**GLOBAL NOTES, METHODOLOGY AND SPECIFIC
DISCLOSURES REGARDING LIGHTSQUARED’S SCHEDULES OF
ASSETS AND LIABILITIES**

Introduction

LightSquared Inc. and certain of its affiliates, as debtors and debtors in possession (each a “Debtor” and, collectively, “LightSquared” or the “Debtors”) in the above-captioned chapter 11 cases (the “Chapter 11 Cases”), with the assistance of their advisors, have filed their respective Schedules of Assets and Liabilities (the “Schedules”) with the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”), pursuant to section 521 of title 11 of the United States Code , 11 U.S.C. §§ 105-1532 (as amended, the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

Marc R. Montagner, has signed each of the Schedules. Mr. Montagner is the Chief Financial Officer and Interim Co-Chief Operating Officer of LightSquared Inc. and an authorized signatory for each of the Debtors. In reviewing and signing the Schedules, Mr. Montagner has relied upon the efforts, statements and representations of various personnel employed by LightSquared and its advisors. Mr. Montagner has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules, including statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

¹ The debtors in these chapter 11 cases, along with the last four digits of each debtor’s federal or foreign tax or registration identification number, are: LightSquared Inc. These Global Notes, Methodology and Specific Disclosures Regarding LightSquared's Schedules of Assets and Liabilities (the "Global Notes") pertain to, are incorporated by reference in, and comprise an integral part of all of LightSquared's Schedules. The Global Notes should be referred to and reviewed in connection with any review of the Schedules.

The Schedules do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to be fully reconciled with the financial statements of each Debtor. Additionally, the Schedules contain unaudited information that is subject to further review and potential adjustment, and reflect LightSquared's reasonable best efforts to report the assets and liabilities of each Debtor on an unconsolidated basis.

In preparing the Schedules, unless otherwise indicated, LightSquared relied upon financial data derived from its books and records that was available at the time of such preparation. Although LightSquared has made reasonable efforts to ensure the accuracy and completeness of such financial information, inadvertent errors or omissions, as well as the discovery of conflicting, revised or subsequent information, may cause a material change to the Schedules. Accordingly, LightSquared reserves all of its rights to amend, supplement, or otherwise modify the Schedules as is deemed necessary and appropriate. Notwithstanding the foregoing, LightSquared shall not be required to update the Schedules.

Global Notes and Overview of Methodology

1. **Reservation of Rights.** Nothing contained in the Schedules shall constitute a waiver of LightSquared's rights or an admission with respect to the Chapter 11 Cases, including any issues involving substantive consolidation, equitable subordination, defenses, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and/or any other relevant non-bankruptcy laws.
2. **Description of Cases.** On May 14, 2012 (the "Petition Date"), LightSquared filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. LightSquared is operating its businesses and managing its properties as debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

On May 15, 2012, the Bankruptcy Court entered an order directing procedural consolidation and joint administration of the Chapter 11 Cases [Docket No. 33]. On May 16, 2012, the Bankruptcy Court entered an order authorizing LightSquared LP to act as the Foreign Representative on behalf of LightSquared's estates in any judicial or other proceedings in a foreign country, including in those proceedings commenced in Canada.

3. **Net Book Value of Assets.** Unless otherwise indicated, LightSquared's Schedules reflect net book values as of May 13, 2012. Additionally, because the book values of assets such as patents, trademarks, and copyrights may materially differ from their fair market values, they are listed as undetermined amounts as of the Petition Date. Furthermore, assets that have fully depreciated do not appear in these Schedules as they have no net book value.

4. **Recharacterization.** Notwithstanding LightSquared's reasonable best efforts to properly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules, LightSquared may nevertheless have improperly characterized, classified, categorized, designated, or omitted certain items. Accordingly, LightSquared reserves all of its rights to recharacterize, reclassify, recategorize, redesignate, add, or delete items reported in the Schedules at a later time as is necessary and appropriate, as additional information becomes available, including whether contracts listed herein were deemed executory as of the Petition Date and remain executory postpetition.

5. **Liabilities.** LightSquared allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, LightSquared reserves all of its rights to amend, supplement, or otherwise modify the Schedules as is deemed necessary and appropriate.

The liabilities listed on the Schedules do not reflect any analysis of claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, LightSquared reserves all of its rights to dispute or challenge the validity of any asserted claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's claim.

6. **Insiders.** Solely, for purposes of the Schedules, LightSquared defines "insiders" to include the following : officers appointed by the Board of Directors, directors, and any owner of five (5) percent or more of the voting or equity securities of a corporate debtor and their relatives; affiliates of the debtor and insiders of such affiliates; any managing agent of the debtor.

