Schedule 1 – Plan Sponsors

INTRODUCTION

The Plan Sponsors, certain holders of Prepetition LP Facility Claims who are members of the Ad Hoc LP Secured Group, hereby propose the following joint chapter 11 plan for the resolution of the Claims against and Equity Interests in LightSquared LP, ATC Technologies, LLC, LightSquared Corp., LightSquared Inc. of Virginia, LightSquared Subsidiary LLC, LightSquared Finance Co., LightSquared Network LLC, LightSquared Bermuda Ltd., SkyTerra Holdings (Canada) Inc., and SkyTerra (Canada) Inc., certain of the debtors and debtors in possession in the above-captioned cases.

Reference is made to the Disclosure Statement, including the exhibits, schedules and supplements thereto, for a discussion of the Debtors' history, business, properties and operations, risk factors, a summary and analysis of this Plan, and certain related matters including, among other things, certain tax matters and the consideration to be issued and/or distributed under this Plan. Subject to certain restrictions and requirements set forth in section 1127 of the Bankruptcy Code, Bankruptcy Rule 3019, and Sections 13.20 and 13.21 of this Plan, the Plan Sponsors reserve the right to alter, amend, modify, revoke or withdraw this Plan prior to its substantial consummation.

The only Persons that are entitled to vote on this Plan are the holders of Prepetition LP Facility Claims, LP General Unsecured Claims, Existing LP Preferred Units Equity Interests and LP Common Equity Interests. Such Persons are encouraged to read in their entirety the Plan, the Disclosure Statement, their respective exhibits and schedules, and all other materials approved by the Bankruptcy Court in connection with solicitation of this Plan before voting to accept or reject the Plan.

ARTICLE I. **DEFINITIONS AND INTERPRETATION**

1.1. Definitions

The capitalized terms used herein shall have the respective meanings set forth in the Glossary of Defined Terms attached hereto as Exhibit "A" (such meanings to be equally applicable to both the singular and plural).

1.2. Interpretation; Application of Definitions and Rules of Construction

Unless otherwise specified, all section or exhibit references in this Plan are to the respective section in, or exhibit to, this Plan. The words "herein," "hereof," "hereto," "hereunder," and other words of similar import refer to this Plan as a whole and not to any particular section, subsection, or clause contained therein. Whenever from the context it is appropriate, each term, whether stated in the singular or the plural, will include both the singular and the plural. Any term that is not otherwise defined herein, but that is used in the Bankruptcy Code or the Bankruptcy Rules, shall have the meaning given to that term in the Bankruptcy Code or the Bankruptcy Rules, as applicable. Except for the rules of construction contained in section 102(5) of the Bankruptcy Code, which shall not apply, the rules of construction contained in section 102 of the Bankruptcy Code shall apply to the construction of the Plan. Any reference in this Plan to a contract, instrument, release, indenture, or other agreement or documents being in a

particular form or on particular terms and conditions means that such document shall be substantially in such form or substantially on such terms and conditions, and any reference in this Plan to an existing document or exhibit filed or to be filed means such document or exhibit as it may have been or may be amended, modified, or supplemented. Subject to the provisions of any contract, certificates or articles of incorporation, by-laws, instruments, releases, or other agreements or documents entered into in connection with this Plan, the rights and obligations arising under this Plan shall be governed by, and construed and enforced in accordance with, federal law, including the Bankruptcy Code and Bankruptcy Rules. The captions and headings in this Plan are for convenience of reference only and shall not limit or otherwise affect the provisions hereof. Any reference to an entity as a holder of a Claim or Equity Interest includes that entity's successors and assigns. In the event of any ambiguity or conflict between the Plan and the Disclosure Statement, the provisions of the Plan shall govern.

1.3. Appendices and Plan Documents

All exhibits, supplements, appendices, and schedules to the Plan are incorporated into the Plan by this reference and are a part of the Plan as if set forth in full herein. All Plan Documents shall be filed with the Bankruptcy Court as part of the Plan Supplement not less than five (5) calendar days prior to the Voting Deadline; provided, however, that any Plan Document that is or may be subject to confidentiality provisions or otherwise contain confidential or proprietary information may be filed in redacted form or under seal.

Holders of Claims and Equity Interests may obtain a copy of the Plan, once filed, at <https://www.kccllc.net/LightSquared> or by written request sent to the following address:

ARTICLE II. **RESOLUTION OF CERTAIN INTER-DEBTOR ISSUES**

2.1. Non-Consolidated Plan

Although for purposes of administrative convenience and efficiency the Plan has been filed as a joint Plan for each of the LP Debtors and consolidates classes of Claims against and Equity Interests in the LP Debtors, the Plan does not provide for the substantive consolidation of the LP Debtors. Such joint administration shall not affect any LP Debtor's status as a separate legal entity, change the organizational structure of the LP Debtors' business enterprise, constitute a change of control of any LP Debtor for any purpose, cause a merger or consolidation of any legal entities, nor cause the transfer of any assets and, except as otherwise provided by or permitted in the Plan, all LP Debtors shall continue to exist as separate legal entities. For the avoidance of doubt, the Plan must comply with section 1129 of the Bankruptcy Code for each LP Debtor, and votes with respect to the Plan will be tabulated on a non-consolidated basis by class and by Debtor for the purpose of determining whether the Plan satisfies section 1129 of the Bankruptcy Code with respect to each LP Debtor.

2.2. Intercompany Claims

Except as otherwise provided in the Plan, Administrative Claims and Intercompany Claims between and among the LP Debtors shall, solely for purposes of receiving Plan Distributions, be deemed resolved and therefore not entitled to any Plan Distribution and shall not be entitled to vote on the Plan.

2.3. Inc. Entity General Unsecured Claims

Any Allowed Inc. Entity General Unsecured Claim shall be classified as an LP General Unsecured Claim and receive the treatment set forth in Section 5.4 of this Plan, unless otherwise ordered by the Bankruptcy Court.

ARTICLE III. PROVISIONS FOR TREATMENT OF UNCLASSIFIED CLAIMS

3.1. Unclassified Claims

As provided by section 1123(a)(1) of the Bankruptcy Code, Administrative Claims, Fee Claims, U.S. Trustee Fees and Priority Tax Claims against the LP Debtors shall not be classified under the Plan, and shall instead be treated separately as unclassified Claims on the terms set forth in this Article III. Holders of such Claims are not entitled to vote on this Plan.

3.2. Treatment of Administrative Claims

(a) Time for Filing Administrative Claims

Each holder of an Administrative Claim, other than (i) a Fee Claim, (ii) a liability incurred and payable in the ordinary course of business by any LP Debtor (and not past due), (iii) an Administrative Claim that has become an Allowed Claim on or before the Effective Date, or (iv) any claim by the Stalking Horse Bidder for payment of the Break-Up Fee or Expense Reimbursement under the Bid Procedures Order or Stalking Horse Agreement must file with the Bankruptcy Court and serve on (a) the LP Debtors, (b) the Office of the U.S. Trustee, and (c) the Plan Sponsors notice of such Administrative Claim no later than thirty (30) days after service of the Notice of Effective Date. Such notice of Administrative Claim must include, at a minimum, (i) the name of the holder of the Administrative Claim, (ii) the amount of the Administrative Claim, and (iii) a detailed description of the basis for the Administrative Claim. **Failure to file and serve such notice timely and properly shall result in the Administrative Claim being forever barred and discharged.**

Notwithstanding the forgoing, the Plan Sponsors or the LP Debtors may request that the Bankruptcy Court establish one or more deadlines prior to the occurrence of Effective Date for the filing of Administrative Claims.

(b) Allowance of Administrative Claims

An Administrative Claim with respect to which notice has been properly filed and served pursuant to Section 3.2(a) of this Plan shall become an Allowed Administrative Claim if no

objection is filed within thirty (30) days after the later of (i) the Effective Date, (ii) the date of service of the applicable notice of Administrative Claim, or (iii) such later date as may be (a) agreed to by the holder of such Administrative Claim or (b) approved by the Bankruptcy Court on motion of a party in interest, without notice or a hearing. If an objection is filed within such thirty (30) day period (or any extension thereof) and is not otherwise resolved, the Administrative Claim shall become an Allowed Administrative Claim only to the extent allowed by Final Order. For the avoidance of doubt, any claim by the Stalking Horse Bidder for the Break-Up Fee or Expense Reimbursement shall be deemed an Allowed Administrative Expense Claim in accordance with the Bid Procedures Order, and the Stalking Horse Bidder shall not be required to file any notice of an Administrative Claim in accordance with Section 3.2(a) of this Plan or any other proof of claim or administrative expense in respect of any claim for the Break-Up Fee or Expense Reimbursement.

(c) Payment of Allowed Administrative Claims

On the Plan Distribution Date, each holder of an Allowed Administrative Claim shall receive, (i) the amount of such holder's Allowed Administrative Claim in one payment of Plan Consideration in the form of Cash (to the extent not previously paid by the LP Debtors or (ii) such other treatment as may be agreed upon in writing by (a) the LP Debtors, and (b) such holder; provided, that such treatment shall not provide a recovery to such holder having a present value as of the Effective Date in excess of such holder's Allowed Administrative Claim; provided, further, that an Administrative Claim representing a liability incurred in the ordinary course of business of any of the LP Debtors may be paid by the respective LP Debtor in the ordinary course of business; provided, further, that the Break-Up Fee and Expense Reimbursement shall be paid in accordance with the terms of the Stalking Horse Agreement and Bid Procedures Order; and provided, further, that any Allowed Administrative Claim accrued or incurred prior to the Effective Date, but not paid on or prior to the Effective Date, shall be paid from the reserve established pursuant to Section 9.5(b) of this Plan (and, to the extent that amounts deposited in the reserve established pursuant to Section 9.5(b) of this Plan are insufficient to pay such Allowed Administrative Claim, the LP Debtors may withdraw Cash from the Wind Down Reserve to pay such Allowed Administrative Claim).

(d) Ad Hoc LP Secured Group Fee Claims and Plan Sponsor Fee Claims

In the case of the Ad Hoc LP Secured Group Fee Claims and Plan Sponsor Fee Claims, such Ad Hoc LP Secured Group Fee Claims and Plan Sponsor Fee Claims will be paid in full in Plan Consideration in the form of Cash on the Effective Date for all reasonable fees and expenses incurred up to the Effective Date (to the extent not previously paid by the LP Debtors), subject to the LP Debtors' prior receipt of invoices and reasonable documentation in connection therewith and without the requirement to file a Fee Application with the Bankruptcy Court. In the event that the LP Debtors dispute all or a portion of the Ad Hoc LP Secured Group Fee Claims or Plan Sponsor Fee Claims, the LP Debtors shall pay the undisputed amount of such Ad Hoc LP Secured Group Fee Claims or Plan Sponsor Fee Claims (as applicable), and segregate the remaining portion of such Ad Hoc LP Secured Group Fee Claims or Plan Sponsor Fee Claims (as applicable) until such dispute is resolved by the parties or by the Bankruptcy Court.

3.3. Treatment of Fee Claims

(a) Time for Filing Fee Claims

Each Professional Person who holds or asserts a Fee Claim against the LP Debtors shall be required to file with the Bankruptcy Court, and serve on all parties required to receive notice, a final Fee Application no later than forty (40) days after the Effective Date or such other date as may be fixed by the Bankruptcy Code. **The failure to timely file and serve such final Fee Application shall result in the Fee Claim being forever barred and discharged.**

(b) Allowance of Fee Claims

A Fee Claim in respect of which a Fee Application has been properly filed and served pursuant to Section 3.3(a) of this Plan shall become an Allowed Fee Claim only to the extent allowed by Final Order.

(c) Treatment of Fee Claims

Each holder of an Allowed Fee Claim shall receive, in full satisfaction of such Allowed Fee Claim, (i) on the date such Fee Claim becomes an Allowed Fee Claim, or as soon thereafter as is practicable, Plan Consideration in the form of Cash in an amount equal to such Allowed Fee Claim (less any amounts previously paid on account of such Fee Claim by the LP Debtors) or (ii) such other treatment as may be agreed to by such holder of an Allowed Fee Claim; provided, that such treatment shall not provide a recovery to such holder having a present value as of the Effective Date in excess of such holder's Allowed Fee Claim; provided, further, that any Allowed Fee Claim accrued or incurred prior to the Effective Date, but not paid on or prior to the Effective Date, shall be paid from the reserve established pursuant to Section 9.5(b) of this Plan (and, to the extent that amounts deposited in the reserve established pursuant to Section 9.5(b) of this Plan are insufficient to pay such Allowed Fee Claim, the LP Debtors may withdraw Cash from the Wind Down Reserve to pay such Allowed Fee Claim).

3.4. Treatment of U.S. Trustee Fees

The Disbursing Agent, on behalf of each of the LP Debtors, shall pay all outstanding U.S. Trustee Fees of such LP Debtor on an ongoing basis on the later of: (i) the Effective Date; and (ii) the date such U.S. Trustee Fees become due, until such time as a final decree is entered closing the applicable Chapter 11 Case or the applicable Chapter 11 Case is converted or dismissed, or the Bankruptcy Court orders otherwise. Any deadline for filing Administrative Claims shall not apply to U.S. Trustee Fees.

3.5. Treatment of Priority Tax Claims

Each holder of an Allowed Priority Tax Claim shall receive, in full satisfaction of such Allowed Priority Tax Claim: (a) Plan Consideration in the form of Cash in the amount of such Allowed Priority Tax Claim (to the extent not previously paid by the LP Debtors) on the later of (i) the applicable Plan Distribution Date and (ii) as soon as practicable after such Priority Tax Claim becomes an Allowed Priority Tax Claim or (b) such other treatment as may be agreed to by such holder of an Allowed Priority Tax Claim; provided, that such treatment shall not provide

a recovery to such holder having a present value as of the Effective Date in excess of such holder's Allowed Priority Tax Claim.

ARTICLE IV.
CLASSIFICATION OF CLAIMS AND EQUITY INTERESTS

4.1. Classification/Impairment of Claims and Equity Interests

The following table designates the Classes of Claims and Equity Interests, and specifies which Classes are: (i) impaired or unimpaired by this Plan; (ii) entitled to vote to accept or reject this Plan in accordance with section 1126 of the Bankruptcy Code; and (iii) deemed to accept this Plan pursuant to section 1126(f) of the Bankruptcy Code.

<u>Class</u>	<u>Designation</u>	<u>Impairment</u>	<u>Entitled to Vote</u>
Class 1	LP Other Priority Claims	No	No (deemed to accept)
Class 2	LP Other Secured Claims	No	No (deemed to accept)
Class 3	Prepetition LP Facility Claims	Yes	Yes
Class 4	LP General Unsecured Claims	Yes	Yes
Class 5	Existing LP Preferred Units Equity Interests	Yes	Yes
Class 6	LP Common Equity Interests	Yes	Yes

4.2. Separate Classification of LP Other Secured Claims

LP Other Secured Claims have been classified together for each LP Debtor solely for purposes of describing treatment under the Plan. Each LP Other Secured Claim, to the extent secured by a Lien on Collateral different than that securing any other LP Other Secured Claim, shall be treated as being in a separate sub-Class for the purpose of receiving Plan Distributions.

ARTICLE V.
TREATMENT OF CLASSIFIED CLAIMS AND EQUITY INTERESTS

5.1. Class 1 – LP Other Priority Claims

(a) Treatment: The legal, equitable and contractual rights of the holders of LP Other Priority Claims are unaltered by this Plan. Except to the extent that a holder of an Allowed LP Other Priority Claim agrees to different treatment, on the applicable Plan Distribution Date, each holder of an Allowed LP Other Priority Claim shall receive Plan Consideration in the form of Cash in an amount equal to such Allowed Claim.

(b) Voting: The LP Other Priority Claims are not impaired Claims. In accordance with section 1126(f) of the Bankruptcy Code, the holders of LP Other Priority Claims are conclusively presumed to accept this Plan and are not entitled to vote to accept or reject the Plan, and the votes of such holders will not be solicited with respect to such Allowed LP Other Priority Claims.

5.2. Class 2 – LP Other Secured Claims

(a) Treatment: The legal, equitable and contractual rights of the holders of LP Other Secured Claims are unaltered by this Plan. Except to the extent that a holder of an Allowed LP Other Secured Claim agrees to different treatment, on the applicable Plan Distribution Date, each holder of an Allowed LP Other Secured Claim shall receive, at the election of the Plan Sponsors or LP Debtors, as applicable: (i) Plan Consideration in the form of Cash in an amount equal to such Allowed LP Other Secured Claim; or (ii) such other treatment that will render the LP Other Secured Claim unimpaired pursuant to section 1124 of the Bankruptcy Code. Each holder of an Allowed LP Other Secured Claim shall retain the Liens securing its Allowed LP Other Secured Claim as of the Effective Date until (A) full and final payment of such Allowed LP Other Secured Claim is made as provided herein or (B) the Collateral securing such Liens is sold and such Liens shall attach to the respective proceeds of such sale to the extent attributable to such Collateral and with the same validity, priority, force and effect. Upon the full payment or other satisfaction of such Claims in accordance with the Plan, the Liens securing such Allowed LP Other Secured Claim shall be deemed released, terminated and extinguished, in each case without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order or rule or the vote, consent, authorization or approval of any Person.

(b) Voting: The LP Other Secured Claims are not impaired Claims. In accordance with section 1126(f) of the Bankruptcy Code, the holders of LP Other Secured Claims are conclusively presumed to accept this Plan and are not entitled to vote to accept or reject the Plan, and the votes of such holders will not be solicited with respect to such Allowed LP Other Secured Claims.

(c) Deficiency Claims: To the extent that the value of the Collateral securing each LP Other Secured Claim is less than the allowed amount of such LP Other Secured Claim, the undersecured portion of such Allowed Claim shall be treated for all purposes under this Plan as an Allowed LP General Unsecured Claim and shall be classified as an LP General Unsecured Claim.

5.3. Class 3 – Prepetition LP Facility Claims

(a) Allowance: On the Confirmation Date, the Prepetition LP Facility Claims shall be Allowed Claims.

(b) Treatment: In full satisfaction, settlement, release and discharge of, and in exchange for, Prepetition LP Facility Claims, and except to the extent that a holder of an Allowed Prepetition LP Facility Claim agrees to less favorable treatment, each holder of an Allowed Prepetition LP Facility Claim shall receive, on the Funding Date, its Pro Rata Share of Plan Consideration remaining after (A) establishment of an appropriate reserve on the Funding Date for the payment of Allowed Unclassified Claims pursuant to Article III, (B) establishment

of an appropriate reserve on the Funding Date for the payment of Allowed LP Other Priority Claims and Allowed LP Other Secured Claims pursuant to Sections 5.1 and 5.2 of this Plan, respectively, and (C) establishment of an appropriate reserve for the payment of the LP General Unsecured Claims Distribution; provided, that, in the event that the Stalking Horse Bid is selected as the Successful Bid and the Funding Date occurs, the Plan Consideration distributed to holders of Allowed Prepetition LP Facility Claims, in full satisfaction, settlement, release and discharge of, and in exchange for, such Claims, shall equal \$2,102,000,000 in the aggregate; and provided, further, in no event, shall any distribution to a holder of an Allowed Prepetition LP Facility Claim pursuant to this Section 5.3(b) be in excess of 100% of the amount of such holder's Allowed Prepetition LP Facility Claim.

(c) Voting: The Prepetition LP Facility Claims are impaired Claims. Holders of such Claims are entitled to vote to accept or reject the Plan, and the votes of such holders will be solicited with respect to such Prepetition LP Facility Claims.

5.4. Class 4 – LP General Unsecured Claims

(a) Treatment: In complete and final satisfaction, settlement, release, and discharge of, and in exchange for, LP General Unsecured Claims, and except to the extent that a holder of an Allowed LP General Unsecured Claim agrees to less favorable treatment, on the applicable Plan Distribution Date, each holder of an Allowed LP General Unsecured Claim shall receive such holder's Pro Rata Share of (A) the LP General Unsecured Claims Distribution, and (B) to the extent Allowed LP General Unsecured Claims exceed the LP General Unsecured Claims Distribution, Plan Consideration remaining, if any, after payment in full of all Allowed Unclassified Claims, Allowed LP Other Priority Claims, Allowed LP Other Secured Claims, and Allowed Prepetition LP Facility Claims; provided, in no event shall such distribution(s) be in excess of 100% of the amount of its Allowed LP General Unsecured Claim.

(b) Voting: The LP General Unsecured Claims are impaired Claims. Holders of such Claims are entitled to vote to accept or reject the Plan, and the votes of such holders will be solicited with respect to such LP General Unsecured Claims.

5.5. Class 5 – Existing LP Preferred Units Equity Interests

(a) Treatment: In complete and final satisfaction, settlement, release, and discharge of, and in exchange for, Existing LP Preferred Units Equity Interests, on the Effective Date, the Existing LP Preferred Units Equity Interests shall be cancelled and, except to the extent that a holder of an Allowed Existing LP Preferred Units Equity Interest agrees to less favorable treatment, on the applicable Plan Distribution Date, each holder of an Existing LP Preferred Units Equity Interest shall receive its Pro Rata Share of Plan Consideration remaining, if any, after payment in full of the Allowed LP General Unsecured Claims, including the amount (if any) of the LP General Unsecured Claims Distribution in excess of all Allowed LP General Unsecured Claims; provided, in no event shall such distribution(s) be in excess of 100% of the amount of its Allowed Existing LP Preferred Units Equity Interest.

(b) Voting: The Existing LP Preferred Units Equity Interests are impaired Equity Interests. Holders of such Equity Interests are entitled to vote to accept or reject the Plan, and

the votes of such holders will be solicited with respect to such Existing LP Preferred Units Equity Interests.

5.6. Class 6 – LP Common Equity Interests

(a) Treatment: In complete and final satisfaction, settlement, release, and discharge of, and in exchange for, LP Common Equity Interests, on the Effective Date, LP Common Equity Interests shall be cancelled (except as set forth in Section 7.14 of this Plan) and, on the applicable Plan Distribution Date, each holder of an LP Common Equity Interest shall receive its Pro Rata Share of the Plan Consideration remaining, if any, after payment in full of the Existing LP Preferred Units Equity Interests.

(b) Voting: The LP Common Equity Interests are impaired Equity Interests. Holders of such Equity Interests are entitled to vote to accept or reject the Plan, and the votes of such holders will be solicited with respect to such LP Common Equity Interests.

ARTICLE VI.
ACCEPTANCE OR REJECTION OF THE PLAN

6.1. Classes of Claims Deemed to Accept the Plan

Class 1 – LP Other Priority Claims and Class 2 – LP Other Secured Claims are unimpaired under the Plan and are therefore deemed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code.

6.2. Class Acceptance Requirement

A Class of Claims shall have accepted the Plan if it is accepted by the holders of at least two-thirds (2/3) in amount and more than one-half (1/2) in number of the Allowed Claims in such Class that have voted on the Plan. A Class of Equity Interests shall have accepted the Plan if it is accepted by holders of at least two-thirds (2/3) in amount of the Equity Interests in such Class that actually vote on the Plan.

6.3. Confirmation Pursuant to Section 1129(b) of the Bankruptcy Code or “Cramdown”

If all applicable requirements for confirmation of the Plan are met as set forth in section 1129(a) of the Bankruptcy Code, except subsection (8) thereof, the Plan shall be treated as a request that the Bankruptcy Court confirm the Plan in accordance with section 1129(b) of the Bankruptcy Code, notwithstanding the failure to satisfy the requirements of section 1129(a)(8), on the basis that the Plan is fair and equitable and does not discriminate unfairly with respect to each Class of Claims or Equity Interests that is impaired under, and has not accepted, the Plan.

6.4. Elimination of Vacant Classes

Any Class of Claims that does not have a holder of an Allowed Claim or a Claim temporarily allowed by the Bankruptcy Court as of the date of the Confirmation Hearing shall be deemed eliminated from the Plan for purposes of voting to accept or reject the Plan and for

purposes of determining acceptance or rejection of the Plan by such Class pursuant to section 1129(a)(8) of the Bankruptcy Code.

6.5. Voting Classes; Deemed Acceptance by Non-Voting Classes

If a Class contains Claims or Equity Interests eligible to vote and no holders of Claims or Equity Interests eligible to vote in such Class vote to accept or reject the Plan, the Plan shall be deemed accepted by the holders of such Claims or Equity Interests in such Class.

**ARTICLE VII.
MEANS FOR IMPLEMENTATION OF THE PLAN**

7.1. Plan Funding

Plan Distributions shall be made from Plan Consideration (which excludes, for the avoidance of doubt, Cash in the Wind Down Reserve) as of the Funding Date. Such Plan Consideration shall be used (i) first, to satisfy or establish an appropriate reserve for satisfaction of Allowed Unclassified Claims, Allowed LP Other Priority Claims and Allowed LP Other Secured Claims in Cash (or, with respect to LP Other Secured Claims, as otherwise permitted under Section 5.2 of this Plan); (ii) second, to pay or establish an appropriate reserve for payment of the LP General Unsecured Claims Distribution in Cash; and (iii) third, to satisfy the LP Debtors' other obligations with respect to payment of Allowed Claims and Allowed Equity Interests under this Plan, in accordance with the terms hereof. The issuance or delivery of any Plan Distributions that are securities shall be exempt from registration under applicable securities laws pursuant to section 1145(a) of the Bankruptcy Code.

On the Funding Date, Cash from the LP Sale Proceeds in an amount to be (a) mutually agreed by the Plan Sponsors and the LP Debtors or (b) ordered by the Bankruptcy Court, shall be deposited in a segregated account to be held by the LP Debtors (the "***Wind Down Reserve***"). Although the Wind Down Reserve will be funded on the Funding Date, the Cash deposited in the Wind Down Reserve shall be used to provide funding for reasonable expenses incurred or accrued by the LP Debtors on or after the Effective Date that are directly related to the Wind Down, including, without limitation, professional fees and expenses incurred by the LP Debtors in connection therewith. To the extent that amounts deposited in the Wind Down Reserve are insufficient to pay such expenses, the LP Debtors may withdraw Cash from the Disputed Claims Reserves established under Section 9.5 of this Plan, in an amount not to exceed \$1,000,000. For the avoidance of doubt, the Cash deposited in the Wind Down Reserve shall not be used to provide funding for the LP Debtors' working capital needs (*i.e.*, operating expenditures and capital expenditures) on and after the Funding Date, which obligations shall be the responsibility of the Purchaser pursuant to, and subject in all respects to the terms of, the Asset Purchase Agreement. For the further avoidance of doubt, the Purchaser shall not be responsible for the payment of any expenses associated with the Wind Down in the event that the Wind Down Reserve is insufficient to pay such expenses.

After funding the Wind Down Reserve, the remaining LP Sale Proceeds shall be deposited in the Disbursement Account as set forth in Section 7.3.

The Confirmation Order shall provide that, pursuant to sections 105(a), 1123(a)(5), 1123(b)(4), 1141, and 1142(b), upon the occurrence of the Funding Date, the LP Debtors shall pay all Allowed Prepetition LP Facility Claims as set forth in the Plan. The Plan shall constitute a motion for approval of such payment. Thereafter, on motion of the LP Debtors or the Plan Sponsors, and after notice and a hearing, the Bankruptcy Court may enter additional Advance Payment Orders as it deems appropriate.

7.2. The LP Sale

The Confirmation Order shall approve a sale of the Acquired Assets under sections 105(a), 1123(a)(5), 1123(b)(4), 1129(b)(2)(A), 1141, 1142(b), 1145 and 1146(a) of the Bankruptcy Code pursuant to a sale process under the terms and conditions of the Asset Purchase Agreement and the Bid Procedures Order free and clear of any Claims, Liens, interests, or encumbrances. The LP Sale Proceeds shall include a Cash component in an amount sufficient for the Disbursing Agent to make all Plan Distributions required to be in the form of Cash, and for the LP Debtors to fund the Wind Down Reserve and Disputed Claims Reserves, and to pay all amounts due to be paid to the Stalking Horse Bidder pursuant to the terms of the Bid Procedures Order in the event the Stalking Horse Bidder is not the Purchaser, including the Break-Up Fee and Expense Reimbursement. Upon entry of the Confirmation Order, the LP Debtors shall be (a) authorized to, among other things, sell, assume, assign and/or transfer the Acquired Assets, subject to applicable law and the terms and conditions of the Asset Purchase Agreement (including, without limitation, receipt of the Specified Regulatory Approvals to the extent applicable), and take any and all actions necessary to consummate the LP Sale; and (b) authorized and directed to execute the Asset Purchase Agreement (to the extent not executed as of the Confirmation Date). Actions necessary to consummate the LP Sale may include, among others, (a) the execution and delivery of appropriate instruments of transfer, assignment, assumption or delegation of any Asset, property, rights, liability, duty or obligation on terms consistent with the terms of the Asset Purchase Agreement and the Plan and having such other terms to which the LP Debtors and the Purchaser may agree and (b) all other actions that are necessary and appropriate in connection with such transactions, including making such filings or recordings that may be required by or appropriate under applicable state law. Nothing in the Plan or Confirmation Order authorizes the transfer or assignment of the Acquired Assets to the Purchaser (or, if applicable, the Alternative Purchaser) without the Purchaser's (or, if applicable, the Alternative Purchaser's) compliance with applicable non-bankruptcy laws regarding the transfer, assignment, or ownership of such Assets.

7.3. Distribution Account

The Distribution Account shall be established to receive on the Funding Date the Plan Consideration. Plan Distributions to be made pursuant to the Plan or an Advance Payment Order shall be made from the Distribution Account. Upon the transfer of the Plan Consideration into the Distribution Account, the LP Debtors and the Purchaser will have no interest in, or with respect to, the Plan Consideration in the Distribution Account, except as otherwise provided herein or the Confirmation Order. Upon the distribution of all Plan Consideration in the Distribution Account, the Distribution Account shall be extinguished.

7.4. Cancellation of Credit Agreements, Existing Securities and Agreements

Except for the purpose of evidencing a right to distribution under this Plan, and except as otherwise set forth herein, on the Effective Date all agreements, instruments, and other documents evidencing any Claim or Equity Interest and any rights of any holder in respect thereof, shall be deemed cancelled, discharged and of no force or effect. Notwithstanding the foregoing, the applicable provisions of the Prepetition LP Facility Credit Documents shall continue in effect solely for the purposes of permitting the Prepetition LP Facility Agent and/or the Disbursing Agent to make distributions pursuant to this Plan on account of Allowed Prepetition LP Facility Claims and to effectuate any charging Liens permitted under the Prepetition LP Facility Credit Agreement, and to assert any rights the holders of Prepetition LP Facility Claims may have with respect to any guaranty of such Prepetition LP Facility Claims by a Person other than an LP Debtor. Except as otherwise set forth herein, the holders of or parties to such cancelled instruments, securities and other documentation will have no rights arising from or relating to such instruments, securities and other documentation or the cancellation thereof, except the rights provided for pursuant to the Plan. Except as provided pursuant to this Plan, the Prepetition LP Facility Agent and its agents, successors and assigns shall be discharged of all of their obligations associated with the Prepetition LP Facility Credit Documents upon payment in full of the Prepetition LP Facility Claims.

7.5. Comprehensive Settlement of Claims and Controversies

Pursuant to Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided under this Plan, the provisions of this Plan will constitute a good faith compromise and settlement of all claims or controversies relating to the rights (including any subordination rights) that a holder of a Claim or Equity Interest may have with respect to any Allowed Claim or Allowed Equity Interest or any distribution to be made pursuant to this Plan on account of any Allowed Claim or Allowed Equity Interest. The entry of the Confirmation Order will constitute the Bankruptcy Court's approval, as of the Effective Date, of the compromise or settlement of all such claims or controversies and the Bankruptcy Court's finding that all such compromises or settlements are: (a) in the best interests of the LP Debtors and their respective Estates and property, and of holders of Claims or Equity Interests; and (b) fair, equitable and reasonable.

7.6. Continued Corporate Existence and Vesting of Assets

(a) Except as otherwise provided in this Plan, the LP Debtors will continue to exist after the Effective Date as separate corporate entities, in accordance with the applicable laws of the respective jurisdictions in which they are incorporated or organized, for the purposes of satisfying their obligations under the Plan, including making or assisting the Disbursing Agent in making distributions as required under the Plan and effectuating the Wind Down. On or after the Effective Date, each LP Debtor, in its sole and exclusive discretion, and subject to receipt of any required governmental or regulatory approvals (if any), may take such action as permitted by applicable law as such LP Debtor may determine is reasonable and appropriate, including, but not limited to, causing: (i) an LP Debtor to be merged into another LP Debtor, or its subsidiary or Affiliate; (ii) an LP Debtor to be dissolved without the necessity for any other or further actions to be taken by or on behalf of such dissolving LP Debtor or any payments to be made in

connection therewith subject to the filing of a certificate of dissolution with the appropriate governmental authorities; (iii) the legal name of an LP Debtor to be changed; or (iv) the closing of an LP Debtor's Chapter 11 Case on the Effective Date or any time thereafter.

(b) On and after the Effective Date, pursuant to sections 1141(b) and (c) of the Bankruptcy Code, and except as otherwise provided in this Plan or in the Confirmation Order, all property of the LP Debtors' Estates (other than the Plan Consideration), including all claims, rights and Causes of Action shall vest in each respective LP Debtor free and clear of all Claims, Liens, charges, other encumbrances and interests. In addition, on and after the Effective Date, subject to the terms and conditions of this Plan (including, without limitation, Article IX hereof), the LP Debtors shall effectuate the Wind Down of the LP Debtors' Estates, and may use, acquire and dispose of property and prosecute, compromise or settle any Claims (including any Administrative Claims) and Causes of Action (in each case that are not Acquired Assets or Assumed Liabilities), as well as disputes relating to allowance of any Equity Interest, without supervision of or approval by the Bankruptcy Court and free and clear of any restrictions of the Bankruptcy Code or the Bankruptcy Rules other than restrictions expressly imposed by this Plan or the Confirmation Order. Without limiting the foregoing, the LP Debtors may pay, from the proceeds of the Wind Down Reserve, the charges that they incur on or after the Effective Date for Professional Persons' fees, disbursements, expenses or related support services without application to the Bankruptcy Court.

7.7. Existing Officers; Existing Boards

(a) Existing Officers. The Existing Officers shall continue in their positions with the LP Debtors on and after the Effective Date, in accordance with their respective existing employment agreements with the LP Debtors (to the extent assumed by the LP Debtors in accordance with Section 10.1 of this Plan) or any new employment agreement entered into by the LP Debtors and the applicable Existing Officer on or prior to the Effective Date. The Existing Officers shall be entitled to indemnification for claims, losses, expenses and liabilities arising on or after the Effective Date pursuant to the terms and conditions of the articles of incorporation, by-laws, or similar organizational documents of the applicable LP Debtor in place as of the Effective Date.

(b) Existing Boards. The members of the Existing Boards shall continue in their positions with the LP Debtors on and after the Effective Date. The members of the Existing Boards shall be entitled to indemnification for claims, losses, expenses and liabilities arising on or after the Effective Date pursuant to the terms and conditions of the articles of incorporation, by-laws, or similar organizational documents of the applicable LP Debtor in place as of the Effective Date.

7.8. Corporate Governance

From and after the Effective Date, each of the LP Debtors shall be managed and administered by the Existing Boards, which shall have full authority to administer the provisions of the Plan and the Asset Purchase Agreement, subject to the terms of the Asset Purchase Agreement. Each Existing Board may, subject to the terms of the Asset Purchase Agreement, authorize its applicable Existing Officers to take any actions contemplated by this Plan or the Asset Purchase Agreement on behalf of the applicable LP Debtor.

7.9. Wind Down of the LP Debtors and Their Estates

(a) The Existing Boards shall oversee the Wind Down, subject to the terms and conditions of the Asset Purchase Agreement and this Plan, and shall make distributions to, and otherwise hold all property of the LP Debtors' Estates for the benefit of, holders of Allowed Claims and Allowed Equity Interests consistent and in accordance with the Plan and the Confirmation Order. The LP Debtors shall not be required to post a bond in favor of the United States.

(b) Following the Effective Date, the LP Debtors shall not engage in any business activities or take any actions, except those necessary to effectuate the Plan and the Wind Down. On and after the Effective Date, the LP Debtors may take such action and settle and compromise Claims or Equity Interests without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or the Bankruptcy Rules, other than any restrictions expressly imposed by the Plan, the Confirmation Order and/or the Asset Purchase Agreement (including, without, limitation, Article IX of this Plan).

7.10. Power and Authority of the Existing Boards

The Existing Boards shall have the power and authority to perform the following acts on behalf of the LP Debtors, in addition to any powers granted by law or conferred by any other provision of the Plan and orders of the Bankruptcy Court, but in each case subject to the terms and conditions of the Asset Purchase Agreement and this Plan (including, without limitation, Article IX hereof): (i) take all steps and execute all instruments and documents necessary to make or assist the Disbursing Agent in making distributions to holders of Allowed Claims and Allowed Equity Interests; (ii) object to Claims and Equity Interests as provided in this Plan and prosecute such objections; (iii) resolve, compromise and/or settle any objections to the amount, validity, priority, treatment, allowance or priority of Claims, Administrative Claims, or Equity Interests; (iv) comply with this Plan and the obligations hereunder; (v) if necessary, employ, retain, or replace professionals to assist the LP Debtors in compliance with their obligations under the Asset Purchase Agreement and/or the Wind Down; (vi) establish, replenish or release reserves as provided in this Plan, as applicable; (vii) take all actions necessary or appropriate to enforce the LP Debtors' rights under the Asset Purchase Agreement and any related document and to fulfill, comply with or otherwise satisfy the LP Debtors' covenants, agreements and obligations under the Asset Purchase Agreement and any related document; (viii) make all determinations on behalf of the LP Debtors under the Asset Purchase Agreement; (ix) prepare and file applicable tax returns for any of the LP Debtors; (x) liquidate any of the Retained Assets; (xi) deposit the LP Debtors' Estate funds, draw checks and make disbursements consistent with the terms of this Plan; (xii) purchase or continue insurance protecting the LP Debtors and property of the LP Debtors' Estates; (xiii) seek entry of a final decree in any of the Chapter 11 Cases at the appropriate time; (xiv) prosecute, resolve, compromise and/or settle any litigation; (xv) abandon in any commercially reasonable manner, including abandonment or donation to a charitable organization (as such term is described in Internal Revenue Code section 501(c)(3) (whose contributions are deductible under Internal Revenue Code section 170)) of the LP Debtors' choice, any LP Debtors' Estate Assets that are of no material benefit; and (xvi) take such other action as the LP Debtors may determine to be necessary or desirable to carry out the purpose of this Plan and/or consummation of the LP Sale in accordance with the Asset Purchase Agreement.

7.11. Assumed Liabilities

In accordance with the terms of the Asset Purchase Agreement, upon and after the Closing of the LP Sale pursuant to the Asset Purchase Agreement, the Purchaser (or, if applicable, the Alternative Purchaser) shall be responsible for payment and satisfaction of all Assumed Liabilities. Upon and after the Closing of the LP Sale pursuant to the Asset Purchase Agreement, all Persons holding Claims and Equity Interests arising out of or concerning an Assumed Liability, shall be forever barred, estopped and permanently enjoined from asserting against the LP Debtors and any of their property, such Claims or Equity Interests, as applicable. The Purchaser (and, if applicable, the Alternative Purchaser) is not assuming, and shall not become liable for the payment or performance of, any liabilities or other obligations of any of the LP Debtors of any nature whatsoever, whether accrued or unaccrued, other than the Assumed Liabilities.

7.12. Cancellation of Certain Existing Security Interests

Upon the full payment or other satisfaction of an Allowed LP Other Secured Claim, or promptly thereafter, the holder of such Allowed LP Other Secured Claim shall deliver to the LP Debtors any Collateral or other property of the LP Debtors held by such holder, and any termination statements, instruments of satisfactions, or releases of all security interests with respect to its Allowed LP Other Secured Claim that may be reasonably required in order to terminate any related financing statements, mortgages, mechanic's liens, or lis pendens; provided, however, any such Collateral that is an Acquired Asset received by the LP Debtors from the holder of such Allowed Claim shall be delivered promptly to the Purchaser (or, if applicable, the Alternative Purchaser) following the Closing.

7.13. Corporate Action

(a) The LP Debtors shall serve on the U.S. Trustee quarterly reports of the disbursements made until such time as a final decree is entered closing the applicable Chapter 11 Case or the applicable Chapter 11 Case is converted or dismissed, or the Bankruptcy Court orders otherwise. The deadline for filing Administrative Claims set forth in Section 3.2(a) of this Plan shall not apply to fees payable pursuant to section 1930 of title 28 of the United States Code.

(b) Entry of the Confirmation Order shall establish conclusive corporate and other authority (and evidence of such corporate and other authority) required for each of the LP Debtors to undertake any and all acts and actions required to implement or contemplated by the Plan and Confirmation Order (including, without limitation, the execution and delivery of the Asset Purchase Agreement), and such acts and actions shall be deemed to have occurred and shall be in effect pursuant to applicable non-bankruptcy law and the Bankruptcy Code, without the need for board or shareholder vote and without any requirement of further action by the stockholders, directors, partners or managers of the LP Debtors (if any).

(c) On the Confirmation Date, the Existing Boards are authorized and directed to execute and/or deliver, as the case may be, the agreements, documents and instruments contemplated by the Plan, the Plan Supplement and the Asset Purchase Agreement and any

schedules, exhibits or other documents attached thereto or contemplated thereby in the name and on behalf of the LP Debtors.

(d) Upon entry of a final decree in each Chapter 11 Case, if not previously dissolved, the applicable LP Debtor shall be deemed dissolved and wound up without any further action required by such LP Debtor.

7.14. Intercompany Equity Interests

No Equity Interest held by an LP Debtor in another LP Debtor shall be cancelled by the terms of this Plan, and all such Equity Interests shall continue in place following the Effective Date solely for the purpose of maintaining the existing corporate structure of the LP Debtors. Equity Interests held by any Inc. Entity in any LP Debtor shall be cancelled in accordance with Section 5.6 of this Plan; provided, that, no such Equity Interests shall be cancelled to the extent that the cancellation of such Equity Interests would cause the dissolution or winding up of any LP Debtor prior to the consummation of its Wind Down in accordance with this Plan, in which case such Equity Interests shall be cancelled immediately upon the consummation of, and pursuant to, such Wind Down.

ARTICLE VIII. **PLAN DISTRIBUTION PROVISIONS**

8.1. The Disbursing Agent

All Plan Distributions under this Plan shall be made by the Disbursing Agent as provided herein, or as set forth in an Advance Payment Order. The Disbursing Agent shall be empowered to: (a) take all steps and execute all instruments and documents necessary to make Plan Distributions to holders of Allowed Claims and Equity Interests; (b) comply with the Plan and the obligations thereunder; (c) make periodic reports regarding the status of distributions under the Plan to the holders of Allowed Claims that are outstanding at such time, with such reports to be made available upon request to the holder of any Disputed Claim; and (d) exercise such other powers as may be vested in the Disbursing Agent pursuant to the Plan, the Plan Documents, the Confirmation Order, or any other order of the Bankruptcy Court. Except as otherwise ordered by the Bankruptcy Court, and subject to the written agreement of the LP Debtors if the Disbursing Agent is a Person other than the LP Debtors, the amount of any reasonable documented fees and expenses incurred by the Disbursing Agent on or after the Effective Date (including, without limitation, taxes) and any reasonable compensation and expense reimbursement Claims (including, without limitation, reasonable attorney and other professional fees and expenses) made by the Disbursing Agent shall be paid in Cash by the LP Debtors from the Wind Down Reserve.

8.2. Postpetition Interest

Postpetition interest shall be paid on Allowed Prepetition LP Facility Claims as set forth in this Plan and the Prepetition LP Facility Credit Documents. In addition, postpetition interest and/or dividends shall be paid on Allowed Existing LP Preferred Units Equity Interests to the extent that (a) there is sufficient Plan Consideration to make a Plan Distribution to holders of LP Common Equity Interests after giving effect to all other Plan Distributions contemplated by this

Plan and (b) payment of such amounts is permitted under applicable bankruptcy or non-bankruptcy law. With respect to all Claims and Equity Interests other than Allowed Prepetition LP Facility Claims and Allowed Existing LP Preferred Units Equity Interests, postpetition interest shall not accrue or be paid, and no holder of a Claim or Equity Interest shall be entitled to interest accruing on such Claim or Equity Interest after the Petition Date, except as otherwise specifically provided for in the Confirmation Order or other order of the Bankruptcy Court, or required by applicable bankruptcy or non-bankruptcy law.

8.3. Timing of Plan Distributions

Unless otherwise provided herein, any distributions and deliveries to be made hereunder shall be made on the applicable Plan Distribution Date or as soon thereafter as is practicable, provided that the LP Debtors or the Disbursing Agent, as applicable, may utilize periodic distribution dates to the extent appropriate and not otherwise inconsistent with the Plan. In the event that any payment or act under this Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

8.4. Distribution Record Date

(a) As of the close of business on the Distribution Record Date, the various lists of holders of Claims and Equity Interests in each of the Classes, as maintained by the LP Debtors, or their agents, shall be deemed closed and there shall be no further changes in the record holders of any of the Claims and Equity Interests. Neither the LP Debtors nor the Disbursing Agent shall have any obligation to recognize any transfer of Claims or Equity Interests occurring after the close of business on the Distribution Record Date. Additionally, with respect to payment of any Cure Costs or any Cure Disputes in connection with the assumption and/or assignment of the LP Debtors' executory contracts and leases, the LP Debtors shall have no obligation to recognize or deal with any party other than the non-LP Debtor party to the underlying executory contract or lease, even if such non-LP Debtor party has sold, assigned or otherwise transferred its Claim for a Cure Cost.

(b) Plan Distributions to be made on account of Allowed Prepetition LP Facility Claims shall be made by the Disbursing Agent to the Prepetition LP Facility Agent, who shall distribute such Plan Distributions to holders of Allowed Prepetition LP Facility Claims in accordance with the terms of the Prepetition LP Facility Credit Agreement. The Prepetition LP Facility Agent shall cooperate and assist the Disbursing Agent in connection with such distributions to the holders of Allowed Prepetition LP Facility Claims. The LP Debtors, through the Disbursing Agent, shall pay the Prepetition LP Facility Agent's reasonable documented fees and expenses incurred in providing any such cooperation or assistance from the Wind Down Reserve.

(c) Plan Distributions to be made on account of Allowed Claims and Equity Interests other than Prepetition LP Facility Claims shall be made directly by the Disbursing Agent to the holders of such Claims and Equity Interests.

8.5. Address for Delivery of Plan Distributions/Unclaimed Plan Distributions

Subject to Bankruptcy Rule 9010, any Plan Distribution or delivery to a holder of an Allowed Claim or Equity Interest shall be made at the address of such holder as set forth in the latest-dated of the following actually held or received by the LP Debtors or the Disbursing Agent prior to the Effective Date: (a) the Schedules; (b) the Proof of Claim filed by such holder; (c) any notice of assignment filed with the Bankruptcy Court with respect to such Claim or Equity Interest pursuant to Bankruptcy Rule 3001(e); (d) any notice served by such holder giving details of a change of address; or (e) the transfer ledger in respect of the Existing LP Preferred Units Equity Interests and LP Common Equity Interests. If any Plan Distribution sent to the holder of a Claim or Equity Interest is returned to the Disbursing Agent as undeliverable, no Plan Distributions shall be made to such holder unless the Disbursing Agent is notified of such holder's then current address within one hundred and twenty (120) days after such Plan Distribution was returned. After such date, if such notice was not provided, such holder shall have forfeited its right to such Plan Distribution, and the undeliverable Plan Distribution shall revert to the Distribution Account. Upon such reversion, the Claim or Equity Interest of any holder or its successors with respect to such property shall be cancelled, discharged and forever barred notwithstanding any applicable federal or state escheat, abandoned or unclaimed property laws to the contrary.

8.6. Time Bar to Cash Payments

Checks issued in respect of Allowed Claims shall be null and void if not negotiated within ninety (90) days after the date of issuance thereof. Requests for reissuance of any voided check shall be made directly to the Disbursing Agent by the holder of the Allowed Claim to whom such check was originally issued. Any claim in respect of such a voided check shall be made within one hundred and twenty (120) days after the date of issuance of such check. If no request is made as provided in the preceding sentence, any claims in respect of such voided check shall be discharged and forever barred and such unclaimed Plan Distribution shall revert to the Distribution Account.

8.7. No Distribution in Excess of Amount of Allowed Claim

Notwithstanding anything to the contrary herein, no holder of an Allowed Claim shall, on account of such Allowed Claim, receive a Plan Distribution (of a value set forth herein) in excess of the allowed amount of such Claim plus postpetition interest on such Claim, to the extent interest is permitted under Section 8.2 of this Plan.

8.8. Setoffs and Recoupments

Each LP Debtor, or such entity's designee as instructed by such LP Debtor, may, pursuant to section 553 of the Bankruptcy Code or applicable non-bankruptcy law, set off and/or recoup against any Allowed Claim (other than an Allowed Prepetition LP Facility Claim) or any Allowed Equity Interest, and the Plan Distributions on account of such Allowed Claim or Allowed Equity Interest, any and all claims, rights and Causes of Action that an LP Debtor or its successors may hold against the holder of such Allowed Claim or Allowed Equity Interest after the Effective Date; provided, however, that neither the failure to effect a setoff or recoupment

nor the allowance of any Claim or Equity Interest (other than an Allowed Prepetition LP Facility Claim) hereunder will constitute a waiver or release by an LP Debtor or its successor of any and all claims, rights and Causes of Action that an LP Debtor or its successor may possess against such holder; and provided, further, that any proposed setoff or recoupment of the LP Debtors' rights or Causes of Action against an Allowed Inc. Entity General Unsecured Claim shall be subject to Bankruptcy Court approval as a settlement of such Allowed Inc. Entity General Unsecured Claim pursuant to Section 9.3 of this Plan.

8.9. Fractional Cents and De Minimis Distributions

Notwithstanding any other provision of the Plan to the contrary, (i) no payment of fractions of cents will be made; and (ii) the Disbursing Agent shall not have any obligation to make a Plan Distribution that is less than or \$40.00 in Cash. Whenever any payment of a fraction of a cent would otherwise be called for, the actual payment shall reflect a rounding down of such fraction to the nearest whole cent.

8.10. Manner of Payment Under the Plan

Unless the Person receiving a Plan Distribution agrees otherwise, any Plan Distribution to be made in Cash under the Plan shall be made, at the election of the Disbursing Agent, by check drawn on a domestic bank or by wire transfer from a domestic bank. Cash payments to foreign creditors may be, in addition to the foregoing, made at the option of the Disbursing Agent in such funds and by such means as are necessary or customary in a particular foreign jurisdiction. The issuance or delivery of any Plan Distribution that is a security shall be exempt from registration under applicable securities laws pursuant to section 1145(a) of the Bankruptcy Code.

8.11. Requirement to Give a Bond or Surety

The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court and, in the event that the Disbursing Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the applicable LP Debtor. Furthermore, any such Person required to give a bond shall notify the Bankruptcy Court and the U.S. Trustee in writing before terminating any such bond that is obtained.

8.12. Withholding and Reporting Requirements

In connection with this Plan and all distributions hereunder, the LP Debtors shall comply with all withholding and reporting requirements imposed by any federal, state, local or foreign taxing authority, and all Plan Distributions hereunder shall be subject to any such withholding and reporting requirements. The LP Debtors shall be authorized to take any and all actions that may be necessary or appropriate to comply with such withholding and reporting requirements, including, without limitation, liquidating a portion of any Plan Distribution to generate sufficient funds to pay applicable withholding taxes or establishing any other mechanisms the LP Debtors or the Disbursing Agent believe are reasonable and appropriate, including requiring a holder of a Claim or Equity Interest to submit appropriate tax and withholding certifications. Notwithstanding any other provision of this Plan: (a) each holder of an Allowed Claim and/or an Allowed Equity Interest that is to receive a distribution under this Plan shall have sole and

exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any governmental unit, including income, withholding and other tax obligations on account of such distribution; and (b) no Plan Distributions shall be required to be made to or on behalf of such holder pursuant to this Plan if, after 120 days from the date of transmission of a written request to the holder of an Allowed Claim or Allowed Equity Interest, the LP Debtors do not receive a valid, completed IRS form from such holder of an Allowed Claim or Allowed Equity Interest, which is otherwise required for reporting purposes, and such holder shall be treated as if their Claims or Equity Interests had been disallowed.

8.13. Cooperation with Disbursing Agent

The LP Debtors and their Professional Persons shall use all commercially reasonable efforts to provide the Disbursing Agent (if an entity other than the LP Debtors) with the amount of Claims and Equity Interests and the identity and addresses of holders of Claims and Equity Interests, in each case, as set forth in the LP Debtors' books and records. The LP Debtors and their Professional Persons shall cooperate in good faith with the Disbursing Agent (if an entity other than the LP Debtors) to comply with any of its reporting and withholding requirements.

ARTICLE IX.

RESERVES AND PROCEDURES FOR RESOLVING DISPUTED CLAIMS

9.1. Objections to Claims

Other than with respect to Fee Claims (to which any party in interest may object) and Inc. Entity General Unsecured Claims (to which the Ad Hoc LP Secured Group or any member thereof may object), only the LP Debtors shall be entitled to object to Claims after the Effective Date. Any objections to Claims (other than Administrative Claims), shall be served and filed on or before the later of: (a) one-hundred twenty (120) days after the Effective Date; and (b) such other date as may be fixed by the Bankruptcy Court, whether fixed before or after the date specified in clause (a) hereof. Any Claims filed after the applicable bar date (including Inc. Entity General Unsecured Claims filed after the Inc. Entity General Unsecured Claims Bar Date), shall be deemed disallowed and expunged in their entirety without further order of the Bankruptcy Court or any action being required on the part of the LP Debtors unless the Person wishing to file such untimely Claim has received Bankruptcy Court authority to do so. Notwithstanding any authority to the contrary, an objection to a Claim shall be deemed properly served on the claimant if the objecting party effects service in any of the following manners: (i) in accordance with Federal Rule of Civil Procedure 4, as modified and made applicable by Bankruptcy Rule 7004; (ii) by first class mail, postage prepaid, on the signatory on the Proof of Claim as well as all other representatives identified in the Proof of Claim or any attachment thereto; or (iii) if counsel has agreed to or is otherwise deemed to accept service, by first class mail, postage prepaid, on any counsel that has appeared on the claimant's behalf in the Chapter 11 Cases (so long as such appearance has not been subsequently withdrawn).

9.2. Amendment to Claims

Except with respect to Administrative Expense Claims and Fee Claims, from and after the Effective Date, no Claim may be filed to increase or assert additional Claims not reflected in an already filed Claim (or Claim scheduled, unless superseded by a filed Claim, on the

applicable LP Debtor's Schedules) asserted by such claimant and any such Claim shall be deemed disallowed and expunged in its entirety without further order of the Bankruptcy Court or any action being required on the part of the LP Debtors unless the claimant has obtained the Bankruptcy Court's prior approval to file such amended or increased Claim.

9.3. Settlement of Claims and Causes of Action

Notwithstanding any requirements that may be imposed pursuant to Bankruptcy Rule 9019, from and after the Effective Date, the LP Debtors shall have authority to settle or compromise all Claims (to the extent not previously compromised, settled and released under the Plan) without further review or approval of the Bankruptcy Court; provided, that notwithstanding the foregoing, the LP Debtors may not settle or compromise any Inc. Entity General Unsecured Claim without approval of the Bankruptcy Court, which the LP Debtors may seek on fourteen (14) calendar days' notice to the Ad Hoc LP Secured Group and Plan Sponsors.

9.4. Estimation of Claims

The LP Debtors (or any of them, as applicable), may at any time request that the Bankruptcy Court estimate any Disputed Claim pursuant to section 502(c) of the Bankruptcy Code regardless of whether the LP Debtors (or any of them, as applicable) has previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any Disputed Claim, that estimated amount shall constitute the allowed amount of such Claim for all purposes under the Plan except with respect to Plan Distributions, and with respect to Plan Distributions, the estimated amount shall constitute the maximum allowed amount of such Claim. All of the objection, estimation, settlement, and resolution procedures set forth in the Plan are cumulative and not necessarily exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn or resolved by any mechanism approved by the Bankruptcy Court.

9.5. Claims Reserves

(a) No Plan Distributions Pending Allowance. Except as provided in this Section 9.5, Disputed Claims shall not be entitled to any Plan Distributions unless and until such Claims become Allowed Claims.

(b) Unclassified Claims Reserve. On the Funding Date or as soon thereafter as is reasonably practicable, the LP Debtors shall set aside and reserve, for the benefit of each holder of a Disputed Claim that is an Administrative Claim or Priority Tax Claim, Plan Consideration in the form of Cash in an amount equal to (i) the amount of such Claim as estimated by the Bankruptcy Court pursuant to an Estimation Order, (ii) if no Estimation Order has been entered with respect to such Claim, the amount in which such Disputed Claim is proposed to be allowed in any pending objection filed with respect to such Claim, or (iii) if no Estimation Order has been entered with respect to such Claim, and no objection to such Claim is pending on the Effective Date, the greater of (A) the amount listed in the Schedules and (B) the amount set forth in a timely filed Proof of Claim or application for payment filed with the Bankruptcy Court or Claims

Agent. In addition, on the Funding Date or as soon thereafter as is reasonably practicable, the LP Debtors shall set aside and reserve, for the benefit of each holder of an Administrative Claim (including a Fee Claim) that has been or may be incurred prior to the Effective Date and has not been paid by the LP Debtors, Plan Consideration in the form of Cash in amount equal to such Administrative Claim (based on the Plan Sponsors' best estimate of the allowable amount of such Claim). To the extent that amounts deposited in the reserve established pursuant to this Section 9.5(b) are insufficient to pay any Allowed Administrative Claim or Allowed Priority Tax Claim, the LP Debtors may withdraw Cash from the Wind Down Reserve to pay such Allowed Claims. For the avoidance of doubt, the Cash reserved pursuant to this Section 9.5(b) shall not be used to provide funding for the LP Debtors' working capital needs (*i.e.*, operating expenditures and capital expenditures) on and after the Funding Date, which obligations shall be the responsibility of the Purchaser pursuant to, and subject in all respects to the terms of, the Asset Purchase Agreement.

(c) Disputed Priority-Non Tax Claims and Disputed LP Other Secured Claims Reserve. On the Funding Date or as soon thereafter as is reasonably practicable, the LP Debtors shall set aside and reserve, for the benefit of each holder of a Disputed Claim that is a LP Other Priority Claim or LP Other Secured Claim, Plan Consideration in the form of Cash in an amount equal to (i) the amount of such Claim as estimated by the Bankruptcy Court pursuant to an Estimation Order, (ii) if no Estimation Order has been entered with respect to such Claim, the amount in which such Disputed Claim is proposed to be allowed in any pending objection filed with respect to such Claim, or (iii) if no Estimation Order has been entered with respect to such Claim, and no objection to such Claim is pending on the Effective Date, the greater of (A) the amount listed in the Schedules and (B) the amount set forth in a timely filed Proof of Claim or application for payment filed with the Bankruptcy Court or Claims Agent. To the extent that amounts deposited in the reserve established pursuant to this Section 9.5(c) are insufficient to pay any Allowed LP Other Priority Claim or Allowed LP Other Secured Claim, the LP Debtors may withdraw Cash from the Wind Down Reserve to pay such Allowed Claims.

(d) Disputed LP General Unsecured Claims Reserve. On the Funding Date or as soon thereafter as is reasonably practicable, the LP Debtors shall set aside and reserve, for the benefit of each holder of a Disputed Claim that is an LP General Unsecured Claim, Plan Consideration in an amount equal to (i) the LP General Unsecured Claims Distribution minus the amount of Allowed LP General Unsecured Claims as of the Funding Date, or (ii) such other amount as may be ordered by the Bankruptcy Court on or prior to the Confirmation Date. Further, so long as the Allowed Prepetition LP Facility Claims have been paid in full on the Effective Date as set forth in Section 5.3 of this Plan, and only to the extent the aggregate amount of Disputed LP General Unsecured Claims (as calculated hereunder) exceeds the Cash set aside and reserved pursuant to the first sentence of this Section 9.5(d), the LP Debtors shall, on the Funding Date or as soon thereafter as is reasonably practicable, set aside and reserve, for the benefit of each holder of a Disputed LP General Unsecured Claim, Cash in an amount equal to (i) the amount of such Claim as estimated by the Bankruptcy Court pursuant to an Estimation Order, (ii) if no Estimation Order has been entered with respect to such Claim, the amount in which such Disputed Claim is proposed to be allowed in any pending objection filed by the LP Debtors, or (iii) if no Estimation Order has been entered with respect to such Claim, and no objection to such Claim is pending on the Effective Date, the greater of (A) the amount listed in the Schedules and (B) the amount set

forth in a timely filed Proof of Claim or application for payment filed with the Bankruptcy Court or Claims Agent.

(e) Plan Distributions to Holders of Subsequently Allowed Claims. On each Plan Distribution Date (or such earlier date as determined by the LP Debtors or the Disbursing Agent in their sole discretion but subject to this Section 9.5), the Disbursing Agent will make Plan Distributions from the applicable Disputed Claims Reserve on account of any Disputed Claim that has become an Allowed Claim since the occurrence of the previous Plan Distribution Date. The Disbursing Agent shall distribute from the applicable Disputed Claims Reserve in respect of such newly Allowed Claims the Plan Distributions to which holders of such Claims would have been entitled under this Plan if such newly Allowed Claims were fully or partially Allowed, as the case may be, on the Effective Date, less direct and actual expenses, fees, or other direct costs of maintaining Cash on account of such Disputed Claims.

(f) Distribution from Disputed Claims Reserves Upon Disallowance. Except as otherwise provided in this Plan, to the extent any Disputed Claim has become a Disallowed Claim in full or in part (in accordance with the procedures set forth in the Plan), any Cash held in any Disputed Claim Reserve by the LP Debtors on account of, or to pay, such Disputed Claim, shall revert to the Distribution Account and be distributed to holders of Allowed Claims or Allowed Equity Interests in accordance with Article V.

9.6. No Recourse

Notwithstanding that the allowed amount of any particular Disputed Claim is (a) reconsidered under the applicable provisions of the Bankruptcy Code and Bankruptcy Rules or (b) allowed in an amount for which after application of the payment priorities established by this Plan there is insufficient value to provide a recovery equal to that received by other holders of Allowed Claims or Allowed Equity Interests in the respective Class, no Claim or Equity Interest holder shall have recourse against the Disbursing Agent, the LP Debtors, the Purchaser (and, if applicable, the Alternative Purchaser) or any of their respective professionals, consultants, officers, directors, employees or members or their successors or assigns, or any of their respective property. However, nothing in the Plan shall modify any right of a holder of a Claim under section 502(j) of the Bankruptcy Code, nor shall it modify or limit the ability of claimants (if any) to seek disgorgement to remedy any unequal distribution from parties other than those released under this section. For the avoidance of doubt, and notwithstanding anything to the contrary herein, except as expressly provided in the Asset Purchase Agreement, the Purchaser (and, if applicable, the Alternative Purchaser) shall not be liable for the payment of any Administrative Claims (including Fee Claims) accrued or incurred prior to the Effective Date under any circumstances, including in the event that the reserve for such claims established under Section 9.5(b) of this Plan is insufficient to pay such Administrative Claims in full as provided in Section 3.2 of this Plan. **The estimation of Claims and the establishment of reserves under the Plan may limit the distribution to be made on individual Disputed Claims and other Claims contemplated to be paid from the reserves established under Section 9.5 of this Plan, regardless of the amount finally allowed on account of such Claims.**

ARTICLE X.
TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

10.1. General Treatment

(a) On the Effective Date, all executory contracts and unexpired leases of each of the LP Debtors shall be deemed to be rejected by the applicable LP Debtor pursuant to the provisions of section 365 of the Bankruptcy Code, except: (i) any executory contract or unexpired lease that has previously has been assumed, assumed and assigned, or rejected pursuant to a Final Order of the Bankruptcy Court; (ii) any executory contract or unexpired lease that is designated specifically or by category as a contract or lease to be assumed or assumed and assigned on the Schedule of Assumed Executory Contracts and Unexpired Leases; (iii) any executory contract or unexpired lease that is the subject of a separate motion to assume and assign to a Person other than the Purchaser (or, if applicable, the Alternative Purchaser) or to reject under section 365 of the Bankruptcy Code pending on the Effective Date; and (iv) any executory contract or unexpired lease that is the subject of a pending Cure Dispute as of the Effective Date for which the applicable LP Debtor makes a motion to reject such contract or lease based upon the existence of such dispute filed at any time. Listing a contract or lease in the Schedule of Assumed Executory Contracts and Unexpired Leases shall not constitute an admission by the applicable LP Debtor that the applicable LP Debtor has any liability thereunder.

(b) No later than the applicable deadline set forth in the Bid Procedures Order, the LP Debtors shall file with the Bankruptcy Court and serve upon the counterparties to the executory contracts and unexpired leases anticipated to be listed on the Schedule of Assumed Executory Contracts and Unexpired Leases, a notice (the “*Contract and Lease Counterparties Notice*”) regarding the proposed assumption, or assumption and assignment and the proposed cure obligations in connection therewith (the “*Cure Costs*”). The inclusion of any executory contract or unexpired lease on any version of the Contract and Lease Counterparties Notice or Schedule of Assumed Executory Contracts and Unexpired Leases at any time prior to the Effective Date does not ultimately establish that such contract or lease shall be assumed, or assumed and assigned, and the Contract and Lease Counterparties Notice and Assumed Executory Contracts and Unexpired Leases may be altered, amended, modified, or supplemented at any time prior to the Effective Date to remove any contract or lease therefrom in accordance with the Bankruptcy Code and applicable orders of the Bankruptcy Court.

(c) At the Confirmation Hearing, only those executory contracts or unexpired leases (and the corresponding Cure Costs) listed on the Schedule of Assumed Executory Contracts and Unexpired Leases that have been selected to be assumed by the LP Debtors or assumed and assigned to the Purchaser (or, if applicable, the Alternative Purchaser) at the Auction shall be the contracts and leases subject to approval by the Court.

(d) To the extent that an executory contract or unexpired lease is a Designated Contract, any such Designated Contract will be assumed by the LP Debtors, as applicable, on the Effective Date and assigned by the LP Debtors to the Purchaser (or, if applicable, the Alternative Purchaser) at the Closing. Each executory contract or unexpired lease assumed pursuant to the Plan or by Bankruptcy Court order but not assigned to a third party before the Effective Date

shall revest in and be fully enforceable by the applicable contracting LP Debtor in accordance with its terms, except as such terms may have been modified by the Plan or such order.

(e) Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of the rejection of the executory contracts and unexpired leases as set forth in Section 10.1(a) of this Plan, subject to the occurrence of the Effective Date, pursuant to section 365(a) of the Bankruptcy Code, and a finding by the Bankruptcy Court that each such rejected executory contract or unexpired lease is burdensome and that the rejection thereof is in the best interests of the LP Debtors and their Estates.

(f) Entry of the Confirmation Order shall, subject to the occurrence of the Effective Date, constitute the approval, pursuant to sections 365(a) and 1123(b) of the Bankruptcy Code, of: (i) subject to Section 10.3(e) of this Plan, the assumptions and assignments of executory contracts and unexpired leases set forth in the Schedule of Assumed Executory Contracts and Unexpired Leases; and (ii) the assumption and assignment of the Designated Contracts pursuant to Section 10.1(d) of this Plan.

(g) Neither the exclusion nor inclusion of any contract or lease on the Schedule of Assumed Executory Contracts and Unexpired Leases or the Contract and Lease Counterparties Notice or anything else contained in this Plan shall constitute an admission that any such contract or lease is or is not, in fact, an executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code.

10.2. Claims Based on Rejection of Executory Contracts or Unexpired Leases

(a) All Claims arising from the rejection of executory contracts or unexpired leases, if any, will be treated as LP General Unsecured Claims. Upon receipt by the holder of any such Claim of its applicable Plan Distribution pursuant to Section 5.4 of this Plan, such Claim shall be discharged on the Effective Date, and shall not be enforceable against the LP Debtors, the Purchaser (and, if applicable, the Alternative Purchaser, subject to Section 10.3(e) of this Plan) or their respective properties or interests in property (and shall not, for the avoidance of doubt, constitute Assumed Liabilities).

(b) Each Person who is a party to a contract or lease rejected under the Plan must file with the Bankruptcy Court and serve on the LP Debtors, not later than thirty (30) days after the Confirmation Date (or, for any contract or lease that is not rejected as of the Confirmation Date but is rejected thereafter, 30 days after the effective date of such rejection), a Proof of Claim for damages alleged to arise from the rejection of the applicable contract or lease or be forever barred from filing a Claim, or sharing in distributions under the Plan, related to such alleged rejection damages.

10.3. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases

(a) In accordance with Section 10.1(b) hereof, no later than the applicable deadline set forth in the Bid Procedures Order, the LP Debtors shall file with the Bankruptcy Court and serve upon the counterparties to the executory contracts and unexpired leases that are anticipated

to be assumed or assumed and assigned, a Contract and Lease Counterparties Notice. The Contract and Lease Counterparties Notices will (i) list the applicable Cure Costs, if any, for each executory contract and unexpired lease listed therein, (ii) describe the procedures for filing objections to the proposed assumption, or assumption and assignment, or Cure Costs, and (iii) explain the process by which related disputes shall be resolved by the Bankruptcy Court. If the LP Debtors identify additional executory contracts and unexpired leases that might be assumed by the LP Debtors, the LP Debtors will promptly send a Contract and Lease Counterparties Notice to the counterparties to any such contracts or leases.

(b) Except to the extent that less favorable treatment has been agreed to by the non-LP Debtor party or parties to each such executory contract or lease, monetary defaults arising under each executory contract and lease to be assumed, or assumed and assigned, pursuant to the Plan shall be cured, in accordance with section 365(b)(1) of the Bankruptcy Code, on or prior to the Closing of the LP Sale by (i) the payment of the undisputed Cure Costs and/or (ii) establishment of a reserve with respect to any disputed Cure Costs. The party responsible for paying the Cure Costs shall be set forth in the Asset Purchase Agreement.

(c) Any party that fails to object to the applicable Cure Cost listed on the Contract and Lease Counterparties Notice or the Schedule of Assumed Executory Contracts and Unexpired Leases, or the assumption of the applicable executory contract or unexpired lease, by the deadlines set forth in the Bid Procedures Order, (i) shall be forever barred, estopped and enjoined from (x) disputing the Cure Cost relating to any executory contract or unexpired lease set forth on the Contract and Lease Counterparties Notices or Schedule of Assumed Executory Contracts and Unexpired Leases, and (y) asserting any Claim against the applicable LP Debtor arising under section 365(b)(1) of the Bankruptcy Code other than as set forth on the Contract and Lease Counterparties Notices or the Schedule of Assumed Executory Contracts and Unexpired Leases; and (ii) subject to Section 10.3(e) of this Plan, shall be deemed to have consented to the assumption and assignment of such executory contract and unexpired lease and shall be forever barred and estopped from asserting or claiming against the LP Debtors, the Purchaser or any other assignee of the relevant executory contract or unexpired lease (including, if applicable, the Alternative Purchaser) that any additional amounts are due or defaults exist, or conditions to assumption and assignment of such executory contract or unexpired lease must be satisfied (pursuant to section 365(b)(1) of the Bankruptcy Code or otherwise). Any objection relating to the Cure Cost shall specify the Cure Cost proposed by the counterparty to the applicable contract or lease.

(d) In the event of a dispute (each, a “*Cure Dispute*”) regarding: (i) any Cure Cost; (ii) the ability of the LP Debtors or the Purchaser to demonstrate “adequate assurance of future performance” (within the meaning of section 365 of the Bankruptcy Code) under any contract or lease to be assumed; or (iii) any other matter pertaining to the proposed assumption, the cure payments required by section 365(b)(1) of the Bankruptcy Code shall be made at the times set forth in Section 10.3(b) of this Plan following the entry of a Final Order resolving such Cure Dispute and approving the assumption. To the extent a Cure Dispute relates solely to a Cure Cost, the applicable LP Debtor may assume and assign the applicable contract or lease prior to the resolution of the Cure Dispute provided that a reserve is established containing Cash in an amount sufficient to pay the full amount asserted as cure payment by the non-LP Debtor party to such contract or lease (or such smaller amount as may be fixed or estimated by the Bankruptcy

Court). To the extent the Cure Dispute is resolved or determined unfavorably to the LP Debtors, the LP Debtors may, subject to the terms and conditions of the Asset Purchase Agreement, reject the applicable executory contract or unexpired lease after such determination. Any Cure Disputes not consensually resolved prior to the Confirmation Hearing shall be heard at the Confirmation Hearing (or such other hearing as requested by the LP Debtors and determined appropriate by the Bankruptcy Court), including any disputed Cure Costs or objections to assumption and assignment, and/or objections to the adequacy of assurance of future performance being provided.

(e) Notwithstanding anything to the contrary herein, in the event that there is an Alternative Sale under the Asset Purchase Agreement, (i) the assumption and assignment of any executory contract or unexpired lease to the Alternative Purchaser shall be subject to further approval by the Bankruptcy Court, which approval the LP Debtors may seek on no less than fourteen (14) calendar days' notice, and (ii) counterparties to any executory contract or unexpired lease proposed to be assumed and assigned to such Alternative Purchaser shall be entitled to object to such proposed assumption and assignment on the grounds that the LP Debtors or such Alternative Purchaser are unable to demonstrate "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code), but not on any other grounds.

10.4. Compensation and Benefit Programs

For the avoidance of doubt, all employment and severance policies, and all compensation and benefit plans, policies, and programs of the LP Debtors applicable to their respective employees, retirees and non-employee directors including, without limitation, all savings plans, retirement plans, healthcare plans, disability plans, severance benefit plans, incentive plans, and life, accidental death and dismemberment insurance plans are treated as executory contracts under the Plan and on the Effective Date will be rejected as set forth in Section 10.1 of this Plan unless any of the foregoing is an Acquired Asset and the counterparty thereto receives a Contract and Lease Counterparties Notice, in which case the same shall be assumed and assigned to the Purchaser (or, if applicable, the Alternative Purchaser) pursuant to the Asset Purchase Agreement and in accordance with sections 365 and 1123 of the Bankruptcy Code.

ARTICLE XI.

CONDITIONS PRECEDENT TO CONFIRMATION OF THE PLAN AND THE OCCURRENCE OF THE EFFECTIVE DATE

11.1. Conditions Precedent to Confirmation

The following are conditions precedent to confirmation of the Plan:

- (a) the Bankruptcy Court shall have entered the Disclosure Statement Order and the Bid Procedures Order, and the Canadian Court shall have entered the Disclosure Statement Recognition Order and the Bid Procedures Recognition Order;
- (b) the Auction shall have been completed; and

- (c) the Bankruptcy Court shall have entered the Confirmation Order, which shall, among other things, approve the LP Sale if not approved by a separate order of the Bankruptcy Court.

11.2. Conditions Precedent to the Occurrence of the Effective Date

The following are conditions precedent to the occurrence of the Effective Date:

- (a) each of the Confirmation Order and the Confirmation Recognition Order shall have become a Final Order;
- (b) the Plan Documents shall have been executed and delivered, and any conditions (other than the occurrence of the Effective Date or certification by an LP Debtor that the Effective Date has occurred) contained therein shall have been satisfied or waived in accordance therewith;
- (c) the Funding and Closing each shall have occurred in accordance with the terms and conditions of the Asset Purchase Agreement;
- (d) the Allowed Prepetition LP Facility Claims shall have been satisfied as set forth in Section 5.3; and
- (e) the LP Debtors shall have paid in full in Cash all undisputed Ad Hoc LP Secured Group Fee Claims.

11.3. Waiver of Conditions

The Plan Sponsors may waive, without further order of the Bankruptcy Court, any one or more of the conditions set forth in this Article XI. Further, the stay of the Confirmation Order, pursuant to Bankruptcy Rule 3020(e), shall be deemed waived by the Confirmation Order.

11.4. Effect of Non-Occurrence of the Funding Date

If all of the conditions precedent to the occurrence of the Funding Date have not been satisfied or duly waived (as provided in Section 11.3 of this Plan) on or before the first Business Day that is more than sixty (60) days after the Confirmation Date, or by such later date as set forth by the Plan Sponsors in a notice filed with the Bankruptcy Court prior to the expiration of such period, then the Plan Sponsors may file a motion to vacate the Confirmation Order before all of the conditions have been satisfied or duly waived. It is further provided that notwithstanding the filing of such a motion, the Confirmation Order shall not be vacated if all of the conditions precedent to the Funding Date set forth in the Asset Purchase Agreement are either satisfied or duly waived before the Bankruptcy Court enters an order granting the relief requested in such motion. If the Confirmation Order is vacated pursuant to this Section 11.4, this Plan shall be null and void in all respects, the Confirmation Order shall be of no further force or effect, no distributions under this Plan shall be made, the LP Debtors and all holders of Claims and Equity Interests in the LP Debtors shall be restored to the status quo ante as of the day immediately preceding the Confirmation Date as though the Confirmation Date had never occurred, and upon such occurrence, nothing contained in this Plan shall: (a) constitute a waiver

or release of any Claims against or Equity Interests in the LP Debtors; (b) prejudice in any manner the rights of the holder of any Claim against or Equity Interest in the LP Debtors; or (c) constitute an admission, acknowledgment, offer or undertaking by any LP Debtor or any other Person with respect to any matter set forth in the Plan.

ARTICLE XII.
RETENTION OF JURISDICTION

Pursuant to sections 105(a) and 1142 of the Bankruptcy Code, the Bankruptcy Court shall retain and shall have exclusive jurisdiction, pursuant to 28 U.S.C. §§ 1334 and 157, over any matter, other than Avoidance Actions (excluding any Avoidance Actions that are Acquired Assets under the Asset Purchase Agreement), over which the Bankruptcy Court shall have concurrent jurisdiction, (a) arising under the Bankruptcy Code, (b) arising in or related to the Chapter 11 Cases of the LP Debtors, or the Plan, or (c) that relates to the following:

- (i) To determine any and all adversary proceedings, applications, motions, and contested or litigated matters that may be pending on the Effective Date or that, pursuant to the Plan, may be instituted by the LP Debtors after the Effective Date;
- (ii) To hear and determine any objections to the allowance of Claims, whether filed, asserted, or made before or after the Effective Date, including, without express or implied limitation, to hear and determine any objections to the classification of any Claim and to allow, disallow or estimate any Disputed Claim in whole or in part;
- (iii) To ensure that distributions to holders of Allowed Claims or Allowed Equity Interests are accomplished as provided herein;
- (iv) To consider Claims or the allowance, classification, priority, compromise, estimation, or payment of any Claim, including any Administrative Claim;
- (v) To consider Equity Interests or the allowance, compromise or distributions on account of any Equity Interest;
- (vi) To enter, implement, or enforce such orders as may be appropriate in the event the Confirmation Order is for any reason stayed, reversed, revoked, modified, or vacated;
- (vii) To issue such orders in aid of execution of the Plan to the extent authorized or contemplated by section 1142 of the Bankruptcy Code;
- (viii) To consider any modifications of the Plan, remedy any defect or omission, or reconcile any inconsistency in any order of the Bankruptcy Court, including, without limitation, the Confirmation Order;
- (ix) To hear and determine all Fee Applications;
- (x) To resolve disputes concerning any reserves with respect to Disputed Claims or the administration thereof;

(xi) To hear and determine all controversies, suits and disputes that may relate to, impact upon, or arise in connection with the LP Sale or its interpretation, implementation, enforcement or consummation (subject to the terms thereof);

(xii) To recover all Assets of the LP Debtors and property of the Estates, wherever located (other than any Acquired Assets, after the occurrence of the Closing of the LP Sale);

(xiii) To hear and determine all controversies, suits and disputes that may relate to, impact upon or arise in connection with the Plan, the Plan Documents or the interpretation, implementation, enforcement or consummation thereof;

(xiv) To hear and determine all controversies, suits and disputes that may relate to, impact upon, or arise in connection with the Confirmation Order (and all exhibits to the Plan) or the interpretation, implementation, enforcement or consummation thereof;

(xv) To the extent that Bankruptcy Court approval is required, and to the extent not released pursuant to the Plan, to consider and act on the compromise and settlement of any Claim by, on behalf of, or against the LP Debtors or their Estates;

(xvi) To hear and determine such other matters that may be set forth in the Plan or the Confirmation Order, or that may arise in connection with the Plan or the Confirmation Order;

(xvii) To hear and determine matters concerning state, local and federal taxes, fines, penalties or additions to taxes for which the LP Debtors may be liable, directly or indirectly;

(xviii) To hear and determine all controversies, suits and disputes that may relate to, impact upon, or arise in connection with any setoff and/or recoupment rights of the LP Debtors or any Person under the Plan;

(xix) To hear and determine all controversies, suits, and disputes that may relate to, impact upon, or arise in connection with Causes of Action of the LP Debtors (including Avoidance Actions) commenced by the LP Debtors, or any third parties, as applicable, before or after the Effective Date, except to the extent such Causes of Action are compromised, settled and released under the Plan or constitute Acquired Assets under the Asset Purchase Agreement;

(xx) To hear and determine all controversies, suits, or disputes that may arise in relation to the rights and obligations of the Disbursing Agent;

(xxi) To enter an order or final decree closing the Chapter 11 Case of any LP Debtor;

(xxii) In the event of an Alternative Sale, to determine whether the assignment of any Designated Contract to the Alternative Purchaser satisfies the requirement of section 365 of the Bankruptcy Code of "adequate assurance of future performance" and

provide such other authorizations and approvals as may be reasonably necessary to consummate an Alternative Sale;

(xxiii) To issue injunctions, enter and implement other orders or take such other actions as may be necessary or appropriate to restrain interference by any Person with consummation, implementation or enforcement of the Plan or the Confirmation Order; and

(xxiv) To hear and determine any other matters related hereto and not inconsistent with chapter 11 of the Bankruptcy Code.

13.3. Injunctions

(a) Except as otherwise provided in this Plan or the Confirmation Order, as of the Confirmation Date, but subject to the occurrence of the Effective Date, all Persons who have held, hold or may hold Claims against or Equity Interests in the LP Debtors or their Estates are, with respect to any such Claims or Equity Interests, permanently enjoined after the Confirmation Date from: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind (including, without limitation, any proceeding in a judicial, arbitral, administrative or other forum) against or affecting the LP Debtors, their Estates or any of their property, or any direct or indirect transferee of any property of, or direct or indirect successor in interest to, any of the foregoing Persons or any property of any such transferee or successor; (ii) enforcing, levying, attaching (including, without limitation, any pre-judgment attachment), collecting or otherwise recovering by any manner or means, whether directly or indirectly, any judgment, award, decree or order against the LP Debtors, or their Estates or any of their property, or any direct or indirect transferee of any property of, or direct or indirect successor in interest to, any of the foregoing Persons, or any property of any such transferee or successor; (iii) creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind against the LP Debtors, or their Estates or any of their property, or any direct or indirect transferee of any property of, or successor in interest to, any of the foregoing Persons; (iv) acting or proceeding in any manner, in any place whatsoever, that does not conform to or comply with the provisions of this Plan to the full extent permitted by applicable law; and (v) commencing or continuing, in any manner or in any place, any action that does not comply with or is inconsistent with the provisions of this Plan; provided, however, that nothing contained herein shall preclude such Persons from exercising their rights, or obtaining benefits, pursuant to and consistent with the terms of this Plan; and provided, further, that nothing contained herein shall preclude the Purchaser from exercising any rights and remedies under the Asset Purchase Agreement.

(b) By accepting distributions pursuant to this Plan, each holder of an Allowed Claim or Equity Interest will be deemed to have specifically consented to the injunctions set forth in this Section 13.3.

(c) The Confirmation Order shall permanently enjoin the commencement or prosecution by any Person, whether directly, derivatively or otherwise, of any claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to this Plan, including but not limited to the Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action or liabilities released in Sections 13.1 and 13.2 of this Plan. Neither the Disbursing Agent nor the Purchaser shall be responsible for any pre-Effective Date obligations of the LP Debtors, except those expressly assumed by the Purchaser (if any) or as otherwise provided in the Plan or the Asset Purchase Agreement. Except as otherwise provided herein, all Persons shall be precluded and forever barred from asserting against the Disbursing Agent or Purchaser, or their successors or assigns, Assets, properties, or interests in property any event, occurrence, condition, thing, or other or further Claims or Causes of Action based upon any act, omission, transaction, or other activity of any kind or nature that occurred or came into existence prior to the Effective Date in connection with the LP Debtors, whether or not the facts of or legal bases therefor were known or existed on or prior to the Effective Date.

13.6. Special Provisions Regarding Insured Claims

The Plan Distributions to each holder of an Allowed Insured Claim against the LP Debtors shall be made in accordance with the treatment provided under the Plan for the Class in which such Allowed Insured Claim is classified; except, that there shall be deducted from any Plan Distribution on account of an Insured Claim, for purposes of calculating the allowed amount of such Claim, the amount of any insurance proceeds actually received by such holder in respect of such Allowed Insured Claim. Nothing in this Section 13.6 shall (i) constitute a waiver of any Claim, right, or Cause of Action that the LP Debtors or their Estates may hold against any Person, including any insurer, or (ii) provide for the allowance of any Insured Claim. Pursuant to section 524(e) of the Bankruptcy Code, nothing in the Plan shall release or discharge any insurer from any obligations to any Person under applicable law or any policy of insurance under which any of the LP Debtors is an insured or a beneficiary.

13.7. Third Party Agreements; Subordination

Except as otherwise provided in the Plan, the Plan Distributions to the various Classes of Claims and Equity Interests hereunder shall not affect the right of any Person to levy, garnish, attach, or employ any other legal process with respect to such Plan Distributions by reason of any claimed subordination rights or otherwise. All such rights and any agreements relating thereto shall remain in full force and effect. The right of the LP Debtors to seek subordination of any Claim or Equity Interest pursuant to section 510 of the Bankruptcy Code is fully reserved, and the treatment afforded any Claim or Equity Interest that becomes a subordinated Claim or Equity Interest at any time shall be modified to reflect such subordination.

13.10. Headings

The headings used in the Plan are inserted for convenience only, and neither constitute a portion of the Plan nor in any manner affect the construction of the provisions of the Plan.

13.11. Governing Law

Except to the extent that the Bankruptcy Code or other federal law is applicable, or to the extent a Plan Document or exhibit or schedule to the Plan provides otherwise, the rights, duties, and obligations arising under this Plan and the Plan Documents shall be governed by, and construed and enforced in accordance with, the laws of the state of New York, without giving effect to the principles of conflict of laws thereof.

13.12. Section 1125(e) of the Bankruptcy Code

The Plan Sponsors have, and upon confirmation of this Plan shall be deemed to have, solicited acceptances of this Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code, and therefore are not and will not be liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of this Plan.

13.13. Inconsistency

In the event of any inconsistency among the Plan, the Disclosure Statement, the Plan Documents, any exhibit to the Plan, or any other instrument or document created or executed pursuant to the Plan, the provisions of the Plan shall govern; provided, that, notwithstanding the foregoing, in the event of any inconsistency among the Asset Purchase Agreement and any other document (including the Plan), the Asset Purchase Agreement shall govern.

13.14. Avoidance and Recovery Actions

Effective as of the Effective Date, the LP Debtors retain the right to prosecute any avoidance or recovery actions under sections 544, 547, 548, 549 and 550 of the Bankruptcy Code except for any such actions that are Acquired Assets.

13.15. Expedited Determination

The LP Debtors are hereby authorized to file a request for expedited determination under section 505(b) of the Bankruptcy Code for all tax returns filed with respect to the LP Debtors.

13.16. Exemption from Transfer Taxes

To the fullest extent permitted by applicable law, all sale transactions consummated by the LP Debtors and approved by the Bankruptcy Court on and after the Confirmation Date through and including the Effective Date, including any transfers effectuated under this Plan, the sale by the LP Debtors of any owned property pursuant to section 1123(b)(4) of the Bankruptcy Code, and any assumption, assignment, and/or sale by the LP Debtors of their interests in unexpired leases of non-residential real property or executory contracts pursuant to section 365(a) of the Bankruptcy Code, shall constitute a “transfer under a plan” within the purview of section 1146 of the Bankruptcy Code, and shall not be subject to any stamp, real estate transfer, mortgage recording, or other similar tax.

13.17. Notice of Entry of Confirmation Order and Relevant Dates

Promptly upon entry of the Confirmation Order, the LP Debtors shall publish as directed by the Bankruptcy Court and serve on all known parties in interest and holders of Claims and Equity Interests, notice of the entry of the Confirmation Order and all relevant deadlines and dates under the Plan, including, but not limited to, the deadline for filing notice of Administrative Claims, and the deadline for filing rejection damage Claims.

13.18. Termination of Professionals

On the Effective Date, the engagement of each Professional Person retained by the LP Debtors, if any, shall be terminated without further order of the Bankruptcy Court or act of the parties; provided, however, such Professional Persons shall be entitled to prosecute their respective Fee Claims and represent their respective constituents with respect to applications for payment of such Fee Claims and the LP Debtors shall be responsible for the fees, costs and expenses associated with the prosecution of such Fee Claims. Nothing herein shall preclude any

LP Debtor from engaging a Professional Person on or after the Effective Date in the same capacity as such Professional Person was engaged prior to the Effective Date.

13.19. Interest and Attorneys' Fees

Interest accrued after the applicable Petition Date will accrue and be paid on Claims only to the extent specifically provided for in this Plan, the Plan Documents, the Confirmation Order, or as otherwise required by the Bankruptcy Court or by applicable law. No award or reimbursement of attorneys' fees or related expenses or disbursements shall be allowed on, or in connection with, any Claim, except as set forth in the Plan or as ordered by the Bankruptcy Court.

13.20. Amendments

(a) Plan Modifications. This Plan may be amended, modified, or supplemented by the Plan Sponsors, in the manner provided for by section 1127 of the Bankruptcy Code or as otherwise permitted by law, without additional disclosure pursuant to section 1125 of the Bankruptcy Code, except as otherwise ordered by the Bankruptcy Court. In addition, after the Confirmation Date, so long as such action does not materially and adversely affect the treatment of holders of Allowed Claims and Allowed Equity Interests pursuant to this Plan, the Plan Sponsors may remedy any defect or omission or reconcile any inconsistencies in this Plan, the Plan Documents and/or the Confirmation Order, with respect to such matters as may be necessary to carry out the purposes and intended effects of this Plan, and any holder of a Claim or Equity Interest that has accepted this Plan shall be deemed to have accepted this Plan as amended, modified, or supplemented.

(b) Other Amendments. Prior to the Effective Date, the Plan Sponsors may make appropriate technical adjustments and modifications to this Plan without further order or approval of the Bankruptcy Court; provided, however, that, such technical adjustments and modifications do not adversely affect in a material way the treatment of holders of Claims or Equity Interests under the Plan.

13.21. Revocation or Withdrawal of this Plan

The Plan Sponsors reserve the right to revoke or withdraw this Plan prior to the Effective Date. If the Plan Sponsors revoke or withdraw this Plan prior to the Effective Date as to any or all of the LP Debtors, or if confirmation or consummation as to any or all of the LP Debtors does not occur, then, with respect to such LP Debtors: (a) this Plan shall be null and void in all respects; (b) any settlement or compromise embodied in this Plan (including the fixing or limiting to an amount certain any Claim or Equity Interest or Class of Claims or Equity Interests), assumption, assumption or assignment, or rejection of executory contracts or leases affected by this Plan, and any document or agreement executed pursuant to this Plan shall be deemed null and void; and (c) nothing contained in this Plan shall (i) constitute a waiver or release of any Claims by or against, or any Equity Interests in, such LP Debtors or any other Person, (ii) prejudice in any manner the rights of such LP Debtors or any other Person, or (iii) constitute an admission of any sort by the LP Debtors or any other Person.

13.22. No Successor Liability

Except as otherwise expressly provided in the Plan or the Asset Purchase Agreement, neither the Purchaser nor any Alternative Purchaser, pursuant to this Plan or otherwise, assumes, agrees to perform, pay or indemnify or otherwise has any responsibilities for any liabilities or obligations of the LP Debtors or any other party relating to or arising out of the operations of or Assets of the LP Debtors, whether arising prior to, on, or after the Effective Date. Neither the Purchaser nor any Alternative Purchaser is, and shall not be, a successor to any of the LP Debtors by reason of any theory of law or equity, and neither shall have any successor or transferee liability of any kind or character, except that the Purchaser (or, if applicable, the Alternative Purchaser) shall assume the Assumed Liabilities under the terms and subject to the conditions set forth in the Asset Purchase Agreement.

13.23. Allocation of Plan Distributions Between Principal and Interest

To the extent that any Allowed Claim entitled to a distribution under the Plan consists of indebtedness and other amounts (such as accrued but unpaid interest thereon), any distribution on account of such Claim shall be allocated first to the principal amount of the Claim (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claim, to such other amounts.

13.24. Compliance with Tax Requirements

In connection with the Plan, the Disbursing Agent shall comply with all withholding and reporting requirements imposed by federal, state, local, and foreign taxing authorities, and all Plan Distributions hereunder shall be subject to such withholding and reporting requirements. Notwithstanding the foregoing, each holder of an Allowed Claim that is to receive a Plan Distribution shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any government unit, including income, withholding, and other tax obligations, on account of such Plan Distribution. The Disbursing Agent has the right, but not the obligation, to not make a Plan Distribution until such holder has made arrangements satisfactory to the Disbursing Agent for payment of any such tax obligations.

13.25. Rates

The Plan does not provide for the change of any rate that is within the jurisdiction of any governmental regulatory commission after the occurrence of the Effective Date. Where a Claim has been denominated in foreign currency on a Proof of Claim, the allowed amount of such Claim shall be calculated in legal tender of the United States based upon the conversion rate in place as of the Petition Date and in accordance with section 502(b) of the Bankruptcy Code.

13.26. Binding Effect

Except as otherwise provided in section 1141(d)(3) of the Bankruptcy Code, and subject to the occurrence of the Effective Date, on and after the Confirmation Date, the provisions of this Plan shall be binding upon the LP Debtors and each holder of any Claim or Equity Interest and inure to the benefit of and be binding on such holder's successors and assigns, whether or not the

Claim or Equity Interest of such holder is impaired under this Plan and whether or not such holder has accepted this Plan.

13.27. Successors and Assigns

The rights, benefits and obligations of any Person named or referred to in the Plan shall be binding on, and shall inure to the benefit of, any heir, executor, administrator, successor or assign of such Person.

13.28. Time

In computing any period of time prescribed or allowed by this Plan, unless otherwise set forth herein or determined by the Bankruptcy Court, the provisions of Bankruptcy Rule 9006 shall apply.

13.29. Severability

If, prior to the entry of the Confirmation Order, any term or provision of this Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court, at the request of the Plan Sponsors, shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of this Plan will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of this Plan, as it may have been altered or interpreted in accordance with the foregoing, is valid and enforceable pursuant to its terms.

13.30. Federal Communications Commission Approvals

Notwithstanding any other provision of this Plan, nothing in this Plan shall be construed to authorize or require any action, and no party shall take any action, that would result in the assignment or transfer of control of any rights or interests of the LP Debtors in any federal license or authorization issued by the FCC prior to the issuance of FCC regulatory approval for such assignment pursuant to the Communications Act of 1934, as amended, and the rules and regulations promulgated thereunder.

13.31. Reservation of Rights

Except as expressly set forth herein, the Plan shall have no force or effect unless the Bankruptcy Court shall enter the Confirmation Order. None of the filing of this Plan, any statement or provision contained herein, or the taking of any action by the Plan Sponsors or the Stalking Horse Bidder with respect to this Plan shall be or shall be deemed to be, an admission or waiver of any rights of the Plan Sponsors or the Stalking Horse Bidder with respect to any Claims or Equity Interests prior to the Effective Date.

ARTICLE II. RESOLUTION OF CERTAIN INTER-DEBTOR ISSUES

2.1. ~~Substantive Consolidation of the LP Debtors for Purposes of Voting, Confirmation and Distribution~~ Non-Consolidated Plan

~~This Plan provides for~~

~~Although for purposes of administrative convenience and efficiency the Plan has been filed as a joint Plan for each of the LP Debtors and consolidates classes of Claims against and Equity Interests in the LP Debtors, the Plan does not provide for the substantive consolidation of the LP Debtors' Estates, but solely for purposes of voting, confirmation, and making distributions to the holders of Allowed Claims and Allowed Equity Interests under the Plan. Notwithstanding anything herein to the contrary, the LP Debtors shall not be merged or consolidated and shall maintain their pre-Effective Date corporate structure. On the Effective Date: (i) all guarantees by any LP Debtor of the payment, performance or collection by another LP Debtor with respect to Claims against such second LP Debtor, and all Claims based on such guarantees, shall be deemed eliminated, cancelled, released and of no further force and effect; (ii) any obligation of any LP Debtor and all guarantees by another LP Debtor with respect to~~

~~Claims of the first LP Debtor shall be treated as a single obligation; (iii) each Claim against any LP Debtor shall be deemed to be against the consolidated LP Debtors and shall be deemed a single Claim against, and a single obligation of, the consolidated LP Debtors; and (iv) all Intercompany Claims shall be deemed eliminated as a result of the substantive consolidation of the LP Debtors, and therefore holders thereof shall not be entitled to vote on the Plan, or receive any Plan Distributions or other allocations of value under the Plan. Except as set forth in this Section 2.1, such substantive consolidation shall not (other than for purposes related to the Plan) (x) affect the legal and corporate structure of the LP Debtors or (y) affect any obligations under any leases or contracts assumed in the Plan or otherwise after the Petition Date. Such joint administration shall not affect any LP Debtor's status as a separate legal entity, change the organizational structure of the LP Debtors' business enterprise, constitute a change of control of any LP Debtor for any purpose, cause a merger or consolidation of any legal entities, nor cause the transfer of any assets and, except as otherwise provided by or permitted in the Plan, all LP Debtors shall continue to exist as separate legal entities. For the avoidance of doubt, the Plan must comply with section 1129 of the Bankruptcy Code for each LP Debtor, and votes with respect to the Plan will be tabulated on a non-consolidated basis by class and by Debtor for the purpose of determining whether the Plan satisfies section 1129 of the Bankruptcy Code with respect to each LP Debtor.~~

2.2. Intercompany Claims

Except as otherwise provided in the Plan, Administrative Claims and Intercompany Claims between and among the LP Debtors shall, solely for purposes of receiving Plan Distributions, be deemed resolved and therefore not entitled to any Plan Distribution and shall not be entitled to vote on the Plan.

2.3. ~~2.2.~~ Inc. Entity General Unsecured Claims

~~On or before the Inc. Entity General Unsecured Claims Bar Date, any Inc. Entity that asserts an Inc. Entity General Unsecured Claim against any of the LP Debtors shall file a proof of such Claim with the Claims Agent by hand delivery, overnight courier, or first class mail to LightSquared Claims Processing Center, c/o Kurtzman Carson Consultants LLC, 2335 Alaska Avenue, El Segundo, CA 90254, and serve a copy of such proof of Claim on the Plan Sponsors. Any timely filed Any Allowed Inc. Entity General Unsecured Claim shall be classified as an LP General Unsecured Claim and receive the treatment set forth in ~~Class 4—General LP Unsecured Claims~~ Section 5.4 of this Plan, unless otherwise ordered by the Bankruptcy Court.~~

ARTICLE III. PROVISIONS FOR TREATMENT OF UNCLASSIFIED CLAIMS

3.1. Unclassified Claims

As provided by section 1123(a)(1) of the Bankruptcy Code, Administrative Claims, Fee Claims, U.S. Trustee Fees and Priority Tax Claims against the LP Debtors shall not be classified under the Plan, and shall instead be treated separately as unclassified Claims on the terms set forth in this Article III. Holders of such Claims are not entitled to vote on this Plan.

3.2. Treatment of Administrative Claims

(a) Time for Filing Administrative Claims

Each holder of an Administrative Claim, other than (i) a Fee Claim, (ii) a liability incurred and payable in the ordinary course of business by any LP Debtor (and not past due), (iii) an Administrative Claim that has become an Allowed Claim on or before the Effective Date, or (iv) any claim by the Stalking Horse Bidder for payment of the Break-Up Fee or Expense Reimbursement under the Bid Procedures Order or Stalking Horse Agreement must file with the Bankruptcy Court and serve on (a) the LP Debtors, (b) the Office of the U.S. Trustee, and (c) the Plan Sponsors notice of such Administrative Claim ~~within~~ no later than thirty (30) days after service of the Notice of Effective Date. Such notice of Administrative Claim must include, at a minimum, (i) the name of the holder of the Administrative Claim, (ii) the amount of the Administrative Claim, and (iii) a detailed description of the basis for the Administrative Claim. **Failure to file and serve such notice timely and properly shall result in the Administrative Claim being forever barred and discharged.**

(b) Allowance of Administrative Claims

An Administrative Claim with respect to which notice has been properly filed and served pursuant to Section 3.2(a) of this Plan shall become an Allowed Administrative Claim if no objection is filed within thirty (30) days after the later of (i) the Effective Date, (ii) the date of service of the applicable notice of Administrative Claim, or (iii) such later date as may be (a) agreed to by the holder of such Administrative Claim or (b) approved by the Bankruptcy Court on motion of a party in interest, without notice or a hearing. If an objection is filed within such thirty (30) day period (or any extension thereof) and is not otherwise resolved, the Administrative Claim shall become an Allowed Administrative Claim only to the extent allowed by Final Order. For the avoidance of doubt, any claim by the Stalking Horse Bidder for the Break-Up Fee or Expense Reimbursement shall be deemed an Allowed Administrative Expense Claim in accordance with the Bid Procedures Order, and the Stalking Horse Bidder shall not be required to file any notice of an Administrative Claim in accordance with Section 3.2(a) of this Plan or any other proof of claim or administrative expense in respect of any claim for the Break-Up Fee or Expense Reimbursement.

(c) Payment of Allowed Administrative Claims

On the Plan Distribution Date, each holder of an Allowed Administrative Claim shall receive, (i) the amount of such holder's Allowed Administrative Claim in one payment of Plan Consideration in the form of Cash (to the extent not previously paid by the LP Debtors) or (ii) such other treatment as may be agreed upon in writing by (a) the LP Debtors ~~(or, if after the Effective Date, the Disbursing Agent)~~, and (b) such holder; provided, that such treatment shall not provide a recovery to such holder having a present value as of the Effective Date in excess of such holder's Allowed Administrative Claim; provided, further, that an Administrative Claim representing a liability incurred in the ordinary course of business of any of the LP Debtors may

be paid by the respective LP Debtor (~~or, if after the Effective Date, the Disbursing Agent~~), as applicable, in the ordinary course of business; provided, further, that the Break-Up Fee and Expense Reimbursement shall be paid in accordance with the terms of the Stalking Horse Agreement and Bid Procedures Order; and provided, further, that any Allowed Administrative Claim accrued or incurred prior to the Effective Date, but not paid on or prior to the Effective Date, shall be paid from the reserve established pursuant to Section 9.5(b) of this Plan (and, to the extent that amounts deposited in the reserve established pursuant to Section 9.5(b) of this Plan are insufficient to pay such Allowed Administrative Claim, the LP Debtors may withdraw Cash from the Wind Down Reserve to pay such Allowed Administrative Claim).

(d) Ad Hoc LP Secured Group Fee Claims and Plan Sponsor Fee Claims

In the case of the Ad Hoc LP Secured Group Fee Claims and Plan Sponsor Fee Claims, such Ad Hoc LP Secured Group Fee Claims and Plan Sponsor Fee Claims will be paid in full in Plan Consideration in the form of Cash on the Effective Date for all reasonable fees and expenses incurred up to the Effective Date (to the extent not previously paid by the LP Debtors), subject to the LP Debtors' prior receipt of invoices and reasonable documentation in connection therewith and without the requirement to file a Fee Application with the Bankruptcy Court. In the event that the LP Debtors dispute all or a portion of the Ad Hoc LP Secured Group Fee Claims or Plan Sponsor Fee Claims, the LP Debtors shall pay the undisputed amount of such Ad Hoc LP Secured Group Fee Claims or Plan Sponsor Fee Claims (as applicable), and segregate the remaining portion of such Ad Hoc LP Secured Group Fee Claims or Plan Sponsor Fee Claims (as applicable) until such dispute is resolved by the parties or by the Bankruptcy Court.

3.3. Treatment of Fee Claims

(a) Time for Filing Fee Claims

Each Professional Person who holds or asserts a Fee Claim against the LP Debtors shall be required to file with the Bankruptcy Court, and serve on all parties required to receive notice, a final Fee Application within no later than forty (40) days after the Effective Date or such other date as may be fixed by the Bankruptcy Code. **The failure to timely file and serve such final Fee Application shall result in the Fee Claim being forever barred and discharged.**

(b) Allowance of Fee Claims

A Fee Claim in respect of which a Fee Application has been properly filed and served pursuant to Section 3.3(a) of this Plan shall become an Allowed Fee Claim only to the extent allowed by Final Order.

(c) Treatment of Fee Claims

Each holder of an Allowed Fee Claim shall receive, in full satisfaction of such Allowed Fee Claim, (i) on the date such Fee Claim becomes an Allowed Fee Claim, or as soon thereafter as is practicable, Plan Consideration in the form of Cash in an amount equal to such Allowed Fee Claim (less any amounts previously paid on account of such Fee Claim by the LP Debtors) or (ii) such other treatment as may be agreed to by such holder of an Allowed Fee Claim; provided, that such treatment shall not provide a recovery to such holder having a present value as of the

Effective Date in excess of such holder’s Allowed Fee Claim; provided, further, that any Allowed Fee Claim accrued or incurred prior to the Effective Date, but not paid on or prior to the Effective Date, shall be paid from the reserve established pursuant to Section 9.5(b) of this Plan (and, to the extent that amounts deposited in the reserve established pursuant to Section 9.5(b) of this Plan are insufficient to pay such Allowed Fee Claim, the LP Debtors may withdraw Cash from the Wind Down Reserve to pay such Allowed Fee Claim).

3.4. Treatment of U.S. Trustee Fees

The Disbursing Agent, on behalf of each of the LP Debtors, shall pay all outstanding U.S. Trustee Fees of such LP Debtor on an ongoing basis on the later of: (i) the Effective Date; and (ii) the date such U.S. Trustee Fees become due, until such time as a final decree is entered closing the applicable Chapter 11 Case or the applicable Chapter 11 Case is converted or dismissed, or the Bankruptcy Court orders otherwise. Any deadline for filing Administrative Claims shall not apply to U.S. Trustee Fees.

3.5. Treatment of Priority Tax Claims

Each holder of an Allowed Priority Tax Claim shall receive, in full satisfaction of such Allowed Priority Tax Claim: (a) Plan Consideration in the form of Cash in the amount of such Allowed Priority Tax Claim (to the extent not previously paid by the LP Debtors) on the later of (i) the applicable Plan Distribution Date and (ii) as soon as practicable after such Priority Tax Claim becomes an Allowed Priority Tax Claim or (b) such other treatment as may be agreed to by such holder of an Allowed Priority Tax Claim; provided, that such treatment shall not provide a recovery to such holder having a present value as of the Effective Date in excess of such holder’s Allowed Priority Tax Claim.

Although the Wind Down Reserve will be funded on the Funding Date, the Cash deposited in the Wind Down Reserve~~ shall be used to provide funding for reasonable expenses incurred or accrued by the LP Debtors on or after the Effective Date that are directly related to the Wind Down, including, without limitation, professional fees and expenses incurred by the LP Debtors in connection therewith. To the extent that amounts deposited in the Wind Down Reserve are insufficient to pay such expenses, the LP Debtors may withdraw Cash from the Disputed Claims Reserves established under Section 9.5 of this Plan, in an amount not to exceed \$1,000,000. For the avoidance of doubt, the Cash deposited in the Wind Down Reserve shall not be used to provide funding for the LP Debtors' working capital needs (i.e., operating expenditures and capital expenditures) on and after the Funding Date, which obligations shall be the responsibility of the Purchaser pursuant to, and subject in all respects to the terms of, the Asset Purchase Agreement. For the further avoidance of doubt, the Purchaser shall not be responsible for the payment of any expenses associated with the Wind Down in the event that the Wind Down Reserve is insufficient to pay such expenses.

After funding the Wind Down Reserve, the remaining LP Sale Proceeds shall be deposited in the Disbursement Account as set forth in Section 7.3.

The Confirmation Order shall provide that, pursuant to sections 105(a), 1123(a)(5), 1123(b)(4), 1141, and 1142(b), upon the occurrence of the Funding Date, the LP Debtors shall pay all Allowed Prepetition LP Facility Claims as set forth in the Plan. The Plan shall constitute a motion for approval of such payment. Thereafter, on motion of the LP Debtors or the Plan Sponsors, and after notice and a hearing, the Bankruptcy Court may enter additional Advance Payment Orders as it deems appropriate.

7.2. The LP Sale

The Confirmation Order shall approve a sale of the Acquired Assets under sections 105(a), 1123(a)(5), 1123(b)(4), 1129(b)(2)(A), 1141, 1142(b), 1145 and 1146(a) of the Bankruptcy Code pursuant to a sale process under the terms and conditions of the Asset

Purchase Agreement and the Bid Procedures Order free and clear of any Claims, Liens, interests, or encumbrances. The LP Sale Proceeds shall include a Cash component in an amount sufficient for the Disbursing Agent to make all Plan Distributions required to be in the form of Cash, and for the LP Debtors to fund the Wind Down Reserve and Disputed Claims Reserves, and to pay all amounts due to be paid to the Stalking Horse Bidder pursuant to the terms of the Bid Procedures Order in the event the Stalking Horse Bidder is not the Purchaser, including the Break-Up Fee and Expense Reimbursement. Upon entry of the Confirmation Order, the LP Debtors shall be (a) authorized to, among other things, sell, assume, assign and/or transfer the Acquired Assets, subject to applicable law and the terms and conditions of the Asset Purchase Agreement (including, without limitation, receipt of the Specified Regulatory Approvals to the extent applicable), and take any and all actions necessary to consummate the LP Sale; and (b) authorized and directed to execute the Asset Purchase Agreement (to the extent not executed as of the Confirmation Date). Actions necessary to consummate the LP Sale may include, among others, (a) the execution and delivery of appropriate instruments of transfer, assignment, assumption or delegation of any Asset, property, rights, liability, duty or obligation on terms consistent with the terms of the Asset Purchase Agreement and the Plan and having such other terms to which the LP Debtors and the Purchaser may agree and (b) all other actions that are necessary and appropriate in connection with such transactions, including making such filings or recordings that may be required by or appropriate under applicable state law. Nothing in the Plan or Confirmation Order authorizes the transfer or assignment of the Acquired Assets to the Purchaser (or, if applicable, the Alternative Purchaser) without the Purchaser's (or, if applicable, the Alternative Purchaser's) compliance with applicable non-bankruptcy laws regarding the transfer, assignment, or ownership of such Assets.

7.3. Distribution Account

The Distribution Account shall be established to receive on the ~~Effective~~Funding Date the Plan Consideration, ~~which shall vest in~~ Plan Distributions to be made pursuant to the Plan or an Advance Payment Order shall be made from the Distribution Account ~~on the Effective Date free and clear of any and all claims, encumbrances, or interests in accordance with section 1141 of the Bankruptcy Code, but subject to the rights of holders of Claims and Equity Interests to obtain the distributions provided for in this Plan. Notwithstanding the foregoing, the applicable provisions of the Prepetition LP Facility Credit Documents shall

continue in effect solely for the purposes of permitting the Prepetition LP Facility Agent and/or the Disbursing Agent to make distributions pursuant to this Plan on account of Allowed Prepetition LP Facility-~~Secured~~ Claims and to effectuate any charging Liens permitted under the Prepetition LP Facility Credit Agreement, and to assert any rights the holders of Prepetition LP Facility-~~Secured~~ Claims may have with respect to any guaranty of such Prepetition LP Facility-~~Secured~~ Claims by a Person other than an LP Debtor. Except as otherwise set forth herein, the holders of or parties to such cancelled instruments, securities and other documentation will have no rights arising from or relating to such instruments, securities and other documentation or the cancellation thereof, except the rights provided for pursuant to the Plan. Except as provided pursuant to this Plan, the Prepetition LP Facility Agent and its agents, successors and assigns shall be discharged of all of their obligations associated with the Prepetition LP Facility Credit Documents upon payment in full of the Prepetition LP Facility-~~Secured~~ Claims.

7.5. Comprehensive Settlement of Claims and Controversies

The entry of the Confirmation Order will constitute the Bankruptcy Court's approval, as of the Effective Date, of the compromise or settlement of all such claims or controversies and the Bankruptcy Court's finding that all such compromises or settlements are: (a) in the best interests of the LP Debtors and their respective Estates and property, and of holders of Claims or Equity Interests; and (b) fair, equitable and reasonable.

In addition, on and after the Effective Date, ~~the LP Debtors shall maintain the Acquired Assets and comply with all of their obligations under the Asset Purchase Agreement. Without limiting the foregoing, the LP Debtors may pay, from the proceeds of the Wind Down Reserve, the charges that they incur on or after the Effective Date for Professional Persons' fees, disbursements, expenses or related support services without application to the Bankruptcy Court.

7.9. Wind Down of the LP Debtors and Their Estates

The LP Debtors shall not be required to post a bond in favor of the United States.

(b) Following the Effective Date, the LP Debtors shall not engage in any business activities or take any actions, except those necessary to effectuate the Plan, and the Wind Down ~~and compliance with their obligations under the Asset Purchase Agreement.~~ On and after the Effective Date, the LP Debtors may take such action and settle and compromise Claims or Equity Interests without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or the Bankruptcy Rules, other than any restrictions expressly imposed by the Plan, the Confirmation Order and/or the Asset Purchase Agreement (including, without, limitation, Article IX of this Plan).

Upon and after the Closing of the LP Sale pursuant to the Asset Purchase Agreement, all Persons holding Claims and Equity Interests arising out of or concerning an Assumed Liability, shall be forever barred, estopped and permanently enjoined from asserting against the LP Debtors and any of their property, such Claims or Equity Interests, as applicable. (b) Entry of the Confirmation Order shall establish conclusive corporate and other authority (and evidence of such corporate and other authority) required for each of the LP Debtors to undertake any and all acts and actions required to implement or contemplated by the Plan and Confirmation Order (including, without limitation, the execution and delivery of the Asset Purchase Agreement), and such acts and actions shall be deemed to have occurred and shall be in effect pursuant to applicable non-bankruptcy law and the Bankruptcy Code, without the need for board or shareholder vote and without any requirement of further action by the stockholders, directors, partners or managers of the LP Debtors (if any).

(c) On the Effective Confirmation Date, the Existing Boards are authorized and directed to execute and/or deliver, as the case may be, the agreements, documents and instruments contemplated by the Plan, the Plan Supplement and the Asset Purchase Agreement and any schedules, exhibits or other documents attached thereto or contemplated thereby in the name and on behalf of the LP Debtors.

7.14. Intercompany Equity Interests

No Equity Interest held by an LP Debtor in another LP Debtor shall be cancelled by the terms of this Plan, and all such Equity Interests shall continue in place following the Effective Date solely for the purpose of maintaining the existing corporate structure of the LP Debtors. ~~For the avoidance of doubt,~~ Equity Interests held by any Inc. Entity in any LP Debtor shall be cancelled in accordance with Section 5.6 of this Plan; provided, that, no such Equity Interests shall be cancelled to the extent that the cancellation of such Equity Interests would cause the dissolution or winding up of any LP Debtor prior to the consummation of its Wind Down in accordance with this Plan, in which case such Equity Interests shall be cancelled immediately upon the consummation of, and pursuant to, such Wind Down.

ARTICLE VIII. PLAN DISTRIBUTION PROVISIONS

8.1. The Disbursing Agent

All Plan Distributions under this Plan shall be made by the Disbursing Agent ~~on and after the Effective Date~~ as provided herein, or as set forth in an Advance Payment Order. The Disbursing Agent shall be empowered to: (a) take all steps and execute all instruments and documents necessary to make Plan Distributions to holders of Allowed Claims and Equity Interests; (b) comply with the Plan and the obligations thereunder; (c) make periodic reports regarding the status of distributions under the Plan to the holders of Allowed Claims that are outstanding at such time, with such reports to be made available upon request to the holder of any Disputed Claim; and (d) exercise such other powers as may be vested in the Disbursing Agent pursuant to the Plan, the Plan Documents, the Confirmation Order, or any other order of the Bankruptcy Court. Except as otherwise ordered by the Bankruptcy Court, and subject to the written agreement of the LP Debtors if the Disbursing Agent is a Person other than the LP Debtors, the amount of any reasonable documented fees and expenses incurred by the Disbursing

Agent on or after the Effective Date (including, without limitation, taxes) and any reasonable compensation and expense reimbursement Claims (including, without limitation, reasonable attorney and other professional fees and expenses) made by the Disbursing Agent shall be paid in Cash by the LP Debtors from the Wind Down Reserve.

8.2. Postpetition Interest

Postpetition interest shall be paid on Allowed Prepetition LP Facility-~~Secured~~ Claims as set forth in this Plan and the Prepetition LP Facility Credit Documents. In addition, postpetition interest and/or dividends shall be paid on Allowed Existing LP Preferred ~~Unit~~Units Equity Interests to the extent that (a) there is sufficient ~~LP Cash~~Plan Consideration to make a Plan Distribution to holders of LP Common Equity Interests after giving effect to all other Plan Distributions contemplated by this Plan and (b) payment of such amounts is permitted under applicable bankruptcy or non-bankruptcy law. With respect to all Claims and Equity Interests other than Allowed Prepetition LP Facility ~~Secured~~-Claims and Allowed Existing LP Preferred ~~Unit~~Units Equity Interests, postpetition interest shall not accrue or be paid, and no holder of a Claim or Equity Interest shall be entitled to interest accruing on such Claim or Equity Interest after the Petition Date, except as otherwise specifically provided for in the Confirmation Order or other order of the Bankruptcy Court, or required by applicable bankruptcy or non-bankruptcy law.

8.3. Timing of Plan Distributions

Unless otherwise provided herein, any distributions and deliveries to be made hereunder shall be made on the applicable Plan Distribution Date or as soon thereafter as is practicable, provided that the LP Debtors or the Disbursing Agent, as applicable, may utilize periodic distribution dates to the extent appropriate and not otherwise inconsistent with the Plan. In the event that any payment or act under this Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

8.4. Distribution Record Date

(a) As of the close of business on the Distribution Record Date, the various lists of holders of Claims and Equity Interests in each of the Classes, as maintained by the LP Debtors, or their agents, shall be deemed closed and there shall be no further changes in the record holders of any of the Claims and Equity Interests. Neither the LP Debtors nor the Disbursing Agent shall have any obligation to recognize any transfer of Claims or Equity Interests occurring after the close of business on the Distribution Record Date. Additionally, with respect to payment of any Cure Costs or any Cure Disputes in connection with the assumption and/or assignment of the LP Debtors' executory contracts and leases, the LP Debtors shall have no obligation to recognize or deal with any party other than the non-LP Debtor party to the underlying executory contract or lease, even if such non-LP Debtor party has sold, assigned or otherwise transferred its Claim for a Cure Cost.

(b) Plan Distributions to be made on account of Allowed Prepetition LP Facility-~~Secured~~ Claims shall be made by the Disbursing Agent to the Prepetition LP Facility Agent, who

shall distribute such Plan Distributions to holders of Allowed Prepetition LP Facility-~~Secured~~ Claims in accordance with the terms of the Prepetition LP Facility Credit Agreement. The Prepetition LP Facility Agent shall cooperate and assist the Disbursing Agent in connection with such distributions to the holders of Allowed Prepetition LP Facility-~~Secured~~ Claims. The LP Debtors, through the Disbursing Agent, shall pay the Prepetition LP Facility Agent's reasonable documented fees and expenses incurred in providing any such cooperation or assistance from the Wind Down Reserve.

(c) Plan Distributions to be made on account of Allowed Claims and Equity Interests other than Prepetition LP Facility-~~Secured~~ Claims shall be made directly by the Disbursing Agent to the holders of such Claims and Equity Interests.

8.5. Address for Delivery of Plan Distributions/Unclaimed Plan Distributions

Subject to Bankruptcy Rule 9010, any Plan Distribution or delivery to a holder of an Allowed Claim or Equity Interest shall be made at the address of such holder as set forth in the latest-dated of the following actually held or received by the LP Debtors or the Disbursing Agent prior to the Effective Date: (a) the Schedules; (b) the Proof of Claim filed by such holder; (c) any notice of assignment filed with the Bankruptcy Court with respect to such Claim or Equity Interest pursuant to Bankruptcy Rule 3001(e); (d) any notice served by such holder giving details of a change of address; or (e) the transfer ledger in respect of the Existing LP Preferred ~~Unit~~Units Equity Interests and LP Common Equity Interests. If any Plan Distribution sent to the holder of a Claim or Equity Interest is returned to the Disbursing Agent as undeliverable, no Plan Distributions shall be made to such holder unless the Disbursing Agent is notified of such holder's then current address within one hundred and twenty (120) days after such Plan Distribution was returned. After such date, if such notice was not provided, such holder shall have forfeited its right to such Plan Distribution, and the undeliverable Plan Distribution shall revert to the Distribution Account. Upon such reversion, the Claim or Equity Interest of any holder or its successors with respect to such property shall be cancelled, discharged and forever barred notwithstanding any applicable federal or state escheat, abandoned or unclaimed property laws to the contrary.

8.6. Time Bar to Cash Payments

Checks issued in respect of Allowed Claims shall be null and void if not negotiated within ninety (90) days after the date of issuance thereof. Requests for reissuance of any voided check shall be made directly to the Disbursing Agent by the holder of the Allowed Claim to whom such check was originally issued. Any claim in respect of such a voided check shall be made within one hundred and twenty (120) days after the date of issuance of such check. If no request is made as provided in the preceding sentence, any claims in respect of such voided check shall be discharged and forever barred and such unclaimed Plan Distribution shall revert to the Distribution Account.

8.7. No Distribution in Excess of Amount of Allowed Claim

Notwithstanding anything to the contrary herein, no holder of an Allowed Claim shall, on account of such Allowed Claim, receive a Plan Distribution (of a value set forth herein) in excess

of the allowed amount of such Claim plus postpetition interest on such Claim, to the extent interest is permitted under Section 8.2 of this Plan.

