No. 15-17327-TWD

TRUSTEE'S MOTION FOR AUTHORITY
TO ENTER INTO LEASE OF
CONSOLIDATED ESTATE PROPERTY

Andrew Wilson (the "Trustee"), Chapter 11 trustee in the above-captioned substantively consolidated bankruptcy case (the "Consolidated Bankruptcy"), moves the Court for an order authorizing him to enter into the lease attached hereto as Exhibit A (the "Lease"), pursuant to which the consolidated bankruptcy estate (the "Consolidated Estate") would lease certain real property to the Gary B. Outzen Trust (the "Purchaser"), pending closing of the sale of substantially all of the property of the Consolidated Estate (the "Consolidated Estate Property") to the Purchaser. This motion is based upon the files and records herein and the accompanying Declaration of Andrew Wilson.

¹ The following Debtors are substantively consolidated with Glacierview Haven, LLC: Forest Court, LLC (USBC Case No. 15-17329); Skagit River Resort, LLC (USBC Case No. 16-11632); Buller Brothers, LLC; Clark Homestead, LLC; Cow Heaven, LLC; Mountain Court, LLC; Skagit River Properties, LLC and New Bullerville, LLC.

1 **I. FACTUAL BACKGROUND**

2 **A. Procedural Background**

3 The substantively consolidated debtors (together, the “Consolidated Resort Debtors”) own
4 and/or have an interest in² fifteen parcels of real property on Highway 20 along the Skagit River near
5 Rockport, Washington that have historically been operated together as Skagit River Resort (the
6 “Resort”). Wilson Decl., Ex. A. Three of the now-substantively consolidated debtors initially filed
7 individual Chapter 11 bankruptcies in December 2015 and March 2016 to stay a receivership motion
8 and certain foreclosures initiated by secured creditor Columbia Bank. The cases were
9 administratively consolidated on June 13, 2016 and the Trustee was appointed on June 20, 2016.
10 Docket Nos. 56 and 61. All of the debtors, with the exception of New Bullerville, LLC, were
11 substantively consolidated on August 5, 2016. Docket No. 102. New Bullerville was substantively
12 consolidated with the remaining debtors on October 12, 2016. Docket No. 145.

13 **B. Pending Sale**

14 On December 7, 2016, the Trustee filed a Motion for (1) Approval of Post-Petition Secured
15 Financing and (2) Sale of Substantially All of the Consolidated Resort Debtors’ Assets Free and Clear
16 of Liens, Claims and Encumbrances Pursuant to Bankruptcy Code § 363 (the “Sale Motion”).

17 The Sale Motion provides for the Purchaser’s acquisition of substantially all of the
18 Consolidated Estate Property for a purchase price of \$1,800,000 (the “Sale”). The Purchaser is
19 undertaking the transaction as part of a 1031 exchange and is currently in the process of securing
20 financing. The Trustee intends to consummate the sale through a plan of liquidation in order to

22 ² Madrene Clark, Donald Clark and Judith Brooks hold a life estate in tax parcel numbers P45501,
23 P113417/P45500 and P45503 and Glacierview Haven, LLC owns the remainder interest in the parcels.

1 qualify for the state excise tax exemption. There are a number of conditions to the sale which must be
2 satisfied before the Sale can close. Based upon these realities, the Sale is not projected to close for
3 over two months.

4 The Trustee ceased Resort operations in late October due to a lack of funds. The Resort is
5 currently vacant. The Purchaser is anxious to begin operating the Resort under its own name pending
6 the closing of the Sale. The Trustee is willing to lease the Consolidated Resort Property³, to the
7 Purchaser on a short-term basis, pending closing of a sale.

8 The proposed Lease would provide a needed source of revenue to the Consolidated Estate
9 pending closing. It would also eliminate security concerns with respect to the currently vacant
10 property in an isolated area. Moreover, the Resort will remain listed for sale pending closing and the
11 Resort will appear far more desirable to potential purchasers in an operating, rather than a vacant and
12 deserted state.

13 As set forth in the Lease, base rent would be comprised of ten percent (10%) of the revenue
14 the Purchaser generates through lodging rentals and restaurant receipts, excluding any applicable
15 taxes. In addition, the Lease is a triple net lease and thus, the Purchaser will be responsible for paying
16 property taxes with respect to the Consolidated Estate Property. This benefits the Consolidated
17 Estate, which would otherwise have to fund these expenses.

18 The Lease would terminate upon closing of the Sale. In the event the Sale does not close for
19 any reason, the lease would terminate on the earlier of the closing of a sale of the Resort to a third
20 party and one year. If the Trustee determines he must log timber from the Consolidated Estate
21 Property, the Purchaser would have an opportunity to terminate the Lease.

22 _____
23 ³ Because the Consolidated Estate only has a remainder interest in the parcels owned by Glacierview
Haven, LLC, the Trustee does not propose to, and cannot, lease those parcels to the Purchaser.

II. LEGAL ANALYSIS

Bankruptcy Code § 363(b)(1) provides in relevant part that “[t]he trustee, after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate.” Id. The trustee’s decision to lease estate property is evaluated under the “business judgment rule.” In re Station Casinos, Inc., 2010 LEXIS 5447 at *7 (Bankr. D. Nev. 2010). Under the business judgment rule, the presumption is that the trustee “acted prudently, on an informed basis, in good faith, and in the honest belief that the action taken was in the best interests of the bankruptcy estate.” See In re Pomona Valley Medical Group, Inc., 476 F.3d 665, 670 (articulating the business judgment rule in the context of a debtor’s decision to reject a lease).

Here, the Trustee has demonstrated that the Lease will provide the Consolidated Estate funds that it needs and that the Resort will be in a better position if it is operating than if it is vacant. Entering into the Lease represents a sound exercise of the Trustee’s business judgment.

III. CONCLUSION

Based upon the foregoing, the Trustee respectfully requests that the Court enter an order authorizing him to enter into the Lease.

