Case No. 09-10572

Notes and Statement of Limitations, Methodology and Disclaimer Regarding the Debtor's Statement and Schedules

JLH Realty and Construction, Inc. (the "Debtor") submits its Statement of Financial Affairs (the "Statement") and Schedules of Assets and Liabilities (the "Schedules"), pursuant to 11 U.S.C. § 521 and Federal Rule of Bankruptcy Procedure 1007. The following notes regarding the Statement and Schedules are fully incorporated into and made part of the Statement and Schedules. These notes comprise an integral part of the Statement and Schedules and should be referred to and considered in connection with any review of the Statement and Schedules. Unless otherwise noted, the financial and other information contained in the Statement and Schedules is derived from the Debtor in accordance with the Debtor's financial reporting and accounting policies and procedures.

The Debtor's bankruptcy petition was filed on February 19, 2009 with the bankruptcy petitions of 5 of its affiliates (collectively, the "Debtors"). The Debtors' bankruptcy cases are jointly administered by order of the Bankruptcy Court under the caption In re WL Homes LLC, Case No. 09-10571.

The Debtor reserves all rights to amend the Statement and Schedules, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or to assert offsets or defenses to any claim reflected on the Statement and Schedules as to amount, liability or classification of the claim, or to otherwise subsequently designate any claim as "disputed," "contingent" or "unliquidated." Furthermore, nothing contained in the Statement and Schedules shall constitute a waiver of rights by the Debtor involving any present or future causes of action, contested matters or other issues under the provisions of chapter 11 of title 11 of the United States Code or other applicable non-bankruptcy laws.

Given the differences between the information to be submitted in the Statement and Schedules and the financial information utilized under Generally Accepted Accounting Principles, the aggregate asset values and claim amounts set forth in the Statement and Schedules may not reflect the values and amounts that would be set forth in a balance sheet for the Debtor prepared in accordance with Generally Accepted Accounting Principles.

It would be prohibitively expensive, unduly burdensome and extremely time-consuming to obtain current market valuations of the Debtor's assets. Accordingly, unless otherwise indicated, net book values rather than current market values are reflected on the Statement and Schedules. Assets that have been fully depreciated or expensed for accounting purposes have no net book value. The current book values may not reflect a comprehensive review of accounting adjustments, including asset impairments and write-downs, which may be required and conducted in relation to the Debtor's bankruptcy. The reader therefore should not place undue reliance upon the book values associated with the assets listed.

The Debtor has not listed estimated values of its real estate leases.

General Notes Regarding the Debtor's Statement and Schedules

1. Financial Information.

The information provided for herein, except as otherwise noted, represents the assets and liability data of the Debtor as of February 19, 2009, (the "Petition Date") unless otherwise noted.

2. Unaudited Financial Information.

The Statement and Schedules prepared by the Debtor's management and professionals are unaudited. While the Debtor has tried to ensure that the Statement and Schedules are accurate and complete based upon information that was available at the time of the preparation, the subsequent receipt of information or an audit may result in material changes in financial data contained in the Statement and Schedules.

3. Claim Description.

Any failure to designate a claim on the Statement and Schedules as "contingent," "unliquidated," or "disputed" does not constitute an admission that such claim is not "contingent," "unliquidated," or "disputed." The Debtor reserves the right to dispute, or to assert offsets or defenses to any claim reflected on its Schedules as to amount, liability, or classification, or to otherwise subsequently designate any claim as "contingent," "unliquidated," or "disputed."

Moreover, the Debtor reserves all rights to amend the Statement and Schedules, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or to assert offsets or defenses to any claim reflected on the Statement and Schedules as to amount, liability or classification of the claim, or to otherwise subsequently designate any claim as "disputed," "contingent" or "unliquidated."

Furthermore, nothing contained in the Statement and Schedules shall constitute a waiver of rights by the Debtor involving any present or future causes of action, contested matters or other issues under the provisions of Chapter 11 of title 11 of the United States Code or other relevant non-bankruptcy laws.

4. Accuracy.

While the Debtor has sought to file complete and accurate Statement and Schedules, inadvertent errors and omissions may exist. The Debtor reserves the right to amend its Statement and Schedules as necessary or appropriate.

5. Liabilities.

The Debtor has sought to allocate liabilities between the pre-petition and post-petition periods based on the information and research that was conducted in connection with the preparation of the Statement and Schedules. As additional information becomes available and further research is conducted, the allocation of liabilities between pre-petition and post-petition periods may change.

7. Specific Notes.

These general notes are in addition to the specific notes set forth in the related Statement and Schedules hereinafter.

Note to Schedule “B”

Schedule B Disclaimer

Unless otherwise noted, all of the amounts listed on Schedule B represent the value of the Debtor’s assets as reflected in the Debtor’s books and records (net of depreciation or amortization where applicable). The Debtor has performed no independent review of the value of these assets. The actual value of the assets listed may differ significantly from the amounts reflected in the Debtor’s books and records.

Certain items of equipment are or may be listed herein pursuant to a capital lease. Such designation is not an admission or recognition that such lease is a security agreement, and not a true lease. The Debtor expressly reserves all rights to challenge, on any basis, the nature of such equipment as owned or leased, as the case may be.

Taxes

Schedule “E” contains the Debtor’s best estimate of all of the potential priority claims against the Debtor’s estate held by governmental and quasi-governmental entities. The Debtor has not determined whether, and to what extent, any of the creditors identified on Schedule “E” in fact are entitled to priority under Section 507 of the Bankruptcy Code. The Debtor reserves the right to assert that claims identified on Schedule “E” are not claims of governmental entities and/or that such claims are not entitled to priority.

General Disclaimer

The Debtor has prepared the Schedules and the Statements based on the information reflected in the Debtor’s books and records. However, inasmuch as the Debtor’s books and records have not been audited, the Debtor cannot warrant the absolute accuracy of these documents. The Debtor has made a diligent effort to complete these documents accurately and completely. To the extent additional information becomes available, the Debtor will amend and supplement the Schedules and Statements.
