**SCHEDULES OF ASSETS AND LIABILITIES
AND STATEMENT OF FINANCIAL AFFAIRS
FOR GENERAL MARITIME CORPORATION (CASE NO. 11-15285) (MG)**

**GENERAL NOTES PERTAINING TO THE DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

I. Introduction

On the date hereof, each of General Maritime Corporation ("**General Maritime**"), and its affiliated debtors in the above-referenced chapter 11 cases (collectively, the "**Chapter 11 Cases**"), as debtors and debtors-in-possession (the "**Debtors**"), with the assistance of their management and advisors, filed their Schedules of Assets and Liabilities (collectively, the "**Schedules**") and their Statements of Financial Affairs (collectively, the "**Statements**," and, together with the Schedules, the "**Schedules and Statements**"), pursuant to section 521 of chapter 11 of title 11 of the United States Code (the "**Bankruptcy Code**") and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "**Bankruptcy Rules**"). The Schedules and Statements have been executed, as appropriate, by the following authorized signatories (collectively, the "**Authorized Signatories**"): (i) Jeffrey D. Pribor, the Chief Financial Officer of General Maritime, (ii) Brian D. Kerr, Director of Accounting of General Maritime and director/manager for substantially all of General Maritime's subsidiary Debtors, and (iii) Milton H. Gonzales, Jr., manager of Debtor General Maritime Management LLC. In reviewing and executing the Schedules and Statements, the Authorized Signatories relied upon the efforts, statements, and representations of various personnel of the Debtors and the advice of counsel and other professional advisors of the Debtors (collectively, the "**Advisors**"). The Authorized Signatories have not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors.

In addition, while the Debtors have made reasonable efforts to ensure that the Schedules and Statements are as accurate and complete as reasonably possible based on the information that was available at the time of preparation, (i) additional information, or subsequent discovery thereof, may result in material changes to these Schedules and Statements, and (ii) inadvertent errors or omissions may exist. Furthermore, because the Schedules and Statements contain unaudited financial information that is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statements are complete. Accordingly, the Debtors reserve all rights to amend, supplement, or otherwise modify the Schedules and Statements to the extent that they deem necessary and appropriate. Notwithstanding any such right, the Debtors shall not be required to update the Schedules and Statements. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of any rights or claims of the Debtors against any creditor or other third party, or in or with respect to any of these Chapter 11 Cases.

II. General Notes

A. Description of Cases

On November 17, 2011 (the "**Petition Date**") the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York (the "**Bankruptcy Court**"), jointly administered under Case No. 11-15285 (MG). The Debtors are operating their business and managing their property as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On November 18, 2011, an order was entered directing procedural consolidation and joint administration of these Chapter 11 Cases [Docket No. 37]. Notwithstanding the joint administration of the Debtors' cases for procedural purposes, each Debtor has filed its own Schedules and Statements. All asset and liability information contained in the Schedules and Statements, except where otherwise noted, is reported as of the close of business on November 16, 2011.

B. Purpose of General Notes

These general notes to the Schedules and Statements (the "**General Notes**") pertain to, are incorporated by reference in, and comprise an integral part of all of the Schedules and Statements. The General Notes should be referred to and reviewed in connection with any review of the Schedules and Statements. The General Notes are in addition to, and intended to supplement, the Schedules and Statements.

C. Methodology in Preparation of the Schedules and Statements

- i. **Basis of Presentation.** The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("**GAAP**"), nor are they intended to be fully reconciled to the financial statements of each Debtor. The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment. For financial reporting purposes, the Debtors and their non-debtor affiliates (the "**Non-Debtors**") historically prepared consolidated financial statements. Unlike the consolidated financial statements, the Schedules and Statements, except where otherwise indicated, reflect the assets and liabilities of each Debtor on a non-consolidated basis. The Schedules and Statements reflect the Debtors' reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis. Certain amounts contained herein may be rounded to the nearest whole dollar. In addition, the Debtors have substantial international operations and routinely transact business and incur claims in currency other than U.S. dollars. As such, certain of the amounts contained herein have been converted from the applicable foreign currencies into U.S. dollars at the time such amounts were booked by the Debtors.

