Mentor, OH 44060

2. Type of Debtor (individual, partnership, corporation): Corporation

3. Debtor's Business or Employment: The Debtor is a publicly-traded exploration and production company organized under the laws of the State of Maryland. It is in the business of acquiring, exploring, developing, and producing oil and natural gas in northeast Ohio.
4. Date of chapter 11 Petition: January 13, 2012
5. Events that Caused the Filing: The Debtor's financial difficulties were the direct result of the drop in the price of natural gas. As a result of the dramatic drop in gas prices, the Debtor was out of compliance with certain covenants with its secured lender, RBS.
6. Anticipated Future of the Company & Source of this Information and Opinion:

After the Private Sale of assets, the Debtor will be able to engage in new business ventures alone or in combination with other Osborne-related entities. The Debtor will be substantially debt-free and out of bankruptcy.

7. Summarize all significant features of the Plan including when and how each Class of Creditor will be paid and what, if any, liens will be retained by secured creditors or granted to any creditor under the Plan:

This is a reorganizing Chapter 11 Plan. The Debtor proposes to pay creditors pursuant to the following terms:¹

Administrative claims are not part of a class. The Debtor will pay all administrative claims, in full, on the Effective Date unless otherwise agreed by claimant.

Class 1 consists of the Priority Claims. The Priority Claims shall receive payment in full upon the latter of (a) the Effective Date and (b) five (5) Business Days from the date on which such claim is allowed.

Class 2 consists of the Secured Claims of RBS. The RBS Allowed Claim shall be fixed at \$12 million, subject to RBS's right to seek a higher amount, which higher amount the Debtor may dispute. The RBS Settlement Payment amount shall be \$10.8 million dollars. The RBS Settlement Payment shall be paid to RBS on or before March 14, 2014, in full and complete satisfaction of the Oz-GPE Obligation and the John D. Obligation. If the Private Sale does not close in time to make payment timely of the RBS Settlement Payment by March 14, 2014 (or such date as may be agreed to by RBS), Debtor will pay the RBS Delayed Settlement Payment amount by March 31, 2014. If neither the RBS Settlement Payment nor the RBS Delayed Settlement Payment is timely paid, RBS shall be entitled to payment of its Allowed Claim on April 1, 2014.

Class 3 consists of all other Secured Claims. Class 3 consists of all Allowed Other Secured Claims against the Debtor. Holders of Allowed Other Secured Claims which are secured by

¹ The Debtor reserves the right to object to the allowance of any Claim, as more fully described in the Plan and/or applicable sections of the Bankruptcy Code.

Collateral included in the Private Sale will be paid an amount agreed by the Creditor and the Debtor from the proceeds of the Private Sale, for the Collateral sold, or the amount of their claim will be escrowed pending determination by the Court. Holders of Allowed Other Secured Claims which are secured by Collateral not included in the Private Sale shall be granted relief from the Automatic Stay effective 30 days after the private sale, during which time such creditor may reach agreement on an amount to be paid.

Class 4 consists of all Allowed General Unsecured Claims against the Debtor. Unless the Debtor and the holder of any such allowed claim agree to a different treatment, each holder of an Allowed Class 4 Claim shall receive 90% of the Allowed Amount, paid within thirty (30) days of the closing of the Private Sale. Holders of Class 4 Claims against the Debtor that are insiders or related-entities shall not receive any distribution on account of their Allowed Claim until such time as other Class 4 creditors have been paid pursuant to the terms of the plan.

Class 5 consists of all Equity Interests in the Debtor. The Equity Interest owners will retain their interests in the Debtor.

8. Are All Monthly Operating Statements current and on File with the Clerk of Court?

Yes No

9. Does the plan provide for releases of non-debtor parties? Yes

After the Effective Date and after payment of the RBS Settlement Payment or the RBS Delayed Settlement Payment, this Plan shall cause the Osborne Releasing Parties to have released the RBS Releasing Parties from the Osborne Released Claims.