2. Premises

a. Lease of Premises. Lessor leases to Tenant, and Tenant leases from Lessor the Premises upon the terms specified in this Lease.

b. Acceptance of Premises. Except as specified elsewhere in this Lease, Lessor makes no representations or warranties to Tenant regarding the Premises, including the structural condition of the Premises or the condition of all mechanical, electrical, and other systems on the Premises. No tenant improvements shall be required to be completed by Lessor. Tenant shall be responsible for performing any work necessary to bring the Premises into a condition satisfactory to Tenant. By signing this Lease, Tenant acknowledges that it has had an adequate opportunity to investigate the Premises; acknowledges responsibility for making any corrections, alterations and repairs to the Premises; and acknowledges that the time needed to complete any such items shall not delay the Commencement Date.

3. Term. The term of this Lease shall commence on the Lease Commencement Date specified in Section 1.a, or on such earlier or later date as may be specified by notice delivered by

Landlord to Tenant advising Tenant that the Premises are ready for possession and specifying the Commencement Date, which shall not be less than thirty (30) days following the date of such notice.

4. Rent.

a. Payment of Rent. Payment of Rent. Beginning with the month following the Lease Commencement Date, Tenant shall pay Landlord without notice, demand, deduction, or offset, in lawful money of the United States, the monthly Base Rent stated in Section 1.c, in advance, on or before the fifteenth (15th) day of each month for the previous month's Gross Revenue during the Lease term, and shall also pay any other additional payments due to Landlord ("Additional Rent"), including operating costs (collectively the "Rent") when required under this Lease. All payments due to Landlord under this Lease, including late fees and interest, shall also constitute Additional Rent, and upon failure of Tenant to pay any such costs, charges or expenses, Landlord shall have the same rights and remedies as otherwise provided in this Lease for the failure of Tenant to pay rent.

b. Triple Net Lease. Triple Net Lease. This Lease is what is commonly called a "Net, Net, Net" or "triple-net" Lease, which means that, except as otherwise expressly provided herein, Landlord shall receive all Base Rent free and clear of any and all other impositions, taxes, liens, charges or expenses of any nature whatsoever in connection with the ownership and operation of the Premises. In addition to Base Rent, Tenant shall pay to the parties respectively entitled thereto, or satisfy directly, all Additional Rent and other impositions, insurance premiums, repair and maintenance charges, and any other charges, costs, obligations, liabilities, requirements, and expenses, which arise with regard to the Premises or may be contemplated under any other provision of the Lease during its term, except for costs and expenses expressly made the obligation of Landlord in this Lease.

c. Late Charges; Default Interest. If any sums payable by Tenant to Landlord under this Lease are not received within five (5) business days after their due date, Tenant shall pay Landlord an amount equal to the greater of one hundred dollars (\$100) or five percent (5%) of the delinquent amount for the cost of collecting and handling such late payment in addition to the amount due and as Additional Rent. All delinquent sums payable by Tenant to Landlord and not paid within five (5) business days after their due date shall, at Landlord's option, bear interest at the rate of fifteen percent (15%) per annum, or the highest rate of interest allowable by law, whichever is less (the "Default Rate"). Interest on all delinquent amounts shall be calculated from the original due date to the date of payment.

d. Less than Full Payment. Landlord's acceptance of less than the full amount of any payment due from Tenant shall not be deemed an accord and satisfaction or compromise of such payment unless Landlord specifically consents in writing to payment of such lesser sum as an accord and satisfaction or compromise of the amount which Landlord claims. Any portion that remains to be paid by Tenant shall be subject to the late charges and default interest provisions of this Section 4.

5. Uses. The Premises shall be used only for the Permitted Use specified in Section 1.d above, and for no other business or purpose without the prior written consent of Landlord. No act shall be done on or around the Premises that is unlawful or that will increase the existing rate of insurance on the Premises, or cause the cancellation of any insurance on the Premises. Tenant shall not commit or allow to be committed any waste upon the Premises, or any public or private nuisance. Tenant shall not do or permit anything to be done on the Premises which will obstruct or interfere with the rights of other tenants or occupants of the Premises, or their employees, officers, agents, servants, contractors, customers, clients, visitors, guests, or other licensees or invitees or to injure or annoy such persons.

7. Compliance with Laws. Tenant shall not cause or permit the Premises to be used in any way which violates any law, ordinance, or governmental regulation or order. Tenant shall be responsible for complying with all laws applicable to the Premises as a result of the Permitted Use, and Tenant shall be responsible for making any changes or alterations as may be required by law, rule, regulation, or order for Tenant's Permitted Use at its sole cost and expense.

8. Utilities. Landlord shall not be responsible for providing any utilities to the Premises and shall not be liable for any loss, injury or damage to person or property caused by or resulting from any variation, interruption, or failure of utilities due to any cause whatsoever, and rent shall not abate as a result thereof, except to the extent due to the intentional misconduct or gross negligence of Landlord. Tenant shall be responsible for determining whether available utilities and their capacities will meet Tenant's needs. Tenant shall install and connect, if necessary, and directly pay for all water, sewer, gas, janitorial, electricity, garbage removal, heat, telephone, and other utilities and services used by Tenant on the Premises during the term, whether or not such services are billed directly to Tenant. Tenant will also procure, or cause to be procured, without cost to Landlord, all necessary permits, licenses or other authorizations required for the lawful and proper installation, maintenance, replacement, and removal on or from the Premises of wires, pipes, conduits, tubes, and other equipment and appliances for use in supplying all utilities or services to the Premises. Landlord, upon request of Tenant, and at the sole expense and liability of Tenant, shall join with Tenant in any reasonable applications required for obtaining or continuing such utilities or services.

