**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY
AND DISCLAIMER REGARDING THE DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES**

The above-captioned Debtors and Debtors in Possession (collectively, the “Debtors”) are filing their respective Schedules of Assets and Liabilities (the “Schedules”) in the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”). The Debtors, who were assisted by their advisors, prepared the Schedules in accordance with section 521 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”). These Global Notes and Statement of Limitations, Methodology and Disclaimer regarding the Debtors’ Schedules (collectively, the “Global Notes”) pertain to, are incorporated by reference in and comprise an integral part of all the Schedules. These Global Notes should be referred to, and reviewed in connection with, any review of the Schedules.

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: The Great Atlantic & Pacific Tea Company, Inc. The location of the Debtors’ corporate headquarters is Two Paragon Drive, Montvale, New Jersey 07645.

The Debtors' management prepared the Schedules and the Schedules are unaudited and subject to potential adjustment. In preparing the Schedules, the Debtors relied on financial data derived from their books and records that was available at the time of preparation. The Debtors made reasonable efforts to ensure the accuracy and completeness of such financial information; however, subsequent information or discovery may result in material changes to the Schedules and inadvertent errors, omissions or inaccuracies may exist. The Debtors reserve all rights to amend or supplement their Schedules.

The Schedules and General Notes should not be relied upon by any persons for information relating to current or future financial conditions, events or performance of any of the Debtors or their affiliates.

Reservation of Rights. Nothing contained in the Schedules or these Global Notes shall constitute a waiver of any of the Debtors' rights or an admission with respect to their chapter 11 cases including, but not limited to, any issues involving objections to claims, substantive consolidation, equitable subordination, defenses, characterization or re-characterization of contracts or leases, assumption or rejection of contracts or leases under the provisions of chapter 3 of the Bankruptcy Code and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable laws to recover assets or avoid transfers.

Description of the Cases. On December 12, 2010 (the "Petition Date"), each of the Debtors filed a petition with this Court under chapter 11 of the Bankruptcy Code. On January 18, 2011, the Office of the United States Trustee for the Southern District of New York (the "U.S. Trustee") appointed the statutory official committee of unsecured creditors (the "Creditors' Committee"). Pursuant to an order entered by the Court on the Petition Date, the Debtors' chapter 11 cases are being jointly administered for procedural purposes. The Debtors currently operate their businesses as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

Basis of Presentation. For financial reporting purposes, the Debtors generally prepare consolidated financial statements, which include financial information for The Great Atlantic & Pacific Tea Company, Inc. ("A&P") and certain of its affiliates in the above-captioned chapter 11 cases. The Schedules are unaudited and reflect the Debtors' reasonable efforts to report certain financial information of each Debtor on an unconsolidated basis. These Schedules neither purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to fully reconcile to the financial statements.

The Debtors attempted to attribute the assets and liabilities, certain required financial information, and various cash disbursements to the proper legal entity. However, because the Debtors' accounting systems, policies and practices were developed for consolidated reporting purposes, rather than by legal entity, it is possible that not all assets or liabilities have been recorded in the correct legal entity on the Schedules. Accordingly, the Debtors reserve all rights to supplement and/or amend these Schedules in this regard.

Given, among other things, the uncertainty surrounding the valuation of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that such Debtor was solvent at the Petition Date or at any time prior to the Petition Date. Likewise, to the extent that a Debtor shows more liabilities than assets, this is not an admission that such Debtor was insolvent at the Petition Date or any time prior to the Petition Date.

Reporting Date. Unless otherwise noted on specific responses, the Schedules reflect the Debtors' books and records as of the close of business on December 4, 2010 (the "Reporting Date"), which coincides with the timing of the Debtors' normal accounting period close.

Current Values. The assets and liabilities of each Debtor are shown on the basis of the book value of the asset or liability in the respective Debtor's accounting books and records. Unless otherwise noted, the carrying value on the Debtor's books, rather than the current market values, is reflected in the Schedules.

