**GLOBAL NOTES, STATEMENT OF LIMITATIONS, METHODOLOGY AND
DISCLAIMER REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND
LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

The Schedules of Assets and Liabilities and Statements of Financial Affairs (the “Schedules and Statements”) filed concurrently herewith by the above-captioned debtors and debtors in possession (the “Debtors” or the “Company”) in the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”) were prepared by the Debtors’ management pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure (each a “Bankruptcy Rule”) and are unaudited. The Schedules and Statements remain subject to further review and verification by the Debtors. Subsequent information may result in material changes in financial and other data contained in the Schedules and Statements. The Debtors have used their best efforts to compile the information set forth in the Schedules and Statements from their books and records maintained in the ordinary course of their business. While the Debtors have made every effort to ensure that the Schedules and Statements are as accurate and complete as possible based upon information available at the time of preparation, inadvertent errors or omissions may exist and subsequent receipt of information may result in material changes in financial and other data contained in the Schedules and Statements which may warrant amendment of the same. Moreover, because the Schedules and Statements contain unaudited information that is subject to review and potential adjustment, there can be no assurance that these Schedules or Statements are complete or accurate. The Debtors reserve the right to amend the Schedules and Statements from time to time as necessary or appropriate. These Global Notes, Statement of Limitations, Methodology and Disclaimer Regarding Debtors’ Schedules of Assets and Liabilities and Statement of Financial Affairs (these “Global Notes”) are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: IPC International Corporation (2698); and The Security Network Holdings Corporation (7985). The address of each of the Debtors is 2111 Waukegan Road, Bannockburn, IL 60015.

1. **Description of the Cases and “as of” Information Date:** On August 9, 2013 (the “Petition Date”), the Debtors commenced voluntary cases under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”). The Debtors continue to operate their business and manage their properties as debtors in possession as authorized by sections 1107(a) and 1108 of the Bankruptcy Code. No request has been made for the appointment of a trustee or examiner in this chapter 11 case. On August 30, 2013, the Office of the United States Trustee appointed an Official Committee of Unsecured Creditors in these chapter 11 cases. On August 13, 2013, the Bankruptcy Court entered an order jointly administering these cases pursuant to Bankruptcy Rule 1015(b). Unless otherwise indicated all amounts listed in the Schedules and Statements are as of the Petition Date.

2. **Basis of Presentation:** For financial reporting purposes, the Debtors generally prepare consolidated financial statements, which include financial information for the Debtors and their non-debtor subsidiaries and affiliates and which in the past have been audited or compiled annually. Unlike the consolidated financial information used for the Company’s financial reporting purposes, the Schedules and Statements reflect the assets and liabilities of the Debtor based on its unaudited accounting records. The Debtors generally maintain their accounting records in accordance with the Generally Accepted Accounting Principles (“GAAP”) used in the United States. However, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP, nor are they intended to reconcile to any financial statements prepared by the Company.

3. **Summary of Significant Reporting Policies:** Each Debtor maintains its own balance sheets and accounting records reflecting accounts receivable. Accordingly, the following conventions were adopted by the Debtors in the preparation of the Schedules and Statements:

(a) **Debtors:** Separate Schedules and Statements have been filed for each of the Debtors. Intercompany balances and interests between the Debtors are reflected as of the close of business on the Petition Date. Each Debtor’s Schedules and Statements were prepared using the assets and liabilities of that Debtor pursuant to the Debtor’s accounting records.

(b) **Reporting Date:** The Debtors’ Schedules and Statements are prepared as of the close of business on the Petition Date except as otherwise stated in these Global Notes or in the Schedules and Statements. In some instances, the Debtors have used estimates or other assumptions where actual data as of the Petition Date was not available. Actual results could differ from those estimates. The Debtors have sought to allocate liabilities between the prepetition and post-petition periods based upon the information from research that was conducted in connection with the preparation of these Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of assets and liabilities between prepetition and post-petition periods may change. The Debtors reserve the right to amend the Schedules and Statements to reflect any new information and to change the attribution of liability from a particular Debtor to another to the extent additional information becomes available.

