I. **INTRODUCTION**

On September 14, 2010 (the "Petition Date"),¹ Consolidated and Standard (together, the "Debtors") Filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code with United States Bankruptcy Court for the Northern District of Texas (the "Bankruptcy Court"), thereby initiating their bankruptcy cases (collectively, the "Bankruptcy Cases"), which are being jointly administered by Order of the Bankruptcy Court.

On September 17, 2010, the Debtors, the Lender and CIT Capital (collectively, the "Plan Proponents") Filed their *Joint Plan of Reorganization for the Debtors* ("Plan"). The Plan proposes, among other things, the means by which all Claims against and Equity Interests in the Debtors will be finally resolved and treated for Distribution purposes, consistent with the provisions and priorities mandated by the Bankruptcy Code. Approval and consummation of the Plan will enable the Bankruptcy Cases to be concluded and closed.

The Debtors hereby submit this Disclosure Statement in connection with the solicitation of votes on the Plan. On October __, 2010, after notice and a hearing, the Bankruptcy Court, the Honorable _____ presiding, signed an Order approving the Disclosure Statement as containing information of a kind and in sufficient detail to enable Creditors and Equity Interest holders whose votes on the Plan are being solicited to make an informed judgment on whether to accept or reject the Plan. The Bankruptcy Court's approval of the Disclosure Statement does not constitute the Bankruptcy Court's approval or disapproval of the Plan.

The Disclosure Statement, which includes the Plan as **Exhibit "A,"** is being mailed to each holder of a Claim against and each holder of an Equity Interest in the Debtors. However, the Debtors are only seeking votes on the Plan from Creditors and Equity Interest holders who are entitled to vote. With respect to voting on the Plan, pursuant to the Bankruptcy Code, only Creditors holding Claims and Equity Interests within impaired Classes under the Plan are entitled to vote.

The Debtors believe that they have promulgated the Plan consistent with the provisions of the Bankruptcy Code. The Debtors believe that the Plan provides affected Creditors and Equity Interest holders Distribution rights on account of their Claims and Equity Interests which are at least equal to, if not greater than, what they would obtain if the Bankruptcy Cases were converted to Chapter 7 liquidation cases and assets of the Debtors were liquidated within the parameters of Chapter 7 of the Bankruptcy Code. The Debtors believe that the Plan is fair and equitable to all Classes of Claims and Equity Interests under the Plan.

This Disclosure Statement is not intended to replace careful review and analysis of the Plan. Rather, it is submitted as an aid and supplement in your review of the Plan, and attempts to explain the terms and implications of the Plan. Every effort has been made to fully explain the various aspects of the Plan as it may affect Creditors and Equity Interest holders. All Persons receiving this Disclosure Statement are urged to review all of the exhibits to this Disclosure Statement, in addition to reviewing the text of this Disclosure Statement. If you have any questions, you may contact counsel for either of the Debtors. Contact information for such counsel is set forth within this Disclosure Statement, as well as on the cover page hereof.

Creditors and Equity Interest holders should read this Disclosure Statement in its entirety prior to voting on the Plan. No solicitation of votes on the Plan may be made except pursuant to this Disclosure

¹ Capitalized terms used herein, if not separately defined, have the meanings assigned to them in the Plan, or if not defined in the Plan, then in the Bankruptcy Code or Bankruptcy Rules.

Statement, an Order of the Bankruptcy Court approving this Disclosure Statement, and section 1125 of the Bankruptcy Code. No other party has been authorized to utilize any information concerning the Debtors, their operations, and their assets and liabilities, other than the information contained in this Disclosure Statement, to solicit votes on the Plan. Creditors and Equity Interest holders should not rely on any information relating to the Debtors, their operations, and their assets and liabilities, other than the information contained in this Disclosure Statement and the exhibits attached hereto.

II.

PLAN OVERVIEW

The Plan is designed to accomplish five primary objectives: (a) implement the terms of the sale and transfer of certain assets of the Debtors' Estates, including, among others, the assumption of certain Claims and liabilities by the purchaser of the Debtors' assets (the "Buyer"); (b) the commencement of Sidetrack Drilling Operations on the Pat Howell #1 Well (as defined herein) by the Buyer or its designee as operator; (c) use of production proceeds from the Debtors' and the Buyer's assets to satisfy Claims in accordance with a waterfall mechanism for distribution set forth in the Plan; (d) subordination of certain Claim asserted against the Debtors; and (e) the making of distributions to holders of Allowed Claims consistent with the priorities mandated by the Bankruptcy Code. The Plan specifies the means for accomplishing each of these objectives, and pertinent provisions of the Plan in relation thereto are described in detail in this Disclosure Statement.

Focusing on Distributions to be made to Creditors and Equity Interest holders under the Plan, the Plan divides Claims against and Equity Interests in the Debtors into separate Classes of Claims² and Equity Interests, and then sets out the treatment to be provided to each such Class under the Plan. Sections 1122 and 1123 of the Bankruptcy Code require such classification, with each Class to contain Claims and Equity Interests that are substantially similar to one another. The Plan classifies Claims against the Debtors into nine (9) Classes for purposes of voting on and Distributions under the Plan. The various Classes of Claims and Equity Interests and the treatment provided under the Plan to each such Class are discussed in greater detail in later sections of this Disclosure Statement.

The following table sets out for each Debtor: (i) the estimates of the total number of Claims and Equity Interests per Class; (ii) an estimate of the total liquidated amount of Claims and Equity Interests falling within each Class (as asserted or scheduled); and (iii) a summary of the treatment afforded to each Class under the Plan. The information set forth within the table is qualified in its entirety by the more detailed information regarding the Plan set forth in this Disclosure Statement, the exhibits hereto (including the Plan itself), and the additional disclosures which follow the tables.

² There are two exceptions to the classification of Claims. Because Administrative Claims and Priority Tax Claims are subject to mandatory treatment under the Bankruptcy Code, they are not subject to classification.

Factors and Assumptions Applied in Arriving at Estimates

The estimated Allowable Claims per Class in the foregoing table have been derived from the Schedules for the Debtors' Estates prepared by the Debtors' Professionals using information from the Debtors' books and records and other information available to them, as well as proofs of Claims Filed by Creditors in the Bankruptcy Cases.

With respect to Claims asserted in the Bankruptcy Cases, the Debtors scheduled Claims in excess of \$_____, and expect additional Claims will be asserted in proofs of Claim before _____, which is the proposed deadline to file proofs of Claim in the Bankruptcy Cases. Applicable Bankruptcy Rules provide that for those Creditors who choose to File proofs of Claim, such proofs of Claim will supersede any amounts reflected in the Schedules. The estimates in the foregoing table take into account Claims scheduled in a liquidated, non-contingent and undisputed amount as well as those amounts asserted by Claimants which the Debtors scheduled in disputed amounts. Where Claims appear to have been Filed in duplicate or amended, including Scheduled Claims, the foregoing estimates assume that duplicates and superseded Claims will be disallowed in favor of, at most, a single surviving Claim.

The estimates also include the anticipated application of merit-based objections known to the Debtors and their counsel as of the date of this Disclosure Statement, and therefore, constitute the Debtors' best estimation, as of the date of filing of this Disclosure Statement, of the ultimate allowable amount of Claims in each such Class. An example of a merit based objection to Filed proofs of Claims would be that the amount of the Claim asserted should be offset by amounts owed to the Debtors.

With respect to Class 2, Allowed Priority Claims, certain Claims asserted by taxing authorities have been Filed as Secured Claims, and only in the alternative as Priority Tax Claims. Notwithstanding the assertion of such Claims as Secured Claims in the first instance, such Claims have been classified under the Plan for all purposes as Priority Tax Claims. Accordingly, such Claims have been reflected in the table above as Priority Tax Claims and not as Secured Claims.

The ultimate resolution of Claims is inherently uncertain. Moreover, the Debtors have not completed their evaluation of all Claims and cannot presume the validity of merit-based disputes or objections thereto. Any Claim which is a Disputed Claim may be Disallowed or reduced in amount if an objection has been, or is timely hereafter, Filed and sustained by the Bankruptcy Court. Because the resolution of Disputed Claims involves many factual and legal issues which may or may not be resolved

as anticipated, no assurance can be given that the anticipated amount of Allowable Claims in each Class would be achieved were these assumptions included in the foregoing estimates. The Debtors believe that the ultimate universe of Allowed Claims will be substantially lower than the face amount of the Filed proofs of Claims, and that the current estimates of Allowable Claims shown herein above in each Class are reasonably precise given the particular circumstances.

Notwithstanding, the foregoing estimates contained herein shall not be deemed as any admission on the part of the Debtors, the Post-Confirmation Debtors, the Estates or the Plan Proponents to the validity of any Claim. Similarly, the projected recovery levels reflected in the table above are estimates only, there is no guaranty that such levels of recovery will be achieved, and such estimates shall not constitute an admission on the part of the Debtors, the Post-Confirmation Debtors, the Estates or the Plan Proponents to the validity of any Disputed Claims. Except as otherwise provided in the Plan, all objections and other defenses to Disputed Claims are preserved under the Plan.

III.

VOTING PROCEDURES AND REQUIREMENTS

A. Ballots and Voting Deadline

Each holder of a Claim in an Impaired Class and each holder of an Equity Interest is entitled to vote on the Plan and shall be provided a Ballot along with this Disclosure Statement. If a Creditor holds Claims in more than one Class entitled to vote under the Plan, such Creditor has been provided a separate Ballot for each such Class. The Ballot is to be used by the Creditor or Equity Interest holder to accept or reject the Plan.

To ensure that a Ballot is deemed timely and considered by the Debtors, a Creditor or Equity Interest holder must (a) carefully review the Ballot and the instructions set forth thereon, (b) provide all of the information requested on the Ballot, (c) sign the Ballot, and (d) return the completed and signed Ballot to the Debtors by the Voting Deadline.

By Order of the Bankruptcy Court, the Voting Deadline is 5:00 p.m. (prevailing Central Time), on _____, 2010. Therefore, in order for a Ballot to be counted for voting purposes, the completed and signed Ballot must be received at the address specified below by no later than such Voting Deadline:

**DEADLINE: MUST BE RECEIVED BY 5:00 P.M. (PREVAILING CENTRAL TIME),

B. Voting by Holders of Claims Subject to Objection

Each Creditor holding a Claim in a Class which is impaired under the Plan is being solicited to vote on the Plan. However, as to any Claim for which a proof of Claim was Filed and as to which an objection has been lodged, if such objection is still pending as of the Voting Deadline, the Creditor's vote associated with such Claim will not be counted to the extent of the objection to the Claim, unless and to

the extent the Bankruptcy Court temporarily allows the Claim upon motion by such Creditor in an amount which the Bankruptcy Court deems proper for the purpose of voting on the Plan. Such motion must be heard and determined by the Bankruptcy Court prior to the date and time established by the Bankruptcy Court for determination of confirmation of the Plan. In addition, a Creditor's vote may be disregarded if the Bankruptcy Court determines that the Creditor's acceptance or rejection of the Plan was not solicited or procured in good faith or in accordance with the provisions of the Bankruptcy Code, or that the Creditor is an insider of a Debtor within the meaning of section 101(31) of the Bankruptcy Code.