Confidentiality. There may be instances where certain information was left blank or redacted due to the nature of an agreement between a Debtor and a third party, concerns about the confidential or commercially sensitive nature of certain information, or concerns for the privacy of an individual. The omissions or redactions will be limited to only what is necessary to protect the Debtor or a third party and will provide interested parties with sufficient information to discern the nature of the listing. The Debtors will provide copies of all redacted information to the U.S. Trustee, the advisors to the Creditors' Committee, or the advisors to the DIP Agent upon their request.

Consolidated Entity Accounts Payable and Disbursement Systems. The Debtors utilize an integrated, centralized cash management system, in the ordinary course of business, to collect, transfer, disburse and invest funds generated by their operations (the "Cash Management System"). The Debtors maintain a consolidated accounts payable and disbursements system to pay operating and administrative expenses through various disbursement accounts. A more complete description of the Debtors' centralized cash management system can be found in the Debtors' "Cash Management Motion"² filed on the Petition Date [Docket No. 17].

Accuracy. Although the Debtors have made reasonable efforts to file complete and accurate Schedules, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and/or supplement the Schedules as is necessary or appropriate. The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements hereunder. Entities trading in or otherwise purchasing, selling or transferring the claims against or equity interests in the Debtors should evaluate this financial information in light of the

² The "Cash Management" Motion filed on December 12, 2010—"Debtors' Motion for Entry of Interim and Final Orders Authorizing the Debtors to (A) Continue Using Their Existing Cash Management System, Bank Accounts and Business Forms, (B) Maintain Existing Investment Practices, (C) Continue Intercompany Transactions and (D) Provide Postpetition Intercompany Claims Administrative Expense Priority" [Docket No. 17].

purposes for which it was prepared. The Debtors are not liable for and undertake no responsibility to indicate variations between any information and reports prepared for securities law disclosure purposes or for any evaluations of the Debtors based on this financial information or any other information.

Global Notes Control. In the event that the Schedules differ from any of the foregoing Global Notes, the Global Notes shall control.

Disputed, Contingent and/or Unliquidated Claims. Certain claims listed in the Schedules may be designated as contingent, unliquidated and/or disputed. A failure to designate a claim on the Schedules as contingent, unliquidated and/or disputed does not constitute an admission that such claim is not subject to objection. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on the Schedules as to nature, amount, liability or status whether or not indicated as disputed, contingent, or unliquidated.

Intercompany Claims. In the ordinary course of business, the Debtors maintain business relationships with their Debtor affiliates, which may result in intercompany receivables and payables arising from intercompany transactions. As discussed in additional detail within the Cash Management Motion, intercompany transactions between Debtor entities, as well as between Debtors and non-debtors, include, but are not limited to expense allocations, revenue allocations and intercompany loans. Unless otherwise noted in the Schedules, the Debtors record the resulting net balances of these transactions in their books and records as equalized entries. Because the Debtors engage in intercompany transactions on a regular basis and such transactions are common among enterprises similar to the Debtors, the Debtors believe the intercompany transactions are ordinary course transactions within the meaning of section 363(c)(1) of the Bankruptcy Code. Thus, unless otherwise noted, the Debtors have reported the aggregate net intercompany balances among and between the Debtors and the non-Debtor subsidiaries as assets on Schedule B or as liabilities on Schedule F, as appropriate. Additionally, and as described in the Cash Management Motion, A&P is party to intercompany loan agreements with A&P Hungary (Non-Debtor) and The South Dakota Great Atlantic (Debtor). Balances due and owing pursuant to these intercompany claims are listed separately on Schedule B and Schedule F.

