GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODS AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND SOFA ("Global Notes")

General

Fuhu, Inc. ("**Fuhu**") and three of its affiliates, Fuhu Holdings, Inc.; Fuhu Direct, Inc.; and Nabi, Inc.; (collectively, with Fuhu, the "**Debtors**") hereby file their respective Schedules of Assets and Liabilities (the "**Schedules**") and Statements of Financial Affairs (the "**SOFAs**") in the United States Bankruptcy Court for the District of Delaware (the "**Bankruptcy Court**"). The Debtors prepared the Schedules and SOFAs pursuant to section 521 of title 11 of the United States Code (the "**Bankruptcy Code**") and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "**Bankruptcy Rules**"), with the assistance of their court-appointed advisors. The Schedules and SOFAs are unaudited. Although management has made reasonable efforts to ensure that the Schedules and SOFAs are accurate and complete based on information that was available to them at the time of the preparation, subsequent information or discovery may result in material changes to these Schedules and SOFAs, and inadvertent errors or omissions may exist in the Schedules and SOFAs. Moreover, because the Schedules and SOFAs contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that these Schedules and SOFAs are wholly accurate and complete. Nothing contained in the Schedules and SOFAs shall constitute a waiver of any rights of the Debtors, specifically including the Debtors' right to amend these Schedules and SOFAs and any rights with respect to any issues relating to substantive consolidation, equitable subordination, defenses and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws. These Global Notes and Statement of Limitations, Methods and Disclaimer Regarding the Debtors' Schedules and SOFAs (the "**Global Notes**") are incorporated by reference in, and comprise an integral part of, each of the Schedules and SOFAs, and should be referred to and reviewed in connection with any review of the Schedules and SOFAs.

Description of the Cases and "As of" Information Date

On December 7, 2015 with respect to debtors Fuhu, Inc., Fuhu Holdings, Inc., and on December 11, 2015, with respect to Debtors Fuhu Direct, Inc., and Nabi, Inc. (collectively, the "**Petition Date**"), the Debtors each filed with this Court a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The cases have been consolidated solely for the purpose of joint administration under case number 15-12465-CSS. Fuhu's fiscal year ends on March 31. All asset and liability information contained in the Debtors' Schedules and SOFAs, except where otherwise noted, is as of December 7, 2015.

Basis of Presentation

For financial reporting purposes, Fuhu prepares consolidated financial statements. These consolidated financial statements are audited annually. However, the audit of the year-end March 31, 2015 financial statement was not completed. Unlike the consolidated financial statements, these Schedules and SOFAs, except as indicated herein, reflect the assets and liabilities of each Debtor. In addition, not all of the direct and indirect subsidiaries of Fuhu have filed for protection under chapter 11 of the Bankruptcy Code. Accordingly, combining the assets and claims set forth in the Schedules and SOFAs of the Debtors would result in amounts that could be substantially different from financial information for Fuhu and its respective consolidated subsidiaries that would be prepared under Generally Accepted Accounting Principles ("**GAAP**"). Therefore, these Schedules and SOFAs do not purport to represent financial statements prepared in accordance with GAAP.

Confidentiality

There are instances within the Schedules and SOFAs where names, addresses or amounts have been left blank. Due to the nature of an agreement between the Debtors and a third party, concerns of confidentiality or concerns for the privacy of an individual, the Debtors may have deemed it appropriate and necessary to avoid listing such names, addresses and amounts.

Amendment

Although reasonable efforts were made to file complete and accurate Schedules and SOFAs, inadvertent errors and omissions may exist. The Debtors reserve the right to amend and/or supplement their Schedules and SOFAs from time to time as they deem necessary or appropriate.

Recharacterization

The Debtors have made reasonable efforts to characterize, classify, categorize or designate correctly the claims, assets, executory contracts, unexpired leases and other items reported in the Schedules and SOFAs. However, due to the complexity and size of the Debtors' businesses, the Debtors may have improperly characterized, classified, categorized or designated certain items. The Debtors reserve their rights to recharacterize, reclassify, recategorize or redesignate items reported in the Schedules and SOFAs at a later time either in amendments to the Schedules and SOFAs or in another appropriate filing as necessary or appropriate as additional information becomes available.