- ii. **Prepetition Financial Reporting.** General Maritime is a publicly-held corporation, the common shares of which traded prior to the Petition Date on the New York Stock Exchange under the symbol “GMR.”¹ For financial reporting purposes, General Maritime prepares consolidated quarterly and annual financial statements, including the Debtors and the Non-Debtors, that are filed with the U.S. Securities and Exchange Commission (the “**SEC**”). The quarterly financial statements are unaudited and the annual financial statements are audited. Unlike the consolidated financial statements, these Schedules and Statements reflect the assets and liabilities of each separate Debtor except where indicated otherwise and presented on the basis described herein. In addition, not all of the direct and indirect subsidiaries of General Maritime are Debtors in these Chapter 11 Cases. Accordingly, combining the assets and liabilities set forth in the Schedules and Statements of the Debtors would result in amounts that differ substantially and materially from financial information regarding General Maritime and its subsidiaries that would be prepared on a consolidated basis under GAAP. Therefore, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the financial statements filed by General Maritime with the SEC.
- iii. **Consolidated Accounts Payable and Disbursements System.** The Debtors and the Non-Debtors utilize consolidated accounts payable and disbursement systems in their day-to-day operations, the effect of which, in part, is that certain accounts payable and or payment detail is not readily available on a legal entity basis. Furthermore, certain liabilities are incurred upon the Debtors’ behalf by the Non-Debtors and other third parties, such as third-party ship managers who manage certain of the Vessels. Although efforts have been made to attribute open payable amounts to the correct legal entity, the Debtors reserve their right to modify or amend the Schedules and Statements to attribute such payable amounts to a different legal entity, if appropriate. Payments made are listed by the entity making such payment notwithstanding that many such payments may have been made on behalf of another entity. The Debtors track these payments and generate corresponding claims that are recorded on the Debtors’ intercompany accounts. Moreover, certain of the Debtors and/or Non-Debtors act on behalf of other Debtors and/or Non-Debtors. Reasonable efforts have been made to indicate the ultimate beneficiary of a payment or obligation. However, whether or not a particular payment or obligation was incurred by the entity actually making the payment or incurring the obligation is a complex question of applicable non-bankruptcy law.

¹ On December 14, 2011, the New York Stock Exchange filed a Form 25 Notification of Removal From Listing and/or Registration Under Section 12(B) of the Securities Exchange Act of 1934, that delisted General Maritime’s common shares effective as of December 24, 2011.

Accordingly, the Debtors reserve all rights to reclassify any payment or obligation as belonging to another entity. However, for the avoidance of doubt, the Debtors have included a number of payments and obligations incurred by the Non-Debtors with respect to transactions undertaken on behalf of a Debtor, with such payment or obligation listed on the applicable Debtor's Schedules and Statements. For example, payments relating to a Vessel may have been made by a Non-Debtor entity on behalf of a Debtor owning the applicable Vessel and, as such, the payment has been listed as if made by the Vessel-owning Debtor entity. Nothing herein constitutes an admission that the Debtor entity is the obligor of such payment.

- iv. **Confidential Information.** There may be instances in the Schedules and Statements where the Debtors deemed it necessary and appropriate to redact from the public record information such as names, addresses or amounts. Typically, the Debtors have used this approach because of an agreement between the Debtors and a third party, concerns of confidentiality, or concerns for the privacy of an individual. In addition, certain of the Debtors are parties to executory contracts with confidentiality provisions and, where applicable, confidential information has not been included in the Schedules and Statements.
- v. **Insiders.** For purposes of the Schedules and Statements, the Debtors define "insiders" pursuant to section 101(31) of the Bankruptcy Code as (a) directors; (b) officers; (c) shareholders holding in excess of 5% of the voting shares; and (d) relatives of directors, officers, or shareholders of the Debtors. The Debtors define directors as members of the board of directors. The Debtors' response to Statement 3c includes payments made to such creditors who are or were insiders to the extent such payments were made during the time in which the party was an insider and only in such party's capacity as an insider.