Excluded Assets and Liabilities. Certain liabilities resulting from accruals, liabilities recognized in accordance with GAAP and/or estimates of long-term liabilities either are not payable at this time or have not yet been reported. Therefore, they do not represent specific claims as of the Petition Date and are not otherwise set forth in the Schedules. Additionally, certain deferred assets, charges, accounts or reserves recorded for GAAP reporting purposes only and certain assets with a net book value of zero are not included in the Debtors' Schedules. Excluded categories of assets and liabilities include, but are not limited to, deferred tax assets and liabilities, deferred income, self insurance reserves, closed store and warehouse reserves, accrued occupancy related costs for open stores, deferred real estate income, favorable lease rights and unfavorable lease liabilities. Other immaterial assets and liabilities may have been excluded.

In the ordinary course of business, the Debtors maintain customer loyalty programs and offer customers an opportunity to enroll in a reward program (“Reward Card Program”) in order to provide incentives to buy selected products from the Debtors’ stores. This program is standard in the retail food business. As of the Petition Date, approximately 10 million unique reward cards were issued pursuant to the Reward Card Program. Due to the Debtors’ concern for the customers’ privacy, and because it would be unduly burdensome and costly, the Debtors have not included this customer list in their response to Schedule B24. Additionally, the Debtors’ customer list associated with the Reward Card Program is not representative of the customer lists generally identified in the Schedules. Moreover, the Debtors are honoring obligations under the Reward Card Program, pursuant to a First Day Order (defined below), so no claims will result from the obligations.

Liabilities associated with claims against the Debtor due to automobile accidents and other general liability incidents are managed by a third party administrator and are voluminous (approximately 6,000). The Debtors have identified all parties involved in such actions and included these parties in the creditors’ matrix to fulfill all noticing requirements for these parties. Further, the Debtors have identified the third-party administrator on Schedule F as an inclusive reference for these claims. The Debtors reserve all of their rights and defenses with respect to any and all listed lawsuits and administrative proceedings.

Summary of Significant Reporting Policies. The following is a summary of certain significant reporting policies:

a. **Current Market Value — Net Book Value.** In many instances, current market valuations are neither maintained by nor readily available to the Debtors. It would be prohibitively expensive and unduly burdensome to obtain current market valuations of the Debtors’ property interests that are not maintained or readily available. Accordingly, unless otherwise indicated, the Schedules reflect the net book values, rather than current market values, of the Debtors’ assets as of the Reporting Date and may not reflect the net realizable value. For this reason, amounts ultimately realized will vary, at some times materially, from net book value.

b. **First Day Orders.** Pursuant to various “First Day” orders issued by the Court on December 15, 2010, January 13, 2011, and February 27, 2011 (the “First Day Orders”), the Debtors were authorized to pay certain pre-petition claims including, without limitation, claims relating to employee wages and benefit claims, claims for taxes and fees, claims related to customer programs, critical vendor claims, claims of shippers, warehousemen and lien claimants. However, the claims listed in the Schedules may not reflect amounts paid pursuant to these various First Day Orders as they were unpaid as of the Petition Date. To the extent claims listed on the Schedules are subsequently paid pursuant to an order of the Bankruptcy Court (including the First Day Orders), the Debtors reserve all rights to amend or supplement their Schedules as necessary and appropriate.

c. **Paid Claims.** The Debtors have authority to pay certain outstanding prepetition payables pursuant to First Day Orders entered by the Bankruptcy Court. Additionally, the bankruptcy court authorized the Debtors to pay certain prepetition claims of employees (including workers' compensation claims) and customers. As such, except to the extent that employees or customers have claims in excess of the authority granted to the Debtors under the First Day Orders, the Debtors have not included claims of this nature in the Schedules. Further, to the extent that post-petition settlements may have been reached between the Debtors and with certain vendors/creditors, the terms of the settlement will prevail; superseding amounts listed in the Debtors' Schedules, and such settlement will be enforceable by all parties. To the extent the Debtors pay any of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all rights to amend or supplement the Schedules and Statements or take other action such as filing claims objections, as is necessary and appropriate to avoid over payment or duplicate payments for such liabilities.

