On November 10, 2016, the Court conducted a final hearing on the *Motion for Entry of Interim and Final Orders (A) Authorizing the Use of Cash Collateral, (B) Providing Adequate Protection to Secured Creditors and (C) Scheduling a Final Hearing Pursuant to 11 U.S.C. Section 363 and Rule 4001 of the Federal Rules of Bankruptcy Procedure (the "<i>Motion*"), filed by GM OILFIELD & TRUCKING SERVICES, LLC d/b/a GM TRUCKING ("GM"), the "Debtor" and/or "Debtor-in-Possession" in this Chapter 11 proceeding. GM appeared through its attorneys of record Miranda & Maldonado, P.C.,

P.C. and Andrew B. Krafsur, Esq. of Ray, McChristian & Jeans, P.C. Kevin Epstein, Esq., of the Office of the United States Trustee also appeared.

The Parties announced agreement as to all matter contained in the *Motion* and asked the Court to enter this *Agreed Final Order* evidencing the terms of their agreement. This Court approves such agreement and is of the opinion that the relief requested in the *Motion* should be granted on a final basis as follows.

IT IS THEREFORE ORDERED, ADJUDGED and DECREED that GM may use the revenues generated by its business operations and reflected by its Accounts Receivable (the "Cash Collateral") subject to the security interests and/or tax liens of —

- Commercial State Bank ("CSB") on Cash Collateral and Personal
   Property pursuant to a prepetition Equipment Loan;
- 2. United States of America, Internal Revenue Service ("IRS") pursuant to a prepetition Federal Tax Lien; and,
- Ally Bank pursuant to two (2) prepetition notes dated June 15,
   2015;

(collectively referred to as the "Secured Creditors") until a Chapter 11 Plan of Reorganization is confirmed or otherwise ordered by this Court. In consideration for the use of the *Cash Collateral*, GM will provide adequate protection to the Secured Creditors as set forth below:

# **Minimum Monthly Adequate Protection Payments**

GM will make monthly payments to the Secured Creditors as follows:

Creditor	Balance of Prepetition Secured Claim	Amount of Monthly Adequate Protection Payment
Commercial State Bank	\$830,817.62	\$6,250.00

Internal Revenue Service	\$883,504.56	\$4,500.00
Ally Bank	\$104,606.88	\$500.00

(the "Adequate Protection Payments"). The Adequate Protection Payments shall begin immediately upon the entry of this Agreed Final Order, or by the contractual due date, whichever is later, and continuing each month thereafter. Such payments are reflected in **Exhibit "A"** as attached to this Agreed Final Order.

### **Insurance**

GM shall provide and maintain adequate insurance coverage on any personal property to which the Secured Creditors' liens may attach.

### Replacement Liens

GM will provide the Secured Creditors replacement liens equivalent to the Secured Creditors' prepetition Liens. These replacement liens will have the same priority as the prepetition liens. However, such shall not have the effect of constituting a final order or finding as to the validity or perfection of the prepetition liens of the Secured Creditors.

# **Additional Obligations**

# Payment of Postpetition Taxes & Filing of Tax Returns

GM will remain current with all tax obligations, including but not limited to tax deposits to employee withholding for income, Social Security taxes and hospital insurance (Medicare) and employer's contribution for Social Security taxes and deposits.

GM will file any outstanding prepetition tax return(s) and all future tax returns as they become due.

# Monthly Operating Reports

GM will timely file its *Monthly Operating Reports* ("MOR's") as they become due.

#### Prohibition of Sale of Collateral

GM shall not sell any property subject to a Secured Creditor's lien(s) without first obtaining approval from the Bankruptcy Court.

#### Default

In the event of a default on any of the above conditions, the Secured Creditors shall notify GM, through its Counsel, of GM's default. GM shall have ten (10) days from the date of receipt of the notification in which to cure its default. If GM does not make the due *Adequate Protection Payment(s)*, exceeds the (10) day cure period or exercises such options on more than two (2) separate occasions, GM will be deemed to have breached the terms of this *Agreed Final Order*, the continued use of cash collateral shall be denied and the affected Secured Creditor may proceed with the appropriate remedy.

# Attorney's Fees

GM may continue to make monthly payments to its Counsel of record through the pendency of this proceeding in the amount of \$5,000.00 with such amounts to be deposited into Counsel's IOLTA Trust Account and held until future Fee Application to this Court.

#### Payment of Accounts Receivable to GM

Any third-party holding accounts payable due to GM for any receivable purchased by Commercial State Bank under the prepetition *Factoring Agreement*, is ordered to remit payment directly to Commercial State Bank, regardless of any notice of assignment of such payable from the relevant Secured Creditor. Additionally, GM will immediately turnover any funds received from the prepetition *Factoring Agreement*.

IT IS FURTHER ORDERED, ADJUDGED and DECREED that this *Final Order* will be effective until confirmation of the Chapter 11 Plan of Reorganization or until further *Order* of this Court.