C. Definition of Impairment

Pursuant to section 1124 of the Bankruptcy Code, except to the extent that the holder of a particular claim or equity interest within a class agrees to less favorable treatment of the holder's claim or equity interest, a class of claims or equity interests is impaired under a plan unless, with respect to each claim or equity interest of such class, the plan does at least one of the following two (2) things:

1. The plan leaves unaltered the legal, equitable, and contractual rights to which such claim or equity interest entitles the holder of such claim or equity interest; or
2. Notwithstanding any contractual provision or applicable law that entitles the holder of such claim or equity interest to demand or receive accelerated payment of such claim or equity interest after the occurrence of a default, the plan:
 - (a) cures any such default that occurred before or after the commencement of the case under the Bankruptcy Code, other than a default of a kind specified in section 365(b)(2) of the Bankruptcy Code or of a kind that section 365(b)(2) expressly does not require to be cured;
 - (b) reinstates the maturity of such claim or equity interest as such maturity existed before such default;
 - (c) compensates the holder of such claim or equity interest for any damages incurred as a result of any reasonable reliance by such holder on such contractual provision or such applicable law;
 - (d) if such claim or such equity interest arises from any failure to perform a nonmonetary obligation, other than a default arising from failure to operate a nonresidential real property lease subject to section 365(b)(1)(A) of the Bankruptcy Code, compensates the holder of such claim or equity interest (other than the debtor or an insider) for any actual pecuniary loss incurred by such holder as a result of such failure; and
 - (e) does not otherwise alter the legal, equitable, or contractual rights to which such claim or equity interest entitles the holder of such claim or equity interest.

D. Classes Impaired Under the Plan

Consolidated- Classes Impaired Under the Plan

Classes 3, 4, and 7-9 are impaired Classes under the Plan. All holders of Claims or Equity Interests in such Classes are scheduled to receive on account of such Claims or Equity Interests at least some property interest having potential value under the Plan. Accordingly, holders of Claims within Classes 3, 4, 7 and 8, as well as holders of Equity Interests in Class 9, are being solicited to vote on the

Plan. Claims in Classes 1, 2 and 5 are unimpaired under the Plan. Therefore, Classes 1, 2 and 5 are deemed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code, and Creditors holding Claims within such Classes are not being solicited to vote on the Plan.

Standard- Classes Impaired Under the Plan

Classes 6, 7, 8 and 9 are impaired Classes under the Plan. All holders of Claims or Equity Interests in such Classes are scheduled to receive on account of such Claims or Equity Interests at least some property interest having potential value under the Plan. Accordingly, holders of Claims within Classes 6, 7 and 8, as well as holders of Equity Interests in Class 9, are being solicited to vote on the Plan. Claims in Classes 1, 2, 3 and 5 are unimpaired under the Plan. Therefore, Classes 1, 2, 3 and 5 are deemed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code, and Creditors holding Claims within such Classes are not being solicited to vote on the Plan.

With respect to the foregoing, the Plan Proponents specifically reserve the right to determine and contest, if necessary, (a) the impaired or unimpaired status of a Class under the Plan, and (b) whether any Ballots cast by Creditors holding Claims or holders of Equity Interests, within such a Class should be counted for purposes of confirmation of the Plan.

E. Vote Required for Class Acceptance

Pursuant to section 1126(c) of the Bankruptcy Code, a Class of Claims under the Plan shall be deemed to have accepted the Plan if the Plan is accepted by Creditors holding at least two-thirds (2/3) in amount and more than one-half (1/2) in number of the Allowed Claims within such Class held by Creditors that have accepted or rejected the Plan. Pursuant to section 1126(d) of the Bankruptcy Code, a Class of Equity Interests under the Plan shall be deemed to have accepted the Plan if the Plan is accepted by holders holding at least two-thirds (2/3) of the amount of Allowed Equity Interests in such Class held by holders of Equity Interests that have accepted or rejected the Plan.

Pursuant to section 1126(e) of the Bankruptcy Code, on request of a party in interest in the Bankruptcy Case, and after notice and a hearing, the Bankruptcy Court may designate the vote of any Creditor whose acceptance or rejection of the Plan was not in good faith, or was not solicited or procured in good faith or in accordance with the provisions of the Bankruptcy Code.

IV.
CONFIRMATION OF THE PLAN

A. Confirmation Hearing

B. Requirements for Confirmation of the Plan

At the Confirmation Hearing, the Bankruptcy Court will determine whether the confirmation requirements of section 1129(a) of the Bankruptcy Code have been satisfied. Only in the event that all of these requirements have been satisfied, and that all other conditions to confirmation set forth in the Plan have been met, will the Bankruptcy Court enter an Order confirming the Plan under section 1129(a). The requirements of section 1129(a) applicable to corporate debtors are as follows:

1. The plan complies with the applicable provisions of the Bankruptcy Code.
2. The proponent of the plan complies with the applicable provisions of the Bankruptcy Code.
3. The plan has been proposed in good faith and not by any means forbidden by law.
4. Any payment made or to be made by the proponent, by the debtor, or by a person issuing securities or acquiring property under the plan, for services or for costs and expenses in or in connection with the case, or in connection with the plan and incident to the case, has been approved by, or is subject to the approval of, the court as reasonable.
5. The proponent of the plan has disclosed:

- (a) the identity and affiliations of any individual proposed to serve, after confirmation of the plan, as a director, officer, or voting trustee of the debtor, an affiliate of the debtor participating in a joint plan with the debtor, or a successor to the debtor under the plan, and the appointment to, or continuance in, such office of such individual, is consistent with the interests of creditors and equity interest holders and with public policy; and
 - (b) the identity of any insider that will be employed or retained by the reorganized debtor, and the nature of any compensation for such insider.
- 6. Any governmental regulatory commission with jurisdiction, after confirmation of the plan, over the rates of the debtor has approved any rate change provided for in the plan, or such rate change is expressly conditioned on such approval.
- 7. With respect to each impaired class of claims or equity interests:
 - (a) each holder of a claim or equity interest of such class has accepted the plan or will receive or retain under the plan on account of such claim or equity interest property of a value, as of the effective date of the plan, that is not less than the amount that such holder would so receive or retain if the debtor were liquidated under Chapter 7 of the Bankruptcy Code on such date; or
 - (b) if section 1111(b)(2) of the Bankruptcy Code applies to the claims of such class, each holder of a claim of such class will receive or retain under the plan on account of such claim property of a value, as of the effective date of the plan, that is not less than the value of such holder's interest in the estate's interest in the property that secures such claims.
- 8. With respect to each class of claims or equity interests, such class has accepted the plan or such class is not impaired under the plan.
- 9. Except to the extent that the holder of a particular claim has agreed to a different treatment of such claim, the plan provides that:
 - (a) with respect to a claim of a kind specified in section 507(a)(2) or 507(a)(3) of the Bankruptcy Code, on the effective date of the plan, the holder of such claim will receive on account of such claim cash equal to the allowed amount of such claim;
 - (b) with respect to a class of claims of a kind specified in section 507(a)(1), 507(a)(4), 507(a)(5), 507(a)(6), or 507(a)(7) of the Bankruptcy Code, each holder of a claim of such class will receive (i) if such class has accepted the plan, deferred cash payments of a value, as of the effective date of the plan, equal to the allowed amount of such claim, or (ii) if such class has not accepted the plan, cash on the effective date of the plan equal to the allowed amount of such claim;
 - (c) with respect to a claim of a kind specified in section 507(a)(8) of the Bankruptcy Code, the holder of such claim will receive on account of such claim regular installment payments in cash (i) of a total value, as of the effective date of the plan, equal to the allowed amount of such claim, (ii) over a period ending not later than 5 years after the date of the order for relief under section 301, 302, or 303 of the Bankruptcy Code, and (iii) in a manner not less favorable than the most favored nonpriority unsecured claim provided for by the plan (other than

cash payments made to a class of creditors under section 1122(b) of the Bankruptcy Code); and

- (d) with respect to a secured claim which would otherwise meet the description of an unsecured claim of a governmental unit under section 507(a)(8) of the Bankruptcy Code, but for the secured status of that claim, the holder of that claim will receive on account of that claim, cash payments, in the same manner and over the same period, as prescribed in paragraph 9(c) above.
- 10. If a class of claims is impaired under the plan, at least one class of claims that is impaired under the plan has accepted the plan, determined without including any acceptance of the plan by any insider.
- 11. Confirmation of the plan is not likely to be followed by the liquidation, or the need for further financial reorganization, of the debtor or any successor to the debtor under the plan, unless such liquidation or reorganization is proposed in the plan.
- 12. All fees payable under section 1930 of Title 28, as determined by the court at the hearing on confirmation of the plan, have been paid or the plan provides for the payment of all such fees on the effective date of the plan.
- 13. The plan provides for the continuation after its effective date of payment of all retiree benefits, as that term is defined in section 1114 of the Bankruptcy Code, at the level established pursuant to subsection (e)(1)(B) or (g) of section 1114 of the Bankruptcy Code, at any time prior to confirmation of the plan, for the duration of the period the debtor has obligated itself to provide such benefits.
- 14. All transfers of property of the plan shall be made in accordance with any applicable provisions of nonbankruptcy law that govern the transfer of property by a corporation or trust that is not a moneyed, business, or commercial corporation or trust.

If a sufficient number of Creditors and amounts of Claims in impaired Classes under the Plan vote to accept the Plan, the Debtors believe that the Plan will satisfy all of the applicable statutory requirements of section 1129(a) of the Bankruptcy Code. As discussed below, however, the Debtors believe that the Plan may be confirmed under the "cramdown" provisions of section 1129(b) of the Bankruptcy Code.

C. Cramdown

Pursuant to section 1129(b) of the Bankruptcy Code, the Bankruptcy Court may confirm the Plan at the request of the Plan Proponents if: (a) all of the requirements of section 1129(a) of the Bankruptcy Code, with the exception of section 1129(a)(8) (set out in paragraph 8 above), are met with respect to the Plan; (b) at least one Class of Claims that is impaired under the Plan has accepted the Plan (excluding the votes of insiders); and (c) with respect to each impaired Class that has not accepted the Plan, the Plan does not "discriminate unfairly" and is "fair and equitable."

A plan does not "discriminate unfairly" within the meaning of the Bankruptcy Code if the classification of claims under the plan complies with the Bankruptcy Code and no particular class will receive more than it is legally entitled to receive for its claims or equity interests.

"Fair and equitable," on the other hand, has a different meaning for classes of secured claims, classes of unsecured claims, and classes of equity interests, as described below:

With respect to a class of secured claims that rejects the plan, to be "fair and equitable" the plan must, among other things, provide:

(a) that the holders of such claims retain the liens securing such claims, whether the property subject to such liens is retained by the debtor or transferred to another entity, to the extent of the allowed amount of such claims, and that each holder of a claim of such class receive on account of such claim deferred cash payments totaling at least the allowed amount of such claim, of a value, as of the effective date of the plan, of at least the value of such holder's interest in the estate's interest in such property;

(b) for the realization of such holders of the indubitable equivalent of such claims; or

(c) for the sale, subject to section 363(k) of the Bankruptcy Code, of any property that is subject to the liens securing such claims, free and clear of such liens, with such liens to attach to the proceeds of such sale, and the treatment of such liens on proceeds under (a) or (b) above.

