Chapter 11

Case No. 13-10262 (PJW)

(Jointly Administered)

**GLOBAL NOTES REGARDING  
DEBTORS' BANKRUPTCY SCHEDULES AND STATEMENTS**

**General Notes**

The Schedules of Assets and Liabilities (the “**Schedules**”) and Statements of Financial Affairs (the “**SOFA**” and, collectively with the Schedules, the “**Bankruptcy Materials**”) of ATLS Acquisition, LLC (“**ATLS**”) and its affiliated debtors in the above-captioned, jointly administered chapter 11 cases (collectively, the “**Debtors**” or “**Liberty**”) were prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Debtors and are unaudited. While Debtors’ management has made reasonable efforts to ensure that the Bankruptcy Materials are accurate and complete, based upon information that was available to them at the time of preparation, subsequent information may result in material changes to the Bankruptcy Materials. Moreover, because the Bankruptcy Materials contain unaudited information which is subject to further review and potential adjustment, there can be no assurance that these Bankruptcy Materials are complete. The Debtors reserve all rights to amend the Bankruptcy Materials from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or otherwise assert offsets or defenses to any claim reflected on the Bankruptcy Materials as to amount, liability or classification, or to otherwise subsequently designate any claim as “disputed,” “contingent,” or “unliquidated.” Furthermore, nothing contained in the Bankruptcy Materials shall constitute a waiver of rights with respect to the above-captioned Chapter 11 cases, including but not limited to any issues involving substantive consolidation, equitable subordination, or causes of action arising under the provisions of Chapter 5 of the Bankruptcy Code or any other relevant non-bankruptcy laws to recover assets or avoid transfers. These global notes regarding the Debtors’ Bankruptcy Materials (“**Global Notes**”) comprise an integral part of the Bankruptcy Materials and should be referred to and considered in connection with any review of the Bankruptcy Materials.

---

<sup>1</sup> The Debtors, along with the last four digits of each Debtor’s tax identification number, are: ATLS Acquisition LLC (9167); FGST Investments, Inc. (2110) (“**FGST**”); Polymedica Corporation (3368); National Diabetic Medical Supply, LLC (0748); Liberty Lane Development Company, Inc. (1974); Liberty Healthcare Group, Inc. (6555) (“**LHG**”); Liberty Medical Supply, Inc. (3983) (“**LMS**”); Liberty Healthcare Pharmacy of Nevada (9809); Liberty Lane Condominium Association, Inc. (7018); and Liberty Marketplace, Inc. (8500). The Debtors’ business address is 8881 Liberty Lane, Port St. Lucie, FL 34952.

On December 3, 2012, the senior management team at Liberty, which included Frank Harvey, Tim Tidd, Arlene Rodriguez, Robert Mark, and Sam Silek (the “**Liberty Management Team**”) acquired the Liberty business (the “**MBO Transaction**”) from Medco Health Solutions, Inc (“**Medco**”), a subsidiary of Express Scripts, Inc. (“**ESI**”).

ESI had acquired the Liberty business in April 2012 when Medco, Liberty’s parent at the time, was acquired by ESI. In furtherance of the MBO Transaction, certain of the Debtors entered into a transition services agreement (“**TSA**”). The TSA provided the Debtors very limited transitional accounting and finance services from Medco for a period of just one month. Since the MBO Transaction, the Liberty Management Team and its advisors have been working to establish an accounting and financial reporting systems and an opening balance sheet for December 3, 2012. Financial Statements by legal entity are still in progress and will not be completed by the time Bankruptcy Materials are required to be filed. As a result, the Debtors may be required to revise certain of the Bankruptcy Materials upon completion of non-consolidated financial statements for each one of the Debtors. Furthermore, as a result of the MBO Transaction, the Debtors do not have access to all the transactional data required for the SOFA. The Debtors are attempting to obtain the necessary information from their former parent and will amend and update the Bankruptcy Materials once it is obtained.

Basis of Presentation. The financial statements have not been audited since the MBO Transaction. Grant Thornton LLP will be providing an audit opinion on the opening balance sheet as well as the year-end financial statements. The Bankruptcy Materials reflect the unconsolidated assets and liabilities of each individual Debtor to the extent distinguishable. Since all of the sales activity is booked in LMS, unless assets, liabilities and disbursements are specifically identified as being attributed to another legal entity, such entries are reported on the SOFAs and Schedules for LMS. The Bankruptcy Materials do not purport to represent financial statements prepared in accordance with U.S. Generally Accepted Accounting Principles (“**GAAP**”).

Causes of Action. The Debtors, despite their efforts, may not have listed all of their causes of action against third parties as assets in the Bankruptcy Materials. The Debtors reserve all of their rights with respect to any causes of action they may have, and neither these Global Notes nor the Bankruptcy Materials shall be deemed a waiver of any such causes of action.