8.8. Setoffs and Recoupments

Each LP Debtor, or such entity's designee as instructed by such LP Debtor, may, pursuant to section 553 of the Bankruptcy Code or applicable non-bankruptcy law, set off and/or recoup against any Allowed Claim (other than an Allowed Prepetition LP Facility-~~Secured~~ Claim) or any Allowed Equity Interest, and the Plan Distributions on account of such Allowed Claim or Allowed Equity Interest, any and all claims, rights and Causes of Action that an LP Debtor or its successors may hold against the holder of such Allowed Claim or Allowed Equity Interest after the Effective Date; provided, however, that neither the failure to effect a setoff or recoupment nor the allowance of any Claim or Equity Interest (other than an Allowed Prepetition LP Facility-~~Secured~~ Claim) hereunder will constitute a waiver or release by an LP Debtor or its successor of any and all claims, rights and Causes of Action that an LP Debtor or its successor may possess against such holder; and provided, further, that any proposed setoff or recoupment of the LP Debtors' rights or Causes of Action against an Allowed Inc. Entity General Unsecured Claim shall be subject to Bankruptcy Court approval as a settlement of such Allowed Inc. Entity General Unsecured Claim pursuant to Section 9.3 of this Plan.

8.9. Fractional Cents and De Minimis Distributions

Notwithstanding any other provision of the Plan to the contrary, (i) no payment of fractions of cents will be made; and (ii) the Disbursing Agent shall not have any obligation to make a Plan Distribution that is less than or \$40.00 in Cash. Whenever any payment of a fraction of a cent would otherwise be called for, the actual payment shall reflect a rounding down of such fraction to the nearest whole cent.

8.10. Manner of Payment Under the Plan

Unless the Person receiving a Plan Distribution agrees otherwise, any Plan Distribution to be made in Cash under the Plan shall be made, at the election of the Disbursing Agent, by check drawn on a domestic bank or by wire transfer from a domestic bank. Cash payments to foreign creditors may be, in addition to the foregoing, made at the option of the Disbursing Agent in such funds and by such means as are necessary or customary in a particular foreign jurisdiction. The issuance or delivery of any Plan Distribution that is a security shall be exempt from registration under applicable securities laws pursuant to section 1145(a) of the Bankruptcy Code.

8.11. Requirement to Give a Bond or Surety

The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court and, in the event that the Disbursing Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the applicable LP Debtor. Furthermore, any such Person required to give a bond shall notify the Bankruptcy Court and the U.S. Trustee in writing before terminating any such bond that is obtained.

8.12. Withholding and Reporting Requirements

In connection with this Plan and all distributions hereunder, the LP Debtors shall comply with all withholding and reporting requirements imposed by any federal, state, local or foreign taxing authority, and all Plan Distributions hereunder shall be subject to any such withholding and reporting requirements. The LP Debtors shall be authorized to take any and all actions that may be necessary or appropriate to comply with such withholding and reporting requirements, including, without limitation, liquidating a portion of any Plan Distribution to generate sufficient funds to pay applicable withholding taxes or establishing any other mechanisms the LP Debtors or the Disbursing Agent believe are reasonable and appropriate, including requiring a holder of a Claim or Equity Interest to submit appropriate tax and withholding certifications. Notwithstanding any other provision of this Plan: (a) each holder of an Allowed Claim and/or an Allowed Equity Interest that is to receive a distribution under this Plan shall have sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any governmental unit, including income, withholding and other tax obligations on account of such distribution; and (b) no Plan Distributions shall be required to be made to or on behalf of such holder pursuant to this Plan if, after 120 days from the date of transmission of a written request to the holder of an Allowed Claim or Allowed Equity Interest, the LP Debtors do not receive a valid, completed IRS form from such holder of an Allowed Claim or Allowed Equity Interest, which is otherwise required for reporting purposes, and such holder shall be treated as if their Claims or Equity Interests had been disallowed.

8.13. Cooperation with Disbursing Agent

The LP Debtors and their Professional Persons shall use all commercially reasonable efforts to provide the Disbursing Agent (if an entity other than the LP Debtors) with the amount of Claims and Equity Interests and the identity and addresses of holders of Claims and Equity Interests, in each case, as set forth in the LP Debtors' books and records. The LP Debtors and their Professional Persons shall cooperate in good faith with the Disbursing Agent (if an entity other than the LP Debtors) to comply with any of its reporting and withholding requirements.

ARTICLE IX.

RESERVES AND PROCEDURES FOR RESOLVING DISPUTED CLAIMS

9.1. Objections to Claims

Other than with respect to Fee Claims (to which any party in interest may object) and Inc. Entity General Unsecured Claims (to which the Ad Hoc LP Secured Group or any member thereof may object), only the LP Debtors shall be entitled to object to Claims after the Effective Date. Any objections to Claims (other than Administrative Claims), shall be served and filed on or before the later of: (a) one-hundred twenty (120) days after the Effective Date; and (b) such other date as may be fixed by the Bankruptcy Court, whether fixed before or after the date specified in clause (a) hereof. Any Claims filed after the applicable bar date (including Inc. Entity General Unsecured Claims filed after the Inc. Entity General Unsecured Claims Bar Date), shall be deemed disallowed and expunged in their entirety without further order of the Bankruptcy Court or any action being required on the part of the LP Debtors unless the Person wishing to file such untimely Claim has received Bankruptcy Court authority to do so. Notwithstanding any authority to the contrary, an objection to a Claim shall be deemed properly

served on the claimant if the objecting party effects service in any of the following manners: (i) in accordance with Federal Rule of Civil Procedure 4, as modified and made applicable by Bankruptcy Rule 7004; (ii) by first class mail, postage prepaid, on the signatory on the Proof of Claim as well as all other representatives identified in the Proof of Claim or any attachment thereto; or (iii) if counsel has agreed to or is otherwise deemed to accept service, by first class mail, postage prepaid, on any counsel that has appeared on the claimant's behalf in the Chapter 11 Cases (so long as such appearance has not been subsequently withdrawn).

9.2. Amendment to Claims

Except with respect to Administrative Expense Claims and Fee Claims, from and after the Effective Date, no Claim may be filed to increase or assert additional Claims not reflected in an already filed Claim (or Claim scheduled, unless superseded by a filed Claim, on the applicable LP Debtor's Schedules) asserted by such claimant and any such Claim shall be deemed disallowed and expunged in its entirety without further order of the Bankruptcy Court or any action being required on the part of the LP Debtors unless the claimant has obtained the Bankruptcy Court's prior approval to file such amended or increased Claim.

9.3. Settlement of Claims and Causes of Action

Notwithstanding any requirements that may be imposed pursuant to Bankruptcy Rule 9019, from and after the Effective Date, the LP Debtors shall have authority to settle or compromise all Claims (to the extent not previously compromised, settled and released under the Plan) without further review or approval of the Bankruptcy Court; provided, that notwithstanding the foregoing, the LP Debtors may not settle or compromise any Inc. Entity General Unsecured Claim without approval of the Bankruptcy Court, which the LP Debtors may seek on fourteen (14) calendar days' notice to the Ad Hoc LP Secured Group and Plan Sponsors.

9.4. Estimation of Claims

The LP Debtors (or any of them, as applicable), may at any time request that the Bankruptcy Court estimate any Disputed Claim pursuant to section 502(c) of the Bankruptcy Code regardless of whether the LP Debtors (or any of them, as applicable) has previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any Disputed Claim, that estimated amount shall constitute the allowed amount of such Claim for all purposes under the Plan except with respect to Plan Distributions, and with respect to Plan Distributions, the estimated amount shall constitute the maximum allowed amount of such Claim. All of the objection, estimation, settlement, and resolution procedures set forth in the Plan are cumulative and not necessarily exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn or resolved by any mechanism approved by the Bankruptcy Court.

9.5. ~~Disputed~~ Claims Reserves

(a) No Plan Distributions Pending Allowance. Except as provided in this Section 9.5, Disputed Claims shall not be entitled to any Plan Distributions unless and until such Claims become Allowed Claims.

(b) ~~Disputed~~Unclassified Claims Reserve. On the EffectiveFunding Date or as soon thereafter as is reasonably practicable, the LP Debtors shall set aside and reserve, for the benefit of each holder of a Disputed Claim that is an Administrative Claim or Priority Tax Claim, Plan Consideration in the form of Cash in an amount equal to (i) the amount of such Claim as estimated by the Bankruptcy Court pursuant to an Estimation Order, (ii) if no Estimation Order has been entered with respect to such Claim, the amount in which such Disputed Claim is proposed to be allowed in any pending objection filed with respect to such Claim, or (iii) if no Estimation Order has been entered with respect to such Claim, and no objection to such Claim is pending on the Effective Date, the greater of (A) the amount listed in the Schedules or (B) if the amount listed in the Schedules is less than and (B) the amount set forth in a timely filed Proof of Claim or application for payment filed with the Bankruptcy Court or Claims Agent, the amount set forth in such timely filed Proof of Claim or application for payment, as applicable. In addition, on the EffectiveFunding Date or as soon thereafter as is reasonably practicable, the LP Debtors shall set aside and reserve, for the benefit of each holder of an Administrative Claim (including a Fee Claim) that has been or may be incurred or accrued by the LP Debtors prior to the Effective Date that are not paid on or prior to the Effective Date and has not been paid by the LP Debtors, Plan Consideration in the form of Cash in amount equal to such Administrative Claim (based on the Plan Sponsors' best estimate of the allowable amount of such Claim); ~~provided that, to~~ To the extent that amounts deposited in the reserve established pursuant to this Section 9.5(b) are insufficient to pay any such Allowed Administrative Claim or Allowed Priority Tax Claim, the LP Debtors may withdraw Cash from the Wind Down Reserve to pay such Allowed Administrative Claims. For the avoidance of doubt, the Cash reserved pursuant to this Section 9.5(b) shall not be used to provide funding for the LP Debtors' working capital needs (i.e., operating expenditures and capital expenditures) on and after the Funding Date, which obligations shall be the responsibility of the Purchaser pursuant to, and subject in all respects to the terms of, the Asset Purchase Agreement.

(c) Disputed Priority-Non Tax Claims and Disputed LP Other LP Secured Claims Reserve. On the EffectiveFunding Date or as soon thereafter as is reasonably practicable, the LP Debtors shall set aside and reserve, for the benefit of each holder of a Disputed Claim that is a LP Other Priority ~~Non-Tax~~ Claim or LP Other LP Secured Claim, Plan Consideration in the form of Cash in an amount equal to (i) the amount of such Claim as estimated by the Bankruptcy Court pursuant to an Estimation Order, (ii) if no Estimation Order has been entered with respect to such Claim, the amount in which such Disputed Claim is proposed to be allowed in any pending objection filed with respect to such Claim, or (iii) if no Estimation Order has been entered with respect to such Claim, and no objection to such Claim is pending on the Effective Date, the greater of (A) the amount listed in the Schedules or (B) if the amount listed in the Schedules is less than and (B) the amount set forth in a timely filed Proof of Claim or application for payment filed with the Bankruptcy Court or Claims Agent, the amount set forth in such timely filed Proof of Claim or application for payment, as applicable. To the extent that amounts deposited in the reserve established pursuant to this Section 9.5(c) are insufficient to pay any

Allowed LP Other Priority Claim or Allowed LP Other Secured Claim, the LP Debtors may withdraw Cash from the Wind Down Reserve to pay such Allowed Claims.

(d) Disputed LP General LP-Unsecured Claims Reserve. On the ~~Effective~~Funding Date or as soon thereafter as is reasonably practicable, the LP Debtors shall set aside and reserve, for the benefit of each holder of a Disputed Claim that is ~~a~~an LP General ~~LP~~ Unsecured Claim, Plan Consideration in an amount equal to (i) the LP General ~~LP~~ Unsecured Claims Distribution minus the amount of Allowed LP General ~~LP~~ Unsecured Claims as of the ~~Effective~~Funding Date, or (ii) such other amount as may be ordered by the Bankruptcy Court on or prior to the Confirmation Date. Further, so long as the Allowed Prepetition LP Facility ~~Secured~~ Claims have been paid in full on the Effective Date as set forth in Section 5.3 of this Plan, and only to the extent the aggregate amount of Disputed LP General ~~LP~~ Unsecured Claims (as calculated hereunder) exceeds the Cash set aside and reserved pursuant to the first sentence of this Section 9.5(d), the LP Debtors shall, on the ~~Effective~~Funding Date or as soon thereafter as is reasonably practicable, set aside and reserve, for the benefit of each holder of a Disputed LP General ~~LP~~ Unsecured Claim, Cash in an amount equal to (i) the amount of such Claim as estimated by the Bankruptcy Court pursuant to an Estimation Order, (ii) if no Estimation Order has been entered with respect to such Claim, the amount in which such Disputed Claim is proposed to be allowed in any pending objection filed by the LP Debtors, or (iii) if no Estimation Order has been entered with respect to such Claim, and no objection to such Claim is pending on the Effective Date, the greater of (A) the amount listed in the Schedules ~~or (B) if the amount listed in the Schedules is less than~~ and (B) the amount set forth in a timely filed Proof of Claim or application for payment filed with the Bankruptcy Court or Claims Agent, ~~the amount set forth in such timely filed Proof of Claim or application for payment, as applicable.~~

(e) Plan Distributions to Holders of Subsequently Allowed Claims. On each Plan Distribution Date (or such earlier date as determined by the LP Debtors or the Disbursing Agent in their sole discretion but subject to this Section 9.5), the Disbursing Agent will make Plan Distributions from the applicable Disputed Claims Reserve on account of any Disputed Claim that has become an Allowed Claim since the occurrence of the previous Plan Distribution Date. The Disbursing Agent shall distribute from the applicable Disputed Claims Reserve in respect of such newly Allowed Claims the Plan Distributions to which holders of such Claims would have been entitled under this Plan if such newly Allowed Claims were fully or partially Allowed, as the case may be, on the Effective Date, less direct and actual expenses, fees, or other direct costs of maintaining Cash on account of such Disputed Claims.

(f) Distribution from Disputed Claims Reserves Upon Disallowance. Except as otherwise provided in this Plan, to the extent any Disputed Claim has become a Disallowed Claim in full or in part (in accordance with the procedures set forth in the Plan), any Cash held in any Disputed Claim Reserve by the LP Debtors on account of, or to pay, such Disputed Claim, shall revert to the Distribution Account and be distributed to holders of Allowed Claims or Allowed Equity Interests in accordance with Article V.

9.6. No Recourse

Notwithstanding that the allowed amount of any particular Disputed Claim is (a) reconsidered under the applicable provisions of the Bankruptcy Code and Bankruptcy Rules or (b) allowed in an amount for which after application of the payment priorities established by this

Plan there is insufficient value to provide a recovery equal to that received by other holders of Allowed Claims or Allowed Equity Interests in the respective Class, no Claim or Equity Interest holder shall have recourse against the Disbursing Agent, the LP Debtors, the Purchaser (and, if applicable, the Alternative Purchaser) or any of their respective professionals, consultants, officers, directors, employees or members or their successors or assigns, or any of their respective property. However, nothing in the Plan shall modify any right of a holder of a Claim under section 502(j) of the Bankruptcy Code, nor shall it modify or limit the ability of claimants (if any) to seek disgorgement to remedy any unequal distribution from parties other than those released under this section. For the avoidance of doubt, and notwithstanding anything to the contrary herein, except as expressly provided in the Asset Purchase Agreement, the Purchaser (and, if applicable, the Alternative Purchaser) shall not be liable for the payment of any Administrative Claims (including Fee Claims) accrued or incurred prior to the Effective Date under any circumstances, including in the event that the reserve for such claims established under Section 9.5(b) of this Plan is insufficient to pay such Administrative Claims in full as provided in Section 3.2 of this Plan. **The estimation of Claims and the establishment of reserves under the Plan may limit the distribution to be made on individual Disputed Claims and other Claims contemplated to be paid from the reserves established under Section 9.5 of this Plan, regardless of the amount finally allowed on account of such Claims.**

ARTICLE X.

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

10.1. General Treatment

(a) ~~As of and subject to the occurrence of~~ On the Effective Date ~~and payment (or provision of the adequate assurance of payment) of the applicable Cure Costs, to the fullest extent permitted under applicable law,~~ all executory contracts and unexpired leases of each of the LP Debtors ~~(including the Designated Contracts)~~ shall be deemed to be ~~assumed~~ rejected by the applicable LP Debtor ~~as of the Effective Date, except for~~ pursuant to the provisions of section 365 of the Bankruptcy Code, except: (i) any executory contract or unexpired lease that: ~~(i) has~~ previously has been assumed, assumed and assigned, or rejected pursuant to a Final Order of the Bankruptcy Court; (ii) any executory contract or unexpired lease that is designated specifically or by category as a contract or lease to be ~~rejected~~ assumed or assumed and assigned on the Schedule of ~~Rejected~~ Assumed Executory Contracts and Unexpired Leases; ~~or~~ (iii) any executory contract or unexpired lease that is the subject of a separate motion to assume and assign to a Person other than the Purchaser (or, if applicable, the Alternative Purchaser) or to reject under section 365 of the Bankruptcy Code pending on the Effective Date; and (iv) any executory contract or unexpired lease that is the subject of a pending Cure Dispute as of the Effective Date for which the applicable LP Debtor makes a motion to reject such contract or lease based upon the existence of such dispute filed at any time. Listing a contract or lease in the Schedule of ~~Rejected~~ Assumed Executory Contracts and Unexpired Leases shall not constitute an admission by the applicable LP Debtor that the applicable LP Debtor has any liability thereunder.

(b) No later than the applicable deadline set forth in the Bid Procedures Order, the LP Debtors shall file with the Bankruptcy Court and serve upon the counterparties to the executory contracts and unexpired leases anticipated to be listed on the Schedule of Assumed Executory Contracts and Unexpired Leases, a notice (the “Contract and Lease Counterparties Notice”).

regarding the proposed assumption, or assumption and assignment and the proposed cure obligations in connection therewith (the “Cure Costs”). The inclusion of any executory contract or unexpired lease on any version of the Contract and Lease Counterparties Notice or Schedule of Assumed Executory Contracts and Unexpired Leases at any time prior to the Effective Date does not ultimately establish that such contract or lease shall be assumed, or assumed and assigned, and the Contract and Lease Counterparties Notice and Assumed Executory Contracts and Unexpired Leases may be altered, amended, modified, or supplemented at any time prior to the Effective Date to remove any contract or lease therefrom in accordance with the Bankruptcy Code and applicable orders of the Bankruptcy Court.

(c) At the Confirmation Hearing, only those executory contracts or unexpired leases (and the corresponding Cure Costs) listed on the Schedule of Assumed Executory Contracts and Unexpired Leases that have been selected to be assumed by the LP Debtors or assumed and assigned to the Purchaser (or, if applicable, the Alternative Purchaser) at the Auction shall be the contracts and leases subject to approval by the Court.

(d) (b) To the extent that an executory contract or unexpired lease is a Designated Contract, any such Designated Contract will be assumed by the LP Debtors, as applicable, on the Effective Date and assigned by the LP Debtors to the Purchaser (or, if applicable, the Alternative Purchaser, ~~subject to Section 10.3(e) of this Plan~~) at the Closing. Each executory contract or unexpired lease assumed pursuant to the Plan or by Bankruptcy Court order but not assigned to a third party before the Effective Date shall revert in and be fully enforceable by the applicable contracting LP Debtor in accordance with its terms, except as such terms may have been modified by the Plan or such order.

~~(e) (e) Notwithstanding anything to the contrary in the Plan, but subject to the terms and conditions of the Asset Purchase Agreement, the LP Debtors reserve the right to alter, amend, modify or supplement the Schedule of Rejected Executory Contracts and Unexpired Leases at any time before the Confirmation Date; provided, that to the extent that, as of the Confirmation Date, there is any pending dispute between one or more of the LP Debtors and a counterparty to an executory contract or unexpired lease regarding the Cure Costs payable under such contract or lease, the LP Debtors shall reserve the right to add the applicable contract or lease to the Schedule of Rejected Executory Contracts and Unexpired Leases following the resolution of such dispute, in which event such contract or lease shall be deemed rejected.~~ Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of the rejection of the executory contracts and unexpired leases as set forth in Section 10.1(a) of this Plan, subject to the occurrence of the Effective Date, pursuant to section 365(a) of the Bankruptcy Code, and a finding by the Bankruptcy Court that each such rejected executory contract or unexpired lease is burdensome and that the rejection thereof is in the best interests of the LP Debtors and their Estates.

(f) (d) Entry of the Confirmation Order shall, subject to the occurrence of the Effective Date, constitute the approval, pursuant to sections 365(a) and 1123(b) of the Bankruptcy Code, of: (i) ~~subject to Section 10.3(e) of this Plan, the assumptions and rejections~~ assignments of executory contracts and unexpired leases ~~pursuant to Section 10.1(a) of this Plan~~ set forth in the Schedule of Assumed Executory Contracts and Unexpired Leases; and (ii) the assumption and assignment of the Designated Contracts pursuant to Section 10.1(~~bd~~) of this Plan.

(g) Neither the exclusion nor inclusion of any contract or lease on the Schedule of Assumed Executory Contracts and Unexpired Leases or the Contract and Lease Counterparties Notice or anything else contained in this Plan shall constitute an admission that any such contract or lease is or is not, in fact, an executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code.

10.2. Claims Based on Rejection of Executory Contracts or Unexpired Leases

(a) All Claims arising from the rejection of executory contracts or unexpired leases, if any, will be treated as LP General LP-Unsecured Claims. Upon receipt ~~of their~~ by the holder of any such Claim of its applicable Plan Distribution pursuant to Section 5.4 of this Plan, ~~all such Claims~~ Claim shall be discharged on the Effective Date, and shall not be enforceable against the LP Debtors, the Purchaser (and, if applicable, the Alternative Purchaser, subject to Section 10.3(e) of this Plan) or their respective properties or interests in property (and shall not, for the avoidance of doubt, constitute Assumed Liabilities).

(b) Each Person who is a party to a contract or lease rejected under the Plan must file with the Bankruptcy Court and serve on the LP Debtors, not later than thirty (30) days after the ~~Effective Date~~ Confirmation Date (or, for any contract or lease that is not rejected as of the Confirmation Date but is rejected thereafter, 30 days after the effective date of such rejection), a Proof of Claim for damages alleged to arise from the rejection of the applicable contract or lease or be forever barred from filing a Claim, or sharing in distributions under the Plan, related to such alleged rejection damages.

10.3. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases

(a) ~~No~~ In accordance with Section 10.1(b) hereof, no later than the applicable deadline set forth in the Bid Procedures Order, the LP Debtors shall file with the Bankruptcy Court and serve ~~a notice (the "Assumption Notice") on~~ upon the counterparties to the executory contracts and unexpired leases that are ~~then~~ anticipated to be ~~Designated Contracts (or otherwise assumed or assumed pursuant to the Plan) and the amount, if any, that the LP Debtors contend is the amount needed to cure any defaults and pecuniary losses with respect to such contracts or leases (the "Cure Costs").~~ To the extent a counterparty to an executory contract or unexpired lease does not receive an Assumption Notice, the Cure Cost for such executory contract or unexpired lease shall be \$0.00 and assigned, a Contract and Lease Counterparties Notice. The Contract and Lease Counterparties Notices will (i) list the applicable Cure Costs, if any, for each executory contract and unexpired lease listed therein, (ii) describe the procedures for filing objections to the proposed assumption, or assumption and assignment, or Cure Costs, and (iii) explain the process by which related disputes shall be resolved by the Bankruptcy Court. If the LP Debtors identify additional executory contracts and unexpired leases that might be assumed by the LP Debtors, the LP Debtors will promptly send a ~~supplemental Assumption~~ Contract and Lease Counterparties Notice to the ~~applicable~~ counterparties to any such ~~contract~~ contracts or ~~lease~~ leases.

(b) Except to the extent that less favorable treatment has been agreed to by the non-LP Debtor party or parties to each such executory contract or lease, monetary defaults

arising under each executory contract and lease to be assumed, or assumed and assigned, pursuant to the Plan shall be cured, in accordance with section 365(b)(1) of the Bankruptcy Code, ~~by payment of the Cure Cost on the later of: (i) the Effective Date or as soon thereafter as is reasonably practicable; and (ii) the date on which the Cure Cost has been resolved (either consensually or through judicial decision, subject, in any such case, to the terms and conditions of on or prior to the Closing of the LP Sale by (i) the payment of the undisputed Cure Costs and/or (ii) establishment of a reserve with respect to any disputed Cure Costs. The party responsible for paying the Cure Costs shall be set forth in the Asset Purchase Agreement) or as soon thereafter as is reasonably practicable.~~

(c) Any party that fails to object to the applicable Cure Cost listed on the ~~Assumption Notice~~ Contract and Lease Counterparties Notice or the Schedule of Assumed Executory Contracts and Unexpired Leases, or the assumption of the applicable executory contract or unexpired lease, by ~~5:00 p.m. (prevailing Eastern time) on the date that is seven (7) calendar days prior to the Confirmation Hearing (or, with respect to any objection to a supplemental Assumption Notice, on the date that is seven (7) calendar days after service of such supplemental Assumption Notice on such party);~~ the deadlines set forth in the Bid Procedures Order, (i) shall be forever barred, estopped and enjoined from (x) disputing the Cure Cost relating to any executory contract or unexpired lease set forth on the ~~Assumption Notice or, if no Assumption Notice is received and such executory contract or unexpired lease is not listed on the~~ Contract and Lease Counterparties Notices or Schedule of ~~Rejected~~ Assumed Executory Contracts and Unexpired Leases, ~~a Cure Cost of \$0.00~~; and (y) asserting any Claim against the applicable LP Debtor arising under section 365(b)(1) of the Bankruptcy Code other than as set forth on the ~~Assumption Notice or, if no Assumption Notice is received and such executory contract or unexpired lease is not listed on~~ Contract and Lease Counterparties Notices or the Schedule of ~~Rejected~~ Assumed Executory Contracts and Unexpired Leases, ~~a Claim in the amount of \$0.00~~; and (ii) subject to Section 10.3(e) of this Plan, shall be deemed to have consented to the assumption and assignment of such executory contract and unexpired lease and shall be forever barred and estopped from asserting or claiming against the LP Debtors, the Purchaser or any other assignee of the relevant executory contract or unexpired lease (including, if applicable, the Alternative Purchaser) that any additional amounts are due or defaults exist, or conditions to assumption and assignment of such executory contract or unexpired lease must be satisfied (pursuant to section 365(b)(1) of the Bankruptcy Code or otherwise). Any objection relating to the Cure Cost shall specify the Cure Cost proposed by the counterparty to the applicable contract or lease.

(d) In the event of a dispute (each, a “*Cure Dispute*”) regarding: (i) any Cure Cost; (ii) the ability of the LP Debtors or the Purchaser to demonstrate “adequate assurance of future performance” (within the meaning of section 365 of the Bankruptcy Code) under any contract or lease to be assumed; or (iii) any other matter pertaining to the proposed assumption, the cure payments required by section 365(b)(1) of the Bankruptcy Code shall be made at the times set forth in Section 10.3(b) of this Plan following the entry of a Final Order resolving such Cure Dispute and approving the assumption. To the extent a Cure Dispute relates solely to a Cure Cost, the applicable LP Debtor may assume and assign the applicable contract or lease prior to the resolution of the Cure Dispute provided that a reserve is established containing Cash in an amount sufficient to pay the full amount asserted as cure payment by the non-LP Debtor party to such contract or lease (or such smaller amount as may be fixed or estimated by the Bankruptcy

Court). To the extent the Cure Dispute is resolved or determined unfavorably to the LP Debtors, the LP Debtors may, subject to the terms and conditions of the Asset Purchase Agreement, reject the applicable executory contract or unexpired lease after such determination. Any Cure Disputes not consensually resolved prior to the Confirmation Hearing shall be heard at the Confirmation Hearing (or such other hearing as requested by the LP Debtors and determined appropriate by the Bankruptcy Court), including any disputed Cure Costs or objections to assumption and assignment, and/or objections to the adequacy of assurance of future performance being provided.

(e) Notwithstanding anything to the contrary herein, in the event that there is an Alternative Sale under the Asset Purchase Agreement: ~~—~~ (i) the assumption and assignment of any executory contract or unexpired lease to the Alternative Purchaser shall be subject to further approval by the Bankruptcy Court, which approval the LP Debtors may seek on no less than fourteen (14) calendar days' notice; ~~—~~ and (ii) counterparties to any executory contract or unexpired lease proposed to be assumed and assigned to such Alternative Purchaser shall be entitled to object to such proposed assumption ~~on~~ and assignment on the grounds that the LP Debtors or such Alternative Purchaser are unable to demonstrate “adequate assurance of future performance” (within the meaning of section 365 of the Bankruptcy Code), but not on any other grounds.

10.4. Compensation and Benefit Programs

~~All~~ For the avoidance of doubt, all employment and severance policies, and all compensation and benefit plans, policies, and programs of the LP Debtors applicable to their respective employees, retirees and non-employee directors including, without limitation, all savings plans, retirement plans, healthcare plans, disability plans, severance benefit plans, incentive plans, and life, accidental death and dismemberment insurance plans are treated as executory contracts under the Plan and on the Effective Date ~~will be listed on the Schedule of Rejected Executory Contracts and Unexpired Leases and~~ will be rejected as set forth in Section 10.1 of this Plan unless any of the foregoing is an Acquired Asset and the counterparty thereto receives ~~an Assumption~~ a Contract and Lease Counterparties Notice, in which case the same shall be assumed and assigned to the Purchaser (or, if applicable, the Alternative Purchaser) pursuant to the Asset Purchase Agreement and in accordance with sections 365 and 1123 of the Bankruptcy Code.

~~10.5. Post-Petition Contracts and Leases~~

~~Except to the extent set forth on the Schedule of Rejected Executory Contracts and Unexpired Leases, all contracts, agreements and leases that were entered into or assumed by the LP Debtors after the Petition Date (other than the Asset Purchase Agreement) shall be deemed assumed by the LP Debtors on the Effective Date, and, with respect to any such contracts, agreements or leases that are Designated Contracts, assigned to the Purchaser (or, if applicable, the Alternative Purchaser) at Closing, without a need for any consent or approval of, or notice to, the counterparty to any such contract, agreement or lease (subject to, with respect to any assignment to an Alternative Purchaser, Section 10.3(e) of this Plan).~~

III.

SUMMARY EXPLANATION OF CHAPTER 11

A. Overview of Chapter 11

Chapter 11 is the principal reorganization chapter of the Bankruptcy Code pursuant to which a debtor's business may be reorganized or liquidated for the benefit of its creditors, interest holders, and other parties in interest. The Debtors commenced the Chapter 11 Cases with the voluntary filing of petitions for protection under chapter 11 of the Bankruptcy Code on May 14, 2012. By order of the Bankruptcy Court, the Chapter 11 Cases have been consolidated for procedural purposes only and are being jointly administered under Case No. 12-12080 (SCC).

The commencement of a voluntary chapter 11 case creates an estate comprising all of the legal and equitable interests of a debtor as of the date the petition is filed. Sections 1101, 1107, and 1108 of the Bankruptcy Code provide that a debtor may continue to operate its business and remain in possession of its property as a "debtor in possession" unless the bankruptcy court orders the appointment of a trustee or the conversion of the debtor's bankruptcy case from a case under chapter 11 to one under chapter 7. In the Chapter 11 Cases, each Debtor has remained in possession of its property and continues to operate its businesses as a debtor in possession.

The filing of a voluntary chapter 11 petition triggers the automatic stay provisions of the Bankruptcy Code. Section 362 of the Bankruptcy Code provides, among other things, for an automatic stay of certain actions against a chapter 11 debtor on account of prepetition claims against it and various other forms of interference with a debtor's property or business. Exempted from the automatic stay are, among other things, actions by governmental authorities seeking to exercise police or regulatory powers. Except as otherwise ordered by the bankruptcy court administering a chapter 11 case, the automatic stay remains in effect until the earliest of the time

(i) the case is closed, (ii) the case is dismissed, or (iii) a discharge is granted, including in connection with confirmation of a chapter 11 plan, or denied.

The formulation and ultimate consummation of a chapter 11 plan of reorganization is the principal purpose of a chapter 11 case. The plan sets forth the means for satisfying claims against and interests in a debtor's estate. Unless a trustee is appointed, only a debtor may file a plan during the first 120 days of a chapter 11 case (the "Exclusive Filing Period"), and the debtor will have 180 days to solicit acceptance of such plan (the "Exclusive Solicitation Period" and together with the Exclusive Filing Period, the "Exclusive Periods"). However, section 1121(d) of the Bankruptcy Code permits the bankruptcy court to extend or reduce the Exclusive Filing Period and Exclusive Solicitation Period upon a showing of "cause." The Exclusive Filing Period and Exclusive Solicitation Period may not be extended beyond 18 months and 20 months, respectively, from the petition date. Here, the Exclusive Periods terminated on July 15, 2013. For more information regarding the termination of the LP Debtors' Exclusive Periods, please see the section of this Disclosure Statement entitled "The Chapter 11 Cases – Exclusivity."

B. Plan

A chapter 11 plan may provide for anything from a comprehensive restructuring of a debtor's business and its related obligations to a simple liquidation of a debtor's assets. In either event, upon confirmation and effectiveness of a plan, the plan becomes binding on the debtor and all of its creditors and equity holders, and the prior obligations owed by the debtor to such parties are compromised and exchanged for the obligations specified in the plan. For a description of key components of the Plan, refer to the article of this Disclosure Statement entitled "Overview of the Plan."

The holders of impaired claims against and interests in a debtor that are entitled to a distribution under a plan are permitted to vote to accept or reject the plan. Before soliciting acceptances of the proposed plan, section 1125 of the Bankruptcy Code requires the plan proponent to prepare and file a disclosure statement containing adequate information of a kind, and in sufficient detail, to enable a hypothetical reasonable investor to make an informed judgment about the plan. This Disclosure Statement has been prepared to satisfy the requirements of section 1125 of the Bankruptcy Code in connection with the Plan Sponsors' solicitation of votes on the Plan.

C. Confirmation of a Plan

If all classes of claims and interests accept a plan, the bankruptcy court may confirm a chapter 11 plan if it independently determines that the requirements of section 1129(a) of the Bankruptcy Code have been satisfied. These requirements are discussed in this Disclosure Statement in the article entitled "Confirmation and Consummation Procedures." The Plan Sponsors believe that the Plan satisfies all the applicable requirements of section 1129(a) of the Bankruptcy Code.

Chapter 11 of the Bankruptcy Code does not require that each holder of a claim or interest in a particular class vote in favor of a plan for the bankruptcy court to determine that the class has accepted the plan. Additionally, a plan can be confirmed even if not accepted by all

classes entitled to vote upon it. Further information concerning requirements for confirmation of a plan is contained in this Disclosure Statement in the article entitled "Confirmation and Consummation Procedures."

Classes of claims or interests that are not "impaired" under a chapter 11 plan are conclusively presumed to have accepted the plan and thus are not entitled to vote. Thus, acceptances of a plan will generally be solicited only from those Persons who hold claims or interests in an impaired class. Under the Plan, Class 1 – LP Other Priority Claims and Class 2 – LP Other Secured Claims are unimpaired and are therefore deemed to have accepted the Plan. Class 3 – Prepetition LP Facility Claims, Class 4 – LP General Unsecured Claims, Class 5 – Existing LP Preferred Units Equity Interests, and Class 6 – LP Common Equity Interests are impaired and thus entitled to vote on the Plan.

IV.

OVERVIEW OF THE PLAN

The following is an overview of the Plan. This overview is qualified in its entirety by reference to the full text of the Plan, which is attached to this Disclosure Statement as Exhibit "A". In addition, for a more detailed description of the terms and provisions of the Plan, refer to the article of this Disclosure Statement entitled "The Plan." All of the Debtors that are not LP Debtors will remain as debtors and debtors in possession and will not be impacted by the Plan except in their capacity as holders of Claims against or Equity Interests in the LP Debtors.¹

The Plan is a joint plan for the LP Debtors premised on the sale (the "LP Sale") of substantially all of the LP Debtors' Assets (such Assets, the "LP Assets") through a Bankruptcy Court-approved sale process, which will test the market for such Assets and maximize the value of the LP Debtors' Estates. L-Band Acquisition, LLC ("LBAC" or the "Stalking Horse Bidder") has agreed to enter into an Asset Purchase Agreement (the "Stalking Horse Agreement"), a copy of which is annexed hereto as Exhibit "F", pursuant to which it will serve as the stalking horse bidder for the LP Sale subject to the terms and conditions therein. Pursuant to the Stalking Horse Agreement, LBAC has submitted a Qualified Bid (the "LBAC Bid") of \$2.22 billion in cash plus the assumption of certain material liabilities. Notably, the funding of the \$2.22 billion cash portion of the purchase price is not conditioned on approval by the Federal Communications Commission ("FCC") or Industry Canada.² The LBAC Bid is subject to the submission of higher or otherwise better bids at the Auction (as defined below) pursuant to the Bid Procedures (as defined below), a copy of which is attached hereto as Exhibit "E". The winning bidder

¹ The Plan is a plan for the LP Debtors only and is not a plan for LightSquared Inc., One Dot Four Corp., One Dot Six Corp., SkyTerra Rollup LLC, SkyTerra Rollup Sub LLC, LightSquared GP Inc., One Dot Six TVCC Corp., LightSquared Investors Holdings Inc., TMI Communications Delaware, Limited Partnership or SkyTerra Investors LLC. Separate plans have been filed with respect to Debtors that are not LP Debtors, and are discussed briefly in the section of this Disclosure Statement entitled "The Chapter 11 Cases – The Competing Plans."

² Notwithstanding the early funding of the cash purchase price thereunder, the Closing of the transactions contemplated by the LBAC Bid will not take place, and no assignment or transfer of control of any licenses or authorizations will occur, until all necessary regulatory approvals are received, including without limitation FCC consent to such assignment or transfer.

(whether LBAC or another entity) will execute an asset purchase agreement (the “Asset Purchase Agreement”), which will be submitted to the Bankruptcy Court for approval at the Confirmation Hearing pursuant to the Bid Procedures. For a more detailed description of the LP Sale, refer to the section of this Disclosure Statement entitled “The Chapter 11 Cases – The LP Sale.”

The Plan provides that (and the Confirmation Order will provide that) on the Funding Date a distribution account (the “Distribution Account”) shall be established to receive (a) the LP Debtors’ Cash on hand as of that date and (b) all Cash proceeds and other consideration deliverable to the LP Debtors from the LP Sale (the “LP Sale Proceeds”) less the amount of Cash necessary to fund the Wind Down Reserve (collectively, the “Plan Consideration”). The Plan Consideration in the Distribution Account shall be distributed to the holders of Allowed Claims against and Equity Interests in the LP Debtors in the manner set forth in Article V of the Plan and described in the chart below summarizing the treatment of each Class of Claims against and Equity Interest in the LP Debtors.³

Pursuant to the Plan, the LP Debtors will continue to exist after the Effective Date as separate corporate entities, in accordance with applicable law, for the purposes of satisfying their obligations under the Asset Purchase Agreement and the Plan, including making or assisting the Disbursing Agent in making distributions as required under the Plan, maintaining the Acquired Assets and the LP Debtors’ business in accordance with the requirements of the Asset Purchase Agreement, and effectuating the wind down of the LP Debtors (the “Wind Down”).

The following chart summarizes the treatment of each class of Claims against and Equity Interests in the LP Debtors under the Plan. All estimated amounts set forth in the chart are based upon the Plan Sponsors’ estimates of amounts as of December 31, 2013. The Plan Sponsors have relied on publicly available information and information otherwise provided to them by the Debtors on a non-confidential basis. Such estimates may change as additional information becomes available to the Plan Sponsors. Although reasonable efforts were made to be accurate, the estimates may vary from the final amounts of Claims and Equity Interests allowed by the Bankruptcy Court. Reference should be made to the Plan for a complete description of the classification and treatment of Allowed Claims against and Equity Interests in the LP Debtors under the Plan.

The Plan Sponsors believe that the treatments of Claims and Equity Interests set forth in the Plan, and the terms and conditions of the Plan, make the Plan more favorable to stakeholders of the LP Debtors than any other plan for which such stakeholders could or do have a right to vote. At present, holders of Claims against and Equity Interests in the LP Debtors are classified in, and may be entitled to vote upon, the Debtors' Plan (as defined below) and the Harbinger Plan (as defined below). The Plan Sponsors believe that the Harbinger Plan is not confirmable and that both the Harbinger Plan and the Debtors' Plan expose holders of Claims against and Equity Interests in the LP Debtors to significant risks, contingencies, and delay. The Plan Sponsors further believe, as discussed in more detail in the section of the Disclosure Statement entitled "The Chapter 11 Cases – The Competing Plans and Disclosure Statements," that, notwithstanding the entry of the Disclosure Statement Order, the General Disclosure Statement (as defined below), the Debtors' Specific DS (as defined below) and the Harbinger Specific DS (as defined below) fail to provide information (or provide misleading information) relevant to a party's decision to accept or reject the Debtors' Plan and the Harbinger Plan.

Based upon the foregoing and as set forth herein, the Plan Sponsors believe that their Plan maximizes the distributable value of the LP Debtors and recoveries to holders of Claims against and Equity Interests in the LP Debtors. **THEREFORE, THE PLAN SPONSORS URGE ALL HOLDERS OF CLAIMS AGAINST AND EQUITY INTERESTS IN THE LP DEBTORS THAT ARE ENTITLED TO VOTE ON THE PLAN TO VOTE TO ACCEPT THE PLAN AND TO REJECT THE COMPETING PLANS.**

B. Overview of the Company

The organizational chart, annexed hereto as Exhibit "C", illustrates the structure of the Company as of the Petition Date. Please note that this organizational chart does not show all legal entities in the corporate structure.

LightSquared Inc. was incorporated in Delaware in 1985. On March 29, 2010, SkyTerra Communications, Inc. ("SkyTerra"), LightSquared Inc.'s predecessor company, consummated a merger with Sol Private Corp., resulting in certain investment funds managed by Harbinger Capital Partners ("Harbinger") acquiring all of the outstanding stock of SkyTerra not previously held by Harbinger. Following the consummation of the merger, SkyTerra continued as the surviving corporation and was wholly-owned by Harbinger through HGW US Holding Company, L.P. ("HGW US"). SkyTerra subsequently changed its name to LightSquared Inc. on July 20, 2010.

As of the Petition Date, Harbinger indirectly owned approximately 96% of LightSquared Inc.'s outstanding common stock. LightSquared Inc. owns, directly or indirectly, approximately twenty-six (26) domestic and foreign subsidiaries organized in various jurisdictions throughout the United States and in three (3) foreign countries.

C. Overview of the Company's Business

Since its first satellite became operational in 1996, the Company has provided satellite communications services to wholesale purchasers of bandwidth power and capacity, resellers of telephone, data and dispatch services and retail voice users. As of the Petition Date, the Company's mobile satellite business generates approximately \$30 million in annual revenue and provides service to approximately 300,000 end-users.

The Company has ownership interests in four (4) satellites. MSAT-1 and MSAT-2 (each of which is a first-generation geostationary satellite) are owned by SkyTerra (Canada) Inc. and LightSquared LP, respectively. MSAT-1 and MSAT-2 were launched in 1995 and 1996 and currently provide regular services to some of the Company's customers. In March 2012, they provided limited emergency back-up service to all of the Company's customers due to a solar flare, which temporarily disabled the SkyTerra-1 satellite, one of the Company's two next-generation satellites, until customers were transitioned back to SkyTerra-1 for service. The Company will also rely upon MSAT-1 and MSAT-2 until the SkyTerra-2 satellite (as discussed below) is launched. Although they are still operational, MSAT-1 and MSAT-2 have reached the ends of their design lives. They have, in the past, experienced anomalies and solid state power amplifier failures and do not operate at full capacity.

SkyTerra-1, one of the Company's two next-generation satellites, launched in November 2010 and is now operational. SkyTerra-1 is owned by LightSquared LP. SkyTerra-2, the Company's other next-generation satellite, was constructed and is being stored with The Boeing Company ("Boeing"). Currently, Boeing retains title to SkyTerra-2. When SkyTerra-2 is launched, title will shift to LightSquared LP and, once in orbit, to SkyTerra (Canada) Inc. SkyTerra-2 will be located in a Canadian allocated orbital slot in accordance with an in-orbit transfer agreement between LightSquared LP and SkyTerra (Canada) Inc.

The Company currently operates three (3) lines of business, including Mobile Satellite Communications ("MSAT"), Mobile Data Services ("MDS") and Private Network Carriers ("PNC") through a wholesale business model whereby its partners bill the end-users, and the Company bills its partners at a wholesale rate. Through these three lines of business, the Company has over fifteen (15) wholesale partners that collectively support approximately 300,000 subscribers across several markets throughout North America.

1. The Debtors' Satellite Business

a. *MSAT Business*

The Company's MSAT business provides circuit-switched voice, low data rate services and push-to-talk ("PTT") services, which are sold through the Company's authorized wholesale service providers and are utilized by a variety of governmental agencies at the federal, state and local level, as well as by various markets in the enterprise space. The Company's MSAT business is operated by LightSquared LP and LightSquared Corp. in the United States and Canada, respectively, by virtue of their licenses in those jurisdictions. Federal, state and local agencies have voluntarily banded together with the Company in a public-private partnership to create the Satellite Mutual Aid Radio Talkgroup program—enabling nationwide and regional interoperability at no additional cost to Company users. The Company claims to be the only commercial satellite operator in North America offering PTT service.

b. *MDS Business*

The Company's second line of business, MDS, is a low data rate service offering used primarily for applications such as fleet and load management, email, vehicle tracking, two-way

messaging and broadcast messaging. Like the Company's MSAT services, MDS is sold through the Company's authorized wholesale service providers and is utilized by various end-users.

c. *PNC Business*

Finally, the Company's third line of business, PNC, enables customers to lease bandwidth from the Company over which they offer custom satellite data solutions (typically, asset tracking services for truck and rail) to a wide variety of end-users. In connection therewith, the Company's PNC customers are responsible for developing a custom air interface, providing hub, end-user equipment and servicing end-users.

2. The Debtors' Terrestrial Component of Satellite Business and 4G LTE

In the late 1990s, the Company determined that adding a terrestrial (*i.e.*, land-based) component to its satellite system would optimize the use of the L-Band. The Company also determined that a significant market opportunity was created for a wholesale-only, 4th Generation Long Term Evolution ("4G LTE") wireless broadband network due to, among other things, (a) the proliferation of new mobile devices, such as smartphones and tablets, which accelerated demand for ubiquitous, on-the-go data-rich Internet services, (b) limited wireless network capacity available to support increased data usage and (c) substantial costs and barriers to entry preventing smaller carriers and new operators from deploying nationwide 4G LTE networks. Accordingly, the Company initiated the process of building the only 4G LTE open wireless broadband network that incorporates satellite coverage throughout North America.

3. The Company's Spectrum

The Company's licensed, leased and pooled 51 MHz of spectrum consists of the following:⁶

- *24 MHz.* 24 MHz of L-Band Mobile Satellite Service ("MSS") spectrum is held by LightSquared Subsidiary LLC and SkyTerra (Canada) Inc. These spectrum holdings are subject to the following licenses granted by the FCC or Industry Canada to LightSquared Subsidiary LLC or SkyTerra (Canada) Inc., each a wholly-owned indirect subsidiary of LightSquared LP:
 - A license to launch and operate L-Band MSS satellites known at the time as: (a) AMSC-1 (now named MSAT-2), which operates at the 103.3 West Longitude orbital position, and (b) MSV-1 (re-named SkyTerra-1), which operates at the 101 West Longitude orbital position.

⁶ One Dot Four Corp., a wholly-owned direct subsidiary of LightSquared Inc., previously also leased an additional 8 MHz of 1.4 GHz of terrestrial spectrum at the 1390-1395 MHz and 1432-1435 MHz frequencies to offer service in the United States from TerreStar 1.4 Holdings LLC (a bankruptcy remote subsidiary of TerreStar Corporation). This lease (the "One Dot Four Lease"), however, was terminated on April 20, 2012, thereby terminating the Company's access to this portion of the spectrum.

- A license to launch and operate an L-Band MSS satellite known as MSAT-1, which operates at the 106.5 West Longitude orbital position and an Approval in Principle to launch and operate MSV-2 (re-named SkyTerra-2), at the 107.3 West Longitude orbital position.
- Multiple spectrum licenses and authorizations to make use of the Company's portion of the 1626.5—1660.5 MHz (Uplink) and 1525—1559 MHz (Downlink) L-Band spectrum for service links and the 12.75—13.25 GHz (Uplink) and 10.7—10.95, 11.2—11.45 GHz (Downlink) spectrum for feeder links in the provision of MSS services in Canada and the United States via the MSAT-1, MSAT-2, SkyTerra-1 and SkyTerra-2 satellites.
- In 2003, the FCC permitted MSS licensees, including the predecessor of LightSquared Subsidiary LLC, to deploy Ancillary Terrestrial Component ("ATC") networks (subject to certain technical and service requirements), which meant that the Company could operate a terrestrial wireless network.
- In March 2010, the FCC issued an order granting a predecessor of LightSquared Subsidiary LLC additional flexibility for the design of its ATC network and enabling it to operate with greater capacity and spectrum efficiency.
- *Additional 22 MHz.* The 24 MHz of L-Band MSS spectrum held by LightSquared Subsidiary LLC and SkyTerra (Canada) Inc. may be increased by 22 MHz to an aggregate of 46 MHz of L-Band ATC spectrum pursuant to that certain Amended and Restated Cooperation Agreement, dated as of August 6, 2010 (as amended, supplemented, amended and restated or otherwise modified from time to time, the "Inmarsat Cooperation Agreement"), by and between LightSquared LP, SkyTerra (Canada) Inc., LightSquared Inc. and Inmarsat Global Limited ("Inmarsat"). In the current phase of the Inmarsat Cooperation Agreement, LightSquared Subsidiary LLC and SkyTerra (Canada) Inc. hold a total of 24 MHz of L-Band spectrum. Upon the achievement of certain events, including regulatory approvals and coordination among other international L-Band operators, LightSquared LP and SkyTerra (Canada) Inc. will have the option to implement coordinated access for up to 2 x 23 MHz of L-Band spectrum (including large 10 x 10 MHz blocks of contiguous channels), thereby increasing those LP Debtors' access to spectrum by implementation of the Inmarsat Cooperation Agreement.
- *5 MHz.* An additional 5 MHz of 1.6 GHz leased terrestrial spectrum of One Dot Six Corp., a wholly-owned direct subsidiary of LightSquared Inc., is available. On July 16, 2007, TVCC One Six Holdings LLC, an indirectly wholly-owned and non-Debtor subsidiary of Debtor One Dot Six Corp., entered into a Master Agreement with Crown Castle MM Holding LLC and OP LLC ("OP" and, together with Crown Castle MM Holding LLC, "Crown Castle"), in which the parties agreed to enter into either a long-term de facto transfer lease agreement or a spectrum management lease agreement with respect to the lease by OP of its rights to TVCC One Six Holdings LLC under a license issued by the FCC to use spectrum at the 1670–1675 MHz frequencies and Call Sign WPYQ831 in the United States. On April 13, 2010, One Dot Six Corp. acquired all of

TVCC One Six Holdings LLC's rights to use this spectrum under its lease with Crown Castle pursuant to that certain Lease Purchase Agreement, between One Dot Six Corp., as purchaser, TVCC One Six Holdings LLC, as seller, and TVCC Holding Company, LLC (the "One Dot Six Lease Purchase Agreement") and, collectively with all rights conveyed thereby to One Dot Six Corp. in that certain (i) Long-Term De Facto Transfer Lease Agreement, dated as of July 23, 2007, between OP, as lessor, and TVCC One Six Holdings, LLC, as lessee, and (ii) the Long-Term De Facto Transfer Sublease Agreement, dated as of August 13, 2008, between OP, as lessee, and TVCC One Six Holdings, LLC, as lessor, the "One Dot Six Lease"). One Dot Six Corp. also has a purchase option to acquire the underlying FCC licenses for this spectrum.

All of the spectrum described in this section is subject to the challenges and/or uncertainties as described in the section of this Disclosure Statement entitled "The Chapter 11 Cases – Postpetition FCC Developments."

4. The Company's Wholesale Agreements

Prior to the deterioration of its FCC regulatory approval process (as discussed in further detail below), LightSquared LP had been marketing its wholesale 4G LTE solution. As of December 31, 2011, LightSquared LP entered into wholesale agreements with over thirty (30) customers, including national and regional wireless operators and national retailers. LightSquared LP also entered into discussions or advanced negotiations with numerous potential wholesale customers within a variety of sectors, including wireless carriers and resellers, national retailers, consumer electronics manufacturers, cable operators, wireline carriers, satellite operators, and other communication service providers.

D. **Material Operational Contracts**

1. Sprint Master Services Agreement

LightSquared Inc. and LightSquared LP were also parties to that certain Master Services Agreement, dated as of June 3, 2011 (as amended, supplemented, amended and restated or otherwise modified from time to time, the "Sprint Master Services Agreement"), with SprintCom Inc. ("Sprint"), pursuant to which Sprint agreed to design, deploy, operate, manage, and maintain a nationwide terrestrial broadband mobile network that would utilize the Company's spectrum to provide a 4G LTE radio access network, then a key component of the planned 4G LTE network. LightSquared LP initially paid Sprint \$310 million in advance payments for work on the network and its eventual operation. Obligations outstanding under the Sprint Master Services Agreement were allegedly secured by a second-priority security interest in the Prepetition LP Collateral (as defined below).

In January 2012, LightSquared LP jointly decided with Sprint to temporarily cease deployment activities for the 4G LTE radio access network until issues raised during the FCC process were resolved and the Company could move forward with commercially launching its 4G LTE network. The Sprint Master Services Agreement was also amended to delay the initial date on which Sprint has the right to unwind the agreement from December 31, 2011 to March 16, 2012.

On March 16, 2012, Sprint elected to unwind the Sprint Master Services Agreement. In accordance with the terms of the amended agreement, Sprint refunded \$65 million to LightSquared LP. LightSquared LP agreed with Sprint that \$236.5 million paid during 2011 had been expended by Sprint in planning for the 4G LTE radio access network and would not be refunded to LightSquared LP. The remaining \$8.5 million LightSquared LP paid to Sprint during 2011 was analyzed by the parties to determine how much had been expended by Sprint in support of the agreement and how much would be refunded to LightSquared LP. In furtherance thereof, each party ceased to provide certain specified services, reconciled all amounts owing as between them and coordinated the release of the liens securing the Company's obligations. As of the Petition Date, the Debtors did not believe any amounts were owing to Sprint under the Sprint Master Services Agreement; however, Sprint filed Proofs of Claim against LightSquared Inc. and LightSquared LP in excess of \$110 million. Sprint's claims were ultimately resolved by settlement between the parties that was approved by the Bankruptcy Court, as described in more detail in the section of this Disclosure Statement entitled "The Chapter 11 Cases – Settlement Agreement with Sprint."

2. Inmarsat

In December 2007, LightSquared LP, LightSquared Inc. and SkyTerra (Canada) Inc. (collectively, the "LightSquared Inmarsat Licensees") entered into the Inmarsat Cooperation Agreement relating to the coordination and use of L-Band spectrum for its 4G LTE network. Following the full implementation of the Inmarsat Cooperation Agreement, which involves the phased rebanding of certain L-Band spectrum licensed to Inmarsat and the LightSquared Inmarsat Licensees, the LightSquared Inmarsat Licensees would have access to approximately 46 MHz of contiguous blocks of L-Band spectrum to operate the Company's 4G LTE network and next generation satellite network. The 46 MHz of L-Band spectrum would consist of 28 MHz of coordinated spectrum and 18 MHz of additional L-Band spectrum that will be available for use upon the full implementation of the Inmarsat Cooperation Agreement.

In August 2010, LightSquared Inmarsat Licensees exercised an option under Phase 1A of the Inmarsat Cooperation Agreement, pursuant to which the parties began reallocating their respective spectrum. Under the Phase 1A option, the LightSquared Inmarsat Licensees paid Inmarsat a total of \$281.3 million through December 31, 2011. The Inmarsat Cooperation Agreement required the LightSquared Inmarsat Licensees to make a \$56.3 million payment upon Inmarsat's completion of Phase 1A.

In January 2011, the LightSquared Inmarsat Licensees exercised an option under Phase 2B of the Inmarsat Cooperation Agreement that requires Inmarsat to grant the LightSquared Inmarsat Licensees operating access to 18 MHz of L-Band spectrum for up to a 96-year period. In connection with the exercise of the option, the LightSquared Inmarsat Licensees were initially obligated to pay Inmarsat \$115.0 million per year, paid in quarterly installments. These annual payments increase at an annual rate of 3%, on a semi-annual basis and compounded annually. The LightSquared Inmarsat Licensees have the ability to terminate these payments by providing a one-year notice, provided that at least five years of Phase 2B payments have been made, or at least a two-year notice if the LightSquared Inmarsat Licensees terminate after making seven years of Phase 2B payments.

In April 2011, the LightSquared Inmarsat Licensees amended the Inmarsat Cooperation Agreement to create Phase 1.5, which accelerates the availability of certain of the L-Band spectrum that is being reallocated under Phase 2B. In connection with this amendment, the LightSquared Inmarsat Licensees paid \$40 million to Inmarsat, which is refundable if certain milestones are not met by specified dates. Future cash payments by the LightSquared Inmarsat Licensees may be due if Inmarsat completes the reallocation by certain dates. Satisfactory reallocation by Inmarsat prior to April 1, 2012 would require the LightSquared Inmarsat Licensees to pay Inmarsat an additional \$55 million, with such an additional payment decreasing \$10 million per month for later completion. Satisfactory reallocation by Inmarsat subsequent to October 1, 2012 would result in a refund to the LightSquared Inmarsat Licensees of \$10 million, with such refund increasing \$10 million per month until a full refund to the LightSquared Inmarsat Licensees of the LightSquared Inmarsat Licensees' \$40 million payment has been reached in January 2013.

In January 2012, Inmarsat asserted that it had met all of the delivery obligations required of it under Phase 1A of the Inmarsat Cooperation Agreement, which, if correct, would have triggered a final payment of \$56.3 million from the LightSquared Inmarsat Licensees. The LightSquared Inmarsat Licensees disputed Inmarsat's claim that it had met all of the obligations to complete the delivery as required under the Inmarsat Cooperation Agreement and the corollary right to claim the final Phase 1A payment at that time. In February 2012, Inmarsat issued to the LightSquared Inmarsat Licensees a formal notice of default for non-payment of the final Phase 1A payment. Assuming that Inmarsat completed delivery and that payment was due, the LightSquared Inmarsat Licensees would be able to cure the default with respect to the payment for 60 days from the notice of default, after which time the parties may revert to the default spectrum band plans if the default was not timely cured. Inmarsat would also have available to it all other remedies in law. If the parties revert to the default spectrum band plans, the operative plan would be the Phase 1A1 Default Spectrum Band Plan and the LightSquared Inmarsat Licensees would have 25.5 MHz of L-Band spectrum available to it as opposed to the 28 MHz of L-Band spectrum available under Phase 1A. The parties would then permanently operate under the Phase 1A1 Default Spectrum Band Plan and no further phases under the Inmarsat Cooperation Agreement would be implemented. In addition, any payment default that gives Inmarsat the ability to terminate the Inmarsat Cooperation Agreement could result in a cross-default to the Prepetition Inc. Credit Agreement (as defined below) and Prepetition LP Facility Credit Agreement (as defined below). In March 2012, Inmarsat asserted that it had met all of the delivery obligations required of it under Phase 1.5 of the Inmarsat Cooperation Agreement, which, if correct, triggers a payment due from the LightSquared Inmarsat Licensees of \$55 million. Similar to Inmarsat's claim in January 2012 in regards to the completion of Phase 1A, the LightSquared Inmarsat Licensees disputes that Inmarsat has met its delivery obligations with respect to Phase 1.5.

Pursuant to that certain Amendment No. 2 to the Inmarsat Cooperation Agreement, on April 18, 2012 the LightSquared Inmarsat Licensees agreed to: (a) suspend Phase 2 (as defined in the Inmarsat Cooperation Agreement) of the Inmarsat Cooperation Agreement until March 31, 2014, with the understanding that the LightSquared Inmarsat Licensees may, at their option, elect to restart Phase 2 prior to such date on the terms set out in such Amendment No. 2; (b) eliminate, during such period of suspension, any Phase 2 payments to Inmarsat, including the quarterly payment of approximately \$29.6 million due on March 31, 2012 (which, if not paid, would have

triggered cross-defaults under both the Prepetition Inc. Credit Agreement and the Prepetition LP Facility Credit Agreement); and (c) recommence, as of April 1, 2014 or an earlier date as elected by the LightSquared Inmarsat Licensees, Phase 2 payments based on a restructured payment plan set out in such Amendment No. 2 that will differ from the previous Phase payments. In addition, a payment for certain transition services was renegotiated within the scope of the amended terms for Phase 2.

4. Equity Interests

a. *LightSquared LP Series A Preferred Units.*

LightSquared LP has 164,646.47 outstanding non-voting Series A Preferred Units (the “Existing LP Preferred Units Equity Interests”). Subject to certain consent rights, Existing LP Preferred Units Equity Interests have no voting rights. Consent of a majority of the Existing LP Preferred Units Equity Interests is required to make certain amendments to LightSquared LP’s organizational documents, effect certain capital contributions, issue securities that are senior or *pari passu* to the Existing LP Preferred Units Equity Interests with respect to distributions, pay certain dividends or incur certain indebtedness. The Existing LP Preferred Units Equity Interests are exchangeable into shares of common stock of LightSquared Inc. at any time at the option of the holders, and are subject to mandatory exchange at LightSquared Inc.’s option upon the occurrence of certain events. The Existing LP Preferred Units Equity Interests are subject to mandatory redemption on the date that is five (5) years after the issue date of such Existing LP Preferred Units Equity Interests and at the option of LightSquared LP or the holder of such Existing LP Preferred Units Equity Interests upon the occurrence of certain events. The Existing LP Preferred Units Equity Interests rank senior with respect to distributions to LP Common Equity Interests; no distributions can be made to holders of LP Common Equity Interests unless and until each holder of Existing LP Preferred Units Equity Interests is paid an amount equal to (i) the aggregate unpaid priority return in respect of all of such holder’s Existing LP Preferred Units Equity Interests plus (ii) the aggregate Unpaid Discount Amount in respect of all of such holder’s Existing LP Preferred Units Equity Interests plus (iii) such holder’s Unreturned Capital Contributions (in each case, as such terms are defined in the Second Amended and Restated Limited Partnership Agreement of LightSquared LP, dated as of October 18, 2010).

b. *LP Common Equity Interests.*

All LP Common Equity Interests are indirectly owned by LightSquared Inc. LightSquared Investors Holdings Inc. and TMI Communications Delaware, Limited Partnership; each directly owns 78% and 22% (respectively) of the LP Common Equity Interests.

c. *Equity Interests in the LP Debtors*

LightSquared LP owns directly or indirectly all of the Equity Interests in each of the other LP Debtors. LightSquared LP also owns entirely and directly all of the Equity Interests in Debtors LightSquared Network LLC and LightSquared Bermuda Ltd. and non-Debtor LightSquared (UK) Limited.

F. The LightSquared LP Limited Partnership Agreement

LightSquared Investors Holdings, Inc., TMI Communications Delaware, Limited Partnership, and LightSquared GP Inc. are parties to the LightSquared LP Limited Partnership Agreement, dated October 18, 2010 (the "Partnership Agreement"). None of these entities are LP Debtors. Under the Partnership Agreement, LightSquared GP Inc. serves as general partner, while LightSquared Investors Holdings, Inc. and TMI Communications Delaware, Limited Partnership are limited partners. The Partnership Agreement governs, among other things, the purpose and powers of the partnership, capital contributions, and the liabilities of the partnership and each limited partner.

The Ad Hoc Preferred LP Group, which represents certain holders of Existing LP Preferred Units Equity Interests, believes that the treatment of the Existing LP Preferred Units Equity Interests under any plan confirmed in these cases would constitute a repayment under the "Optional Repayment" provisions of section 9.6(a) of the Partnership Agreement, which provides that the general partner of LightSquared LP may redeem Existing LP Preferred Units Equity Interests at the "Premium Redemption Amount," which provides for an annual internal rate of return, as more fully described in the Partnership Agreement. It has also been claimed that LightSquared LP may owe an "Unpaid Priority Return," an "Unpaid Discount Amount" and/or an "Unreturned Capital Contribution" to the holders of Existing LP Preferred Units Equity Interests. The Plan Sponsors and Ad Hoc LP Secured Group take no position on this issue at this time.

G. The LP Debtors' Employees

LightSquared LP has 80 full-time employees and 2 part-time employees. LightSquared Corp. has 40 full-time employees. None of the other LP Debtors have employees.

H. Events Leading to the Need for Restructuring

1. The Harbinger Merger and Development of the 4G LTE Network

On March 29, 2010, LightSquared Inc. consummated the Harbinger Merger with a corporation formed and indirectly wholly-owned by investment funds controlled by Harbinger. Following the Harbinger Merger, the Company adopted a business strategy to design and deploy

its 4G LTE network. During the second quarter of 2010, the Company began to execute its new business strategy by hiring a new senior management team, engaging network equipment and deployment vendors, coordinating spectrum with Inmarsat under the Inmarsat Cooperation Agreement, seeking regulatory approvals, working with chipset and device manufacturers, and marketing the Company's 4G LTE solution to potential wholesale customers. During the remainder of 2010, the Company continued these efforts and undertook a number of additional activities in connection with the execution of the Company's business plan.

Harbinger contributed to the Company rights to 8 MHz of 1.4 GHz spectrum and 5 MHz of 1.6 GHz spectrum, respectively, the Company exercised its option for Phase 1A under the Inmarsat Cooperation Agreement, and the Company successfully launched its SkyTerra-1 satellite. During 2011, the Company continued its efforts to develop its 4G LTE network, coordinate spectrum with Inmarsat under the Inmarsat Cooperation Agreement and obtain regulatory approvals. In January 2011, the Company triggered Phase 2B under the Inmarsat Cooperation Agreement. In April 2011, the Company amended the Inmarsat Cooperation Agreement to add Phase 1.5. In June 2011, the Company entered into the Sprint Master Services Agreement. The Company also signed several other wholesale agreements with customers including Best Buy Connect LLC and Leap Wireless International, Inc.

2. FCC Process

a. *Early 2000s*

On March 1, 2001, Motient Services Inc., an entity that subsequently sold its assets to Mobile Satellite Ventures LP ("Mobile Satellite") (now LightSquared LP), and Mobile Satellite Ventures Subsidiary LLC (now LightSquared Subsidiary LLC) submitted an application to the FCC seeking authority for an innovative new wireless service to be operated in conjunction with its MSS license. The FCC initiated a rulemaking proceeding regarding the establishment of rules for the Company's wireless network, specifically identifying potential emissions interference to Global Positioning Systems ("GPS") as an area of inquiry.¹¹ This public proceeding lasted over four (4) years and involved scores of interested parties, including the GPS industry and other federal agencies.

During that period, the GPS industry's concerns centered on out-of-band emissions. To resolve such concerns, the United States GPS Industry Council (the "USGIC") and Mobile Satellite entered into a private, voluntary agreement in 2002 whereby Mobile Satellite consented to certain limitations on its out-of-band emissions into the GPS band that were far more rigorous than those required by the FCC. Despite the significant cost and burden imposed on Mobile Satellite by such agreement, Mobile Satellite incorporated the new limits into its revised application to the FCC filed on July 17, 2002 with the support of the USGIC.

¹¹ The source of GPS incompatibility concerns stemmed from the proximity to the Company's spectrum to the GPS band. The Company is authorized to operate in 46 MHz of the L-Band spectrum, including the portion of spectrum between 1525—1559 MHz. GPS operates in the 1559—1610 MHz band, directly adjacent to the Company's allocated frequencies. According to the Company, however, the GPS industry designed its receivers in a manner that makes them capable of receiving signals from the Company's allocated portion of the spectrum.

Thereafter, in 2003, the FCC adopted rules (the “2003 Rules”) permitting MSS licensees, after satisfying certain preconditions known as “gating criteria,” to integrate an ATC into their satellite networks, which would enable MSS licensees to offer ground-based mobile services using the same spectrum resources already allocated to their MSS operations (the “2003 FCC Order”). Pursuant to the 2003 FCC Order, the Company submitted a new application requesting authorization to deploy and operate a terrestrial network, and the USGIC filed a letter in support thereof. Consequently, in 2004, the FCC granted the Company’s application to deploy and operate a terrestrial network, thereby making the Company the first MSS licensee authorized to operate on a terrestrial basis. The Company thereafter began investing significant funds to design and deploy its 4G LTE open wireless broadband network and, in furtherance thereof, commissioned its two next-generation satellites, SkyTerra-1 and SkyTerra-2.

b. *2005-2010*

In 2005, the FCC revised many of the technical standards governing terrestrial operations in the L-Band, and specifically removed a limit it had imposed in the 2003 Rules on the number of terrestrial base stations that an MSS/ATC provider may deploy (the “2005 Reconsideration Order”). In connection therewith, the FCC received and incorporated into each of those rules extensive input from the public and federal agencies, including recommendations offered by the USGIC and the National Telecommunications and Information Administration (the “NTIA”) that would protect against harmful emissions from MSS/ATC operations into other bands, including the GPS frequency bands. No party in those proceedings raised any issue of possible overload to GPS receivers.

Since the 2005 Reconsideration Order, the Company has continued to participate in FCC proceedings concerning the terms and conditions of its licenses, even as it concurrently moved toward deployment of its integrated network. During those proceedings, the FCC, the Company and members of the GPS community continued to address and resolve concerns raised by the GPS community. Specifically, on July 10, 2009, in connection with the FCC’s consideration of an application to modify an MSS/ATC license held by the Company, the GPS community expressed a concern that out-of-band emissions from “femtocells” (*i.e.*, low-power indoor base stations designed to improve network coverage inside buildings) could potentially be incompatible with GPS. Working cooperatively with the GPS industry, SkyTerra Subsidiary LLC (“SkyTerra Subsidiary”) entered into a private agreement with the USGIC, in which the SkyTerra Subsidiary voluntarily agreed to restrict the out-of-band emissions of its femtocells. Thereafter, the USGIC and SkyTerra Subsidiary submitted a joint letter to the FCC stating that the USGIC’s concerns had been resolved. Given that (a) technical modifications to the license were again coordinated with, and agreed to by, the Executive Branch of the U.S. government, and (b) no other concerns were raised with respect to GPS interference, in March 2010, the FCC granted the modification application, acknowledging that the voluntary agreements between the SkyTerra Subsidiary and the USGIC resolved any interference issue.

c. *2010 and Beyond*

In 2010, the FCC approved the transfer of control of the entity now known as LightSquared Subsidiary LLC, which held the underlying license. The FCC conditioned its approval of the transfer on the Company actually moving forward with its plan to use its MSS

spectrum to provide 4G LTE mobile wireless service and to build a terrestrial network. To ensure that goal was met, the FCC imposed a build-out schedule on the Company, requiring coverage of at least 100 million people by December 31, 2012, at least 145 million by December 31, 2013, and at least 260 million people by December 31, 2015. No party sought reconsideration of that build-out requirement. The Company, in reliance on this approval and to ensure that it satisfied the FCC's conditions to approval in full, invested billions of dollars and entered into the Sprint Master Services Agreement and other agreements to deploy its nationwide wireless broadband network.

In November 2010, the Company sought a modification to its ATC authorization that would allow the Company to meet the MSS/ATC gating criteria in a way that would provide additional flexibility with respect to mobile devices (such as handsets). As originally adopted in 2003 and confirmed in the 2005 Reconsideration Order, the gating criteria are rules the FCC applies to the provision of ATC service that are intended to ensure that the operator maintains a substantial mobile satellite service. One gating criterion requires the MSS/ATC operator to provide an "integrated service," meaning a service that integrates both the satellite and terrestrial services. While the FCC left open how operators could meet the integrated service requirement, it did establish a safe harbor that assumes compliance if the devices used by consumers are capable of communicating with both the satellite and terrestrial networks. These devices are referred to as "dual-mode devices." The Company's application in November 2010 sought permission for the Company's wholesale customers to provide their retail consumers with devices that only connected with the terrestrial network, provided that the Company offered its wholesale customers a single rate for access to both the satellite and terrestrial network, regardless of whether they used both of them.

In determining whether to approve the application, the FCC considered that (a) the Company was significantly committed to MSS satellite service, (b) the Company's MSS/ATC business plan necessarily included rationalization of interleaved L-Band spectrum into contiguous blocks that would support next generation broadband technologies and (c) the Company had made enforceable commitments that would increase the availability of terrestrial mobile wireless broadband service, including to new users in rural areas and the public safety community. In recognition of these considerations, the FCC granted the Company a limited waiver (the "Conditional Waiver Order") of the rule, and addressed the Company's obligations with respect to mobile devices that wholesale customers would make available to their retail customers for use on the Company's MSS/ATC network.

During the waiver proceeding on requirements for mobile devices, however, the GPS community raised concerns that downlink operations of the Company's terrestrial base stations (*i.e.*, its cell towers) could cause widespread overload to GPS receivers. These new concerns centered around the fact that many GPS devices can "see" frequencies outside of the GPS band, including frequencies in the Company's band, thus creating the possibility that a relatively powerful signal from one of the Company's base stations could overload a GPS receiver.

In response to the concerns of the GPS community,¹² the FCC established conditions that the Company must satisfy before it can provide commercial service under the mobile device provisions of the Conditional Waiver Order. Specifically, the FCC required the Company to work with the GPS community to resolve any concerns with respect to incompatibility with GPS receivers through a technical working group process, which process would be deemed finished when the FCC (after consultation with the NTIA) concludes that the potential harmful interference concerns have been resolved, before the Company would move forward to launch its competitive 4G LTE service.

In connection with the technical working group process, on June 30, 2011, the Company submitted the final report of the technical working group that it co-chaired with the USGIC. The FCC issued a public notice in connection therewith seeking comments and also subsequently requested additional technical submissions and testing. Thus, in the ensuing months, various tests were conducted by various federal agencies, including the NTIA and the Federal Aviation Administration, in coordination with the Company, to validate data on the performance of cellular, personal/general navigation and certified aviation GPS receivers. On February 14, 2012, the FCC received a letter from the NTIA, which stated that the NTIA has concluded that (a) the Company's proposed mobile broadband network will impact GPS services and (b) there currently is no practical way to mitigate the potential harmful interference from the Company's planned terrestrial operations such that the Company could successfully deploy an adequate commercial network. The technical report underlying the NTIA letter also raised concerns about the effect on GPS receivers from out-of-band emissions from the Company's L-Band terrestrial uplink operations.

On February 15, 2012, the FCC stated in a public notice (the "2012 Public Notice") that the technical working group process had not been successfully completed by the Company because alleged harmful interference concerns were not resolved to the FCC's satisfaction. Moreover, the FCC concluded that, although the overload issues were raised by the GPS community in connection with the Conditional Waiver Order, the concerns raised by NTIA were relevant for the full Company ATC service authorized in 2004 and 2010. The interference addressed by the NTIA was associated not with the mobile handsets at issue therein, but rather, with the Company's planned terrestrial base stations and, thereby, the full Company ATC service authorized in 2004 and 2010. Accordingly, the FCC proposed to vacate the Conditional Waiver Order and modify the Company's satellite license to suspend indefinitely the Company's underlying ATC authorization, first granted in 2004, to an extent consistent with the NTIA Letter. The FCC invited interested parties to comment on these proposals by March 1, 2012, but subsequently extended such deadline to March 16, 2012. The Company filed its comments to the 2012 Public Notice on March 16, 2012 and filed its reply to the comments of other interested parties on March 30, 2012.

¹² As mentioned above, commercial GPS manufacturers have continued to design, produce and sell receivers that are capable of receiving signals from the Company's allocated portion of the spectrum. The Plan Sponsors understand that the Debtors believe that the GPS industry should bear its own costs of recalling and repairing its products and the Company should be compensated for the trespass, and use of, the Company's spectrum. The Plan Sponsors believe, however, that the actions of the FCC indicate that it does not agree with this position.

The Debtors have stated that they intend to vigorously defend their rights in the ongoing 2012 Public Notice process, while simultaneously pursuing a resolution with the FCC and other federal government agencies that will permit it to deploy its terrestrial network.

3. Cost-Cutting Measures

Throughout the first quarter of 2012, the Company faced liquidity challenges. Specifically, LightSquared LP was obligated to make a \$25 million interest payment to the LP Lenders on March 30, 2012. Moreover, although the Company was able to extend the maturity date of the Prepetition Inc. Credit Agreement, in light of, among other things, the status of the FCC process and the GPS industry's allegations, LightSquared Inc. was unable to refinance its facility or raise capital to aid it in the deployment of the 4G LTE network (as required by the FCC).

In an attempt to ease its liquidity constraints and preserve cash, the Company began to undertake substantial cost-cutting initiatives during the first quarter of 2012, including executing a major reduction in staff and entering into negotiations with its contractual counterparties to defer or reduce payments. As part of this effort, the Company successfully renegotiated the Inmarsat Cooperation Agreement, pursuant to that certain Amendment No. 2, dated as of April 18, 2012, to: (a) suspend Phase 2 (as defined in the Inmarsat Cooperation Agreement) of the Inmarsat Cooperation Agreement until March 31, 2014, with the understanding that the Company may, at its option, elect to restart Phase 2 prior to such date; (b) eliminate, during such period of suspension, any Phase 2 payments to Inmarsat, including the quarterly payment of approximately \$29.6 million due on March 31, 2012 (which, if not paid, would have triggered cross-defaults under both the Prepetition Inc. Credit Agreement and the Prepetition LP Facility Credit Agreement); and (c) recommence, as of April 1, 2014 or an earlier date as elected by the Company, Phase 2 payments based on a restructured payment plan that will differ from the previous Phase payments. In addition, a payment for certain transition services was renegotiated within the scope of the amended terms for Phase 2. Moreover, the Company terminated the One Dot Four Lease, thereby obviating the requirement to pay TerreStar 1.4 Holdings LLC \$2 million on March 23, 2012 and each month thereafter.

4. Prepetition Discussions with Prepetition Lenders

Recognizing the (a) impact of the foregoing events and the liquidity constraints on its business operations and (b) necessity of an extended period in which to resolve its issues with the FCC as well as to streamline its business operations and financial obligations, the Company began negotiations with the Prepetition Lenders in February 2011 to waive, among others, the then potential events of default asserted by the Prepetition Lenders. On March 15, 2012, the Company was able to secure the Inc. Waiver and Amendment with the requisite number of the Prepetition Inc. Lenders and a short, forty-five (45)-day waiver, subsequently extended by two waivers each granting an additional seven (7) days, with the requisite number of the LP Lenders. In connection with the Inc. Waiver and Amendment, (x) the maturity date for the Prepetition Inc. Credit Facility was extended from July 1, 2012 to December 31, 2012, (y) a two percent (2%) non-cash fee was paid to the UBS AG, Stamford Branch, as administrative agent, for the ratable account of each Prepetition Inc. Lender and (z) Harbinger agreed to subordinate amounts owing to it under the Prepetition Inc. Credit Facility to amounts owing to the other Prepetition Inc.

Lenders under the Prepetition Inc. Credit Agreement in exchange for 2.5 million penny warrants. During the waiver period, the Company and the Prepetition Lenders attempted to negotiate a global restructuring that would provide the Company with the liquidity and runway necessary to resolve its issues with the FCC. The Company and the Prepetition Lenders were not able to consummate a global restructuring on terms acceptable to all interested parties.

VI.

THE CHAPTER 11 CASES

A. Commencement of the Chapter 11 Cases

On May 14, 2012 (the "Petition Date"), the Debtors commenced the Chapter 11 Cases. On that same day, the Debtors also filed several pleadings (the "First Day Pleadings"), which are discussed in detail below.

B. First Day Pleadings

1. Joint Administration

On May 14, 2012, the Debtors filed a motion seeking the joint administration of the Chapter 11 Cases (the "Joint Administration Motion") [Docket No. 2]. On May 15, 2012, the Bankruptcy Court issued an order granting the Joint Administration Motion [Docket No. 33].

2. Case Management

On May 14, 2012, the Debtors filed a motion seeking approval of an order implementing case management procedures [Docket No. 18]. On June 11, 2012, the Bankruptcy Court entered an order implementing case management procedures that: (a) established requirements for filing and serving notices, motions, applications, declarations, objections, responses, memoranda, briefs, supporting documents and other papers filed in the Debtors' Chapter 11 Cases; (b) delineated standards for service of notices of hearings and agenda letters; (c) fixed periodic omnibus hearing dates and articulated mandatory guidelines for scheduling hearings and objection deadlines; and (d) limited matters that are required to be heard by the Bankruptcy Court [Docket No. 121].

3. Extension of Deadline for Filing Schedules

On May 14, 2012, the Debtors filed a motion seeking approval of an extension of the deadline for filing their Financial Schedules [Docket No. 6]. On May 16, 2012, the Bankruptcy Court granted an extension of thirty (30) days (until and including June 27, 2012) for the Debtors to file their Financial Schedules [Docket No. 44]. The Debtors filed their Financial Schedules with the Bankruptcy Court on June 27, 2012 [Docket Nos. 154–173].

4. Retention of a Claims and Noticing Agent

The Debtors filed an application on May 14, 2012 to employ KCC as claims and noticing agent in order to expedite the distribution of notices and processing of claims and relieve the

Bankruptcy Court's Clerk's office of the administrative burden of a potentially overwhelming number of claims [Docket No. 4]. The Bankruptcy Court granted the Debtors' application to employ KCC as claims and noticing agent on May 15, 2012 [Docket No. 34].

5. Limitation of Service

On May 14, 2012, the Debtors filed a motion seeking approval of an order (a) authorizing the Debtors to prepare a consolidated list of creditors in the format or formats maintained in the ordinary course of business in lieu of submitting a mailing matrix, (b) authorizing the Debtors to file a consolidated list of their twenty (20) largest unsecured creditors, and (c) approving the form and manner of notice of the commencement of the Debtors' Chapter 11 Cases [Docket No. 5]. The Bankruptcy Court issued an order granting the motion on May 15, 2012 [Docket No. 35].

6. Business Operations

a. *Cash Management and Intercompany Transactions*

As is typical with most corporate enterprises, the Debtors had in place as of the Petition Date a cash management system for the collection of receipts and the disbursement of funds. The Debtors use a cash management system that consists of two (2) separate segregated cash management systems, one each for Inc. Group¹³ and LP Group.¹⁴

In the ordinary course of business, the Inc. Group utilizes an integrated, centralized cash management system (the "Inc. Group Cash Management System") to collect and manage or disburse and invest funds. Also in the ordinary course of business, the LP Group utilizes an integrated, centralized cash management system (the "LP Group Cash Management System") and, together with the Inc. Group Cash Management System, the "Cash Management Systems") to collect and manage or disburse and invest funds used in its operations.

In the ordinary course of business, cash amounts paid by one Debtor entity on behalf of other Debtor entities (depending on the transaction) had been historically recorded as capital contributions or equity investments (the "Cash Transactions"). The Debtors and certain non-Debtor affiliates utilize a cost allocation system where expenses initially paid by a Debtor or a non-Debtor affiliate for the benefit of other Debtors or non-Debtor affiliates are allocated to the appropriate entities in proportion to the benefits received by such entities (together with the Cash Transactions, the "Intercompany Transactions"). Through their use of the Cash Management

¹³ The "Inc. Group" consists of (a) the following Debtor entities: LightSquared Inc., One Dot Six Corp., One Dot Four Corp., SkyTerra Rollup LLC, SkyTerra Rollup Sub LLC, LightSquared GP Inc. and One Dot Six TVCC Corp. and (b) the following non-Debtor entities: TVCC Holding Company, LLC, TVCC Intermediate Corp., Columbia One Six Partners IV, Inc., Columbia FMS Spectrum Partners IV, Inc., TVCC One Six Holdings LLC and CCMM I LLC.

¹⁴ The "LP Group" consists of (a) the following Debtor entities: LightSquared LP, LightSquared Investors Holdings Inc., TMI Communications Delaware, Limited Partnership, ATC Technologies, LLC, LightSquared Corp., LightSquared Finance Co., LightSquared Network LLC, LightSquared Inc. of Virginia, LightSquared Subsidiary LLC, SkyTerra Holdings (Canada) Inc., SkyTerra (Canada) Inc., LightSquared Bermuda Ltd. and SkyTerra Investors LLC and (b) the following non-Debtor entity: LightSquared (UK) Limited.

Systems, the Debtors facilitate cash forecasting and reporting, monitor collections and disbursements of funds, and maintain control over the administration of various bank accounts (the "Bank Accounts") that are required to effect the collection, disbursement, and movement of cash.

On May 14, 2012, the Debtors filed a motion seeking to: (a) continue to use their existing cash management system, bank accounts, and disbursement accounts, (b) open new debtor in possession bank accounts with authorized depository banks or close any existing bank accounts as the Debtors deem necessary and appropriate in their sole discretion, and (c) continue performing ordinary course Intercompany Transactions (the "Cash Management and Intercompany Transactions Motion") [Docket No. 7]. On May 15, 2012, the Bankruptcy Court entered an interim order granting the Cash Management and Intercompany Transactions Motion [Docket No. 36]. On June 11, 2012, the Bankruptcy Court entered a final order authorizing (a) the continued use of Cash Management Systems and the Bank Accounts, with the same account numbers, in existence on the Petition Date, (b) the treatment of the Bank Accounts for all purposes as accounts of the Debtors as debtors in possession, and (c) if needed, subject to the giving of notice, the opening of new debtor in possession accounts with authorized depository banks or the closing of any existing accounts as the Debtors may deem necessary and appropriate in their sole discretion [Docket No. 115].

b. *Utility Services*

In connection with the operation of their businesses and management of their properties, the Debtors obtain from certain utility companies (the "Utility Providers") a wide range of utility services in the ordinary course of business for, among other things, water, sewer service, electricity, telephone, data services and other similar services. On May 14, 2012, the Debtors filed a motion seeking an order (a) deeming Utility Providers adequately assured of future performance and (b) establishing procedures for resolving requests for additional adequate assurance of future payment [Docket No. 17]. On June 11, 2012, the Bankruptcy Court issued an order determining adequate assurance of payment for future utility services [Docket No. 120]. Pursuant to the order, as adequate assurance, the Debtors deposited \$21,850 into a newly-created, segregated, interest-bearing bank account.

c. *Payment of Prepetition Taxes and Assessments*

In the ordinary course of their businesses, the Debtors (a) collect, incur and/or comply with a variety of taxes or tax obligations, including certain business, corporation, franchise, partnership, personal property, provincial, capital, non-resident withholding, sales and use, goods and services, harmonized sales, excise and other taxes (collectively, the "Taxes"), (b) charge certain annual reporting fees, FCC fees and Canadian Regulatory Fees, and other similar charges and assessments (collectively, the "Fees") on behalf of various taxing, licensing and other regulatory authorities (collectively, the "Authorities"), and (c) pay Fees to such Authorities for licenses and permits required to conduct the Debtors' businesses in the ordinary course.

On May 14, 2012, the Debtors filed a motion seeking authorization to pay Taxes and Fees and directing financial institutions to honor all related checks and electronic payment requests [Docket No. 10]. On May 16, 2012, the Bankruptcy Court issued an interim order

authorizing, but not requiring, the Debtors to pay, in their sole discretion, all Taxes and Fees in the ordinary course of their businesses, including all Taxes and Fees subsequently determined to be owed for periods prior to the Petition Date, and authorizing and directing banks and financial institutions on which checks were drawn or electronic payment requests were made to receive, process, honor, and pay all such checks and electronic payment requests [Docket No. 39]. On June 11, 2012, the Bankruptcy Court entered a final order authorizing the same [Docket No. 117].

d. Continuation of Prepetition Insurance Policies

In connection with their business operations, the Debtors maintain multiple insurance policies in respect of, among other things, property damage, general liability, umbrella liability, automobile liability, fiduciary liability, employment practices liability, cargo, directors' and officers' liability, space insurance, and international liability (collectively, the "Insurance Programs"). In addition, the Debtors maintain in-orbit insurance on their SkyTerra-1 satellite (the "Satellite Insurance Program") that covers losses and liabilities associated with the satellite of up to \$250,000,000. On May 14, 2012 the debtors filed a motion for authorization to honor the terms of their Insurance Programs, including the Satellite Insurance Program, and pay installment payments that come due after the Petition Date or to modify, extend, or supplement the policies as the Debtors see fit (the "Insurance Policies Motion") [Docket No. 9]. On May 16, 2012, the Bankruptcy Court issued an interim order granting the Insurance Policies Motion [Docket No. 41]. The Bankruptcy Court entered a final order on June 11, 2012 [Docket No. 118].

e. Employee Wages and Benefits

On May 14, 2012, the Debtors filed a motion for an order (A) authorizing them to (i) pay certain prepetition wages and reimbursable employee expenses, (ii) pay and honor employee benefits and (iii) continue employee benefits programs and (B) authorizing and directing financial institutions to honor all related checks and electronic payment requests [Docket No. 8]. The Bankruptcy Court issued an interim order on May 15, 2012 [Docket No. 38] and a final order granting the relief requested on June 11, 2012 [Docket No. 133].

f. Notification Procedures and Restrictions on Certain Transfers of Interests and Claims in the Debtors

On May 14, 2012, the Debtors filed a motion to authorize the establishment of procedures to protect the potential value of the Debtors' more than \$1.5 billion in consolidated net operating tax loss carryforwards ("NOLs") (a portion of which is subject to limitation) and certain other tax attributes, including, potentially, a net unrealized built-in loss in its Assets (together with NOLs, the "Tax Attributes") (the "Restriction on Transfers Motion") [Docket No. 11]. The proposed procedures included treating as void ab initio any acquisition, disposition, claim of a worthless securities deduction under 165(g) of the Code (as defined below) or other transfer of LightSquared Inc. stock in violation of the restrictions set forth in the proposed order. On May 16, 2012, the Bankruptcy Court entered an interim order granting the Restriction on Transfers Motion [Docket No. 40]. On May 22, 2012 the Ad Hoc LP Secured Group objected to the motion, explaining, among other things, that the ability of the Debtors to use the Tax Attributes

would only be relevant in remote situations [Docket No. 64]. On June 4, 2012, after the Debtors and the Ad Hoc LP Secured Group agreed upon a form of order that resolved the objection, the Bankruptcy Court issued a final order granting the Restrictions on Transfers Motion [Docket No. 84].

g. Foreign Representation

On May 14, 2012, the Debtors filed a motion for entry of an order authorizing LightSquared LP to act as the foreign representative on behalf of the Debtors' Estates in any judicial or other proceeding in a foreign country [Docket No. 12]. The Debtors have certain Assets and limited operations in Canada, and after the Petition Date, they commenced a restructuring proceeding in the Ontario Superior Court of Justice (Commercial List) pursuant to Part IV of the Companies' Creditors Arrangement Act, R.S.C. 1985, c. C-36, as amended (the "Canadian Proceedings"). On May 16, 2012, the Bankruptcy Court entered an interim order [Docket No. 42], with a final order following on June 11, 2012, authorizing LightSquared LP to act as a foreign representative on behalf of the Debtors [Docket No. 119].

h. Interim Compensation and Reimbursement of Professional Persons and Committee Members

In an effort to permit the Debtors to closely monitor the costs and streamline the administration of the Chapter 11 Cases, and to allow the Bankruptcy Court and parties in interest, including the U.S. Trustee, to ensure the reasonableness and necessity of the compensation and reimbursement requested, the Debtors developed procedures for interim compensation and reimbursement of expenses of professionals whose services are authorized by the Bankruptcy Court pursuant to either section 327 or section 1103 of the Bankruptcy Code and for reimbursement of reasonable out-of-pocket expenses incurred by members of any statutory committee of unsecured creditors appointed in the Chapter 11 Cases. On May 14, 2012, the Debtors moved for the entry of an order establishing an orderly, regular process for the monthly allowance and payment of compensation and reimbursement of expenses [Docket No. 19], and the Bankruptcy Court approved such requested relief on June 11, 2012 [Docket No. 122].

i. Cash Collateral Motion

On May 14, 2012, the Debtors filed a motion (the "Cash Collateral Motion") seeking authority to use cash collateral ("Cash Collateral") and grant adequate protection to certain prepetition secured parties [Docket No. 13]. The Debtors sought to use Cash Collateral because they could not generate sufficient unencumbered cash from operations to cover their operating expenses and the Cash Collateral was needed to meet capital expenditures and other non-operating cash expenses.

Several parties, including the Ad Hoc LP Secured Group, objected to the Cash Collateral Motion. At a hearing on the Cash Collateral Motion, the Debtors presented to the Bankruptcy Court an agreed order (the "Initial Cash Collateral Order") that, among other things, enabled the Debtors on a final basis (and for up to one year) to use the Cash Collateral of the Prepetition Inc. Lenders and LP Lenders in order to continue operations. In exchange, the Prepetition Inc. Lenders and the LP Lenders were to receive adequate protection liens and monthly payments to

guard against any diminution in the value of their respective collateral. The Bankruptcy Court entered the Initial Cash Collateral Order on June 13, 2012 [Docket No. 136]. On February 19, 2013, in connection with the Exclusivity Stipulation (as defined and discussed below), the Bankruptcy Court entered an agreed order amending the Initial Cash Collateral Order (the "Amended Cash Collateral Order") [Docket No. 544]. Pursuant to the Amended Cash Collateral Order, the Debtors were authorized to further use Cash Collateral through December 31, 2013 in order to further the terms of the Exclusivity Stipulation (as defined below).

C. Ahuja Settlement Agreement

On July 6, 2012, the Debtors filed a motion seeking (a) authority to enter into, and approval of, a settlement agreement (the "Ahuja Settlement Agreement") between LightSquared Inc., on behalf of itself and the other Debtors' Estates, Harbinger, and Sanjiv Ahuja (the former chairman of the board of directors and chief executive officer of LightSquared Inc. and an officer and director of various other LightSquared entities), (b) authority to reject Mr. Ahuja's employment agreement and certain related documents, and (c) authority to take any and all actions reasonably necessary to consummate and perform any and all obligations under the Ahuja Settlement Agreement (the "Ahuja Settlement Motion") [Docket No. 213]. The Ahuja Settlement Agreement provides that, in satisfaction of Mr. Ahuja's claims for compensation and/or benefits, Mr. Ahuja will receive (x) an allowed unsecured non-priority claim against LightSquared LP in the amount of \$750,000 and (y) an allowed common interest in the amount of 8,832,354 shares of current common stock of LightSquared Inc., which shall be subject to dilution only on account of subsequent issuances of current common stock of LightSquared Inc. to the same extent and in the same manner and proportion as all other current common stockholders of LightSquared Inc. are diluted in connection with such issuance; provided, all payments made on account of such allowed claim and interest are to be made only in accordance with a confirmed chapter 11 plan. The Ahuja Settlement Agreement also provides that the Debtors will indemnify Mr. Ahuja for all of his actions and omissions during the time he was a director, officer or employee. Pursuant to the Ahuja Settlement Agreement, on the effective date thereof, (i) Mr. Ahuja's employment agreement and certain related documents shall be deemed rejected, (ii) Mr. Ahuja's employment with the Debtors shall cease, (iii) Mr. Ahuja shall have resigned from the board of directors of each applicable LightSquared entity, and (iv) Mr. Ahuja shall not hold any office or title with any LightSquared entity or board of directors. No objections to the Ahuja Settlement Motion were filed, and on July 17, 2012, the Bankruptcy Court entered an order approving the Ahuja Settlement Agreement [Docket No. 223].

D. Key Employee Incentive Program

On August 29, 2012, the Debtors filed a motion (the "KEIP Motion") seeking the approval of a key employee incentive plan (the "Original KEIP") for four (4) senior level executives (the "Key Employees") [Docket No. 292]. The following is a list of the Key Employees, their positions and their annual salaries as of the date of the KEIP Motion:

<u>Senior Level Executive</u>	<u>Title</u>	<u>Salary</u>
-------------------------------	--------------	---------------

Douglas Smith	Interim Chief Executive Officer, President, and Chairman of the Board	\$700,000
Marc Montagner	Chief Financial Officer	\$500,000
Curtis Lu	General Counsel	\$500,000
Jeffrey Carlisle	Executive Vice President, Regulatory Affairs & Public Policy	\$400,000

The Original KEIP provided that each of the Key Employees would be entitled to receive an incentive bonus consisting of cash and a preset amount of restricted stock units (“RSUs”), paid in shares of current common stock of LightSquared Inc. upon the satisfaction of one or more of the following objectives: (a) cash preservation, (b) progress made in the regulatory process, and (c) the occurrence of the effective date of a chapter 11 plan or the consummation of a sale of substantially all of the Debtors’ Assets (the “Emergence Objective” and collectively, the “Incentive Objectives”). Over a period of time that would last at least two (2) years, each Key Employee would be eligible to receive aggregate incentive payments of cash up to 285% of each such Key Employee’s annual salary and vesting of all issued RSUs if all Incentive Objectives were satisfied, and in the event a Key Employee is terminated without cause, such Key Employee would have been entitled to the vesting of RSUs upon the occurrence of each subsequent Incentive Objective as if such Key Employee had not been terminated. However, should a plan or confirmation of a sale result in a payout to the Debtors’ Prepetition Lenders on their claims that is less than par plus accrued in cash, and such treatment is not accepted under a plan by either the Prepetition Inc. Lenders or the LP Lenders, any cash award paid to the Key Employees on account of the Emergence Objective shall be multiplied by a factor of .80. The Ad Hoc LP Secured Group and the U.S. Trustee filed objections to the KEIP Motion (together, the “KEIP Objections”) on September 6, 2012 and September 7, 2012, respectively [Docket Nos. 302, 309]. The KEIP Objections asserted that the Original KEIP (a) provided for impermissible retention payments under section 503(c)(1) of the Bankruptcy Code and (b) violated section 503(c)(3) of the Bankruptcy Code by providing for transfers outside of the ordinary course of business that were not justified by the facts and circumstances of the case.

In response to the KEIP Objections, on October 19, 2012, the Debtors filed a supplemental motion seeking the approval of a revised key employee incentive plan (as revised, the “KEIP”) [Docket No. 385]. The revised KEIP: (a) removed the issuance of RSUs as consideration, (b) tightened the Debtors’ budget compliance requirements, and (c) tightened payment dates under the Emergence Objective. On October 23, 2012, the Bankruptcy Court entered an order approving the KEIP [Docket No. 394].

E. Rejection of Lease Documents Nunc Pro Tunc to the Petition Date

On August 29, 2012, the Debtors filed a motion seeking a 90-day extension to assume or reject unexpired leases of nonresidential real property from September 11, 2012 to and including December 10, 2012 [Docket No. 291]. There were no objections to this motion. On October 1,

2012, the Bankruptcy Court entered an order extending the Debtors' time to assume or reject unexpired leases to and including December 10, 2012 [Docket No. 344].

Also on August 29, 2012, the Debtors filed a motion seeking to reject a nonresidential real property lease with 450 Park Avenue, LLC which was in respect of the Debtors' use of office space at 450 Park Avenue, New York, New York [Docket No. 290]. The lease was to terminate in November 2015 and rent for the premises was \$35,917.13 per month or \$431,005.50 per year. On September 13, 2012, the Bankruptcy Court entered an order granting the Debtors' motion to reject the real property lease with 450 Park Avenue, LLC (the "450 Park Avenue Order") [Docket No. 318].

On November 14, 2012, the Debtors filed a motion seeking a further extension of time to assume or reject certain unexpired leases of nonresidential real property and rejection of all other of the Debtors' unexpired leases of nonresidential property not assumed or for which the time to assume had not been extended [Docket No. 413]. In the motion, the Debtors asserted that in undertaking a strategic review of unexpired leases, it was in their sound business judgment that a further extension of the deadline for certain unexpired leases (the "Extension Leases") was in the best interest of the Debtors and the Estate. The Extension Leases are leases of nonresidential real property currently used by the Debtors for (a) inventory fulfillment and warehousing, (b) satellite carrier monitoring stations, and (c) satellite network gateways. The Debtors split the Extension Leases into two groups and requested that each counterparty consent in writing to extensions of the deadline to assume or reject to and including June 10, 2013 for the first group of Extension Leases and the date upon which a plan of reorganization is confirmed for the second group of Extension Leases. Each counterparty to an Extension Lease consented to the requested extension, and, on November 28, 2012, the Bankruptcy Court issued a final order extending the period the Debtors may assume or reject the Extension Leases to and including (a) March 10, 2013, for the Extension Leases listed on schedule 1 of the order, (b) June 10, 2013, for the Extension Leases listed on schedule 2 of the order, and (c) the date of confirmation of a plan of reorganization, for the Extension Leases listed on schedule 3 of the order [Docket No. 438].

On April 30, 2013, the Debtors filed another motion seeking a further extension of their time to assume or reject unexpired leases of nonresidential real property (the "Third Lease Extension Motion") [Docket No. 626]. In the Third Lease Extension Motion, the Debtors sought a further extension of such time to the earlier of (a) December 31, 2013 and (b) the date upon which a plan of reorganization under chapter 11 of the Bankruptcy Code is confirmed in the Chapter 11 Cases. The Third Lease Extension Motion was granted by the Bankruptcy Court on May 15, 2013 [Docket No. 631].

F. Representation of the Debtors

On May 14, 2012, the Debtors applied for orders seeking the employment and retention of several professionals. Specifically, the Debtors filed an application seeking entry of an order authorizing and approving the employment and retention of Milbank, Tweed, Hadley & McCloy ("Milbank") as attorneys for the Debtors nunc pro tunc to the Petition Date [Docket No. 21], and such application was approved by the Bankruptcy Court on June 11, 2012 [Docket No. 124]. Milbank serves as lead bankruptcy counsel for the Debtors. Moreover, the Debtors sought the employment and retention of Fraser Milner Casgrain LLP (now known as Dentons Canada LLP,

“Dentons”) as Canadian counsel for the Debtors nunc pro tunc to the Petition Date [Docket No. 22], and such application was approved on June 11, 2012 [Docket No. 125]. Dentons represents the Debtors in connection with their restructuring efforts in the Canadian Proceedings. Lastly, the Debtors applied for entry of an order authorizing and approving the employment and retention of Alvarez & Marsal North America, LLC as financial advisor to the Debtors nunc pro tunc to the Petition Date [Docket No. 25], and such application was also approved on June 11, 2013 [Docket No. 126].

On May 22, 2012, the Debtors filed an application for entry of an order authorizing and approving the employment of Moelis & Company LLC as financial advisor and investment banker to the Debtors nunc pro tunc to the Petition Date [Docket No. 66], and such application was approved on June 11, 2013 [Docket No. 127].

On May 29, 2012, the Debtors filed several applications seeking the retention and employment of other professionals. Specifically, the Debtors filed an application for entry of an order authorizing and approving the employment and retention of Ernst & Young LLP as tax and agreed-upon procedures service provider to the Debtors nunc pro tunc to the Petition Date [Docket No. 74], and such application was granted on June 18, 2012 [Docket No. 143]. The Debtors also applied for an order authorizing and approving the employment and retention of Kirkland & Ellis LLP (“K&E”) as special litigation counsel for the Debtors nunc pro tunc to the Petition Date [Docket No. 75], and such application was approved on June 11, 2013 [Docket No. 128]. K&E advises the Debtors regarding certain commercial litigations that were yet to be commenced prior to the Petition Date and might be brought on a subsequent date. Moreover, the Debtors applied for an order authorizing and approving the retention and employment of Gibson, Dunn & Crutcher LLP (“Gibson Dunn”) as special litigation counsel for the Debtors nunc pro tunc to the Petition Date [Docket No. 76], and this application was approved on August 30, 2012 [Docket. No. 295]. In its role as special litigation counsel, Gibson Dunn serves as the Debtors’ litigation counsel in connection with ongoing proceedings before the FCC.

On July 2, 2012, the Debtors filed an application for entry of an order authorizing and approving the employment and retention of Latham & Watkins LLP (“Latham”) as special FCC counsel to the Debtors nunc pro tunc to the Petition Date [Docket No. 200], and such application was granted on July 17, 2012 [Docket No. 222]. Latham represents the Debtors in respect of substantive matters that fall within the jurisdiction of the FCC, such as representing certain of the Debtors in rulemaking proceedings and defending certain of the Debtors in connection with proposed actions to be taken by the FCC.

Also on July 2, 2013, the Debtors filed an application for entry of an order authorizing the employment and retention of Pillsbury Winthrop Shaw Pittman LLP (“Pillsbury”) as special litigation counsel to the Debtors [Docket No. 713], and such application was granted on July 17, 2013 [Docket No. 752]. Pillsbury provides the Debtors with legal advice in a variety of matters, including negotiations with satellite operators in connection with international frequency coordination and regulatory compliance for existing and proposed operations.

G. Bar Date Order

On July 27, 2012, the Debtors filed a motion seeking, among other things, entry of an order establishing deadlines for claimants to file proofs of claim in respect of prepetition claims [Docket No. 244]. The Bankruptcy Court subsequently entered an order setting September 25, 2012 as the general bar date, where each person or entity, other than a governmental unit (as defined in section 101(27) of the Bankruptcy Code), needed to file a proof of claim [Docket No. 266]. The deadline for a governmental unit to file a proof of claim was November 12, 2012.

H. Settlement Agreement with Sprint

On February, 13, 2013, the Debtors filed a motion seeking approval of a settlement agreement between the Debtors and Sprint stemming from the Sprint Master Services Agreement, which is further discussed in the section of this Disclosure Statement entitled "General Information – Material Operating Contracts, Sprint Master Services Agreement" [Docket No. 525]. The Debtors initially paid Sprint \$310 million as an advance payment (the "Advance Payment") for work on the network and future operational costs, and the outstanding obligations under the Sprint Master Services Agreement were secured by a second-priority security interest in the Prepetition LP Collateral.

After entering into the agreement, the Debtors incurred delays in the build-out of the network. Sprint agreed to amend the Sprint Master Services Agreement to extend the date by which it was entitled to unwind the agreement. The sixth and final of these amendments ("Amendment No. 6") was entered into by the parties on January 27, 2012. Under this amendment, the Debtors agreed that \$236,472,168 (the "Agreed MSA Costs") had been fully earned and irrevocably and unconditionally paid to Sprint from the Advance Payment and was not subject to dispute. Sprint further agreed to refund LightSquared LP an amount equal to \$65 million from the Advance Payment upon the earlier of (i) March 15, 2012 and (ii) receipt of an acknowledgement from the LP Lenders that Amendment No. 6 was not prohibited under the Prepetition LP Facility Credit Agreement. Moreover, \$8,527,832 of the Advance Payment (the "Unallocated Balance") would remain subject to the termination and unwinding process set forth in the Sprint Master Services Agreement. Lastly, although the parties were not able to fully reconcile and agree upon the precise amount of certain costs arising from Sprint's transactions with American Tower Company to secure capacity and entitlements required for the Debtor's network (the "Asserted ATC Costs"), the parties agreed that \$95 million (the "Agreed ATC Costs") of the Asserted ATC Costs were to be included in the Agreed MSA Costs and Sprint reserved its rights to claim the positive difference between the Asserted ATC Costs and the Agreed ATC Costs, which was \$110 million (the "Disputed Amount").

On March 15, 2012, Sprint refunded \$65 million to the Debtors from the Advance Payment, and the following day, decided to unwind the Sprint Master Services Agreement. Sprint and the Debtors then worked to reconcile the appropriate allocation of the Unallocated Balance, resulting in an agreement among the parties that (a) \$2,457,434 had been irrevocably and unconditionally paid to Sprint as Agreed MSA Costs, (b) an additional payment would be made to LightSquared LP from Sprint on May 4, 2012 in the amount of \$2,332,794, and (c) \$3,737,604 (the "Remaining Advance Payment") should be retained by Sprint pending further reconciliation.

Sprint and its affiliate, Sprint Nextel, proceeded to file three (3) claims against the Debtors (collectively, the "Sprint Bankruptcy Claims"). On August 3, 2012, Sprint Nextel filed proof of claim no. 31, asserting a priority claim in the amount of \$11,757.95 against LightSquared Inc. for wireless telecommunications services rendered to LightSquared Inc. On September 24, 2012, Sprint filed proof of claim no. 157 against LightSquared Inc. and proof of claim no. 158 against LightSquared LP, asserting contingent and unliquidated secured claims arising under the termination and unwinding of the Sprint Master Services Agreement, which included the Disputed Amount.

The Debtors entered into a settlement agreement with Sprint (the "Sprint Settlement Agreement") to resolve, discharge, and settle costly litigation relating to the Sprint Bankruptcy Claims and the Debtors' potential claims against Sprint with no further out-of-pocket expenses incurred by the Debtors. As part of the Sprint Settlement Agreement, LightSquared LP received a payment of \$1,011,371 from Sprint as appropriate allocation of the Remaining Advance Payment and Sprint retained an amount equal to \$2,726,233. Sprint and Sprint Nextel further agreed to withdraw the Sprint Bankruptcy Claims and released Sprint's liens against the Debtors' Assets. Moreover, the parties each agreed to release, discharge, waive, and acquit any claims, demands, liabilities, responsibilities, disputes, remedies, causes of actions, indebtedness, and obligations relating to the Sprint Master Services Agreement and/or the proofs of claim filed by Sprint. On February 27, 2013, the Bankruptcy Court entered an order approving the Sprint Settlement Agreement [Docket No. 565].

I. Standing Motion

On September 15, 2012, the Ad Hoc LP Secured Group filed a motion with the Bankruptcy Court seeking, among other things, standing and authority to commence, prosecute and/or settle certain claims on behalf of the Debtors' Estates (the "Standing Motion") [Docket No. 323]. The impetus for filing the Standing Motion stemmed from Harbinger causing LightSquared Inc. to enter into a purported prepetition loan with certain lenders, including Harbinger and an affiliate. The Ad Hoc LP Secured Group alleged that the investment was not a loan at all but an equity infusion that was mischaracterized by Harbinger in an effort to elevate the priority of the investment. Moreover, the Ad Hoc LP Secured Group argued that Harbinger caused the Prepetition Inc. Subsidiary Guarantors to guarantee the purported loan, which provided no benefit to such affiliates, but assured that any value in those subsidiaries would be channeled to Harbinger and its allied lenders, and not to the Debtors' outside creditors. Additionally, it was alleged that Harbinger subsequently caused the Debtors to preferentially transfer security interests to a group of non-Debtor entities (collectively, the "Defendants"),¹⁵ for no consideration, in order to solidify its purported priority claims to the Debtors' previously unencumbered Assets. Consequently, the Ad Hoc LP Secured Group believed that the Debtors' Estates had strong and valuable claims against the Defendants for preference, fraudulent transfer, recharacterization of the loans as equity and for equitable subordination. Since the Ad Hoc LP Secured Group alleged that the Debtors are conflicted and will not sue its controlling insider

¹⁵ The Defendants are comprised of the following entities: Harbinger Capital Partners SP, Inc., Blue Line DZM Corp., Mast AK Fund LP, Mast Credit Opportunities I Master Fund Limited, Mast OC I Master Fund, Mast PC Fund LP, Mast Select Opportunities Master Fund, Seawall Credit Value Master Fund, Ltd., Seawall OC Fund, Ltd., U.S. Bank, and Does 1-100.

(Harbinger), based on the foregoing actions, the Ad Hoc LP Secured Group requested authority to prosecute these claims on behalf of the Debtors' Estates.

On October 17, 2012, U.S. Bank interposed an objection to the Standing Motion, arguing that the Ad Hoc LP Secured Group did not meet the requisite standard for obtaining standing to prosecute claims because, among other things, the members of the Ad Hoc LP Secured Group are not creditors of the Prepetition Inc. Subsidiary Guarantors and it would be too costly to the Debtors' Estates to have the Ad Hoc LP Secured Group prosecute the claims in relation to any benefit received. On the same day, Harbinger also filed an objection to the Standing Motion and argued that the Standing Motion was merely an attempt by the Ad Hoc LP Secured Group to gain leverage in the Chapter 11 Cases and would result in the waste of Estate resources to the benefit of only the Ad Hoc LP Secured Group. Supplemental pleadings were filed by the parties and a hearing on the Standing Motion was held on January 9, 2013. At the hearing, the Bankruptcy Court deferred rendering a ruling on the Standing Motion and requested additional briefing, which was filed on February 13, 2013. As of the date hereof, the Bankruptcy Court has yet to issue a ruling on the Standing Motion.

J. Debtor-in-Possession Financing

On June 20, 2012, the Debtors filed a motion (the "DIP Motion") seeking authority to allow One Dot Six Corp. (the "DIP Borrower") to obtain, and LightSquared Inc., One Dot Four Corp., and One Dot Six TVCC Corp. (collectively, the "DIP Guarantors") and, together with the DIP Borrower, the "Inc. Obligors") to unconditionally guaranty jointly and severally the DIP Borrower's obligations in respect of, secured, priming superpriority postpetition financing (the "DIP Facility") in the amount of \$40 million [Docket No. 147]. The DIP Facility was created pursuant to the terms and conditions of that certain Credit Agreement (the "DIP Agreement") by and among the Inc. Obligors, U.S. Bank National Association, as arranger, administrative agent and collateral agent (the "DIP Agent"), for and on behalf of itself and the lenders party thereto, including Mast Credit Opportunities I Master Fund Limited, Mast OC I Master Fund, L.P. (by Mast Capital Management, LLC, its general partner), Mast Select Opportunities Master Fund, L.P., (by Mast Select Opportunities GP, LLC, its general partner), Mast AK Fund, L.P. (by Mast AK Fund GP, LLC, its general partner), and Mast PC Fund L.P. (by Mast PC GP, LLC, its general partner).

Pursuant to the DIP Facility, superpriority secured, priming liens would be granted in favor of the DIP Agent with respect to any and all owned and subsequently acquired personal property, real property, and other Assets of only the Inc. Obligors. On July 17, 2012, the Bankruptcy Court entered an order approving the DIP Motion (the "DIP Order"), which provided the DIP Borrower access to a slightly increased amount (\$41.4 million) of postpetition borrowings [Docket No. 224]. In connection with the Exclusivity Stipulation, the Bankruptcy Court subsequently approved an amendment to the DIP Order that, among other things, provided the Inc. Obligors with access to an additional \$5 million of postpetition financing [Docket No. 579].

K. Helwani Litigation

Samar Helwani (the "Claimant") alleges that prior to the Petition Date, in January 2011, the Claimant sustained injuries as a result of an accident involving a motor vehicle operated by an employee of the Debtors (the "Alleged Injury"). The Claimant sought to commence an action in state court in California with respect to the Alleged Injury (an "Action"), but the automatic stay created by section 362 of the Bankruptcy Code barred the Claimant from commencing the Action.

On October 9, 2012, the Debtors and the Claimant entered into a stipulation (the "Stay Stipulation") to modify the automatic stay solely to permit the Claimant to commence and prosecute an Action against the Debtors solely to determine the Debtors' liability and/or the Claimant's damages, if any, with respect to the Alleged Injury, and collect from available insurance proceeds payable as a result of such liability or settlement of such prospective liability. The Stay Stipulation provides that the Claimant's right to collect on or enforce a judgment, settlement, claim, or award, if any, arising from resolution of an Action is limited in that Claimant may not collect or enforce a judgment, settlement, claim, or award, if any, arising from resolution of an Action against assets (other than insurance policies) of the Debtors. The Stipulation further provides that the Claimant may not file a proof of claim in any of the Chapter 11 Cases for any judgment, settlement, claim, or award, if any, arising from resolution of an Action. On November 5, 2012, the Bankruptcy Court entered the *Stipulation and Agreed Order Granting Samar Helwani Limited Relief from the Automatic Stay* [Docket No. 407], thereby approving the Stipulation.

L. Exit Financing

On May 31, 2013, the Debtors filed a motion (the "Exit Financing Motion") seeking, among other things, authority to enter into and perform under an engagement letter (the "Engagement Letter") related to certain exit financing arrangements [Docket No. 645]. The Engagement Letter was executed by the Debtors and Jefferies LLC ("Jefferies") and provides that Jefferies will act as sole and exclusive manager and placement agent or arranger, as the case may be, in connection with the arrangement of a senior secured term loan in an amount that the Debtors hope will exceed the face amount of Prepetition LP Obligations, the Prepetition Inc. Obligations, and the DIP Obligations (as all are defined in the Exit Financing Motion). Initially, the Engagement Letter contemplated that the LP Debtors' Estates would absorb 85 percent of the fees and costs associated with obtaining the exit financing. After the Ad Hoc LP Secured Group raised concerns about this provision of the Engagement Letter, the terms of the Engagement Letter were amended to provide that Harbinger would fund all of the up-front fees associated with the financing (which are anticipated to be up to approximately \$80 million) and that LightSquared Inc., and not LightSquared LP, would be a party to the Engagement Letter. On June 7, 2013, the Bankruptcy Court entered an order authorizing the Debtors to enter into an amended Engagement Letter [Docket No. 667]. The Plan Sponsors understand that Jefferies initially attempted to raise financing for an approximately \$3 billion new senior secured loan. The Plan Sponsors further understand that after failing to secure committed financing for the full amount, Jefferies ultimately adjusted certain terms of the proposed raise, including reducing the amount to approximately \$1.3 billion with an addition \$400 million potentially available later on.

The Plan Sponsors believe that the Debtors did not proceed with such financing due to, among other things, the proposed fees associated with the financing.

M. Postpetition FCC Developments

Subsequent to the Petition Date, the Company initiated five additional proceedings before the FCC in an effort to avoid and/or resolve all outstanding GPS incompatibility and interference concerns. The proceedings were designed to put into effect a frequency configuration for the Company's use that would involve pairing 20 MHz of its existing uplink L-Band spectrum with a newly created 10 MHz downlink channel located outside of the L-Band that would be comprised of both (a) 5 MHz of existing leased spectrum in the 1670—1675 MHz band held by Debtor One Dot Six Corp. and (b) 5 MHz of spectrum currently held by existing federal government users, including the National Oceanic and Atmospheric Administration (“NOAA”), that the Company has requested to share with the incumbent users. This uplink spectrum also could be paired with the lower 10MHz of downlink once outstanding GPS incompatibility concerns are resolved with the band pursuant to an FCC rulemaking that the Company requested. The Company's postpetition applications also included an offer to permanently relinquish the Company's authority to use the upper 10 MHz of L-Band downlink spectrum for terrestrial use if access to the 1675—1680 MHz band for terrestrial use is granted. The FCC has placed these requests on public notice and received comments from interested parties, including arguments from the GPS community that, argue that in, in addition to the asserted problems with the terrestrial use of the Company's downlink frequencies, terrestrial use of the Company's L-Band uplink frequencies, too, was problematic and could cause harmful out-of-band-emissions into GPS receivers. Except for providing the Company with an experimental license and granting a stay on the Company's buildout obligations, the FCC has not taken final action in any of these proceedings.

More specifically, in the first proceeding, which was initiated by a Request for Action filed on September 24, 2012, the Company requested confirmation that the initial buildout milestone requirements that the FCC had imposed on it in 2010 no longer applied to it, in light of the events that had transpired since then which had prevented the Company from moving forward with its terrestrial network. Under those buildout requirements, the Company would have been obligated to have a terrestrial wireless system capable of serving at least 100 million customers in place by December 31, 2013. On December 20, 2012, the FCC issued an order tolling all of the buildout requirements that had previously been imposed in 2010, pending further action in other proceedings.

In the second proceeding, the Company formally requested that its license be modified to surrender the upper 10 MHz of its L-Band downlink, submit the issue of its use of the lower 10 MHz of its downlink to a rulemaking to address remaining GPS incompatibility concerns, and allow the Company to operate in the 1675—1680 MHz band. The Company outlined plans to use the 1675-1680 MHz band with the adjacent 1670-1675 band, the rights to which the Company had already leased from Crown Castle. The license modification request was filed on September 28, 2012 and was placed on public notice by the FCC on November 17, 2012. The application was predicated on the assumption that NOAA, the current user of this spectrum, would be able to relocate a substantial portion of its use to another frequency band or share the 1675—1680 MHz band with the Company. In its comments, the GPS community argued that terrestrial use of the

Company's L-Band uplink frequencies would cause harmful out-of-band-emissions into GPS receivers. The Company has since submitted a technical analysis to the FCC in support of its respective position, and the GPS community has asked the FCC to undertake a rulemaking to address the issue. The license modification request remains pending.

The license modification request was followed by a separate filing, made on November 2, 2012, which requested that the FCC initiate a rulemaking proceeding to amend the U.S. Table of Spectrum Allocations to add a primary allocation permitting non-Federal terrestrial mobile use of the 1675—1680 MHz band. Such an allocation is necessary to ensure that the Company's use of the 1675—1680 MHz band is protected from other spectrum uses that might prove harmful. This rulemaking proceeding request is still pending.

The fourth proceeding concerned the Company's request that the FCC initiate a rulemaking proceeding to develop operating parameters for terrestrial use of the lower 10 MHz of the L-Band uplink spectrum at 1526—1536 MHz. This request, which was filed on the same date as the license modification request, was placed on public notice by the FCC on November 17, 2012. This rulemaking proceeding request is still pending.

The fifth and final proceeding concerned the Company's request for an experimental license, filed with the FCC on March 5, 2013, for the purpose of ascertaining (a) the technical compatibility of fixed commercial wireless base stations in the 1675—1680 MHz band with existing spectrum operations in and around that frequency range, and (b) the technical compatibility of radiosonde operations in the 400.15—406 MHz band with existing spectrum operations in and around that frequency range. These technical compatibility studies are directly related to the prior license modification application that the Company had filed on September 28, 2012, and are to be conducted in close coordination with NOAA and the NTIA, both agencies within the U.S. Department of Commerce. The FCC granted the Company's request on April 29, 2013 and renewed the Company's experimental authority on July 20, 2013.

The Company's plans to secure timely use of the 1675—1680 MHz band remain dependent on the FCC's ability to provide the Company with access to such spectrum without material constraints. However, the FCC's ability to allocate that spectrum may have been called into question when the White House, on April 10, 2013, proposed in its annual budget request to Congress for Fiscal Year 2014 that the FCC be directed to "either auction or use fee authority to assign spectrum frequencies between 1675—1680 MHz for wireless broadband use by 2017." That direction was predicated on the expectation that the auction or use fee authority would raise \$300 million in receipts while incurring \$70 million in relocation costs, leaving net savings of \$230 million over a ten (10) year period.

Another proceeding pending at the FCC is also relevant to the Company's plans as it affects the Company's ability to use the 1670—1675 MHz spectrum segment. That proceeding concerns the substantial service requirement imposed on Crown Castle, which is the company from which Debtor One Dot Six Corp. is currently leasing the 1670—1675 MHz block of spectrum. The substantial services requirement imposed on that spectrum by the FCC requires that the spectrum be placed in "substantial service" by October 1, 2013. If the FCC finds that spectrum was not placed in "substantial service" by that date, Crown Castle's authorization to use the spectrum (and so too the Company's rights under its lease from Crown Castle) will

terminate. Crown Castle filed a request with the FCC on October 9, 2012, which was placed on public notice on November 5, 2012, to extend this substantial service requirement for up to three (3) years. This request was predicated upon a claim that, until the FCC acted on the issues of whether and how the Company could move forward with deploying its terrestrial network, neither the Company nor Crown Castle could effectively deploy broadband or other advanced services in the spectrum. The FCC has not acted on the Crown Castle extension request.