Persons listed as "insiders" have been included for informational purposes only. The Debtors do not take any position with respect to: (a) such person's influence over the control of the Debtors, (b) the management responsibilities or functions of such individual, (c) the decision-making or corporate authority of such individual, or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose. Nor is inclusion of a party as an "insider" an acknowledgment or concession that such party is an "insider" under applicable bankruptcy law.

- vi. **Current Market Value - Net Book Value.** In certain instances, current market valuations for individual items of property and other assets are

neither maintained by, nor readily available to, the Debtors. Accordingly, unless otherwise indicated, the Debtors' Schedules and Statements reflect net book values. Market values may vary, at some times materially, from net book value. Also, assets that have been fully depreciated or that were expensed for accounting purposes do not appear in these Schedules and Statements as they have no net book value. Further, the amounts of these items are of immaterial value to the Debtors' estates.

- vii. **Prepetition Liabilities.** The Debtors allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. The Debtors reserve all rights to modify, amend, and supplement the Schedules and Statements as is necessary and appropriate. Furthermore, the amounts disclosed herein reflect amounts appearing on the Debtors' books and records as owing as of the Petition Date. Additional amounts reflecting accrued, but unbilled, liabilities may not be reflected.
- viii. **Undetermined Amounts.** The description of an amount as "unknown," "TBD" or "undetermined" is not intended to reflect upon the materiality of such amount.
- ix. **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- x. **Paid Claims.** The Debtors have authority to pay certain outstanding prepetition payables pursuant to bankruptcy or other court order. As such, outstanding liabilities have been reduced by any court approved postpetition payments made on prepetition payables. To the extent such liabilities have been satisfied, the Debtors have adjusted the amounts reported on the Schedules and Statements to reflect such payments. Furthermore, to the extent the Debtors later pay any amount of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all rights to amend or supplement the Schedules and Statements or take other action, such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payments for liabilities.
- xi. **Intercompany Claims.** Receivables and payables among the Debtors in these Chapter 11 Cases and their affiliates are reported on Schedule B16 and Schedule F, respectively. The listing of any amounts with respect to

such receivables and payables is not and shall not be construed as an admission of the characterization of such balances, as debt, equity or otherwise.

- xii. **Excluded Assets and Liabilities.** The Debtors have excluded the following categories of assets and liabilities from the Schedules and Statements: certain deferred charges, and accounts or reserves recorded only for purposes of complying with the requirements of GAAP. To the extent the Debtors are aware of accrued liabilities as of the Petitions Date, such liabilities have been included on the Schedules and Statements. Other immaterial assets and liabilities may also have been excluded.
- xiii. **Liens.** The inventories, property, and equipment listed in the Schedules and Statements are presented without consideration of any liens (including, without limitation, rights of creditors under any applicable maritime laws).

D. Reservations and Limitations

Nothing contained in the Schedules and Statements shall constitute a waiver of any of the Debtors' rights or an admission with respect to the Chapter 11 Cases, including, without limitation, any issues involving substantive consolidation, equitable subordination, defenses, or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant applicable laws to recover assets or avoid transfers.

- i. **No Admission.** Nothing contained in the Schedules and Statements is intended or should be construed as an admission or stipulation to the amount or validity of any claim against the Debtors, assertion made therein or herein or a waiver of the Debtors' rights to dispute any claim or assert any cause of action or defense against any party.
- ii. **Characterization.** Notwithstanding that the Debtors have made reasonable efforts to correctly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors nonetheless may have improperly characterized, classified, categorized, or designated certain items. Thus, the Debtors reserve all rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as is necessary and appropriate.
- iii. **Classifications.** Listing a claim (1) on Schedule D as "secured," (2) on Schedule E as "priority," (3) on Schedule F as "unsecured," or (4) listing a contract on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtors of the legal rights of the

claimant, or a waiver of the Debtors' right to recharacterize or reclassify such claim or contract.