With respect to a class of unsecured claims that rejects the plan, to be "fair and equitable" the plan must, among other things, provide:

(a) that each holder of a claim of such class receive or retain on account of such claim property of a value, as of the effective date of the plan, equal to the allowed amount of such claim; or

(b) that the holder of any claim or equity interest that is junior to the claims of such class will not receive or retain under the plan on account of such junior claim or equity interest any property.

With respect to a class of equity interests that rejects the plan, to be "fair and equitable" the plan must, among other things, provide:

(a) that each holder of an equity interest of such class receive or retain on account of such equity interest property of a value, as of the effective date of the plan, equal to the greatest of the allowed amount of any fixed liquidation preference to which such holder is entitled, any fixed redemption price to which such holder is entitled, or the value of such equity interest; or

(b) that the holder of any equity interest that is junior to the equity interests of such class will not receive or retain under the plan on account of such junior equity interest any property.

In the event that at least one impaired Class of Claims under the Plan accepts the Plan, the Plan Proponents request the Bankruptcy Court to confirm the Plan in accordance with the cramdown provisions of section 1129(b) of the Bankruptcy Code. The Plan Proponents believe that all of the requirements of section 1129(a) of the Bankruptcy Code (with the exception of section 1129(a)(8)) will be satisfied, that at least one Class of impaired Claims will accept the Plan (excluding the votes of insiders), and that the Plan does not unfairly discriminate against, and is fair and equitable in relation to each of the Classes that may vote to reject the Plan.

V.

HISTORICAL AND BACKGROUND INFORMATION

A. Organizational Overview of the Debtors

Consolidated is a privately-held Texas limited liability company organized on or about October 27, 2008. Pursuant to its Limited Liability Company Agreement, Consolidated was organized to, among other things, acquire oil and gas leases and participate in the drilling and completion of wells on such oil

and gas leases. Pursuant to the Limited Liability Agreement, Consolidated's membership interests are divided among members according to their respective shares in the oil and gas leases and wells conveyed to the company. Consolidated is managed by Michael B. Wisenbaker ("Wisenbaker") as its Managing Member and the current members of Consolidated are Heritage Resources Corporation, Heritage Standard Corporation, The Chase Avenue Corporation, Case Inlet L.P., SSB L.P. and Heritage Oil, L.P.

Standard is a Texas corporation that shares common management with Consolidated. As of the date hereof, Wisenbaker owns one hundred percent (100%) of the outstanding Equity Interests in Standard.

B. The Debtors' Business and Operations

The Debtors are headquartered in Dallas, Texas. Since their formation, the Debtors have been engaged in the exploration for and acquisition, production and sale of crude oil and natural gas. The Debtors' operations are separated according to function: Consolidated owns the majority of the oil and gas wells, leasehold interests, and mineral interests that allow the Debtors to conduct their oil and gas operations; and Standard is an exploration and production company that develops wells and oil and gas prospects owned by Consolidated and other working interest owners; it is also a lessee under certain oil and gas leases.

The Debtors focus their development efforts primarily on the Permian Basin in west Texas and southeastern New Mexico (the "Target Area"). The Debtors and their predecessors have been exploring and developing the Target Area since 1984.

As part of conducting their business, the Debtors are lessees under, or assignees of, oil and gas leases and are parties to certain operating agreements, farmout agreements, joint venture agreements, gas marketing agreements, gas transportation agreements, and other agreements required for the operation of their businesses. As experienced veterans of the oil and gas industry, the Debtors participate in virtually every step of the process from developing oil and gas prospects to selling production at market.

As part of operating their businesses, the Debtors have significant working capital requirements. As part of meeting the Debtors' capital needs, Consolidated became the borrower under that certain Credit Agreement, dated October 30, 2008 (as amended from time to time, the "CIT Credit Agreement"), among Consolidated, CIT Capital USA Inc. ("CIT Capital"), as administrative agent, and other lenders from time to time thereto (together, with CIT Capital, the "Prepetition Lenders"). Under the terms of the CIT Credit Agreement, the Debtors had access to a \$30,000,000 revolving credit facility with an initial borrowing base limit of \$18,000,000 (the "CIT Facility"). As of the Petition Date, the aggregate principal amount of the advances outstanding under the CIT Credit Agreement was approximately \$18.5 million. The obligations under the CIT Credit Agreement are secured by liens on all of the material assets of Consolidated.

To provide the Debtors the liquidity necessary for them to explore alternatives and prepare for the commencement of their Bankruptcy Cases, the following documents were executed: (i) Assignment of Term Overriding Royalty Interest dated June 1, 2010 executed by Consolidated; (ii) Letter Agreement dated June 16, 2010 by and among the CIT Capital, Consolidated, and Standard; and (iii) all related documents and instruments (collectively, the "ORRI Documents"). Under the ORRI Documents, CIT Capital provided Consolidated \$800,000 in consideration for, among other things, a term overriding royalty interest equal to 50% of Consolidated's net revenue interest in certain of Consolidated's oil and gas properties. CIT Capital filed the appropriate ORRI Documents of record on or about June 17, 2010. As of the present date, \$_____ is due and owing to CIT Capital under the ORRI Documents.

In addition, CIT Capital provided the Debtors \$400,000 subject to that certain Promissory Note dated July 30, 2010 (the "Promissory Note") for the benefit of CIT Capital, as holder. The Debtors and the CIT Capital also executed that certain Subordination Agreement dated as of July 30, 2010 (the "Subordination Agreement") under which Standard agreed to, among other things, subordinate certain obligations owed to it by Consolidated to certain obligations owed to CIT Capital by Consolidated. As of the Petition Date, the aggregate principal amount of the advances outstanding under the Promissory Note was approximately \$_____. The obligations under the CIT Credit Agreement are secured by (i) any and all of the properties and assets of Standard, both real or personal; and (ii) substantially all of the properties and assets of Consolidated, both real or personal, to the extent that they relate to the "Section 6 Assets."

C. Events Leading to the Chapter 11 Filing

In August, 2009, Standard began operations on that certain oil and gas well in Winkler County, Texas, known as the Pat Howell #1 well (the "Pat Howell #1 Well"). The Pat Howell #1 Well is located in the Atoka Formation of the Permian Basin, which has proven reserves of approximately 16.9 billion cubic feet ("bcf") of natural gas. Over the course of ten months, Standard conducted operations to re-enter the existing wellbore for the Pat Howell #1 Well and then complete operations to the Atoka formation.

Due to a series of mistakes and operational difficulties with the wellbore, the Pat Howell #1 Well has not been completed and placed online, thereby causing the accumulation of approximately \$11.6 million in contractor and service debt. Most, if not all, of the problems encountered in these operations were the result of contractor negligence, which is the subject of lawsuits initiated by Standard and pending in various Texas state courts. The significant debt incurred in connection with the operations on the Pat Howell #1 Well, coupled with the lack of anticipated production therefrom, negatively impacted the Debtors' ability to meet their ongoing obligations to their vendors and the Lender.

As a result, the Debtors determined that it was in the best interest of creditors to initiate the Bankruptcy Cases in order to protect and preserve their assets.

D. Management of the Debtors

Throughout the course of the Bankruptcy Cases, the Debtors have been operating as debtors in possession under the Bankruptcy Code, meaning that the Debtors have continued to operate under the guidance and control of their officers, with the added assistance of Bridge Associates, LLC ("Bridge") and Scott Pinsonnault, the Financial Advisor and Chief Restructuring Officer for the Debtors. As of the date hereof, Consolidated is managed by its Managing Member, Michael B. Wisenbaker. Standard's primary remaining officers are: Michael B. Wisenbaker, Standard's President and Chief Executive Officer; Scott Pinsonnault, Chief Restructuring Officer; Gary L. Todd, VP Oil and Gas Operations; and Pamela Clements, Controller.

LEGAL PROCEEDINGS AFFECTING THE DEBTORS AND ESTATES

This Article of this Disclosure Statement contains a discussion of certain specific Causes of

Action held by the Estates and which shall be preserved under the Plan for assertion by the Reorganized Debtors and/or one or more of the Newco Entities.

A. Preservation of Rights of Action; Settlement of Litigation Claims

The Plan Administrator shall be appointed representative of the respective Estates pursuant to Bankruptcy Code § 1123(b)(3)(B) with respect to the Causes of Action which are Vested Assets, including the Apollo Litigation, the Pathfinder Litigation and the Eunice Litigation, and, except as otherwise ordered by the Bankruptcy Court and subject to any releases in the Plan, on the Effective Date, all Causes of Action shall vest in the respective Reorganized Debtors who may enforce, sue on, and, subject to Bankruptcy Court approval (except as otherwise provided herein) settle or compromise (or decline to do any of the foregoing) any or all of the Causes of Action that are Vested Assets. Except as otherwise ordered by the Bankruptcy Court, the Plan Administrator, on behalf of the applicable Reorganized Debtors, shall be vested with authority and standing to prosecute any Causes of Action that are Vested Assets. The Plan Administrator and his or her attorneys and other professional advisors shall have no liability for pursuing or failing to pursue any such Causes of Action.

B. Settlement of Litigation Claims and Disputed Claims

At any time after the Confirmation Date and before the Effective Date, notwithstanding anything in the Plan to the contrary, the Debtors, with the consent of the Lender, may settle some or all of the Causes of Action that would be Vested Assets or the Disputed Claims subject to obtaining any necessary Bankruptcy Court approval. To the extent that they would be payable to one or more of the Reorganized Debtors, the proceeds from the settlement of a Cause of Action shall constitute a Vested Asset that shall vest in the applicable Reorganized Debtor on the Effective Date in accordance with the Plan.

In accordance with section 1123(b)(3) of the Bankruptcy Code, the Plan further provides that the Reorganized Debtors and one or more of the Newco Entities, as applicable, will have standing, on and after the Effective Date of the Plan, to pursue the Causes of Action transferred to them and will be deemed appointed as the representative of the Estates for the purpose of enforcing, prosecuting and settling such transferred Causes of Action.

The Plan expressly rejects any *res judicata* or preclusive effect that confirmation of the Plan might otherwise have on any such claims or Causes of Action that vest in the Reorganized Debtors or one or more of the Newco Entities, as applicable.

C. Litigation Pending as of the Petition Date

As of the Petition Date, one or more Debtors were party to the following actions. The status of each is also noted below:

Heritage Standard Corporation, individually and as Assignee of all the Working Interests in the Pat Howell Well #1 v. Pathfinder Energy Services, LLC, successor in interests to and/or d/b/a Pathfinder Energy Services, Inc., Case Number 15,830, pending in the 109th Judicial District Court, Winkler County, Texas.