In the interim, Crown Castle filed with the FCC on August 23, 2013 an ex parte submission disclosing its intent to satisfy the substantial service requirement by constructing a mobile video network that would utilize its block of spectrum. On September 30, 2013, Crown Castle submitted to the FCC a notification that it had satisfied the construction and substantial service requirement and an application to extend the term of its license so that it would expire on October 1, 2023. On September 30, 2013, One Dot Six also submitted to the FCC a request for an extension of the long term *de facto* transfer spectrum lease from Crown Castle to One Dot Six with respect to the 1670—1675 MHz block of spectrum licensed to Crown Castle.

N. Exclusivity

The Debtors' initial Exclusive Filing Period and Exclusive Solicitation Period were set to expire on September 11, 2012 and November 10, 2012, respectively. On August 29, 2012, the Debtors filed a motion seeking to extend the Exclusive Filing Period and Exclusive Solicitation Period for an additional one hundred fifty (150) days to February 8, 2013 and April 9, 2013, respectively (the "First Exclusivity Motion") [Docket No. 294]. The First Exclusivity Motion was objected to by the Ad Hoc LP Secured Group and a contested hearing was scheduled to take place before the Bankruptcy Court. However, at a hearing on October 1, 2012 addressing the First Exclusivity Motion, the Debtors and the Ad Hoc LP Secured Group resolved all objections, and the Ad Hoc LP Secured Group consented to a 141-day extension of the Exclusive Filing Period and the Exclusive Solicitation Period through January 31, 2013 and April 1, 2013, respectively. Later on October 1, 2012, the Bankruptcy Court entered an order granting the 141-day extension of the Exclusive Periods (the "First Exclusivity Order") [Docket No. 343].

On January 17, 2013, the Debtors sought a further extension of their Exclusive Periods, seeking an extension of their Exclusive Filing Period to May 31, 2013 and their Exclusive Solicitation Period to July 30, 2013 (the "Second Exclusivity Motion") [Docket No. 485]. The Second Exclusivity Motion was also objected to by the Ad Hoc LP Secured Group. Following continuances of the hearing on the Second Exclusivity Motion, the Debtors and the Ad Hoc LP Secured Group entered into a stipulation (the "Exclusivity Stipulation") that was subsequently approved by order of the Bankruptcy Court (the "Second Exclusivity Order") [Docket No. 522]. Pursuant to the Exclusivity Stipulation, each of the Debtors' Exclusive Periods was further extended through and including July 15, 2013 (the "Exclusivity Termination Date"), and the Exclusive Periods would terminate with prejudice on the Exclusivity Termination Date. Pursuant to the Exclusivity Stipulation, the parties agreed to work in good faith toward the formulation of a consensual chapter 11 plan prior to the Exclusivity Termination Date, and the Debtors agreed, among other things, that they would not file a plan prior to the Exclusivity Termination Date unless such plan was either consented to by the Ad Hoc LP Secured Group or proposed to pay the Prepetition LP Obligations (as defined in the Exclusivity Stipulation) in cash in full on the effective date of such plan. The Exclusivity Stipulation also contained certain

termination conditions that would enable the Debtors to terminate certain of their obligations under the Exclusivity Stipulation, including if an entity or Person held more Prepetition Obligations than the Ad Hoc LP Secured Group (the "Termination Condition").

By letter dated May 20, 2013 (the "May 20 Letter"), the Debtors purported to terminate certain of their obligations under the Exclusivity Stipulation, alleging that the Termination Condition was satisfied. The Ad Hoc LP Secured Group disputed the validity and effect of the May 20, 2013 Letter. On June 18, 2013, the Ad Hoc LP Secured Group filed an emergency motion seeking to enforce the Second Exclusivity Order (the "Emergency Enforcement Motion") [Docket No. 685]. In the Emergency Enforcement Motion, the Ad Hoc LP Secured Group argued that the Termination Condition was not satisfied when the May 20 Letter was issued (or at any time thereafter) and that the entity the Debtors claimed held more Prepetition LP Obligations than the Ad Hoc LP Secured Group (SP Special Opportunities, LLC), joined the Ad Hoc LP Secured Group. On July 1, 2013, the Debtors filed an objection and cross-motion to the Emergency Enforcement Motion (to which Harbinger, U.S. Bank, and Mast Capital Management, a lender under the Prepetition Inc. Facility, joined) [Docket Nos. 705–07]. In the objection, the Debtors argued, among other things, that SP Special Opportunities, LLC's participation in the Debtors' capital structure rendered the Exclusivity Stipulation unenforceable and that SP Special Opportunities, LLC is not a permissible holder of Prepetition LP Obligations. To resolve this dispute, the Bankruptcy Court scheduled an evidentiary hearing for July 17, 2013. On the same date, the Bankruptcy Court adjourned the evidentiary hearing to August 6, 2013 but confirmed that the Debtors' Exclusive Periods expired on July 15, 2013.

O. Falcone Settlement With The SEC

As of the Petition Date, Harbinger indirectly owned approximately 96% of the outstanding common stock of LightSquared Inc., the ultimate parent company of LightSquared LP. On August 16, 2013, Philip A. Falcone, the Senior Managing Director and Chief Investment Officer of Harbinger, both individually and on behalf of certain Harbinger entities, consented to the entry of a final judgment in resolution of two lawsuits filed by the SEC. Pursuant to the consent judgment, Falcone admitted to, among other things, impermissibly manipulating the availability of certain securities, misappropriating \$113.2 million from a hedge fund for which he served as an investment adviser, and impermissibly restricting redemption rights of certain fund investors while concealing his own preferential redemption rights. The consent judgment enjoins Falcone from acting as or associating with any broker, dealer, or investment adviser for five years (at which point he can reapply with the SEC), orders the defendants to pay disgorgement and civil penalties, and orders the appointment of an independent monitor to oversee the investment activities of the Harbinger funds—including the disposition of the funds' interests in the Company following LightSquared Inc.'s emergence from bankruptcy.

P. The Harbinger Complaint Against Charles W. Ergen and Others

Approximately two weeks following execution of the Plan Support Agreement and the filing of the initial version of the Plan, on August 6, 2013, Harbinger commenced an adversary proceeding (the "Harbinger Adversary Proceeding") against Charles W. Ergen, EchoStar Corporation ("Echostar"), DISH Network Corporation ("DISH"), LBAC, SPSO, Special Opportunities Holdings LLC ("SOH"), Sound Point Capital Management LP, and Stephen

Ketchum. In the complaint, which was subsequently amended on September 30, 2013, Harbinger alleges that in connection with LBAC's offer to purchase the LP Assets, Ergen and certain of his affiliates engaged in a fraudulent scheme to deprive Harbinger of its investment in and control over the Company. According to Harbinger, this alleged scheme was allegedly perpetrated by having SPSO acquire debt under the Prepetition LP Credit Facility allegedly in violation of the Prepetition LP Facility Credit Agreement's restrictions on transfers of debt to "Disqualified Companies." Harbinger seeks, among other things, compensatory damages of no less than \$2 billion, punitive damages of no less than \$2 billion, and the equitable disallowance of all or part of SPSO's claims. The Debtors, U.S. Bank and Mast Capital Management, LLC ("MAST"), and the Ad Hoc LP Secured Group intervened in the litigation.

On September 9, 2013, DISH, Echostar, and LBAC (the "DISH/Echostar Defendants") moved to dismiss the complaint on the grounds that, among others, no plausible claim had been asserted against any of them and that the allegations against them did not concern anything that they had said or done or failed to do but rather rested upon "unsubstantiated speculation that the DISH/Echostar Defendants were somehow responsible for the acts and omissions of SPSO." On that same date, Ergen, SPSO, and SOH (the "Ergen Defendants") moved to dismiss the complaint, claiming, among other things, that the lawsuit was brought to discredit LBAC's efforts to acquire the LP Assets and that the case "is Harbinger's, and Mr. Falcone's, last-ditch effort to retain control of LightSquared, at the expense of all other constituents in the bankruptcy cases." The Ergen Defendants also emphasized, among other things, that SPSO was not a Disqualified Company under the Prepetition LP Facility Credit Agreement. Also on September 9, 2013, Sound Point Capital Management LP and Stephen Ketchum (the "Sound Point Defendants") moved to dismiss the complaint, noting, among other things, that the claims asserted against them were derivative of claims against the Ergen Defendants and since those claims were not viable, the claims against the Sound Point Defendants must also fail. Following the filing of the amended complaint by Harbinger on September 30, 2013, each of the DISH/EchoStar Defendants, Ergen Defendants and Sound Point Defendants filed memoranda of law in further support of their respective motions to dismiss.

The Bankruptcy Court has scheduled hearings on the motions to dismiss for October 29, 2013. The Bankruptcy Court has also scheduled a trial on the merits, to the extent necessary, for December 2, 2013.

Q. The Harbinger Complaint Against the GPS Defendants

On August 9, 2013, Harbinger filed a complaint, which was subsequently amended on August 16, 2013 (the "GPS Complaint") in the United States District Court for the Southern District of New York against Deere & Company, Garmin International, Inc., Trimble Navigation Limited, the U.S. GPS Industry Council, and The Coalition to Save Our GPS (the "GPS Defendants"). In the GPS Complaint, Harbinger accuses the GPS Defendants of fraud, securities law violations, misrepresentation, and deceptive acts and practices, and seeks \$1.9 billion in damages. Parties to this litigation have filed letters outlining their positions in respect of a potential motion to dismiss the GPS Complaint that the defendants indicated they intended to file. On September 30, 2013, the Debtors filed a motion (the "Stay Motion") in the Bankruptcy Court to stay the litigation against the GPS Defendants for a period of sixty (60) days or until a

time earlier than sixty (60) days if the Court grants a motion to lift the stay [Docket No. 888]. The Bankruptcy Court has scheduled a hearing on the Stay Motion for October 9, 2013.

As LightSquared observed in the Stay Motion, “there is a substantial question whether the claims asserted by Harbinger in the GPS [Complaint] are, in whole or in part, claims LightSquared also holds or owns,” and that any claims of LightSquared against the GPS Defendants are property of its bankruptcy estate. As such, the filing of the GPS Complaint is potentially a violation of the automatic stay.

In addition, the filing of the GPS Complaint may have further entrenched the GPS community’s opposition to the Debtors’ L-Band operations. Following the filing of the GPS Complaint, certain GPS manufacturers and other industry representatives filed further comments in opposition to the Debtors’ requested license modification. The continuing objections of the GPS community, as evidenced both in their formal comments and ex parte presentations to the FCC, at the very least, are highly likely to introduce substantial additional delay in the Debtors’ FCC process.

R. The Competing Plans and Disclosure Statements

On July 19, 2013, the Debtors filed a motion for entry of an order formalizing certain procedures, scheduling hearing dates, and establishing other deadlines in connection with the disclosure statement and plan process (the “Plan Process Motion”) [Docket No. 757]. The Plan Process Motion sought to establish a proposed timeline (the “Proposed Timeline”) of hearing dates and other relevant deadlines in respect of the filing of a disclosure statement and plan by any party, and a potential sale process. A hearing on the Plan Process Motion was held on July 23, 2013 and the Bankruptcy Court entered an order granting the Plan Process Motion on July 24, 2013 (the “Plan Process Order”) [Docket No. 772]. Pursuant to the Plan Process Order, a hearing to consider approval of disclosure statements would be held on September 30, 2013 and a hearing on confirmation of chapter 11 plans would be held on December 10, 2013.

Also on July 23, 2013, the Ad Hoc LP Secured Group filed an earlier version of this Disclosure Statement and the initial version of the Plan. Later, on August 26, 2013, the Ad Hoc LP Secured Group exclusive of SPSO (the “Independent Ad Hoc Group”) filed a motion for entry of an order that, among other things, (i) approves the Disclosure Statement, (ii) fixes a voting record date, (iii) approves solicitation packages and procedures for distribution thereof, and (iv) approves forms of ballots and establishing procedures for voting on the Plan.

On August 29, 2013, the Debtors filed a general disclosure statement (the “General Disclosure Statement”) [Docket No. 815], which sets forth, among other things, the Debtors’ views regarding their businesses and operations and events leading up to the Debtors’ bankruptcy filing.

On August 30, 2013, three other plans of reorganization were filed: one by the Debtors (the “Debtors’ Plan”) [Docket No. 817]; another by Harbinger (the “Harbinger Plan”) [Docket No. 821]; and a third by U.S. Bank and Mast (the “One Dot Six Plan,” and together with the Debtors’ Plan and the Harbinger Plan, the “Competing Plans”) [Docket No. 823].

On August 30, 2013, the Debtors filed a specific disclosure statement for the Debtors' Plan (the "Debtors' Specific DS") [Docket No. 818], the Harbinger Plan proponents filed a specific disclosure statement for the Harbinger Plan (the "Harbinger Specific DS") [Docket No. 822], and the One Dot Six Plan proponents filed a specific disclosure statement for the One Dot Six Plan [Docket No. 824], each of which further describes the respective Competing Plans.

1. The Debtors' Plan and Disclosure Statements

The Debtors' Plan is premised on a sale of substantially all of the Debtors' Assets (including combinations and/or subsets thereof) pursuant to the Auction under the Bid Procedures. The Debtors' Plan, however, does not at this time have in place a stalking horse bidder (unlike the Plan Sponsors' Plan, which is backed by the LBAC Bid of \$2.22 billion in cash plus the assumption of certain material liabilities).

The Plan Sponsors believe that the Debtors' Plan is inferior to their own Plan. In contrast to the Debtors' Plan, which does not currently have any stalking horse bidder in place for its contemplated sale of Debtor Assets, the Plan Sponsors' Plan is supported by the LBAC Bid and LBAC's agreement to fund the Purchase Price prior to receipt of FCC or Industry Canada approval of the proposed transfer of the Acquired Assets to LBAC. This "early funding" feature will expedite the prompt distributions, as compared with the Debtors' Plan.

With respect to disclosure, the Plan Sponsors disagree with many of the statements included within the General Disclosure Statement and believe the General Disclosure Statement omits facts necessary for parties to make an informed decision with respect to voting on the Plan and Competing Plans. For example, the General Disclosure Statement fails to include any or sufficient discussion of, among other things: (i) allegations that the uplink portion of the Debtors' spectrum may potentially interfere with GPS operations; (ii) the analysis of the GPS industry submitted to the FCC challenging the Debtors' assertions that there is no such interference; (iii) the recent request of the GPS industry that the FCC undertake a separate rulemaking proceeding to consider the issue in greater depth (as described in the section of this Disclosure Statement entitled "The Chapter 11 Cases – Postpetition FCC Developments"); (iv) Crown Castle's construction of a mobile video network that will use certain spectrum in the 1670—1675 MHz block and the network's potential impact on the Debtors' business operations; or (v) the specific terms of the purchase offer for the LP Debtors' Assets received by the Debtors by LBAC and the Debtors' response thereto. Additionally, the Plan Sponsors disagree with the Debtors' inclusion of many statements that they believe are misleading or reflect a biased perspective. For example, the Plan Sponsors disagree with the Debtors' characterization of the current status of the regulatory process. Unlike the Debtors, the Plan Sponsors do not believe that the focus of the U.S. government has "shifted from indefinitely suspending LightSquared's terrestrial authorizations" or that the Debtors have made "substantial and tangible regulatory process since the issuance of the 2012 Public Notice and commencement of the Chapter 11 Cases." In light of their views of the adequacy of the General Disclosure Statement, the Plan Sponsors have prepared this Disclosure Statement for use and consideration in respect of their Plan.

The Plan Sponsors also believe that the Debtors' Specific DS is inadequate. The Plan Sponsors believe that the Debtors' Specific DS fails to contain an adequate explanation of

the basis for the Debtors' Plan's, and the Debtors' historical, allocation among the different estates of certain administrative claims and other expenses.

2. The Harbinger Plan and Disclosure Statement

The Harbinger Plan is premised on the continued pursuit of FCC regulatory approvals (through June 30, 2014 if necessary) and keeping common equity and the Debtors' boards of directors mostly intact. The Harbinger Plan purports to pay all holders of claims and equity interests will be paid in full through the distribution of cash (including the Debtors' existing cash and the proceeds of an exit facility and a capital contribution by Harbinger) and new secured notes issued by LightSquared Inc. and LightSquared LP and new unsecured notes issued by LightSquared Inc. Following these transactions, the Debtors would continue to exist as separate entities under their prepetition corporate structure.

The Harbinger Plan is proposed to be financed under three separate facilities. First, Harbinger proposes to obtain exit financing under an exit credit facility (the "Exit Facility") in an amount sufficient (when combined with existing cash) to satisfy all cash obligations due on the Harbinger Plan's effective date, including payment in full of claims under the Prepetition Inc. Credit Facility (the "Prepetition Inc. Facility Claims"), certain secured and priority claims, and general unsecured claims. Harbinger anticipates that the Exit Facility will be in the amount of at least \$500 million and will share a first lien on all of the Debtors' Assets with holders of new secured notes issued by LightSquared LP. Second, LightSquared LP proposes to obtain a term loan maturing three years from the Harbinger Plan's effective date and secured by liens on substantially all of the Assets of the LP Debtors and LightSquared Inc., LightSquared Investors Holdings Inc., One Dot Four Corp., One Dot Six Corp., One Dot Six TVCC Corp., SkyTerra Rollup LLC, SkyTerra Rollup Sub LLC, SkyTerra Investors LLC, TMI Communications Delaware, Limited Partnership and LightSquared GP Inc. (collectively, the "Inc. Debtors"), and their subsidiaries, *pari passu* with the liens securing the Exit Facility and senior to all other liens. The proposed new notes (the "New LP Facility Notes") which are alleged to satisfy in full claims under the Prepetition LP Facility, would provide for interest at a lower rate than provided in the Prepetition LP Facility and would be payable in kind. Last, the Harbinger Plan proposes that LightSquared Inc. will obtain a subordinated loan in the amount of \$573 million, backed by unsecured six-year notes bearing 14% interest that will be used to pay holders of existing preferred stock in LightSquared Inc. and LightSquared LP.

The Harbinger Plan also contemplates that additional funds will be received through (i) Harbinger's voluntary exchange of \$159 million of its Prepetition Inc. Facility Claims into new common stock in LightSquared Inc. and (ii) a rights offering for \$100 million in cash backstopped by Harbinger (the "Rights Offering"). In exchange for backstopping the Rights Offering, Harbinger would receive an indeterminate amount of new common stock of LightSquared Inc. and new warrants.

The Plan Sponsors believe that the Harbinger Plan is unconfirmable, and, if confirmed, is unfavorable to holders of Claims against and Equity Interests in the LP Debtors. The Harbinger Plan provides for treatment of the Prepetition LP Facility Claims that the Plan Sponsors – which control Class 2 (Prepetition LP Facility Security Claims) of the Harbinger Plan – would never accept. Accordingly, the Harbinger Plan will not be able to satisfy section 1129(a)(8) of the

Bankruptcy Code, which provides that a requirement for a confirmable plan is that “With respect to each class of claims or interests—(A) such class has accepted the plan; or (B) such class is not impaired under the plan.” Harbinger’s failure to satisfy section 1129(a)(8) of the Bankruptcy Code could be overlooked if the Bankruptcy Court chooses to non-consensually confirm the Harbinger Plan; however, the Plan Sponsors believe that the standard for non-consensual confirmation – generally, that the treatment of an impaired rejecting classes is in fact “fair and equitable” – would not be close to being satisfied under the Harbinger Plan. For example, the Plan Sponsors believe that the New LP Facility Notes are not the indubitable equivalent of the Prepetition LP Facility Claims given, among other things, the notes’ sub-market interest rate and the disregarding and stripping of the covenants included in the Prepetition LP Facility Credit Agreement. Without acceptance of the Harbinger Plan by the class of LP Lenders, the Harbinger Plan cannot satisfy section 1129(a)(10) of the Bankruptcy Code absent the existence of some other impaired accepting class of creditors. However, the Plan Proponents believe that no other acceptable class exists since all other impaired creditor classes under the Harbinger Plan appear to be impermissibly artificially impaired. Moreover, the Harbinger Plan simply is not feasible because, among other reasons, its effectiveness is subject to remote contingencies (such as obtaining FCC authorizations) that the Plan Sponsors believe are unlikely to occur within any reasonable timeframe.

The Plan Sponsors also believe that the Harbinger Specific DS fails to contain adequate information. For example, the Harbinger Specific DS does not include, among other things, (i) discussion of the steps necessary and expected timeline for obtaining the FCC approvals contemplated as conditions precedent to the Harbinger Plan’s effective date, (ii) discussion of how Harbinger expects to raise the financing necessary for consummation of its plan and how the efforts to raise such financing will differ from the Debtors’ failed financing efforts through Jefferies, (iii) the documentation for, or even a complete statement of the terms and conditions of, the New LP Facility Notes, the Exit Facility, the Rights Offering, and the New Warrants (as defined in the Harbinger Plan), or (iv) discussion of what would occur if the conditions precedent to the effectiveness of the Harbinger Plan are not met before or on June 30, 2014. Likewise, the Plan Proponents believe that the Harbinger DS fails to reference numerous risk factors that apply with respect to the Harbinger Plan including, among others, that (i) the FCC may not provide the necessary authorizations, which are conditions precedent to the effectiveness of the Harbinger Plan, (ii) Harbinger’s claims that would otherwise be exchanged into New Common Shares (as defined in the Harbinger Plan) could be subject to recharacterization, (iii) Melody Capital Advisors LLC’s supposed \$190 million commitment to the Exit Facility (as described in the Harbinger Specific DS) may be illusory, (iii) strategic options may be diminishing and demand for the Debtors’ Assets may be declining given changing industry dynamics, particularly recently announced or closed transactions in the wireless spectrum with parties that may have had an interest in the Debtors’ Assets and the expected increase in the supply of spectrum in the coming years, (iv) if the contemplated FCC approvals are not obtained that the Debtors may not be able to sell their Assets for as much as they would realize pursuant to the Auction (as defined below), or (v) the cash flow projections included within the Harbinger Specific DS may not be realized.

3. The One Dot Six Plan

The One Dot Six Plan provides for the sale of certain Assets of Debtor One Dot Six Corp. to a purchaser through a court-supervised auction process. MAST Spectrum Acquisition

Company LLC (“MSAC”), an entity formed by MAST, will serve as the stalking horse bidder for certain of One Dot Six Corp.’s Assets with a bid consisting of (i) a credit bid of all of its claims under the DIP Facility and \$1 of its claims under the Prepetition Inc. Credit Facility and (ii) cash sufficient to pay in full all classes of claims receiving such treatment under the One Dot Six Plan. The proceeds of the sale will be distributed to holders of claims against that Debtor. Following the effective date of the One Dot Six Plan, One Dot Six Corp. would commence a wind down process.

4. Entry of Disclosure Statement Order

On October [9], 2013, the Bankruptcy Court entered an order authorizing the solicitation of the Plan using this Disclosure Statement and authorizing the solicitation of the Debtors’ Plan, the Harbinger Plan and the One Dot Six Plan using the General Disclosure Statement and each specific disclosure statement prepared by the respective plan proponent [Docket No. _____].¹⁶

S. **Debtors’ Appointment of Independent Board**

In their specific disclosure statement, the Debtors indicated that they would be appointing a special board committee (the “Independent LightSquared Committee”), including at least two independent board members (the “Independent Directors”) who will represent a majority of the Independent LightSquared Committee, to oversee, among other things, the sale- and plan-related processes. On September 16 and 17, 2013, the Debtors elected Donna P. Alderman, Alan J. Carr, and Neal P. Goldman to serve as Independent Directors. In addition, the Debtors appointed Douglas Smith and David Murgio as non-voting, *ex officio* members of the special board committee. On September 19, 2013, the special committee retained Kirkland & Ellis LLP as legal counsel.

In the Omnibus Reply of the Independent Ad Hoc Secured Group of LightSquared LP Lenders to Bid Procedures Objections (the “Reply”) [Docket No. 863], the Independent Ad Hoc Group objected to the appointment of Donna P. Alderman, Douglas Smith and David Murgio. Ms. Alderman’s appointment was objectionable due to her contentious history with DISH. Specifically, Ms. Alderman worked at DBSD North America, Inc. (“DBSD”) and participated in fighting DISH’s bid for DBSD, resulting in DISH increasing its bid to acquire DBSD. In connection with the acquisition, Ms. Alderman was terminated by DBSD and then filed a \$7 million claim for substantial contribution against the DBSD estates, to be funded by DISH. Ms. Alderman subsequently signed a release in favor of DISH and DBSD as part of a settlement agreement. Mr. Smith and Mr. Murgio are existing members of the LightSquared Inc. board and were appointed by Harbinger and the Independent Ad Hoc Group believes their inclusion on the Independent LightSquared Committee represented a problematic conflict that the Independent LightSquared Committee was intended to eradicate.

At a hearing before the Bankruptcy Court on September 24, 2013, the Debtors announced that Mr. Smith and Mr. Murgio agreed not to sit as *ex officio* members on the Independent LightSquared Committee. At the same hearing, the Bankruptcy Court found that, due to her

¹⁶ [To be updated prior to solicitation date.]

prior relationship to a party that is an active participant in this case (i.e., DISH), Ms. Alderman was not an appropriate selection for the Independent Committee. As a replacement for Ms. Alderman, Christopher T. Rogers was appointed to the Independent LightSquared Committee. The Independent LightSquared Committee is currently comprised of three Independent Directors—Mr. Carr, Mr. Goldman and Mr. Rogers.

T. The LP Sale

1. Events Leading to the LP Sale

On May 15, 2013, the Debtors were presented with an offer by LBAC to purchase certain Assets of LightSquared LP (the “Sale Offer”). The Sale Offer entailed an unsolicited stalking horse bid to purchase for \$2 billion certain of the LP Debtors’ Assets, including the licenses, authorizations, and agreements for the use of 46 MHz of L-Band MSS spectrum and certain other Assets. Notably, the funding of the purchase price offered by LBAC in connection with the Sale Offer was not conditioned on FCC or Industry Canada approval of the proposed transfer of the LP Debtors’ Assets to LBAC. The Plan Sponsors believe that the Debtors did not pursue LBAC’s offer or otherwise engage in negotiations with LBAC regarding a sale of the LP Debtors’ Assets, on the terms of the offer or otherwise. Instead, on May 31, 2013, the date LBAC’s offer was set to lapse, the Debtors expressed disappointment that LBAC’s bid did not include LightSquared Inc.’s Assets. On May 31, 2013, LBAC voluntarily and proactively extended such deadline.

2. Information Regarding LBAC

LBAC is a limited liability company organized under the laws of Delaware with its principal place of business in Colorado. LBAC is a wholly-owned subsidiary of DISH, a potential competitor of the Debtors who has previously completed transactions in this sector. LBAC is an affiliate of SPSO, which is a member of the Ad Hoc LP Secured Group and a Plan Sponsor.

3. The LBAC Bid

LBAC’s obligations and the obligations of DISH with respect to the LBAC Bid are set forth in that certain Stalking Horse Agreement pursuant to which LBAC agreed to (i) pay a Cash purchase price of \$2,220,000,000 (the “Purchase Price”) for the Acquired Assets (as defined in the Independent Ad Hoc Group Bid Procedures) and (ii) assume certain material obligations of the LP Debtors. Payment of the Purchase Price is not conditioned on the receipt of FCC or Industry Canada approval of the proposed transfer of the Acquired Assets to LBAC. This “early funding” feature of the Stalking Horse Agreement will facilitate the making of prompt distributions to the holders of Prepetition LP Facility Claims (thereby cutting off the accrual of value-eroding interest) and other creditors. In addition, the Stalking Horse Agreement is conditioned upon provision of a customary Purchaser release and customary findings by the Bankruptcy Court in favor of Purchaser.

4. The Bid Procedures Motions

On August, 28, 2013, the Independent Ad Hoc Group filed a motion (the "Independent Ad Hoc Group Bid Procedures Motion") [Docket No. 809] seeking, among other things, approval of proposed bid procedures (the "Independent Ad Hoc Group Bid Procedures") and approval of LBAC as the Stalking Horse Bidder for the LP Assets and related stalking horse protections for the sale of the LP Assets and related stalking horse protections.

On September 10, 2013, MAST and U.S. Bank filed a motion [Docket No. 834] seeking, among other things, the approval of an entity established by MAST as the stalking horse bidder (the "One Dot Six Stalking Horse Bidder") for the sale of certain of One Dot Six's assets (the "One Dot Six Assets") and the establishment of bid procedures for the sale of the One Dot Six Assets. Also on September 10, 2013, the Debtors filed a motion [Docket No. 835] seeking entry of an order that would, among other things, establish bid procedures (the "Debtors' Bid Procedures") and schedule a date and time for an auction.

On September 17, 2013, MAST and U.S. Bank filed a supplement to the One Dot Six Bid Procedures [Docket No. 844], which attached bid procedures agreed to by the Independent Ad Hoc Group (the "Joint Bid Procedures"). The Joint Bid Procedures contemplated a sale of substantially all of the Assets owned by the Debtors to one or more bidders, with LBAC serving as stalking horse bidder for the LP Assets and MSAC serving as stalking horse for the One Dot Six Assets.

5. The Bid Procedures Order¹⁷

At the September 24, 2013 hearing, the Independent Ad Hoc Group, MAST/U.S. Bank, and the Debtors agreed to adjourn consideration of the various bid procedures to September 30, 2013 to allow the parties to negotiate a global set of bid procedures. The parties agreed to a global set of bid procedures (the "Bid Procedures") prior to the September 30, 2013 hearing.

On October 1, 2013, the Bankruptcy Court entered an agreed form of order establishing the Bid Procedures (the "Bid Procedures Order") [Docket No. 892], a copy of which is annexed hereto as Exhibit "E". The Bid Procedures contemplate a sale of substantially all of the assets owned by the Debtors to one or more bidders. Pursuant to the Bid Procedures, LightSquared, through the Independent LightSquared Committee,¹⁸ in consultation with the Independent Ad Hoc Group, MAST/U.S. Bank, the Ad Hoc Group of LP Preferred Shareholders, and SIG Holdings (collectively, the "Stakeholder Parties") shall (i) determine whether any person is a Potential Bidder (as defined in the Bid Procedures), (ii) coordinate the efforts of Potential Bidders in conducting their respective due diligence investigations regarding the Debtors' businesses and Assets, (iii) receive offers from Qualified Bidders (as defined in the Bid Procedures), and (iv) negotiate any offer made to purchase Assets by a Qualified Bidder.

¹⁷ This section of the Disclosure Statement provides an overview of the Bid Procedures Order and is qualified in its entirety by the terms of the Bid Procedures Order.

¹⁸ For the avoidance of doubt, any decision to be made, or action to be taken, by LightSquared under the Bid Procedures, the Auction, and any resulting Sale, shall be made or taken at the direction of the Independent LightSquared Committee.

a. *Stalking Horse Bids and Related Protections*

The Bid Procedures provide that LBAC will serve as stalking horse bidder for the LP Assets. LBAC has submitted the LBAC Bid of \$2.22 billion in cash plus the assumption of certain material liabilities, the funding of which is not conditioned on FCC consent or Industry Canada approval, which bid is deemed a Qualified Bid under the Bid Procedures. LBAC is entitled to a break-up fee of \$51,800,000 (2 1/3% of the cash portion of the LBAC Bid), or any larger percentage that may be subsequently awarded to another stalking horse bidder selected by the Debtors, plus expense reimbursement of up to \$2,000,000.

The Bid Procedures further provide that MSAC will serve as stalking horse bidder for the One Dot Six Assets. MSAC has submitted a bid (the "MSAC Bid") in an amount equal to all obligations owing under the DIP Agreement, plus \$1.00 of obligations owing under the Prepetition Inc. Credit Agreement, plus cash in the amount necessary to satisfy those obligations under any plan of reorganization that are required to be paid in cash, plus certain cure costs and assumed liabilities, which bid is deemed a Qualified Bid under the Bid Procedures. MSAC is entitled to an expense reimbursement payable in accordance with paragraph 16(a) of the DIP Order, as amended, but is not entitled to a break-up fee.

The Bid Procedures also provide that LightSquared may, in consultation with the Stakeholder Parties, seek approval from the Bankruptcy Court to enter into an agreement with any Qualified Bidder to act as a stalking horse for all or any grouping or subset of the Debtors' Assets. LightSquared may, in consultation with the Stakeholder Parties and subject to the Bankruptcy Court's approval, grant such potential stalking horse bidder a break-up fee of up to 3% of the cash purchase price of the applicable Assets and a maximum expense reimbursement of up to \$2,000,000.

The Qualified Bid made by each stalking horse bidder (including LBAC and MSAC) plus the applicable bid protections offered to such stalking horse bidder will be the minimum Qualified Bid for the applicable Assets in the event of an auction (the "Baseline Bid").

b. *Participation Requirements*

Qualified Bidders must deliver their bids no later than November 20, 2013, at 5:00 p.m. (prevailing Eastern time) (the "Bid Deadline") in the form of an offer letter, which, among other things, specifies the Assets sought to be purchased. LightSquared may, after providing advance notice to the Stakeholder Parties, extend the Bid Deadline to a date not beyond November 25, 2013. All Qualified Bids (a) must be accompanied by a deposit into escrow equal to \$100,000,000 if for the LP Assets or any grouping or subset of the LP Assets and the Inc. Assets,¹⁹ or five (5) percent of the proposed purchase if solely for the Inc. Assets or any subset thereof; (b) may provide for forms of consideration that include cash or a combination of cash and other distributable forms of consideration; and (c) must exceed the aggregate consideration

¹⁹ The "Inc. Assets" consist of all of the Assets of LightSquared Inc., LightSquared Investors Holdings Inc., SkyTerra Rollup LLC, One Dot Four Corp., One Dot Six Corp., SkyTerra Rollup Sub LLC, One Dot Six TVCC Corp., TMI Communications Delaware, Limited Partnership, LightSquared GP Inc., and SkyTerra Investors LLC.

to be paid to the Debtors' estates by the applicable Baseline Bid plus \$50,000,000 if for the LP Assets or any grouping or subset of the LP Assets and the Inc. Assets, or the applicable Baseline Bid plus \$10,000,000 if solely for the Inc. Assets or any subset thereof.

c. *Auction*

If the Independent LightSquared Committee receives a Qualified Bid (other than the LBAC Bid or the MSAC Bid) prior to the Bid Deadline, LightSquared will conduct an auction (the "Auction") on November 25, 2013 at 10:00 a.m. (prevailing Eastern time). If the Bid Deadline is extended to November 25, 2013, the Auction shall be conducted on December 3, 2013 at 10:00 a.m. (prevailing Eastern time). The Auction may be adjourned by LightSquared, but shall not be adjourned beyond December 6, 2013.

At the conclusion of the Auction, the Independent LightSquared Committee, in consultation with the Stakeholder Parties, shall select the highest or otherwise best offer(s) for the applicable Assets. The second highest or otherwise best offer(s) shall remain irrevocable until the earlier of (a) sixty (60) days after the order approving the highest or otherwise best offer for the applicable Assets, or (b) the date the Debtors receive the purchase price for the applicable Assets. To the extent LBAC is the second highest or otherwise best offer, LBAC's offer shall remain irrevocable until the earlier of (a) sixty (60) days after the order approving the highest or otherwise best offer for the applicable Assets, or (b) February 15, 2014.

6. Alternative Sale

The Asset Purchase Agreement provides that, under certain circumstances and after Funding of the cash Purchase Price thereunder, the Purchaser (and, in limited circumstances, the Seller) may elect to pursue an "Alternative Sale" of the Acquired Assets to a third party. If an Alternative Sale is pursued, recoveries to stakeholders under the Plan will be unaffected. Further information about a possible Alternative Sale is set forth in Section 3.5 of the Asset Purchase Agreement and Exhibit "B" (*Alternative Sale Procedures*) thereto.

7. Inmarsat Cooperation Agreement

The Asset Purchase Agreement provides for the assumption and assignment to the Purchaser of, among other things, the Inmarsat Cooperation Agreement. Certain parties, including MAST and U.S. Bank, take the position that assumption and assignment of the Inmarsat Cooperation Agreement requires the consent of LightSquared Inc., a party to the contract, and that the LightSquared Inc. bankruptcy estate must be compensated with respect thereto. The Plan Sponsors disagree with this position and that any such compensation is due to the LightSquared Inc. bankruptcy estate. To the extent not resolved, the Plan Sponsors expect the issue to be determined by the Bankruptcy Court in connection with confirmation.

VII.

THE PLAN

As a result of the chapter 11 process and through the Plan, the Plan Sponsors expect that the LP Debtors' Estates will obtain a substantially greater recovery than if the LP Debtors'

Assets had been liquidated under chapter 7 of the Bankruptcy Code. The Plan is annexed hereto as Exhibit "A" and forms part of this Disclosure Statement. The summary of the Plan set forth below is qualified in its entirety by the more detailed provisions set forth in the Plan.

A. Resolution of Certain Inter-Debtor Issues

1. Non-Consolidation Plan

Although for purposes of administrative convenience and efficiency the Plan has been filed as a joint Plan for each of the LP Debtors and consolidates classes of Claims against and Equity Interests in the LP Debtors, the Plan does not provide for the substantive consolidation of the LP Debtors. Such joint administration shall not affect any LP Debtor's status as a separate legal entity, change the organizational structure of the LP Debtors' business enterprise, constitute a change of control of any LP Debtor for any purpose, cause a merger or consolidation of any legal entities, nor cause the transfer of any assets and, except as otherwise provided by or permitted in the Plan, all LP Debtors shall continue to exist as separate legal entities. For the avoidance of doubt, the Plan must comply with section 1129 of the Bankruptcy Code for each LP Debtor, and votes with respect to the Plan will be tabulated on a non-consolidated basis by class and by Debtor for the purpose of determining whether the Plan satisfies section 1129 of the Bankruptcy Code with respect to each LP Debtor.

2. Intercompany Claims

Except as otherwise provided in the Plan, Administrative Claims and Intercompany Claims between and among the LP Debtors shall, solely for purposes of receiving Plan Distributions, be deemed resolved and therefore not entitled to any Plan Distribution and shall not be entitled to vote on the Plan.

3. Inc. Entity General Unsecured Claims

Any timely filed Allowed Inc. Entity General Unsecured Claim shall be classified as an LP General Unsecured Claim and receive the treatment set forth in Section 5.4 of the Plan, unless otherwise ordered by the Bankruptcy Court.

B. Provisions for Treatment of Unclassified Claims

1. Unclassified Claims

As provided by section 1123(a)(1) of the Bankruptcy Code, Administrative Claims, Fee Claims, U.S. Trustee Fees and Priority Tax Claims against the LP Debtors shall not be classified under the Plan, and shall instead be treated separately as Unclassified Claims on the terms set forth in Article III of the Plan. Holders of such Claims are not entitled to vote on the Plan.

2. Treatment of Administrative Claims

a. *Time for Filing Administrative Claims*

Each holder of an Administrative Claim, other than (i) a Fee Claim, (ii) a liability incurred and payable in the ordinary course of business by any LP Debtor (and not past due),

(iii) an Administrative Claim that has become an Allowed Claim on or before the Effective Date, or (iv) any claim by the Stalking Horse Bidder for payment of the Break-Up Fee or Expense Reimbursement under the Bid Procedures Order or Stalking Horse Agreement must file with the Bankruptcy Court and serve on (a) the LP Debtors, (b) the Office of the U.S. Trustee, and (c) the Plan Sponsors notice of such Administrative Claim no later than thirty (30) days after service of the Notice of the Effective Date. Such notice of Administrative Claim must include, at a minimum, (i) the name of the holder of the Administrative Claim, (ii) the amount of the Administrative Claim, and (iii) a detailed description of the basis for the Administrative Claim. **Failure to file and serve such notice timely and properly shall result in the Administrative Claim being forever barred and discharged.**

Notwithstanding the forgoing, the Plan Sponsors or the LP Debtors may request that the Bankruptcy Court establish one or more deadlines prior to the occurrence of Effective Date for the filing of Administrative Claims.

b. Allowance of Administrative Claims

An Administrative Claim with respect to which notice has been properly filed and served pursuant to Section 3.2(a) of the Plan shall become an Allowed Administrative Claim if no objection is filed within thirty (30) days after the later of (i) the Effective Date, (ii) the date of service of the applicable notice of Administrative Claim, or (iii) such later date as may be (a) agreed to by the holder of such Administrative Claim or (b) approved by the Bankruptcy Court on motion of a party in interest, without notice or a hearing. If an objection is filed within such thirty (30) day period (or any extension thereof) and is not otherwise resolved, the Administrative Claim shall become an Allowed Administrative Claim only to the extent allowed by Final Order. For the avoidance of doubt, any claim by the Stalking Horse Bidder for the Break-Up Fee or Expense Reimbursement shall be deemed an Allowed Administrative Expense Claim in accordance with the Bid Procedures Order, and the Stalking Horse Bidder shall not be required to file any notice of an Administrative Claim in accordance with Section 3.2(a) of the Plan or any other proof of claim or administrative expense in respect of any claim for the Break-Up Fee or Expense Reimbursement.

c. Payment of Allowed Administrative Claims

On the Plan Distribution Date, each holder of an Allowed Administrative Claim shall receive (i) the amount of such holder's Allowed Administrative Claim in one payment of Plan Consideration in the form of Cash (to the extent not previously paid by the LP Debtors) or (ii) such other treatment as may be agreed upon in writing by (a) the LP Debtors, and (b) such holder; provided, that such treatment shall not provide a recovery to such holder having a present value as of the Effective Date in excess of such holder's Allowed Administrative Claim; provided, further, that an Administrative Claim representing a liability incurred in the ordinary course of business of any of the LP Debtors may be paid by the respective LP Debtor in the ordinary course of business; provided, further, that the Break-Up Fee and Expense Reimbursement shall be paid in accordance with the terms of the Stalking Horse Agreement and Bid Procedures Order; and provided, further, that any Allowed Administrative Claim accrued or incurred prior to the Effective Date, but not paid on or prior to the Effective Date, shall be paid from the reserve established pursuant to Section 9.5(b) of the Plan (and, to the extent that amounts deposited in the reserve established pursuant to Section 9.5(b) of the Plan are

insufficient to pay such Allowed Administrative Claim, the LP Debtors may withdraw Cash from the Wind Down Reserve to pay such Allowed Administrative Claim).

d. *Ad Hoc LP Secured Group Fee Claims and Plan Sponsor Fee Claims*

In the case of the Ad Hoc LP Secured Group Fee Claims and Plan Sponsor Fee Claims, such Ad Hoc LP Secured Group Fee Claims and Plan Sponsor Fee Claims will be paid in full in Plan Consideration in the form of Cash on the Effective Date for all reasonable fees and expenses incurred up to the Effective Date (to the extent not previously paid by the LP Debtors), subject to the LP Debtors' prior receipt of invoices and reasonable documentation in connection therewith and without the requirement to file a Fee Application with the Bankruptcy Court. In the event that the LP Debtors dispute all or a portion of the Ad Hoc LP Secured Group Fee Claims or Plan Sponsor Fee Claims, the LP Debtors shall pay the undisputed amount of such Ad Hoc LP Secured Group Fee Claims or Plan Sponsor Fee Claims (as applicable), and segregate the remaining portion of such Ad Hoc LP Secured Group Fee Claims or Plan Sponsor Fee Claims (as applicable) until such dispute is resolved by the parties or by the Bankruptcy Court.

Payment of the Ad Hoc LP Secured Group Fee Claims and Plan Sponsor Fee Claims is required by Section 10.03 of the Prepetition LP Facility Credit Agreement, which provides that the LP Debtors shall pay all out-of-pocket expenses incurred by any lender thereunder (including attorneys' fees) during any workout or restructuring of the loans thereunder.

3. Treatment of Fee Claims

a. *Time for Filing Fee Claims*

Each Professional Person who holds or asserts a Fee Claim against the LP Debtors shall be required to file with the Bankruptcy Court, and serve on all parties required to receive notice, a final Fee Application no later than forty (40) days after the Effective Date or such other date as may be fixed by the Bankruptcy Code. **The failure to timely file and serve such final Fee Application shall result in the Fee Claim being forever barred and discharged.**

b. *Allowance of Fee Claims*

A Fee Claim in respect of which a Fee Application has been properly filed and served pursuant to Section 3.3(a) of the Plan shall become an Allowed Fee Claim only to the extent allowed by Final Order.

c. *Treatment of Fee Claims*

Each holder of an Allowed Fee Claim shall receive, in full satisfaction of such Allowed Fee Claim, (i) on the date such Fee Claim becomes an Allowed Fee Claim, or as soon thereafter as is practicable, Plan Consideration in the form of Cash in an amount equal to such Allowed Fee Claim (less any amounts previously paid on account of such Fee Claim by the LP Debtors) or (ii) such other treatment as may be agreed to by such holder of an Allowed Fee Claim; provided, that such treatment shall not provide a recovery to such holder having a present value as of the Effective Date in excess of such holder's Allowed Fee Claim; provided, further, that any Allowed Fee Claim accrued or incurred prior to the Effective Date, but not paid on or prior to the

Effective Date, shall be paid from the reserve established pursuant to Section 9.5(b) of the Plan (and, to the extent that amounts deposited in the reserve established pursuant to Section 9.5(b) of the Plan are insufficient to pay such Allowed Fee Claim, the LP Debtors may withdraw Cash from the Wind Down Reserve to pay such Allowed Fee Claim).

3. Treatment of U.S. Trustee Fees

The Disbursing Agent, on behalf of each of the LP Debtors, shall pay all outstanding U.S. Trustee Fees of such LP Debtor on an ongoing basis on the later of: (i) the Effective Date; and (ii) the date such U.S. Trustee Fees become due, until such time as a final decree is entered closing the applicable Chapter 11 Case or the applicable Chapter 11 Case is converted or dismissed, or the Bankruptcy Court orders otherwise. Any deadline for filing Administrative Claims shall not apply to U.S. Trustee Fees.

4. Treatment of Priority Tax Claims

Each holder of an Allowed Priority Tax Claim shall receive, in full satisfaction of such Allowed Priority Tax Claim (a) Plan Consideration in the form of Cash in the amount of such Allowed Priority Tax Claim (to the extent not previously paid by the LP Debtors) on the later of (i) the applicable Plan Distribution Date and (ii) as soon as practicable after such Priority Tax Claim becomes an Allowed Priority Tax Claim or (b) such other treatment as may be agreed to by such holder of an Allowed Priority Tax Claim; provided, that such treatment shall not provide a recovery to such holder having a present value as of the Effective Date in excess of such holder's Allowed Priority Tax Claim.

C. Treatment of Classified Claims and Equity Interests

The Plan treats the classes of Claims against and Equity Interests in the LP Debtors as follows:

1. Class 1 – LP Other Priority Claims

a. *Treatment*

The legal, equitable and contractual rights of the holders of LP Other Priority Claims are unaltered by the Plan. Except to the extent that a holder of an Allowed LP Other Priority Claim agrees to different treatment, on the applicable Plan Distribution Date, each holder of an Allowed LP Other Priority Claim shall receive Plan Consideration in the form of Cash in an amount equal to such Allowed Claim.

b. *Voting*

The LP Other Priority Claims are not impaired Claims. In accordance with section 1126(f) of the Bankruptcy Code, the holders of LP Other Priority Claims are conclusively presumed to accept the Plan and are not entitled to vote to accept or reject the Plan, and the votes of such holders will not be solicited with respect to such Allowed LP Other Priority Claims.

2. Class 2 – LP Other Secured Claims

a. *Treatment*

The legal, equitable and contractual rights of the holders of LP Other Secured Claims are unaltered by the Plan. Except to the extent that a holder of an Allowed LP Other Secured Claim agrees to different treatment, on the applicable Plan Distribution Date, each holder of an Allowed LP Other Secured Claim shall receive, at the election of the Plan Sponsors or LP Debtors, as applicable: (i) Plan Consideration in the form of Cash in an amount equal to such Allowed LP Other Secured Claim; or (ii) such other treatment that will render the LP Other Secured Claim unimpaired pursuant to section 1124 of the Bankruptcy Code. Each holder of an Allowed LP Other Secured Claim shall retain the Liens securing its Allowed LP Other Secured Claim as of the Effective Date until (A) full and final payment of such Allowed LP Other Secured Claim is made as provided in the Plan or (B) the Collateral securing such Liens is sold and such Liens shall attach to the respective proceeds of such sale to the extent attributable to such Collateral and with the same validity, priority, force and effect. Upon the full payment or other satisfaction of such Claims in accordance with the Plan, the Liens securing such Allowed LP Other Secured Claim shall be deemed released, terminated and extinguished, in each case without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order or rule or the vote, consent, authorization or approval of any Person.

b. *Voting*

The LP Other Secured Claims are not impaired Claims. In accordance with section 1126(f) of the Bankruptcy Code, the holders of LP Other Secured Claims are conclusively presumed to accept the Plan and are not entitled to vote to accept or reject the Plan, and the votes of such holders will not be solicited with respect to such Allowed LP Other Secured Claims.

c. *Deficiency Claims*

To the extent that the value of the Collateral securing each LP Other Secured Claim is less than the allowed amount of such LP Other Secured Claim, the undersecured portion of such Allowed Claim shall be treated for all purposes under the Plan as an Allowed LP General Unsecured Claim and shall be classified as an LP General Unsecured Claim.

d. *Separate Classification of LP Other Secured Claims*

LP Other Secured Claims have been classified together for each LP Debtor solely for purposes of describing treatment under the Plan. Each LP Other Secured Claim, to the extent secured by a Lien on Collateral different than that securing any LP Other Secured Claim, shall be treated as being in a separate sub-Class for the purpose of receiving Plan Distributions.

3. Class 3 – Prepetition LP Facility Claims

a. *Allowance*

On the Confirmation Date, the Prepetition LP Facility Claims shall be Allowed Claims.

b. *Treatment*

In full satisfaction, settlement, release and discharge of, and in exchange for, Prepetition LP Facility Claims, and except to the extent that a holder of an Allowed Prepetition LP Facility Claim agrees to less favorable treatment, each holder of an Allowed Prepetition LP Facility Claim shall receive, on the Funding Date, its Pro Rata Share of Plan Consideration remaining after (A) establishment of an appropriate reserve on the Funding Date for the payment of Allowed Unclassified Claims pursuant to Article III, (B) establishment of an appropriate reserve on the Funding Date for the payment of Allowed LP Other Priority Claims and Allowed LP Other Secured Claims pursuant to Section 5.1 and 5.2 of the Plan, respectively, and (C) establishment of an appropriate reserve for the payment of the LP General Unsecured Claims Distribution; provided, that, in the event that the Stalking Horse Bid is selected as the Successful Bid and the Funding Date occurs, the Plan Consideration distributed to holders of Allowed Prepetition LP Facility Claims, in full satisfaction, settlement, release and discharge of, and in exchange for, such Claims, shall equal \$2,102,000,000 in the aggregate; and provided, further, in no event, shall any distributions to a holder of an Allowed Prepetition LP Facility Claim pursuant to Section 5.3(b) of the Plan be in excess of 100% of the amount of such holder's Allowed Prepetition LP Facility Claim.

c. *Voting*

The Prepetition LP Facility Claims are impaired Claims. Holders of such Claims are entitled to vote to accept or reject the Plan, and the votes of such holders will be solicited with respect to such Prepetition LP Facility Claims.

4. Class 4 – LP General Unsecured Claims

a. *Treatment*

In complete and final satisfaction, settlement, release, and discharge of, and in exchange for, LP General Unsecured Claims, and except to the extent that a holder of an Allowed LP General Unsecured Claim agrees to less favorable treatment, on the applicable Plan Distribution Date, each holder of an Allowed LP General Unsecured Claim shall receive such holder's Pro Rata Share of (A) the LP General Unsecured Claims Distribution, and (B) to the extent Allowed LP General Unsecured Claims exceed the LP General Unsecured Claims Distribution, Plan Consideration remaining, if any, after payment in full of all Allowed Unclassified Claims, Allowed LP Other Priority Claims, Allowed LP Other Secured Claims, and Allowed Prepetition LP Facility Claims; provided, in no event shall such distribution(s) be in excess of 100% of the amount of its Allowed LP General Unsecured Claim.

b. *Voting*

The LP General Unsecured Claims are impaired Claims. Holders of such Claims are entitled to vote to accept or reject the Plan, and the votes of such holders will be solicited with respect to such LP General Unsecured Claims.

5. Class 5 – Existing LP Preferred Units Equity Interests

a. *Treatment*

In complete and final satisfaction, settlement, release, and discharge of, and in exchange for, Existing LP Preferred Units Equity Interests, on the Effective Date, the Existing LP Preferred Units Equity Interests shall be cancelled and, except to the extent that a holder of an Allowed Existing LP Preferred Unit Equity Interest agrees to less favorable treatment, on the applicable Plan Distribution Date, each holder of an Existing LP Preferred Unit Equity Interest shall receive its Pro Rata Share of Plan Consideration remaining, if any, after payment in full of the Allowed LP General Unsecured Claims, including the amount (if any) of the LP General Unsecured Claims Distribution in excess of all Allowed LP General Unsecured Claims; provided, in no event shall such distribution(s) be in excess of 100% of the amount of its Allowed Existing LP Preferred Unit Equity Interest.

b. *Voting*

The Existing LP Preferred Units Equity Interests are impaired Equity Interests. Holders of such Equity Interests are entitled to vote to accept or reject the Plan, and the votes of such holders will be solicited with respect to such Existing LP Preferred Units Equity Interests.

6. Class 6 – LP Common Equity Interests

a. *Treatment*

In complete and final satisfaction, settlement, release, and discharge of, and in exchange for, LP Common Equity Interests on the Effective Date, LP Common Equity Interests shall be cancelled (except as set forth in Section 7.14 of the Plan) and, on the applicable Plan Distribution Date, each holder of an LP Common Equity Interest shall receive its Pro Rata Share of the Plan Consideration remaining, if any, after payment in full of the Existing LP Preferred Units Equity Interests.

b. *Voting*

The LP Common Equity Interests are impaired Equity Interests. Holders of such Equity Interests are entitled to vote to accept or reject the Plan, and the votes of such holders will be solicited with respect to such LP Common Equity Interests.

D. Acceptance or Rejection of the Plan

1. Classes of Claims Deemed to Accept the Plan

Class 1 – LP Other Priority Claims and Class 2 – LP Other Secured Claims are unimpaired under the Plan and are therefore deemed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code.

2. Class Acceptance Requirement

A Class of Claims shall have accepted the Plan if it is accepted by the holders of at least two-thirds (2/3) in amount and more than one-half (1/2) in number of the Allowed Claims in such Class that have voted on the Plan. A Class of Equity Interests shall have accepted the Plan

if it is accepted by holders of at least two-thirds (2/3) in amount of the Equity Interests in such Class that actually vote on the Plan.

3. Confirmation Pursuant to Section 1129(b) of the Bankruptcy Code or "Cramdown"

If all applicable requirements for confirmation of the Plan are met as set forth in section 1129(a) of the Bankruptcy Code, except subsection (8) thereof, the Plan shall be treated as a request that the Bankruptcy Court confirm the Plan in accordance with section 1129(b) of the Bankruptcy Code, notwithstanding the failure to satisfy the requirements of section 1129(a)(8), on the basis that the Plan is fair and equitable and does not discriminate unfairly with respect to each Class of Claims or Equity Interests that is impaired under, and has not accepted, the Plan.

4. Elimination of Vacant Classes

Any Class of Claims that does not have a holder of an Allowed Claim or a Claim temporarily allowed by the Bankruptcy Court as of the date of the Confirmation Hearing shall be deemed eliminated from the Plan for purposes of voting to accept or reject the Plan and for purposes of determining acceptance or rejection of the Plan by such Class pursuant to section 1129(a)(8) of the Bankruptcy Code.

5. Voting Classes; Deemed Acceptance by Non-Voting Classes

If a Class contains Claims or Equity Interests eligible to vote and no holders of Claims or Equity Interests eligible to vote in such Class vote to accept or reject the Plan, the Plan shall be deemed accepted by the holders of such Claims or Equity Interests in such Class.

E. Means for Implementation of the Plan

1. Plan Funding

Plan Distributions shall be made from Plan Consideration (which excludes, for the avoidance of doubt, Cash in the Wind Down Reserve) as of the Funding Date. Such Plan Consideration shall be used (i) first, to satisfy or establish an appropriate reserve for satisfaction of Allowed Unclassified Claims, Allowed LP Other Priority Claims and Allowed LP Other Secured Claims, in Cash (or, with respect to LP Other Secured Claims, as otherwise permitted under Section 5.2 of the Plan); (ii) second, to pay or establish an appropriate reserve for payment of the LP General Unsecured Claims Distribution in Cash; and (iii) third, to satisfy the LP Debtors' other obligations with respect to payment of Allowed Claims and Allowed Equity Interests under the Plan, in accordance with the terms thereof. The issuance or delivery of any Plan Distributions that are securities shall be exempt from registration under applicable securities laws pursuant to section 1145(a) of the Bankruptcy Code.

On the Funding Date, Cash from the LP Sale Proceeds in an amount to be (a) mutually agreed by the Plan Sponsors and the LP Debtors or (b) ordered by the Bankruptcy Court, shall be deposited in a segregated account to be held by the LP Debtors (the "Wind Down Reserve"). Although the Wind Down Reserve will be funded on the Funding Date, the Cash deposited in the Wind Down Reserve shall be used to provide funding for reasonable expenses incurred or

accrued by the LP Debtors on or after the Effective Date that are directly related to the Wind Down, including, without limitation, professional fees and expenses incurred by the LP Debtors in connection therewith. To the extent that amounts deposited in the Wind Down Reserve are insufficient to pay such expenses, the LP Debtors may withdraw Cash from the Disputed Claims Reserves established under Section 9.5 of the Plan, in an amount not to exceed \$1,000,000. For the avoidance of doubt, the Cash deposited in the Wind Down Reserve shall not be used to provide funding for the LP Debtors' working capital needs (*i.e.*, operating expenditures and capital expenditures) on and after the Funding Date, which obligations shall be the responsibility of the Purchaser pursuant to, and subject in all respects to the terms of, the Asset Purchase Agreement. For the further avoidance of doubt, the Purchaser shall not be responsible for the payment of any expenses associated with the Wind Down in the event that the Wind Down Reserve is insufficient to pay such expenses.

After funding the Wind Down Reserve, the remaining LP Sale Proceeds shall be deposited in the Disbursement Account as set forth in Section 7.3 of the Plan.

The Confirmation Order shall provide that, pursuant to sections 105(a), 1123(a)(5), 1123(b)(4), 1141, and 1142(b), upon the occurrence of the Funding Date, the LP Debtors shall pay all Allowed Prepetition LP Facility Claims as set forth in the Plan. The Plan shall constitute a motion for approval of such payment. Thereafter, on motion of the LP Debtors or the Plan Sponsors, and after notice and a hearing, the Bankruptcy Court may enter additional Advance Payment Orders as it deems appropriate.

2. The LP Sale

The Confirmation Order shall approve a sale of the Acquired Assets under sections 105(a), 1123(a)(5), 1123(b)(4), 1129(b)(2)(A), 1141, 1142(b), 1145 and 1146(a) of the Bankruptcy Code pursuant to a sale process under the terms and conditions of the Asset Purchase Agreement and the Bid Procedures Order free and clear of any Claims, Liens, interests, or encumbrances. The LP Sale Proceeds shall include a Cash component in an amount sufficient for the Disbursing Agent to make all Plan Distributions required to be in the form of Cash, and for the LP Debtors to fund the Wind Down Reserve and Disputed Claims Reserves, and to pay all amounts due to be paid to the Stalking Horse Bidder pursuant to the terms of the Bid Procedures Order in the event the Stalking Horse Bidder is not the Purchaser, including the Break-Up Fee and Expense Reimbursement. Upon entry of the Confirmation Order, the LP Debtors shall be (a) authorized to, among other things, sell, assume, assign and/or transfer the Acquired Assets, subject to applicable law and the terms and conditions of the Asset Purchase Agreement (including, without limitation, receipt of the Specified Regulatory Approvals to the extent applicable), and take any and all actions necessary to consummate the LP Sale; and (b) authorized and directed to execute the Asset Purchase Agreement (to the extent not executed as of the Confirmation Date). Actions necessary to consummate the LP Sale may include, among others, (a) the execution and delivery of appropriate instruments of transfer, assignment, assumption or delegation of any Asset, property, rights, liability, duty or obligation on terms consistent with the terms of the Asset Purchase Agreement and the Plan and having such other terms to which the LP Debtors and the Purchaser may agree and (b) all other actions that are necessary and appropriate in connection with such transactions, including making such filings or recordings that may be required by or appropriate under applicable state law. Nothing in the

Plan or Confirmation Order authorizes the transfer or assignment of the Acquired Assets to the Purchaser (or, if applicable, the Alternative Purchaser) without the Purchaser's (or, if applicable, the Alternative Purchaser's) compliance with applicable non-bankruptcy laws regarding the transfer, assignment, or ownership of such Assets.

3. Distribution Account

The Distribution Account shall be established to receive on the Funding Date the Plan Consideration. Plan Distributions to be made pursuant to the Plan or an Advance Payment Order shall be made from the Distribution Account. Upon the transfer of the Plan Consideration into the Distribution Account, the LP Debtors and the Purchaser will have no interest in, or with respect to, the Plan Consideration in the Distribution Account, except as otherwise provided in the Plan or the Confirmation Order. Upon the distribution of all Plan Consideration in the Distribution Account, the Distribution Account shall be extinguished.

4. Cancellation of Credit Agreements, Existing Securities and Agreements

Except for the purpose of evidencing a right to distribution under the Plan, and except as otherwise set forth in the Plan, on the Effective Date all agreements, instruments, and other documents evidencing any Claim or Equity Interest and any rights of any holder in respect thereof, shall be deemed cancelled, discharged and of no force or effect. Notwithstanding the foregoing, the applicable provisions of the Prepetition LP Facility Credit Documents shall continue in effect solely for the purposes of permitting the Prepetition LP Facility Agent and/or the Disbursing Agent to make distributions pursuant to the Plan on account of Allowed Prepetition LP Facility Claims and to effectuate any charging Liens permitted under the Prepetition LP Facility Credit Agreement, and to assert any rights the holders of Prepetition LP Facility Claims may have with respect to any guaranty of the Prepetition LP Facility Claims by a Person other than an LP Debtor. Except as otherwise set forth in the Plan, the holders of or parties to such cancelled instruments, securities and other documentation will have no rights arising from or relating to such instruments, securities and other documentation or the cancellation thereof, except the rights provided for pursuant to the Plan. Except as provided pursuant to the Plan, the Prepetition LP Facility Agent and its agents, successors and assigns shall be discharged of all of their obligations associated with the Prepetition LP Facility Credit Documents upon payment in full of the Prepetition LP Facility Claims.

5. Comprehensive Settlement of Claims and Controversies

Pursuant to Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided under the Plan, the provisions of the Plan will constitute a good faith compromise and settlement of all claims or controversies relating to the rights (including any subordination rights) that a holder of a Claim or Equity Interest may have with respect to any Allowed Claim or Allowed Equity Interest or any distribution to be made pursuant to the Plan on account of any Allowed Claim or Allowed Equity Interest. The entry of the Confirmation Order will constitute the Bankruptcy Court's approval, as of the Effective Date, of the compromise or settlement of all such claims or controversies and the Bankruptcy Court's finding that all such compromises or settlements are: (a) in the best interests of the LP Debtors and their respective

Estates and property, and of holders of Claims or Equity Interests; and (b) fair, equitable and reasonable.

6. Continued Corporate Existence and Vesting of Assets

Except as otherwise provided in the Plan, the LP Debtors will continue to exist after the Effective Date as separate corporate entities, in accordance with the applicable laws of the respective jurisdictions in which they are incorporated or organized, for the purposes of satisfying their obligations under the Plan, including making or assisting the Disbursing Agent in making distributions as required under the Plan and effectuating the Wind Down. On or after the Effective Date, each LP Debtor, in its sole and exclusive discretion, and subject to receipt of any required governmental or regulatory approvals (if any), may take such action as permitted by applicable law as such LP Debtor may determine is reasonable and appropriate, including, but not limited to, causing: (i) an LP Debtor to be merged into another LP Debtor, or its subsidiary or Affiliate; (ii) an LP Debtor to be dissolved without the necessity for any other or further actions to be taken by or on behalf of such dissolving LP Debtor or any payments to be made in connection therewith subject to the filing of a certificate of dissolution with the appropriate governmental authorities; (iii) the legal name of an LP Debtor to be changed; or (iv) the closing of an LP Debtor's Chapter 11 Case on the Effective Date or any time thereafter.

On and after the Effective Date, pursuant to sections 1141(b) and (c) of the Bankruptcy Code, and except as otherwise provided in the Plan or in the Confirmation Order, all property of the LP Debtors' Estates (other than the Plan Consideration), including all claims, rights and Causes of Action shall vest in each respective LP Debtor free and clear of all Claims, Liens, charges, other encumbrances and interests. In addition, on and after the Effective Date, subject to the terms and conditions of the Plan (including, without limitation, Article IX of the Plan), the LP Debtors shall effectuate the Wind Down of the LP Debtors' Estates, and may use, acquire and dispose of property and prosecute, compromise or settle any Claims (including any Administrative Claims) and Causes of Action (in each case that are not Acquired Assets or Assumed Liabilities), as well as disputes relating to allowance of any Equity Interest, without supervision of or approval by the Bankruptcy Court and free and clear of any restrictions of the Bankruptcy Code or the Bankruptcy Rules other than restrictions expressly imposed by the Plan or the Confirmation Order. Without limiting the foregoing, the LP Debtors may pay, from the proceeds of the Wind Down Reserve, the charges that they incur on or after the Effective Date for Professional Persons' fees, disbursements, expenses or related support services without application to the Bankruptcy Court.

7. Existing Officers; Existing Boards

(a) Existing Officers. The Existing Officers shall continue in their positions with the LP Debtors on and after the Effective Date, in accordance with their respective existing employment agreements with the LP Debtors (to the extent assumed by the LP Debtors in accordance with Section 10.1 of the Plan) or any new employment agreement entered into by the LP Debtors and the applicable Existing Officer on or prior to the Effective Date. The Existing Officers shall be entitled to indemnification for claims, losses, expenses and liabilities arising on or after the Effective Date pursuant to the terms and conditions of the articles of incorporation, by-laws, or similar organizational documents of the applicable LP Debtor in place as of the Effective Date.

(b) Existing Boards. The members of the Existing Boards shall continue in their positions with the LP Debtors on and after the Effective Date. The members of the Existing Boards shall be entitled to indemnification for claims, losses, expenses and liabilities arising on or after the Effective Date pursuant to the terms and conditions of the articles of incorporation, by-laws, or similar organizational documents of the applicable LP Debtor in place as of the Effective Date.

8. Corporate Governance

From and after the Effective Date, each of the LP Debtors shall be managed and administered by the Existing Boards, which shall have full authority to administer the provisions of the Plan and the Asset Purchase Agreement, subject to the terms of the Asset Purchase Agreement. Each Existing Board may, subject to the terms of the Asset Purchase Agreement, authorize its applicable Existing Officers to take any actions contemplated by the Plan or the Asset Purchase Agreement on behalf of the applicable LP Debtor to the extent permitted by the articles of incorporation, by-laws, or similar organizational documents of such LP Debtor in place as of the Effective Date.

9. Wind Down of the LP Debtors and Their Estates

The Existing Boards shall oversee the Wind Down, subject to the terms and conditions of the Asset Purchase Agreement and the Plan, and shall make distributions to, and otherwise hold all property of the LP Debtors' Estates for the benefit of, holders of Allowed Claims and Allowed Equity Interests consistent and in accordance with the Plan and the Confirmation Order. The LP Debtors shall not be required to post a bond in favor of the United States.

Following the Effective Date, the LP Debtors shall not engage in any business activities or take any actions, except those necessary to effectuate the Plan and the Wind Down. On and after the Effective Date, the LP Debtors may take such action and settle and compromise Claims or Equity Interests without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or the Bankruptcy Rules, other than any restrictions expressly imposed by the Plan, the Confirmation Order and/or the Asset Purchase Agreement (including, without, limitation, Article IX of the Plan).

10. Power and Authority of the Existing Boards

The Existing Boards shall have the power and authority to perform the following acts on behalf of the LP Debtors, in addition to any powers granted by law or conferred by any other provision of the Plan and orders of the Bankruptcy Court, but in each case subject to the terms and conditions of the Asset Purchase Agreement and the Plan (including, without limitation, Article IX of the Plan): (i) take all steps and execute all instruments and documents necessary to make or assist the Disbursing Agent in making distributions to holders of Allowed Claims and Allowed Equity Interests; (ii) object to Claims and Equity Interests as provided in the Plan and prosecute such objections; (iii) resolve, compromise and/or settle any objections to the amount, validity, priority, treatment, allowance or priority of Claims, Administrative Claims, or Equity Interests; (iv) comply with the Plan and the obligations thereunder; (v) if necessary, employ, retain, or replace professionals to assist the LP Debtors in compliance with their obligations under the Asset Purchase Agreement and/or the Wind Down; (vi) establish, replenish or release reserves as provided in the Plan, as applicable; (vii) take all actions necessary or appropriate to

enforce the LP Debtors' rights under the Asset Purchase Agreement and any related document and to fulfill, comply with or otherwise satisfy the LP Debtors' covenants, agreements and obligations under the Asset Purchase Agreement and any related document; (viii) make all determinations on behalf of the LP Debtors under the Asset Purchase Agreement; (ix) prepare and file applicable tax returns for any of the LP Debtors; (x) liquidate any of the Retained Assets; (xi) deposit the LP Debtors' Estate funds, draw checks and make disbursements consistent with the terms of the Plan; (xii) purchase or continue insurance protecting the LP Debtors and property of the LP Debtors' Estates; (xiii) seek entry of a final decree in any of the Chapter 11 Cases at the appropriate time; (xiv) prosecute, resolve, compromise and/or settle any litigation; (xv) abandon in any commercially reasonable manner, including abandonment or donation to a charitable organization (as such term is described in Internal Revenue Code section 501(c)(3) (whose contributions are deductible under Internal Revenue Code section 170)) of the LP Debtors' choice, any LP Debtors' Estate Assets that are of no material benefit; and (xvi) take such other action as the LP Debtors may determine to be necessary or desirable to carry out the purpose of the Plan and/or consummation of the LP Sale in accordance with the Asset Purchase Agreement.

11. Assumed Liabilities

In accordance with the terms of the Asset Purchase Agreement, upon and after the Closing of the LP Sale pursuant to the Asset Purchase Agreement, the Purchaser (or, if applicable, the Alternative Purchaser) shall be responsible for payment and satisfaction of all Assumed Liabilities. Upon and after the Closing of the LP Sale pursuant to the Asset Purchase Agreement, all Persons holding Claims and Equity Interests arising out of or concerning an Assumed Liability, shall be forever barred, estopped and permanently enjoined from asserting against the LP Debtors and any of their property, such Claims or Equity Interests, as applicable. The Purchaser (and, if applicable, the Alternative Purchaser) is not assuming, and shall not become liable for the payment or performance of, any liabilities or other obligations of any of the LP Debtors of any nature whatsoever, whether accrued or unaccrued, other than the Assumed Liabilities.

12. Cancellation of Certain Existing Security Interests

Upon the full payment or other satisfaction of an Allowed LP Other Secured Claim, or promptly thereafter, the holder of such Allowed LP Other Secured Claim shall deliver to the LP Debtors any Collateral or other property of the LP Debtors held by such holder, and any termination statements, instruments of satisfactions, or releases of all security interests with respect to its Allowed LP Other Secured Claim that may be reasonably required in order to terminate any related financing statements, mortgages, mechanic's liens, or lis pendens; provided, however, any such Collateral that is an Acquired Asset received by the LP Debtors from the holder of such Allowed Claim shall be delivered promptly to the Purchaser (or, if applicable, the Alternative Purchaser) following the Closing.

13. Corporate Action

The LP Debtors shall serve on the U.S. Trustee quarterly reports of the disbursements made until such time as a final decree is entered closing the applicable Chapter 11 Case or the applicable Chapter 11 Case is converted or dismissed, or the Bankruptcy Court orders otherwise.

The deadline for filing Administrative Claims set forth in Section 3.2(a) of the Plan shall not apply to fees payable pursuant to section 1930 of title 28 of the United States Code.

Entry of the Confirmation Order shall establish conclusive corporate and other authority (and evidence of such corporate and other authority) required for each of the LP Debtors to undertake any and all acts and actions required to implement or contemplated by the Plan and Confirmation Order (including, without limitation, the execution and delivery of the Asset Purchase Agreement), and such acts and actions shall be deemed to have occurred and shall be in effect pursuant to applicable non-bankruptcy law and the Bankruptcy Code, without the need for board or shareholder vote and without any requirement of further action by the stockholders, directors, partners or managers of the LP Debtors (if any).

On the Confirmation Date, the Existing Boards are authorized and directed to execute and/or deliver, as the case may be, the agreements, documents and instruments contemplated by the Plan, the Plan Supplement and the Asset Purchase Agreement and any schedules, exhibits or other documents attached thereto or contemplated thereby in the name and on behalf of the LP Debtors.

Upon entry of a final decree in each Chapter 11 Case, if not previously dissolved, the applicable LP Debtor shall be deemed dissolved and wound up without any further action required by such LP Debtor.

14. Intercompany Equity Interests

No Equity Interest held by an LP Debtor in another LP Debtor shall be cancelled by the terms of the Plan, and all such Equity Interests shall continue in place following the Effective Date solely for the purpose of maintaining the existing corporate structure of the LP Debtors. The Equity Interests held by any Inc. Entity in any LP Debtor shall be cancelled in accordance with Section 5.6 of the Plan; provided, that, no such Equity Interests shall be cancelled to the extent that the cancellation of such Equity Interests would cause the dissolution or winding up of any LP Debtor prior to the consummation of its Wind Down in accordance with the Plan, in which case such Equity Interests shall be cancelled immediately upon the consummation of, and pursuant to, such Wind Down.

F. Plan Distribution Provisions

1. The Disbursing Agent

All Plan Distributions under the Plan shall be made by the Disbursing Agent as provided in the Plan or as set forth in an Advance Payment Order. The Disbursing Agent shall be empowered to: (a) take all steps and execute all instruments and documents necessary to make Plan Distributions to holders of Allowed Claims and Equity Interests; (b) comply with the Plan and the obligations thereunder; (c) make periodic reports regarding the status of distributions under the Plan to the holders of Allowed Claims that are outstanding at such time, with such reports to be made available upon request to the holder of any Disputed Claim; and (d) exercise such other powers as may be vested in the Disbursing Agent pursuant to the Plan, the Plan Documents, the Confirmation Order, or any other order of the Bankruptcy Court. Except as otherwise ordered by the Bankruptcy Court, and subject to the written agreement of the LP Debtors if the Disbursing Agent is a Person other than the LP Debtors, the amount of any reasonable documented fees and expenses incurred by the Disbursing Agent on or after the

Effective Date (including, without limitation, taxes) and any reasonable compensation and expense reimbursement Claims (including, without limitation, reasonable attorney and other professional fees and expenses) made by the Disbursing Agent shall be paid in Cash by the LP Debtors from the Wind Down Reserve.

2. Postpetition Interest

Postpetition interest shall be paid on Allowed Prepetition LP Facility Claims as set forth in the Plan and the Prepetition LP Facility Credit Documents. In addition, postpetition interest and/or dividends shall be paid on Allowed Existing LP Preferred Units Equity Interests to the extent that (a) there is sufficient Plan Consideration to make a Plan Distribution to holders of LP Common Equity Interests after giving effect to all other Plan Distributions contemplated by the Plan and (b) payment of such amounts is permitted under applicable bankruptcy or non-bankruptcy law. With respect to all Claims and Equity Interests other than Allowed Prepetition LP Facility Claims and Allowed Existing LP Preferred Units Equity Interests, postpetition interest shall not accrue or be paid, and no holder of a Claim or Equity Interest shall be entitled to interest accruing on such Claim or Equity Interest after the Petition Date, except as otherwise specifically provided for in the Confirmation Order or other order of the Bankruptcy Court, or required by applicable bankruptcy or non-bankruptcy law.

3. Timing of Plan Distributions

Unless otherwise provided in the Plan, any distributions and deliveries to be made pursuant to the Plan shall be made on the applicable Plan Distribution Date or as soon thereafter as is practicable, provided that the LP Debtors or the Disbursing Agent, as applicable, may utilize periodic distribution dates to the extent appropriate and not otherwise inconsistent with the Plan. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

4. Distribution Record Date

As of the close of business on the Distribution Record Date, the various lists of holders of Claims and Equity Interests in each of the Classes, as maintained by the LP Debtors, or their agents, shall be deemed closed and there shall be no further changes in the record holders of any of the Claims and Equity Interests. Neither the LP Debtors nor the Disbursing Agent shall have any obligation to recognize any transfer of Claims or Equity Interests occurring after the close of business on the Distribution Record Date. Additionally, with respect to payment of any Cure Costs or any Cure Disputes in connection with the assumption and/or assignment of the LP Debtors' executory contracts and leases, the LP Debtors shall have no obligation to recognize or deal with any party other than the non-LP Debtor party to the underlying executory contract or lease, even if such non-LP Debtor party has sold, assigned or otherwise transferred its Claim for a Cure Cost.

Plan Distributions to be made on account of Allowed Prepetition LP Facility Claims shall be made by the Disbursing Agent to the Prepetition LP Facility Agent, who shall distribute such Plan Distributions to holders of Allowed Prepetition LP Facility Claims in accordance with the

terms of the Prepetition LP Facility Credit Agreement. The Prepetition LP Facility Agent shall cooperate and assist the Disbursing Agent in connection with such distributions to the holders of Allowed Prepetition LP Facility Claims. The LP Debtors, through the Disbursing Agent, shall pay the Prepetition LP Facility Agent's reasonable documented fees and expenses incurred in providing any such cooperation or assistance from the Wind Down Reserve.

Plan Distributions to be made on account of Allowed Claims and Equity Interests other than Prepetition LP Facility Claims shall be made directly by the Disbursing Agent to the holders of such Claims and Equity Interests.

5. Address for Delivery of Plan Distributions/Unclaimed Plan Distributions

Subject to Bankruptcy Rule 9010, any Plan Distribution or delivery to a holder of an Allowed Claim or Equity Interest shall be made at the address of such holder as set forth in the last-dated of the following actually held or received by the LP Debtors or the Disbursing Agent prior to the Effective Date: (a) the Schedules; (b) the Proof of Claim filed by such holder; (c) any notice of assignment filed with the Bankruptcy Court with respect to such Claim or Equity Interest pursuant to Bankruptcy Rule 3001(e); (d) any notice served by such holder giving details of a change of address; or (e) the transfer ledger in respect of the Existing LP Preferred Units Equity Interests and LP Common Equity Interests. If any Plan Distribution sent to the holder of a Claim or Equity Interest is returned to the Disbursing Agent as undeliverable, no Plan Distributions shall be made to such holder unless the Disbursing Agent is notified of such holder's then current address within one hundred and twenty (120) days after such Plan Distribution was returned. After such date, if such notice was not provided, such holder shall have forfeited its right to such Plan Distribution, and the undeliverable Plan Distribution shall revert to the Distribution Account. Upon such reversion, the Claim or Equity Interest of any holder or its successors with respect to such property shall be cancelled, discharged and forever barred notwithstanding any applicable federal or state escheat, abandoned or unclaimed property laws to the contrary.

6. Time Bar to Cash Payments

Checks issued in respect of Allowed Claims shall be null and void if not negotiated within ninety (90) days after the date of issuance thereof. Requests for reissuance of any voided check shall be made directly to the Disbursing Agent by the holder of the Allowed Claim to whom such check was originally issued. Any claim in respect of such a voided check shall be made within one hundred and twenty (120) days after the date of issuance of such check. If no request is made as provided in the preceding sentence, any claims in respect of such voided check shall be discharged and forever barred and such unclaimed Plan Distribution shall revert to the Distribution Account.

7. No Distribution in Excess of Amount of Allowed Claim

Notwithstanding anything to the contrary in the Plan, no holder of an Allowed Claim shall, on account of such Allowed Claim, receive a Plan Distribution (of a value set forth in the Plan) in excess of the allowed amount of such Claim plus postpetition interest on such Claim, to the extent interest is permitted under Section 8.2 of the Plan.

8. Setoffs and Recoupments

Each LP Debtor, or such entity's designee as instructed by such LP Debtor, may, pursuant to section 553 of the Bankruptcy Code or applicable non-bankruptcy law, set off and/or recoup against any Allowed Claim (other than an Allowed Prepetition LP Facility Claim) or any Allowed Equity Interest, and the Plan Distributions on account of such Allowed Claim or Allowed Equity Interest, any and all claims, rights and Causes of Action that an LP Debtor or its successors may hold against the holder of such Allowed Claim or Allowed Equity Interest after the Effective Date; provided, however, that neither the failure to effect a setoff or recoupment nor the allowance of any Claim or Equity Interest (other than an Allowed Prepetition LP Facility Claim) will constitute a waiver or release by an LP Debtor or its successor of any and all claims, rights and Causes of Action that an LP Debtor or its successor may possess against such holder; and provided, further, that any proposed setoff or recoupment of the LP Debtors' rights or Causes of Action against an Allowed Inc. Entity General Unsecured Claim shall be subject to Bankruptcy Court approval as a settlement of such Allowed Inc. Entity General Unsecured Claim pursuant to Section 9.3 of the Plan.

9. Fractional Cents and De Minimis Distributions

Notwithstanding any other provision of the Plan to the contrary, (i) no payment of fractions of cents will be made; and (ii) the Disbursing Agent shall not have any obligation to make a Plan Distribution that is less than or \$40.00 in Cash. Whenever any payment of a fraction of a cent would otherwise be called for, the actual payment shall reflect a rounding down of such fraction to the nearest whole cent.

10. Manner of Payment Under the Plan

Unless the Person receiving a Plan Distribution agrees otherwise, any Plan Distribution to be made in Cash under the Plan shall be made, at the election of the Disbursing Agent, by check drawn on a domestic bank or by wire transfer from a domestic bank. Cash payments to foreign creditors may be, in addition to the foregoing, made at the option of the Disbursing Agent in such funds and by such means as are necessary or customary in a particular foreign jurisdiction. The issuance or delivery of any Plan Distribution that is a security shall be exempt from registration under applicable securities laws pursuant to section 1145(a) of the Bankruptcy Code.

11. Requirement to Give a Bond or Surety

The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court and, in the event that the Disbursing Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the applicable LP Debtor. Furthermore, any such Person required to give a bond shall notify the Bankruptcy Court and the U.S. Trustee in writing before terminating any such bond that is obtained.

12. Withholding and Reporting Requirements

In connection with the Plan and all distributions thereunder, the LP Debtors shall comply with all withholding and reporting requirements imposed by any federal, state, local or foreign taxing authority, and all Plan Distributions thereunder shall be subject to any such withholding and reporting requirements. The LP Debtors shall be authorized to take any and all actions that

may be necessary or appropriate to comply with such withholding and reporting requirements, including, without limitation, liquidating a portion of any Plan Distribution to generate sufficient funds to pay applicable withholding taxes or establishing any other mechanisms the LP Debtors or the Disbursing Agent believe are reasonable and appropriate, including requiring a holder of a Claim or Equity Interest to submit appropriate tax and withholding certifications. Notwithstanding any other provision of the Plan: (a) each holder of an Allowed Claim and/or an Allowed Equity Interest that is to receive a distribution under the Plan shall have sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any governmental unit, including income, withholding and other tax obligations on account of such distribution; and (b) no Plan Distributions shall be required to be made to or on behalf of such holder pursuant to the Plan if, after 120 days from the date of transmission of a written request to the holder of an Allowed Claim or Allowed Equity Interest, the LP Debtors do not receive a valid, completed IRS form from such holder of an Allowed Claim or Allowed Equity Interest, which is otherwise required for reporting purposes, and such holder shall be treated as if their Claims or Equity Interests had been disallowed.

13. Cooperation with Disbursing Agent

The LP Debtors and their Professional Persons shall use all commercially reasonable efforts to provide the Disbursing Agent (if an entity other than the LP Debtors) with the amount of Claims and Equity Interests and the identity and addresses of holders of Claims and Equity Interests, in each case, as set forth in the LP Debtors' books and records. The LP Debtors and their Professional Persons shall cooperate in good faith with the Disbursing Agent (if an entity other than the LP Debtors) to comply with any of its reporting and withholding requirements.

G. Reserves and Procedures for Resolving Disputed Claims

1. Objections to Claims

Other than with respect to Fee Claims (to which any party in interest may object) and Inc. Entity General Unsecured Claims (to which the Ad Hoc LP Secured Group or any member thereof may object), only the LP Debtors shall be entitled to object to Claims after the Effective Date. Any objections to Claims (other than Administrative Claims), shall be served and filed on or before the later of: (a) one-hundred twenty (120) days after the Effective Date; and (b) such other date as may be fixed by the Bankruptcy Court, whether fixed before or after the date specified in Section 9.1(a) of the Plan. Any Claims filed after the applicable bar date (including Inc. Entity General Unsecured Claims filed after the Inc. Entity General Unsecured Claims Bar Date), shall be deemed disallowed and expunged in their entirety without further order of the Bankruptcy Court or any action being required on the part of the LP Debtors unless the Person wishing to file such untimely Claim has received Bankruptcy Court authority to do so. Notwithstanding any authority to the contrary, an objection to a Claim shall be deemed properly served on the claimant if the objecting party effects service in any of the following manners: (i) in accordance with Federal Rule of Civil Procedure 4, as modified and made applicable by Bankruptcy Rule 7004; (ii) by first class mail, postage prepaid, on the signatory on the Proof of Claim as well as all other representatives identified in the Proof of Claim or any attachment thereto; or (iii) if counsel has agreed to or is otherwise deemed to accept service, by first class mail, postage prepaid, on any counsel that has appeared on the claimant's behalf in the Chapter 11 Cases (so long as such appearance has not been subsequently withdrawn).

2. Amendment to Claims

Except with respect to Administrative Expense Claims and Fee Claims, from and after the Effective Date, no Claim may be filed to increase or assert additional Claims not reflected in an already filed Claim (or Claim scheduled, unless superseded by a filed Claim, on the applicable LP Debtor's Schedules) asserted by such claimant and any such Claim shall be deemed disallowed and expunged in its entirety without further order of the Bankruptcy Court or any action being required on the part of the LP Debtors unless the claimant has obtained the Bankruptcy Court's prior approval to file such amended or increased Claim.

3. Settlement of Claims and Causes of Action

Notwithstanding any requirements that may be imposed pursuant to Bankruptcy Rule 9019, from and after the Effective Date, the LP Debtors shall have authority to settle or compromise all Claims (to the extent not previously compromised, settled and released under the Plan) without further review or approval of the Bankruptcy Court; provided, that notwithstanding the foregoing, the LP Debtors may not settle or compromise any Inc. Entity General Unsecured Claim without approval of the Bankruptcy Court, which the LP Debtors may seek on fourteen (14) calendar days' notice to the Ad Hoc LP Secured Group and Plan Sponsors.

4. Estimation of Claims

The LP Debtors (or any of them, as applicable) may at any time request that the Bankruptcy Court estimate any Disputed Claim pursuant to section 502(c) of the Bankruptcy Code regardless of whether the LP Debtors (or any of them, as applicable) has previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any Disputed Claim, that estimated amount shall constitute the allowed amount of such Claim for all purposes under the Plan except with respect to Plan Distributions, and with respect to Plan Distributions, the estimated amount shall constitute the maximum allowed amount of such Claim. All of the objection, estimation, settlement, and resolution procedures set forth in the Plan are cumulative and not necessarily exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn or resolved by any mechanism approved by the Bankruptcy Court.

5. Claims Reserves

a. *No Plan Distributions Pending Allowance*

Except as provided in Section 9.5 of the Plan, Disputed Claims shall not be entitled to any Plan Distributions unless and until such Claims become Allowed Claims.

b. *Unclassified Claims Reserve*

On the Funding Date or as soon thereafter as is reasonably practicable, the LP Debtors shall set aside and reserve, for the benefit of each holder of a Disputed Claim that is an Administrative Claim or Priority Tax Claim, Plan Consideration in the form of Cash in an

amount equal to (i) the amount of such Claim as estimated by the Bankruptcy Court pursuant to an Estimation Order, (ii) if no Estimation Order has been entered with respect to such Claim, the amount in which such Disputed Claim is proposed to be allowed in any pending objection filed with respect to such Claim, or (iii) if no Estimation Order has been entered with respect to such Claim, and no objection to such Claim is pending on the Effective Date, the greater of (A) the amount listed in the Schedules and (B) the amount set forth in such timely filed Proof of Claim or application for payment filed with the Bankruptcy Court or Claims Agent. In addition, on the Funding Date or as soon thereafter as is reasonably practicable, the LP Debtors shall set aside and reserve, for the benefit of each holder of an Administrative Claim (including a Fee Claim) that has been or may be incurred prior to the Effective Date and has not been paid by the LP Debtors. Plan Consideration in the form of Cash in an amount equal to such Administrative Claim (based on the Plan Sponsors' best estimate of the allowable amount of such Claim). To the extent that amounts deposited in the reserve established pursuant to Section 9.5(b) of the Plan are insufficient to pay any Allowed Administrative Claim or Allowed Priority Tax Claim, the LP Debtors may withdraw Cash from the Wind Down Reserve to pay such Allowed Claims. For the avoidance of doubt, the Cash reserved pursuant to Section 9.5(b) of the Plan shall not be used to provide funding for the LP Debtors' working capital needs (*i.e.*, operating expenditures and capital expenditures) on and after the Funding Date, which obligations shall be the responsibility of the Purchaser pursuant to, and subject in all respect to the terms of, the Asset Purchase Agreement.

c. Disputed LP Other Priority Claims and Disputed LP Other Secured Claims Reserve

On the Funding Date or as soon thereafter as is reasonably practicable, the LP Debtors shall set aside and reserve, for the benefit of each holder of a Disputed Claim that is a LP Other Priority Claim or LP Other Secured Claim, Plan Consideration in the form of Cash in an amount equal to (i) the amount of such Claim as estimated by the Bankruptcy Court pursuant to an Estimation Order, (ii), if no Estimation Order has been entered with respect to such Claim, the amount in which such Disputed Claim is proposed to be allowed in any pending objection filed with respect to such Claim, or (iii), if no Estimation Order has been entered with respect to such Claim, and no objection to such Claim is pending on the Effective Date, the greater of (A) the amount listed in the Schedules and (B) the amount set forth in a timely filed Proof of Claim or application for payment filed with the Bankruptcy Court or Claims Agent. To the extent that amounts deposited in the reserve established pursuant to Section 9.5(c) of the Plan are insufficient to pay any Allowed LP Other Priority Claim or Allowed LP Other Secured Claim, the LP Debtors may withdraw Cash from the Wind Down Reserve to pay such Allowed Claims.

d. Disputed LP General Unsecured Claims Reserve

On the Effective Date or as soon thereafter as is reasonably practicable, the LP Debtors shall set aside and reserve, for the benefit of each holder of a Disputed Claim that is an LP General Unsecured Claim, Plan Consideration in an amount equal to (i) the LP General Unsecured Claims Distribution minus the amount of Allowed LP General Unsecured Claims as of the Funding Date, or (ii) such other amount as may be ordered by the Bankruptcy Court on or prior to the Confirmation Date. Further, so long as the Allowed Prepetition LP Facility Claims have been paid in full on the Effective Date as set forth in Section 5.3 of the Plan, and only to the

extent the aggregate amount of Disputed LP General Unsecured Claims (as calculated under the Plan) exceeds the Cash set aside and reserved pursuant to the first sentence of Section 9.5(d) of the Plan, the LP Debtors shall, on the Funding Date or as soon thereafter as is reasonably practicable, set aside and reserve, for the benefit of each holder of a Disputed LP General Unsecured Claim, Cash in an amount equal to (i) the amount of such Claim as estimated by the Bankruptcy Court pursuant to an Estimation Order, (ii) if no Estimation Order has been entered with respect to such Claim, the amount in which such Disputed Claim is proposed to be allowed in any pending objection filed by the LP Debtors, or (iii) if no Estimation Order has been entered with respect to such Claim, and no objection to such Claim is pending on the Effective Date, the greater of (A) the amount listed in the Schedules and (B) the amount set forth in a timely filed Proof of Claim or application for payment filed with the Bankruptcy Court or Claims Agent.

e. Plan Distributions to Holders of Subsequently Allowed Claims

On each Plan Distribution Date (or such earlier date as determined by the LP Debtors or the Disbursing Agent in their sole discretion but subject to Section 9.5 of the Plan), the Disbursing Agent will make Plan Distributions from the applicable Disputed Claims Reserve on account of any Disputed Claim that has become an Allowed Claim since the occurrence of the previous Plan Distribution Date. The Disbursing Agent shall distribute from the applicable Disputed Claims Reserve in respect of such newly Allowed Claims the Plan Distributions to which holders of such Claims would have been entitled under the Plan if such newly Allowed Claims were fully or partially Allowed, as the case may be, on the Effective Date, less direct and actual expenses, fees, or other direct costs of maintaining Cash on account of such Disputed Claims.

f. Distribution from Disputed Claims Reserves Upon Disallowance

Except as otherwise provided in the Plan, to the extent any Disputed Claim has become a Disallowed Claim in full or in part (in accordance with the procedures set forth in the Plan), any Cash held in any Disputed Claim Reserve by the LP Debtors on account of, or to pay, such Disputed Claim shall revert to the Distribution Account and be distributed to holders of Allowed Claims or Allowed Equity Interests in accordance with Article V of the Plan.

6. No Recourse

Notwithstanding that the allowed amount of any particular Disputed Claim is (a) reconsidered under the applicable provisions of the Bankruptcy Code and Bankruptcy Rules or (b) allowed in an amount for which, after application of the payment priorities established by the Plan, there is insufficient value to provide a recovery equal to that received by other holders of Allowed Claims or Allowed Equity Interests in the respective Class, no Claim or Equity Interest holder shall have recourse against the Disbursing Agent, the LP Debtors, the Purchaser (and, if applicable, the Alternative Purchaser) or any of their respective professionals, consultants, officers, directors, employees or members or their successors or assigns, or any of their respective property. However, nothing in the Plan shall modify any right of a holder of a Claim under section 502(j) of the Bankruptcy Code, nor shall it modify or limit the ability of claimants (if any) to seek disgorgement to remedy any unequal distribution from parties other than those released under Section 9.6 of the Plan. For the avoidance of doubt, and notwithstanding

anything to the contrary herein, except as expressly provided in the Asset Purchase Agreement, the Purchaser (and, if applicable, the Alternative Purchaser) shall not be liable for the payment of any Administrative Claims (including Fee Claims) accrued or incurred prior to the Effective Date under any circumstances, including in the event that the reserve for such claims established under Section 9.5(b) of the Plan is insufficient to pay such Administrative Claims in full as provided in Section 3.2 of the Plan. The estimation of Claims and the establishment of reserves under the Plan may limit the distribution to be made on individual Disputed Claims and other Claims contemplated to be paid from the reserves established under Section 9.5 of the Plan, regardless of the amount finally allowed on account of such Claims.

H. Treatment of Executory Contracts and Unexpired Leases

1. General Treatment

On the Effective Date, all executory contracts and unexpired leases of each of the LP Debtors shall be deemed to be rejected by the applicable LP Debtor pursuant to the provisions of section 365 of the Bankruptcy Code, except: (i) any executory contract or unexpired lease that has previously has been assumed, assumed and assigned, or rejected pursuant to a Final Order of the Bankruptcy Court; (ii) any executory contract or unexpired lease that is designated specifically or by category as a contract or lease to be assumed or assumed and assigned on the Schedule of Assumed Executory Contracts and Unexpired Leases; (iii) any executory contract or unexpired lease that is the subject of a separate motion to assume and assign to a Person other than the Purchaser (or, if applicable, the Alternative Purchaser) or to reject under section 365 of the Bankruptcy Code pending on the Effective Date; and (iv) any executory contract or unexpired lease that is the subject of a pending Cure Dispute as of the Effective Date for which the applicable LP Debtor makes a motion to reject such contract or lease based upon the existence of such dispute filed at any time. Listing a contract or lease in the Schedule of Assumed Executory Contracts and Unexpired Leases shall not constitute an admission by the applicable LP Debtor that the applicable LP Debtor has any liability thereunder.

No later than the applicable deadline set forth in the Bid Procedures Order, the LP Debtors shall file with the Bankruptcy Court and serve upon the counterparties to the executory contracts and unexpired leases anticipated to be listed on the Schedule of Assumed Executory Contracts and Unexpired Leases, the Contract and Lease Counterparties Notice regarding the proposed assumption, or assumption and assignment and the proposed Cure Costs in connection therewith. The inclusion of any executory contract or unexpired lease on any version of the Contract and Lease Counterparties Notice or Schedule of Assumed Executory Contracts and Unexpired Leases at any time prior to the Effective Date does not ultimately establish that such contract or lease shall be assumed, or assumed and assigned, and the Contract and Lease Counterparties Notice and Scheduled of Assumed Executory Contracts and Unexpired Leases may be altered, amended, modified, or supplemented at any time prior to the Effective Date to remove any contract or lease therefrom in accordance with the Bankruptcy Code and applicable orders of the Bankruptcy Court.

At the Confirmation Hearing, only those executory contracts or unexpired leases (and the corresponding Cure Costs) listed on the Schedule of Assumed Executory Contracts and Unexpired Leases that have been selected to be assumed by the LP Debtors or assumed and

assigned to the Purchaser (or, if applicable, the Alternative Purchaser) at the Auction shall be the contracts and leases subject to approval by the Court.

To the extent that an executory contract or unexpired lease is a Designated Contract, any such Designated Contract will be assumed by the LP Debtors, as applicable, on the Effective Date and assigned by the LP Debtors to the Purchaser (or, if applicable, the Alternative Purchaser) at the Closing. Each executory contract or unexpired lease assumed pursuant to the Plan or by Bankruptcy Court order, but not assigned to a third party before the Effective Date, shall revest in and be fully enforceable by the applicable contracting LP Debtor in accordance with its terms, except as such terms may have been modified by the Plan or such order.

Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of the rejection of the executory contracts and unexpired leases as set forth in Section 10.1(a) of the Plan, subject to the occurrence of the Effective Date, pursuant to section 365(a) of the Bankruptcy Code, and a finding by the Bankruptcy Court that each such rejected agreement, executory contract or unexpired lease is burdensome and that the rejection thereof is in the best interests of the LP Debtors and their Estates.

Entry of the Confirmation Order shall, subject to the occurrence of the Effective Date, constitute the approval, pursuant to sections 365(a) and 1123(b) of the Bankruptcy Code, of: (i) subject to Section 10.3(e) of the Plan, the assumptions and assignments of executory contracts and unexpired leases set forth in the Schedule of Assumed Executory Contracts and Unexpired Leases; and (ii) the assumption and assignment of the Designated Contracts pursuant to Section 10.1(d) of the Plan.

Neither the exclusion nor inclusion of any contract or lease on the Schedule of Assumed Executory Contracts and Unexpired Leases or the Contract and Lease Counterparties Notice or anything else contained in the Plan shall constitute an admission that any such contract or lease is or is not, in fact, an executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code.

2. Claims Based on Rejection of Executory Contracts or Unexpired Leases

All Claims arising from the rejection of executory contracts or unexpired leases, if any, will be treated as LP General Unsecured Claims. Upon receipt by the holder of any such Claim of its applicable Plan Distribution pursuant to Section 5.4 of the Plan, such Claim shall be discharged on the Effective Date, and shall not be enforceable against the LP Debtors, the Purchaser (and, if applicable, the Alternative Purchaser, subject to Section 10.3(e) of the Plan) or their respective properties or interests in property (and shall not, for the avoidance of doubt, constitute Assumed Liabilities).

Each Person who is a party to a contract or lease rejected under the Plan must file with the Bankruptcy Court and serve on the LP Debtors, not later than thirty (30) days after the Confirmation Date (or, for any contract or lease that is not rejected as of the Confirmation Date but is rejected thereafter, 30 days after the effective date of such rejection), a Proof of Claim for damages alleged to arise from the rejection of the applicable contract or lease or be forever barred from filing a Claim, or sharing in distributions under the Plan, related to such alleged rejection damages.

3. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases

In accordance with Section 10.1(b) of the Plan, no later than the applicable deadline set forth in the Bid Procedures Order, the LP Debtors shall file with the Bankruptcy Court and serve upon the counterparties to the executory contracts and unexpired leases that are anticipated to be assumed or assigned, a Contract and Lease Counterparties Notice. The Contract and Lease Counterparties Notices will (i) list the applicable Cure Costs, if any, for each executory contract and unexpired lease listed therein, (ii) describe the procedures for filing objections to the proposed assumption, or assumption and assignment, or Cure Costs, and (iii) explain the process by which related disputes shall be resolved by the Bankruptcy Court. If the LP Debtors identify additional executory contracts and unexpired leases that might be assumed by the LP Debtors, the LP Debtors will promptly send a Contract and Lease Counterparties Notice to the counterparties to any such contracts or leases.

Except to the extent that less favorable treatment has been agreed to by the non-LP Debtor party or parties to each such executory contract or lease, monetary defaults arising under each executory contract and lease to be assumed, or assumed and assigned, pursuant to the Plan shall be cured, in accordance with section 365(b)(1) of the Bankruptcy Code, on or prior to the Closing of the LP Sale by (i) the payment of the undisputed Cure Costs and/or (ii) establishment of a reserve with respect to any disputed Cure Costs. The party responsible for paying the Cure Costs shall be set forth in the Asset Purchase Agreement.

Any party that fails to object to the applicable Cure Cost listed on the Contract and Lease Counterparties Notice or the Schedule of Assumed Executory Contracts and Unexpired Leases, or the assumption of the applicable executory contract or unexpired lease, by the deadlines set forth in the Bid Procedures Order, (i) shall be forever barred, estopped and enjoined from (x) disputing the Cure Cost relating to any executory contract or unexpired lease set forth on the Contract and Lease Counterparties Notices or Schedule of Assumed Executory Contracts and Unexpired Leases, and (y) asserting any Claim against the applicable LP Debtor arising under section 365(b)(1) of the Bankruptcy Code other than as set forth on the Contract and Lease; and (ii) subject to Section 10.3(e) of the Plan, shall be deemed to have consented to the assumption and assignment of such executory contract and unexpired lease and shall be forever barred and estopped from asserting or claiming against the LP Debtors, the Purchaser or any other assignee of the relevant executory contract or unexpired lease (including, if applicable, the Alternative Purchaser) that any additional amounts are due or defaults exist, or conditions to assumption and assignment of such executory contract or unexpired lease must be satisfied (pursuant to section 365(b)(1) of the Bankruptcy Code or otherwise). Any objection relating to the Cure Cost shall specify the Cure Cost proposed by the counterparty to the applicable contract or lease.

In the event of a dispute (each, a "Cure Dispute") regarding: (i) any Cure Cost; (ii) the ability of the LP Debtors or the Purchaser to demonstrate "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under any contract or lease to be assumed; or (iii) any other matter pertaining to the proposed assumption, the cure payments required by section 365(b)(1) of the Bankruptcy Code shall be made at the times set forth in Section 10.3(b) of the Plan following the entry of a Final Order resolving such Cure Dispute and approving the assumption. To the extent a Cure Dispute relates solely to a Cure Cost, the applicable LP Debtor may assume and assign the applicable contract or lease prior to the resolution of the Cure Dispute provided that a reserve is established containing Cash in an

amount sufficient to pay the full amount asserted as cure payment by the non-LP Debtor party to such contract or lease (or such smaller amount as may be fixed or estimated by the Bankruptcy Court). To the extent the Cure Dispute is resolved or determined unfavorably to the LP Debtors, the LP Debtors may, subject to the terms and conditions of the Asset Purchase Agreement, reject the applicable executory contract or unexpired lease after such determination. Any Cure Disputes not consensually resolved prior to the Confirmation Hearing shall be heard at the Confirmation Hearing (or such other hearing as requested by the LP Debtors and determined appropriate by the Bankruptcy Court), including any disputed Cure Costs or objections to assumption and assignment, and/or objections to the adequacy of assurance of future performance being provided.

Notwithstanding anything to the contrary in the Plan, in the event that there is an Alternative Sale under the Asset Purchase Agreement, (i) the assumption and assignment of any executory contract or unexpired lease to the Alternative Purchaser shall be subject to further approval by the Bankruptcy Court, which approval the LP Debtors may seek on no less than fourteen (14) calendar days' notice, and (ii) counterparties to any executory contract or unexpired lease proposed to be assumed and assigned to such Alternative Purchaser shall be entitled to object to such proposed assumption and assignment on the grounds that the LP Debtors or such Alternative Purchaser are unable to demonstrate "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code), but not on any other grounds.

4. Compensation and Benefit Programs

For the avoidance of doubt, all employment and severance policies, and all compensation and benefit plans, policies, and programs of the LP Debtors applicable to their respective employees, retirees and non-employee directors including, without limitation, all savings plans, retirement plans, healthcare plans, disability plans, severance benefit plans, incentive plans, and life, accidental death and dismemberment insurance plans are treated as executory contracts under the Plan and on the Effective Date will be rejected as set forth in Section 10.1 of the Plan unless any of the foregoing is an Acquired Asset and the counterparty thereto receives a Contract and Lease Counterparties Notice, in which case the same shall be assumed and assigned to the Purchaser (or, if applicable, the Alternative Purchaser) pursuant to the Asset Purchase Agreement and in accordance with sections 365 and 1123 of the Bankruptcy Code.

I. **Conditions Precedent to Confirmation of the Plan and the Occurrence of the Effective Date**

1. Conditions Precedent to Confirmation

The following are conditions precedent to confirmation of the Plan: (a) the Bankruptcy Court shall have entered the Disclosure Statement Order and the Bid Procedures Order, and the Canadian Court shall have entered the Disclosure Statement Recognition Order and the Bid Procedures Recognition Order; (b) the Auction shall have been completed; and (c) the Bankruptcy Court shall have entered the Confirmation Order, which shall, among other things, approve the LP Sale if not approved by a separate order of the Bankruptcy Court

2. Conditions Precedent to the Occurrence of the Effective Date

The following are conditions precedent to the occurrence of the Effective Date: (a) each of the Confirmation Order and the Confirmation Recognition Order shall have become a Final Order; (b) the Plan Documents shall have been executed and delivered, and any conditions (other than the occurrence of the Effective Date or certification by an LP Debtor that the Effective Date has occurred) contained therein shall have been satisfied or waived in accordance therewith; (c) the Funding and Closing each shall have occurred in accordance with the terms and conditions of the Asset Purchase Agreement; (d) the Allowed Prepetition LP Facility Claims shall have been satisfied as set forth in Section 5.3 of the Plan; and (e) the LP Debtors shall have been paid in full, in Cash, all undisputed Ad Hoc LP Secured Group Fee Claims.

3. Waiver of Conditions

The Plan Sponsors may waive, without further order of the Bankruptcy Court, any one or more of the conditions set forth in Article XI of the Plan. Further, the stay of the Confirmation Order, pursuant to Bankruptcy Rule 3020(e), shall be deemed waived by the Confirmation Order.

4. Effect of Non-Occurrence of the Funding Date

If all of the conditions precedent to the occurrence of the Funding Date have not been satisfied or duly waived (as provided in Section 11.3 of the Plan) on or before the first Business Day that is more than sixty (60) days after the Confirmation Date, or by such later date as set forth by the Plan Sponsors in a notice filed with the Bankruptcy Court prior to the expiration of such period, then the Plan Sponsors may file a motion to vacate the Confirmation Order before all of the conditions have been satisfied or duly waived. It is further provided that notwithstanding the filing of such a motion, the Confirmation Order shall not be vacated if all of the conditions precedent to the Funding Date set forth in the Asset Purchase Agreement are either satisfied or duly waived before the Bankruptcy Court enters an order granting the relief requested in such motion. If the Confirmation Order is vacated pursuant to Section 11.4 of the Plan, the Plan shall be null and void in all respects, the Confirmation Order shall be of no further force or effect, no distributions under the Plan shall be made, the LP Debtors and all holders of Claims and Equity Interests in the LP Debtors shall be restored to the status quo ante as of the day immediately preceding the Confirmation Date as though the Confirmation Date had never occurred, and upon such occurrence, nothing contained in the Plan shall: (a) constitute a waiver or release of any Claims against or Equity Interests in the LP Debtors; (b) prejudice in any manner the rights of the holder of any Claim against or Equity Interest in the LP Debtors; or (c) constitute an admission, acknowledgment, offer or undertaking by any LP Debtor or any other Person with respect to any matter set forth in the Plan.

J. Retention of Jurisdiction

Pursuant to sections 105(a) and 1142 of the Bankruptcy Code, the Bankruptcy Court shall retain and shall have exclusive jurisdiction, pursuant to 28 U.S.C. §§ 1334 and 157, over any matter, other than Avoidance Actions (excluding any Avoidance Actions that are Acquired Assets under the Asset Purchase Agreement) over which the Bankruptcy Court shall have

concurrent jurisdiction, (a) arising under the Bankruptcy Code, (b) arising in or related to the Chapter 11 Cases of the LP Debtors, or the Plan, or (c) that relates to the following:

(i) To determine any and all adversary proceedings, applications, motions, and contested or litigated matters that may be pending on the Effective Date or that, pursuant to the Plan, may be instituted by the LP Debtors after the Effective Date;

(ii) To hear and determine any objections to the allowance of Claims, whether filed, asserted, or made before or after the Effective Date, including, without express or implied limitation, to hear and determine any objections to the classification of any Claim and to allow, disallow or estimate any Disputed Claim in whole or in part;

(iii) To ensure that distributions to holders of Allowed Claims or Allowed Equity Interests are accomplished as provided in the Plan;

(iv) To consider Claims or the allowance, classification, priority, compromise, estimation, or payment of any Claim, including any Administrative Claim;

(v) To consider Equity Interests or the allowance, compromise or distributions on account of any Equity Interest;

(vi) To enter, implement, or enforce such orders as may be appropriate in the event the Confirmation Order is for any reason stayed, reversed, revoked, modified or vacated;

(vii) To issue such orders in aid of execution of the Plan to the extent authorized or contemplated by section 1142 of the Bankruptcy Code;

(viii) To consider any modifications of the Plan, remedy any defect or omission, or reconcile any inconsistency in any order of the Bankruptcy Court, including, without limitation, the Confirmation Order;

(ix) To hear and determine all Fee Applications;

(x) To resolve disputes concerning any reserves with respect to Disputed Claims or the administration thereof;

(xi) To hear and determine all controversies, suits and disputes that may relate to, impact upon, or arise in connection with the LP Sale or its interpretation, implementation, enforcement or consummation (subject to the terms thereof);

(xii) To recover all Assets of the LP Debtors and property of the Estates, wherever located (other than any Acquired Assets, after the occurrence of the Closing of the LP Sale);

(xiii) To hear and determine all controversies, suits and disputes that may relate to, impact upon or arise in connection with the Plan, the Plan Documents or the interpretation, implementation, enforcement or consummation thereof;

(xiv) To hear and determine all controversies, suits and disputes that may relate to, impact upon, or arise in connection with the Confirmation Order (and all exhibits to the Plan) or the interpretation, implementation, enforcement or consummation thereof;

(xv) To the extent that Bankruptcy Court approval is required and to the extent not released pursuant to the Plan, to consider and act on the compromise and settlement of any Claim by, on behalf of, or against the LP Debtors or their Estates;

(xvi) To hear and determine such other matters that may be set forth in the Plan, or the Confirmation Order, or that may arise in connection with the Plan or the Confirmation Order;

(xvii) To hear and determine matters concerning state, local and federal taxes, fines, penalties or additions to taxes for which the LP Debtors may be liable, directly or indirectly;

(xviii) To hear and determine all controversies, suits and disputes that may relate to, impact upon, or arise in connection with any setoff and/or recoupment rights of the LP Debtors or any Person under the Plan;

(xix) To hear and determine all controversies, suits, and disputes that may relate to, impact upon, or arise in connection with Causes of Action of the LP Debtors (including Avoidance Actions) commenced by the LP Debtors or any third parties, as applicable, before or after the Effective Date, except to the extent such Causes of Action are compromised, settled and released under the Plan or constitute Acquired Assets under the Asset Purchase Agreement;

(xx) To hear and determine all controversies, suits, or disputes that may arise in relation to the rights and obligations of the Disbursing Agent;

(xxi) To enter an order or final decree closing the Chapter 11 Case of any LP Debtor;

(xxii) In the event of an Alternative Sale, to determine whether the assignment of any Designated Contract to the Alternative Purchaser satisfies the requirement of section 365 of the Bankruptcy Code of "adequate assurance of future performance" and provide such other authorizations and approvals as may be reasonably necessary to consummate an Alternative Sale;

(xxiii) To issue injunctions, enter and implement other orders or take such other actions as may be necessary or appropriate to restrain interference by any Person with consummation, implementation or enforcement of the Plan or the Confirmation Order; and

(xxiv) To hear and determine any other matters related thereto and not inconsistent with chapter 11 of the Bankruptcy Code.

K. Miscellaneous Provisions

1. Releases

For good and valuable consideration, the adequacy of which is confirmed in the Plan, and except as otherwise provided in the Plan or the Confirmation Order, as of the Effective Date, the LP Debtors, in their individual capacities and as debtors in possession shall be deemed to forever release, waive and discharge all claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action and liabilities (other than the rights of the LP Debtors to enforce the Plan, the contracts, instruments, releases, indentures and other agreements or documents delivered thereunder and the Asset Purchase Agreement) against the Released Parties, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, in law, equity or otherwise that are based in whole or in part on any act, omission, transaction, event or other occurrence taking place on or prior to the Effective Date in any way relating to the LP Debtors, the parties released pursuant to Section 13.1 of the Plan, the Chapter 11 Cases, the Plan or the Disclosure Statement, and that could have been asserted by or on behalf of the LP Debtors or their Estates, whether directly, indirectly, derivatively or in any representative or any other capacity.

Except as otherwise provided in the Plan or the Confirmation Order, on the Effective Date: (i) each of the Released Parties; (ii) each holder of a Claim or Equity Interest voting to accept the Plan or conclusively presumed to accept the Plan; (iii) each holder of a Claim or Equity Interest abstaining from voting to accept the Plan, unless such abstaining holder checks the box on the applicable Ballot indicating that such holder opts not to grant the releases provided in Section 13.1 of the Plan; and (iv) to the fullest extent permissible under applicable law, as such law may be extended or interpreted subsequent to the Effective Date, all holders of Claims and Equity Interests, in consideration for the obligations of the LP Debtors under the Plan and the other contracts, instruments, releases, agreements or documents executed and delivered in connection with the Plan, and each Person (other than the LP Debtors) that has held, holds or may hold a Claim or Equity Interest, as applicable, will be deemed to have consented to the Plan for all purposes and the restructuring embodied in the Plan and deemed to forever release, waive and discharge all claims, demands, debts, rights, Causes of Action or liabilities (other than the right to enforce the obligations of any party under the Plan and the contracts, instruments, releases, agreements and documents delivered under or in connection with the Plan, including, without limitation, the Asset Purchase Agreement) against the Released Parties, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, in law, equity or otherwise that are based in whole or in part on any act or omission, transaction, event or other occurrence taking place on or prior to the Effective Date in any way relating to the LP Debtors, the LP Debtors' Chapter 11 Cases, the LP Sale, the transactions contemplated by the Asset Purchase Agreement, the Plan or the Disclosure Statement.

Notwithstanding anything to the contrary contained in the Plan: (i) except to the extent permissible under applicable law, as such law may be extended or interpreted subsequent to the Effective Date, the releases provided for in Section 13.1 of the Plan shall

not release any LP Debtor from any liability arising under (x) the Internal Revenue Code or any state, city or municipal tax code, or (y) any criminal laws of the United States or any state, city or municipality; and (ii) the releases set forth in Section 13.1 of the Plan shall not release any (x) LP Debtor's claims, rights, or Causes of Action for money borrowed from or owed to an LP Debtor or its subsidiary by any of its directors, officers or former employees, as set forth in such LP Debtor's or subsidiary's books and records, (y) any claims against any Person to the extent such Person asserts a crossclaim, counterclaim and/or claim for setoff which seeks affirmative relief against an LP Debtor or any of its officers, directors, or representatives, and (z) claims against any Person arising from or relating to such Person's fraud, gross negligence or willful misconduct, each as determined by a Final Order of the Bankruptcy Court.

Notwithstanding anything to the contrary contained in the Plan, nothing therein: (i) discharges, releases, or precludes any (x) environmental liability that is not a Claim; (y) environmental claim of the United States that first arises on or after the Confirmation Date, or (z) other environmental claim or environmental liability that is not otherwise dischargeable under the Bankruptcy Code; (ii) releases the LP Debtors from any environmental liability that an LP Debtor may have as an owner or operator of real property owned or operated by an LP Debtor on or after the Confirmation Date; (iii) releases or precludes any environmental liability to the United States on the part of any Persons other than the LP Debtors; or (iv) enjoins the United States from asserting or enforcing any liability described in this paragraph.

2. Exculpation and Limitation of Liability

None of the Released Parties shall have or incur any liability to any holder of any Claim or Equity Interest or any other party in interest, or any of their respective agents, employees, representatives, financial advisors, attorneys, or agents acting in such capacity, or affiliates, or any of their successors or assigns, for any act or omission in connection with, or arising out of, the LP Debtors' Chapter 11 Cases, the Asset Purchase Agreement, the Disclosure Statement, the solicitation of votes for and the pursuit of confirmation of the Plan, the consummation of the Plan, or the implementation or administration of the Plan, the transactions contemplated by the Plan, or the property to be distributed under the Plan, including, without limitation, all documents ancillary thereto, all decisions, actions, inactions and alleged negligence or misconduct relating thereto, and all prepetition activities leading to the promulgation and confirmation of the Plan, except for fraud, willful misconduct or gross negligence as finally determined by a Final Order of the Bankruptcy Court, and, in all respects, the Released Parties shall be entitled to rely upon the advice of counsel and all information provided by other exculpated Persons herein without any duty to investigate the veracity or accuracy of such information with respect to their duties and responsibilities under the Plan.

3. Injunctions

(a) Except as otherwise provided in the Plan or the Confirmation Order, as of the Confirmation Date, but subject to the occurrence of the Effective Date, all Persons who have held, hold or may hold Claims against or Equity Interests in the LP Debtors or their Estates shall be, with respect to any such Claims or Equity Interests, permanently enjoined

after the Confirmation Date from: (i) commencing, conducting, or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind (including, without limitation, any proceeding in a judicial, arbitral, administrative or other forum) against or affecting the LP Debtors, their Estates or any of their property, or any direct or indirect transferee of any property of, or direct or indirect successor in interest to, any of the foregoing Persons or any property of any such transferee or successor; (ii) enforcing, levying, attaching (including, without limitation, any pre-judgment attachment), collecting or otherwise recovering by any manner or means, whether directly or indirectly, any judgment, award, decree or order against the LP Debtors, or their Estates or any of their property, or any direct or indirect transferee of any property of, or direct or indirect successor in interest to, any of the foregoing Persons, or any property of any such transferee or successor; (iii) creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind against the LP Debtors, or their Estates or any of their property, or any direct or indirect transferee of any property of, or successor in interest to, any of the foregoing Persons; (iv) acting or proceeding in any manner, in any place whatsoever, that does not conform to or comply with the provisions of the Plan to the full extent permitted by applicable law; and (v) commencing or continuing, in any manner or in any place, any action that does not comply with or is inconsistent with the provisions of the Plan; provided, however, that nothing contained in the Plan shall preclude such Persons from exercising their rights, or obtaining benefits, pursuant to and consistent with the terms of the Plan; and provided, further, that nothing contained in the Plan shall preclude the Purchaser from exercising any rights and remedies under the Asset Purchase Agreement.

(b) By accepting distributions pursuant to the Plan, each holder of an Allowed Claim or Equity Interest will be deemed to have specifically consented to the injunctions set forth in Section 13.3 of the Plan.

(c) The Confirmation Order shall permanently enjoin the commencement or prosecution by any Person, whether directly, derivatively or otherwise, of any claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action or liabilities released pursuant to the Plan, including but not limited to the Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action or liabilities released in Sections 13.1 and 13.2 of the Plan. Such injunction shall extend to successors of the LP Debtors and their respective properties and interests in property.

4. Substantial Consummation

On the Effective Date, the Plan shall be deemed to be substantially consummated under sections 1101 and 1127(b) of the Bankruptcy Code.

5. Satisfaction of Claims

The rights afforded in the Plan and the treatment of all Claims and Equity Interests therein shall be in exchange for and in complete satisfaction, discharge and release of all Claims against and Equity Interests in, of any nature whatsoever, the LP Debtors and their Estates, Assets, properties and interests in property. Except as otherwise provided in the Plan, on the

Effective Date, all Claims and Equity Interests shall be satisfied, discharged and released in full. Neither the Disbursing Agent nor the Purchaser shall be responsible for any pre-Effective Date obligations of the LP Debtors, except those expressly assumed by the Purchaser (if any) or as otherwise provided in the Plan or the Asset Purchase Agreement. Except as otherwise provided in the Plan, all Persons shall be precluded and forever barred from asserting against the Disbursing Agent or Purchaser, or their successors or assigns, Assets, properties, or interests in property, any event, occurrence, condition, thing, or other or further Claims or Causes of Action based upon any act, omission, transaction, or other activity of any kind or nature that occurred or came into existence prior to the Effective Date in connection with the LP Debtors, whether or not the facts of or legal bases therefor were known or existed on or prior to the Effective Date.

6. Special Provisions Regarding Insured Claims

The Plan Distributions to each holder of an Allowed Insured Claim against the LP Debtors shall be made in accordance with the treatment provided under the Plan for the Class in which such Allowed Insured Claim is classified; except, that there shall be deducted from any Plan Distribution on account of an Insured Claim, for purposes of calculating the allowed amount of such Claim, the amount of any insurance proceeds actually received by such holder in respect of such Allowed Insured Claim. Nothing in Section 13.6 of the Plan shall (i) constitute a waiver of any Claim, right, or Cause of Action that the LP Debtors or their Estates may hold against any Person, including any insurer, or (ii) provide for the allowance of any Insured Claim. Pursuant to section 524(e) of the Bankruptcy Code, nothing in the Plan shall release or discharge any insurer from any obligations to any Person under applicable law or any policy of insurance under which any of the LP Debtors is an insured or a beneficiary.

