SEPTEMBER 1, 2012 – SEPTEMBER, 30 2012**

The information and data included in this September 2012 Post-Effective Operating Report (the "Operating Report") are derived from sources available to Lehman Brothers Holdings Inc. ("LBHI"), as Plan Administrator, and its Controlled Entities (collectively, the "Company"). The term "Controlled Entities" refers to those entities that are directly or indirectly controlled by LBHI, and excludes, among others, those entities that are under separate administrations in the United States or abroad and excludes Aurora Bank FSB, which is indirectly controlled by LBHI. LBHI and certain of its Controlled Entities had filed for protection under Chapter 11 of the Bankruptcy Code, and those entities are referred to herein as the "Debtors". The Debtors' Chapter 11 cases have been consolidated for procedural purposes only and are being jointly administered pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure. LBHI has prepared this Operating Report, which includes certain information as required by the Office of the US Trustee, based on the information available to LBHI at this time, but note that such information may be incomplete and may be materially deficient in certain respects. This Operating Report is not meant to be relied upon as a complete description of the Debtors, their business, condition (financial or otherwise), results of operations, prospects, assets or liabilities. LBHI reserves all rights to revise this report.

1. This Operating Report is not prepared in accordance with U.S. generally accepted accounting principles (GAAP), is not audited and will not be subject to audit or review by the Company's external auditors at any time in the future. Cash balances and activity denominated in foreign currencies have been converted to US Dollars.
2. Beginning and ending balances include cash in demand-deposit accounts (DDA), money-market funds (MMF), treasury bills and other investments.