d. **Setoffs.** The Debtors routinely incur certain setoffs from customers or suppliers in the ordinary course of business. Setoffs in the ordinary course can result from various items including, but not limited to, intercompany transactions, pricing discrepancies, customer programs, returns, warranties, refunds and other disputes between the Debtors and their customers and/or suppliers. These normal setoffs are consistent with the ordinary course of business in the Debtors' industries and can be particularly voluminous, making it unduly burdensome and costly for the Debtors to list such ordinary course setoffs. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and as such, are excluded from the Debtors' Schedules.

e. **Credits and Adjustments.** The claims of individual creditors for, among other things, goods, products, services or taxes are listed as the amounts entered on the Debtors' books and records and may not reflect credits, allowances or other adjustments due from such creditors to the Debtors. The Debtors reserve all of their rights with regard to such credits, allowances and other adjustments, including the right to assert claims objections and/or setoffs with respect to the same.

f. **Accounts Receivable.** The accounts receivable information listed on Schedule B includes receivables from the Debtors' customers which are calculated net of any amounts that, as of the Reporting Date, may be owed to such customers in the form of offsets or other price adjustments pursuant to the Debtors' customer program policies and day-to-day operating policies.

g. **Inventory.** Inventories are valued at lower of cost or market with cost determined under the retail method. Perishables and pharmacy inventories are stated at cost. Distribution center and other inventories are stated at the lower of cost or market. Inventory reserves and adjustments are based on calculations of a sample store physical inventory results, product mix adjustments and other inventory reserves on the Debtors'

books and records. As such, individual inventory balances reported include inventory reserves.

h. Property, Plant and Equipment. Owned property, plant and equipment are carried at cost. The costs of additions, improvements and major replacements are capitalized, while maintenance and repairs are charged to expense as incurred. Depreciation and amortization are calculated on a straight-line basis over the estimated useful lives of the related assets. Buildings are depreciated based on lives varying from twenty to forty years and equipment is depreciated based on lives varying from three to ten years. Leasehold improvements are amortized over the lesser of their estimated useful lives or the remaining available lease terms, up to a maximum life of 10 years.

In the ordinary course of their business, the Debtors may lease equipment from certain third-party lessors for use in the daily operation of its business. Any such leases are set forth in Schedule G and any current amount due under such leases that were outstanding as of the Petition Date is listed on Schedule F. The property subject to any of such leases is not reflected in either Schedule A or Schedule B as either owned property or assets of the Debtor nor is such property reflected in the Debtor's Statement of Financial Affairs as property or assets of third parties within the control of the Debtor. Nothing in the Schedules is or shall be construed as an admission or determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect to any of such issues, including the recharacterization thereof.

i. Liens. Known, filed mechanic's and UCC liens are listed on Schedule D. The inventories, property, plant and equipment listed in these Schedules are presented without consideration of any mechanics' or other liens. To the extent the corresponding Debtor is identified within the filed documents, the liens are identified on that Debtor's Schedule D. Those documents that do not identify a specific debtor are listed on Schedule D for A&P.

j. Leases. In the ordinary course of business, the Debtors may lease certain fixtures and equipment from certain third party lessors for use in the daily operation of their businesses. The underlying lease agreements are listed on Schedule G and any current amount due under such leases that was outstanding as of the Petition Date is listed on Schedule F. Nothing in the Schedules is or shall be construed as an admission as to the determination of the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect to such issues, including the recharacterization thereof.

Undetermined Amounts. The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount.

Estimates. To timely close the books and records of the Debtors as of the Reporting Date and to prepare such information on a legal entity basis, the Debtors were required to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and reported

revenue and expenses as of the Reporting Date. The Debtors reserve all rights to amend the reported amounts of assets, liabilities, reported revenue and expenses to reflect changes in those estimates and assumptions.

Totals. The asset totals listed on Schedules A and B represent all known amounts included in the Debtors' books and records as of the Reporting Date. To the extent there are unknown or undetermined amounts, the actual total may be different than the total listed.