Claims Description. Any failure to designate a claim on the Debtors’ Bankruptcy Materials as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtors that such amount is not “disputed,” “contingent,” or “unliquidated.” The Debtors reserve the right to dispute any claim reflected on their Bankruptcy Materials on any grounds, including but not limited to, amount, liability or classification, or to otherwise subsequently amend the Bankruptcy Materials or to designate such claims as “disputed,” “contingent,” or “unliquidated.”

Claims Paid Pursuant to Court Orders. The United States Bankruptcy Court for the District of Delaware (the “**Court**”) authorized the Debtors to pay discrete prepetition claims, including but not limited to, insurance payments, certain taxes, employee related claims, customer claims, including patient and payor refunds, and critical vendor claims. Consequently, certain prepetition fixed, liquidated and undisputed unsecured claims have been paid following the Petition Date. Accordingly, only claims against the Debtors for prepetition amounts that have not been paid as of the time the Bankruptcy Materials were prepared have been included in the Bankruptcy Materials.

Confidentiality. In a limited number of instances names of individual and corporate creditors or other parties have been redacted and an alias listed (e.g. employee1, patient1, etc). Due to the confidential nature of certain amounts owing to certain individuals or the nature of the confidential business transaction with the Debtors, the Debtors have deemed it appropriate and necessary to avoid listing such names.

Dates. Unless otherwise indicated, all asset and liability information is listed as of February 15, 2013 (the “**Petition Date**”).

Excluded Assets and Liabilities. The Debtors have excluded certain categories of assets and liabilities from the Bankruptcy Materials including goodwill and deferred tax assets and liabilities.

General Reservation of Rights. The Debtors specifically reserve the right to amend, modify, supply, correct, change or alter any part of their Schedules and SOFAs as and to the extent necessary as they deem appropriate.

Insiders. In the circumstance where the Bankruptcy Materials require information regarding insiders and/or officers and directors, the Debtors have attempted to include therein each of the Debtors’ (a) directors and (b) employees that may be, or may have been during the relevant period, “officers,” as such term is defined by applicable law. The listing of a party as an insider is not intended to be, nor should it be, construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Employees have been included in this disclosure for informational purposes only and should not be deemed to be “insiders” in terms of control of the Debtors, management responsibilities or functions, decision-making or corporate authority and/or as otherwise defined by applicable law, including without limitation, federal securities laws, or with respect to any theories of liability or for any other purpose. For confidentiality, the salaries’ of the officers and directors are not disclosed.

Leases. In the ordinary course of business, the Debtors may lease certain fixtures and equipment from certain third party lessors for use in the daily operation of their businesses. The underlying lease agreements are listed on Schedule G and any current amount due under such leases that were outstanding as of the Petition Date are listed on Schedule F. Nothing in the Schedules and Statements is or shall be construed as an admission as to the determination of the legal status of any lease (including whether any

lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect to such issues.

Litigation. Certain litigation reflected as claims against one of the Liberty entities may relate to any of the other Debtors. The Debtors have made reasonable efforts to accurately record these actions in the Bankruptcy Materials of the Debtors that are the party to the action.

Specific Notes. These Global Notes are in addition to the specific notes set forth below and in the individual Bankruptcy Materials. Disclosure of information in one Schedule, SOFA, exhibit, or continuation sheet even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, SOFA, exhibit or continuation sheet.

Totals. All totals that are included in the Bankruptcy Materials represent totals of all the known amounts included in the schedules.

Trade Accounts Receivable and Accounts Payable. Trade Accounts Receivable are presented net of: (1) allowance for doubtful accounts, (2) allowance for sales returns and (3) unposted cash. Accounts Receivable are presented without consideration for any liabilities related to mutual counterparty accounts payable, open or terminated contract liabilities, liquidated damages, setoff rights or collateral held by the Debtors, unless otherwise stated. Likewise, Accounts Payable do not include provisions for open or terminated contracts, liquidated damages, setoff rights or collateral that has been posed on behalf of the counterparty.

Valuation. It would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets for the Debtors to obtain current market valuations of all of their assets. Accordingly, unless otherwise indicated, net book values as of the Petition Date are reflected on the Bankruptcy Materials. Since the Debtors are in the process of establishing an opening balance sheet, some valuations of assets have recently been completed as of December 3, 2012 and net book values have been rolled forward to February 15, 2013. Amounts ultimately realized will vary from net book value, and such variance may be material. In addition, the amounts shown for total liabilities exclude items identified as “unknown” or “undetermined” therefore, ultimate liabilities may differ materially from those stated in the Bankruptcy Materials.

