I. INTRODUCTION

Gelt Properties, LLC (“Gelt Properties”) and Gelt Financial Corporation (“Gelt Financial”) (Gelt Properties and Gelt Financial shall be collectively referred to as the “Debtors”), as debtors and debtors-in-possession hereby provide this third amended disclosure statement (the “Disclosure Statement”) to all of their known Creditors and “Interest Holders” entitled to same pursuant to section 1125 of the United States Code, as amended (the “Bankruptcy Code”) in connection with the third amended plan of reorganization (the “Plan”) filed by the Debtors. A copy of the Plan accompanies the Disclosure Statement. The purpose of the Disclosure Statement is to provide creditors of the Debtors with such information as may be deemed material, important and necessary in order to make a reasonably informed decision in exercising the right to vote on the Plan. The capitalized items used in this Disclosure Statement, if not defined herein, shall have the same meaning as indicated in the Plan.

NO REPRESENTATION CONCERNING THE DEBTOR-IN-POSSESSION (INCLUDING THOSE RELATING TO FUTURE OPERATIONS, THE VALUE OF ASSETS, ANY PROPERTY, OR CREDITORS AND OTHER CLAIMS) INCONSISTENT WITH ANYTHING CONTAINED HEREIN HAVE BEEN AUTHORIZED.

On May 25, 2011, Gelt Properties and Gelt Financial, (the “Debtors”) commenced two separate bankruptcy cases by filing voluntary petitions under chapter 11 of title 11 of the United States Code, as amended (the “Bankruptcy Code”) in the United States Bankruptcy Court for the Eastern District of Pennsylvania under captions “In re Gelt Properties, LLC, 11-15826 (MDC)” and “In re Gelt Financial Corporation 11-15827 (MDC).” On August 9, 2011 the Bankruptcy Court entered an Order Granting the Debtors’ Motion For Joint Administration of Lead Case 2:11-bk-15826 with Member Case 2:11-bk-15827. See Docket Item 30. Since the Filing Date,

the Debtors have continued in the operation of their businesses as debtors-in-possession pursuant to §§1107(a) and 1108 of the Bankruptcy Code.

A. Purpose of this Document.

This Disclosure Statement summarizes what is in the Plan and provides certain information relating to the Plan and the process that the Court follows in determining whether or not to confirm the Plan.

READ THIS DISCLOSURE STATEMENT CAREFULLY IF YOU WANT TO KNOW ABOUT:

- (1) WHO CAN VOTE OR OBJECT,**
- (2) THE PROPOSED TREATMENT OF YOUR CLAIM (i.e., what your claim will receive if the Plan is confirmed), AND HOW THIS TREATMENT COMPARES TO WHAT YOU WOULD RECEIVE IN LIQUIDATION,**
- (3) THE HISTORY OF THE DEBTOR AND SIGNIFICANT EVENTS DURING THE BANKRUPTCY;**
- (4) WHAT THE COURT WILL CONSIDER WHEN DECIDING WHETHER TO CONFIRM THE PLAN,**
- (5) THE EFFECT OF CONFIRMATION, AND**
- (6) THE FEASIBILITY OF THE PLAN.**

This Disclosure Statement cannot tell you everything about your rights. You should consider consulting your own attorney to obtain more specific advice on how this Plan will affect you and what is the best course of action for you.

Be sure to read the Plan as well as the Disclosure Statement. Capitalized terms not otherwise defined in this Disclosure Statement shall have the meaning ascribed to them in the Plan. The Plan is the legally operative document regarding the treatment of Claims and Interests

and the terms and conditions of the Debtors' proposed reorganization. Accordingly, to the extent that there are any inconsistencies between the Plan and Disclosure Statement, the Plan provisions govern.

Bankruptcy Code Section 1125 requires a disclosure statement to contain "adequate information" concerning the Plan. The term "adequate information" is defined in Bankruptcy Code section 1125(a) as "information of a kind, and in sufficient detail, about a debtor and its operations "that would enable a hypothetical reasonable investor typical of holders of claims or interests" of the debtors to make an informed judgment about accepting or rejecting the plan. The Bankruptcy Court determined that the information contained in this Disclosure Statement is adequate, and it has approved this document in accordance with Bankruptcy Code section 1124.

This Disclosure Statement is provided to each Creditor whose Claim has been scheduled by the Debtors or who has filed a proof of claim against the Debtors and to each interest holder of record as of the date of approval of this Disclosure Statement. Under the Bankruptcy Code, your acceptance of the Plan may not be solicited unless you receive a copy of this Disclosure Statement prior to or concurrently with such solicitation.

B. Brief Explanation of Chapter 11

Chapter 11 is the principal business reorganization section of the Bankruptcy Code. Pursuant to Chapter 11, a debtor is permitted to reorganize its business affairs for its own benefit and that of its creditors and other interest holders.

The objective of a Chapter 11 case is the formulation of a plan of reorganization of the debtor and its affairs. Creditors are given an opportunity to vote on any proposed plan, and the plan must be confirmed by the Bankruptcy Court to be valid and binding on all parties. Once the plan is confirmed, all claims against the debtor which arose before the Chapter 11 proceeding was initiated are extinguished, unless specifically preserved in the Plan.

C. Disclaimers

THIS DISCLOSURE STATEMENT MAY NOT BE RELIED UPON FOR ANY PURPOSE OTHER THAN TO DETERMINE HOW TO VOTE ON THE PLAN, AND NOTHING CONTAINED IN IT SHALL CONSTITUTE AN ADMISSION OF ANY FACT OR LIABILITY BY ANY PARTY, OR BE ADMISSIBLE IN ANY PROCEEDING INVOLVING THE PLAN OR OTHER LEGAL EFFECTS OF THE REORGANIZATION ON DEBTOR, HOLDERS OF CLAIMS OR INTERESTS, OR THE REORGANIZED DEBTOR. THE STATEMENTS CONTAINED IN THIS DISCLOSURE STATEMENT ARE MADE AS OF THE DATE HEREOF AND THE STATEMENTS AND REPRESENTATIONS CONTAINED HEREIN ARE MADE SOLELY BY OR AT THE INSTANCE OF THE DEBTOR.

NO REPRESENTATIONS CONCERNING THE PLAN ARE AUTHORIZED BY THE DEBTOR OTHER THAN AS SET FORTH IN THIS DISCLOSURE STATEMENT. THE DEBTOR DOES NOT WARRANT OR PRESENT THAT THE INFORMATION CONTAINED HEREIN IS WITHOUT ANY INACCURACY.