9. Taxes. Tenant shall pay all Taxes (defined below) applicable to the Premises incurred during the Lease term. All payments for Taxes shall be made at least ten (10) days prior to their due date. Tenant shall promptly furnish Landlord with satisfactory evidence that Taxes have been paid. If any Taxes paid by Tenant cover any period of time before or after the expiration of the term, Tenant's share of those Taxes paid will be prorated to cover only the period of time within the tax fiscal year during which this Lease was in effect, and Landlord shall promptly reimburse or credit Tenant to the extent required. If Tenant fails to pay timely any Taxes, Landlord may pay them, and Tenant shall repay such amount to Landlord upon demand. Landlord may also elect to pay all such Taxes directly to the appropriate taxing authority/ies and receive reimbursement thereof from Tenant within ten (10) days after invoice, either of the full amount paid or at Landlord's election in equal monthly installments. The term "Taxes" shall mean: (i) any form of tax or assessment imposed on the Premises by any authority, including any city, county, state or federal government, or any improvement district, as against any legal or equitable interest of Landlord or Tenant in the Premises or in the real property of which the Premises are a part, or against rent paid for leasing the Premises; and (ii) any form of personal property tax or assessment imposed on any personal property, fixtures, furniture, tenant improvements, equipment, inventory, or other items, and all replacements, improvements, and additions to them, located on the Premises, whether owned by Landlord or Tenant. "Taxes" shall exclude any net income tax imposed on Landlord for income that Landlord receives under this Lease.

Tenant may, upon reasonable prior notice to Landlord, contest the amount or validity, in whole or in part, of any Taxes at its sole expense, only after paying such Taxes or posting such security as Landlord may reasonably require in order to protect the Premises against loss or forfeiture. Upon the termination of any such proceedings, Tenant shall pay the amount of such Taxes or part of such Taxes as finally determined, together with any costs, fees, interest penalties, or other related liabilities. Landlord shall reasonably cooperate with Tenant in contesting any Taxes, provided Landlord incurs no expense or liability in doing so.

10. Alterations. Tenant may make alterations, additions or improvements to the Premises only with the prior written consent of Landlord, which, with respect to Alterations not affecting the structural components of the Premises or utility systems therein, shall not be unreasonably withheld, conditioned, or delayed. The term "Alterations" shall not include the installation of shelves, movable partitions, Tenant's equipment, and trade fixtures that may be performed without damaging existing improvements or the structural integrity of the Premises and Landlord's consent shall not be required for Tenant's installation or removal of those items. Tenant shall perform all work at Tenant's expense and in compliance with all applicable laws and shall complete all Alterations in accordance with plans and specifications approved by Landlord, using contractors approved by Landlord. Tenant shall pay, when due, or furnish a bond for payment (as set forth in Section 18) all claims for labor or materials furnished to or for Tenant at or for use in the Premises, which claims are or may be secured by any mechanics' or materialmen's liens against the Premises or any interest therein. Tenant shall leave any and all Alterations at the Premises and they shall become Landlord's property; provided, however, that Landlord and Tenant may agree in writing that a specific Alteration or Alterations will become property of Tenant and Tenant may sell such Alteration or Alterations to a third party in the event that the Consolidated Resort Property is sold to such third party. Tenant shall immediately repair any damage to the Premises caused by any authorized removal of Alterations.

11. Repairs and Maintenance; Surrender. Tenant shall, at its sole expense, maintain the entire Premises including without limitation the roof surface and normal repairs and maintenance to all heating, ventilation, and air conditioning ("HVAC") equipment at the Premises, in good condition and promptly make all repairs and replacements, whether structural or non-structural, necessary to keep the Premises in safe operating condition, including all utilities and other systems serving the Premises, including the roof structure, subfloor, foundation, exterior walls, and capital repairs and replacements to the HVAC system. If Tenant fails to perform Tenant's obligations under this Section, Landlord may at Landlord's option enter upon the Premises after ten (10) days' prior notice to Tenant and put the same in good order, condition and repair and the cost thereof together with interest thereon at the Default Rate set forth in Section 4 shall be due and payable as Additional Rent to Landlord together with Tenant's next installment of Base Rent. Upon expiration of the Lease term, whether by lapse of time or otherwise, Tenant shall promptly and peacefully surrender the Premises, together with all keys, to Landlord in as good condition as when received by Tenant from Landlord or as thereafter improved, reasonable wear and tear and insured casualty excepted.

12. Access and Right of Entry. After twenty-four (24) hours' notice from Landlord (except in cases of emergency, when no notice shall be required), Tenant shall permit Landlord and its agents, employees and contractors to enter the Premises at all reasonable times to make repairs, inspections, alterations or improvements, provided that Landlord shall use reasonable efforts to minimize interference with Tenant's use and enjoyment of the Premises. This Section shall not impose any repair or other obligation upon Landlord not expressly stated elsewhere in this Lease. After reasonable notice to Tenant, Landlord shall have the right to enter the Premises for the purpose of (a) showing the Premises to prospective purchasers or lenders at any time, and to prospective tenants within one hundred eighty (180) days prior to the expiration or sooner termination of the Lease term; and, (b) for posting "for lease" signs within one hundred eighty (180) days prior to the expiration or sooner termination of the Lease term.

13. Signage. Tenant shall obtain Landlord's written consent as to size, location, materials, method of attachment, and appearance, before installing any signs upon the Premises. Tenant shall

install any approved signage at Tenant's sole expense and in compliance with all applicable laws. Tenant shall not damage or deface the Premises in installing or removing signage and shall repair any injury or damage to the Premises caused by such installation or removal.