(c) **Book Value:** Except as otherwise noted, each asset and liability of each Debtor is shown on the basis of the net book value of the asset or liability in accordance with the Debtors' accounting records as of the Petition Date. Unless otherwise noted, the Schedules and Statements reflect the carrying value of the assets and liabilities as listed in the Debtors' books and are not based upon any estimate of their current market values, which may not correspond to book values. All intercompany balances are shown at the book values set forth in the books and records of the Debtors. Accounts receivable are shown net of any bad debt allowances which the Debtors carry on their books. Additionally, some of the Debtors' scheduled assets and liabilities are unknown and unliquidated at this time. In such cases the amounts are listed as "Unknown." Accordingly, the Schedules and Statements do not accurately reflect the aggregate amount of the Debtors' assets and liabilities.

(d) **Property and Equipment – Owned:** Unless otherwise noted, owned property and equipment are stated at net book value.

(e) **Causes of Action:** The Debtors have not set forth causes of action against third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any causes of action they may have and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

(f) **Co-Debtors and Guarantors:** All co-Debtor and guarantor relationships related to obligations under the Debtors' prepetition credit facilities are reflected on Schedule H for each Debtor.

(g) **Schedule D:** Except as otherwise agreed pursuant to a stipulation or agreed order or general order entered by the Court, the Debtors reserve their rights to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction, or any document or instrument related to such creditor's claim. In certain instances, a Debtor may be a co-obligor, co-mortgagor or guarantor with respect to scheduled claims of other Debtors. No claim set forth on Schedule D for any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. Additionally, the Debtors have listed only the trustee or administrative agent, rather than individual or beneficial holders, of any bank facility or debt instrument described in the Schedules and Statements. The Debtors have not included on Schedule D certain parties that may believe their claims are secured through setoff rights, deposits posted by or on behalf of the Debtors or inchoate statutory lien rights.

(h) **Schedule E:** By order of the Bankruptcy Court on September 3, 2013, the Debtors received final authority to pay certain prepetition obligations including to pay employee wages

and other employee benefits in the ordinary course of business. The Debtors believe that any employee claims for prepetition amounts related to ongoing payroll and benefits, whether allowable as a priority or nonpriority claim, have been or will be satisfied, and such satisfied amounts are not listed.

(i) **Schedule F:** The Debtors have attempted, to the best of their ability, to allocate their accounts payable as of the Petition Date, and to schedule such payables with the Debtor that received the benefit of the goods or services. All balances listed on Schedule F are shown net of any payments made as of the date of the filing of these Schedules and Statements. Schedule F contains information regarding threatened or pending litigation involving the Debtors. The amounts for these potential claims are listed as “undetermined” and marked as contingent, unliquidated and disputed in the Schedules and Statements.

On September 3, 2013 the Bankruptcy Court entered an interim order authorizing payment of certain prepetition amounts relating to customer programs. Accordingly, certain debts arising out of customer programs have not been included in the Debtors’ Schedules and Statements.

(j) **Schedule G:** While every effort has been made to ensure the accuracy of the executory contracts and unexpired leases listed on Schedule G, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement Schedule G as necessary. The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended and supplemented from time to time by various amendments, restatements, waivers, letters and other documents, instruments and agreements which may not be listed on Schedule G. Certain contracts listed on Schedule G may contain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain executory agreements may not have been memorialized and may be subject to dispute. Additionally, the Debtors may be parties to various other agreements concerning real property, such as easements, rights of way, subordination, supplemental agreements, amendments/letter agreements, title documents, consents and other miscellaneous agreements which are not set forth in Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is valid or that it is an executory contract or unexpired lease. The Debtors reserve all rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G.