7. Third Party Agreements; Subordination

Except as otherwise provided in the Plan, the Plan Distributions to the various Classes of Claims and Equity Interests shall not affect the right of any Person to levy, garnish, attach, or employ any other legal process with respect to such Plan Distributions by reason of any claimed subordination rights or otherwise. All such rights and any agreements relating thereto shall remain in full force and effect. The right of the LP Debtors to seek subordination of any Claim or Equity Interest pursuant to section 510 of the Bankruptcy Code is fully reserved, and the treatment afforded any Claim or Equity Interest that becomes a subordinated Claim or Equity Interest at any time shall be modified to reflect such subordination.

8. Status Reports

Following entry of the Confirmation Order, the LP Debtors shall file post-confirmation quarterly status reports with the Bankruptcy Court in accordance with Rule 3021-1 of the Local Bankruptcy Rules for the Southern District of New York and shall meet all Post-Confirmation Operating Report requirements of the U.S. Trustee's Operating Guidelines and Reporting Requirements (unless the Bankruptcy Court orders otherwise).

9. Notices

In order to be effective, all notices, requests, and demands to or upon the LP Debtors, the Special Committee or the Plan Sponsors (or the Ad Hoc LP Secured Group) under the Plan shall

be in writing (including by facsimile transmission) and, unless otherwise provided in the Plan, shall be deemed to have been duly given or made only when actually delivered or, in the case of notice by facsimile transmission, when received and telephonically confirmed, addressed as follows:

10. Headings

The headings used in the Plan are inserted for convenience only, and neither constitute a portion of the Plan nor in any manner affect the construction of the provisions of the Plan.

11. Governing Law

Except to the extent that the Bankruptcy Code or other federal law is applicable, or to the extent a Plan Document or exhibit or schedule to the Plan provides otherwise, the rights, duties, and obligations arising under the Plan and the Plan Documents shall be governed by, and construed and enforced in accordance with, the laws of the state of New York, without giving effect to the principles of conflict of laws thereof.

12. Section 1125(e) of the Bankruptcy Code

The Plan Sponsors have, and upon confirmation of the Plan shall be deemed to have, solicited acceptances of the Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code, and therefore are not and will not be liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan.

13. Inconsistency

In the event of any inconsistency among the Plan, the Disclosure Statement, the Plan Documents, any exhibit to the Plan, or any other instrument or document created or executed pursuant to the Plan, the provisions of the Plan shall govern; provided, that, notwithstanding the foregoing, in the event of any inconsistency among the Asset Purchase Agreement and any other document (including the Plan), the Asset Purchase Agreement shall govern.

14. Avoidance and Recovery Actions

Effective as of the Effective Date, the LP Debtors shall retain under the Plan the right to prosecute any avoidance or recovery actions under sections 544, 547, 548, 549 and 550 of the Bankruptcy Code except for any such actions that are Acquired Assets.

15. Expedited Determination

The LP Debtors are authorized under the Plan to file a request for expedited determination under section 505(b) of the Bankruptcy Code for all tax returns filed with respect to the LP Debtors.

16. Exemption from Transfer Taxes

To the fullest extent permitted by applicable law, all sale transactions consummated by the LP Debtors and approved by the Bankruptcy Court on and after the Confirmation Date through and including the Effective Date, including any transfers effectuated under the Plan, the sale by the LP Debtors of any owned property pursuant to section 1123(b)(4) of the Bankruptcy Code, and any assumption, assignment, and/or sale by the LP Debtors of their interests in unexpired leases of non-residential real property or executory contracts pursuant to section 365(a) of the Bankruptcy Code, shall constitute a "transfer under a plan" within the purview of section 1146 of the Bankruptcy Code, and shall not be subject to any stamp, real estate transfer, mortgage recording, or other similar tax.

17. Notice of Entry of Confirmation Order and Relevant Dates

Promptly upon entry of the Confirmation Order, the LP Debtors shall publish as directed by the Bankruptcy Court and serve on all known parties in interest and holders of Claims and Equity Interests, notice of the entry of the Confirmation Order and all relevant deadlines and dates under the Plan, including, but not limited to, the deadline for filing notice of Administrative Claims, and the deadline for filing rejection damage Claims.

18. Termination of Professionals

On the Effective Date, the engagement of each Professional Person retained by the LP Debtors, if any, shall be terminated without further order of the Bankruptcy Court or act of the parties; provided, however, such Professional Persons shall be entitled to prosecute their respective Fee Claims and represent their respective constituents with respect to applications for payment of such Fee Claims and the LP Debtors shall be responsible for the fees, costs, and expenses associated with the prosecution of such Fee Claims. Nothing in the Plan shall preclude any LP Debtor from engaging a Professional Person on or after the Effective Date in the same capacity as such Professional Person was engaged prior to the Effective Date.

19. Interest and Attorneys' Fees

Interest accrued after the applicable Petition Date will accrue and be paid on Claims only to the extent specifically provided for in the Plan, the Plan Documents, the Confirmation Order, or as otherwise required by the Bankruptcy Court or by applicable law. No award or reimbursement of attorneys' fees or related expenses or disbursements shall be allowed on, or in connection with, any Claim, except as set forth in the Plan or as ordered by the Bankruptcy Court.

20. Amendments

a. *Plan Modifications*

The Plan may be amended, modified, or supplemented by the Plan Sponsors, in the manner provided for by section 1127 of the Bankruptcy Code or as otherwise permitted by law, without additional disclosure pursuant to section 1125 of the Bankruptcy Code, except as otherwise ordered by the Bankruptcy Court. In addition, after the Confirmation Date, so long as such action does not materially and adversely affect the treatment of holders of Allowed Claims and Allowed Equity Interests pursuant to the Plan, the Plan Sponsors, may remedy any defect or omission or reconcile any inconsistencies in the Plan, the Plan Documents and/or the Confirmation Order, with respect to such matters as may be necessary to carry out the purposes and intended effects of the Plan, and any holder of a Claim or Equity Interest that has accepted the Plan shall be deemed to have accepted the Plan as amended, modified, or supplemented.

b. *Other Amendments*

Prior to the Effective Date, the Plan Sponsors may make appropriate technical adjustments and modifications to the Plan without further order or approval of the Bankruptcy Court; provided, however, that, such technical adjustments and modifications do not adversely affect in a material way the treatment of holders of Claims or Equity Interests under the Plan.

21. Revocation or Withdrawal of the Plan

The Plan Sponsors reserve the right to revoke or withdraw the Plan prior to the Effective Date. If the Plan Sponsors revoke or withdraw the Plan prior to the Effective Date as to any or all of the LP Debtors, or if confirmation or consummation as to any or all of the LP Debtors does not occur, then, with respect to such LP Debtors: (a) the Plan shall be null and void in all

respects; (b) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount certain any Claim or Equity Interest or Class of Claims or Equity Interests), assumption, assumption or assignment, or rejection of executory contracts or leases affected by the Plan, and any document or agreement executed pursuant to the Plan shall be deemed null and void; and (c) nothing contained in the Plan shall (i) constitute a waiver or release of any Claims by or against, or any Equity Interests in, such LP Debtors or any other Person, (ii) prejudice in any manner the rights of such LP Debtors or any other Person, or (iii) constitute an admission of any sort by the LP Debtors or any other Person.

22. No Successor Liability

Except as otherwise expressly provided in the Plan or the Asset Purchase Agreement, neither the Purchaser nor any Alternative Purchaser, pursuant to the Plan or otherwise, assumes, agrees to perform, pay or indemnify or otherwise has any responsibilities for any liabilities or obligations of the LP Debtors or any other party relating to or arising out of the operations of or Assets of the LP Debtors, whether arising prior to, on, or after the Effective Date. Neither the Purchaser nor any Alternative Purchaser is, and shall not be a successor to any of the LP Debtors by reason of any theory of law or equity, and neither shall have any successor or transferee liability of any kind or character, except that the Purchaser (or, if applicable, the Alternative Purchaser) shall assume the Assumed Liabilities under the terms and subject to the conditions set forth in the Asset Purchase Agreement.

23. Allocation of Plan Distributions Between Principal and Interest

To the extent that any Allowed Claim entitled to a distribution under the Plan consists of indebtedness and other amounts (such as accrued but unpaid interest thereon), any distribution on account of such Claim shall be allocated first to the principal amount of the Claim (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claim, to such other amounts.

24. Compliance with Tax Requirements

In connection with the Plan, the Disbursing Agent shall comply with all withholding and reporting requirements imposed by federal, state, local, and foreign taxing authorities and all Plan Distributions shall be subject to such withholding and reporting requirements. Notwithstanding the foregoing, each holder of an Allowed Claim that is to receive a Plan Distribution shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any government unit, including income, withholding, and other tax obligations, on account of such Plan Distribution. The Disbursing Agent shall have the right, but not the obligation, to not make a Plan Distribution until such holder has made arrangements satisfactory to the Disbursing Agent for payment of any such tax obligations.

25. Rates

The Plan does not provide for the change of any rate that is within the jurisdiction of any governmental regulatory commission after the occurrence of the Effective Date. Where a Claim has been denominated in foreign currency on a Proof of Claim, the allowed amount of such

Claim shall be calculated in legal tender of the United States based upon the conversion rate in place as of the Petition Date and in accordance with section 502(b) of the Bankruptcy Code.

26. Binding Effect

Except as otherwise provided in section 1141(d)(3) of the Bankruptcy Code and subject to the occurrence of the Effective Date, on and after the Confirmation Date, the provisions of the Plan shall be binding upon the LP Debtors and each holder of any Claim or Equity Interest and inure to the benefit of and be binding on such holder's respective successors and assigns, whether or not the Claim or Equity Interest of such holder is impaired under the Plan and whether or not such holder has accepted the Plan.

27. Successors and Assigns

The rights, benefits and obligations of any Person named or referred to in the Plan shall be binding on, and shall inure to the benefit of, any heir, executor, administrator, successor or assign of such Person.

28. Time

In computing any period of time prescribed or allowed by the Plan, unless otherwise set forth therein or determined by the Bankruptcy Court, the provisions of Bankruptcy Rule 9006 shall apply.

29. Severability

If, prior to the entry of the Confirmation Order, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court, at the request of the Plan Sponsors, shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is valid and enforceable pursuant to its terms.

30. Federal Communications Commission Approvals

Notwithstanding any other provision of the Plan, nothing in the Plan shall be construed to authorize or require any action, and no party shall take any action, that would result in the assignment or transfer of control of any rights or interests of the LP Debtors in any federal license or authorization issued by the FCC prior to the issuance of FCC regulatory approval for such assignment pursuant to the Communications Act of 1934, as amended, and the rules and regulations promulgated thereunder.

31. Reservation of Rights

Except as expressly set forth therein, the Plan shall have no force or effect unless the Bankruptcy Court shall enter the Confirmation Order. None of the filing of the Plan, any statement or provision contained therein, or the taking of any action by the Plan Sponsors or the Stalking Horse Bidder with respect to the Plan shall be or shall be deemed to be, an admission or waiver of any rights of the Plan Sponsors or the Stalking Horse Bidder with respect to any Claims or Equity Interests prior to the Effective Date.

VIII.

RISK FACTORS

The holders of Claims against and Equity Interests in the LP Debtors should read and carefully consider the following factors, as well as the other information set forth in this Disclosure Statement, before deciding whether to vote to accept or reject the Plan.

A. **General Considerations**

The formulation of a plan is a principal purpose of a chapter 11 case. The Plan sets forth the means for satisfying the Claims against and Equity Interests in the LP Debtors. Satisfying Claims against and Equity Interests in the LP Debtors in the manner set forth under the Plan avoids the potentially adverse impact of a protracted and costly reorganization of the LP Debtors.

B. **Certain Bankruptcy Considerations**

1. Parties in Interest May Object to the Plan's Classification of Claims and Equity Interests

Section 1122 of the Bankruptcy Code provides that a plan may place a claim or an interest in a particular class only if such claim or interest is substantially similar to the other claims or interests in such class. The Plan Sponsors believe that the classification of Claims against and Equity Interests in the LP Debtors under the Plan complies with the requirements set forth in the Bankruptcy Code because the Plan Sponsors created Classes of Claims and Equity Interests, each encompassing Claims or Equity Interests, as applicable, that are substantially similar to the other Claims and Equity Interests in each such Class. Nevertheless, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

2. Failure to Satisfy Vote Requirements

If votes are received in number and amount sufficient to enable the Bankruptcy Court to confirm the Plan, the Plan Sponsors intend to seek, as promptly as practicable thereafter, confirmation of the Plan. In the event that sufficient votes are not received, the Plan Sponsors may seek to confirm an alternative chapter 11 plan. There can be no assurance that the terms of any such alternative chapter 11 plan would be similar or as favorable to the holders of Allowed Claims or Allowed Equity Interests as those proposed in the Plan.

3. The Plan Sponsors May Not Be Able Secure Confirmation or Consummation of the Plan

The Plan requires the acceptance of a requisite number of holders of Claims or Equity Interests that are entitled to vote on the Plan, and the approval of the Bankruptcy Court, as described in the section of this Disclosure Statement entitled "Confirmation and Consummation Procedures – Overview." There can be no assurance that such acceptances and approvals will be obtained and therefore, that the Plan will be confirmed.

In addition, confirmation of the Plan and the occurrence of the Effective Date of the Plan are subject to the satisfaction of certain conditions precedent, which are further described in the sections of this Disclosure Statement entitled "The Chapter 11 Plan – Conditions Precedent to Confirmation of the Plan and the Occurrence of the Effective Date" and "The Chapter 11 Plan – Conditions Precedent to the Occurrence of the Effective Date." Although the Plan Sponsors believe that the conditions precedent to the confirmation of the Plan and to the occurrence of the Effective Date of the Plan will be met, there can be no assurance that all such conditions precedent will be satisfied. If any condition precedent is not satisfied or waived pursuant to the Plan, the Plan may not be confirmed or the Effective Date may not occur.

Furthermore, although the Plan Sponsors believe that the Plan will be confirmed and the Effective Date will occur reasonably soon after the Confirmation Date, there can be no assurance as to the timing or as to whether the Effective Date will occur. If the Plan is not confirmed or the Effective Date does not occur, there can be no assurance that any alternative chapter 11 plan would be on terms as favorable to the holders of Claims and Equity Interests as the terms of the Plan. In addition, if a protracted reorganization or liquidation were to occur, there is a substantial risk that holders of Claims and Equity Interests would receive less than they would receive under the Plan. A liquidation analysis prepared by the Debtors with the assistance of their advisors is attached hereto as Exhibit "D" (the "Liquidation Analysis").²⁰

The Plan contemplates consummation of the LP Sale. Although the Bankruptcy Court has already entered the Bid Procedures Order and thereby approved the Bid Procedures, consummation of the LP Sale, and funding of the Purchase Price in connection therewith, may be subject to the prior approval of one or more governmental entities, including the FCC and Industry Canada. The consummation of the LP Sale and Plan may also require filings with respect to and consent, approvals or expiration or termination of any waiting period, required under any United States or foreign antitrust or investment laws which may include the Competition Act (Canada), the Investment Canada Act (Canada), the Hart-Scott-Rodino Antitrust Improvement Act of 1976. Such approvals may be denied, conditioned or delayed and therefore may not be received when required to facilitate the LP Sale and the Plan. The Plan also requires that the Confirmation Order, the Plan, the Plan Documents, and the LP Sale Documents be in form and substance reasonably acceptable to the Plan Sponsors. If the Plan is not confirmed and does not go effective for any reason and an LP Debtor, Inc. Entity or some other

²⁰ The Plan Sponsors take no position as to the accuracy of any of the assumptions, calculations, estimates, statements or anything else included within the Liquidation Analysis.

party in interest decides to prosecute a different plan of reorganization, recoveries to holders of Claims against or Equity Interests in the LP Debtors may be negatively impacted.

If the Plan is confirmed but the Effective Date does not occur, it may become necessary to amend the Plan to provide for alternative treatment of Claims and Equity Interests. There can be no assurance that any such alternative treatment would be on terms as favorable to the holders of Claims and Equity Interests as the treatment provided under the Plan. If any modifications to the Plan are materially adverse to any holders of Claims or Equity Interests, it would be necessary to resolicit votes from holders of such Claims or Equity Interests, which would, at the very least, further delay confirmation and consummation of the Plan, and could jeopardize the consummation of the Plan.

In addition, the Debtors' authorization to use the LP Lenders' Cash Collateral currently expires December 31, 2013. If the Plan is confirmed and the Funding Date does not occur prior to December 31, 2013, then the LP Debtors will need to obtain (i) further consent by the LP Lenders or authorization by the Bankruptcy Court to use Cash Collateral or (ii) an alternative source of financing.

4. Actual Plan Distributions May Be Less than Estimated by the Plan Sponsors for the Purposes of this Disclosure Statement.

The projected distributions and recoveries set forth in this Disclosure Statement are based on the Purchase Price in the Stalking Horse Agreement of \$2.22 billion in Cash plus consideration of the liabilities anticipated to be assumed by the Stalking Horse Bidder plus the Plan Sponsors' estimates of Allowed Claims and Allowed Equity Interests based on public information and information provided to them on a non-confidential basis. The Plan Sponsors project that the Claims and Equity Interests asserted against the LP Debtors will be resolved in and reduced to an amount that approximates the estimates set forth herein. However, there can be no assurance that these estimates will prove accurate. In the event the allowed amounts of such Claims and/or Equity Interests are materially higher than the projected estimates, actual distributions to holders of Allowed Claims and Allowed Equity Interests could be materially less than estimated herein.

5. Nonconsensual Confirmation

In the event that any impaired class of claims or interests does not accept a chapter 11 plan, a bankruptcy court may nevertheless confirm a plan at the proponents' request if at least one impaired class has accepted the plan (with such acceptance being determined without including the vote of any "insider" in such class), and, as to each impaired class that has not accepted the plan, the bankruptcy court determines that the plan "does not discriminate unfairly" and is "fair and equitable" with respect to the dissenting classes. The Plan Sponsors believe that the Plan satisfies these requirements and, in the event any impaired Class of Claims or Equity Interests does not vote to accept the Plan, the Plan Sponsors may request such nonconsensual confirmation in accordance with section 1129(b) of the Bankruptcy Code. Nevertheless, there can be no assurance that the Bankruptcy Court will reach this conclusion. In addition, the pursuit of nonconsensual confirmation of the Plan may result in, among other things, increased administrative expenses as a result of litigation.

6. Parties in Interest May Object to the Amount or Classification of a Claim or Equity Interest

Except as specifically provided in the Plan, the Plan Sponsors reserve the right to object to the amount or classification of any Claim or Equity Interest. Other parties in interest, including LP Debtors, may also object to the amount or classification of any Claim or Equity Interest. The estimates set forth in this Disclosure Statement cannot be relied upon by any holder of a Claim or Equity Interest where such Claim or Equity Interest is or may be subject to an objection. Any holder of a Claim or Equity Interest that is or may be subject to an objection, thus, may not receive its expected share of the estimated distributions described in this Disclosure Statement.

C. Certain Tax Considerations

There are a number of material income tax considerations, risks and uncertainties associated with consummation of the Plan. Holders of Claims and Equity Interests, and other interested parties, should read carefully the discussion set forth in the article of this Disclosure Statement entitled "Certain U.S. Federal Income Tax Consequences" for a discussion of certain U.S. federal income tax consequences of the transactions contemplated under the Plan.

D. Risks Related to the LP Sale

There can be no assurance that the LP Sale will be timely consummated. The Successful Bidder could breach or fail to perform under the Asset Purchase Agreement or conditions to consummation of the Asset Purchase Agreement could fail to be satisfied. In that event, there is no guarantee that another Person will express interest in either (i) acquiring the Acquired Assets or (ii) acquiring the Acquired Assets in an amount equal to or greater than the proposed Purchase Price. Additionally, there can be no assurance that the auction of the LP Debtors' Acquired Assets will result in a bid that is higher or otherwise better than the Stalking Horse Bid. If LBAC is the Successful Bidder, the order approving such of sale shall be in a form acceptable to LBAC and the Plan Sponsors, including a finding that LBAC is a good faith purchaser. The Harbinger Adversary Proceeding, including allegations related to LBAC's bid, if not resolved, are anticipated to be litigated in connection with confirmation of a plan.

E. Risks Related to Business Operations

1. The Company Has No Significant Operations, Revenues, or Operating Cash Flow

The Company has no significant operations or revenues and does not generate significant cash from operations. Moreover, the Company expects to continue to incur significant net losses for the foreseeable future. The Company continues to incur expenses. It is unclear when, or if, the Company will be able to generate sufficient cash from operations to cover its expenses and fund capital expenditures.

2. There Are Risks Associated with Operating Satellites

The Company operates the MSAT 1, MSAT 2, and SkyTerra-1 satellites, exposing the Company to risks inherent in operating satellites. During and after their launch, all satellites are subject to the risk of equipment failures, malfunctions, and other problems. If one of the Company's satellites were to fail prematurely, it could affect the quality of the satellite service and back-up capacity, interrupt the continuation of the Company's satellite service, or result in the loss of the Company's licenses, any of which could materially adversely impact the Company's business, prospects, financial condition, and results of operations.

The Company has obtained in-orbit insurance coverage for SkyTerra-1 and intends to maintain such in-orbit coverage in the future and to obtain such coverage for SkyTerra-2 once launched. It has obtained insurance containing customary satellite insurance exclusions and/or deductibles. The Company is not insuring against business interruption, lost revenues, or delay of revenues in the event of a total or partial loss of the communications capacity or life of its satellites. Additionally, the Company no longer insures the two MSAT satellites, as they have reached the end of their contractual life or have been the subject of insurance settlements in the past. The total amount of insurance the Company may receive through the policy may not cover the cost to launch or insure a replacement satellite. Accordingly, the Company is not fully insured for all of the potential losses that may be incurred in the event of a satellite system failure.

3. Major Network Failures Could Have an Adverse Effect on the Company

Equipment failures, power outages, natural disasters, terrorist acts, accidents, computer viruses or cyber-attacks, criminal conduct, employee error, or other events within or outside the Company's control that damage its networks, transport facilities, communications switches, routers, microwave links, cell sites, satellites, satellite-related ground equipment, other equipment, or third-party networks on which the Company relies could cause major network failures and/or unusually high network traffic demands that could have a material adverse effect on the Debtors' operations or its ability to provide service to its customers and their consumer end users. These events could disrupt the Company's operations, require significant resources to resolve, or result in legal costs or liability, which, in turn, could have a material adverse effect on the Company's business, prospects, financial condition, and results of operations. In addition, with the growth of wireless data services, enterprise data interfaces, and Internet-based or IP-enabled applications, the Company's network and customer devices are exposed to a greater degree to third-party data or applications over which the Company has less direct control. As a result, the Company's network infrastructure and information systems, as well as its customers' wireless devices, may be subject to a wider array of potential security risks, including viruses and other types of computer-based attacks, which could cause lapses in the Company's service or adversely affect the ability of consumer end users to access the Company's service. Such lapses could have a material adverse effect on the Company's business, prospects, financial condition, and results of operations.

4. The Company May Not Be Able to Protect Proprietary Information and Intellectual Property Rights upon Which the Company's Operations Depend

The Company's operations depend, in part, on its ability to develop or acquire technical know-how and remain current on new technological developments. As a result, the Company's

ability to compete effectively will depend, in part, on its ability to protect proprietary technologies and system designs. The Company has filed certain patent applications in the United States and abroad, and the Company owns U.S. and foreign patents that are believed to cover aspects of its technology. There can be no assurance that the patents for which the Company has applied will be issued or, if issued, will be sufficient to prevent competitors from deploying and operating their own 4G LTE terrestrial wireless networks using similar technology. Such technology may be superior to that of the Company, and competitors may be able to develop and deploy such technology without infringing on the Company's intellectual property rights. In addition, the Company's patents could be challenged, and their claims invalidated or their scope narrowed, particularly if the Company were to attempt to enforce them against suspected infringers. The Company also relies upon unpatented proprietary technology and other trade secrets. While it is the Company's policy to enter into confidentiality agreements with employees and third parties to protect its proprietary expertise and other trade secrets, these agreements might not be enforceable or provide for adequate remedies for breach. The Company has not exhaustively searched third-party patents relevant to, or third-party technology competitive with, its systems and technologies, and therefore it is possible that the Company may be unknowingly infringing third-party intellectual property and, in the alternative, that third parties may be infringing the Company's intellectual property rights. If the Company were to take legal action to protect, defend, or enforce its intellectual property rights, any suits or proceedings could result in substantial costs and diversion of its resources and its management's and employees' attention and could have a material adverse effect on its financial condition and results of operations, regardless of the final outcome of such legal action. In addition, the Company could become the target of patent or other intellectual property infringement claims. Any suits alleging infringement of intellectual property rights could result in substantial costs and diversion of the Company's resources and its management's and employees' attention and could materially adversely affect its financial condition and results of operations, regardless of the final outcome of such legal action. If the Company is found by a court or administrative body of competent jurisdiction to infringe or otherwise violate the intellectual property rights of others, the Company might be required to pay substantial damages or be enjoined from making, using, licensing, or selling the infringing services or technology or both.

5. The Company Is Highly Dependent on Performance of Inmarsat Under the Inmarsat Cooperation Agreement

The Company is highly dependent on Inmarsat's fulfillment of its obligations under the Inmarsat Cooperation Agreement. Following the full implementation of the Inmarsat Cooperation Agreement, the Company will have access to approximately 46 MHz of contiguous blocks of L-Band coordinated spectrum, which will be available for the Company's use as a result of its coordination with Inmarsat. If Inmarsat terminates, defaults, or otherwise fails to perform under the agreement, the Company's business, prospects, financial condition, and results of operations could be materially and adversely affected.

F. Certain Regulatory Considerations

The Company is subject to extensive federal, state and local laws, and regulations governing the use of spectrum. Compliance with these ever-changing laws and regulations requires expenses (including legal representation) and monitoring, capital and operating

expenditures. The costs and burdens associated with complying with the increased number of regulations may have a material adverse effect on the LP Debtors, if they fail to comply with the laws and regulations governing its businesses or if they fail to maintain or obtain advantageous regulatory authorizations and exemptions. Moreover, increased competition within the sector resulting from potential legislative changes, regulatory changes or other factors may create greater risks to the value of the LP Debtors' Assets. Thus, potential changes in laws and regulations could have a material impact on the value of the LP Debtors' Assets and the amount of LP Sale Proceeds.

Additionally, on February 15, 2012 the FCC has proposed to vacate the limited waiver of certain MSS/ATC gating criteria, granted to the Company in 2010, and to modify the Company's satellite license to suspend indefinitely the Company's underlying ATC authorization, first granted in 2004, to an extent consistent with the NTIA's February 2012 conclusion that there currently is no practical way to mitigate the potential incompatibilities resulting from the Company's planned terrestrial operations in the 1525-1559 MHz band such that the Company could successfully deploy an adequate commercial network. The matter is pending before the FCC. If the Company loses its ATC authorization or is unable to proceed with ATC service for other reasons, this could have an adverse effect on the value of the LP Debtors' Assets and the amount of LP Sale Proceeds. Alternatively, if the Company could resolve the FCC's and GPS community's concerns in a manner that will permit it to implement its business plan (inclusive of ATC service), the Debtors' Assets may appreciate in value. Whether such issues will be resolved in a manner favorable to the Company, and the timing of any such resolution, however, are uncertain and difficult to predict.

Although the funding of the Purchase Price is not conditioned on approval by the FCC or Industry Canada, any investment in any of the LP Debtors that hold various FCC licenses and authorizations that effects a change of control of those subsidiaries would be subject to prior FCC approval. A request for FCC approval may involve a lengthy review period prior to consummation of any change of control transaction. It may not be possible to obtain the necessary FCC approvals in a reasonably timely fashion, if at all, and the FCC could impose new or additional license conditions as a condition to approving any transfer. Any investment that effects a material change in the ownership or control of SkyTerra (Canada) Inc. would be subject to prior approval by Industry Canada (which might also include approval under the *Investment Canada Act* and pre-merger notification under the *Competition Act*), as well as separate filings with the FCC. Either or both the request for Industry Canada approval and the related filings with the FCC may involve a lengthy review period prior to consummation of any material change in the ownership or control of SkyTerra (Canada) Inc. It may not be possible to obtain the necessary regulatory approvals in a reasonably timely fashion, if at all, and Industry Canada or the FCC could impose new or additional authorization and/or license conditions as part of approving any transfer. The requirement to obtain regulatory approval could discourage, delay, or prevent a merger, acquisition, or other change in control of any LP Debtor. Funding of the Purchase Price will not result in the transfer of the LP Assets to LBAC (or any other Purchaser). Moreover, funding of the Purchase Price prior to FCC approval has occurred in at least one transaction in the past without triggering a determination by either the FCC or Industry Canada that there has been a premature transfer of control. It nevertheless is possible that such action could raise concerns by regulators as a negative factor indicating a transfer of *de facto* control under the applicable fact-intensive standards.

G. Risks Related to Holders of Disputed Claims

It is possible that the Disputed Claims Reserves to be established pursuant to the Plan will contain insufficient funds to satisfy Disputed Claims that are allowed after the Effective Date, which could result in holders of such subsequently allowed Disputed Claims realizing a lower recovery than that which other holders of Claims in the same Class will receive. In such event, such holders will have no recourse against the LP Debtors, the Purchaser, the Plan Sponsors, or any of their respective professionals, consultants, officers, directors, employees or members or their successors or assigns, or any of their respective property on account of the shortfall.

In addition, the Plan provides for the LP Debtors to utilize Cash in the Disputed Claims Reserves for purposes other than payment of Disputed Claims under certain circumstances. First, the Plan permits the LP Debtors to withdraw up to \$1,000,000 in Cash from the Disputed Claims Reserves in the event that proceeds in the Wind Down Reserve are insufficient to pay expenses associated with the Wind Down. Second, the Plan provides that any Administrative Claim (including a Fee Claim) incurred or accrued by the LP Debtors prior to the Effective Date that is not paid on or prior to the Effective Date will be paid from the Disputed Claims Reserves. Although the Plan provides for the LP Debtors to reserve sufficient funds for payment of such Administrative Claims, there can be no guarantee that the amount so initially reserved will be sufficient to satisfy such Administrative Claims. In the event that the Disputed Claims Reserves contain insufficient Cash to satisfy such Administrative Claims, the Plan permits the LP Debtors to withdraw Cash from the Wind Down Reserve to the extent necessary to satisfy such Administrative Claims. This would deplete the Wind Down Reserve, which could ultimately leave the LP Debtors with insufficient Cash to fund expenses associated with the Wind Down, in which event the LP Debtors would be permitted to withdraw cash from the Disputed Claims Reserves to fund such expenses, as described above.

IX.

CONFIRMATION AND CONSUMMATION PROCEDURES

A. Overview

A chapter 11 plan may provide anything from a complex restructuring of a debtor's business and its related obligations to a simple liquidation of a debtor's assets. In either event, upon confirmation of a plan, it becomes binding on the debtor and all of its creditors and equity holders, and the obligations owed by the debtor to such parties are compromised and exchanged for the obligations specified in the plan. Before soliciting acceptances of a proposed plan, section 1125 of the Bankruptcy Code requires the debtor to prepare and file a disclosure statement containing adequate information of a kind, and in sufficient detail, to enable a hypothetical reasonable investor to make an informed judgment about the plan. **This Disclosure Statement is presented to holders of impaired Claims against and Equity Interests in the LP Debtors to satisfy the requirements of section 1125 of the Bankruptcy Code in connection with the Plan Sponsors' solicitation of votes on the Plan.**

If all classes of claims and interests accept a plan of reorganization, a bankruptcy court may confirm the plan if such bankruptcy court independently determines that the requirements of section 1129(a) of the Bankruptcy Code have been satisfied. Section 1129(a) sets forth the requirements for confirmation of a plan and, among other things, requires that a plan meet the "best interests of creditors" test and be "feasible." The "best interests of creditors" test generally requires that the value of the consideration to be distributed to the holders of claims or interests under a plan may not be less than those parties would receive if the debtor were liquidated pursuant to a hypothetical liquidation occurring under chapter 7 of the Bankruptcy Code. Under the "feasibility" requirement, a bankruptcy court generally must find that there is a reasonable probability that a debtor will be able to meet its obligations under its plan without the need for further financial reorganization. **The Plan Sponsors believe that the Plan satisfies all the applicable requirements of section 1129(a) of the Bankruptcy Code, including, in particular, the best interests of creditors' test and the feasibility requirement.**

The Bankruptcy Code does not require that each holder of a claim or interest in a particular class vote in favor of a plan of reorganization for the bankruptcy court to determine that the class has accepted a plan. Rather, a class of creditors will be determined to have accepted the plan if the bankruptcy court determines that the plan has been accepted by a majority in number and two-thirds in amount of those claims entitled to vote and actually voting in such class. Similarly, a class of equity security holders will have accepted a plan if the bankruptcy court determines that the plan has been accepted by holders of two-thirds of the number of shares actually voting in such class.

In addition, classes of claims or interests that are not impaired under a plan of reorganization are conclusively presumed to have accepted the plan and thus are not entitled to vote. Furthermore, classes that are to receive no distribution under the plan are conclusively deemed to have rejected the plan. Accordingly, acceptances of a plan will generally be solicited only from those Persons who hold claims or interests in an impaired class. A class is "impaired" under a plan if the legal, equitable, or contractual rights associated with the claims or Interests of

that class are modified in any way under the plan. Modification for purposes of determining impairment, however, does not include curing defaults and reinstating maturity on the effective date of the plan. **Class 1 – LP Other Priority Claims and Class 2 – LP Other Secured Claims are unimpaired under the Plan and are therefore deemed to have accepted the Plan. Class 3 – Prepetition LP Facility Claims, Class 4 – LP General Unsecured Claims, Class 5 – Existing LP Preferred Units Equity Interests, and Class 6 – LP Common Equity Interests are impaired under the Plan and are therefore entitled to vote on the Plan.**

A bankruptcy court also may confirm a plan of reorganization even though fewer than all the classes of impaired claims and interests accept such plan. For a plan of reorganization to be confirmed despite its rejection by a class of impaired claims or interests, the plan must be accepted by at least one class of impaired claims (determined without counting the vote of insiders) and the proponent of the plan must show, among other things, that the plan does not “discriminate unfairly” and is “fair and equitable” with respect to each impaired class of claims or Interests that has not accepted the plan.

Under section 1129(b) of the Bankruptcy Code, a plan is “fair and equitable” as to a rejecting class of claims or interests if, among other things, the plan provides: (a) with respect to secured claims, that each such holder will receive or retain on account of its claim property that has a value, as of the effective date of the plan, equal to the allowed amount of such claim; and (b) with respect to unsecured claims and interests, that the holder of any claim or interest that is junior to the claims or interests of such class will not receive or retain on account of such junior claim or interest any property from the estate, unless the senior class receives property having a value equal to the full amount of its allowed claim.

A plan does not “discriminate unfairly” against a rejecting class of claims or interests if (a) the relative value of the recovery of such class under the plan does not differ materially from that of any class (or classes) of similarly situated claims or interests and (b) no senior class of claims or interests is to receive more than the amount of the claims or interest in such class.

The Plan has been structured so that it will satisfy the foregoing requirements as to any rejecting Class of Claims or Equity Interests, and can therefore be confirmed, if necessary, over the objection of any class of Claims or Equity Interests provided at least one class of Claims or Equity Interests entitled to vote on the Plan votes to accept the Plan.

B. Confirmation of the Plan

1. Elements of Section 1129 of the Bankruptcy Code

At the Confirmation Hearing, the Bankruptcy Court will confirm the Plan only if all of the conditions to confirmation under section 1129 of the Bankruptcy Code are satisfied.

Such conditions include the following:

- a. The Plan complies with the applicable provisions of the Bankruptcy Code.
- b. The Plan Sponsors have complied with the applicable provisions of the Bankruptcy Code.

- c. The Plan has been proposed in good faith and not by any means proscribed by law.
- d. Any payment made or promised by the Plan Sponsors or by a Person issuing securities or acquiring property under the Plan for services or for costs and expenses in, or in connection with, the Chapter 11 Cases, or in connection with the Plan and incident to the Chapter 11 Cases, has been approved by, or is subject to the approval of, the Bankruptcy Court as reasonable.
- e. The Plan Sponsors have disclosed the identity of any individual proposed to serve, after confirmation of the Plan, as a director, officer or voting trustee of the LP Debtors under the Plan and the continuance in such office of such individual is consistent with the interests of creditors and equity holders and with public policy.
- f. With respect to each impaired Class of Claims or Equity Interests, each holder of an impaired Claim or impaired Equity Interest either has accepted the Plan or will receive or retain under the Plan, on account of the Claims or Equity Interests held by such entity, property of a value, as of the Effective Date, that is not less than the amount that such entity would receive or retain if the LP Debtors were liquidated on such date under chapter 7 of the Bankruptcy Code;
- g. In the event that the Plan Sponsors do not move to confirm the Plan nonconsensually, each Class of Claims or Equity Interests entitled to vote has either accepted the Plan or is not impaired under the Plan;
- h. Except to the extent that the holder of a particular Claim or Equity Interest has agreed to a different treatment of such Claim or Equity Interest, the Plan provides that holders of LP Other Priority Claims will be paid in full, in Cash on the later of (i) the Plan Distribution Date and (ii) as soon as reasonably practicable after such LP Other Priority Claim becomes an Allowed Claim.
- i. Except to the extent that a holder of an Allowed LP Other Secured Claim agrees to different treatment, on the later of the Effective Date and the first Distribution Date after the applicable LP Other Secured Claim becomes an Allowed Claim, or as soon after such date as is reasonably practicable, each holder of an Allowed LP Other Secured Claim shall receive, at the election of the Ad Hoc LP Secured Group: (i) Cash in an amount equal to such Allowed Claim; or (ii) such other treatment that will render the LP Other Secured Claim unimpaired pursuant to section 1124 of the Bankruptcy Code.

- j. At least one impaired Class of Claims or Equity Interests has accepted the Plan, determined without including any acceptance of the Plan by any insider holding a Claim or Equity Interest in such Class.
- k. Confirmation of the Plan is not likely to be followed by the liquidation or the need for further financial reorganization of the LP Debtors or any other successor to the LP Debtors under the Plan, except to the extent proposed in the Plan.
- l. All fees payable under 28 U.S.C. § 1930, as determined by the Bankruptcy Court at the Confirmation Hearing, have been paid or the Plan provides for the payment of all such fees on the Effective Date of the Plan.

The Plan Sponsors believe that the Plan will satisfy all the statutory provisions of chapter 11 of the Bankruptcy Code, that they have complied or will have complied with all of the provisions of the Bankruptcy Code, and that the Plan is being proposed and submitted to the Bankruptcy Court in good faith.

2. Acceptance

A Class of Claims or Equity Interests will have accepted the Plan if the Plan is accepted by at least two-thirds in amount and more than one-half in number of the Claims entitled to vote that actually vote in such Class.

3. Best Interests of Creditors Test

With respect to each impaired Class of Claims and Equity Interests, confirmation of the Plan requires that each holder of a Claim or Equity Interest in such Class either (a) accepts the Plan or (b) receives or retains under the Plan property of a value, as of the applicable consummation date under the Plan, that is not less than the value such holder would receive or retain if the LP Debtors were liquidated under chapter 7 of the Bankruptcy Code.

To determine what holders of Claims and Equity Interests in each impaired Class would receive if the LP Debtors were liquidated, the Bankruptcy Court must determine the proceeds that would be generated from the liquidation of the properties and interests in property of the LP Debtors in a chapter 7 liquidation case. The proceeds that would be available for satisfaction of Claims against and Equity Interests in the LP Debtors would consist of the proceeds generated by disposition of the unencumbered equity in the properties and interests in property of the LP Debtors and the Cash held by the LP Debtors at the time of the commencement of the liquidation case. Such proceeds would be reduced by the costs and expenses of the liquidation and by such additional administration and priority claims that may result from the termination of the businesses of the LP Debtors and the use of chapter 7 for the purposes of liquidation.

The costs of liquidation under chapter 7 of the Bankruptcy Code would include the fees payable to a trustee in bankruptcy, and the fees that would be payable to additional attorneys and other professionals that such a trustee may engage, plus any unpaid expenses incurred by the LP Debtors during the Chapter 11 Cases, such as compensation for attorneys, financial advisors, accountants and costs that are allowed in a chapter 7 liquidation case. In addition, Claims would

arise by reason of the breach or rejection of obligations incurred and executory contracts entered into or assumed by the LP Debtors during the pendency of the Chapter 11 Cases. The foregoing types of Claims and such other Claims which may arise in the liquidation cases or result from the pending Chapter 11 Cases would be paid in full from the liquidation proceeds before the balance of those proceeds would be made available to pay unsecured Claims arising on or before the Petition Date.

To determine if the Plan is in the best interest of each impaired Class, the present value of the distributions from the proceeds of the liquidation of the properties and interests in property of the LP Debtors (net of the amounts attributable to the aforesaid claims) is then compared with the present value offered to such Classes of Claims and Equity Interests under the Plan.

After consideration of the effects that a chapter 7 liquidation would have on the ultimate proceeds available for distribution to creditors in the Chapter 11 Cases, including: (a) the increased costs and expenses of a liquidation under chapter 7 arising from fees payable to a trustee in bankruptcy and professional advisors to such trustee and (b) the erosion in value of assets in a chapter 7 liquidation case in the context of the expeditious liquidation required under chapter 7 and the "forced sale" environment in which such a liquidation would likely occur, the Plan Sponsors have determined that confirmation of the Plan will provide each holder of a Claim or Equity Interest with a greater or equal recovery than it would receive pursuant to liquidation of the LP Debtors under chapter 7 of the Bankruptcy Code.

The Liquidation Analysis is further described in Exhibit "D" to this Disclosure Statement, entitled "Liquidation Analysis."

4. Feasibility

The Bankruptcy Code conditions confirmation of a plan of reorganization on, among other things, a finding that it is not likely to be followed by the liquidation or the need for further financial reorganization of a debtor. For purposes of determining whether the Plan satisfies this condition, the Plan Sponsors have analyzed the capacity of each of the LP Debtors to service their obligations under the Plan. Based upon their analysis, the Plan Sponsors believe that each of the LP Debtors will be able to meet all of its obligations imposed by the Plan.

C. **Cramdown**

In the event that any impaired Class does not accept the Plan, the Plan Sponsors nonetheless may move for confirmation of the Plan. To obtain such confirmation, it must be demonstrated to the Bankruptcy Court that the Plan "does not discriminate unfairly" and is "fair and equitable" with respect to such Classes and any other Classes of Claims that vote to reject the Plan.

1. No Unfair Discrimination

A plan of reorganization "does not discriminate unfairly" if (a) the legal rights of a nonaccepting class are treated in a manner that is consistent with the treatment of other classes whose legal rights are similar to those of the nonaccepting class and (b) no class receives payments in excess of that which it is legally entitled to receive for its claims or interests. The

Plan Sponsors believe that under the Plan all impaired Classes of Claims and Equity Interests are treated in a manner that is consistent with the treatment of other Classes of Claims and Equity Interests that are similarly situated, if any, and no Class of Claims or Equity Interests will receive payments or property with an aggregate value greater than the aggregate value of the Allowed Claims and Allowed Equity Interests in such Class. Accordingly, the Plan Sponsors believe that the Plan does not discriminate unfairly as to any impaired Class of Claims or Equity Interests.

2. Fair and Equitable Test

The Bankruptcy Code establishes different “fair and equitable” tests for classes of secured claims, unsecured claims, and interests as follows:

a. Secured Claims. Either (i) each holder of a claim in an impaired class of secured claims retains its liens securing its secured claim and it receives on account of its secured claim deferred cash payments having a present value equal to the amount of its allowed secured claim, (ii) each holder of a claim in an impaired class of secured claims realizes the indubitable equivalent of its allowed secured claim, or (iii) the property securing the claim is sold free and clear of liens, with such liens to attach to the proceeds and the treatment of such liens on proceeds as provided in clause (i) or (ii) of this subparagraph.

b. Unsecured Claims. Either (i) each holder of a claim in an impaired class of unsecured claims receives or retains under the plan property of a value equal to the amount of its allowed claim or (ii) the holders of claims and interests that are junior to the claims of the dissenting class will not receive any property under the plan of reorganization, subject to the applicability of the judicial doctrine of contributing new value.

c. Interests. Either (i) each holder of an interest in an impaired class of interests will receive or retain under the plan of reorganization property of a value equal to the greater of (A) the fixed liquidation preference or redemption price, if any, of such stock or (B) the value of the stock or (ii) the holders of interests that are junior to the stock will not receive any property under the plan of reorganization, subject to the applicability of the judicial doctrine of contributing new value.

THE PLAN MAY BE CONFIRMED IF THE REQUISITE HOLDERS OF CLAIMS OR EQUITY INTERESTS IN ANY CLASS VOTE TO ACCEPT THE PLAN.

D. Effect of Confirmation

Under section 1141 of the Bankruptcy Code, the provisions of a confirmed plan bind the debtor, any entity issuing securities under the plan, any entity acquiring property under the plan, and any creditor or equity security holder, whether or not the claim or interest of such creditor or equity security holder is impaired under the plan and whether or not such creditor or equity security holder voted to accept the plan. Further, after confirmation of a plan, the property dealt with by the plan is free and clear of all claims and interests of creditors and equity security holders, except as otherwise provided in the plan or the confirmation order.

X.

CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES

A. General

The following summary describes certain U.S. federal income tax consequences to holders of Claims against and Equity Interests in the LP Debtors as a result of the implementation of the Plan. This summary is based on the Internal Revenue Code (the "Code"), its legislative history, existing Treasury regulations ("Treasury Regulations") thereunder, and published rulings and court decisions, all as currently in effect and all subject to change at any time, possibly with retroactive effect. The LP Debtors will not seek a ruling from the Internal Revenue Service ("IRS") with regard to the U.S. federal income tax treatment of the Plan and, therefore, there can be no assurance that the IRS will agree with the conclusions set forth below. In addition, except as set forth below, the summary only applies to U.S. Holders (as defined below) whose Claims or Equity Interests are held as capital assets and does not address all of the tax consequences that may be relevant to U.S. Holders or tax consequences to investors in special tax situations (such as financial institutions, dealers in securities or currencies, tax-exempt organizations, insurance companies, partnerships or other pass-through entities or Persons holding Claims or Equity Interests through a partnership or other pass-through entity, Persons holding Claims or Equity Interests as part of a straddle, hedging or conversion transaction, and certain U.S. expatriates). Accordingly, each holder should consult its own tax advisor with regard to the consequences of participating in the Plan and the application of U.S. federal income tax laws, as well as the laws of any state, local or foreign taxing jurisdictions, to its particular situation.

For purposes of this discussion, a "U.S. Holder" is a beneficial owner of a Claim or Equity Interest that is, for U.S. federal income tax purposes:

- an individual who is a citizen or resident of the United States;
- a corporation (or an entity taxable as a corporation) organized in or created under the laws of the United States or of any political subdivision of the United States;
- an estate whose income is includible in gross income for U.S. federal income tax purposes regardless of its source; or
- a trust, (i) if a U.S. court is able to exercise primary supervision over the administration of the trust and one or more U.S. Persons have authority to control all substantial decisions of the trust or (ii) that has validly elected to be treated as a U.S. Person for U.S. federal income tax purposes.

If a partnership (or an entity treated as a partnership for U.S. federal income tax purposes) holds a Claim or Equity Interest, the tax treatment of a partner generally will depend on the status of the partner and the activities of the partnership. Each partner of a partnership (or an entity treated as a partnership for U.S. federal income tax purposes) holding a Claim or Equity Interest should consult its own tax advisor with regard to the tax consequences of participating in the Plan.

A "Non-U.S. Holder" is a beneficial owner of a Claim or Equity Interest other than (1) a U.S. Holder or (2) a partnership for U.S. federal income tax purposes.

Treasury Department Circular 230 Disclosure

TO COMPLY WITH TREASURY DEPARTMENT CIRCULAR 230, TAXPAYERS ARE HEREBY NOTIFIED THAT (A) ANY DISCUSSION OF U.S. FEDERAL TAX ISSUES CONTAINED OR REFERRED TO IN THIS DISCLOSURE STATEMENT (INCLUDING ANY ATTACHMENTS) IS NOT INTENDED OR WRITTEN TO BE USED, AND CANNOT BE USED, BY ANY TAXPAYER FOR THE PURPOSE OF AVOIDING PENALTIES THAT MAY BE IMPOSED ON A TAXPAYER UNDER THE INTERNAL REVENUE CODE, (B) ANY SUCH DISCUSSION IS WRITTEN IN CONNECTION WITH THE PROMOTION OR MARKETING OF THE TRANSACTIONS OR MATTERS ADDRESSED HEREIN, AND (C) TAXPAYERS SHOULD SEEK ADVICE BASED ON THEIR PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISOR.

B. Tax Consequences to Holders of Certain Allowed Claims Other than LP Common Equity Interests

1. U.S. Holders

A U.S. Holder will recognize gain or loss in an amount equal to (x) the sum of (i) the stated principal balance of any debt instrument received by such U.S. Holder for its Allowed Claim or Equity Interest, (ii) the fair market value of any stock received by such U.S. Holder for such Allowed Claim or Equity Interest, and (iii) the amount of any cash received by such U.S. Holder for such Allowed Claim or Equity Interest; over (y) the U.S. Holder's adjusted tax basis in such Allowed Claim or such Equity Interest surrendered (other than any claim for accrued but unpaid interest and, in the case of an Equity Interest, taking into account any adjustments to such U.S. Holder's adjusted tax basis from allocations of income or loss during the taxable year (including allocations resulting from the LP Sale)). If you are a noncorporate U.S. Holder, the maximum marginal U.S. federal income tax rate applicable to the gain will be lower than the maximum marginal U.S. federal income tax rate applicable to ordinary income (other than certain dividends) if your holding period for the Allowed Claim or the Allowed Equity Interest exceeds one year (i.e., such gain is long-term capital gain). Any gain or loss realized generally will be treated as U.S. source gain or loss, as the case may be. The deductibility of capital losses is subject to limitations. Payments attributable to accrued but unpaid interest will be taxable as ordinary income to the extent not previously taken into income. Conversely, a holder of an Allowed Claim may be able to recognize a deductible loss (or, possibly, a write-off against a reserve for worthless debts) to the extent that any accrued interest on the Allowed Claims was previously included in the holder's gross income but was not paid in full by the LP Debtors. Such loss may be ordinary, but the tax law is unclear on this point.

A U.S. Holder will have a tax basis in any stock received equal to the fair market value of such stock as of the applicable Plan Distribution Date and a tax basis in any debt instrument it receives equal to the stated principal balance of such debt instrument.

A holder of an Allowed Claim that purchased its Claim from a prior holder at a market discount may be subject to the market discount rules of the Code. Under the market discount rules, a U.S. Holder generally will be required to treat any gain realized on the sale, exchange, retirement or other disposition of its Claim as ordinary income to the extent of any accrued market discount that has not previously been included in income. For this purpose, market discount will be considered to accrue ratably during the period from the date of the U.S. Holder's acquisition of the Claim to the maturity date of the Claim, unless the U.S. Holder made an election to accrue market discount on a constant yield basis.

A holder of an indirect interest in an Existing LP Preferred Unit Equity Interest that holds such indirect interest through an entity that treated as a pass-through entity or an entity disregarded as separate from its owner for U.S. federal income tax purposes will be required to take into account any income allocated to such holder as a result of its indirect interest in such Existing LP Preferred Unit Equity Interest through the date of the indirect disposition of the Existing LP Preferred Unit Equity Interest pursuant to the Plan.

2. Non-U.S. Holders

Subject to the discussion below under the caption “—U.S. Backup Withholding Tax and Information Reporting,” if you are a Non-U.S. Holder, any gain realized by you upon the receipt of Cash, stock or a debt instrument in satisfaction of your Allowed Claim or Allowed Equity Interest generally will not be subject to U.S. federal income tax, unless:

- the gain is effectively connected with your conduct of a trade or business in the United States; or
- if you are an individual Non-U.S. Holder, you are present in the United States for 183 days or more in the taxable year of the sale, exchange or retirement or other taxable disposition and certain other conditions are met.

C. **Tax Consequences to Holders of LP Common Equity Interests**

1. U.S. Holders

A U.S. Holder of an LP Common Equity Interest will recognize gain or loss in an amount equal to (x) the sum of (i) the stated principal balance of any debt instrument received by such U.S. Holder for its LP Common Equity Interest, (ii) the fair market value of any stock received by such U.S. Holder for such LP Common Equity Interest and (iii) the amount of any cash received by such U.S. Holder for such LP Common Equity Interest over (y) the U.S. Holder's adjusted tax basis in such LP Common Equity Interest surrendered, taking into account any adjustments to such U.S. Holder's adjusted tax basis from allocations of income or loss during the taxable year (including allocations resulting from the LP Sale). If you are a noncorporate U.S. Holder, the maximum marginal U.S. federal income tax rate applicable to the gain will be lower than the maximum marginal U.S. federal income tax rate applicable to ordinary income (other than certain dividends) if your holding period for the Equity Interest exceeds one year (*i.e.*, such gain is long-term capital gain). Any gain or loss realized generally will be treated as U.S. source gain or loss, as the case may be. The deductibility of capital losses is subject to

limitations.

A U.S. Holder will have a tax basis in any stock received equal to the fair market value of such stock as of the applicable Plan Distribution Date and a tax basis in any debt instrument it receives equal to the stated principal balance of such debt instrument.

If the amount of Plan Consideration is insufficient to permit a distribution to the holders of LP Common Equity Interests, the holders of LP Common Equity Interests may be entitled to claim a worthless stock deduction in an amount equal to such holder's adjusted basis in the LP Common Equity Interests. A worthless stock deduction is generally treated as a loss from the sale or exchange of a capital asset. Holders of LP Common Equity Interests should consult their own tax advisers as to the appropriate tax year in which to claim a worthless stock deduction.

2. Non-U.S. Holders

Subject to the discussion below under the caption "—U.S. Backup Withholding Tax and Information Reporting," if you are a Non-U.S. Holder, any gain realized by you upon the receipt of Cash, stock, or debt instrument for your LP Common Equity Interest generally will not be subject to U.S. federal income tax, unless:

- the gain is effectively connected with your conduct of a trade or business in the United States; or
- if you are an individual Non-U.S. Holder, you are present in the United States for 183 days or more in the taxable year of the sale, exchange or retirement or other taxable disposition and certain other conditions are met.

D. Tax Consequences to the LP Debtors Upon Consummation of the Plan

As a result of the LP Sale, any LP Debtor that is treated as a corporation for U.S. federal income tax purposes generally should recognize gain, to the extent the sum of the amount of cash received by such LP Debtor pursuant to the LP Sale, the fair market value of any stock received by such LP Debtor pursuant to the LP Sale, and the adjusted issue price of any debt instrument received by such LP Debtor pursuant to the LP Sale exceeds such LP Debtor's adjusted tax basis in the LP Assets sold in connection with the LP Sale, or loss, to the extent such LP Debtor's adjusted tax basis in the LP Assets sold in connection with the LP Sale exceeds the sum of the amount of cash received by such LP Debtor pursuant to the LP Sale, the fair market value of any stock received by such LP Debtor pursuant to the LP Sale, and the adjusted issue price of any debt instrument received by such LP Debtor pursuant to the LP Sale.

E. Consequences of Ownership of Stock Interests and Loans Received in Connection with the Plan

The terms of the stock interests or debt instruments that may be received in connection with the LP Sale, if any, are not known at this time. It is not possible, therefore, to provide a complete discussion of the U.S. federal income tax consequences of holding any such stock interest or debt instrument. Holders that receive a stock interest or debt instrument should consult their own tax advisors regarding the tax consequences of the ownership and disposition of a stock interest or debt instrument received in connection with the Plan.

F. Information Reporting and Backup Withholding

Proceeds paid to a U.S. Holder in respect of the satisfaction of a Claim or cancellation of Equity Interests generally will be subject to information reporting requirements. The payor will be required to backup withhold on payments made within the United States, or by a U.S. payor or U.S. middleman, to a holder of a Claim or Equity Interest that is a U.S. Person, other than an exempt recipient, if the holder fails to furnish its correct taxpayer identification number or otherwise fails to comply with, or establish an exemption from, the backup withholding requirements. Payments within the United States, or by a U.S. payor or U.S. middleman, of to a holder of a Claim or Equity Interest that is not a U.S. Person will not be subject to backup withholding tax and information reporting requirements if an appropriate certification is provided by the holder to the payor and the payor does not have actual knowledge or a reason to know that the certificate is incorrect. The backup withholding tax rate is currently 28%.

Backup withholding is not an additional tax. You generally will be entitled to credit any amounts withheld under the backup withholding rules against your U.S. federal income tax liability provided the required information is furnished to the IRS in a timely manner.

In the case of payments to certain trusts or certain partnerships, the Persons treated as the owners of the trust or the partners of the partnership, as the case may be, will be required to provide the certification discussed above in order to establish an exemption from backup withholding tax and information reporting requirements.

XI.

**ALTERNATIVES TO CONFIRMATION AND
CONSUMMATION OF THE PLAN**

The Plan Sponsors have evaluated numerous alternatives to the Plan. After studying these alternatives, the Plan Sponsors have concluded that the Plan is the best alternative and will maximize recoveries to holders of Claims and Equity Interests. The following discussion provides a summary of the analysis of the Plan Sponsors supporting their conclusion that a liquidation of the LP Debtors or an alternative plan will not provide higher value to holders of Claims and Equity Interests.

A. Liquidation Under Chapter 7 of the Bankruptcy Code

If no plan of reorganization can be confirmed, the Chapter 11 Cases may be converted to a case under chapter 7, in which event a trustee would be elected or appointed to liquidate the properties and interests in property of the LP Debtors for distribution to their creditors in accordance with the priorities established by the Bankruptcy Code. The Plan Sponsors believe that liquidation under chapter 7 would result in smaller distributions being made to holders of Claims and Equity Interests than those provided for under the Plan because of, among other things, (i) the increased costs and expenses of a liquidation under chapter 7 arising from fees payable to a trustee for bankruptcy and professional advisors to such trustee; (ii) the erosion in value of assets in the context of the expeditious liquidation required under chapter 7 and the “forced sale” environment in which such a liquidation would likely occur; (iii) the adverse effects on the salability of business segments as a result of the likely departure of key employees and the loss of customers; and (iv) potential increases in claims which would have to be satisfied on a priority basis or on parity with creditors in the Chapter 11 Cases. Accordingly, the Plan Sponsors have determined that confirmation of the Plan will provide each holder of a Claim or Equity Interest with a greater recovery than it would receive pursuant to liquidation under chapter 7.

A discussion of the effects that a chapter 7 liquidation would have on the holders of Claims and Equity Interests is set out in the Liquidation Analysis, attached as Exhibit “D” hereto.

B. Alternative Plans

If the Plan is not confirmed, it is possible that the Bankruptcy Court will confirm the Debtors’ Plan or the Harbinger Plan or some other heretofore unproposed plan of reorganization or liquidation. The Plan Sponsors have examined those other Competing Plans and various other alternatives in connection with the process involved in the formulation and development of the Plan. The Plan Sponsors believe that the Plan, as described herein, maximizes recoveries to holders of Claims against and Equity Interests in the LP Debtors. As described in more detail in the section of this Disclosure Statement entitled “The Chapter 11 Cases – The Competing Plans and Disclosure Statements,” the Debtors’ Plan and the Harbinger Plan are, in the opinion of the Plan Sponsors, inferior to the Plan Sponsors’ Plan and unconfirmable. The Plan Sponsors reserve all rights to assert, and anticipate asserting, objections to the Competing Plans (predicated on arguments not set forth herein) in advance of the Confirmation Hearing.

If the Bankruptcy Court does not confirm the Plan or any of the Competing Plans, it is possible that a party in interest could undertake to formulate a different plan, including a plan of either reorganization or liquidation. Such a plan might involve a reorganization and continuation of the business of the LP Debtors, the sale of the LP Debtors as a going concern or an orderly liquidation of the properties and interests in property of the LP Debtors. However, there can be no assurance that any such other plan would result in greater value to the LP Debtors’ estates than would be realized under the Plan, and it is possible that such a plan would provide inferior recoveries to stakeholders of the LP Debtors relative to the Plan.

XII.

CONCLUSION

The Plan Sponsors believe that the Plan is in the best interest of all holders of Claims against and Equity Interests in the LP Debtors, and urges all holders of Claims against and Equity Interests in any of the LP Debtors to vote to accept the Plan and to evidence such acceptance by returning their ballots in accordance with the instructions set forth in the Disclosure Statement Order.

Subject to certain restrictions and requirements set forth in section 1127 of the Bankruptcy Code, Bankruptcy Rule 3019, and Sections 13.20 and 13.21 of this Plan, the Plan Sponsors reserve the right to alter, amend, modify, revoke or withdraw this Plan prior to its substantial consummation.

The only Persons that are entitled to vote on this Plan are the holders of Prepetition LP Facility Claims, LP General Unsecured Claims, Existing LP Preferred Units Equity Interests and LP Common Equity Interests. Such Persons are encouraged to read in their entirety the Plan, the Disclosure Statement, their respective exhibits and schedules, and all other materials approved by the Bankruptcy Court in connection with solicitation of this Plan before voting to accept or reject the Plan.

ARTICLE I. **DEFINITIONS AND INTERPRETATION**

1.1. Definitions

The capitalized terms used herein shall have the respective meanings set forth in the Glossary of Defined Terms attached hereto as Exhibit "A" (such meanings to be equally applicable to both the singular and plural).

1.2. Interpretation; Application of Definitions and Rules of Construction

Unless otherwise specified, all section or exhibit references in this Plan are to the respective section in, or exhibit to, this Plan. The words "herein," "hereof," "hereto," "hereunder," and other words of similar import refer to this Plan as a whole and not to any particular section, subsection, or clause contained therein. Whenever from the context it is appropriate, each term, whether stated in the singular or the plural, will include both the singular and the plural. Any term that is not otherwise defined herein, but that is used in the Bankruptcy Code or the Bankruptcy Rules, shall have the meaning given to that term in the Bankruptcy Code or the Bankruptcy Rules, as applicable. Except for the rules of construction contained in section 102(5) of the Bankruptcy Code, which shall not apply, the rules of construction contained in section 102 of the Bankruptcy Code shall apply to the construction of the Plan. Any reference in this Plan to a contract, instrument, release, indenture, or other agreement or documents being in a

particular form or on particular terms and conditions means that such document shall be substantially in such form or substantially on such terms and conditions, and any reference in this Plan to an existing document or exhibit filed or to be filed means such document or exhibit as it may have been or may be amended, modified, or supplemented. Subject to the provisions of any contract, certificates or articles of incorporation, by-laws, instruments, releases, or other agreements or documents entered into in connection with this Plan, the rights and obligations arising under this Plan shall be governed by, and construed and enforced in accordance with, federal law, including the Bankruptcy Code and Bankruptcy Rules. The captions and headings in this Plan are for convenience of reference only and shall not limit or otherwise affect the provisions hereof. Any reference to an entity as a holder of a Claim or Equity Interest includes that entity's successors and assigns. In the event of any ambiguity or conflict between the Plan and the Disclosure Statement, the provisions of the Plan shall govern.

1.3. Appendices and Plan Documents

All exhibits, supplements, appendices, and schedules to the Plan are incorporated into the Plan by this reference and are a part of the Plan as if set forth in full herein. All Plan Documents shall be filed with the Bankruptcy Court as part of the Plan Supplement not less than five (5) calendar days prior to the Voting Deadline; provided, however, that any Plan Document that is or may be subject to confidentiality provisions or otherwise contain confidential or proprietary information may be filed in redacted form or under seal.

ARTICLE II.
RESOLUTION OF CERTAIN INTER-DEBTOR ISSUES

2.1. Non-Consolidated Plan

Although for purposes of administrative convenience and efficiency the Plan has been filed as a joint Plan for each of the LP Debtors and consolidates classes of Claims against and Equity Interests in the LP Debtors, the Plan does not provide for the substantive consolidation of the LP Debtors. Such joint administration shall not affect any LP Debtor's status as a separate legal entity, change the organizational structure of the LP Debtors' business enterprise, constitute a change of control of any LP Debtor for any purpose, cause a merger or consolidation of any legal entities, nor cause the transfer of any assets and, except as otherwise provided by or permitted in the Plan, all LP Debtors shall continue to exist as separate legal entities. For the avoidance of doubt, the Plan must comply with section 1129 of the Bankruptcy Code for each LP Debtor, and votes with respect to the Plan will be tabulated on a non-consolidated basis by class and by Debtor for the purpose of determining whether the Plan satisfies section 1129 of the Bankruptcy Code with respect to each LP Debtor.

2.2. Intercompany Claims

Except as otherwise provided in the Plan, Administrative Claims and Intercompany Claims between and among the LP Debtors shall, solely for purposes of receiving Plan Distributions, be deemed resolved and therefore not entitled to any Plan Distribution and shall not be entitled to vote on the Plan.

2.3. Inc. Entity General Unsecured Claims

Any Allowed Inc. Entity General Unsecured Claim shall be classified as an LP General Unsecured Claim and receive the treatment set forth in Section 5.4 of this Plan, unless otherwise ordered by the Bankruptcy Court.

ARTICLE III. PROVISIONS FOR TREATMENT OF UNCLASSIFIED CLAIMS

3.1. Unclassified Claims

As provided by section 1123(a)(1) of the Bankruptcy Code, Administrative Claims, Fee Claims, U.S. Trustee Fees and Priority Tax Claims against the LP Debtors shall not be classified under the Plan, and shall instead be treated separately as unclassified Claims on the terms set forth in this Article III. Holders of such Claims are not entitled to vote on this Plan.

3.2. Treatment of Administrative Claims

(a) Time for Filing Administrative Claims

Each holder of an Administrative Claim, other than (i) a Fee Claim, (ii) a liability incurred and payable in the ordinary course of business by any LP Debtor (and not past due), (iii) an Administrative Claim that has become an Allowed Claim on or before the Effective Date, or (iv) any claim by the Stalking Horse Bidder for payment of the Break-Up Fee or Expense Reimbursement under the Bid Procedures Order or Stalking Horse Agreement must file with the Bankruptcy Court and serve on (a) the LP Debtors, (b) the Office of the U.S. Trustee, and (c) the Plan Sponsors notice of such Administrative Claim no later than thirty (30) days after service of the Notice of Effective Date. Such notice of Administrative Claim must include, at a minimum, (i) the name of the holder of the Administrative Claim, (ii) the amount of the Administrative Claim, and (iii) a detailed description of the basis for the Administrative Claim. **Failure to file and serve such notice timely and properly shall result in the Administrative Claim being forever barred and discharged.**

Notwithstanding the forgoing, the Plan Sponsors or the LP Debtors may request that the Bankruptcy Court establish one or more deadlines prior to the occurrence of Effective Date for the filing of Administrative Claims.

(b) Allowance of Administrative Claims

An Administrative Claim with respect to which notice has been properly filed and served pursuant to Section 3.2(a) of this Plan shall become an Allowed Administrative Claim if no

objection is filed within thirty (30) days after the later of (i) the Effective Date, (ii) the date of service of the applicable notice of Administrative Claim, or (iii) such later date as may be (a) agreed to by the holder of such Administrative Claim or (b) approved by the Bankruptcy Court on motion of a party in interest, without notice or a hearing. If an objection is filed within such thirty (30) day period (or any extension thereof) and is not otherwise resolved, the Administrative Claim shall become an Allowed Administrative Claim only to the extent allowed by Final Order. For the avoidance of doubt, any claim by the Stalking Horse Bidder for the Break-Up Fee or Expense Reimbursement shall be deemed an Allowed Administrative Expense Claim in accordance with the Bid Procedures Order, and the Stalking Horse Bidder shall not be required to file any notice of an Administrative Claim in accordance with Section 3.2(a) of this Plan or any other proof of claim or administrative expense in respect of any claim for the Break-Up Fee or Expense Reimbursement.

(c) Payment of Allowed Administrative Claims

On the Plan Distribution Date, each holder of an Allowed Administrative Claim shall receive, (i) the amount of such holder's Allowed Administrative Claim in one payment of Plan Consideration in the form of Cash (to the extent not previously paid by the LP Debtors or (ii) such other treatment as may be agreed upon in writing by (a) the LP Debtors, and (b) such holder; provided, that such treatment shall not provide a recovery to such holder having a present value as of the Effective Date in excess of such holder's Allowed Administrative Claim; provided, further, that an Administrative Claim representing a liability incurred in the ordinary course of business of any of the LP Debtors may be paid by the respective LP Debtor in the ordinary course of business; provided, further, that the Break-Up Fee and Expense Reimbursement shall be paid in accordance with the terms of the Stalking Horse Agreement and Bid Procedures Order; and provided, further, that any Allowed Administrative Claim accrued or incurred prior to the Effective Date, but not paid on or prior to the Effective Date, shall be paid from the reserve established pursuant to Section 9.5(b) of this Plan (and, to the extent that amounts deposited in the reserve established pursuant to Section 9.5(b) of this Plan are insufficient to pay such Allowed Administrative Claim, the LP Debtors may withdraw Cash from the Wind Down Reserve to pay such Allowed Administrative Claim).

(d) Ad Hoc LP Secured Group Fee Claims and Plan Sponsor Fee Claims

In the case of the Ad Hoc LP Secured Group Fee Claims and Plan Sponsor Fee Claims, such Ad Hoc LP Secured Group Fee Claims and Plan Sponsor Fee Claims will be paid in full in Plan Consideration in the form of Cash on the Effective Date for all reasonable fees and expenses incurred up to the Effective Date (to the extent not previously paid by the LP Debtors), subject to the LP Debtors' prior receipt of invoices and reasonable documentation in connection therewith and without the requirement to file a Fee Application with the Bankruptcy Court. In the event that the LP Debtors dispute all or a portion of the Ad Hoc LP Secured Group Fee Claims or Plan Sponsor Fee Claims, the LP Debtors shall pay the undisputed amount of such Ad Hoc LP Secured Group Fee Claims or Plan Sponsor Fee Claims (as applicable), and segregate the remaining portion of such Ad Hoc LP Secured Group Fee Claims or Plan Sponsor Fee Claims (as applicable) until such dispute is resolved by the parties or by the Bankruptcy Court.

3.3. Treatment of Fee Claims

(a) Time for Filing Fee Claims

Each Professional Person who holds or asserts a Fee Claim against the LP Debtors shall be required to file with the Bankruptcy Court, and serve on all parties required to receive notice, a final Fee Application no later than forty (40) days after the Effective Date or such other date as may be fixed by the Bankruptcy Code. **The failure to timely file and serve such final Fee Application shall result in the Fee Claim being forever barred and discharged.**

(b) Allowance of Fee Claims

A Fee Claim in respect of which a Fee Application has been properly filed and served pursuant to Section 3.3(a) of this Plan shall become an Allowed Fee Claim only to the extent allowed by Final Order.

(c) Treatment of Fee Claims

Each holder of an Allowed Fee Claim shall receive, in full satisfaction of such Allowed Fee Claim, (i) on the date such Fee Claim becomes an Allowed Fee Claim, or as soon thereafter as is practicable, Plan Consideration in the form of Cash in an amount equal to such Allowed Fee Claim (less any amounts previously paid on account of such Fee Claim by the LP Debtors) or (ii) such other treatment as may be agreed to by such holder of an Allowed Fee Claim; provided, that such treatment shall not provide a recovery to such holder having a present value as of the Effective Date in excess of such holder's Allowed Fee Claim; provided, further, that any Allowed Fee Claim accrued or incurred prior to the Effective Date, but not paid on or prior to the Effective Date, shall be paid from the reserve established pursuant to Section 9.5(b) of this Plan (and, to the extent that amounts deposited in the reserve established pursuant to Section 9.5(b) of this Plan are insufficient to pay such Allowed Fee Claim, the LP Debtors may withdraw Cash from the Wind Down Reserve to pay such Allowed Fee Claim).

3.4. Treatment of U.S. Trustee Fees

The Disbursing Agent, on behalf of each of the LP Debtors, shall pay all outstanding U.S. Trustee Fees of such LP Debtor on an ongoing basis on the later of: (i) the Effective Date; and (ii) the date such U.S. Trustee Fees become due, until such time as a final decree is entered closing the applicable Chapter 11 Case or the applicable Chapter 11 Case is converted or dismissed, or the Bankruptcy Court orders otherwise. Any deadline for filing Administrative Claims shall not apply to U.S. Trustee Fees.

3.5. Treatment of Priority Tax Claims

Each holder of an Allowed Priority Tax Claim shall receive, in full satisfaction of such Allowed Priority Tax Claim: (a) Plan Consideration in the form of Cash in the amount of such Allowed Priority Tax Claim (to the extent not previously paid by the LP Debtors) on the later of (i) the applicable Plan Distribution Date and (ii) as soon as practicable after such Priority Tax Claim becomes an Allowed Priority Tax Claim or (b) such other treatment as may be agreed to by such holder of an Allowed Priority Tax Claim; provided, that such treatment shall not provide

a recovery to such holder having a present value as of the Effective Date in excess of such holder's Allowed Priority Tax Claim.

ARTICLE IV.
CLASSIFICATION OF CLAIMS AND EQUITY INTERESTS

4.1. Classification/Impairment of Claims and Equity Interests

The following table designates the Classes of Claims and Equity Interests, and specifies which Classes are: (i) impaired or unimpaired by this Plan; (ii) entitled to vote to accept or reject this Plan in accordance with section 1126 of the Bankruptcy Code; and (iii) deemed to accept this Plan pursuant to section 1126(f) of the Bankruptcy Code.

<u>Class</u>	<u>Designation</u>	<u>Impairment</u>	<u>Entitled to Vote</u>
Class 1	LP Other Priority Claims	No	No (deemed to accept)
Class 2	LP Other Secured Claims	No	No (deemed to accept)
Class 3	Prepetition LP Facility Claims	Yes	Yes
Class 4	LP General Unsecured Claims	Yes	Yes
Class 5	Existing LP Preferred Units Equity Interests	Yes	Yes
Class 6	LP Common Equity Interests	Yes	Yes

4.2. Separate Classification of LP Other Secured Claims

LP Other Secured Claims have been classified together for each LP Debtor solely for purposes of describing treatment under the Plan. Each LP Other Secured Claim, to the extent secured by a Lien on Collateral different than that securing any other LP Other Secured Claim, shall be treated as being in a separate sub-Class for the purpose of receiving Plan Distributions.

ARTICLE V.
TREATMENT OF CLASSIFIED CLAIMS AND EQUITY INTERESTS

5.1. Class 1 – LP Other Priority Claims

(a) Treatment: The legal, equitable and contractual rights of the holders of LP Other Priority Claims are unaltered by this Plan. Except to the extent that a holder of an Allowed LP Other Priority Claim agrees to different treatment, on the applicable Plan Distribution Date, each holder of an Allowed LP Other Priority Claim shall receive Plan Consideration in the form of Cash in an amount equal to such Allowed Claim.

(b) Voting: The LP Other Priority Claims are not impaired Claims. In accordance with section 1126(f) of the Bankruptcy Code, the holders of LP Other Priority Claims are conclusively presumed to accept this Plan and are not entitled to vote to accept or reject the Plan, and the votes of such holders will not be solicited with respect to such Allowed LP Other Priority Claims.

5.2. Class 2 – LP Other Secured Claims

(a) Treatment: The legal, equitable and contractual rights of the holders of LP Other Secured Claims are unaltered by this Plan. Except to the extent that a holder of an Allowed LP Other Secured Claim agrees to different treatment, on the applicable Plan Distribution Date, each holder of an Allowed LP Other Secured Claim shall receive, at the election of the Plan Sponsors or LP Debtors, as applicable: (i) Plan Consideration in the form of Cash in an amount equal to such Allowed LP Other Secured Claim; or (ii) such other treatment that will render the LP Other Secured Claim unimpaired pursuant to section 1124 of the Bankruptcy Code. Each holder of an Allowed LP Other Secured Claim shall retain the Liens securing its Allowed LP Other Secured Claim as of the Effective Date until (A) full and final payment of such Allowed LP Other Secured Claim is made as provided herein or (B) the Collateral securing such Liens is sold and such Liens shall attach to the respective proceeds of such sale to the extent attributable to such Collateral and with the same validity, priority, force and effect. Upon the full payment or other satisfaction of such Claims in accordance with the Plan, the Liens securing such Allowed LP Other Secured Claim shall be deemed released, terminated and extinguished, in each case without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order or rule or the vote, consent, authorization or approval of any Person.

(b) Voting: The LP Other Secured Claims are not impaired Claims. In accordance with section 1126(f) of the Bankruptcy Code, the holders of LP Other Secured Claims are conclusively presumed to accept this Plan and are not entitled to vote to accept or reject the Plan, and the votes of such holders will not be solicited with respect to such Allowed LP Other Secured Claims.

(c) Deficiency Claims: To the extent that the value of the Collateral securing each LP Other Secured Claim is less than the allowed amount of such LP Other Secured Claim, the undersecured portion of such Allowed Claim shall be treated for all purposes under this Plan as an Allowed LP General Unsecured Claim and shall be classified as an LP General Unsecured Claim.

5.3. Class 3 – Prepetition LP Facility Claims

(a) Allowance: On the Confirmation Date, the Prepetition LP Facility Claims shall be Allowed Claims.

(b) Treatment: In full satisfaction, settlement, release and discharge of, and in exchange for, Prepetition LP Facility Claims, and except to the extent that a holder of an Allowed Prepetition LP Facility Claim agrees to less favorable treatment, each holder of an Allowed Prepetition LP Facility Claim shall receive, on the Funding Date, its Pro Rata Share of Plan Consideration remaining after (A) establishment of an appropriate reserve on the Funding Date for the payment of Allowed Unclassified Claims pursuant to Article III, (B) establishment

of an appropriate reserve on the Funding Date for the payment of Allowed LP Other Priority Claims and Allowed LP Other Secured Claims pursuant to Sections 5.1 and 5.2 of this Plan, respectively, and (C) establishment of an appropriate reserve for the payment of the LP General Unsecured Claims Distribution; provided, that, in the event that the Stalking Horse Bid is selected as the Successful Bid and the Funding Date occurs, the Plan Consideration distributed to holders of Allowed Prepetition LP Facility Claims, in full satisfaction, settlement, release and discharge of, and in exchange for, such Claims, shall equal \$2,102,000,000 in the aggregate; and provided, further, in no event, shall any distribution to a holder of an Allowed Prepetition LP Facility Claim pursuant to this Section 5.3(b) be in excess of 100% of the amount of such holder's Allowed Prepetition LP Facility Claim.

(c) Voting: The Prepetition LP Facility Claims are impaired Claims. Holders of such Claims are entitled to vote to accept or reject the Plan, and the votes of such holders will be solicited with respect to such Prepetition LP Facility Claims.

5.4. Class 4 – LP General Unsecured Claims

(a) Treatment: In complete and final satisfaction, settlement, release, and discharge of, and in exchange for, LP General Unsecured Claims, and except to the extent that a holder of an Allowed LP General Unsecured Claim agrees to less favorable treatment, on the applicable Plan Distribution Date, each holder of an Allowed LP General Unsecured Claim shall receive such holder's Pro Rata Share of (A) the LP General Unsecured Claims Distribution, and (B) to the extent Allowed LP General Unsecured Claims exceed the LP General Unsecured Claims Distribution, Plan Consideration remaining, if any, after payment in full of all Allowed Unclassified Claims, Allowed LP Other Priority Claims, Allowed LP Other Secured Claims, and Allowed Prepetition LP Facility Claims; provided, in no event shall such distribution(s) be in excess of 100% of the amount of its Allowed LP General Unsecured Claim.

(b) Voting: The LP General Unsecured Claims are impaired Claims. Holders of such Claims are entitled to vote to accept or reject the Plan, and the votes of such holders will be solicited with respect to such LP General Unsecured Claims.

5.5. Class 5 – Existing LP Preferred Units Equity Interests

(a) Treatment: In complete and final satisfaction, settlement, release, and discharge of, and in exchange for, Existing LP Preferred Units Equity Interests, on the Effective Date, the Existing LP Preferred Units Equity Interests shall be cancelled and, except to the extent that a holder of an Allowed Existing LP Preferred Units Equity Interest agrees to less favorable treatment, on the applicable Plan Distribution Date, each holder of an Existing LP Preferred Units Equity Interest shall receive its Pro Rata Share of Plan Consideration remaining, if any, after payment in full of the Allowed LP General Unsecured Claims, including the amount (if any) of the LP General Unsecured Claims Distribution in excess of all Allowed LP General Unsecured Claims; provided, in no event shall such distribution(s) be in excess of 100% of the amount of its Allowed Existing LP Preferred Units Equity Interest.

(b) Voting: The Existing LP Preferred Units Equity Interests are impaired Equity Interests. Holders of such Equity Interests are entitled to vote to accept or reject the Plan, and

the votes of such holders will be solicited with respect to such Existing LP Preferred Units Equity Interests.

5.6. Class 6 – LP Common Equity Interests

(a) Treatment: In complete and final satisfaction, settlement, release, and discharge of, and in exchange for, LP Common Equity Interests, on the Effective Date, LP Common Equity Interests shall be cancelled (except as set forth in Section 7.14 of this Plan) and, on the applicable Plan Distribution Date, each holder of an LP Common Equity Interest shall receive its Pro Rata Share of the Plan Consideration remaining, if any, after payment in full of the Existing LP Preferred Units Equity Interests.

(b) Voting: The LP Common Equity Interests are impaired Equity Interests. Holders of such Equity Interests are entitled to vote to accept or reject the Plan, and the votes of such holders will be solicited with respect to such LP Common Equity Interests.

ARTICLE VI.

ACCEPTANCE OR REJECTION OF THE PLAN

6.1. Classes of Claims Deemed to Accept the Plan

Class 1 – LP Other Priority Claims and Class 2 – LP Other Secured Claims are unimpaired under the Plan and are therefore deemed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code.

6.2. Class Acceptance Requirement

A Class of Claims shall have accepted the Plan if it is accepted by the holders of at least two-thirds (2/3) in amount and more than one-half (1/2) in number of the Allowed Claims in such Class that have voted on the Plan. A Class of Equity Interests shall have accepted the Plan if it is accepted by holders of at least two-thirds (2/3) in amount of the Equity Interests in such Class that actually vote on the Plan.

6.3. Confirmation Pursuant to Section 1129(b) of the Bankruptcy Code or “Cramdown”

If all applicable requirements for confirmation of the Plan are met as set forth in section 1129(a) of the Bankruptcy Code, except subsection (8) thereof, the Plan shall be treated as a request that the Bankruptcy Court confirm the Plan in accordance with section 1129(b) of the Bankruptcy Code, notwithstanding the failure to satisfy the requirements of section 1129(a)(8), on the basis that the Plan is fair and equitable and does not discriminate unfairly with respect to each Class of Claims or Equity Interests that is impaired under, and has not accepted, the Plan.

6.4. Elimination of Vacant Classes

Any Class of Claims that does not have a holder of an Allowed Claim or a Claim temporarily allowed by the Bankruptcy Court as of the date of the Confirmation Hearing shall be deemed eliminated from the Plan for purposes of voting to accept or reject the Plan and for

purposes of determining acceptance or rejection of the Plan by such Class pursuant to section 1129(a)(8) of the Bankruptcy Code.

6.5. Voting Classes; Deemed Acceptance by Non-Voting Classes

If a Class contains Claims or Equity Interests eligible to vote and no holders of Claims or Equity Interests eligible to vote in such Class vote to accept or reject the Plan, the Plan shall be deemed accepted by the holders of such Claims or Equity Interests in such Class.

**ARTICLE VII.
MEANS FOR IMPLEMENTATION OF THE PLAN**

7.1. Plan Funding

Plan Distributions shall be made from Plan Consideration (which excludes, for the avoidance of doubt, Cash in the Wind Down Reserve) as of the Funding Date. Such Plan Consideration shall be used (i) first, to satisfy or establish an appropriate reserve for satisfaction of Allowed Unclassified Claims, Allowed LP Other Priority Claims and Allowed LP Other Secured Claims in Cash (or, with respect to LP Other Secured Claims, as otherwise permitted under Section 5.2 of this Plan); (ii) second, to pay or establish an appropriate reserve for payment of the LP General Unsecured Claims Distribution in Cash; and (iii) third, to satisfy the LP Debtors' other obligations with respect to payment of Allowed Claims and Allowed Equity Interests under this Plan, in accordance with the terms hereof. The issuance or delivery of any Plan Distributions that are securities shall be exempt from registration under applicable securities laws pursuant to section 1145(a) of the Bankruptcy Code.

On the Funding Date, Cash from the LP Sale Proceeds in an amount to be (a) mutually agreed by the Plan Sponsors and the LP Debtors or (b) ordered by the Bankruptcy Court, shall be deposited in a segregated account to be held by the LP Debtors (the "*Wind Down Reserve*"). Although the Wind Down Reserve will be funded on the Funding Date, the Cash deposited in the Wind Down Reserve shall be used to provide funding for reasonable expenses incurred or accrued by the LP Debtors on or after the Effective Date that are directly related to the Wind Down, including, without limitation, professional fees and expenses incurred by the LP Debtors in connection therewith. To the extent that amounts deposited in the Wind Down Reserve are insufficient to pay such expenses, the LP Debtors may withdraw Cash from the Disputed Claims Reserves established under Section 9.5 of this Plan, in an amount not to exceed \$1,000,000. For the avoidance of doubt, the Cash deposited in the Wind Down Reserve shall not be used to provide funding for the LP Debtors' working capital needs (*i.e.*, operating expenditures and capital expenditures) on and after the Funding Date, which obligations shall be the responsibility of the Purchaser pursuant to, and subject in all respects to the terms of, the Asset Purchase Agreement. For the further avoidance of doubt, the Purchaser shall not be responsible for the payment of any expenses associated with the Wind Down in the event that the Wind Down Reserve is insufficient to pay such expenses.

After funding the Wind Down Reserve, the remaining LP Sale Proceeds shall be deposited in the Disbursement Account as set forth in Section 7.3.

The Confirmation Order shall provide that, pursuant to sections 105(a), 1123(a)(5), 1123(b)(4), 1141, and 1142(b), upon the occurrence of the Funding Date, the LP Debtors shall pay all Allowed Prepetition LP Facility Claims as set forth in the Plan. The Plan shall constitute a motion for approval of such payment. Thereafter, on motion of the LP Debtors or the Plan Sponsors, and after notice and a hearing, the Bankruptcy Court may enter additional Advance Payment Orders as it deems appropriate.

7.2. The LP Sale

The Confirmation Order shall approve a sale of the Acquired Assets under sections 105(a), 1123(a)(5), 1123(b)(4), 1129(b)(2)(A), 1141, 1142(b), 1145 and 1146(a) of the Bankruptcy Code pursuant to a sale process under the terms and conditions of the Asset Purchase Agreement and the Bid Procedures Order free and clear of any Claims, Liens, interests, or encumbrances. The LP Sale Proceeds shall include a Cash component in an amount sufficient for the Disbursing Agent to make all Plan Distributions required to be in the form of Cash, and for the LP Debtors to fund the Wind Down Reserve and Disputed Claims Reserves, and to pay all amounts due to be paid to the Stalking Horse Bidder pursuant to the terms of the Bid Procedures Order in the event the Stalking Horse Bidder is not the Purchaser, including the Break-Up Fee and Expense Reimbursement. Upon entry of the Confirmation Order, the LP Debtors shall be (a) authorized to, among other things, sell, assume, assign and/or transfer the Acquired Assets, subject to applicable law and the terms and conditions of the Asset Purchase Agreement (including, without limitation, receipt of the Specified Regulatory Approvals to the extent applicable), and take any and all actions necessary to consummate the LP Sale; and (b) authorized and directed to execute the Asset Purchase Agreement (to the extent not executed as of the Confirmation Date). Actions necessary to consummate the LP Sale may include, among others, (a) the execution and delivery of appropriate instruments of transfer, assignment, assumption or delegation of any Asset, property, rights, liability, duty or obligation on terms consistent with the terms of the Asset Purchase Agreement and the Plan and having such other terms to which the LP Debtors and the Purchaser may agree and (b) all other actions that are necessary and appropriate in connection with such transactions, including making such filings or recordings that may be required by or appropriate under applicable state law. Nothing in the Plan or Confirmation Order authorizes the transfer or assignment of the Acquired Assets to the Purchaser (or, if applicable, the Alternative Purchaser) without the Purchaser's (or, if applicable, the Alternative Purchaser's) compliance with applicable non-bankruptcy laws regarding the transfer, assignment, or ownership of such Assets.

7.3. Distribution Account

The Distribution Account shall be established to receive on the Funding Date the Plan Consideration. Plan Distributions to be made pursuant to the Plan or an Advance Payment Order shall be made from the Distribution Account. Upon the transfer of the Plan Consideration into the Distribution Account, the LP Debtors and the Purchaser will have no interest in, or with respect to, the Plan Consideration in the Distribution Account, except as otherwise provided herein or the Confirmation Order. Upon the distribution of all Plan Consideration in the Distribution Account, the Distribution Account shall be extinguished.

7.4. Cancellation of Credit Agreements, Existing Securities and Agreements

Except for the purpose of evidencing a right to distribution under this Plan, and except as otherwise set forth herein, on the Effective Date all agreements, instruments, and other documents evidencing any Claim or Equity Interest and any rights of any holder in respect thereof, shall be deemed cancelled, discharged and of no force or effect. Notwithstanding the foregoing, the applicable provisions of the Prepetition LP Facility Credit Documents shall continue in effect solely for the purposes of permitting the Prepetition LP Facility Agent and/or the Disbursing Agent to make distributions pursuant to this Plan on account of Allowed Prepetition LP Facility Claims and to effectuate any charging Liens permitted under the Prepetition LP Facility Credit Agreement, and to assert any rights the holders of Prepetition LP Facility Claims may have with respect to any guaranty of such Prepetition LP Facility Claims by a Person other than an LP Debtor. Except as otherwise set forth herein, the holders of or parties to such cancelled instruments, securities and other documentation will have no rights arising from or relating to such instruments, securities and other documentation or the cancellation thereof, except the rights provided for pursuant to the Plan. Except as provided pursuant to this Plan, the Prepetition LP Facility Agent and its agents, successors and assigns shall be discharged of all of their obligations associated with the Prepetition LP Facility Credit Documents upon payment in full of the Prepetition LP Facility Claims.

7.5. Comprehensive Settlement of Claims and Controversies

Pursuant to Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided under this Plan, the provisions of this Plan will constitute a good faith compromise and settlement of all claims or controversies relating to the rights (including any subordination rights) that a holder of a Claim or Equity Interest may have with respect to any Allowed Claim or Allowed Equity Interest or any distribution to be made pursuant to this Plan on account of any Allowed Claim or Allowed Equity Interest. The entry of the Confirmation Order will constitute the Bankruptcy Court's approval, as of the Effective Date, of the compromise or settlement of all such claims or controversies and the Bankruptcy Court's finding that all such compromises or settlements are: (a) in the best interests of the LP Debtors and their respective Estates and property, and of holders of Claims or Equity Interests; and (b) fair, equitable and reasonable.

7.6. Continued Corporate Existence and Vesting of Assets

(a) Except as otherwise provided in this Plan, the LP Debtors will continue to exist after the Effective Date as separate corporate entities, in accordance with the applicable laws of the respective jurisdictions in which they are incorporated or organized, for the purposes of satisfying their obligations under the Plan, including making or assisting the Disbursing Agent in making distributions as required under the Plan and effectuating the Wind Down. On or after the Effective Date, each LP Debtor, in its sole and exclusive discretion, and subject to receipt of any required governmental or regulatory approvals (if any), may take such action as permitted by applicable law as such LP Debtor may determine is reasonable and appropriate, including, but not limited to, causing: (i) an LP Debtor to be merged into another LP Debtor, or its subsidiary or Affiliate; (ii) an LP Debtor to be dissolved without the necessity for any other or further actions to be taken by or on behalf of such dissolving LP Debtor or any payments to be made in

connection therewith subject to the filing of a certificate of dissolution with the appropriate governmental authorities; (iii) the legal name of an LP Debtor to be changed; or (iv) the closing of an LP Debtor's Chapter 11 Case on the Effective Date or any time thereafter.

(b) On and after the Effective Date, pursuant to sections 1141(b) and (c) of the Bankruptcy Code, and except as otherwise provided in this Plan or in the Confirmation Order, all property of the LP Debtors' Estates (other than the Plan Consideration), including all claims, rights and Causes of Action shall vest in each respective LP Debtor free and clear of all Claims, Liens, charges, other encumbrances and interests. In addition, on and after the Effective Date, subject to the terms and conditions of this Plan (including, without limitation, Article IX hereof), the LP Debtors shall effectuate the Wind Down of the LP Debtors' Estates, and may use, acquire and dispose of property and prosecute, compromise or settle any Claims (including any Administrative Claims) and Causes of Action (in each case that are not Acquired Assets or Assumed Liabilities), as well as disputes relating to allowance of any Equity Interest, without supervision of or approval by the Bankruptcy Court and free and clear of any restrictions of the Bankruptcy Code or the Bankruptcy Rules other than restrictions expressly imposed by this Plan or the Confirmation Order. Without limiting the foregoing, the LP Debtors may pay, from the proceeds of the Wind Down Reserve, the charges that they incur on or after the Effective Date for Professional Persons' fees, disbursements, expenses or related support services without application to the Bankruptcy Court.

7.7. Existing Officers; Existing Boards

(a) Existing Officers. The Existing Officers shall continue in their positions with the LP Debtors on and after the Effective Date, in accordance with their respective existing employment agreements with the LP Debtors (to the extent assumed by the LP Debtors in accordance with Section 10.1 of this Plan) or any new employment agreement entered into by the LP Debtors and the applicable Existing Officer on or prior to the Effective Date. The Existing Officers shall be entitled to indemnification for claims, losses, expenses and liabilities arising on or after the Effective Date pursuant to the terms and conditions of the articles of incorporation, by-laws, or similar organizational documents of the applicable LP Debtor in place as of the Effective Date.

(b) Existing Boards. The members of the Existing Boards shall continue in their positions with the LP Debtors on and after the Effective Date. The members of the Existing Boards shall be entitled to indemnification for claims, losses, expenses and liabilities arising on or after the Effective Date pursuant to the terms and conditions of the articles of incorporation, by-laws, or similar organizational documents of the applicable LP Debtor in place as of the Effective Date.

7.8. Corporate Governance

From and after the Effective Date, each of the LP Debtors shall be managed and administered by the Existing Boards, which shall have full authority to administer the provisions of the Plan and the Asset Purchase Agreement, subject to the terms of the Asset Purchase Agreement. Each Existing Board may, subject to the terms of the Asset Purchase Agreement, authorize its applicable Existing Officers to take any actions contemplated by this Plan or the Asset Purchase Agreement on behalf of the applicable LP Debtor.

7.9. Wind Down of the LP Debtors and Their Estates

(a) The Existing Boards shall oversee the Wind Down, subject to the terms and conditions of the Asset Purchase Agreement and this Plan, and shall make distributions to, and otherwise hold all property of the LP Debtors' Estates for the benefit of, holders of Allowed Claims and Allowed Equity Interests consistent and in accordance with the Plan and the Confirmation Order. The LP Debtors shall not be required to post a bond in favor of the United States.

(b) Following the Effective Date, the LP Debtors shall not engage in any business activities or take any actions, except those necessary to effectuate the Plan and the Wind Down. On and after the Effective Date, the LP Debtors may take such action and settle and compromise Claims or Equity Interests without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or the Bankruptcy Rules, other than any restrictions expressly imposed by the Plan, the Confirmation Order and/or the Asset Purchase Agreement (including, without, limitation, Article IX of this Plan).

7.10. Power and Authority of the Existing Boards

The Existing Boards shall have the power and authority to perform the following acts on behalf of the LP Debtors, in addition to any powers granted by law or conferred by any other provision of the Plan and orders of the Bankruptcy Court, but in each case subject to the terms and conditions of the Asset Purchase Agreement and this Plan (including, without limitation, Article IX hereof): (i) take all steps and execute all instruments and documents necessary to make or assist the Disbursing Agent in making distributions to holders of Allowed Claims and Allowed Equity Interests; (ii) object to Claims and Equity Interests as provided in this Plan and prosecute such objections; (iii) resolve, compromise and/or settle any objections to the amount, validity, priority, treatment, allowance or priority of Claims, Administrative Claims, or Equity Interests; (iv) comply with this Plan and the obligations hereunder; (v) if necessary, employ, retain, or replace professionals to assist the LP Debtors in compliance with their obligations under the Asset Purchase Agreement and/or the Wind Down; (vi) establish, replenish or release reserves as provided in this Plan, as applicable; (vii) take all actions necessary or appropriate to enforce the LP Debtors' rights under the Asset Purchase Agreement and any related document and to fulfill, comply with or otherwise satisfy the LP Debtors' covenants, agreements and obligations under the Asset Purchase Agreement and any related document; (viii) make all determinations on behalf of the LP Debtors under the Asset Purchase Agreement; (ix) prepare and file applicable tax returns for any of the LP Debtors; (x) liquidate any of the Retained Assets; (xi) deposit the LP Debtors' Estate funds, draw checks and make disbursements consistent with the terms of this Plan; (xii) purchase or continue insurance protecting the LP Debtors and property of the LP Debtors' Estates; (xiii) seek entry of a final decree in any of the Chapter 11 Cases at the appropriate time; (xiv) prosecute, resolve, compromise and/or settle any litigation; (xv) abandon in any commercially reasonable manner, including abandonment or donation to a charitable organization (as such term is described in Internal Revenue Code section 501(c)(3) (whose contributions are deductible under Internal Revenue Code section 170)) of the LP Debtors' choice, any LP Debtors' Estate Assets that are of no material benefit; and (xvi) take such other action as the LP Debtors may determine to be necessary or desirable to carry out the purpose of this Plan and/or consummation of the LP Sale in accordance with the Asset Purchase Agreement.

7.11. Assumed Liabilities

In accordance with the terms of the Asset Purchase Agreement, upon and after the Closing of the LP Sale pursuant to the Asset Purchase Agreement, the Purchaser (or, if applicable, the Alternative Purchaser) shall be responsible for payment and satisfaction of all Assumed Liabilities. Upon and after the Closing of the LP Sale pursuant to the Asset Purchase Agreement, all Persons holding Claims and Equity Interests arising out of or concerning an Assumed Liability, shall be forever barred, estopped and permanently enjoined from asserting against the LP Debtors and any of their property, such Claims or Equity Interests, as applicable. The Purchaser (and, if applicable, the Alternative Purchaser) is not assuming, and shall not become liable for the payment or performance of, any liabilities or other obligations of any of the LP Debtors of any nature whatsoever, whether accrued or unaccrued, other than the Assumed Liabilities.

7.12. Cancellation of Certain Existing Security Interests

Upon the full payment or other satisfaction of an Allowed LP Other Secured Claim, or promptly thereafter, the holder of such Allowed LP Other Secured Claim shall deliver to the LP Debtors any Collateral or other property of the LP Debtors held by such holder, and any termination statements, instruments of satisfactions, or releases of all security interests with respect to its Allowed LP Other Secured Claim that may be reasonably required in order to terminate any related financing statements, mortgages, mechanic's liens, or lis pendens; provided, however, any such Collateral that is an Acquired Asset received by the LP Debtors from the holder of such Allowed Claim shall be delivered promptly to the Purchaser (or, if applicable, the Alternative Purchaser) following the Closing.

7.13. Corporate Action

(a) The LP Debtors shall serve on the U.S. Trustee quarterly reports of the disbursements made until such time as a final decree is entered closing the applicable Chapter 11 Case or the applicable Chapter 11 Case is converted or dismissed, or the Bankruptcy Court orders otherwise. The deadline for filing Administrative Claims set forth in Section 3.2(a) of this Plan shall not apply to fees payable pursuant to section 1930 of title 28 of the United States Code.

(b) Entry of the Confirmation Order shall establish conclusive corporate and other authority (and evidence of such corporate and other authority) required for each of the LP Debtors to undertake any and all acts and actions required to implement or contemplated by the Plan and Confirmation Order (including, without limitation, the execution and delivery of the Asset Purchase Agreement), and such acts and actions shall be deemed to have occurred and shall be in effect pursuant to applicable non-bankruptcy law and the Bankruptcy Code, without the need for board or shareholder vote and without any requirement of further action by the stockholders, directors, partners or managers of the LP Debtors (if any).

(c) On the Confirmation Date, the Existing Boards are authorized and directed to execute and/or deliver, as the case may be, the agreements, documents and instruments contemplated by the Plan, the Plan Supplement and the Asset Purchase Agreement and any

schedules, exhibits or other documents attached thereto or contemplated thereby in the name and on behalf of the LP Debtors.

(d) Upon entry of a final decree in each Chapter 11 Case, if not previously dissolved, the applicable LP Debtor shall be deemed dissolved and wound up without any further action required by such LP Debtor.

7.14. Intercompany Equity Interests

No Equity Interest held by an LP Debtor in another LP Debtor shall be cancelled by the terms of this Plan, and all such Equity Interests shall continue in place following the Effective Date solely for the purpose of maintaining the existing corporate structure of the LP Debtors. Equity Interests held by any Inc. Entity in any LP Debtor shall be cancelled in accordance with Section 5.6 of this Plan; provided, that, no such Equity Interests shall be cancelled to the extent that the cancellation of such Equity Interests would cause the dissolution or winding up of any LP Debtor prior to the consummation of its Wind Down in accordance with this Plan, in which case such Equity Interests shall be cancelled immediately upon the consummation of, and pursuant to, such Wind Down.

ARTICLE VIII. PLAN DISTRIBUTION PROVISIONS

8.1. The Disbursing Agent

All Plan Distributions under this Plan shall be made by the Disbursing Agent as provided herein, or as set forth in an Advance Payment Order. The Disbursing Agent shall be empowered to: (a) take all steps and execute all instruments and documents necessary to make Plan Distributions to holders of Allowed Claims and Equity Interests; (b) comply with the Plan and the obligations thereunder; (c) make periodic reports regarding the status of distributions under the Plan to the holders of Allowed Claims that are outstanding at such time, with such reports to be made available upon request to the holder of any Disputed Claim; and (d) exercise such other powers as may be vested in the Disbursing Agent pursuant to the Plan, the Plan Documents, the Confirmation Order, or any other order of the Bankruptcy Court. Except as otherwise ordered by the Bankruptcy Court, and subject to the written agreement of the LP Debtors if the Disbursing Agent is a Person other than the LP Debtors, the amount of any reasonable documented fees and expenses incurred by the Disbursing Agent on or after the Effective Date (including, without limitation, taxes) and any reasonable compensation and expense reimbursement Claims (including, without limitation, reasonable attorney and other professional fees and expenses) made by the Disbursing Agent shall be paid in Cash by the LP Debtors from the Wind Down Reserve.

8.2. Postpetition Interest

Postpetition interest shall be paid on Allowed Prepetition LP Facility Claims as set forth in this Plan and the Prepetition LP Facility Credit Documents. In addition, postpetition interest and/or dividends shall be paid on Allowed Existing LP Preferred Units Equity Interests to the extent that (a) there is sufficient Plan Consideration to make a Plan Distribution to holders of LP Common Equity Interests after giving effect to all other Plan Distributions contemplated by this

Plan and (b) payment of such amounts is permitted under applicable bankruptcy or non-bankruptcy law. With respect to all Claims and Equity Interests other than Allowed Prepetition LP Facility Claims and Allowed Existing LP Preferred Units Equity Interests, postpetition interest shall not accrue or be paid, and no holder of a Claim or Equity Interest shall be entitled to interest accruing on such Claim or Equity Interest after the Petition Date, except as otherwise specifically provided for in the Confirmation Order or other order of the Bankruptcy Court, or required by applicable bankruptcy or non-bankruptcy law.

8.3. Timing of Plan Distributions

Unless otherwise provided herein, any distributions and deliveries to be made hereunder shall be made on the applicable Plan Distribution Date or as soon thereafter as is practicable, provided that the LP Debtors or the Disbursing Agent, as applicable, may utilize periodic distribution dates to the extent appropriate and not otherwise inconsistent with the Plan. In the event that any payment or act under this Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

8.4. Distribution Record Date

(a) As of the close of business on the Distribution Record Date, the various lists of holders of Claims and Equity Interests in each of the Classes, as maintained by the LP Debtors, or their agents, shall be deemed closed and there shall be no further changes in the record holders of any of the Claims and Equity Interests. Neither the LP Debtors nor the Disbursing Agent shall have any obligation to recognize any transfer of Claims or Equity Interests occurring after the close of business on the Distribution Record Date. Additionally, with respect to payment of any Cure Costs or any Cure Disputes in connection with the assumption and/or assignment of the LP Debtors' executory contracts and leases, the LP Debtors shall have no obligation to recognize or deal with any party other than the non-LP Debtor party to the underlying executory contract or lease, even if such non-LP Debtor party has sold, assigned or otherwise transferred its Claim for a Cure Cost.

(b) Plan Distributions to be made on account of Allowed Prepetition LP Facility Claims shall be made by the Disbursing Agent to the Prepetition LP Facility Agent, who shall distribute such Plan Distributions to holders of Allowed Prepetition LP Facility Claims in accordance with the terms of the Prepetition LP Facility Credit Agreement. The Prepetition LP Facility Agent shall cooperate and assist the Disbursing Agent in connection with such distributions to the holders of Allowed Prepetition LP Facility Claims. The LP Debtors, through the Disbursing Agent, shall pay the Prepetition LP Facility Agent's reasonable documented fees and expenses incurred in providing any such cooperation or assistance from the Wind Down Reserve.

(c) Plan Distributions to be made on account of Allowed Claims and Equity Interests other than Prepetition LP Facility Claims shall be made directly by the Disbursing Agent to the holders of such Claims and Equity Interests.

8.5. Address for Delivery of Plan Distributions/Unclaimed Plan Distributions

Subject to Bankruptcy Rule 9010, any Plan Distribution or delivery to a holder of an Allowed Claim or Equity Interest shall be made at the address of such holder as set forth in the latest-dated of the following actually held or received by the LP Debtors or the Disbursing Agent prior to the Effective Date: (a) the Schedules; (b) the Proof of Claim filed by such holder; (c) any notice of assignment filed with the Bankruptcy Court with respect to such Claim or Equity Interest pursuant to Bankruptcy Rule 3001(e); (d) any notice served by such holder giving details of a change of address; or (e) the transfer ledger in respect of the Existing LP Preferred Units Equity Interests and LP Common Equity Interests. If any Plan Distribution sent to the holder of a Claim or Equity Interest is returned to the Disbursing Agent as undeliverable, no Plan Distributions shall be made to such holder unless the Disbursing Agent is notified of such holder's then current address within one hundred and twenty (120) days after such Plan Distribution was returned. After such date, if such notice was not provided, such holder shall have forfeited its right to such Plan Distribution, and the undeliverable Plan Distribution shall revert to the Distribution Account. Upon such reversion, the Claim or Equity Interest of any holder or its successors with respect to such property shall be cancelled, discharged and forever barred notwithstanding any applicable federal or state escheat, abandoned or unclaimed property laws to the contrary.

8.6. Time Bar to Cash Payments

Checks issued in respect of Allowed Claims shall be null and void if not negotiated within ninety (90) days after the date of issuance thereof. Requests for reissuance of any voided check shall be made directly to the Disbursing Agent by the holder of the Allowed Claim to whom such check was originally issued. Any claim in respect of such a voided check shall be made within one hundred and twenty (120) days after the date of issuance of such check. If no request is made as provided in the preceding sentence, any claims in respect of such voided check shall be discharged and forever barred and such unclaimed Plan Distribution shall revert to the Distribution Account.

8.7. No Distribution in Excess of Amount of Allowed Claim

Notwithstanding anything to the contrary herein, no holder of an Allowed Claim shall, on account of such Allowed Claim, receive a Plan Distribution (of a value set forth herein) in excess of the allowed amount of such Claim plus postpetition interest on such Claim, to the extent interest is permitted under Section 8.2 of this Plan.

8.8. Setoffs and Recoupments

Each LP Debtor, or such entity's designee as instructed by such LP Debtor, may, pursuant to section 553 of the Bankruptcy Code or applicable non-bankruptcy law, set off and/or recoup against any Allowed Claim (other than an Allowed Prepetition LP Facility Claim) or any Allowed Equity Interest, and the Plan Distributions on account of such Allowed Claim or Allowed Equity Interest, any and all claims, rights and Causes of Action that an LP Debtor or its successors may hold against the holder of such Allowed Claim or Allowed Equity Interest after the Effective Date; provided, however, that neither the failure to effect a setoff or recoupment

nor the allowance of any Claim or Equity Interest (other than an Allowed Prepetition LP Facility Claim) hereunder will constitute a waiver or release by an LP Debtor or its successor of any and all claims, rights and Causes of Action that an LP Debtor or its successor may possess against such holder; and provided, further, that any proposed setoff or recoupment of the LP Debtors' rights or Causes of Action against an Allowed Inc. Entity General Unsecured Claim shall be subject to Bankruptcy Court approval as a settlement of such Allowed Inc. Entity General Unsecured Claim pursuant to Section 9.3 of this Plan.

8.9. Fractional Cents and De Minimis Distributions

Notwithstanding any other provision of the Plan to the contrary, (i) no payment of fractions of cents will be made; and (ii) the Disbursing Agent shall not have any obligation to make a Plan Distribution that is less than or \$40.00 in Cash. Whenever any payment of a fraction of a cent would otherwise be called for, the actual payment shall reflect a rounding down of such fraction to the nearest whole cent.

8.10. Manner of Payment Under the Plan

Unless the Person receiving a Plan Distribution agrees otherwise, any Plan Distribution to be made in Cash under the Plan shall be made, at the election of the Disbursing Agent, by check drawn on a domestic bank or by wire transfer from a domestic bank. Cash payments to foreign creditors may be, in addition to the foregoing, made at the option of the Disbursing Agent in such funds and by such means as are necessary or customary in a particular foreign jurisdiction. The issuance or delivery of any Plan Distribution that is a security shall be exempt from registration under applicable securities laws pursuant to section 1145(a) of the Bankruptcy Code.

8.11. Requirement to Give a Bond or Surety

The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court and, in the event that the Disbursing Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the applicable LP Debtor. Furthermore, any such Person required to give a bond shall notify the Bankruptcy Court and the U.S. Trustee in writing before terminating any such bond that is obtained.

8.12. Withholding and Reporting Requirements

In connection with this Plan and all distributions hereunder, the LP Debtors shall comply with all withholding and reporting requirements imposed by any federal, state, local or foreign taxing authority, and all Plan Distributions hereunder shall be subject to any such withholding and reporting requirements. The LP Debtors shall be authorized to take any and all actions that may be necessary or appropriate to comply with such withholding and reporting requirements, including, without limitation, liquidating a portion of any Plan Distribution to generate sufficient funds to pay applicable withholding taxes or establishing any other mechanisms the LP Debtors or the Disbursing Agent believe are reasonable and appropriate, including requiring a holder of a Claim or Equity Interest to submit appropriate tax and withholding certifications. Notwithstanding any other provision of this Plan: (a) each holder of an Allowed Claim and/or an Allowed Equity Interest that is to receive a distribution under this Plan shall have sole and

exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any governmental unit, including income, withholding and other tax obligations on account of such distribution; and (b) no Plan Distributions shall be required to be made to or on behalf of such holder pursuant to this Plan if, after 120 days from the date of transmission of a written request to the holder of an Allowed Claim or Allowed Equity Interest, the LP Debtors do not receive a valid, completed IRS form from such holder of an Allowed Claim or Allowed Equity Interest, which is otherwise required for reporting purposes, and such holder shall be treated as if their Claims or Equity Interests had been disallowed.

8.13. Cooperation with Disbursing Agent

The LP Debtors and their Professional Persons shall use all commercially reasonable efforts to provide the Disbursing Agent (if an entity other than the LP Debtors) with the amount of Claims and Equity Interests and the identity and addresses of holders of Claims and Equity Interests, in each case, as set forth in the LP Debtors' books and records. The LP Debtors and their Professional Persons shall cooperate in good faith with the Disbursing Agent (if an entity other than the LP Debtors) to comply with any of its reporting and withholding requirements.

**ARTICLE IX.
RESERVES AND PROCEDURES FOR RESOLVING DISPUTED CLAIMS**

9.1. Objections to Claims

Other than with respect to Fee Claims (to which any party in interest may object) and Inc. Entity General Unsecured Claims (to which the Ad Hoc LP Secured Group or any member thereof may object), only the LP Debtors shall be entitled to object to Claims after the Effective Date. Any objections to Claims (other than Administrative Claims), shall be served and filed on or before the later of: (a) one-hundred twenty (120) days after the Effective Date; and (b) such other date as may be fixed by the Bankruptcy Court, whether fixed before or after the date specified in clause (a) hereof. Any Claims filed after the applicable bar date (including Inc. Entity General Unsecured Claims filed after the Inc. Entity General Unsecured Claims Bar Date), shall be deemed disallowed and expunged in their entirety without further order of the Bankruptcy Court or any action being required on the part of the LP Debtors unless the Person wishing to file such untimely Claim has received Bankruptcy Court authority to do so. Notwithstanding any authority to the contrary, an objection to a Claim shall be deemed properly served on the claimant if the objecting party effects service in any of the following manners: (i) in accordance with Federal Rule of Civil Procedure 4, as modified and made applicable by Bankruptcy Rule 7004; (ii) by first class mail, postage prepaid, on the signatory on the Proof of Claim as well as all other representatives identified in the Proof of Claim or any attachment thereto; or (iii) if counsel has agreed to or is otherwise deemed to accept service, by first class mail, postage prepaid, on any counsel that has appeared on the claimant's behalf in the Chapter 11 Cases (so long as such appearance has not been subsequently withdrawn).

9.2. Amendment to Claims

Except with respect to Administrative Expense Claims and Fee Claims, from and after the Effective Date, no Claim may be filed to increase or assert additional Claims not reflected in an already filed Claim (or Claim scheduled, unless superseded by a filed Claim, on the

applicable LP Debtor's Schedules) asserted by such claimant and any such Claim shall be deemed disallowed and expunged in its entirety without further order of the Bankruptcy Court or any action being required on the part of the LP Debtors unless the claimant has obtained the Bankruptcy Court's prior approval to file such amended or increased Claim.

9.3. Settlement of Claims and Causes of Action

Notwithstanding any requirements that may be imposed pursuant to Bankruptcy Rule 9019, from and after the Effective Date, the LP Debtors shall have authority to settle or compromise all Claims (to the extent not previously compromised, settled and released under the Plan) without further review or approval of the Bankruptcy Court; provided, that notwithstanding the foregoing, the LP Debtors may not settle or compromise any Inc. Entity General Unsecured Claim without approval of the Bankruptcy Court, which the LP Debtors may seek on fourteen (14) calendar days' notice to the Ad Hoc LP Secured Group and Plan Sponsors.

9.4. Estimation of Claims

The LP Debtors (or any of them, as applicable), may at any time request that the Bankruptcy Court estimate any Disputed Claim pursuant to section 502(c) of the Bankruptcy Code regardless of whether the LP Debtors (or any of them, as applicable) has previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any Disputed Claim, that estimated amount shall constitute the allowed amount of such Claim for all purposes under the Plan except with respect to Plan Distributions, and with respect to Plan Distributions, the estimated amount shall constitute the maximum allowed amount of such Claim. All of the objection, estimation, settlement, and resolution procedures set forth in the Plan are cumulative and not necessarily exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn or resolved by any mechanism approved by the Bankruptcy Court.

9.5. Claims Reserves

(a) No Plan Distributions Pending Allowance. Except as provided in this Section 9.5, Disputed Claims shall not be entitled to any Plan Distributions unless and until such Claims become Allowed Claims.

(b) Unclassified Claims Reserve. On the Funding Date or as soon thereafter as is reasonably practicable, the LP Debtors shall set aside and reserve, for the benefit of each holder of a Disputed Claim that is an Administrative Claim or Priority Tax Claim, Plan Consideration in the form of Cash in an amount equal to (i) the amount of such Claim as estimated by the Bankruptcy Court pursuant to an Estimation Order, (ii) if no Estimation Order has been entered with respect to such Claim, the amount in which such Disputed Claim is proposed to be allowed in any pending objection filed with respect to such Claim, or (iii) if no Estimation Order has been entered with respect to such Claim, and no objection to such Claim is pending on the Effective Date, the greater of (A) the amount listed in the Schedules and (B) the amount set forth in a timely filed Proof of Claim or application for payment filed with the Bankruptcy Court or Claims

Agent. In addition, on the Funding Date or as soon thereafter as is reasonably practicable, the LP Debtors shall set aside and reserve, for the benefit of each holder of an Administrative Claim (including a Fee Claim) that has been or may be incurred prior to the Effective Date and has not been paid by the LP Debtors, Plan Consideration in the form of Cash in amount equal to such Administrative Claim (based on the Plan Sponsors' best estimate of the allowable amount of such Claim). To the extent that amounts deposited in the reserve established pursuant to this Section 9.5(b) are insufficient to pay any Allowed Administrative Claim or Allowed Priority Tax Claim, the LP Debtors may withdraw Cash from the Wind Down Reserve to pay such Allowed Claims. For the avoidance of doubt, the Cash reserved pursuant to this Section 9.5(b) shall not be used to provide funding for the LP Debtors' working capital needs (*i.e.*, operating expenditures and capital expenditures) on and after the Funding Date, which obligations shall be the responsibility of the Purchaser pursuant to, and subject in all respects to the terms of, the Asset Purchase Agreement.

(c) Disputed Priority-Non Tax Claims and Disputed LP Other Secured Claims Reserve. On the Funding Date or as soon thereafter as is reasonably practicable, the LP Debtors shall set aside and reserve, for the benefit of each holder of a Disputed Claim that is a LP Other Priority Claim or LP Other Secured Claim, Plan Consideration in the form of Cash in an amount equal to (i) the amount of such Claim as estimated by the Bankruptcy Court pursuant to an Estimation Order, (ii) if no Estimation Order has been entered with respect to such Claim, the amount in which such Disputed Claim is proposed to be allowed in any pending objection filed with respect to such Claim, or (iii) if no Estimation Order has been entered with respect to such Claim, and no objection to such Claim is pending on the Effective Date, the greater of (A) the amount listed in the Schedules and (B) the amount set forth in a timely filed Proof of Claim or application for payment filed with the Bankruptcy Court or Claims Agent. To the extent that amounts deposited in the reserve established pursuant to this Section 9.5(c) are insufficient to pay any Allowed LP Other Priority Claim or Allowed LP Other Secured Claim, the LP Debtors may withdraw Cash from the Wind Down Reserve to pay such Allowed Claims.

(d) Disputed LP General Unsecured Claims Reserve. On the Funding Date or as soon thereafter as is reasonably practicable, the LP Debtors shall set aside and reserve, for the benefit of each holder of a Disputed Claim that is an LP General Unsecured Claim, Plan Consideration in an amount equal to (i) the LP General Unsecured Claims Distribution minus the amount of Allowed LP General Unsecured Claims as of the Funding Date, or (ii) such other amount as may be ordered by the Bankruptcy Court on or prior to the Confirmation Date. Further, so long as the Allowed Prepetition LP Facility Claims have been paid in full on the Effective Date as set forth in Section 5.3 of this Plan, and only to the extent the aggregate amount of Disputed LP General Unsecured Claims (as calculated hereunder) exceeds the Cash set aside and reserved pursuant to the first sentence of this Section 9.5(d), the LP Debtors shall, on the Funding Date or as soon thereafter as is reasonably practicable, set aside and reserve, for the benefit of each holder of a Disputed LP General Unsecured Claim, Cash in an amount equal to (i) the amount of such Claim as estimated by the Bankruptcy Court pursuant to an Estimation Order, (ii) if no Estimation Order has been entered with respect to such Claim, the amount in which such Disputed Claim is proposed to be allowed in any pending objection filed by the LP Debtors, or (iii) if no Estimation Order has been entered with respect to such Claim, and no objection to such Claim is pending on the Effective Date, the greater of (A) the amount listed in the Schedules and (B) the amount set

forth in a timely filed Proof of Claim or application for payment filed with the Bankruptcy Court or Claims Agent.

(e) Plan Distributions to Holders of Subsequently Allowed Claims. On each Plan Distribution Date (or such earlier date as determined by the LP Debtors or the Disbursing Agent in their sole discretion but subject to this Section 9.5), the Disbursing Agent will make Plan Distributions from the applicable Disputed Claims Reserve on account of any Disputed Claim that has become an Allowed Claim since the occurrence of the previous Plan Distribution Date. The Disbursing Agent shall distribute from the applicable Disputed Claims Reserve in respect of such newly Allowed Claims the Plan Distributions to which holders of such Claims would have been entitled under this Plan if such newly Allowed Claims were fully or partially Allowed, as the case may be, on the Effective Date, less direct and actual expenses, fees, or other direct costs of maintaining Cash on account of such Disputed Claims.

(f) Distribution from Disputed Claims Reserves Upon Disallowance. Except as otherwise provided in this Plan, to the extent any Disputed Claim has become a Disallowed Claim in full or in part (in accordance with the procedures set forth in the Plan), any Cash held in any Disputed Claim Reserve by the LP Debtors on account of, or to pay, such Disputed Claim, shall revert to the Distribution Account and be distributed to holders of Allowed Claims or Allowed Equity Interests in accordance with Article V.

9.6. No Recourse

Notwithstanding that the allowed amount of any particular Disputed Claim is (a) reconsidered under the applicable provisions of the Bankruptcy Code and Bankruptcy Rules or (b) allowed in an amount for which after application of the payment priorities established by this Plan there is insufficient value to provide a recovery equal to that received by other holders of Allowed Claims or Allowed Equity Interests in the respective Class, no Claim or Equity Interest holder shall have recourse against the Disbursing Agent, the LP Debtors, the Purchaser (and, if applicable, the Alternative Purchaser) or any of their respective professionals, consultants, officers, directors, employees or members or their successors or assigns, or any of their respective property. However, nothing in the Plan shall modify any right of a holder of a Claim under section 502(j) of the Bankruptcy Code, nor shall it modify or limit the ability of claimants (if any) to seek disgorgement to remedy any unequal distribution from parties other than those released under this section. For the avoidance of doubt, and notwithstanding anything to the contrary herein, except as expressly provided in the Asset Purchase Agreement, the Purchaser (and, if applicable, the Alternative Purchaser) shall not be liable for the payment of any Administrative Claims (including Fee Claims) accrued or incurred prior to the Effective Date under any circumstances, including in the event that the reserve for such claims established under Section 9.5(b) of this Plan is insufficient to pay such Administrative Claims in full as provided in Section 3.2 of this Plan. **The estimation of Claims and the establishment of reserves under the Plan may limit the distribution to be made on individual Disputed Claims and other Claims contemplated to be paid from the reserves established under Section 9.5 of this Plan, regardless of the amount finally allowed on account of such Claims.**

ARTICLE X.
TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

10.1. General Treatment

(a) On the Effective Date, all executory contracts and unexpired leases of each of the LP Debtors shall be deemed to be rejected by the applicable LP Debtor pursuant to the provisions of section 365 of the Bankruptcy Code, except: (i) any executory contract or unexpired lease that has previously has been assumed, assumed and assigned, or rejected pursuant to a Final Order of the Bankruptcy Court; (ii) any executory contract or unexpired lease that is designated specifically or by category as a contract or lease to be assumed or assumed and assigned on the Schedule of Assumed Executory Contracts and Unexpired Leases; (iii) any executory contract or unexpired lease that is the subject of a separate motion to assume and assign to a Person other than the Purchaser (or, if applicable, the Alternative Purchaser) or to reject under section 365 of the Bankruptcy Code pending on the Effective Date; and (iv) any executory contract or unexpired lease that is the subject of a pending Cure Dispute as of the Effective Date for which the applicable LP Debtor makes a motion to reject such contract or lease based upon the existence of such dispute filed at any time. Listing a contract or lease in the Schedule of Assumed Executory Contracts and Unexpired Leases shall not constitute an admission by the applicable LP Debtor that the applicable LP Debtor has any liability thereunder.