Status: Standard, individually and as Assignee of all the Working Interests in the Pat Howell Well #1, initiated the above-referenced litigation against Pathfinder Energy Services, LLC ("Pathfinder") on May 3, 2010, asserting claims of negligence for

damages caused by misdirected drilling services provided by Pathfinder during the drilling of the Pat Howell Well #1. Among other things, Pathfinder was negligent in that it assumed, in making its guiding plan, that the well bore was straight, by failing to incorporate new survey information into its guiding plan, by continuing to drill without incorporating new survey information into its guiding plan, and by failing to correctly determine the correct drilling location. Due to Pathfinder's negligence, Standard has been damaged in excess of \$700,000.00.

The lawsuit is currently in the discovery phase of the litigation. Standard intends to continue pursuit of its claims and use its share of the proceeds to fund the Plan, as follows:

The net proceeds from settlements, proceeds from judgment and other recoveries associated with the Apollo Litigation and Pathfinder Litigation shall be applied and/or paid as follows: (i) first, to Reorganized Standard to satisfy the Allowed Claims (excluding Subordinated Claims) against Standard's Estate; and (ii) once the Allowed Claims (excluding Subordinated Claims) against Standard's Estate are satisfied in full pursuant to Section 4.02(b) of the Plan, 50% to Section 6 Newco and 50% to Reorganized Standard. The Plan Administrator shall be the appointed representative of Reorganized Standard and Section 6 Newco with respect to the Apollo Litigation and the Pathfinder Litigation. Except as otherwise ordered by the Bankruptcy Court, the Plan Administrator, on behalf of Reorganized Standard and Section 6 Newco, shall be vested with authority and standing to prosecute the Apollo Litigation and Pathfinder Litigation.

Heritage Standard Corporation, individually and as Assignee of all the Working Interests in the Pat Howell Well #1 v. Apollo Perforators, Inc., Case Number 15,831, pending in the 109th Judicial District Court, Winkler County, Texas.

Status: Standard, individually and as Assignee of all the Working Interests in the Pat Howell Well #1, initiated the above-referenced litigation against Apollo Perforators, Inc. ("Apollo") on May 3, 2010, asserting claims of negligence for damages caused by wire line services provided by Apollo during the drilling of the Pat Howell Well #1. Among other things, Apollo was negligent in that it dumped an entire wire line spool down the Pat Howell Well #1, by failing to properly exercise its equipment, by failing to properly maintain its equipment, by failing to properly shift gears when unspooling the wire line, and by failing to apply the brakes properly when the wire line started unspooling into the Pat Howell Well. Due to Apollo's negligence, Standard has been damaged in excess of \$5,000,000.00.

The lawsuit is currently in the discovery phase of the litigation. Standard intends to continue pursuit of its claims and use its share of the proceeds to fund the Plan, as follows:

The net proceeds from settlements, proceeds from judgment and other recoveries associated with the Apollo Litigation and Pathfinder Litigation shall be applied and/or paid as follows: (i) first, to Reorganized Standard to satisfy the Allowed Claims (excluding Subordinated Claims) against Standard's Estate; and (ii) once the Allowed Claims (excluding Subordinated Claims) against Standard's Estate are satisfied in full pursuant to Section 4.02(b) of the Plan, 50% to Section 6 Newco and 50% to Reorganized Standard. The Plan Administrator shall be the appointed representative of Reorganized Standard and Section 6 Newco with respect to the Apollo Litigation and the Pathfinder Litigation. Administrator, on behalf of Reorganized Standard and Section 6 Newco, shall be vested with authority and standing to prosecute the Apollo Litigation and Pathfinder Litigation.

Heritage Standard Corporation and Heritage Consolidated, LLC. v. Rock Tool, Ltd., and Sonic Petroleum Services, Ltd., v. Michael Wisenbaker, Lakehills Production, Inc., Stratco Operating Company, Inc., Thomas J. Stratton, Jan Stratton, Staley Operating Company, George G. Staley, Trius Energy, LLC, J. Scott Tyson, Dennis Rosini, Thomas Hayley, Jeff Ragland, and JR Operating Company, Case Number 15,732, pending in the 109th Judicial District Court, Winkler County, Texas.

Status: Standard and Consolidated initiated the above-referenced litigation against Rock Tool, Ltd. (“Rock Tool”) and Sonic Petroleum Services, Ltd. (“Sonic”) on October 20, 2009, asserting claims for a declaratory judgment that former orders purporting to allow foreclosing of Rock Tool and Sonic’s mineral liens on the A.G. Hill, Well No. 1, Section 6, Block 74, PSL Survey, Winkler County, Texas are improper, action to quiet title, trespass to try title, and violations of the Texas Civil Practice and Remedies Code § 12.002. Rock Tool and Sonic have clouded title on the oil and gas interest the A.G. Hill Well No. 1, Section 6, Block 74, PSL Survey, Winkler County, Texas (the “A.G. Hill Well No. 1”) by attempting to foreclose invalid mineral liens on the A.G. Hill Well No. 1, when neither Standard nor Consolidated contracted with either Rock Tool or Sonic, and therefore, the alleged liens could not and did not attach to Standard and/or Consolidated’s interests in the A.G. Hill Well No. 1. The mineral liens asserted by Rock Tool and Sonic were further invalid because Standard and Consolidated were never given notice of the alleged mineral liens.

Rock Tool and Sonic have filed a counterclaim against Standard and Consolidated, among others, for breach of contract, quantum meruit, unjust enrichment, fraud and conspiracy to defraud, single business enterprise and alter ego, declaratory judgment, foreclosure of mineral liens, and the appointment of a receiver. Rock Tool and Sonic formerly contracted with Stratco Operating Company, Inc. (“Stratco”). Stratco failed to pay Rock Tool and Sonic for the work allegedly performed and seek to hold Standard and Consolidated liable for Stratco’s failure to make payment to Rock Tool and Sonic. In the counterclaim, Rock Tool is seeking damages of \$130,050.52 and Sonic is seeking damages of \$37,063.07. Rock Tool and Sonic are further seeking to foreclose the mineral lien they are asserting on all of Section 6, Block 74 PSL Survey in Winkler County, Texas. Standard and Consolidated vigorously dispute any wrongdoing, that any amounts owed to Rock Tool and Sonic are owed by Standard and Consolidated, and that any mineral liens asserted by Rock Tool and Sonic attached to any interests owned by Standard and Consolidated.

The lawsuit and the counterclaims are currently in the discovery phase of the litigation. Standard intends to continue pursuit of its claims and use its share of the proceeds to fund the Plan.

Eunice further asserts its entitlement to mineral liens on the Tubb Estate 22-2 well, Section 22, Block C-23, PSL Survey in Winkler County, Texas, the Tubb Estate 22-3 well, Section 22, Block C-23, PSL Survey in Winkler County, Texas, the Little Wolf #8 well, Section 16, Block C-23, PSL Survey in Winkler County, Texas, the Tubb Estate 75-1 well, Section 1, Block 75, PSL Survey in Winkler County, Texas, the Tubb Unit 9-1 well, Section 9, Block 74, PSL Survey in Winkler County, Texas, the Tubb Unit 9-2 well, Section 9, Block 74 PSL Survey in Winkler County, Texas, the Little Wolf #5 well, Section 16, Block C-23, PSL Survey in Winkler County, Texas, the Black Kettle #1-A well, Section 7 Block 74, PSL Survey in Winkler County, Texas, the Black Kettle #5 well, Section 7 Block 74, PSL Survey in Winkler County, Texas, the Wolfe Unit #2 well, Section 24, Block C-23, PSL Survey, Abstract 1393, in Winkler County, Texas, the Wolfe Unit #4 well, Section 24, Block C-23, PSL Survey, Abstract 1393, in Winkler County, Texas, the Wolfe Unit #6 well, Section 24, Block C-23, PSL Survey, Abstract 1393, in Winkler County, Texas, the Wolfe Unit #8, Section 24, Block C-23, PSL Survey, Abstract 1393, in Winkler County, Texas, the Tubb 1 Unit #1, Section 1, Block C-24, PSL Survey, Abstract 1395, in Winkler County, Texas, the Tubb Estate 22 #1 well, Section 22, Block C-23, PSL Survey, Abstract 1414, in Winkler County, Texas, the Tubb Estate 25 #1 and #3 wells, Section 25, Block C-23, PSL Survey, in Winkler County, Texas, and the Tubb Estate 21 #2 well, Section 21, Block C-23, PSL Survey, Abstract 1391, in Winkler County, Texas.

Standard denies either Eunice or ABC are entitled to recover in this lawsuit. On June 18, 2010, Standard filed its Third Amended Counterclaim in the lawsuit against ABC, Eunice and Teaco Energy Service, Inc. ("Teaco"), asserting counterclaims for negligence, breach of contract, and breach of warranty. Standard has been damaged in excess of \$10,000,000.00. Standard's damages result from services provided by ABC, Eunice and Teaco during the drilling of the Tubb Estate 22 #2 well in 2007, which resulting in the destruction of the Tubb Estate 22 #2 well, including the wellbore. Among other things, Eunice, ABC and Teaco failed to fit the tube together properly so that it separated in the well hole, failed to set the slips before releasing the elevator, thereby dropping the fishing string almost two miles down the hole, smashing the tube that had separated in the hole, and dropped the tube on several occasions thereafter. ABC, Eunice and Teaco's acts significantly damaged the Tubb Estate 22 #2 well, resulting in permanent loss of the value of the well and permanent reduction in the capability of production from the well.

The lawsuit and the counterclaims are currently in the discovery phase of the litigation. Standard intends to continue pursuit of its claims and use its share of the proceeds to fund the Plan.

In addition to the Causes of Action which have already been asserted by the Estates (discussed in prior sections of the Disclosure Statement), the Estates do or may hold the following Causes of Action:

1. Avoidance Causes of Action

Pursuant to Sections 547 and 550 of the Bankruptcy Code, a trustee (or debtor in possession pursuant to Section 1107 of the Bankruptcy Code) may avoid and recover any transfer of an interest of the debtor in property to or for the benefit of a creditor if such transfer (i) was for or on account of an antecedent debt owed by the debtor before the transfer was made, (ii) was made while the debtor was insolvent, (iii) was made within ninety (90) days of the bankruptcy filing, and (iv) resulted in the creditor receiving more on account of the debt than if the transfer had not been made, the debtor were liquidated under Chapter 7 of the Bankruptcy Code, and the creditor were limited to recovery on the debt through the Chapter 7 process.

