Proposed Attorneys for the Debtors  
and Debtors in Possession

*These notes (the “Global Notes”) regarding the Debtor’s Schedules of Assets and Liabilities (the “Schedules”) and Statement of Financial Affairs (the “SOFA,” and together with the Schedules, the “Bankruptcy Schedules”) comprise an integral part of the Bankruptcy Schedules and should be referred to and considered in connection with any review of them.*

1. Management (“Management”) of the debtor and debtor in possession in the above-captioned chapter 11 case (the “Debtor”) has prepared unaudited Bankruptcy Schedules pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”). Except where otherwise noted, the information provided herein is as of the close of business on December 2, 2012 (the “Petition Date”). While Management has made every reasonable effort to ensure that the Debtor’s Bankruptcy Schedules are accurate and complete, based upon information that was available to it at the time of preparation, inadvertent errors or omissions may exist and the subsequent receipt of information and/or further review and analysis of the Debtor’s books and records may result in changes to financial data and other information contained in the Bankruptcy Schedules. Moreover, because the Bankruptcy Schedules contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that these Bankruptcy Schedules are complete or accurate.
2. The Debtor reserves the right to amend the Bankruptcy Schedules in all respects and without prior notice, as may be necessary or appropriate, including, but not limited to, the right to assert offsets or defenses to, or to dispute, any claim reflected on the Schedules as to amount, liability or classification, or to otherwise subsequently designate any claim as “disputed,” “contingent” or “unliquidated.” Furthermore, nothing contained in the Bankruptcy Schedules shall constitute a waiver of the Debtor’s rights with respect to this chapter 11 case, and specifically with respect to any issues involving equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws.
3. The Bankruptcy Schedules are a reflection of the assets and liabilities as recorded in the Debtor’s books and records and, therefore, may not be an accurate reflection of all of the Debtor’s potential liabilities.
4. Some of the Debtor’s scheduled assets and liabilities are unliquidated or of unknown value at this time. In such cases, the amounts are listed as “undetermined” or “unknown.” Accordingly, the Schedules may not accurately reflect the aggregate amount of the Debtor’s current assets and liabilities.
5. The preparation of the Bankruptcy Schedules required Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities and the reported amounts of expenses during the reporting period. Actual results could differ from those estimates.
6. Given the differences between the information requested in the Bankruptcy Schedules and the financial information used under accounting principles generally accepted in the United States of America (“GAAP”), the aggregate asset values and claim amounts set forth in the

*These Global Notes regarding the Debtor's Bankruptcy Schedules comprise an integral part of the Schedules and SOFAs and should be referred to and considered in connection with any review of them.*

Bankruptcy Schedules do not necessarily reflect the amounts that would be set forth in a balance sheet prepared in accordance with GAAP.

7. While property listed with a book value of \$0 has been fully depreciated, the property is still listed on the Schedules to account for the fact that such property still exists.
8. Schedule A of the Debtor's Schedules reflects the aggregate net book value of the Debtor's real property assets, as of December 2, 2012. The amount of secured claim listed on the Debtor's Schedule A reflects the full amount of all claims of a creditor against each real property asset, which may include an unsecured deficiency claim.
9. With respect to the bank accounts listed in the Debtor's Schedule B, the Debtor has listed only those accounts that are owned and controlled by the Debtor regardless as to whether the Debtor lists on its books and records other accounts that are not owned and controlled by the Debtor. The bank account balances have been reduced by outstanding negotiables that have been issued by the Debtor but not yet cashed by the recipient of such negotiables (*i.e.*, Schedule B reflects book balance cash). The Debtor notes that certain of the bank accounts may hold funds belonging to third-parties, including funds withheld from the Debtor's employees' compensation, which the Debtor submits would not be property of the estate.
10. With respect to the Debtor's Schedule B, question 3, the information on security deposits does not include prepayments that are held by certain third parties on account of services provided to the Debtor in the ordinary course of its business. The Debtor has not listed any amounts with respect to retainers held by professionals retained under section 327 of the Bankruptcy Code. The amounts of any retainers have been disclosed in connection with such professionals' retention applications.
11. With respect to the Debtor's Schedule B, question 14, the Debtor has listed its sponsorship of Healthfirst, a not-for-profit managed care organization, which offers free and low-cost health insurance plans to eligible adults, children, families, and seniors living in New York State.
12. For purposes of Schedule B, question 16, the value of accounts receivable has been presented net of allowances, if any, made by the Debtor for doubtful accounts and contractual allowances.
13. With respect to Schedule B, question 20, the Debtor has not included any contingent or non-contingent interests that the Debtor may have in any bequeathment in any testator's will.
14. With respect to Schedule B, question 25, the Debtor has listed the net book value of its automobiles as of December 2, 2012.
15. With respect to Schedule B, question 28, the current value of the Debtor's interest in office equipment, furnishings, and supplies is included within the value of assets provided in the Debtor's response to Schedule B, question 29.
16. With respect to Schedule B, question 29, upon request, the Debtor can provide a detailed fixed asset ledger to supplement the Debtor's disclosure.