14. Destruction or Condemnation.

a. Damage and Repair. If the Premises are partially damaged but not rendered untenable, by fire or other insured casualty, then Landlord shall diligently restore the Premises to the extent required below and this Lease shall not terminate. The Premises shall not be deemed untenable if twenty-five percent (25%) or less of the Premises are damaged. Landlord shall have no obligation to restore the Premises if insurance proceeds are not available to pay the entire cost of such restoration. If insurance proceeds are available to Landlord but are not sufficient to pay the entire cost of restoring the Premises, or if Landlord's lender shall not permit all or any part of the insurance proceeds to be applied toward restoration, then Landlord may elect to terminate this Lease and keep the insurance proceeds, less any obligations owing from Landlord to Tenant, by notifying Tenant within sixty (60) days of the date of such casualty.

If the Premises are entirely destroyed, or partially damaged and rendered untenable, by fire or other casualty, Landlord may, at its option: (a) terminate this Lease as provided herein, or (b) restore the Premises to their previous condition to the extent required below; provided, however, if such casualty event occurs during the last six (6) months of the Lease term (after considering any option to extend the term timely exercised by Tenant) then either Tenant or Landlord may elect to terminate the Lease. If, within sixty (60) days after receipt by Landlord from Tenant of written notice that Tenant deems the Premises untenable, Landlord fails to notify Tenant of its election to restore the Premises, or if Landlord is unable to restore the Premises within six (6) months of the date of the casualty event, then Tenant may elect to terminate the Lease upon twenty (20) days' written notice to Landlord unless Landlord, within such twenty (20) day period, notifies Tenant that it will in fact restore the Premises or actually completes such restoration work to the extent required below, as applicable.

If Landlord restores the Premises under this Section 14, Landlord shall proceed with reasonable diligence to complete the work, and the base monthly rent shall be abated in the same proportion as the untenable portion of the Premises bears to the whole Premises, provided that there shall be a rent abatement only if the damage or destruction of the Premises did not result from, or was not contributed to directly or indirectly by the act, fault or neglect of Tenant, or Tenant's employees, officers, agents, servants, contractors, customers, clients, visitors, guests, or other licensees or invitees. No damages, compensation or claim shall be payable by Landlord for inconvenience, loss of business or annoyance directly, incidentally or consequentially arising from any repair or restoration of any portion of the Premises. Landlord shall have no obligation to carry insurance of any kind for the protection of Tenant or any alterations or improvements paid for by Tenant; tenant's furniture; or on any fixtures, equipment, improvements or appurtenances of Tenant under this Lease, and Landlord's restoration obligations hereunder shall not include any obligation to repair any damage thereto or replace the same.

b. Condemnation. If the Premises are made untenable by eminent domain, or conveyed under a threat of condemnation, this Lease shall automatically terminate as of the earlier of the date title vests in the condemning authority or the condemning authority first has possession of the Premises and all Rents and other payments shall be paid to that date. If the condemning authority takes a portion of the Premises that does not render the Premises untenable, then this Lease shall

continue in full force and effect and the base monthly rent shall be equitably reduced based on the proportion by which the floor area of any structures is reduced. The reduction in Rent shall be effective on the earlier of the date the condemning authority first has possession of such portion or title vests in the condemning authority. Landlord shall be entitled to the entire award from the condemning authority attributable to the value of the Premises and Tenant shall make no claim for the value of its leasehold. Tenant shall be permitted to make a separate claim against the condemning authority for moving expenses, provided that in no event shall Tenant's claim reduce Landlord's award.

15. Insurance.

a. Tenant's Liability Insurance. During the Lease term, Tenant shall pay for and maintain commercial general liability insurance with broad form property damage and contractual liability endorsements. This policy shall name Landlord, its property manager (if any), and other parties designated by Landlord as additional insureds using an endorsement form acceptable to Landlord, and shall insure Tenant's activities and those of Tenant's employees, officers, agents, servants, contractors, customers, clients, visitors, guests, or other licensees or invitees with respect to the Premises against loss, damage or liability for personal injury or bodily injury (including death) or loss or damage to property with a combined single limit of not less than \$2,000,000, and a deductible of not more than \$10,000. Tenant's insurance will be primary and noncontributory with any liability insurance carried by Landlord. Landlord may also require Tenant to obtain and maintain business income coverage for at least six (6) months, business auto liability coverage, and, if applicable to Tenant's Permitted Use, liquor liability insurance and/or warehouseman's coverage.

b. Tenant's Property Insurance. During the Lease term, Tenant shall pay for and maintain special form clauses of loss coverage property insurance (with coverage for earthquake if required by Landlord's lender and, if the Premises are situated in a flood plain, flood damage) for all of Tenant's personal property, fixtures and equipment in the amount of their full replacement value, with a deductible of not more than \$10,000.

c. Miscellaneous. Tenant's insurance required under this Section shall be with companies rated A-/VII or better in Best's Insurance Guide, and which are admitted in the state in which the Premises are located. No insurance policy shall be cancelled or reduced in coverage and each such policy shall provide that it is not subject to cancellation or a reduction in coverage except after thirty (30) days prior written notice to Landlord. Tenant shall deliver to Landlord upon commencement of the Lease and from time to time thereafter, copies of the insurance policies or evidence of insurance and copies of endorsements required by this Section. In no event shall the limits of such policies be considered as limiting the liability of Tenant under this Lease. If Tenant fails to acquire or maintain any insurance or provide any policy or evidence of insurance required by this Section, and such failure continues for three (3) days after notice from Landlord, Landlord may, but shall not be required to, obtain such insurance for Landlord's benefit and Tenant shall reimburse Landlord for the costs of such insurance upon demand. Such amounts shall be Additional Rent payable by Tenant hereunder and in the event of non-payment thereof, Landlord shall have the same rights and remedies with respect to such non-payment as it has with respect to any other non-payment of rent hereunder.

d. Waiver of Subrogation. Landlord and Tenant hereby release each other and any other tenant, their agents or employees, from responsibility for, and waive their entire claim of recovery for any loss or damage arising from any cause covered by property insurance required to be carried or otherwise carried by each of them. Each party shall provide notice to the property insurance carrier or

carriers of this mutual waiver of subrogation, and shall cause its respective property insurance carriers to waive all rights of subrogation against the other. This waiver shall not apply to the extent of the deductible amounts to any such property policies or to the extent of liabilities exceeding the limits of such policies.