The Estates may hold such claims against the recipients of payments reflected on the Statement of Financial Affairs Filed for the Debtors on September____, 2010 [Docket No. _____], in response to Item No. 3 (the "Lookback Payment Listings"). The Lookback Payment Listings are incorporated herein, by reference, for all intents and purposes. **Creditors shown on the Lookback Payment Listings are hereby notified that the Plan preserves the Estates' rights to pursue claims and Causes of Action for the avoidance and recovery of actually or constructively fraudulent transfers for the benefit of the Estates following confirmation of the Plan.**

2. Subordination Causes of Action

Pursuant to section 510(c) of the Bankruptcy Code, after notice and a hearing, a bankruptcy court may, under principles of equitable subordination, subordinate for purposes of distribution all or part of an allowed claim to all or part of another allowed claim. The potential Causes of Action presently known to the Debtors which may have arisen under contract, tort, general corporate or securities laws are listed in the *Schedule of Potential and Retained Causes of Action*, attached as **Exhibit "E"** (to be supplemented) to this Disclosure Statement. It is possible that Estate representatives and their successors may discover other Persons who may be liable beyond those listed in Exhibit D as well as other Causes of Action beyond those listed in the Exhibit E. The fact that Causes of Action and Persons may be currently unknown to the Debtors does not evidence any intention to waive or release them. The Debtors wish to

make clear that they wish to invoke all doctrines available which may expand statutes of limitations including, but not limited to, the discovery rule.

PLEASE TAKE NOTICE: WITH THE EXCEPTION OF THOSE CAUSES OF ACTION THAT ARE EXPRESSLY RELEASED OR WAIVED UNDER THE TERMS OF THE PLAN, ALL CAUSES OF ACTION OF THE DEBTORS AND THEIR ESTATES, WHETHER OR NOT SPECIFIED HEREIN, WILL BE PRESERVED AND TRANSFERRED TO THE REORGANIZED DEBTORS, OR AS APPLICABLE, ONE OR MORE OF THE NEWCO ENTITIES. At any time that the Plan Administrator determines that sufficient Cash exists in the Distribution Reserve Accounts and the General Account to make a Distribution to holders of Allowed Claims pursuant to the provisions of the Plan, including Section 8.01 of the Plan, the Plan Administrator shall make such Cash Distribution Pro Rata to holders of Allowed Claims on a Class-by-Class basis.

3. Distributions by Agent or Servicer

The Plan Administrator or either of the Newco Entities (as applicable) shall make all Distributions required under the Plan, except with respect to a Claim whose Distribution is governed by an agreement and is administered by an agent or servicer, which Distributions shall be deposited with the appropriate agent or servicer, who shall deliver such Distributions to the holders of Claims in accordance with the provisions of the Plan.

4. Means of Cash Payment

Cash payments made pursuant to the Plan shall be in U.S. funds, by appropriate means, including by check or wire transfer.

5. Delivery of Distribution

Distributions to holders of Allowed Claims shall be made (a) at the addresses set forth on the Proofs of Claim Filed by such holders (or at the last known address of such holders if no Proof of Claim is Filed or if the Debtor has been notified of a change of address); (b) at the addresses set forth in any written notices of address changes delivered to the Debtors, Plan Administrator, or the Newco Entities (as applicable) after the date of any related Proof of Claim; or (c) if no Proof of Claim has been Filed and the Debtors, Plan Administrator, or the Newco Entities (as applicable) have not received a written notice of a change of address, at the addresses reflected in the Bankruptcy Schedules, if any.

6. Fractional Dollars; *De Minimis* Distributions

Notwithstanding any other provision of the Plan, payments of fractions of dollars shall not be made. Whenever any payment of a fraction of a dollar under the Plan would otherwise be called for, actual payment made shall reflect a rounding of such fraction to the nearest whole dollar (up or down). No payment of less than \$25.00 with respect to any Claim shall be made unless a request therefor is made in writing to Reorganized Consolidated or Reorganized Standard (as applicable). Notwithstanding the foregoing, the Plan Administrator may, in his or her discretion, make payments of fractions of dollars and/or of less than \$25.00.

7. Withholding and Reporting Requirements

In connection with the Plan and all Distributions hereunder, the Plan Administrator or the Newco Entities (as applicable) shall, to the extent applicable, comply with all tax withholding and reporting requirements imposed by any federal, state, local, or foreign taxing authority, and all Distributions hereunder shall be subject to any such withholding and reporting requirements. The Plan Administrator or the Newco Entities (as applicable) shall be authorized to take any and all actions that may be reasonably necessary or appropriate to comply with such withholding and reporting requirements.

8. Setoffs.

The Plan Administrator or the Newco Entities (as applicable) may, but shall not be required to, set off against any Claim, and the payments or other Distributions to be made pursuant to the Plan in respect of such Claim, claims of any nature whatsoever that Reorganized Consolidated, Reorganized Standard, or the Newco Entities (as applicable) may have against the holder of such Claim; provided, however, neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by the Plan Administrator or the Newco Entities (as applicable) of any such Claim that Reorganized Consolidated, Reorganized Standard, or the Newco Entities (as applicable) may have against such holder, unless otherwise agreed to in writing by such holder and the Plan Administrator or the Newco Entities (as applicable).

9. Duty to Disgorge Overpayments

To the extent that a Claim may be an Allowed Claim in more than one Class, the holder of such Claim shall not be entitled to recover more than the full amount of its Allowed Claim. The holder of an Allowed Claim that receives more than payment in full of its Allowed Claim shall immediately return any excess payments to the Plan Administrator or the Newco Entities (as applicable). In the event that the holder of an Allowed Claim fails to return an excess payment, the Plan Administrator or the Newco Entities (as applicable) may bring suit against such holder for the return of the overpayment in the Bankruptcy Court or any other court of competent jurisdiction.

D. Reserves Administered By the Reorganized Debtors

The Plan Administrator shall establish an Undeliverable Distribution Reserve, Senior Claim Distribution Reserve, Expense Reserve, and General Account (which, notwithstanding anything to the contrary contained in the Plan, may be effected by either establishing a segregated account or establishing book entry accounts, in the sole discretion of the Plan Administrator) for each Reorganized Debtor.

Undeliverable Distribution Reserve

The Plan provides that if a Distribution to any holder of an Allowed Claim is returned to the Plan Administrator as undeliverable or is otherwise unclaimed, such Distribution shall be deposited in a segregated, interest-bearing account, designated as an "Undeliverable Distribution Reserve," for the benefit of such holder until such time as such Distribution becomes deliverable, is claimed or is deemed to have been forfeited in accordance with Section 9.02(b) of the Plan.

Any holder of an Allowed Claim that does not assert a claim pursuant to the Plan for an Undeliverable or Unclaimed Distribution within one year after the first Distribution is made to such holder shall be deemed to have forfeited its claim for such Undeliverable or Unclaimed Distribution and shall be forever barred and enjoined from asserting any such claim for the Undeliverable or Unclaimed Distribution against any Debtor, any Reorganized Debtor, any Estate, the Plan Administrator, or their respective properties or assets. In such cases, any Cash or other property held in the Undeliverable Distribution Reserve for distribution on account of such claims for Undeliverable or Unclaimed Distributions, including the interest that has accrued on such Undeliverable or Unclaimed Distribution while in the Undeliverable Distribution Reserve, shall become the property of the applicable Reorganized Debtor, notwithstanding any federal or state escheat laws to the contrary, and shall be available for immediate distribution by the applicable Reorganized Debtor according to the terms of the Plan.

The Plan Administrator and his or her respective agents and attorneys are under no duty to take any action to either (i) attempt to locate any Claim holder, or (ii) obtain an executed Internal Revenue Service Form W-9 from any Claim holder.

Within fifteen Business Days after the holder of an Allowed Claim satisfies the requirements of the Plan, such that the distribution(s) attributable to its Claim is no longer an Undeliverable or Unclaimed Distribution (provided that satisfaction occurs within the time limits set forth in Section 9.02(b) of the Plan), the Plan Administrator shall distribute out of the Undeliverable Distribution Reserve the amount of the Undeliverable or Unclaimed Distribution attributable to such Claim, including the interest that has accrued on such Undeliverable or Unclaimed Distribution while in the Undeliverable Distribution Reserve to the General Account.

Senior Claim Distribution Reserve

The Plan provides that the Plan Administrator shall establish the Senior Claim Distribution Reserve by depositing Cash received by the applicable Reorganized Debtors in the amount estimated by the Bankruptcy Court to be necessary to satisfy all Allowed Administrative Claims, Allowed Priority Tax Claims, Allowed Ad Valorem Tax Claims, Allowed Priority Claims, Allowed Other Secured Claims, Allowed M&M Secured Claims, Allowed General Unsecured Claims, and the U.S. Trustee Fees payable or to be paid.

The Plan Administrator shall establish the Senior Claim Distribution Reserve by depositing Cash received by the applicable Reorganized Debtors in the amount estimated by the Bankruptcy Court to be necessary to satisfy all Allowed Administrative Claims, Allowed Priority Tax Claims, Allowed Ad Valorem Tax Claims, Allowed Priority Claims, Allowed Other Secured Claims, Allowed M&M Secured

Claims, Allowed General Unsecured Claims, and the U.S. Trustee Fees payable or to be paid. The Plan Administrator shall use the Senior Claim Distribution Reserve to pay Allowed Administrative Claims, Allowed Priority Tax Claims, Allowed Ad Valorem Tax Claims, Allowed Priority Claims, Allowed Other Secured Claims, Allowed M&M Secured Claims, Allowed General Unsecured Claims, and the U.S. Trustee Fees payable or to be paid. If all or any portion of an Administrative Claim, Priority Tax Claim, Ad Valorem Tax Claim, Priority Claim, Other Secured Claim, Allowed M&M Secured Claims, or General Unsecured Claim shall become a Disallowed Claim, the amount on deposit in the Senior Claim Distribution Reserve attributable to such Disallowed Claim, including the interest that has accrued on said amount while on deposit in the Senior Claim Distribution Reserve, shall remain in the Senior Claim Distribution Reserve or be transferred out of the Senior Claim Distribution Reserve, as determined by the Plan Administrator, as follows:

(a) it shall remain in the Senior Claim Distribution Reserve to the extent that the Plan Administrator determines necessary to ensure that the Cash remaining in the Senior Claim Distribution Reserve is sufficient to ensure that all Allowed Administrative Claims, Allowed Priority Tax Claims, Allowed Ad Valorem Tax Claims, Allowed Priority Claims, Allowed Other Secured Claims, Allowed M&M Secured Claims, Allowed General Unsecured Claims, and U.S. Trustee Fees payable or to be paid will be paid in accordance with the Plan;

(b) to the extent not required to remain in the Senior Claim Distribution Reserve pursuant to clause (a), it shall be transferred to the General Account.

Beginning on the Effective Date and thereafter, on each anniversary of the Effective Date, the Plan Administrator shall evaluate, deposit or remove Cash in or from the Senior Claim Distribution Reserve in an amount that he or she estimates will be sufficient to pay U.S. Trustee Fees incurred during each twelve-month period beginning on the Effective Date or the anniversary thereof, as applicable.

Expense Reserve

The Plan Administrator shall establish the Expense Reserve by depositing Cash received by the applicable Reorganized Debtors in the amount of \$600,000.00. The Expense Reserve shall be funded prior to the funding of the Senior Claim Distribution Reserve. The funds constituting the Expense Reserve are to be used by the Plan Administrator solely to satisfy the expenses of the Plan Administrator and applicable Reorganized Debtor to comply with its obligations and duties under the Plan. In no event shall the Plan Administrator be required or permitted to use his or her personal funds or assets for such purposes.

