to hear and determine any action taken, proposed, or threatened by any state, federal, or local governmental regulatory agency or unit having or

asserting jurisdiction or power over the conduct of the business of the Debtor and/or the Reorganized Debtor.

24.8 Final Decree. The Bankruptcy Court will retain jurisdiction to enter an appropriate final decree in the Reorganization Case.

24.9 Appeals. In the event of an appeal of the Confirmation Order or any other kind of review or challenge to the Confirmation Order, and provided that no stay of the effectiveness of the Confirmation Order has been entered, the Bankruptcy Court will retain jurisdiction to implement and enforce the Confirmation Order and the Plan according to their terms, including, but not limited to, jurisdiction to enter such orders regarding the Plan or the performance thereof as may be necessary to effectuate the reorganization of the Debtor.

24.10 Executory Contracts. The Bankruptcy Court will retain jurisdiction to determine any and all motions regarding assumption or rejection of Executory Contracts and any and all Claims arising therefrom.

24.11 Claims. Subject to the limitations set forth in Section 24.1 above, the Bankruptcy Court will retain jurisdiction: (a) to hear and determine any Claim or cause of action by or against the Debtor, the Debtor's officers, officials, employees or representatives, the Chapter 11 Professionals, and the Reorganized Debtor (except with respect to any internal disputes between and among CBNA, the Diocese, a Parish or any other related Person that, under applicable Canon Law, would be determined in a specialized religious court); (b) to adjudicate any causes of action or other proceeding currently pending or otherwise referenced here or elsewhere in the Plan, including, but not limited to, the adjudication of the Retained Claims and any and all "core proceedings" under 28 U.S.C. §157(b) which may be pertinent to the Reorganization Case and which the Debtor or the Reorganized Debtor may deem appropriate to initiate and prosecute before the Bankruptcy Court in aid of the implementation of the Plan; (c) to approve any settlements between or among CBNA, the Committee, the Settlement Trustee and the party against whom CBNA, the Committee and/or the Settlement Trustee asserts a Retained Claim, and (d) to hear objections to Tort Claims prior to the Effective Date.

24.12 Modification of the Plan. The Bankruptcy Court will retain jurisdiction to modify the Plan pursuant to the provisions of the Plan.

24.13 Failure of Court to Exercise Jurisdiction. If the Bankruptcy Court abstains from exercising or declines to exercise jurisdiction or is otherwise without jurisdiction over any matter arising out of the Reorganization Case, including matters set forth in this Article 24, such lack of jurisdiction will not diminish, control, prohibit or limit the exercise of jurisdiction by any other court having competent jurisdiction with respect to such matter.

ARTICLE 25

AMENDMENT TO ENDOWMENT

25.1 Amendment. Prior to the Effective Date but after the Confirmation Order becomes a Final Order, the Endowment Documents will be amended as follows:

(a) The UPMIFA Amendment. The Endowment Documents will be amended to provide that at least twice annually, on or about March 31 and October 31, the Diocesan Bishop, in consultation with the Diocesan Finance Office and after consulting with the Diocesan Finance Council, may determine such spending distributions from one or more of the Endowments as is prudent for the uses, benefits, purposes and perpetual duration for which an Endowment was established. In determining the spending distributions, the Diocesan Bishop is to act in good faith, with the care that an ordinarily prudent person in a like position would exercise under similar circumstances. The relevant factors to be considered by the Diocesan Bishop in setting the spending distributions for a particular period will be determined by the Diocesan Bishop in consultation with the Diocesan Finance Office and the Diocesan Finance Council.

(b) The Investment Policy Amendment. The Endowment Documents will be amended to add the following provision to the Investment Guidelines as that term is defined in the Endowment Documents:

(i) Real estate: real estate includes developed or undeveloped land and buildings that are suitable for use as investment, mission, or school property.

(ii) Investment property will have appropriate income, capital appreciation, marketability and administrative costs characteristics.

(iii) Mission and School Property must have stable value and the property's use must be necessary for the long term mission of the Catholic Church in Northern Alaska.