### **Notes to the Schedules of Assets and Liabilities**

Schedule A: Real Property. The value of the land and buildings included on Schedule A are reflected preliminary the Net book value at February 15, 2013, which is based on appraisals prepared as of December 3, 2012. The appraisals are still in progress and have not yet been finalized therefore amounts included on Schedule A are preliminary and subject to change. Appraisals for certain parcels of land have not yet been received, which has been noted on the applicable Schedule.

Schedule B.2: Checking, Savings and Other Financial Accounts. Bank account balances included on B.2 are reflective of the opening book balances as at February 15, 2013, which may differ slightly from the bank balances due to common reconciling items. The bank accounts have been listed on Schedule B.2 of the Debtor whose name is actually listed on the bank account. In some instances, the payments made from, and the book balances related to, a particular bank account are reflected on the books of a Debtor other than the one whose actual name is listed on the bank account.

Schedule B.9: Interests in Insurance Policies. A determination as to the surrender or refund value of each of the insurance policies has not been made and therefore the balance is listed as undetermined.

Schedule B.22: Licenses, Franchises, and Other General Intangibles. The items listed by Liberty in Schedule B.22 are either not carried as individual assets in the Debtors' books and records or have been fully depreciated, therefore, the Debtors have not estimated their value.

Schedule B.24: Customer Lists. The Debtors have compiled certain patient lists and related patient information. This information is confidential and therefore has not been included on Schedule B; the omission of such information should not be deemed a conclusion that such information has no value or does not exist.

Schedule D: Creditors Holding Secured Claims. The Debtors reserve the right to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtors. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor's claim. In certain instances, a Debtor may be a co-obligor, co-mortgagor or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Except as specifically stated herein, real property lessors, utility companies and other parties which may hold security deposits have not been listed on Schedule D. Certain of the Debtors' agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financing agreements. No attempt has been made to identify such agreements for purposes of Schedule D.

Subsequent to the filing, the Debtors reached a settlement agreement with Alere Inc., the holder of a \$40 million secured promissory note ("**Alere Note**"). As a result, on April 26, 2013, the Alere Note was satisfied in full and there is no longer a balance outstanding.

However, the balance continues to be listed on Schedule D since it was outstanding at the date of filing.

Schedule E: Creditors Holding Unsecured Priority Claims. While commercially reasonable efforts have been made, determining the date upon which each claim in Schedule E was incurred or arose would be unduly burdensome and cost prohibitive, and therefore, the Debtors do not list a date for each claim listed on Schedule E.

Claims for prepetition taxes are noted as disputed since pursuant to the Medco purchase agreement, the Seller was responsible for all tax obligation accruing prior to December 3, 2012. The Debtors do not necessarily dispute the amount of the tax owing but dispute the responsibility for the obligation.

The Debtors reserve the right to assert that any claim listed on Schedule E does not constitute an unsecured priority claim under 11 U.S.C. § 507.

Schedule F: Creditors Holding Unsecured Non-Priority Claims. Schedule F does not include certain deferred charges, deferred liabilities or general reserves. Such amounts are general estimates of liabilities and do not represent specific claims as of the Petition Date; however, they may be reflected on the Debtors' books and records as required in accordance with GAAP.

The claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. While reasonable efforts have been made to determine the date upon which each claim in Schedule F was incurred or arose, making all such determinations would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed on Schedule F.

In addition, certain claims listed on Schedule F may be entitled to priority under 11 U.S.C. § 503(b)(9). The Debtors have made their best efforts to include all trade creditors on Schedule F; however, the Debtors believe there are instances where vendors have yet to provide proper invoices for prepetition goods or services.

In certain instances, the Debtor that is the subject of the litigation is unclear or underdetermined. However to the extent that litigation involving a particular Debtor has been identified, such information is contained in the Schedule for the Debtor.

In the ordinary course, the Debtors routinely make payments to patients and payors for refunds rebating to overpayments or coverage eligibility. The Debtors received authorization from the Court to continue this practice. As a result, these claims have been marked as contingent since it is the Debtors' intention to re-issue payment for many of these claims in the coming weeks. At the time of filing there were approximately 12,000 outstanding refund checks many of which were quite old and many of which had been issued by Medco or ESI. As of the time the Bankruptcy Materials were prepared the Patients and Payor refunds continue to be reconciled and have not all been reissued. To

the extent balances are known and payment has not yet been issued, the amount owing is listed on Schedule F. There are numerous claims with de minimis amounts owing and as such, any refund balance under \$2.00 has not been included. Since some of the outstanding checks were dated and issued by a former parents of the Debtors, the Debtors do not necessarily have the name and address for all parties owed refunds. As part of the reconciliation effort the Debtors are working to obtain the missing information. Therefore, the amounts without contact info have been listed as "Patient or Payor Refund Claims with no names or addresses".

Intercompany balances owing between the Debtors have not been included in Schedule F as the balances are not know at this time due to the lack of an accounting system.