CERTAIN OF THE INFORMATION PROVIDED, BY ITS NATURE, IS FORWARD LOOKING, CONTAINS ESTIMATES AND ASSUMPTIONS WHICH MAY PROVE TO BE FALSE OR INACCURATE AND CONTAINS PROJECTIONS WHICH MAY BE MATERIALLY DIFFERENT FROM ACTUAL FUTURE EXPERIENCES. SUCH ESTIMATES AND ASSUMPTIONS ARE MADE FOR INFORMATIONAL PURPOSES ONLY.

PLEASE NOTE THAT THE APPROVAL OF THIS DISCLOSURE STATEMENT BY THE BANKRUPTCY COURT DOES NOT CONSTITUTE A RULING ON THE MERITS, FEASIBILITY OR DESIRABILITY OF THE PLAN.

II. VOTING PROCEDURE

The Bankruptcy Court has reviewed this Disclosure Statement and entered an Order determining that these documents contained “adequate information” such that creditors can meaningfully evaluate the Plan. A copy of the Order approving the Disclosure Statement is attached. Only after creditors have had an opportunity to vote on the Plan will the Court consider the Plan and determine whether it should be approved or confirmed.

All creditors entitled to vote on the Plan may cast their votes for or against the Plan by completing, dating, signing and causing the Ballot Form accompanying this Disclosure Statement to be returned to the following address in the enclosed envelope:

ALBERT A. CIARDI, III, ESQUIRE
JENNIFER C. McENTEE, ESQUIRE
Ciardi Ciardi & Astin
One Commerce Square
2005 Market Street, Suite 1930
Philadelphia, PA 19103

BALLOTS MUST BE RECEIVED ON OR BEFORE 5:00 P.M. ON _____, 2013 TO BE COUNTED IN THE VOTING. BALLOTS RECEIVED AFTER THIS TIME WILL NOT BE COUNTED IN THE VOTING UNLESS THE COURT SO ORDERS. THE DEBTOR RECOMMENDS A VOTE “FOR ACCEPTANCE” OF THE PLAN.

A. Persons Entitled to Vote on Plan

Only the votes of classes of Claimants and Interest holders which are Impaired by the Plan are counted in connection with confirmation of the Plan. Generally, and subject to the specific provisions of Section 1124 of the Bankruptcy Code, this includes creditors who, under the Plan, will receive less than payment in full of their Claims.

In determining the acceptance of the Plan, a vote will only be counted if submitted by a creditor whose claim is duly scheduled by the Debtors as undisputed, non-contingent and unliquidated, or who has timely filed with the Court a proof of claim which has not been objected to or disallowed prior to computation of the votes on the Plan. The Ballot Form does not constitute a proof of claim. If you are in any way uncertain if your Claim has been correctly scheduled, you may check the Debtors' Schedules which are on file in the Bankruptcy Court, but it is suggested that you file a proof of claim. The Clerk of the Bankruptcy Court will not provide this information by telephone.

B. Hearing on Confirmation

The Bankruptcy Court will set a hearing to determine whether the Plan has been accepted by the requisite number of creditors and whether the other requirements for confirmation of the Plan have been satisfied. Each creditor will receive, either with this Disclosure Statement or separately, the Bankruptcy Court's Notice of Hearing on Confirmation of the Plan.

C. Acceptances Necessary to Confirm Plan

At the scheduled confirmation hearing, the Bankruptcy Court must determine, among other things, whether the Plan has been accepted by each impaired class. Under Section 1126 of the Bankruptcy Code, an impaired class is deemed to have accepted the Plan if at least 2/3 in amount and more than 1/2 in number of the Allowed Claims of class members who have voted to accept or reject the Plan have voted for acceptance of the Plan. Further, unless there is acceptance of the Plan by all members of an impaired class, the Bankruptcy Court must also determine that under the Plan class members will receive property of a value, as of the Effective Date of the Plan, that is not less than the amount that such class members would receive or retain if the Debtors were liquidated under Chapter 7 of the Bankruptcy Code on the Effective Date of the Plan.

D. Confirmation of the Plan without the Necessary Acceptances

The Plan may be confirmed even if it is not accepted by all of the impaired classes if the Bankruptcy Court finds that the Plan, (1) does not discriminate unfairly against such class or classes, (2) such class or classes will receive or retain under the Plan not less than the amount the Claimant would receive if the Debtors were liquidated under Chapter 7; and (3) is fair and equitable as to such class or classes as set forth in section 1129(b) of the Bankruptcy Code. Section 1129(b) of the Bankruptcy Code requires that, among other things, the Claimants must either receive the full value of their Claims or, if they receive less, no class with junior priority may receive anything. If the class of Unsecured Claims does not accept the Plan and the Plan does not propose to pay the class their Allowed Claims in full, no junior class may retain their equity interest, unless the shareholders contribute new money related to their participation in equity. In short, this provision provides that creditors are entitled to priority over stock holders against the property of an insolvent corporation, to the extent of their debts. The stockholder's interest in the property is subordinate to the rights of the creditors; first of secured and then of unsecured creditors. The Debtors may choose to use the New Value Exception to obtain confirmation of this Plan. The amount of such new value is not yet determined.

The Debtors-in-Possession may, at their option, choose to rely upon this provision to seek confirmation of the Plan if it is not accepted by an impaired class or classes of Creditors.

III. BACKGROUND OF THE DEBTOR

A. History and Cause of Bankruptcy

The Gelt Financial Debtor

The Gelt Financial Debtor is a Montgomery County, Pennsylvania corporation specializing in commercial and residential mortgages that was founded by Jack Miller in 1989. Gelt Financial does business in Pennsylvania, New Jersey, Delaware and Maryland. Since its

inception, Gelt Financial's philosophy has been to educate, satisfy and service its customer base. The "Gelt Difference" is to exceed its clients' expectations by offering speed, flexibility and customization. As an industry leader, Gelt Financial has always sought out new ways of making loans to quality borrowers who are traditionally underserved by the mortgage industry. Consequently, in 1999, when Gelt Financial realized that the small commercial borrower was neglected by the mortgage industry, Gelt Financial switched its focus to commercial lending from residential lending. Since then, Gelt Financial has proven that it can provide "make sense" loans to borrowers who would have had a difficult time finding traditional financing.

Specifically, in the ordinary course of the Gelt Financial Debtor's business, it borrows money from traditional lenders and makes hard money loans to otherwise non-bankable commercial borrowers. Also, as part of its business, the Gelt Financial Debtor acquires and manages real estate in the real estate owned [REO] context, makes protective advances related to the ownership of said real estate or its mortgage collateral as well as funds the maintenance, upkeep and preservation of said assets.