(b) No later than the applicable deadline set forth in the Bid Procedures Order, the LP Debtors shall file with the Bankruptcy Court and serve upon the counterparties to the executory contracts and unexpired leases anticipated to be listed on the Schedule of Assumed Executory Contracts and Unexpired Leases, a notice (the "***Contract and Lease Counterparties Notice***") regarding the proposed assumption, or assumption and assignment and the proposed cure obligations in connection therewith (the "***Cure Costs***"). The inclusion of any executory contract or unexpired lease on any version of the Contract and Lease Counterparties Notice or Schedule of Assumed Executory Contracts and Unexpired Leases at any time prior to the Effective Date does not ultimately establish that such contract or lease shall be assumed, or assumed and assigned, and the Contract and Lease Counterparties Notice and Assumed Executory Contracts and Unexpired Leases may be altered, amended, modified, or supplemented at any time prior to the Effective Date to remove any contract or lease therefrom in accordance with the Bankruptcy Code and applicable orders of the Bankruptcy Court.

(c) At the Confirmation Hearing, only those executory contracts or unexpired leases (and the corresponding Cure Costs) listed on the Schedule of Assumed Executory Contracts and Unexpired Leases that have been selected to be assumed by the LP Debtors or assumed and assigned to the Purchaser (or, if applicable, the Alternative Purchaser) at the Auction shall be the contracts and leases subject to approval by the Court.

(d) To the extent that an executory contract or unexpired lease is a Designated Contract, any such Designated Contract will be assumed by the LP Debtors, as applicable, on the Effective Date and assigned by the LP Debtors to the Purchaser (or, if applicable, the Alternative Purchaser) at the Closing. Each executory contract or unexpired lease assumed pursuant to the Plan or by Bankruptcy Court order but not assigned to a third party before the Effective Date

shall revert in and be fully enforceable by the applicable contracting LP Debtor in accordance with its terms, except as such terms may have been modified by the Plan or such order.

(e) Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of the rejection of the executory contracts and unexpired leases as set forth in Section 10.1(a) of this Plan, subject to the occurrence of the Effective Date, pursuant to section 365(a) of the Bankruptcy Code, and a finding by the Bankruptcy Court that each such rejected executory contract or unexpired lease is burdensome and that the rejection thereof is in the best interests of the LP Debtors and their Estates.

(f) Entry of the Confirmation Order shall, subject to the occurrence of the Effective Date, constitute the approval, pursuant to sections 365(a) and 1123(b) of the Bankruptcy Code, of: (i) subject to Section 10.3(e) of this Plan, the assumptions and assignments of executory contracts and unexpired leases set forth in the Schedule of Assumed Executory Contracts and Unexpired Leases; and (ii) the assumption and assignment of the Designated Contracts pursuant to Section 10.1(d) of this Plan.

(g) Neither the exclusion nor inclusion of any contract or lease on the Schedule of Assumed Executory Contracts and Unexpired Leases or the Contract and Lease Counterparties Notice or anything else contained in this Plan shall constitute an admission that any such contract or lease is or is not, in fact, an executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code.

10.2. Claims Based on Rejection of Executory Contracts or Unexpired Leases

(a) All Claims arising from the rejection of executory contracts or unexpired leases, if any, will be treated as LP General Unsecured Claims. Upon receipt by the holder of any such Claim of its applicable Plan Distribution pursuant to Section 5.4 of this Plan, such Claim shall be discharged on the Effective Date, and shall not be enforceable against the LP Debtors, the Purchaser (and, if applicable, the Alternative Purchaser, subject to Section 10.3(e) of this Plan) or their respective properties or interests in property (and shall not, for the avoidance of doubt, constitute Assumed Liabilities).

(b) Each Person who is a party to a contract or lease rejected under the Plan must file with the Bankruptcy Court and serve on the LP Debtors, not later than thirty (30) days after the Confirmation Date (or, for any contract or lease that is not rejected as of the Confirmation Date but is rejected thereafter, 30 days after the effective date of such rejection), a Proof of Claim for damages alleged to arise from the rejection of the applicable contract or lease or be forever barred from filing a Claim, or sharing in distributions under the Plan, related to such alleged rejection damages.

10.3. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases

(a) In accordance with Section 10.1(b) hereof, no later than the applicable deadline set forth in the Bid Procedures Order, the LP Debtors shall file with the Bankruptcy Court and serve upon the counterparties to the executory contracts and unexpired leases that are anticipated

to be assumed or assumed and assigned, a Contract and Lease Counterparties Notice. The Contract and Lease Counterparties Notices will (i) list the applicable Cure Costs, if any, for each executory contract and unexpired lease listed therein, (ii) describe the procedures for filing objections to the proposed assumption, or assumption and assignment, or Cure Costs, and (iii) explain the process by which related disputes shall be resolved by the Bankruptcy Court. If the LP Debtors identify additional executory contracts and unexpired leases that might be assumed by the LP Debtors, the LP Debtors will promptly send a Contract and Lease Counterparties Notice to the counterparties to any such contracts or leases.

(b) Except to the extent that less favorable treatment has been agreed to by the non-LP Debtor party or parties to each such executory contract or lease, monetary defaults arising under each executory contract and lease to be assumed, or assumed and assigned, pursuant to the Plan shall be cured, in accordance with section 365(b)(1) of the Bankruptcy Code, on or prior to the Closing of the LP Sale by (i) the payment of the undisputed Cure Costs and/or (ii) establishment of a reserve with respect to any disputed Cure Costs. The party responsible for paying the Cure Costs shall be set forth in the Asset Purchase Agreement.

(c) Any party that fails to object to the applicable Cure Cost listed on the Contract and Lease Counterparties Notice or the Schedule of Assumed Executory Contracts and Unexpired Leases, or the assumption of the applicable executory contract or unexpired lease, by the deadlines set forth in the Bid Procedures Order, (i) shall be forever barred, estopped and enjoined from (x) disputing the Cure Cost relating to any executory contract or unexpired lease set forth on the Contract and Lease Counterparties Notices or Schedule of Assumed Executory Contracts and Unexpired Leases, and (y) asserting any Claim against the applicable LP Debtor arising under section 365(b)(1) of the Bankruptcy Code other than as set forth on the Contract and Lease Counterparties Notices or the Schedule of Assumed Executory Contracts and Unexpired Leases; and (ii) subject to Section 10.3(e) of this Plan, shall be deemed to have consented to the assumption and assignment of such executory contract and unexpired lease and shall be forever barred and estopped from asserting or claiming against the LP Debtors, the Purchaser or any other assignee of the relevant executory contract or unexpired lease (including, if applicable, the Alternative Purchaser) that any additional amounts are due or defaults exist, or conditions to assumption and assignment of such executory contract or unexpired lease must be satisfied (pursuant to section 365(b)(1) of the Bankruptcy Code or otherwise). Any objection relating to the Cure Cost shall specify the Cure Cost proposed by the counterparty to the applicable contract or lease.

(d) In the event of a dispute (each, a "*Cure Dispute*") regarding: (i) any Cure Cost; (ii) the ability of the LP Debtors or the Purchaser to demonstrate "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under any contract or lease to be assumed; or (iii) any other matter pertaining to the proposed assumption, the cure payments required by section 365(b)(1) of the Bankruptcy Code shall be made at the times set forth in Section 10.3(b) of this Plan following the entry of a Final Order resolving such Cure Dispute and approving the assumption. To the extent a Cure Dispute relates solely to a Cure Cost, the applicable LP Debtor may assume and assign the applicable contract or lease prior to the resolution of the Cure Dispute provided that a reserve is established containing Cash in an amount sufficient to pay the full amount asserted as cure payment by the non-LP Debtor party to such contract or lease (or such smaller amount as may be fixed or estimated by the Bankruptcy

Court). To the extent the Cure Dispute is resolved or determined unfavorably to the LP Debtors, the LP Debtors may, subject to the terms and conditions of the Asset Purchase Agreement, reject the applicable executory contract or unexpired lease after such determination. Any Cure Disputes not consensually resolved prior to the Confirmation Hearing shall be heard at the Confirmation Hearing (or such other hearing as requested by the LP Debtors and determined appropriate by the Bankruptcy Court), including any disputed Cure Costs or objections to assumption and assignment, and/or objections to the adequacy of assurance of future performance being provided.

(e) Notwithstanding anything to the contrary herein, in the event that there is an Alternative Sale under the Asset Purchase Agreement, (i) the assumption and assignment of any executory contract or unexpired lease to the Alternative Purchaser shall be subject to further approval by the Bankruptcy Court, which approval the LP Debtors may seek on no less than fourteen (14) calendar days' notice, and (ii) counterparties to any executory contract or unexpired lease proposed to be assumed and assigned to such Alternative Purchaser shall be entitled to object to such proposed assumption and assignment on the grounds that the LP Debtors or such Alternative Purchaser are unable to demonstrate "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code), but not on any other grounds.

10.4. Compensation and Benefit Programs

For the avoidance of doubt, all employment and severance policies, and all compensation and benefit plans, policies, and programs of the LP Debtors applicable to their respective employees, retirees and non-employee directors including, without limitation, all savings plans, retirement plans, healthcare plans, disability plans, severance benefit plans, incentive plans, and life, accidental death and dismemberment insurance plans are treated as executory contracts under the Plan and on the Effective Date will be rejected as set forth in Section 10.1 of this Plan unless any of the foregoing is an Acquired Asset and the counterparty thereto receives a Contract and Lease Counterparties Notice, in which case the same shall be assumed and assigned to the Purchaser (or, if applicable, the Alternative Purchaser) pursuant to the Asset Purchase Agreement and in accordance with sections 365 and 1123 of the Bankruptcy Code.

ARTICLE XI.

CONDITIONS PRECEDENT TO CONFIRMATION OF THE PLAN AND THE OCCURRENCE OF THE EFFECTIVE DATE

11.1. Conditions Precedent to Confirmation

The following are conditions precedent to confirmation of the Plan:

- (a) the Bankruptcy Court shall have entered the Disclosure Statement Order and the Bid Procedures Order, and the Canadian Court shall have entered the Disclosure Statement Recognition Order and the Bid Procedures Recognition Order;
- (b) the Auction shall have been completed; and

- (c) the Bankruptcy Court shall have entered the Confirmation Order, which shall, among other things, approve the LP Sale if not approved by a separate order of the Bankruptcy Court.

11.2. Conditions Precedent to the Occurrence of the Effective Date

The following are conditions precedent to the occurrence of the Effective Date:

- (a) each of the Confirmation Order and the Confirmation Recognition Order shall have become a Final Order;
- (b) the Plan Documents shall have been executed and delivered, and any conditions (other than the occurrence of the Effective Date or certification by an LP Debtor that the Effective Date has occurred) contained therein shall have been satisfied or waived in accordance therewith;
- (c) the Funding and Closing each shall have occurred in accordance with the terms and conditions of the Asset Purchase Agreement;
- (d) the Allowed Prepetition LP Facility Claims shall have been satisfied as set forth in Section 5.3; and

11.3. Waiver of Conditions

The Plan Sponsors may waive, without further order of the Bankruptcy Court, any one or more of the conditions set forth in this Article XI. Further, the stay of the Confirmation Order, pursuant to Bankruptcy Rule 3020(e), shall be deemed waived by the Confirmation Order.

11.4. Effect of Non-Occurrence of the Funding Date

If all of the conditions precedent to the occurrence of the Funding Date have not been satisfied or duly waived (as provided in Section 11.3 of this Plan) on or before the first Business Day that is more than sixty (60) days after the Confirmation Date, or by such later date as set forth by the Plan Sponsors in a notice filed with the Bankruptcy Court prior to the expiration of such period, then the Plan Sponsors may file a motion to vacate the Confirmation Order before all of the conditions have been satisfied or duly waived. It is further provided that notwithstanding the filing of such a motion, the Confirmation Order shall not be vacated if all of the conditions precedent to the Funding Date set forth in the Asset Purchase Agreement are either satisfied or duly waived before the Bankruptcy Court enters an order granting the relief requested in such motion. If the Confirmation Order is vacated pursuant to this Section 11.4, this Plan shall be null and void in all respects, the Confirmation Order shall be of no further force or effect, no distributions under this Plan shall be made, the LP Debtors and all holders of Claims and Equity Interests in the LP Debtors shall be restored to the status quo ante as of the day immediately preceding the Confirmation Date as though the Confirmation Date had never occurred, and upon such occurrence, nothing contained in this Plan shall: (a) constitute a waiver

or release of any Claims against or Equity Interests in the LP Debtors; (b) prejudice in any manner the rights of the holder of any Claim against or Equity Interest in the LP Debtors; or (c) constitute an admission, acknowledgment, offer or undertaking by any LP Debtor or any other Person with respect to any matter set forth in the Plan.

ARTICLE XII.
RETENTION OF JURISDICTION

Pursuant to sections 105(a) and 1142 of the Bankruptcy Code, the Bankruptcy Court shall retain and shall have exclusive jurisdiction, pursuant to 28 U.S.C. §§ 1334 and 157, over any matter, other than Avoidance Actions (excluding any Avoidance Actions that are Acquired Assets under the Asset Purchase Agreement), over which the Bankruptcy Court shall have concurrent jurisdiction, (a) arising under the Bankruptcy Code, (b) arising in or related to the Chapter 11 Cases of the LP Debtors, or the Plan, or (c) that relates to the following:

- (i) To determine any and all adversary proceedings, applications, motions, and contested or litigated matters that may be pending on the Effective Date or that, pursuant to the Plan, may be instituted by the LP Debtors after the Effective Date;
- (ii) To hear and determine any objections to the allowance of Claims, whether filed, asserted, or made before or after the Effective Date, including, without express or implied limitation, to hear and determine any objections to the classification of any Claim and to allow, disallow or estimate any Disputed Claim in whole or in part;
- (iii) To ensure that distributions to holders of Allowed Claims or Allowed Equity Interests are accomplished as provided herein;

- (v) To consider Equity Interests or the allowance, compromise or distributions on account of any Equity Interest;
- (vi) To enter, implement, or enforce such orders as may be appropriate in the event the Confirmation Order is for any reason stayed, reversed, revoked, modified, or vacated;
- (vii) To issue such orders in aid of execution of the Plan to the extent authorized or contemplated by section 1142 of the Bankruptcy Code;
- (viii) To consider any modifications of the Plan, remedy any defect or omission, or reconcile any inconsistency in any order of the Bankruptcy Court, including, without limitation, the Confirmation Order;
- (ix) To hear and determine all Fee Applications;
- (x) To resolve disputes concerning any reserves with respect to Disputed Claims or the administration thereof;

(xi) To hear and determine all controversies, suits and disputes that may relate to, impact upon, or arise in connection with the LP Sale or its interpretation, implementation, enforcement or consummation (subject to the terms thereof);

(xii) To recover all Assets of the LP Debtors and property of the Estates, wherever located (other than any Acquired Assets, after the occurrence of the Closing of the LP Sale);

(xiii) To hear and determine all controversies, suits and disputes that may relate to, impact upon or arise in connection with the Plan, the Plan Documents or the interpretation, implementation, enforcement or consummation thereof;

(xiv) To hear and determine all controversies, suits and disputes that may relate to, impact upon, or arise in connection with the Confirmation Order (and all exhibits to the Plan) or the interpretation, implementation, enforcement or consummation thereof;

(xv) To the extent that Bankruptcy Court approval is required, and to the extent not released pursuant to the Plan, to consider and act on the compromise and settlement of any Claim by, on behalf of, or against the LP Debtors or their Estates;

(xvi) To hear and determine such other matters that may be set forth in the Plan or the Confirmation Order, or that may arise in connection with the Plan or the Confirmation Order;

(xvii) To hear and determine matters concerning state, local and federal taxes, fines, penalties or additions to taxes for which the LP Debtors may be liable, directly or indirectly;

(xviii) To hear and determine all controversies, suits and disputes that may relate to, impact upon, or arise in connection with any setoff and/or recoupment rights of the LP Debtors or any Person under the Plan;

(xix) To hear and determine all controversies, suits, and disputes that may relate to, impact upon, or arise in connection with Causes of Action of the LP Debtors (including Avoidance Actions) commenced by the LP Debtors, or any third parties, as applicable, before or after the Effective Date, except to the extent such Causes of Action are compromised, settled and released under the Plan or constitute Acquired Assets under the Asset Purchase Agreement;

(xx) To hear and determine all controversies, suits, or disputes that may arise in relation to the rights and obligations of the Disbursing Agent;

(xxi) To enter an order or final decree closing the Chapter 11 Case of any LP Debtor;

(xxii) In the event of an Alternative Sale, to determine whether the assignment of any Designated Contract to the Alternative Purchaser satisfies the requirement of section 365 of the Bankruptcy Code of "adequate assurance of future performance" and

provide such other authorizations and approvals as may be reasonably necessary to consummate an Alternative Sale;

(xxiii) To issue injunctions, enter and implement other orders or take such other actions as may be necessary or appropriate to restrain interference by any Person with consummation, implementation or enforcement of the Plan or the Confirmation Order; and

(xxiv) To hear and determine any other matters related hereto and not inconsistent with chapter 11 of the Bankruptcy Code.

ARTICLE XIII. MISCELLANEOUS PROVISIONS

13.1. Releases

(a) **Releases by the LP Debtors.** For good and valuable consideration, the adequacy of which is hereby confirmed, and except as otherwise provided in this Plan or the Confirmation Order, as of the Effective Date, the LP Debtors, in their individual capacities and as debtors in possession shall be deemed to forever release, waive and discharge all claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action and liabilities (other than the rights of the LP Debtors to enforce this Plan, the contracts, instruments, releases, indentures and other agreements or documents delivered thereunder and the Asset Purchase Agreement) against the Released Parties, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, in law, equity or otherwise that are based in whole or in part on any act, omission, transaction, event or other occurrence taking place on or prior to the Effective Date in any way relating to the LP Debtors, the parties released pursuant to this Section 13.1, the Chapter 11 Cases, this Plan or the Disclosure Statement, and that could have been asserted by or on behalf of the LP Debtors or their Estates, whether directly, indirectly, derivatively or in any representative or any other capacity.

(b) **Releases by Holders of Claims and Equity Interests.** Except as otherwise provided in this Plan or the Confirmation Order, on the Effective Date: (i) each of the Released Parties; (ii) each holder of a Claim or Equity Interest voting to accept the Plan or conclusively presumed to accept the Plan; (iii) each holder of a Claim or Equity Interest abstaining from voting to accept or reject the Plan, unless such abstaining holder checks the box on the applicable Ballot indicating that such holder opts not to grant the releases provided in this Section 13.1; and (iv) to the fullest extent permissible under applicable law, as such law may be extended or interpreted subsequent to the Effective Date, all holders of Claims and Equity Interests, in consideration for the obligations of the LP Debtors under this Plan and the other contracts, instruments, releases, agreements or documents executed and delivered in connection with this Plan, and each Person (other than the LP Debtors) that has held, holds or may hold a Claim or Equity Interest, as applicable, will be deemed to have consented to this Plan for all purposes and the restructuring embodied herein and deemed to forever release, waive and discharge all claims, demands, debts, rights, Causes of Action or liabilities (other than the right to enforce the obligations of any party under

this Plan and the contracts, instruments, releases, agreements and documents delivered under or in connection with this Plan, including, without limitation, the Asset Purchase Agreement) against the Released Parties, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, in law, equity or otherwise that are based in whole or in part on any act or omission, transaction, event or other occurrence taking place on or prior to the Effective Date in any way relating to the LP Debtors, the LP Debtors' Chapter 11 Cases, the LP Sale, the transactions contemplated by the Asset Purchase Agreement, this Plan or the Disclosure Statement.

(c) Notwithstanding anything to the contrary contained herein: (i) except to the extent permissible under applicable law, as such law may be extended or interpreted subsequent to the Effective Date, the releases provided for in this Section 13.1 shall not release any LP Debtor from any liability arising under (x) the Internal Revenue Code or any state, city or municipal tax code, or (y) any criminal laws of the United States or any state, city or municipality; and (ii) the releases set forth in this Section 13.1 shall not release any (x) LP Debtor's claims, rights, or Causes of Action for money borrowed from or owed to an LP Debtor or its subsidiary by any of its directors, officers or former employees, as set forth in such LP Debtor's or subsidiary's books and records, (y) any claims against any Person to the extent such Person asserts a crossclaim, counterclaim and/or claim for setoff which seeks affirmative relief against an LP Debtor or any of its officers, directors, or representatives and (z) claims against any Person arising from or relating to such Person's fraud, gross negligence or willful misconduct, each as determined by a Final Order of the Bankruptcy Court.

(d) Notwithstanding anything to the contrary contained herein, nothing herein: (i) discharges, releases, or precludes any (x) environmental liability that is not a Claim; (y) environmental claim of the United States that first arises on or after the Confirmation Date, or (z) other environmental claim or environmental liability that is not otherwise dischargeable under the Bankruptcy Code; (ii) releases the LP Debtors from any environmental liability that an LP Debtor may have as an owner or operator of real property owned or operated by an LP Debtor on or after the Confirmation Date; (iii) releases or precludes any environmental liability to the United States on the part of any Persons other than the LP Debtors; or (iv) enjoins the United States from asserting or enforcing any liability described in this paragraph.

13.2. Exculpation and Limitation of Liability

None of the Released Parties shall have or incur any liability to any holder of any Claim or Equity Interest or any other party in interest, or any of their respective agents, employees, representatives, financial advisors, attorneys, or agents acting in such capacity, or affiliates, or any of their successors or assigns, for any act or omission in connection with, or arising out of, the LP Debtors' Chapter 11 Cases, the Asset Purchase Agreement, the Disclosure Statement, the solicitation of votes for and the pursuit of confirmation of this Plan, the consummation of the Plan, or the implementation or administration of the Plan, the transactions contemplated by the Plan, or the property to be distributed under the Plan, including, without limitation, all documents ancillary thereto, all decisions, actions, inactions and alleged negligence or misconduct relating thereto, and all prepetition

activities leading to the promulgation and confirmation of this Plan, except for fraud, willful misconduct or gross negligence as finally determined by a Final Order of the Bankruptcy Court, and, in all respects, the Released Parties shall be entitled to rely upon the advice of counsel and all information provided by other exculpated Persons herein without any duty to investigate the veracity or accuracy of such information with respect to their duties and responsibilities under the Plan.

13.3. Injunctions

(a) Except as otherwise provided in this Plan or the Confirmation Order, as of the Confirmation Date, but subject to the occurrence of the Effective Date, all Persons who have held, hold or may hold Claims against or Equity Interests in the LP Debtors or their Estates are, with respect to any such Claims or Equity Interests, permanently enjoined after the Confirmation Date from: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind (including, without limitation, any proceeding in a judicial, arbitral, administrative or other forum) against or affecting the LP Debtors, their Estates or any of their property, or any direct or indirect transferee of any property of, or direct or indirect successor in interest to, any of the foregoing Persons or any property of any such transferee or successor; (ii) enforcing, levying, attaching (including, without limitation, any pre-judgment attachment), collecting or otherwise recovering by any manner or means, whether directly or indirectly, any judgment, award, decree or order against the LP Debtors, or their Estates or any of their property, or any direct or indirect transferee of any property of, or direct or indirect successor in interest to, any of the foregoing Persons, or any property of any such transferee or successor; (iii) creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind against the LP Debtors, or their Estates or any of their property, or any direct or indirect transferee of any property of, or successor in interest to, any of the foregoing Persons; (iv) acting or proceeding in any manner, in any place whatsoever, that does not conform to or comply with the provisions of this Plan to the full extent permitted by applicable law; and (v) commencing or continuing, in any manner or in any place, any action that does not comply with or is inconsistent with the provisions of this Plan; provided, however, that nothing contained herein shall preclude such Persons from exercising their rights, or obtaining benefits, pursuant to and consistent with the terms of this Plan; and provided, further, that nothing contained herein shall preclude the Purchaser from exercising any rights and remedies under the Asset Purchase Agreement.

(b) By accepting distributions pursuant to this Plan, each holder of an Allowed Claim or Equity Interest will be deemed to have specifically consented to the injunctions set forth in this Section 13.3.

(c) The Confirmation Order shall permanently enjoin the commencement or prosecution by any Person, whether directly, derivatively or otherwise, of any claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to this Plan, including but not limited to the Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action or liabilities released in Sections 13.1 and 13.2 of this Plan. Such injunction shall extend to successors of the LP Debtors and their respective properties and interests in property.

13.4. Substantial Consummation

On the Effective Date, the Plan shall be deemed to be substantially consummated under sections 1101 and 1127(b) of the Bankruptcy Code.

13.5. Satisfaction of Claims

The rights afforded in the Plan and the treatment of all Claims and Equity Interests herein shall be in exchange for and in complete satisfaction, discharge and release of all Claims against and Equity Interests in, of any nature whatsoever, the LP Debtors and their Estates, Assets, properties and interests in property. Except as otherwise provided herein, on the Effective Date, all Claims and Equity Interests shall be satisfied, discharged and released in full. Neither the Disbursing Agent nor the Purchaser shall be responsible for any pre-Effective Date obligations of the LP Debtors, except those expressly assumed by the Purchaser (if any) or as otherwise provided in the Plan or the Asset Purchase Agreement. Except as otherwise provided herein, all Persons shall be precluded and forever barred from asserting against the Disbursing Agent or Purchaser, or their successors or assigns, Assets, properties, or interests in property any event, occurrence, condition, thing, or other or further Claims or Causes of Action based upon any act, omission, transaction, or other activity of any kind or nature that occurred or came into existence prior to the Effective Date in connection with the LP Debtors, whether or not the facts of or legal bases therefor were known or existed on or prior to the Effective Date.

13.6. Special Provisions Regarding Insured Claims

The Plan Distributions to each holder of an Allowed Insured Claim against the LP Debtors shall be made in accordance with the treatment provided under the Plan for the Class in which such Allowed Insured Claim is classified; except, that there shall be deducted from any Plan Distribution on account of an Insured Claim, for purposes of calculating the allowed amount of such Claim, the amount of any insurance proceeds actually received by such holder in respect of such Allowed Insured Claim. Nothing in this Section 13.6 shall (i) constitute a waiver of any Claim, right, or Cause of Action that the LP Debtors or their Estates may hold against any Person, including any insurer, or (ii) provide for the allowance of any Insured Claim. Pursuant to section 524(e) of the Bankruptcy Code, nothing in the Plan shall release or discharge any insurer from any obligations to any Person under applicable law or any policy of insurance under which any of the LP Debtors is an insured or a beneficiary.

13.7. Third Party Agreements; Subordination

Except as otherwise provided in the Plan, the Plan Distributions to the various Classes of Claims and Equity Interests hereunder shall not affect the right of any Person to levy, garnish, attach, or employ any other legal process with respect to such Plan Distributions by reason of any claimed subordination rights or otherwise. All such rights and any agreements relating thereto shall remain in full force and effect. The right of the LP Debtors to seek subordination of any Claim or Equity Interest pursuant to section 510 of the Bankruptcy Code is fully reserved, and the treatment afforded any Claim or Equity Interest that becomes a subordinated Claim or Equity Interest at any time shall be modified to reflect such subordination.

13.8. Status Reports

Following entry of the Confirmation Order, the LP Debtors shall file post-confirmation quarterly status reports with the Bankruptcy Court in accordance with Rule 3021-1 of the Local Bankruptcy Rules for the Southern District of New York and shall meet all Post-Confirmation Operating Report requirements of the U.S. Trustee's Operating Guidelines and Reporting Requirements (unless the Bankruptcy Court orders otherwise).

13.9. Notices

13.10. Headings

The headings used in the Plan are inserted for convenience only, and neither constitute a portion of the Plan nor in any manner affect the construction of the provisions of the Plan.

13.11. Governing Law

Except to the extent that the Bankruptcy Code or other federal law is applicable, or to the extent a Plan Document or exhibit or schedule to the Plan provides otherwise, the rights, duties, and obligations arising under this Plan and the Plan Documents shall be governed by, and construed and enforced in accordance with, the laws of the state of New York, without giving effect to the principles of conflict of laws thereof.

13.12. Section 1125(e) of the Bankruptcy Code

The Plan Sponsors have, and upon confirmation of this Plan shall be deemed to have, solicited acceptances of this Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code, and therefore are not and will not be liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of this Plan.

13.13. Inconsistency

In the event of any inconsistency among the Plan, the Disclosure Statement, the Plan Documents, any exhibit to the Plan, or any other instrument or document created or executed pursuant to the Plan, the provisions of the Plan shall govern; provided, that, notwithstanding the foregoing, in the event of any inconsistency among the Asset Purchase Agreement and any other document (including the Plan), the Asset Purchase Agreement shall govern.

13.14. Avoidance and Recovery Actions

Effective as of the Effective Date, the LP Debtors retain the right to prosecute any avoidance or recovery actions under sections 544, 547, 548, 549 and 550 of the Bankruptcy Code except for any such actions that are Acquired Assets.

13.15. Expedited Determination

The LP Debtors are hereby authorized to file a request for expedited determination under section 505(b) of the Bankruptcy Code for all tax returns filed with respect to the LP Debtors.

13.16. Exemption from Transfer Taxes

To the fullest extent permitted by applicable law, all sale transactions consummated by the LP Debtors and approved by the Bankruptcy Court on and after the Confirmation Date through and including the Effective Date, including any transfers effectuated under this Plan, the sale by the LP Debtors of any owned property pursuant to section 1123(b)(4) of the Bankruptcy Code, and any assumption, assignment, and/or sale by the LP Debtors of their interests in unexpired leases of non-residential real property or executory contracts pursuant to section 365(a) of the Bankruptcy Code, shall constitute a "transfer under a plan" within the purview of section 1146 of the Bankruptcy Code, and shall not be subject to any stamp, real estate transfer, mortgage recording, or other similar tax.

13.17. Notice of Entry of Confirmation Order and Relevant Dates

Promptly upon entry of the Confirmation Order, the LP Debtors shall publish as directed by the Bankruptcy Court and serve on all known parties in interest and holders of Claims and Equity Interests, notice of the entry of the Confirmation Order and all relevant deadlines and dates under the Plan, including, but not limited to, the deadline for filing notice of Administrative Claims, and the deadline for filing rejection damage Claims.

13.18. Termination of Professionals

On the Effective Date, the engagement of each Professional Person retained by the LP Debtors, if any, shall be terminated without further order of the Bankruptcy Court or act of the parties; provided, however, such Professional Persons shall be entitled to prosecute their respective Fee Claims and represent their respective constituents with respect to applications for payment of such Fee Claims and the LP Debtors shall be responsible for the fees, costs and expenses associated with the prosecution of such Fee Claims. Nothing herein shall preclude any

LP Debtor from engaging a Professional Person on or after the Effective Date in the same capacity as such Professional Person was engaged prior to the Effective Date.

13.19. Interest and Attorneys' Fees

Interest accrued after the applicable Petition Date will accrue and be paid on Claims only to the extent specifically provided for in this Plan, the Plan Documents, the Confirmation Order, or as otherwise required by the Bankruptcy Court or by applicable law. No award or reimbursement of attorneys' fees or related expenses or disbursements shall be allowed on, or in connection with, any Claim, except as set forth in the Plan or as ordered by the Bankruptcy Court.

13.20. Amendments

(a) Plan Modifications. This Plan may be amended, modified, or supplemented by the Plan Sponsors, in the manner provided for by section 1127 of the Bankruptcy Code or as otherwise permitted by law, without additional disclosure pursuant to section 1125 of the Bankruptcy Code, except as otherwise ordered by the Bankruptcy Court. In addition, after the Confirmation Date, so long as such action does not materially and adversely affect the treatment of holders of Allowed Claims and Allowed Equity Interests pursuant to this Plan, the Plan Sponsors may remedy any defect or omission or reconcile any inconsistencies in this Plan, the Plan Documents and/or the Confirmation Order, with respect to such matters as may be necessary to carry out the purposes and intended effects of this Plan, and any holder of a Claim or Equity Interest that has accepted this Plan shall be deemed to have accepted this Plan as amended, modified, or supplemented.

(b) Other Amendments. Prior to the Effective Date, the Plan Sponsors may make appropriate technical adjustments and modifications to this Plan without further order or approval of the Bankruptcy Court; provided, however, that, such technical adjustments and modifications do not adversely affect in a material way the treatment of holders of Claims or Equity Interests under the Plan.

13.21. Revocation or Withdrawal of this Plan

The Plan Sponsors reserve the right to revoke or withdraw this Plan prior to the Effective Date. If the Plan Sponsors revoke or withdraw this Plan prior to the Effective Date as to any or all of the LP Debtors, or if confirmation or consummation as to any or all of the LP Debtors does not occur, then, with respect to such LP Debtors: (a) this Plan shall be null and void in all respects; (b) any settlement or compromise embodied in this Plan (including the fixing or limiting to an amount certain any Claim or Equity Interest or Class of Claims or Equity Interests), assumption, assumption or assignment, or rejection of executory contracts or leases affected by this Plan, and any document or agreement executed pursuant to this Plan shall be deemed null and void; and (c) nothing contained in this Plan shall (i) constitute a waiver or release of any Claims by or against, or any Equity Interests in, such LP Debtors or any other Person, (ii) prejudice in any manner the rights of such LP Debtors or any other Person, or (iii) constitute an admission of any sort by the LP Debtors or any other Person.

13.22. No Successor Liability

LIQUIDATION ANALYSIS

Introductory Notes

General Assumptions

The Liquidation Analysis assumes that the Debtors' Chapter 11 Cases are converted to liquidation cases under Chapter 7 of the Bankruptcy Code on December 31, 2013. The Bankruptcy Court-appointed Chapter 7 Trustee would proceed to liquidate all of the Debtors' assets over a twelve-month period and the cases would conclude on December 31, 2014. A twelve-month wind-down period is assumed due to the fact that certain key assets of the Debtors will require regulatory approvals to enable a transfer of control, and such approvals could take six to nine months to obtain. The Liquidation Analysis assumes that the Debtors' assets, including their spectrum and satellite assets as well as their mobile satellite services business, would be sold in the aggregate as a going concern to maximize liquidation value. To the extent the various assets are instead sold individually, on a piecemeal basis, liquidation values would be significantly below those shown in this Liquidation Analysis. The Liquidation Analysis does not include any potential recovery from lawsuits that the Debtors could file, or any value related to Net Operating Losses at any of the Debtor entities.

Cash and Equivalents

The "Cash and Equivalents" balances are the projected cash balances as of December 31, 2013 based on the Debtors' cash forecast. Cash will be used for payroll and overhead costs prior to liquidation. The Liquidation Analysis assumes that, to the extent necessary to fund operations, LightSquared LP will use cash currently reflected on the books of TMI Communications Delaware, LP.

Investment Securities

"Investment Securities" consist of short-term marketable securities insured or guaranteed by the United States or by a department, agency, or instrumentality of the United States or backed by the full faith and credit of the United States. The Debtors do not expect to have any "Investment Securities" balance as of December 31, 2013 as these assets are expected to be converted into Cash & Equivalents by that point in time.

Accounts Receivable

The "Accounts Receivable" balance represents outstanding amounts due for the sale of service and equipment to the Debtors' customers. Customers include wholesalers, which resell mobile satellite voice and data services, and private network capacity customers.

Inventory

The Debtors' "Inventory" consists primarily of satellite phones and antenna equipment purchased from manufacturers and held for sale.

Other Property, Plant & Equipment

The Debtors' "Property, Plant & Equipment" (excluding satellites and related equipment) include office furniture and equipment, office network equipment, and leasehold improvements.

Satellite System Under Construction

The "Satellite System Under Construction" represents the cost of the Debtors' SkyTerra-2 satellite (currently in storage) and the related ground systems. The Book Value of the "Satellite System Under Construction" also includes performance incentive payments expected to be paid to the satellite manufacturer and capitalized interest and labor associated with the construction of the satellite.

The estimated Liquidation Value of the Satellite Based Network is based on an estimated gross recovery rate on the SkyTerra-2 satellite and related ground systems, which is approximately 35% to 45% of Book Value, or a value range of \$150 million to \$200 million. The analysis then reduces the estimated gross liquidation value of the "Satellite System Under Construction" assets by obligations and other costs associated with these assets, including the payment of orbital performance incentives and liquidated damage earnbacks owed to the satellite manufacturer.

Satellite Based Network

The "Satellite Based Network" represents the cost of the Debtors' SkyTerra-1 satellite and related ground systems. The SkyTerra-1 satellite has been in orbit since November 2010, and the satellite was placed into service in February 2011 when the Debtors took full ownership. The Book Value of the "Satellite Based Network" also includes costs associated with launch (including launch insurance), performance incentive payments expected to be paid to the satellite manufacturer (recorded at their present value), and capitalized interest and labor associated with the construction of the satellite.

The estimated Liquidation Value of the Satellite Based Network is based on an estimated gross recovery rate on the SkyTerra-2 satellite and related ground systems (see "Satellite System Under Construction"). The SkyTerra-2 satellite system provides a reasonable comparable for the SkyTerra-1 system due to the fact that these systems are nearly identical. Despite the fact that the SkyTerra-1 satellite has been launched, the satellite can be moved to cover other geographies at a modest cost in terms of reduced fuel life and a modest investment in ground infrastructure. Furthermore, the fact that SkyTerra-1 has been successfully launched is a positive contributor to value due to the fact that it significantly reduces risks associated with the program. Therefore, the Liquidation Analysis captures an additional \$150 million in value for SkyTerra-1 by including system costs associated with the launch of the satellite, including launch insurance. The analysis then reduces the estimated gross liquidation value of the "Satellite Based Network" assets by obligations and other costs associated with these assets, including (i) the payment of

orbital performance incentives and liquidated damage earnbacks owed to the satellite manufacturer, (ii) a discount based on the expected useful life of SkyTerra-1 due to the fact that its 15-year useful design life began in February 2011 upon being placed into service, and (iii) estimated incremental costs associated with moving the satellite to a new geography, to the extent required by a potential purchaser.

Network Under Construction

“Network Under Construction” refers to the cost of equipment to build the Debtors’ LTE terrestrial wireless network. Equipment includes IP networking gear, LTE base station gear, and servers.

Spectrum

L-Band Spectrum:

“Spectrum” Book Value is partially based on the Debtors’ access to up to 46 MHz of L-band spectrum. The Book Value includes the amortized cost for the fair value adjustment recorded at the time in which SkyTerra Communications (LightSquared’s predecessor company) was acquired by Harbinger Capital Partners’ investment funds in March 2010. At the time of the acquisition, the Debtors recorded a fair value of \$2.16 billion for these assets. Additional value related to the Inmarsat Cooperation Agreement is also captured in the Book Value of the spectrum.

As it relates to the Debtors’ L-Band spectrum, the Liquidation Analysis is consistent with a comparable set of precedent spectrum/satellite bankruptcies -- DBSD North America, Inc. and TerreStar Networks Inc. The estimated liquidation value for the L-Band spectrum is shown net of the present value of the future obligations required under the Inmarsat Cooperation Agreement.

1670-1675 MHz Spectrum:

The other key component of “Spectrum” Book Value is related to One Dot Six Corp.’s sub-license of 5 MHz of spectrum in the 1670–1675 MHz band. The sub-license is effective until October 1, 2013 and has a maximum of one ten-year renewal option and an option to purchase the underlying 1.6 GHz spectrum license each October 1st beginning October 1, 2013 for \$130.0 million plus an increase related to the consumer price index from 2007 until the date acquired (estimated cost of approximately \$150 million as of October 1, 2013). If licensee is granted a renewal of less than ten years, Debtor can only sub-license the spectrum for the term licensee is awarded or a maximum of ten years. The Debtor recently renewed the sub-license for an additional 10-year term. The Book Value of the “Spectrum” includes the amortized cost for the fair value recorded at the time in which Harbinger contributed the spectrum to One Dot Six Corp in October 2010. At the time of the contribution, the One Dot Six Corp recorded a fair value of \$40.7 million for the asset, and assumed that the book value would be amortized over a 3-year period based on the duration of the sub-license in place at the time.

The estimated liquidation value of the 1670-1675 MHz spectrum was based on pricing achieved in Auction 66. A discount was applied to account for the spectrum being unpaired. An additional discount was then applied for a distressed sale scenario. The estimated liquidation of the 1670-1675 MHz spectrum is also net of the costs associated with exercising the purchase option on these assets.

The analysis assumes additional value of approximately \$4.5 million related to certain expenditures of the Debtor in connection with the build-out of a broadcast network utilizing the 1670-1675 MHz spectrum. Items captured in this value include transmitters, cabinets, racks, antennae, construction and acquisition costs related to the 1670-1675 MHz network deployment.

Other Current Assets

“Other Current Assets” include prepaid expenses, vendor deposits, and certain receivables due from TerreStar, Inc.

Other Non-Current Assets

“Other Non-Current Assets” include debt issuance costs and long-term prepaid expenses. No recovery is expected related to these assets.

Patents/Other Intangibles

The book value of the Debtors’ “Patents and Other Intangibles” consists primarily of their patent portfolio which includes know-how necessary to deploy and operate a satellite network in the same spectrum frequencies as a terrestrial-based network.

Costs Associated with Liquidation

Estimated amounts for corporate payroll and certain operating costs during the twelve-month liquidation period are based upon the assumption that certain corporate functions would be retained to oversee the liquidation process. Some staff would also be needed to maintain and close the accounting records and to complete certain administrative tasks including payroll, tax forms, and records. Certain minimum staff would be required at the physical locations to complete the closure of the facilities, disassemble the equipment, and oversee the sale process of spectrum, spectrum sub-lease, and equipment.

Chapter 7 trustee fees include those fees associated with the appointment of a Chapter 7 trustee in accordance with section 326 of the Bankruptcy Code.

Chapter 7 professional fees include legal, appraisal, broker, and accounting fees expected to be incurred during the twelve-month liquidation period and not already deducted from liquidation values.

Carve-Out for Professional Fees

Carve-Out includes estimated accrued and unpaid professional fees and disbursements at December 31, 2013.

Secured Claims

The Debtors' Secured Claims consist of amounts owed under the DIP Inc. Facility, amounts owed under the Prepetition LP Credit Facility, and amounts owed under the Prepetition Inc. Credit Facility, as indicated.

Administrative Claims, Priority Tax Claims, and Other Priority Claims

Administrative Claims, Priority Tax Claims, Other Priority Claims, Chapter 11 Postpetition Accounts Payable, and Accrued Liabilities include unpaid postpetition operating expenses of the Debtors' estates as projected at December 31, 2013, assuming the amount of trade credit advanced by creditors during the Chapter 11 Cases remains comparable to the actual amount of trade credit advanced at July 31, 2013. Administrative Claims are assumed to be paid on a *pro rata* basis from the net proceeds, if any, remaining after the payment of, and distributions on account of, liquidation costs, the Carve-Out, and Secured Claims. Priority Tax Claims are assumed to be paid on a *pro rata* basis from the net proceeds available, if any, after the payment of and distributions on account of liquidation costs, the Carve-Out, Secured Claims, and Administrative Claims. Other Priority Claims, Chapter 11 Postpetition Accounts Payable, and Accrued Liabilities would be paid in the priority as set forth in the Bankruptcy Code.

General Unsecured Claims

For purposes of the Liquidation Analysis, the Debtor's management has assumed that unsecured claims will consist of estimated General Unsecured Claims as defined in the Plan. It should be noted that the Liquidation Analysis does not attempt to estimate potential additional General Unsecured Claims that would likely arise as a result of the rejection of remaining executory contracts and unexpired leases or the failure of the Debtors to perform under existing contracts with their suppliers. Such additional claims would likely result from a cessation of operations as contemplated in a Chapter 7 Liquidation and would likely be substantial in amount. Additionally, potential litigation claims have not been included. General Unsecured Claims do, however, include prepetition intercompany payables, costs associated with the assumed rejection of employment contracts, and repayment fees associated with the Prepetition LP Credit Facility. General Unsecured Claims are assumed to be paid on a *pro rata* basis from the net liquidation proceeds available, if any, after distributions on account of all other Claims at each Debtor entity.

Liquidation Analysis Footnotes

1. Gross estimated proceeds from liquidation do not include any potential recovery from lawsuits that the Debtors could file or any value related to Net Operating Losses at any of the Debtor entities.
2. With respect to the Debtors' L-Band spectrum, amount represents projected net spectrum value after taking into account present value of the Inmarsat spectrum lease. For the 1670-1675 MHz spectrum, estimated liquidation value is net of costs associated with exercising purchase option for this spectrum.
3. While the Carve-Out for a Trustee is only \$50,000 per the terms of the Cash Collateral Order and the DIP Order, the Debtors recognize that these fees are likely to be significantly higher given the complexities associated with selling the Debtors' assets. The Chapter 7 Trustee commission is calculated at 2.25% of distributable assets as a proxy for 11 U.S.C. § 326(a) and Chapter 7 professional fees are assumed to be 1% of distributable assets.
4. Carve-Out includes the following:
 - a. LightSquared LP (i) \$3.0 million in accrued bankruptcy professional fees estimated to be outstanding as of December 31, 2013, (ii) \$200,000 in costs allowed for Canadian Trustee fees, (iii) \$50,000 in costs allowed for Chapter 7 Trustee fees, (iv) \$50,000 in estimated costs related to the U.S. Trustee fees, and (v) \$4.0 million general basket for the Carve-Out per the terms of the Cash Collateral Order;
 - b. One Dot Six Corp. (i) \$20,000 in estimated costs related to the U.S. Trustee, and (ii) \$1.5 million general basket for the Carve-Out per the terms of the DIP Inc. Order; and
 - c. LightSquared Inc. (i) \$1.1 million in accrued bankruptcy professional fees estimated to be outstanding as of December 31, 2013, (ii) \$50,000 in costs allowed for Chapter 7 Trustee fees, and (iii) \$10,000 in projected costs related to the U.S. Trustee. To the extent proceeds from the liquidation of LightSquared Inc.'s assets are insufficient to satisfy these items, the shortfall is picked up in One Dot Six Corp. Distribution Analysis.
5. The DIP Loan Facility of \$66.4 million was borrowed by One Dot Six Corp. and is guaranteed by LightSquared Inc., One Dot Four Corp., and One Dot Six TVCC Corp. Based on the analysis it will be repaid in full by One Dot Six Corp.
6. To the extent that the proceeds from the liquidation of One Dot Six Corp. are insufficient to repay the DIP Inc. Facility of \$66.4 million, the DIP Inc. Facility balance of \$66.4 million would be reduced by the Post-Petition Intercompany Secured Payables of \$5.2 million owed to One Dot Six Corp. by LightSquared Inc. Based on this analysis, we anticipate the DIP Inc. Facility being paid in full by One

Dot Six Corp. Furthermore, this analysis does not anticipate there being any meaningful proceeds available from LightSquared Inc. to satisfy claims beyond the Professional Fees Carve-Out.

7. For LightSquared LP, this analysis assumes a secured claim at LightSquared LP of \$2.119 million, which equals the Prepetition LP Credit Facility of \$1.7 billion plus post-petition accrued default rate interest. For LightSquared LP, this analysis assumes the \$63.6 million in repayment fees related to the Prepetition LP Credit Facility are reclassified as Unsecured Claims.
8. For LightSquared Inc., the 507(b) Claim of the Prepetition LP Lenders is dependent upon payout that the Prepetition LP Lenders receive from LightSquared LP.
9. For One Dot Six Corp., claims of the Prepetition Inc. Lenders are dependent upon payout that the Prepetition Inc. Lenders receive from LightSquared Inc.
10. For LightSquared Inc., this analysis includes post-petition Intercompany Payables owed to LightSquared LP (\$1.5 million) to the extent these amounts are not satisfied by the proceeds from the liquidation of LightSquared LP.
11. For LightSquared LP, this analysis includes projected costs associated with repayment fees of \$63.6 million related to the Prepetition LP Credit Facility. For LightSquared Inc., this analysis includes prepetition Intercompany Payables owed to LightSquared LP of \$10.5 million.
12. For LightSquared LP, this analysis includes post-petition accrued PIK dividends and potential redemption premium.
13. For LightSquared Inc., this analysis includes post-petition accrued PIK dividends.

A hearing (the "Confirmation Hearing") to consider approval of the Sale of the Assets, or any grouping or subset thereof, shall be conducted on December 10, 2013 at 10:00 a.m. (prevailing Eastern time) at the United States Bankruptcy Court for the Southern District of New York, Alexander Hamilton U.S. Custom House, Courtroom No. 621, One Bowling Green, New York, NY 10004 (the "Bankruptcy Court"). The Confirmation Hearing may be continued from time to time by the Bankruptcy Court or LightSquared (at the Bankruptcy Court's direction) without further notice other than by such adjournment being announced in open court or by a notice of adjournment filed with the Bankruptcy Court and served in accordance with the *Order Establishing Certain Notice, Case Management, and Administrative Procedures* [Docket No. 121] (the "Case Management Order").

- a. **Assets to Be Sold.** LightSquared will offer for Sale all or substantially all of the Assets. For the avoidance of doubt, in connection with the Sale and these Bid Procedures, any Potential Bidder (as defined below) may submit a bid for any or all of the Assets of LightSquared, and, for purposes hereof, "Sale" shall be deemed to include a sale of any grouping or subset of the Assets. LightSquared, in consultation with (i) the Ad Hoc Secured Group, exclusive of SPSO² and its affiliates (the "Independent Ad Hoc Secured

¹ For the avoidance of doubt, any decision to be made by LightSquared under these Bid Procedures, or in connection with the plan process, including, without limitation, the acceptance of any Successful Bid (or Second-Highest Bid) (each as defined below), shall be made by the independent committee of LightSquared's board of directors (the "Independent LightSquared Committee"). Actions taken by the Independent LightSquared Committee may be taken (a) on the advice of Kirkland & Ellis LLP ("Kirkland"), as counsel to the Independent LightSquared Committee, and/or the advice of Moelis & Company ("Moelis"), as LightSquared's financial advisor, or (b) by Kirkland or Moelis, in each case at the direction of the Independent LightSquared Committee. For further avoidance of doubt, in connection with any decision made by the Independent LightSquared Committee under these Bid Procedures, or in connection with the plan process, the Independent LightSquared Committee may also consult with counsel to, and advisors for, any other party in LightSquared's chapter 11 cases, including, without limitation, LightSquared's regulatory counsel.

² The "Ad Hoc Secured Group" means that certain ad hoc secured group of holders of loans made pursuant to that certain Credit Agreement, dated as of October 1, 2010, between LSLP, as borrower, certain of LSLP's affiliates (including, but not limited to, the other Sellers), as guarantors, the lenders party thereto,

Group”), and (ii) MAST Capital Management, LLC (on behalf of itself and its management funds and accounts, collectively “MAST”) and U.S. Bank National Association (“U.S. Bank” and, collectively with the Independent Ad Hoc Secured Group and MAST, the “Lender Parties” and, collectively with the Ad Hoc Group of LP Preferred Shareholders and SIG Holdings, Inc., the “Stakeholder Parties”), through the Stakeholder Parties’ respective advisors, will appropriately assess any bid to determine whether it is a Qualified Bid (as defined below).

- b. **Bidding Process.** LightSquared, in consultation with the Stakeholder Parties, shall, in its reasonable discretion: (i) determine whether any person is a Potential Bidder; (ii) coordinate the efforts of Potential Bidders in conducting their respective due diligence investigations regarding LightSquared’s businesses and Assets; (iii) receive offers from Qualified Bidders (as defined below); and (iv) negotiate any offer made to purchase Assets by a Qualified Bidder (collectively, the “Bidding Process”).
- c. **Due Diligence for Potential Bidders.** LightSquared, in consultation with the Stakeholder Parties, shall provide each Potential Bidder with reasonable due diligence information upon reasonable request. In addition, LightSquared shall make available to all Potential Bidders (including, without limitation, each Stalking Horse Bidder (as defined below)) draft disclosure schedules by no later than 5:00 p.m. (prevailing Eastern time) on October 1, 2013, and a proposed schedule of third-party consents and approvals that would be necessary to consummate a sale of the Assets or any subset thereof by no later than 5:00 p.m. (prevailing Eastern time) on October 4, 2013. None of LightSquared, the Ad Hoc Secured Group, U.S. Bank, MAST, or any of the foregoing parties’ affiliates, representatives, or advisors, is obligated to furnish any information relating to the Assets to any person except, in the case of LightSquared and its controlled affiliates, representatives, and advisors as applicable, to Potential Bidders prior to the Bid Deadline (as defined below). Potential Bidders are advised to exercise their own discretion before relying on any information regarding the Assets, whether provided by LightSquared, its representatives, or any other party. The due diligence period will end on the Bid Deadline. To be a “Potential Bidder,” each bidder (other than LBAC and MSAC (each as defined below)):
- i. must have delivered an executed confidentiality agreement in form and substance reasonably satisfactory to LightSquared, in consultation with the Lender Parties, unless such bidder informs LightSquared that it does not seek access to any non-public diligence materials and intends to submit a bid not conditioned on due diligence and receipt of information from LightSquared;

UBS AG, Stamford Branch, as administrative agent, and UBS Securities LLC, as arranger, syndication agent, and documentation agent (as amended, restated, supplemented, and/or modified, the “Prepetition LP Credit Agreement”). as such group may be reconstituted from time to time. “SPSQ” means SP Special Opportunities, LLC.

- ii. must have delivered the most current audited (if applicable) and the most current unaudited financial statements (collectively, the "Financials") of the Potential Bidder, or, if the Potential Bidder is an entity formed for the purpose of acquiring Assets, the Financials of the Potential Bidder's equity holder(s) or other financial backer(s), or such other form of financial disclosure and evidence reasonably acceptable to LightSquared, in consultation with the Stakeholder Parties, demonstrating such Potential Bidder's financial ability to: (A) close the proposed transaction (the "Proposed Transaction") contemplated by the Potential Bidder's proposed purchase agreement (together with its exhibits and schedules, and any ancillary agreements related thereto, the "Proposed Agreement"); and (B) provide adequate assurance of future performance to counterparties to any executory contracts and unexpired leases to be assumed by LightSquared and assigned to the Potential Bidder; provided, that if a Potential Bidder is unable to provide Financials, LightSquared, in consultation with the Stakeholder Parties, may accept such other information sufficient to demonstrate to LightSquared's reasonable satisfaction (after consultation with the Stakeholder Parties) that such Potential Bidder has the financial wherewithal and ability to consummate the Proposed Transaction; and
- iii. shall comply with all reasonable requests for additional information by LightSquared, in consultation with the Stakeholder Parties, or LightSquared's advisors, in consultation with the Stakeholder Parties, regarding such Potential Bidder's financial wherewithal and ability to consummate and perform obligations in connection with the Sale. Failure by a Potential Bidder to comply with requests for additional information may be a basis for LightSquared, in consultation with the Stakeholder Parties, to determine that a bid made by such Potential Bidder is not a Qualified Bid.

d. **Form Purchase Agreement, Stalking Horse Bids, and Related Protections.**

- i. ***Form Purchase Agreement.*** With these Bid Procedures, LightSquared is providing a form purchase agreement (with certain ancillary agreements thereto, the "Form APA"), a true and correct copy of which is attached as Schedule 1-A hereto.
- ii. ***LBAC.*** L-Band Acquisition, LLC ("LBAC"), as set forth in that certain purchase agreement attached as Exhibit F to the Disclosure Statement for Joint Chapter 11 Plan for LightSquared LP, ATC Technologies, LLC, LightSquared Corp., LightSquared Inc. of Virginia, LightSquared Subsidiary LLC, LightSquared Finance Co., LightSquared Network LLC, LightSquared Bermuda Ltd., SkyTerra Holdings (Canada) Inc., and SkyTerra (Canada) Inc. Proposed by the Ad Hoc Secured Group of LightSquared LP Lenders filed on July 23, 2013 [Docket No. 765] (as

expressly modified by these Bid Procedures or the Approval Order, the "LBAC Stalking Horse Agreement"), has submitted a Qualified Bid (as expressly modified by these Bid Procedures or the Approval Order, the "LBAC Bid") for the purchase of the LP Assets of (A) cash in the amount of \$2.22 billion; plus (B) the value of Employee Obligations assumed by LBAC; plus (C) certain Cure Amounts; plus (D) the amount of liabilities specifically designated in the LBAC Stalking Horse Agreement as assumed liabilities. In addition, the LBAC Bid provides that receipt of the FCC Consent and Industry Canada Approval is not a condition precedent for the funding of the cash purchase price payable thereunder.³ In connection with the LBAC Bid, LBAC shall be entitled to a break-up fee of \$51.8 million, i.e., 2 1/3% of the cash purchase price offered by the LBAC Bid (the "LBAC Break-Up Fee" and, together with the LP Expense Reimbursement,⁴ the "LBAC Bid Protections"), which shall be payable to LBAC on the terms and conditions set forth in the LBAC Stalking Horse Agreement and Approval Order (as defined below); provided, that in the event that LightSquared agrees to provide a break-up or similar fee to any other Stalking Horse Bidder that exceeds the LBAC Break-Up Fee (e.g., a larger percentage and/or a fee based on cash and non-cash consideration) (a "Larger Break-Up Fee") and such Larger Break-Up Fee is approved by the Bankruptcy Court in accordance with these Bid Procedures, the LBAC Break-Up Fee shall be deemed to increase such that the LBAC Break-Up Fee shall be equal to the Larger Break-Up Fee, expressed as a percentage of the applicable components of the applicable Stalking Horse Bid. Upon approval of any Larger Break-Up Fee in accordance with these Bid Procedures, LightSquared shall provide written notice (which may include email from counsel to LightSquared) to LBAC of same as well as of the calculation method of such Larger Break-Up Fee.⁵

- iii. **MSAC.** Mast Spectrum Acquisition Corp. and/or one or more of its affiliates or designees ("MSAC"), as set forth in that certain purchase agreement attached as Exhibit B to the Specific Disclosure Statement for Chapter 11 Plan for One Dot Six Corp. Proposed by U.S. Bank National Association and MAST Capital Management, LLC filed on August 30, 2013 [Docket No. 824] (the "MSAC Stalking Horse Agreement"), has submitted a Qualified Bid in the form of a credit bid (the "MSAC Bid") for the purchase of the assets of One Dot Six Corp. ⁵ The summary of the LBAC Bid contained in this section (d)(ii) is qualified in its entirety by the terms of the LBAC Stalking Horse Agreement. In the event of any conflict between the summary of the LBAC Bid contained herein and the LBAC Stalking Horse Agreement, the LBAC Stalking Horse Agreement, as expressly modified by these Bid Procedures and the Approval Order, shall control.

Expense Reimbursement.⁷

- iv. ***Potential Stalking Horse Bids.*** Prior to the Bid Deadline, LightSquared may, in consultation with the Stakeholder Parties, seek approval from the Bankruptcy Court to enter into an agreement (a “Potential Stalking Horse Agreement” and, collectively with the LBAC Stalking Horse Agreement and the MSAC Stalking Horse Agreement, the “Stalking Horse Agreements”) with any Qualified Bidder that will act as a stalking horse bidder (each, a “Potential Stalking Horse Bidder” and, together with LBAC and MSAC, the “Stalking Horse Bidders”) for all or any grouping or subset of LightSquared’s Assets, if, in LightSquared’s judgment, after consultation with the Stakeholder Parties, such resulting bid (the “Potential Stalking Horse Bid” and, together with the LBAC Bid and the MSAC Bid, the “Stalking Horse Bids”) will better promote the goals of the Bidding Process. LightSquared may, in consultation with the Stakeholder Parties and subject to the Bankruptcy Court’s approval, grant such Potential Stalking Horse Bidder(s) bid protections (the “Potential Stalking Horse Bid Protections” and, together with the LBAC Bid Protections and the Inc. Expense Reimbursement, the “Bid Protections”) with respect to the applicable Assets as follows: (A) a break-up fee payable to the Potential Stalking Horse Bidder of up to 3% of the cash purchase price of the applicable Assets set forth in the Potential Stalking Horse Bid and (B) a maximum expense reimbursement payable to the Potential Stalking Horse Bidder of up to \$2,000,000. For the avoidance of doubt, a Stalking Horse Bid may contemplate the purchase of any grouping or subset of the Assets and there may be more than one Stalking Horse Bidder, whether for different, the same, or a subset of the Assets.

- (A) To the extent LightSquared determines to proceed with a transaction proposed by a Potential Stalking Horse Bidder

⁶ Terms used in this paragraph and not otherwise defined herein shall have the meanings set forth in the MSAC Stalking Horse Agreement. In addition, the summary of the MSAC Bid contained in this section (d)(iii) is qualified in its entirety by the terms of the MSAC Stalking Horse Agreement. In the event of any conflict between the summary of the MSAC Bid contained herein and the MSAC Stalking Horse Agreement, the MSAC Stalking Horse Agreement, as expressly modified by these Bid Procedures and the Approval Order, shall control.

that includes the payment of Potential Stalking Horse Bid Protections, LightSquared shall (1) provide a confidential written Notice of Proposed Grant of Potential Stalking Horse Bid Protections (a "Bid Protections Notice") by hand delivery, e-mail, facsimile, or overnight courier to each of the Stakeholder Parties and each of their respective counsel and financial advisors (the "Bid Protections Notice Parties"), inviting the Bid Protections Notice Parties to a meeting at the offices of Milbank, Tweed, Hadley & McCloy LLP on not less than one (1) business day's notice, and (2) orally advise counsel to the Bid Protections Notice Parties of (w) the name of the Potential Stalking Horse Bidder, (x) LightSquared's estimated range of aggregate consideration offered by such bidder and the form thereof, (y) the Potential Stalking Horse Bid Protections to be provided, and (z) any material conditions to the proposed transaction (the "Bid Protections Disclosure").

- (B) The Bid Protections Notice Parties and the respective members of each of the Stakeholder Parties shall be obligated to maintain the confidentiality of the Bid Protections Notice, the Bid Protections Disclosure, and the contents thereof, and shall not disclose or discuss the Bid Protections Notice, the Bid Protections Disclosure, or the contents thereof with any person or entity that did not receive a copy of the Bid Protections Notice. If no Bid Protections Notice Party objects to the grant of the Potential Stalking Horse Bid Protections pursuant to section d(iv)(C) below, then the grant of such Potential Stalking Horse Bid Protections shall be deemed approved pursuant to the Approval Order without further notice, hearing, or order of the Bankruptcy Court.
- (C) If a Bid Protections Notice Party objects to the grant of the Potential Stalking Horse Bid Protections as disclosed in the Bid Protections Disclosure, such party shall have one (1) business day following the holding of the scheduled meeting pursuant to section (d)(iv)(A) above to provide counsel to LightSquared and the other Bid Protections Notice Parties with written notice by facsimile and e-mail transmission of any such objection (the "Bid Protections Objection"). Any Bid Protections Objection shall remain confidential and be served on, and made available only to, the Bid Protections Notice Parties. On request of LightSquared, the Bankruptcy Court shall schedule and hold an emergency, expedited hearing to consider any Bid

Protections Objection (which hearing may be conducted in person or telephonically) as soon as the Bankruptcy Court can hear the parties (the "Bid Protections Hearing"). At any Bid Protections Hearing, this Court only shall consider whether the grant of the Potential Stalking Horse Bid Protections, as disclosed in the Bid Protections Disclosure, should be approved. The Bid Protections Hearing shall be conducted *in camera* and attendance and participation shall be limited to the Bid Protections Notice Parties.

- (D) To the extent LightSquared, in consultation with the Stakeholder Parties, enters into any such Potential Stalking Horse Agreement(s), the agreement(s) shall be placed on the Bankruptcy Court's docket and notice thereof shall be given to all parties on LightSquared's master service list maintained by KCC pursuant to Rule 2002 of the Federal Rules of Bankruptcy Procedure and Rule 2002-2 of the Local Rules for the United States Bankruptcy Court for the Southern District of New York and any entities that have filed a request for service of filings pursuant to Bankruptcy Rule 2002.
- v. The Qualified Bid made by the applicable Stalking Horse Bidder plus the applicable Bid Protections will then act as the minimum Qualified Bid (the "Baseline Bid") for the applicable Assets for purposes of, and subject to higher and better offers at, the Auction.
- e. **Participation Requirements.** Unless otherwise ordered by the Bankruptcy Court, to participate in the Bidding Process, each person that is a Potential Bidder (each, a "Qualified Bidder") must submit a bid that adheres to the requirements below (each, a "Qualified Bid"). Notwithstanding anything in these Bid Procedures to the contrary, each Stalking Horse Bidder shall be deemed to (i) be a Qualified Bidder, (ii) have submitted a Qualified Bid, and (iii) shall not be required to take any further action in order to participate at the Auction (if any). Nothing in these Bid Procedures shall prohibit Harbinger Capital Partners, LLC ("Harbinger") and its affiliates from submitting a Qualified Bid.
- i. Qualified Bidders must deliver written copies of their bids no later than **5:00 p.m. (prevailing Eastern time) on November 20, 2013 (the "Bid Deadline")** to: (A) Milbank, Tweed, Hadley & McCloy LLP, One Chase Manhattan Plaza, New York, NY 10005 (Attn: Matthew S. Barr, Esq. and Karen Gartenberg, Esq.), counsel to LightSquared; (B) Kirkland & Ellis LLP, 601 Lexington Avenue, New York, NY 10022 (Attn: Paul M. Basta, Esq. and Joshua A. Sussberg, Esq.), counsel to the Independent LightSquared Committee, (C) White & Case LLP, 1155 Avenue of the Americas, New York, NY 10036 (Attn: Thomas E Lauria, Esq., Glenn M.

Kurtz, Esq., and Andrew C. Ambruoso, Esq.), counsel to the Ad Hoc Secured Group; and (D) Akin Gump Strauss Hauer & Feld LLP, One Bryant Park, New York, NY 10036 (Attn: Philip C. Dublin, Esq., Kenneth A. Davis, Esq., and Meredith A. Lahaie, Esq.), counsel to MAST and U.S. Bank, as administrative agent under the Prepetition Inc. Credit Agreement and administrative agent under the DIP Credit Agreement (each as defined below) (collectively, the "Notice Parties"). LightSquared may, in its reasonable discretion (after providing advance notice to the Stakeholder Parties of such decision), extend the Bid Deadline once or successively, but it is not obligated to do so; provided, that in no event shall the Bid Deadline be extended beyond November 25, 2013. If LightSquared extends the Bid Deadline, it shall promptly notify all Potential Bidders of the extension.

- ii. All Qualified Bids must be in the form of an offer letter, which letter states:
- (A) that such Qualified Bidder offers to purchase any grouping or subset of Assets without indemnification and upon other terms and conditions set forth in a Proposed Agreement, copies of which (one hard copy executed by an individual authorized to bind such Qualified Bidder together with electronic copies in Word format of (1) a clean version of the Proposed Agreement and (2) a marked version or versions of the Proposed Agreement against the Form APA and/or the applicable Stalking Horse Agreement (showing amendments and modifications thereto)), are to be provided to the Notice Parties;
 - (B) that such Qualified Bidder is prepared to consummate the transaction set forth in the Proposed Agreement promptly following (1) entry of an order of the Bankruptcy Court approving the Sale to the Successful Bidder(s) pursuant to the terms of one or more plans of reorganization (the "Confirmation Order(s)") and (2) receipt of other requisite governmental and regulatory approvals on the terms set forth in such Proposed Agreement;
 - (C) that the offer shall remain open and irrevocable as provided below;
 - (D) that the Qualified Bidder consents to the jurisdiction of the Bankruptcy Court; and
 - (E) which of LightSquared's leases and executory contracts are to be assumed and assigned in connection with the consummation of the Qualified Bidder's bid.

iii. All Qualified Bids shall be accompanied by a deposit into escrow with LightSquared of an amount in cash equal to:

- (A) with respect to a Qualified Bid for the LP Assets, a subset of the LP Assets, or any grouping or subset of the LP Assets and the Inc. Assets, \$100,000,000; or
- (B) with respect to a Qualified Bid solely for the Inc. Assets, or any subset thereof, 5% of the proposed purchase price, as determined by the amount of consideration to be provided to the applicable Debtors' estates in connection with the proposed Sale, exclusive of the assumption of liabilities (the amounts set forth in clause (A) or this clause (B), each a "Good Faith Deposit");

provided, however, that any Qualified Bidder who is also a secured lender to LightSquared and submits a Qualified Bid by credit bid shall not be required to provide a Good Faith Deposit; provided, that a majority in amount of such Qualified Bid (determined by reference to the aggregate consideration to be provided to LightSquared's estates on account of such Qualified Bid) is in the form of a credit bid. For the avoidance of doubt, consistent with the rights provided to them pursuant to the *Final Order, Pursuant to 11 U.S.C. §§ 105, 361, 362, 363, 364, and 507, (a) Authorizing Inc. Obligors To Obtain Postpetition Financing, (b) Granting Liens and Providing Superpriority Administrative Expense Status, (c) Granting Adequate Protection, and (d) Modifying Automatic Stay* [Docket No. 224] (as amended, the "DIP Order"), MAST and U.S. Bank shall be entitled to credit bid their claims arising under the Prepetition Inc. Credit Agreement and the DIP Credit Agreement (each as defined in the DIP Order).

iv. Qualified Bids may provide for forms of consideration that include cash or a combination of cash and other distributable forms of consideration that may be distributed under a plan of reorganization or further order of the Bankruptcy Court (for the avoidance of doubt, other than with respect to assumed liabilities), which shall be delivered to the applicable Debtors' estates on the Closing Date; provided, however, that a Qualified Bid must include a minimum cash component sufficient to pay any applicable Bid Protections plus all of the following allowed Claims, to the extent required by, and as defined in, the applicable plan(s): Administrative Claims, Priority Tax Claims, Other Priority Claims, and U.S. Trustee Fees.

v. A Qualified Bid must exceed the aggregate consideration to be paid to or for LightSquared's applicable estates as follows:

- (A) a Qualified Bid solely in respect of (1) the LP Assets or any grouping or subset thereof, or (2) any grouping or subset of

the LP Assets and Inc. Assets must exceed the aggregate consideration to be paid to, or for the benefit of, LightSquared's estates as set forth in the applicable Baseline Bid(s) plus \$50,000,000, the minimum overbid increment at the Auction; and

- (B) a Qualified Bid solely in respect of the Inc. Assets, or any subset thereof, must exceed the aggregate consideration to be paid to or for the benefit of the Inc. Debtors' estates as set forth in the applicable Baseline Bid(s) plus \$10,000,000, the minimum overbid increment at the Auction;

provided, that LightSquared expressly reserves its right to accept, after consultation with the Stakeholder Parties, some other lesser minimum overbid increment if it determines such increment to be appropriate under the circumstances and will better promote the goals of the Bidding Process.

- vi. All Qualified Bids shall be accompanied by satisfactory evidence, in the opinion of LightSquared, in consultation with the Stakeholder Parties, of the Qualified Bidder's ability to: (A) fund the purchase price proposed by the Qualified Bidder with cash on hand (or sources of immediately available funds) or other distributable forms of consideration, and (B) otherwise perform all transactions contemplated by the Proposed Agreement.
- vii. All Qualified Bids must fully disclose the identity of each entity that will be bidding for the applicable Assets or otherwise participating in connection with such bid (including any equity holder or other financial backer if the Qualified Bidder is an entity formed for the purpose of acquiring Assets), and the complete terms of any such participation, as well as whether each such person or entity holds an interest in another mobile satellite service provider or terrestrial wireless operator and, if so, the name of the mobile satellite service provider or terrestrial wireless operator and the nature and size of the interest; provided, that LightSquared and the Stakeholder Parties will keep such information confidential and will not disclose such information without the written consent of the applicable Potential Bidder, except to the Information Officer, who shall also keep such information confidential. Further, each bid must provide sufficient information regarding both the Potential Bidder and any participants (and each of their ultimate controlling persons, if any) to permit LightSquared and the Stakeholder Parties to ascertain whether a petition for declaratory ruling to permit indirect foreign ownership of LightSquared's Federal Communications

Commission (“FCC”) licenses (or the applicable Debtors owning such licenses) must be filed with the FCC.

- viii. Qualified Bids must contain evidence that the Qualified Bidder has obtained authorization or approval from its board of directors (or comparable governing body) with respect to the submission of its bid and execution of the Proposed Agreement and the consummation of the transactions contemplated thereby.
- ix. Except as set forth herein with respect to the LBAC Stalking Horse Agreement and the MSAC Stalking Horse Agreement or the Expense Order, Qualified Bids must not entitle the Qualified Bidder to any termination or break-up fee, expense reimbursement, or similar type of payment; provided, however, that as stated above, LightSquared reserves the right to, prior to the Bid Deadline, in consultation with the Stakeholder Parties, and subject to section (d)(iv), enter into a separate agreement with a Potential Stalking Horse Bidder under which such Potential Stalking Horse Bidder’s Qualified Bid would be deemed the Stalking Horse Bid for the Auction of the applicable Assets and for which such Potential Stalking Horse Bidder would be entitled to, subject to section (d)(iv), payment at any funding of the purchase price in connection with the Sale of such Assets to a Successful Bidder that is not such Potential Stalking Horse Bidder of a break-up fee that would not exceed 3% of the cash purchase price of the Assets proposed by such Potential Stalking Horse Bidder plus a maximum expense reimbursement equal to \$2,000,000.
- x. Qualified Bids must be irrevocable until entry by the Bankruptcy Court of the Confirmation Order(s) and recognition by the Canadian Court (as defined below) of the Confirmation Order(s) (unless chosen as a Successful Bid or Second-Highest Bid, in which case such bid shall be irrevocable on the terms set forth in section (j) below).
- xi. A Qualified Bid may be submitted in the form of a plan of reorganization.

Pursuant to the terms and conditions of this section (e), no later than two (2) calendar days prior to the commencement of the Auction, LightSquared shall notify each Potential Bidder of LightSquared’s determination, in consultation with the Stakeholder Parties, of whether it is a Qualified Bidder. Any bid that is not deemed a “Qualified Bid” shall not be considered by LightSquared. Prior to the Auction, LightSquared, after consultation with the Stakeholder Parties, shall notify the Qualified Bidders of the Qualified Bid or Bids it believes to represent the then highest or otherwise best bid(s) (the “Starting Qualified Bid(s)”).

- f. **Flexible Asset Packages.** Bidders are invited to bid on any grouping or subset of the Assets; provided, that all bids should include a proposed allocation of purchase consideration among the subject Assets on a debtor-by-debtor basis.

- g. **"As Is, Where Is."** Assets shall be sold on an "as is, where is" basis, "with all faults," and without representations or warranties (express or implied) or indemnification of any kind, nature, or description by LightSquared, its agents, or estates, except to the extent set forth in the applicable Proposed Agreement(s) of the Successful Bidder(s) or Stalking Horse Agreement(s). Except as otherwise provided in the applicable Proposed Agreement(s) of the Successful Bidder(s) or Stalking Horse Agreement(s), all of LightSquared's right, title, and interest in and to the Assets sold shall be sold free and clear of all liens, claims, charges, security interests, restrictions, and other encumbrances of any kind or nature thereon and there against (collectively, the "Liens"). Each bidder shall be deemed to acknowledge and represent that it has relied solely upon its own independent review, investigation, and/or inspection of any documents and/or Assets in making its bid, and that it did not rely upon any written or oral statements, representations, promises, warranties, or guaranties whatsoever, whether express, implied, by operation of law, or otherwise, regarding the subject Assets, or the completeness of any information provided in connection with the Bidding Process, in each case except as expressly stated in the applicable Proposed Agreement(s) or Stalking Horse Agreement(s).
- h. **Auction.** If LightSquared receives a Qualified Bid (other than the LBAC Bid or the MSAC Bid) prior to the Bid Deadline, LightSquared shall conduct the Auction at the offices of Milbank, Tweed, Hadley & McCloy LLP, One Chase Manhattan Plaza, New York, NY 10005 on November 25, 2013 beginning at 10:00 a.m. (prevailing Eastern time) (provided, however, that if the Bid Deadline is extended by LightSquared, in its reasonable discretion, after providing advance notice to the Stakeholder Parties of such decision, to November 25, 2013, the Auction shall be conducted on December 3, 2013 beginning at 10:00 a.m. (prevailing Eastern time)), or such other place (located in New York City) and time as LightSquared, after consultation with the Stakeholder Parties, shall notify all Qualified Bidders and other invitees set forth in this section (h). If no Qualified Bids, other than the LBAC Bid or the MSAC Bid, are received, no Auction will take place, and LightSquared may request at the Confirmation Hearing that the Bankruptcy Court approve the Sale of the Assets in accordance with the LBAC Stalking Horse Agreement and/or the MSAC Stalking Horse Agreement; provided, however, that in the event LightSquared declines to so act, all of the parties' rights in connection therewith are fully preserved as set forth in section (m) below. Only representatives of LightSquared, the U.S. Trustee, the Information Officer appointed in LightSquared's recognition proceedings before the Ontario Superior Court of Justice (Commercial List) (the "Canadian Court"), the Independent Ad Hoc Secured Group, MAST, U.S. Bank, the Ad Hoc Group of LP Preferred Shareholders, SIG Holdings, Inc., Harbinger, Centaurus Capital LP, and any Qualified Bidders, including each Stalking Horse Bidder, who have timely submitted Qualified Bids shall be entitled to attend the Auction. LightSquared, after consultation with the Stakeholder Parties, may announce at the Auction additional procedural rules that are reasonably appropriate under the circumstances for conducting the Auction, so long as such rules are not inconsistent with these Bid Procedures, including that bids may be required to be made and received in one room, on an open basis, with all other Qualified Bidders entitled to be present for all bidding. Based upon the terms of the Qualified Bids received, the number of Qualified Bidders participating in

the Auction, and such other information as LightSquared, after consultation with the Stakeholder Parties, determines is relevant, LightSquared, after consultation with the Stakeholder Parties, may conduct the Auction in the manner it determines will achieve the maximum value for the Assets. Bidding at the Auction will be transcribed or videotaped.

- i. Only a Qualified Bidder and its authorized representatives who have submitted a Qualified Bid will be eligible to participate at the Auction. The bidding at the Auction shall start at the purchase price(s) stated in the Starting Qualified Bid(s), as disclosed to all Qualified Bidders prior to commencement of the Auction. Subsequent overbids shall be made in the minimum increments set forth in section (e)(v) above.
- ii. During the course of the Auction, LightSquared, after consultation with the Stakeholder Parties, shall, after the submission of each Qualified Bid, promptly inform each participant which Qualified Bid(s) reflects the highest or otherwise best offer (the "Leading Bid(s)"). To the extent that such Qualified Bid has been determined to be the highest or otherwise best offer because of, entirely or in part, the addition, deletion or modification of a provision or provisions in any Stalking Horse Agreement or Proposed Agreement, other than a provision or provisions related to an increase in the cash purchase price, to the extent reasonably practicable and consistent with LightSquared's obligation to maximize value, LightSquared, after consultation with the Stakeholder Parties, shall advise each participant of the value ascribed (as determined by LightSquared, after consultation with the Stakeholder Parties) to any such added, deleted or modified provision(s).
- iii. Each Qualified Bidder participating at the Auction will be required to confirm that: (i) it has not engaged in any collusion with respect to the bidding or the Sale and (ii) its Qualified Bid is a good faith bona fide offer and it intends to consummate the Proposed Transaction if selected as a Successful Bidder.
- iv. The Auction may be adjourned by LightSquared, with the consent of the Lender Parties, to any date agreed to by LightSquared and the Lender Parties, but the Auction shall not be adjourned beyond December 6, 2013. Reasonable notice of any such adjournment and the time and place (which shall be in New York City) for the resumption of the Auction shall be given to all Qualified Bidders who have timely submitted Qualified Bids, and the U.S. Trustee.
- v. LightSquared, after consultation with the Stakeholder Parties, shall not close the Auction until all Qualified Bidders have been given a reasonable opportunity to submit an overbid at the Auction to the then-existing

highest or otherwise best bid(s), as determined by LightSquared, after consultation with the Stakeholder Parties.

- i. **Acceptance of Qualified Bids.** Subject to the terms of the Approval Order, at the conclusion of the Auction, (i) the successful bid(s) shall be the bid(s) made in accordance with that order of the Bankruptcy Court approving these Bid Procedures (the "Approval Order") that represent, in LightSquared's discretion, after consultation with the Stakeholder Parties, the highest or otherwise best offer(s) for the applicable Assets (each, a "Successful Bid" and, each Qualified Bidder who submitted a Successful Bid, a "Successful Bidder"); and (ii) LightSquared, after consultation with the Stakeholder Parties, shall announce the identity of the Successful Bidder(s). There shall be no further bidding after the conclusion of the Auction.

LightSquared's acceptance of the Successful Bid(s) is conditioned upon approval by the Bankruptcy Court of the Successful Bid(s) at the Confirmation Hearing and entry of the Confirmation Order(s).

- j. **Irrevocability of Certain Bids.** The Successful Bid(s) shall remain irrevocable in accordance with the terms of the purchase agreement(s) executed by the Successful Bidder(s); provided, that (i) the last bid at the Auction (or submitted if the bidder did not bid at the Auction) of the bidder(s), including, for the avoidance of doubt, the Stalking Horse Bidders (each, a "Second-Highest Bidder"), that submits, in LightSquared's discretion, after consultation with the Stakeholder Parties, the next highest or otherwise best bid(s) (each, a "Second-Highest Bid") for the Assets⁸ at the Auction shall be subject to the terms of such Second-Highest Bidder(s)' purchase agreement(s), irrevocable until the earlier of: (a) sixty (60) days after entry of the Confirmation Order(s) approving the Successful Bid(s) or such later date as may be set forth in the Second-Highest Bidder's Proposed Agreement; and (b) the date on which LightSquared receives the purchase price in connection with the Successful Bid(s) or the Second-Highest Bid(s) (the "Outside Back-up Date"), and (ii) subject to the terms of each Second-Highest Bidder(s)' purchase agreement, the Good Faith Deposit of the Second-Highest Bidder(s) shall be returned within five (5) business days of the Outside Back-up Date; provided further, that LBAC has agreed to serve as the Second Highest Bidder for the LP Assets, and that the LBAC Bid shall remain irrevocable, until the earlier of sixty (60) days after entry of the Confirmation Order(s) and February 15, 2014. The identity of the Second-Highest Bidder(s) and the amount and material terms of the Second-Highest Bid(s) shall be announced by LightSquared at the conclusion of the Auction. Following the entry of the Confirmation Order(s), if a Successful Bidder fails to consummate the Sale because of a breach or failure to perform on the part of such Successful Bidder, the Second-Highest Bidder for the applicable Assets will be deemed to be the Successful Bidder (and the Second-Highest Bid the Successful Bid), and LightSquared will be authorized and directed to consummate the Sale with such Second-Highest Bidder without further order

⁸ For the avoidance of doubt, the Second Highest Bid(s) may contemplate the purchase of groupings or subsets of the Assets that are different from any groupings or subsets of the Assets reflected in the Successful Bid(s).

of the Bankruptcy Court. In such case, the defaulting Successful Bidder's Good Faith Deposit shall be forfeited to the applicable LightSquared estates, and LightSquared shall have the right to seek any and all other remedies and damages from the defaulting Successful Bidder, subject to the terms of, and the limitations and restrictions set forth in, the Proposed Agreement of the Successful Bidder or the Stalking Horse Agreement, as the case may be.

- k. **Return of Good Faith Deposit.** Except as otherwise provided in this section (k) with respect to any Successful Bid or Second-Highest Bid, the Good Faith Deposits of all Qualified Bidders shall be returned upon or within five (5) business days after entry of the Confirmation Order(s). The Good Faith Deposit of the Successful Bidder(s) shall be held until funding of purchase price in connection with the Sale and applied in accordance with the Successful Bid(s). The Good Faith Deposit of the Second-Highest Bidder(s) shall be returned as set forth in section (j) above.
- l. **Modifications.** At or before the Confirmation Hearing, consistent with these Bid Procedures and to obtain the highest or otherwise best offer(s) for the Assets, LightSquared, after consultation with the Stakeholder Parties, may impose such other terms and conditions as it may determine (after consultation with the Stakeholder Parties) to be in the best interests of LightSquared's estates and creditors.
- m. **Reservation of Rights.** LightSquared may (i) determine which Qualified Bid(s), if any, constitutes the highest or otherwise best offer for the applicable Assets and (ii) reject at any time before entry of the Confirmation Order(s) approving one or more Qualified Bid, any bid that is: (A) inadequate or insufficient; (B) not in conformity with title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (as amended, the "Bankruptcy Code"), these Bid Procedures, or the terms and conditions of the Sale; or (C) contrary to the best interests of LightSquared, its estates, its creditors, and other parties in interest. Nothing in these Bid Procedures shall, or shall be deemed to, unless otherwise provided for herein or by order of the Bankruptcy Court, (1) amend, modify, limit, or otherwise affect the terms or conditions of the Stalking Horse Agreements or the rights and remedies of the parties under applicable bankruptcy law; or (2) except for their consent to the applicable Stalking Horse Agreement, to the extent forthcoming, constitute the consent of the applicable lenders under the Prepetition LP Credit Agreement, the DIP Credit Agreement, or the Prepetition Inc. Credit Agreement to any sale or disposition of their collateral. Furthermore, nothing in these Bid Procedures or the Approval Order shall prohibit, restrict, or otherwise limit the ability of any party to file and prosecute any competing chapter 11 plan, including a plan that contemplates the retention by LightSquared, or the alternative disposition, of the Assets, or any ability of any party in interest to object to any plan or Sale, or contest any determinations made by LightSquared under these Bid Procedures.
- n. **Expenses.** Any bidders presenting bids shall bear their own expenses in connection with the proposed sale, whether or not such sale is ultimately approved, except as provided in (i) the Expense Order or (ii) any Potential Stalking Horse Agreements.

- o. **Highest Or Otherwise Best Bid.** Subject to the provisions of the Approval Order, whenever these Bid Procedures refer to a determination as to the highest or otherwise best offer, LightSquared, after consultation with the Stakeholder Parties, shall have the final authority to make such determinations, subject to approval of the Bankruptcy Court.
- p. **Action of Independent Ad Hoc Secured Group.** To the extent these Bid Procedures contemplate the provision of consent or the taking of other actions by the Independent Ad Hoc Secured Group, such consent shall only be provided and/or such actions shall only be taken if supported by members of the Independent Ad Hoc Secured Group holding over 50% in principal amount of the claims under the Prepetition LP Credit Agreement held by the members of the Independent Ad Hoc Secured Group.
- q. **Participation in Discussions with Potential Bidders.** To the extent practicable and subject to any confidentiality restrictions and LightSquared's duty and obligation to maximize value, the financial advisors for the Ad Hoc Secured Group and U.S. Bank and MAST shall be permitted to participate in all discussions with Potential Bidders and Qualified Bidders (and shall be given reasonable advance notice of all meetings and calls) and shall be copied on all correspondence with Potential Bidders and Qualified Bidders initiated by LightSquared or responses by LightSquared; provided, however, and subject to the foregoing, LightSquared shall use reasonable efforts to provide advance notice when such parties are excluded and, subject to the foregoing, an update after such discussions.

NOW, THEREFORE, in consideration of the foregoing and the promises, mutual covenants, and agreements set forth herein and for other good and valuable consideration, the Parties agree as follows:

Section 1. Commitments of the Parties Under this Agreement.

1.1 Plan Sponsors' Commitments.

(a) As consideration for the Stalking Horse Bidder entering into this Agreement and the Stalking Horse Agreement, so long as this Agreement shall not have been terminated in accordance with Section 6 hereof, each Plan Sponsor agrees that, by having executed and become party to this Agreement, it:

- (1) Shall, collectively with the other Plan Sponsors, file with the Bankruptcy Court the Plan and a related disclosure statement (the "Disclosure Statement"), on July 23, 2013;

- (4) Shall use commercially reasonable efforts to achieve each of the milestones set forth in **Exhibit C** attached hereto (the "Milestones");
- (5) Shall, after entry of the Disclosure Statement Order and the solicitation of votes on the Plan in accordance therewith, vote all Covered Claims and/or

- Interests held by such Plan Sponsor to accept the Plan, provided, that the Plan and Disclosure Statement, including any amendments, supplements, changes and modifications thereto, shall be in form and substance satisfactory to the Plan Sponsors;
- (6) Shall not directly or indirectly seek, solicit, support, or vote in favor of any other plan, sale, proposal, or offer of dissolution, winding up, liquidation, reorganization, merger, or restructuring of the Debtors other than the Plan (each, an "Alternative Plan");

 - (8) Shall not directly or indirectly object to or otherwise commence any proceeding opposing any of the terms of the Plan or the Disclosure Statement; provided, that nothing contained herein shall limit the ability of any Plan Sponsor to consult with the Debtors, to appear and be heard, or to file objections, concerning any matter arising in the Chapter 11 Cases, so long as such consultation, appearance or objection is not inconsistent with (i) such Plan Sponsor's obligations under this Agreement or (ii) the terms of the Plan and the other transactions contemplated by and in accordance with this Agreement and the Plan;
 - (9) Shall not, directly or indirectly, commence any proceeding or prosecute, join in, or otherwise support any action to oppose or object to entry of the Disclosure Statement Order, the order of the Bankruptcy Court approving the Bid Procedures, which shall be in form and substance acceptable to the Plan Sponsors and the Stalking Horse Bidder (the "Bid Procedures Order"), or the Confirmation Order (as defined below) or the entry of any order by the Canadian Court in the CCAA Recognition Proceeding recognizing any of the foregoing orders;
 - (10) Shall not, directly or indirectly, encourage any other entity to object to, delay, impede, appeal, or take any other action, directly or indirectly, to interfere with entry of the Disclosure Statement Order, the Bid Procedures Order or the Confirmation Order, or the entry of any order by the Canadian Court in the CCAA Recognition Proceeding recognizing any of the foregoing orders; and
 - (11) Shall not, directly or indirectly, take any action that is inconsistent with this Agreement or the Plan, or that would unreasonably delay beyond the

date of any Milestone the approval of the Disclosure Statement or the confirmation and consummation of the Plan.

(b) Nothing in this Agreement shall impair, prohibit, limit or restrict the rights of any Supporting LP Lender in connection with (i) the auction process to be conducted pursuant to the bid procedures related to the LP Sale set forth in Exhibit D attached hereto (the "Bid Procedures"), as approved by the Bankruptcy Court pursuant to the Bid Procedures Order, (ii) the Order Further Extending LightSquared's Exclusive Periods to File a Plan of Reorganization and Solicit Acceptances Thereof [Docket No. 522], entered by the Bankruptcy Court on February 13, 2013, (iii) soliciting Potential Bidders (as defined in the Bid Procedures), or engaging in discussions and negotiations with Potential Bidders; or (iv) selecting the Successful Bidder (as defined in the Bid Procedures).

1.2 Stalking Horse Bidder's Commitments.

As consideration for the Plan Sponsors entering into this Agreement, so long as this Agreement shall not have been terminated in accordance with Section 6 hereof, the Stalking Horse Bidder agrees that, by having executed and become party to this Agreement, it:

- (a) Shall use commercially reasonable efforts to effectuate and consummate the transactions contemplated by this Agreement, the Plan and the Stalking Horse Agreement;
- (b) Shall use commercially reasonable efforts to obtain the Confirmation Order;
- (c) Shall not directly or indirectly seek, solicit, support, or vote in favor of any Alternative Plan;
- (d) Shall not directly or indirectly (a) engage in, continue, or otherwise participate in any negotiations regarding any Alternative Plan, (b) enter into a letter of intent, memorandum of understanding, agreement in principle, or other agreement relating to any Alternative Plan, or (c) withhold, withdraw, qualify, or modify its approval or recommendation of this Agreement, the Plan, the Disclosure Statement, the Stalking Horse Agreement or the Bid Procedures;
- (e) Shall not encourage any other entity to object to, delay, impede, appeal, or take any other action, directly or indirectly, to interfere with entry of the Disclosure Statement Order or, after approval thereof, the Confirmation Order;
- (f) Shall not withdraw its offer made pursuant to the Stalking Horse Agreement;
- (g) Shall not take any action that is inconsistent with this Agreement, the Plan or the Stalking Horse Agreement, or that would unreasonably delay beyond the date of any Milestone the approval of the Disclosure Statement or the confirmation and consummation of the Plan; and

- (h) Shall, in the event it acquires any Covered Claims and/or Interests, vote all Covered Claims and/or Interests it holds to accept the Plan when solicited pursuant to the Disclosure Statement Order.

1.3 Transfer of Claims and Interests.

Until the termination of this Agreement pursuant to the terms hereof, no Party shall (a) sell, transfer, assign, pledge, grant a participation interest in, or otherwise dispose of, directly or indirectly, its right, title, or interest in respect of any of its Covered Claims and/or Interests, in whole or in part, (b) grant any proxies, deposit any of its Covered Claims and/or Interests into a voting trust, or enter into a voting agreement with respect to any such claim or interest, or (c) enter into any swap or other agreement that transfers, in whole or in part, any of the economic consequences of ownership of its Covered Claims and/or Interests, whether any such transaction described in clause (a), (b) or (c) above is to be settled by delivery of Covered Claims and/or Interests, in cash or otherwise (collectively, the actions described in clauses (a), (b) and (c), a "Transfer"), unless such Transfer is to a Party or any other entity that first agrees in writing to be bound by the terms of this Agreement by executing and delivering to the other Parties transferee acknowledgments substantially in the form attached hereto as **Exhibit E** (the "Transferee Acknowledgment") and is capable of fulfilling its obligations under this Agreement, as reasonably determined by the other Parties. Copies of all Transferee Acknowledgements shall be served on all Parties in accordance with Section 7.14 hereof. Any transferee shall be deemed to make all of the representations and warranties of a Plan Sponsor set forth in Section 2 of this Agreement. Upon compliance with the foregoing, the transferor (other than in the case of the Stalking Horse Bidder) shall be deemed to relinquish its rights (and be released from its obligations) under this Agreement to the extent of such transferred rights and obligations. Any Transfer made in violation of this Section 1.3 shall be deemed null and void and of no force or effect, regardless of any prior notice provided to the Parties hereunder (it being understood that the putative transferor shall continue to be bound by the terms and conditions set forth in this Agreement).

1.4 Further Acquisition of Claims and Interests.

This Agreement shall in no way be construed to preclude any Plan Sponsor or any of its affiliates (as defined in section 101(2) of the Bankruptcy Code) from acquiring additional Covered Claims and/or Interests following its execution of this Agreement. Any such Covered Claims and/or Interests acquired by a Plan Sponsor shall automatically be deemed to be subject to the terms of this Agreement, and such acquiring Plan Sponsor shall promptly (and, in no event, later than two (2) business days) inform the other Plan Sponsors of such acquisition

1.5 Further Negotiation of Stalking Horse Agreement.

Each of the Parties acknowledges that, as of the date hereof, the Stalking Horse Agreement will be subject to further negotiation. If at any time, based on diligence or otherwise, the Stalking Horse Bidder determines, in its sole discretion, that it will be unwilling or unable to enter into a final form of the Stalking Horse Agreement containing terms and conditions acceptable to it, it shall promptly, but in no event later than one (1) business day after making such determination, notify each of the Plan Sponsors of such determination in accordance with

Section 7.14 hereof. Upon receiving such notification, notwithstanding anything to the contrary herein (including Section 1.1(a)(6) hereof), the Plan Sponsors shall be permitted to engage in negotiations regarding an Alternative Plan with any party, including, without limitation, the Debtors and/or their affiliates.

Section 2. Representations and Warranties of the Plan Sponsors.

Each Plan Sponsor hereby severally but not jointly represents and warrants that, as of the date hereof:

- (a) *Authority.* (i) Such Plan Sponsor is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, and has all the requisite corporate, partnership or other power and authority to execute, deliver and perform its obligations under this Agreement, and to consummate the transactions contemplated herein; and (ii) the execution, delivery and performance by such Plan Sponsor of this Agreement and the consummation of the transactions contemplated herein have been duly authorized by all necessary action (corporate, partnership or otherwise) on the part of such Plan Sponsor and no other proceedings on the part of such Plan Sponsor are necessary to authorize and approve this Agreement or any of the transactions contemplated herein.

Such Plan Sponsor's interest in Covered Claims and/or Interests is free and clear of any pledge, lien, security interest, charge, claim, equity, option, proxy, voting restriction, right of first refusal or other limitation on disposition or encumbrances of any kind, that would adversely affect in any way such Plan Sponsor's performance of its obligations contained in this Agreement at the time such obligations are required to be performed.

Section 3. Representations and Warranties of the Stalking Horse Bidder.

The Stalking Horse Bidder hereby represents and warrants that, as of the date hereof:

- (a) *Authority.* The Stalking Horse Bidder (i) has the power and authority to execute, deliver and perform its obligations under this Agreement, and to consummate the transactions contemplated herein and (ii) the execution, delivery and performance by the Stalking Horse Bidder under this Agreement and the consummation of the transactions contemplated herein have been duly authorized by all necessary action on the part of the Stalking Horse Bidder.

to be represented and advised by legal counsel in connection with this Agreement, (iii) has adequate information concerning the matters that are the subject of this Agreement and (iv) has independently and without reliance upon the Plan Sponsors, and based on such information as the Stalking Horse Bidder has deemed appropriate, made its own analysis and decision to enter into this Agreement, except that the Stalking Horse Bidder has relied upon the Plan Sponsors' express representations, warranties and covenants in this Agreement, which it enters, or as to which it acknowledges and agrees, voluntarily and of its own choice and not under coercion or duress.

- (f) *Financial Capability.* The Stalking Horse Bidder (i) has, as of the date of this Agreement, and will have on the Funding Date (as defined in the Stalking Horse Agreement) access to sufficient funds available to pay the Purchase Price and any expenses incurred by the Stalking Horse Bidder in connection with the Sale, and (ii) has as of the date of this Agreement and will have on the Funding Date the resources and capabilities (financial or otherwise) to perform its obligations under the Stalking Horse Agreement.
- (g) *No Claim or Interest.* As of the date hereof, the Stalking Horse Bidder does not hold any claim against, or interest in, any of the Debtors.

Section 4. No Waiver of Participation and Preservation of Rights.

Except as expressly provided in this Agreement, nothing herein is intended to, does or shall be deemed in any manner to waive, limit, impair, or restrict the ability of each of the Plan Sponsors to protect and preserve its rights, remedies, and interests, including, but not limited to, its claims against or interests in any of the Debtors, any liens or security interests it may have in any assets of any of the Debtors, or its full participation in the Chapter 11 Cases so long as such actions are not inconsistent with the Plan Sponsor's obligations hereunder. Without limiting the foregoing sentence in any way, if the transactions contemplated by this Agreement or otherwise set forth in the Plan are not consummated as provided herein or therein, if this Agreement is terminated for any reason, the Parties each fully reserve any and all of their respective rights, remedies and interests.

Section 5. Acknowledgement.

THIS AGREEMENT, THE PLAN, THE STALKING HORSE AGREEMENT, AND THE TRANSACTIONS CONTEMPLATED HEREIN AND THEREIN, ARE THE PRODUCT OF NEGOTIATIONS BETWEEN THE PARTIES AND THEIR RESPECTIVE REPRESENTATIVES. EACH PARTY HEREBY ACKNOWLEDGES THAT THIS AGREEMENT IS NOT AND SHALL NOT BE DEEMED TO BE A SOLICITATION OF VOTES FOR THE ACCEPTANCE OF A CHAPTER 11 PLAN FOR THE PURPOSES OF SECTIONS 1125 AND 1126 OF THE BANKRUPTCY CODE OR OTHERWISE. THE PLAN SPONSORS WILL NOT SOLICIT ACCEPTANCES OF THE PLAN FROM HOLDERS OF COVERED CLAIMS AND/OR INTERESTS (OR ANY OTHER PERSON OR ENTITY) UNTIL SUCH HOLDERS (OR ANY OTHER PERSON OR ENTITY) HAVE BEEN PROVIDED WITH A COPY OF A DISCLOSURE STATEMENT APPROVED BY THE

BANKRUPTCY COURT. EACH PARTY FURTHER ACKNOWLEDGES THAT NO SECURITIES OF ANY DEBTOR ARE BEING OFFERED OR SOLD HEREBY AND THAT THIS AGREEMENT DOES NOT CONSTITUTE AN OFFER TO SELL OR A SOLICITATION OF AN OFFER TO BUY ANY SECURITIES OF ANY DEBTOR. NOTWITHSTANDING THE FOREGOING PROVISIONS, NOTHING IN THIS AGREEMENT SHALL REQUIRE ANY PARTY TO TAKE ANY ACTION PROHIBITED BY THE BANKRUPTCY CODE, THE SECURITIES ACT OF 1933 (AS AMENDED), THE SECURITIES EXCHANGE ACT OF 1934 (AS AMENDED), ANY RULE OR REGULATIONS PROMULGATED THEREUNDER, OR BY ANY OTHER APPLICABLE LAW OR REGULATION OR BY AN ORDER OR DIRECTION OF ANY COURT OR ANY STATE OR FEDERAL GOVERNMENTAL AUTHORITY.

Section 6. Termination.

6.1 Termination Events.

This Agreement may be terminated:

- (a) immediately upon the written agreement of all the Parties to terminate this Agreement;
- (b) by any Party, solely as to such party, immediately upon the failure of the third Milestone set forth on Exhibit C to be satisfied;
- (c) by any Party, solely as to such Party, immediately following the occurrence of any event described in clause (1) or (2) below:
 - (1) any of the Chapter 11 Cases relating to a Debtor that owns material assets to be purchased pursuant to the Stalking Horse Agreement is dismissed or converted to a case under Chapter 7 of the Bankruptcy Code; or
 - (2) the Confirmation Order is vacated pursuant to Section 11.4 of the Plan;
- (d) by any Supporting LP Lender, upon three (3) business days written notice to each of the other Parties following the occurrence of any event described in clause (1) or (2) below:
 - (1) the Plan has not been consummated by December 31, 2013 and the holders of LP Lender Claims shall not have received their Plan Consideration; or
 - (2) there has been a material breach of any representation, warranty or covenant contained in this Agreement by SPSO or the Stalking Horse Bidder.
- (e) by SPSO, upon three (3) business days written notice to each of the other Parties following the occurrence of a material breach of any representation, warranty or covenant contained in this Agreement by any of the Supporting LP Lenders.

- (f) by the Stalking Horse Bidder, upon three (3) business days written notice to each of the other Parties following the occurrence of any event described in clause (1), (2), (3), (4) or (5) below:
- (1) a Milestone has not been met;
 - (2) there has been a material breach of any representation, warranty or covenant contained in this Agreement by any of the Supporting LP Lenders;
 - (3) consummation of the transactions contemplated by the Stalking Horse Agreement has become legally impossible as the result of an event or occurrence specified in Section 8.1(b) of the Stalking Horse Agreement;
 - (4) the Plan Sponsors have withdrawn the Plan or publicly announced their intention not to support the Plan or provided written notice to the Stalking Horse Bidder of their intention to do so; or
 - (5) any court has entered a final, non-appealable judgment or order declaring this Agreement or any material portion hereof to be unenforceable.

The provisions of this Section 6.1 are intended solely for the Parties; provided, however, that no Party to this Agreement may seek to terminate this Agreement based upon a material breach or a failure of a condition (if any) in this Agreement arising out of its own actions or omissions. Any such termination (or partial termination) of this Agreement shall not restrict the Parties' rights and remedies for any breach of this Agreement by any Party, including, but not limited to, the reservation of rights set forth in Section 4 hereof, and the right of specific performance set forth in Section 7.11.

Further, notwithstanding anything to the contrary contained in this Agreement, to the extent any Debtor or any of Harbinger Capital Partners LLC or its affiliates ("Harbinger Parties") takes or has taken any action or failed to take any action that (a) may result in a condition set forth in this Agreement or the Stalking Horse Agreement to not be satisfied or (b) may give rise to a termination right pursuant to Section 6.1 hereof or under the Stalking Horse Agreement (as the case may be, a "Debtor/Harbinger Impediment"), then the Parties shall prepare and file with the Bankruptcy Court a joint motion ("Motion to Compel"), in form and substance reasonably satisfactory to each Party, to remedy a Debtor/Harbinger Impediment, and each Party shall support any other Parties' request that such Motion to Compel be heard by the Bankruptcy Court on an expedited basis. In the event that a Motion to Compel is filed by the Parties in accordance with this paragraph, no Party shall terminate this Agreement or the Stalking Horse Agreement until the Bankruptcy Court enters an order with respect to the Motion to Compel, and if the Bankruptcy Court grants the Motion to Compel, this Agreement and/or the Stalking Horse Agreement may not be terminated based on the Debtor/Harbinger Impediment that was the subject of the Motion to Compel; provided, however, that notwithstanding the foregoing, nothing herein shall be deemed to modify or otherwise affect the right of the Stalking Horse Bidder to terminate this Agreement in accordance with Section 6.1(f)(1) hereof.

6.2 Effects of Termination.

In the event this Agreement is terminated (or is terminated with respect to any Party), the Parties hereto (or the Parties with respect to which this Agreement has been terminated, as applicable) shall not have any continuing liability or obligation under this Agreement and each Party (or each Party with respect to which this Agreement has been terminated, as applicable) shall have all the rights and remedies available to it under applicable law; provided, however, that no such termination shall relieve any Party from liability for its breach or non-performance of its obligations hereunder prior to the date of termination.

Section 7. Miscellaneous Terms.

7.1 Binding Effect.

This Agreement shall inure to the benefit of and be binding upon the Parties and their respective successors, assigns, heirs, transferees, executors, administrators, and representatives, in each case solely as such parties are permitted under this Agreement. The agreements, representations, warranties, covenants, and obligations of each Party contained in this Agreement are, in all respects, several, but not joint.

7.2 Assignment.

No rights or obligations of any Party under this Agreement may be assigned or transferred to any other entity except as provided in Section 1.3 hereof.

7.3 Further Assurances.

The Parties agree to execute and deliver such other instruments and perform such acts, in addition to the matters herein specified, as may be reasonably appropriate or necessary, from time to time, to effectuate the agreements and understandings of the Parties, whether the same occurs before or after the date of this Agreement.

7.4 Headings.

The headings of all sections of this Agreement are inserted solely for the convenience of reference and are not a part of and are not intended to govern, limit, or aid in the construction or interpretation of any term or provision hereof. References to sections, unless otherwise indicated, are references to sections of this Agreement.

7.5 Governing Law.

THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY CONFLICTS OF LAW PROVISION WHICH WOULD REQUIRE THE APPLICATION OF THE LAW OF ANY OTHER JURISDICTION.

By execution and delivery of this Agreement, each of the Parties hereto hereby irrevocably and unconditionally agrees that the Bankruptcy Court shall have exclusive

jurisdiction of all matters arising out of or in connection with this Agreement, and waives any objection it may have to venue or the convenience of the forum.

7.6 Incorporation of Exhibits.

The Plan, the Stalking Horse Agreement, the Milestones, the Bid Procedures, and the Transferee Acknowledgement (collectively, the "Exhibits") are expressly incorporated herein by reference and are made part of this Agreement. References to "the Agreement," "this Agreement," "herein" or "hereof" include this Agreement and each of the Exhibits.

7.7 Entire Agreement.

This Agreement (including, for the avoidance of doubt, the Exhibits) constitute the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior and contemporaneous agreements, representations, warranties, and understandings of the Parties, whether oral, written, or implied, as to the subject matter hereof; provided, however, that any confidentiality agreement or waivers executed by any Party shall survive this Agreement and shall remain in full force and effect in accordance with its terms.

7.8 Interpretation.

This Agreement is the product of negotiation by and among the Parties. Any Party enforcing or interpreting this Agreement shall interpret it in a neutral manner. There shall be no presumption concerning whether to interpret this Agreement for or against any Party by reason of that Party having drafted this Agreement, or any portion thereof, or caused it or any portion thereof to be drafted. To the extent there is any conflict between the terms of this Agreement and the terms of the Exhibits, the terms and conditions as set forth in this Agreement shall govern.

7.9 Amendment and Waiver.

Except as otherwise specifically provided herein, this Agreement may not be modified, waived, amended, or supplemented unless such modification, waiver, amendment, or supplement is in writing and has been signed by each of the Parties. No waiver of any of the provisions of this Agreement shall be deemed to constitute a waiver of any other provision of this Agreement, whether or not similar, nor shall any waiver be deemed a continuing waiver (unless such waiver expressly provides otherwise).

7.10 Counterparts.

This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which shall constitute one and the same Agreement. The signatures of all of the Parties need not appear on the same counterpart. Delivery of an executed signature page of this Agreement by facsimile or electronic mail shall be effective as delivery of a manually executed signature page of this Agreement.

7.11 Remedies.

- (a) Each Party shall be entitled to enforce the terms of this Agreement by a decree of specific performance without the necessity of proving the inadequacy of money damages as a remedy and without the necessity of posting a bond. NO PARTY (OR ITS AFFILIATES OR REPRESENTATIVES) SHALL, UNDER ANY CIRCUMSTANCE, BE LIABLE TO ANY OTHER PARTY (OR ITS AFFILIATES OR REPRESENTATIVES) FOR ANY CONSEQUENTIAL, EXEMPLARY, SPECIAL, INCIDENTAL OR PUNITIVE DAMAGES CLAIMED BY SUCH OTHER PARTY UNDER THE TERMS OF OR DUE TO ANY BREACH OF THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, LOSS OF REVENUE OR INCOME, DAMAGES BASED ON ANY MULTIPLIER OF PROFITS OR OTHER VALUATION METRIC, COST OF CAPITAL, DIMINUTION OF VALUE OR LOSS OF BUSINESS REPUTATION OR OPPORTUNITY.
- (b) If any Plan Sponsor breaches any obligation, term or provision of this Agreement, (i) such Party shall not be liable for money damages, and (ii) each non-breaching Party shall be entitled solely to specific performance and injunctive or other equitable relief as a remedy for any such breach.
- (c) To the extent the Bankruptcy Court determines, by a final nonappealable order, that the Stalking Horse Bidder is liable to another Party for a breach of this Agreement and that such Party is entitled to money damages from the Stalking Horse Bidder for such breach, Parent Entity and the Stalking Horse Bidder shall be jointly and severally liable for such money damages.

7.12 No Admissions.

This Agreement shall in no event be construed as or be deemed to be evidence of an admission or concession on the part of any Party of any claim or fault or liability or damages whatsoever. Each of the Parties denies any and all wrongdoing or liability of any kind and does not concede any infirmity in the claims or defenses which it has asserted or could assert. No Party shall have, by reason of this Agreement, a fiduciary relationship in respect of any other Party or any person or entity, and nothing in this Agreement, expressed or implied, is intended to or shall be so construed as to impose upon any Party any obligations in respect of this Agreement except as expressly set forth herein. This Agreement (including all Exhibits hereto) is part of a proposed settlement of a dispute among the Parties. Pursuant to Federal Rule of Evidence 408 and any applicable state rules of evidence, this Agreement (including all Exhibits hereto) and all negotiations relating thereto shall not be admissible into evidence in any proceeding other than a proceeding involving enforcement of the terms of this Agreement.

7.13 Consideration.

Each Party hereby acknowledges that no consideration, other than that specifically described herein or the Plan, shall be due or paid to any Plan Sponsor for its agreement to file the

Plan with the Bankruptcy Court or to vote to accept the Plan in accordance with the terms and conditions of this Agreement, other than the Plan Sponsors' representations, warranties and agreement to use commercially reasonable efforts to seek to effectuate and consummate the Plan.

7.14 Notices.

All notices hereunder (including copies of Transferee Acknowledgments in accordance with Section 1.3 of this Agreement) shall be deemed given if in writing and hand-delivered or sent by courier, by registered or certified mail (return receipt requested), or by electronic mail to the following addresses (or at such other addresses as shall be specified by like notice):

Any notice given by hand-delivery, courier, mail, or electronic mail shall be effective when received.

7.15 Consents and Other Actions By the Plan Sponsors.

To the extent any provision of this Agreement or the Plan contemplates the provision of consent or other actions by the Plan Sponsors, such consent shall only be provided and/or such actions shall only be taken if supported by (a) SPSO and (b) Supporting LP Lenders holding over 50% in principal amount of the aggregate principal amount of LP Lender Claims held by the Supporting LP Lenders.

7.16 Third Party Beneficiaries.

This Agreement shall be solely for the benefit of the Parties hereto (or any other party that may become a party to this Agreement pursuant to Section 1.3 or Section 1.4 of this Agreement) and no other person or entity shall be a third-party beneficiary hereof.

ARTICLE I. **DEFINITIONS AND INTERPRETATION**

1.1. Definitions

The capitalized terms used herein shall have the respective meanings set forth in the Glossary of Defined Terms attached hereto as Exhibit "A" (such meanings to be equally applicable to both the singular and plural).

1.2. Interpretation; Application of Definitions and Rules of Construction

Unless otherwise specified, all section or exhibit references in this Plan are to the respective section in, or exhibit to, this Plan. The words "herein," "hereof," "hereto," "hereunder," and other words of similar import refer to this Plan as a whole and not to any particular section, subsection, or clause contained therein. Whenever from the context it is appropriate, each term, whether stated in the singular or the plural, will include both the singular and the plural. Any term that is not otherwise defined herein, but that is used in the Bankruptcy Code or the Bankruptcy Rules, shall have the meaning given to that term in the Bankruptcy Code or the Bankruptcy Rules, as applicable. Except for the rules of construction contained in section 102(5) of the Bankruptcy Code, which shall not apply, the rules of construction contained in section 102 of the Bankruptcy Code shall apply to the construction of the Plan. Any reference in this Plan to a contract, instrument, release, indenture, or other agreement or documents being in a

particular form or on particular terms and conditions means that such document shall be substantially in such form or substantially on such terms and conditions, and any reference in this Plan to an existing document or exhibit filed or to be filed means such document or exhibit as it may have been or may be amended, modified, or supplemented. Subject to the provisions of any contract, certificates or articles of incorporation, by-laws, instruments, releases, or other agreements or documents entered into in connection with this Plan, the rights and obligations arising under this Plan shall be governed by, and construed and enforced in accordance with, federal law, including the Bankruptcy Code and Bankruptcy Rules. The captions and headings in this Plan are for convenience of reference only and shall not limit or otherwise affect the provisions hereof. Any reference to an entity as a holder of a Claim or Equity Interest includes that entity's successors and assigns. ARTICLE II. **RESOLUTION OF CERTAIN INTER-DEBTOR ISSUES**

2.1. Substantive Consolidation of the LP Debtors for Purposes of Voting, Confirmation and Distribution

This Plan provides for substantive consolidation of the LP Debtors' Estates, but solely for purposes of voting, confirmation, and making distributions to the holders of Allowed Claims and Allowed Equity Interests under the Plan. Notwithstanding anything herein to the contrary, the LP Debtors shall not be merged or consolidated and shall maintain their pre-Effective Date corporate structure. On the Effective Date: (i) all guarantees by any LP Debtor of the payment, performance or collection by another LP Debtor with respect to Claims against such second LP Debtor, and all Claims based on such guarantees, shall be deemed eliminated, cancelled, released and of no further force and effect; (ii) any obligation of any LP Debtor and all guarantees by another LP Debtor with respect to Claims of the first LP Debtor shall be treated as a single obligation; (iii) each Claim against any LP Debtor shall be deemed to be against the consolidated LP Debtors and shall be deemed a single Claim against, and a single obligation of, the consolidated LP Debtors; and (iv) all Intercompany Claims shall be deemed eliminated as a

result of the substantive consolidation of the LP Debtors, and therefore holders thereof shall not be entitled to vote on the Plan, or receive any Plan Distributions or other allocations of value under the Plan. Except as set forth in this Section 2.1, such substantive consolidation shall not (other than for purposes related to the Plan) (x) affect the legal and corporate structure of the LP Debtors or (y) affect any obligations under any leases or contracts assumed in the Plan or otherwise after the Petition Date.

2.2. Inc. Entity General Unsecured Claims

On or before the Inc. Entity General Unsecured Claims Bar Date, any Inc. Entity that asserts an Inc. Entity General Unsecured Claim against any of the LP Debtors shall file a proof of such Claim with the Claims Agent by hand delivery, overnight courier, or first class mail to LightSquared Claims Processing Center, c/o Kurtzman Carson Consultants LLC, 2335 Alaska Avenue, El Segundo, CA 90254, and serve a copy of such proof of Claim on the Plan Sponsors. Any timely filed Allowed Inc. Entity General Unsecured Claim shall receive the treatment set forth in Class 4 – General LP Unsecured Claims, unless otherwise ordered by the Bankruptcy Court.

ARTICLE III. **PROVISIONS FOR TREATMENT OF UNCLASSIFIED CLAIMS**

3.1. Unclassified Claims

As provided by section 1123(a)(1) of the Bankruptcy Code, Administrative Claims, Fee Claims, U.S. Trustee Fees and Priority Tax Claims against the LP Debtors shall not be classified under the Plan, and shall instead be treated separately as unclassified Claims on the terms set forth in this Article III. Holders of such Claims are not entitled to vote on this Plan.

3.2. Treatment of Administrative Claims

(a) Time for Filing Administrative Claims

Each holder of an Administrative Claim, other than (i) a Fee Claim, (ii) a liability incurred and payable in the ordinary course of business by any LP Debtor (and not past due), (iii) an Administrative Claim that has become an Allowed Claim on or before the Effective Date, or (iv) any claim by the Stalking Horse Bidder for payment of the Break-Up Fee or Expense Reimbursement under the Stalking Horse Agreement must file with the Bankruptcy Court and serve on (a) the LP Debtors, (b) the Office of the U.S. Trustee, and (c) the Plan Sponsors notice of such Administrative Claim within thirty (30) days after service of the Notice of Effective Date. Such notice of Administrative Claim must include, at a minimum, (i) the name of the holder of the Administrative Claim, (ii) the amount of the Administrative Claim, and (iii) a detailed description of the basis for the Administrative Claim. **Failure to file and serve such notice timely and properly shall result in the Administrative Claim being forever barred and discharged.**

(b) Allowance of Administrative Claims

An Administrative Claim with respect to which notice has been properly filed and served pursuant to Section 3.2(a) of this Plan shall become an Allowed Administrative Claim if no objection is filed within thirty (30) days after the later of (i) the Effective Date, (ii) the date of service of the applicable notice of Administrative Claim, or (iii) such later date as may be (a) agreed to by the holder of such Administrative Claim or (b) approved by the Bankruptcy Court on motion of a party in interest, without notice or a hearing. If an objection is filed within such thirty (30) day period (or any extension thereof) and is not otherwise resolved, the Administrative Claim shall become an Allowed Administrative Claim only to the extent allowed by Final Order. For the avoidance of doubt, any claim by the Stalking Horse Bidder for the Break-Up Fee or Expense Reimbursement shall be deemed an Allowed Administrative Expense Claim in accordance with the Bid Procedures Order, and the Stalking Horse Bidder shall not be required to file any notice of Administrative Claim in accordance with Section 3.2(a) of this Plan or any other proof of claim or administrative expense in respect of any claim for the Break-Up Fee or Expense Reimbursement.

(c) Payment of Allowed Administrative Claims

On the Plan Distribution Date, each holder of an Allowed Administrative Claim shall receive, (i) the amount of such holder's Allowed Administrative Claim in one payment of Plan Consideration in the form of Cash (to the extent not previously paid by the LP Debtors) or (ii) such other treatment as may be agreed upon in writing by (a) the LP Debtors (or, if after the Effective Date, the Disbursing Agent), and (b) such holder; provided, that such treatment shall not provide a recovery to such holder having a present value as of the Effective Date in excess of such holder's Allowed Administrative Claim; provided, further, that an Administrative Claim representing a liability incurred in the ordinary course of business of any of the LP Debtors may be paid by the respective LP Debtor (or, if after the Effective Date, the Disbursing Agent), as applicable, in the ordinary course of business; provided, further, that the Break-Up Fee and Expense Reimbursement shall be paid in accordance with the terms of the Stalking Horse Agreement and Bid Procedures Order; and provided, further, that any Allowed Administrative Claim accrued or incurred prior to the Effective Date, but not paid on or prior to the Effective Date, shall be paid from the reserve established pursuant to Section 9.5(b) of this Plan (and, to the extent that amounts deposited in the reserve established pursuant to Section 9.5(b) of this Plan are insufficient to pay such Allowed Administrative Claim, the LP Debtors may withdraw Cash from the Wind Down Reserve to pay such Allowed Administrative Claim).

(d) Ad Hoc LP Secured Group Fee Claims and Plan Sponsor Fee Claims

In the case of the Ad Hoc LP Secured Group Fee Claims and Plan Sponsor Fee Claims, such Ad Hoc LP Secured Group Fee Claims and Plan Sponsor Fee Claims will be paid in full in Plan Consideration in the form of Cash on the Effective Date for all reasonable fees and expenses incurred up to the Effective Date (to the extent not previously paid), subject to the LP Debtors' prior receipt of invoices and reasonable documentation in connection therewith and without the requirement to file a Fee Application with the Bankruptcy Court. In the event that the LP Debtors dispute all or a portion of the Ad Hoc LP Secured Group Fee Claims or Plan Sponsor Fee Claims, the LP Debtors shall pay the undisputed amount of such Ad Hoc LP Secured Group Fee Claims or Plan Sponsor Fee Claims (as applicable), and segregate the

remaining portion of such Ad Hoc LP Secured Group Fee Claims or Plan Sponsor Fee Claims (as applicable) until such dispute is resolved by the parties or by the Bankruptcy Court.