Totals

All totals that are included in the Schedules and SOFAs represent totals of all the known amounts included on the Schedules and SOFAs.

Undetermined Amounts

The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount.

Exclusions

The Debtors have excluded certain categories of assets and liabilities from the Schedules and SOFAs such as: goodwill and certain other intangible assets; accrued liabilities including, but not limited to, accrued salaries and employee benefits; certain tax accruals; accounts payable; and certain assets with a net book value of zero. Other non-material or unquantifiable assets and liabilities may have also been excluded.

Foreign Currency

Unless otherwise indicated, all amounts are reflected in U.S. dollars.

Current Market Value of Assets

It would be prohibitively expensive, unduly burdensome and an inefficient use of estate resources for the Debtors to obtain current market valuations of all of their assets. Accordingly, unless otherwise indicated, the Schedules and SOFAs reflect net book values for assets as of December 7, 2015. Amounts ultimately realized may vary from net book value, and such variance may be material. The asset amounts listed do not include material write-downs that may be necessary. Operating cash is presented as bank balances as of the Petition Date and does not include cash held by non-Debtor entities except as where otherwise noted. Inventory amounts listed represent the cost for such inventory. Certain other assets such as other intangible assets are listed as undetermined amounts as of the Petition Date because the book values may materially differ from fair market values.

Combined Accounting

Because the Debtor-subsidaries hold minimal, if any, assets and liabilities, the Debtors, in the ordinary course of business, maintained a single set of books and records for all affiliated entities. The Debtors employ a central accounting system for all of the Debtors' assets and liabilities. While some reasonable efforts have been made to determine which creditors have claims attributable to the respective estates, it would be unduly burdensome and cost prohibitive to distinguish the assets and liabilities of each estate with certainty.

Inventories

Inventories consist primarily of tablets and accessories. These inventories are valued at cost.

Contingent Assets

The Debtors believe that they may possess certain claims and causes of action against various parties. Additionally, the Debtors may possess contingent claims in the form of various actions they could commence under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws that are not listed as assets in their Schedules and SOFAs. The Debtors reserve all of their rights with respect to any claims and causes of action, whether arising under the Bankruptcy Code or otherwise, that they may have or will have, and nothing contained in these Global Notes or the Schedules and SOFAs shall be deemed a waiver of any such claims, avoidance actions or causes of action or in any way prejudice or impair the assertion of such claims. Additionally, prior to the relevant Petition Date, Fuhu or Fuhu Holdings, Inc., as a plaintiff, may have commenced various lawsuits in the ordinary course of its business against third parties seeking monetary damages. Refer to Item 7 in each SOFA for lawsuits commenced prior to the Petition Date in which the relevant Debtor was a plaintiff.

Classifications

Listing a claim (i) on Schedule D as “secured,” (ii) on Schedule E as “unsecured priority” or (iii) on Schedule F as “unsecured nonpriority,” or listing a contract on Schedule G as “executory” or “unexpired,” does not constitute an admission by a Debtor of the legal rights of the claimant or a waiver of any of Debtors’ right to recharacterize or reclassify such claim or contract. The Debtors reserve the right to amend the Schedules and SOFAs and to recharacterize or reclassify any such contract or claim whether by amending the Schedules and SOFAs or in another appropriate filing.

Disputed, Contingent, and/or Unliquidated Claims

Schedules D, E and F permit each of the Debtors to designate a claim as “disputed,” “contingent” and/or “unliquidated.” Any failure to designate a claim on the Debtors’ Schedules as “disputed,” “contingent” and/or “unliquidated” does not constitute an admission by the Debtors that such amount is not “disputed,” “contingent” and/or “unliquidated” or that such claim is not subject to objection. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on these Schedules as to amount, liability or classification or to otherwise subsequently designate any claim as “disputed,” “contingent” and/or “unliquidated,” whether by amending the Schedules and SOFAs or in another appropriate filing. Listing a claim does not constitute an admission by the Debtors of the claimant’s legal rights or a waiver of the Debtors’ right to recharacterize or reclassify the claim or contract. Additionally, the Debtors reserve their rights to object to any listed claims on the grounds that, among other things, they have already been satisfied.

