These notes (the “Global Notes”) regarding the Debtors’ Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “SOEAs,” and together with the Schedules, the “Bankruptcy Schedules”) comprise an integral part of the Bankruptcy Schedules and should be referred to and considered in connection with any review of them.

BACKGROUND

1. Management (“Management”) of the debtors in the above-captioned chapter 11 cases (each, a “Debtor,” and collectively, the “Debtors”) has prepared unaudited Bankruptcy Schedules pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure. Except where otherwise noted, the information provided herein is as of the close of business on September 4, 2012. The chapter 11 cases of the Debtors are jointly administered, pursuant to an order of the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”), dated September 7, 2012. While Management has made every reasonable effort to ensure that the Debtors’ Bankruptcy Schedules are accurate and complete, based upon information that was available to them at the time of preparation, inadvertent errors or omissions may exist and the subsequent receipt of information and/or further review and analysis of the Debtors’ books and records may result in changes to financial data and other information contained in the Bankruptcy Schedules. Moreover, because the Bankruptcy Schedules contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that the Bankruptcy Schedules are complete or accurate.

2. The Debtors reserve the right to amend the Bankruptcy Schedules in all respects as may be necessary or appropriate, including, but not limited to, the right to assert offsets or defenses to, or to dispute, any claim reflected on the Schedules as to amount, liability or classification, or to otherwise subsequently designate any claim as “disputed,” “contingent” or “unliquidated.” Furthermore, nothing contained in the Bankruptcy Schedules shall constitute a waiver of the Debtors’ rights with respect to these chapter 11 cases and specifically with respect to any issues involving substantive consolidation, equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws.

3. The Bankruptcy Schedules are a reflection of the assets and liabilities as recorded in the Debtors’ books and records and, therefore, may not be an accurate reflection of all of the Debtors’ potential liabilities.

4. Some of the Debtors’ scheduled assets and liabilities are unliquidated or of unknown value at this time. In such cases, the amounts are listed as “unknown.” Accordingly, the Schedules may not accurately reflect the aggregate amount of the Debtors’ current assets and liabilities.

5. The preparation of the Bankruptcy Schedules required Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities and the reported amounts of expenses during the

reporting period. Actual results could differ from those estimates. Without prior notice, the Debtors may amend their Bankruptcy Schedules as they deem necessary and appropriate to reflect material changes, if any, that arise during the pendency of their chapter 11 cases. In addition, the Debtors reserve the right to dispute or to assert offsets or defenses to any claim listed on the Schedules.

6. Given the differences between the information requested in the Bankruptcy Schedules and the financial information utilized under generally accepted accounting principles in the United States (“GAAP”), the aggregate asset values and claim amounts set forth in the Bankruptcy Schedules do not necessarily reflect the amounts that would be set forth in a balance sheet prepared in accordance with GAAP.

7. The Debtors, their Management, agents, officers, directors, employees, representatives, attorneys and financial advisors do not guarantee or warrant as to the accuracy and/or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained herein. While every effort has been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors, their Management, agents, attorneys and financial advisors expressly do not undertake any obligation to update, modify, revise or re-categorize the information provided herein or to notify any third party should the information be updated, modified, revised or re-categorized. In no event shall the Debtors or their agents, attorneys and financial advisors be liable to any third party for any direct, indirect, incidental, consequential or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys and financial advisors are advised of the possibility of such damages.

SCHEDULES

1. Schedule A of Journal Register Company’s (“JRC”) Schedules reflects market value of each real property asset as of December 1, 2011.

2. For purposes of the Debtors’ Schedule B, the values listed for each of the bank account balances are as of August 26, 2012. The value of accounts receivable, security deposits and inventory are as of August 26, 2012.

3. The bank account balances listed in the Debtors’ Schedule B are net of outstanding negotiables that have been issued by the Debtors but not yet cashed by the recipient of such negotiables (i.e., Schedule B reflects bank cash, not book cash).

4. Schedule B of each Debtor’s Schedules identifies such Debtor’s direct ownership interests in any subsidiary, but does not list any subsidiary that the applicable Debtor may own indirectly. Amounts related to the investment in consolidated subsidiaries exclude equity earnings (or losses) because those earnings (or losses) are typically eliminated in consolidation.

These equity earnings (or losses) related to investments in consolidated subsidiaries are also excluded from SOFA, question 2.