Periodically, the Plan Administrator shall evaluate, deposit or remove from the General Account and deposit in or from the Expense Reserve Cash in an amount that he or she estimates will be sufficient to pay expenses of the Plan Administrator and applicable Reorganized Debtor to comply with its obligations and duties under the Plan incurred during each twelve (12) month period following such anniversary, as applicable.

E. Means for Resolving Disputed Claims

Pursuant to the Plan, all objections to Claims must be Filed on or before the Claims Objection Deadline. Any Disputed Claim as to which an objection is not Filed on or before the Claims Objection Deadline will be deemed to constitute an Allowed Claim under the Plan following the Claims Objection Deadline.

The Plan further provides that the Plan Administrator shall File objections to Claims and serve such objections upon the holders of each of the Claims to which objections are made. Subject to the

limitations set forth in the Plan, the Plan Administrator shall be authorized to resolve all Disputed Claims by withdrawing or settling such objections thereto, or by litigating to judgment in the Bankruptcy Court or such other court having competent jurisdiction the validity, nature, and/or amount thereof. If the Plan Administrator and the holder of a Disputed Claim agree to compromise, settle, and/or resolve a Disputed Claim by granting such holder an Allowed Claim in the amount of \$50,000 or less, then the Plan Administrator may compromise, settle, and/or resolve such Disputed Claim without further Bankruptcy Court approval; provided, however, that the Plan Administrator shall File a notice with the Bankruptcy Court advising that the Allowed Claim has been compromised, settled, and/or resolved. Otherwise, the Plan Administrator may only compromise, settle, and/or resolve such Disputed Claim with Bankruptcy Court approval.

Any Proofs of Claim that are Filed after the applicable Bar Date, including amendments to existing Proofs of Claim, or applications for the allowance of an Administrative Claim that are Filed after the Post-Confirmation Bar Date shall be deemed invalid and Disallowed unless consented to by the Reorganized Debtors or authorized by Order of the Bankruptcy Court.

Notwithstanding any other provision of the Plan, no payments or Distribution by the Plan Administrator, Reorganized Consolidated, Reorganized Standard, or the Newco Entities (as applicable) shall be made with respect to all or any portion of a Disputed Claim unless and until all objections to such Disputed Claim have been settled or withdrawn or have been determined by Non-Appealable Order, and the Disputed Claim, or some portion thereof, has become an Allowed Claim.

F. Conditions to Confirmation and Effectiveness of the Plan

In addition to meeting the requirements of section 1129 of the Bankruptcy Code, each of the following events shall occur on or before the Effective Date; provided however, except as otherwise provided in Section 6.01 of the Plan, the Plan Proponents may waive in writing any or all of the following events, whereupon the Effective Date shall occur without further action by any Person:

(a) the Confirmation Order, in a form and substance reasonably acceptable to each of the Plan Proponents and the Buyer shall have been entered by the Bankruptcy Court on or before December 1, 2010 and shall not be subject to a stay and shall include one or more findings that (i) the Plan is confirmed with respect to the Debtors; (ii) the Plan Proponents and the Buyer have acted in good faith and in compliance with the applicable provisions of the Bankruptcy Code as set forth in Bankruptcy Code § 1125(e); (iii) the Purchase and Sale Agreement are approved; and (iv) the Debtors are authorized to take all actions and consummate all transactions contemplated under the Purchase and Sale Agreement and the Plan;

(b) each of the conditions to closing set forth in the Purchase and Sale Agreement or Alternative Transaction Agreement (as applicable) shall have occurred (or occur on the Effective Date) or have been waived in accordance with such agreement;

(c) all documents, instruments, and agreements provided under, or necessary to implement, the Plan and the Purchase and Sale Agreement or Alternative Transaction Agreement (as applicable) shall have been executed and delivered by the applicable parties (except with respect to such documents, instruments, and agreements contemplated to be executed at the Closing);

(d) all other documents required to be included in the Plan Supplement, each in form and substance reasonably acceptable to the Plan Proponents, shall have been duly and validly executed and delivered by the parties thereto and all conditions to their effectiveness shall have been satisfied or waived;

(e) the Bankruptcy Court shall have approved the transfer of the Transferred Properties to the respective Newco Entities Free and Clear, the cancellation and issuance of Equity Interests in the Debtors, and the assumption of the Designated Contracts by the respective Debtors and the assignment of the same to the respective Newco Entities;

(f) all necessary material consents and approvals have been obtained from, among others, governmental authorities, to transfer to the appropriate Newco Entities all permits, approvals, franchises, licenses or other rights granted by any governmental authority and necessary for the lawful ownership of any of the Transferred Properties or other lawful conduct of the Debtors' respective businesses as currently conducted; and

(g) all material documents, instruments, and agreements provided under, or necessary to implement, the Plan, including, but not limited to, one or more bills of sale and assignment and assumption agreements providing for the assignment and conveyance by the respective Debtors of all of the Transferred Properties, special warranty deeds, and intellectual property assignment agreements (all of which shall be in a form and substance acceptable to the Buyer) shall have been executed and delivered by the applicable parties.

G. Effects of Confirmation of the Plan

1. Discharge

On the Effective Date, the Debtors, their Estates, the Reorganized Debtors and their respective assets and properties are automatically and forever discharged and released from all Claims and vested Free and Clear to the fullest extent permitted under Bankruptcy Code § 1141. Except as otherwise set forth in the Plan or the Confirmation Order, the rights afforded under the Plan and the treatment of Claims and Equity Interests under the Plan are in exchange for and in complete satisfaction, discharge, and release of, all Claims, including any interest accrued on any Claims, against the Debtors, the Estates and the Reorganized Debtors. Except as set forth in the Plan or the Confirmation Order, Confirmation shall discharge the Debtors and the Reorganized Debtors from all Claims or other debts that arose before the Effective Date, and all debts of a kind specified in Bankruptcy Code §§ 502(g), (h), or (i), whether or not (i) a Proof of Claim based on such debt is Filed or deemed Filed under Bankruptcy Code § 501; (ii) a Claim based on such debt is Allowed; or (iii) the holder of a Claim based on such debt has accepted the Plan.

2. Legal Binding Effect

The provisions of the Plan shall bind all holders of Claims and Equity Interests and their respective successors and assigns, whether or not they accept the Plan. On and after the Effective Date, except as expressly provided in the Plan, all holders of Claims, Liens and Equity Interests shall be precluded from asserting any Claim, Cause of Action or Liens against the Debtors, the Estates, the Reorganized Debtors, CIT Capital, the Lender, Cross Canyon, the Buyer (if the Permian Entities are not the Successful Bidder), the Permian Entities, the Newco Entities and any of their affiliates or their respective property and assets based on any act, omission, event, transaction or other activity of any kind that occurred or came into existence prior to the Effective Date.

3. Moratorium, Injunction and Limitation of Recourse for Payment.

EXCEPT AS OTHERWISE PROVIDED IN THE PLAN OR BY SUBSEQUENT ORDER OF THE BANKRUPTCY COURT, UPON CONFIRMATION OF THE PLAN (AND FROM AND AFTER THE EFFECTIVE DATE) ALL PERSONS WHO HAVE HELD, HOLD, OR MAY HOLD CLAIMS OR LIENS AGAINST, OR EQUITY INTERESTS IN, THE DEBTORS OR

THEIR PROPERTIES ARE PERMANENTLY ENJOINED FROM TAKING ANY OF THE FOLLOWING ACTIONS AGAINST THE DEBTORS, THE ESTATES, THE REORGANIZED DEBTORS, THE PLAN ADMINISTRATOR, CIT CAPITAL, THE LENDER, CROSS CANYON, THE BUYER (IF THE PERMIAN ENTITIES ARE NOT THE SUCCESSFUL BIDDER), THE PERMIAN ENTITIES, THE NEWCO ENTITIES, OR ANY OF THEIR RESPECTIVE MANAGERS, FORMER AND CURRENT OFFICERS (EXCEPT LONNIE MCDADE), FORMER AND CURRENT DIRECTORS, AFFILIATES AGENTS, ATTORNEYS, ACCOUNTANTS, INVESTMENT BANKERS, FINANCIAL ADVISORS, OR OTHER PROFESSIONALS, OR ANY OF THEIR RESPECTIVE PROPERTY OR OTHER ASSETS ON ACCOUNT OF ANY SUCH CLAIMS OR EQUITY INTERESTS: (A) COMMENCING OR CONTINUING, IN ANY MANNER OR IN ANY PLACE, ANY ACTION OR OTHER PROCEEDING; (B) ENFORCING, ATTACHING, COLLECTING OR RECOVERING IN ANY MANNER ANY JUDGMENT, AWARD, DECREE OR ORDER; (C) CREATING, PERFECTING OR ENFORCING ANY LIEN OR ENCUMBRANCE; (D) ASSERTING A SETOFF, RIGHT OF SUBROGATION, NETTING OR RECOUPMENT OF ANY KIND AGAINST ANY DEBT, LIABILITY OR OBLIGATION DUE TO THE DEBTORS, THE REORGANIZED DEBTORS, OR THE NEWCO ENTITIES; AND (E) COMMENCING OR CONTINUING, IN ANY MANNER OR IN ANY PLACE, ANY ACTION THAT DOES NOT COMPLY WITH OR IS INCONSISTENT WITH THE PROVISIONS OF THE PLAN; PROVIDED, HOWEVER, THAT NOTHING CONTAINED HEREIN OR IN THE CONFIRMATION ORDER SHALL ENJOIN OR PRECLUDE (Y) SUCH PERSONS FROM EXERCISING THEIR RIGHTS PURSUANT TO AND CONSISTENT WITH THE TERMS OF THE PLAN; AND (Z) THE REORGANIZED DEBTORS, THE LENDER, CIT CAPITAL, CROSS CANYON, THE BUYER (IF THE PERMIAN ENTITIES ARE NOT THE SUCCESSFUL BIDDER), OR THE NEWCO ENTITIES IN ANY MANNER FROM ENFORCING OR EXERCISING THEIR RIGHTS OR REMEDIES PURSUANT TO OR ARISING OUT OF THE PLAN, THE CONFIRMATION ORDER, THE PURCHASE AND SALE AGREEMENT OR THE PLAN DOCUMENTS. SUCH INJUNCTION SHALL EXTEND TO AND FOR THE BENEFIT OF ANY SUCCESSORS OR ASSIGNEES OF THE DEBTORS, REORGANIZED DEBTORS, THE LENDER, CIT CAPITAL, CROSS CANYON, THE BUYER (IF THE PERMIAN ENTITIES ARE NOT THE SUCCESSFUL BIDDER), THE NEWCO ENTITIES, AND THEIR RESPECTIVE PROPERTIES AND INTEREST IN PROPERTIES. THE CONFIRMATION ORDER SHALL, AMONG OTHER THINGS, CONTAIN, DIRECT AND PROVIDE FOR THE FOREGOING INJUNCTION.

