² These affiliated policies are the local insurance policies related to the general corporate insurance policies set forth above. The premiums and fees of some of these affiliated policies is invoiced at the local level, although the Debtors may ultimately be responsible for the payment of the premium and fee to the extent to paid at the local level. This arrangement allows the Debtors to maximize value of their non-debtor affiliates, which value benefits the Debtors' estates.

³ The annualized cost includes all taxes, and premiums and fees where a portion of the premiums and fees are invoiced locally.