5. For purposes of Schedule B, question 8, the Debtors have a variety of photography and video equipment for use in their newspaper operations. The existence and value of this equipment is included in Schedule B, question 29.

6. For purposes of Schedule B, question 16, the value of accounts receivable has been presented net of allowances, if any, made by such Debtor for doubtful accounts.

7. With respect to Schedule B, question 22, the content of each of the Debtors' publications, including website content, is subject to copyright protection.

8. With respect to Schedule B, question 23, the Debtors license numerous computer software applications that are used in the ordinary course of their businesses. The value of such software licenses is unknown.

9. With respect to Schedule B, question 24, certain of the Debtors possess personally identifiable information (as defined in 11 U.S.C. § 101(41A)) in their database of information provided by subscribers to their publications. The value of such personally identifiable information is unknown, at this time, to the Debtors.

10. Schedule B, question 25, of the Debtor's Schedules includes the value of motor vehicles owned by JRC. The value set forth on the Debtor's Schedules reflects the book value of such vehicles.

11. With respect to Schedule B, questions 27 and 28, the Debtors own, among other things, computer hardware and software, office furniture, and various machinery and equipment. Capital assets with a net book value of \$500 and above are reflected in response to Schedule B, questions 27 and 28. The Debtors may own additional items, each with net book value below \$500, that are not reflected in their Schedules.

12. The Debtors take periodic inventories of their raw materials, which include, but are not limited to, newsprint, ink, plates, composing and circulation materials (collectively, the "Raw Materials"). The dollar amount of inventory listed in Schedule B, question 30, and SOFA, question 20, reflects gross inventory value as of August 26, 2012, the last month-end closing date for such inventories. In valuing their inventory, the Debtors utilize the lower of cost (primarily first-in, first-out method) or market method. The dollar amounts listed in response to Schedule B, question 30, and SOFA, question 20, represent the aggregate value of all Raw Materials inventoried, using the different methods of valuation.

13. With respect to Schedule D of JRC's Schedules, JRC has listed certain entities that hold cash deposits as collateral. Such cash deposits may give rise to a right of setoff against the Debtors. These potential rights of setoff are not referenced on Schedule B or in response to SOFA, question 13.

14. Schedules E, F and G reflect information available to the Debtors as of October 25, 2012.

15. Pursuant to orders of the Bankruptcy Court dated September 28, 2012, the Debtors are authorized to pay, among other things, certain prepetition obligations for (i) employee wages, salaries, bonuses and other compensation, reimbursable employee expenses and employee medical and similar benefits, and (ii) customer obligations. Therefore, related claims held by the Debtors' employees or customers have not been listed on the Debtors' Schedule E.

16. In the ordinary course of their businesses, the Debtors utilize a centralized cash management system through which certain payments are made through centralized disbursement accounts in the name of a single entity on behalf of its affiliates. These payments have been reported on the Bankruptcy Schedules of the Debtor that owns the disbursement accounts through which such payments were made.

17. The Debtors have not included on Schedule F secured parties that may have an unsecured deficiency claim; such parties have been listed on Schedule D only.

18. All parties to executory contracts, including those listed on Schedule G, may be holders of contingent and unliquidated claims arising from (i) obligations under those executory contracts and/or (ii) rejection damages in the event that executory contract is rejected. Certain of these claims are not listed on Schedule F.

19. For purposes of the Schedules, the Debtors have only scheduled claims and executory contracts for which the Debtors may be contractually and/or directly liable. No claims have been scheduled for a Debtor that may have benefited directly or indirectly from a contractual relationship to which the Debtor was not a named party. No claims or executory contracts have been scheduled where payments to third parties were made on a Debtor's behalf for administrative convenience or as a result of the Debtors' cash management system. No claims or executory contracts have been scheduled for which the Debtors have rate agreements in place, but not formal contracts.

20. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all rights to challenge whether any of the listed contracts, leases, agreements or other documents constitute an executory contract or unexpired lease, including if any are unexpired non-residential real property leases. Any and all of the Debtors' rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G are expressly preserved.