Schedule A/B - Real and Personal Property

The Debtors reserve their right to amend the values attributed to the assets recorded on Schedule B as necessary. Assets recorded as negative net receivables or other prepayments are representative of credits owed to customers or third parties. Some inventory is held and maintained at third party terminals. The Debtors reserve their right to recategorize and/or recharacterize such asset holdings at a later time to the extent the Debtors determine that such holdings were improperly reported. The Debtors have not performed any appraisals of their inventory. Any appraisals performed or requested by third parties are not contemplated here.

The values of the Debtors’ office furniture, fixtures, and equipment are at net book value reported from Fuhu’s fixed asset register. The Debtors’ fixed assets, including office furniture, fixtures, equipment, and vehicles, have not been appraised. Therefore, the Debtors estimate that the net book value is the market value of the office furniture, fixtures, equipment, and vehicles.

Entries pertaining to non-debtor Fuhu Taiwan are included in the interest of completeness, since Fuhu generates consolidated financial statements.

Schedule D - Creditors Holding Secured Claims

Except as otherwise agreed pursuant to a stipulation, agreed order or general order entered by the Bankruptcy Court, the Debtors reserve their right to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve their right to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including any intercompany agreement) related to such creditor's claim. No claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged. The descriptions provided on Schedule D are intended only as a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in Schedule D and/or the Global Notes shall be deemed a modification or interpretation of the terms of such agreements.

Schedule E/F - Creditors Holding Unsecured Claims

All claims listed on the Debtors' Schedule E/F, Part 1 are claims owed to various taxing authorities of the Debtors. In addition, there may be other contingent, unliquidated claims from federal and state taxing authorities, not all of which are listed. The Debtors reserve the right to liquidate and pay prepetition and postpetition tax claims as outlined in certain Orders of this Court. Amounts owed as of the Petition Date to certain taxing authorities which were subsequently paid pursuant to Orders of this Court have been removed. The Debtors believe that all of the employee claims entitled to priority under the Bankruptcy Code have been paid pursuant to certain Orders of this Court. Accordingly, employee-related claims are not listed on this Schedule.

The Debtors have made reasonable efforts to report all general unsecured claims against the Debtors on Schedule E/F, Part 2 based upon the Debtors' existing books and records. The claims of individual creditors for among other things, products, goods or services are listed as either the lower of the amounts invoiced by the creditor or the amounts entered on the Debtors' books and records and may not reflect credits or allowances due from such creditors to the Debtors. The Debtors reserve all rights with respect to any such credits and allowances including the right to assert claims objections and/or setoffs. The claims listed on Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. While commercially reasonable efforts have been made, determining the date upon which each claim in Schedule E/F, Part 2 was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed therein.

Schedule F does not include certain deferred charges, deferred liabilities, accruals or general reserves. Such amounts are general estimates of liabilities and do not represent specific claims as of the Petition Date; however, they are reflected on the Debtors' books and records as required in accordance with GAAP.

Certain amounts described as "deferred revenue" reflect amounts received from sales for orders that had not yet been fulfilled as of the Petition Date. Substantially all of these orders have now been fulfilled pursuant to Orders of this Court. The "Nabi Coin Sales" amounts change daily as amounts are redeemed by customers for purchase of applications and other items on nabi tablets.

Schedule G - Unexpired Leases and Executory Contracts

The businesses of the Debtors are complex. Although the Debtors' existing books, records, financial systems and contracts management systems have been relied upon to identify and schedule executory contracts for each of the Debtors and reasonable efforts have been made to ensure the accuracy of the Schedule G, inadvertent errors, omissions, or overinclusion may have occurred. The Debtors reserve all of their rights to dispute the validity, status or enforceability of any contracts, agreements or leases set forth on Schedule G and to amend or supplement such Schedule, as necessary. The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended or supplemented from time to time by various amendments, restatements, waivers, estoppels, certificates, letters, memoranda and other documents, instruments and agreements that may not be listed on Schedule G, despite the Debtors' use of reasonable efforts to identify such documents. In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider. Due to the volume of the Debtors' portfolio of contracts, all documents entitled "lease" or "contract" have been included on Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease.

The Debtors are continuing their review of all relevant documents and expressly reserve their right to amend all Schedules at a later time as necessary and/or to challenge the classification of any agreement as an executory contract or unexpired lease in any appropriate filing. The Debtors further reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument related to a creditor's claim.

