SCHEDULE F - CREDITORS HOLDING UNSECURED NON-PRIORITY CLAIMS

State the name, mailing address, including zip code, and the last four digits of the account number of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See 11 U.S.C. §112; Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Co-Debtor," include the entity on the appropriate schedule of creditors, and complete schedule H - Co-Debtors. If a joint petition is filed, state whether husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C," in the column labeled "Husband, Wife, Joint or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed in this schedule on the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding unsecured non-priority claims to report on this Schedule F.

*** FOOTNOTE TO SCHEDULE G**

The information set forth herein was derived from the Debtor's books and records.

The Debtor reserves the right to amend any of the items set forth herein if and when more updated information becomes available.

This list of Executory Contracts is furnished for informational purposes only to apprise parties in interest of possible contractual relationships of the Debtor as of the date of filing and is derived from documents in the possession of the Debtor.

This statement is not an admission or recognition that any contractual relationship existed or that, if such relationship existed, said relationship presently exists.

The Debtor does not waive any rights of rescission or reformation or defense respecting any contract.

Similarly, this Statement is not an admission or recognition that any contractual relationship constitutes an "executory contract."

Some contracts listed in this Statement may have been validly terminated or expired by their own terms prior to the date of filing but have been listed notwithstanding such possible termination or expiration in order to provide a complete presentation of the Debtor's affairs and in the event that one or more parties in interest may take the position that an executory contract existed as of the date of filing.

Similarly, this Statement is not an admission or recognition that any contractual relationship constitutes a lease or an "executory contract" nor is the characterization of a contract as a "lease" an admission that the contract is a lease and not a security agreement.

In fact, an agreement entitled "lease" may constitute a security agreement.