(c) The asset allocations will be amended as follows:

	<u>Maximum</u>	<u>Minimum</u>	<u>Target</u>
Total Return Based Pooled Fund:			
Real Estate	70%	0%	40%
Equities	70%	25%	45%
Fixed Income	50%	5%	10%
Cash	20%	0%	5%

25.2 Limitation on Authority. Notwithstanding any modifications to the Endowment Documents pursuant to the Plan, the authority of the Diocesan Bishop to determine the spending distributions will be limited to an amount equal to no more than six and .25 percent (6.25%) of the fair market value of the applicable Endowment fund, calculated on the basis of market values determined at least quarterly and averaged over a period of the preceding three (3) years.

25.3 Incorporation into Confirmation Order. The Confirmation Order will set forth the modifications to be made to the Endowment Documents as provided for in this Article 25.

25.4 Implementation of Amendment. Prior to the Effective Date but after entry of the Confirmation Order and after the Confirmation Order becomes a Final Order, the Diocesan Bishop may amend the Endowment Documents to the extent necessary or appropriate to implement the modifications to the Endowment Documents provided for in the Plan.

ARTICLE 26

REORGANIZATION OF CBNA

26.1 Continued Corporate Existence and Operation of the Reorganized Debtor. The Debtor will, as a Reorganized Debtor, continue to exist after the Effective Date as a separate legal entity, with all powers of a religious corporation sole under the laws of the State of Alaska and without prejudice to any right to alter or terminate such existence under applicable state law but subject to applicable Canon Law. On and after the Effective Date, the Reorganized Debtor and the Diocese may operate their respective businesses and carry on the ministry and the mission of the Roman Catholic Church and may use, acquire, or dispose of property, and compromise or settle any Claims without supervision or approval of the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules, other than those restrictions expressly imposed by the Plan or the Confirmation Order.

26.2 Management of Reorganized Debtor. From and after the Effective Date, the Reorganized Debtor will continue to be managed in accordance with the principles of Canon Law and applicable state law, and the Bishop will be the sole director of the Reorganized Debtor.

26.3 Reorganization of Parishes. Prior to the Effective Date, but after the Confirmation Date and after consultation with the Parishes, the civil structure of the Parishes may be reorganized. The form of such parish reorganization, if any, will be disclosed prior to the Confirmation Hearing and, thereafter, incorporated into the Plan but only to the extent it involves any property in which CBNA has a legal interest. Notwithstanding the structure of such reorganization, if any, such reorganization will comply, in all respects, with Canon Law. Any disputes regarding the interpretation and governance of the legal structure and operation of a Parish will be referred for determination to the appropriate agency or tribunal provided for under Canon Law.

ARTICLE 27

GENERAL PROVISIONS

27.1 Extension Of Payment Dates. If any payment date falls due on any day which is not a Business Day, then such due date will be extended to the next Business Day.

27.2 Notices. Any notice required or permitted to be provided under the Plan will be in writing and served by regular first class mail, electronic mail, overnight delivery, or hand-delivery.

27.3 Closing of the Case. At such time as the Plan has been fully administered and/or the Plan has been substantially consummated, the Reorganized Debtor will file an application for Final Order showing that the Plan has been fully administered or substantially consummated upon notice to only those Creditors and parties that, after the Effective Date, have specifically requested, after which an order approving the Reorganized Debtor's final report and closing the Reorganization Case may be entered.

27.4 Interest. Whenever interest is to be computed under the Plan, interest will be simple interest and not compounded.

27.5 Additional Assurances. The Debtor, the Reorganized Debtor, the Settlement Trustee and the Creditors holding Claims herein, including Tort Claims and Future Tort Claims will execute such other further documents as are necessary to implement any of the provisions of the Plan.

27.6 Confirmation By Nonacceptance Method. The Debtor and the Committee hereby request, if necessary, confirmation of the Plan pursuant to Bankruptcy Code § 1129(b) with respect to any impaired Class of Claims which does not vote to accept the Plan.

27.7 Withdrawal Of Plan. The Plan may be withdrawn or revoked prior to entry of the Confirmation Order in which event the provisions of Sections 20.4 and 27.12 will apply.