The Gelt Financial Debtor is a party to various loan agreements with traditional lenders requiring certain levels of protection and collateralization. Certain of the traditional lenders, as identified *infra*, operate with the Gelt Financial Debtor on a warehouse basis. The following lenders have advanced the following sums to the Gelt Financial Debtor as of the Petition Date:

- a. On November 29, 2006, Beneficial Mutual Savings Bank, a Pennsylvania Stock bank with offices at 630 Walnut Street, Philadelphia, Pennsylvania, 19106 made a loan to the Debtor in the original principal amount of \$3,000,000 which has been subject to various modifications since the inception of the loan (the "Beneficial Loan"). The Beneficial Loan is secured with a first

lien security interest in (i) each Eligible Mortgage Loan, as defined in the Loan and Security Agreement; (ii) the proceeds from the sale of such mortgage loans; and (iii) all deposit accounts of the Debtor maintained at Beneficial Mutual Savings Bank.

b. On July 23, 2007, Bucks County Bank, a Pennsylvania banking corporation with offices at 200 South Main Street, Doylestown, Pennsylvania, 18901 made a loan to the Debtor in the original principal amount of \$1,500,000 which has been subject to various amendments and modifications since the inception of the loan (the "Bucks County Loan"). Specifically, in March 2011, Bucks County Bank and the Debtor entered into that certain Amendment to Note Agreement reflecting an amended principal amount due of \$1,354,893.98. The Bucks County Loan is secured by an assignment of specific notes and mortgages from Gelt Business Credit, LLC, as defined in the underlying Bucks County Bank Security Agreement.

c. On November 29, 2006, Fox Chase Bank, with offices located at 4390 Davisville Road, Hatboro, Pennsylvania, 19040 made a loan to the Debtor establishing a line of credit in the aggregate amount of \$3,000,000 (the "Fox Chase Loan") which is evidenced by a Demand Promissory Note of even date in the original principal amount of \$2,500,000 (as amended, supplemented and modified, "Note A") and a Demand Promissory Note of even date in the original principal amount of \$500,000 (as

amended, supplemented and modified, “Note B,” together with Note A, the “Notes”). As security for the payment of the principal of the Line of Credit and all interest thereon, and for the payment, performance and discharge of all other indebtedness and Obligations or undertakings now or hereafter owing or made by the Debtor to or for the benefit of Fox Chase under Fox Chase Loan documents, the Demand Promissory Notes, the Collateral Assignment of Mortgage Note and Other Loan Documents or under any other agreement, promissory note or undertakings now or hereinafter existing or entered between the Debtor and the Fox Chase Bank, the Debtor granted Fox Chase (a) continuing first priority security interest in and lien upon the Collateral, as defined in the underlying loan documents and (b) A security interest in and lien upon all funds or other assets of the Debtor now or at any time hereafter on deposit with or in the possession of Fox Chase Bank or owing by Fox Chase Bank to the Debtor, (being sometimes referred to as “Additional Collateral”).

d. On January 31, 2006, Harleysville National Bank and Trust Company extended a credit facility to Gelt Business Credit, LLC, a successor by merger with the Debtor, with a maximum credit line amount of \$6,000,000 (the “VFC Loan”). Subsequently thereto, First Niagara Bank, N.A. became a successor by merger to Harleysville National Bank and Trust Company. On or about June 30, 2011, the Debtor’s loan was sold by First Niagara Bank, N.A.

to VFC Partners 6, LLC. The VFC Loan is secured by the Collateral, as defined in Section 5.3 of the original Harleysville National Bank and Trust Company Loan and Security Agreement.

e. On August 28, 2008, interState Net Bank, a New Jersey commercial bank located at 457 Haddonfield Road, Cherry Hill, New Jersey, 08002 extended to Gelt Business Credit, LLC, a successor by merger with the Debtor, a \$2,500,000 loan secured by the Deposit Collateral, as defined in Section 6.4 of the interState Net Bank Loan Documents. Subsequently thereto, this loan was assigned by interState Net Bank to New Century Bank.

f. On December 12, 2006, National Penn Bank and the Debtor entered into a Revolving Mortgage Loan Agreement, as modified, supplemented and amended on numerous occasions subsequent thereto, in the original principal amount of \$3,500,000 (the "Nat Penn Loan.") The Nat Penn Loan is secured by the Collateral, as defined in Article III of the Master Demand Note under the Revolving Mortgage Loan Agreement.

g. On August 3, 2005, The Park Avenue Bank, a banking corporation organized and existing under the laws of the State of New York with offices located at 460 Park Avenue, New York, New York, entered into a Loan Agreement with the Debtor in the original principal amount of \$1,000,000 (the "Park Avenue Loan"). The Park Avenue Loan is Secured by the Collateral, as defined in Section II(A) of the original Loan Agreement.

h. On or about March 25, 2005, Republic First Bank, with offices located at 1608 Walnut Street, Philadelphia, Pennsylvania, 19103, and the Debtor entered into a Loan and Security Agreement in the original principal amount of \$3,000,000. Subsequently thereto, the March 25, 2005 Loan Agreement was modified to increase the original principal amount of the loan to \$5,000,000 (the "First Republic First Loan"). On or about March 3, 2006, Republic First Bank and the Debtor entered into a Second Loan and Security Agreement in the original principal amount of \$6,000,000 (the "Second Republic First Loan," collectively referred to herein as the "Republic First Loans"). The Republic First Loans are secured by the Collateral, as defined in Section 1.3 of each Loan and Security Agreement.

i. On July 29, 2002, Univest National Bank and Trust Company, with offices located at 14 N. Main Street in Souderton, Pennsylvania, and the Debtor entered into a Loan Agreement in the original principal amount of \$1,500,00, modified to increase the original principal amount to \$2,500,000 on or about April 21, 2005 (the "First Univest Loan"). On January 15, 2008, Univest National Bank and Trust Company, with offices located at 14 N. Main Street in Souderton, Pennsylvania, and the Debtor entered into a Commercial Loan Agreement in the original principal amount of \$5,000,000, as amended, supplemented and modified on various occasions subsequent thereto (the "Second Univest Loan,"

hereinafter collectively referred to with the First Univest Loan as the “Univest Loans”).

j. On or about June 15, 2006, VIST, with offices located at Sentry Parkway West, Blue Bell, PA 19422, and the Debtor entered into a Loan and Security Agreement in the original principal amount of \$6,000,000, as amended, modified and supplemented on numerous occasions subsequent thereto (the “VIST Loan”). The VIST Loan is secured by the Collateral as defined in Section 1.3 of the original Loan and Security Agreement;