Classifications. The listing of a claim (a) on Schedule D as "secured," (b) on Schedule E as "priority," (c) on Schedule F as "unsecured priority," or (d) listing a contract or lease on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtors of the legal rights of the claimant, or a waiver of the Debtors' right to recharacterize or reclassify such claim or contract pursuant to a schedule amendment, claim objection or otherwise.

Claims Description. Any failure to designate a claim on a given Debtor's Schedules as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent" or "unliquidated." The Debtors reserve all rights to dispute, or to assert any offsets or defenses to, any claim reflected on their respective Schedules on any grounds including, without limitation, amount, liability, validity, priority or classification, or to otherwise subsequently designate any claim as "disputed," "contingent" or "unliquidated." Listing a claim does not constitute an admission of liability by the Debtors, and the Debtors reserve the right to amend the Schedules accordingly.

Guaranties and Other Secondary Liability Claims. The Debtors have used reasonable efforts to locate and identify guaranties and other secondary liability claims (collectively "Guaranties") in their executory contracts, unexpired leases, secured financing, debt instruments and other such agreements, however, a review of these agreements, specifically the Debtors' leases and contracts, is ongoing. Where such Guaranties were identified, they are included in the relevant Schedule for the Debtor or Debtors affected by such Guaranties. The Debtors have reflected the Guaranty obligations for both the primary obligor and the guarantors with respect to their secured financings and debt instruments on Schedule H. Guaranties with respect to the Debtors' contracts and leases are not included on Schedule H and the Debtors believe that certain Guaranties embedded in the Debtors' executory contracts, unexpired leases, other secured financing, debt instruments and similar agreements may exist and, to the extent they do, will be identified upon further review. Therefore, the Debtors reserve their rights to amend the Schedules to the extent additional Guaranties are identified.

Schedule-Specific Notes. Each of Schedules A, B, D, E, F and G contain explanatory or qualifying notes that pertain to the information provided in the Schedules. Those schedule-specific notes are incorporated herein by reference.

Schedule A. Schedule A of a particular Debtor includes solely that Debtor's owned real property. As noted herein, the values listed for the various properties are the net book values contained on the fixed asset register for the named Debtor. If there are multiple named owners of certain real

estate, that ownership is only listed on one Debtor's fixed asset register, and therefore contained in a single Schedule A entry.

Due to the complexity of certain of the Debtors' leasing and real estate transactions, the Debtors may have inadvertently listed certain properties as real property assets on Schedule A when such properties are in fact properties that are subject of certain of the executory contracts and unexpired leases reported on Schedule G. The Debtors reserve all rights to recharacterize their interests in such real property at a later date. Further, due to the volume of the Debtors' real and personal property holdings, the Debtors may have listed certain assets as real property assets when such holdings are in fact in the nature of personal property holdings. Debtors may also have listed certain assets as personal property assets when such holdings are in fact real property holdings. The Debtors are continuing to review all relevant documents and expressly reserve their right to amend, recategorize and/or recharacterize such asset holdings at a later time to the extent the Debtors determine such holdings were improperly listed.

Schedule B. Despite its reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in its Schedules including, but not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy laws to recover assets. Unless otherwise noted on specific responses, items in Schedule B are reported from the Debtors' books and records dated December 4, 2010. The Debtors reserve all of their rights with respect to any claims, causes of action, or avoidance actions it may have and neither these Global Notes nor the Schedules shall be deemed a waiver of any such claims, causes of action, or avoidance actions or in any way prejudice or impair the assertion of such claims.

With respect to Schedule B.9, A&P lists ING issued company-owned life insurance policies ("COLI"). The value assigned to A&P's interests in these policies is net of outstanding loans against the cash surrender value of the policies. Accordingly, for purposes of the Schedules, the outstanding loan balances are not disclosed in the Debtors' response in Schedule F. This presentation may not be consistent with GAAP.

