**DEBTORS' EIGHTY-FIFTH OMNIBUS OBJECTION:
OBJECTIONS TO THE TEMPORARY ALLOWANCE
FOR VOTING PURPOSES OF CERTAIN ASSERTED CLASS 4 CLAIMS
FILED BY MOTLEY RICE**

Pursuant to Section 502 of the Bankruptcy Code, Federal Rules of Bankruptcy Procedure 3007 and 3018, and the Order Approving Disclosure Statement and Establishing Asbestos Claims Bar Date and Procedures for Solicitation (Docket No. 4542) (the "Solicitation Order"), Debtors hereby file this objection (this "Objection") to the Temporary Allowance for Voting Purposes of Certain Class 4 Claims (the "Subject Claims") Filed by Motley Rice, LLC (the "Filing Firm"). The Subject Claims do not meet the Solicitation Order's requirements for temporary allowance because they were settled and paid pre-petition, were dismissed with prejudice, are time-barred, or were resolved by final judgment pre-petition. [The Subject Claims constitute a portion of claims filed by the Filing Firm and identified by Debtors as not meeting these requirements.] Through Debtors' Relief Motion, submitted in connection with this Objection, Debtors request additional relief to permit Debtors to further evaluate the remaining

claims submitted by Filing Firm and, if necessary, lodge objections to such claims. In support of this Objection, Debtors show the following:

JURISDICTION

1. The Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This proceeding is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). Venue of this Objection is proper under 28 U.S.C. § 1408.

2. The statutory predicates for this Objection are 11 U.S.C. §§ 105(a) and 502(b) and Federal Rules of Bankruptcy Procedure 3001(a), 3001(c), 3007(d), 3007(f), and 3018.

3. Debtors make this Objection pursuant to the terms and requirements of the Solicitation Order.

BACKGROUND

4. On April 10, 2015, this Court entered the Solicitation Order, thereby approving Debtors' Disclosure Statement concerning Debtors' Second Amended Plan of Reorganization (the "Plan") and approving solicitation and voting procedures in connection with the confirmation of the Plan.

5. The Solicitation Order required certain Class 4 claimants seeking to vote to accept or reject the Plan to file a ballot in the form ordered prior to the Voting Deadline and Asbestos Claims Bar Date, October 6, 2015. Solicitation Order ¶ 5.

6. For Class 4 claimants to cast a ballot to vote to accept or reject the Plan, the Solicitation Order required the claimant or their attorney to make certain certifications. The Filing Firm, in this instance, filed a Master Ballot for Class 4 Claims that required attorneys for the firm to "certify under penalty of perjury that the following matters are true and correct to the best of such attorney's knowledge, information, and reasonable belief":

- a. the claimants identified in the accompanying exhibit each hold a Current GST Asbestos Claim (as defined in the Plan) that has not been dismissed with prejudice or settled and paid, and is not known to be time-barred;
- b. the Injured Parties listed in the exhibit were diagnosed with pleural or peritoneal mesothelioma, lung cancer, laryngeal cancer, or asbestosis, as indicated in the exhibit, based on, or as evidenced in, medical records or similar documentation in the possession of the claimants, their attorneys, or the respective physicians of those claimants or Injured Parties;
- c. the Injured Parties listed in the exhibit were exposed to asbestos released from asbestos-containing gaskets or packing manufactured, produced, fabricated, distributed, supplied, marketed, or sold by Garlock (“GST Asbestos Exposure”); and
- d. the attorney is authorized by the holders of claims listed in the exhibit to vote on the Plan on their behalf, and to represent that the Injured Parties listed in the exhibit have (or, if deceased, had) the respective diseases noted in the exhibit and GST Asbestos Exposure.²

7. Pursuant to the Solicitation Order, any objections to temporary allowance of Class 4 Current GST Asbestos Claims must be filed on or before November 5, 2015. *See* Solicitation Order ¶ 17.

8. This Objection is made in connection with Debtors’ Motion Seeking Relief From Solicitation Order and Modification of Criteria for Temporary Allowance of Class 4 Claims for Voting Purposes (the “Relief Motion”).

² *See* Solicitation Order Ex. 2 at Class 4-Master-8 (form of Master Ballot); *see also* Solicitation Order ¶ 17; Voting Procedures at 3-4.

9. This Objection and the Relief Motion seek relief pursuant to and consistent with the Solicitation Order.

RELIEF REQUESTED

10. Debtors seek entry of an order denying temporary allowance for voting purposes of the Subject Claims in connection with the confirmation of the Plan.³ Should the Court grant Debtors' Relief Motion, Debtors would seek to defer a hearing on this Objection pending compliance by Class 4 claimants with the documentation requirements requested in the Relief Motion.

11. A proposed order denying temporary allowance for voting purposes of the Subject Claims is submitted herewith and attached hereto as Exhibit A.⁴

BASIS FOR THE RELIEF REQUESTED

12. The Solicitation Order quite plainly set forth the criteria for claims to be temporarily allowed for voting purposes. That order, the accompanying Voting Procedures, and the Ballots themselves likewise plainly set forth such criteria.