(the lenders identified in (a) – (j) are hereinafter collectively referred to as the “Gelt Financial Lenders”). With regard to the foregoing Gelt Financial Lenders and loans, the Gelt Financial Debtor, to the best of its knowledge, submits that the following amounts, as of June 30, 2011, were due and owing under the subject loan documents:

- a. Beneficial Mutual Savings Bank: \$2,399,000
- b. Bucks County Bank: \$1,355,000
- c. Fox Chase bank: \$1,780,000
- d. VCF Partners 6, LLC: \$241,000
- e. New Century Bank: \$160,000
- f. National Penn Bank: \$1,642,000
- g. The Park Avenue Bank: \$319,000
- h. Republic First Bank: \$488,000
- i. Univest National Bank and Trust Company: \$4,487,000
- j. VIST: \$2,605,000

The Gelt Financial Debtor also owns real estate subject to mortgages, with certain of the Gelt Financial Lenders referenced in Paragraph 7, which it must manage, maintain and sell. A schedule of the Gelt Financial Debtor's Real Estate Holdings is attached hereto as "Exhibit A."

As a result of the extended economic downturn, the Gelt Financial Debtor's clients have been unable to make payments and/or refinance their debts with other lenders and as a result are in default of their obligations to the Gelt Financial Debtor. Consequently, the Gelt Financial Debtor was forced to restructure its own loans with its traditional lenders. Moreover, the Gelt Financial Debtor has faced difficulty selling properties taken back from borrowers and/or clients and otherwise funding continued operations. Given the foregoing, the Gelt Financial Debtor realizes the need to shift its focus toward real estate owned, managed and maintained as well as other business opportunities that present themselves using the company's infrastructure, experience and knowledge.

The Gelt Properties Debtor

The Gelt Properties Debtor is a Nevada Limited Liability Company founded by Jack Miller in 2000 as the Real Estate Owned (REO) arm of co-debtor and affiliate, Gelt Financial Corporation. Gelt Properties, LLC is a wholly owned subsidiary of Gelt Holdings, Inc. and does business in Pennsylvania, New Jersey, Delaware and Maryland and services the needs of Gelt Financial Corporation as well as third parties as a property manager. In the ordinary course of co-debtor, Gelt Financial Corporation's business, it borrows money from traditional lenders and makes loans to commercial borrowers. Also, as part of its business, the Gelt Properties co-debtor acquires and manages real estate in the real estate owned [REO] context, through the Gelt Financial Debtor.

The Gelt Properties Debtor is also a party to various loan agreements with banking institutions who have placed mortgages on properties owned by the Gelt Properties Debtor (the

“Gelt Properties Lenders”). The following lenders have advanced the following sums to the Gelt Properties Debtor as of the Petition Date:

a. Beneficial Mutual Savings Bank, a Pennsylvania Stock bank with offices at 530 Walnut Street, Philadelphia, Pennsylvania, 19106 made the following loans to the Debtor on the following dates [in the original principal amounts] of:

i. On March 24, 2009, Beneficial loaned \$119,000 to the Debtor, pursuant to a term loan note, the performance of which was secured by a mortgage on a property commonly known as 125 W. Rittenhouse, located in Philadelphia, Pennsylvania;

ii. On May 30, 2008, Beneficial loaned \$176,250 to the Debtor, pursuant to a term loan note, the performance of which was secured by a mortgage on a property commonly known as 204 19th Avenue, located in Irvington, New Jersey;

iii. On June 30, 2008, Beneficial loaned \$262,500 to the Debtor, pursuant to a term loan note, the performance of which was secured by a mortgage on a property commonly known as 909 S. 21st Street, located in Philadelphia, Pennsylvania;

iv. On May 30, 2008, Beneficial loaned \$82,500 to the Debtor, pursuant to a term loan note, the performance of which was secured by a mortgage on a property commonly known as 1509 Airbrake Avenue, located in Turtle Creek Borough, Pennsylvania;

v. On September 15, 2008, Beneficial loaned \$53,250 to the Debtor, pursuant to a term loan note, the performance of which was secured by a

mortgage on a property commonly known as 1250 N. Newkirk Street, located in Philadelphia, Pennsylvania; and

vi. On September 24, 2008, Beneficial loaned \$236,250 to the Debtor, pursuant to a term loan note, the performance of which was secured by a mortgage on property commonly known as 7049 Lincoln Drive, located in Philadelphia, Pennsylvania.

b. On or about March 25, 2010, VIST, with offices located at Sentry Parkway West, Blue Bell, PA 19422, and the Debtor entered into a Term Loan Agreement in the original principal amount of \$150,000 (the "VIST Loan"). The VIST Loan is secured by a mortgage and security agreement of even date encumbering a property commonly known as 3705 Haverford Avenue, located in Philadelphia, Pennsylvania.

c. On or about July 29, 2009, East Coast Financial Co., with offices located at 1800 JFK Boulevard in Philadelphia, Pennsylvania, and the Debtor entered into a Term Loan Agreement in the original principal amount of \$170,000, the performance of which was secured by a mortgage on a property commonly known as 4433 Sansom Street, located in Philadelphia, Pennsylvania.

With regard to the foregoing lenders and loans referenced in Paragraph 6, the Gelt Properties Debtor, to the best of its knowledge, submits that the following amounts, as of July 25, 2011, are due and owing under the subject loan documents:

- a. Beneficial Mutual Savings Bank: \$840,442
- b. VIST: \$146,987
- c. East Coast Financial Co. \$167,999

As indicated, the Gelt Properties Debtor owns real estate subject to mortgages with certain of the lenders which it must rent, manage, maintain and sell. A schedule of the Gelt Properties Debtor's Real Estate Holdings is attached hereto as "Exhibit B." Moreover and by way of further explanation of the interplay between the Gelt Properties Debtor and co-Debtor Gelt Financial Corporation, some of the properties which the Gelt Properties Debtor owns and manages may have a deed recorded in the name of co-Debtor Gelt Financial Corporation. It is the Gelt Properties Debtor's position that those properties are equitably owned by the Gelt Properties Debtor.

As a result of the extended economic downturn and rising unemployment, certain of the Gelt Properties Debtor's tenants have been unable to make payments and are in default of their obligations. Consequently, the Gelt Properties Debtor was forced to move forward with costly eviction and foreclosure proceedings in order to put paying tenants in the properties and sell others.

B. Financial Condition of Debtors

The Debtors' assets, based on current valuations, consist of approximately \$15,724,000 in real estate and mortgages. The current secured indebtedness is approximately \$10,715,938 and the current unsecured indebtedness is in excess of \$4,815,000. Finally, the Debtors owe approximately \$401,000 in real estate taxes.