4. Term of Injunction or Stays

ANY INJUNCTION OR STAY ARISING UNDER OR ENTERED DURING THE CASE UNDER BANKRUPTCY CODE §§ 105 AND 362 OR OTHERWISE THAT IS IN EXISTENCE ON THE CONFIRMATION DATE SHALL REMAIN IN FULL FORCE AND EFFECT UNTIL THE LATER OF THE EFFECTIVE DATE AND THE DATE INDICATED IN THE ORDER PROVIDING FOR SUCH INJUNCTION OR STAY.

CIT CAPITAL, THE LENDER, CROSS CANYON, THE BUYER (IF THE PERMIAN ENTITIES ARE NOT THE SUCCESSFUL BIDDER), THE PERMIAN ENTITIES, AND THE NEWCO ENTITIES, OR ANY OF THEIR RESPECTIVE MANAGERS, FORMER AND CURRENT OFFICERS (EXCEPT LONNIE MCDADE), FORMER AND CURRENT DIRECTORS, AFFILIATES, AGENTS, ATTORNEYS, ACCOUNTANTS, INVESTMENT BANKERS, FINANCIAL ADVISORS, OTHER PROFESSIONALS, OR ANY OF THEIR RESPECTIVE PROPERTY AND ASSETS FOR ANY ACT OR OMISSION IN CONNECTION WITH, RELATING TO OR ARISING OUT OF THE ADMINISTRATION OF THE CASES, THE PURSUIT OF CONFIRMATION OF THE PLAN, THE CONSUMMATION OF THE PLAN, THE PREPARATION AND DISTRIBUTION OF THE DISCLOSURE STATEMENT, THE PURCHASE AND SALE AGREEMENT, THE ALTERNATIVE TRANSACTION AGREEMENT (AS APPLICABLE), THE ADMINISTRATION OF THE PLAN, OR THE OFFER, ISSUANCE, SALE, OR PURCHASE OF A SECURITY OFFERED OR SOLD UNDER THE PLAN, PROVIDED SUCH EXCULPATED PERSON DID NOT AND DOES NOT ENGAGE IN WILLFUL MISCONDUCT, GROSS NEGLIGENCE OR FRAUD AND IN COMPLIANCE WITH THE APPLICABLE PROVISIONS OF THE BANKRUPTCY CODE AND PROVIDED FURTHER THAT SUCH EXCULPATION SHALL NOT EXTEND TO SUCH EXCULPATED PERSON'S RIGHTS AND OBLIGATIONS UNDER THE PLAN, THE PURCHASE AND SALE AGREEMENT, THE ALTERNATIVE TRANSACTION AGREEMENT (AS APPLICABLE), OR THE PLAN DOCUMENTS.

6. Release and Covenant Not to Sue.

NOTWITHSTANDING ANYTHING SET FORTH HEREIN, ON THE EFFECTIVE DATE, EACH OF THE RELEASED PARTIES SHALL BE DEEMED TO HAVE IRREVOCABLY RELEASED AND DISCHARGED THE OTHER RELEASED PARTIES AND ALL MANAGERS, FORMER AND CURRENT OFFICERS (EXCEPT LONNIE MCDADE), CURRENT AND FORMER DIRECTORS, AFFILIATES, AGENTS, ATTORNEYS, ACCOUNTANTS, INVESTMENT BANKERS, FINANCIAL ADVISORS, AND PROFESSIONALS, IF ANY, EMPLOYED BY ANY OF THE RELEASED PARTIES (BUT SOLELY IN THE CAPACITIES SO EMPLOYED) OF AND FROM ANY CLAIM OR CAUSE OF ACTION, WHETHER KNOWN OR UNKNOWN, FORESEEN OR UNFORESEEN, ASSERTED OR NOT ASSERTED, SCHEDULED OR NOT SCHEDULED, NOW EXISTING OR HEREFTER ARISING, IN LAW, EQUITY OR OTHERWISE, AND WHETHER ARISING UNDER THE BANKRUPTCY CODE OR OTHER APPLICABLE LAW, ARISING FROM OR RELATED TO ACTS OR OMISSIONS OCCURRING ON OR BEFORE THE EFFECTIVE DATE IN CONNECTION WITH, BASED ON, RELATING TO OR IN ANY MANNER ARISING FROM, IN WHOLE OR IN PART, THE DEBTORS, THE DEBTORS' RESTRUCTURING, THE CASES, THE NEGOTIATION OF ANY SETTLEMENT OR AGREEMENT IN THE CASES, THE PURCHASE, SALE OR RESCISSION OF THE PURCHASE OR SALE OF ANY SECURITY OF THE DEBTORS, THE SUBJECT MATTER OF, OR THE TRANSACTIONS OR EVENTS GIVING RISE TO, ANY CLAIM OR EQUITY INTEREST THAT IS TREATED IN THE PLAN, THE BUSINESS OR CONTRACTUAL ARRANGEMENTS BETWEEN ANY DEBTOR AND ANY RELEASED PARTY RELATING TO THE RESTRUCTURING OF CLAIMS AND EQUITY INTERESTS PRIOR TO OR IN THE CASES, THE NEGOTIATION, FORMULATION, PREPARATION OR DISTRIBUTION OF THE PLAN AND THE DISCLOSURE STATEMENT, OR RELATED AGREEMENTS, INSTRUMENTS OR OTHER DOCUMENTS, AND THE RELEASED PARTIES COVENANT NOT TO SUE ANY OF THE OTHER PARTIES IDENTIFIED IN THIS SECTION WITH RESPECT TO THE CLAIMS AND CAUSES OF ACTION RELEASED HEREIN (ALL OF THE FOREGOING BEING HEREIN CALLED THE "RELEASED CLAIMS"); PROVIDED, HOWEVER, THAT (I) NOTWITHSTANDING THE FOREGOING, THE RELEASED PARTIES SHALL NOT

RELEASE AND DISCHARGE THE MANAGERS, FORMER AND CURRENT OFFICERS, CURRENT AND FORMER DIRECTORS, AGENTS, AND ACCOUNTANTS, IF ANY, EMPLOYED BY ONE OR MORE OF THE DEBTORS OF AND FROM ANY CLAIM OR CAUSE OF ACTION; AND (II) NO RELEASED PARTIES SHALL BE RELEASED AND DISCHARGED FROM (AND THE RELEASED CLAIMS SHALL NOT INCLUDE) OBLIGATIONS UNDER THE PLAN, THE PURCHASE AND SALE AGREEMENT, OR ANY CLAIM OR CAUSE OF ACTION ARISING FROM OR RELATED TO ACTS OR OMISSIONS INVOLVING FRAUD OR WILLFUL MISCONDUCT. EACH OF THE RELEASED PARTIES REPRESENTS AND WARRANTS THAT EACH SUCH RELEASED PARTY HAS NOT TRANSFERRED, PLEDGED OR OTHERWISE ASSIGNED TO ANY OTHER PERSON OR ENTITY ALL OR ANY PORTION OF ANY CLAIM RELEASED UNDER THIS SECTION 0 OR ANY RIGHTS OR ENTITLEMENTS WITH RESPECT THERETO AND THE EFFECTUATION OF THIS RELEASE DOES NOT VIOLATE OR CONFLICT WITH THE TERMS OF ANY CONTRACT TO WHICH SUCH RELEASED PARTY IS A PARTY OR BY WHICH SUCH RELEASED PARTY OTHERWISE IS BOUND.

THE RELEASES IN THIS SECTION 6 ARE SPECIFICALLY INTENDED TO OPERATE AND BE APPLICABLE EVEN IF IT IS ALLEGED, CHARGED OR PROVEN THAT ALL OR SOME OF THE CLAIMS OR DAMAGES RELEASED WERE SOLELY AND COMPLETELY CAUSED BY ANY ACTS OR OMISSIONS, WHETHER NEGLIGENT OR GROSSLY NEGLIGENT OF OR BY ONE OR MORE OF THE RELEASED PARTIES.

7. Insurance

Except to the extent that an insurance policy is an Assumed Contract or Transferred Property, confirmation and consummation of the Plan shall have no effect on insurance policies of any of the Debtors or their current or former directors and officers (including, but not limited to, director and officer liability policies to the extent that the Debtors or their current or former directors and officers have any rights under such policies) in which any of the Debtors or their current or former directors and officers are or were an insured party. Each insurance company is prohibited from, and the Confirmation Order shall include an injunction against, denying, refusing, altering or delaying coverage for any Debtors (or their current or former directors and officers) or Reorganized Debtors on any basis regarding or related to any of the Debtors' Cases, the Plan or any provision within the Plan, including the treatment or means of liquidation set out within the Plan for insured Claims.

8. Insurance Policies Vested in Reorganized Standard

H. Modification of the Plan

With the prior, written consent of all Plan Proponents, the Plan Proponents may alter, amend, or modify the Plan or any Plan Documents under Bankruptcy Code § 1127(a) at any time prior to the Confirmation Date. With the prior, written consent of all Plan Proponents, after the Confirmation Date

and prior to Substantial Consummation of the Plan, the Plan Proponents may, under Bankruptcy Code § 1127(b), (a) amend the Plan so long as such amendment shall not materially and adversely affect the treatment of any holder of a Claim; (b) commence proceedings in the Bankruptcy Court to remedy any defect or omission or reconcile any inconsistencies in the Plan, the Disclosure Statement, or the Confirmation Order; and (c) amend the Plan as may be necessary to carry out the purposes and effects of the Plan so long as such amendment does not materially or adversely affect the treatment of holders of Claims or Equity Interests under the Plan; provided, however, prior notice of any amendment shall be served in accordance with the Bankruptcy Rules or Order of the Bankruptcy Court.

I. Retention of Jurisdiction

Under Bankruptcy Code §§ 105(a) and 1142, and notwithstanding entry of the Confirmation Order and occurrence of the Effective Date, the Bankruptcy Court shall retain exclusive jurisdiction over all matters arising out of, and related to, the Cases, the Plan, the Purchase and Sale Agreement, the Alternative Transaction Agreement (as applicable), and the other Transaction Documents, to the fullest extent permitted by law, including, among other things, jurisdiction to:

Nothing contained in this Section I shall be construed so as to limit the rights of the Reorganized Debtor, the Buyer, or the Newco Entities to commence or to prosecute any Cause of Action (in which it has an interest), in any court of competent jurisdiction.

XI.

COMPARISON OF PLAN TO ALTERNATIVES

A. Chapter 7 Liquidation

The most realistic alternative to the Plan is conversion of the Bankruptcy Cases from proceedings under Chapter 11 of the Bankruptcy Code to proceedings under Chapter 7 of the Bankruptcy Code. A Chapter 7 case, sometimes referred to as a "straight liquidation," requires the liquidation of all of the debtor's assets by a Chapter 7 trustee. The cash realized from liquidation is subject to distribution to creditors in accordance with section 726 of the Bankruptcy Code. Whether a bankruptcy case is one

under Chapter 7 or Chapter 11, allowed secured claims, allowed administrative claims and allowed priority claims, unless subordinated pursuant to section 510 of the Bankruptcy Code, are entitled to be paid in cash, in full, before unsecured creditors and equity interest holders receive anything. Thus, in a Chapter 7 case, the recovery, if any, to creditors holding non-priority unsecured claims will depend upon the net proceeds left in the estate after all of the debtor's assets have been reduced to cash and all claims of higher priority have been satisfied in full.