16. Indemnification.

a. Indemnification by Tenant. Tenant shall defend, indemnify, and hold Landlord and its property manager, if any, harmless against all liabilities, damages, costs, and expenses, including attorneys' fees, for personal injury, bodily injury (including death) or property damage arising from any negligent or wrongful act or omission of Tenant or Tenant's employees, officers, agents, servants, contractors, customers, clients, visitors, guests, or other licensees or invitees on or around the Premises, or arising from any breach of this Lease by Tenant. Tenant shall use legal counsel reasonably acceptable to Landlord in defense of any action within Tenant's defense obligation.

b. Indemnification by Landlord. Landlord shall defend, indemnify and hold Tenant harmless against all liabilities, damages, costs, and expenses, including attorneys' fees, for personal injury, bodily injury (including death) or property damage arising from any negligent or wrongful act or omission of Landlord or Landlord's employees, officers, agents, servants, contractors, customers, clients, visitors, guests, or other licensees or invitees on or around the Premises, or arising from any breach of this Lease by Landlord. Landlord shall use legal counsel reasonably acceptable to Tenant in defense of any action within Landlord's defense obligation.

c. Waiver of Immunity. Landlord and Tenant each specifically and expressly waive any immunity that each may be granted under the Washington State Industrial Insurance Act, Title 51 RCW. Neither party's indemnity obligations under this Lease shall be limited by any limitation on the amount or type of damages, compensation, or benefits payable to or for any third party under the Worker Compensation Acts, Disability Benefit Acts or other employee benefit acts.

d. Exemption of Landlord from Liability. Except to the extent of claims arising out of Landlord's gross negligence or intentional misconduct, Landlord shall not be liable for injury to Tenant's business or assets or any loss of income therefrom or for damage to any property of Tenant or of its employees, officers, agents, servants, contractors, customers, clients, visitors, guests, or other licensees or invitees, or any other person in or about the Premises.

e. Survival. The provisions of this Section 16 shall survive expiration or termination of this Lease.

17. Assignment and Subletting. Tenant shall not assign, sublet, mortgage, encumber or otherwise transfer any interest in this Lease (collectively referred to as a "Transfer") or any part of the Premises, without first obtaining Landlord's written consent which shall not be unreasonably withheld, conditioned, or delayed. No Transfer shall relieve Tenant of any liability under this Lease notwithstanding Landlord's consent to such Transfer. Consent to any Transfer shall not operate as a waiver of the necessity for Landlord's consent to any subsequent Transfer. In connection with each request for consent to a Transfer, Tenant shall pay the reasonable cost of processing same, including attorneys' fees, upon demand of Landlord, up to a maximum of \$1,250.

If Tenant is a partnership, limited liability company, corporation, or other entity, any transfer of this Lease by merger, consolidation, redemption or liquidation, or any change in the ownership of, or power to vote, which singularly or collectively represents a majority of the beneficial interest in Tenant, shall constitute a Transfer under this Section.

As a condition to Landlord's approval, if given, any potential assignee or sublessee otherwise approved by Landlord shall assume all obligations of Tenant under this Lease and shall be jointly and severally liable with Tenant and any guarantor, if required, for the payment of Rent and performance of all terms of this Lease. In connection with any Transfer, Tenant shall provide Landlord with copies of all assignments, subleases and assumption agreement or documents.

18. Liens. Tenant is not authorized to subject the Landlord's assets to any liens or claims of lien. Tenant shall keep the Premises free from any liens created by or through Tenant. Tenant shall indemnify and hold Landlord harmless from liability for any such liens including, without limitation, liens arising from any Alterations. If a lien is filed against the Premises by any person claiming by, through or under Tenant, Tenant shall, within 10 days after Landlord's demand, at Tenant's expense, either remove the lien or furnish to Landlord a bond in form and amount and issued by a surety satisfactory to Landlord, indemnifying Landlord and the Premises against all liabilities, costs and expenses, including attorneys' fees, which Landlord could reasonably incur as a result of such lien.

19. Default. The following occurrences shall each constitute a default by Tenant (an "Event of Default):

a. Failure to Pay. Failure by Tenant to pay any sum, including Rent, due under this Lease following five (5) days' notice from Landlord of the failure to pay.

b. Vacation/Abandonment. Vacation by Tenant of the Premises (defined as an absence for at least fifteen (15) consecutive days without prior notice to Landlord), or abandonment of the Premises (defined as an absence of five (5) days or more while Tenant is in breach of some other term of this Lease). Tenant's vacation or abandonment of the Premises shall not be subject to any notice or right to cure.

c. Insolvency. Tenant's insolvency or bankruptcy (whether voluntary or involuntary), or appointment of a receiver, assignee or other liquidating officer for Tenant's business; provided, however, that in the event of any involuntary bankruptcy or other insolvency proceeding, the existence of such proceeding shall constitute an Event of Default only if such proceeding is not dismissed or vacated within sixty (60) days after its institution or commencement.

d. Levy or Execution. The taking of Tenant's interest in this Lease or the Premises, or any part thereof, by execution or other process of law directed against Tenant, or attachment of Tenant's interest in this Lease by any creditor of Tenant, if such attachment is not discharged within fifteen (15) days after being levied.

e. Other Non-Monetary Defaults. The breach by Tenant of any agreement, term or covenant of this Lease other than one requiring the payment of money and not otherwise enumerated in this Section or elsewhere in this Lease, which breach continues for a period of thirty (30) days after notice by Landlord to Tenant of the breach.

f. Failure to Take Possession. Failure by Tenant to take possession of the Premises on the Commencement Date.