LIQUIDATION ANALYSIS

On a liquidation basis, the Debtors believe property owned by the Debtors will not achieve anything close to the Claims of each secured lender. The Debtors believe a liquidation of the Debtors will yield zero distribution for unsecured creditors. Attached hereto as Exhibit "C" is the Debtors' liquidation analysis.

C. Management of the Debtors

Management of the Debtors will remain unchanged post-confirmation. Jack Miller will continue to serve as the CEO of the reorganized debtors; Uri Shoham will continue to serve as the CFO of the reorganized debtors; and Ari Miller will continue to serve as the Vice President of the reorganized debtors focusing on field operations, collections, sale and maintenance of properties.

From and after the Effective Date, the Debtors shall continue in existence for the purpose of continuing with the operation of the Debtors' business, including making distributions to the holders of Allowed Claims in accordance with the terms of the Plan. The Debtors shall continue to retain the services of court-approved counsel to assist in these matters. Debtors' counsel shall be entitled to reasonable compensation and reimbursement of expenses for services rendered to the Debtors in carrying out their post-confirmation duties.

D. Significant Events Post-Filing

On July 27, 2011, the Gelt Financial Debtor filed its Motion for Authority to use Cash Collateral. See Member Case Docket Item 11. See Lead Case Docket Item 142. The Sale Procedures Motion and the Foreclosure Procedures Motion were returnable on November 29, 2011 at 11:00AM. Orders approving the Sale Procedures and Foreclosure Procedures outlined therein were entered on or about January 4, 2011 and are attached to the Plan as Exhibits C and D respectively.

On October 7, 2013, the Court signed the Order and Stipulation entered into between the Debtors and the Committee, resolving outstanding issues as well as the treatment of the General Unsecured Creditors under the Debtors’ Plan. See Lead Case Docket Item 946. Prior to the October 7, 2013 Stipulation between the Debtors and the Committee, the Debtors entered into various agreements, modifications and/or resolutions with VFC Partners 6, Univest National Bank (now Golf Financial), National Penn Bank, Bucks County Bank and Beneficial Savings

Bank. These agreements were subsequently approved by the Court and are reflected in the Debtors' Plan.

Finally and within the Exclusive Period, the Debtors filed their initial Plan of Reorganization and accompanying Disclosure Statement on January 25, 2012. See Lead Case Docket Items 290 and 289, Respectively. The Debtors filed subsequent Amended Disclosure Statements in a collective, ongoing attempt to resolve those objections to Docket Item 289 received from parties in interest. The Debtors file this Disclosure Statement in connection with the Plan and submit that it accurately reflects their collective financial condition, at present, as well as their projected financial condition throughout the duration of the Plan.

E. Actual and Projected Recovery of Preferential or Fraudulent Transfers.

Based upon the Debtors' knowledge of the Debtors' books and records, the Debtors submit that no meritorious preferential or fraudulent transfer actions exist and, consequently, that none will be filed. However, the Debtors understand that the Committee, Committee Counsel and the Committee Accountant have conducted an exhaustive review of the Debtors' books and records supplemented with various document productions related to non-debtor entities. The Debtors further understand that the aforementioned investigation was conducted for the sole purpose of completing a "preference analysis," and determining whether meritorious preferential or fraudulent transfer actions exist. Therefore, the Debtors believe that should such an action exist, the Committee would have informed Debtors and Debtors' counsel. As of the date of the filing of the First Amended Disclosure Statement, Debtors' counsel has not been made aware of the existence of any such claims or actions.

F. Post-Bankruptcy Operations

Since the Filing Date, the Debtors have filed all operating reports and have paid all required fees to the United States Trustee. The Debtors will continue to file all reports and pay all fees as they become due.

G. Projections

Projections supporting the Debtors' Plan are attached hereto as Exhibit D.

H. Lender Liability Litigation

The Debtors set forth, at Section 13.1 of their Plan, possible lender liability claims they may investigate and ultimately pursue.

IV. SUMMARY OF PLAN OF REORGANIZATION

A. What Creditors and Interest Holders Will Receive Under the Proposed Plan.

The Plan classifies Claims and Interests in various classes. The Plan states whether each class of Claims or Interests is impaired or unimpaired. The Plan provides the treatment each class will receive. The following is a brief summary of the Plan and is qualified in its entirety by the full text of the Plan itself. The Plan, if confirmed, will be binding upon the Debtors, their creditors and shareholders. All creditors are urged to carefully read the Plan.

B. Unclassified Claims.

Certain types of Claims are not placed into voting classes. They are not considered Impaired and they do not vote on the Plan because they are automatically entitled to specific treatment provided for them in the Bankruptcy Code. As such, the Debtors have not placed the following Claims in a class:

1. Administrative Expenses and Fees

Administrative expenses are Claims for fees, costs or expenses of administering the Debtor's chapter 11 cases which are allowed under the Bankruptcy Code section 507(a)(1),

including all professional compensation requests pursuant to section 330 and 331 of the Bankruptcy Code.

i. Time for Filing Administrative Claims

The holder of an Administrative Claim, other than (i) a Fee Claim or (ii) a liability incurred and paid in the ordinary course of business by the Debtor, must file with the Bankruptcy Court and serve on the Debtor and its counsel, notice of such Administrative Claim within (30) days after the Confirmation Date. Such notice must include at a minimum (i) the name of the holder of the Claim, (ii) the amount of the Claim and (iii) the basis of the Claim. Failure to file this notice timely and properly shall result in the Administrative Claim being forever barred and discharged.

ii. Time for Filing Fee Claims

Each professional person who holds or asserts an Administrative Claim that is a Fee Claim incurred before the Effective Date shall be required to file with the Bankruptcy Court a fee application within sixty (60) days after the Effective Date. Failure to file the fee application timely shall result in the Fee Claim being forever barred and discharged.

iii. Allowance of Administrative Claims

An Administrative Claim with respect to which notice has been properly filed pursuant to Section 4.1 (a) the Plan shall become an Allowed Administrative Claim if no objection is filed after thirty (30) days lapses from the filing and service of notice of such Administrative Claim. If an objection is filed within such (30) day period, the Administrative Claim shall become an Allowed Administrative Claim only to the Extent allowed by Final Order.

iv. Payment of Allowed Administrative Claim

Each holder of an Allowed Administrative Claim shall receive (i) the amount of such holder's Allowed Claim upon the Effective Date, (ii) such other treatment as may be agreed upon

in writing by the Debtors and such holder as long as no payment is made thereon prior to the Effective Date so long as such modification of treatment made by the Debtors and any holder of an allowed administrative claim does not impair any other class, or (iii) as may be otherwise ordered by the Court, provided that an Administrative Claim representing a liability incurred in the ordinary course of business by the Debtors may be paid in the ordinary course of business.

v. Professionals Fees Incurred After the Effective Date

Any professional fees incurred by the Debtors after the Effective Date must be approved by the Debtors and, thereafter, paid. Neither Bankruptcy Court approval, nor consent of creditors whose claims may be impaired by the payment of post-confirmation Professional Fees, is required. Any dispute which may arise with regard to professional fees after the Effective Date shall be submitted to the Bankruptcy Court, which shall retain jurisdiction to settle these types of disputes.