3.3. Treatment of Fee Claims

(a) Time for Filing Fee Claims

Each Professional Person who holds or asserts a Fee Claim against the LP Debtors shall be required to file with the Bankruptcy Court, and serve on all parties required to receive notice, a final Fee Application within forty (40) days after the Effective Date or such other date as may be fixed by the Bankruptcy Code. **The failure to timely file and serve such final Fee Application shall result in the Fee Claim being forever barred and discharged.**

(b) Allowance of Fee Claims

A Fee Claim in respect of which a Fee Application has been properly filed and served pursuant to Section 3.3(a) of this Plan shall become an Allowed Fee Claim only to the extent allowed by Final Order.

(c) Treatment of Fee Claims

Each holder of an Allowed Fee Claim shall receive, in full satisfaction of such Allowed Fee Claim, (i) on the date such Fee Claim becomes an Allowed Fee Claim, or as soon thereafter as is practicable, Plan Consideration in the form of Cash in an amount equal to such Allowed Fee Claim (less any amounts previously paid on account of such Fee Claim by the LP Debtors) or (ii) such other treatment as may be agreed to by such holder of an Allowed Fee Claim; provided, that such treatment shall not provide a recovery to such holder having a present value as of the Effective Date in excess of such holder's Allowed Fee Claim; provided, further, that any Allowed Fee Claim accrued or incurred prior to the Effective Date, but not paid on or prior to the Effective Date, shall be paid from the reserve established pursuant to Section 9.5(b) of this Plan (and, to the extent that amounts deposited in the reserve established pursuant to Section 9.5(b) of this Plan are insufficient to pay such Allowed Fee Claim, the LP Debtors may withdraw Cash from the Wind Down Reserve to pay such Allowed Fee Claim).

3.4. Treatment of U.S. Trustee Fees

The Disbursing Agent, on behalf of each of the LP Debtors, shall pay all outstanding U.S. Trustee Fees of such LP Debtor on an ongoing basis on the later of: (i) the Effective Date; and (ii) the date such U.S. Trustee Fees become due, until such time as a final decree is entered closing the applicable Chapter 11 Case or the applicable Chapter 11 Case is converted or dismissed, or the Bankruptcy Court orders otherwise. Any deadline for filing Administrative Claims shall not apply to U.S. Trustee Fees.

3.5. Treatment of Priority Tax Claims

Each holder of an Allowed Priority Tax Claim shall receive, in full satisfaction of such Allowed Priority Tax Claim: (a) Plan Consideration in the form of Cash in the amount of such Allowed Priority Tax Claim (to the extent not previously paid by the LP Debtors) on the later of

(i) the applicable Plan Distribution Date and (ii) as soon as practicable after such Priority Tax Claim becomes an Allowed Priority Tax Claim or (b) such other treatment as may be agreed to by such holder of an Allowed Priority Tax Claim; provided, that such treatment shall not provide a recovery to such holder having a present value as of the Effective Date in excess of such holder's Allowed Priority Tax Claim.

ARTICLE IV.

4.1. Classification/Impairment of Claims and Equity Interests

The following table designates the Classes of Claims and Equity Interests, and specifies which Classes are: (i) impaired or unimpaired by this Plan; (ii) entitled to vote to accept or reject this Plan in accordance with section 1126 of the Bankruptcy Code; and (iii) deemed to accept this Plan pursuant to section 1126(f) of the Bankruptcy Code.

<u>Class</u>	<u>Designation</u>	<u>Impairment</u>	<u>Entitled to Vote</u>
Class 1	Priority Non-Tax Claims	No	No (deemed to accept)
Class 2	Other LP Secured Claims	No	No (deemed to accept)
Class 3	LP Facility Secured Claims	Yes	Yes
Class 4	General LP Unsecured Claims	Yes	Yes
Class 5	LP Preferred Unit Interests	Yes	Yes
Class 6	LP Common Equity Interests	Yes	Yes

4.2. Separate Classification of Other LP Secured Claims

Other LP Secured Claims have been classified together for each LP Debtor solely for purposes of describing treatment under the Plan. Each Other LP Secured Claim, to the extent secured by a Lien on Collateral different than that securing any other Other LP Secured Claim, shall be treated as being in a separate sub-Class for the purpose of receiving Plan Distributions.

ARTICLE V.
TREATMENT OF CLASSIFIED CLAIMS AND EQUITY INTERESTS

5.1. Class 1 – Priority Non-Tax Claims

(a) Treatment: The legal, equitable and contractual rights of the holders of Priority Non-Tax Claims are unaltered by this Plan. Except to the extent that a holder of an Allowed Priority Non-Tax Claim agrees to different treatment, on the applicable Plan Distribution Date, each holder of an Allowed Priority Non-Tax Claim shall receive Plan Consideration in the form of Cash in an amount equal to such Allowed Claim.

(b) Voting: The Priority Non-Tax Claims are not impaired Claims. In accordance with section 1126(f) of the Bankruptcy Code, the holders of Priority Non-Tax Claims are conclusively presumed to accept this Plan and are not entitled to vote to accept or reject the Plan, and the votes of such holders will not be solicited with respect to such Allowed Priority Non-Tax Claims.

5.2. Class 2 – Other LP Secured Claims

(a) Treatment: The legal, equitable and contractual rights of the holders of Other LP Secured Claims are unaltered by this Plan. Except to the extent that a holder of an Allowed Other LP Secured Claim agrees to different treatment, on the applicable Plan Distribution Date, each holder of an Allowed Other LP Secured Claim shall receive, at the election of the Plan Sponsors or Disbursing Agent, as applicable: (i) Plan Consideration in the form of Cash in an amount equal to such Allowed Other LP Secured Claim; or (ii) such other treatment that will render the Other LP Secured Claim unimpaired pursuant to section 1124 of the Bankruptcy Code. Each holder of an Allowed Other LP Secured Claim shall retain the Liens securing its Allowed Other LP Secured Claim as of the Effective Date until (A) full and final payment of such Allowed Other LP Secured Claim is made as provided herein or (B) the Collateral securing such Liens is sold and such Liens shall attach to the respective proceeds of such sale to the extent attributable to such Collateral and with the same validity, priority, force and effect. Upon the full payment or other satisfaction of such Claims in accordance with the Plan, the Liens securing such Allowed Other LP Secured Claim shall be deemed released, terminated and extinguished, in each case without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order or rule or the vote, consent, authorization or approval of any Person.

(b) Voting: The Other LP Secured Claims are not impaired Claims. In accordance with section 1126(f) of the Bankruptcy Code, the holders of Other LP Secured Claims are conclusively presumed to accept this Plan and are not entitled to vote to accept or reject the Plan, and the votes of such holders will not be solicited with respect to such Allowed Other LP Secured Claims.

(c) Deficiency Claims: To the extent that the value of the Collateral securing each Other LP Secured Claim is less than the allowed amount of such Other LP Secured Claim, the undersecured portion of such Allowed Claim shall be treated for all purposes under this Plan as an Allowed General LP Unsecured Claim and shall be classified as a General LP Unsecured Claim.

5.3. Class 3 – LP Facility Secured Claims

(a) Allowance: On the Effective Date, the LP Facility Secured Claims shall be Allowed Claims.

(b) Treatment: In full satisfaction, settlement, release and discharge of, and in exchange for, LP Facility Secured Claims, and except to the extent that a holder of an Allowed LP Facility Secured Claim agrees to less favorable treatment, each holder of an LP Facility Secured Claim shall receive, on the Effective Date, its Pro Rata Share of Plan Consideration remaining after (A) payment in full of Unclassified Claims pursuant to Article III, (B) payment

in full of Priority Non-Tax Claims and Other LP Secured Claims pursuant to Sections 5.1 and 5.2 of this Plan, respectively, and (C) payment of the General LP Unsecured Claims Distribution; provided, that, in the event that the Stalking Horse Bid is selected as the Successful Bid and the Effective Date occurs, the Plan Consideration distributed to the holders of Allowed LP Facility Secured Claims, in full satisfaction, settlement, release and discharge of, and in exchange for, such Claims, shall equal \$2,102,000,000 in the aggregate; and provided, further, in no event, shall any distribution to a holder of an Allowed LP Facility Secured Claim pursuant to this Section 5.3(b) be in excess of 100% of the amount of such holder's Allowed LP Facility Secured Claim.

(c) Voting: The LP Facility Secured Claims are impaired Claims. Holders of such Claims are entitled to vote to accept or reject the Plan, and the votes of such holders will be solicited with respect to such LP Facility Secured Claims.

5.4. Class 4 – General LP Unsecured Claims

(a) Treatment: In complete and final satisfaction, settlement, release, and discharge of, and in exchange for, General LP Unsecured Claims, and except to the extent that a holder of an Allowed General LP Unsecured Claim agrees to less favorable treatment, on the applicable Plan Distribution Date, each holder of an Allowed General LP Unsecured Claim shall receive such holder's Pro Rata Share of (A) the General LP Unsecured Claims Distribution, and (B) to the extent Allowed General LP Unsecured Claims exceed the General LP Unsecured Claims Distribution, Plan Consideration remaining, if any, after payment in full of all Allowed LP Facility Secured Claims and Allowed Other LP Secured Claims; provided, in no event shall such distribution(s) be in excess of 100% of the amount of its Allowed General LP Unsecured Claim.

(b) Voting: The General LP Unsecured Claims are impaired Claims. Holders of such Claims are entitled to vote to accept or reject the Plan, and the votes of such holders will be solicited with respect to such General LP Unsecured Claims.

5.5. Class 5 – LP Preferred Unit Interests

(a) Treatment: In complete and final satisfaction, settlement, release, and discharge of, and in exchange for, LP Preferred Unit Interests, on the Effective Date, the LP Preferred Unit Interests shall be cancelled and, except to the extent that a holder of an Allowed LP Preferred Unit Interest agrees to less favorable treatment, on the applicable Plan Distribution Date, each holder of a LP Preferred Unit Interest shall receive its Pro Rata Share of Plan Consideration remaining, if any, after payment in full of the Allowed General LP Unsecured Claims, including the amount (if any) of the General LP Unsecured Claims Distribution in excess of all Allowed General LP Unsecured Claims; provided, in no event shall such distribution(s) be in excess of 100% of the amount of its Allowed LP Preferred Unit Interest.

(b) Voting: The LP Preferred Unit Interests are impaired Equity Interests. Holders of such Equity Interests are entitled to vote to accept or reject the Plan, and the votes of such holders will be solicited with respect to such LP Preferred Unit Interests.

5.6. Class 6 – LP Common Equity Interests

(a) Treatment: In complete and final satisfaction, settlement, release, and discharge of, and in exchange for, LP Common Equity Interests, on the Effective Date, LP Common Equity Interests shall be cancelled (except as set forth in Section 7.14 of this Plan) and, on the applicable Plan Distribution Date, each holder of an LP Common Equity Interest shall receive its Pro Rata Share of the Plan Consideration remaining, if any, after payment in full of the LP Preferred Unit Interests.

(b) Voting: The LP Common Equity Interests are impaired Equity Interests. Holders of such Equity Interests are entitled to vote to accept or reject the Plan, and the votes of such holders will be solicited with respect to such LP Common Equity Interests.

**ARTICLE VI.
ACCEPTANCE OR REJECTION OF THE PLAN**

6.1. Classes of Claims Deemed to Accept the Plan

Class 1 – Priority Non-Tax Claims and Class 2 – Other LP Secured Claims are unimpaired under the Plan and are therefore deemed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code.

6.2. Class Acceptance Requirement

A Class of Claims shall have accepted the Plan if it is accepted by the holders of at least two-thirds (2/3) in amount and more than one-half (1/2) in number of the Allowed Claims in such Class that have voted on the Plan. A Class of Equity Interests shall have accepted the Plan if it is accepted by holders of at least two-thirds (2/3) in amount of the Equity Interests in such Class that actually vote on the Plan.

6.3. Confirmation Pursuant to Section 1129(b) of the Bankruptcy Code or “Cramdown”

If all applicable requirements for confirmation of the Plan are met as set forth in section 1129(a) of the Bankruptcy Code, except subsection (8) thereof, the Plan shall be treated as a request that the Bankruptcy Court confirm the Plan in accordance with section 1129(b) of the Bankruptcy Code, notwithstanding the failure to satisfy the requirements of section 1129(a)(8), on the basis that the Plan is fair and equitable and does not discriminate unfairly with respect to each Class of Claims or Equity Interests that is impaired under, and has not accepted, the Plan.

6.4. Elimination of Vacant Classes

Any Class of Claims that does not have a holder of an Allowed Claim or a Claim temporarily allowed by the Bankruptcy Court as of the date of the Confirmation Hearing shall be deemed eliminated from the Plan for purposes of voting to accept or reject the Plan and for purposes of determining acceptance or rejection of the Plan by such Class pursuant to section 1129(a)(8) of the Bankruptcy Code.

6.5. Voting Classes; Deemed Acceptance by Non-Voting Classes

If a Class contains Claims or Equity Interests eligible to vote and no holders of Claims or Equity Interests eligible to vote in such Class vote to accept or reject the Plan, the Plan shall be deemed accepted by the holders of such Claims or Equity Interests in such Class.

**ARTICLE VII.
MEANS FOR IMPLEMENTATION OF THE PLAN**

7.1. Plan Funding

Plan Distributions shall be made from Plan Consideration (which excludes, for the avoidance of doubt, Cash in the Wind Down Reserve) as of the Effective Date. Such Plan Consideration shall be used (i) first, to satisfy Allowed Administrative Claims, Allowed Fee Claims, U.S. Trustee Fees, Allowed Priority Tax Claims, Allowed Priority Non-Tax Claims and Allowed Other LP Secured Claims in Cash (or, with respect to Other LP Secured Claims, as otherwise permitted under Section 5.2 of this Plan); (ii) second, to fund the General LP Unsecured Claims Distribution in Cash; and (iii) third, to satisfy the LP Debtors' other obligations with regards to payment of Allowed Claims and Allowed Equity Interests under this Plan, in accordance with the terms hereof. The issuance or delivery of any Plan Distributions that are securities shall be exempt from registration under applicable securities laws pursuant to section 1145(a) of the Bankruptcy Code.

On the Effective Date, Cash from the LP Sale Proceeds in an amount equal to \$[]² million, or such other amount as may be (a) mutually agreed by the Plan Sponsors and the LP Debtors or (b) ordered by the Bankruptcy Court, shall be deposited in a segregated account to be held by the LP Debtors (the "*Wind Down Reserve*"), which proceeds shall be used to provide funding for reasonable expenses incurred or accrued by the LP Debtors on or after the Effective Date that are directly related to the Wind Down, including, without limitation, professional fees and expenses incurred by the LP Debtors in connection therewith. To the extent that amounts deposited in the Wind Down Reserve are insufficient to pay such expenses, the LP Debtors may withdraw Cash from the Disputed Claims Reserves established under Section 9.5 of this Plan, in an amount not to exceed \$1,000,000. For the avoidance of doubt, Purchaser shall not be responsible for the payment of any expenses associated with the Wind Down in the event that the Wind Down Reserve is insufficient to pay such expenses.

7.2. The LP Sale

The Confirmation Order shall approve a sale of the Acquired Assets under sections 105(a), 1123(a)(5), 1123(b)(4), 1129(b)(2)(A), 1141, 1142(b), 1145 and 1146(a) of the Bankruptcy Code pursuant to a sale process under the terms and conditions of the Asset Purchase Agreement and the Bid Procedures Order free and clear of any Claims, Liens, interests, or encumbrances. The LP Sale Proceeds shall include a Cash component in an amount sufficient for the Disbursing Agent to make all Plan Distributions required to be in the form of Cash, and for the LP Debtors to fund the Wind Down Reserve and Disputed Claims Reserves, and to pay all amounts due to be paid to the Stalking Horse Bidder pursuant to the terms of the Bid

² To be inserted prior to solicitation.

Procedures Order in the event the Stalking Horse Bidder is not the Purchaser, including the Break-Up Fee and Expense Reimbursement. Upon entry of the Confirmation Order, the LP Debtors shall be (a) authorized to, among other things, sell, assume, assign and/or transfer the Acquired Assets, subject to applicable law and the terms and conditions of the Asset Purchase Agreement (including, without limitation, receipt of the Specified Regulatory Approvals to the extent applicable), and take any and all actions necessary to consummate the LP Sale; and (b) authorized and directed to execute the Asset Purchase Agreement (to the extent not executed as of the Confirmation Date). Actions necessary to consummate the LP Sale may include, among others, (a) the execution and delivery of appropriate instruments of transfer, assignment, assumption or delegation of any Asset, property, rights, liability, duty or obligation on terms consistent with the terms of the Asset Purchase Agreement and the Plan and having such other terms to which the LP Debtors and the Purchaser may agree and (b) all other actions that are necessary and appropriate in connection with such transactions, including making such filings or recordings that may be required by or appropriate under applicable state law. Nothing in the Plan or Confirmation Order authorizes the transfer or assignment of the Acquired Assets to the Purchaser without the Purchaser's compliance with applicable non-bankruptcy laws regarding the transfer, assignment, or ownership of such Assets.

7.3. Distribution Account

The Distribution Account shall be established to receive on the Effective Date the Plan Consideration, which shall vest in the Distribution Account on the Effective Date free and clear of any and all claims, encumbrances, or interests in accordance with section 1141 of the Bankruptcy Code, but subject to the rights of holders of Claims and Equity Interests to obtain the distributions provided for in this Plan. Upon the distribution of all Plan Consideration in the Distribution Account, the Distribution Account shall be extinguished. Upon the transfer of the Plan Consideration into the Distribution Account, the LP Debtors and the Purchaser will have no interest in, or with respect to, the Plan Consideration in the Distribution Account, except as otherwise provided herein.

7.4. Cancellation of Credit Agreements, Existing Securities and Agreements

Except for the purpose of evidencing a right to distribution under this Plan, and except as otherwise set forth herein, on the Effective Date all agreements, instruments, and other documents evidencing any Claim or Equity Interest and any rights of any holder in respect thereof, shall be deemed cancelled, discharged and of no force or effect. Notwithstanding the foregoing, the applicable provisions of the LP Facility Credit Documents shall continue in effect solely for the purposes of permitting the LP Facility Agent and/or the Disbursing Agent to make distributions pursuant to this Plan on account of Allowed LP Facility Secured Claims and to effectuate any charging Liens permitted under the LP Facility Credit Agreement, and to assert any rights the holders of LP Facility Secured Claims may have with respect to any guaranty of such LP Facility Secured Claims by a Person other than an LP Debtor. Except as otherwise set forth herein, the holders of or parties to such cancelled instruments, securities and other documentation will have no rights arising from or relating to such instruments, securities and other documentation or the cancellation thereof, except the rights provided for pursuant to the Plan. Except as provided pursuant to this Plan, the LP Facility Agent and its agents, successors

and assigns shall be discharged of all of their obligations associated with the LP Facility Credit Documents upon payment in full of the LP Facility Secured Claims.

7.5. Comprehensive Settlement of Claims and Controversies

Pursuant to Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided under this Plan, the provisions of this Plan will constitute a good faith compromise and settlement of all claims or controversies relating to the rights (including any subordination rights) that a holder of a Claim or Equity Interest may have with respect to any Allowed Claim or Allowed Equity Interest or any distribution to be made pursuant to this Plan on account of any Allowed Claim or Allowed Equity Interest. The entry of the Confirmation Order will constitute the Bankruptcy Court's approval, as of the Effective Date, of the compromise or settlement of all such claims or controversies and the Bankruptcy Court's finding that all such compromises or settlements are: (a) in the best interests of the LP Debtors and their respective Estates and property, and of holders of Claims or Equity Interests; and (b) fair, equitable and reasonable.

7.6. Continued Corporate Existence and Vesting of Assets

(a) Except as otherwise provided in this Plan, the LP Debtors will continue to exist after the Effective Date as separate corporate entities, in accordance with the applicable laws of the respective jurisdictions in which they are incorporated or organized, for the purposes of satisfying their obligations under the Asset Purchase Agreement and the Plan, including making or assisting the Disbursing Agent in making distributions as required under the Plan, maintaining the Acquired Assets and the LP Debtors' business in accordance with the requirements of the Asset Purchase Agreement, and effectuating the Wind Down. On or after the Effective Date, each LP Debtor, in its sole and exclusive discretion, but subject to and in accordance with the terms and conditions of the Asset Purchase Agreement, and subject to receipt of any required governmental or regulatory approvals (if any), may take such action as permitted by applicable law as such LP Debtor may determine is reasonable and appropriate, including, but not limited to, causing: (i) an LP Debtor to be merged into another LP Debtor, or its subsidiary or Affiliate; (ii) an LP Debtor to be dissolved without the necessity for any other or further actions to be taken by or on behalf of such dissolving LP Debtor or any payments to be made in connection therewith subject to the filing of a certificate of dissolution with the appropriate governmental authorities; (iii) the legal name of an LP Debtor to be changed; or (iv) the closing of an LP Debtor's Chapter 11 Case on the Effective Date or any time thereafter.

(b) On and after the Effective Date, pursuant to sections 1141(b) and (c) of the Bankruptcy Code, and except as otherwise provided in this Plan or in the Confirmation Order, all property of the LP Debtors' Estates (other than the Plan Consideration), including all claims, rights and Causes of Action shall vest in each respective LP Debtor free and clear of all Claims, Liens, charges, other encumbrances and interests (other than (a) the rights of the Purchaser with respect to the Acquired Assets, and (b) with respect to the Retained Assets, any Liens, charges or other encumbrances created under the Asset Purchase Agreement). On and after the Effective Date, the LP Debtors shall maintain the Acquired Assets and comply with all of their obligations under the Asset Purchase Agreement. In addition, subject to the terms and conditions of the Asset Purchase Agreement and this Plan (including, without limitation, Article IX hereof), the LP Debtors shall effectuate the Wind Down of the LP Debtors' Estates, and may use, acquire and

dispose of property and prosecute, compromise or settle any Claims (including any Administrative Claims) and Causes of Action (in each case that are not Acquired Assets or Assumed Liabilities), as well as disputes relating to allowance of any Equity Interest, without supervision of or approval by the Bankruptcy Court and free and clear of any restrictions of the Bankruptcy Code or the Bankruptcy Rules other than restrictions expressly imposed by this Plan or the Confirmation Order. Without limiting the foregoing, the LP Debtors may pay, from the proceeds of the Wind Down Reserve, the charges that they incur on or after the Effective Date for Professional Persons' fees, disbursements, expenses or related support services without application to the Bankruptcy Court.

7.7. Existing Officers; Existing Boards

(a) Existing Officers. The Existing Officers shall continue in their positions with the LP Debtors on and after the Effective Date, in accordance with their respective existing employment agreements with the LP Debtors (to the extent assumed by the LP Debtors in accordance with Section 10.1 of this Plan) or any new employment agreement entered into by the LP Debtors and the applicable Existing Officer on or prior to the Effective Date. To the extent the employment of any of the Existing Officers with the LP Debtors is terminated on or after the Effective Date, the LP Debtors shall replace such terminated Existing Officer in accordance with the terms and conditions of the Asset Purchase Agreement. The Existing Officers shall be entitled to indemnification for claims, losses, expenses and liabilities arising on or after the Effective Date pursuant to the terms and conditions of the articles of incorporation, by-laws, or similar organizational documents of the applicable LP Debtor in place as of the Effective Date.

(b) Existing Boards. The members of the Existing Boards shall continue in their positions with the LP Debtors on and after the Effective Date. In the event that a vacancy arises on any Existing Board on or after the Effective Date (as a result of a Person's termination, resignation, removal or otherwise), such vacancy shall be filled in accordance with the terms and conditions of the Asset Purchase Agreement. The members of the Existing Boards shall be entitled to indemnification for claims, losses, expenses and liabilities arising on or after the Effective Date pursuant to the terms and conditions of the articles of incorporation, by-laws, or similar organizational documents of the applicable LP Debtor in place as of the Effective Date.

7.8. Corporate Governance

From and after the Effective Date, each of the LP Debtors shall be managed and administered by the Existing Boards, who shall have full authority to administer the provisions of the Plan and the Asset Purchase Agreement, subject to the terms of the Asset Purchase Agreement. Each Existing Board may, subject to the terms of the Asset Purchase Agreement, authorize its applicable Existing Officers to take any actions contemplated by this Plan or the Asset Purchase Agreement on behalf of the applicable LP Debtor to the extent permitted by the articles of incorporation, by-laws, or similar organizational documents of such LP Debtor in place as of the Effective Date.

7.9. Wind Down of the LP Debtors and Their Estates

(a) The Existing Boards shall oversee the Wind Down, subject to the terms and conditions of the Asset Purchase Agreement and this Plan, and shall make distributions to, and

otherwise hold all property of the LP Debtors' Estates for the benefit of, holders of Allowed Claims and Allowed Equity Interests consistent and in accordance with the Plan and the Confirmation Order. The LP Debtors shall not be required to post a bond in favor of the United States.

(b) Following the Effective Date, the LP Debtors shall not engage in any business activities or take any actions, except those necessary to effectuate the Plan, the Wind Down and compliance with their obligations under the Asset Purchase Agreement. On and after the Effective Date, the LP Debtors may take such action and settle and compromise Claims or Equity Interests without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or the Bankruptcy Rules, other than any restrictions expressly imposed by the Plan, the Confirmation Order and/or the Asset Purchase Agreement (including, without, limitation, Article IX of this Plan).

7.10. Power and Authority of the Existing Boards

The Existing Boards shall have the power and authority to perform the following acts on behalf of the LP Debtors, in addition to any powers granted by law or conferred by any other provision of the Plan and orders of the Bankruptcy Court, but in each case subject to the terms and conditions of the Asset Purchase Agreement and this Plan (including, without limitation, Article IX hereof): (i) take all steps and execute all instruments and documents necessary to make or assist the Disbursing Agent in making distributions to holders of Allowed Claims and Allowed Equity Interests; (ii) object to Claims and Equity Interests as provided in this Plan and prosecute such objections; (iii) resolve, compromise and/or settle any objections to the amount, validity, priority, treatment, allowance or priority of Claims, Administrative Claims, or Equity Interests; (iv) comply with this Plan and the obligations hereunder; (v) if necessary, employ, retain, or replace professionals to assist the LP Debtors in compliance with their obligations under the Asset Purchase Agreement and/or the Wind Down; (vi) establish, replenish or release reserves as provided in this Plan, as applicable; (vii) take all actions necessary or appropriate to enforce the LP Debtors' rights under the Asset Purchase Agreement and any related document and to fulfill, comply with or otherwise satisfy the LP Debtors' covenants, agreements and obligations under the Asset Purchase Agreement and any related document; (viii) make all determinations on behalf of the LP Debtors under the Asset Purchase Agreement; (ix) prepare and file applicable tax returns for any of the LP Debtors; (x) liquidate any of the Retained Assets; (xi) deposit the LP Debtors' Estate funds, draw checks and make disbursements consistent with the terms of this Plan; (xii) purchase or continue insurance protecting the LP Debtors and property of the LP Debtors' Estates; (xiii) seek entry of a final decree in any of the Chapter 11 Cases at the appropriate time; (xiv) prosecute, resolve, compromise and/or settle any litigation; (xv) abandon in any commercially reasonable manner, including abandonment or donation to a charitable organization (as such term is described in Internal Revenue Code section 501(c)(3) (whose contributions are deductible under Internal Revenue Code section 170)) of the LP Debtors' choice, any LP Debtors' Estate Assets that are of no material benefit; and (xvi) take such other action as the LP Debtors may determine to be necessary or desirable to carry out the purpose of this Plan and/or consummation of the LP Sale in accordance with the Asset Purchase Agreement.

7.11. Assumed Liabilities

In accordance with the terms of the Asset Purchase Agreement, upon and after the Closing of the LP Sale pursuant to the Asset Purchase Agreement, the Purchaser (or, if applicable, the Alternative Purchaser) shall be responsible for payment and satisfaction of all Assumed Liabilities. Upon and after the Closing of the LP Sale pursuant to the Asset Purchase Agreement, all Persons holding Claims and Equity Interests arising out of or concerning an Assumed Liability, shall be forever barred, estopped and permanently enjoined from asserting against the LP Debtors and any of their property, such Claims or Equity Interests, as applicable. The Purchaser (or, if applicable, the Alternative Purchaser) is not assuming, and shall not become liable for the payment or performance of, any liabilities or other obligations of any of the LP Debtors of any nature whatsoever, whether accrued or unaccrued, other than the Assumed Liabilities.

7.12. Cancellation of Certain Existing Security Interests

Upon the full payment or other satisfaction of an Allowed Other LP Secured Claim, or promptly thereafter, the holder of such Allowed Other LP Secured Claim shall deliver to the LP Debtors any Collateral or other property of the LP Debtors held by such holder, and any termination statements, instruments of satisfactions, or releases of all security interests with respect to its Allowed Other LP Secured Claim that may be reasonably required in order to terminate any related financing statements, mortgages, mechanic's liens, or lis pendens; provided, however, any such Collateral that is an Acquired Asset received by the LP Debtors from the holder of such Allowed Claim shall be delivered promptly to the Purchaser (or, if applicable, the Alternative Purchaser) following the Closing.

7.13. Corporate Action

(a) The LP Debtors shall serve on the U.S. Trustee quarterly reports of the disbursements made until such time as a final decree is entered closing the applicable Chapter 11 Case or the applicable Chapter 11 Case is converted or dismissed, or the Bankruptcy Court orders otherwise. The deadline for filing Administrative Claims set forth in Section 3.2(a) of this Plan shall not apply to fees payable pursuant to section 1930 of title 28 of the United States Code.

(b) Entry of the Confirmation Order shall establish conclusive corporate and other authority (and evidence of such corporate and other authority) required for each of the LP Debtors to undertake any and all acts and actions required to implement or contemplated by the Plan (including, without limitation, the execution and delivery of the Asset Purchase Agreement), and such acts and actions shall be deemed to have occurred and shall be in effect pursuant to applicable non-bankruptcy law and the Bankruptcy Code, without the need for board or shareholder vote and without any requirement of further action by the stockholders, directors or managers of the LP Debtors (if any).

(c) On the Effective Date, the Existing Boards are authorized and directed to execute and/or deliver, as the case may be, the agreements, documents and instruments contemplated by the Plan, the Plan Supplement and the Asset Purchase Agreement and any schedules, exhibits or

other documents attached thereto or contemplated thereby in the name and on behalf of the LP Debtors.

(d) Upon entry of a final decree in each Chapter 11 Case, if not previously dissolved, the applicable LP Debtor shall be deemed dissolved and wound up without any further action required by such LP Debtor.

7.14. Intercompany Equity Interests

No Equity Interest held by an LP Debtor in another LP Debtor shall be cancelled by the terms of this Plan, and all such Equity Interests shall continue in place following the Effective Date solely for the purpose of maintaining the existing corporate structure of the LP Debtors. For the avoidance of doubt, Equity Interests held by any Inc. Entity in any LP Debtor shall be cancelled in accordance with Section 5.6 of this Plan.

ARTICLE VIII. **PLAN DISTRIBUTION PROVISIONS**

8.1. The Disbursing Agent

All Plan Distributions under this Plan shall be made by the Disbursing Agent on and after the Effective Date as provided herein. The Disbursing Agent shall be empowered to: (a) take all steps and execute all instruments and documents necessary to make Plan Distributions to holders of Allowed Claims and Equity Interests; (b) comply with the Plan and the obligations thereunder; (c) make periodic reports regarding the status of distributions under the Plan to the holders of Allowed Claims that are outstanding at such time, with such reports to be made available upon request to the holder of any Disputed Claim; and (d) exercise such other powers as may be vested in the Disbursing Agent pursuant to the Plan, the Plan Documents, the Confirmation Order, or any other order of the Bankruptcy Court. Except as otherwise ordered by the Bankruptcy Court, and subject to the written agreement of the LP Debtors if the Disbursing Agent is a Person other than the LP Debtors, the amount of any reasonable documented fees and expenses incurred by the Disbursing Agent on or after the Effective Date (including, without limitation, taxes) and any reasonable compensation and expense reimbursement Claims (including, without limitation, reasonable attorney and other professional fees and expenses) made by the Disbursing Agent shall be paid in Cash by the LP Debtors from the Wind Down Reserve.

8.2. Postpetition Interest

Postpetition interest shall be paid on Allowed LP Facility Secured Claims as set forth in this Plan. In addition, postpetition interest and/or dividends shall be paid on Allowed LP Preferred Unit Interests to the extent that (a) there is sufficient LP Cash to make a Plan Distribution to holders of LP Common Equity Interests after giving effect to all other Plan Distributions contemplated by this Plan and (b) payment of such amounts is permitted under applicable bankruptcy or non-bankruptcy law. With respect to all Claims and Equity Interests other than Allowed LP Facility Secured Claims and Allowed LP Preferred Unit Interests, postpetition interest shall not accrue or be paid, and no holder of a Claim or Equity Interest shall be entitled to interest accruing on such Claim or Equity Interest after the Petition Date, except as

otherwise specifically provided for in the Confirmation Order or other order of the Bankruptcy Court, or required by applicable bankruptcy or non-bankruptcy law.

8.3. Timing of Plan Distributions

Unless otherwise provided herein, any distributions and deliveries to be made hereunder shall be made on the applicable Plan Distribution Date or as soon thereafter as is practicable, provided that the LP Debtors or the Disbursing Agent, as applicable, may utilize periodic distribution dates to the extent appropriate and not otherwise inconsistent with the Plan. In the event that any payment or act under this Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

8.4. Distribution Record Date

(a) As of the close of business on the Distribution Record Date, the various lists of holders of Claims and Equity Interests in each of the Classes, as maintained by the LP Debtors, or their agents, shall be deemed closed and there shall be no further changes in the record holders of any of the Claims and Equity Interests. Neither the LP Debtors nor the Disbursing Agent shall have any obligation to recognize any transfer of Claims or Equity Interests occurring after the close of business on the Distribution Record Date. Additionally, with respect to payment of any Cure Costs or any Cure Disputes in connection with the assumption and/or assignment of the LP Debtors' executory contracts and leases, the LP Debtors shall have no obligation to recognize or deal with any party other than the non-LP Debtor party to the underlying executory contract or lease, even if such non-LP Debtor party has sold, assigned or otherwise transferred its Claim for a Cure Cost.

(b) Plan Distributions to be made on account of Allowed LP Facility Secured Claims shall be made by the Disbursing Agent to the LP Facility Agent, who shall distribute such Plan Distributions to holders of Allowed LP Facility Secured Claims in accordance with the terms of the LP Facility Credit Agreement. The LP Facility Agent shall cooperate and assist the Disbursing Agent in connection with such distributions to the holders of Allowed LP Facility Secured Claims. The LP Debtors, through the Disbursing Agent, shall pay the LP Facility Agent's reasonable documented fees and expenses incurred in providing any such cooperation or assistance from the Wind Down Reserve.

(c) Plan Distributions to be made on account of Allowed Claims and Equity Interests other than LP Facility Secured Claims shall be made directly by the Disbursing Agent to the holders of such Claims and Equity Interests.

8.5. Address for Delivery of Plan Distributions/Unclaimed Plan Distributions

Subject to Bankruptcy Rule 9010, any Plan Distribution or delivery to a holder of an Allowed Claim or Equity Interest shall be made at the address of such holder as set forth in the latest-dated of the following actually held or received by the Disbursing Agent prior to the Effective Date: (a) the Schedules; (b) the Proof of Claim filed by such holder; (c) any notice of

assignment filed with the Bankruptcy Court with respect to such Claim or Equity Interest pursuant to Bankruptcy Rule 3001(e); (d) any notice served by such holder giving details of a change of address; or (e) the transfer ledger in respect of the LP Preferred Unit Interests and LP Common Equity Interests. If any Plan Distribution sent to the holder of a Claim or Equity Interest is returned to the Disbursing Agent as undeliverable, no Plan Distributions shall be made to such holder unless the Disbursing Agent is notified of such holder's then current address within one hundred and twenty (120) days after such Plan Distribution was returned. After such date, if such notice was not provided, such holder shall have forfeited its right to such Plan Distribution, and the undeliverable Plan Distribution shall revert to the Distribution Account. Upon such reversion, the Claim or Equity Interest of any holder or its successors with respect to such property shall be cancelled, discharged and forever barred notwithstanding any applicable federal or state escheat, abandoned or unclaimed property laws to the contrary.

8.6. Time Bar to Cash Payments

Checks issued in respect of Allowed Claims shall be null and void if not negotiated within ninety (90) days after the date of issuance thereof. Requests for reissuance of any voided check shall be made directly to the Disbursing Agent by the holder of the Allowed Claim to whom such check was originally issued. Any claim in respect of such a voided check shall be made within one hundred and twenty (120) days after the date of issuance of such check. If no request is made as provided in the preceding sentence, any claims in respect of such voided check shall be discharged and forever barred and such unclaimed Plan Distribution shall revert to the Distribution Account.

8.7. No Distribution in Excess of Amount of Allowed Claim

Notwithstanding anything to the contrary herein, no holder of an Allowed Claim shall, on account of such Allowed Claim, receive a Plan Distribution (of a value set forth herein) in excess of the allowed amount of such Claim plus postpetition interest on such Claim, to the extent interest is permitted under Section 8.2 of this Plan.

8.8. Setoffs and Recoupments

Each LP Debtor, or such entity's designee as instructed by such LP Debtor, may, pursuant to section 553 of the Bankruptcy Code or applicable non-bankruptcy law, set off and/or recoup against any Allowed Claim (other than an Allowed LP Facility Secured Claim) or any Allowed Equity Interest, and the Plan Distributions on account of such Allowed Claim or Allowed Equity Interest, any and all claims, rights and Causes of Action that an LP Debtor or its successors may hold against the holder of such Allowed Claim or Allowed Equity Interest after the Effective Date; provided, however, that neither the failure to effect a setoff or recoupment nor the allowance of any Claim or Equity Interest (other than an Allowed LP Facility Secured Claim) hereunder will constitute a waiver or release by an LP Debtor or its successor of any and all claims, rights and Causes of Action that an LP Debtor or its successor may possess against such holder; and provided, further, that any proposed setoff or recoupment of the LP Debtors' rights or Causes of Action against an Allowed Inc. Entity General Unsecured Claim shall be subject to Bankruptcy Court approval as a settlement of such Allowed Inc. Entity General Unsecured Claim pursuant to Section 9.3 of this Plan.

8.9. Fractional Cents and De Minimis Distributions

Notwithstanding any other provision of the Plan to the contrary, (i) no payment of fractions of cents will be made; and (ii) the Disbursing Agent shall not have any obligation to make a Plan Distribution that is less than or \$40.00 in Cash. Whenever any payment of a fraction of a cent would otherwise be called for, the actual payment shall reflect a rounding down of such fraction to the nearest whole cent.

8.10. Manner of Payment Under the Plan

Unless the Person receiving a Plan Distribution agrees otherwise, any Plan Distribution to be made in Cash under the Plan shall be made, at the election of the Disbursing Agent, by check drawn on a domestic bank or by wire transfer from a domestic bank. Cash payments to foreign creditors may be, in addition to the foregoing, made at the option of the Disbursing Agent in such funds and by such means as are necessary or customary in a particular foreign jurisdiction. The issuance or delivery of any Plan Distribution that is a security shall be exempt from registration under applicable securities laws pursuant to section 1145(a) of the Bankruptcy Code.

8.11. Requirement to Give a Bond or Surety

The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court and, in the event that the Disbursing Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the applicable LP Debtor. Furthermore, any such Person required to give a bond shall notify the Bankruptcy Court and the U.S. Trustee in writing before terminating any such bond that is obtained.

8.12. Withholding and Reporting Requirements

In connection with this Plan and all distributions hereunder, the LP Debtors shall comply with all withholding and reporting requirements imposed by any federal, state, local or foreign taxing authority, and all Plan Distributions hereunder shall be subject to any such withholding and reporting requirements. The LP Debtors shall be authorized to take any and all actions that may be necessary or appropriate to comply with such withholding and reporting requirements, including, without limitation, liquidating a portion of any Plan Distribution to generate sufficient funds to pay applicable withholding taxes or establishing any other mechanisms the LP Debtors or the Disbursing Agent believe are reasonable and appropriate, including requiring a holder of a Claim or Equity Interest to submit appropriate tax and withholding certifications. Notwithstanding any other provision of this Plan: (a) each holder of an Allowed Claim and/or an Allowed Equity Interest that is to receive a distribution under this Plan shall have sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any governmental unit, including income, withholding and other tax obligations on account of such distribution; and (b) no Plan Distributions shall be required to be made to or on behalf of such holder pursuant to this Plan if, after 120 days from the date of transmission of a written request to the holder of an Allowed Claim or Allowed Equity Interest, the LP Debtors do not receive a valid, completed IRS form from such holder of an Allowed Claim or Allowed Equity Interest, which is otherwise required for reporting purposes, and such holder shall be treated as if their Claims or Equity Interests had been disallowed.

8.13. Cooperation with Disbursing Agent

The LP Debtors and their Professional Persons shall use all commercially reasonable efforts to provide the Disbursing Agent with the amount of Claims and Equity Interests and the identity and addresses of holders of Claims and Equity Interests, in each case, as set forth in the LP Debtors' books and records. The LP Debtors and their Professional Persons shall cooperate in good faith with the Disbursing Agent to comply with any of its reporting and withholding requirements.

**ARTICLE IX.
PROCEDURES FOR RESOLVING DISPUTED CLAIMS**

9.1. Objections to Claims

Other than with respect to Fee Claims (to which any party in interest may object) and Inc. Entity General Unsecured Claims (to which the Ad Hoc LP Secured Group or any member thereof may object), only the LP Debtors shall be entitled to object to Claims after the Effective Date. Any objections to Claims (other than Administrative Claims), shall be served and filed on or before the later of: (a) one-hundred twenty (120) days after the Effective Date; and (b) such other date as may be fixed by the Bankruptcy Court, whether fixed before or after the date specified in clause (a) hereof. Any Claims filed after the applicable bar date (including Inc. Entity General Unsecured Claims filed after the Inc. Entity General Unsecured Claims Bar Date), shall be deemed disallowed and expunged in their entirety without further order of the Bankruptcy Court or any action being required on the part of the LP Debtors unless the Person wishing to file such untimely Claim has received Bankruptcy Court authority to do so. Notwithstanding any authority to the contrary, an objection to a Claim shall be deemed properly served on the claimant if the objecting party effects service in any of the following manners: (i) in accordance with Federal Rule of Civil Procedure 4, as modified and made applicable by Bankruptcy Rule 7004; (ii) by first class mail, postage prepaid, on the signatory on the Proof of Claim as well as all other representatives identified in the Proof of Claim or any attachment thereto; or (iii) if counsel has agreed to or is otherwise deemed to accept service, by first class mail, postage prepaid, on any counsel that has appeared on the claimant's behalf in the Chapter 11 Cases (so long as such appearance has not been subsequently withdrawn).

9.2. Amendment to Claims

Except with respect to Administrative Expense Claims and Fee Claims, from and after the Effective Date, no Claim may be filed to increase or assert additional Claims not reflected in an already filed Claim (or Claim scheduled, unless superseded by a filed Claim, on the applicable LP Debtor's Schedules) asserted by such claimant and any such Claim shall be deemed disallowed and expunged in its entirety without further order of the Bankruptcy Court or any action being required on the part of the LP Debtors unless the claimant has obtained the Bankruptcy Court's prior approval to file such amended or increased Claim.

9.3. Settlement of Claims and Causes of Action

Notwithstanding any requirements that may be imposed pursuant to Bankruptcy Rule 9019, from and after the Effective Date, the LP Debtors shall have authority to settle or

compromise all Claims (to the extent not previously compromised, settled and released under the Plan) without further review or approval of the Bankruptcy Court; provided, that notwithstanding the foregoing, the LP Debtors may not settle or compromise any Inc. Entity General Unsecured Claim without approval of the Bankruptcy Court, which the LP Debtors may seek on fourteen (14) calendar days' notice to the Ad Hoc LP Secured Group and Plan Sponsors.

9.4. Estimation of Claims

The LP Debtors (or any of them, as applicable), may at any time request that the Bankruptcy Court estimate any Disputed Claim pursuant to section 502(c) of the Bankruptcy Code regardless of whether the LP Debtors (or any of them, as applicable) has previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any Disputed Claim, that estimated amount shall constitute the allowed amount of such Claim for all purposes under the Plan except with respect to Plan Distributions, and with respect to Plan Distributions, the estimated amount shall constitute the maximum allowed amount of such Claim. All of the objection, estimation, settlement, and resolution procedures set forth in the Plan are cumulative and not necessarily exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn or resolved by any mechanism approved by the Bankruptcy Court.

9.5. Disputed Claims Reserves

(a) No Plan Distributions Pending Allowance. Except as provided in this Section 9.5, Disputed Claims shall not be entitled to any Plan Distributions unless and until such Claims become Allowed Claims.

(b) Disputed Unclassified Claims Reserve. On the Effective Date or as soon thereafter as is reasonably practicable, the LP Debtors shall set aside and reserve, for the benefit of each holder of a Disputed Claim that is an Administrative Claim or Priority Tax Claim, Plan Consideration in the form of Cash in an amount equal to (i) the amount of such Claim as estimated by the Bankruptcy Court pursuant to an Estimation Order, (ii) if no Estimation Order has been entered with respect to such Claim, the amount in which such Disputed Claim is proposed to be allowed in any pending objection filed with respect to such Claim, or (iii) if no Estimation Order has been entered with respect to such Claim, and no objection to such Claim is pending on the Effective Date, (A) the amount listed in the Schedules or (B) if the amount listed in the Schedules is less than the amount set forth in a timely filed Proof of Claim or application for payment filed with the Bankruptcy Court or Claims Agent, the amount set forth in such timely filed Proof of Claim or application for payment, as applicable. In addition, on the Effective Date or as soon thereafter as is reasonably practicable, the LP Debtors shall set aside and reserve, for the benefit of each holder of an Administrative Claim (including a Fee Claim) incurred or accrued by the LP Debtors prior to the Effective Date that are not paid on or prior to the Effective Date, Plan Consideration in the form of Cash in amount equal to such Administrative Claim (based on the Plan Sponsors' best estimate of the allowable amount of such Claim); provided that, to the extent that amounts deposited in the reserve established pursuant to this Section 9.5(b) are insufficient to pay any such Allowed Administrative Claim,

the LP Debtors may withdraw Cash from the Wind Down Reserve to pay such Allowed Administrative Claim.

(c) Disputed Priority-Non Tax Claims and Disputed Other LP Secured Claims Reserve. On the Effective Date or as soon thereafter as is reasonably practicable, the LP Debtors shall set aside and reserve, for the benefit of each holder of a Disputed Claim that is a Priority Non-Tax Claim or Other LP Secured Claim, Plan Consideration in the form of Cash in an amount equal to (i) the amount of such Claim as estimated by the Bankruptcy Court pursuant to an Estimation Order, (ii) if no Estimation Order has been entered with respect to such Claim, the amount in which such Disputed Claim is proposed to be allowed in any pending objection filed with respect to such Claim, or (iii) if no Estimation Order has been entered with respect to such Claim, and no objection to such Claim is pending on the Effective Date, (A) the amount listed in the Schedules or (B) if the amount listed in the Schedules is less than the amount set forth in a timely filed Proof of Claim or application for payment filed with the Bankruptcy Court or Claims Agent, the amount set forth in such timely filed Proof of Claim or application for payment, as applicable.

(d) Disputed General LP Unsecured Claims Reserve. On the Effective Date or as soon thereafter as is reasonably practicable, the LP Debtors shall set aside and reserve, for the benefit of each holder of a Disputed Claim that is a General LP Unsecured Claim, Plan Consideration in an amount equal to (i) the General LP Unsecured Claims Distribution minus the amount of Allowed General LP Unsecured Claims as of the Effective Date, or (ii) such other amount as may be ordered by the Bankruptcy Court on or prior to the Confirmation Date. Further, so long as the Allowed LP Facility Secured Claims have been paid in full on the Effective Date as set forth in Section 5.3 of this Plan, and only to the extent the aggregate amount of Disputed General LP Unsecured Claims (as calculated hereunder) exceeds the Cash set aside and reserved pursuant to the first sentence of this Section 9.5(d), the LP Debtors shall, on the Effective Date or as soon thereafter as is reasonably practicable, set aside and reserve, for the benefit of each holder of a Disputed General LP Unsecured Claim, Cash in an amount equal to (i) the amount of such Claim as estimated by the Bankruptcy Court pursuant to an Estimation Order, (ii) if no Estimation Order has been entered with respect to such Claim, the amount in which such Disputed Claim is proposed to be allowed in any pending objection filed by the LP Debtors, or (iii) if no Estimation Order has been entered with respect to such Claim, and no objection to such Claim is pending on the Effective Date, (A) the amount listed in the Schedules or (B) if the amount listed in the Schedules is less than the amount set forth in a timely filed Proof of Claim or application for payment filed with the Bankruptcy Court or Claims Agent, the amount set forth in such timely filed Proof of Claim or application for payment, as applicable.

(e) Plan Distributions to Holders of Subsequently Allowed Claims. On each Plan Distribution Date (or such earlier date as determined by the LP Debtors or the Disbursing Agent in their sole discretion but subject to this Section 9.5), the Disbursing Agent will make Plan Distributions from the applicable Disputed Claims Reserve on account of any Disputed Claim that has become an Allowed Claim since the occurrence of the previous Plan Distribution Date. The Disbursing Agent shall distribute from the applicable Disputed Claims Reserve in respect of such newly Allowed Claims the Plan Distributions to which holders of such Claims would have been entitled under this Plan if such newly Allowed Claims were fully or partially Allowed, as

the case may be, on the Effective Date, less direct and actual expenses, fees, or other direct costs of maintaining Cash on account of such Disputed Claims.

(f) Distribution from Disputed Claims Reserves Upon Disallowance. Except as otherwise provided in this Plan, to the extent any Disputed Claim has become a Disallowed Claim in full or in part (in accordance with the procedures set forth in the Plan), any Cash held in any Disputed Claim Reserve by the LP Debtors on account of, or to pay, such Disputed Claim, shall revert to the Distribution Account and be distributed to holders of Allowed Claims or Allowed Equity Interests in accordance with Article V.

9.6. No Recourse

Notwithstanding that the allowed amount of any particular Disputed Claim is (a) reconsidered under the applicable provisions of the Bankruptcy Code and Bankruptcy Rules or (b) allowed in an amount for which after application of the payment priorities established by this Plan there is insufficient value to provide a recovery equal to that received by other holders of Allowed Claims or Allowed Equity Interests in the respective Class, no Claim or Equity Interest holder shall have recourse against the Disbursing Agent, the LP Debtors, the Purchaser (and, if applicable, the Alternative Purchaser) or any of their respective professionals, consultants, officers, directors, employees or members or their successors or assigns, or any of their respective property. However, nothing in the Plan shall modify any right of a holder of a Claim under section 502(j) of the Bankruptcy Code, nor shall it modify or limit the ability of claimants (if any) to seek disgorgement to remedy any unequal distribution from parties other than those released under this section. For the avoidance of doubt, and notwithstanding anything to the contrary herein, except as expressly provided in the Asset Purchase Agreement, the Purchaser (and, if applicable, the Alternative Purchaser) shall not be liable for the payment of any Administrative Claims (including Fee Claims) accrued or incurred prior to the Effective Date under any circumstances, including in the event that the reserve for such claims established under Section 9.5(b) of this Plan is insufficient to pay such Administrative Claims in full as provided in Section 3.2 of this Plan. **The estimation of Claims and the establishment of reserves under the Plan may limit the distribution to be made on individual Disputed Claims and other Claims contemplated to be paid from the reserves established under Section 9.5 of this Plan, regardless of the amount finally allowed on account of such Claims.**

ARTICLE X.

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

10.1. General Treatment

(a) As of and subject to the occurrence of the Effective Date and payment (or provision of the adequate assurance of payment) of the applicable Cure Costs, to the fullest extent permitted under applicable law, all executory contracts and unexpired leases of the LP Debtors (including the Designated Contracts) shall be deemed to be assumed by the applicable LP Debtor as of the Effective Date, except for any executory contract or unexpired lease that: (i) previously has been assumed, assumed and assigned, or rejected pursuant to a Final Order of the Bankruptcy Court; (ii) is designated specifically or by category as a contract or lease to be rejected on the Schedule of Rejected Executory Contracts and Unexpired Leases; or (iii) is the subject of a separate motion to assume and assign to a Person other than the Purchaser (or, if

applicable, the Alternative Purchaser) or to reject under section 365 of the Bankruptcy Code pending on the Effective Date. Listing a contract or lease in the Schedule of Rejected Executory Contracts and Unexpired Leases shall not constitute an admission by the applicable LP Debtor that the applicable LP Debtor has any liability thereunder.

(b) To the extent that an executory contract or unexpired lease is a Designated Contract, any such Designated Contract will be assumed by the LP Debtors, as applicable, on the Effective Date and assigned by the LP Debtors to the Purchaser (or, if applicable, the Alternative Purchaser, subject to Section 10.3(e) of this Plan) at the Closing. Each executory contract or unexpired lease assumed pursuant to the Plan or by Bankruptcy Court order but not assigned to a third party before the Effective Date shall revert in and be fully enforceable by the applicable contracting LP Debtor in accordance with its terms, except as such terms may have been modified by such order.

(c) Notwithstanding anything to the contrary in the Plan, but subject to the terms and conditions of the Asset Purchase Agreement, the LP Debtors reserve the right to alter, amend, modify or supplement the Schedule of Rejected Executory Contracts and Unexpired Leases at any time before the Confirmation Date; provided, that to the extent that, as of the Confirmation Date, there is any pending dispute between one or more of the LP Debtors and a counterparty to an executory contract or unexpired lease regarding the Cure Costs payable under such contract or lease, the LP Debtors shall reserve the right to add the applicable contract or lease to the Schedule of Rejected Executory Contracts and Unexpired Leases following the resolution of such dispute, in which event such contract or lease shall be deemed rejected.

(d) Entry of the Confirmation Order shall, subject to the occurrence of the Effective Date, constitute the approval, pursuant to sections 365(a) and 1123(b) of the Bankruptcy Code, of: (i) subject to Section 10.3(e) of this Plan, the assumptions and rejections of executory contracts and unexpired leases pursuant to Section 10.1(a) of this Plan; and (ii) the assumption and assignment of the Designated Contracts pursuant to Section 10.1(b) of this Plan.

10.2. Claims Based on Rejection of Executory Contracts or Unexpired Leases

(a) All Claims arising from the rejection of executory contracts or unexpired leases, if any, will be treated as General LP Unsecured Claims. Upon receipt of their applicable Plan Distribution pursuant to Section 5.4 of this Plan, all such Claims shall be discharged on the Effective Date, and shall not be enforceable against the LP Debtors, the Purchaser (and, if applicable, the Alternative Purchaser, subject to Section 10.3(e) of this Plan) or their respective properties or interests in property (and shall not, for the avoidance of doubt, constitute Assumed Liabilities).

(b) **Each Person who is a party to a contract or lease rejected under the Plan must file with the Bankruptcy Court and serve on the LP Debtors, not later than thirty (30) days after the Effective Date, a Proof of Claim for damages alleged to arise from the rejection of the applicable contract or lease or be forever barred from filing a Claim, or sharing in distributions under the Plan, related to such alleged rejection damages.**

10.3. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases

(a) No later than the applicable deadline set forth in the Bid Procedures Order, the LP Debtors shall serve a notice (the "*Assumption Notice*") on counterparties to the executory contracts and unexpired leases that are then anticipated to be Designated Contracts (or otherwise assumed pursuant to the Plan) and the amount, if any, that the LP Debtors contend is the amount needed to cure any defaults and pecuniary losses with respect to such contracts or leases (the "*Cure Costs*"). To the extent a counterparty to an executory contract or unexpired lease does not receive an Assumption Notice, the Cure Cost for such executory contract or unexpired lease shall be \$0.00. If the LP Debtors identify additional executory contracts and unexpired leases that might be assumed by the LP Debtors, the LP Debtors will promptly send a supplemental Assumption Notice to the applicable counterparties to such contract or lease.

(b) Except to the extent that less favorable treatment has been agreed to by the non-LP Debtor party or parties to each such executory contract or lease, monetary defaults arising under each executory contract and lease to be assumed, or assumed and assigned, pursuant to the Plan shall be cured, in accordance with section 365(b)(1) of the Bankruptcy Code, by payment of the Cure Cost on the later of: (i) the Effective Date or as soon thereafter as is reasonably practicable; and (ii) the date on which the Cure Cost has been resolved (either consensually or through judicial decision, subject, in any such case, to the terms and conditions of the Asset Purchase Agreement) or as soon thereafter as is reasonably practicable.

(c) Any party that fails to object to the applicable Cure Cost listed on the Assumption Notice, or the assumption of the applicable executory contract or unexpired lease, by 5:00 p.m. (prevailing Eastern time) on the date that is seven (7) calendar days prior to the Confirmation Hearing (or, with respect to any objection to a supplemental Assumption Notice, on the date that is seven (7) calendar days after service of such supplemental Assumption Notice on such party): (i) shall be forever barred, estopped and enjoined from (x) disputing the Cure Cost relating to any executory contract or unexpired lease set forth on the Assumption Notice or, if no Assumption Notice is received and such executory contract or unexpired lease is not listed on the Schedule of Rejected Executory Contracts and Unexpired Leases, a Cure Cost of \$0.00, and (y) asserting any Claim against the applicable LP Debtor arising under section 365(b)(1) of the Bankruptcy Code other than as set forth on the Assumption Notice or, if no Assumption Notice is received and such executory contract or unexpired lease is not listed on the Schedule of Rejected Executory Contracts and Unexpired Leases, a Claim in the amount of \$0.00; and (ii) subject to Section 10.3(e) of this Plan, shall be deemed to have consented to the assumption and assignment of such executory contract and unexpired lease and shall be forever barred and estopped from asserting or claiming against the LP Debtors, the Purchaser or any other assignee of the relevant executory contract or unexpired lease (including, if applicable, the Alternative Purchaser) that any additional amounts are due or defaults exist, or conditions to assumption and assignment of such executory contract or unexpired lease must be satisfied (pursuant to section 365(b)(1) of the Bankruptcy Code or otherwise). Any objection relating to the Cure Cost shall specify the Cure Cost proposed by the counterparty to the applicable contract or lease.

(d) In the event of a dispute (each, a "*Cure Dispute*") regarding: (i) any Cure Cost; (ii) the ability of the LP Debtors or the Purchaser to demonstrate "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under any contract or

lease to be assumed; or (iii) any other matter pertaining to the proposed assumption, the cure payments required by section 365(b)(1) of the Bankruptcy Code shall be made at the times set forth in Section 10.3(b) of this Plan following the entry of a Final Order resolving such Cure Dispute and approving the assumption. To the extent a Cure Dispute relates solely to a Cure Cost, the applicable LP Debtor may assume and assign the applicable contract or lease prior to the resolution of the Cure Dispute provided that a reserve is established containing Cash in an amount sufficient to pay the full amount asserted as cure payment by the non-LP Debtor party to such contract or lease (or such smaller amount as may be fixed or estimated by the Bankruptcy Court). To the extent the Cure Dispute is resolved or determined unfavorably to the LP Debtors, the LP Debtors may, subject to the terms and conditions of the Asset Purchase Agreement, reject the applicable executory contract or unexpired lease after such determination. Any Cure Disputes not consensually resolved prior to the Confirmation Hearing shall be heard at the Confirmation Hearing (or such other hearing as requested by the LP Debtors and determined appropriate by the Bankruptcy Court), including any disputed Cure Costs or objections to assumption and assignment, and/or objections to the adequacy of assurance of future performance being provided.

(e) Notwithstanding anything to the contrary herein, in the event that there is an Alternative Sale under the Asset Purchase Agreement: (i) the assumption and assignment of any executory contract or unexpired lease to the Alternative Purchaser shall be subject to further approval by the Bankruptcy Court, which approval the LP Debtors may seek on no less than fourteen (14) calendar days' notice; and (ii) counterparties to any executory contract or unexpired lease proposed to be assumed and assigned to such Alternative Purchaser shall be entitled to object to such proposed assumption on assignment on the grounds that the LP Debtors or such Alternative Purchaser are unable to demonstrate "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code), but not on any other grounds.

10.4. Compensation and Benefit Programs

All employment and severance policies, and all compensation and benefit plans, policies, and programs of the LP Debtors applicable to their respective employees, retirees and non-employee directors including, without limitation, all savings plans, retirement plans, healthcare plans, disability plans, severance benefit plans, incentive plans, and life, accidental death and dismemberment insurance plans are treated as executory contracts under the Plan and on the Effective Date will be listed on the Schedule of Rejected Executory Contracts and Unexpired Leases and will be rejected unless any of the foregoing is an Acquired Asset and the counterparty thereto receives an Assumption Notice, in which case the same shall be assumed and assigned to the Purchaser (or, if applicable, the Alternative Purchaser) pursuant to the Asset Purchase Agreement and in accordance with sections 365 and 1123 of the Bankruptcy Code.

10.5. Post-Petition Contracts and Leases

Except to the extent set forth on the Schedule of Rejected Executory Contracts and Unexpired Leases, all contracts, agreements and leases that were entered into or assumed by the LP Debtors after the Petition Date (other than the Asset Purchase Agreement) shall be deemed assumed by the LP Debtors on the Effective Date, and, with respect to any such contracts, agreements or leases that are Designated Contracts, assigned to the Purchaser (or, if applicable,

the Alternative Purchaser) at Closing, without a need for any consent or approval of, or notice to, the counterparty to any such contract, agreement or lease (subject to, with respect to any assignment to an Alternative Purchaser, Section 10.3(e) of this Plan).

ARTICLE XI.
CONDITIONS PRECEDENT TO CONFIRMATION OF THE PLAN AND THE
OCCURRENCE OF THE EFFECTIVE DATE

11.1. Conditions Precedent to Confirmation

The following are conditions precedent to confirmation of the Plan:

- (a) the Bankruptcy Court shall have entered the Disclosure Statement Order and the Bid Procedures Order, and the Canadian Court shall have entered the Disclosure Statement Recognition Order and the Bid Procedures Recognition Order;
- (b) the Auction shall have been completed; and
- (c) the Bankruptcy Court shall have entered the Confirmation Order, which shall, among other things, approve the LP Sale if not approved by a separate order of the Bankruptcy Court.

11.2. Conditions Precedent to the Occurrence of the Effective Date

The following are conditions precedent to the occurrence of the Effective Date:

- (a) each of the Confirmation Order and the Confirmation Recognition Order shall have become a Final Order;
- (b) the Plan Documents being executed and delivered, and any conditions (other than the occurrence of the Effective Date or certification by an LP Debtor that the Effective Date has occurred) contained therein having been satisfied or waived in accordance therewith;
- (c) the LP Debtors having paid in full in Cash all undisputed Ad Hoc LP Secured Group Fee Claims; and
- (d) the Funding having occurred in accordance with the terms and conditions of the Asset Purchase Agreement.

11.3. Waiver of Conditions

The Plan Sponsors may waive, without further order of the Bankruptcy Court, any one or more of the conditions set forth in this Article XI. Further, the stay of the Confirmation Order, pursuant to Bankruptcy Rule 3020(e), shall be deemed waived by the Confirmation Order.

11.4. Effect of Non-Occurrence of the Effective Date

If all of the conditions precedent to the occurrence of the Effective Date have not been satisfied or duly waived (as provided in Section 11.3 of this Plan) on or before the first Business Day that is more than sixty (60) days after the Confirmation Date, or by such later date as set forth by the Plan Sponsors in a notice filed with the Bankruptcy Court prior to the expiration of such period, then the Plan Sponsors may file a motion to vacate the Confirmation Order before all of the conditions have been satisfied or duly waived. It is further provided that notwithstanding the filing of such a motion, the Confirmation Order shall not be vacated if all of the conditions precedent to the Effective Date set forth in Section 11.2 of this Plan are either satisfied or duly waived before the Bankruptcy Court enters an order granting the relief requested in such motion. If the Confirmation Order is vacated pursuant to this Section 11.4, this Plan shall be null and void in all respects, the Confirmation Order shall be of no further force or effect, no distributions under this Plan shall be made, the LP Debtors and all holders of Claims and Equity Interests in the LP Debtors shall be restored to the status quo ante as of the day immediately preceding the Confirmation Date as though the Confirmation Date had never occurred, and upon such occurrence, nothing contained in this Plan shall: (a) constitute a waiver or release of any Claims against or Equity Interests in the LP Debtors; (b) prejudice in any manner the rights of the holder of any Claim against or Equity Interest in the LP Debtors; or (c) constitute an admission, acknowledgment, offer or undertaking by any LP Debtor or any other Person with respect to any matter set forth in the Plan.

**ARTICLE XII.
RETENTION OF JURISDICTION**

Pursuant to sections 105(a) and 1142 of the Bankruptcy Code, the Bankruptcy Court shall retain and shall have exclusive jurisdiction, pursuant to 28 U.S.C. §§ 1334 and 157, over any matter, other than Avoidance Actions (excluding any Avoidance Actions that are Acquired Assets under the Asset Purchase Agreement), over which the Bankruptcy Court shall have concurrent jurisdiction, (a) arising under the Bankruptcy Code, (b) arising in or related to the Chapter 11 Cases of the LP Debtors, or the Plan, or (c) that relates to the following:

- (i) To determine any and all adversary proceedings, applications, motions, and contested or litigated matters that may be pending on the Effective Date or that, pursuant to the Plan, may be instituted by the LP Debtors after the Effective Date;
- (ii) To hear and determine any objections to the allowance of Claims, whether filed, asserted, or made before or after the Effective Date, including, without express or implied limitation, to hear and determine any objections to the classification of any Claim and to allow, disallow or estimate any Disputed Claim in whole or in part;
- (iii) To ensure that distributions to holders of Allowed Claims or Allowed Equity Interests are accomplished as provided herein;
- (iv) To consider Claims or the allowance, classification, priority, compromise, estimation, or payment of any Claim, including any Administrative Claim;

on account of any Equity Interest;

(vi) To enter, implement, or enforce such orders as may be appropriate in the event the Confirmation Order is for any reason stayed, reversed, revoked, modified, or vacated;

(vii) To issue such orders in aid of execution of the Plan to the extent authorized or contemplated by section 1142 of the Bankruptcy Code;

(viii) To consider any modifications of the Plan, remedy any defect or omission, or reconcile any inconsistency in any order of the Bankruptcy Court, including, without limitation, the Confirmation Order;

(ix) To hear and determine all Fee Applications;

(x) To resolve disputes concerning any reserves with respect to Disputed Claims or the administration thereof;

(xi) To hear and determine all controversies, suits and disputes that may relate to, impact upon, or arise in connection with the LP Sale or its interpretation, implementation, enforcement or consummation (subject to the terms thereof);

(xii) To recover all Assets of the LP Debtors and property of the Estates, wherever located (other than any Acquired Assets, after the occurrence of the Closing of the LP Sale);

(xiii) To hear and determine all controversies, suits and disputes that may relate to, impact upon or arise in connection with the Plan, the Plan Documents or their interpretation, implementation, enforcement or consummation;

(xiv) To hear and determine all controversies, suits and disputes that may relate to, impact upon, or arise in connection with the Confirmation Order (and all exhibits to the Plan) or its interpretation, implementation, enforcement or consummation;

(xv) To the extent that Bankruptcy Court approval is required and to the extent not released pursuant to the Plan, to consider and act on the compromise and settlement of any Claim by, on behalf of, or against the LP Debtors or their Estates;

(xvi) To hear and determine such other matters that may be set forth in the Plan, or the Confirmation Order, or that may arise in connection with the Plan, or the Confirmation Order;

(xviii) To hear and determine all controversies, suits and disputes that may relate to, impact upon, or arise in connection with any setoff and/or recoupment rights of the LP Debtors or any Person under the Plan;

(xix) To hear and determine all controversies, suits, and disputes that may relate to, impact upon, or arise in connection with Causes of Action of the LP Debtors (including Avoidance Actions) commenced by the LP Debtors, or any third parties, as applicable, before or after the Effective Date, except to the extent such Causes of Action are compromised, settled and released under the Plan or constitute Acquired Assets under the Asset Purchase Agreement;

(xx) To hear and determine all controversies, suits, or disputes that may arise in relation to the rights and obligations of the Disbursing Agent;

(xxi) To enter an order or final decree closing the Chapter 11 Case of any LP Debtor;

(xxii) In the event of an Alternative Sale, to determine whether the assignment of any Designated Contract to the Alternative Purchaser satisfies and provide such other authorizations and approvals as may be reasonably necessary to consummate an Alternative Sale;

(xxiii) To issue injunctions, enter and implement other orders or take such other actions as may be necessary or appropriate to restrain interference by any Person with consummation, implementation or enforcement of the Plan or the Confirmation Order; and

(xxiv) To hear and determine any other matters related hereto and not inconsistent with chapter 11 of the Bankruptcy Code.

ARTICLE XIII.
MISCELLANEOUS PROVISIONS

13.1. Releases

(a) **Releases by the LP Debtors.** For good and valuable consideration, the adequacy of which is hereby confirmed, and except as otherwise provided in this Plan or the Confirmation Order, as of the Effective Date, the LP Debtors, in their individual capacities and as debtors in possession shall be deemed to forever release, waive and discharge all claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action and liabilities (other than the rights of the LP Debtors to enforce this Plan, the contracts, instruments, releases, indentures and other agreements or documents delivered thereunder and the Asset Purchase Agreement) against the Released Parties, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, in law, equity or otherwise that are based in whole or in part on any act, omission, transaction, event or other occurrence taking place on or prior to the Effective Date in any way relating to the LP Debtors, the parties released pursuant to this Section 13.1, the Chapter 11 Cases, this

Plan or the Disclosure Statement, and that could have been asserted by or on behalf of the LP Debtors or their Estates, whether directly, indirectly, derivatively or in any representative or any other capacity.

(b) **Releases by Holders of Claims and Equity Interests.** Except as otherwise provided in this Plan or the Confirmation Order, on the Effective Date: (i) each of the Released Parties; (ii) each holder of a Claim or Equity Interest entitled to vote on the Plan that did not “opt-out” of the releases provided in this Section 13.1 in a timely submitted Ballot; and (iii) to the fullest extent permissible under applicable law, as such law may be extended or interpreted subsequent to the Effective Date, all holders of Claims and Equity Interests, in consideration for the obligations of the LP Debtors under this Plan and the other contracts, instruments, releases, agreements or documents executed and delivered in connection with this Plan, and each Person (other than the LP Debtors) that has held, holds or may hold a Claim or Equity Interest, as applicable, will be deemed to have consented to this Plan for all purposes and the restructuring embodied herein and deemed to forever release, waive and discharge all claims, demands, debts, rights, Causes of Action or liabilities (other than the right to enforce the obligations of any party under this Plan and the contracts, instruments, releases, agreements and documents delivered under or in connection with this Plan, including, without limitation, the Asset Purchase Agreement) against the Released Parties, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, in law, equity or otherwise that are based in whole or in part on any act or omission, transaction, event or other occurrence taking place on or prior to the Effective Date in any way relating to the LP Debtors, the LP Debtors’ Chapter 11 Cases, the LP Sale, the transactions contemplated by the Asset Purchase Agreement, this Plan or the Disclosure Statement.

(c) Notwithstanding anything to the contrary contained herein: (i) except to the extent permissible under applicable law, as such law may be extended or interpreted subsequent to the Effective Date, the releases provided for in this Section 13.1 shall not release any LP Debtor from any liability arising under (x) the Internal Revenue Code or any state, city or municipal tax code, or (y) any criminal laws of the United States or any state, city or municipality; and (ii) the releases set forth in this Section 13.1 shall not release any (x) LP Debtor’s claims, right, or Causes of Action for money borrowed from or owed to an LP Debtor or its subsidiary by any of its directors, officers or former employees, as set forth in such LP Debtor’s or subsidiary’s books and records, (y) any claims against any Person to the extent such Person asserts a crossclaim, counterclaim and/or claim for setoff which seeks affirmative relief against an LP Debtor or any of its officers, directors, or representatives and (z) claims against any Person arising from or relating to such Person’s fraud, gross negligence or willful misconduct, each as determined by a Final Order of the Bankruptcy Court.

(d) Notwithstanding anything to the contrary contained herein, nothing herein: (i) discharges, releases, or precludes any (x) environmental liability that is not a Claim; (y) environmental claim of the United States that first arises on or after the Confirmation Date, or (z) other environmental claim or environmental liability that is not otherwise dischargeable under the Bankruptcy Code; (ii) releases the LP Debtors from any

environmental liability that an LP Debtor may have as an owner or operator of real property owned or operated by an LP Debtor on or after the Confirmation Date; (iii) releases or precludes any environmental liability to the United States on the part of any Persons other than the LP Debtors; or (iv) enjoins the United States from asserting or enforcing any liability described in this paragraph.

13.2. Exculpation and Limitation of Liability

None of the Released Parties shall have or incur any liability to any holder of any Claim or Equity Interest or any other party in interest, or any of their respective agents, employees, representatives, financial advisors, attorneys, or agents acting in such capacity, or affiliates, or any of their successors or assigns, for any act or omission in connection with, or arising out of the LP Debtors' Chapter 11 Cases, the Asset Purchase Agreement, the Disclosure Statement, the solicitation of votes for and the pursuit of confirmation of this Plan, the consummation of the Plan, or the implementation or administration of the Plan, the transactions contemplated by the Plan or the property to be distributed under the Plan, including, without limitation, all documents ancillary thereto, all decisions, actions, inactions and alleged negligence or misconduct relating thereto and all prepetition activities leading to the promulgation and confirmation of this Plan, except for fraud, willful misconduct or gross negligence as finally determined by a Final Order of the Bankruptcy Court, and, in all respects shall be entitled to rely upon the advice of counsel and all information provided by other exculpated Persons herein without any duty to investigate the veracity or accuracy of such information with respect to their duties and responsibilities under the Plan.

13.3. Injunctions

(a) Except as otherwise provided in this Plan or the Confirmation Order, as of the Confirmation Date, but subject to the occurrence of the Effective Date, all Persons who have held, hold or may hold Claims against or Equity Interests in the LP Debtors or their Estates are, with respect to any such Claims or Equity Interests, permanently enjoined after the Confirmation Date from: (i) commencing, conducting or continuing in any manner, directly or indirectly, any suit, action or other proceeding of any kind (including, without limitation, any proceeding in a judicial, arbitral, administrative or other forum) against or affecting the LP Debtors, their Estates or any of their property, or any direct or indirect transferee of any property of, or direct or indirect successor in interest to, any of the foregoing Persons or any property of any such transferee or successor; (ii) enforcing, levying, attaching (including, without limitation, any pre-judgment attachment), collecting or otherwise recovering by any manner or means, whether directly or indirectly, any judgment, award, decree or order against the LP Debtors, or their Estates or any of their property, or any direct or indirect transferee of any property of, or direct or indirect successor in interest to, any of the foregoing Persons, or any property of any such transferee or successor; (iii) creating, perfecting or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind against the LP Debtors, or their Estates or any of their property, or any direct or indirect transferee of any property of, or successor in interest to, any of the foregoing Persons (iv) acting or proceeding in any manner, in any place whatsoever, that does not conform to or comply with the provisions of this Plan to the full extent permitted by applicable law; and (v) commencing or continuing,

in any manner or in any place, any action that does not comply with or is inconsistent with the provisions of this Plan; provided, however, that nothing contained herein shall preclude such Persons from exercising their rights, or obtaining benefits, pursuant to and consistent with the terms of this Plan; and provided, further, that nothing contained herein shall preclude the Purchaser from exercising any rights and remedies under the Asset Purchase Agreement.

(b) By accepting distributions pursuant to this Plan, each holder of an Allowed Claim or Equity Interest will be deemed to have specifically consented to the injunctions set forth in this Section 13.3.

(c) The Confirmation Order shall permanently enjoin the commencement or prosecution by any Person, whether directly, derivatively or otherwise, of any claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action or liabilities released pursuant to this Plan, including but not limited to the claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action or liabilities released in Sections 13.1 and 13.2 of this Plan. Such injunction shall extend to successors of the LP Debtors and their respective properties and interests in property.

13.4. Substantial Consummation

On the Effective Date, the Plan shall be deemed to be substantially consummated under sections 1101 and 1127(b) of the Bankruptcy Code.

13.5. Satisfaction of Claims

The rights afforded in the Plan and the treatment of all Claims and Equity Interests herein shall be in exchange for and in complete satisfaction, discharge and release of all Claims and Equity Interests of any nature whatsoever against the LP Debtors and their Estates, Assets, properties and interests in property. Except as otherwise provided herein, on the Effective Date, all Claims and Equity Interests shall be satisfied, discharged and released in full. Neither the Disbursing Agent nor the Purchaser shall be responsible for any pre-Effective Date obligations of the LP Debtors, except those expressly assumed by the Purchaser (if any), or as otherwise provided in the Plan. Except as otherwise provided herein, all Persons shall be precluded and forever barred from asserting against the Disbursing Agent or Purchaser, or their successors or assigns, Assets, properties, or interests in property any event, occurrence, condition, thing, or other or further Claims or Causes of Action based upon any act, omission, transaction, or other activity of any kind or nature that occurred or came into existence prior to the Effective Date in connection with the LP Debtors, whether or not the facts of or legal bases therefor were known or existed prior to the Effective Date.

13.6. Special Provisions Regarding Insured Claims

The Plan Distributions to each holder of an Allowed Insured Claim against the LP Debtors shall be made in accordance with the treatment provided under the Plan for the Class in which such Allowed Insured Claim is classified; except, that there shall be deducted from any Plan Distribution on account of an Insured Claim, for purposes of calculating the allowed amount of such Claim, the amount of any insurance proceeds actually received by such holder in

respect of such Allowed Insured Claim. Nothing in this Section 13.6 shall (i) constitute a waiver of any Claim, right, or Cause of Action of the LP Debtors or their Estates may hold against any Person, including any insurer, or (ii) provide for the allowance of any Insured Claim. Pursuant to section 524(e) of the Bankruptcy Code, nothing in the Plan shall release or discharge any insurer from any obligations to any Person under applicable law or any policy of insurance under which any of the LP Debtors is an insured or a beneficiary.

13.7. Third Party Agreements; Subordination

Except as otherwise provided in the Plan, the Plan Distributions to the various Classes of Claims and Equity Interests hereunder shall not affect the right of any Person to levy, garnish, attach, or employ any other legal process with respect to such Plan Distributions by reason of any claimed subordination rights or otherwise. All such rights and any agreements relating thereto shall remain in full force and effect. The right of the LP Debtors to seek subordination of any Claim or Equity Interest pursuant to section 510 of the Bankruptcy Code is fully reserved, and the treatment afforded any Claim or Equity Interest that becomes a subordinated Claim or Equity Interest at any time shall be modified to reflect such subordination.

13.8. Status Reports

Following entry of the Confirmation Order, the LP Debtors shall file post-confirmation quarterly status reports with the Bankruptcy Court in accordance with Rule 3021-1 of the Local Bankruptcy Rules for the Southern District of New York and shall meet all Post-Confirmation Operating Report requirements of the U.S. Trustee's Operating Guidelines and Reporting Requirements (unless the Bankruptcy Court orders otherwise).

13.9. Notices

In order to be effective, all notices, requests, and demands to or upon the LP Debtors or the Plan Sponsors (or the Ad Hoc LP Secured Group) shall be in writing (including by facsimile transmission) and, unless otherwise provided herein, shall be deemed to have been duly given or made only when actually delivered or, in the case of notice by facsimile transmission, when received and telephonically confirmed, addressed as follows:

13.10. Headings

The headings used in the Plan are inserted for convenience only, and neither constitute a portion of the Plan nor in any manner affect the construction of the provisions of the Plan.

13.11. Governing Law

Except to the extent that the Bankruptcy Code or other federal law is applicable, or to the extent an Plan Document or exhibit or schedule to the Plan provides otherwise, the rights, duties, and obligations arising under this Plan and the Plan Documents shall be governed by, and construed and enforced in accordance with, the laws of the state of New York, without giving effect to the principles of conflict of laws thereof.

13.13. Inconsistency

In the event of any inconsistency among the Plan, the Disclosure Statement, the Plan Documents, any exhibit to the Plan or any other instrument or document created or executed pursuant to the Plan, the provisions of the Plan shall govern; provided, that, notwithstanding the foregoing, in the event of any inconsistency among the Asset Purchase Agreement and any other document (including the Plan), the Asset Purchase Agreement shall govern.

13.14. Avoidance and Recovery Actions

Section 2.4 Non-Assumed Liabilities. Notwithstanding anything in this Agreement to the contrary, Purchaser shall not assume, and shall be deemed not to have assumed, any Seller Liabilities or any obligations or liabilities of any of their Subsidiaries or Affiliates or the Business, other than the Assumed Liabilities specified in Section 2.3(a) (collectively, the “Non-Assumed Liabilities”). For purposes of clarity, each of (a) any liabilities or obligations with respect to any Employee Benefit Plan, Canadian Plan, Canadian Union Plan, the Canada Pension Plan, the Quebec Pension Plan or other such plans created by an Applicable Law or administered by a Governmental Entity, (b) any Cure Amounts (other than Excess Cure Amounts), (c) any liabilities or obligations of Sellers with respect to Taxes with respect to Sellers, the Business, or the Acquired Assets (except as provided in Section 6.9), (d) other claims (including Taxes) against or relating to any of the Acquired Assets, Assumed Liabilities and/or the Business arising prior to the Closing Date, and (e) Employee Obligations in excess of \$[] million in the aggregate, shall be Non-Assumed Liabilities.

Section 2.5 The Purchase Price.

MINUS], which shall be payable on or before the Funding Date (the “Funding Date Payment” or the “Funding Date Consideration”); (ii) the Purchaser’s assumption of the Employee Obligations on the Closing Date; and (iii) the payment by Purchaser of any Cure Amounts in excess of \$[] million (such excess amounts, the “Excess Cure Amounts”); provided, that notwithstanding anything to the contrary in this Agreement, Purchaser shall not be responsible for, and the Excess Cure Amounts (and Cure Amounts) shall not include any amounts that represent obligations or liabilities that were incurred or accrued during the period May 14, 2012 through and including the Funding Date, regardless of when such amounts are paid. The Purchase Price is payable as set forth in Section 2.5(b).

(b) Payment of Purchase Price and Other Sources of Funding.

- (i) Simultaneously with the execution of this Agreement, the parties shall execute and deliver the Escrow Agreement and Purchaser shall contemporaneously deposit into the Escrow Account, by wire transfer of immediately available funds, cash in the amount of \$100 million, which funds shall be held by the Escrow Agent and invested as provided for in the Escrow Agreement (such funds, the “Good Faith Deposit”) and released by the Escrow Agent only in accordance with this Agreement and the Escrow Agreement.
- (ii) On the Funding Date, the Good Faith Deposit shall be released from the Escrow Account pursuant to the Escrow Agreement and credited against the Funding Date Consideration portion of the Purchase Price payable to Sellers.
- (iii) On the Funding Date, Purchaser shall cause the aggregate sum of Escrow Cure Amounts to be deposited into the Escrow Account.
- (iv) At the Funding, Purchaser shall pay to Sellers the Funding Date Payment (net of the Good Faith Deposit released to Sellers from the Escrow Account) by wire transfer of immediately available funds to an account specified by Sellers in writing.
- (v) Purchaser shall be entitled to withhold from any amount payable pursuant to this Agreement, such amounts as Purchaser is required to deduct and withhold with respect to the making of such payment under any provision of applicable federal, state, local or foreign Tax law. To the extent that amounts are so withheld and paid over to the appropriate Tax Authority by Purchaser, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to Sellers. To the extent Purchaser believes a withholding tax will apply, Purchaser shall give Seller notice thereof and shall work with Seller in good faith in an effort to mitigate such withholding.

(c) Allocation of Purchase Price. Within ninety (90) days of the Closing Date, Purchaser shall prepare and deliver to Sellers a statement allocating the sum of the Purchase Price, the Assumed Liabilities and other relevant items among the Acquired Assets in accordance with Section 1060 of the Code and the Treasury regulations promulgated thereunder and the Income Tax Act and upon reasonable consultation with Sellers (such statement, the “Allocation Statement”). The parties shall follow the Allocation Statement for purposes of filing IRS Form 8594 and all other Tax Returns, and shall not voluntarily take any position inconsistent therewith. If the IRS or any other taxation authority proposes a different allocation, Sellers or Purchaser, as the case may be, shall promptly notify the other party of such proposed allocation. Sellers or Purchaser, as the case may be, shall provide the other party with such information and shall take such actions (including executing documents and powers of attorney in connection with such proceedings) as may be reasonably requested by such other party to carry out the purposes of this section. Except as otherwise required by Applicable Law or pursuant to a “determination” under Section 1313(a) of the Code (or any comparable provision of United States state, local, or non-United States law), (i) the transactions contemplated by Article II of this Agreement shall be reported for all Tax purposes in a manner consistent with the terms of this Section 2.5(c); and (ii) neither party (nor any of their Affiliates) will take any position inconsistent with this Section 2.5(c) in any Tax Return, in any refund claim, in any litigation or otherwise. Notwithstanding the allocation of the Purchase Price set forth in the Allocation Statement, nothing in the foregoing shall be determinative of values ascribed to the Acquired Assets or the allocation of the value of the Acquired Assets in any plan or reorganization or liquidation that may be proposed and the Sellers reserve the right on their behalf and on behalf of the Sellers’ estates, to the extent not prohibited by Applicable Law and accounting rules, for purposes of any plan of reorganization or liquidation, to ascribe values to the Acquired Assets and to allocate the value of the Acquired Assets to different Sellers in the event of, or in order to resolve, inter-estate creditor disputes in the Bankruptcy Cases.

Section 2.6 Sale Free and Clear. Sellers acknowledge and agree and the Sale Order and the Sale Recognition Order shall provide that, on the Funding Date and concurrently with the Funding, all then existing or thereafter arising Seller Liabilities, Claims, Interests and Liens (other than those in favor of Purchaser created under this Agreement and/or any Ancillary Agreement, the Assumed Permitted Liens, if any, and Assumed Liabilities) of, against or created by any of Sellers or their bankruptcy estates, to the fullest extent permitted by Section 363 or 1123(a)(5) of the Bankruptcy Code and other Applicable Law, shall be fully released from and with respect to the Acquired Assets and thereupon shall attach to the Purchase Price with the same force, effect, validity, enforceability, and priority as such Seller Liabilities, Claims, Interests and Liens had attached to the Acquired Assets as of the Funding Date. Following receipt of the Specified Regulatory Approvals, on the Closing Date in accordance with Section 3.1(c)(i) of this Agreement, the Acquired Assets shall be Transferred to Purchaser and/or one or more of its Affiliates or Subsidiaries, as applicable, to the fullest extent permitted by Section 363 or 1123(a)(5) of the Bankruptcy Code, free and clear of all Seller Liabilities, Claims, Interests, Liens, and rights of first refusal or offer, other than the Assumed Permitted Liens, if any, and the Assumed Liabilities or, in the event of an Alternative Sale to a Third Party purchaser under Section 3.5 of this Agreement, the Acquired Assets shall be Transferred to such Third Party purchaser and/or one or more of its Affiliates or Subsidiaries, as applicable, free and clear

to the fullest extent permitted by Section 363 or 1123(a)(5) of the Bankruptcy Code and other Applicable Law, to the same extent as contemplated under this Agreement had the Acquired Assets been transferred to Purchaser hereunder.

Section 2.7 Other Payments. During the period from the Funding Date through the Closing Date, Purchaser shall reimburse Sellers for their reasonable, documented working capital expenses and other expenses incurred in connection with the operation and/or maintenance of the Acquired Assets during such period (excluding, for the avoidance of doubt, reasonable expenses incurred or accrued by Sellers on or after the Funding Date that are directly related to the wind-down of Sellers' bankruptcy estates pursuant to the Plan, including, without limitation, professional fees and expenses incurred by the Sellers in connection therewith), subject to (a) the Operating Budget and (b) Seller's submission, and Purchaser's written approval (which shall not be unreasonably withheld) of appropriate documentation evidencing such expenses; provided, that prior to seeking reimbursement from the Purchaser in accordance with this Section 2.7, Sellers shall use all then available Cash or Cash Equivalents received by Sellers on or after the Funding Date arising from the operation of the Business or from the Acquired Assets to pay such expenses as they become payable.

To the extent permitted by Applicable Law, the relevant Seller shall take or cause to be taken, at Purchaser's expense, such actions as Purchaser may reasonably request which are required to be taken or appropriate in order to provide Purchaser with the benefits and burdens of the Nonassignable Asset. The relevant Seller shall promptly pay over to Purchaser the net amount (after expenses and Taxes of Seller (after taking into account any Tax benefits arising from such payments)) of all payments received by it in respect of all Nonassignable Assets, other than payments received from Purchaser pursuant to this Agreement.

Section 3.5 Termination and Alternative Sale.

(a) Notwithstanding anything to the contrary set forth in this Agreement, in any Ancillary Agreement or otherwise, if the Funding shall have occurred, then neither party shall thereafter have any right to terminate this Agreement (pursuant to Article VIII hereof or otherwise) or rescind any of its actions or modify any of its obligations hereunder or thereunder, except pursuant to this Section 3.5. After the Funding, the obligations of Sellers under this Section 3.5 and the accompanying Alternative Sale Procedures (the "Alternative Sale Obligations") shall (x) not be terminable or dischargeable at any time for any reason except as set forth in this Section 3.5, (y) survive any conversion, dismissal, or consolidation of the Bankruptcy Cases or the CCAA Recognition Proceeding and (z) survive the termination of this Agreement by any means other than as expressly set forth in this Section 3.5. In addition, this Agreement and the Alternative Sale Obligations shall survive the confirmation and consummation of the Plan, or any plan, scheme, composition, reorganization, liquidation or other arrangement in the Bankruptcy Cases or other insolvency proceeding related to Sellers, including any order in the CCAA Recognition Proceeding recognizing any of the foregoing (an "Arrangement") and shall be binding in any additional or subsequent insolvency proceeding whether under the Bankruptcy Code or any other state, national or international insolvency or bankruptcy law. This Section 3.5 is intended to be, and the Sale Order shall specifically provide that it shall be, binding upon (i) any successors or assigns of Sellers, (ii) any trustee, examiner, or other party in interest or representative of any Seller's estate, (iii) any reorganized Seller, liquidating trustee, receiver, debtor in possession, administrator, liquidator or trustee in the Bankruptcy Cases, the CCAA Recognition Proceeding or any other insolvency proceeding involving or related to the Acquired Assets, (iv) any other entity vested or revested with any right, title or interest in or to the Acquired Assets, whether under a Plan, an Arrangement or otherwise and (v) any other Person claiming any rights in or control over any of the Acquired Assets, (each of the foregoing, under subclauses (i)-(v), inclusive of this Section 3.5(a), a "Seller Successor") as if such Seller Successor were a Seller hereunder. After the Funding, the obligations under this Agreement, including the Alternative Sale Obligations, may not be discharged under Bankruptcy Code section 1141 or 727 or otherwise and may not be abandoned under Bankruptcy Code section 554 or otherwise or terminated for any reason except as specifically set forth in this Section 3.5.

(b) Alternative Sale.

- (i) Sale Notice. Upon Purchaser's election, at any time after the Funding Date has occurred, Purchaser shall have the right to deliver a written

notice (“Purchaser Alternative Sale Notice”) to Sellers to implement the Alternative Sale Procedures and request that Sellers sell or otherwise dispose of some or all of the Acquired Assets to one or more Third Parties that are eligible to hold legal title to such Acquired Assets, with all proceeds from such sales accruing to the sole benefit and account of Purchaser in accordance with the procedures set out in Exhibit B, including the procedure for identifying bona fide potential Third Party purchasers (each such sale or disposal, the “Alternative Sale”). In the event that the Funding Date has occurred but the Closing has not occurred, at any time after [____], unless a Purchaser Alternative Sale Notice shall previously have been delivered, Sellers shall have the right to deliver a written notice (“Seller Alternative Sale Notice” and together with the Purchaser Alternative Sale Notice, the “Alternative Sale Notice”) to Purchaser to implement the Alternative Sale Procedures to sell or otherwise dispose of the Acquired Assets. Notwithstanding any other provision hereof, it is understood and agreed that all Specified Regulatory Approvals and any other required approvals from Governmental Entities must be obtained for any Alternative Sale and are conditions precedent to the closing of any Alternative Sale and Sellers will retain *de facto* and *de jure* ownership, direction and control (within the meaning of the Communications Laws) of the Acquired Assets, including, for the avoidance of doubt, of all FCC Licenses, FCC-licensed facilities, Industry Canada Licenses and Industry Canada-licensed facilities until the closing of any Alternative Sale.

- (ii) Alternative Sale Procedures. From and after the date of an Alternative Sale Notice, Sellers shall comply with all commercially reasonable directions from Purchaser with respect to an Alternative Sale and otherwise cooperate with Purchaser in conducting each Alternative Sale in accordance with the Alternative Sale Procedures (including engaging the Investment Bank and such other advisors in connection with each Alternative Sale as may be requested by Purchaser), and shall follow reasonable instructions from Purchaser in determining the terms and conditions of the Alternative Sale and the sale process. It is expressly understood and agreed that the Alternative Sale is for the sole benefit and account and at the sole risk of Purchaser, in no event shall Sellers market, initiate or enter into any Alternative Sale or any agreement therefor without the prior written consent of Purchaser and in no event shall Sellers be required to provide any indemnification to a Third Party purchaser in connection with an Alternative Sale nor shall Purchaser be entitled to any refund or reduction of the Purchase Price regardless of the price paid for the Acquired Assets by a Third Party in an Alternative Sale. Sellers further agree and confirm that they shall direct the Third Party purchasers in the Alternative Sale to pay all proceeds payable in the Alternative Sale directly to Purchaser. Purchaser shall pay for any and all of costs and

expenses reasonably incurred by Sellers at the Purchaser's direction in accordance with this Section 3.5(b) in conducting an Alternative Sale; provided, however, that the engagement of any Investment Bank or any other professional shall be governed by and paid for pursuant to the procedures set forth in Exhibit B.

- (iii) Effect of Alternative Sale. Upon the closing and consummation of any Alternative Sale, (A) any amounts in the Escrow Account shall be released therefrom and delivered to the Purchaser and (B) this Agreement and the Escrow Agreement shall immediately be terminated (except for provisions of this Section 3.5(b) and such other provisions of this Agreement and the Escrow Agreement as are expressly stated to survive termination).

(c) Subject to any order of the Bankruptcy Court, the Canadian Court or other court of competent jurisdiction, and without in any way limiting any provision of this Agreement (including Section 6.1 or Section 6.4 hereof) that is otherwise operative during such period, Sellers covenant and agree that, after the Funding and until the Closing:

provided, however, that such representative shall agree to hold in confidence all information so provided, and provided, further, that Sellers shall not be required to provide such representative with any information that Sellers (1) reasonably believe to be protected by attorney-client privilege in circumstances where such privilege would be breached by providing information to such representative, after taking into account ameliorative actions (including, without limitation and by way of example, joint defense arrangements), or (2) reasonably determine is a matter as to which there is a conflict of interest between Purchaser or its Affiliates, on the one hand, and such Seller, on the other hand. The Purchaser representative shall be required to leave any board meeting for any discussion that Sellers (1) reasonably believe to be protected by attorney-client privilege in circumstances where such privilege would be breached by such representative's participation in the discussion, after taking into account ameliorative actions (including, without limitation and by way of example, joint defense arrangements), or (2) reasonably determine involves a matter as to which there is a conflict of interest between Purchaser or its Affiliates, on the one hand, and such Seller, on the other hand; provided, that, in the event the Purchaser representative is required to leave any board meeting in accordance with the foregoing, the applicable board shall discuss only the foregoing matters (and discuss such matters only to the extent necessary in respect of the circumstances requiring the Purchaser representative to leave the meeting), and shall not discuss any other matters, in the absence of the Purchaser representative. In the event that any Seller or Seller Successor does not have a Board of Directors, then, with respect to such Seller or Seller Successor, Purchaser's representative shall be provided with the rights set forth herein with respect to any comparable governing body; provided, that to the extent any such Seller or Seller Successor does not have a governing body comparable to a Board of Directors, such Seller shall establish such a comparable governing body (a "New Governing Body") on or before the Funding Date and Purchaser shall be provided with the rights set forth herein with respect to such New Governing Body; provided, further, that to the extent a New Governing Body is established, any individual that is appointed, elected or otherwise selected to serve as a director for such New Governing Body shall be (x) mutually agreeable to each of the Sellers (or Seller Successors, if applicable) and Purchaser, and (y) immediately prior to such appointment, an Independent Person.

Each of the Sellers has been duly qualified as a foreign corporation or organization for the transaction of business and is in good standing under the laws of each other jurisdiction in which it owns or leases properties or conducts any business so as to require such qualification, except to the extent that the failure to be so qualified or be in good standing has not had and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Section 4.2 Financial Statements.

than as (i) are described in the consolidated balance sheets included in the Historical Financial Statements or (ii) are Permitted Liens.

Except as set forth in Section 4.3(b) of the Disclosure Letter, each Seller enjoys peaceful and undisturbed possession under all such leases, other than leases in respect of which the failure to enjoy peaceful and undisturbed possession would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Subject to the entry of the Sale Order and the Sale Recognition Order, each Seller has all requisite corporate power and authority to enter into, execute and deliver this Agreement and the other Ancillary Agreements to which it is or is to be a party and to perform its obligations hereunder and thereunder. The execution, delivery and performance by each Seller of this Agreement and each of the other Ancillary Agreements to which it is or is to be a party, and the consummation by each Seller of the Transactions, have been duly authorized by all necessary corporate action on the part of each Seller. The Board of Directors (or other governing body or entity, including any New Governing Body) of each Seller has resolved to recommend that the Bankruptcy Court approve this Agreement, the Ancillary Agreements and the Transactions. - (x) cooperate in all proceedings before any Governmental Entity related to the use or conditions of use of the Spectrum or any radio frequencies proposed to be used in conjunction with the Spectrum to provide communications services, including without limitation making a joint petition and fully participating in any such proceedings to promote the interests of the Business.

Information and documentation may be provided to counsel to Sellers on an external counsel basis, in which case such information and documentation shall not be communicated to Sellers.

(f) If reasonably requested by Purchaser, Sellers shall make, and shall collaborate with Purchaser in making, at such time as requested by Purchaser, all submissions and notifications required to effect the Transfer to Purchaser of all Export Control Authorizations or, only if so directed by Purchaser, for Purchaser or any of its Affiliates or Subsidiaries to otherwise obtain the Export Control Authorizations, and shall promptly supply Purchaser with all information required for such submissions and notifications.

(g) Sellers and Purchasers shall use their reasonable best efforts to (i) prosecute and pursue to a successful conclusion for the Business all applications, modifications, petitions, or other requests for action filed with any Governmental Entity in relation to the FCC Licenses or the Industry Canada Licenses either by the Sellers or any third party, and (ii) ensure that, upon receipt of the FCC Consent and the Industry Canada Consent, the Purchaser or its designated Affiliate or Subsidiary shall be the operator on behalf of whom the United States and Canadian administrations coordinate the Spectrum pursuant to ITU rules.

(a) At least 24 hours prior to serving or filing any material motion, application, pleading, schedule, report and other paper (including memoranda, exhibits, supporting affidavits and evidence and other supporting documentation) in their Bankruptcy Cases or in the CCAA Recognition Proceedings relating to or affecting the Transactions, including any pleading seeking relief related to the Sale, Sellers shall provide a draft thereof to Purchaser and its counsel, and provide Purchaser (and its advisors and counsel) with a reasonable opportunity to consult within such 48 hour period with Sellers with respect to any and all such motions, applications, pleadings, schedules, reports and other papers.

(b) Sellers shall take all actions reasonably required to assume and assign the Designated Contracts to Purchaser, including taking all actions reasonably required to (i) obtain a Bankruptcy Court order containing a finding that the proposed assumption and assignment of the Designated Contracts to Purchaser satisfies all applicable requirements of section 365 or 1123(b)(2) of the Bankruptcy Code, and (ii) obtain an order of the Canadian Court recognizing such order of the Bankruptcy Court.

(c) Sellers shall use reasonable best efforts to obtain, on or prior to the Funding Date, entry of (i) a Final Order of the Bankruptcy Court providing that the Bankruptcy Court shall retain jurisdiction to hear and determine a motion to assign the Designated Contracts to a Third Party purchaser in an Alternative Sale, pursuant to section 365 or 1123(b)(2) of the Bankruptcy Code, including, without limitation, to determine whether the Sellers have provided “adequate assurance” to counterparties to the Designated Contracts within the meaning of, and as required by, sections 365(b) and 365(f) of the Bankruptcy Code, and (ii) a Final Order of the Canadian Court recognizing such order of the Bankruptcy Court.

(d) Promptly upon the execution of this Agreement, Sellers shall use reasonable best efforts to obtain as soon as possible, but subject to the notice requirements of the Bankruptcy Code and Bankruptcy Rules, the requirements of the Purchaser Protections Order (and the bidding procedures contained therein), the Exclusivity Stipulation, and the Bankruptcy Court’s availability, the Bankruptcy Court’s entry of the Sale Order, and thereafter the Canadian Court’s entry of the Sale Recognition Order. Each of the Sale Order and the Sale Recognition Order shall be in form and substance reasonably satisfactory to Purchaser.

(e) If the Sale Order or the Sale Recognition Order shall be appealed by any Person (or if any petition for certiorari or motion for reconsideration, amendment, clarification, modification, vacation, stay, rehearing, reargument or leave to appeal shall be filed with respect to any such order), Sellers and Purchaser will cooperate in taking steps to reasonably diligently defend such appeal, petition or motion and use reasonable best efforts to obtain an expedited resolution of any such appeal, petition or motion.

listed in the [] (each such employee who accepts an offer and commences working for Purchaser or its Affiliate on the Closing Date, a “Transferred Employee”) on terms and conditions that are substantially similar to the terms and conditions that are in effect for those employees immediately prior to the Closing Date. Purchaser shall assume all Employee Obligations with respect to both Transferred Employees and the Sellers’ other employees; provided, that Purchaser shall not assume the Employee Obligations to the extent they exceed \$[] million in the aggregate. Sellers shall use reasonable efforts to cooperate with Purchaser in Purchaser’s recruitment of and offer to employ the Transferred Employees.

(b) Notwithstanding anything to the contrary contained in this Agreement, Sellers shall retain, and Purchaser shall not assume, any Employee Benefit Plans or Canadian Plans or any other arrangement or agreements with any employees of any Seller or any other Person. Specifically and without limiting the foregoing, Sellers shall retain and Purchaser does not assume any retention or sale bonus arrangements of any Seller with any such employee even if that employee is employed by Purchaser whether under Section 6.7(a) or otherwise. All Seller Liabilities to, or relating to, the Employee Benefit Plans or Canadian Plans, and all Seller Liabilities to, or relating to, any employee under such plans shall be Non-Assumed Liabilities, and Purchaser shall have no obligation or liability with respect to such Employee Benefit Plans and Canadian Plans. Purchaser and Sellers shall take all actions necessary to cause the retention by Sellers of all such Employee Benefit Plans and Canadian Plans.

(c) Sellers shall pay in the ordinary course of business pursuant to the Operating Budget all material Employee Obligations in respect of each Employee prior to the Closing Date, or, if applicable, the date upon which the Employee commences employment with Purchaser as a Transferred Employee pursuant to Section 6.1(a)(iii), including premium contributions, remittance and assessments for unemployment insurance, employer health tax, Canada Pension Plan, Quebec Pension Plan, income tax, workers’ compensation and any other employment related legislation, accrued wages, taxes, salaries, commissions and employee benefit plan payments. Sellers shall have no obligation to reinstate any employees in connection with the Business.

(d) To the extent that any obligations might arise under the Worker Adjustment Retraining Notification Act (“WARN”), 29 U.S.C. Section 2101 et seq., or under any similar provision of any United States federal, state, regional, non-United States or local law, rule or regulation (hereinafter referred to collectively at “WARN Obligations”) solely as a consequence of the actions taken by or at the direction of Purchaser, Purchaser shall be responsible for such WARN Obligations.

(e) From the date of this Agreement through the Closing Date, Sellers shall allow Purchaser reasonable access to meet with and interview Employees during normal business hours and Sellers shall provide reasonable cooperation and information to Purchaser as reasonably requested by Purchaser with respect to its determination of appropriate terms and conditions of employment for any Employee to whom it is making, or causing an Affiliate to make, an offer of employment with Purchaser or its Affiliate.

(f) At Purchaser's request, as of immediately prior to the Closing Date (but conditioned upon the occurrence of the Closing), Sellers shall take all actions necessary or appropriate to terminate or cause to be terminated any or all of the Employee Benefit Plans that are intended to be tax-qualified within the meaning of Section 401(a) of the Code. Sellers and Purchaser shall cooperate in good faith prior to the Closing with respect to the preparation and execution of all documentation necessary to effect the foregoing termination, and Sellers shall provide Purchaser a reasonable opportunity to review and comment on all such documentation.

Section 6.7 Subsequent Actions. If at any time after the Closing Date, Purchaser or Sellers consider or are advised that any deeds, bills of sale, instruments of conveyance, assignments, assurances or any other actions or things are necessary or desirable to vest, perfect or confirm ownership (of record or otherwise) in Purchaser, its right, title or interest in, to or under any or all of the Acquired Assets or otherwise to carry out this Agreement, including the assumption of the Assumed Liabilities, Purchaser or Sellers shall at Purchaser's expense, execute and deliver all deeds, bills of sale, instruments of conveyance, powers of attorney, assignments, assumptions and assurances and take and do all such other actions and things as may be requested by the other party in order to vest, perfect or confirm any and all right, title and interest in, to and under such rights, properties or assets in Purchaser or otherwise to carry out this Agreement.

For the avoidance of doubt, this Section 6.8 shall survive the Closing.

Section 6.8 Publicity. Prior to the Closing and without limiting or restricting any party from making any filing with the Bankruptcy Court with respect to this Agreement or the Transactions, no party shall issue any press release or public announcement concerning this Agreement or the Transactions without obtaining the prior written approval of the other party, which approval will not be unreasonably withheld or delayed, unless, in the reasonable judgment of Purchaser or Sellers, disclosure is otherwise required by Applicable Law, the Bankruptcy Code or the Bankruptcy Court with respect to filings to be made with the Bankruptcy Court in connection with this Agreement or by the applicable rules of the Securities Exchange Commission or any stock exchange on which Purchaser lists securities, provided that the party intending to make such release shall use its reasonable best efforts consistent with such Applicable Law, the Bankruptcy Code or Bankruptcy Court requirement to consult with the other party with respect to the text thereof.

Section 6.9 Tax Matters.

(a) The Purchaser and the Sellers agree that the Purchase Price is exclusive of any Transfer Taxes. The Purchaser shall promptly pay directly to the appropriate Tax Authority all applicable Transfer Taxes that may be imposed upon or payable or collectible or incurred in connection with this Agreement or the transactions contemplated herein, or that may be imposed upon or payable or collectible or incurred in connection with the Transactions provided that if any such Transfer Taxes are required to be collected, remitted or paid by a Seller, such Transfer Taxes shall be paid by the Purchaser to such Seller at such time as such Transfer Taxes are required to be paid under Applicable Law.

(b) Purchaser and Sellers covenant and agree that they will use their reasonable best efforts to obtain an order from the Bankruptcy Court pursuant to section 1146 of the Bankruptcy Code exempting, to the maximum extent possible, the Transfer of the Acquired Assets from Sellers to Purchaser from any and all Transfer Taxes (as hereinafter defined). To the extent the Transactions or any portion of the Transactions are not exempt from Transfer Taxes under section 1146 of the Bankruptcy Code, Purchaser shall be responsible for and shall pay all Transfer Taxes in accordance with Section 6.9(a). Purchaser and Sellers shall cooperate in providing each other with any appropriate certification and other similar documentation relating to exemption from Transfer Taxes (including any appropriate resale exemption certifications), as provided under Applicable Law.

(c) Purchaser and Sellers agree to furnish, or cause their Affiliates to furnish, to each other, upon request, as promptly as practicable, such information and assistance relating to the Acquired Assets or the Business (including access to books and records) as is reasonably necessary for the filing of all Tax Returns, and making of any election related to Taxes, the preparation for any audit by any taxing authority, and the prosecution or defense of any claim, suit or proceeding relating to any Tax Return. Purchaser and Sellers shall cooperate, and cause their Affiliates to cooperate, with each other in the conduct of any audit or other proceeding related to Taxes and each shall execute and deliver such powers of attorney and other documents as are reasonably necessary to carry out the intent of this Section 6.9(c). Purchaser and Sellers shall provide, or cause their Affiliates to provide, timely notice to each other in writing of any pending or threatened tax audits, assessments or litigation with respect to the Acquired Assets or the Business for any taxable period for which the other party may have liability under this Agreement. Purchaser and Sellers shall furnish, or cause their respective Affiliates to furnish, to each other copies of all correspondence received from any taxing authority in connection with any tax audit or information request with respect to any taxable period for which the other party or its Affiliates may have liability under this Agreement.

(d) Real and personal property Taxes and assessments, and all rents, utilities and other charges, on the Acquired Assets for any taxable period commencing on or prior to the Closing Date and ending after the Closing Date (the "Straddle Period Property Tax") shall be prorated on a per diem basis between Purchaser and Sellers as of the [Funding Date]; provided, however, that Sellers shall not be responsible for, or benefit from, any increased or decreased assessments on real or personal property resulting from the transactions contemplated hereby. All such prorations of Straddle Period Property Taxes shall be allocated so that items relating to time periods ending on or prior to the [Funding Date] shall be allocated to Sellers and items relating to time periods beginning after the Closing Date shall be allocated to Purchaser. The amount of all such prorations shall be settled and paid on the Closing Date. If any of the rates for the Straddle Period Property Taxes for any taxable period commencing on or prior to the [Funding Date] and ending after the [Funding Date] are not established by the Closing Date, the prorations shall be made on the basis of such rates in effect for the preceding taxable period. The apportioned obligations under this Section 6.9(d) shall be timely paid and all applicable filings made in the same manner as set forth for the apportioned Transfer Taxes in Section 6.9(a) and (b).

(e) The Canadian Sellers and Purchaser shall jointly execute an election, where such election is available, under Section 22 of the Income Tax Act and the corresponding sections of any other applicable provincial statute and any regulations under such statutes with respect to the sale, assignment, transfer and conveyance of the Accounts Receivable. The Canadian Sellers and Purchaser further agree to make jointly the necessary elections and execute and file, within the prescribed delays, the prescribed election forms and any other documents required to give effect to the foregoing and shall also prepare and file all of their respective Tax Returns in a manner consistent with the aforesaid allocations.

(f) Canadian Sellers and Purchaser shall, where such election is available, jointly execute an election under Section 167 of the Excise Tax Act (Canada) and the corresponding provisions of any applicable provincial statute and any regulations under such statutes on the forms prescribed for such purposes along with any documentation necessary or desirable in order to effect the transfer of the Acquired Assets by Canadian Sellers without payment of any GST/HST or any other applicable provincial tax. Purchaser shall file the election forms referred to above, along with any documentation necessary or desirable to give effect to such, with the tax authorities, together with Purchaser's GST/HST or any other applicable provincial tax returns for the reporting period in which the transactions contemplated herein are consummated. Notwithstanding such election, in the event that it is determined by the tax authorities that there is GST/HST or any other provincial tax liability of Purchaser to pay GST/HST or any other provincial tax on all or part of the Acquired Assets, the Canadian Sellers and Purchaser agree that such GST/HST or any other provincial tax shall, unless already collected from Purchaser and remitted by the Canadian Sellers, be forthwith remitted by Purchaser to the Canadian Sellers or to the tax authorities as required by the tax authorities, and Purchaser shall indemnify and save the Canadian Sellers harmless with respect to any such GST/HST or any other provincial tax liability arising herein, as well as any interest and penalties related thereto.

(g) Prior to the Closing Date, the Canadian Sellers shall obtain all clearance certificates that are required to be obtained under applicable Provincial Sales Tax Laws and shall provide the Purchaser with such certificates, or the Canadian Sellers shall provide the Purchaser with evidence satisfactory to the Purchaser that the Canadian Sellers have complied with the requirements to obtain clearance certificates under applicable Provincial Sales Tax Laws.

(h) The Canadian Sellers shall comply with the provisions of section 99 of the Social Services Tax Act (British Columbia) prior to the Closing and shall deliver to Purchaser all documents necessary in the opinion of the Purchaser for compliance with that Act. The Canadian Sellers shall comply with the provisions of section 51 of the Revenue and Financial Services Act (Saskatchewan) prior to the Closing and shall deliver to Purchaser all documents necessary in the opinion of the Purchaser for compliance with such Provincial Sales Tax Laws.

Section 6.10 Designation Dates. [On or prior to the date of the hearing with regard to entry of the Sale Order, Purchaser shall make its final designations of all contracts,

in accordance with Section 2.1(c) hereof, and may, prior to the Effective Date of the Plan, revise Section 2.1(c) of the Disclosure Letter to exclude from the definition of Designated Contracts and to include in the definition of Retained Assets, any Contract previously included in the definition of Designated Contracts and not otherwise included in the definition of Retained Assets; provided, that no such final designation or revision shall reduce the amount of the Purchase Price; provided further, that any Cure Amounts associated with any Contract so excluded from the definition of Designated Contracts shall reduce the Excess Cure Amounts payable by Purchaser under Section 6.11(a) hereof.]

Section 6.11 Prompt Payment of Cure Amounts; Prepayment of Designated Customer Contracts.

(a) [With respect to each Designated Contract, Sellers shall: (i) no later than five (5) calendar days after entry of the Purchaser Protections Order and the Purchaser Protections Recognition Order, serve each counterparty to a proposed Designated Contract as of such date with notice of the proposed Cure Amount for such Contract; and (ii) pay, as soon as practicable after the Effective Date of the Plan, all amounts (the “Cure Amounts”) that (x) are required to be paid under section 365(b)(1)(A) or (b)(1)(B) of the Bankruptcy Code in order to assume and assign such contract, or (y) are due pursuant to order of the Bankruptcy Court as a condition to assuming and assigning such Designated Contracts (in each case excluding any amounts that represent obligations or liabilities that were incurred or accrued by the Sellers during the period May 14, 2012 through and including the Funding Date, regardless of when such amounts are paid); provided, that, notwithstanding the foregoing, Seller shall not be responsible for paying any Excess Cure Amounts, which Excess Cure Amounts shall be deposited by Purchaser into the Escrow Account on the Funding Date; provided, further, that to the extent that, on or prior to the Effective Date, the Purchaser determines to exclude one or more Contracts from the definition of Designated Contracts and to include such Contracts in the definition of Retained Assets, (A) any Excess Cure Amounts deposited in the Escrow Account in respect of such Contracts shall be returned to Purchaser and (B) the threshold for determining Excess Cure Amounts (i.e., Cure Amounts in excess of \$[] million) shall be reduced on a dollar-for-dollar basis in an amount equal to the return(s) specified in clause (A); provided, further, that Cure Amounts that are the subject of a bona fide dispute shall be paid by Sellers within two (2) Business Days of the effectiveness of a settlement or order of the Bankruptcy Court, as the case may be, with respect thereto. All Cure Amounts deposited into the Escrow Account shall be thereafter held, invested and released by the Escrow Agent only in accordance with this Agreement and the Escrow Agreement.]

(b) If there are any payments under any Designated Customer Contract invoiced and collected during the month ending on the Funding Date for services to be rendered under such Designated Customer Contract after the Funding Date, Sellers shall provide to Purchaser, no later than the third (3rd) Business Day after the Funding Date, a statement setting forth the amounts of such prepayments and the Designated Customer Contracts to which they relate. Sellers shall, concurrently with the delivery of the statement referred to in the preceding sentence, pay over to Purchaser an amount equal to such prepayments.

Section 6.12 Completion of Nonassignable Designated Contracts.

Sellers shall use their best efforts to obtain any consent, approval or amendment, if any, required to novate and/or assign any Designated Contract to be assigned to Purchaser hereunder which the Bankruptcy Court determines is not able to be assumed and assigned under section 365(c) of the Bankruptcy Code or which a court of competent jurisdiction determines is not able to be assumed pursuant to Applicable Law (a “Nonassignable Designated Contract”). Sellers shall keep Purchaser reasonably informed from time to time of the status of the foregoing and Purchaser shall cooperate with Sellers in this regard. To the extent that the rights of Sellers under any Nonassignable Designated Contract, or under any other Asset to be assigned to Purchaser hereunder, may not be assigned without the consent of a Third Party which has not been obtained prior to the Closing this Agreement shall not constitute an agreement to assign the same at the Closing, if an attempted assignment would be unlawful. Subject to Section 7.1(a)(xiii) hereof, if any such consent has not been obtained or if any attempted assignment would be ineffective or would impair Purchaser’s rights under the instrument in question so that Purchaser would not acquire the benefit of all such rights, then Sellers, to the maximum extent permitted by Applicable Law and the instrument, shall act as Purchaser’s agent in order to obtain for Purchaser the benefits thereunder and shall cooperate, to the maximum extent permitted by Applicable Law and the instrument, with Purchaser in any other reasonable arrangement designed to provide such benefits to Purchaser; provided, however, that nothing contemplated by this Section 6.13 shall reduce the amount of the Purchase Price.

Section 6.13 No Violation. Nothing in this Agreement is intended to result in Purchaser assuming ownership or control (whether *de facto* or *de jure*) of the FCC Licenses and Industry Canada Licenses of Sellers hereunder in a manner that violates any Communications Laws of the United States or Canada. To the extent any term or provision of this Agreement is held by a court of competent jurisdiction or other authority to result Purchaser assuming such ownership or control in violation of any Communications Laws of the United States or Canada, the parties agree that such violative term or provision shall be replaced, reformed or deleted, in each case in a manner that comes closest to expressing the intention of the violative term or provision, solely to the extent necessary to cause such term or provision to comply with the Communications Laws of the United States and Canada.

Section 6.14 Insurance; Risk of Loss. Until the Funding Date, Sellers shall bear the risk of any loss or damage to the Acquired Assets from fire, casualty or any other occurrence. Sellers shall maintain insurance coverage substantially similar to Sellers’ policies in effect as of the date hereof for the period from the date hereof until the Closing Date with respect to the Business and the Acquired Assets for events occurring, circumstances existing and Seller Liabilities accruing before the Closing Date. Following the Funding Date, Purchaser shall have the benefit of any unexpired portion of Sellers’ insurance coverage, and Sellers will use commercially reasonable efforts to, on or prior to the Funding Date, cause Purchaser to be named as the insured party or loss payee under all insurance policies maintained by Sellers or Sold Companies relating to the Acquired Assets to the extent unexpired, and in the event any proceeds become payable under such unexpired insurance policies relating to occurrences or events after the Funding Date and are not paid to Purchaser, Sellers shall and shall cause the Sold Companies to hold such proceeds in trust for the benefit of Purchaser, and shall pay over such proceeds

without any deduction to Purchaser promptly after receipt thereof. Nothing herein shall require Sellers to maintain insurance coverage in respect of any Acquired Asset after the Closing Date.

- (v) Material Adverse Effect. Since the date of this Agreement, there shall not have occurred and be continuing any Material Adverse Effect or any facts, events or circumstances that would reasonably be expected to have such a Material Adverse Effect.
- (vi) Sellers' Representations and Warranties. Each of the representations and warranties set forth in Article IV disregarding all materiality and Material Adverse Effect qualifications contained therein, shall be true and correct (i) as of the date hereof and as of the Funding Date (as though made on the Funding Date) or (ii) if made as of a date specified therein, as of such date, except (with respect to all representations and warranties set forth in Article IV other than the first sentence of Section 4.1, and Sections 4.4 and 4.22) for any failure to be true and correct that, individually and together with other such failures, has not had and would not reasonably be expected to have a Material Adverse Effect.

The foregoing conditions in this Section 7.1(a) and Section 7.1(b) are for the sole benefit of Purchaser and may be waived by Purchaser, in whole or in part, at any time and from time to time in its sole discretion. The failure by Purchaser at any time to exercise any of the foregoing rights shall not be deemed a waiver of any such right and each such right shall be deemed an ongoing right which may be asserted at any time and from time to time.

Alternative Sale Procedures

These Procedures will be utilized by Sellers and Purchaser in the marketing for an Alternative Sale.

Purchaser and Sellers shall agree on the selection of an investment bank ("Investment Bank") to market the Alternative Sale. If Purchaser and Sellers are unable to agree, Purchaser shall provide Sellers with the names of at least two nationally recognized investment banks and Sellers shall select an investment bank from the list provided by Purchaser to market the Alternative Sale. The Investment Bank selected to market the Alternative Sale shall be directed to identify bona fide and potential Third Party purchasers for the Alternative Sale. All fees, expenses and indemnities due to the Investment Bank under its engagement letter shall be paid for by Purchaser to the extent that Purchaser reviews and approves in writing the engagement letter terms, it being understood that Sellers will not be required to engage an Investment Bank until Purchaser approves an engagement letter. In addition, and to the extent requested and prepaid by Purchaser, Sellers shall engage such other accountants, advisors and other professionals as may be necessary to market the Alternative Sale. For the avoidance of doubt, Sellers shall not be responsible for any costs associated with or incurred in connection with the Alternative Sale process, all of which costs shall be solely borne by Purchaser.

Sellers shall make themselves, their management team and their advisors available to the Investment Bank during the sale process and shall assist the Investment Bank by providing marketing materials in customary form subject to customary indemnities in favor of Sellers for liabilities they may incur in doing so, provided Purchaser reviews and approves in writing the marketing materials and marketing process. Sellers shall not be required to provide any cooperation without receipt of such indemnity and reasonable compensation with regard thereto. Sellers shall further assist the Investment Bank by providing potential purchasers with reasonable access to due diligence information and Sellers' management team and advisors. For the avoidance of doubt, Purchaser hereby acknowledges and agrees that during the process of seeking an Alternative Sale, neither Sellers nor the Boards of Directors (or comparable governing body, including any New Governing Body) of any of the Sellers shall have any obligations, fiduciary or otherwise to Purchaser, other than as set forth in this Agreement.

At Purchaser's election, the Alternative Sale may include all or any portion of the Acquired Assets.

Notwithstanding anything to the contrary in this Exhibit B, at Purchaser's election, Purchaser may pursue an Alternative Sale and dispose of any of the Acquired Assets through any spectrum auction processes that may be established by the U.S. Congress or by the FCC.

No later than two (2) calendar days prior to the commencement of the Auction, the Independent Ad Hoc Groups shall distribute copies of the Starting Qualified Bid and all other Qualified Bids to each Qualified Bidder.