27.8 Severability And Reformation. It is the Debtor's and the Committee's intention to comply fully with the Bankruptcy Code and applicable nonbankruptcy law in proposing the Plan.

Therefore, if any provision of the Plan is determined by the Bankruptcy Court to be contrary to

the Bankruptcy Code or applicable nonbankruptcy law, that provision will be deemed severed and automatically deleted from the Plan, if it cannot be reformed or the provision or its interpretation will be deemed reformed to ensure compliance; provided, however, that nothing contained in this Section will prevent the Debtor and the Committee from modifying the Plan in any manner whatsoever in accordance with and as set forth in the Plan. Pursuant to any ruling by the Bankruptcy Court regarding the subject matter of this Section, any such severance or reformation will be stated specifically in the Confirmation Order, which then will control notwithstanding any contrary or inconsistent provisions of the Plan.

27.9 Prohibition Against Prepayment Penalties. If the Debtor or the Reorganized Debtor chooses, in its sole and absolute discretion, to prepay any obligation on which deferred payments are provided for under the Plan, the Debtor or the Reorganized Debtor will not be liable or subject to the assessment of any prepayment penalty thereon unless otherwise ordered by the Bankruptcy Court.

27.10 Fractional Dollars. Notwithstanding any other provision of the Plan, no payments or distributions under the Plan of or on account of fractions of dollars will be made. When any payment or distribution of or on account of a fraction of a dollar to any holder of an Allowed Claim would otherwise be required, the actual payment or distribution made will reflect a rounding of such fraction to the nearest whole number (up or down).

27.11 Payment Of Statutory Fees And Filing of Quarterly Reports. All fees payable pursuant to Section 1980 of Title 28 of the United States Code, 28 U.S.C. § 1980, as determined by the Bankruptcy Court at or in conjunction with the Confirmation Hearing, will be paid on or before the Effective Date and, thereafter, in accordance with applicable bankruptcy law. All quarterly reports of disbursements required to be filed by applicable bankruptcy law will be filed in accordance with applicable bankruptcy law.

27.12 Reservation of Rights. Except as expressly provided herein, the Plan will have no force or effect unless the Confirmation Order is entered by the Bankruptcy Court and the Effective Date has occurred. None of the filing of the Plan, any statement or provision contained

herein, or the taking of any action by the Debtor or the Committee with respect to the Plan will be or will not be deemed to be an admission or waiver of any rights of the Debtor or the Committee with respect to the holders of Claims prior to the Effective Date or with respect to any matter which is pending before or may come before the Bankruptcy Court for determination in the Bankruptcy Case.

27.13 No Professional Fees or Expenses. No professional fees or expenses will be paid by the Debtor or the Reorganized Debtor with respect to any Claim except as specified in the Plan or as Allowed by Final Order of the Court.

27.14 Dissolution of Committee. Upon the occurrence of the Effective Date, the Committee will be dissolved.

27.15 Headings. The headings of the articles, paragraphs, and sections of the Plan are inserted for convenience only and will not affect the interpretation hereof.

27.16 Section 1146 Exemption. Pursuant to Bankruptcy Code § 1146(c), any transfers of property pursuant hereto will not be subject to any document, recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, stamp act, real estate transfer tax, mortgage recording tax or other similar tax or governmental assessment in the United States, and the Confirmation Order will direct the appropriate state or local governmental officials or agents to forgo the collection of any such tax or governmental assessment and to accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

27.17 Successors and Assigns. The rights, benefits and obligations of any Person named or referred to in the Plan will be binding upon, and will inure to the benefit of, the heir, executor, administrator, successor or assign of such Person.