Persons listed as "insiders" have been included for informational purposes only. LightSquared does not take any position with respect to: (a) such person's influence over the control of LightSquared; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including the federal securities laws, or with respect to any theories of liability or for any other purpose.

7. **Intellectual Property Rights.** Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.

In addition, although LightSquared has made diligent efforts to attribute intellectual property to the rightful Debtor entity, in certain instances, intellectual property owned by

one Debtor may, in fact, be owned by another. Accordingly, LightSquared reserves all of its rights with respect to the legal status of any and all such intellectual property rights.

8. **Executory Contracts**. Although LightSquared made diligent attempts to attribute an executory contract to its rightful Debtor, in certain instances, LightSquared may have inadvertently failed to do so. Accordingly, LightSquared reserves all of its rights with respect to the named parties of any and all executory contracts, including the right to amend Schedule G.
9. **Classifications**. Listing a claim on (a) Schedule D as “secured,” (b) Schedule E as “priority,” (c) Schedule F as “unsecured,” or (d) listing a contract on Schedule G as “executory” or “unexpired,” does not constitute an admission by LightSquared of the legal rights of the claimant or a waiver of LightSquared’s rights to recharacterize or reclassify such claims or contracts or to setoff of such claims.
10. **Claims Description**. Schedules D, E, and F permit each of the Debtors to designate a claim as “disputed,” “contingent,” and/or “unliquidated.” Any failure to designate a claim on a given Debtor’s Schedules as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by that Debtor that such amount is not “disputed,” “contingent,” or “unliquidated,” or that such claim is not subject to objection. LightSquared reserves all of its rights to dispute, or assert offsets or defenses to, any claim reflected on their respective Schedules on any grounds, including liability or classification. Additionally, LightSquared expressly reserves all of its rights to subsequently designate such claims as “disputed,” “contingent,” or “unliquidated.” Moreover, listing a claim does not constitute an admission of liability by LightSquared.
11. **Causes of Action**. Despite reasonable efforts, LightSquared may not have identified and/or set forth all of its (filed or potential) causes of action against third parties as assets in their Schedules. LightSquared reserves all of its rights with respect to any causes of action against third parties and nothing in the Global Notes or the Schedules shall be deemed a waiver of any such causes of action.
12. **Summary of Significant Reporting Policies**. The following is a summary of significant reporting policies:
 - a. **Undetermined Amounts**. The description of an amount as “unknown,” “TBD” or “undetermined” is not intended to reflect upon the materiality of such amount.
 - b. **Totals**. All totals that are included in the Schedules represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
 - c. **Paid Claims**. LightSquared has authority to pay certain outstanding prepetition liabilities pursuant to various orders entered by the Bankruptcy Court. Accordingly, certain outstanding liabilities may have been reduced by

postpetition payments made on account of prepetition liabilities. To the extent LightSquared pays any of the claims listed in the Schedules pursuant to any orders entered by the Bankruptcy Court, LightSquared reserves all of its rights to amend or supplement the Schedules or take other action as is deemed necessary and appropriate to avoid over-payment of or duplicate payments for any such liabilities.

- d. Excluded Assets and Liabilities. LightSquared has excluded certain accrued liabilities, including certain accrued employee benefits and tax accruals from the Schedules.
 - e. Liens. Property and equipment listed in the Schedules are presented without consideration of any liens that may attach (or have attached) to such property or equipment.
13. Currency. Unless otherwise indicated, all amounts are reflected in U.S. dollars. Month end spot rates are used for all foreign currency conversions unless otherwise indicated in the Global Notes. The Debtors reserve the right to readjust any conversion rate to reflect the appropriate conversion rate as of the Petition Date.
14. Setoffs. LightSquared incurs certain offsets and other similar rights during the ordinary course of business. Offsets in the ordinary course can result from various items, including, without limitation, intercompany transactions, pricing discrepancies, returns, warranties, and other disputes between LightSquared and its suppliers. These offsets and other similar rights are consistent with the ordinary course of business in LightSquared's industry and are not tracked separately. Therefore, although such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules, offsets are not independently accounted for, and as such, are excluded from LightSquared's Schedules.
15. Global Notes Control. In the event that the Schedules differ from the foregoing Global Notes, the Global Notes shall control.