On the Effective Date, all entities shall be conclusively presumed to have released the following parties following the filing of the Chapter 11 Case (but solely to the extent set forth below): the Debtor (including all present and former members thereof) and its attorneys, accountants, and advisors, from any claim or Cause of Action based on, arising from, or in any way connected with (A) the Chapter 11 Case (including, without limitation, any actions taken and/or not taken with respect to the administration of Estate or the operation of the business of the Debtor); (B) the Plan or the Distributions received thereunder; and (C) the negotiation, formulation, and preparation of the Plan. This is intended to release the Osborne Parties from matters related to the conduct of the Chapter 11 case, not from any personal liability for Claims.

10. Identify all executory contracts that are to be assumed or assumed and assigned.

The Debtor believes that all unexpired leases and executory contracts have been assumed pursuant to prior Court orders. Any unexpired lease or executory contract not previously assumed or rejected in the Chapter 11 Case will be assumed upon Confirmation.

11. Has a bar date been set? (If not, a motion to set the bar date has been filed simultaneously with the filing of this disclosure statement.)

Yes No

12. Has an election under 11 U.S.C. § 1121(e) been filed with the Court to be treated as a small business?

11. Will Periodic Payments be made to unsecured creditors?

Yes No

Other significant features of the plan:

The Class 2 Claims of RBS shall be paid as follows:

1. The RBS Allowed Claim shall be fixed at \$12 million, subject to RBS’s right to seek a higher amount, which higher amount the Debtor may dispute.
2. The RBS Settlement Payment amount shall be \$10.8 million dollars.

3. The RBS Settlement Payment shall be paid to RBS on or before March 14, 2014, at the closing of the Private Sale, time being of the essence, in full and complete satisfaction of the Osborne Released Claims, including the Oz-GPE Obligation and the John D Obligation.
4. Upon timely payment of the RBS Settlement Payment or timely payment of the RBS Delayed Settlement Payment, all Osborne Released Claims shall be fully released and discharged, including, without limitation, claims against the Debtors and Richard M. Osborne.
5. If the Private Sale does not close in time to make payment timely of the RBS Settlement Payment by March 14, 2014 (or such date as may be agreed to in writing by RBS), Debtor will pay the RBS Delayed Settlement Payment amount by March 31, 2014.
6. If neither the RBS Settlement Payment nor the RBS Delayed Settlement Payment is timely paid, RBS shall be entitled to payment of its Allowed Claim on April 1, 2014.
7. RBS shall maintain its lien on the assets of the Debtor until timely payment of the RBS Settlement Payment or timely payment of the RBS Delayed Settlement Payment is made.

Include any other information necessary to explain this plan: Not applicable

V. Comparison of Plan with Chapter 7 Liquidation

If the proposed Plan is not confirmed, the potential alternatives would include a proposal of a different Plan, dismissal of the case, or conversion of the case to Chapter 7. If this case is converted to Chapter 7, a Chapter 7 Trustee will be appointed to liquidate the Debtor’s non-exempt assets and will be entitled to a significant statutory fee, which would be paid in full before any distribution is made to other claimants. Additionally, all secured claims and priority claims, including all expenses of administration, must be paid in full before any distribution is made to unsecured claimants.

Total value of Chapter 7 estate (See Section III)	\$ 2,407,373
1. Less secured claims (See Section IV-2)	\$ 9,271,787.74
2. Less administrative expenses (See Section IV-3 and include approximate Chapter 7 expenses)	\$ 240,000
3. Less other priority claims (See Section IV-4)	\$ 56,114.51

Total Amount Available for Distribution to Unsecured Creditors \$0

Divided to total allowable unsecured claims (See Section II C) \$0

Percentage of Dividend to Unsecured Creditors: 0%

Will the creditors fare better under the Plan than they would in a Chapter 7 liquidation?

Yes No

Explain: In a Chapter 7 liquidation, a Chapter 7 Trustee would be appointed. The Chapter 7 Trustee would be entitled to the statutory fee which would further diminish any distribution to creditors. In the Chapter 11 context, the Debtor is allowed to continue operating and generating revenue sufficient to pay a significant dividend to creditors.

VI. Feasibility

- A. Attach Income Statement for Prior 12 Months
- B. Attach Cash Flow Statement for Prior 12 Months
- C. Attach Cash Flow Projections for Next 12 Months

Estimated amount to be paid on effective date of the Plan, including administrative expenses:

\$352,001.87

Show how this amount was calculated.