*These Global Notes regarding the Debtor's Bankruptcy Schedules comprise an integral part of the Schedules and SOFAs and should be referred to and considered in connection with any review of them.*

17. Listing a creditor or claim on Schedule D does not and shall not constitute an admission that such claim is fully secured. The Debtor has listed the full amount of a creditor's claim on Schedule D and has not calculated any unsecured portion nor listed such portion separately on Schedules E or F. The information listed on the Debtor's Schedule D shall not constitute an admission of liability or of a proper security interest or lien by, nor is it binding on, the Debtor. The amounts listed on Schedule D exclude accrued and unpaid interest and applicable fees and expenses, if any.
18. The Debtor is also a party to secured leases that may be subject to recharacterization as financing transactions. Such leases are listed only on the Debtor's Schedule G and not on Schedule D, and the notes herein applicable to the agreements listed on Schedule G apply to such leases as well.
19. With respect to the creditors listed on Schedule D who assert a security interest in a litigation settlement escrow account, inclusion of this account on Schedule D and the description of such account therein does not, and shall not be deemed to, constitute a determination or representation as to whether any amounts held in such account constitute estate property.
20. Pursuant to an order of the United States Bankruptcy Court for the Eastern District of New York (the "**Bankruptcy Court**") dated December 4, 2012, the Debtor is authorized to pay certain prepetition obligations for employee wages, salaries, and other compensation, reimbursable employee expenses and employee medical and similar benefits, including related employer taxes ("**Certain Employee-Related Obligations**"). Therefore, claims on account of Certain Employee-Related Obligations held by the Debtor's employees and taxing authorities have not been listed on the Debtor's Schedules E or F. However, Schedule E does reflect claims that employees may have for accrued vacation as of December 2, 2012, provided, however, that inclusion of such claims does not amend or alter any policy or contract of the Debtor regarding payout of accrued vacation or otherwise entitle any individual employee to receive payment in lieu of use of such vacation time. In the interests of protecting individuals' privacy, the Debtor has not included the addresses of its employees in the Bankruptcy Schedules.
21. Claims asserted by the Debtor's employee unions have been listed on Debtor's Schedule E. The Debtor reserves all rights as to the priority of any of the claims of the Debtor's employee unions listed on Schedule E.
22. The Debtor has not listed on Schedule F the date that each claim was incurred and consideration for such claim, as this information was not readily available and would have been unduly burdensome for the Debtor to obtain. The Debtor has listed whether it believes such claim is subject to setoff or recoupment.
23. The Debtor has not included on its Schedule F secured parties that may have an unsecured deficiency claim; such parties have been listed on Schedule D only. In addition, pursuant to orders entered by the Bankruptcy Court, the Debtor is authorized to pay certain vendors, including employee benefit administrators, utility providers and independent contractors, on account of goods delivered and services rendered to the Debtor prepetition. Such vendors are identified on Schedule F as holding contingent claims against the Debtor.

*These Global Notes regarding the Debtor's Bankruptcy Schedules comprise an integral part of the Schedules and SOFAs and should be referred to and considered in connection with any review of them.*

24. All parties to executory contracts, including those listed on Schedule G, may be holders of contingent and unliquidated claims arising from (a) obligations under those executory contracts and/or (b) rejection damages in the event that executory contract is rejected. Certain of these claims are not listed on Schedule F.
25. For purposes of the Schedules, the Debtor has only scheduled claims and executory contracts for which the Debtor may be contractually and/or directly liable. No claims have been scheduled for the Debtor that may have benefited directly or indirectly from a contractual relationship to which the Debtor was not a named party. No claims or executory contracts have been scheduled where payments to third parties were made on the Debtor's behalf for administrative convenience or as a result of the Debtor's cash management system. No claims or executory contracts have been scheduled for which the Debtor has rate agreements in place, but not formal contracts.
26. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtor reserves all rights to challenge whether any of the listed contracts, leases, agreements or other documents constitute an executory contract or unexpired lease, including if any are unexpired non-residential real property leases. Any and all of the Debtor's rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G are expressly preserved.
27. While every reasonable effort has been made to ensure the accuracy and completeness of Schedule G regarding executory contracts and unexpired leases, inadvertent errors or omissions may have occurred. The Debtor hereby reserves all of its rights to dispute the validity, status or enforceability of any contract, agreement, or lease set forth on Schedule G that may have expired or may have been modified, amended, and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments, and agreements which may not be listed on Schedule G. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, options, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized in writing and could be subject to dispute. In addition, the Debtor may have entered into various other types of agreements in the ordinary course of its business, including supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents may also not be set forth on Schedule G. The Debtor reserves all of their rights to dispute or challenge the characterization of the structure of any transaction, or any document or instrument related to a creditor's claim. In the ordinary course of business, the Debtor may have entered into agreements, written or oral, for the provision of certain services on a month-to-month or at-will basis. Such contracts may not be included on Schedule G. However, the Debtor reserves the right to assert that such agreements constitute executory contracts.
28. The Debtor's responses to SOFA, questions 1 and 2, reflect "year to date" information for 2012 up to and including December 2, 2012.