Landlord shall not be in default unless Landlord fails to perform obligations required of Landlord within a reasonable time, but in no event less than thirty (30) days after notice by Tenant to Landlord. If Landlord fails to cure any such default within the allotted time, Tenant's sole remedy shall be to seek actual money damages (but not consequential or punitive damages) for loss arising from Landlord's failure to discharge its obligations under this Lease. Nothing herein contained shall relieve Landlord from its duty to perform of any of its obligations to the standard prescribed in this Lease. Any notice periods granted herein shall be deemed to run concurrently with and not in addition to any default notice periods required by law.

20. Remedies. Landlord shall have the following remedies upon an Event of Default. Landlord's rights and remedies under this Lease shall be cumulative, and none shall exclude any other right or remedy allowed by law.

a. Termination of Lease. Landlord may terminate Tenant's interest under the Lease, but no act by Landlord other than notice of termination from Landlord to Tenant shall terminate this Lease. The Lease shall terminate on the date specified in the notice of termination. Upon termination of this Lease, Tenant will remain liable to Landlord for damages in an amount equal to the Rent and other sums that would have been owing by Tenant under this Lease for the balance of the Lease term, less the net proceeds, if any, of any reletting of the Premises by Landlord subsequent to the termination, after deducting all of Landlord's Reletting Expenses (as defined below). Landlord shall be entitled either to collect damages from Tenant monthly on the days on which rent or other amounts would have been payable under the Lease, or alternatively, Landlord may accelerate Tenant's obligations under the Lease and recover from Tenant: (i) unpaid rent which had been earned at the time of termination; (ii) the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of rent loss that Tenant proves could reasonably have been avoided; (iii) the amount by which the unpaid rent for the balance of the term of the Lease after the time of award exceeds the amount of rent loss that Tenant proves could reasonably be avoided (discounting such amount by the discount rate of the Federal Reserve Bank of San Francisco at the time of the award, plus 1%); and (iv) any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform its obligations under the Lease, or which in the ordinary course would be likely to result from the Event of Default, including without limitation Reletting Expenses described in Section 20(b) below.

(b) Re-Entry and Reletting. Landlord may continue this Lease in full force and effect, and without demand or notice, re-enter and take possession of the Premises or any part thereof, expel the Tenant from the Premises and anyone claiming through or under the Tenant, and remove the personal property of either. Landlord may relet the Premises, or any part of them, in Landlord's or Tenant's name for the account of Tenant, for such period of time and at such other terms and conditions as Landlord, in its discretion, may determine. Landlord may collect and receive the rents for the Premises. To the fullest extent permitted by law, the proceeds of any reletting shall be applied: first, to pay Landlord all Reletting Expenses (defined below); second, to pay any indebtedness of Tenant to Landlord other than rent; third, to the rent due and unpaid hereunder; and fourth, the residue, if any, shall be held by Landlord and applied in payment of other or future obligations of Tenant to Landlord as the same may become due and payable, and Tenant shall not be entitled to receive any portion of such revenue. Re-entry or taking possession of the Premises by Landlord under this Section shall not be

construed as an election on Landlord's part to terminate this Lease, unless a notice of termination is given to Tenant. Landlord reserves the right following any re-entry or reletting, or both, under this Section to exercise its right to terminate the Lease. Tenant will pay Landlord the Rent and other sums which would be payable under this Lease if repossession had not occurred, less the net proceeds, if any, after reletting the Premises and after deducting Landlord's Reletting Expenses. "Reletting Expenses" is defined to include all expenses incurred by Landlord in connection with reletting the Premises, including without limitation, all repossession costs, brokerage commissions and costs for securing new tenants, attorneys' fees, remodeling and repair costs, costs for removing persons or property, costs for storing Tenant's property and equipment, and costs of tenant improvements and rent concessions granted by Landlord to any new Tenant, prorated over the life of the new lease.

c. Waiver of Redemption Rights. Tenant, for itself, and on behalf of any and all persons claiming through or under Tenant, including creditors of all kinds, hereby waives and surrenders all rights and privileges which they may have under any present or future law, to redeem the Premises or to have a continuance of this Lease for the Lease term, or any extension thereof.

d. Nonpayment of Additional Rent. All costs which Tenant is obligated to pay to Landlord pursuant to this Lease shall in the event of nonpayment be treated as if they were payments of Rent, and Landlord shall have the same rights it has with respect to nonpayment of Rent.

e. Failure to Remove Property. If Tenant fails to remove any of its property from the Premises at Landlord's request following an uncured Event of Default, Landlord may, at its option, remove and store the property at Tenant's expense and risk. If Tenant does not pay the storage cost within five (5) days of Landlord's request, Landlord may, at its option, have any or all of such property sold at public or private sale (and Landlord may become a purchaser at such sale), in such manner as Landlord deems proper, without notice to Tenant. Landlord shall apply the proceeds of such sale: (i) to the expense of such sale, including reasonable attorneys' fees actually incurred; (ii) to the payment of the costs or charges for storing such property; (iii) to the payment of any other sums of money which may then be or thereafter become due Landlord from Tenant under any of the terms hereof; and (iv) the balance, if any, to Tenant. Nothing in this Section shall limit Landlord's right to sell Tenant's personal property as permitted by law or to foreclose Landlord's lien for unpaid rent.

21. Mortgage Subordination and Attornment. This Lease shall automatically be subordinate to any mortgage or deed of trust created by Landlord which is now existing or hereafter placed upon the Premises including any advances, interest, modifications, renewals, replacements or extensions ("Landlord's Mortgage"). Tenant shall attorn to the holder of any Landlord's Mortgage or any party acquiring the Premises at any sale or other proceeding under any Landlord's Mortgage provided the acquiring party assumes the obligations of Landlord under this Lease. Tenant shall promptly and in no event later than fifteen (15) days after request execute, acknowledge and deliver documents which the holder of any Landlord's Mortgage may reasonably require as further evidence of this subordination and attornment. Notwithstanding the foregoing, Tenant's obligations under this Section to subordinate in the future are conditioned on the holder of each Landlord's Mortgage and each party acquiring the Premises at any sale or other proceeding under any such Landlord's Mortgage not disturbing Tenant's occupancy and other rights under this Lease, so long as no uncured Event of Default by Tenant exists.