Administrative Class:	\$240,000.00
Taxes:	\$ 95,365.06
Unsecured Creditors:	\$ 0
UST Fees	\$ 3,000.00
 TOTAL	 \$338,365.06

What assumptions are made to justify the increase in cash available for the funding of the Plan?

The Assets of the Estate will vest or re-vest in the Debtor on the Effective Date. The Debtors have negotiated a private sale of the certain assets consisting principally of Debtors' mineral leases, wells, pipelines and related (well operating) equipment for a price sufficient to pay all of the Debtors' obligations under their respective Plans. As a result of the intended Private Sale Buyer's internal and regulatory delays, the identity of the buyer is not able to be publicly disclosed at this time.

The Private Sale is expected to close not later than March 14, 2014 in order to permit timely remittance of the RBS Settlement Payment. Out of an abundance of caution, this Plan provides for a possible delay of fifteen days, resulting in the RBS Delayed Settlement Payment, providing a significant incentive for the Debtors to close on the Private Sale on or before March 14, 2014.

The Private Sale, pursuant to this Plan, will be free and clear of all claims, liens and encumbrances of creditors. Although this Plan will implement the Private Sale, the Debtors also intend to file a Motion for Sale to provide the clearest notice to creditors and parties in interest.

The Private Sale will not permit competitive bidding, as it is a private sale. Since the sale proceeds will be sufficient to pay all Allowed Claims and payments required by the Plans, no creditor or party in interest (other than Insiders) has any interest in a higher price being paid. RBS asserts a senior lien on substantially all of the assets of the Debtors and would be the only party to arguably stand to benefit from a higher sale price. The Plan assumes that RBS accepts the Plan.

Unless the Private Sale does not occur as a result of the failure of the Private Sale Buyer to participate (or close), and unless the Private Sale Buyer is the purchaser of the Well Assets at the Public Sale, the Private Sale Buyer shall be entitled to its reasonable expenses of sale and due diligence, provided it can demonstrate to the Court that its efforts benefitted the Estates.

Will funds be available in the full amount for administrative expenses on the effective date of the Plan?

Yes. Administrative claims will be paid on the Effective Date from the Private Sale proceeds, unless otherwise agreed.

VII. Management Salaries

MANAGEMENT SALARIES

Name / Position	Salary on Petition Date	Proposed Salary
Richard M. Osborne / CEO	\$0.00	\$0.00

VIII. Identify the Effect on Plan Payments and Specify Each of the Following:

1. What, if any, Litigation is Pending? None
2. What, if any, Litigation is Proposed or Contemplated?

The Debtor has filed numerous objections to claims and pursued various claims and causes of action. Pursuant to Section 1123(b)(3)(B) and subject to the provisions of this Third Amended Plan, upon entry of the Confirmation Order, the Reorganized Debtor retains the right to further object to all Claims and interests asserted against the Debtor. The Reorganized Debtor retains the right to prosecute all of the Debtor’s Estate Litigation, subject to the provisions of Article VII, above, including without limitation: (1) Recovery actions under Section 547 of the Bankruptcy Code against those parties receiving payments from the Debtor within 90 days or one year prior to the Petition Date, (2) All claims and Causes of Action disclosed in the Debtor’s schedules and Statement of Financial Affairs which are incorporated herein by reference; (3) any and all claims and Causes of Action that the Debtor held pre-confirmation including, but not limited to, claims for unpaid accounts receivable and fraudulent transfer shall vest or re-vest in the Reorganized Debtor except as otherwise provided in this Third Amended Plan.

Unless a claim or Cause of Action against a creditor or other entity is expressly waived, relinquished, released, compromised or settled in the Third Amended Plan or any Final Order, the Debtor expressly reserves such claim or Cause of Action for later adjudication (including without limitation, claims and causes of action not specifically identified or which the Debtor may presently be unaware or which may arise or exist by reason of additional facts or circumstances unknown to the Debtor at this time or facts or circumstances which may change or be different from those which the Debtor now believes to exist) and, therefore, no preclusion doctrine, including without limitation, the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, waiver, estoppel (judicial, equitable or otherwise) or laches shall apply to such claims or Causes of Action upon or after the confirmation of the Third Amended Plan based on the Disclosure Statement, the Third Amended Plan or the Confirmation Order, except for such claims or Causes of Action have been released in the Third Amended Plan or any other Final Order.