*These Global Notes regarding the Debtor's Bankruptcy Schedules comprise an integral part of the Schedules and SOFAs and should be referred to and considered in connection with any review of them.*

29. The Debtor's response to SOFA, question 1, is based on the Debtor's audited financial statements for income listed for calendar years 2010 and 2011. Income listed for the "year to date" is based on the Debtor's unaudited financial statements.
30. The Debtor's response to SOFA, question 3(b), does not list any amounts still owing to the creditors listed. To the extent amounts are still owing, those amounts are reported in the Debtor's Schedules D, E and F.
31. In the interests of protecting individuals' privacy, the Debtor has not included payments made to non-insider employees on account of wages, salaries, commissions or ordinary course expense reimbursements in its response to SOFA, question 3(b). Other payments to employees have been included.
32. The Debtor has included in its response to SOFA, question 3(c), payments that may have been made within the past year to individuals that may qualify as "insiders" (including officers), as defined in the Bankruptcy Code. The Debtor's Chief Financial Officer and Chief Operating Officer received their duties and responsibilities by delegation from the Chief Executive Officer pursuant to the Debtor's by-laws, and not from the Board of Trustees. Nonetheless, solely with respect to the Bankruptcy Schedules, the Debtor's Chief Financial Officer and Chief Operating Officer are listed in response to questions requesting information regarding officers, however such individuals may not qualify as either "officers" or "insiders." While the Debtor does not believe that such following individuals qualify as an "insider," the Debtor notes that Farooq Ajmal serves as the Debtor's Chief Information Officer, Patricia Cahill serves as the Chief Nursing Officer, and Predeep Chandra serves as the Chief Medical Officer. Payments to such individuals are not listed on SOFA, question 3(c). Further, as of the Petition Date, there were three professional service companies (the "**PCs**") that were created to provide health care services to the Debtor's patients. The PCs are operated pursuant to a management agreement between each PC and the Debtor, however, each PC is wholly-owned by an individual and not the Debtor. Payments to the PCs are not listed on SOFA, question 3(c). Further, I M Foundation, Inc. (the "**Foundation**"), a non-profit organization separate from the Debtor, supports the Debtor's charitable, educational, and scientific purposes. Payments to the Foundation are not listed on SOFA, question 3(c). Further, Kurron Shares of America, Inc. ("**Kurron**") provides certain management services to, and provides personnel to serve as senior managers of, the Debtor. Payments to Kurron are not listed on SOFA, question 3(c), but relevant payments to Kurron are listed in SOFA, question 3(b).
33. With respect to SOFA, questions 3(c) and 23, the listing of any person or entity is not intended to be nor shall it be construed as a legal characterization of such party as an insider, and does not act as an admission of any fact, claim, right or defense, and all such right, claims and defenses are hereby reserved.
34. With respect to SOFA, question 4, the Debtor has made reasonable efforts to accurately record all suits and administrative proceedings to which the Debtor is a party to the action or was a party to the action within the one (1) year immediately preceding the Petition Date.

*These Global Notes regarding the Debtor's Bankruptcy Schedules comprise an integral part of the Schedules and SOFAs and should be referred to and considered in connection with any review of them.*

35. SOFA, question 13, does not appear to request the disclosure of any recoupment, and the Debtor has not listed any potential recoupment rights in response to such question.
36. The Debtor has not listed any personal property of the Debtor's patients that may be on the Debtor's premises at any given time in the ordinary course of the Debtor's operations on the Debtor's SOFA, question 14, nor has the Debtor listed any amounts withheld from its payroll which constitute employee property or trust fund taxes.
37. With respect to SOFA, question 19(d), the Debtor does not make SEC filings. In the ordinary course, the Debtor may have provided financial information to the Dormitory Authority of the State of New York, regulatory authorities and various other interested parties.
38. With respect to SOFA, question 17(c), the Debtor's response does not include a stipulated settlement between the Debtor and the United States Department of Labor, dated on or about September 2011, relating to, among other things, asserted violations of applicable regulations related to labeling of and employee contact with asbestos containing materials on the Debtor's premises.
39. The Debtor, its Management, agents, officers, directors, employees, representatives, attorneys, restructuring advisors and financial advisors do not guarantee or warrant as to the accuracy and/or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained herein. While every effort has been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtor, its Management, agents, attorneys, restructuring advisors and financial advisors expressly do not undertake any obligation to update, modify, revise or re-categorize the information provided herein or to notify any third party should the information be updated, modified, revised or re-categorized. In no event shall the Debtor or its agents, attorneys, restructuring advisors and financial advisors be liable to any third party for any direct, indirect, incidental, consequential or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtor or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused, even if the Debtor or its agents, attorneys, restructuring advisors and financial advisors are advised of the possibility of such damages.

**SCHEDULE D - CREDITORS HOLDING SECURED CLAIMS**

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Total the columns labeled "Amount of Claim Without Deducting Value of Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. Report the total from the column labeled "Amount of Claim Without Deducting Value of Collateral" also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report the total from the column labeled "Unsecured Portion, if Any" on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding secured claims to report on this Schedule D.

**SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS**

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.