2. Priority Tax Claims

Priority Tax Claims are certain unsecured income, employment and other taxes described by Bankruptcy Code section 507(a)(8). The Bankruptcy Code requires that each holder of such a section 507(a)(8) Priority Tax Claim receive the present value of such Claim in deferred cash payments, over a period not exceeding six (6) years from the date of the assessment of such tax.

C. Treatment of Classes of Claims

The Plan divides Claims and Interests into various separate classes. Under the Plan, there are sixteen (16) separate classes of creditors (classes 1 through 16) and one class of Interest Holders (Class 17), who hold the partnership interests of the Debtors.

Class 1. Secured Claim of Beneficial Savings Bank. Class 1 includes all claims, damages or charges which are or could be asserted by the Class 1 creditor against either Debtor. On or about November 29, 2006, Beneficial Mutual Savings Bank extended to Gelt

Financial Corporation (“Borrower”) a line of credit loan of up to a maximum principal amount of \$3,000,000 pursuant to a Loan and Security Agreement dated November 29, 2006, which was modified by a Modification Agreement dated as of September 2010 (as so modified, the “LC Loan”; and the Loan and Security Agreement as modified, the “Master Loan Agreement”). The LC Loan is evidenced by a Master Promissory Note dated November 29, 2006 executed by Borrower in favor of Seller in the face amount of \$3,000,000 (the “LC Note”). The LC Loan is secured by (1) seven “Open End Mortgage Commercial Mortgage, Security Agreement and Assignment of Leases and Rents” on properties owned by Gelt Financial Corporation and as listed on Exhibit A-1 (collectively the “LC Mortgages”) and (2) fifteen “Collateral Assignment of Mortgage, Note and Other Loan Documents, including Assignments of Rents and Lease” with respect to loans made by Borrower to third parties, also as listed on Exhibit “A-1” (collectively, the “LC Collateral Security”) and (3) a Guaranty and Suretyship Agreement dated November 29, 2006, from H. The Class 1 Allowed Claim shall be treated as follows: The Class 1 Secured Claim shall be reset at \$1,000,000 and shall be treated as follows: The holder of the Class 1 Secured Claim shall receive \$400,000 on the Effective Date. Next, the holder of the Class 1 Secured Claim shall receive \$600,000 within ninety (90) days of the Effective Date. Upon payment of \$1,000,000 as detailed in this Section, the Class 1 Creditor shall take all steps necessary to satisfy all existing liens, mortgages, claims and judgments. The treatment and consideration to be received by the holder of a Class 1 Allowed Claim shall be deemed to be in full settlement, satisfaction, release and discharge of its respective Claim and Lien(s). Upon satisfaction of the Class 1 Secured Claim, all liens and security interests of Class 1 shall be released.

Class 2. Secured Claim of New Century Bank. In its Schedules, Gelt Financial listed New Century Bank ("New Century") as the holder of a disputed secured claim in the amount of \$160,000.00 with respect to various loans and mortgages. New Century filed a proof of claim alleging a Claim in the amount totaling \$204,254.36 and asserting that the Claim was secured. The Claim of New Century has been challenged by the Debtors and is the subject of

a lender liability action. The Class 2 Allowed Claim shall be reduced by any Lender Liability Claims and all payments made by the Debtor or Debtor's borrowers to this Class prior to the Confirmation Hearing. Finally, the Debtor continues to investigate New Century's failure to assign back to the Debtors certain collateral assignments, despite receipt of the proper payoff.

The Class 2 Allowed Claim shall be treated as follows: The Class 2 Secured Claim shall be reduced by the full amount of all adequate protection payments, principal payments and payoffs made to the lender as well as all tax payments made by the Debtors to maintain the subject Collateral from the Petition Date to the Effective Date. The remaining Class 2 Secured Claim shall be paid in full within eighty four (84) months of the Effective Date (the "Maturity Date"). The Class 2 Secured Claim shall accrue interest at the rate of Prime plus .50% not to exceed 5% or fall below 2%. The Debtors shall make regular monthly payments of principal and interest, based upon a 20 year amortization schedule, on the Class 2 Secured Claim commencing thirty days after the Effective Date until the Maturity Date. The Debtors shall, as funds are collected attributable to principal by the Debtors, pay one hundred percent (100%) of any payoff or sale proceeds up to the amount of any sub-note attributable to the sold or paid off property.¹ No legal fees or costs or appraisal fees or costs shall accrue with respect to the Class 2 Allowed Claim during the Bankruptcy Case. In the event of a default, the Class 2 Creditor shall first seek and obtain relief from the automatic stay to reach collateral securing Debtors' obligation to Class 2 creditor and exhaust all collection efforts with respect to the collateral securing Debtors' obligation to class 2 creditor before taking any action against the guarantors of the Debtors' obligation to class 2 creditor. Any and all cross-default and confession of judgment provisions in the Class 2 Loan Documents shall be considered null and void as of the Confirmation Date.

¹ Upon such payoff, lender shall release all liens pertaining to the sub-note attributable to the sold or paid off property.

There shall be no further financial, loan to value or other covenants existing as of the Confirmation Date. Specifically, the only covenants existing as of the Confirmation Date address the Debtors' continuing obligation to maintain insurance, refrain from waste, provide unaudited financial statements to each lender and make the periodic payments in accordance with the Plan. The Class 2 claim may be repaid at any time prior to Maturity Date without penalty. Class 2 shall retain all security interests and liens on the unpaid sub-notes until paid.

Foreclosure Treatment: From time to time, the Debtor may foreclose on one of its Borrowers whose note is collateral to this Class and a sub-note within the Class. In such instance, the Debtor, upon obtaining the Sheriff's deed, shall immediately place a mortgage lien on the property for the benefit of this Class in the amount of the sub-note attributable to that property. That sub-note shall be paid at 4.5% interest commencing the later of ninety (90) days after delivery of the Sheriff's deed or after completion of repairs by the Debtor with a twenty (20) year amortization of principal and a five (5) year balloon payment.