In addition, the Debtors may have entered into various other types of agreements in the ordinary course of business, such as supplemental agreements, amendments/letter agreements and confidentiality agreements. Such documents may not be set forth on Schedule G. Certain of the contracts, agreements and leases listed on Schedule G may have been entered into by more than one of the Debtors. Further, the specific Debtor obligor to certain of the executory contracts could not be specifically ascertained in every circumstance. Because the Debtors generate consolidated financials and only one set of books and records, all contracts have been listed on the Schedule for Fuhu. Certain of the executory contracts may not have been memorialized and could be subject to dispute. Each unexpired lease listed in Schedule G may include one or more ancillary documents, including but not limited to any underlying assignment and assumption agreements, amendments, supplements, full and partial assignments, renewals and partial releases. Executory contracts that are oral in nature, if any, have not been included on Schedule G. Schedule G does not constitute an admission that any such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all of their rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument.

Effect of Payments Made Pursuant to "First Day" Orders on Scheduled Claim Amount

The Bankruptcy Court has authorized the Debtors to pay various outstanding prepetition claims including certain payments to employees, critical vendors, lien holders and taxing authorities. Where the Schedules list creditors and set forth the Debtors' scheduled amount of such claims, such scheduled amounts reflect amounts owed as of the Petition Date, not adjusted for any postpetition payments made on account of such claims pursuant to the authority granted to the Debtors by the Bankruptcy Court. However, the estimate of claims set forth in the Schedules may not reflect assertions by the Debtors' creditors of a right to have such claims paid or reclassified under the Bankruptcy Code or orders of the Bankruptcy Court.

Reservation of Rights

The corporate structure of the Debtors is complex. The Debtors have used reasonable efforts to ensure accuracy in attributing the information listed in the Schedules and SOFAs; however, subsequent information or discovery may result in material changes to the Schedules and SOFAs and inadvertent errors, omissions or inaccuracies may exist. The Debtors reserve all rights to amend or supplement their Schedules and SOFAs. Listing a claim or a contract with a particular Debtor does not constitute an admission by such Debtor of the legal rights of the claimant, or a waiver of the Debtors' right to disclaim such claim or contract as attributable to such Debtor. The Debtors reserve the right to amend the Schedules and SOFAs, and to relist any contract or claim with another Debtor and/or to remove such contract or claim from the Schedules and SOFAs whether by amending the Schedules and SOFAs or in another appropriate filing.

SOFAs Item 3 – 90 Day Payments

The dates set forth in the "Date of Payment" column relate to one of the following: (a) the date of a wire transfer; (b) the date of an "ACH" payment; (c) the date of another form of electronic payment, or (d) the check date. For the purpose of this schedule, all of these payments are recorded on Fuhu's SOFA Item 3.1. In general, all disbursements are made by Fuhu. The disclosures set forth in this Item may include amounts that are less than \$6,225.00.

In addition to the payments disclosed in response to this Item, the Debtors periodically replenish a "petty cash" working account. Disbursements from this account to third-party payees are included in this Item under the designation "cash" or "employee per diem/reimbursements".

The Debtors made several payments to vendors or other creditors by credit card in the ordinary course of business. The creditors receiving such payments are listed in this Item. The Debtors also made payments via PayPal on account of certain contractual obligations primarily to royalty partners and third-party application developers. The individual creditors receiving these payments are not listed in this Item, but to the extent amounts were due as of the Petition Date, they are listed on the appropriate Schedule.

The Debtors have not included in Item 3(b) amounts that are contained in Item 11.

SOFAs Item 4 - Litigation

There are several pending litigation matters that are believed to have potential recoveries. The actual amount of these litigation matters is contingent on the outcome of the cases.

SOFAs Item 8 - Losses

The Debtors do not have an inventory management system and rely on information received from their third-party warehouses. Therefore, inventory variances are not reflected in this response.

SOFAs Item 14 - Property Held for Another Person

In the ordinary course of business, the Debtors sometimes exchange customers' non-functioning tablets or other equipment for functioning devices. These exchanges are essentially contemporaneous and are not listed herein.

SOFAs Item 27 – Inventories

Third-parties holding the Debtors' inventory sometimes conduct test counts of the inventory. These counts are not commissioned by the Debtors and the Debtors do not maintain records of such test counts.