Schedule G: Executory Contracts. While commercially reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions or over-inclusions may have occurred. The Debtors reserve all of their rights to dispute the validity, status or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement such Schedule as necessary.

The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements which may not be listed therein.

In the ordinary course of business, the Debtors have entered into numerous agreements, both written and oral, regarding the provision of certain services on a month-to-month basis, including electricity, gas, water and telephone. The Debtors do not believe that such contracts constitute executory contracts and therefore, such agreements are not listed individually on Schedule G. Nevertheless, the Debtors reserve the right to assert that such agreements constitute executory contracts.

In some cases, the same supplier or provider may have multiple agreements listed in Schedule G. These agreements represent distinct agreements between the applicable Debtor and such supplier or provider, and will be listed as multiple contracts under the same counterparty.

Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. In addition, the applicable Debtor may have entered into various other types of agreements in the ordinary course of their business, such as easements, right of way, subordination, nondisturbance and attornment agreements, supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents are also not set forth on Schedule G.

In addition, certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The Debtors reserve all of their rights to dispute or challenge the characterization of the structure of any transaction, or any document or instrument (including, without limitation, any intercompany agreement) related to a creditor's claims. Finally certain of the executory agreements may not have been memorialized and could be subject to dispute.

Listing a contract or agreement on this schedule does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. Any and all of the Debtors' rights, claims, and causes of action with respect to the contracts and agreements listed on this schedule are hereby reserved and preserved. Similarly, the listing of a contract or lease on this schedule does not constitute admission that such document is not a secured financing.

### **Notes to Statement of Financial Affairs**

SOFA 1: Income from Operations of Business. The adjusted gross revenue represents gross revenue less contractual liabilities. December 2012 through February 15, 2013 represents a preliminary estimate of income.

SOFA 3b: Payments to Creditors. The Debtors have not been able to obtain a complete set of disbursement journals prior to December 3, 2012 because ESI and Medco were making payments through their respective shared services treasury functions. Where available, the details have been provided. Should the Debtors obtain additional disbursement detail, they will file supplemental schedules.

As discussed above, the Debtors are in the process of establishing a new accounting system and determining the accounting treatment of certain transactions. Since the transactional activity is not currently being booked to a specific legal entity, the majority of all disbursements have been assumed to be made from LMS, the main operating company.

Between December 3, 2012 and January 9, 2013, pursuant to the TSA, ESI continued to make disbursements on behalf of Liberty for which Liberty later reimbursed ESI. The amount listed on 3b includes the amount paid to the ultimate beneficiary. These disbursements have been identified in 3b.

The disbursements listed in 3b do not include interbank transfers made between the Debtors' bank accounts.

SOFA 9: Payments Related to Debt Counseling or Bankruptcy. All payments relating to bankruptcy professionals have been made by ATLS on behalf of all of the Debtors.

SOFA 10a: Other Transfers. Pursuant to the Purchase Agreement between FGST and Medco, the Debtors agreed to transfer certain assets held in the name of the Debtors to Medco on December 3, 2012. These assets have been detailed on SOFA 10a.

SOFA 13: Setoffs. In the normal course of business Medicare and some other commercial payors will offset amounts owing to the Debtors against amounts owing from the Debtors to Medicare. Since it would be overly burdensome to list all of these transactions, these amounts have not been included in SOFA 13.

In addition, certain inventory vendors have advised the Debtors of their intention to seek authority to set off prepetition rebates owing to the Debtors against prepetition claims. In case where the Debtors have been advised of such intent it is noted on Schedule F. The Debtors acknowledge there may be further manufacturers who intend to set off but have not yet disclosed their intent to do so. The prepetition rebate receivables have been include in the accounts receivables have been include in the accounts receivable section on Schedule B16

SOFA 18: Nature, location and name of business. The dates listed as beginning and ending dates of the business refer to the formation dates of the entity which may be different than the dates in which the Debtors became owners of the subsidiaries listed therein.

SOFA 19a: Bookkeepers. The list of accounting staff includes Liberty accounting personnel but does not include Medco/ESI accounting staff which were also responsible for the books and records of Liberty as those names are not readily available.

SOFA 19b: Auditor. Prior to the MBO, Liberty did not receive a standalone audit opinion on its consolidated financial statements. The consolidated financial statements of both ESI and Medco were previously audited by PricewaterhouseCoopers, LLP (“PWC”). Since there was no standalone audit opinion on Liberty financial statements, PWC has not been included on SOFA 19b.

SOFA 19d: Financial Statement Issuance. Prior to the MBO, ESI and Medco may have provided copies of Liberty’s financial statements to third parties. Liberty does not have a list of those parties and therefore they have not been included on SOFA 19d.

**SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS**

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding unsecured claims to report on this Schedule F.