Specific Disclosures with Respect to the Debtors' Schedules

Schedule B. Certain of LightSquared's assets, such as Spectrum, Satellites, and Satellite Networks, are individually owned by LightSquared LP or one of its Debtor subsidiaries and utilized by one or more of the Debtors. Prior to the commencement of the Chapter 11 Cases, LightSquared's financial reporting generally treated such assets on a consolidated basis on the books and records of LightSquared LP. Accordingly, based on historical practices, LightSquared's Schedules reflect the following: (i) the net book value of the foregoing assets is reported on a consolidated basis on LightSquared LP's Schedule B Personal Property Assets and (ii) the ownership of each such asset is listed, as applicable, on the relevant Debtor's Schedule B Personal Property Assets with an undetermined value.

Schedule B2. As described in the Debtors' Motion for Entry of Interim and Final Orders (A) Authorizing Debtors to (I) Continue Using Existing Cash Management Systems, Bank Accounts and Business Forms, and (II) Continue Intercompany Transactions, (B) Providing Postpetition Intercompany Claims Administrative Expense Priority, (C) Authorizing Debtors' Banks To Honor All Related Payment Requests and (D) Waiving Investment Guidelines of Section 345(b) of Bankruptcy Code [Docket No. 7], LightSquared maintains certain Investment Accounts which are comprised of various investment instruments. These accounts may, either directly or indirectly, include Government or Corporate Bonds and other related securities.

Schedule B4. Unless indicated otherwise in a Debtor's specific response to Schedule B4, LightSquared has included a comprehensive response to Schedule B4 in Schedules B28 and B29.

Schedules B13 and B14. Ownership interests in subsidiaries, partnerships, and joint ventures have been listed in Schedules B13 and B14 as an undetermined amount on account of the fact that the fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from their net book value.

Schedule B16. LightSquared has disclosed the net book value with respect to accounts receivable listed on Schedule B16, which represents the amount of the accounts receivable netted by any "bad debt accounts." For purposes of Schedule B16, "bad debt accounts" are those accounts that LightSquared has identified as unlikely to be paid given the amount of time such accounts have been outstanding.

Schedule B21. In the ordinary course of its businesses, LightSquared may have accrued, or may subsequently accrue, certain rights to counterclaims, setoffs, refunds with its customers and suppliers, or potential warranty claims against its suppliers. Additionally, certain of the Debtors may be a party to pending litigation in which the Debtors have asserted, or may assert, claims as a plaintiff or counter-claims as a defendant. To the extent such claims are known, they are listed in Schedule B21, however, any such claims that are unknown to LightSquared or not quantifiable as of the Petition Date are not listed on Schedule B21.

Schedules B28 and B29. For purposes of Schedules B28 and B29, the value of certain assets may be included in a fixed asset group or certain assets with a net book value of zero may not be set forth on Schedule B28 or B29.

Schedule D. The claims listed on Schedule D arose or were incurred on various dates. A determination of the date upon which each claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, not all such dates are included for each claim. All claims listed on Schedule D, however, appear to have arisen or been incurred before the Petition Date.

UCC lien search results presented in Schedule D are as of March 7, 2012 and may not reflect subsequent terminations or subsequent filings.

Except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, LightSquared reserves its rights to dispute or challenge the validity, perfection, or immunity

from avoidance of any lien purported to be granted or perfected in any specific asset of a secured creditor listed on Schedule D of any Debtor. Moreover, although LightSquared has scheduled claims of various creditors as secured claims, LightSquared reserves all of its rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. The descriptions provided in Schedule D are solely intended to be a summary – and not an admission – of liability.

Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of liens. Nothing in the Global Notes or the Schedules shall be deemed a modification or interpretation of the terms of such agreements. Except as specifically stated herein, real property lessors, utility companies, and other parties that may hold security deposits or retainers have not been listed on Schedule D. LightSquared reserves all of its rights to amend Schedule D to the extent that LightSquared determines that any claims associated with such agreements should be reported on Schedule D. Nothing herein shall be construed as an admission by LightSquared of the legal rights of the claimant or a waiver of LightSquared's rights to recharacterize or reclassify such claim or contract.

Moreover, LightSquared has not included on Schedule D parties that may believe their claims are secured through setoff rights or inchoate statutory lien rights. Although there are multiple parties that hold a portion of the debt included in LightSquared's prepetition secured credit facilities, only the administrative agents have been listed for purposes of Schedule D. The amounts outstanding under LightSquared's prepetition secured credit facilities reflect approximate amounts as of the Petition Date.