With respect to Schedule B.22, the Debtors have listed all known information regarding copyrights and trademarks. For works created by individual authors on or after January 1, 1978, copyright protection begins at the moment of creation and lasts for a period of 70 years after the author's death. In the case of a "joint work" (prepared by two or more authors) the term lasts for 70 years after the last surviving author's death. For works made for hire, and for anonymous and pseudonymous works, copyright protection generally lasts for 95 years from publication or 120 years from creation, whichever is shorter.

(Source: <http://www.uspto.gov/web/offices/dcom/olia/copyright/copyrightrefresher.htm>)

In order to renew a trademark, the owner of the trademark registration must file a §8 Declaration of Continued Use (Section 8 of the Trademark Act, 15 U.S.C. §1058) during the following time periods: 1) First Filing Deadline: File a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. § 1058. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period from the

registration date, unless cancelled by an order of the Commissioner for Trademark or a federal court. 2) Subsequent Filing Deadline: File a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date, and between every 9th and 10th year after the registration date thereafter. *See 15 U.S.C. § 1059.*

Schedule D — Creditors Holding Secured Claims. Except as otherwise agreed pursuant to a stipulation, agreed order or general order entered by the Bankruptcy Court that is or becomes final, the Debtors and/or their estates reserve their right to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D of any Debtor. Although the Debtors may have scheduled claims of various creditors as secured claims for informational purposes, no current valuation of the Debtors' assets in which such creditors may have a lien has been undertaken. Further, the Debtors have included the results of UCC searches performed prior to the Petition Date, however, the listing of such results shall not be deemed an admission as to the validity or existence of any such lien. The Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. The descriptions provided in Schedule D are intended only to be a summary and amounts due reflect principal amounts due as of the Petition Date. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Detailed descriptions of the Debtors' pre-petition debt structure, guarantees and descriptions of collateral relating to each debt contained on Schedule D are contained in Paragraph 28 of the Declaration of Frederic F. Brace (A) In Support of Debtors' Chapter 11 Petitions and First Day Pleadings and (B) Pursuant to Local Rule 1007-2.

Except as specifically stated herein, real property lessors, equipment lessors, utility companies and other parties which may hold security deposits or other security interests have not been listed on Schedule D. The Debtors have not included parties whose claims may be secured through rights of setoff, deposits or advance payments posted by, or on behalf of, the Debtors, or judgment or statutory lien rights on Schedule D.

Pursuant to the terms of the Debtor's Superpriority Debtor-in-Possession Credit Agreement (as amended and restated) with JPMorgan Chase Bank, N. A. ("JPMorgan"), which provides for a \$800 million debtor-in-possession ("DIP") financing facility, the Debtors have paid off the outstanding, pre-petition balances due to Bank of America ("Secured Credit Facility"), under the prepetition first lien credit facilities. Accordingly, the pre-petition, secured debt was subsequently satisfied by a first-priority, fully perfected lien on all unencumbered assets (primarily consisting of certain of the Debtors' leasehold interests) held by JPMorgan. For purposes of the Debtors Schedules, pre-petition debt is reflected as of the filing date of the bankruptcy. The Secured Credit Facility also provided for, among other things, a \$400 million letter of credit subfacility under which approximately \$196.2 million in letters of credit were issued and outstanding as of December 11, 2010. As part of the DIP, JPMorgan issued a backstop letter of credit to the benefit of Bank of America as the Debtors transition to JPMorgan outstanding letters of credit issued under the Secured Credit Facility. The letter of credit

subfacility under the Secured Credit Facility is not included in the Debtors' response to Schedule D. The Creditors' Committee has the right to challenge the DIP until April 11, 2011.

Schedule E — Creditors Holding Unsecured Priority Claims. The Debtors have not listed any tax, wage or wage-related obligations for which the Debtors have been granted authority to pay pursuant to First Day Orders on Schedule E. The Debtors believe that all such claims for wages, salaries, expenses, benefits and other compensation as described in the First Day Order have been or will be satisfied in the ordinary course during these chapter 11 cases pursuant to the authority granted in the relevant First Day Orders. The Debtors reserve their right to dispute or challenge whether creditors listed on Schedule E are entitled to priority claims.