EXHIBIT A

EXHIBIT "A"

CBNA REAL PROPERTY

Property	Description
<p>Chancery 1316-1318 Peger Rd. Fairbanks, AK 99709</p>	<p>The Chancery Office is located just off of Airport Road in Fairbanks and serves as the main offices of CBNA and the Fairbanks Diocese. It was appraised in late 2007 at a value of \$1.1 million. The Chancery will be sold to the Endowment on or before the Effective Date.</p>
<p>Diocesan Residence and Conference Center (Kobuk Center) 2890 N. Kobuk Ave., Fairbanks AK 99709</p>	<p>The Kobuk Center is located just off of Airport Road in Fairbanks and serves as a conference center used for retreats and other CBNA and Diocesan business; it also serves as a residence for priests including the bishop of the Fairbanks Diocese and guest quarters for ministers visiting Fairbanks from the bush. It was appraised in late 2007 at a value of \$1.1 million. The Kobuk Center will be sold to the Endowment on or before the Effective Date.</p>
<p>Warehouses 1316 Peger Rd. Fairbanks, AK 99709</p>	<p>The Diocesan Warehouses are on the same campus as the Chancery and Kobuk Center. CBNA uses the Warehouses for staging supplies and materials for shipping to bush Parish Churches. CBNA considers the Warehouses essential to its ability to subsidize and assist the bush Parish Churches. CBNA intends to retain the Warehouses for ministry purpose. The Warehouses will be sold to the Endowment on or before the Effective Date.</p>
<p>Fairbanks Counseling & Adoption 912 Barnette St., Fairbanks, AK</p>	<p>The Fairbanks Counseling and Adoption Center is an office building in central Fairbanks which CBNA leases to its sister charity, Fairbanks Counseling and Adoption ("FCA"), at below market rent. FCA provides essential charitable services to the people of Fairbanks and northern Alaska in general, including providing counseling to victims of sexual abuse. In addition to providing FCA discounted rent, CBNA provides FCA a small operating subsidy. The Fairbanks Counseling and Adoption Center will be sold to the Endowment on or before the Effective Date.</p>
<p>Kateri Tekakwitha Center/Convent; Galena, AK</p>	<p>Named after the first Blessed, the Kateri Tekakwitha Center, located in Galena, Alaska on the Yukon River, serves eight (8) Athabaskan Indian villages in the interior and houses three religious women. The primary work of the Center is to educate and support Catholics in the villages of Galena, Huslia, Kaltag, Koyukuk, McGrath, Nulato, Ruby and Tanana to become proficient in administering their local parishes in the absence of priests, brothers and sisters. The Kateri Tekakwitha Center strives to enable and empower Athabaskan villagers lay ministry as Prayer Leaders, Eucharistic Ministers, Lectors, Sacristans and Parish Administrators in their home</p>

Property	Description
	parishes. The work of the Center is essential to the Fairbanks Diocese's ministry and CBNA's ability to support the Parish Churches in the interior region. CBNA does not believe that there is any significant market in Galena for the Kateri Tekakwitha Center. The Kateri Tekakwitha Center will be sold to the Endowment on or before the Effective Date.
Aircraft Hangar 3548 University Ave., Fairbanks, AK 99709	CBNA constructed an airplane hangar sufficient to hold two aircraft on land that is the subject of a long term ground lease from the Fairbanks Airport Authority. In the past, CBNA housed aircraft used for mission travel at the Hangar. In December 2008, CBNA successfully sold the primary aircraft housed at the location. The Hangar will be sold to the Endowment on or before the Effective Date.
Jesuit Residence 1318 Peger Rd., Fairbanks, AK 99709	The Jesuit Residence is a 4 bedroom, 2 bath residence featuring a chapel and 4-car garage located in central Fairbanks and has been estimated to have a market value of \$255,000. It is part of the collateral pool securing the \$1 million of Debtor-in-Possession financing provided by the Great Falls Billings Diocese. CBNA will retain the property under the Plan subject to the lien in favor of Great Falls Billings.
CBNA 14.5 Acres raw land next to Chancery - House of Prayer	There is a parcel of approximately 14.5 acres of raw land near the Chancery Offices and Kobuk Center. This land is also part of the Collateral pool securing the \$1 million of Debtor-in-Possession financing provided by the Great Falls Billings Diocese. CBNA will retain the property under the Plan subject to the lien in favor of Great Falls Billings.
Catholic Schools – Vacant Lot	This is a vacant lot adjacent to the CSF campus. CBNA intends to sell this lot.
CSF Convent, 615 Betty Street, Fairbanks, AK 99701	This is a small residential building/convent adjacent to the CSF campus. The CSF Convent will be sold to the Endowment on or before the Effective Date.
Harding Lake Chapel and Lot, 11239 Salcha Dr., Harding Lake, AK	This is a small chapel located near some vacation cabins on Harding Lake that are used by certain families in summer. Visiting priests say mass at this location occasionally to a handful of Catholic families who vacation at Harding Lake during the summer. CBNA intends to sell the Chapel to a group of the families who own vacation cabins.
KNOM Radio Station, 107 West Third Street, Nome, AK 99762	There are five properties associated with KNOM in Nome: (1) Station, Garage, Generator, Cold Storage + Lot; (2) Volunteer house + Lot; (3) South Steadman Lot; (4) West 3rd Ave Lot; and (5) North Steadman (@ 3rd Ave) Lot. CBNA scheduled the KNOM real property at a value of \$780,000. However, that was based on an estimate by a banker and not a formal appraisal. CBNA believes that there is no market value to the lot with the Station,