4. **Claims:** Pursuant to certain first-day and other orders issued by the Bankruptcy Court (collectively, the “First Day Orders”), the Bankruptcy Court has authorized the Debtors to pay certain outstanding prepetition claims, including without limitation, claims for insurance premiums, taxes and fees and certain limited critical vendor claims. Accordingly, such claims that have been or will be paid pursuant to such First Day Orders may not be reflected in these Schedules and Statements. Conversely, certain claims which appear on the Schedules and Statements may be or may have been paid pursuant to a First Day Order and the Debtors may pay some of the claims listed on the Schedules in the ordinary course of business during these cases pursuant to such First Day Orders or other Court orders. To the extent claims listed on the

Schedules and Statements are paid pursuant to an order of the Bankruptcy Court (including the First Day Orders), the Debtors reserve all rights to amend or supplement their Schedules and Statements as is necessary and appropriate and to designate the amount of any such claims as \$0 for the purposes of solicitation and voting on the Debtors' plan of reorganization. Moreover, certain of the First Day Orders may preserve the rights of parties in interest to dispute any amounts paid pursuant to First Day Orders. Nothing herein shall be deemed to alter the rights of any party in interest to contest a payment made pursuant to First Day Orders.

5. **Disputed, Contingent and/or Unliquidated Claims:** Schedules D, E and F permit each of the Debtors to designate a claim as disputed, contingent and/or unliquidated. A failure to designate a claim on any of these schedules as disputed, contingent and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Debtors reserve their right to dispute and to assert offsets or defenses to any claim reflected on these Schedules and Statements as to nature, amount, liability or status.

6. **Insurance:** The Debtors maintain general liability insurance policies, and various other insurance policies, on behalf of all the Debtors. The terms of these policies are characteristic of insurance policies typically maintained by corporate entities that are similar in size and nature to the Debtors. Each Debtor's insurance policies generally are structured to provide coverage for its affiliates, including the other Debtors. The Debtors maintain various policies of insurance, including, but not limited to, property, casualty, motor vehicle and general liability policies.

7. **Real Property:** Real Property owned by any of the Debtors is listed in the Schedule A for that individual Debtor. Real property is scheduled at the value that the Debtors carried on their books as of the Petition Date.

8. **Personal Property:** Personal Property owned by any of the Debtors is listed in the Schedule B for that individual Debtor. Personal property is scheduled at the value that the Debtors carried on their books as of the Petition Date, unless otherwise stated in these Global Notes or in the Schedules and Statements.

9. **Confidentiality:** There may be instances within the Schedules and Statements where names, addresses or amounts have been left blank. Due to the nature of an agreement between the Debtors and the third party, concerns of confidentiality or concerns for the privacy of an individual, the Debtors may have deemed it appropriate and necessary to avoid listing such names, addresses and amounts.

10. **Insiders:** Section 101(31) of the Bankruptcy Code defines "insiders" of a corporation as (a) directors, (b) officers, (c) persons in control of the Debtors, (d) a partnership in which a Debtor is a general partner, (e) general partners of the Debtors, (f) relatives of those entities set forth in (a)-(e) above and (g) the Debtors' affiliates. Payments to insiders listed in (a) through (g) above (with the exception of intercompany transfers which appear on Statement 3b) are set forth on Statement 3c. This list is for informational purposes only. The Debtors take no position at this time as to actual insider status of any of the listed individuals or entities.

11. **Inventories:** Inventories are set forth at book value. Additionally, all values of inventories, plant and equipment are presented without consideration of any statutory or consensual liens.

12. **Statement as to Accuracy and Completeness of Information:** The Debtors and their agents, attorneys, and financial advisors do not guarantee or warrant the accuracy, completeness, or currentness of the data that is provided in the Schedules and Statement and shall not be held liable for any loss or injury arising out of or caused in whole or in part by the acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained herein. While every effort has been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised or re-categorized. In no event shall the Debtors or their agents, attorneys, and financial advisors be liable to any third party for any direct, indirect incidental, consequential or special damages (including but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys and financial advisors are advised of the possibility of such damages.

13. **Global Notes Control.** In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.

If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "HWJC."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "HWJC."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

☐ Check this box if debtor has no creditors holding unsecured nonpriority claims to report on this Schedule F.