The treatment and consideration to be received by the holder of a Class 2 Allowed Claim shall be deemed to be in full settlement, satisfaction, release and discharge of its respective Claim and Lien(s). Upon satisfaction of the Class 2 Secured Claim, all liens and security interests of Class 2 shall be released.

Class 2 shall have the right to elect treatment under Section 1111(b). Such election shall be made at the conclusion of the hearing on the Disclosure Statement and the treatment so elected shall be as set forth in Section 5.10.

Class 3. OMITTED.

Class 4. Secured Claim of National Penn Bank. Class 4 includes all claims, damages or charges which are or could be asserted by the Class 4 creditor against either Debtor. Prior to the Petition Date, National Penn Bank ("NPB") made various loans to Gelt

Financial and various sub loans (the “Pre-Petition Loans”) as evidenced by various, documents, instruments, agreements, guarantees, collateral assignments, certificates and statements, and mortgages (collectively, the “Pre-Petition Loan Documents”) including, but not limited to, the following:

- (6) Third forbearance and modification agreement (the “Third Modification Agreement”);
- (7) Various collateral assignments and mortgages from Debtor; and
- (8) Guarantees of H. Jack Miller, Uri Shoham, and Ari Miller.

As a result of Gelt Financial’s Defaults, NPB entered judgment against Gelt Financial in the Court of Common Pleas, Bucks County Pennsylvania, docket number 2011-01504 (the “Bucks County Judgment”). NPB also confessed judgment against H. Jack Miller, Uri Shoham, and Ari Miller (collectively the “Sureties”) in the Court of Common Pleas, Montgomery County

Pennsylvania, docket number 11-05216 (the “Montgomery County Judgment”). Debtor and Sureties filed petitions to open or strike the Montgomery County Judgment and the Bucks County Judgment (the “Petitions”) (the litigation actions in which the Montgomery County Judgment, the Bucks County Judgment and the Petitions have been filed are collectively the “Litigation”). The Debtor and Sureties acknowledge and agree that pursuant to the Pre-Petition Loan Documents and judgments entered in the Litigation, they are indebted and liable to NPB in the aggregate amount of \$1,988,512.96 (as of May 22, 2012), plus interest in the per diem amount of \$306.79 (the “Pre-Petition Obligation”).

The Class 4 Allowed Claim shall be treated pursuant to that certain Stipulation and Agreement Regarding (A) Use of Cash Collateral; (B) Granting Liens, Security Interests, Super Priority Claims and Adequate Protection, (C) Lifting the Automatic Stay, and (D) Guaranty (the “NPB Stipulation”), dated June 26, 2013 and identified as Docket Item 465. The salient terms of the NPB Stipulation are as follows:

(v) Payment of \$300,000.00 on or before June 30, 2014; and

(vi) Payment of \$300,000.00 on or before December 30, 2014 (the “Maturity Date”).

(b) The Debtor shall make monthly interest payments on the Pre-Petition Loans and each Mortgage Loan Sub-Note issued thereunder at the interest rate of 3.25%.

(c) Provided there is no Event of Default, as that term is defined in the NPB Stipulation, and the Debtor makes all of the payments required by the NPB Stipulation, in full, including the Minimal Principal Payments, then the total principal payoff shall be reduced to \$1,200,000.

(d) Finally, all principal payments received by the Debtor on account of the Approved Mortgage Loans, whether by payoff, refinance, or monthly payments, shall be paid to NPB and, provided there is no Event of Default, shall be applied to the Minimal Principal Payments.

Upon receipt by NPB of \$1,200,000, all security, liens, mortgages and guarantees shall be satisfied.

Foreclosure Treatment of Class 4: The Debtor may, from time to time, need to execute on the Collateral securing the Approved Mortgage Loans. Should Debtor foreclose on any Collateral, the parties to the NPB Stipulation agree as follows:

(b) Prior to NPB's reassignment of its mortgage lien in accordance with paragraph 10 (a), above, Debtor shall provide NPB, in a form acceptable to NPB, a mortgage on the Collateral securing the Mortgage Loan Sub-Note, issued by the entity Debtor anticipates will take to title to the property following the Sheriff's sale. NPB shall hold the Mortgage pending outcome of the Sheriff's sale.

(c) Should NPB be the winning bidder at the Sheriff's Sale, following the recording of the Sheriff's deed, Debtor shall provide NPB a copy of the Sheriff's Deed immediately upon its receipt and NPB shall record the mortgage provided by Debtor on the Collateral.

(d) Should the Debtor not be the winning bidder at the Sheriff's sale, the proceeds of the sale shall be immediately paid to the NPB.

(e) Unless otherwise agreed to by NPB, in writing, Debtor shall bid a sufficient amount at the Sheriff's sale to ensure the proceeds of the sale will be sufficient to pay NPB the amount due NPB under the corresponding Mortgage Loan Sub-Note.

The treatment and consideration to be received by the holder of a Class 4 Allowed Claim shall be deemed to be in full settlement, satisfaction, release and discharge of its respective Claim and Lien(s). Upon satisfaction of the Class 4 Secured Claim, all liens and security interests of Class 4 shall be released.

At the request of GFC, BCB would make periodic "advances" to GFC to provide funding for transactions whereby GFC provided Secured Loans to third parties. For each Secured Loan, GFC would (a) obtain a mortgage on the real estate collateral pledged by GFC's borrower, and (b) assign such mortgage to BCB.

v. an Amendment to Business Line of Credit Loan Agreement dated October 30, 2009 (the “Second Modification Agreement”);

vi. an Amendment to Note Agreement dated June 9, 2010 (the “First Note Amendment”);

viii. Collateral Assignment of Mortgage for each mortgage GFC received from its borrowers and for which BCB advanced funds under the Loan to GFC;

ix. Guarantees and or sureties of H. Jack Miller, Uri Shoham and M. Ari Miller (the “Sureties”); and

(collectively the "Loan Documents").

The following amounts were due and payable to BCB as of the Petition Date in accordance with the terms and conditions of the Loan Documents:

Principal	\$1,354,893.15
Accrued Interest	13,730.27
Late Charges	<u>1,714.67</u>
Total:	\$1,370,338.09

The Class 5 Allowed Claim shall be treated pursuant to that certain Stipulation and Agreement among Gelt Financial Corporation, Gelt Properties, LLC and Bucks County Bank regarding (a) Use of Cash Collateral; and (b) Adequate Protection; (c) Relief from the Automatic Stay; and (d) Provisions of Plan of Reorganization and Order (the "BCB Stipulation"). The salient terms of the BCB Stipulation are as follows:

As of June 26, 2013, the unpaid principal balance of the Loan is \$1,169,339.17, together with accrued interest and other charges as provided in the Loan Documents. The total amount due BCB under the Loan Documents is hereafter referred to as the "Indebtedness." The principal balance of the Indebtedness as of June 26, 2013 is \$1,169,339.17. As of June 26, 2013, the principal balance of the Secured Loan Indebtedness was \$815,850.17, and the principal balance of the REO Indebtedness was \$353,489. Notwithstanding any other payment term provided herein, all remaining unpaid Indebtedness shall be paid in full no later than the end of the 60th month following the date of the Final Order approving a Plan incorporating the terms of this Agreement.