Although a Debtor may have scheduled claims of various creditors as secured claims for informational purposes, no current valuation of the Debtor's assets on which such creditors may have a lien has been undertaken. The Debtor reserves all rights to dispute or challenge the secured nature of any such creditor's claims or the characterization of the structure of any transaction, or any document or instrument related to such creditor's claim.

- iv. **Claims Description.** Any failure to designate a claim on a given Debtor's Schedules and Statements as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent" or "unliquidated." The Debtors reserve all rights to dispute any claim reflected on their respective Schedules and Statements on any grounds, including, without limitation, liability, classification, or to otherwise subsequently designate such claims as "disputed," "contingent," or "unliquidated."
- v. **Estimates and Assumptions.** The preparation of the Schedules and Statements required the Debtors to make reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities on the date of the Schedules and Statements and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ from those estimates.
- vi. **Causes of Action.** Despite reasonable efforts, the Debtors may not have identified and/or set forth all of their causes of action (filed or potential) against third parties as assets in their Schedules and Statements. The Debtors reserve all rights with respect to any causes of action and nothing in the General Notes or the Schedules and Statements shall be deemed a waiver of any such causes of action.
- vii. **Executory Contracts.** The Debtors have not set forth executory contracts as assets in the Schedules and Statements. The Debtors' executory contracts have been set forth in Schedule G.
- viii. **Intellectual Property Rights.** Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise expired by their terms or have been assigned or otherwise transferred pursuant to a sale, acquisition or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not

been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction.

II. Specific Schedule and Statement Notes

A. Schedule D – Creditors Holding Secured Claims

Although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable agreements and other related relevant documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. In certain instances, a Debtor may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. Nothing in the General Notes to the Statements and Schedules shall be deemed a modification or interpretation of the terms of such agreements.

Except as specifically stated herein, real property lessors, utility companies and other parties which may hold security deposits have not been listed on Schedule D. The Debtors have not included on Schedule D all parties that may believe their claims are secured through setoff rights, deposits posted by, or on behalf of, the Debtors, or inchoate statutory lien rights. While reasonable efforts have been made, determination of the date upon which each claim in Schedule D was incurred or arose would be unduly burdensome and cost prohibitive, and therefore, the Debtor does not list a date for each claim listed on Schedule D.

Furthermore, certain of the Debtors' otherwise unsecured creditors may be entitled to assert maritime liens for amounts owed by the Debtors under applicable maritime law. Such creditors have been listed on Schedule F and are not listed on Schedule D.

B. Schedule E—Creditors Holding Unsecured Priority Claims

The listing of any claim on Schedule E does not constitute an admission by the Debtors that such claim is entitled to priority under section 507 of the Bankruptcy Code. The Debtors reserve the right to dispute the priority status of any claim on any basis. While reasonable efforts have been made, determination of the date upon which each claim in Schedule E was incurred or arose would be unduly burdensome and cost prohibitive, and therefore, the Debtors do not list a date for each claim listed on Schedule E. In addition, Schedule E may not include priority claims of employees that were paid after the Petition Date pursuant to orders of the Bankruptcy Court authorizing the payment of prepetition wages, benefits and other obligations to such employees.