Chapter 7 liquidation theoretically adds an additional layer of expense. As referenced above, conversion of a bankruptcy case to Chapter 7 will trigger the appointment of a Chapter 7 trustee having the responsibility of liquidating the debtor's assets. Pursuant to sections 326 and 330 of the Bankruptcy Code, the Chapter 7 trustee will be entitled to reasonable compensation in relation to the level of disbursements made to creditors, as follows: (a) up to 25% of the first \$5,000 disbursed; (b) up to 10% of the amount disbursed in excess of \$5,000 but not in excess of \$50,000; (c) up to 5% of any amount disbursed in excess of \$50,000 but not in excess of \$1,000,000; and (d) up to 3% of any amount disbursed in excess of \$1,000,000. Additionally, the Chapter 7 trustee will be entitled to retain his or her own professionals to assist in the liquidation and administration of the estate. The fees and expenses of such professionals, to the extent allowed, are also entitled to priority in payment as administrative claims. Chapter 7 administrative costs are entitled to priority in payment over Chapter 11 administrative costs. Nevertheless, Chapter 11 administrative costs continue to have priority over all other non-administrative priority claims and non-priority unsecured claims in the bankruptcy case.

Also, conversion to Chapter 7 could result in the appointment of a trustee having no experience or knowledge of the prior proceedings in the bankruptcy case or of the debtor's business, its books and records and its assets.

The Debtors are opposed to conversion of the Bankruptcy Cases to Chapter 7 for several reasons. First, the Debtors believe that conversion of the Bankruptcy Cases could lead to additional layers of expense for the reasons stated above. Second, by maintaining the Bankruptcy Cases in Chapter 11 and confirming the Plan, the assertion of additional claims can be prevented. Third, a substantial amount of time would be required in order for the Chapter 7 trustee to become familiar with the Debtors, their prior business operations, assets, and pending litigation in order to wind the case up effectively.

Finally, conversion of the Bankruptcy Cases to Chapter 7 will not otherwise materially alter the path of the Debtors. In this regard, often creditors will seek conversion of a Chapter 11 case in order to force a liquidation of the debtor's assets instead of the reorganization of the debtor's business. Here, the Plan provides for the structured liquidation of the Debtors' assets; therefore, conversion will not lead to a different ultimate result.

With respect to the "best interest of creditors" test of section 1129(a)(7) of the Bankruptcy Code, the Debtors do not believe that Creditors will achieve a greater recovery under Chapter 7 than under the Plan. Inasmuch as the Plan is a plan of liquidation, the comparison of likely distributions to holders of Allowed Claims under the Plan to likely distributions to holders of Allowed Claims in a Chapter 7 proceeding is similar, except that the Debtors contend that the Plan incorporates beneficial compromises which may not be available in chapter 7, and in a Chapter 7 proceeding the potential for additional administrative expense and additional Claims demonstrates that distributions under the Plan are likely to exceed, or at least be equal to, the distributions that would be made under Chapter 7.

Attached to the Disclosure Statement as **Exhibit "F"** is the *Liquidation Analysis* (to be supplemented), which quantifies the foregoing and other related, forward looking projections in comparing the Plan to an alternative chapter 7 liquidation. *See also* Article XIII (Material Risks and Uncertainties). As evidenced by the Liquidation Analysis, the anticipated range of recoveries under the Plan are greater than under a chapter 7 liquidation.

B. Alternative Plans

To date, no other proposed Chapter 11 plans have been Filed in the Bankruptcy Cases, and it is not anticipated that any other proposed Chapter 11 plan will be Filed.

C. Dismissal

The most remote alternative possibility is dismissal of the Bankruptcy Cases. If dismissal were to occur, the Debtors would no longer have the protection of the automatic stay and other applicable provisions of the Bankruptcy Code. Dismissal would force a race among Creditors to take control and dispose of the Debtors' available assets, and unsecured creditors, on an aggregate basis, would very likely fail to realize any recovery on their Claims. Furthermore, the receivership would continue, but without the benefit of a federal Bankruptcy forum and rights for either the Debtors' Estates or their Creditors, Preferred Stock Interest holders, or Other Equity Interest holders.

XII.
MATERIAL UNCERTAINTIES AND RISKS

In considering whether to vote to accept or reject the Plan, Creditors and Equity Interest holders entitled to vote should consider the following risks associated with the Plan: (a) that all of the conditions to confirmation of the Plan are not satisfied or waived (as applicable); (b) that all of the conditions to the effectiveness of the Plan are not satisfied or waived (as applicable) or that such conditions are delayed by a significant period of time; (c) that estimations and projections may ultimately prove to be materially inaccurate; and (d) that the prosecution of Causes of Action does not result in significant recoveries.

There can also be no assurance that the Plan will not be modified up to and through the Confirmation Date, and the Plan Proponents reserve the right to modify the Plan, subject to compliance with the Bankruptcy Code, in the event the modification becomes warranted or necessary in furtherance of confirmation.

XIII.
CERTAIN FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN

A. Introduction

Implementation of the Plan may have federal, state and local tax consequences to the Debtors and their Estates, as well as to Creditors and Equity Interest holders of the Debtors. No tax opinion has been sought or will be obtained with respect to any tax consequences of the Plan, and the following disclosure does not constitute and is not intended to constitute either a tax opinion or tax advice to any Person.

This disclosure is provided for informational purposes only. Moreover, this disclosure summarizes only certain of the federal income tax consequences associated with the Plan's confirmation and implementation and does not attempt to comment on all such aspects. Similarly, this disclosure does not attempt to consider any facts or limitations applicable to any particular Creditor or Equity Interest holder that may modify or alter the consequences described below. This disclosure does not address state, local or foreign tax consequences or the consequences of any federal tax other than the federal income tax.

This disclosure is based upon the provisions of the Internal Revenue Code of 1986, as amended, the regulations promulgated thereunder, existing judicial decisions, and administrative rulings. In light of the expansiveness of such authorities, no assurance can be given that legislative, judicial or administrative changes will not be forthcoming that would affect the accuracy of the discussion below. Any such

changes could be material and could be retroactive with respect to the transactions entered into or completed prior to the enactment or promulgation thereof. Finally, the tax consequences of certain aspects of the Plan are uncertain due to a lack of applicable legal authority and may be subject to judicial or administrative interpretations that differ from the discussion below.

CREDITORS AND EQUITY INTEREST HOLDERS, THEREFORE, ARE ADVISED TO CONSULT WITH THEIR OWN TAX ADVISORS REGARDING THE TAX CONSEQUENCES TO THEM AND TO THE DEBTORS OF THE TRANSACTIONS CONTEMPLATED BY THE PLAN, INCLUDING FEDERAL, STATE, LOCAL AND FOREIGN TAX CONSEQUENCES.

B. Federal Income Tax Consequences to the Debtors

Under the terms of the Plan, all Assets of the Debtors and the Estates, and all Claims against the Debtors, will vest in the Reorganized Debtors, or as applicable, be transferred to one or more of the Newco Entities. On the Effective Date, and thereafter, the Debtors will have no continuing liability on such Claims. To the extent the Reorganized Debtors realize income as a result of the debt forgiveness associated with such transfers, such income will not constitute taxable income to the Reorganized Debtors because the debt forgiveness arises in connection with a bankruptcy case under Title 11 of the United States Code.

C. Federal Income Tax Consequences Associated with Transfers to One or More of the Newco Entities

The Plan provides for the purchase and eventual transfer of a portion of the Debtors' Assets, including Causes of Action, to one or more of the Newco Entities.

D. Additional Federal Income Tax Consequences

Equity Interest holders may, at some point in time, be required to recognize income or be allowed a deduction as a result of the implementation of the Plan. The exact tax treatment depends on each Equity Interest holder's method of accounting, the basis of the amount of Distributions received, and whether and to what extent such Equity Interest holder has taken a bad debt reduction in prior taxable years with respect to a particular debt owed to it by a Debtor.

EACH CREDITOR, EQUITY INTEREST HOLDER AND PARTY IN INTEREST IS URGED TO CONSULT WITH ITS OWN TAX ADVISOR REGARDING THE PARTICULAR TAX CONSEQUENCES OF ITS CLAIM OR INTEREST UNDER THE PLAN.

E. Tax Withholding

The Plan provides for the Plan Administrator to comply with all tax withholding and reporting requirements validly imposed on them by any governmental authority. Accordingly, it provides that Distributions made pursuant thereto shall be subject to such withholding and reporting requirements, and authorizes the Plan Administrator to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including, without limitation, payment of applicable withholding taxes from a Claimant's or Equity Interest holder's Distribution, and conditioning a Person's Distributions upon receipt of necessary tax reporting information from a Claimant or Equity Interest holder.

F. Disclaimers

PERSONS CONCERNED WITH THE TAX CONSEQUENCES OF THE PLAN SHOULD CONSULT THEIR OWN ACCOUNTANTS, ATTORNEYS AND/OR ADVISORS. THE DEBTORS

MAKE THE ABOVE-NOTED DISCLOSURE OF POSSIBLE TAX CONSEQUENCES FOR THE SOLE PURPOSE OF ALERTING READERS TO TAX ISSUES THAT THEY MAY WISH TO CONSIDER. THE DEBTORS CANNOT, AND DO NOT, REPRESENT THAT THE TAX CONSEQUENCES MENTIONED ABOVE ARE COMPLETELY ACCURATE BECAUSE, AMONG OTHER THINGS, THE TAX LAW EMBODIES MANY COMPLICATED RULES THAT MAKE IT DIFFICULT TO STATE ACCURATELY WHAT THE TAX IMPLICATIONS OF ANY ACTION MIGHT BE.

IRS CIRCULAR 230 NOTICE: TO ENSURE COMPLIANCE WITH REQUIREMENTS IMPOSED BY THE INTERNAL REVENUE SERVICE, THE DEBTORS INFORM ALL RECIPIENTS OF THIS DISCLOSURE STATEMENT THAT ANY U.S. TAX INFORMATION CONTAINED IN THIS DISCLOSURE STATEMENT (INCLUDING THE EXHIBITS HERETO) IS NOT INTENDED OR WRITTEN TO BE USED, AND CANNOT BE USED, FOR THE PURPOSE OF (A) AVOIDING PENALTIES UNDER THE INTERNAL REVENUE CODE, OR (B) PROMOTING, MARKETING OR RECOMMENDING TO ANOTHER PARTY ANY TRANSACTION OR MATTER ADDRESSED HEREIN.

XIV. **CONCLUSION**

The Debtors believe that the Plan complies with section 1129 of the Bankruptcy Code and is fair and equitable and in the best interests of the Debtors, their Estates and Creditors. Accordingly, the Debtors urge Creditors and Equity Interest holders receiving Ballots to vote to accept the Plan.