22. Non-Waiver. Landlord's waiver of any breach of any provision contained in this Lease shall not be deemed to be a waiver of the same provision for subsequent acts of Tenant. The acceptance

by Landlord of Rent or other amounts due by Tenant hereunder shall not be deemed to be a waiver of any previous breach by Tenant.

23. Holdover. If Tenant shall, without the written consent of Landlord, remain in possession of the Premises and fail to return them to Landlord after the expiration or termination of the term, the tenancy shall be a holdover tenancy and shall be on a month-to-month basis, which may be terminated according to Washington law. During such tenancy, Tenant agrees to pay to Landlord 150% of the rate of rental last payable under this Lease, unless a different rate is agreed upon by Landlord. All other terms of the Lease shall remain in effect. Tenant acknowledges and agrees that this Section does not grant any right to Tenant to holdover, and that Tenant may also be liable to Landlord for any and all damages or expenses which Landlord may have to incur as a result of Tenant's holdover.

24. Notices. All notices under this Lease shall be in writing and effective (i) when delivered in person or via overnight courier to the other party, (ii) three (3) days after being sent by registered or certified mail to the other party at the address set forth in Section 1; or (iii) upon confirmed transmission by facsimile to the other party at the facsimile numbers set forth in Section 1. The addresses for notices and payment of rent set forth in Section 1 may be modified by either party only by written notice delivered in conformance with this Section.

25. Costs and Attorneys' Fees. If Tenant or Landlord engage the services of an attorney to collect monies due or to bring any action for any relief against the other, declaratory or otherwise, arising out of this Lease, including any suit by Landlord for the recovery of Rent or other payments, or possession of the Premises, the losing party shall pay the prevailing party a reasonable sum for attorneys' fees in such action, whether in mediation or arbitration, at trial, on appeal, and in any bankruptcy proceeding.

26. Estoppel Certificates. Tenant shall, from time to time, upon written request of Landlord, execute, acknowledge and deliver to Landlord or its designee a written statement specifying the following, subject to any modifications necessary to make such statements true and complete: (i) the total rentable square footage of the Premises; (ii) the date the Lease term commenced and the date it expires; (iii) the amount of minimum monthly Rent and the date to which such Rent has been paid; (iv) that this Lease is in full force and effect and has not been assigned, modified, supplemented or amended in any way; (v) that this Lease represents the entire agreement between the parties; (vi) that all obligations under this Lease to be performed by either party have been satisfied; (vii) that there are no existing claims, defenses or offsets which the Tenant has against the enforcement of this Lease by Landlord; (viii) the amount of Rent, if any, that Tenant paid in advance; (ix) the amount of security that Tenant deposited with Landlord; (x) if Tenant has sublet all or a portion of the Premises or assigned its interest in the Lease and to whom; (xi) if Tenant has any option to extend the Lease or option to purchase the Premises; and (xii) such other factual matters concerning the Lease or the Premises as Landlord may reasonably request. Tenant acknowledges and agrees that any statement delivered pursuant to this Section may be relied upon by a prospective purchaser of Landlord's interest or assignee of any mortgage or new mortgagee of Landlord's interest in the Premises. If Tenant shall fail to respond within ten (10) days to Landlord's request for the statement required by this Section, Landlord may provide the statement and Tenant shall be deemed to have admitted the accuracy of the information provided by Landlord.

27. Transfer of Landlord's Interest. Subject to bankruptcy court approval, this Lease shall be assignable by Landlord without the consent of Tenant. In the event of any transfer or transfers of

Landlord's interest in the Premises, other than a transfer for collateral purposes only, upon the assumption of this Lease by the transferee, Landlord shall be automatically relieved of obligations and liabilities accruing from and after the date of such transfer, including any liability for any retained security deposit or prepaid rent, for which the transferee shall be liable, and Tenant shall attorn to the transferee.

28. Landlord's Liability. Anything in this Lease to the contrary notwithstanding, covenants, undertakings and agreements herein made on the part of Landlord are made and intended not as personal covenants, undertakings and agreements for the purpose of binding Landlord personally or the assets of Landlord but are made and intended for the purpose of binding only the Landlord's interest in the Premises, as the same may from time to time be encumbered. In no event shall Landlord or its partners, shareholders, or members, as the case may be, ever be personally liable hereunder.

29. Right to Perform. If Tenant shall fail to pay timely any sum or perform any other act on its part to be performed hereunder, Landlord may make any such payment or perform any such other act on Tenant's behalf. Tenant shall, within ten (10) days of demand, reimburse Landlord for its expenses incurred in making such payment or performance. Landlord shall (in addition to any other right or remedy of Landlord provided by law) have the same rights and remedies in the event of the nonpayment of sums due under this Section as in the case of default by Tenant in the payment of Rent.

30. Hazardous Material. As used herein, the term "Hazardous Material" means any hazardous, dangerous, toxic or harmful substance, material or waste including biomedical waste which is or becomes regulated by any local governmental authority, the State of Washington or the United States Government, due to its potential harm to the health, safety or welfare of humans or the environment. Landlord represents and warrants to Tenant that, to Landlord's knowledge without duty of investigation, there is no Hazardous Material on, in, or under the Premises as of the Commencement Date except as may otherwise have been disclosed to Tenant in writing before the execution of this Lease. If there is any Hazardous Material on, in, or under the Premises as of the Commencement Date which has been or thereafter becomes unlawfully released through no fault of Tenant, then Landlord shall indemnify, defend and hold Tenant harmless from any and all claims, judgments, damages, penalties, fines, costs, liabilities or losses including without limitation sums paid in settlement of claims, attorneys' fees, consultant fees and expert fees, incurred or suffered by Tenant either during or after the Lease term as the result of such contamination.