Property	Description
	<p>Garage, Generator and Cold Storage because the building on the lot was built as a radio station studio, with significant wiring in the walls, no kitchen, and only public style restrooms. Any other user would need to either completely gut the building or raze it and construct a new building. Such a cost would make the building worth almost nothing in Nome's marketplace. Further, there is no market whatsoever for a radio station in Nome. Indeed, KNOM's competitor in Nome, KICY, which is a commercial radio station, has to supplement its budget by doing salmon barbecue fundraisers at Covenant Churches throughout the lower 48 states. The reason for this is that there simply are not enough retailers in the listening area to purchase sufficient advertising. The KNOM real property will be sold to the Endowment on or before the Effective Date.</p>
Harding Lake Second Tier Vacant Lot	<p>This is a second tier lot located at Harding Lake that is suitable for constructing a vacation cabin. CBNA has been attempting to sell this lot for a number of years, but has so far been unsuccessful. CBNA will either sell or retain this parcel.</p>
Oknagamut raw land remote 23.15 acres	<p>This is a very remote parcel of raw land that has primarily been used by area Native people for subsistence since time immemorial. CBNA presently is in negotiations with a nearby Alaska Native village corporation which is interested in purchasing this parcel to ensure that subsistence uses continue into the future.</p>
Akulurak raw land remote 66.06 acres	<p>This is a very remote parcel of raw land that has primarily been used by area Native people for subsistence since time immemorial. CBNA recently obtained Court approval to sell this property to Alakanuk Native Corporation an Alaska Native village corporation, for \$25,000. The sale has closed and the proceeds of the sale will be used to fund CBNA's payment obligations on the Effective Date.</p>
Two Rivers Vacant Lot	<p>The Two Rivers Vacant Lot was donated to CBNA. Unfortunately the donor placed significant restrictions on CBNA's ability to sell this property whereby the donors must not only approve the purchaser, but also must approve the purchaser's plans for the property. CBNA has brought what it believed to be three viable offers for the property that have all been rejected by the donors. In light of the unwieldy restrictions on this gift, CBNA intends to return the property to the donors.</p>

Property	Description
<p>Pilgrim Springs 320 acres Historic Hot Springs 70 miles northeast of Nome AK,</p>	<p>Pilgrim Hot Springs (“Pilgrim Springs”) is a verdant 320 acre enclave of fee land owned by CBNA located in western Alaska, about 46 miles (75 km) north of Nome. This property is surrounded by lands controlled by an ANCSA Native Village Corporation, the Mary’s Igloo Native Corporation (MINC). The MINC lands, in turn, lie within a very large land swath, some of which is controlled by an ANCSA Native Regional Corporation known as Bering Straits Native Corporation (BSNC). It should be noted that the old village site of Mary’s Igloo is approximately seven (7) miles northwest of Pilgrim Springs. The Pilgrim Springs access road crosses some lands owned by the MINC, the BSNC and state-selected lands for the State of Alaska. CBNA believes that the Pilgrim Springs property has substantial development potential as a source of geothermal power in the region, or more limited tourist or agricultural uses. CBNA will auction this property to the highest bidder in connection with the Confirmation Hearing.</p>