- e. "As Is, Where Is." The sale of the LP Assets shall be on an "as is, where is" basis, "with all faults," and without representations or warranties (express or implied) of any kind, nature, or description by the Debtors, their agents or estates, except to the extent set forth in the Stalking Horse Agreement or the Proposed Agreement of the Successful Bidder. In addition, the Stalking Horse Bid provides that receipt of the FCC Consent and Industry Canada Approval is not a condition precedent for the funding of the cash purchase price payable thereunder (the "**Early Funding**").
- g. **Auction.** Except as otherwise set forth in section (d) hereof, if the Independent Ad Hoc Group receives a Qualified Bid other than the Stalking Horse Bid prior to the Bid Deadline, the Independent Ad Hoc Group shall conduct an auction (the "**Auction**") at the offices of White & Case LLP, 1155 Avenue of the Americas, New York, NY 10036 on [____], 2013 beginning at []:00 [_].m. (prevailing Eastern Time), or such other place (located in New York City) and time as the Independent Ad Hoc Group, after consultation with the Debtors, shall notify all Qualified Bidders and other invitees. If no Qualified Bids are received other than the Stalking Horse Bid, no Auction will take place and the Plan Sponsors shall request that the Bankruptcy Court approve the Sale to the Stalking Horse Bidder at the Confirmation Hearing. Only representatives of the Stalking Horse Bidder, the Debtors, the United States Trustee, the Ad Hoc Group and any Qualified Bidders who have timely submitted Qualified Bids shall be entitled to attend the Auction. The Independent Ad Hoc Group, after consultation with the Debtors, may announce at the Auction additional procedural rules that are reasonable under the circumstances (e.g., the amount of time allotted to make overbids) for conducting the Auction, so long as such rules are not inconsistent with these Bid Procedures, including that bids may be required to be made and received in one room, on an open basis, with all other Qualified Bidders entitled to be present for all bidding. Based upon the terms of the Qualified Bids received, the number of Qualified Bidders participating in the Auction, and such other information as the Independent Ad Hoc Group, after consultation with the Debtors, determines is relevant, the Independent Ad Hoc Group, after consultation with the Debtors, may conduct the Auction in the manner they determine will achieve the maximum value for the LP Assets. Bidding at the Auction will be transcribed or videotaped.
- Only a Qualified Bidder (including the Stalking Horse Bidder) and its authorized representatives who have submitted a Qualified Bid will be eligible to participate at the Auction. The bidding at the Auction shall

start at the purchase price stated in the Starting Qualified Bid as disclosed to all Qualified Bidders prior to commencement of the Auction. Subsequent overbids shall be made in minimum increments of \$50,000,000.

- During the course of the Auction, the Independent Ad Hoc Group, after consultation with the Debtors, shall, after the submission of each Qualified Bid, promptly inform each participant which Qualified Bid reflects the highest or otherwise best offer (the "Leading Bid"). To the extent that such Qualified Bid has been determined to be the highest or otherwise best offer entirely or in part because of the addition, deletion or modification of a provision or provisions in the Stalking Horse Agreement or the applicable Proposed Agreement, other than a provision or provisions related to an increase in the cash purchase price, the Independent Ad Hoc Group, after consultation with the Debtors, shall advise each participant of the value ascribed (as determined by the Independent Ad Hoc Group, after consultation with the Debtors) to any such added, deleted or modified provision or provisions.
 - Each Qualified Bidder participating at the Auction will be required to confirm that: (i) it has not engaged in any collusion with respect to the bidding or the Sale and (ii) its Qualified Bid is a good faith bona fide offer and it intends to consummate the Proposed Transaction if selected as the Successful Bidder.
 - The Auction may be adjourned to any date the Independent Ad Hoc Group, after consultation with the Debtors, deems appropriate; provided, that notwithstanding the foregoing, the Auction may not be adjourned to a date that is after December 3, 2013. Reasonable notice of any such adjournment and the time and place (which shall be in New York City) for the resumption of the Auction shall be given to the Stalking Horse Bidder, all other Qualified Bidders who have timely submitted Qualified Bids and the United States Trustee.
 - The Independent Ad Hoc Group, after consultation with the Debtors, shall not close the Auction until all Qualified Bidders have been given a reasonable opportunity to submit an overbid at the Auction to the then-existing highest or otherwise best bid, as determined by the Independent Ad Hoc Group, after consultation with the Debtors.
- h. **Acceptance of Qualified Bids.** At the conclusion of the Auction, (i) the successful bid shall be the bid made in accordance with that order of the Bankruptcy Court approving these Bid Procedures (the "Approval Order") that represents, in the Independent Ad Hoc Group's discretion, after consultation with the Debtors, the highest or otherwise best offer for the LP Assets (the "Successful Bid", and the Qualified Bidder who submitted the Successful Bid, the "Successful Bidder"); and (ii) the Independent Ad Hoc Group, after

consultation with the Debtors, shall announce the identity of the Successful Bidder. There shall be no further bidding after the conclusion of the Auction.

The Debtors' acceptance of the Successful Bid is conditioned solely upon approval by the Bankruptcy Court of the Successful Bid and the entry of the Confirmation Order.

Subject to the Approval Order, if the final bid of the Stalking Horse Bidder is not the Successful Bid, the Break-Up Fee and Expense Reimbursement shall be paid as described in the Stalking Horse Agreement.

- i. **Irrevocability of Certain Bids.** The Successful Bid shall remain irrevocable in accordance with the terms of the purchase agreement executed by the Successful Bidder; provided, that (i) the last bid of the bidder (the "Second-Highest Bidder") that submits the next highest or otherwise best bid (the "Second-Highest Bid") at the Auction shall be subject to the terms of such Second-Highest Bidder's purchase agreement, irrevocable until the earlier of: (a) thirty (30) days after entry of the Confirmation Order approving the Successful Bid; and (b) the date on which the Debtors receive the purchase price in connection with the Successful Bid or the Second-Highest Bid (the "Outside Back-up Date"), and (ii) subject to the terms of such Second-Highest Bidder's purchase agreement, the Good Faith Deposit of the Second-Highest Bidder shall be returned within two (2) business days of the Outside Back-up Date; provided further, that the Stalking Horse shall have no obligation to serve as the Second-Highest Bidder (and its bid shall not be irrevocable under this section (i)), but the Stalking Horse may serve as the Second-Highest Bidder at its option. The identity of the Second-Highest Bidder and the amount and material terms of the Second-Highest Bid shall be announced by the Debtors at the same time the Debtors announce the identity of the Successful Bidder. Following the entry of the Confirmation Order, if the Successful Bidder fails to consummate the Sale because of a breach or failure to perform on the part of the Successful Bidder, the Second-Highest Bidder will be deemed to be the Successful Bidder (and the Second-Highest Bid the Successful Bid), and the Debtors will be authorized and directed to consummate the Sale with the Second-Highest Bidder without further order of the Bankruptcy Court. In such case, the defaulting Successful Bidder's Good Faith Deposit shall be forfeited to the Debtors and the Debtors shall have the right to seek any and all other remedies and damages from the defaulting Successful Bidder subject to the terms of, and the limitations and restrictions set forth in, the Proposed Agreement or the Stalking Horse Agreement (as the case may be) of the Successful Bidder.
- j. **Return of Good Faith Deposit.** Except as otherwise provided in this paragraph with respect to any Successful Bid and the Second-Highest Bid, if any, the Good Faith Deposits of all Qualified Bidders shall be returned upon or within two (2) business days after the closing of the Auction. The Good Faith Deposit of the Successful Bidder shall be held until the closing of the Sale and applied in accordance with the Successful Bid. The Good Faith Deposit of the Second-Highest Bidder shall be returned as set forth in section (i) above.
- k. **Modifications.** At or before the Confirmation Hearing, consistent with the purposes of these Bid Procedures to obtain the highest or otherwise best offer for the LP Assets, the

Independent Ad Hoc Group, after consultation with the Debtors, may impose such other terms and conditions as they may determine to be in the best interests of the Debtors' estates and creditors.

- l. **Reservation of Rights.** The Independent Ad Hoc Group, after consultation with the Debtors, may (i) determine which Qualified Bid, if any, is the highest or otherwise best offer and (ii) reject at any time before entry of the Confirmation Order approving a Qualified Bid, any bid (other than the Stalking Horse Bid or any other Qualified Bid for which the applicable Proposed Agreement is identical to the Stalking Horse Agreement in all respects other than with respect to the cash purchase price offered thereunder) that is: (A) inadequate or insufficient; (B) not in conformity with the requirements of the Plan, the Bankruptcy Code, these Bid Procedures or the terms and conditions of the Sale; (C) contrary to the best interests of the Debtors, their estates, their creditors and other parties in interest; or (D) subject to any due diligence, financing condition or other contingencies (including representations, warranties, covenants and timing requirements) of any kind or any other conditions precedent to such party's obligation to acquire the LP Assets or fund the purchase price offered in connection with such Qualified Bid other than, in any such case, as may be included in the Stalking Horse Agreement. Nothing in these Bid Procedures shall, or shall be deemed to: (1) amend, modify, limit or otherwise affect the terms or conditions of the Stalking Horse Agreement, or the rights and remedies of the parties thereunder or under applicable bankruptcy law; or (2) except for their consent to the Stalking Horse Agreement, constitute the consent of the lenders under the LP Credit Agreement to any other sale or disposition of their respective collateral.
- m. **Expenses.** Any bidders presenting bids shall bear their own expenses in connection with the proposed sale, whether or not such sale is ultimately approved, except as provided in the Stalking Horse Agreement with respect to the Expense Reimbursement.
- n. **Highest Or Otherwise Best Bid.** Whenever these Bid Procedures refer to a determination as to the highest or otherwise best offer, the Independent Ad Hoc Group, after consultation with the Debtors, shall have the final authority to make such determinations.
- o. **Stalking Horse Agreement.** It shall be a condition precedent to entry of the order of the Bankruptcy Court approving these Bid Procedures (the "Bid Procedures Order") that the Stalking Horse Agreement shall be in a form that is (a) acceptable to the Independent Ad Hoc Group, SPSO and the Stalking Horse Bidder and (b) substantially complete such that, if a seller accepted the form, it would be capable of execution.
- p. **Action of Independent Ad Hoc Group.** To the extent these Bid Procedures contemplate the provision of consent or the taking of other actions by the Independent Ad Hoc Group, such consent shall only be provided and/or such actions shall only be taken if supported by members of the Independent Ad Hoc Group holding over 50% in principal amount of the claims under the LP Credit Agreement held by the members of the Independent Ad Hoc Group.

SUMMARY EXPLANATION OF CHAPTER 11

A. Overview of Chapter 11

Chapter 11 is the principal reorganization chapter of the Bankruptcy Code pursuant to which a debtor’s business may be reorganized or liquidated for the benefit of its creditors, interest holders, and other parties in interest. The Debtors commenced the Chapter 11 Cases with the voluntary filing of petitions for protection under chapter 11 of the Bankruptcy Code on May 14, 2012. By order of the Bankruptcy Court, the Chapter 11 Cases have been consolidated for procedural purposes only and are being jointly administered under Case No. 12-12080 (SCC).

The commencement of a voluntary chapter 11 case creates an estate comprising all of the legal and equitable interests of a debtor as of the date the petition is filed. Sections 1101, 1107, and 1108 of the Bankruptcy Code provide that a debtor may continue to operate its business and remain in possession of its property as a “debtor in possession” unless the bankruptcy court orders the appointment of a trustee or the conversion of the debtor’s bankruptcy case from a case under chapter 11 to one under chapter 7. In the Chapter 11 Cases, each Debtor has remained in possession of its property and continues to operate its businesses as a debtor in possession.

The filing of a voluntary chapter 11 petition triggers the automatic stay provisions of the Bankruptcy Code. Section 362 of the Bankruptcy Code provides, among other things, for an

automatic stay of certain actions against a chapter 11 debtor on account of prepetition claims against it and various other forms of interference with a debtor's property or business. Exempted from the automatic stay are, among other things, actions by governmental authorities seeking to exercise police or regulatory powers. Except as otherwise ordered by the bankruptcy court administering a chapter 11 case, the automatic stay remains in effect until the earliest of the time (i) the case is closed, (ii) the case is dismissed, or (iii) a discharge is granted, including in connection with confirmation of a chapter 11 plan, or denied.

The formulation and ultimate consummation of a chapter 11 plan of reorganization is the principal purpose of a chapter 11 case. The plan sets forth the means for satisfying claims against and interests in a debtor's estate. Unless a trustee is appointed, only a debtor may file a plan during the first 120 days of a chapter 11 case (the "Exclusive Filing Period"), and the debtor will have 180 days to solicit acceptance of such plan (the "Exclusive Solicitation Period" and together with the Exclusive Filing Period, the "Exclusive Periods"). However, section 1121(d) of the Bankruptcy Code permits the bankruptcy court to extend or reduce the Exclusive Filing Period and Exclusive Solicitation Period upon a showing of "cause." The Exclusive Filing Period and Exclusive Solicitation Period may not be extended beyond 18 months and 20 months, respectively, from the petition date. Here, the Exclusive Periods terminated on July 15, 2013. For more information regarding the termination of the LP Debtors' Exclusive Periods, please see the section of this Disclosure Statement entitled "The Chapter 11 Cases – Exclusivity."

B. Plan

A chapter 11 plan may provide for anything from a comprehensive restructuring of a debtor's business and its related obligations to a simple liquidation of a debtor's assets. In either event, upon confirmation and effectiveness of a plan, the plan becomes binding on the debtor and all of its creditors and equity holders, and the prior obligations owed by the debtor to such parties are compromised and exchanged for the obligations specified in the plan. For a description of key components of the Plan, refer to the article of this Disclosure Statement entitled "Overview of the Plan."

The holders of impaired claims against and interests in a debtor that are entitled to a distribution under a plan are permitted to vote to accept or reject the plan. Before soliciting acceptances of the proposed plan, section 1125 of the Bankruptcy Code requires the plan proponent to prepare and file a disclosure statement containing adequate information of a kind, and in sufficient detail, to enable a hypothetical reasonable investor to make an informed judgment about the plan. This Disclosure Statement has been prepared to satisfy the requirements of section 1125 of the Bankruptcy Code in connection with the Plan Sponsors' solicitation of votes on the Plan.

C. Confirmation of a Plan

If all classes of claims and interests accept a plan, the bankruptcy court may confirm a chapter 11 plan if it independently determines that the requirements of section 1129(a) of the Bankruptcy Code have been satisfied. These requirements are discussed in this Disclosure Statement in the article entitled "Confirmation and Consummation Procedures." The Plan

Sponsors believe that the Plan satisfies all the applicable requirements of section 1129(a) of the Bankruptcy Code.

Chapter 11 of the Bankruptcy Code does not require that each holder of a claim or interest in a particular class vote in favor of a plan for the bankruptcy court to determine that the class has accepted the plan. Additionally, a plan can be confirmed even if not accepted by all classes entitled to vote upon it. Further information concerning requirements for confirmation of a plan is contained in this Disclosure Statement in the article entitled “Confirmation and Consummation Procedures.”

Classes of claims or interests that are not “impaired” under a chapter 11 plan are conclusively presumed to have accepted the plan and thus are not entitled to vote. Thus, acceptances of a plan will generally be solicited only from those Persons who hold claims or interests in an impaired class. Under the Plan, Class 1 – LP Other Priority ~~Non-Tax~~ Claims and Class 2 – LP Other ~~LP~~ Secured Claims are unimpaired and are therefore deemed to have accepted the Plan. Class 3 – Prepetition LP Facility ~~Secured~~ Claims, Class 4 – LP General ~~LP~~ Unsecured Claims, Class 5 – Existing LP Preferred ~~Unit~~ Units Equity Interests, and Class 6 – LP Common Equity Interests are impaired and thus entitled to vote on the Plan.

IV.

OVERVIEW OF THE PLAN

The following is an overview of the Plan. This overview is qualified in its entirety by reference to the full text of the Plan, which is attached to this Disclosure Statement as Exhibit “A.” In addition, for a more detailed description of the terms and provisions of the Plan, refer to the article of this Disclosure Statement entitled “The Plan.” All of the Debtors that are not LP Debtors will remain as debtors and debtors in possession and will not be impacted by the Plan except in their capacity as holders of Claims against or Equity Interests in the LP Debtors.¹

The Plan is a joint plan for the LP Debtors premised on the sale (the “LP Sale”) of substantially all of the LP Debtors’ Assets (such Assets, the “LP Assets”) through a Bankruptcy Court-approved sale process, which will test the market for such Assets and maximize the value of the LP Debtors’ Estates. L-Band Acquisition ~~Corp.~~ LLC (“LBAC” or the “Stalking Horse Bidder”) has agreed to enter into an Asset Purchase Agreement (the “Stalking Horse Agreement”), a ~~draft copy~~ of which is annexed hereto as Exhibit “F”, pursuant to which it will serve as the stalking horse bidder for the LP Sale subject to the terms and conditions therein. Pursuant to the Stalking Horse Agreement, LBAC has submitted a Qualified Bid (the “LBAC Bid”) of \$2.22 billion in cash plus the assumption of certain material liabilities. Notably, the funding of the \$2.22 billion cash portion of the purchase price is not conditioned on approval by

Separate plans have been filed with respect to Debtors that are not LP Debtors, and are discussed briefly in the section of this Disclosure Statement entitled “The Chapter 11 Cases – The Competing Plans.”

the Federal Communications Commission (“FCC”) or Industry Canada.² The LBAC Bid is subject to the submission of higher or otherwise better bids at the Auction (as defined below) pursuant to the Bid Procedures (as defined below), a copy of which is attached hereto as Exhibit “E”. The winning bidder (whether LBAC or another entity) will execute an asset purchase agreement (the “Asset Purchase Agreement”), which will be submitted to the Bankruptcy Court for approval at ~~or before~~ the Confirmation Hearing pursuant to the Bid Procedures ~~(defined below), a copy of which is attached hereto as Exhibit “E”.~~ For a more detailed description of the LP Sale, refer to the ~~Section~~section of this Disclosure Statement entitled “The Chapter 11 Cases – The LP Sale.”

The Plan provides that ~~the LP Debtors’ Estates will be substantively consolidated solely for purposes of voting, confirmation and making distributions to holders of Allowed Claims and Allowed Equity Interests under the Plan. The Plan also provides that, on the Effective~~(and the Confirmation Order will provide that) on the Funding Date, a distribution account (the “Distribution Account”) shall be established, ~~and to receive~~ (a)(i) the LP Debtors’ Cash on hand as of that date and (b) all Cash proceeds and other consideration deliverable to the LP Debtors from the LP Sale (the “LP Sale Proceeds”) ~~and (ii) the LP Debtors’ Cash on hand as of the Effective Date less (b) less~~ the amount of Cash necessary to fund the Wind Down Reserve; (collectively, the “Plan Consideration”) ~~, shall be transferred to and vested in the Distribution Account free and clear of any and all claims, encumbrances, or interests subject to the rights of holders of Claims against and Equity Interests in the LP Debtors to obtain distributions under the Plan.~~ The Plan Consideration in the Distribution Account shall be distributed to the holders of Allowed Claims against and Equity Interests in the LP Debtors in the manner set forth in Article V of the Plan and described in the chart below summarizing the treatment of each Class of Claims against and Equity Interest in the LP Debtors.²³

Pursuant to the Plan, the LP Debtors will continue to exist after the Effective Date as separate corporate entities, in accordance with applicable law, for the purposes of satisfying their obligations under the Asset Purchase Agreement and the Plan, including making or assisting the Disbursing Agent in making distributions as required under the Plan, maintaining the Acquired Assets and the LP Debtors’ business in accordance with the requirements of the Asset Purchase Agreement, and effectuating the wind down of the LP Debtors (the “Wind Down”). ~~On the Effective Date, Cash from the LP Sale Proceeds in an amount equal to \$ _____ million, or such other amount as may be (a) mutually agreed by the Plan Sponsors and the LP Debtors or (b) ordered by the Bankruptcy Court, shall be deposited in a segregated account to be held by the LP Debtors, which proceeds shall be used to provide funding for reasonable expenses incurred or accrued by the LP Debtors on or after the Effective Date that are directly related to the Wind Down (including, without limitation, professional fees and expenses incurred by the LP Debtors in connection therewith). Also on the Effective Date, except as otherwise provided in the Plan, all property of the LP Debtors’ Estates (other than the Plan Consideration) will vest in each~~

² Notwithstanding the early funding of the cash purchase price thereunder, the Closing of the transactions contemplated by the LBAC Bid will not take place, and no assignment or transfer of control of any licenses or authorizations will occur, until all necessary regulatory approvals are received, including without limitation FCC consent to such assignment or transfer.

²³ The Disbursing Agent may also use Plan Consideration to establish Disputed Claims Reserves for the purpose of effectuating distributions to holders of Disputed Claims pending allowance or disallowance of such Claims in accordance with the Plan.

~~respective LP Debtor free and clear of all Claims, Liens, charges, other encumbrances and interests (other than the rights of the Purchaser (as defined below) (a) with respect to the Acquired Assets, and (b) with respect to the LP Debtors' Assets that were excluded from the LP Sale, any Liens, charges or other encumbrances created under the Asset Purchase Agreement)~~

The following chart summarizes the treatment of each class of Claims against and Equity Interests in the LP Debtors under the Plan. All estimated amounts set forth in the chart are based upon the Plan Sponsors' estimates of amounts as of December 31, 2013. The Plan Sponsors have relied on publicly available information and information otherwise provided to them by the Debtors on a non-confidential basis. Such estimates may change as additional information becomes available to the Plan Sponsors. Although reasonable efforts were made to be accurate, the estimates may vary from the final amounts of Claims and Equity Interests allowed by the Bankruptcy Court. Reference should be made to the Plan for a complete description of the classification and treatment of Allowed Claims against and Equity Interests in the LP Debtors under the Plan.

The Plan Sponsors believe that the treatments of Claims and Equity Interests set forth in the Plan, and the terms and conditions of the Plan, make the Plan more favorable to stakeholders of the LP Debtors than any other plan for which such stakeholders could or do have a right to vote. At present, holders of Claims against and Equity Interests in the LP Debtors are classified in, and may be entitled to vote upon, the Debtors’ Plan (as defined below) and the Harbinger Plan (as defined below). The Plan Sponsors believe that the Harbinger Plan is not confirmable and that both the Harbinger Plan and the Debtors’ Plan expose holders of Claims against and Equity Interests in the LP Debtors to significant risks, contingencies, and delay. The Plan

Sponsors further believe, as discussed in more detail in the section of the Disclosure Statement entitled “The Chapter 11 Cases – The Competing Plans and Disclosure Statements,” that, notwithstanding the entry of the Disclosure Statement Order, the General Disclosure Statement (as defined below), the Debtors’ Specific DS (as defined below) and the Harbinger Specific DS (as defined below) fail to provide information (or provide misleading information) relevant to a party’s decision to accept or reject the Debtors’ Plan and the Harbinger Plan.

Based upon the foregoing and as set forth herein, the Plan Sponsors believe that their Plan maximizes the distributable value of the LP Debtors and recoveries to holders of Claims against and Equity Interests in the LP Debtors. **THEREFORE, THE PLAN SPONSORS URGE ALL HOLDERS OF CLAIMS AGAINST AND EQUITY INTERESTS IN THE LP DEBTORS THAT ARE ENTITLED TO VOTE ON THE PLAN TO VOTE TO ACCEPT THE PLAN AND TO REJECT THE COMPETING PLANS.**

These Plan Sponsors include Capital Research and Management Company, Cyrus Capital Partners, L.P., Fir Tree Capital Opportunity Master Fund, LP, Intermarket Corporation, SP Special Opportunities, LLC, and UBS AG, Stamford Branch. The Plan Sponsors are holders, advisors or affiliates of advisors to holders, or managers of various accounts with investment authority, contractual authority or voting authority, of Prepetition LP Facility-~~Secured~~ Claims arising from loans made pursuant to the Prepetition LP Facility Credit Agreement (as defined below) described below in Section E.2. As of July 10, 2013, the Plan Sponsors or their affiliates were the advisors to or beneficial owners of, or the holders or managers of, various accounts with investment authority, contractual authority or voting authority for \$1,346,606,450.74 in aggregate principal amount of the Prepetition LP Facility-~~Secured~~ Claims [Docket No. 732]. The total aggregate amount of all Prepetition LP Facility-~~Secured~~ Claims outstanding as of the Petition Date is \$1,700,571,100.00.

The Ad Hoc LP Secured Group Advisors include White & Case LLP (Thomas E Lauria and Glenn M. Kurtz acting as lead counsel) and Blackstone Advisory Partners L.P. (Steven Zelin and C.J. Brown acting as lead financial advisors).

⁴⁵None of TVCC Holding Company, LLC, TVCC Intermediate Corp., Columbia One Six Partners IV, Inc., Columbia FMS Spectrum Partners IV, Inc., TVCC One Six Holdings LLC, CCMM I LLC or LightSquared (UK) Limited is a Debtor in the Chapter 11 Cases.

SP Special Opportunities, LLC, a member of the Ad Hoc LP Secured Group and a Plan Sponsor, is an affiliate of LBAC, which will be the Stalking Horse Bidder with respect to the LP Sale.

Each of the Plan Sponsors has committed to support confirmation of the Plan on the terms and conditions set forth in the Plan Support Agreement, dated July 23, 2013, by and among the Plan Sponsors and LBAC, a copy of which is annexed hereto as Exhibit "G."

B. Overview of the Company

The organizational chart, annexed hereto as Exhibit "C", illustrates the structure of the Company as of the Petition Date. Please note that this organizational chart does not show all legal entities in the corporate structure.

LightSquared Inc. was incorporated in Delaware in 1985. On March 29, 2010, SkyTerra Communications, Inc. ("SkyTerra"), LightSquared Inc.'s predecessor company, consummated a merger with Sol Private Corp., resulting in certain investment funds managed by Harbinger Capital Partners ("Harbinger") acquiring all of the outstanding stock of SkyTerra not previously held by Harbinger. Following the consummation of the merger, SkyTerra continued as the surviving corporation and was wholly-owned by Harbinger through HGW US Holding Company, L.P. ("HGW US"). SkyTerra subsequently changed its name to LightSquared Inc. on July 20, 2010.

As of the Petition Date, Harbinger indirectly owned approximately 96% of LightSquared Inc.'s outstanding common stock. LightSquared Inc. ~~is a holding company with no independent business or Assets of its own; however, it~~ owns, directly or indirectly, approximately twenty-six (26) domestic and foreign subsidiaries organized in various jurisdictions throughout the United States and in three (3) foreign countries. ~~LightSquared Inc. indirectly owns all LP Common Equity Interests.~~

C. Overview of the Company's Business

Since its first satellite became operational in 1996, the Company has provided satellite communications services to wholesale purchasers of bandwidth power and capacity, resellers of ~~telephony~~telephone, data and dispatch services and retail voice users. As of the Petition Date, the Company's mobile satellite business generates approximately \$30 million in annual revenue and provides service to approximately 300,000 end-users.

The Company has ownership interests in four (4) satellites. MSAT-1 and MSAT-2 (each of which is a first-generation geostationary satellite) are owned by SkyTerra (Canada) Inc. and LightSquared LP, respectively. MSAT-1 and MSAT-2 were launched in 1995 and 1996 and currently provide regular services to some of the Company's customers. ~~Since~~In March ~~10,~~ 2012, they ~~have also~~ provided limited emergency back-up service to all of the Company's customers due to a solar flares~~flare~~, which temporarily disabled the SkyTerra-1 satellite ~~(as discussed below)~~, one of the Company's two next-generation satellites. ~~The Company is currently finalizing its assessment of the solar flares prior to transitioning customers, until customers were transitioned~~ back to SkyTerra-1 for service. The Company will also rely upon

MSAT-1 and MSAT-2 until the SkyTerra-2 satellite (as discussed below) is launched. Although they are still operational, MSAT-1 and MSAT-2 have reached the ends of their ~~useful~~design lives. They have, in the past, experienced anomalies and solid state power amplifier failures and do not operate at full capacity.

SkyTerra-1, one of the Company's two next-generation satellites, launched in November 2010 and is now operational. SkyTerra-1 is owned by LightSquared LP. SkyTerra-2, the Company's other next-generation satellite, was constructed and is being stored with The Boeing Company ("Boeing"). Currently, Boeing retains title to SkyTerra-2. When SkyTerra-2 is launched, title will shift to LightSquared LP and, once in orbit, to SkyTerra (Canada) Inc. SkyTerra-2 will be located in a Canadian allocated orbital slot in accordance with an in-orbit transfer agreement between LightSquared LP and SkyTerra (Canada) Inc.

The Company currently operates three (3) lines of business, including Mobile Satellite Communications ("MSAT"), Mobile Data Services ("MDS") and Private Network Carriers ("PNC") through a wholesale business model whereby its partners bill the end-users, and the Company bills its partners at a wholesale rate. Through these three lines of business, the Company has over fifteen (15) wholesale partners that collectively support approximately 300,000 subscribers across several markets throughout North America.

1. The Debtors' Satellite Business

a. *MSAT Business*

The Company's MSAT business provides circuit-switched voice, low data rate services and push-to-talk ("PTT") services, which are sold through the Company's authorized wholesale service providers and are utilized by a variety of governmental agencies at the federal, state and local level, as well as by various markets in the enterprise space. The Company's MSAT business is operated by LightSquared LP and LightSquared ~~Inc~~Corp. in the United States and Canada, respectively, by virtue of their licenses in those jurisdictions. Federal, state and local agencies have voluntarily banded together with the Company in a public-private partnership to create the Satellite Mutual Aid Radio Talkgroup program—enabling nationwide and regional interoperability at no additional cost to Company users. The Company claims to be the only commercial satellite operator in North America offering PTT service.

b. *MDS Business*

The Company's second line of business, MDS, is a low data rate service offering used primarily for applications such as fleet and load management, email, vehicle tracking, two-way messaging and broadcast messaging. Like the Company's MSAT services, MDS is sold through the Company's authorized wholesale service providers and is utilized by various end-users.

c. *PNC Business*

Finally, the Company's third line of business, PNC, enables customers to lease bandwidth from the Company over which they offer custom satellite data solutions (typically, asset tracking services for truck and rail) to a wide variety of end-users. In connection therewith,

the Company's PNC customers are responsible for developing a custom air interface, providing hub, end-user equipment and servicing end-users.

2. The Debtors' Terrestrial Component of Satellite Business and 4G LTE

In the late 1990s, the Company determined that adding a terrestrial (*i.e.*, land-based) component to its satellite system would optimize the use of the L-Band. The Company also determined that a significant market opportunity was created for a wholesale-only, 4th Generation Long Term Evolution ("4G LTE") wireless broadband network due to, among other things, (a) the proliferation of new mobile devices, such as smartphones and tablets, which accelerated demand for ubiquitous, on-the-go data-rich Internet services, (b) limited wireless network capacity available to support increased data usage and (c) substantial costs and barriers to entry preventing smaller carriers and new operators from deploying nationwide 4G LTE networks. Accordingly, the Company initiated the process of building the only 4G LTE open wireless broadband network that incorporates satellite coverage throughout North America.

3. The Company's Spectrum

The Company's licensed, leased and pooled 51 MHz of spectrum consists of the following:⁵⁶

- *24 MHz.* 24 MHz of L-Band Mobile Satellite Service ("MSS") spectrum is held by LightSquared ~~LP~~Subsidiary LLC and SkyTerra (Canada) Inc. These spectrum holdings are subject to the following licenses granted by ~~Federal Communications Commission~~ ("~~FCC~~")the FCC or Industry Canada to LightSquared Subsidiary LLC or SkyTerra (Canada) Inc., each a wholly-owned indirect subsidiary of LightSquared LP:
 - A license to launch and operate L-Band MSS satellites known at the time as: (a) AMSC-1 (now named MSAT-2), which operates at the 103.3 West Longitude orbital position, and (b) MSV-1 (re-named SkyTerra-1), which operates at the 101 West Longitude orbital position.
 - A license to launch and operate an L-Band MSS satellite known as MSAT-1, which operates at the 106.5 West Longitude orbital position and an Approval in Principle to launch and operate MSV-2 (re-named SkyTerra-2), at the 107.3 West Longitude orbital position.
 - Multiple spectrum licenses and authorizations to make use of the Company's portion of the 1626.5–1660.5 MHz (Uplink) and 1525–1559 MHz (Downlink) L-Band spectrum for service links and the 12.75–13.25 GHz (Uplink) and 10.7–10.95, 11.2–11.45 GHz (Downlink) spectrum for feeder links in the provision of MSS services in Canada and the United States via the MSAT-1, MSAT-2, SkyTerra-1 and SkyTerra-2 satellites.

⁵⁶ One Dot Four Corp., a wholly-owned direct subsidiary of LightSquared Inc., previously also leased an additional 8 MHz of 1.4 GHz of terrestrial spectrum at the 1390–1395 MHz and 1432–1435 MHz frequencies to offer service in the United States from TerreStar 1.4 Holdings LLC (a bankruptcy remote subsidiary of TerreStar Corporation). This lease (the "One Dot Four Lease"), however, was terminated on April 20, 2012, thereby terminating the Company's access to this portion of the spectrum.

- In 2003, the FCC permitted MSS licensees, including the predecessor of LightSquared Subsidiary LLC, to deploy Ancillary Terrestrial Component (“ATC”) networks (subject to certain technical and service requirements), which meant that the Company could operate a terrestrial wireless network.
- In March 2010, the FCC issued an order granting a predecessor of LightSquared Subsidiary LLC additional flexibility for the design of its ATC network and enabling it to operate with greater capacity and spectrum efficiency.
- *Additional 22 MHz.* The 24 MHz of L-Band MSS spectrum held by LightSquared LP Subsidiary LLC and SkyTerra (Canada) Inc. may be increased by 22 MHz to an aggregate of 46 MHz of ~~aggregate~~ L-Band ATC spectrum pursuant to that certain Amended and Restated Cooperation Agreement, dated as of August 6, 2010 (as amended, supplemented, amended and restated or otherwise modified from time to time, the “Inmarsat Cooperation Agreement”), by and between LightSquared LP, SkyTerra (Canada) Inc., LightSquared Inc. and Inmarsat Global Limited (“Inmarsat”). In the current phase of the Inmarsat Cooperation Agreement, LightSquared Subsidiary LLC ~~holds~~ and SkyTerra (Canada) Inc. ~~hold~~ a total of 24 MHz of L-Band spectrum. Upon the achievement of certain events, including regulatory approvals and coordination among other international L-Band operators, LightSquared LP and SkyTerra (Canada) Inc. will have the option to implement coordinated access for up to 2 x 23 MHz of L-Band spectrum (including large 10 x 10 MHz blocks of contiguous channels), thereby increasing those LP Debtors’ access to spectrum by implementation of the Inmarsat Cooperation Agreement.
- *5 MHz.* An additional 5 MHz of 1.6 GHz leased terrestrial spectrum of One Dot Six Corp., a wholly-owned direct subsidiary of LightSquared Inc., is available. On July 16, 2007, TVCC One Six Holdings LLC, an indirectly wholly-owned and non-Debtor subsidiary of Debtor One Dot Six Corp., entered into a Master Agreement with Crown Castle MM Holding LLC and OP LLC (“OP” and, together with Crown Castle MM Holding LLC, “Crown Castle”), in which the parties agreed to enter into either a long-term de facto transfer lease agreement or a spectrum management lease agreement with respect to the lease by OP of its rights to TVCC One Six Holdings LLC under a license issued by the FCC to use spectrum at the 1670–1675 MHz frequencies and Call Sign WPYQ831 in the United States. On April 13, 2010, One Dot Six Corp. acquired all of TVCC One Six Holdings LLC’s rights to use this spectrum under its lease with Crown Castle pursuant to that certain Lease Purchase Agreement, between One Dot Six Corp., as purchaser, TVCC One Six Holdings LLC, as seller, and TVCC Holding Company, LLC (the “One Dot Six Lease Purchase Agreement” and, collectively with all rights conveyed thereby to One Dot Six Corp. in that certain (i) Long-Term De Facto Transfer Lease Agreement, dated as of July 23, 2007, between OP, as lessor, and TVCC One Six Holdings, LLC, as lessee, and (ii) the Long-Term De Facto Transfer Sublease Agreement, dated as of August 13, 2008, between OP, as lessee, and TVCC One Six Holdings, LLC, as lessor, the “One Dot Six Lease”). One Dot Six Corp. also has a purchase option to acquire the underlying FCC licenses for this spectrum.

All of the spectrum described in this section is subject to the challenges and/or uncertainties as described in the section of this Disclosure Statement entitled “The Chapter 11 Cases – Postpetition FCC Developments.”

4. The Company’s Wholesale Agreements

Prior to the deterioration of its FCC regulatory approval process (as discussed in further detail below), LightSquared LP had been marketing its wholesale 4G LTE solution. As of December 31, 2011, LightSquared LP entered into wholesale agreements with over thirty (30) customers, including national and regional wireless operators and national retailers. LightSquared LP also entered into discussions or advanced negotiations with numerous potential wholesale customers within a variety of sectors, including wireless carriers and resellers, national retailers, consumer electronics manufacturers, cable operators, wireline carriers, satellite operators, and other communication service providers.

D. **Material Operational Contracts**

1. Sprint Master Services Agreement

LightSquared Inc. and LightSquared LP were also parties to that certain Master Services Agreement, dated as of June 3, 2011 (as amended, supplemented, amended and restated or otherwise modified from time to time, the “Sprint Master Services Agreement”), with SprintCom Inc. (“Sprint”), pursuant to which Sprint agreed to design, deploy, operate, manage, and maintain a nationwide terrestrial broadband mobile network that would utilize the Company’s spectrum to provide a 4G LTE radio access network, then a key component of the planned 4G LTE network. LightSquared LP initially paid Sprint \$310 million in advance payments for work on the network and its eventual operation. Obligations outstanding under the Sprint Master Services Agreement were allegedly secured by a second-priority security interest in the Prepetition LP Collateral (as defined below).

In January 2012, LightSquared LP jointly decided with Sprint to temporarily cease deployment activities for the 4G LTE radio access network until issues raised during the FCC process were resolved and the Company could move forward with commercially launching its 4G LTE network. The Sprint Master Services Agreement was also amended to delay the initial date on which Sprint has the right to unwind the agreement from December 31, 2011 to March 16, 2012.

On March 16, 2012, Sprint elected to unwind the Sprint Master Services Agreement. In accordance with the terms of the amended agreement, Sprint refunded \$65 million to LightSquared LP. LightSquared LP agreed with Sprint that \$236.5 million paid during 2011 had been expended by Sprint in planning for the 4G LTE radio access network and would not be refunded to LightSquared LP. The remaining \$8.5 million LightSquared LP paid to Sprint during 2011 was analyzed by the parties to determine how much had been expended by Sprint in support of the agreement and how much would be refunded to LightSquared LP. In furtherance thereof, each party ceased to provide certain specified services, reconciled all amounts owing as between them and coordinated the release of the liens securing the Company’s obligations. As of the Petition Date, the Debtors did not believe any amounts were owing to Sprint under the

Sprint Master Services Agreement; however, Sprint filed Proofs of Claim against LightSquared Inc. and LightSquared LP in excess of \$110 million. Sprint's claims were ultimately resolved by settlement between the parties that was approved by the Bankruptcy Court, as described in more detail in the ~~Section~~section of ~~the~~this Disclosure Statement entitled "The Chapter 11 Cases – Settlement Agreement with Sprint."

2. Inmarsat

In December 2007, LightSquared LP, LightSquared Inc. and SkyTerra (Canada) Inc. (collectively, the "LightSquared Inmarsat Licensees") entered into the Inmarsat Cooperation Agreement relating to the coordination and use of L-Band spectrum for its 4G LTE network. Following the full implementation of the Inmarsat Cooperation Agreement, which involves the phased rebanding of certain L-Band spectrum licensed to Inmarsat and the LightSquared Inmarsat Licensees, the LightSquared Inmarsat Licensees would have access to approximately 46 MHz of contiguous blocks of L-Band spectrum to operate the Company's 4G LTE network and next generation satellite network. The 46 MHz of L-Band spectrum would consist of 28 MHz of coordinated spectrum and 18 MHz of additional L-Band spectrum that will be available for use upon the full implementation of the Inmarsat Cooperation Agreement.

In August 2010, LightSquared Inmarsat Licensees exercised an option under Phase 1A of the Inmarsat Cooperation Agreement, pursuant to which ~~Inmarsat~~the parties began reallocating their respective spectrum ~~previously licensed to the LightSquared Inmarsat Licensees by the FCC and Industry Canada~~. Under the Phase 1A option, the LightSquared Inmarsat Licensees paid Inmarsat a total of \$281.3 million through December 31, 2011. The Inmarsat Cooperation Agreement required the LightSquared Inmarsat Licensees to make a \$56.3 million payment upon Inmarsat's completion of Phase 1A.

In January 2011, the LightSquared Inmarsat Licensees exercised an option under Phase 2B of the Inmarsat Cooperation Agreement that requires Inmarsat to grant the LightSquared Inmarsat Licensees operating access to 18 MHz of L-Band spectrum for up to a 96-year period. In connection with the exercise of the option, the LightSquared Inmarsat Licensees were initially obligated to pay Inmarsat \$115.0 million per year, paid in quarterly installments. These annual payments increase at an annual rate of 3%, on a semi-annual basis and compounded annually. The LightSquared Inmarsat Licensees have the ability to terminate these payments by providing a one-year notice, provided that at least five years of Phase 2B payments have been made, or at least a two-year notice if the LightSquared Inmarsat Licensees terminate after making seven years of Phase 2B payments.

In April 2011, the LightSquared Inmarsat Licensees amended the Inmarsat Cooperation Agreement to create Phase 1.5, which accelerates the availability of certain of the L-Band spectrum that is being reallocated under Phase 2B. In connection with this amendment, the LightSquared Inmarsat Licensees paid \$40 million to Inmarsat, which is refundable if certain milestones are not met by specified dates. Future cash payments by the LightSquared Inmarsat Licensees may be due if Inmarsat completes the reallocation by certain dates. Satisfactory reallocation by Inmarsat prior to April 1, 2012 would require the LightSquared Inmarsat Licensees to pay Inmarsat an additional \$55 million, with such an additional payment decreasing \$10 million per month for later completion. Satisfactory reallocation by Inmarsat subsequent to

October 1, 2012 would result in a refund to the LightSquared Inmarsat Licensees of \$10 million, with such refund increasing \$10 million per month until a full refund to the LightSquared Inmarsat Licensees of the LightSquared Inmarsat Licensees' \$40 million payment has been reached in January 2013.

In January 2012, Inmarsat asserted that it had met all of the delivery obligations required of it under Phase 1A of the Inmarsat Cooperation Agreement, which, if correct, would have triggered a final payment of \$56.3 million from the LightSquared Inmarsat Licensees. The LightSquared Inmarsat Licensees disputed Inmarsat's claim that it had met all of the obligations to complete the delivery as required under the Inmarsat Cooperation Agreement and the corollary right to claim the final Phase 1A payment at that time. In February 2012, Inmarsat issued to the LightSquared Inmarsat Licensees a formal notice of default for non-payment of the final Phase 1A payment. Assuming that Inmarsat completed delivery and that payment was due, the LightSquared Inmarsat Licensees would be able to cure the default with respect to the payment for 60 days from the notice of default, after which time the parties may revert to the default spectrum band plans if the default was not timely cured. Inmarsat would also have available to it all other remedies in law. If the parties revert to the default spectrum band plans, the operative plan would be the Phase 1A1 Default Spectrum Band Plan and the LightSquared Inmarsat Licensees would have 25.5 MHz of L-Band spectrum available to it as opposed to the 28 MHz of L-Band spectrum available under Phase 1A. The parties would then permanently operate under the Phase 1A1 Default Spectrum Band Plan and no further phases under the Inmarsat Cooperation Agreement would be implemented. In addition, any payment default that gives Inmarsat the ability to terminate the Inmarsat Cooperation Agreement could result in a cross-default to the Prepetition Inc. Credit Agreement (as defined below) and [Prepetition LP Facility Credit Agreement](#) (as defined below). In March 2012, Inmarsat asserted that it had met all of the delivery obligations required of it under Phase 1.5 of the Inmarsat Cooperation Agreement, which, if correct, triggers a payment due from the LightSquared Inmarsat Licensees of \$55 million. Similar to Inmarsat's claim in January 2012 in regards to the completion of Phase 1A, the LightSquared Inmarsat Licensees disputes that Inmarsat has met its delivery obligations with respect to Phase 1.5.

Pursuant to that certain Amendment No. 2 to the Inmarsat Cooperation Agreement, on April 18, 2012 the LightSquared Inmarsat Licensees agreed to: (a) suspend Phase 2 (as defined in the Inmarsat Cooperation Agreement) of the Inmarsat Cooperation Agreement until March 31, 2014, with the understanding that the LightSquared Inmarsat Licensees may, at their option, elect to restart Phase 2 prior to such date [on the terms set out in such Amendment No. 2](#); (b) eliminate, during such period of suspension, any Phase 2 payments to Inmarsat, including the quarterly payment of approximately \$29.6 million due on March 31, 2012 (which, if not paid, would have triggered cross-defaults under both the Prepetition Inc. Credit Agreement and the [Prepetition LP Facility Credit Agreement](#)); and (c) recommence, as of April 1, 2014 or an earlier date as elected by the LightSquared Inmarsat Licensees, Phase 2 payments based on a restructured payment plan [set out in such Amendment No. 2](#) that will differ from the previous Phase payments. In addition, a payment for certain transition services was renegotiated within the scope of the amended terms for Phase 2.

⁶⁷ Nothing in this subsection of the Disclosure Statement should be construed as an admission of any fact or liability, stipulation or waiver, and any analysis of the Prepetition Inc. Facility is qualified in its entirety by the Standing Motion (as defined below), as described in the section of this Disclosure Statement entitled "The Reorganization Cases – Standing Motion."

⁷⁸ Previously, the Prepetition Inc. Credit Facility also was collateralized by the One Dot Four Lease. However, such lease is no longer part of the collateral package given that such lease has been terminated (as discussed above).

⁹¹⁰ The Prepetition LP Collateral does not include the following: (a) any permit or license issued by a Governmental Authority (as defined in the LightSquared LP Credit Agreement) or other agreement to the extent the terms thereof validly prohibit the creation by the pledgor thereof of a security interest in such permit, license or other agreement; (b) property subject to any purchase money or vendor financing if the contract or other agreement in which such lien is granted validly prohibits the creation of any other lien on such property; (c) property subject to any capital lease; (d) any intent-to-use trademark application to the extent a security interest therein would result in the loss by the pledgor thereof of any material rights therein; (e) certain deposit and securities accounts securing currency hedging or credit card vendor programs or letters of credit provided to vendors in the ordinary course of business; (f) Interests in (i) excess of 66% in non-U.S. subsidiaries held by a U.S. subsidiary, (ii) LightSquared Network LLC, and (iii) any joint venture or similar entity to extent the terms of such investment restrict such security interest; and (g) any consumer goods subject to the Canadian Security Agreement (as defined in the LightSquared LP Credit Agreement).

4. Equity Interests

a. *LightSquared LP Series A Preferred Units.*

LightSquared LP has 164,646.47 outstanding non-voting Series A Preferred Units (the “Existing LP Preferred UnitUnits Equity Interests”). Subject to certain consent rights, Existing LP Preferred UnitUnits Equity Interests have no voting rights. Consent of a majority of the Existing LP Preferred UnitUnits Equity Interests is required to make certain amendments to LightSquared LP’s organizational documents, effect certain capital contributions, issue securities that are senior or *pari passu* to the Existing LP Preferred UnitUnits Equity Interests with respect to distributions, pay certain dividends or incur certain indebtedness. The Existing LP Preferred UnitUnits Equity Interests are exchangeable into shares of common stock of LightSquared Inc. at any time at the option of the holders, and are subject to mandatory exchange at LightSquared Inc.’s option upon the occurrence of certain events. The Existing LP Preferred UnitUnits Equity Interests are subject to mandatory redemption on the date that is five (5) years after the issue date of such Existing LP Preferred UnitUnits Equity Interests and at the option of LightSquared LP or the holder of such Existing LP Preferred UnitUnits Equity Interests upon the occurrence of certain events. The Existing LP Preferred UnitUnits Equity Interests rank senior with respect to distributions to LP Common Equity Interests; no distributions can be made to holders of LP Common Equity Interests unless and until each holder of Existing LP Preferred UnitUnits Equity Interests is paid an amount equal to (i) the aggregate unpaid priority return in respect of all of such holder’s Existing LP Preferred UnitUnits Equity Interests plus (ii) the aggregate Unpaid Discount Amount in respect of all of such holder’s Existing LP Preferred UnitUnits Equity Interests plus (iii) such holder’s Unreturned Capital Contributions (in each case, as such terms are defined in the Second Amended and Restated Limited Partnership Agreement of LightSquared LP, dated as of October 18, 2010).

b. *LP Common Equity Interests.*

All LP Common Equity Interests are indirectly owned by LightSquared Inc. LightSquared Investors Holdings Inc. and TMI Communications Delaware, Limited Partnership; each directly owns 78% and 22% (respectively) of the LP Common Equity Interests.

c. *Equity Interests in the LP Debtors*

LightSquared LP owns directly or indirectly all of the Equity Interests in each of the other LP Debtors. LightSquared LP also owns entirely and directly all of the Equity Interests in Debtors LightSquared Network LLC and LightSquared Bermuda Ltd. and non-Debtor LightSquared (UK) Limited.

F. **The LightSquared LP Limited Partnership Agreement**

LightSquared Investors Holdings, Inc., TMI Communications Delaware, Limited Partnership, and LightSquared GP Inc. are parties to the LightSquared LP Limited Partnership Agreement, dated October 18, 2010 (the "Partnership Agreement"). None of these entities are LP Debtors. Under the Partnership Agreement, LightSquared GP Inc. serves as general partner, while LightSquared Investors Holdings, Inc. and TMI Communications Delaware, Limited Partnership are limited partners. The Partnership Agreement governs, among other things, the purpose and powers of the partnership, capital contributions, and the liabilities of the partnership and each limited partner.

The Ad Hoc Preferred LP Group, which represents certain holders of Existing LP Preferred Units Equity Interests, believes that the treatment of the Existing LP Preferred Units Equity Interests under any plan confirmed in these cases would constitute a repayment under the "Optional Repayment" provisions of section 9.6(a) of the Partnership Agreement, which provides that the general partner of LightSquared LP may redeem Existing LP Preferred Units Equity Interests at the "Premium Redemption Amount," which provides for an annual internal rate of return, as more fully described in the Partnership Agreement. It has also been claimed that LightSquared LP may owe an "Unpaid Priority Return," an "Unpaid Discount Amount" and/or an "Unreturned Capital Contribution" to the holders of Existing LP Preferred Units Equity Interests. The Plan Sponsors and Ad Hoc LP Secured Group take no position on this issue at this time.

G. ~~F.~~ **The LP Debtors' Employees**

LightSquared LP has 80 full-time employees and 2 part-time employees. LightSquared Corp. has 40 full-time employees. None of the other LP Debtors have employees.

H. ~~G.~~ **Events Leading to the Need for Restructuring**

1. The Harbinger Merger and Development of the 4G LTE Network

On March 29, 2010, LightSquared Inc. consummated the Harbinger Merger with a corporation formed and indirectly wholly-owned by investment funds controlled by Harbinger. Following the Harbinger Merger, the Company adopted a business strategy to design and deploy its 4G LTE network. During the second quarter of 2010, the Company began to execute its new business strategy by hiring a new senior management team, engaging network equipment and deployment vendors, coordinating spectrum with Inmarsat under the Inmarsat Cooperation Agreement, seeking regulatory approvals, working with chipset and device manufacturers, and marketing the Company's 4G LTE solution to potential wholesale customers. During the remainder of 2010, the Company continued these efforts and undertook a number of additional activities in connection with the execution of the Company's business plan.

Harbinger contributed to the Company rights to 8 MHz of ~~a~~-1.4 GHz spectrum and 5 MHz of ~~a~~ 1.6 GHz spectrum, respectively, the Company exercised its option for Phase 1A under the Inmarsat Cooperation Agreement, and the Company successfully launched its SkyTerra-1 satellite. During 2011, the Company continued its efforts to develop its 4G LTE network,

coordinate spectrum with Inmarsat under the Inmarsat Cooperation Agreement and obtain regulatory approvals. In January 2011, the Company triggered Phase 2B under the Inmarsat Cooperation Agreement. In April 2011, the Company amended the Inmarsat Cooperation Agreement to add Phase 1.5. In June 2011, the Company entered into the Sprint Master Services Agreement. The Company also signed several other wholesale agreements with customers including Best Buy Connect LLC and Leap Wireless International, Inc.

2. FCC Process

a. *Early 2000s*

On March 1, 2001, Motient Services Inc., an entity that subsequently sold its assets to Mobile Satellite Ventures LP (“Mobile Satellite”) (now LightSquared LP), and Mobile Satellite Ventures Subsidiary LLC (now LightSquared Subsidiary LLC) submitted an application to the FCC seeking authority for an innovative new wireless service to be operated in conjunction with its MSS license. The FCC initiated a rulemaking proceeding regarding the establishment of rules for the Company’s wireless network, specifically identifying potential emissions interference to Global Positioning Systems (“GPS”) as ~~a concern~~.¹⁰ an area of inquiry.¹¹ This public proceeding lasted over four (4) years and involved scores of interested parties, including the GPS industry and other federal agencies.

During that period, the GPS industry’s concerns centered on out-of-band emissions. To resolve such concerns, the United States GPS Industry Council (the “USGIC”) and Mobile Satellite entered into a private, voluntary agreement in 2002 whereby Mobile Satellite consented to certain limitations on its out-of-band emissions into the GPS band that were far more rigorous than those required by the FCC. Despite the significant cost and burden imposed on Mobile Satellite by such agreement, Mobile Satellite incorporated the new limits into its revised application to the FCC filed on July 17, 2002 with the support of the USGIC.

Thereafter, in 2003, the FCC adopted rules (the “2003 Rules”) permitting MSS licensees, after satisfying certain preconditions known as “gating criteria,” to integrate an ATC into their satellite networks, which would enable MSS licensees to offer ground-based mobile services using the same spectrum resources already allocated to their MSS operations (the “2003 FCC Order”). Pursuant to the 2003 FCC Order, the Company submitted a new application requesting authorization to deploy and operate a terrestrial network, and the USGIC filed a letter in support thereof. Consequently, in 2004, the FCC granted the Company’s application to deploy and operate a terrestrial network, thereby making the Company the first MSS licensee authorized to operate on a terrestrial basis. The Company thereafter began investing significant funds to design and deploy its 4G LTE open wireless broadband network and, in furtherance thereof, commissioned its two next-generation satellites, SkyTerra-1 and SkyTerra-2.

b. *2005-2010*

¹⁰¹¹ The source of GPS ~~interference~~ incompatibility concerns stemmed from the proximity to the Company’s spectrum to the GPS band. The Company is authorized to operate in 46 MHz of the L-Band spectrum, including the portion of spectrum between 1525—1559 MHz. GPS operates in the 1559—1610 MHz band, directly adjacent to the Company’s allocated frequencies. According to the Company, however, the GPS industry designed its receivers in a manner that makes them capable of receiving signals from the Company’s allocated portion of the spectrum.

In 2005, the FCC revised many of the technical standards governing terrestrial operations in the L-Band, and specifically removed a limit it had imposed in the 2003 Rules on the number of terrestrial base stations that an MSS/ATC provider may deploy (the “2005 Reconsideration Order”). In connection therewith, the FCC received and incorporated into each of those rules extensive input from the public and federal agencies, including recommendations offered by the USGIC and the National Telecommunications and Information Administration (the “NTIA”) that would protect against harmful emissions from MSS/ATC operations into other bands, including the GPS frequency bands. No party in those proceedings raised any issue of possible overload-~~interference~~ to GPS receivers.

Since the 2005 Reconsideration Order, the Company has continued to participate in FCC proceedings concerning the terms and conditions of its licenses, even as it concurrently moved toward deployment of its integrated network. During those proceedings, the FCC, the Company and members of the GPS community continued to address and resolve ~~interference~~ concerns raised by the GPS community. Specifically, on July 10, 2009, in connection with the FCC’s consideration of an application to modify an MSS/ATC license held by the Company, the GPS community expressed a concern that out-of-band emissions from “femtocells” (*i.e.*, low-power indoor base stations designed to improve network coverage inside buildings) could potentially ~~interfere~~ be incompatible with GPS. Working cooperatively with the GPS industry, SkyTerra Subsidiary LLC (“SkyTerra Subsidiary”) entered into a private agreement with the USGIC, in which the SkyTerra Subsidiary voluntarily agreed to restrict the out-of-band emissions of its femtocells. Thereafter, the USGIC and SkyTerra Subsidiary submitted a joint letter to the FCC stating that the USGIC’s ~~interference~~ concerns had been resolved. Given that (a) technical modifications to the license were again coordinated with, and agreed to by, the Executive Branch of the U.S. government, and (b) no other concerns were raised with respect to GPS interference, in March 2010, the FCC granted the modification application, acknowledging that the voluntary agreements between the SkyTerra Subsidiary and the USGIC resolved any interference issue.

c. *2010 and Beyond*

In 2010, the FCC ~~also~~ approved ~~the Company’s terrestrial network, as well as~~ the transfer of control of the entity now known as LightSquared Subsidiary LLC, which held the underlying license. The FCC conditioned its approval of the transfer on the Company actually moving forward with its plan to use its MSS spectrum to provide 4G LTE mobile wireless service and to build a terrestrial network. To ensure that goal was met, the FCC imposed ~~an aggressive (and~~ an aggressive (and ~~eastly)~~ a build-out schedule on the Company, requiring coverage of at least 100 million people by December 31, 2012, at least 145 million by December 31, 2013, and at least 260 million people by December 31, 2015. No party sought reconsideration of that build-out requirement, ~~and no formal objections were raised relative to any alleged GPS interference~~. The Company, in reliance on this approval and to ensure that it satisfied the FCC’s conditions to approval in full, invested billions of dollars and entered into the Sprint Master Services Agreement and other agreements to deploy its nationwide wireless broadband network.

In November 2010, the Company sought a modification to its ATC authorization that would allow the Company to meet the MSS/ATC gating criteria in a way that would provide additional flexibility with respect to mobile devices (such as handsets). As originally adopted in 2003 and confirmed in the 2005 Reconsideration Order, the gating criteria are rules the FCC

applies to the provision of ATC service that are intended to ensure that the operator maintains a substantial mobile satellite service. One gating criterion requires the MSS/ATC operator to provide an “integrated service,” meaning a service that integrates both the satellite and terrestrial services. While the FCC left open how operators could meet the integrated service requirement, it did establish a safe harbor that assumes compliance if the devices used by consumers are capable of communicating with both the satellite and terrestrial networks. These devices are referred to as “dual-mode devices.” The Company’s application in November 2010 sought permission for the Company’s wholesale customers to provide their retail consumers with devices that only connected with the terrestrial network, provided that the Company offered its wholesale customers a single rate for access to both the satellite and terrestrial network, regardless of whether they used both of them.

In determining whether to approve the application, the FCC considered that (a) the Company was significantly committed to MSS satellite service, (b) the Company’s MSS/ATC business plan necessarily included rationalization of interleaved L-Band spectrum into contiguous blocks that would support next generation broadband technologies and (c) the Company had made enforceable commitments that would increase the availability of terrestrial mobile wireless broadband service, including to new users in rural areas and the public safety community. In recognition of these considerations, the FCC granted the Company a limited waiver (the “Conditional Waiver Order”) of the rule, and ~~narrowly~~ addressed the Company’s obligations with respect to mobile devices that wholesale customers would make available to their retail customers for use on the Company’s MSS/ATC network.

During the waiver proceeding on requirements for mobile devices, however, the GPS community raised concerns that downlink operations of the Company’s terrestrial base stations (*i.e.*, its cell towers) ~~may~~could cause widespread overload ~~interference~~ to GPS receivers ~~and other GPS devices.~~ ~~As opposed to the earlier concerns about the power of the Company’s transmissions, which were addressed by the agreement discussed above, these new concerns raised for the first time arose entirely as a result of the design of GPS devices. Instead of limiting the frequencies used by these devices to only those used by the GPS network, GPS manufacturers had designed devices that looked across wide swaths of spectrum. These new concerns centered around the fact that many GPS devices can “see” frequencies outside of the GPS band. In effect, these devices not only received GPS frequencies, but also received, including frequencies in the Company’s band, thus creating the possibility that a relatively powerful signal from one of the Company’s base stations would~~could overload a GPS receiver.

~~Rather than dismiss~~In response to the concerns of the GPS ~~industry’s concern— one of its own making~~¹¹community.¹²— the FCC established conditions that the Company must satisfy before it can provide commercial service under the mobile device provisions of the Conditional Waiver Order. Specifically, the FCC required the Company to work with the GPS community to resolve ~~the new concerns through an interference resolution~~any concerns with respect to

¹¹¹² As mentioned above, commercial GPS manufacturers have continued to design, produce and sell receivers that, ~~for no justifiable technical reason,~~ are capable of receiving signals from the Company’s allocated portion of the spectrum. The Plan Sponsors understand that the Debtors believe that, ~~just like any manufacturer who deliberately designs a defective product,~~ the GPS industry should bear its own costs of recalling and repairing its products and the Company should be compensated for the trespass, and use of, the Company’s spectrum. The Plan Sponsors believe, however, that the actions of the FCC indicate that it does not agree with this position.

incompatibility with GPS receivers through a technical working group process, which process would be deemed finished when the FCC (after consultation with the NTIA) concludes that the potential harmful interference concerns have been resolved, before the Company would move forward to launch its competitive 4G LTE service. ~~The FCC imposed these conditions notwithstanding the fact that the possibility of tens of thousands of base stations across the country, all operating at power levels that could cause overload of poorly designed receivers, was created by operation of the FCC's 2003 and 2005 orders. Nothing in the waiver granted by the FCC increased or otherwise changed the likelihood of overload interference in any way.~~

In connection with the ~~interference resolution~~technical working group process, on June 30, 2011, the Company submitted the final report of the technical working group that it co-chaired with the USGIC. The FCC issued a public notice in connection therewith seeking comments and also subsequently requested additional technical submissions and testing. Thus, in the ensuing months, various tests were conducted by various federal agencies, including the NTIA and the Federal Aviation Administration, in coordination with the Company, to validate data on the performance of cellular, personal/general navigation and certified aviation GPS receivers. On February 14, 2012, the FCC received a letter from the NTIA, which stated that the NTIA has concluded that (a) the Company's proposed mobile broadband network will impact GPS services and (b) there currently is no practical way to mitigate the potential harmful interference from the Company's planned terrestrial operations ~~in the 1525–1559 MHz band~~ such that the Company could successfully deploy an adequate commercial network. The technical report underlying the NTIA letter also raised concerns about the effect on GPS receivers from out-of-band emissions from the Company's L-Band terrestrial uplink operations.

On February 15, 2012, the FCC stated in a public notice (the "2012 Public Notice") that the ~~interference resolution~~technical working group process had not been successfully completed by the Company because alleged harmful interference concerns were not resolved to the FCC's satisfaction. Moreover, the FCC concluded that, although the overload ~~interference~~ issues were raised by the GPS community in connection with the Conditional Waiver Order, the concerns raised by NTIA were relevant for the full Company ATC service authorized in 2004 and 2010. the interference addressed by the NTIA was associated not with the mobile handsets at issue therein, but rather, with the Company's planned terrestrial base stations and, thereby, the full Company ATC service authorized in 2004 and 2010. Accordingly, the FCC proposed to vacate the Conditional Waiver Order and modify the Company's satellite license to suspend indefinitely the Company's underlying ATC authorization, first granted in 2004, to an extent consistent with the NTIA Letter. The FCC invited interested parties to comment on these proposals by March 1, 2012, but subsequently extended such deadline to March 16, 2012. The Company filed its comments to the 2012 Public Notice on March 16, 2012 and filed its reply to the comments of other interested parties on March 30, 2012.

The Debtors have stated that they intend to vigorously defend their rights in the ongoing 2012 Public Notice process, while simultaneously pursuing a resolution with the FCC and other federal government agencies that will permit it to deploy its terrestrial network ~~—a process they claim could last two years.~~

3. Cost-Cutting Measures

Throughout the first quarter of 2012, the Company faced liquidity challenges. Specifically, LightSquared LP was obligated to make a \$25 million interest payment to the LP Lenders on March 30, 2012. Moreover, although the Company was able to extend the maturity date of the Prepetition Inc. Credit Agreement, in light of, among other things, the status of the FCC process and the GPS industry's allegations, LightSquared Inc. was unable to refinance its facility or raise capital to aid it in the deployment of the 4G LTE network (as required by the FCC).

In an attempt to ease its liquidity constraints and preserve cash, the Company began to undertake substantial cost-cutting initiatives during the first quarter of 2012, including executing a major reduction in staff and entering into negotiations with its contractual counterparties to defer or reduce payments. As part of this effort, the Company successfully renegotiated the Inmarsat Cooperation Agreement, pursuant to that certain Amendment No. 2, dated as of April 18, 2012, to: (a) suspend Phase 2 (as defined in the Inmarsat Cooperation Agreement) of the Inmarsat Cooperation Agreement until March 31, 2014, with the understanding that the Company may, at its option, elect to restart Phase 2 prior to such date; (b) eliminate, during such period of suspension, any Phase 2 payments to Inmarsat, including the quarterly payment of approximately \$29.6 million due on March 31, 2012 (which, if not paid, would have triggered cross-defaults under both the Prepetition Inc. Credit Agreement and the [Prepetition LP Facility Credit Agreement](#)); and (c) recommence, as of April 1, 2014 or an earlier date as elected by the Company, Phase 2 payments based on a restructured payment plan that will differ from the previous Phase payments. In addition, a payment for certain transition services was renegotiated within the scope of the amended terms for Phase 2. Moreover, the Company terminated the One Dot Four Lease, thereby obviating the requirement to pay TerreStar 1.4 Holdings LLC \$2 million on March 23, 2012 and ~~an additional \$2 million on April 23, 2012~~ [each month thereafter](#).

4. Prepetition Discussions with Prepetition Lenders

Recognizing the (a) impact of the foregoing events and the liquidity constraints on its business operations and (b) necessity of an extended period in which to resolve its issues with the FCC as well as to streamline its business operations and financial obligations, the Company began negotiations with the Prepetition Lenders in February 2011 to waive, among others, the then potential events of default asserted by the Prepetition Lenders. On March 15, 2012, the Company was able to secure the Inc. Waiver and Amendment with the requisite number of the Prepetition Inc. Lenders and a short, forty-five (45)-day waiver, subsequently extended by two waivers each granting an additional seven (7) days, with the requisite number of the LP Lenders. In connection with the Inc. Waiver and Amendment, (x) the maturity date for the Prepetition Inc. Credit Facility was extended from July 1, 2012 to December 31, 2012, (y) a two percent (2%) non-cash fee was paid to the UBS AG, Stamford Branch, as administrative agent, for the ratable account of each Prepetition Inc. Lender and (z) Harbinger agreed to subordinate amounts owing to it under the Prepetition Inc. Credit Facility to amounts owing to the other Prepetition Inc. Lenders under the Prepetition Inc. Credit Agreement in exchange for 2.5 million penny warrants. During the waiver period, the Company and the Prepetition Lenders attempted to negotiate a global restructuring that would provide the Company with the liquidity and runway necessary to resolve its issues with the FCC. The Company and the Prepetition Lenders were not able to consummate a global restructuring on terms acceptable to all interested parties.

VI.

THE CHAPTER 11 CASES

A. Commencement of the Chapter 11 Cases

On May 14, 2012 (the “Petition Date”), the Debtors commenced the Chapter 11 Cases. On that same day, the Debtors also filed several pleadings (the “First Day Pleadings”), which are discussed in detail below.

B. First Day Pleadings

1. Joint Administration

On May 14, 2012, the Debtors filed a motion seeking the joint administration of the Chapter 11 Cases (the “Joint Administration Motion”) [Docket No. 2]. On May 15, 2012, the Bankruptcy Court issued an order granting the Joint Administration Motion [Docket No. 33].

2. Case Management

On May 14, 2012, the Debtors filed a motion seeking approval of an order implementing case management procedures [Docket No. 18]. On June 11, 2012, the Bankruptcy Court entered an order implementing case management procedures that: (a) established requirements for filing and serving notices, motions, applications, declarations, objections, responses, memoranda, briefs, supporting documents and other papers filed in the Debtors’ Chapter 11 Cases; (b) delineated standards for service of notices of hearings and agenda letters; (c) fixed periodic omnibus hearing dates and articulated mandatory guidelines for scheduling hearings and objection deadlines; and (d) limited matters that are required to be heard by the Bankruptcy Court [Docket No. 121].

3. Extension of Deadline for Filing Schedules

On May 14, 2012, the Debtors filed a motion seeking approval of an extension of the deadline for filing their Financial Schedules [Docket No. 6]. On May 16, 2012, the Bankruptcy Court granted an extension of thirty (30) days (until and including June 27, 2012) for the Debtors to file their Financial Schedules [Docket No. 44]. The Debtors filed their Financial Schedules with the Bankruptcy Court on June 27, 2012 [Docket Nos. 154–173].

4. Retention of a Claims and Noticing Agent

The Debtors filed an application on May 14, 2012 to employ KCC as claims and noticing agent in order to expedite the distribution of notices and processing of claims and relieve the Bankruptcy Court’s Clerk’s office of the administrative burden of a potentially overwhelming number of claims [Docket No. 4]. The Bankruptcy Court granted the Debtors’ application to employ KCC as claims and noticing agent on May 15, 2012 [Docket No. 34].

5. Limitation of Service

On May 14, 2012, the Debtors filed a motion seeking approval of an order (a) authorizing the Debtors to prepare a consolidated list of creditors in the format or formats maintained in the ordinary course of business in lieu of submitting a mailing matrix, (b) authorizing the Debtors to file a consolidated list of their twenty (20) largest unsecured creditors, and (c) approving the form and manner of notice of the commencement of the Debtors' Chapter 11 Cases [Docket No. 5]. The Bankruptcy Court issued an order granting the motion on May 15, 2012 [Docket No. 35].

6. Business Operations

a. *Cash Management and Intercompany Transactions*

As is typical with most corporate enterprises, the Debtors had in place as of the Petition Date a cash management system for the collection of receipts and the disbursement of funds. The Debtors use a cash management system that consists of two (2) separate segregated cash management systems, one each for Inc. Group¹²¹³ and LP Group.¹³¹⁴

In the ordinary course of business, the Inc. Group utilizes an integrated, centralized cash management system (the "Inc. Group Cash Management System") to collect and manage or disburse and invest funds. Also in the ordinary course of business, the LP Group utilizes an integrated, centralized cash management system (the "LP Group Cash Management System") and, together with the Inc. Group Cash Management System, the "Cash Management Systems") to collect and manage or disburse and invest funds used in its operations.

In the ordinary course of business, cash amounts paid by one Debtor entity on behalf of other Debtor entities (depending on the transaction) had been historically recorded as capital contributions or equity investments (the "Cash Transactions"). The Debtors and certain non-Debtor affiliates utilize a cost allocation system where expenses initially paid by a Debtor or a non-Debtor affiliate for the benefit of other Debtors or non-Debtor affiliates are allocated to the appropriate entities in proportion to the benefits received by such entities (together with the Cash Transactions, the "Intercompany Transactions"). Through their use of the Cash Management Systems, the Debtors facilitate cash forecasting and reporting, monitor collections and disbursements of funds, and maintain control over the administration of various bank accounts (the "Bank Accounts") that are required to effect the collection, disbursement, and movement of cash.

¹²¹³ The "Inc. Group" consists of (a) the following Debtor entities: LightSquared Inc., One Dot Six Corp., One Dot Four Corp., SkyTerra Rollup LLC, SkyTerra Rollup Sub LLC, LightSquared GP Inc. and One Dot Six TVCC Corp. and (b) the following non-Debtor entities: TVCC Holding Company, LLC, TVCC Intermediate Corp., Columbia One Six Partners IV, Inc., Columbia FMS Spectrum Partners IV, Inc., TVCC One Six Holding s LLC and CCMM I LLC.¹

¹³¹⁴ The "LP Group" consists of (a) the following Debtor entities: LightSquared LP, LightSquared Investors Holdings Inc., TMI Communications Delaware, Limited Partnership, ATC Technologies, LLC, LightSquared Corp., LightSquared Finance Co., LightSquared Network LLC, LightSquared Inc. of Virginia, LightSquared Subsidiary LLC, SkyTerra Holdings (Canada) Inc., SkyTerra (Canada) Inc., Lightsquared Bermuda Ltd. and SkyTerra Investors LLC and (b) the following non-Debtor entity: LightSquared (UK) Limited.

On May 14, 2012, the Debtors filed a motion seeking to: (a) continue to use their existing cash management system, bank accounts, and disbursement accounts, (b) open new debtor in possession bank accounts with authorized depository banks or close any existing bank accounts as the Debtors deem necessary and appropriate in their sole discretion, and (c) continue performing ordinary course Intercompany Transactions (the “Cash Management and Intercompany Transactions Motion”) [Docket No. 7]. On May 15, 2012, the Bankruptcy Court entered an interim order granting the Cash Management and Intercompany Transactions Motion [Docket No. 36]. On June 11, 2012, the Bankruptcy Court entered a final order authorizing (a) the continued use of Cash Management Systems and the Bank Accounts, with the same account numbers, in existence on the Petition Date, (b) the treatment of the Bank Accounts for all purposes as accounts of the Debtors as debtors in possession, and (c) if needed, subject to the giving of notice, the opening of new debtor in possession accounts with authorized depository banks or the closing of any existing accounts as the Debtors may deem necessary and appropriate in their sole discretion [Docket No. 115].

b. *Utility Services*

In connection with the operation of their businesses and management of their properties, the Debtors obtain from certain utility companies (the “Utility Providers”) a wide range of utility services in the ordinary course of business for, among other things, water, sewer service, electricity, telephone, data services and other similar services. On May 14, 2012, the Debtors filed a motion seeking an order (a) deeming Utility Providers adequately assured of future performance and (b) establishing procedures for resolving requests for additional adequate assurance of future payment [Docket No. 17]. On June 11, 2012, the Bankruptcy Court issued an order determining adequate assurance of payment for future utility services [Docket No. 120]. Pursuant to the order, as adequate assurance, the Debtors deposited \$21,850 into a newly-created, segregated, interest-bearing bank account.

c. *Payment of Prepetition Taxes and Assessments*

In the ordinary course of their businesses, the Debtors (a) collect, incur and/or comply with a variety of taxes or tax obligations, including certain business, corporation, franchise, partnership, personal property, provincial, capital, non-resident withholding, sales and use, goods and services, harmonized sales, excise and other taxes (collectively, the “Taxes”), (b) charge certain annual reporting fees, FCC fees and Canadian Regulatory Fees, and other similar charges and assessments (collectively, the “Fees”) on behalf of various taxing, licensing and other regulatory authorities (collectively, the “Authorities”), and (c) pay Fees to such Authorities for licenses and permits required to conduct the Debtors’ businesses in the ordinary course.

On May 14, 2012, the Debtors filed a motion seeking authorization to pay Taxes and Fees and directing financial institutions to honor all related checks and electronic payment requests [Docket No. 10]. On May 16, 2012, the Bankruptcy Court issued an interim order authorizing, but not requiring, the Debtors to pay, in their sole discretion, all Taxes and Fees in the ordinary course of their businesses, including all Taxes and Fees subsequently determined to be owed for periods prior to the Petition Date, and authorizing and directing banks and financial institutions on which checks were drawn or electronic payment requests were made to receive, process, honor, and pay all such checks and electronic payment requests [Docket No. 39]. On

June 11, 2012, the Bankruptcy Court entered a final order authorizing the same [Docket No. 117].

d. *Continuation of Prepetition Insurance Policies*

In connection with their business operations, the Debtors maintain multiple insurance policies in respect of, among other things, property damage, general liability, umbrella liability, automobile liability, fiduciary liability, employment practices liability, cargo, directors' and officers' liability, space insurance, and international liability (collectively, the "Insurance Programs"). In addition, the Debtors maintain in-orbit insurance on their SkyTerra-1 satellite (the "Satellite Insurance Program") that covers losses and liabilities associated with the satellite of up to \$250,000,000. On May 14, 2012 the debtors filed a motion for authorization to honor the terms of their Insurance Programs, including the Satellite Insurance Program, and pay installment payments that come due after the Petition Date or to modify, extend, or supplement the policies as the Debtors see fit (the "Insurance Policies Motion") [Docket No. 9]. On May 16, 2012, the Bankruptcy Court issued an interim order granting the Insurance Policies Motion [Docket No. 41]. The Bankruptcy Court entered a final order on June 11, 2012 [Docket No. 118].

e. *Employee Wages and Benefits*

On May 14, 2012, the Debtors filed a motion for an order (A) authorizing them to (i) pay certain prepetition wages and reimbursable employee expenses, (ii) pay and honor employee benefits and (iii) continue employee benefits programs and (B) authorizing and directing financial institutions to honor all related checks and electronic payment requests [Docket No. 8]. The Bankruptcy Court issued an interim order on May 15, 2012 [Docket No. 38] and a final order granting the relief requested on June 11, 2012 [Docket No. 133].

f. *Notification Procedures and Restrictions on Certain Transfers of Interests and Claims in the Debtors*

On May 14, 2012, the Debtors filed a motion to authorize the establishment of procedures to protect the potential value of the Debtors' more than \$1.5 billion in consolidated net operating tax loss carryforwards ("NOLs") (a portion of which is subject to limitation) and certain other tax attributes, including, potentially, a net unrealized built-in loss in its Assets (together with NOLs, the "Tax Attributes") (the "Restriction on Transfers Motion") [Docket No. 11]. The proposed procedures included treating as void ab initio any acquisition, disposition, claim of a worthless securities deduction under 165(g) of the Code (as defined below) or other transfer of LightSquared Inc. stock in violation of the restrictions set forth in the proposed order. On May 16, 2012, the Bankruptcy Court entered an interim order granting the Restriction on Transfers Motion [Docket No. 40]. On May 22, 2012 the Ad Hoc LP Secured Group objected to the motion, explaining, among other things, that the ability of the Debtors to use the Tax Attributes would only be relevant in remote situations [Docket No. 64]. On June 4, 2012, after the Debtors and the Ad Hoc LP Secured Group agreed upon a form of order that resolved the objection, the Bankruptcy Court issued a final order granting the Restrictions on Transfers Motion [Docket No. 84].

g. *Foreign Representation*

On May 14, 2012, the Debtors filed a motion for entry of an order authorizing LightSquared LP to act as the foreign representative on behalf of the Debtors' Estates in any judicial or other proceeding in a foreign country [Docket No. 12]. The Debtors have certain Assets and limited operations in Canada, and after the Petition Date, they commenced a restructuring proceeding in the Ontario Superior Court of Justice (Commercial List) pursuant to Part IV of the Companies' Creditors Arrangement Act, R.S.C. 1985, c. C-36, as amended (the "Canadian Proceedings"). On May 16, 2012, the Bankruptcy Court entered an interim order [Docket No. 42], with a final order following on June 11, 2012, authorizing LightSquared LP to act as a foreign representative on behalf of the Debtors [Docket No. 119].

h. *Interim Compensation and Reimbursement of Professional Persons and Committee Members*

In an effort to permit the Debtors to closely monitor the costs and streamline the administration of the Chapter 11 Cases, and to allow the Bankruptcy Court and parties in interest, including the U.S. Trustee, to ensure the reasonableness and necessity of the compensation and reimbursement requested, the Debtors developed procedures for interim compensation and reimbursement of expenses of professionals whose services are authorized by the Bankruptcy Court pursuant to either section 327 or section 1103 of the Bankruptcy Code and for reimbursement of reasonable out-of-pocket expenses incurred by members of any statutory committee of unsecured creditors appointed in the Chapter 11 Cases. On May 14, 2012, the Debtors moved for the entry of an order establishing an orderly, regular process for the monthly allowance and payment of compensation and reimbursement of expenses [Docket No. 19], and the Bankruptcy Court approved such requested relief on June 11, 2012 [Docket No. 122].

i. *Cash Collateral Motion*

On May 14, 2012, the Debtors filed a motion (the "Cash Collateral Motion") seeking authority to use cash collateral ("Cash Collateral") and grant adequate protection to certain prepetition secured parties [Docket No. 13]. The Debtors sought to use Cash Collateral because they could not generate sufficient unencumbered cash from operations to cover their operating expenses and the Cash Collateral was needed to meet capital expenditures and other non-operating cash expenses.

Several parties, including the Ad Hoc LP Secured Group, objected to the Cash Collateral Motion. At a hearing on the Cash Collateral Motion, the Debtors presented to the Bankruptcy Court an agreed order (the "Initial Cash Collateral Order") that, among other things, enabled the Debtors on a final basis (and for up to one year) to use the Cash Collateral of the Prepetition Inc. Lenders and LP Lenders in order to continue operations. In exchange, the Prepetition Inc. Lenders and the LP Lenders were to receive adequate protection liens and monthly payments to guard against any diminution in the value of their respective collateral. The Bankruptcy Court entered the Initial Cash Collateral Order on June 13, 2012 [Docket No. 136]. On February 19, 2013, in connection with the Exclusivity Stipulation (as defined and discussed below), the Bankruptcy Court entered an agreed order amending the Initial Cash Collateral Order (the "Amended Cash Collateral Order") [Docket No. 544]. Pursuant to the Amended Cash Collateral

Order, the Debtors were authorized to further use Cash Collateral through December 31, 2013 in order to further the terms of the Exclusivity Stipulation (as defined below).

C. Ahuja Settlement Agreement

On July 6, 2012, the Debtors filed a motion seeking (a) authority to enter into, and approval of, a settlement agreement (the "Ahuja Settlement Agreement") between LightSquared Inc., on behalf of itself and the other Debtors' Estates, Harbinger, and Sanjiv Ahuja (the former chairman of the board of directors and chief executive officer of LightSquared Inc. and an officer and director of various other LightSquared entities), (b) authority to reject Mr. Ahuja's employment agreement and certain related documents, and (c) authority to take any and all actions reasonably necessary to consummate and perform any and all obligations under the Ahuja Settlement Agreement (the "Ahuja Settlement Motion") [Docket No. 213]. The Ahuja Settlement Agreement provides that, in satisfaction of Mr. Ahuja's claims for compensation and/or benefits, Mr. Ahuja will receive (x) an allowed unsecured non-priority claim against LightSquared LP in the amount of \$750,000 and (y) an allowed common interest in the amount of 8,832,354 shares of current common stock of LightSquared Inc., which shall be subject to dilution only on account of subsequent issuances of current common stock of LightSquared Inc. to the same extent and in the same manner and proportion as all other current common stockholders of LightSquared Inc. are diluted in connection with such issuance; provided, all payments made on account of such allowed claim and interest are to be made only in accordance with a confirmed chapter 11 plan. The Ahuja Settlement Agreement also provides that the Debtors will indemnify Mr. Ahuja for all of his actions and omissions during the time he was a director, officer or employee. Pursuant to the Ahuja Settlement Agreement, on the effective date thereof, (i) Mr. Ahuja's employment agreement and certain related documents shall be deemed rejected, (ii) Mr. Ahuja's employment with the Debtors shall cease, (iii) Mr. Ahuja shall have resigned from the board of directors of each applicable LightSquared entity, and (iv) Mr. Ahuja shall not hold any office or title with any LightSquared entity or board of directors. No objections to the Ahuja Settlement Motion were filed, and on July 17, 2012, the Bankruptcy Court entered an order approving the Ahuja Settlement Agreement [Docket No. 223].

D. Key Employee Incentive Program

On August 29, 2012, the Debtors filed a motion (the "KEIP Motion") seeking the approval of a key employee incentive plan (the "Original KEIP") for four (4) senior level executives (the "Key Employees") [Docket No. 292]. The following is a list of the Key Employees, their positions and their annual salaries as of the date of the KEIP Motion:

<u>Senior Level Executive</u>	<u>Title</u>	<u>Salary</u>
Douglas Smith	Interim Chief Executive Officer, President, and Chairman of the Board	\$700,000
Marc Montagner	Chief Financial Officer	\$500,000

Curtis Lu	General Counsel	\$500,000
Jeffrey Carlisle	Executive Vice President, Regulatory Affairs & Public Policy	\$400,000

The Original KEIP provided that each of the Key Employees would be entitled to receive an incentive bonus consisting of cash and a preset amount of restricted stock units (“RSUs”), paid in shares of current common stock of LightSquared Inc. upon the satisfaction of one or more of the following objectives: (a) cash preservation, (b) progress made in the regulatory process, and (c) the occurrence of the effective date of a chapter 11 plan or the consummation of a sale of substantially all of the Debtors’ Assets (the “Emergence Objective” and collectively, the “Incentive Objectives”). Over a period of time that would last at least two (2) years, each Key Employee would be eligible to receive aggregate incentive payments of cash up to 285% of each such Key Employee’s annual salary and vesting of all issued RSUs if all Incentive Objectives were satisfied, and in the event a Key Employee is terminated without cause, such Key Employee would have been entitled to the vesting of RSUs upon the occurrence of each subsequent Incentive Objective as if such Key Employee had not been terminated. However, should a plan or confirmation of a sale result in a payout to the Debtors’ Prepetition Lenders on their claims that is less than par plus accrued in cash, and such treatment is not accepted under a plan by either the Prepetition Inc. Lenders or the LP Lenders, any cash award paid to the Key Employees on account of the Emergence Objective shall be multiplied by a factor of .80. The Ad Hoc LP Secured Group and the U.S. Trustee filed objections to the KEIP Motion (together, the “KEIP Objections”) on September 6, 2012 and September 7, 2012, respectively [Docket Nos. 302, 309]. The KEIP Objections asserted that the Original KEIP (a) provided for impermissible retention payments under section 503(c)(1) of the Bankruptcy Code and (b) violated section 503(c)(3) of the Bankruptcy Code by providing for transfers outside of the ordinary course of business that were not justified by the facts and circumstances of the case.

In response to the KEIP Objections, on October 19, 2012, the Debtors filed a supplemental motion seeking the approval of a revised key employee incentive plan (as revised, the “KEIP”) [Docket No. 385]. The revised KEIP: (a) removed the issuance of RSUs as consideration, (b) tightened the Debtors’ budget compliance requirements, and (c) tightened payment dates under the Emergence Objective. On October 23, 2012, the Bankruptcy Court entered an order approving the KEIP [Docket No. 394].

E. Rejection of Lease Documents Nunc Pro Tunc to the Petition Date

On August 29, 2012, the Debtors filed a motion seeking a 90-day extension to assume or reject unexpired leases of nonresidential real property from September 11, 2012 to and including December 10, 2012 [Docket No. 291]. There were no objections to this motion. On October 1, 2012, the Bankruptcy Court entered an order extending the Debtors’ time to assume or reject unexpired leases to and including December 10, 2012 [Docket No. 344].

Also on August 29, 2012, the Debtors filed a motion seeking to reject a nonresidential real property lease with 450 Park Avenue, LLC which was in respect of the Debtors’ use of office space at 450 Park Avenue, New York, New York [Docket No. 290]. The lease was to

terminate in November 2015 and rent for the premises was \$35,917.13 per month or \$431,005.50 per year. On September 13, 2012, the Bankruptcy Court entered an order granting the Debtors' motion to reject the real property lease with 450 Park Avenue, LLC (the "450 Park Avenue Order") [Docket No. 318].

On November 14, 2012, the Debtors filed a motion seeking a further extension of time to assume or reject certain unexpired leases of nonresidential real property and rejection of all other of the Debtors' unexpired leases of nonresidential property not assumed or for which the time to assume had not been extended [Docket No. 413]. In the motion, the Debtors asserted that in undertaking a strategic review of unexpired leases, it was in their sound business judgment that a further extension of the deadline for certain unexpired leases (the "Extension Leases") was in the best interest of the Debtors and the Estate. The Extension Leases are leases of nonresidential real property currently used by the Debtors for (a) inventory fulfillment and warehousing, (b) satellite carrier monitoring stations, and (c) satellite network gateways. The Debtors split the Extension Leases into two groups and requested that each counterparty consent in writing to extensions of the deadline to assume or reject to and including June 10, 2013 for the first group of Extension Leases and the date upon which a plan of reorganization is confirmed for the second group of Extension Leases. Each counterparty to an Extension Lease consented to the requested extension, and, on November 28, 2012, the Bankruptcy Court issued a final order extending the period the Debtors may assume or reject the Extension Leases to and including (a) March 10, 2013, for the Extension Leases listed on schedule 1 of the order, (b) June 10, 2013, for the Extension Leases listed on schedule 2 of the order, and (c) the date of confirmation of a plan of reorganization, for the Extension Leases listed on schedule 3 of the order [Docket No. 438].

On April 30, 2013, the Debtors filed another motion seeking a further extension of their time to assume or reject unexpired leases of nonresidential real property (the "Third Lease Extension Motion") [Docket No. 626]. In the Third Lease Extension Motion, the Debtors sought a further extension of such time to the earlier of (a) December 31, 2013 and (b) the date upon which a plan of reorganization under chapter 11 of the Bankruptcy Code is confirmed in the Chapter 11 Cases. The Third Lease Extension Motion was granted by the Bankruptcy Court on May 15, 2013 [Docket No. 631].

The Debtors also applied for an order authorizing and approving the employment and retention of Kirkland & Ellis LLP (“K&E”) as special litigation counsel for the Debtors nunc pro tunc to the Petition Date [Docket No. 75], and such application was approved on June 11, 2013 [Docket No. 128]. K&E advises the Debtors regarding certain commercial litigations that were yet to be commenced prior to the Petition Date and might be brought on a subsequent date. Latham represents the Debtors in respect of substantive matters that fall within the jurisdiction of the FCC, such as representing certain of the Debtors in rulemaking proceedings and defending certain of the Debtors in connection with proposed actions to be taken by the FCC.

Also on July 2, 2013, the Debtors filed an application for entry of an order authorizing the employment and retention of Pillsbury Winthrop Shaw Pittman LLP (“Pillsbury”) as special litigation counsel to the Debtors [Docket No. 713], and such application was granted on July 17, 2013 [Docket No. 752]. Pillsbury provides the Debtors with legal advice in a variety of matters, including negotiations with satellite operators in connection with international frequency coordination and regulatory compliance for existing and proposed operations.

G. Bar Date Order

On July 27, 2012, the Debtors filed a motion seeking, among other things, entry of an order establishing deadlines for claimants to file proofs of claim in respect of prepetition claims [Docket No. 244]. The Bankruptcy Court subsequently entered an order setting September 25, 2012 as the general bar date, where each person or entity, other than a governmental unit (as defined in section 101(27) of the Bankruptcy Code), needed to file a proof of claim [Docket No. 266]. The deadline for a governmental unit to file a proof of claim was November 12, 2012.

H. Settlement Agreement with Sprint

On February, 13, 2013, the Debtors filed a motion seeking approval of a settlement agreement between the Debtors and Sprint stemming from the Sprint Master Services Agreement, which is further discussed in the section of this Disclosure Statement entitled “General Information – Material Operating Contracts, Sprint Master Services Agreement” [Docket No. 525]. The Debtors initially paid Sprint \$310 million as an advance payment (the “Advance Payment”) for work on the network and future operational costs, and the outstanding obligations under the Sprint Master Services Agreement were secured by a second-priority security interest in the Prepetition LP Collateral.

After entering into the agreement, the Debtors incurred delays in the build-out of the network. Sprint agreed to amend the Sprint Master Services Agreement to extend the date by which it was entitled to unwind the agreement. The sixth and final of these amendments (“Amendment No. 6”) was entered into by the parties on January 27, 2012. Under this amendment, the Debtors agreed that \$236,472,168 (the “Agreed MSA Costs”) had been fully earned and irrevocably and unconditionally paid to Sprint from the Advance Payment and was not subject to dispute. Sprint further agreed to refund LightSquared LP an amount equal to \$65 million from the Advance Payment upon the earlier of (i) March 15, 2012 and (ii) receipt of an acknowledgement from the LP Lenders that Amendment No. 6 was not prohibited under the Prepetition LP Facility Credit Agreement. Moreover, \$8,527,832 of the Advance Payment (the “Unallocated Balance”) would remain subject to the termination and unwinding process set forth in the Sprint Master Services Agreement. Lastly, although the parties were not able to fully reconcile and agree upon the precise amount of certain costs arising from Sprint’s transactions with American Tower Company to secure capacity and entitlements required for the Debtor’s network (the “Asserted ATC Costs”), the parties agreed that \$95 million (the “Agreed ATC Costs”) of the Asserted ATC Costs were to be included in the Agreed MSA Costs and Sprint reserved its rights to claim the positive difference between the Asserted ATC Costs and the Agreed ATC Costs, which was \$110 million (the “Disputed Amount”).

On March 15, 2012, Sprint refunded \$65 million to the Debtors from the Advance Payment, and the following day, decided to unwind the Sprint Master Services Agreement. Sprint and the Debtors then worked to reconcile the appropriate allocation of the Unallocated Balance, resulting in an agreement among the parties that (a) \$2,457,434 had been irrevocably and unconditionally paid to Sprint as Agreed MSA Costs, (b) an additional payment would be made to LightSquared LP from Sprint on May 4, 2012 in the amount of \$2,332,794, and (c) \$3,737,604 (the “Remaining Advance Payment”) should be retained by Sprint pending further reconciliation.

Sprint and its affiliate, Sprint Nextel, proceeded to file three (3) claims against the Debtors (collectively, the “Sprint Bankruptcy Claims”). On August 3, 2012, Sprint Nextel filed proof of claim no. 31, asserting a priority claim in the amount of \$11,757.95 against LightSquared Inc. for wireless telecommunications services rendered to LightSquared Inc. On September 24, 2012, Sprint filed proof of claim no. 157 against LightSquared Inc. and proof of claim no. 158 against LightSquared LP, asserting contingent and unliquidated secured claims arising under the termination and unwinding of the Sprint Master Services Agreement, which included the Disputed Amount.

The Debtors entered into a settlement agreement with Sprint (the “Sprint Settlement Agreement”) to resolve, discharge, and settle costly litigation relating to the Sprint Bankruptcy Claims and the Debtors’ potential claims against Sprint with no further out-of-pocket expenses incurred by the Debtors. As part of the Sprint Settlement Agreement, LightSquared LP received a payment of \$1,011,371 from Sprint as appropriate allocation of the Remaining Advance Payment and Sprint retained an amount equal to \$2,726,233. Sprint and Sprint Nextel further agreed to withdraw the Sprint Bankruptcy Claims and released Sprint’s liens against the Debtors’ Assets. Moreover, the parties each agreed to release, discharge, waive, and acquit any claims, demands, liabilities, responsibilities, disputes, remedies, causes of actions, indebtedness, and obligations relating to the Sprint Master Services Agreement and/or the proofs of claim filed by Sprint. On February 27, 2013, the Bankruptcy Court entered an order approving the Sprint Settlement Agreement [Docket No. 565].

I. **Standing Motion**

On September 15, 2012, the Ad Hoc LP Secured Group filed a motion with the Bankruptcy Court seeking, among other things, standing and authority to commence, prosecute and/or settle certain claims on behalf of the Debtors’ Estates (the “Standing Motion”) [Docket No. 323]. The impetus for filing the Standing Motion stemmed from Harbinger causing LightSquared Inc. to enter into a purported prepetition loan with certain lenders, including Harbinger and an affiliate. The Ad Hoc LP Secured Group alleged that the investment was not a loan at all but an equity infusion that was mischaracterized by Harbinger in an effort to elevate the priority of the investment. Moreover, the Ad Hoc LP Secured Group argued that Harbinger caused the Prepetition Inc. Subsidiary Guarantors to guarantee the purported loan, which provided no benefit to such affiliates, but assured that any value in those subsidiaries would be channeled to Harbinger and its allied lenders, and not to the Debtors’ outside creditors. Additionally, it was alleged that Harbinger subsequently caused the Debtors to preferentially transfer security interests to a group of non-Debtor entities (collectively, the “Defendants”),^{44,15} for no consideration, in order to solidify its purported priority claims to the Debtors’ previously unencumbered Assets. Consequently, the Ad Hoc LP Secured Group believed that the Debtors’ Estates had strong and valuable claims against the Defendants for preference, fraudulent transfer, recharacterization of the loans as equity and for equitable subordination. Since the Ad Hoc LP Secured Group alleged that the Debtors are conflicted and will not sue its controlling insider (Harbinger), based on the foregoing actions, the Ad Hoc LP Secured Group requested authority to prosecute these claims on behalf of the Debtors’ Estates.

On October 17, 2012, U.S. Bank interposed an objection to the Standing Motion, arguing that the Ad Hoc LP Secured Group did not meet the requisite standard for obtaining standing to prosecute claims because, among other things, the members of the Ad Hoc LP Secured Group are not creditors of the Prepetition Inc. Subsidiary Guarantors and it would be too costly to the Debtors’ Estates to have the Ad Hoc LP Secured Group prosecute the claims in relation to any benefit received. On the same day, Harbinger also filed an objection to the Standing Motion and argued that the Standing Motion was merely an attempt by the Ad Hoc LP Secured Group to

^{44,15} The Defendants are comprised of the following entities: Harbinger Capital Partners SP, Inc., Blue Line DZM Corp., Mast AK Fund LP, Mast Credit Opportunities I Master Fund Limited, Mast OC I Master Fund, Mast PC Fund LP, Mast Select Opportunities Master Fund, Seawall Credit Value Master Fund, Ltd., Seawall OC Fund, Ltd., U.S. Bank, and Does 1–100.

gain leverage in the Chapter 11 Cases and would result in the waste of Estate resources to the benefit of only the Ad Hoc LP Secured Group. Supplemental pleadings were filed by the parties and a hearing on the Standing Motion was held on January 9, 2013. At the hearing, the Bankruptcy Court deferred rendering a ruling on the Standing Motion and requested additional briefing, which was filed on February 13, 2013. As of the date hereof, the Bankruptcy Court has yet to issue a ruling on the Standing Motion.

J. Debtor-in-Possession Financing

On June 20, 2012, the Debtors filed a motion (the “DIP Motion”) seeking authority to allow One Dot Six Corp. (the “DIP Borrower”) to obtain, and LightSquared Inc., One Dot Four Corp., and One Dot Six TVCC Corp. (collectively, the “DIP Guarantors” and, together with the DIP Borrower, the “Inc. Obligors”) to unconditionally guaranty jointly and severally the DIP Borrower’s obligations in respect of, secured, priming superpriority postpetition financing (the “DIP Facility”) in the amount of \$40 million [Docket No. 147]. The DIP Facility was created pursuant to the terms and conditions of that certain Credit Agreement (the “DIP Agreement”) by and among the Inc. Obligors, U.S. Bank National Association, as arranger, administrative agent and collateral agent (the “DIP Agent”), for and on behalf of itself and the lenders party thereto, including Mast Credit Opportunities I Master Fund Limited, Mast OC I Master Fund, L.P. (by Mast Capital Management, LLC, its general partner), Mast Select Opportunities Master Fund, L.P., (by Mast Select Opportunities GP, LLC, its general partner), Mast AK Fund, L.P. (by Mast AK Fund GP, LLC, its general partner), and Mast PC Fund L.P. (by Mast PC GP, LLC, its general partner).

Pursuant to the DIP Facility, superpriority secured, priming liens would be granted in favor of the DIP Agent with respect to any and all owned and subsequently acquired personal property, real property, and other Assets of only the Inc. Obligors. On July 17, 2012, the Bankruptcy Court entered an order approving the DIP Motion (the “DIP Order”), which provided the DIP Borrower access to a slightly increased amount (\$41.4 million) of postpetition borrowings [Docket No. 224]. In connection with the Exclusivity Stipulation, the Bankruptcy Court subsequently approved an amendment to the DIP Order that, among other things, provided the Inc. Obligors with access to an additional \$5 million of postpetition financing [Docket No. 579].

K. Helwani Litigation

Samar Helwani (the “Claimant”) alleges that prior to the Petition Date, in January 2011, the Claimant sustained injuries as a result of an accident involving a motor vehicle operated by an employee of the Debtors (the “Alleged Injury”). The Claimant sought to commence an action in state court in California with respect to the Alleged Injury (an “Action”), but the automatic stay created by section 362 of the Bankruptcy Code barred the Claimant from commencing the Action.

On October 9, 2012, the Debtors and the Claimant entered into a stipulation (the “Stay Stipulation”) to modify the automatic stay solely to permit the Claimant to commence and prosecute an Action against the Debtors solely to determine the Debtors’ liability and/or the Claimant’s damages, if any, with respect to the Alleged Injury, and collect from available

insurance proceeds payable as a result of such liability or settlement of such prospective liability. The Stay Stipulation provides that the Claimant's right to collect on or enforce a judgment, settlement, claim, or award, if any, arising from resolution of an Action is limited in that Claimant may not collect or enforce a judgment, settlement, claim, or award, if any, arising from resolution of an Action against assets (other than insurance policies) of the Debtors. The Stipulation further provides that the Claimant may not file a proof of claim in any of the Chapter 11 Cases for any judgment, settlement, claim, or award, if any, arising from resolution of an Action. On November 5, 2012, the Bankruptcy Court entered the *Stipulation and Agreed Order Granting Samar Helwani Limited Relief from the Automatic Stay* [Docket No. 407], thereby approving the Stipulation.

L. ~~K.~~ **Exit Financing**

On May 31, 2013, the Debtors filed a motion (the "Exit Financing Motion") seeking, among other things, authority to enter into and perform under an engagement letter (the "Engagement Letter") related to certain exit financing arrangements [Docket No. 645]. The Engagement Letter was executed by the Debtors and Jefferies LLC ("Jefferies") and provides that Jefferies will act as sole and exclusive manager and placement agent or arranger, as the case may be, in connection with the arrangement of a senior secured term loan in an amount that the Debtors hope will exceed the face amount of Prepetition LP Obligations, the Prepetition Inc. Obligations, and the DIP Obligations (as all are defined in the Exit Financing Motion). Initially, the Engagement Letter contemplated that the LP Debtors' Estates would absorb 85 percent of the fees and costs associated with obtaining the exit financing. After the Ad Hoc LP Secured Group raised concerns about this provision of the Engagement Letter, the terms of the Engagement Letter were amended to provide that Harbinger would fund all of the up-front fees associated with the financing (which are anticipated to be up to approximately \$80 million) and that LightSquared Inc., and not LightSquared LP, would be a party to the Engagement Letter. On June 7, 2013, the Bankruptcy Court entered an order authorizing the Debtors to enter into an amended Engagement Letter [Docket No. 667]. The Plan Sponsors understand that Jefferies initially attempted to raise financing for an approximately \$3 billion new senior secured loan. The Plan Sponsors further understand that after failing to secure committed financing for the full amount, Jefferies ultimately adjusted certain terms of the proposed raise, including reducing the amount to approximately \$1.3 billion with an addition \$400 million potentially available later on. The Plan Sponsors believe that the Debtors did not proceed with such financing due to, among other things, the proposed fees associated with the financing.

M. ~~L.~~ **Postpetition FCC Developments**

Subsequent to the Petition Date, the Company initiated ~~a number of five~~ additional proceedings before the FCC in an effort to ~~resolve the difficulties that had been encountered, the specific intent of which was to allow the Company to~~ avoid and/or resolve all outstanding GPS incompatibility and interference concerns. ~~Specifically, the Company contemplated~~ The proceedings were designed to put into effect a frequency configuration for the Company's use that would involve pairing ~~1020~~ MHz of its existing uplink L-Band spectrum with a newly created 10 MHz downlink channel located outside of the L-Band that would be comprised of both (a) 5 MHz of existing leased spectrum in the 1670—1675 MHz band held by Debtor One Dot Six Corp. and (b) 5 MHz of spectrum currently held by existing federal government users,

including the National Oceanic and Atmospheric Administration (“NOAA”), that the Company has requested to share with the incumbent users. ~~The Company would also have an additional existing 10 MHz L-Band channel available for uplink operations. As a whole, this set of proposals to the FCC would give the Company access to a total of 30 MHz of spectrum for terrestrial use. These applications to the FCC~~This uplink spectrum also could be paired with the lower 10MHz of downlink once outstanding GPS incompatibility concerns are resolved with the band pursuant to an FCC rulemaking that the Company requested. The Company’s postpetition applications also included a permanent relinquishment of an offer to permanently relinquish the Company’s authority to use the upper 10 MHz of L-Band downlink~~L-Band spectrum channel for terrestrial use and further asked the FCC to examine conditions under which the lower 10-MHz downlink L-Band spectrum channel could be used sometime in the future for terrestrial use.~~spectrum for terrestrial use if access to the 1675—1680 MHz band for terrestrial use is granted. The FCC has placed these requests on public notice and received comments from interested parties, including arguments from the GPS community that, argue that in, in addition to the asserted problems with the terrestrial use of the Company’s downlink frequencies, terrestrial use of the Company’s L-Band uplink frequencies, too, was problematic and could cause harmful out-of-band-emissions into GPS receivers. Except for providing the Company with an experimental license and granting a stay on the Company’s buildout obligations, the FCC has not taken final action in any of these proceedings.

~~In~~More specifically, in the first proceeding, which was initiated by a Request for Action filed on September 24, 2012, the Company requested confirmation that the initial buildout milestone requirements that the FCC had imposed on it in 2010 no longer applied to it, in light of the events that had transpired since then which had prevented the Company from moving forward with its terrestrial network. Under those buildout requirements, the Company would have been obligated to have a terrestrial wireless system capable of serving at least 100 million customers in place by December 31, 2013. ~~Although a few parties submitted comments raising possible concerns principally of a procedural nature, there were no real substantive objections to the Company’s request, and, on~~On December 20, 2012, the FCC issued an order tolling all of the buildout requirements that had previously been imposed in 2010, pending further action in other proceedings.

In the second proceeding, the Company formally requested that its license be modified to ~~allow it~~surrender the upper 10 MHz of its L-Band downlink, submit the issue of its use of the lower 10 MHz of its downlink to a rulemaking to address remaining GPS incompatibility concerns, and allow the Company to operate in the 1675—1680 MHz band. The Company outlined plans to use the 1675-1680 MHz band with the adjacent 1670-1675 band, the rights to which the Company had already leased from Crown Castle. The license modification request was filed on September 28, 2012 and was placed on public notice by the FCC on November 17, 2012. The application was predicated on the assumption that NOAA, the current user of this spectrum, would be able to relocate a substantial portion of its use to another frequency band.—~~The application also argued that NOAA and the Company could develop a workable sharing arrangement with respect to any remaining use of this frequency band. As part of this filing, the Company further indicated that, if this license modification were approved, the Company would then be willing to permanently relinquish its authority to use the upper 10 MHz of downlink L-bank spectrum that had resulted in the most significant levels of interference with GPS users.—~~

~~A large number of comments were filed on the license modification request, including several in support of the Company's request that were submitted by the Company's customers and other supporters. A small number of comments more critical of the request were also submitted, again focusing on primarily procedural rather than substantive concerns. The Company's or share the 1675—1680 MHz band with the Company. In its comments, the GPS community argued that terrestrial use of the Company's L-Band uplink frequencies would cause harmful out-of-band-emissions into GPS receivers. The Company has since submitted a technical analysis to the FCC in support of its respective position, and the GPS community has asked the FCC to undertake a rulemaking to address the issue. The license modification application is still request remains pending as of this time.~~

The license modification request was followed by a separate filing, made on November 2, 2012, which requested that the FCC initiate a rulemaking proceeding to amend the U.S. Table of Spectrum Allocations to add a primary allocation permitting non-Federal terrestrial mobile use of the 1675—1680 MHz band. ~~This rulemaking request was primarily intended to confirm that the change sought by the Company's license modification request would not in any way be inconsistent with the terms of the U.S. Table of Spectrum Allocations. The rulemaking request was placed on public notice on November 9, 2012. As in the case of the license modification request, it drew a small number of comments that again could be categorized as raising some procedural concerns but no substantive objections.~~ Such an allocation is necessary to ensure that the Company's use of the 1675—1680 MHz band is protected from other spectrum uses that might prove harmful. This rulemaking proceeding request is still pending ~~as of this time~~.

The fourth proceeding concerned the Company's request that the FCC initiate a rulemaking proceeding to develop operating parameters for terrestrial use of the ~~1526—1536-MHz portion of the L-Band that would then be reflected in revised technical rules. The rules would both provide for a transitional period that could allow terrestrial use of the lower 10 MHz of the Company's L-Band downlinkuplink spectrum at 1526—1536 MHz in a manner that would ensure further compatibility with GPS receivers and establish a timetable, based on the record in the proceeding, that would ultimately permit the Company robust commercial terrestrial use of this band.~~ 1536 MHz. This request, which was filed on the same date as the license modification request, was placed on public notice by the FCC on November 17, 2012. ~~This request also drew a small number of comments, with no substantive opposition articulated to the FCC commencing such a proceeding.~~ This rulemaking proceeding request is still pending ~~as of this time~~.

The fifth and final proceeding concerned the Company's request for an experimental license, filed with the FCC on March 5, 2013, for the purpose of ascertaining (a) the technical compatibility of fixed commercial wireless base stations in the 1675—1680 MHz band with existing spectrum operations in and around that frequency range, and (b) the technical compatibility of radiosonde operations in the 400.15—406 MHz band with existing spectrum operations in and around that frequency range. These technical compatibility studies are directly related to the prior license modification application that the Company had filed on September 28, 2012, and are to be conducted in close coordination with NOAA and the NTIA, both agencies within the U.S. Department of Commerce. The FCC granted the Company's request on April 29, ~~2013. The license is valid through~~ 2013 and renewed the Company's experimental authority on July 20, 2013.

~~In addition to the five (5) proceedings initiated by the Company directly, there is one other proceeding pending at the FCC that is relevant to the Company's plans. There is a separate proceeding which concerns the substantial service requirements imposed on Crown Castle, which is the company from which Debtor One Dot Six Corp. is currently leasing the 1670—1675 MHz block of spectrum, which is directly adjacent to the 1675—1680 MHz block of spectrum that the Company is now seeking authorization to use as well. The substantial services requirements imposed on that spectrum by the FCC, which are similar in nature to the buildout requirements that had been imposed on the Company, would require that the spectrum be placed in "substantial service" by October 2013. Crown Castle filed a request with the FCC on October 9, 2012 which was placed on public notice on November 5, 2012 to extend this substantial service requirement for up to three (3) years. No comments were filed on that application and it is still pending before the FCC.~~

The Company's plans to secure timely use of the 1675—1680 MHz band remain dependent on the FCC's ability to ~~allocate~~provide the Company with access to such spectrum ~~for the Company's use~~ without material constraints. However, the FCC's ability to ~~de-allocate that spectrum~~ may have been called into question when the White House, on April 10, 2013, proposed in its annual budget request to Congress for Fiscal Year 2014 that the FCC be directed to "either auction or use fee authority to assign spectrum frequencies between 1675—1680 MHz for wireless broadband use by ~~2017,~~ which was further 2017." That direction was predicated on the expectation that the auction or use fee authority would raise \$300 million in receipts while incurring \$70 million in relocation costs, leaving net savings of \$230 million over a ten (10) year period.

Another proceeding pending at the FCC is also relevant to the Company's plans as it affects the Company's ability to use the 1670—1675 MHz spectrum segment. That proceeding concerns the substantial service requirement imposed on Crown Castle, which is the company from which Debtor One Dot Six Corp. is currently leasing the 1670—1675 MHz block of spectrum. The substantial services requirement imposed on that spectrum by the FCC requires that the spectrum be placed in "substantial service" by October 1, 2013. If the FCC finds that spectrum was not placed in "substantial service" by that date, Crown Castle's authorization to use the spectrum (and so too the Company's rights under its lease from Crown Castle) will terminate. Crown Castle filed a request with the FCC on October 9, 2012, which was placed on public notice on November 5, 2012, to extend this substantial service requirement for up to three (3) years. This request was predicated upon a claim that, until the FCC acted on the issues of whether and how the Company could move forward with deploying its terrestrial network, neither the Company nor Crown Castle could effectively deploy broadband or other advanced services in the spectrum. The FCC has not acted on the Crown Castle extension request.

In the interim, Crown Castle filed with the FCC on August 23, 2013 an ex parte submission disclosing its intent to satisfy the substantial service requirement by constructing a mobile video network that would utilize its block of spectrum. On September 30, 2013, Crown Castle submitted to the FCC a notification that it had satisfied the construction and substantial service requirement and an application to extend the term of its license so that it would expire on October 1, 2023. On September 30, 2013, One Dot Six also submitted to the FCC a request for

[an extension of the long term *de facto* transfer spectrum lease from Crown Castle to One Dot Six with respect to the 1670—1675 MHz block of spectrum licensed to Crown Castle.](#)

N. ~~M.~~ **Exclusivity**

The Debtors' initial Exclusive Filing Period and Exclusive Solicitation Period were set to expire on September 11, 2012 and November 10, 2012, respectively. On August 29, 2012, the Debtors filed a motion seeking to extend the Exclusive Filing Period and Exclusive Solicitation Period for an additional one hundred fifty (150) days to February 8, 2013 and April 9, 2013, respectively (the "First Exclusivity Motion") [Docket No. 294]. The First Exclusivity Motion was objected to by the Ad Hoc LP Secured Group and a contested hearing was scheduled to take place before the Bankruptcy Court. However, at a hearing on October 1, 2012 addressing the First Exclusivity Motion, the Debtors and the Ad Hoc LP Secured Group resolved all objections, and the Ad Hoc LP Secured Group consented to a 141-day extension of the Exclusive Filing Period and the Exclusive Solicitation Period through January 31, 2013 and April 1, 2013, respectively. Later on October 1, 2012, the Bankruptcy Court entered an order granting the 141-day extension of the Exclusive Periods (the "First Exclusivity Order") [Docket No. 343].

On January 17, 2013, the Debtors sought a further extension of their Exclusive Periods, seeking an extension of their Exclusive Filing Period to May 31, 2013 and their Exclusive Solicitation Period to July 30, 2013 (the "Second Exclusivity Motion") [Docket No. 485]. The Second Exclusivity Motion was also objected to by the Ad Hoc LP Secured Group. Following continuances of the hearing on the Second Exclusivity Motion, the Debtors and the Ad Hoc LP Secured Group entered into a stipulation (the "Exclusivity Stipulation") that was subsequently approved by order of the Bankruptcy Court (the "Second Exclusivity Order") [Docket No. 522]. Pursuant to the Exclusivity Stipulation, each of the Debtors' Exclusive Periods was further extended through and including July 15, 2013 (the "Exclusivity Termination Date"), and the Exclusive Periods would terminate with prejudice on the Exclusivity Termination Date. Pursuant to the Exclusivity Stipulation, the parties agreed to work in good faith toward the formulation of a consensual chapter 11 plan prior to the Exclusivity Termination Date, and the Debtors agreed, among other things, that they would not file a plan prior to the Exclusivity Termination Date unless such plan was either consented to by the Ad Hoc LP Secured Group or proposed to pay the Prepetition LP Obligations (as defined in the Exclusivity Stipulation) in cash in full on the effective date of such plan. The Exclusivity Stipulation also contained certain termination conditions that would enable the Debtors to terminate certain of their obligations under the Exclusivity Stipulation, including if an entity or Person held more Prepetition Obligations than the Ad Hoc LP Secured Group (the "Termination Condition").

By letter dated May 20, 2013 (the "May 20 Letter"), the Debtors purported to terminate certain of their obligations under the Exclusivity Stipulation, alleging that the Termination Condition was satisfied. The Ad Hoc LP Secured Group disputed the validity and effect of the May 20, 2013 Letter. On June 18, 2013, the Ad Hoc LP Secured Group filed an emergency motion seeking to enforce the Second Exclusivity Order (the "Emergency Enforcement Motion") [Docket No. 685]. In the Emergency Enforcement Motion, the Ad Hoc LP Secured Group argued that the Termination Condition was not satisfied when the May 20 Letter was issued (or at any time thereafter) and that the entity the Debtors claimed held more Prepetition LP Obligations than the Ad Hoc LP Secured Group (SP Special Opportunities, LLC), joined the Ad

Hoc LP Secured Group. On July 1, 2013, the Debtors filed an objection and cross-motion to the Emergency Enforcement Motion (to which Harbinger, U.S. Bank, and Mast Capital Management, a lender under the Prepetition Inc. Facility, joined) [Docket Nos. 705–07]. In the objection, the Debtors argued, among other things, that SP Special Opportunities, LLC’s participation in the Debtors’ capital structure rendered the Exclusivity Stipulation unenforceable and that SP Special Opportunities, LLC is not a permissible holder of Prepetition LP Obligations. To resolve this dispute, the Bankruptcy Court scheduled an evidentiary hearing for July 17, 2013. On the same date, the Bankruptcy Court adjourned the evidentiary hearing to August 6, 2013 but confirmed that the Debtors’ Exclusive Periods expired on July 15, 2013.

~~N. Plan-Process Motion~~

O. Falcone Settlement With The SEC

As of the Petition Date, Harbinger indirectly owned approximately 96% of the outstanding common stock of LightSquared Inc., the ultimate parent company of LightSquared LP. On August 16, 2013, Philip A. Falcone, the Senior Managing Director and Chief Investment Officer of Harbinger, both individually and on behalf of certain Harbinger entities, consented to the entry of a final judgment in resolution of two lawsuits filed by the SEC. Pursuant to the consent judgment, Falcone admitted to, among other things, impermissibly manipulating the availability of certain securities, misappropriating \$113.2 million from a hedge fund for which he served as an investment adviser, and impermissibly restricting redemption rights of certain fund investors while concealing his own preferential redemption rights. The consent judgment enjoins Falcone from acting as or associating with any broker, dealer, or investment adviser for five years (at which point he can reapply with the SEC), orders the defendants to pay disgorgement and civil penalties, and orders the appointment of an independent monitor to oversee the investment activities of the Harbinger funds—including the disposition of the funds’ interests in the Company following LightSquared Inc.’s emergence from bankruptcy.

P. The Harbinger Complaint Against Charles W. Ergen and Others

Approximately two weeks following execution of the Plan Support Agreement and the filing of the initial version of the Plan, on August 6, 2013, Harbinger commenced an adversary proceeding (the “Harbinger Adversary Proceeding”) against Charles W. Ergen, EchoStar Corporation (“Echostar”), DISH Network Corporation (“DISH”), LBAC, SPSO, Special Opportunities Holdings LLC (“SOH”), Sound Point Capital Management LP, and Stephen Ketchum. In the complaint, which was subsequently amended on September 30, 2013, Harbinger alleges that in connection with LBAC’s offer to purchase the LP Assets, Ergen and certain of his affiliates engaged in a fraudulent scheme to deprive Harbinger of its investment in and control over the Company. According to Harbinger, this alleged scheme was allegedly perpetrated by having SPSO acquire debt under the Prepetition LP Credit Facility allegedly in violation of the Prepetition LP Facility Credit Agreement’s restrictions on transfers of debt to “Disqualified Companies.” Harbinger seeks, among other things, compensatory damages of no less than \$2 billion, punitive damages of no less than \$2 billion, and the equitable disallowance of all or part of SPSO’s claims. The Debtors, U.S. Bank and Mast Capital Management, LLC (“MAST”), and the Ad Hoc LP Secured Group intervened in the litigation.

On September 9, 2013, DISH, Echostar, and LBAC (the “DISH/Echostar Defendants”) moved to dismiss the complaint on the grounds that, among others, no plausible claim had been asserted against any of them and that the allegations against them did not concern anything that they had said or done or failed to do but rather rested upon “unsubstantiated speculation that the DISH/Echostar Defendants were somehow responsible for the acts and omissions of SPSO.” On that same date, Ergen, SPSO, and SOH (the “Ergen Defendants”) moved to dismiss the complaint, claiming, among other things, that the lawsuit was brought to discredit LBAC’s efforts to acquire the LP Assets and that the case “is Harbinger’s, and Mr. Falcone’s, last-ditch effort to retain control of LightSquared, at the expense of all other constituents in the bankruptcy cases.” The Ergen Defendants also emphasized, among other things, that SPSO was not a Disqualified Company under the Prepetition LP Facility Credit Agreement. Also on September 9, 2013, Sound Point Capital Management LP and Stephen Ketchum (the “Sound Point Defendants”) moved to dismiss the complaint, noting, among other things, that the claims asserted against them were derivative of claims against the Ergen Defendants and since those claims were not viable, the claims against the Sound Point Defendants must also fail. Following the filing of the amended complaint by Harbinger on September 30, 2013, each of the DISH/EchoStar Defendants, Ergen Defendants and Sound Point Defendants filed memoranda of law in further support of their respective motions to dismiss.

The Bankruptcy Court has scheduled hearings on the motions to dismiss for October 29, 2013. The Bankruptcy Court has also scheduled a trial on the merits, to the extent necessary, for December 2, 2013.

Q. **The Harbinger Complaint Against the GPS Defendants**

On August 9, 2013, Harbinger filed a complaint, which was subsequently amended on August 16, 2013 (the “GPS Complaint”) in the United States District Court for the Southern District of New York against Deere & Company, Garmin International, Inc., Trimble Navigation Limited, the U.S. GPS Industry Council, and The Coalition to Save Our GPS (the “GPS Defendants”). In the GPS Complaint, Harbinger accuses the GPS Defendants of fraud, securities law violations, misrepresentation, and deceptive acts and practices, and seeks \$1.9 billion in damages. Parties to this litigation have filed letters outlining their positions in respect of a potential motion to dismiss the GPS Complaint that the defendants indicated they intended to file. On September 30, 2013, the Debtors filed a motion (the “Stay Motion”) in the Bankruptcy Court to stay the litigation against the GPS Defendants for a period of sixty (60) days or until a time earlier than sixty (60) days if the Court grants a motion to lift the stay [Docket No. 888]. The Bankruptcy Court has scheduled a hearing on the Stay Motion for October 9, 2013.

As LightSquared observed in the Stay Motion, “there is a substantial question whether the claims asserted by Harbinger in the GPS [Complaint] are, in whole or in part, claims LightSquared also holds or owns,” and that any claims of LightSquared against the GPS Defendants are property of its bankruptcy estate. As such, the filing of the GPS Complaint is potentially a violation of the automatic stay.

In addition, the filing of the GPS Complaint may have further entrenched the GPS community’s opposition to the Debtors’ L-Band operations. Following the filing of the GPS Complaint, certain GPS manufacturers and other industry representatives filed further comments

in opposition to the Debtors' requested license modification. The continuing objections of the GPS community, as evidenced both in their formal comments and ex parte presentations to the FCC, at the very least, are highly likely to introduce substantial additional delay in the Debtors' FCC process.