Tenant shall not cause or permit any Hazardous Material to be brought upon, kept, or used in or about, or disposed of on the Premises by Tenant, its employees, officers, agents, servants, contractors, customers, clients, visitors, guests, or other licensees or invitees, except with Landlord's prior consent and then only upon strict compliance with all applicable federal, state and local laws, regulations, codes and ordinances. If Tenant breaches the obligations stated in the preceding sentence, then Tenant shall indemnify, defend and hold Landlord harmless from any and all claims, judgments, damages, penalties, fines, costs, liabilities or losses including, without limitation, diminution in the value of the Premises; damages for the loss or restriction on use of rentable or usable space or of any amenity of the Premises, or elsewhere; damages arising from any adverse impact on marketing of space at the Premises; and sums paid in settlement of claims, attorneys' fees, consultant fees and expert fees incurred or suffered by Landlord either during or after the Lease term. These indemnifications by Landlord and Tenant include, without limitation, costs incurred in connection with any investigation of site conditions or any clean-up, remedial removal or restoration work, whether or not required by any federal, state or local governmental agency or political subdivision, because of Hazardous Material present in the Premises, or

in soil or ground water on or under the Premises. Tenant shall immediately notify Landlord of any inquiry, investigation or notice that Tenant may receive from any third party regarding the actual or suspected presence of Hazardous Material on the Premises.

Without limiting the foregoing, if the presence of any Hazardous Material brought upon, kept or used in or about the Premises by Tenant, its employees, officers, agents, servants, contractors, customers, clients, visitors, guests, or other licensees or invitees, results in any unlawful release of any Hazardous Materials on the Premises or any other property, Tenant shall promptly take all actions, at its sole expense, as are necessary to return the Premises or any other property to the condition existing prior to the release of any such Hazardous Material; provided that Landlord's approval of such actions shall first be obtained, which approval may be withheld at Landlord's sole discretion. The provisions of this Section shall survive expiration or termination of this Lease.

31. Quiet Enjoyment. So long as Tenant pays the Rent and performs all of its obligations in this Lease, Tenant's possession of the Premises will not be disturbed by Landlord or anyone claiming by, through or under Landlord.

32. Merger. The voluntary or other surrender of this Lease by Tenant, or a mutual cancellation thereof, shall not work a merger and shall, at the option of Landlord, terminate all or any existing subtenancies or may, at the option of Landlord, operate as an assignment to Landlord of any or all of such subtenancies.

33. General.

a. Heirs and Assigns. This Lease shall apply to and be binding upon Landlord and Tenant and their respective heirs, executors, administrators, successors and assigns.

b. Brokers' Fees. Tenant represents and warrants to Landlord that except for Tenant's Broker, if any, described or disclosed in Section 35 of this Lease, it has not engaged any broker, finder or other person who would be entitled to any commission or fees for the negotiation, execution or delivery of this Lease and shall indemnify and hold harmless Landlord against any loss, cost, liability or expense incurred by Landlord as a result of any claim asserted by any such broker, finder or other person on the basis of any arrangements or agreements made or alleged to have been made by or on behalf of Tenant. Landlord represents and warrants to Tenant that except for Landlord's Broker, if any, described and disclosed in Section 35 of this Lease, it has not engaged any broker, finder or other person who would be entitled to any commission or fees for the negotiation, execution or delivery of this Lease and shall indemnify and hold harmless Tenant against any loss, cost, liability or expense incurred by Tenant as a result of any claim asserted by any such broker, finder or other person on the basis of any arrangements or agreements made or alleged to have been made by or on behalf of Landlord.

c. Entire Agreement. This Lease contains all of the covenants and agreements between Landlord and Tenant relating to the lease of the Premises. No prior or contemporaneous agreements or understandings pertaining to the Lease shall be valid or of any force or effect and the covenants and agreements of this Lease shall not be altered, modified or amended to except in writing signed by Landlord and Tenant.

d. Severability. Any provision of this Lease which shall prove to be invalid, void or illegal shall in no way affect, impair or invalidate any other provision of this Lease.

e. Force Majeure. Time periods for either party's performance under any provisions of this Lease (excluding payment of Rent) shall be extended for periods of time during which the party's performance is prevented due to circumstances beyond such party's control, including without of God, public enemy, war or other strife.

f. Governing Law. This Lease shall be governed by and construed in accordance with the laws of the State of Washington.

g. Memorandum of Lease. Neither this Lease nor any memorandum or "short form" thereof shall be recorded without Landlord's prior consent.

h. Submission of Lease Form Not an Offer. One party's submission of this Lease to the other for review shall not constitute an offer to lease the Premises. This Lease shall not become effective and binding upon Landlord and Tenant until it has been fully signed by both of them.

i. No Light, Air or View Easement. Tenant has not been granted an easement or other view by any structure which may be erected on or adjacent to the Premises shall in no way effect this Lease or the obligations of Tenant hereunder or impose any liability on Landlord.

j. Authority of Parties. Each party signing this Lease represents and warrants to the other that it has the authority to enter into this Lease, that the execution and delivery of this Lease has been duly authorized, and that upon such execution and delivery, this Lease shall be binding upon and enforceable against the party on signing.

k. Time. "Day" as used herein means a calendar day and "business day" means any day on which commercial banks are generally open for business in the state where the Premises are situated. Any period of time which would otherwise end on a non-business day shall be extended to the next following business day. Time is of the essence of this Lease.

34. Exhibits and Riders. The following exhibits and riders are made a part of this Lease, and the terms thereof shall control over any inconsistent provision in the sections of this Lease:

- a. Exhibit A
- b. Exhibit B

35. Agency Disclosure. At the signing of this Lease, neither Landlord nor Tenant are represented by a broker.