Schedule F. LightSquared has used best reasonable efforts to report all general unsecured claims against LightSquared on Schedule F based upon LightSquared's existing books and records as of the Petition Date. The claims of individual creditors for, among other things, products, goods, or services are listed as either the lower of the amounts invoiced by such creditor or the amounts entered on LightSquared's books and records and may not reflect credits or allowances due from such creditors to the applicable Debtor. LightSquared reserves all of its rights with respect to any such credits and allowances including the right to assert objections and/or setoffs with respect to same. Schedule F does not include certain deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are, however, reflected on LightSquared's books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date. LightSquared has made every effort to include as contingent, unliquidated, or disputed the claim of any vendor not included on LightSquared's open accounts payable that is associated with an account that has an accrual or receipt not invoiced.

Schedule F includes potential or threatened legal disputes that are not formally recognized by an administrative, judicial, or other adjudicative forum due to certain procedural conditions that counterparties have yet to satisfy. Any information contained in Schedule F with respect to such potential litigation shall not be a binding representation of the LightSquared's liabilities with respect to any of the potential suits and proceedings included therein.

Schedule F reflects unsecured claims that a Debtor may have against another Debtor on account of intercompany receivables and payables, as well as certain guarantee obligations and other miscellaneous obligations.

To the extent they are known, Schedule F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. Additionally, Schedule F does not include potential rejection damage claims, if any, of the counterparties to executory contracts and unexpired leases that may be rejected.

Prepetition trade payables invoiced in foreign currency included on Schedule F have been converted to U.S. dollars using average monthly exchange rates for the relevant currency. The Debtors reserve the right to readjust any conversion rate to reflect the appropriate conversion rate as of the Petition Date.

Schedule G. LightSquared's businesses are complex. Although LightSquared's existing books, records, and financial systems have been relied upon to identify and schedule executory contracts at each of the Debtors and diligent efforts have been made to ensure the accuracy of each Debtor's Schedule G, inadvertent errors, omissions, or over-inclusion may have occurred. Certain information, such as the contact information of the counter-party, may not be included where such information could not be obtained using LightSquared's reasonable efforts. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease or that such contract or agreement was in effect on the Petition Date or is valid or enforceable. LightSquared hereby reserves all of its rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth on Schedule G and to amend or supplement Schedule G as is deemed necessary and appropriate. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G.

Certain confidentiality agreements may not be listed on Schedule G. LightSquared reserves all of its rights with respect to such agreements.

Certain of the contracts and agreements listed on Schedule G may consist of several parts, including, purchase orders, amendments, restatements, waivers, letters, and other documents that may not be listed on Schedule G or that may be listed as a single entry. LightSquared expressly reserves its rights to challenge whether such related materials constitute an executory contract, a single contract or agreement or multiple, severable, or separate contracts.

The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments and agreements that may not be listed therein despite LightSquared's use of reasonable efforts to identify such documents. In some cases, the same counterparty appears multiple times on

Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider.

LightSquared reserves all of its rights, claims, and causes of action with respect to the contracts on Schedule G, including the right to dispute or challenge the characterization of the structure of any transaction or any document or instrument related to a creditor's claim.

In addition, LightSquared may have entered into various other types of agreements in the ordinary course of their businesses, such as subordination, nondisturbance and attornment agreements, supplemental agreements, amendments/letter agreements, title agreements, and confidentiality agreements. Such documents may not be set forth on Schedule G. Further, LightSquared reserves all of its rights to alter or amend these Schedules to the extent that additional information regarding the Debtor obligor to such executory contracts becomes available. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature have not been included on Schedule G.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. LightSquared's rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission.

The listing of any contract on Schedule G does not constitute an admission by LightSquared as to the validity of any such contract or that such contract is an executory contract or unexpired lease. LightSquared reserves all of its rights to dispute the effectiveness of any such contract listed on Schedule G or to amend Schedule G at any time to remove any contract.

Pursuant to International Traffic in Arms Regulations, LightSquared is party to Technical Assistance Agreements which allow LightSquared to share certain information with foreign persons or entities. These Technical Assistance Agreements have not been included on Schedule G.

Schedule H. For purposes of Schedule H, the Debtors that are either the principal obligors or guarantors under the prepetition secured credit facilities are listed as Co-Debtors on Schedule H. LightSquared may not have identified certain guarantees associated with LightSquared's executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements. LightSquared reserves all of its rights to amend the Schedules to the extent that additional guarantees are identified or such guarantees are discovered to have expired or be unenforceable.

Although there are multiple lenders under LightSquared's prepetition secured credit facilities, only the administrative agents have been listed for purposes of Schedule H.

In the ordinary course of their businesses, LightSquared may be involved in pending or threatened litigation. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties.

Because all such claims are contingent, disputed, or unliquidated, such claims have not been set forth individually on Schedule H. Litigation matters can be found on each Debtor's Schedule F and Statement of Financial Affairs Question 4a, as applicable.