21. While every reasonable effort has been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all of their rights to dispute the validity, status or enforceability of any contract, agreement, or lease set forth on Schedule G that may have expired or may have been modified, amended, and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents,

instruments, and agreements which may not be listed on Schedule G. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized in writing and could be subject to dispute. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, including supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents may also not be set forth on Schedule G. The Debtors reserve all of their rights to dispute or challenge the characterization of the structure of any transaction, or any document or instrument (including without limitation, any intercompany agreement) related to a creditor's claim. Certain of the contracts, agreements, and leases listed on Schedule G may have been entered into by more than one of the Debtors. In the ordinary course of business, the Debtors may have entered into agreements, written or oral, for the provision of certain services on a month-to-month or at-will basis. Such contracts may not be included on Schedule G. However, each Debtor reserves the right to assert that such agreements constitute executory contracts.

22. With respect to Schedule H, each of the Debtors is a guarantor under that certain Loan and Security Agreement, dated as of August 7, 2009 (as thereafter amended or otherwise modified and in effect), by and among JRC, as borrower, the other Debtors, as guarantors, Wells Fargo Bank, N.A., as administrative agent and collateral agent, and the lenders that are party thereto. In addition, the Debtors are party to a certain Term Loan Agreement (Tranche A), dated as of August 7, 2009, by and among JRC, as borrower, Wells Fargo Bank, N.A., as successor administrative agent, and the lenders party thereto, and a certain Term Loan Agreement (Tranche B), dated as of August 7, 2009, by and among JRC, as borrower, Wells Fargo, N.A. as administrative agent and the lenders party thereto. Wells Fargo Capital Finance is successor to Wachovia Bank, NA the original lender.

SOFAS

1. In the interests of protecting individuals' privacy, the Debtors have not included payments made to non-insider employees on account of wages, salaries or commissions in their responses to SOFA question 3(b). Other payments to employees have been included.

2. The Debtors have not included in their responses to SOFA, question 3(c), payments that may have been made within the past year to entities that were formerly, but are no longer, affiliated with the Debtors, as such parties are not considered "insiders" for the purposes of SOFA, question 3(c). Such payments, if any, are listed in the Debtors' responses to SOFA, question 3(b).

3. With respect to SOFA, questions 3(c) and 23, the listing of any person or entity is not intended to be nor shall it be construed as a legal characterization of such party as an insider, and does not act as an admission of any fact, claim, right or defense, and all such right, claims and defenses are hereby reserved.

4. With respect to SOFA, question 4, the Debtors have made reasonable efforts to accurately record all suits and administrative proceedings of the Debtor that is the party to the

action or was a party to the action within the one (1) year immediately preceding the date these chapter 11 cases commenced, September 5, 2012. Certain litigation against a particular Debtor may relate to any of the other Debtors.

5. Payments related to professional services rendered to the Debtors in connection with the commencement of their chapter 11 cases have been made on a consolidated basis by JRC and appear only in response to SOFA, question 9 for JRC.

6. In the ordinary course of its business, JRC may control or hold certain property owned by its subsidiaries. JRC has not included in its response to SOFA, question 14, any property it holds that is owned by its subsidiaries. In addition, the Debtors, excluding JRC, have not included in their responses to SOFA, question 14, any property that is owned by such Debtors, but held by JRC, their ultimate parent. Moreover, in the ordinary course of their businesses, the Debtors may be in receipt of certain property belonging to others, including, but not limited to, advertisers, freelance writers and members of the public, relating to prospective advertisements and content for the Debtors' publications and/or websites. It is presumed that such property will be distributed, published or disposed. The value of such property is unknown and such property is not reflected in response to SOFA, question 14.

7. With respect to SOFA, question 15, certain premises may have been leased by an affiliate of a Debtor whose name is listed.

8. With respect to SOFA, question 17, the Debtors have disclosed both suggestions of potential liability asserted by governmental agencies and known environmental violations since emergence from their previous chapter 11 cases in August, 2009.

9. With respect to SOFA, question 18, each Debtor has identified all businesses in which it has a direct ownership interest in more than 5% of the voting or equity securities. Indirect ownership rights, if any, are not listed.

10. With respect to SOFA, questions 19(a) and 19(c), because the Debtors report their financial information on a consolidated basis, the books of account and records of all of the Debtors are located at the corporate headquarters of JRC, Lower Makefield Corporate Center, 790 Township Line Road, 3rd Floor, Yardley, PA 19067.

11. With respect to SOFA, question 19(d), the Debtors no longer make SEC Filings, as of May 2008, but issued audited financial statements in lieu thereof, which were made available upon request. In the ordinary course, the Debtors may also have provided consolidated financial information to banks, customers, suppliers and rating agencies; provided, however, they do not issue individual subsidiary (Debtor) financial information.