13. In particular, to be eligible to vote, claimants, or their representatives (including attorneys voting such claimants' claims) were required to make the certifications under penalty of perjury outlined in ¶ 6 above. Among those certifications were that each claimant casting a

³ Pursuant to the Solicitation Order, Debtors need not file objections to allowance of claims in Class 4, Class 5, and Class 6 for purposes other than voting prior to any hearing on confirmation of the Plan. *Id.* ¶ 18.

⁴ This Objection is filed without prejudice to any alternative grounds Debtors may assert in objecting to temporary allowance or allowance of the Subject Claims on other bases and for other purposes, all of which grounds are hereby expressly reserved, and nothing contained herein constitutes a waiver by Debtors of such grounds. *See, e.g., In re Worldcom, Inc.*, No. 02-13533, 2006 WL 2400094, at *4 (Bankr. S.D.N.Y. 2006) (allowing Debtor to assert additional bases for objecting to proof of claim, other than those asserted in initial objection, in accordance with express reservation of rights).

ballot “hold[s] a Current GST Asbestos Claim (as defined in the Plan) that has not been **dismissed** with prejudice or **settled and paid**, and is not known to be **time-barred**.”⁵ (emphasis added)

14. As described in more detail in the Relief Motion, after the Voting Deadline, Debtors’ claims experts at Bates White began matching ballots to the Garlock Analytical Database and analyzing the claims. *See generally* Relief Motion. This analysis demonstrated that tens of thousands of voted claims did not meet the Court’s requirements for temporary allowance because they were settled and paid pre-petition, were dismissed with prejudice, are clearly time-barred, were resolved by final judgment pre-petition, do not have evidence of GST Asbestos Exposure, or do not have a diagnosis of disease.

15. The Relief Motion and the Declaration of Charles Bates and Affidavit of Elizabeth Barry, filed with the Relief Motion, all are expressly incorporated herein by reference. Those documents set forth in more detail the analysis performed by Bates White and the context for that analysis provided by Garrison.

16. Based on this analysis, numerous ballots cast by the Filing Firm did not meet voting criteria and should not have been submitted. The Subject Claims are illustrative of claims filed by the Filing Firm that did not meet voting criteria on some or all of the following grounds:

- a. *Settled*. Claims recorded as settled and paid in Debtors’ database.
- b. *Manville 2002*. Claims asserted against the Manville Trust in 2002 or earlier on behalf of claimants who never filed suit against Debtors, yet now are attempting to assert claims that are clearly time-barred under

⁵ *See* Solicitation Order Ex. 2 at Class 4-Master-8 (form of Master Ballot) (emphasis added).

applicable state law. *See* Exhibit to Relief Motion (summarizing state statutes of limitation).

- c. *Bankruptcy Ballots*. Claims voted in bankruptcies before June 2007 on behalf of claimants who never filed suit against Debtors, yet now are attempting to assert claims that are clearly time-barred under applicable state law. *See* Exhibit to Relief Motion (summarizing state statutes of limitation).
- d. *Plaintiff's Verdict or Defense Verdict*. Claims resolved by plaintiff's verdict or defense verdict and subject to a final judgment.
- e. *Foreign/Dismissed*. Canadian claims dismissed by Rhode Island courts with the to refile in Canada, but no longer viable in the United States.

17. Attached as Exhibit B is a listing of the Subject Claims, which for the reasons described above and identified in Exhibit B do not meet the criteria for temporary allowance.

18. The Subject Claims are only a portion of the claims filed by the Filing Firm that did not meet voting criteria for one or more reasons identified in ¶ 16 above. Given the time constraints on Debtors to file these Objections before November 5, 2015, as well as the procedural restraints of Bankruptcy Rule 3007 (limiting omnibus objections to 100 claims), Debtors identified the Subject Claims as a sample of the objectionable ballots and/or proofs of claim filed by the Filing Firm. This Objection objects specifically to such Subject Claims.

19. Through the Relief Motion, Debtors seek a revision of the Solicitation Order to implement verification procedures that ensure claimants vote in Class 4 only if they meet temporary allowance criteria. Those information and documentation requirements requested are described in detail in the Relief Motion.

20. The Relief Motion also requests that Debtors be (1) relieved from the 100-claim limit applicable to omnibus objections, (2) relieved of the Solicitation Order's November 5, 2015 deadline for filing objections to the temporary allowance for voting purposes of Class 4 claims, and (3) permitted to lodge objections in an omnibus fashion on a Filing Firm-by-Filing Firm basis to claims that, after providing information requested by the Relief Motion, fail to meet voting requirements.

PROCEDURAL MATTERS

21. Pursuant to the Solicitation Order, Debtors are required to meet and confer with parties in interest to develop a mutually agreeable schedule governing the disposition of this Objection. For that reason, no notice of hearing will be filed with this Objection, and Debtors will work with the Court to indicate no hearing will be scheduled on the Court docket.

22. Immediately following the filing of this Objection, Debtors will communicate with parties in interest to facilitate such conference.

23. Debtors will serve with this Objection, the Declaration of Charles Bates, the Affidavit of Elizabeth Barry, and the Relief Motion, all of which are incorporated by reference herein.

CONCLUSION

24. For the reasons set forth above, Debtors object to the temporary allowance for voting purposes of the Subject Claims.

This 5th day of November, 2015.

Respectfully submitted,