R. The Competing Plans and Disclosure Statements

On July 19, 2013, the Debtors filed a motion for entry of an order formalizing certain procedures, scheduling hearing dates, and establishing other deadlines in connection with the disclosure statement and plan process (the "Plan Process Motion") [Docket No. 757]. The Plan Process Motion ~~seeks~~sought to establish a proposed timeline (the "Proposed Timeline") of hearing dates and other relevant deadlines in respect of the filing of a disclosure statement and plan by any party, and a potential sale process. ~~The Plan Process Motion contemplates, among other things, a disclosure statement hearing on October 3, 2013, a plan confirmation hearing on December 16, 2013, and an auction for the sale of certain of the Debtors' Assets to be completed by December 12, 2013. The Proposed Timeline also provides that a party must file a plan and disclosure statement by September 3, 2013.~~ A hearing on the Plan Process Motion ~~is scheduled for July 23, 2013~~ [Docket No. 759]. was held on July 23, 2013 and the Bankruptcy Court entered an order granting the Plan Process Motion on July 24, 2013 (the "Plan Process Order") [Docket No. 772]. Pursuant to the Plan Process Order, a hearing to consider approval of disclosure statements would be held on September 30, 2013 and a hearing on confirmation of chapter 11 plans would be held on December 10, 2013.

Also on July 23, 2013, the Ad Hoc LP Secured Group filed an earlier version of this Disclosure Statement and the initial version of the Plan. Later, on August 26, 2013, the Ad Hoc LP Secured Group exclusive of SPSO (the "Independent Ad Hoc Group") filed a motion for entry of an order that, among other things, (i) approves the Disclosure Statement, (ii) fixes a voting record date, (iii) approves solicitation packages and procedures for distribution thereof, and (iv) approves forms of ballots and establishing procedures for voting on the Plan.

On August 29, 2013, the Debtors filed a general disclosure statement (the "General Disclosure Statement") [Docket No. 815], which sets forth, among other things, the Debtors' views regarding their businesses and operations and events leading up to the Debtors' bankruptcy filing.

On August 30, 2013, three other plans of reorganization were filed: one by the Debtors (the "Debtors' Plan") [Docket No. 817]; another by Harbinger (the "Harbinger Plan") [Docket No. 821]; and a third by U.S. Bank and Mast (the "One Dot Six Plan," and together with the Debtors' Plan and the Harbinger Plan, the "Competing Plans") [Docket No. 823].

On August 30, 2013, the Debtors filed a specific disclosure statement for the Debtors' Plan (the "Debtors' Specific DS") [Docket No. 818], the Harbinger Plan proponents filed a specific disclosure statement for the Harbinger Plan (the "Harbinger Specific DS") [Docket No. 822], and the One Dot Six Plan proponents filed a specific disclosure statement for the One Dot Six Plan [Docket No. 824], each of which further describes the respective Competing Plans.

1. The Debtors' Plan and Disclosure Statements

The Debtors' Plan is premised on a sale of substantially all of the Debtors' Assets (including combinations and/or subsets thereof) pursuant to the Auction under the Bid Procedures. The Debtors' Plan, however, does not at this time have in place a stalking horse bidder (unlike the Plan Sponsors' Plan, which is backed by the LBAC Bid of \$2.22 billion in cash plus the assumption of certain material liabilities).

The Plan Sponsors believe that the Debtors' Plan is inferior to their own Plan. In contrast to the Debtors' Plan, which does not currently have any stalking horse bidder in place for its contemplated sale of Debtor Assets, the Plan Sponsors' Plan is supported by the LBAC Bid and LBAC's agreement to fund the Purchase Price prior to receipt of FCC or Industry Canada approval of the proposed transfer of the Acquired Assets to LBAC. This "early funding" feature will expedite the prompt distributions, as compared with the Debtors' Plan.

With respect to disclosure, the Plan Sponsors disagree with many of the statements included within the General Disclosure Statement and believe the General Disclosure Statement omits facts necessary for parties to make an informed decision with respect to voting on the Plan and Competing Plans. For example, the General Disclosure Statement fails to include any or sufficient discussion of, among other things: (i) allegations that the uplink portion of the Debtors' spectrum may potentially interfere with GPS operations; (ii) the analysis of the GPS industry submitted to the FCC challenging the Debtors' assertions that there is no such interference; (iii) the recent request of the GPS industry that the FCC undertake a separate rulemaking proceeding to consider the issue in greater depth (as described in the section of this Disclosure Statement entitled "The Chapter 11 Cases – Postpetition FCC Developments"); (iv) Crown Castle's construction of a mobile video network that will use certain spectrum in the 1670—1675 MHz block and the network's potential impact on the Debtors' business operations; or (v) the specific terms of the purchase offer for the LP Debtors' Assets received by the Debtors by LBAC and the Debtors' response thereto. Additionally, the Plan Sponsors disagree with the Debtors' inclusion of many statements that they believe are misleading or reflect a biased perspective. For example, the Plan Sponsors disagree with the Debtors' characterization of the current status of the regulatory process. Unlike the Debtors, the Plan Sponsors do not believe that the focus of the U.S. government has "shifted from indefinitely suspending LightSquared's terrestrial authorizations" or that the Debtors have made "substantial and tangible regulatory process since the issuance of the 2012 Public Notice and commencement of the Chapter 11 Cases." In light of their views of the adequacy of the General Disclosure Statement, the Plan Sponsors have prepared this Disclosure Statement for use and consideration in respect of their Plan.

The Plan Sponsors also believe that the Debtors' Specific DS is inadequate. The Plan Sponsors believe that the Debtors' Specific DS fails to contain an adequate explanation of the basis for the Debtors' Plan's, and the Debtors' historical, allocation among the different estates of certain administrative claims and other expenses.

2. The Harbinger Plan and Disclosure Statement

The Harbinger Plan is premised on the continued pursuit of FCC regulatory approvals (through June 30, 2014 if necessary) and keeping common equity and the Debtors' boards of directors mostly intact. The Harbinger Plan purports to pay all holders of claims and equity interests will be paid in full through the distribution of cash (including the Debtors' existing cash and the proceeds of an exit facility and a capital contribution by Harbinger) and new secured notes issued by LightSquared Inc. and LightSquared LP and new unsecured notes issued by LightSquared Inc. Following these transactions, the Debtors would continue to exist as separate entities under their prepetition corporate structure.

The Harbinger Plan is proposed to be financed under three separate facilities. First, Harbinger proposes to obtain exit financing under an exit credit facility (the "Exit Facility") in an amount sufficient (when combined with existing cash) to satisfy all cash obligations due on the Harbinger Plan's effective date, including payment in full of claims under the Prepetition Inc. Credit Facility (the "Prepetition Inc. Facility Claims"), certain secured and priority claims, and general unsecured claims. Harbinger anticipates that the Exit Facility will be in the amount of at least \$500 million and will share a first lien on all of the Debtors' Assets with holders of new secured notes issued by LightSquared LP. Second, LightSquared LP proposes to obtain a term loan maturing three years from the Harbinger Plan's effective date and secured by liens on substantially all of the Assets of the LP Debtors and LightSquared Inc., LightSquared Investors Holdings Inc., One Dot Four Corp., One Dot Six Corp., One Dot Six TVCC Corp., SkyTerra Rollup LLC, SkyTerra Rollup Sub LLC, SkyTerra Investors LLC, TMI Communications Delaware, Limited Partnership and LightSquared GP Inc. (collectively, the "Inc. Debtors"), and their subsidiaries, *pari passu* with the liens securing the Exit Facility and senior to all other liens. The proposed new notes (the "New LP Facility Notes") which are alleged to satisfy in full claims under the Prepetition LP Facility, would provide for interest at a lower rate than provided in the Prepetition LP Facility and would be payable in kind. Last, the Harbinger Plan proposes that LightSquared Inc. will obtain a subordinated loan in the amount of \$573 million, backed by unsecured six-year notes bearing 14% interest that will be used to pay holders of existing preferred stock in LightSquared Inc. and LightSquared LP.

The Harbinger Plan also contemplates that additional funds will be received through (i) Harbinger's voluntary exchange of \$159 million of its Prepetition Inc. Facility Claims into new common stock in LightSquared Inc. and (ii) a rights offering for \$100 million in cash backstopped by Harbinger (the "Rights Offering"). In exchange for backstopping the Rights Offering, Harbinger would receive an indeterminate amount of new common stock of LightSquared Inc. and new warrants.

The Plan Sponsors believe that the Harbinger Plan is unconfirmable, and, if confirmed, is unfavorable to holders of Claims against and Equity Interests in the LP Debtors. The Harbinger Plan provides for treatment of the Prepetition LP Facility Claims that the Plan Sponsors – which control Class 2 (Prepetition LP Facility Security Claims) of the Harbinger Plan – would never accept. Accordingly, the Harbinger Plan will not be able to satisfy section 1129(a)(8) of the Bankruptcy Code, which provides that a requirement for a confirmable plan is that "With respect to each class of claims or interests—(A) such class has accepted the plan; or (B) such class is not impaired under the plan." Harbinger's failure to satisfy section 1129(a)(8) of the Bankruptcy

Code could be overlooked if the Bankruptcy Court chooses to non-consensually confirm the Harbinger Plan; however, the Plan Sponsors believe that the standard for non-consensual confirmation – generally, that the treatment of an impaired rejecting classes is in fact “fair and equitable” – would not be close to being satisfied under the Harbinger Plan. For example, the Plan Sponsors believe that the New LP Facility Notes are not the indubitable equivalent of the Prepetition LP Facility Claims given, among other things, the notes’ sub-market interest rate and the disregarding and stripping of the covenants included in the Prepetition LP Facility Credit Agreement. Without acceptance of the Harbinger Plan by the class of LP Lenders, the Harbinger Plan cannot satisfy section 1129(a)(10) of the Bankruptcy Code absent the existence of some other impaired accepting class of creditors. However, the Plan Proponents believe that no other acceptable class exists since all other impaired creditor classes under the Harbinger Plan appear to be impermissibly artificially impaired. Moreover, the Harbinger Plan simply is not feasible because, among other reasons, its effectiveness is subject to remote contingencies (such as obtaining FCC authorizations) that the Plan Sponsors believe are unlikely to occur within any reasonable timeframe.

The Plan Sponsors also believe that the Harbinger Specific DS fails to contain adequate information. For example, the Harbinger Specific DS does not include, among other things, (i) discussion of the steps necessary and expected timeline for obtaining the FCC approvals contemplated as conditions precedent to the Harbinger Plan’s effective date, (ii) discussion of how Harbinger expects to raise the financing necessary for consummation of its plan and how the efforts to raise such financing will differ from the Debtors’ failed financing efforts through Jefferies, (iii) the documentation for, or even a complete statement of the terms and conditions of, the New LP Facility Notes, the Exit Facility, the Rights Offering, and the New Warrants (as defined in the Harbinger Plan), or (iv) discussion of what would occur if the conditions precedent to the effectiveness of the Harbinger Plan are not met before or on June 30, 2014. Likewise, the Plan Proponents believe that the Harbinger DS fails to reference numerous risk factors that apply with respect to the Harbinger Plan including, among others, that (i) the FCC may not provide the necessary authorizations, which are conditions precedent to the effectiveness of the Harbinger Plan, (ii) Harbinger’s claims that would otherwise be exchanged into New Common Shares (as defined in the Harbinger Plan) could be subject to recharacterization, (iii) Melody Capital Advisors LLC’s supposed \$190 million commitment to the Exit Facility (as described in the Harbinger Specific DS) may be illusory, (iii) strategic options may be diminishing and demand for the Debtors’ Assets may be declining given changing industry dynamics, particularly recently announced or closed transactions in the wireless spectrum with parties that may have had an interest in the Debtors’ Assets and the expected increase in the supply of spectrum in the coming years, (iv) if the contemplated FCC approvals are not obtained that the Debtors may not be able to sell their Assets for as much as they would realize pursuant to the Auction (as defined below), or (v) the cash flow projections included within the Harbinger Specific DS may not be realized.

3. The One Dot Six Plan

The One Dot Six Plan provides for the sale of certain Assets of Debtor One Dot Six Corp. to a purchaser through a court-supervised auction process. MAST Spectrum Acquisition Company LLC (“MSAC”), an entity formed by MAST, will serve as the stalking horse bidder for certain of One Dot Six Corp.’s Assets with a bid consisting of (i) a credit bid of all of its

claims under the DIP Facility and \$1 of its claims under the Prepetition Inc. Credit Facility and (ii) cash sufficient to pay in full all classes of claims receiving such treatment under the One Dot Six Plan. The proceeds of the sale will be distributed to holders of claims against that Debtor. Following the effective date of the One Dot Six Plan, One Dot Six Corp. would commence a wind down process.

4. Entry of Disclosure Statement Order

On October [9], 2013, the Bankruptcy Court entered an order authorizing the solicitation of the Plan using this Disclosure Statement and authorizing the solicitation of the Debtors' Plan, the Harbinger Plan and the One Dot Six Plan using the General Disclosure Statement and each specific disclosure statement prepared by the respective plan proponent [Docket No. _____].¹⁶

S. Debtors' Appointment of Independent Board

In their specific disclosure statement, the Debtors indicated that they would be appointing a special board committee (the "Independent LightSquared Committee"), including at least two independent board members (the "Independent Directors") who will represent a majority of the Independent LightSquared Committee, to oversee, among other things, the sale- and plan-related processes. On September 16 and 17, 2013, the Debtors elected Donna P. Alderman, Alan J. Carr, and Neal P. Goldman to serve as Independent Directors. In addition, the Debtors appointed Douglas Smith and David Murgio as non-voting, *ex officio* members of the special board committee. On September 19, 2013, the special committee retained Kirkland & Ellis LLP as legal counsel.

In the Omnibus Reply of the Independent Ad Hoc Secured Group of LightSquared LP Lenders to Bid Procedures Objections (the "Reply") [Docket No. 863], the Independent Ad Hoc Group objected to the appointment of Donna P. Alderman, Douglas Smith and David Murgio. Ms. Alderman's appointment was objectionable due to her contentious history with DISH. Specifically, Ms. Alderman worked at DBSD North America, Inc. ("DBSD") and participated in fighting DISH's bid for DBSD, resulting in DISH increasing its bid to acquire DBSD. In connection with the acquisition, Ms. Alderman was terminated by DBSD and then filed a \$7 million claim for substantial contribution against the DBSD estates, to be funded by DISH. Ms. Alderman subsequently signed a release in favor of DISH and DBSD as part of a settlement agreement. Mr. Smith and Mr. Murgio are existing members of the LightSquared Inc. board and were appointed by Harbinger and the Independent Ad Hoc Group believes their inclusion on the Independent LightSquared Committee represented a problematic conflict that the Independent LightSquared Committee was intended to eradicate.

At a hearing before the Bankruptcy Court on September 24, 2013, the Debtors announced that Mr. Smith and Mr. Murgio agreed not to sit as *ex officio* members on the Independent LightSquared Committee. At the same hearing, the Bankruptcy Court found that, due to her prior relationship to a party that is an active participant in this case (i.e., DISH), Ms. Alderman was not an appropriate selection for the Independent Committee. As a replacement for Ms. Alderman, Christopher T. Rogers was appointed to the Independent LightSquared Committee.

¹⁶.....[To be updated prior to solicitation date.]

The Independent LightSquared Committee is currently comprised of three Independent Directors—Mr. Carr, Mr. Goldman and Mr. Rogers.

I. ~~Θ~~-The LP Sale

1. Events Leading to the LP Sale

On May 15, 2013, the Debtors were presented with an offer by LBAC, ~~an entity wholly owned by Charles Ergen~~, to purchase certain Assets of LightSquared LP (the “Sale Offer”). The Sale Offer entailed an unsolicited stalking horse bid to purchase for \$2 billion certain of the LP Debtors’ Assets, including the licenses, authorizations, and agreements for the use of 46 MHz of L-Band MSS spectrum and certain other Assets. Notably, the funding of the purchase price offered by LBAC in connection with the Sale Offer was not conditioned on FCC or Industry Canada approval of the proposed transfer of the LP Debtors’ Assets to LBAC. ~~The Debtors chose to ignore the Sale Offer, and, instead, as described above, the Debtors decided to retain Jefferies to explore exit financing for a plan process~~ Plan Sponsors believe that the Debtors did not pursue LBAC’s offer or otherwise engage in negotiations with LBAC regarding a sale of the LP Debtors’ Assets, on the terms of the offer or otherwise. Instead, on May 31, 2013, the date LBAC’s offer was set to lapse, the Debtors expressed disappointment that LBAC’s bid did not include LightSquared Inc.’s Assets. On May 31, 2013, LBAC voluntarily and proactively extended such deadline.

2. ~~The Bid Procedures Motion~~ Information Regarding LBAC

LBAC is a limited liability company organized under the laws of Delaware with its principal place of business in Colorado. LBAC is a wholly-owned subsidiary of DISH, a potential competitor of the Debtors who has previously completed transactions in this sector. LBAC is an affiliate of SPSO, which is a member of the Ad Hoc LP Secured Group and a Plan Sponsor.

3. The LBAC Bid

LBAC’s obligations and the obligations of DISH with respect to the LBAC Bid are set forth in that certain Stalking Horse Agreement pursuant to which LBAC agreed to (i) pay a Cash purchase price of \$2,220,000,000 (the “Purchase Price”) for the Acquired Assets (as defined in the Independent Ad Hoc Group Bid Procedures) and (ii) assume certain material obligations of the LP Debtors. Payment of the Purchase Price is not conditioned on the receipt of FCC or Industry Canada approval of the proposed transfer of the Acquired Assets to LBAC. This “early funding” feature of the Stalking Horse Agreement will facilitate the making of prompt distributions to the holders of Prepetition LP Facility Claims (thereby cutting off the accrual of value-eroding interest) and other creditors. In addition, the Stalking Horse Agreement is conditioned upon provision of a customary Purchaser release and customary findings by the Bankruptcy Court in favor of Purchaser.

4. The Bid Procedures Motions

On August 28, 2013, the Independent Ad Hoc Group filed a motion (the “Independent Ad Hoc Group Bid Procedures Motion”) [Docket No. 809] seeking, among other things,

approval of proposed bid procedures (the “Independent Ad Hoc Group Bid Procedures”) and approval of LBAC as the Stalking Horse Bidder for the LP Assets and related stalking horse protections for the sale of the LP Assets and related stalking horse protections.

On September 10, 2013, MAST and U.S. Bank filed a motion [Docket No. 834] seeking, among other things, the approval of an entity established by MAST as the stalking horse bidder (the “One Dot Six Stalking Horse Bidder”) for the sale of certain of One Dot Six’s assets (the “One Dot Six Assets”) and the establishment of bid procedures for the sale of the One Dot Six Assets. Also on September 10, 2013, the Debtors filed a motion [Docket No. 835] seeking entry of an order that would, among other things, establish bid procedures (the “Debtors’ Bid Procedures”) and schedule a date and time for an auction.

On September 17, 2013, MAST and U.S. Bank filed a supplement to the One Dot Six Bid Procedures [Docket No. 844], which attached bid procedures agreed to by the Independent Ad Hoc Group (the “Joint Bid Procedures”). The Joint Bid Procedures contemplated a sale of substantially all of the Assets owned by the Debtors to one or more bidders, with LBAC serving as stalking horse bidder for the LP Assets and MSAC serving as stalking horse for the One Dot Six Assets.

5. On July __, 2013, the Ad Hoc LP Secured Group filed a motion seeking, among other things, approval of proposed bid procedures (the “Bid Procedures”) for the sale of substantially all of the LP Assets (the “Bid Procedures Motion”) [Docket No. __]. As further set forth in the Bid Procedures, if more than one Qualified Bid is received, the Ad Hoc LP Secured Group will conduct an auction for the Assets on _____, 2013 or a later date at the Ad Hoc LP Secured Group’s discretion. At the conclusion of the auction, if any, the Ad Hoc LP Secured Group will determine which bid is the highest or otherwise best offer for the LP Assets (the “Successful Bid”) and will present the Successful Bid to the Court for approval at the Confirmation Hearing. The individual or entity that has submitted the Successful Bid will be designated as the “Successful Bidder.” On _____, 2013, the Bankruptcy Court entered an order granting the Bid Procedures Motion (the “Bid Procedures Order”) [Docket No. __].¹⁵The Bid Procedures Order¹⁷

~~LBAC will serve as Stalking Horse Bidder in the LP Sale on the terms set forth in the Stalking Horse Agreement, and DISH Network Corporation (the “Parent Entity”) will guarantee LBAC’s performance of certain financial obligations under the Stalking Horse Agreement to the extent set forth therein. Under the Stalking Horse Agreement, LBAC will (i) pay a Cash purchase price of \$2,220,000,000 (the “Purchase Price”) for the Acquired Assets (as defined in the Bid Procedures) and (ii) assume certain liabilities of the LP Debtors. As was the case with LBAC’s initial Sale Offer, the Stalking Horse Agreement will not condition payment of the Purchase Price on receipt of FCC or Industry Canada approval of the proposed transfer of the Acquired Assets to LBAC. This “early funding” feature of the Stalking Horse Agreement will facilitate the prompt consummation of the Plan and the making of distributions thereunder.~~

¹⁵¹⁷ This section of the Disclosure Statement provides an overview of the Bid Procedures Order and ~~such overview~~ is qualified in its entirety by the terms of the Bid Procedures ~~contained in the Bid Procedures Motion and proposed form of order annexed thereto~~Order.

~~LBAC's bid (the "Stalking Horse Bid") will be subject to higher and better offers but, in no event, shall the aggregate consideration to be paid in excess of the Stalking Horse Bid be less than \$118,600,000. In addition, in accordance with the Bid Procedures, any competing offer shall be required to waive FCC or Industry Canada approval of the proposed transfer of the Acquired Assets as a condition to the funding of the purchase price thereunder.~~

~~In the event that the Stalking Horse Bid is not the Successful Bid, then pursuant to the Stalking Horse Agreement, LBAC would be entitled to a break-up fee in the amount of \$66,600,000 (i.e., 3% of the Purchase Price) and expense reimbursement in an amount equal to all of its out-of-pocket expenses, capped at \$2,000,000, incurred in connection with the transactions contemplated by the Stalking Horse Agreement.~~

~~Pursuant to sections 105(a), 1123(a)(5), 1123(b)(4), 1129(b)(2)(A), 1141, 1142(b), 1145 and 1146(a) of the Bankruptcy Code, the Confirmation Order shall (i) authorize the LP Debtors to, among other things, sell, assume, assign and/or transfer the LP Assets, subject to applicable law and the terms and conditions of the Asset Purchase Agreement, and take any and all actions necessary to consummate the LP Sale and (ii) authorize and direct the LP Debtors to execute the Asset Purchase Agreement (to the extent not executed as of the Confirmation Date).~~

At the September 24, 2013 hearing, the Independent Ad Hoc Group, MAST/U.S. Bank, and the Debtors agreed to adjourn consideration of the various bid procedures to September 30, 2013 to allow the parties to negotiate a global set of bid procedures. The parties agreed to a global set of bid procedures (the "Bid Procedures") prior to the September 30, 2013 hearing.

On October 1, 2013, the Bankruptcy Court entered an agreed form of order establishing the Bid Procedures (the "Bid Procedures Order") [Docket No. 892], a copy of which is annexed hereto as Exhibit "E". The Bid Procedures contemplate a sale of substantially all of the assets owned by the Debtors to one or more bidders. Pursuant to the Bid Procedures, LightSquared, through the Independent LightSquared Committee,¹⁸ in consultation with the Independent Ad Hoc Group, MAST/U.S. Bank, the Ad Hoc Group of LP Preferred Shareholders, and SIG Holdings (collectively, the "Stakeholder Parties") shall (i) determine whether any person is a Potential Bidder (as defined in the Bid Procedures), (ii) coordinate the efforts of Potential Bidders in conducting their respective due diligence investigations regarding the Debtors' businesses and Assets, (iii) receive offers from Qualified Bidders (as defined in the Bid Procedures), and (iv) negotiate any offer made to purchase Assets by a Qualified Bidder.

a. *Stalking Horse Bids and Related Protections*

The Bid Procedures provide that LBAC will serve as stalking horse bidder for the LP Assets. LBAC has submitted the LBAC Bid of \$2.22 billion in cash plus the assumption of certain material liabilities, the funding of which is not conditioned on FCC consent or Industry Canada approval, which bid is deemed a Qualified Bid under the Bid Procedures. LBAC is entitled to a break-up fee of \$51,800,000 (2 1/3% of the cash portion of the LBAC Bid), or any

¹⁸ For the avoidance of doubt, any decision to be made, or action to be taken, by LightSquared under the Bid Procedures, the Auction, and any resulting Sale, shall be made or taken at the direction of the Independent LightSquared Committee.

larger percentage that may be subsequently awarded to another stalking horse bidder selected by the Debtors, plus expense reimbursement of up to \$2,000,000.

The Bid Procedures further provide that MSAC will serve as stalking horse bidder for the One Dot Six Assets. MSAC has submitted a bid (the "MSAC Bid") in an amount equal to all obligations owing under the DIP Agreement, plus \$1.00 of obligations owing under the Prepetition Inc. Credit Agreement, plus cash in the amount necessary to satisfy those obligations under any plan of reorganization that are required to be paid in cash, plus certain cure costs and assumed liabilities, which bid is deemed a Qualified Bid under the Bid Procedures. MSAC is entitled to an expense reimbursement payable in accordance with paragraph 16(a) of the DIP Order, as amended, but is not entitled to a break-up fee.

The Bid Procedures also provide that LightSquared may, in consultation with the Stakeholder Parties, seek approval from the Bankruptcy Court to enter into an agreement with any Qualified Bidder to act as a stalking horse for all or any grouping or subset of the Debtors' Assets. LightSquared may, in consultation with the Stakeholder Parties and subject to the Bankruptcy Court's approval, grant such potential stalking horse bidder a break-up fee of up to 3% of the cash purchase price of the applicable Assets and a maximum expense reimbursement of up to \$2,000,000.

The Qualified Bid made by each stalking horse bidder (including LBAC and MSAC) plus the applicable bid protections offered to such stalking horse bidder will be the minimum Qualified Bid for the applicable Assets in the event of an auction (the "Baseline Bid").

b. *Participation Requirements*

Qualified Bidders must deliver their bids no later than November 20, 2013, at 5:00 p.m. (prevailing Eastern time) (the "Bid Deadline") in the form of an offer letter, which, among other things, specifies the Assets sought to be purchased. LightSquared may, after providing advance notice to the Stakeholder Parties, extend the Bid Deadline to a date not beyond November 25, 2013. All Qualified Bids (a) must be accompanied by a deposit into escrow equal to \$100,000,000 if for the LP Assets or any grouping or subset of the LP Assets and the Inc. Assets,¹⁹ or five (5) percent of the proposed purchase if solely for the Inc. Assets or any subset thereof; (b) may provide for forms of consideration that include cash or a combination of cash and other distributable forms of consideration; and (c) must exceed the aggregate consideration to be paid to the Debtors' estates by the applicable Baseline Bid plus \$50,000,000 if for the LP Assets or any grouping or subset of the LP Assets and the Inc. Assets, or the applicable Baseline Bid plus \$10,000,000 if solely for the Inc. Assets or any subset thereof.

c. *Auction*

If the Independent LightSquared Committee receives a Qualified Bid (other than the LBAC Bid or the MSAC Bid) prior to the Bid Deadline, LightSquared will conduct an auction (the "Auction") on November 25, 2013 at 10:00 a.m. (prevailing Eastern time). If the Bid

¹⁹ The "Inc. Assets" consist of all of the Assets of LightSquared Inc., LightSquared Investors Holdings Inc., SkyTerra Rollup LLC, One Dot Four Corp., One Dot Six Corp., SkyTerra Rollup Sub LLC, One Dot Six TVCC Corp., TMI Communications Delaware, Limited Partnership, LightSquared GP Inc., and SkyTerra Investors LLC.

Deadline is extended to November 25, 2013, the Auction shall be conducted on December 3, 2013 at 10:00 a.m. (prevailing Eastern time). The Auction may be adjourned by LightSquared, but shall not be adjourned beyond December 6, 2013.

At the conclusion of the Auction, the Independent LightSquared Committee, in consultation with the Stakeholder Parties, shall select the highest or otherwise best offer(s) for the applicable Assets. The second highest or otherwise best offer(s) shall remain irrevocable until the earlier of (a) sixty (60) days after the order approving the highest or otherwise best offer for the applicable Assets, or (b) the date the Debtors receive the purchase price for the applicable Assets. To the extent LBAC is the second highest or otherwise best offer, LBAC's offer shall remain irrevocable until the earlier of (a) sixty (60) days after the order approving the highest or otherwise best offer for the applicable Assets, or (b) February 15, 2014.

6. Alternative Sale

The Asset Purchase Agreement provides that, under certain circumstances and after Funding of the cash Purchase Price thereunder, the Purchaser (and, in limited circumstances, the Seller) may elect to pursue an "Alternative Sale" of the Acquired Assets to a third party. If an Alternative Sale is pursued, recoveries to stakeholders under the Plan will be unaffected. Further information about a possible Alternative Sale is set forth in Section 3.5 of the Asset Purchase Agreement and Exhibit "B" (*Alternative Sale Procedures*) thereto.

7. Inmarsat Cooperation Agreement

The Asset Purchase Agreement provides for the assumption and assignment to the Purchaser of, among other things, the Inmarsat Cooperation Agreement. Certain parties, including MAST and U.S. Bank, take the position that assumption and assignment of the Inmarsat Cooperation Agreement requires the consent of LightSquared Inc., a party to the contract, and that the LightSquared Inc. bankruptcy estate must be compensated with respect thereto. The Plan Sponsors disagree with this position and that any such compensation is due to the LightSquared Inc. bankruptcy estate. To the extent not resolved, the Plan Sponsors expect the issue to be determined by the Bankruptcy Court in connection with confirmation.

VII.

THE PLAN

As a result of the chapter 11 process and through the Plan, the Plan Sponsors expect that the LP Debtors' Estates will obtain a substantially greater recovery than if the LP Debtors' Assets had been liquidated under chapter 7 of the Bankruptcy Code. The Plan is annexed hereto as Exhibit "A" and forms part of this Disclosure Statement. The summary of the Plan set forth below is qualified in its entirety by the more detailed provisions set forth in the Plan.

A. **Resolution of Certain Inter-Debtor Issues**

1. ~~Substantive Consolidation of the LP Debtors for Purposes of Voting, Confirmation and Distribution~~ Non-Consolidation Plan

~~The Plan provides for~~

~~Although for purposes of administrative convenience and efficiency the Plan has been filed as a joint Plan for each of the LP Debtors and consolidates classes of Claims against and Equity Interests in the LP Debtors, the Plan does not provide for the substantive consolidation of the LP Debtors' Estates, but solely for purposes of voting, confirmation, and making distributions to the holders of Allowed Claims and Allowed Equity Interests under the Plan. Notwithstanding anything in the Plan to the contrary, the LP Debtors shall not be merged or consolidated and shall maintain their pre-Effective Date corporate structure. On the Effective Date: (i) all guarantees by any LP Debtor of the payment, performance or collection by another LP Debtor with respect to Claims against such second LP Debtor, and all Claims based on such guarantees, shall be deemed eliminated, cancelled, released and of no further force and effect; (ii) any obligation of any LP Debtor and all guarantees by another LP Debtor with respect to Claims of the first LP Debtor shall be treated as a single obligation; (iii) each Claim against any LP Debtor shall be deemed to be against the consolidated LP Debtors and shall be deemed a single Claim against, and a single obligation of, the consolidated LP Debtors; and (iv) all Intercompany Claims shall be deemed eliminated as a result of the substantive consolidation of the LP Debtors, and therefore holders thereof shall not be entitled to vote on the Plan, or receive any Plan Distributions or other allocations of value under the Plan. Except as set forth in Section 2.1 of the Plan, such substantive consolidation shall not (other than for purposes related to the Plan) (x) affect the legal and corporate structure of the LP Debtors or (y) affect any obligations under any leases or contracts assumed in the Plan or otherwise after the Petition Date. Such joint administration shall not affect any LP Debtor's status as a separate legal entity, change the organizational structure of the LP Debtors' business enterprise, constitute a change of control of any LP Debtor for any purpose, cause a merger or consolidation of any legal entities, nor cause the transfer of any assets and, except as otherwise provided by or permitted in the Plan, all LP Debtors shall continue to exist as separate legal entities. For the avoidance of doubt, the Plan must comply with section 1129 of the Bankruptcy Code for each LP Debtor, and votes with respect to the Plan will be tabulated on a non-consolidated basis by class and by Debtor for the purpose of determining whether the Plan satisfies section 1129 of the Bankruptcy Code with respect to each LP Debtor.~~

2. Intercompany Claims

Except as otherwise provided in the Plan, Administrative Claims and Intercompany Claims between and among the LP Debtors shall, solely for purposes of receiving Plan Distributions, be deemed resolved and therefore not entitled to any Plan Distribution and shall not be entitled to vote on the Plan.

3. ~~2.~~ Inc. Entity General Unsecured Claims

~~On or before the Inc. Entity General Unsecured Claims Bar Date, any Inc. Entity that asserts an Inc. Entity General Unsecured Claim against any of the LP Debtors shall file a proof~~

~~of such Claim with the Claims Agent by hand delivery, overnight courier, or first class mail to LightSquared Claims Processing Center, c/o Kurtzman Carson Consultants LLC, 2335 Alaska Avenue, El Segundo, CA 90254, and serve a copy of such proof of claim on the Plan Sponsors.~~ Any timely filed Allowed Inc. Entity General Unsecured Claim shall be classified as an LP General Unsecured Claim and receive the treatment set forth in ~~Class 4—General LP Unsecured Claims~~Section 5.4 of the Plan, unless otherwise ordered by the Bankruptcy Court.

B. Provisions for Treatment of Unclassified Claims

1. Unclassified Claims

F. **Plan Distribution Provisions**

1. The Disbursing Agent

2. Postpetition Interest

Postpetition interest shall be paid on Allowed Prepetition LP Facility ~~Secured~~ Claims as set forth in the Plan and the Prepetition LP Facility Credit Documents. In addition, postpetition interest and/or dividends shall be paid on Allowed Existing LP Preferred ~~Unit~~ Units Equity Interests to the extent that (a) there is sufficient Plan Consideration to make a Plan Distribution to holders of LP Common Equity Interests after giving effect to all other Plan Distributions contemplated by the Plan and (b) payment of such amounts is permitted under applicable bankruptcy or non-bankruptcy law. With respect to all Claims and Equity Interests other than Allowed Prepetition LP Facility ~~Secured~~ Claims and Allowed Existing LP Preferred ~~Unit~~ Units Equity Interests, postpetition interest shall not accrue or be paid, and no holder of a Claim or Equity Interest shall be entitled to interest accruing on such Claim or Equity Interest after the Petition Date, except as otherwise specifically provided for in the Confirmation Order or other order of the Bankruptcy Court, or required by applicable bankruptcy or non-bankruptcy law.

3. Timing of Plan Distributions

In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

4. Distribution Record Date

As of the close of business on the Distribution Record Date, the various lists of holders of Claims and Equity Interests in each of the Classes, as maintained by the LP Debtors, or their agents, shall be deemed closed and there shall be no further changes in the record holders of any of the Claims and Equity Interests. Neither the LP Debtors nor the Disbursing Agent shall have any obligation to recognize any transfer of Claims or Equity Interests occurring after the close of business on the Distribution Record Date. Additionally, with respect to payment of any Cure Costs or any Cure Disputes in connection with the assumption and/or assignment of the LP Debtors' executory contracts and leases, the LP Debtors shall have no obligation to recognize or deal with any party other than the non-LP Debtor party to the underlying executory contract or lease, even if such non-LP Debtor party has sold, assigned or otherwise transferred its Claim for a Cure Cost.

Plan Distributions to be made on account of Allowed Prepetition LP Facility-~~Secured~~ Claims shall be made by the Disbursing Agent to the Prepetition LP Facility Agent, who shall distribute such Plan Distributions to holders of Allowed Prepetition LP Facility-~~Secured~~ Claims in accordance with the terms of the Prepetition LP Facility Credit Agreement. After such date, if such notice was not provided, such holder shall have forfeited its right to such Plan Distribution, and the undeliverable Plan Distribution shall revert to the Distribution Account. Upon such reversion, the Claim or Equity Interest of any holder or its successors with respect to such property shall be cancelled, discharged and forever barred notwithstanding any applicable federal or state escheat, abandoned or unclaimed property laws to the contrary.

Requests for reissuance of any voided check shall be made directly to the Disbursing Agent by the holder of the Allowed Claim to whom such check was originally issued. Any claim in respect of such a voided check shall be made within one hundred and twenty (120) days after the date of issuance of such check. If no request is made as provided in the preceding sentence, any claims in respect of such voided check shall be discharged and forever barred and such unclaimed Plan Distribution shall revert to the Distribution Account.

7. No Distribution in Excess of Amount of Allowed Claim

Notwithstanding anything to the contrary in the Plan, no holder of an Allowed Claim shall, on account of such Allowed Claim, receive a Plan Distribution (of a value set forth in the Plan) in excess of the allowed amount of such Claim plus postpetition interest on such Claim, to the extent interest is permitted under Section 8.2 of the Plan.

8. Setoffs and Recoupments

Each LP Debtor, or such entity's designee as instructed by such LP Debtor, may, pursuant to section 553 of the Bankruptcy Code or applicable non-bankruptcy law, set off and/or recoup against any Allowed Claim (other than an Allowed Prepetition LP Facility-~~Secured~~ Claim) or any Allowed Equity Interest, and the Plan Distributions on account of such Allowed Claim or Allowed Equity Interest, any and all claims, rights and Causes of Action that an LP Debtor or its successors may hold against the holder of such Allowed Claim or Allowed Equity Interest after the Effective Date; provided, however, that neither the failure to effect a setoff or recoupment nor the allowance of any Claim or Equity Interest (other than an Allowed Prepetition LP Facility-~~Secured~~ Claim) will constitute a waiver or release by an LP Debtor or its successor of any and all claims, rights and Causes of Action that an LP Debtor or its successor may possess against such holder; and provided, further, that any proposed setoff or recoupment of the LP Debtors' rights or Causes of Action against an Allowed Inc. Entity General Unsecured Claim shall be subject to Bankruptcy Court approval as a settlement of such Allowed Inc. Entity General Unsecured Claim pursuant to Section 9.3 of the Plan.

9. Fractional Cents and De Minimis Distributions

Notwithstanding any other provision of the Plan to the contrary, (i) no payment of fractions of cents will be made; and (ii) the Disbursing Agent shall not have any obligation to make a Plan Distribution that is less than or \$40.00 in Cash. Whenever any payment of a fraction of a cent would otherwise be called for, the actual payment shall reflect a rounding down of such fraction to the nearest whole cent.

10. Manner of Payment Under the Plan

Unless the Person receiving a Plan Distribution agrees otherwise, any Plan Distribution to be made in Cash under the Plan shall be made, at the election of the Disbursing Agent, by check drawn on a domestic bank or by wire transfer from a domestic bank. Cash payments to foreign creditors may be, in addition to the foregoing, made at the option of the Disbursing Agent in such funds and by such means as are necessary or customary in a particular foreign jurisdiction. The issuance or delivery of any Plan Distribution that is a security shall be exempt from registration under applicable securities laws pursuant to section 1145(a) of the Bankruptcy Code.

11. Requirement to Give a Bond or Surety

The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court and, in the event that the Disbursing Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the applicable LP Debtor. Furthermore, any such Person required to give a bond shall notify the Bankruptcy Court and the U.S. Trustee in writing before terminating any such bond that is obtained.

12. Withholding and Reporting Requirements

In connection with the Plan and all distributions thereunder, the LP Debtors shall comply with all withholding and reporting requirements imposed by any federal, state, local or foreign taxing authority, and all Plan Distributions thereunder shall be subject to any such withholding and reporting requirements. The LP Debtors shall be authorized to take any and all actions that may be necessary or appropriate to comply with such withholding and reporting requirements, including, without limitation, liquidating a portion of any Plan Distribution to generate sufficient funds to pay applicable withholding taxes or establishing any other mechanisms the LP Debtors or the Disbursing Agent believe are reasonable and appropriate, including requiring a holder of a Claim or Equity Interest to submit appropriate tax and withholding certifications. Notwithstanding any other provision of the Plan: (a) each holder of an Allowed Claim and/or an Allowed Equity Interest that is to receive a distribution under the Plan shall have sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any governmental unit, including income, withholding and other tax obligations on account of such distribution; and (b) no Plan Distributions shall be required to be made to or on behalf of such holder pursuant to the Plan if, after 120 days from the date of transmission of a written request to the holder of an Allowed Claim or Allowed Equity Interest, the LP Debtors do not receive a valid, completed IRS form from such holder of an Allowed Claim or Allowed Equity Interest, which is otherwise required for reporting purposes, and such holder shall be treated as if their Claims or Equity Interests had been disallowed.

13. Cooperation with Disbursing Agent

The LP Debtors and their Professional Persons shall use all commercially reasonable efforts to provide the Disbursing Agent (if an entity other than the LP Debtors) with the amount of Claims and Equity Interests and the identity and addresses of holders of Claims and Equity Interests, in each case, as set forth in the LP Debtors' books and records. The LP Debtors and their Professional Persons shall cooperate in good faith with the Disbursing Agent (if an entity other than the LP Debtors) to comply with any of its reporting and withholding requirements.

G. Reserves and Procedures for Resolving Disputed Claims

1. Objections to Claims

Other than with respect to Fee Claims (to which any party in interest may object) and Inc. Entity General Unsecured Claims (to which the Ad Hoc LP Secured Group or any member thereof may object), only the LP Debtors shall be entitled to object to Claims after the Effective Date. Any objections to Claims (other than Administrative Claims), shall be served and filed on or before the later of: (a) one-hundred twenty (120) days after the Effective Date; and (b) such other date as may be fixed by the Bankruptcy Court, whether fixed before or after the date specified in Section 9.1(a) of the Plan. Any Claims filed after the applicable bar date (including Inc. Entity General Unsecured Claims filed after the Inc. Entity General Unsecured Claims Bar Date), shall be deemed disallowed and expunged in their entirety without further order of the Bankruptcy Court or any action being required on the part of the LP Debtors unless the Person wishing to file such untimely Claim has received Bankruptcy Court authority to do so. Notwithstanding any authority to the contrary, an objection to a Claim shall be deemed properly served on the claimant if the objecting party effects service in any of the following manners: (i) in accordance with Federal Rule of Civil Procedure 4, as modified and made applicable by Bankruptcy Rule 7004; (ii) by first class mail, postage prepaid, on the signatory on the Proof of Claim as well as all other representatives identified in the Proof of Claim or any attachment thereto; or (iii) if counsel has agreed to or is otherwise deemed to accept service, by first class mail, postage prepaid, on any counsel that has appeared on the claimant's behalf in the Chapter 11 Cases (so long as such appearance has not been subsequently withdrawn).

2. Amendment to Claims

Except with respect to Administrative Expense Claims and Fee Claims, from and after the Effective Date, no Claim may be filed to increase or assert additional Claims not reflected in an already filed Claim (or Claim scheduled, unless superseded by a filed Claim, on the applicable LP Debtor's Schedules) asserted by such claimant and any such Claim shall be deemed disallowed and expunged in its entirety without further order of the Bankruptcy Court or any action being required on the part of the LP Debtors unless the claimant has obtained the Bankruptcy Court's prior approval to file such amended or increased Claim.

3. Settlement of Claims and Causes of Action

Notwithstanding any requirements that may be imposed pursuant to Bankruptcy Rule 9019, from and after the Effective Date, the LP Debtors shall have authority to settle or compromise all Claims (to the extent not previously compromised, settled and released under the Plan) without further review or approval of the Bankruptcy Court; provided, that

notwithstanding the foregoing, the LP Debtors may not settle or compromise any Inc. Entity General Unsecured Claim without approval of the Bankruptcy Court, which the LP Debtors may seek on fourteen (14) calendar days' notice to the Ad Hoc LP Secured Group and Plan Sponsors.

4. Estimation of Claims

The LP Debtors (or any of them, as applicable) may at any time request that the Bankruptcy Court estimate any Disputed Claim pursuant to section 502(c) of the Bankruptcy Code regardless of whether the LP Debtors (or any of them, as applicable) has previously objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including during the pendency of any appeal relating to any such objection. In the event that the Bankruptcy Court estimates any Disputed Claim, that estimated amount shall constitute the allowed amount of such Claim for all purposes under the Plan except with respect to Plan Distributions, and with respect to Plan Distributions, the estimated amount shall constitute the maximum allowed amount of such Claim. All of the objection, estimation, settlement, and resolution procedures set forth in the Plan are cumulative and not necessarily exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn or resolved by any mechanism approved by the Bankruptcy Court.

5. ~~Disputed~~ Claims Reserves

For the avoidance of doubt, the Cash reserved pursuant to Section 9.5(b) of the Plan shall not be used to provide funding for the LP Debtors' working capital needs (i.e., operating expenditures and capital expenditures) on and after the Funding Date, which obligations shall be the responsibility of the Purchaser pursuant to, and subject in all respect to the terms of, the Asset Purchase Agreement.

Further, so long as the Allowed Prepetition LP Facility ~~Secured~~ Claims have been paid in full on the Effective Date as set forth in Section 5.3 of the Plan, and only to the extent the aggregate amount of Disputed LP General ~~LP~~ Unsecured

Claims (as calculated ~~hereunder~~under the Plan) exceeds the Cash set aside and reserved pursuant to the first sentence of Section 9.5(d) of the Plan, the LP Debtors shall, on the ~~Effective~~Funding Date or as soon thereafter as is reasonably practicable, set aside and reserve, for the benefit of each holder of a Disputed LP General-~~LP~~ Unsecured Claim, Cash in an amount equal to (i) the amount of such Claim as estimated by the Bankruptcy Court pursuant to an Estimation Order, (ii) if no Estimation Order has been entered with respect to such Claim, the amount in which such Disputed Claim is proposed to be allowed in any pending objection filed by the LP Debtors, or (iii) if no Estimation Order has been entered with respect to such Claim, and no objection to such Claim is pending on the Effective Date, the greater of (A) the amount listed in the Schedules ~~or (B) if the amount listed in the Schedules is less than~~ and (B) the amount set forth in a timely filed Proof of Claim or application for payment filed with the Bankruptcy Court or Claims Agent, ~~the amount set forth in such timely filed Proof of Claim or application for payment, as applicable.~~

e. P
lan Distributions to Holders of Subsequently Allowed Claims

On each Plan Distribution Date (or such earlier date as determined by the LP Debtors or the Disbursing Agent in their sole discretion but subject to Section 9.5 of the Plan), the Disbursing Agent will make Plan Distributions from the applicable Disputed Claims Reserve on account of any Disputed Claim that has become an Allowed Claim since the occurrence of the previous Plan Distribution Date. The Disbursing Agent shall distribute from the applicable Disputed Claims Reserve in respect of such newly Allowed Claims the Plan Distributions to which holders of such Claims would have been entitled under the Plan if such newly Allowed Claims were fully or partially Allowed, as the case may be, on the Effective Date, less direct and actual expenses, fees, or other direct costs of maintaining Cash on account of such Disputed Claims.

f. D
istribution from Disputed Claims Reserves Upon Disallowance

Except as otherwise provided in the Plan, to the extent any Disputed Claim has become a Disallowed Claim in full or in part (in accordance with the procedures set forth in the Plan), any Cash held in any Disputed Claim Reserve by the LP Debtors on account of, or to pay, such Disputed Claim shall revert to the Distribution Account and be distributed to holders of Allowed Claims or Allowed Equity Interests in accordance with Article V of the Plan.

6. No Recourse

Notwithstanding that the allowed amount of any particular Disputed Claim is (a) reconsidered under the applicable provisions of the Bankruptcy Code and Bankruptcy Rules or (b) allowed in an amount for which, after application of the payment priorities established by the

Plan, there is insufficient value to provide a recovery equal to that received by other holders of Allowed Claims or Allowed Equity Interests in the respective Class, no Claim or Equity Interest holder shall have recourse against the Disbursing Agent, the LP Debtors, the Purchaser (and, if applicable, the Alternative Purchaser) or any of their respective professionals, consultants, officers, directors, employees or members or their successors or assigns, or any of their respective property. However, nothing in the Plan shall modify any right of a holder of a Claim under section 502(j) of the Bankruptcy Code, nor shall it modify or limit the ability of claimants (if any) to seek disgorgement to remedy any unequal distribution from parties other than those released under Section 9.6 of the Plan. For the avoidance of doubt, and notwithstanding anything to the contrary herein, except as expressly provided in the Asset Purchase Agreement, the Purchaser (and, if applicable, the Alternative Purchaser) shall not be liable for the payment of any Administrative Claims (including Fee Claims) accrued or incurred prior to the Effective Date under any circumstances, including in the event that the reserve for such claims established under Section 9.5(b) of the Plan is insufficient to pay such Administrative Claims in full as provided in Section 3.2 of the Plan. The estimation of Claims and the establishment of reserves under the Plan may limit the distribution to be made on individual Disputed Claims and other Claims contemplated to be paid from the reserves established under Section 9.5 of the Plan, regardless of the amount finally allowed on account of such Claims.

H. Treatment of Executory Contracts and Unexpired Leases

1. General Treatment

~~As of and subject to the occurrence of~~ On the Effective Date ~~and payment (or provision of the adequate assurance of payment) of the applicable Cure Costs, to the fullest extent permitted under applicable law,~~ all executory contracts and unexpired leases of each of the LP Debtors ~~(including the Designated Contracts)~~ shall be deemed to be ~~assumed~~ rejected by the applicable LP Debtor ~~as of the Effective Date, except for~~ pursuant to the provisions of section 365 of the Bankruptcy Code, except: (i) any executory contract or unexpired lease that ~~(i) has~~ previously has been assumed, assumed and assigned, or rejected pursuant to a Final Order of the Bankruptcy Court; (ii) any executory contract or unexpired lease that is designated specifically or by category as a contract or lease to be ~~rejected~~ assumed or assumed and assigned on the Schedule of ~~Rejected~~ Assumed Executory Contracts and Unexpired Leases; ~~or~~ (iii) any executory contract or unexpired lease that is the subject of a separate motion to assume and assign to a Person other than the Purchaser (or, if applicable, the Alternative Purchaser) or to reject under section 365 of the Bankruptcy Code pending on the Effective Date; and (iv) any executory contract or unexpired lease that is the subject of a pending Cure Dispute as of the Effective Date for which the applicable LP Debtor makes a motion to reject such contract or lease based upon the existence of such dispute filed at any time. Listing a contract or lease in the Schedule of ~~Rejected~~ Assumed Executory Contracts and Unexpired Leases shall not constitute an admission by the applicable LP Debtor that the applicable LP Debtor has any liability thereunder.

No later than the applicable deadline set forth in the Bid Procedures Order, the LP Debtors shall file with the Bankruptcy Court and serve upon the counterparties to the executory contracts and unexpired leases anticipated to be listed on the Schedule of Assumed Executory Contracts and Unexpired Leases, the Contract and Lease Counterparties Notice regarding the proposed assumption, or assumption and assignment and the proposed Cure Costs in connection

therewith. The inclusion of any executory contract or unexpired lease on any version of the Contract and Lease Counterparties Notice or Schedule of Assumed Executory Contracts and Unexpired Leases at any time prior to the Effective Date does not ultimately establish that such contract or lease shall be assumed, or assumed and assigned, and the Contract and Lease Counterparties Notice and Scheduled of Assumed Executory Contracts and Unexpired Leases may be altered, amended, modified, or supplemented at any time prior to the Effective Date to remove any contract or lease therefrom in accordance with the Bankruptcy Code and applicable orders of the Bankruptcy Court.

At the Confirmation Hearing, only those executory contracts or unexpired leases (and the corresponding Cure Costs) listed on the Schedule of Assumed Executory Contracts and Unexpired Leases that have been selected to be assumed by the LP Debtors or assumed and assigned to the Purchaser (or, if applicable, the Alternative Purchaser) at the Auction shall be the contracts and leases subject to approval by the Court.

To the extent that an executory contract or unexpired lease is a Designated Contract, any such Designated Contract will be assumed by the LP Debtors, as applicable, on the Effective Date and assigned by the LP Debtors to the Purchaser (or, if applicable, the Alternative Purchaser, ~~subject to Section 10.3(e) of the Plan~~) at the Closing. Each executory contract or unexpired lease assumed pursuant to the Plan or by Bankruptcy Court order, but not assigned to a third party before the Effective Date, shall revert in and be fully enforceable by the applicable contracting LP Debtor in accordance with its terms, except as such terms may have been modified by the Plan or such order.

~~Notwithstanding anything to the contrary in the Plan, but subject to the terms and conditions of the Asset Purchase Agreement, the LP Debtors reserve the right to alter, amend, modify or supplement the Schedule of Rejected Executory Contracts and Unexpired Leases at any time before the Confirmation Date; provided, that to the extent that, as of the Confirmation Date, there is any pending dispute between one or more of the LP Debtors and a counterparty to an executory contract or unexpired lease regarding the Cure Costs payable under such contract or lease, the LP Debtors shall reserve the right to add the applicable contract or lease to the Schedule of Rejected Executory Contracts and Unexpired Leases following the resolution of such dispute, in which event such contract or lease shall be deemed rejected.~~ Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of the rejection of the executory contracts and unexpired leases as set forth in Section 10.1(a) of the Plan, subject to the occurrence of the Effective Date, pursuant to section 365(a) of the Bankruptcy Code, and a finding by the Bankruptcy Court that each such rejected agreement, executory contract or unexpired lease is burdensome and that the rejection thereof is in the best interests of the LP Debtors and their Estates.

Entry of the Confirmation Order shall, subject to the occurrence of the Effective Date, constitute the approval, pursuant to sections 365(a) and 1123(b) of the Bankruptcy Code, of:
(i) subject to Section 10.3(e) of the Plan, the assumptions and ~~rejections~~assignments of executory contracts and unexpired leases ~~pursuant to Section 10.1(a) of the Plan~~set forth in the Schedule of Assumed Executory Contracts and Unexpired Leases; and (ii) the assumption and assignment of the Designated Contracts pursuant to Section 10.1(~~b~~d) of the Plan.

Neither the exclusion nor inclusion of any contract or lease on the Schedule of Assumed Executory Contracts and Unexpired Leases or the Contract and Lease Counterparties Notice or

anything else contained in the Plan shall constitute an admission that any such contract or lease is or is not, in fact, an executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code.

2. Claims Based on Rejection of Executory Contracts or Unexpired Leases

All Claims arising from the rejection of executory contracts or unexpired leases, if any, will be treated as LP General LP-Unsecured Claims. Upon receipt ~~of their~~ by the holder of any such Claim of its applicable Plan Distribution pursuant to Section 5.4 of the Plan, ~~all~~ such Claims shall be discharged on the Effective Date, and shall not be enforceable against the LP Debtors, the Purchaser (and, if applicable, the Alternative Purchaser, subject to Section 10.3(e) of the Plan) or their respective properties or interests in property (and shall not, for the avoidance of doubt, constitute Assumed Liabilities).

Each Person who is a party to a contract or lease rejected under the Plan must file with the Bankruptcy Court and serve on the LP Debtors, not later than thirty (30) days after the ~~Effective Date~~ Confirmation Date (or, for any contract or lease that is not rejected as of the Confirmation Date but is rejected thereafter, 30 days after the effective date of such rejection), a Proof of Claim for damages alleged to arise from the rejection of the applicable contract or lease or be forever barred from filing a Claim, or sharing in distributions under the Plan, related to such alleged rejection damages.

3. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases

~~No~~ In accordance with Section 10.1(b) of the Plan, no later than the applicable deadline set forth in the Bid Procedures Order, the LP Debtors shall file with the Bankruptcy Court and serve a notice (the “Assumption Notice”) on upon the counterparties to the executory contracts and unexpired leases that are ~~then~~ anticipated to be ~~Designated Contracts (or otherwise assumed pursuant to the Plan) and the amount, if any, that the LP Debtors contend is the amount needed to cure any defaults and pecuniary losses with respect to such contracts or leases (the “Cure Costs”).~~ To the extent a counterparty to an executory contract or unexpired lease does not receive an Assumption Notice, the Cure Cost for such executory contract or unexpired lease shall be \$0.00. assumed or assigned, a Contract and Lease Counterparties Notice. The Contract and Leases Counterparties Notices will (i) list the applicable Cure Costs, if any, for each executory contract and unexpired lease listed therein, (ii) describe the procedures for filing objections to the proposed assumption, or assumption and assignment, or Cure Costs, and (iii) explain the process by which related disputes shall be resolved by the Bankruptcy Court. If the LP Debtors identify additional executory contracts and unexpired leases that might be assumed by the LP Debtors, the LP Debtors will promptly send a ~~supplemental Assumption~~ Contract and Lease Counterparties Notice to the ~~applicable~~ counterparties to any such contract ~~contracts~~ or ~~lease~~ leases.

Except to the extent that less favorable treatment has been agreed to by the non-LP Debtor party or parties to each such executory contract or lease, monetary defaults arising under each executory contract and lease to be assumed, or assumed and assigned, pursuant to the Plan shall be cured, in accordance with section 365(b)(1) of the Bankruptcy Code, ~~by payment of the Cure Cost on the later of: (i) the Effective Date or as soon thereafter as is reasonably practicable; and (ii) the date on which the Cure Cost has been resolved (either consensually or through judicial decision, subject, in any such case, to the terms and conditions of on or prior to the~~

Closing of the LP Sale by (i) the payment of the undisputed Cure Costs and/or (ii) establishment of a reserve with respect to any disputed Cure Costs. The party responsible for paying the Cure Costs shall be set forth in the Asset Purchase Agreement) or as soon thereafter as is reasonably practicable.

Any party that fails to object to the applicable Cure Cost listed on the ~~Assumption Notice~~Contract and Lease Counterparties Notice or the Schedule of Assumed ~~Executory Contracts and Unexpired Leases~~, or the assumption of the applicable executory contract or unexpired lease, by ~~5:00 p.m. (Prevailing Eastern Time) on the date that is seven (7) calendar days prior to the Confirmation Hearing (or, with respect to any objection to a supplemental Assumption Notice, on the date that is seven (7) calendar days after service of such supplemental Assumption Notice on such party);~~ the deadlines set forth in the Bid Procedures Order, (i) shall be forever barred, estopped and enjoined from (x) disputing the Cure Cost relating to any executory contract or unexpired lease set forth on the ~~Assumption Notice or, if no Assumption Notice is received and such executory contract or unexpired lease is not listed on the~~Contract and Lease Counterparties Notices or Schedule of ~~Rejected~~Assumed Executory Contracts and Unexpired Leases, ~~a Cure Cost of \$0.00;~~ and (y) asserting any Claim against the applicable LP Debtor arising under section 365(b)(1) of the Bankruptcy Code other than as set forth on the ~~Assumption Notice or, if no Assumption Notice is received and such executory contract or unexpired lease is not listed on the~~Schedule of Rejected ~~Executory Contracts and Unexpired Leases, a Claim in the amount of \$0.00; and~~ Contract and Lease; and (ii) subject to Section 10.3(e) of the Plan, shall be deemed to have consented to the assumption and assignment of such executory contract and unexpired lease and shall be forever barred and estopped from asserting or claiming against the LP Debtors, the Purchaser or any other assignee of the relevant executory contract or unexpired lease (including, if applicable, the Alternative Purchaser) that any additional amounts are due or defaults exist, or conditions to assumption and assignment of such executory contract or unexpired lease must be satisfied (pursuant to section 365(b)(1) of the Bankruptcy Code or otherwise). Any objection relating to the Cure Cost shall specify the Cure Cost proposed by the counterparty to the applicable contract or lease.

In the event of a dispute (each, a “Cure Dispute”) regarding: (i) any Cure Cost; (ii) the ability of the LP Debtors or the Purchaser to demonstrate “adequate assurance of future performance” (within the meaning of section 365 of the Bankruptcy Code) under any contract or lease to be assumed; or (iii) any other matter pertaining to the proposed assumption, the cure payments required by section 365(b)(1) of the Bankruptcy Code shall be made at the times set forth in Section 10.3(b) of the Plan following the entry of a Final Order resolving such Cure Dispute and approving the assumption. To the extent a Cure Dispute relates solely to a Cure Cost, the applicable LP Debtor may assume and assign the applicable contract or lease prior to the resolution of the Cure Dispute provided that a reserve is established containing Cash in an amount sufficient to pay the full amount asserted as cure payment by the non-LP Debtor party to such contract or lease (or such smaller amount as may be fixed or estimated by the Bankruptcy Court). To the extent the Cure Dispute is resolved or determined unfavorably to the LP Debtors, the LP Debtors may, subject to the terms and conditions of the Asset Purchase Agreement, reject the applicable executory contract or unexpired lease after such determination. Any Cure Disputes not consensually resolved prior to the Confirmation Hearing shall be heard at the Confirmation Hearing (or such other hearing as requested by the LP Debtors and determined appropriate by the Bankruptcy Court), including any disputed Cure Costs or objections to

assumption and assignment, and/or objections to the adequacy of assurance of future performance being provided.

Notwithstanding anything to the contrary in the Plan, in the event that there is an Alternative Sale under the Asset Purchase Agreement: ~~—~~ (i) the assumption and assignment of any executory contract or unexpired lease to the Alternative Purchaser shall be subject to further approval by the Bankruptcy Court, which approval the LP Debtors may seek on no less than fourteen (14) calendar days' notice; ~~—~~ and (ii) counterparties to any executory contract or unexpired lease proposed to be assumed and assigned to such Alternative Purchaser shall be entitled to object to such proposed assumption ~~on~~ and assignment on the grounds that the LP Debtors or such Alternative Purchaser are unable to demonstrate "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code), but not on any other grounds.

4. Compensation and Benefit Programs

5. Post-Petition Contracts and Leases

~~Except to the extent set forth on the Schedule of Rejected Executory Contracts and Unexpired Leases, all contracts, agreements and leases that were entered into or assumed by the LP Debtors after the Petition Date (other than the Asset Purchase Agreement) shall be deemed assumed by the LP Debtors on the Effective Date, and, with respect to any such contracts, agreements or leases that are Designated Contracts, assigned to the Purchaser (or, if applicable, the Alternative Purchaser) at Closing, without a need for any consent or approval of, or notice to, the counterparty to any such contract, agreement or lease (subject to, with respect to any assignment to an Alternative Purchaser, Section 10.3(e) of the Plan).~~

10. Headings

The headings used in the Plan are inserted for convenience only, and neither constitute a portion of the Plan nor in any manner affect the construction of the provisions of the Plan.

11. Governing Law

Except to the extent that the Bankruptcy Code or other federal law is applicable, or to the extent a Plan Document or exhibit or schedule to the Plan provides otherwise, the rights, duties, and obligations arising under the Plan and the Plan Documents shall be governed by, and construed and enforced in accordance with, the laws of the state of New York, without giving effect to the principles of conflict of laws thereof.

12. Section 1125(e) of the Bankruptcy Code

The Plan Sponsors have, and, upon confirmation of the Plan shall be deemed to have, solicited acceptances of the Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code, and therefore are not and will not be liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan.

13. Inconsistency

In the event of any inconsistency among the Plan, the Disclosure Statement, the Plan Documents, any exhibit to the Plan, or any other instrument or document created or executed pursuant to the Plan, the provisions of the Plan shall govern; provided, that, notwithstanding the

foregoing, in the event of any inconsistency among the Asset Purchase Agreement and any other document (including the Plan), the Asset Purchase Agreement shall govern.

14. Avoidance and Recovery Actions

Effective as of the Effective Date, the LP Debtors shall retain under the Plan the right to prosecute any avoidance or recovery actions under sections 544, 547, 548, 549 and 550 of the Bankruptcy Code except for any such actions that are Acquired Assets.

15. Expedited Determination

The LP Debtors are ~~hereby~~ authorized under the Plan to file a request for expedited determination under section 505(b) of the Bankruptcy Code for all tax returns filed with respect to the LP Debtors.

16. Exemption from Transfer Taxes

To the fullest extent permitted by applicable law, all sale transactions consummated by the LP Debtors and approved by the Bankruptcy Court on and after the Confirmation Date through and including the Effective Date, including any transfers effectuated under the Plan, the sale by the LP Debtors of any owned property pursuant to section 1123(b)(4) of the Bankruptcy Code, and any assumption, assignment, and/or sale by the LP Debtors of their interests in unexpired leases of non-residential real property or executory contracts pursuant to section 365(a) of the Bankruptcy Code, shall constitute a “transfer under a plan” within the purview of section 1146 of the Bankruptcy Code, and shall not be subject to any stamp, real estate transfer, mortgage recording, or other similar tax.

17. Notice of Entry of Confirmation Order and Relevant Dates

Promptly upon entry of the Confirmation Order, the LP Debtors shall publish as directed by the Bankruptcy Court and serve on all known parties in interest and holders of Claims and Equity Interests, notice of the entry of the Confirmation Order and all relevant deadlines and dates under the Plan, including, but not limited to, the deadline for filing notice of Administrative Claims, and the deadline for filing rejection damage Claims.

18. Termination of Professionals

On the Effective Date, the engagement of each Professional Person retained by the LP Debtors, if any, shall be terminated without further order of the Bankruptcy Court or act of the parties; provided, however, such Professional Persons shall be entitled to prosecute their respective Fee Claims and represent their respective constituents with respect to applications for payment of such Fee Claims and the LP Debtors shall be responsible for the fees, costs, and expenses associated with the prosecution of such Fee Claims. Nothing in the Plan shall preclude any LP Debtor from engaging a Professional Person on ~~and/or~~ after the Effective Date in the same capacity as such Professional Person was engaged prior to the Effective Date.

19. Interest and Attorneys' Fees

Interest accrued after the applicable Petition Date will accrue and be paid on Claims only to the extent specifically provided for in the Plan, the Plan Documents, the Confirmation Order, or as otherwise required by the Bankruptcy Court or by applicable law. No award or reimbursement of attorneys' fees or related expenses or disbursements shall be allowed on, or in connection with, any Claim, except as set forth in the Plan or as ordered by the Bankruptcy Court.

20. Amendments

a. *Plan Modifications*

P

The Plan may be amended, modified, or supplemented by the Plan Sponsors, in the manner provided for by section 1127 of the Bankruptcy Code or as otherwise permitted by law, without additional disclosure pursuant to section 1125 of the Bankruptcy Code, except as otherwise ordered by the Bankruptcy Court. In addition, after the Confirmation Date, so long as such action does not materially and adversely affect the treatment of holders of Allowed Claims and Allowed Equity Interests pursuant to the Plan, the Plan Sponsors, may remedy any defect or omission or reconcile any inconsistencies in the Plan, the Plan Documents and/or the Confirmation Order, with respect to such matters as may be necessary to carry out the purposes and intended effects of the Plan, and any holder of a Claim or Equity Interest that has accepted the Plan shall be deemed to have accepted the Plan as amended, modified, or supplemented.

b. *Other Amendments*

O

Prior to the Effective Date, the Plan Sponsors may make appropriate technical adjustments and modifications to the Plan without further order or approval of the Bankruptcy Court; provided, however, that, such technical adjustments and modifications do not adversely affect in a material way the treatment of holders of Claims or Equity Interests under the Plan.

21. Revocation or Withdrawal of the Plan

The Plan Sponsors reserve the right to revoke or withdraw the Plan prior to the Effective Date. If the Plan Sponsors revoke or withdraw the Plan prior to the Effective Date as to any or all of the LP Debtors, or if confirmation or consummation as to any or all of the LP Debtors does not occur, then, with respect to such LP Debtors: (a) the Plan shall be null and void in all respects; (b) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount certain any Claim or Equity Interest or Class of Claims or Equity Interests), assumption, assignment, or rejection of executory contracts or leases affected by the Plan, and any document or agreement executed pursuant to the Plan shall be deemed null and void; and (c) nothing contained in the Plan shall (i) constitute a waiver or release of any Claims by or against, or any Equity Interests in, such LP Debtors or any other Person, (ii) prejudice in any manner the rights of such LP Debtors or any other Person, or (iii) constitute an admission of any sort by the LP Debtors or any other Person.

22. No Successor Liability

Except as otherwise expressly provided in the Plan or the Asset Purchase Agreement, ~~neither~~ the Purchaser ~~and nor~~ any Alternative Purchaser ~~do not~~, pursuant to the Plan or otherwise, ~~assume, agree~~ assumes, agrees to perform, pay or indemnify or otherwise ~~have~~ has any responsibilities for any liabilities or obligations of the LP Debtors or any other party relating to or arising out of the operations of or Assets of the LP Debtors, whether arising prior to, on, or after the Effective Date. ~~The~~ Neither the Purchaser ~~and nor~~ any Alternative Purchaser ~~are not is~~, and shall not be, ~~successors a successor~~ to any of the LP Debtors by reason of any theory of law or equity, and ~~it~~ neither shall ~~not~~ have any successor or transferee liability of any kind or character, except that the Purchaser (or, if applicable, the Alternative Purchaser) shall assume the Assumed Liabilities under the terms and subject to the conditions set forth in the Asset Purchase Agreement.

23. Allocation of Plan Distributions Between Principal and Interest

To the extent that any Allowed Claim entitled to a distribution under the Plan consists of indebtedness and other amounts (such as accrued but unpaid interest thereon), ~~such any~~ distribution on account of such Claim shall be allocated first to the principal amount of the Claim (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claim, to such other amounts.

24. Compliance with Tax Requirements

In connection with the Plan, the Disbursing Agent shall comply with all withholding and reporting requirements imposed by federal, state, local, and foreign taxing authorities and all Plan Distributions shall be subject to such withholding and reporting requirements. Notwithstanding the foregoing, each holder of an Allowed Claim that is to receive a Plan Distribution shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any government unit, including income, withholding, and other tax obligations, on account of such Plan Distribution. The Disbursing Agent ~~has~~ shall have the right, but not the obligation, to not make a Plan Distribution until such holder has made arrangements satisfactory to the Disbursing Agent for payment of any such tax obligations.

25. Rates

The Plan does not provide for the change of any rate that is within the jurisdiction of any governmental regulatory commission after the occurrence of the Effective Date. Where a Claim has been denominated in foreign currency on a Proof of Claim, the allowed amount of such Claim shall be calculated in legal tender of the United States based upon the conversion rate in place as of the Petition Date and in accordance with section 502(b) of the Bankruptcy Code.

26. Binding Effect

Except as otherwise provided in section 1141(d)(3) of the Bankruptcy Code and subject to the occurrence of the Effective Date, on and after the Confirmation Date, the provisions of the Plan shall be binding upon the LP Debtors, ~~the holders of all Claims~~ and each holder of any Claim or Equity Interest and inure to the benefit of and be binding on such holder's

respective successors and assigns, whether or not the Claim or Equity Interest of ~~any~~such holder is impaired under the Plan and whether or not such holder has accepted the Plan.

27. Successors and Assigns

The rights, benefits and obligations of any Person named or referred to in the Plan shall be binding on, and shall inure to the benefit of, any heir, executor, administrator, successor or assign of such Person.

28. Time

In computing any period of time prescribed or allowed by the Plan, unless otherwise set forth therein or determined by the Bankruptcy Court, the provisions of Bankruptcy Rule 9006 shall apply.

29. Severability

If, prior to the entry of the Confirmation Order, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court, at the request of the Plan Sponsors, shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is valid and enforceable pursuant to its terms.

30. Federal Communications Commission Approvals

Notwithstanding any other provision of the Plan, nothing in the Plan shall be construed to authorize or require any action, and no party shall take any action, that would result in the assignment or transfer of control of any rights or interests of the LP Debtors in any federal license or authorization issued by the FCC prior to the issuance of FCC regulatory approval for such assignment pursuant to the Communications Act of 1934, as amended, and the rules and regulations promulgated thereunder.

31. ~~30.~~ Reservation of Rights

Except as expressly set forth therein, the Plan shall have no force or effect unless the Bankruptcy Court shall enter the Confirmation Order. None of the filing of the Plan, any statement or provision contained therein, or the taking of any action by the Plan Sponsors or the Stalking Horse Bidder with respect to the Plan shall be or shall be deemed to be, an admission or waiver of any rights of the Plan Sponsors or the Stalking Horse Bidder with respect to any Claims or Equity Interests prior to the Effective Date.

VIII.

RISK FACTORS

The holders of Claims against and Equity Interests in the LP Debtors should read and carefully consider the following factors, as well as the other information set forth in this Disclosure Statement, before deciding whether to vote to accept or reject the Plan.

A. General Considerations

The formulation of a plan is a principal purpose of a chapter 11 case. The Plan sets forth the means for satisfying the Claims against and Equity Interests in the LP Debtors. Satisfying Claims against and Equity Interests in the LP Debtors in the manner set forth under the Plan avoids the potentially adverse impact of a protracted and costly reorganization of the LP Debtors.

B. Certain Bankruptcy Considerations

1. Parties in Interest May Object to the Plan's Classification of Claims and Equity Interests

Section 1122 of the Bankruptcy Code provides that a plan may place a claim or an interest in a particular class only if such claim or interest is substantially similar to the other claims or interests in such class. The Plan Sponsors believe that the classification of Claims against and Equity Interests in the LP Debtors under the Plan complies with the requirements set forth in the Bankruptcy Code because the Plan Sponsors created Classes of Claims and Equity Interests, each encompassing Claims or Equity Interests, as applicable, that are substantially similar to the other Claims and Equity Interests in each such Class. Nevertheless, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

2. Failure to Satisfy Vote Requirements

If votes are received in number and amount sufficient to enable the Bankruptcy Court to confirm the Plan, the Plan Sponsors intend to seek, as promptly as practicable thereafter, confirmation of the Plan. In the event that sufficient votes are not received, the Plan Sponsors may seek to confirm an alternative chapter 11 plan. There can be no assurance that the terms of any such alternative chapter 11 plan would be similar or as favorable to the holders of Allowed Claims or Allowed Equity Interests as those proposed in the Plan.

3. The Plan Sponsors May Not Be Able Secure Confirmation or Consummation of the Plan

The Plan requires the acceptance of a requisite number of holders of Claims or Equity Interests that are entitled to vote on the Plan, and the approval of the Bankruptcy Court, as described in the section [hereof of this Disclosure Statement](#) entitled "Confirmation and Consummation Procedures – Overview." There can be no assurance that such acceptances and approvals will be obtained and therefore, that the Plan will be confirmed.

In addition, confirmation of the Plan and the occurrence of the Effective Date of the Plan are subject to the satisfaction of certain conditions precedent, which are further described in the sections of this Disclosure Statement entitled “The Chapter 11 Plan – Conditions Precedent to Confirmation of the Plan and the Occurrence of the Effective Date” and “The Chapter 11 Plan – Conditions Precedent to the Occurrence of the Effective Date.” Although the Plan Sponsors believe that the conditions precedent to the confirmation of the Plan and to the occurrence of the Effective Date of the Plan will be met, there can be no assurance that all such conditions precedent will be satisfied. If any condition precedent is not satisfied or waived pursuant to the Plan, the Plan may not be confirmed or the Effective Date may not occur.

Furthermore, although the Plan Sponsors believe that the Plan will be confirmed and the Effective Date will occur reasonably soon after the Confirmation Date, there can be no assurance as to the timing or as to whether the Effective Date will occur. If the Plan is not confirmed or the Effective Date does not occur, there can be no assurance that any alternative chapter 11 plan would be on terms as favorable to the holders of Claims and Equity Interests as the terms of the Plan. In addition, if a protracted reorganization or liquidation were to occur, there is a substantial risk that holders of Claims and Equity Interests would receive less than they would receive under the Plan. ~~The~~ liquidation analysis prepared by the ~~Plan Sponsors~~ Debtors with the assistance of their advisors is attached hereto as Exhibit “D” (the “Liquidation Analysis”).²⁰

The Plan contemplates consummation of the LP Sale. Although the Bankruptcy Court has already entered the Bid Procedures Order and thereby approved the Bid Procedures, consummation of the LP Sale, and funding of the Purchase Price in connection therewith, may be subject to the prior approval of one or more governmental entities, ~~notwithstanding that the Stalking Horse Bidder has waived (and any competing bidder shall be required to waive) receipt of FCC and Industry Canada approval of the proposed transfer of the LP as a condition to funding of the Purchase Price.~~ including the FCC and Industry Canada. The consummation of the LP Sale and Plan may also require filings with respect to and consent, approvals or expiration or termination of any waiting period, required under any United States or foreign antitrust or investment laws which may include the Competition Act (Canada), the Investment Canada Act (Canada), the Hart-Scott-Rodino Antitrust Improvement Act of 1976. Such approvals may be denied, conditioned or delayed and therefore may not be received when required to facilitate the LP Sale and the Plan. The Plan also requires that the Confirmation Order, the Plan, the Plan Documents, and the LP Sale Documents be in form and substance reasonably acceptable to the Plan Sponsors. If the Plan is not confirmed and does not go effective for any reason and an LP Debtor, Inc. Entity or some other party in interest decides to prosecute a different plan of reorganization, recoveries to holders of Claims against or Equity Interests in the LP Debtors may be negatively impacted.

If the Plan is confirmed but the Effective Date does not occur, it may become necessary to amend the Plan to provide for alternative treatment of Claims and Equity Interests. There can be no assurance that any such alternative treatment would be on terms as favorable to the holders of Claims and Equity Interests as the treatment provided under the Plan. If any modifications to the Plan are materially adverse to any holders of Claims or Equity Interests, it would be necessary to resolicit votes from holders of such Claims or Equity Interests, which would, at the

²⁰ The Plan Sponsors take no position as to the accuracy of any of the assumptions, calculations, estimates, statements or anything else included within the Liquidation Analysis.

very least, further delay confirmation and consummation of the Plan, and could jeopardize the consummation of the Plan.

In addition, the Debtors' authorization to use the LP Lenders' Cash Collateral currently expires December 31, 2013. If the Plan is confirmed and the Funding Date does not occur prior to December 31, 2013, then the LP Debtors will need to obtain (i) further consent by the LP Lenders or authorization by the Bankruptcy Court to use Cash Collateral or (ii) an alternative source of financing.

4. Actual Plan Distributions May Be Less than Estimated ~~By~~by the Plan Sponsors for the Purposes of this Disclosure Statement.

The projected distributions and recoveries set forth in this Disclosure Statement are based on the Purchase Price in the Stalking Horse Agreement of \$2.22 billion in Cash plus consideration of the liabilities anticipated to be assumed by the Stalking Horse Bidder plus the Plan Sponsors' estimates of Allowed Claims and Allowed Equity Interests based on public information and information provided to them on a non-confidential basis. The Plan Sponsors project that the Claims and Equity Interests asserted against the LP Debtors will be resolved in and reduced to an amount that approximates the estimates set forth herein. However, there can be no assurance that these estimates will prove accurate. In the event the allowed amounts of such Claims and/or Equity Interests are materially higher than the projected estimates, actual distributions to holders of Allowed Claims and Allowed Equity Interests could be materially less than estimated herein.

5. Nonconsensual Confirmation

In the event that any impaired class of claims or interests does not accept a chapter 11 plan, a bankruptcy court may nevertheless confirm a plan at the proponents' request if at least one impaired class has accepted the plan (with such acceptance being determined without including the vote of any "insider" in such class), and, as to each impaired class that has not accepted the plan, the bankruptcy court determines that the plan "does not discriminate unfairly" and is "fair and equitable" with respect to the dissenting classes. The Plan Sponsors believe that the Plan satisfies these requirements and, in the event any impaired Class of Claims or Equity Interests does not vote to accept the Plan, the Plan Sponsors may request such nonconsensual confirmation in accordance with section 1129(b) of the Bankruptcy Code. Nevertheless, there can be no assurance that the Bankruptcy Court will reach this conclusion. In addition, the pursuit of nonconsensual confirmation of the Plan may result in, among other things, increased administrative expenses as a result of litigation.

6. Parties in Interest May Object to the Amount or Classification of a Claim or Equity Interest

Except as specifically provided in the Plan, the Plan Sponsors reserve the right to object to the amount or classification of any Claim or Equity Interest. Other parties in interest, including LP Debtors, may also object to the amount or classification of any Claim or Equity Interest. The estimates set forth in this Disclosure Statement cannot be relied upon by any holder of a Claim or Equity Interest where such Claim or Equity Interest is or may be subject to

an objection. Any holder of a Claim or Equity Interest that is or may be subject to an objection, thus, may not receive its expected share of the estimated distributions described in this Disclosure Statement.

C. Certain Tax Considerations

There are a number of material income tax considerations, risks and uncertainties associated with consummation of the Plan. Holders of Claims and Equity Interests, and other interested parties, should read carefully the discussion set forth in the article of this Disclosure Statement entitled "Certain U.S. Federal Income Tax Consequences" for a discussion of certain U.S. federal income tax consequences of the transactions contemplated under the Plan.

D. Risks Related to the LP Sale

There can be no assurance that the LP Sale will be timely consummated. The Successful Bidder could breach or fail to perform under the Asset Purchase Agreement or conditions to consummation of the Asset Purchase Agreement could fail to be satisfied. In that event, there is no guarantee that another Person will express interest in either (i) acquiring the Acquired Assets or (ii) acquiring the Acquired Assets in an amount equal to or greater than the proposed Purchase Price. Additionally, there can be no assurance that the auction of the LP Debtors' Acquired Assets will result in a bid that is higher or otherwise better than the Stalking Horse Bid. If LBAC is the Successful Bidder, the order approving such of sale shall be in a form acceptable to LBAC and the Plan Sponsors, including a finding that LBAC is a good faith purchaser. The Harbinger Adversary Proceeding, including allegations related to LBAC's bid, if not resolved, are anticipated to be litigated in connection with confirmation of a plan.

E. Risks Related to Business Operations

1. The Company Has No Significant Operations, Revenues, or Operating Cash Flow

The Company has no significant operations or revenues and does not generate significant cash from operations. Moreover, the Company expects to continue to incur significant net losses for the foreseeable future. The Company continues to incur expenses. It is unclear when, or if, the Company will be able to generate sufficient cash from operations to cover its expenses and fund capital expenditures.

2. here Are Risks Associated with Operating Satellites

I

The Company operates the MSAT 1, MSAT 2, and SkyTerra-1 satellites, exposing the Company to risks inherent in operating satellites. During and after their launch, all satellites are subject to the risk of equipment failures, malfunctions, and other problems. If one of the Company's satellites were to fail prematurely, it could affect the quality of the satellite service and back-up capacity, interrupt the continuation of the Company's satellite service, or result in the loss of the Company's licenses, any of which could materially adversely impact the Company's business, prospects, financial condition, and results of operations.

The Company has obtained in-orbit insurance coverage for SkyTerra-1 and intends to maintain such in-orbit coverage in the future and to obtain such coverage for SkyTerra-2 once launched. It has obtained insurance containing customary satellite insurance exclusions and/or deductibles. The Company is not insuring against business interruption, lost revenues, or delay of revenues in the event of a total or partial loss of the communications capacity or life of its satellites. Additionally, the Company no longer insures the two MSAT satellites, as they have reached the end of their contractual life or have been the subject of insurance settlements in the past. The total amount of insurance the Company may receive through the policy may not cover the cost to launch or insure a replacement satellite. Accordingly, the Company is not fully insured for all of the potential losses that may be incurred in the event of a satellite system failure.

3.

M

Major Network Failures Could Have an Adverse Effect on the Company

Equipment failures, power outages, natural disasters, terrorist acts, accidents, computer viruses or cyber-attacks, criminal conduct, employee error, or other events within or outside the Company's control that damage its networks, transport facilities, communications switches, routers, microwave links, cell sites, satellites, satellite-related ground equipment, other equipment, or third-party networks on which the Company relies could cause major network failures and/or unusually high network traffic demands that could have a material adverse effect on the Debtors' operations or its ability to provide service to its customers and their consumer end users. These events could disrupt the Company's operations, require significant resources to resolve, or result in legal costs or liability, which, in turn, could have a material adverse effect on the Company's business, prospects, financial condition, and results of operations. In addition, with the growth of wireless data services, enterprise data interfaces, and Internet-based or IP-enabled applications, the Company's network and customer devices are exposed to a greater degree to third-party data or applications over which the Company has less direct control. As a result, the Company's network infrastructure and information systems, as well as its customers' wireless devices, may be subject to a wider array of potential security risks, including viruses and other types of computer-based attacks, which could cause lapses in the Company's service or adversely affect the ability of consumer end users to access the Company's service. Such lapses could have a material adverse effect on the Company's business, prospects, financial condition, and results of operations.

4. The Company May Not Be Able to Protect Proprietary Information and Intellectual Property Rights upon Which the Company's Operations Depend

The Company's operations depend, in part, on its ability to develop or acquire technical know-how and remain current on new technological developments. As a result, the Company's ability to compete effectively will depend, in part, on its ability to protect proprietary technologies and system designs. The Company has filed certain patent applications in the United States and abroad, and the Company owns U.S. and foreign patents that are believed to cover aspects of its technology. There can be no assurance that the patents for which the Company has applied will be issued or, if issued, will be sufficient to prevent competitors from deploying and operating their own 4G LTE terrestrial wireless networks using similar technology. Such technology may be superior to that of the Company, and competitors may be

able to develop and deploy such technology without infringing on the Company's intellectual property rights. In addition, the Company's patents could be challenged, and their claims invalidated or their scope narrowed, particularly if the Company were to attempt to enforce them against suspected infringers. The Company also relies upon unpatented proprietary technology and other trade secrets. While it is the Company's policy to enter into confidentiality agreements with employees and third parties to protect its proprietary expertise and other trade secrets, these agreements might not be enforceable or provide for adequate remedies for breach. The Company has not exhaustively searched third-party patents relevant to, or third-party technology competitive with, its systems and technologies, and therefore it is possible that the Company may be unknowingly infringing third-party intellectual property and, in the alternative, that third parties may be infringing the Company's intellectual property rights. If the Company were to take legal action to protect, defend, or enforce its intellectual property rights, any suits or proceedings could result in substantial costs and diversion of its resources and its management's and employees' attention and could have a material adverse effect on its financial condition and results of operations, regardless of the final outcome of such legal action. In addition, the Company could become the target of patent or other intellectual property infringement claims. Any suits alleging infringement of intellectual property rights could result in substantial costs and diversion of the Company's resources and its management's and employees' attention and could materially adversely affect its financial condition and results of operations, regardless of the final outcome of such legal action. If the Company is found by a court or administrative body of competent jurisdiction to infringe or otherwise violate the intellectual property rights of others, the Company might be required to pay substantial damages or be enjoined from making, using, licensing, or selling the infringing services or technology or both.

5. The Company Is Highly Dependent on Performance of Inmarsat Under the Inmarsat Cooperation Agreement

The Company is highly dependent on Inmarsat's fulfillment of its obligations under the Inmarsat Cooperation Agreement. Following the full implementation of the Inmarsat Cooperation Agreement, the Company will have access to approximately 46 MHz of contiguous blocks of L-Band coordinated spectrum, which will be available for the Company's use as a result of its coordination with Inmarsat. If Inmarsat terminates, defaults, or otherwise fails to perform under the agreement, the Company's business, prospects, financial condition, and results of operations could be materially and adversely affected.

E. Certain Regulatory Considerations

The Company is subject to extensive federal, state and local laws, and regulations governing the use of spectrum. Compliance with these ever-changing laws and regulations requires expenses (including legal representation) and monitoring, capital and operating expenditures. The costs and burdens associated with complying with the increased number of regulations may have a material adverse effect on the LP Debtors, if they fail to comply with the laws and regulations governing its businesses or if they fail to maintain or obtain advantageous regulatory authorizations and exemptions. Moreover, increased competition within the sector resulting from potential legislative changes, regulatory changes or other factors may create greater risks to the value of the LP Debtors' Assets. Thus, potential changes in laws and

regulations ~~that~~ could have a material impact on the value of the LP Debtors' Assets and the amount of LP Sale Proceeds.

Additionally, on February 15, 2012 the FCC has proposed to vacate the limited waiver of certain MSS/ATC gating criteria, granted to the Company in 2010, and to modify the Company's satellite license to suspend indefinitely the Company's underlying ATC authorization, first granted in 2004, to an extent consistent with the NTIA's February 2012 conclusion that there currently is no practical way to mitigate the potential ~~harmful interference~~ incompatibilities resulting from the Company's planned terrestrial operations in the 1525–1559 MHz band such that the Company could successfully deploy an adequate commercial network. The matter is pending before the FCC. If the Company loses its ATC authorization or is unable to proceed with ATC service for other reasons, this could have an adverse effect on the value of the LP Debtors' Assets and the amount of LP Sale Proceeds. Alternatively, if the Company could resolve the FCC's and GPS community's concerns in a manner that will permit it to implement its business plan (inclusive of ATC service), the Debtors' Assets may appreciate in value. Whether such issues will be resolved in a manner favorable to the Company, and the timing of any such resolution, however, are uncertain and difficult to predict.

Although the funding of the Purchase Price is not conditioned on approval by the FCC or Industry Canada, any investment in any of the LP Debtors that hold various FCC licenses and authorizations that effects a change of control of those subsidiaries would be subject to prior FCC approval. A request for FCC approval may involve a lengthy review period prior to consummation of any change of control transaction. It may not be possible to obtain the necessary FCC approvals in a reasonably timely fashion, if at all, and the FCC could impose new or additional license conditions as a condition to approving any transfer. Any investment that effects a material change in the ownership or control of SkyTerra (Canada) Inc. would be subject to prior approval by Industry Canada (which might also include approval under the *Investment Canada Act* and pre-merger notification under the *Competition Act*), as well as separate filings with the FCC. Either or both the request for Industry Canada approval and the related filings with the FCC may involve a lengthy review period prior to consummation of any material change in the ownership or control of SkyTerra (Canada) Inc. It may not be possible to obtain the necessary regulatory approvals in a reasonably timely fashion, if at all, and Industry Canada or the FCC could impose new or additional authorization and/or license conditions as part of approving any transfer. The requirement to obtain regulatory approval could discourage, delay, or prevent a merger, acquisition, or other change in control of any LP Debtor. Funding of the Purchase Price will not result in the transfer of the LP Assets to LBAC (or any other Purchaser). Moreover, funding of the Purchase Price prior to FCC approval has occurred in at least one transaction in the past without triggering a determination by either the FCC or Industry Canada that there has been a premature transfer of control. It nevertheless is possible that such action could raise concerns by regulators as a negative factor indicating a transfer of *de facto* control under the applicable fact-intensive standards.

G. ~~F.~~ **Risks Related to Holders of Disputed Claims**

It is possible that the Disputed Claims Reserves to be established pursuant to the Plan will contain insufficient funds to satisfy Disputed Claims that are allowed after the Effective Date, which could result in holders of such subsequently allowed Disputed Claims realizing a

lower recovery than that which other holders of Claims in the same Class will receive. In such event, such holders will have no recourse against the LP Debtors, the Purchaser, the Plan Sponsors, or any of their respective professionals, consultants, officers, directors, employees or members or their successors or assigns, or any of their respective property on account of the shortfall.

In addition, the Plan provides for the LP Debtors to utilize Cash in the Disputed Claims Reserves for purposes other than payment of Disputed Claims under certain circumstances. First, the Plan permits the LP Debtors to withdraw up to \$1,000,000 in Cash from the Disputed Claims Reserves in the event that proceeds in the Wind Down Reserve are insufficient to pay expenses associated with the Wind Down. Second, the Plan provides that any Administrative Claim (including a Fee Claim) incurred or accrued by the LP Debtors prior to the Effective Date that is not paid on or prior to the Effective Date will be paid from the Disputed Claims Reserves. Although the Plan provides for the LP Debtors to reserve sufficient funds for payment of such Administrative Claims, there can be no guarantee that the amount so initially reserved will be sufficient to satisfy such Administrative Claims. In the event that the Disputed Claims Reserves contain insufficient Cash to satisfy such Administrative Claims, the Plan permits the LP Debtors to withdraw Cash from the Wind Down Reserve to the extent necessary to satisfy such Administrative Claims. This would deplete the Wind Down Reserve, which could ultimately leave the LP Debtors with insufficient Cash to fund expenses associated with the Wind Down, in which event the LP Debtors would be permitted to withdraw cash from the Disputed Claims Reserves to fund such expenses, as described above.

IX.

CONFIRMATION AND CONSUMMATION PROCEDURES

A. Overview

A chapter 11 plan may provide anything from a complex restructuring of a debtor's business and its related obligations to a simple liquidation of a debtor's assets. In either event, upon confirmation of a plan, it becomes binding on the debtor and all of its creditors and equity holders, and the obligations owed by the debtor to such parties are compromised and exchanged for the obligations specified in the plan. Before soliciting acceptances of a proposed plan, section 1125 of the Bankruptcy Code requires the debtor to prepare and file a disclosure statement containing adequate information of a kind, and in sufficient detail, to enable a hypothetical reasonable investor to make an informed judgment about the plan. **This Disclosure Statement is presented to holders of impaired Claims against and Equity Interests in the LP Debtors to satisfy the requirements of section 1125 of the Bankruptcy Code in connection with the Plan Sponsors' solicitation of votes on the Plan.**

If all classes of claims and interests accept a plan of reorganization, a bankruptcy court may confirm the plan if such bankruptcy court independently determines that the requirements of section 1129(a) of the Bankruptcy Code have been satisfied. Section 1129(a) sets forth the requirements for confirmation of a plan and, among other things, requires that a plan meet the "best interests of creditors" test and be "feasible." The "best interests of creditors" test generally requires that the value of the consideration to be distributed to the holders of claims or interests under a plan may not be less than those parties would receive if the debtor were liquidated pursuant to a hypothetical liquidation occurring under chapter 7 of the Bankruptcy Code. Under the "feasibility" requirement, a bankruptcy court generally must find that there is a reasonable probability that a debtor will be able to meet its obligations under its plan without the need for further financial reorganization. **The Plan Sponsors believe that the Plan satisfies all the applicable requirements of section 1129(a) of the Bankruptcy Code, including, in particular, the best interests of creditors' test and the feasibility requirement.**

The Bankruptcy Code does not require that each holder of a claim or interest in a particular class vote in favor of a plan of reorganization for the bankruptcy court to determine that the class has accepted a plan. Rather, a class of creditors will be determined to have accepted the plan if the bankruptcy court determines that the plan has been accepted by a majority in number and two-thirds in amount of those claims entitled to vote and actually voting in such class. Similarly, a class of equity security holders will have accepted a plan if the bankruptcy court determines that the plan has been accepted by holders of two-thirds of the number of shares actually voting in such class.

In addition, classes of claims or interests that are not impaired under a plan of reorganization are conclusively presumed to have accepted the plan and thus are not entitled to vote. Furthermore, classes that are to receive no distribution under the plan are conclusively deemed to have rejected the plan. Accordingly, acceptances of a plan will generally be solicited only from those Persons who hold claims or interests in an impaired class. A class is "impaired" under a plan if the legal, equitable, or contractual rights associated with the claims or Interests of

that class are modified in any way under the plan. Modification for purposes of determining impairment, however, does not include curing defaults and reinstating maturity on the effective date of the plan. **Class 1 – LP Other Priority ~~Non-Tax~~ Claims and Class 2 – LP Other ~~LP Secured~~ Claims are unimpaired under the Plan and are therefore deemed to have accepted the Plan. Class 3 – Prepetition LP Facility ~~Secured~~ Claims, Class 4 – LP General ~~LP Unsecured~~ Claims, Class 5 – Existing LP Preferred ~~Unit~~ Units Equity Interests, and Class 6 – LP Common Equity Interests are impaired under the Plan and are therefore entitled to vote on the Plan.**

A bankruptcy court also may confirm a plan of reorganization even though fewer than all the classes of impaired claims and interests accept such plan. For a plan of reorganization to be confirmed despite its rejection by a class of impaired claims or interests, the plan must be accepted by at least one class of impaired claims (determined without counting the vote of insiders) and the proponent of the plan must show, among other things, that the plan does not “discriminate unfairly” and ~~that the plan~~ is “fair and equitable” with respect to each impaired class of claims or Interests that has not accepted the plan.

Under section 1129(b) of the Bankruptcy Code, a plan is “fair and equitable” as to a rejecting class of claims or interests if, among other things, the plan provides: (a) with respect to secured claims, that each such holder will receive or retain on account of its claim property that has a value, as of the effective date of the plan, equal to the allowed amount of such claim; and (b) with respect to unsecured claims and interests, that the holder of any claim or interest that is junior to the claims or interests of such class will not receive or retain on account of such junior claim or interest any property from the estate, unless the senior class receives property having a value equal to the full amount of its allowed claim.

A plan does not “discriminate unfairly” against a rejecting class of claims or interests if (a) the relative value of the recovery of such class under the plan does not differ materially from that of any class (or classes) of similarly situated claims or interests and (b) no senior class of claims or interests is to receive more than the amount of the claims or interest in such class.

The Plan has been structured so that it will satisfy the foregoing requirements as to any rejecting Class of Claims or Equity Interests, and can therefore be confirmed, if necessary, over the objection of any class of Claims or Equity Interests provided at least one class of Claims or Equity Interests entitled to vote on the Plan votes to accept the Plan.

B. Confirmation of the Plan

1. Elements of Section 1129 of the Bankruptcy Code

At the Confirmation Hearing, the Bankruptcy Court will confirm the Plan only if all of the conditions to confirmation under section 1129 of the Bankruptcy Code are satisfied.

Such conditions include the following:

- a. The Plan complies with the applicable provisions of the Bankruptcy Code.

- b. The Plan Sponsors have complied with the applicable provisions of the Bankruptcy Code.
- c. The Plan has been proposed in good faith and not by any means proscribed by law.
- d. Any payment made or promised by the Plan Sponsors or by a Person issuing securities or acquiring property under the Plan for services or for costs and expenses in, or in connection with, the Chapter 11 Cases, or in connection with the Plan and incident to the Chapter 11 Cases, has been approved by, or is subject to the approval of, the Bankruptcy Court as reasonable.
- e. The Plan Sponsors have disclosed the identity of any individual proposed to serve, after confirmation of the Plan, as a director, officer or voting trustee of the LP Debtors under the Plan and the continuance in such office of such individual is consistent with the interests of creditors and equity holders and with public policy.
- f. With respect to each impaired Class of Claims or Equity Interests, each holder of an impaired Claim or impaired Equity Interest either has accepted the Plan or will receive or retain under the Plan, on account of the Claims or Equity Interests held by such entity, property of a value, as of the Effective Date, that is not less than the amount that such entity would receive or retain if the LP Debtors were liquidated on such date under chapter 7 of the Bankruptcy Code;
- g. In the event that the Plan Sponsors do not move to confirm the Plan nonconsensually, each Class of Claims or Equity Interests entitled to vote has either accepted the Plan or is not impaired under the Plan;
- h. Except to the extent that the holder of a particular Claim or Equity Interest has agreed to a different treatment of such Claim or Equity Interest, the Plan provides that holders of LP Other Priority ~~Non-Tax~~ Claims will be paid in full, in Cash on the later of (i) the Plan Distribution Date and (ii) as soon as reasonably practicable after such LP Other Priority ~~Non-Tax~~ Claim becomes an Allowed Claim.
- i. Except to the extent that a holder of an Allowed LP Other ~~LP~~ Secured Claim agrees to different treatment, on the later of the Effective Date and the first Distribution Date after the applicable LP Other ~~LP~~ Secured Claim becomes an Allowed Claim, or as soon after such date as is reasonably practicable, each holder of an Allowed LP Other ~~LP~~ Secured Claim shall receive, at the election of the Ad Hoc LP Secured Group: (i) Cash in an amount equal to such Allowed Claim; or (ii) such other treatment that will render the LP Other ~~LP~~ Secured Claim unimpaired pursuant to section 1124 of the Bankruptcy Code.

- j. At least one impaired Class of Claims or Equity Interests has accepted the Plan, determined without including any acceptance of the Plan by any insider holding a Claim or Equity Interest in such Class.
- k. Confirmation of the Plan is not likely to be followed by the liquidation or the need for further financial reorganization of the LP Debtors or any other successor to the LP Debtors under the Plan, except to the extent proposed in the Plan.
- l. All fees payable under 28 U.S.C. § 1930, as determined by the Bankruptcy Court at the Confirmation Hearing, have been paid or the Plan provides for the payment of all such fees on the Effective Date of the Plan.

The Plan Sponsors believe that the Plan will satisfy all the statutory provisions of chapter 11 of the Bankruptcy Code, that they have complied or will have complied with all of the provisions of the Bankruptcy Code, and that the Plan is being proposed and submitted to the Bankruptcy Court in good faith.

2. Acceptance

A Class of Claims or Equity Interests will have accepted the Plan if the Plan is accepted by at least two-thirds in amount and more than one-half in number of the Claims entitled to vote that actually vote in such Class.

3. Best Interests of Creditors Test

With respect to each impaired Class of Claims and Equity Interests, confirmation of the Plan requires that each holder of a Claim or Equity ~~Interests~~Interest in such Class either (a) ~~accept~~accepts the Plan or (b) ~~receive~~receives or ~~retain~~retains under the Plan property of a value, as of the applicable consummation date under the Plan, that is not less than the value such holder would receive or retain if the LP Debtors were liquidated under chapter 7 of the Bankruptcy Code.

To determine what holders of Claims and Equity Interests in each impaired Class would receive if the LP Debtors were liquidated, the Bankruptcy Court must determine the proceeds that would be generated from the liquidation of the properties and interests in property of the LP Debtors in a chapter 7 liquidation case. The proceeds that would be available for satisfaction of Claims against and Equity Interests in the LP Debtors would consist of the proceeds generated by disposition of the unencumbered equity in the properties and interests in property of the LP Debtors and the Cash held by the LP Debtors at the time of the commencement of the liquidation case. Such proceeds would be reduced by the costs and expenses of the liquidation and by such additional administration and priority claims that may result from the termination of the businesses of the LP Debtors and the use of chapter 7 for the purposes of liquidation.

The costs of liquidation under chapter 7 of the Bankruptcy Code would include the fees payable to a trustee in bankruptcy, and the fees that would be payable to additional attorneys and other professionals that such a trustee may engage, plus any unpaid expenses incurred by the LP Debtors during the Chapter 11 Cases, such as compensation for attorneys, financial advisors,

accountants and costs that are allowed in a chapter 7 liquidation case. In addition, Claims would arise by reason of the breach or rejection of obligations incurred and executory contracts entered into or assumed by the LP Debtors during the pendency of the Chapter 11 Cases. The foregoing types of Claims and such other Claims which may arise in the liquidation cases or result from the pending Chapter 11 Cases would be paid in full from the liquidation proceeds before the balance of those proceeds would be made available to pay unsecured Claims arising on or before the Petition Date.

To determine if the Plan is in the best ~~interests~~interest of each impaired Class, the present value of the distributions from the proceeds of the liquidation of the properties and interests in property of the LP Debtors (net of the amounts attributable to the aforesaid claims) is then compared with the present value offered to such Classes of Claims and Equity Interests under the Plan.

After consideration of the effects that a chapter 7 liquidation would have on the ultimate proceeds available for distribution to creditors in the Chapter 11 Cases, including: (a) the increased costs and expenses of a liquidation under chapter 7 arising from fees payable to a trustee in bankruptcy and professional advisors to such trustee and (b) the erosion in value of assets in a chapter 7 liquidation case in the context of the expeditious liquidation required under chapter 7 and the “forced sale” environment in which such a liquidation would likely occur, the Plan Sponsors have determined that confirmation of the Plan will provide each holder of a Claim or Equity Interest with a greater or equal recovery than it would receive pursuant to liquidation of the LP Debtors under chapter 7 of the Bankruptcy Code.

The Liquidation Analysis is further described in Exhibit “D” to this Disclosure Statement, entitled “Liquidation Analysis.”

4. Feasibility

The Bankruptcy Code conditions confirmation of a plan of reorganization on, among other things, a finding that it is not likely to be followed by the liquidation or the need for further financial reorganization of a debtor. For purposes of determining whether the Plan satisfies this condition, the Plan Sponsors have analyzed the capacity of each of the LP Debtors to service their obligations under the Plan. Based upon their analysis, the Plan Sponsors believe that each of the LP Debtors will be able to meet all of its obligations imposed by the Plan.

C. **Cramdown**

In the event that any impaired Class does not accept the Plan, the Plan Sponsors nonetheless may move for confirmation of the Plan. To obtain such confirmation, it must be demonstrated to the Bankruptcy Court that the Plan “does not discriminate unfairly” and is “fair and equitable” with respect to such Classes and any other Classes of Claims that vote to reject the Plan.

1. No Unfair Discrimination

A plan of reorganization “does not discriminate unfairly” if (a) the legal rights of a nonaccepting class are treated in a manner that is consistent with the treatment of other classes

whose legal rights are similar to those of the nonaccepting class and (b) no class receives payments in excess of that which it is legally entitled to receive for its claims or interests. The Plan Sponsors believe that under the Plan all impaired Classes of Claims and Equity Interests are treated in a manner that is consistent with the treatment of other Classes of Claims and Equity Interests that are similarly situated, if any, and no Class of Claims or Equity Interests will receive payments or property with an aggregate value greater than the aggregate value of the Allowed Claims and Allowed Equity Interests in such Class. Accordingly, the Plan Sponsors believe that the Plan does not discriminate unfairly as to any impaired Class of Claims or Equity Interests.

2. Fair and Equitable Test

The Bankruptcy Code establishes different “fair and equitable” tests for classes of secured claims, unsecured claims, and interests as follows:

a. Secured Claims. Either (i) each holder of a claim in an impaired class of secured claims retains its liens securing its secured claim and it receives on account of its secured claim deferred cash payments having a present value equal to the amount of its allowed secured claim, (ii) each holder of a claim in an impaired class of secured claims realizes the indubitable equivalent of its allowed secured claim, or (iii) the property securing the claim is sold free and clear of liens, with such liens to attach to the proceeds and the treatment of such liens on proceeds as provided in clause (i) or (ii) of this subparagraph.

b. Unsecured Claims. Either (i) each holder of a claim in an impaired class of unsecured claims receives or retains under the plan property of a value equal to the amount of its allowed claim or (ii) the holders of claims and interests that are junior to the claims of the dissenting class will not receive any property under the plan of reorganization, subject to the applicability of the judicial doctrine of contributing new value.

c. Interests. Either (i) each holder of an interest in an impaired class of interests will receive or retain under the plan of reorganization property of a value equal to the greater of (A) the fixed liquidation preference or redemption price, if any, of such stock or (B) the value of the stock or (ii) the holders of interests that are junior to the stock will not receive any property under the plan of reorganization, subject to the applicability of the judicial doctrine of contributing new value.

THE PLAN MAY BE CONFIRMED IF THE REQUISITE HOLDERS OF CLAIMS OR EQUITY INTERESTS IN ANY CLASS VOTE TO ACCEPT THE PLAN.

D. ~~B.~~ **Effect of Confirmation**

Under section 1141 of the Bankruptcy Code, the provisions of a confirmed plan bind the debtor, any entity issuing securities under the plan, any entity acquiring property under the plan, and any creditor or equity security holder, whether or not the claim or interest of such creditor or equity security holder is impaired under the plan and whether or not such creditor or equity security holder voted to accept the plan. Further, after confirmation of a plan, the property dealt with by the plan is free and clear of all claims and interests of creditors and equity security holders, except as otherwise provided in the plan or the confirmation order.

X.

CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES

A. **General**

The following summary describes certain U.S. federal income tax consequences to holders of Claims against and Equity Interests in the LP Debtors as a result of the implementation of the Plan. This summary is based on the Internal Revenue Code (the “Code”), its legislative history, existing Treasury regulations (“Treasury Regulations”) thereunder, and published rulings and court decisions, all as currently in effect and all subject to change at any time, possibly with retroactive effect. The LP Debtors will not seek a ruling from the Internal Revenue Service (“IRS”) with regard to the U.S. federal income tax treatment of the Plan and, therefore, there can be no assurance that the IRS will agree with the conclusions set forth below. In addition, except as set forth below, the summary only applies to U.S. Holders (as defined below) whose Claims or Equity Interests are held as capital assets and does not address all of the tax consequences that may be relevant to U.S. Holders or tax consequences to investors in special tax situations (such as financial institutions, dealers in securities or currencies, tax-exempt organizations, insurance companies, partnerships or other pass-through entities or ~~P~~persons holding Claims or Equity Interests through a partnership or other pass-through entity, Persons holding Claims or Equity Interests as part of a straddle, hedging or conversion transaction, and certain U.S. expatriates). Accordingly, each holder should consult its own tax advisor with regard to the consequences of participating in the Plan and the application of U.S. federal income tax laws, as well as the laws of any state, local or foreign taxing jurisdictions, to its particular situation.

For purposes of this discussion, a “U.S. Holder” is a beneficial owner of a Claim or Equity Interest that is, for U.S. federal income tax purposes:

- an individual who is a citizen or resident of the United States;
- a corporation (or an entity taxable as a corporation) organized in or created under the laws of the United States or of any political subdivision of the United States;
- an estate whose income is includible in gross income for U.S. federal income tax purposes regardless of its source; or
- a trust, (i) if a U.S. court is able to exercise primary supervision over the administration of the trust and one or more U.S. Persons have authority to control all substantial decisions of the trust or (ii) that has validly elected to be treated as a U.S. Person for U.S. federal income tax purposes.

If a partnership (or an entity treated as a partnership for U.S. federal income tax purposes) holds a Claim or Equity Interest, the tax treatment of a partner generally will depend on the status of the partner and the activities of the partnership. Each partner of a partnership (or an entity treated as a partnership for U.S. federal income tax purposes) holding a Claim or Equity Interest should consult its own tax advisor with regard to the tax consequences of participating in the Plan.

A “Non-U.S. Holder” is a beneficial owner of a Claim or Equity Interest other than (1) a U.S. Holder or (2) a partnership for U.S. federal income tax purposes.

Treasury Department Circular 230 Disclosure

TO COMPLY WITH TREASURY DEPARTMENT CIRCULAR 230, TAXPAYERS ARE HEREBY NOTIFIED THAT (A) ANY DISCUSSION OF U.S. FEDERAL TAX ISSUES CONTAINED OR REFERRED TO IN THIS DISCLOSURE STATEMENT (INCLUDING ANY ATTACHMENTS) IS NOT INTENDED OR WRITTEN TO BE USED, AND CANNOT BE USED, BY ANY TAXPAYER FOR THE PURPOSE OF AVOIDING PENALTIES THAT MAY BE IMPOSED ON A TAXPAYER UNDER THE INTERNAL REVENUE CODE, (B) ANY SUCH DISCUSSION IS WRITTEN IN CONNECTION WITH THE PROMOTION OR MARKETING OF THE TRANSACTIONS OR MATTERS ADDRESSED HEREIN, AND (C) TAXPAYERS SHOULD SEEK ADVICE BASED ON THEIR PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISOR.

B. Tax Consequences to Holders of Certain Allowed Claims Other than LP Common Equity Interests

1. U.S. Holders

A U.S. Holder will recognize gain or loss in an amount equal to (x) the sum of (i) the stated principal balance of any debt instrument received by such U.S. Holder for its Allowed Claim or Equity Interest, (ii) the fair market value of any stock received by such U.S. Holder for such Allowed Claim or Equity Interest, and (iii) the amount of any cash received by such U.S. Holder for such Allowed Claim or Equity Interest; over (y) the U.S. Holder’s adjusted tax basis in such Allowed Claim or such Equity Interest surrendered (other than any claim for accrued but unpaid interest and, in the case of an Equity Interest, taking into account any adjustments to such U.S. Holder’s adjusted tax basis from allocations of income or loss during the taxable year (including allocations resulting from the LP Sale)). If you are a noncorporate U.S. Holder, the maximum marginal U.S. federal income tax rate applicable to the gain will be lower than the maximum marginal U.S. federal income tax rate applicable to ordinary income (other than certain dividends) if your holding period for the Allowed Claim or the Allowed Equity Interest exceeds one year (i.e., such gain is long-term capital gain). Any gain or loss realized generally will be treated as U.S. source gain or loss, as the case may be. The deductibility of capital losses is subject to limitations. Payments attributable to accrued but unpaid interest will be taxable as ordinary income to the extent not previously taken into income. Conversely, a holder of an Allowed Claim may be able to recognize a deductible loss (or, possibly, a write-off against a reserve for worthless debts) to the extent that any accrued interest on the Allowed Claims was previously included in the holder’s gross income but was not paid in full by the LP Debtors. Such loss may be ordinary, but the tax law is unclear on this point.

A U.S. Holder will have a tax basis in any stock received equal to the fair market value of such stock as of the applicable Plan Distribution Date and a tax basis in any debt instrument it receives equal to the stated principal balance of such debt instrument.

A holder of an Allowed Claim that purchased its Claim from a prior holder at a market discount may be subject to the market discount rules of the Code. Under the market discount rules, a U.S. Holder generally will be required to treat any gain realized on the sale, exchange, retirement or other disposition of its Claim as ordinary income to the extent of any accrued market discount that has not previously been included in income. For this purpose, market discount will be considered to accrue ratably during the period from the date of the U.S. Holder's acquisition of the Claim to the maturity date of the Claim, unless the U.S. Holder made an election to accrue market discount on a constant yield basis.

A holder of an indirect interest in an Existing LP Preferred Unit Equity Interest that holds such indirect interest through an entity that treated as a pass-through entity or an entity disregarded as separate from its owner for U.S. federal income tax purposes will be required to take into account any income allocated to such holder as a result of its indirection interest in such Existing LP Preferred Unit Equity Interest through the date of the indirect disposition of the Existing LP Preferred Unit Equity Interest pursuant to the Plan.

2. Non-U.S. Holders

Subject to the discussion below under the caption “—U.S. Backup Withholding Tax and Information Reporting,” if you are a Non-U.S. Holder, any gain realized by you upon the receipt of Cash, stock or a debt instrument in satisfaction of your Allowed Claim or Allowed Equity Interest generally will not be subject to U.S. federal income tax, unless:

- the gain is effectively connected with your conduct of a trade or business in the United States; or
- if you are an individual Non-U.S. Holder, you are present in the United States for 183 days or more in the taxable year of the sale, exchange or retirement or other taxable disposition and certain other conditions are met.

C. **Tax Consequences to Holders of LP Common Equity Interests**

1. ~~3.~~ U.S. Holders

A U.S. Holder of an LP Common Equity Interest will recognize gain or loss in an amount equal to (x) the sum of (i) the stated principal balance of any debt instrument received by such U.S. Holder for its LP Common Equity Interest, (ii) the fair market value of any stock received by such U.S. Holder for such LP Common Equity Interest and (iii) the amount of any cash received by such U.S. Holder for such LP Common Equity Interest over (y) the U.S. Holder's adjusted tax basis in such LP Common Equity Interest surrendered, taking into account any adjustments to such U.S. Holder's adjusted tax basis from allocations of income or loss during the taxable year (including allocations resulting from the LP Sale). If you are a noncorporate U.S. Holder, the maximum marginal U.S. federal income tax rate applicable to the gain will be lower than the maximum marginal U.S. federal income tax rate applicable to ordinary income (other than certain dividends) if your holding period for the Equity Interest exceeds one year (*i.e.*, such gain is long-term capital gain). Any gain or loss realized generally will be treated as U.S. source gain or loss, as the case may be. The deductibility of capital losses is subject to limitations.

A U.S. Holder will have a tax basis in any stock received equal to the fair market value of such stock as of the applicable Plan Distribution Date and a tax basis in any debt instrument it receives equal to the stated principal balance of such debt instrument.

If the amount of Plan Consideration is insufficient to permit a distribution to the holders of LP Common Equity Interests, the holders of LP Common Equity Interests may be entitled to claim a worthless stock deduction in an amount equal to such holder's adjusted basis in the LP Common Equity Interests. A worthless stock deduction is generally treated as a loss from the sale or exchange of a capital asset. Holders of LP Common Equity Interests should consult their own tax advisers as to the appropriate tax year in which to claim a worthless stock deduction.

2. ~~4.~~ Non-U.S. Holders

Subject to the discussion below under the caption “—U.S. Backup Withholding Tax and Information Reporting,” if you are a Non-U.S. Holder, any gain realized by you upon the receipt of Cash, stock, or debt instrument for your LP Common Equity Interest generally will not be subject to U.S. federal income tax, unless:

- the gain is effectively connected with your conduct of a trade or business in the United States; or
- if you are an individual Non-U.S. Holder, you are present in the United States for 183 days or more in the taxable year of the sale, exchange or retirement or other taxable disposition and certain other conditions are met.

D. Tax Consequences to the LP Debtors Upon Consummation of the Plan

As a result of the LP Sale, any LP Debtor that is treated as a corporation for U.S. federal income tax purposes generally should recognize gain, to the extent the sum of the amount of cash received by such LP Debtor pursuant to the LP Sale, the fair market value of any stock received by such LP Debtor pursuant to the LP Sale, and the adjusted issue price of any debt instrument received by such LP Debtor pursuant to the LP Sale exceeds such LP Debtor's adjusted tax basis in the LP Assets sold in connection with the LP Sale, or loss, to the extent such LP Debtor's adjusted tax basis in the LP Assets sold in connection with the LP Sale exceeds the sum of the amount of cash received by such LP Debtor pursuant to the LP Sale, the fair market value of any stock received by such LP Debtor pursuant to the LP Sale, and the adjusted issue price of any debt instrument received by such LP Debtor pursuant to the LP Sale.

E. Consequences of Ownership of Stock Interests and Loans Received in Connection with the Plan

The terms of the stock interests or debt instruments that may be received in connection with the LP Sale, if any, are not known at this time. It is not possible, therefore, to provide a complete discussion of the U.S. federal income tax consequences of holding any such stock interest or debt instrument. Holders that receive a stock interest or debt instrument should consult their own tax advisors regarding the tax consequences of the ownership and disposition of a stock interest or debt instrument received in connection with the Plan.

F. Information Reporting and Backup Withholding

Proceeds paid to a U.S. Holder in respect of the satisfaction of a Claim or cancellation of Equity Interests generally will be subject to information reporting requirements. The payor will be required to backup withhold on payments made within the United States, or by a U.S. payor or U.S. middleman, to a holder of a Claim or Equity Interest that is a U.S. Person, other than an exempt recipient, if the holder fails to furnish its correct taxpayer identification number or otherwise fails to comply with, or establish an exemption from, the backup withholding requirements. Payments within the United States, or by a U.S. payor or U.S. middleman, of to a holder of a Claim or Equity Interest that is not a U.S. Person will not be subject to backup withholding tax and information reporting requirements if an appropriate certification is provided by the holder to the payor and the payor does not have actual knowledge or a reason to know that the certificate is incorrect. The backup withholding tax rate is currently 28%.

Backup withholding is not an additional tax. You generally will be entitled to credit any amounts withheld under the backup withholding rules against your U.S. federal income tax liability provided the required information is furnished to the IRS in a timely manner.

In the case of payments to certain trusts or certain partnerships, the Persons treated as the owners of the trust or the partners of the partnership, as the case may be, will be required to provide the certification discussed above in order to establish an exemption from backup withholding tax and information reporting requirements.

XI.

ALTERNATIVES TO CONFIRMATION AND CONSUMMATION OF THE PLAN

The Plan Sponsors have evaluated numerous alternatives to the Plan. After studying these alternatives, the Plan Sponsors have concluded that the Plan is the best alternative and will maximize recoveries to holders of Claims and Equity Interests. The following discussion provides a summary of the analysis of the Plan Sponsors supporting their conclusion that a liquidation of the LP Debtors or an alternative plan will not provide higher value to holders of Claims and Equity Interests.

A. **Liquidation Under Chapter 7 of the Bankruptcy Code**

If no plan of reorganization can be confirmed, the Chapter 11 Cases may be converted to a case under chapter 7, in which event a trustee would be elected or appointed to liquidate the properties and interests in property of the LP Debtors for distribution to ~~its~~[their](#) creditors in accordance with the priorities established by the Bankruptcy Code. The Plan Sponsors believe that liquidation under chapter 7 would result in smaller distributions being made to holders of Claims and Equity Interests than those provided for under the Plan because of, among other things, (i) the increased costs and expenses of a liquidation under chapter 7 arising from fees payable to a trustee for bankruptcy and professional advisors to such trustee; (ii) the erosion in value of assets in the context of the expeditious liquidation required under chapter 7 and the “forced sale” environment in which such a liquidation would likely occur; (iii) the adverse effects on the salability of business segments as a result of the likely departure of key employees and the loss of customers; and (iv) potential increases in claims which would have to be satisfied

on a priority basis or on parity with creditors in the Chapter 11 Cases. Accordingly, the Plan Sponsors have determined that confirmation of the Plan will provide each holder of a Claim or Equity Interest with a greater recovery than it would receive pursuant to liquidation under chapter 7.

A discussion of the effects that a chapter 7 liquidation would have on the holders of Claims and Equity Interests is set out in the Liquidation Analysis, attached as Exhibit "D" hereto.

B. Alternative Plans

If the Plan is not confirmed, ~~any other~~ it is possible that the Bankruptcy Court will confirm the Debtors' Plan or the Harbinger Plan or some other heretofore unproposed plan of reorganization or liquidation. The Plan Sponsors have examined those other Competing Plans and various other alternatives in connection with the process involved in the formulation and development of the Plan. The Plan Sponsors believe that the Plan, as described herein, maximizes recoveries to holders of Claims against and Equity Interests in the LP Debtors. As described in more detail in the section of this Disclosure Statement entitled "The Chapter 11 Cases – The Competing Plans and Disclosure Statements," the Debtors' Plan and the Harbinger Plan are, in the opinion of the Plan Sponsors, inferior to the Plan Sponsors' Plan and unconfirmable. The Plan Sponsors reserve all rights to assert, and anticipate asserting, objections to the Competing Plans (predicated on arguments not set forth herein) in advance of the Confirmation Hearing.

If the Bankruptcy Court does not confirm the Plan or any of the Competing Plans, it is possible that a party in interest could undertake to formulate a different plan, including ~~plans~~ a plan of either reorganization or liquidation. Such ~~plans~~ a plan might involve a reorganization and continuation of the business of the LP Debtors, the sale of the LP Debtors as a going concern or an orderly liquidation of the properties and interests in property of the LP Debtors. ~~With respect to an alternative plan, the Plan Sponsors have examined various other alternatives in connection with the process involved in the formulation and development of the Plan. The Plan Sponsors believe that the Plan, as described herein, maximizes recoveries to holders of Claims and Equity Interests. In a liquidation of the LP Debtors under chapter 11, the LP Debtors' properties and interests in property likely would be sold in a more orderly fashion and over a more extended period of time than in a liquidation under chapter 7, probably resulting in greater recoveries. Further, if a trustee were not appointed, since one is not required in a chapter 11 case, the expenses for professional fees would most likely be lower in a chapter 11 liquidation than in a chapter 7 liquidation case.~~ However, there can be no assurance that any such other plan would result in greater value to the LP Debtors' estates than would be realized under the Plan, and it is possible that such a plan would provide inferior recoveries to stakeholders of the LP Debtors relative to the Plan.

XII.

CONCLUSION

The Plan Sponsors believe that the Plan is in the best interest of all holders of Claims against and Equity Interests in the LP Debtors, and urges all holders of Claims against and Equity Interests in any of the LP Debtors to vote to accept the Plan and to evidence such acceptance by returning their ballots in accordance with the instructions set forth in the Disclosure Statement Order.