Claims owing to various taxing authorities to which the Debtors may potentially be liable are included on the Debtors' Schedule E. However, certain of such claims may be subject to on-going audits and the Debtors are otherwise unable to determine with certainty the amount of the remaining claims listed on Schedule E. Therefore, the Debtors have listed all such claims as unliquidated, pending final resolution of on-going audits or other outstanding issues.

Schedule F — Creditors Holding Unsecured Nonpriority Claims. The Debtors have attempted to relate all liabilities to each particular Debtor. As a result of the Debtors' consolidated operations, however, the reader should review Schedule F for all Debtors in these cases for a complete understanding of the unsecured debts of the Debtors. Certain creditors listed on Schedule F may owe amounts to the Debtors and, as such, may have valid setoff and recoupment rights with respect to such amounts. The amounts listed on Schedule F may not reflect any such right of setoff or recoupment and the Debtors reserve all rights to challenge any setoff and/or recoupment rights that may be asserted. Additionally, certain creditors may assert mechanics', materialman's, or other similar liens against the Debtors for amounts listed on Schedule F. The Debtors reserve their right to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be perfected by a creditor listed on Schedule F of any Debtor. In addition, certain claims listed on Schedule F may be entitled to priority under 11 U.S.C. § 503(b)(9). The Debtors have made reasonable efforts to include all trade creditors on Schedule F; however, the Debtors believe there are instances where vendors have yet to provide proper invoices for prepetition goods or services. While the Debtors maintain general accruals to account for these liabilities in accordance with GAAP, these amounts are estimates and have not been included on Schedule F.

The Debtors' accounting system tracks vendors by vendor number. Because many vendors do business with several of the Debtors' locations, and the Debtors may do business with many vendor locations, there are instances where the same vendor has multiple vendor numbers. For purposes of Schedule F, the Debtors' have not aggregated all claims of such vendors with multiple vendor numbers, but rather have separately listed the claims of such vendors under each vendor number. Unless otherwise noted, the claims listed on Schedule F are based on the Debtors' books and records as of the Petition Date. The claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. While reasonable efforts have been made, determining the date upon which each

claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed on Schedule F.

Schedule F also contains information regarding pending litigation involving the Debtors. In certain instances, the relevant Debtor that is the subject of the litigation is unclear or undetermined. However, to the extent that litigation involving a particular Debtor has been identified, such information is contained in the Schedule for that Debtor. The amounts for these potential claims are listed as undetermined and marked as contingent, unliquidated and disputed in the Schedules. Workers' compensation claims generally have been excluded from the Schedules and Statements because the Debtors are performing their workers' compensation obligations in accordance with the Wages Order.³

Schedule F includes the aggregate net intercompany payable amounts that may or may not result in allowed or enforceable claims by or against a given Debtor, and listing these payables is not an admission on the part of the Debtors that the intercompany claims are enforceable or collectible. The intercompany payables also may be subject to set off, recoupment, netting or other adjustments made pursuant to intercompany policies and arrangements not reflected in the Schedules.

Schedule G — Executory Contracts and Unexpired Leases. Although reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases (collectively the “Agreements”), review is ongoing and inadvertent errors, omissions or over-inclusion may have occurred. The Debtors may have entered into various other types of Agreements in the ordinary course of their businesses, such as indemnity agreements, supplemental agreements, amendments/letter agreements, and confidentiality agreements which may not be set forth in Schedule G. In addition, as described in herein, certain confidential information has been omitted or redacted that will be provided upon the request of the Office of the United States Trustee, the advisors for the Creditors’ Committee, or the advisors for the DIP Agent.