C. Schedule F—Creditors Holding Unsecured Nonpriority Claims

The liabilities identified in Schedule F are derived from the Debtors' books and records, which may or may not, in fact, be complete and accurate, but they do represent a reasonable attempt by the Debtors to set forth their unsecured obligations. Accordingly, the actual amount of claims against the Debtors may vary from the represented liabilities. Parties in interest should not accept that the listed liabilities necessarily reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims. Similarly, parties in interest should not anticipate that recoveries in these Chapter 11 Cases will reflect the relationship of aggregate asset values and aggregate liabilities set forth in the Statements and Schedules. Parties in interest should consult their own professionals and/or advisors with respect to pursuing a claim. Although the Debtors and their professionals have generated financials the Debtors believe to be reasonable, actual liabilities (and assets) may deviate from the Statements and Schedules due to certain events that occur throughout the duration of these Chapter 11 Cases.

Without limiting the foregoing, the inclusion on Schedule F of creditors that have asserted maritime, mechanic's and other similar liens is not intended to be an acknowledgement of the validity, extent, or priority of any such liens, and the Debtors reserve their right to challenge such liens and the underlying claims on any ground whatsoever.

The claims listed on Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose may be unknown or subject to dispute. Although reasonable efforts have been made to determine the date upon which claims listed in Schedule F were incurred or arose, fixing that date for each claim in Schedule F would be unduly burdensome and cost prohibitive and, therefore, the Debtors have not listed a date for each claim listed on Schedule F.

Certain creditors listed on Schedule F may be able to assert a secured or priority claim due the existence of valid maritime liens. The Debtors have made no attempt to identify or quantify such maritime liens for the purposes of preparing the Schedules and Statements. The Debtors expressly reserve all rights to challenge any filed or unfiled maritime liens.

The Debtors have excluded from Schedule F certain prepetition claims that have subsequently been paid upon a motion that was ordered authorizing such payment.

D. Schedule G—Executory Contracts

While every effort has been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease or that such contract or agreement was in effect on the Petition Date or is valid or enforceable. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. Certain of

the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights to assume or reject, rights of first refusal and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately on Schedule G. The Debtors may also have entered into various other types of agreements in the ordinary course of their business, such as easements, right of way, subordination, non-disturbance agreements, supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents are also not set forth in Schedule G.

The Debtors reserve all rights to dispute or challenge the characterization of the structure of any transaction or any document or instrument related to a creditor's claim. The Debtors may be party to certain agreements that have expired by their terms, but all parties continue to operate under the agreement. Out of an abundance of caution, the Debtors may have listed such agreements on Schedule G. The Debtors' inclusion of such contracts or agreements on Schedule G is not an admission that such contract or agreement is an executory contract or unexpired lease.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission.

In some cases, the same supplier or provider may appear multiple times in Schedule G. Multiple listings, if any, reflect distinct agreements between the applicable Debtor and such supplier or provider.

In addition, nothing herein is an admission or waiver of the Debtors' rights to argue that certain contracts or leases constitute a single executory contract or unexpired lease or that a single document may constitute one or more executory contracts or unexpired leases.

The Debtors reserve the right to dispute the effectiveness of any such contract or lease listed on Schedule G or to amend Schedule G at any time to remove any contract or lease.

E. Statement 23—Withdrawals/Distributions to Insiders

In the ordinary course of business and in accordance with the Debtors' pre-existing policies, the Debtors reimburse the business-related expenses of certain employees and directors. Because of the nature of the Debtors' business, they routinely entertain customers, suppliers and other parties, including business meals and other activities. Employees incur these charges and are reimbursed for these company-related expenses. These expenses include business development activities such as meals and sporting events (including season tickets used for business-related entertainment) with potential and current suppliers, creditors, and customers, as well as subscriptions to periodicals and journals related to the Debtors' business. In addition, given the international nature of the

Debtors' business, employees, officers, and directors frequently travel across the globe on behalf of the Debtors.

In the ordinary course of business, certain business expenses (e.g., filing fees, vessel registrations, cellular telephone bills, and vehicle parking) were paid by employees and reimbursed by the Debtors. As a result, payments listed as "expense reimbursements" include reimbursements for these company costs.