Unless and until this Agreement is approved by a Final Order, interest on the Indebtedness shall continue to accrue at the rate provided in the Loan Documents. Upon the entry of a Final Order approving this Agreement, interest on the Indebtedness shall accrue from

the effective date of such Final Order until payment of the Indebtedness in full at a rate equal to 1.5% above the Prime Rate (presently the Prime Rate is 3.25%) as published in the Wall Street Journal, which rate shall adjust simultaneously with every adjustment in the Prime Rate. On the 15th day of each calendar month, the Debtors shall pay to BCB all interest on the Secured Loan Indebtedness that was accrued and unpaid as of the 15th day of the current month. In addition to monthly installments of interest on the Secured Loan Indebtedness, on the 15th day of each month, the Debtors shall pay to BCB an amount equal to the principal amount paid by Debtors' borrowers on account of the Secured Loans for the preceding month. All such principal payments made to BCB shall be applied to the Indebtedness as determined by BCB in its discretion and, for the purpose of the allocations in the Schedule, shall be credited to the amounts allocated to the respective Secured Loans. In the event that a borrower ("GFC Borrower") under a Secured Loan pays off a Secured Loan in full to GFC ("Borrower's Pay-Off"), then the Debtors shall, immediately upon such payment, pay to BCB an amount equal to the lesser of (i) the Borrower's Pay-Off amount, or (ii) the principal sum of Borrower's Pay-Off for the applicable GFC Borrower's Secured Loan specified in the Schedule. Upon payment by the Debtors to BCB of an amount required hereunder from a Borrower's Pay-Off, BCB shall promptly release the BCB lien upon the Collateral allocated to such loan in the Schedule. If a Borrower's Pay-off of a Secured Loan to the Debtors results in shortfall of the amount required to pay the remaining balance allocated to such Secured Loan in the Schedule, then a portion of the Secured Loan Indebtedness equal to that shortfall amount shall be reallocated from Secured Loan Indebtedness to "Shortfall Indebtedness" by the amount of the shortfall and shall be amortized over fifteen (15) years in equal monthly payments of principal and interest.

Foreclosure Treatment: From time to time, the Debtor may foreclose on one of its Borrowers whose note is collateral to this Class and a sub-note within the Class. In such

instance, the Debtor, upon obtaining the Sheriff's deed, shall immediately place a mortgage lien on the property for the benefit of this Class in the amount of the sub-note attributable to that property. That sub-note shall be paid at 4.5% interest commencing on the later of ninety (90) days after delivery of the Sheriff's deed or after completion of necessary repairs by the Debtor with a twenty (20) year amortization of principal and a five (5) year balloon payment.

The treatment and consideration to be received by the holder of a Class 5 Allowed Claim shall be deemed to be in full settlement, satisfaction, release and discharge of its respective Claim and Lien(s). Upon satisfaction of the Class 5 Secured Claim, all liens and security interests of Class 5 shall be released.

In the event of a default, the Class 6A Creditor shall first seek and obtain relief from the automatic stay to reach collateral securing Debtors' obligation to Class 6A creditor and exhaust all collection efforts with respect to the collateral securing Debtors' obligation to class 6A creditor before taking any action against the guarantors of the Debtors' obligation to class 6A creditor. included in the following portfolios: National Penn Bank, Vist Bank, First Republic Bank, Fox Chase Bank and Beneficial Savings Bank until such time as the debts to these lenders are paid in full.

(e) Finally, it is the intention of the Debtor and the Committee, that, inclusive of the payments referenced in Section II(1)(a) and (b) of the Order and Stipulation, all Committee Professional Fees will be paid out of the distribution outlined in this section and made pursuant to the Debtor's Plan of Reorganization.

(f) Finally, Net Sale Proceeds will be put into a separate bank account by the Debtor within ten (10) days of the Debtor's receipt of said proceeds from sales or payoffs. Commencing on the Effective Date, the Debtor shall make minimum quarterly payments of \$6,000, which shall be reconciled quarterly, as an advance on the total distribution in Paragraph 4(a) of the Order and Stipulation.

The treatment and consideration to be received by holders of Class 15 Allowed Claims shall be deemed to be in full settlement, satisfaction and release and discharge of the respective Claims.

It is estimated that Unsecured Creditors holding Class 15 claims will receive 22.5% of net sale proceeds of asset up to \$2,546,000 but at least \$700,000..

E. Implementation of the Plan

I. **Possession of Assets.** All of the assets of the Debtors shall be sold or liquidated through payoffs of Debtors' borrowers, rented or leased, developed and maintained, in the ordinary course of the Debtors' business in accordance with the Plan. The Debtors note that the proposed Plan of Reorganization envisions the utilization of management talents, commitment and an existing infrastructure to restructure existing debt, liquidate unprofitable properties and meaningfully shift focus to its growing loan brokering and consulting business as well as its REO Portfolio. Specifically, through the Plan, the Debtors project they will increase fee-driven income to compensate for a slight reduction in rental income and interest income as a direct result of the liquidation of the Debtors' loan portfolios through payoffs. Also, as a direct result of reducing the Debtors' secured debt, interest costs are expected to come down from the current level of approximately \$400,000 per year to approximately \$97,000 per year in the fifth year of the Debtors' Plan. Overall, the Debtors expect to significantly decrease carrying costs for unprofitable properties, decrease maintenance costs for unprofitable properties and emerge leaner, more focused reorganized debtors. Specifically, the Debtors expect fewer foreclosures moving forward and thus a drastically reduced, annual foreclosure costs line item in its

projections. For instance, the Debtors expect to foreclose on approximately 24 properties the first two years and significantly reduce that number over the lifetime of the Plan. Moreover, the Debtor will continue to maintain a network of contractors who have performed construction and maintenance for it for years and are reputable names in the area. Finally, the Debtor currently performs property management for other entities as well as its own properties and generates approximately \$75,000 annually from such employment. As economic conditions continue to improve and real estate financing becomes more available, the Debtors will look to generate new loans for commercial and investment real estate properties.