The Debtors have not listed short-term purchase and sales orders because of their large number and transitory nature. Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. Schedule G may be amended at any time to add any omitted Agreements. Likewise, the listing of an Agreement on Schedule G does not constitute an admission that such Agreement is an executory contract or unexpired lease or that such Agreement was in effect on the Petition Date or is valid or enforceable. The Agreements listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements which may not be listed on Schedule G.

³ The “Wages Order” filed on January 13, 2011 - “Final Order Authorizing, but not Directing, the Debtors to (A) Pay Certain Prepetition Wages and Reimbursement Employee Expenses, (B) Pay and Honor Employee Medical and Other Benefits and (C) Continue Employee Benefits Programs” [Docket No. 497].

Global Notes to the Schedules

Page 12

Any and all of the Debtors' rights, claims and causes of action with respect to the Agreements listed on Schedule G are hereby reserved and preserved, and as such, the Debtors hereby reserve all of their rights to (i) dispute the validity, status, or enforceability of any Agreements set forth on Schedule G, (ii) dispute or challenge the characterization of the structure of any transaction, or any document or instrument related to a creditor's claim, including, but not limited to, the Agreements listed on Schedule G and (iii) to amend or supplement such Schedule as necessary.

Certain of the Agreements listed on Schedule G may have been entered into or on behalf of more than one of the Debtors. Additionally, the specific Debtor obligor(s) to certain of the Agreements could not be specifically ascertained in every circumstance. Additionally, the specific Debtor obligor(s) could not be ascertained in every circumstance. In such cases, the Debtors have made reasonable efforts to identify the correct Debtors' Schedule G on which to list the agreement and, where a contract party remained uncertain, such Agreements may have been listed on a different Debtor's Schedule G.

Schedule H — Co-Debtors. The Debtors are party to various secured debt agreements which were executed by multiple Debtors and all other domestic subsidiaries. The obligations of guarantees under the pre-petition, secured credit agreements are noted on Schedule H for each individual debtor. In the ordinary course of their businesses, the Debtors are involved in pending or threatened litigation and claims arising out of the conduct of their businesses. Some of these matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties. Because such claims are listed elsewhere in the Schedules, they have not been set forth individually on Schedule H. Further, the Debtors may not have identified certain guarantees that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements. In the event that two or more Debtors are co-obligors with respect to a scheduled debt or guaranty, such debt or guaranty is listed in the Schedules and Statements of each such Debtor at the full amount of such potential claim, and such claim is marked "contingent" and "unliquidated." No claim set forth on the Schedules and Statements of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other Debtors or non-Debtors. To the extent there are guarantees connected with any joint ventures to which the Debtor may be a party, such agreements are not identified in the Debtors' Schedules.

SCHEDULE D - CREDITORS HOLDING SECURED CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is the creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H – Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "HWJC."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Total the columns labeled "Amount of Claim Without Deducting Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. Report the total from the column labeled "Amount of Claim Without Deducting Value of Collateral" also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report the total from the column labeled "Unsecured Portion, if Any" on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding secured claims to report on this Schedule D.

SCHEDULE E - CREDITORS HOLDING UNSECURED PRIORITY CLAIMS

A complete list of claims entitled to priority, listed separately by type of priority, is to be set forth on the sheets provided. Only holders of unsecured claims entitled to priority should be listed in this schedule. In the boxes provided on the attached sheets, state the name, mailing address, including zip code, and last four digits of the account number, if any, of all entities holding priority claims against the debtor or the property of the debtor, as of the date of the filing of the petition. Use a separate continuation sheet for each type of priority and label each with the type of priority.

The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m).

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H-Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "HWJC." If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of claims listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all claims listed on this Schedule E in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

Report the total of amounts entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all amounts entitled to priority listed on this Schedule E in the box labeled "Totals" on the last sheet of the completed schedule. Individual debtors with primarily consumer debts report this total also on the Statistical Summary of Certain Liabilities and Related Data.

SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "HWJC."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding unsecured nonpriority claims to report on this Schedule F.