To the extent payments related to such expenses were made to insiders, these payments are disclosed on Statement 23. The expenses disclosed on Statement 23 have been made in accordance with the Debtors' policies on business-related expense reimbursement. Because the Debtors reimburse business expenses periodically, a given payment for expense reimbursements necessarily aggregates various discrete expenses incurred over a period of time. Accordingly, for expense reimbursements made by General Maritime to insiders of \$2,000 or more, the Debtors have provided a detail of such expenses for informational purposes only.

In addition to distributions to the insiders disclosed on Statement 23, in the ordinary course of business, the Debtors have made distributions to creditors that have (i) common directors with the Debtors, and/or (ii) have directors and officers that are immediate family of the Debtors' directors and officers (collectively, the "**Associated Entities**"). In preparing the Schedules and Statements, the Debtors endeavored to identify all such Associated Entities. The Associated Entities consist of the following entities: Aegean Marine Petroleum Network, Skuld, Mid-Atlantic Bulk Carriers Ltd., Genco Shipping & Trading Limited, Baltic Trading Limited, and Det Norske Veritas. In addition, one of the Associated Entities does business with Kristenson Petroleum, Inc., one of the Debtors' suppliers.

The Associated Entities do not meet the definition of "insider" as defined in section 101(31) of the Bankruptcy Code, and therefore any payments to the Associated Entities are not disclosed on Statement 23. Any payments to these Associated Entities in the 90 days prior to the Petition Date are disclosed on Statement 3b of the applicable Debtor.

The payments disclosed on Statement 23 include payments made to General Maritime's directors in respect of director fees and expense reimbursements. For fiscal year 2011, each of the non-employee directors were eligible to receive the following fees:

- an annual fee of \$35,000;
- a fee of \$25,000 for any audit committee assignment;
- a fee of \$20,000 for any compensation committee assignment;
- a fee of \$25,000 for any audit committee assignment;
- a fee of \$10,000 for any nominating and corporate governance committee assignment; and
- a fee of \$5,000 for serving as the chair of any standing committee.

The Debtors also reimburse their directors for all reasonable expenses incurred by them in connection with serving as a director.

For 2011, the Debtors granted each non-employee director shares of restricted stock in General Maritime having an aggregate market value of \$75,000, capped at 30,000 shares. The restricted stock grants were made in August 2011 at the conclusion of the Debtors' 2011 special meeting. The restricted stock vests at the earlier of one year from the special meeting or the next annual meeting.

In preparing Statement 23, the Debtors have treated an insider of a particular entity as if such a person was an insider of each of the entities. Thus, a payment disclosed on Statement 23 for a particular Debtor may not be an insider of such Debtor, but an insider of an affiliated Debtor. In the exercise of caution, the Debtors are disclosing all payments, withdrawals, or other distributions made by each of the Debtors to the insiders of any of the Debtors. The Debtors expressly reserve their rights to contest whether or not an individual listed on the Statements of each of the Debtor is in fact an insider of such a Debtor.

Case No. 11-15285 (MG)

Chapter 11

STATEMENT OF FINANCIAL AFFAIRS

This statement is to be completed by every debtor. Spouses filing a joint petition may file a single statement on which the information for both spouses is combined. If the case is filed under chapter 12 or chapter 13, a married debtor must furnish information for both spouses whether or not a joint petition is filed, unless the spouses are separated and a joint petition is not filed. An individual debtor engaged in business as a sole proprietor, partner, family farmer, or self-employed professional, should provide the information requested on this statement concerning all such activities as well as the individual's personal affairs. To indicate payments, transfers and the like to minor children, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. § 112; Fed. R. Bankr. P. 1007(m).

Questions 1 - 18 are to be completed by all debtors. Debtors that are or have been in business, as defined below, also must complete Questions 19 - 25. **If the answer to an applicable question is "None," mark the box labeled "None."** If additional space is needed for the answer to any question, use and attach a separate sheet properly identified with the case name, case number (if known), and the number of the question.
